

FROM THE HOPPER
By HOP

With so many horrible crimes being committed all over the country these days, I got a real scare the other evening when my wife announced that she was going out to put up the family automobile for the night.

Several minutes passed and she did not return. Finally, I got up to investigate. But when I discovered the car still standing at the curb I felt relieved. "Well," I sighed silently, "they might have gotten off with the old woman, but they left the car."

Reminds me of an early experience I had back in Oklahoma as a cub newspaper reporter, when the city editors of a small daily newspaper sent me out to cover a killing that had taken place near the down-town section of the city.

I made my coverage of what was to be the biggest story I have ever had the privilege of covering. It was very evident that robbery was the motive of the murder, and I wrote my story accordingly.

Concluding my story, I made this enlightening observation: "Fortunately for the murdered man, he had just made a deposit of his money in the bank and was on his way back to his place of business, so he lost nothing but his life."

Speaking about murders, I am reminded of the vicious crime that was committed recently right here in our midst when "Old Josh" Blocher, a harmless old man, was beaten and left to die alone in the broiling sun.

A public subscription reward is being raised for the arrest and conviction of his murderer, and every decent citizen in this section should contribute to this fund.

Our homes and our families are not safe when men of this type are known to be running at large in this community. It is the responsibility of the citizenship to assist in running down the criminals who committed this dastardly deed.

Buses Checked, Safety Program Is Planned

Patrolmen N. E. Wells and J. A. Dumas will conduct a program on safety at 8:30 Monday night at Farwell school house, R. D. Hensley, in charge of Farwell school busses, says. All school bus drivers are to attend the meeting and the PTA is issued a special invitation. The public is invited, Hensley adds.

The program is not only for those interested in the safety of the school busses, but it is for the benefit of driving safety at any time, Hensley says. "We hope to have a film from Austin to show in conjunction with the program, "Hensley further points out, "but the picture is in great demand and may be unattainable."

Patrolmen Wells and Dumas inspected Farwell school busses and found them to meet all requirements Monday. Buses were issued to drivers that same day. Bus drivers include Kenneth Fields, S. S. Jobs, Vernon Willard, Doyle Vaughn, Leon Meeks, Jackie Doshier and R. D. Hensley.

Complete Move To Larger Quarters

The Bradshaw Grocery & Market, which has been in the process of getting set up in their new and large quarters since the first of the week, expected to complete the task before the end of the week.

Setting up the various refrigeration units has delayed getting set up in the new quarter, but things were shaping up pretty well Wednesday afternoon. Two new cooling cases and a zero display case, all of self-serving type, have been installed; new shelving has been erected and the store presents a very convenient and attractive appearance throughout.

Preliminary Surveying For New School Begins

Preliminary surveying for the new Farwell High school began Tuesday, Jack Williams, superintendent of schools, says. The administrator could give no date for beginning of actual construction, however, as all storage and utilities buildings must be constructed.

Williams states that brick, steel, and windows for the building have already been ordered.

Steers, Buffs Play Friday

First test of strength for the 1951 Farwell Steers will be seen on Farwell field Friday night when the home 11 will meet the Melrose Buffaloes.

Little time has been had for either team to work out, but the game may be an indication of what can be expected from the Steer camp this year, as through past season the Buffs and the Steers have been a pretty even match.

The game, which will be played under lights, is scheduled to begin at 8 o'clock. No junior contest is scheduled.

Texico Wreck Victims Buried over Weekend

Funeral services for two Texico men, fatally wounded in an automobile accident 80 miles southeast of Farmington, N. M., last Monday, were held at the local Baptist Church the past weekend.

Rites for Preston David Cain, 42 were held Thursday afternoon, and services for Andrew Jackson Crane, 52, were held on Friday afternoon, with Rev. C. M. Fields officiating at both services. Under the direction of the Steed Funeral Home in Clovis, burial was made in the Texico Cemetery.

Complete details of the accident that claimed the lives of the two local men have never been learned here. The two men were traveling in a late model De Soto automobile, owned by Crane, when it left the highway and overturned at least two times. Both men were taken to the San Juan Community hospital at Farmington, where Cain died about 10:30 p. m. Monday night, and Crane passed away at 3 a. m. Tuesday morning.

Cain's body was returned here by a Steed ambulance and the body of Crane was shipped by train.

Relatives of the dead men said today that they had not been advised of the particulars of the accident that claimed their lives, except that a car, driven by an unknown party, crowded the Crane machine off the road.

Farwell Schools Enroll 360 Students Tuesday

Farwell schools enrolled 360 students during registration Tuesday morning, Supt. Jack Williams announces, and the enrollment is not yet complete. In high school, 116 students were listed.

According to Williams, the approximate enrollment will probably be about 370.

Students registered for classes on Tuesday morning, and went into regular classes that afternoon. Books were issued that morning.

Buses made their regular runs on Tuesday taking the children to and from school on registration day, and the lunch room was open. Mrs. Travis Brown is again in charge of the lunch room assisted by Mrs. Willie Hardage, Mrs. Nettie Petree, Mrs. Alpha Doshier, and Mrs. Velma McDorman. Williams states that a large number of students ate in the lunch-room the first day. Three-hundred-forty-six meals were served.

One new course was added to the agenda for the coming term, Junior Business Training which has not been offered heretofore, will be instructed by Mrs. Otis Prescott. Also, Supt. Williams adds, administrators hope to get a Driver's Education course set up in the next few weeks.

A few schedule adjustments are still to be made for some of the students, according to Williams, then the term should be in full swing.

Farm Bureau Directors Favor Water District

The Bureau Directors of Parmer County went on record at their latest directors meeting favoring the proposition concerning the formation of a water conservation district for this area. These men felt that for them to try to furnish any detailed information on the subject might lead to confusion.

They urge the Farm Bureau Membership to carefully read and weigh any press releases that may be forth coming. These directors are convinced that a vote for the proposition in the special election of Sept. 29, would be a vote for free use of water to the land owner and avoid a possible state control at a later date, it has been announced by Hadley Reeve, secretary of the group.

FAIR STARTS SEPT. 13

FARWELL HOG AND CATTLE COMPANY COMPLETES LOTS, WILL OPEN SEPT. 15

Completion of the feeding lots of the new Farwell Hog and Cattle Company 1 1/2 miles south of town was announced today by Jewel Castor, Clovis cattleman. Castor says that the new lots will be ready for business Sept. 15.

"Toad" Thomas, also of Clovis, will be general manager for the new concern when it opens this month, and will supervise a crew of four men employed to run the mill and lots.

Begun last May, the lots, feed mill, scales, and other buildings were erected at an anticipated cost of \$50,000. At that date, Castor expected to see the project completed by Oct. 1. According to his estimation,

the lots are opening two weeks earlier than he had anticipated.

The new company will be buyers of hogs and cattle for Wilson Packing Company. Also, the business will be seen by grain farmers of this area as a ready market for their product, since the company owners have announced their intention to use locally-grown feedstuffs as much as possible.

Capacity of the pens will be 2500 head of cattle. Castor and Thomas said they expected to have the pens full by October.

Thomas, who at present lives in Clovis, plans to make his home in Farwell next month.

Capital Stock Of Local Bank Is Raised

Authorization to increase the capital stock of the Security State Bank of this city to \$100,000 has been issued by the State Banking Commissioner, it was announced here today by G. D. Anderson, president of the local bank.

Anderson said that action on the part of the directors to increase the capital stock from \$50,000 to \$100,000 was taken some time ago, and application for doubling the capital stock was filed with the banking commissioner at that time.

Authority to carry out such plans was received last week, and became effective on Sept. 1, Anderson said.

The certified surplus of the local bank will remain at the same figure of \$75,000, he added.

