

12-Inch 'Avenger' on Corregidor

Following furious onslaughts by numerically superior forces, Bataan peninsula, heroically defended by U. S. and Filipino forces, fell into Jap hands. But Corregidor fought on. Photo shows a 12-inch disappearing gun on Corregidor fortress in action.

Prospects for Wheat Best Since 1931

Fourth Registration Details Announced

Prospects for a bumper wheat crop throughout this entire region is the best since 1931, in the opinion of wheat growers of Farmer county who have expressed themselves this week.

The prospects were heightened during the past week with generous moisture that fell over this section in the form of sleet, snow and rain. With the abundance of underground moisture already in the soil from the unprecedented rains of last year, none of the wheat in this area has experienced any serious setback on account of dry weather since it was planted last fall.

Snow and sleet over the past week covered the entire county with moisture that is reported to have amounted from a half to better than a full inch. Along the western side of Farmer county the snow and sleet over the two-day spell was rather light, registering .62 of an inch here in Farwell, but Bovina, Friona and most all of the eastern side of the county got at least an inch of moisture during the cold snap.

Saturday and Sunday brought additional moisture, which is reported to range all the way from a quarter of an inch to more than an inch in some localities. While the rain gauge in Farwell was registering .28 of an inch on Saturday and Sunday, farmers living east of here say that the fall reached over a inch in most sections and was particularly heavy in the Oklahoma Lane area, extending to include all of the Lazbuddy territory, where some of the best wheat fields are located.

County Is Soaked
Reports indicate that the entire county has been thoroughly soaked, and many farmers express the belief that wheat will now mature without additional moisture. Others, however, believe that at least one more good rain around the first of June would be needed to insure a wheat crop.

Some greenbugs, which have wrought devastation to a large part of the wheat throughout West Texas below the caprock, are reported to be making their appearance in this county. So far, however, no damage from the insects is reported, and most farmers believe that a few days of hot weather will rid the fields of the pests.

Spring Planting To Start
Row crop farmers were making last minutes preparations to start spring planting operations within the next few days. While most farmers agreed that April planting is somewhat early for this area, they are contemplating early plantings due to the help shortage occasioned by the war. Some planting will begin by the first of next week, according to reports.

The early rains have put the soil in splendid condition and farming activity is expected to be at its height during the next several weeks. Early planting of corn, sudan and kaffir will begin next week. Planting of cotton is not expected to get under way before early in May.

Fay Maxey returned home Saturday from Amarillo, where he underwent an operation for sinus trouble last week. He is reported to be getting along nicely and will probably will be back at his place of business within the next few days.

Graduation Services Just 4 Weeks Away

The graduation exercises for seniors of both the Texico and Farwell schools are just four weeks in the offing, officials of the representative institutions pointed out today.

May 10th will see the beginning of the finale of school work, baccalaureate services for both classes to be held on that date. Continuing a custom of some years, that of alternating on morning and evening services in order to accommodate persons wishing to attend both, the Farwell services will be held at the 11 o'clock hour, with the Texico exercises that evening.

Rev. W. C. Wright, pastor of the Texico-Farwell Baptist church, has accepted the invitation to preach the farewell sermon to the Farwell seniors, while officials at the Texico school have secured the services of Minister Lewis C. Cox, of the Church of Christ.

Commencement Dates Set
According to the dates, the Farwell class will become "exes" some several days before the Texico group, with the first commencement exercises to be held at the Farwell auditorium on Tuesday evening, May 12th. Dean Floyd Golden, of ENMC, Portales, has been asked to speak.

Dr. Alfred Crofts, also of the Portales college, will be on hand to address the Texico graduates on Friday evening, May 15th.

Since the Farwell school is going into an eight-grade grammar school this year, no grade graduation exercises will be held. Supt. J. T. Carter said. However, a general school program embracing students of all ages, will be presented on May 14th.

Eighth grade students of the Texico school will receive their diplomas at the auditorium on Thursday evening, May 14th, it was stated, with sponsor A. D. McDonald adding that no speaker had been secured to date.