Sam Blake to Conduct Price Clinic Wednesday

Department and furniture stores, jewelry and variety stores, and all other firms covered by Ceiling Price Regulation 7 and its amendments may obtain information regarding pricing and pricing formulas under their pricing charts if they will contact Sam Blake who will be in Farwell next Wednesday afternoon, September 12.

Through the co-sponsorship of the Chamber of Commerce he will maintain offices at the Courthouse.

Specialists from the Lubbock district office are here on that day every week to help merchants in complying with the government's price stabilization program. Businessmen are invited to take advantage of the clinic to bring their firms into complete compliance.

HOME FOR WEEKEND

Visiting in the home of Mr. and Mrs. Sam Aldridge over the weekend was their son, Pfc. Bob Hart, who is stationed at Manhattan, Kansas. He was accompanied by Gene Vickers of Houston and Johnnie May of Lubbock.

Local Firms Give Aid For Blocher Reward

With the view of raising at least \$2,000 to be awarded for the apprehension and conviction of the persons responsible for the death of Joshua Blocher, 85-year-old semi-recluse Progress resident, a fund-raising campaign has been launched by citizens of Bailey and Parmer Counties.

Three local firms, the Davis Mercantile Co., the State Line Grocery, and the Security State Bank, have agreed to assist in the collection of the contributions. Other firms agreeing to accept contributions are, Nigh Grocery, Progress; Wimberley Grocery, Progress; and Hughes Service Station, Lariat.

A Muleshoe attorney has drawn up the rules to govern the award, and the Muleshoe State Bank has been named a trustee of the fund. No peace officer will be eligible to receive the reward. The contributors will be refunded their money should no conviction come through the regular law-enforcement agencies.

"Old Josh", a harmless and inoffensive citizen of Progress, was found murdered several days ago, and officers believe robbery was the motive in his brutal slaying. Peace officers admit that little or no progress has been made in solving the case.

Two Run-Away Lads Picked Up Monday

Two teen age run-away lads were picked up over the past weekend by Sheriff Chas. Lovelace at Friona and brought here, where they were held until one of the lad's parents arrived here Monday.

The lads, ages 14 and 15 years, had allegedly run away from their home at Long Beach, Calif., and one of them was working at the Bruce Coleman farm, near Friona, when found.

In their last pre-fair meeting, directors of the Parmer County fair Tuesday night adjusted trimmings for the county-wide event. Only a week remains to work on the annual occasion before the doors are thrown open Thursday, Sept. 13.

In addition to the bill of fare for entertainment which has been customary since the beginning of the county fair, this year visitors will be treated to a free barbecue, will be able to enjoy a calf roping, and entertain their children with rides on the fairground.

Boy Eats Thermometer: His Temperature's OK, But His Parents' Soars

Last week, Bob Scott, young son of Mr. and Mrs. Robert W. Anderson, turned up with a slight temperature. Mrs. Anderson, known to all as "Carrie", thought maybe she'd better check up on his condition.

Carrie fed him an aspirin, then slipped a glass thermometer into his mouth. She turned her back for a few moments to allow the instrument to warm up. When she came back for a reading, she pulled the thermometer out of Bob Scott's mouth, which was arced in a wide grin.

Not until then did Carrie make the startling discovery that the youthful patient had bitten off the lower end of the thermometer.

"What did you do with it?" she asked in alarm.

"I swallowed it", came the unsuspected reply.

Carrie dashed to the phone to summon a doctor. The medic advised the worried mother to feed Bob Scott plenty of bread and he probably would be okay. This she did, and the incident caused no more trouble.

However, the parents confessed that although Bob Scott's temperature went right down after eating the thermometer, theirs did not. They have a more squeamish appetite than he does.

Loan Contract For Rural Telephones Executed Thursday

Directors of the West Texas Rural Cooperative met in Hereford last Thursday and executed the contract for a federal loan of \$454,000 to finance the project in the three county area of Deaf Smith, Castro and Parmer Counties.

Tabulations at the Hereford meeting showed that a total of 608 potential subscribers had signed up and paid the \$50.00 equity fee, and 239 subscribers had paid in \$5.00 on their quota of the total \$50.00 assessment. Payment of the remaining \$45.00 will be required before the telephone lines are completed, officials said today.

"It is not too late to sign up yet," Leo Forrest, manager of the REA, who is assisting in working out the details of the telephone program, said today in a telephone conversation. And he went ahead to say that there were only a few remaining prospective subscribers in the area who had not already signed up for the service.

"Material is going to be tight," Forrest declared, adding that a priority rating would probably be required before materials could be obtained.

Reburial Services For Pvt. Gonzales

Reburial services for Pfc. Alfonso Gonzales, Texico soldier, killed in action in Korea on March 2, were scheduled for 10 a. m. this (Thursday) morning from Our Lady of Guadalupe Catholic church in Clovis. Mass requiem rites were said by Rev. Father Anthony.

The body of Pvt. Gonzales arrived in Clovis Wednesday afternoon from San Francisco. With the Steed funeral home in charge, burial was made in the Garden of Memories cemetery in Clovis. Military rites were conducted at the graveside.

Gonzales had been overseas only two months when he was killed. He was recalled to service on Oct. 15, 1950, after service more than two years in the Army during World War II.

Gonzales is survived by his wife, Mary, and a son, Alfonso, Jr., both of Texico, his parents, Mr. and Mrs. Pete Gonzales, Tex., a brother, Johnny, Texico, and three sisters, Mrs. Annie Lopez, Clovis, Miss Mollie Gonzales, Clovis, and Miss Margie Gonzales, Anton Chico, N. M.

The barbecue, which probably will draw much business from the appetites of hungry fair-goers, has been set for Thursday afternoon at 3 o'clock. The calf roping, which will be staged on the Owen Seamans farm, will be entered by ambitious cowhands who will pay a small entry fee for the sweepstakes or "pot."

Finale for the official schedule of the fair activity will be a parade down the streets of Friona Saturday afternoon, beginning at 2 o'clock, at which the Fair Queen will be presented. The complete schedule of events will be found elsewhere on this page.

When the directors began work this year, they were faced with a deficit of around \$600 in addition to the usual task of planning and putting on a county fair. That debt has been overcome through the sale of advertising in the fair catalog.

In connection, Tuesday night the directors decided that additional revenue might be netted for the fair treasury if a pig sale was sponsored and conducted by the fair.

This met with the approval of the directors, since several farmers who do not wish advertising space in the catalog are willing to contribute a pig for the sale. Time of the sale has not been established, but County Agent Joe Jones estimates that is probably will be held after the parade Saturday.

He commented that any farmer who is interested in lending support to the fair through the pig sale is urged to do so.

OFFICIALS LISTED

A long list of Parmer County men who have worked and will work next week on the county fair is headed by Wendol Christian, fair association president. He is officially aided by Virgil Teague, vice-president, and John Blackburn, secretary.

Directors include Levi Johnson, A. L. Hartzog, John Getz, Floyd Schlenker, Jim Schaffer, Clyde Hays, and Allan Romich.

Other 1951 officials include Joe Jones, general superintendent; J. T. Gee, assistant general superintendent; Raymond King, judge for beef cattle, Jerseys, Guernseys, Brown Swiss and Holstein; J. K. Adams, swine judge; Alex Bateman, rabbit judge; and Phillip Crystal, community exhibits.

Department superintendents include Herman Weis, butterfat production; Tyson Eubanks, Jersey; Wilfred Quickel, Milking Shorthorn, Holstein Guernsey; Weldon Spinks, beef cattle; Robert Morton, swine; Harold Lillard, individual agricultural products and community agricultural exhibits; Mrs. Otho Whitefield, home arts; Raymond Euler, rabbit department; Leon Grissom, Brown Swiss.

Late hour preparations were made all last week, and according to County Agent Jones, the swine and dairy barns are about ready to be opened to the public.

Home Arts Emphasized

Women of Parmer County will have a chance to show off their wares at the annual county fair, which opens next Thursday, September 13th, at the show barns in Friona.

The home arts department this year is under the general supervision of Mrs. Grace Whitefield, of Friona, with co-workers including Mrs. W. W. Vinyard, of Farwell; Mrs. C. C. Christian, of Oklahoma Lane; Mrs. Lloyd Battey of Bovina; Mrs. Cordie Potts of Rhea; Mrs. Gladys Day and Mrs. Spencer Hough of Friona. Mrs. Bruce Parr, asked to represent Black, will not be able to serve, and no representative from that community had been contacted the first of the week, Mrs. Whitefield added.

Home canned and home baked foods will be entered, along with needlecraft and flower arrangement, in the four divisions of the Women's display, it was announced. Deadline for entering items for fair competition is 5 o'clock Thursday afternoon, Sept. 13. Mrs. Draper, home demonstration agent from Deaf Smith County, in Hereford, has been secured as judge.

Friena Men Named To Advisory Board

Bruce and Raymond Parr of Friena have been appointed as an advisory committee to the temporary Board of Directors of the High Plains Underground Water District No. 5585 1 by Jess Osborn of Muleshoe, temporary director of precinct 3.

All of Parmer County is included in the proposed district, which embraces an underground water reservoir as defined by the State Board of Water Engineers. All or part of 21 Plains counties are in the district.

The temporary Board was appointed by the State Board to serve until permanent organization of the district. The temporary directors voted, said Osborn, to have each of the five name an advisory committee of one or more for each county in his precinct.

Osborn said the advisory groups will assist in providing complete information on all matters pertaining to creation of the district and the provisions of the law under which it will operate. After its creation, it is intended that the county committees will advise the directors on all matters pertaining to management of underground water.

Qualified voters who own property in the district and who also live within it will vote on Sept. 29 to

decide whether it shall be made a political subdivision for underground water management. That time the voters will decide whether the directors shall be authorized to levy a tax not to exceed five cents per \$100. They also will elect directors to serve until the second Tuesday of January, 1952. Directors elected at that time will draw straws to determine lengths of their terms—one, two or three years. Thereafter, an election will be held each year to fill vacancy or vacancies. Thus, the terms of all five directors will not expire at the same time.

Parr to Appear On Program, 12th

Bruce Parr, president of Parmer County Farm Bureau, has been invited to appear on the program of the Texas Farm Bureau at a Sub District meeting to be held at Plainview on Sept. 12 at 10:00 A. M. He will speak on the topic, "What Farm Bureau Means to Me."

J. Walter Hammond, State President and Leon Lane from the State Office will appear on the program and there is to be special music in the way of community chorus presentations. All farmers and interested persons in the area are invited to attend, it has been announced.

Lt. Gwynne White Attends Squadron Officer Course

Maxwell AF Base, Ala.—First Lieutenant Gwynne W. White, son of Mr. and Mrs. A. D. White of Box 203 Farwell, Texas is presently attending the Squadron Officer Course of the Air Command and Staff School here it was announced by Colonel Leslie G. Mulzer, Maxwell commanding officer.

He entered the service in November 1940, was commissioned in June of 1949 after a four-year lapse from the service.

Lt. White's previous duty assignment was that of Pilot at Walker Air Force Base, New Mexico.

T. W. Parton, son of Mr. and Mrs. M. F. Parton of this city, spent the Labor Day vacation period here with his parents. He is employed at an airplane factory in Fort Worth.

Water District Voting Slated for September

The fate of a 21-county underground water conservation district will be decided by Panhandle-South Plains voters in an election tentatively set for late September.

Plans for holding the water district election are being made by five directors who head the temporary district created Aug. 9 by the State Board of Water Engineers following a hearing in Plainview.

The election date will be announced by the directors, E. C. Hatton of Lubbock, A. C. Chesher of Littlefield, Jess Osborn of Muleshoe, Tom McFarland of Hereford, Tom Bostic of Plainview. Duties of these temporary directors are confined solely to holding the election, at which West Texas citizens may approve or reject the district proposal.

The election will be conducted under the local option system, with municipalities, counties and segregated irrigated areas voting separately. The vote of one such political subdivision cannot affect the vote of another. Under this system, a town can vote itself out of the water district while the surrounding rural area joins the district, or vice versa. The working district, when created, may thus consist of one or more counties, parts of any of the counties, or the entire area of the 10,649-square-mile reservoir.

The temporary district includes all of Lubbock, Hale, Parmer and Swisher counties and parts of Armstrong, Bailey, Briscoe, Castro, Cochran, Crosby, Deaf Smith, Dickens, Floyd, Garza, Hockley, Lamb, Lynn, Oldham, Potter, Randall and Terry counties.

Farwell Band To Give Performance at Game

Farwell band will make its first appearance Friday night when the local football team meets Melrose on the home field, Mrs. S. S. Jobs, director of the band says. A short halftime performance is planned by the group.

Band practice began August 27, and according to Mrs. Jobs a good per cent of students have been attending practice. "They are improving rapidly and should be ready for the appearance Friday. Practice has been held each day, and students have had instruction in both music and marching. Band mothers met last week and fitted uniforms, Mrs. Jobs says.

"As for the size of the band, it's hard to tell at the present," Mrs. Jobs adds. She does state, however, that she has good prospects for a marching band for this fall, due to having four snare drums, a bass and cymbals. Heretofore, the band has two snare drums. As yet, no one is available to play the bass horn. Charles Kellogg, who formerly filled this position, moved away. Several band members also play on the football team, but all in all, the band is pretty well balanced, the director states.

Kayla Felts is drum major, and majorettes are Gloria Jean Sander, Nancy Aldridge, Darlene Sprawls, Shirley Smith, Rose Hines and Betty Billingsley.

Mrs. Jobs has not yet scheduled any other appearances for the band.

E. K. Shipp Accepts Position at Lazbuddy

Lazbuddy schools opened their new term the past Monday. A new superintendent is in charge, replacing Archie Sims, who has accepted a position in Tahoka.

E. K. Shipp, superintendent, had been superintendent at McLean prior to his Lazbuddy position.

Classes were run on schedule Monday and the lunch room served the noon meal. Buses ran on schedule.

AGENT JONES DISCUSSE DIFFICULTIES OF BINDWEED, JOHNSON GRASS FIGHT

Bindweed, which has been called the saboteur of farms and which spreads by both roots and seeds, has become a serious pest over the plains, Joe Jones, county agent states. The county agent urges local

farmers to declare war on the weed, before it becomes more widespread. Occurring on both cropland and non-cropland, infestations vary in size and also occur along fence rows, highways, railroads and other places.

After becoming established, the weed reduces crop yields and land values depreciate, Jones adds.

The weed plant develops deep root systems which live through the winter and produce new growth the next season. Plows, harrows and other implements passing through infested areas break roots and spread them to other parts of the field where they develop new plants, the county agent explains. Infested hay or straw fed to animals pastured in infested areas can pass through the digestive tract and thus spread the infestation, Jones points out.

The deep root system of the bindweed makes it particularly difficult to eradicate, because the root system must be destroyed for eradication of the weed. Also, seed may stay in the soil for years and germinate when the conditions are favorable.

Eradication Methods

Bindweed may be eradicated by continuous intensive cultivation, or cutting the roots of the plants at a uniform depth until the plants are destroyed. Cultivation may be started any time during the growing season, Jones states. Old deep-rooted plants are more difficult to destroy than young shallow-rooted plants

and therefore, take a longer period of time.