Delinquent Subs Are Dropped

The Tribune's subscription list has been completely revised this week and all delinquent subscribers have been dropped.

This is in keeping with an announcement made some three weeks ago to the effect that delinquent subscribers were to be removed from the list.

Statements were mailed to all subscribers who were in arrears some time ago, and a large number of them responded with renewals. Some, however, neglected this matter and the publisher had no other course but to remove their names from the list.

Rogers Back to Texico; Board Is Reorganized

B. A. Rogers, former superintendent of the Texico school and for the past two years head of the large Grady school, has accepted the responsibility of heading the local school for the 1942-43 term, Texico board members announced today.

Mr. Rogers was elected a week ago by the official body and his acceptance of the appointment was made public this week. He and his family will move to their home in Texico at the close of the current term, it was believed here.

Local patrons welcome the return of Mr. Rogers, who during his four years as director of the Texico organization built the school to a high degree of efficiency, adding new buildings and encouraging enrollment to the point that the state board allotted Texico an extra teacher.

It was announced that the new superintendent had met with Mr. Clark of the state educational department, and reports that the school will lose only one vocational department, although the teaching department for the coming year has been cut to only three in high school. At present, the school is accredited for a full four-year term, board members stated.

L. A. Hartley, current head of the school, tendered his resignation some time ago along with that of Mrs. Hartley, who teaches in the grades, but said this week that he did not wish to make public at this time his future plans.

Board Reorganized
At the school board meeting on Monday night, Rupert Paul was elected to serve as president, succeeding Sam Randol, resigned. Other officers include Wesley Engram, new addition to the board, serving as vice president, and J. P. Macon, clerk. S. C. Hunter and W. L. Freeman complete the board.

Reelection of teachers was also taken up on Monday night, with consideration being given all faculty members who had not tendered resignations or indicated that such were forthcoming.

Those offered local positions for another year were: Lee Richards, vocational agriculture; Mrs. H. Arnold, high school; Miss Maude Pearson and Miss Sadie Burns, grades. A. D. McDonald, coach and principal, was also reelected, although he has tendered his resignation.

Consideration of a "6-6" plan for the school was taken up by the board due to the loss of two teachers, with officials indicating that this meant a semi-division of students below and above the sixth grade. Further developments along this line will be announced in the future.

A change in meeting night for the board was reported, with the future gatherings to be on the first Thursday evenings of each month, rather than on the first Mondays.

IN ADVANCED SCHOOL

James R. Caldwell son of Mr. and Mrs. J. R. Caldwell of the Oklahoma Lane community, is now on the last lap of his aviation training, being currently located at the advanced flying school at Williams Field, Ariz. Upon graduation, the cadets will become commissioned officers in the U. S. Air Force.

Texico First in State Poultry Judging Meet

Winners of first place in the poultry judging division, members of the Texico FFA aggregation returned here on Sunday from Las Cruces, where they had entered the annual FFA state judging contests.

Lee Richards, head of the local ag department, stated that he was very proud of his boys—most of them first-year students—who showed up so well in competition with other boys who had been enrolled in ag work for two or three years.

Members of the winning team were Loyde Dean Brooks, Clarence Summers and Wendell Howard, the supervisor said, and the chapter received a pennant bearing the champion insignia, which will be displayed at the school.

Other entries from the school included teams of three who contested in farm economics, agronomy, livestock, meat identification and dairy judging, but Richards said that his group left before final figures were computed by the judges and up to Tuesday he had received no word as to other placements that may have been made. Neither, he added, did he know the exact number of points the boys made in the poultry contest, or the high individuals of the meet.

Six boys made the trip with their sponsor, including the three listed on the poultry team and Bill White, Chester Rierson and Albert Martin.

16 More Registrants Moved Into Class 1-A

Sixteen more Farmer county registrants, who had previously been classified in 3-A were moved up into class 1-A when the Farmer county Selective Service Board met here on Sunday afternoon.

In addition, five registrants were started in the process of being moved up to class 1-A when they were ordered up for their first physical examinations. Other classifications include: one in 1-B; two in 2-A; one in 2-B; and three in 3-A.