Tests indicate that 2 4-D, when properly applied, may kill 80 to 90 per cent of bindweed plants, but a single application does not give complete control. For best results, the chemical should be applied in the spring when the plants are growing rapidly and just before they start blooming, and later in the fall when the plants have resumed growing. Jones warns that treatments are not as effective in the warm summer months.

According to Agent Jones, there are several non-selective weed killers or soil sterilants, that are very effective in the fall months, which can be used to help in control or eradication of bindweed. Included are sodium chlorate, borascue, concentrated borascue, atascide, and polybor chlorate or polybor. All these are used at different rates and at different times to give varying kills, Jones says.

Farmers wanting more information should see County Agent Jones, who can give the method proved best by the bindweed experts.

Facts On Johnson Grass

Discussing Johnson grass, Jones says the same sterilants are used as for bindweed, but different rates of

application are practiced. Rates are found on the container, best time for application is when the grass is actively growing in the boot stage. Jones describes this grass as another pest which is hard to kill. Seeds are scattered by wind, rain, and by livestock. Seeds which haven't been cleaned and certified may contain the Johnson grass seed also. Every farmer should fight this crop killer, Jones concludes, as well as bindweed.

Mr. Adams said in a letter to Frank A. Spring, Defense Bond chairman for Parmer county.

"Instead, Treasury Secretary John W. Snyder has asked us to sell as many Defense Bonds as possible, to back up our armed forces and to help resist the pressure of inflation," Mr. Adams said. He urged the local chairman, however, to set for the county a goal "high enough to be a challenge to you and your committee."

"The people want a part in the nation's defense effort," he said. "Right now the most practical way for them to help is for them to buy U. S. Defense Bonds."

HERE IS BIG NEWS

For Small Grain Growers

MARKED INCREASES IN SMALL GRAIN YIELDS have been evidenced by recent tests by universities and farmers alike.

More and more farmers are using FERTILENE liquid fertilizer to increase yields.

HOW FERTILENE HELPS

When Fertilene is applied to seed grain, nourishment is added that is ready for the seed to use immediately after germination. This helps develop better root structure and top growth in early stages, and makes impressive increases in yield.

YOU CAN'T TELL BY LOOKING

No one can tell by looking at your soil or seed whether it is good. The soil can be tested, but there's no way to test the seed. A test on part of your acreage will let you decide if Fertilene is helpful.

YOU DON'T NEED SPECIAL EQUIPMENT

Applying Fertilene is simple. Sprinkle over seed grain, mix thoroughly on barn floor, and allow to dry before planting. Treated seed runs freely through the drill.

Costs Less than 60c Per Acre

One Gallon of Fertilene is diluted with 1/2 gal. of water and is used to treat from 10 to 12 bushels of seed grain. Costs less than 60c per acre.

Large Number Of Students Begin Preparations To Attend College

Many Texico-Farwell young people will be busy during the coming weeks as they make preparations to return to schools and colleges. Some of the students have already begun their studies and others will return to classes this week and next week.

Possibly Eastern New Mexico university in Portales will boast the largest number of Texico-Farwell students this year. Returning there to continue work on their degrees are Mary Ruth and Hazel Petree, W. H. Graham Jr., Lona Mae Jones, Joan Williams, and Peggy Hill. Miss Jean Rogers will transfer back to ENMU from Denton; and Jerry Pool and Nelma Jean Branscum, who received their high school diplomas at Farwell in June, will begin their college work there. Charles Felts of Lariat is also an ENMU student.

Texas Technological College in Lubbock is also a strong school for Texico-Farwell students. Those who have been attending summer school and will resume their work this fall are Robert Armstrong and Calvin Blain. June Christian, who attended McMurray, will transfer to Tech; and Caryetta Grissom and Billy Don Crume, 1950 Farwell high school graduates, will also attend the school. Ronald King, who graduated from Texico High school, also plans to enroll there.

Four Farwell boys will be students at Texas A & M at College Station. Bobby Poteet will be the only upper classman; and Bob Gerles will enroll as a freshman. John Christian and Gerald Norton, attended summer school and will re-enter the school.

Three Texico boys are to be attending at New Mexico A & M in Las Cruces. They are John White, Jack Donahay, and Dee J. Brown.

Only two students are enrolled at Abilene Christian College, Warlick Thomas and Troy McKillip. Cary Joe Magness will resume his studies at Southern Methodist University in Dallas, and Stephen Stone will enter the freshman class.

Mr. and Mrs. Leonard Watkins are both students at Howard Payne College in Brownwood; and Carmen Roth and Wayne Tucker, both 1950 Texico high graduates, have enrolled at New Mexico University in Albuquerque. Two recent Farwell graduates, Bettie Foster and Dot Kent, will attend McMurray.

Wynema Cochran plans to attend Draughan's Business College in Lubbock; Jane Claire Overstreet will return to Hockaday in Dallas and Mary Belle Aldridge will return to Stephens in Columbia, Mo. Herschel Harding is studying at Baylor University in Waco, and Nathan Harding is entering seminary in Ft. Worth. Toby Booth will resume his work at West Texas State college in Canyon, and Don Ford has re-entered Texas Christian University in Ft. Worth.

Farmerettes club met Tuesday in the home of Mrs. Lloyd Gober. The afternoon was spent embroidering tea towels for the hostess. A short business session was also held.

Members attending were Mrs. James Roach, Webb Gober, Leon Billingsley, Leon Grissom, Kenneth Grissom, Bill Meeks and Harold Carpenter.

Mrs. Webb Gober will be hostess to the club September 25.

Wesleyan Service Guild to Meet

The first fall meeting of the Wesleyan Service Guild will be held Wednesday Sept. 12 at 8:15 p.m. in the Methodist Church undercroft.

Although Guild is sponsored by the Methodist Church it is not exclusively for Methodist. Any woman who is employed or, who for any reason is unable to attend afternoon groups, is not only welcome but urged to attend Guild.

An interesting program for the coming year has been outlined with a number of social events included. The first special event will be the annual Guild Dinner to be held in October.

Golden Circle Class Has All-Day Meeting

Golden Circle class of the Baptist church met Wednesday in the home of Mrs. Murray White for an all-day meeting. A covered dish luncheon was held.

The women spent the day making clothing for an orphan child.

Attending the meeting were: Mesdames Edd Hardage; Walter Hardage, C. M. Fields, Barney Kelley, Joe McWilliams, R. L. Douglas Jr., John Lockhart and Mrs. White.

Fishing at Conchas

Mr. and Mrs. O. C. Sikes spent the Labor Day holiday at Conchas Lake, enjoying some very good luck fishing.

R. V. Ham and Ralph Humble were also among the fishermen at Conchas over the weekend.

Visit the Grahams

Mr. and Mrs. John Graham and children were guests in the home of his parents, Mr. and Mrs. B. N. Graham over the weekend. They arrived Thursday and returned to their home in Lubbock Sunday afternoon.

Visiting in the W. J. Hutter home are Mr. and Mrs. R. V. Hunter and son, Kim, of Dallas; and Mrs. E. D. Morgan of Clovis.

Humorous Hat Show Entertains Ladies

Mrs. W. H. Graham was hostess to a social for members of the WSCS of the Methodist church Saturday afternoon at her home in Farwell.

Purpose of the social was to report how much money each member had placed in the treasury by "talent." Each lady used her talents during the summer months to make various articles for sale, with money going to the WSCS. Forty-seven dollars was gained from the project.

Entertainment for the afternoon featured a humorous fashion show. Members styled new fall hats for each other, and modeled them.

Watermelon was served to Mesdames Ralph Humble, B. N. Graham, Anne Overstreet, Ruby Dixon, Lance Hurst, G. W. Atchley, A. D. Smith, Lena Yoder, Roy Thornton and W. H. Graham.