Mailing out of questionnaires to men who registered in the third registration was ordered begun and these forms will begin to flow out of the local office this week. Fifty were ordered mailed out this week, and an additional 8-page questionnaire will follow next week. Board members explained that the questionnaires would be mailed out only in sufficient numbers to allow the board to classify the men as rapidly as the forms are returned.

Questionnaires will be mailed to the men having the lowest order numbers in the county, first. The process will continue until all of the 347 registrants in the county have been mailed their questionnaires, which is expected to cover a period of several weeks.

"When I get into one of these war arguments, I let the other guy do all the talking," chuckles Virgil F. Whiffletree. "He never finds out how dumb I am and sooner or later he exposes his own ignorance."—Santa Fe Magazine.

Priorities Hit Even The Very Young

Bringing home the priority situation with a bang was young Jill Dunn, daughter of Mr. and Mrs. Jack Dunn, who on Monday leaned over the counter at the Red Cross Pharmacy and inquired plaintively, "Have you got any jacks?"

When Doc Faville replied in the negative, a listener put in, "Well, you'll probably have to use something else for jacks this year", to which the young miss said disconsolately, "Oh, I'm using rocks for jacks—I just need a rubber ball."

J. Ross Bell Seeks Civil Appeal Post

J. Ross Bell, Childress attorney and former district attorney of the old 50th judicial district, was here the first of the week in the interest of his candidacy for the office of chief justice of the seventh district court of civil appeals.

The bench is now occupied by Judge M. J. R. Jackson of Amarillo, who will retire at the end of his present term. The district is composed of 46 Panhandle-Plains counties.

Judge Bell has practiced law in the district for many years and is probably best known for the services he rendered as district attorney of the old 50th judicial district, composed of Baylor, Knox, Cottle, King, Dickens and Motley counties.

He is an able, efficient and trustworthy attorney, and will appreciate any consideration the voters of Farmer county may give his candidacy in the July primary election.

He stated that he planned to visit frequently in this section of the district in the hope of meeting as many of the voters as possible.

Communication Lines Being Restored Here

Telephone, telegraph and electric lines that were damaged by the ice coverage during last week are being gradually restored this week by many crews of workmen.

Most of the important lines of outside communication were reported over the weekend, but crews are still at work on local circuits. Many wires were broken down by the heavy coat of ice that had a number of towns in the Plains almost isolated from the outside world.

Damage to the prospective fruit crop is believed to have been slight. Many fruit trees were in full bloom at the time of the freeze, particularly peach and apricot. Most of the blossoms, it is believed, escaped damage. Cherries and plums were not far enough advanced to suffer any damage.

It is believed that cork can be grown in South Texas. The U. S. has been importing annually ten million dollars worth of cork.

Pioneer Cattleman Buried At Bovina

Funeral services for Frederick William Jersig, 72 years old, for more than 40 years a cattleman of the Texas plains, were held at the Methodist church at Bovina Sunday afternoon, and interment was made in the Bovina cemetery.

Rev. W. M. Pierce of Vernon, Tex., the minister who received Mr. Jersig into the church at Bovina many years ago, conducted the last rites. He was assisted by Rev. E. B. Fencher of Amarillo and Rev. Pike, Bovina pastor.

Will Jersig, as he was commonly known, died at a sanitarium in Kingsville, Texas, on Thursday night of last week, after receiving treatment there for some six weeks. He had been a resident of Farmer county for many years, and owned one of the most modern ranches in the county.

Active pallbearers were Charles Bridgford, R. C. Ware, W. F. Swartz, B. N. Graham, B. T. Abbott, M. K. Smith, Jack Anderson and Frank Spring.

Honorary pallbearers were Mose Chesser, Otto Treider, Clyde McFarland, Bill Combs, Ben Robinson, Jack Carr, Art Waggoner, W. S. Cline and Walt Eastland.

Survivors include Mrs. Jersig, a daughter, Mrs. Ben Monning of Amarillo, and a son, Shelby Jersig.