Mr. and Mrs. Ted Walker spent Sunday visiting relatives in Plainview and Spade. In Plainview they visited with Mr. and Mrs. Truitt Allison and in the afternoon they drove back by Spade, where they visited with Mr. and Mrs. Cecil Dykes, who recently located there and he is agricultural director in the Spade school system.

Women's Ball Team Ends Season with Win

Texico-Farwell girl's softball team ended their season the past week with a win and a loss, topping the Springlake group and suffering defeat by the Hereford team.

The local girls met the overpowering Hereford team Thursday night, and were defeated by a top heavy score of 16-3. The game was played at Veterans Memorial park in Hereford.

The local team couldn't seem to get on their feet after the first inning, and the opponents banged out 19 hits off the offerings of Texico-Farwell's Peterson. Betty Holland, pitcher for Hereford, allowed only

eight hits for the Texico-Farwell team.

Peterson was on the mound for the locals with Randol behind the bat. Box scores are:

Farwell—3	AB	R	H
Henson, 3b	5	1	2
R. Meeks, ss	5	0	1
Ranton, 1b	4	0	2
Reed, 2b	4	0	1

Holland, p	5	3	2
Caraway, cf	4	2	2
Martin, rf	5	0	1
Brown, 1b	5	4	4
Harper, 2b	4	0	0

The Texico-Farwell group was

ready for a win Friday night, when they traveled to Springlake for another tilt, and topped their opponents 18-8. Patsy Doshier made a home run, which gained three scores for the locals. Peterson pitched and Doshier was catcher.

Bluesox End Season Sunday with 4-6 Slate

The Texico-Farwell Bluesox, after what on paper might be called a glow season, completed play for 1951 Sunday by losing to Lazbuddie No. 1, 11-3.

This was the sixth game dropped for the local nine this year. In contrast, they won for games. Even though losing more games than they

won, team officials were not particularly discouraged over the past year, all factors considered.

For instance, Manager Quickel feels it is fortunate that it was possible for a team to be organized at all this year. The Bluesox are still playing "outlaw" ball because there is no league with which they can affiliate.

Also, the crew has been pinched by vacancies caused by selective Service.

The two teams at Lazbuddie and one amateur Clovis team were the only available foes for the Hose this year, says Quickel. As yet, no plans can be announced for the coming season.

Pitchers and their records for the Sox include: Toby Booth, with a 2-2 record; Carlos Woods, won 1 and lost none; Leon London, 1-4.

Last year, Texico-Farwell players figured heavily in the all-star games at Clovis. No similar activity is available for late-season play this year.

Lt. Lonnie Parker Attends Course

Maxwell Air Force Base, Ala.—Lt. Lonnie L. Parker, of 634 E. 6th St. Roswell, N.M. is presently attending on duty at the University's Air Command and Staff School, here, attending the Squadron Officer Course. This was announced by Colonel Leslie G. Mulzer, Maxwell commanding officer.

Lieutenant Parker entered the service in October 1943 and prior to reporting the Maxwell he was assigned to Walker AFB, New Mexico, where he performed duties as a Property Accounting Officer.

He is the son of Mr. Lonnie D. Parker of Cheyenne, Wyo. and is married to the former Marjorie L. White of Farwell, Texas.

First Grade Class Has Double Exposure—Twice

If twin students mean double confusion for teachers, Mrs. Leroy Faville, first grade teacher at Texico, will really be confused—doubly so.

Come registration day at Texico Schools last week and not one, but two sets of twins were enrolled in Mrs. Faville's class. All four of the youngsters were boys including Ronnie and Lonnie Curry, sons of Mr. and Mrs. Claude Curry; and Terry and Gary Cooper, son of Mr. and Mrs. James Cooper.

The four boys have already decided what they like best about school. They really like recess and their favorite game is swinging. Ronnie and Lonnie also enjoy making animals out of clay; while Terry and Gary like the merry-go-round.

The Curry boys think that fried chicken is the best food yet the Coopers have no favorite food, but they like cake, candy, peanut butter, ice cream and light bread.

The Curry boys live on a farm south of Texico and were born in Clovis, August 5, 1945. The Cooper twins were born in Melrose on June 13, 1945.

Toby Booth left Monday for Canyon where he is a student at West Texas State College and a member of the football team.

Oklahoma Lane Baptist Church News Given

Sunday was a good day at the Oklahoma Lane Baptist Church. Ninety-six attended Sunday School and others came for the morning worship service, Rev. Mayo Carpenter, pastor says.

Mr. and Mrs. W. A. Weatherhead were baptised at the beginning of the evening service. The pastor's message on "The Church Ordinances" was followed by the observance of the Lord's Supper.

Eleven members and one visitor was present for the W. M. S. meeting at the parsonage last Thursday afternoon.

Twenty-two representatives from this church attended the Worker's inspirational meeting at the Bovina Baptist Church Monday evening. The Lazbuddie church won the Sunday School attendance banner and Oklahoma Lane was awarded the Sunday School Percentage banner.

LAZBUDDIE PTA TO MEET

Executive meeting for the Lazbuddie PTA will be Monday morning at 10:00 o'clock. Mrs. Joe Jesko, president, urges all officers to be present if possible. The meeting, which will be in the superintendent's office, will be the first one for this year.

Bovina Schools Enroll 230 Students Monday

Enrollment for the entire school was held on Monday. Mr. Willoughby said approximately 230 students were enrolled. About 68 students in high school, 37 in junior high and 126 in the grades. There are still several students to enroll and a larger number is expected when the enrollment is completed.

The faculty is complete and includes from last years staff, Mrs. W. E. Williams, first grade, Mrs. Floyd Montgomery, second grade, Mrs. Aubrey Rhodes, third grade, Mrs. Grace Paul, fifth grade, and Floyd Montgomery, sixth grade, Mrs. J. F. Hammonds will teach the fourth grade to complete the grade school teachers.

In the junior high and high school, returning teachers will be Clovis Ratliff, coach and science teacher, Weldon Spinks, Ag teacher, R. E. Everett, girls coach and Math teacher, Mrs. Aubra Ellison, History, and Mr. Willoughby, supt.

New teachers include Mrs. Norene Young, Home Ec., of Uvalde, Texas and a graduate of Texas State Women's College at Denton, Roland Knapp, commercial of Itasca and a graduate of North Texas Teachers College of Denton, Keith Beton, band of Borger and a graduate of West Texas State College at Canyon, Miss Betty Carver, English of Bonham and a graduate of Texas Tech at Lubbock.

IS QUEEN CANDIDATE

Miss Carolyn Wilson, daughter of Mr. and Mrs. Frank Wilson, has been chosen as the "Bovina Queen" to represent Bovina at the County Fair to be held at Friona Sept. 14th and 15th.

Voting will be a penny a vote and containers have been placed in the business houses here in town where you may place your vote. Let's all back Miss Wilson and crown her Queen of the County Fair.

Mrs. Young Plans First Aid Course

Mrs. Norene Young stated on Monday that she was interested in teaching an Adult "Home Care of the Sick" course. It is a course dealing with the care of sickness in the home and also includes something of what to do and what preparations to make in case of Atomic warfare.

The course is sponsored by the American Red Cross and is recommended and trained by the government. It has been worked out by doctors, nurses and other qualified personnel. Mrs. Young said it would be beneficial for every adult.

The course would consist of seven two hour class periods and there would be one or two lessons a week according to what the class would want. Each class must have at least seven enrolled and not more than fifteen. Mrs. Young asked anyone interested in this course to contact her at the school house. If enough adults are interested, a class could be arranged to start in two to three weeks.

Junior High Football Boys Begin Practice

The Junior High football boys started practice on Tuesday under the direction of Coach Clovis Ratliff. They have about 24 boys that will be trying out for the team.

At the present time, they have only two games scheduled. These are Sept. 20 at Farwell and Oct. 8 when Farwell will return the game at Bovina. They will play on Thursday nights and they hope to fill in some of the open nights in the near future.

Boys taking part are Donald Ray Barron, Donald Lloyd, Alfred Moody, Jerry Newton, Don Owens, Bobby Calaway, Kenneth Estes, Larry Ezell, Erith Hawkins, Billy Johnson, Darrell Read, Billy Richards, Don Sudderth, Anthony Brito, Phillip Caldwell, Martin Drager, Leon Richards, Neil Smith, Don Springs, Denny Ware and Marvin Young.

ATTEND FOOTBALL GAME

Several people from Bovina attended the professional exhibition football game in Amarillo on Friday night. Among those going were Mr. and Mrs. Bedford Caldwell, Mr. and Mrs. Vernon Estes, Mr. and Mrs. Harry J. Charles, Mr. and Mrs. Joe Jerrell, Scott Levins and Frank Truitt.

BOVINA BAPTIST CHURCH NEWS

OPPORTUNITIES FOR SERVICE

Sunday School	9:45
Morning Service	11:00
Training Union	7:30
Evening Worship	8:30
W.M.U. Wednesday	2:30
Prayer Meeting Wednesday	8:00

The revival closed last Sunday night with seven additions to the church and five rededications. The church was greatly revived and the results of the meeting will live on for an indefinite period of time.

Last Sunday's attendance record was Sunday School, 128; morning worship, 179; training union, 54; evening worship, 128.

The Associational letter was read and approved by the church in a special conference last Sunday Evening. The church has had a splendid year, with 27 additions to the church and over \$9,000.00 gifts for all causes.

The Sunday School Superintendent is making plans for promotion day which will be held on Sunday Morning, Sept. 30. A very interesting program is being planned.

The Brotherhood will meet on Monday night, Sept. 10th. The meeting dates have been changed from Monday nights after the first Sundays to Mondays after the second Sundays.

The Messengers elected to go to the Association were Rev. & Mrs. M. D. Durham, Mr. and Mrs. Homer Kelly, and Mr. Frank Webb. The annual associational meeting will be held with the First Baptist Church in Canyon of Sept. 18th.

A cordial welcome awaits you at the Bovina Baptist Church.

Farewell Party Honors The J. C. Denneys

The Methodist Church was the scene of a Farewell party on Wednesday night honoring Mr. and Mrs. J. C. Denney. Members of Women's Sunday School class were hostesses for the social.

A male quartet composed of Jerry Jones, Billy Ray Derrick, J. R. Ellison and Jimmy Ware sang several selections with Mrs. Doris Wilson, accompanist. The group enjoyed visiting and the honorees were presented a mix-master as a going-away gift.

Refreshments were served to Mr. and Mrs. E. M. Ware and Jimmy, Mr. and Mrs. Homer Martin, Mrs. Aubra Ellison and J. R. Sue Hoffer, Mr. and Mrs. Hubert Ellison and Lois, Mr. and Mrs. Emmett Tabor, Mr. and Mrs. Willie Williams, Mr. and Mrs. Lee Thompson, Mr. and Mrs. Wilbur Charles, Rev. and Mrs. I. T. Texico School Band Begins Year's Work

Organization of the Texico school band for the coming year got underway this week, with George Hill, instructor, in charge.

Everyone in school from the fifth grade through high school is eligible for membership in the band, and it was emphasized that vacancies remain for various instruments including saxophones, flutes, trombones, baritones and clarinets. The school has purchased a number of instruments which may be rented for \$7.50 per semester, it was pointed out. The rental program was set up to enable any student who wishes to play in the band, to have an opportunity.

Hill relates that the band will participate in various activities throughout the school year including assemblies, concerts, pep rallies, the Eastern New Mexico band festival and other appearances.

The band meets every day at 2:25 and each band member participates in the various sectional rehearsals at other periods throughout the day, Hill adds.

Band personnel at present includes: Jerry King, J. B. Taylor, Jimmy Don Moss, Jerry Johnson, David Lockhart and Susan Levins, cornets; Audrey Hapke, Teddy Roth, Mikala Faville, Alex Brown, Gene Armstrong, Raymond Green, Dickie Adams, Jimmy Moore, Donald Cailouet, Dick Lockhart, LaDonna Stewart, Nathan Tharp, Wayne Hagler, Darral Harris, clarinets;

Charles Stockton, saxophone; Donal Engram, Keith Scott, trombones; and Kennard Harris, baritone.

Supt. Agrie Jones states "We are very proud of our band program this year. All indications are now that we are really going to town. Mr. Hill has a great amount of enthusiasm which is certainly carrying over to the students, all of whom seem to feel that they are going to have a real band."

A bachelor is a guy who doesn't believe it is unlucky to postpone a wedding, so long as you keep on postponing it.

Students Are Proud Of New Building

Students of Texico High School are proud of their new facilities which make work much more enjoyable, according to a poll among the group by a reporter today.

The building contains three offices and three classrooms. The offices house Superintendent Agrie Jones, Principal Fern Stout, and Secretary, Mrs. Carl Schmitt. The classrooms consist of the commercial department, the science room, and a general classroom.

Groundwork for the new building was begun just after the close of the '50-51 school term. But, due to red tape and permits, the actual work didn't begin until July 5th. Mr. G. C. Willis contracted to have work completed on August 28th, but since school was to open on the 27th, he made a special effort and the building was completed on August 20th.

Principal Fern Stout Extends Welcome

As another school year bears down upon us we look around to greet the old faces from last year, but in the midst of those old familiar faces there appear new ones. Maybe not new but just unfamiliar ones.

I am sure I speak the sentiments of the faculty and student body when I say "A HEARTY welcome to each and every one of you." We hope you will feel this is your school and hope you have an enjoyable stay with us, while we work and play together.

There are new teachers also who deserve a welcome hand. We feel they are going to play a great roll in the work and improvements of our school.

—Fern Stout, Principal

Nine New Students Enroll in High School

Nine new students were enrolled at Texico High School this semester.

The are as follows: Agnes Goforth, Koleta Smith, Roger Powell, Loreata Cooper, Ruby Hopkins, Billy Morler, Sammy Cox, Johnnie Peterson, and Rodney Powell.

Girls' Sports Program Is Organized for 1951

"Girls Athletics have begun for another year," reports Fern Stout, coach of Texico High School. Stout continued, "There are eighteen girls coming out which is making the competitive spirit very high among the lassies."

The Texico Lassies will be handicapped by the loss of several seniors who graduated the past year. Coach Fern Stout says that he is impressed by the first showing of the prospective players.

The playing schedule for year has not been completed, however, it is expected that there will be two weeks of training before meeting competition.

Stout relates that he appreciates the enthusiasm and high morale that the girls have showed thus far.

After a very successful season last year, the lassies are looking forward to winning the conference again. There are twelve lettermen back from last year and six new comers.

The girls are: Esther McDaniel, Jeannie Donahay, June Breeze, Neva Sparks, Anita Brown, Jane Moss, Bettye Bridges, Bobbie Williams, Yvonne Horton, Margie Reid, Marsha Peterson, Patsy Doshier, Phyllis Tucker, Roxie Henson, Alona Palmateer, Catherine Bell, Doris Leavell, and Ruby Hawkins.

Improvement Made On Texico School Grounds

Several improvements were made on the Texico school grounds this summer, announced T. H. Ritchie, custodian, today.

Improvements made on Texico school grounds include: planting grass, setting out flower beds, and installing drinking fountains.

Other improvements made on Texico schools by Mr. Ritchie this summer include: sanding floors in grade school, painting home ec room, and painting floor in lobby of gym.