Farwell Soldier Lad Is Safe In Australia

A cablegram received here the past week by Miss Verna Miller from J. D. Peters states that he is safe in Australia and adds that it is a "swell country".

Young Peters, a son of Mr. and Mrs. J. D. Peters formerly of this city, was among the early selectees to be sent out of here and had been located in Wyoming several months before going with an expeditionary force.

Discovery of a new member of the ever-growing family of B vitamins, known collectively as the Vitamin B complex, has been made by Roger J. Williams of the University of Texas. It has been named Folic Acid.

Bovina Happenings

Mr. and Mrs. W. E. Williams and family visited in the L. L. Hill home in Friona, Sunday.

Mr. and Mrs. Euel Hart visited in the Byron Turner home in Santa Fe, Sunday.

Mr. and Mrs. Earl Hill and daughter, Glen Dale, Ariz., visited in the Leslie Rhodes home, Sunday.

Miss Oleta Harrison, Mrs. Tip Isham and Mr. and Mrs. Lester Rhinehart and daughter visited in Dimmitt, Sunday.

Otho Hammonds left Sunday for Dallas to take the Navy exams.

Mrs. Jerry Lindsey and son, of Midland, Tex., are visiting her parents, Mr. and Mrs. Bill Venable, this week.

Mrs. Gordon McCuan underwent a major operation in Plainview, last week. She is reported as not doing so well at present.

Mrs. John Byler and son, of Vernon, visited her mother, Mrs. Norman Wilson, last weekend.

W. F. Freeman and James Watkins transacted business in Clovis and Muleshoe, Monday.

Mr. and Mrs. Grady Whitt and son and Simon Mills were Clovis visitors, Monday.

Hubert Elliott and Frank Wilson returned Sunday from Arizona where they have been employed.

Mrs. J. D. Haue visited friends in Amarillo, Sunday.

Mrs. Melvin Stagner and daughter are visiting in the John Stagner home in Clovis this week.

Miss Nancy Leu Wilson, daughter of Mr. and Mrs. Joe Wilson, is in the Hereford hospital receiving medical attention.

Mr. and Mrs. Bob Williford and Misses Mattie and Della Beeler visited in the Frank Hastings home.

Mrs. John Stagner of Clovis, Mrs. Hilary Tidenberg and Mrs. Melvin Stagner visited Sunday in the Bob Williford home.

Mr. and Mrs. Jim Crossno, of Paris, Ark., brother of Mrs. G. D. Danner, visited her Thursday.

James Austin and wife, of Her-

mitt, Tex., visited in the G. D. Danner home, Thursday.

Mrs. J. D. Martin of Weatherford, and daughter, Virginia, who teaches in White Deer, spent the evening with her niece, Mrs. Bob Williford.

Miss Aletha Hastings of Vega, visited her parents the past weekend. Mrs. Clyde Blalock left Saturday morning for El Paso to visit her husband who is in the Army Medical Corps there.

Euel Bonds, who has been on the sick list for the past month is now improved and able to be up again.

Sunday School Class Entertained

Mrs. Vernon Ward and Mrs. Rufus Standefer entertained Mrs. E. T. Caldwell's Sunday school class with a party Monday evening, in the Standefer home.

Present were Mr. and Mrs. Boyd Gregory and daughter, Vivian Delores Mr. and Mrs. Rouel Barron, and Mrs. Vernon Estes, Mr. and Mrs. Harry Charles, Mr. and Mrs. Rufus Standefer, Mrs. E. T. Caldwell, Miss Reta Caldwell, Mrs. Vernon Ward and daughter, Billy, Misses Mattie and Della Beeler. Refreshments were served and all reported a very delightful evening playing games.

Scout News

The Bovina first aid team of the Scout troop made a trip to Roswell, Saturday, with O. W. Cherry and Rev. Pike as sponsors, the team entering a first aid contest. The group placed 6th among the ten entered. Making the trip were Harold Gene Star, Sam Johnston, Lawrence Rhodes, Stacey Queen Jr. and Ray Hart. They represented District II in the Eastern New Mexico area council, having won in this district last week.