Birthday Greetings For September

Happy Birthday greetings, for students with birthdays in September, are extended to: Jerry Johnson, Yvonne Horton, Richard Hapke, Donal Engram, James Earl McDaniel, Jo Sondra Magerus, Howard Leavell, Charles Turner, Nadine Thornton, and Johnny Peterson.

Classrooms Receive Summer Face-Lifting

Grade school classrooms received a special face-lifting when several of the teachers worked in their classrooms before school opened. Donning their overalls, they decorated and polished for two days before the doors opened to the pupils.

The floors have been sanded during the summer, and, with the work of the teachers, the rooms are much more cheerful this year.

Superintendent, Agrie Jones, states that students should work better, knowing that the teachers have so much pride and interest in the school.

Home Ec Department Receives New Furniture

New dining room furniture consisting of a table, four chairs, and buffet was received this week in the home economics department, according to Mrs. Jimmy Allman, instructor.

The dinette set which is made of oak is covered with plastic and finished in red. This table will seat 12 people.

Future plans are to cover the couch in green plastic to correspond with the new furniture.

Two Grade Classes Have New Teacher

Members of the fourth and fifth grades will be instructed this year by Mrs. Avis Patterson.

Mrs. Patterson has had nine years of teaching experience and comes to Texico from Pleasant Hill.

She has her B. A. degree and received her education at Paris Junior College, Paris, Texas and East Texas State Teachers College at Commerce, Texas.

All subjects of the two classes will be taught by Mrs. Patterson with the exception of geography which will be taught by E. U. Scott.

Lunch Room Feeds Over 150 Pupils

Mrs. Russell Johnson and Mrs. Leona Bailey, cooks, reported today that an average of 160 pupils eat in the Texico lunch room daily.

Mrs. Carl Schmitt, school secretary, acts as lunch room secretary also, and handles the money. Mary Harriman, Bessie Vault, Sue Reid, and Nadine Thornton are assisting the cooks in kitchen duties.

Mrs. Bailey and Mrs. Johnson have been connected with the lunch room for the past five years.

The lunch room has purchased a new water cooler this year.

SECOND GRADE NEWS

Twenty-seven second graders are enrolled for this year.

They are: Bobby Hapke, Joe Harvey, Sharon Hendrix, Leon Kelley, Betty Ruth Lockhart, Judy Lovett, Audrilla Lowrey, Beulah McDaniel, Sandra Pendergrass, Beth Ellen Peyton, Barbara Raulie, Don Reid,

Larry Richardson, Patsy Wall, Jean Hadley, Royce Green, Charlotte Green, Alice Gooch, Kenneth Glaze, Ginger Gibbs, Bobbie Curtis, Charlotte Crawley, Pat Burford, Dale Brown, Carol Bell, Rosie Arnold, and Janice Adams.

Texico Will Build Stage and Band Rooms

Construction of a stage and band rooms at the west end of the Texico High School gymnasium will begin in the very near future, according to Agrie Jones, superintendent.

The plans have been drawn up and approved by the state department. The school board is waiting for the December tax payment which will supply funds for starting the building.

THIRD GRADE NEWS

Enrolled in the Third Grade this year are 23 students who will be instructed by Mrs. Frank Seale.

Three of the students are from Pleasant Hill.

The room has received several articles from Pleasant Hill including library books, a set of "Book of Knowledge", a reading table and chairs.

This room will be much brighter this year for Mr. T. H. Ritchie has sanded the floors during the summer, it was announced.

FIRST GRADE NEWS

Twenty-six pupils were enrolled in the first grade this week according to Mrs. LeRoy Faville, first grade teacher.

The first grade has had no classes thus far, the students are getting acquainted with school. The class has made animals out of clay and are putting puzzles together.

English II Pursues Grammar Studies

English II, under the instruction of E. U. Scott will study grammar until the end of the semester this year and will study theme writing at the present time.

Five hundred word themes have been written by the students this week.

Scott stated that this is one of the most enthusiastic classes he has ever instructed.

Ag Building Receives Summer Face-Lifting

Ag building of Texico has undergone several repairs during the summer.

Repairs include: a large window in the east, walls relined in the class room, and a new ceiling in the shop. Storage cabinets have also been added.

Blackboards were moved to a better position and the department has received new bulletin boards in the classroom.

TIME BEING UTILIZED

More teaching time is being utilized at Texico this year. This time has been made available by having no general lunch hour. Classes are going on for some students at every period of the day. This gives a wider and better choice of subjects for students.

Through the new schedule, four new classes have been added. They are: physics, shop, arts and crafts, and basic business.

IS QUEEN CANDIDATE

Miss Carolyn Wilson, daughter of Mr. and Mrs. Frank Wilson, has been chosen as the "Bovina Queen" to represent Bovina at the County Fair to be held at Friona Sept. 14th and 15th.

Voting will be a penny a vote and containers have been placed in the business houses here in town where you may place your vote. Lets all back Miss Wilson and crown her Queen of the County Fair.

Mrs. Young Plans First Aid Course

Mrs. Norene Young stated on Monday that she was interested in teaching an Adult "Home Care of the Sick" course. It is a course dealing with the care of sickness in the home and also includes something of what to do and what preparations to make in case of Atomic warfare.

The course is sponsored by the American Red Cross and is recommended and trained by the government. It has been worked out by doctors, nurses and other qualified personnel. Mrs. Young said it would be beneficial for every adult.

The course would consist of seven two hour class periods and there would be one or two lessons a week according to what the class would want. Each class must have a least seven enrolled and not more than fifteen. Mrs. Young asked anyone interested in this course to contact her at the school house. If enough adults are interested, a class could be arranged to start in two to three weeks.

Junior High Football Boys Begin Practice

The Junior High football boys started practice on Tuesday under the direction of Coach Clovis Ratliff. They have about 24 boys that will be trying out for the team.

At the present time, they have only two games scheduled. These are Sept. 20 at Farwell and Oct. 8 when Farwell will return the game at Bovina. They will play on Thursday nights and they hope to fill in some of the open nights in the near future.

Texico School Band Begins Year's Work

Organization of the Texico school band for the coming year got underway this week, with George Hill, instructor, in charge.

Everyone in school from the fifth grade through high school is eligible for membership in the band, and it was emphasized that vacancies remain for various instruments including saxophones, flutes, trombones, baritone and clarinets. The school has purchased a number of instruments which may be rented for \$7.50 per semester, it was pointed out. The rental program was set up to enable any student who wishes to play in the band, to have an opportunity.

Hill relates that the band will participate in various activities throughout the school year including assemblies, concerts, pep rallies, the Eastern New Mexico band festival and other appearances.

The band meets every day at 2:25 and each band member participates in the various sectional rehearsals at other periods throughout the day, Hill adds.

Band personnel at present includes: Jerry King, J. B. Taylor, Jimmy Don Moss, Jerry Johnson, David Lockhart and Susan Levins, cornets; Audrey Hapke, Teddy Roth, Mikala Faville, Alex Brown, Gene Armstrong, Raymond Green, Dickie Adams, Jimmy Moore, Donald Cailhuet, Dick Lockhart, LaDonna Stewart, Nathan Tharp, Wayne Hagler, Barral Harris, clarinets;

Charles Stockton, saxophone; Donal Engram, Keith Scott, trombones; and Kennard Harris, baritone.

Supt. Agrie Jones states "We are very proud of our band program this year. All indications are now that we are really going to town. Mr. Hill has a great amount of enthusiasm which is certainly carrying over to the students, all of whom seem to feel that they are going to have a real band."

Students Are Proud Of New Building

Students of Texico High School are proud of their new facilities which make work much more enjoyable, according to a poll among the group by a reporter today.

The building contains three offices and three classrooms. The offices house Superintendent Agrie Jones, Principal Fern Stout, and Secretary, Mrs. Carl Schmitt. The classrooms consist of the commercial department, the science room, and a general classroom.

Groundwork for the new building was begun just after the close of the '50-51 school term. But, due to red tape and permits, the actual work didn't begin until July 5th. Mr. G. C. Willis contracted to have work completed on August 28th, but since school was to open on the 27th, he made a special effort and the building was completed on August 20th.

Principal Fern Stout Extends Welcome

As another school year bears down upon us we look around to greet the old faces from last year, but in the midst of those old familiar faces there appear new ones. Maybe not new but just unfamiliar ones.

I am sure I speak the sentiments of the faculty and student body when I say "A HEARTY welcome to each and every one of you." We hope you will feel this is your school and hope you have an enjoyable stay with us, while we work and play together.

There are new teachers also who deserve a welcome hand. We feel they are going to play a great roll in the work and improvements of our school.

—Fern Stout, Principal

Nine New Students Enroll in High School

Nine new students were enrolled at Texico High School this semester. The are as follows: Agnes Goforth, Koleta Smith, Roger Powell, Loreata Cooper, Ruby Hopkms, Billy Morler, Sammy Cox, Johnnie Peterson, and Rodney Powell.

Girls' Sports Program Is Organized for 1951

"Girls Athletics have begun for another year," reports Fern Stout, coach of Texico High School. Stout continued, "There are eighteen girls coming out which is making the competitive spirit very high among the lassies."

The Texico Lassies will be handicapped by the loss of several seniors who graduated the past year. Coach Fern Stout says that he is impressed by the first showing of the prospective players.

The playing schedule for year has not been completed, however, it is expected that there will be two weeks of training before meeting competition.

Stout relates that he appreciates the enthusiasm and high morale that the girls have showed thus far.

After a very successful season last year, the lassies are looking forward to winning the conference again. There are twelve lettermen back from last year and six new comers.

The girls are: Esther McDaniel, Jeannie Donahey, June Breeze, Neva Sparks, Anita Brown, Jane Moss, Bettye Bridges, Bobbie Williams, Yvonne Horton, Margie Reid, Marsha Peterson, Patsy Dasher, Phyllis Tucker, Roxie Henson, Aloma Palmateer, Catherine Bell, Doris Leavell, and Ruby Hawkins.

Improvement Made On Texico School Grounds

Several improvements were made on the Texico school grounds this summer, announced T. H. Ritchie, custodian, today.

Improvements made on Texico school grounds include: planting grass, setting out flower beds, and installing drinking fountains.

Other improvements made on Texico schools by Mr. Ritchie this summer include: sanding floors in grade school, painting home ec room, and painting floor in lobby of gym.

Birthday Greetings For September

Happy Birthday greetings, for students with birthdays in September, are extended to: Jerry Johnson, Yvonne Horton, Richard Hapke, Donal Engram, James Earl McDaniel, Jo Sondra Magerus, Howard Leavell, Charles Turner, Nadine Thornton, and Johnny Peterson.

Classrooms Receive Summer Face-Lifting

Grade school classrooms received a special face-lifting when several of the teachers worked in their classrooms before school opened. Donning their overalls, they decorated and polished for two days before the doors opened to the pupils.

The floors have been sanded during the summer, and, with the work of the teachers, the rooms are much more cheerful this year.

Superintendent, Agrie Jones, states that students should work better, knowing that the teachers have so much pride and interest in the school.

Home Ec Department Receives New Furniture

New dining room furniture consisting of a table, four chairs, and buffet was received this week in the home economics department, according to Mrs. Jimmy Allman, instructor.

The dinette set which is made of oak is covered with plastic and finished in red. This table will seat 12 people.

Future plans are to cover the couch in green plastic to correspond with the new furniture.

Two Grade Classes Have New Teacher

Members of the fourth and fifth grades will be instructed this year by Mrs. Avis Patterson.

Mrs. Patterson has had nine years of teaching experience and comes to Texico from Pleasant Hill.

She has her B. A. degree and received her education at Paris Junior College, Paris, Texas and East Texas State Teachers College at Commerce, Texas.

All subjects of the two classes will be taught by Mrs. Patterson with the exception of geography which will be taught by E. U. Scott.

Lunch Room Feeds Over 150 Pupils

Mrs. Russell Johnson and Mrs. Leona Bailey, cooks, reported today that an average of 160 pupils eat in the Texico lunch room daily.

Mrs. Carl Schmitt, school secretary, acts as lunch room secretary also, and handles the money. Mary Harriman, Bessie Vault, Sue Reid, and Nadine Thornton are assisting the cooks in kitchen duties.

Mrs. Bailey and Mrs. Johnson have been connected with the lunch room for the past five years.

The lunch room has purchased a new water cooler this year.

SECOND GRADE NEWS

Twenty-seven second graders are enrolled for this year.

They are: Bobby Hapke, Joe Harvey, Sharon Hendrix, Leon Kelley, Betty Ruth Lockhart, Judy Lovett, Audrilla Lowrey, Beulah McDaniel, Sandra Pendergrass, Beth Ellen Peyton, Barbarie Raulie, Don Reid,

Larry Richardson, Patsy Wall, Jean Hadley, Royce Green, Charlotte Green, Alice Gooch, Kenneth Glaze, Ginger Gibbs, Bobbie Curtis, Charlotte Crawley, Pat Burford, Dale Brown, Carol Bell, Rosie Arnold, and Janice Adams.

Texico Will Build Stage and Band Rooms

Construction of a stage and band rooms at the west end of the Texico High School gymnasium will begin in the very near future, according to Agrie Jones, superintendent.

The plans have been drawn up and approved by the state department. The school board is waiting for the December tax payment which will supply funds for starting the building.

THIRD GRADE NEWS

Enrolled in the Third Grade this year are 23 students, who will be instructed by Mrs. Frank Seale.

Three of the students are from Pleasant Hill.

The room has received several articles from Pleasant Hill including library books, a set of "Book of Knowledge", a reading table and chairs.

This room will be much brighter this year for Mr. T. H. Ritchie has sanded the floors during the summer, it was announced.

FIRST GRADE NEWS

Twenty-six pupils were enrolled in the first grade this week according to Mrs. LeRoy Faville, first grade teacher.

The first grade has had no classes thus far, the students are getting acquainted with school. The class has made animals out of clay and are putting puzzles together.

English II Pursues Grammar Studies

English II, under the instruction of E. U. Scott will study grammar until the end of the semester this year and will study theme writing at the present time.

Five hundred word themes have been written by the students this week.

Scott stated that this is one of the most enthusiastic classes he has ever instructed.

Ag Building Receives Summer Face-Lifting

Ag building of Texico has undergone several repairs during the summer.

Repairs include: a large window in the east, walls relined in the class room, and a new ceiling in the shop. Storage cabinets have also been added.

Blackboards were moved to a better position and the department has received new bulletin boards in the classroom.

TIME BEING UTILIZED

More teaching time is being utilized at Texico this year. This time has been made available by having no general lunch hour. Classes are going on for some students at every period of the day. This gives a wider and better choice of subjects for students.

Through the new schedule, four new classes have been added. They are: physics, shop, arts and crafts, and basic business.

Electric Cooking Is

...as MODERN women KNOW!

Easy because accurate, finger-tip heat control gives you the correct amount of measured heat called for by your recipe.

Easy because clean electricity — cleanest of all heat producing methods — cuts down wall and curtain cleaning, eliminates entirely mudd, fust, dirt, grease and grime.

Easy because automatic electric cooking lets your meal start while you're away from home—stops it while you're gone, too, if that's your wish.

Easy because cool electric cooking brings added comfort to your kitchen — added pleasure to your meal planning.

Easy because your electric range can be placed in the most convenient kitchen location without worry about flames or flues — matchless electric cooking requires neither.

Yes, electric cooking is easy — as modern women know.