LAKEVIEW NEWS

Alvis Maples, who formerly lived in this community before moving to Oklahoma about four years ago, visited here Monday, on his way to join the Army. Alvis spent several years as a soldier and says now all he needs is a gun and plenty of ammunition.

Mr. and Mrs. Joe Pittman, Jo Nell and Judy enjoyed a double birthday feast in the L. J. McKezie home Sunday. Mr. and Mrs. Kuykendall and family of Black were also present.

Mr. and Mrs. McKenzie have recently moved here from New Mexico and are living on the old C. D. Russell farm, where he is employed by Paul Strickland.

Mr. and Mrs. C. A. Guinn, Jim and John Charles spent Sunday in the A. D. Henson home.

Several families gathered at the school Friday night and discussed plans for a first aid course, to begin immediately upon receipt of books which have been ordered this week. It was decided to hold a ten-nights school, meeting once weekly. This course is open to anyone in the community who cares to take advantage of the opportunity to learn first aid.

Results count—Try a Tribune

“...and put some teeth into it!”

ONCE UPON A TIME, car owners were merely urged to use good oil, to change it regularly when worn, to adopt a regular schedule of lubrication service.

Now, in the new era filled with priorities, with the manufacture of new automobiles absolutely cut off, real teeth have been put into the idea of caring for a car in order to lengthen its life.

One of the most useful precautions you can take to preserve and protect your motor is to use good oil. But which oil is good? The following facts should help you decide:

Phillips, one of the great independents of the petroleum industry, with a fine reputation for giving greater value, makes this simple, straightforward statement: If you want our best oil, remember we specify that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer.

Every time a new 1,000-mile mark clicks up on your speedometer, play safe with your motor, and play fair with your budget, by draining and refilling with Phillips 66 Motor Oil.

Phillips Finest Quality

THE MAVERICK

Publication of Farwell High School

CAMPUSOLOGY

We Saw: Paul, Arlon and Smokey playing mumble-peg... Marilyn and Vernon strolling 'round and 'round the building... Merle blowing bubbles... Joni working off a demerit... A. G. Jim Bob, Jean Ann, Dorothea and Joni taking pictures for the "family album"... the seniors gloating or lamenting over their pictures... Ella Bee, Arlon, Jane Key, and Tommy Ruth receiving invitations to the Oklahoma Lane Jr.-Sr. Banquet... the girls umpiring the boys baseball game... the sophomores imitating the teachers in assembly, and convincingly, too... Twila talking to the stars... Mr. Carter riding his bicycle to town... the Jr. play cast gathering at Twila's for refreshments after rehearsal...

Heard Around School:

Merle: I always get caught, even with only ONE stick of gum in my mouth.
Jean Ann: They call me "sugar" 'cause I'm so hard to get.
Max singing "Tangerine".
Smokey: "Girls are crazy."
Jim Bob: I've let my beard grow for 16 years.
Franklin: I've just washed my hair and I can't do a thing with it.

Scandal: Say, how about those soldier boys from Maryland who were going to Albuquerque. Just ask Ruby Ezell, Marilyn, Joni or Jean Ann!

KNOW YOUR SCHOOLMATES BY THEIR NICKNAMES

The answers to last week's list of nicknames are:
Hank—Henry White.
Clarabelle—Marilyn Anderson.
Ishington—Jim Bob Dow.
Doc—Karl Gast.
Jeff—Opal Williams.
Mutt—Theda White.
Vernie Gene—Vernon Symcox.
Piggy—Peggy Williams.
Spare-ribs—Margaret Bigham.
Magootis—Coach Hooper.
Rosenbloom—Max Wallace.
Copper—Wilbert Kalbas.
Sister—Ernest Justice.
Teeni-fuzz—Jean Ann Hart.
Squirt—Ella Bea Shelley.
Muscles—Merle Lovelace.
Stinky-Pooch—Dorothea Deaton.
Buttons—Joni Hillhouse.

WHO'S WHO IN FARWELL HIGH SCHOOL

Last week's Who's Who was Juanita Billington. This week we have a blonde junior. A few of her favorites are:

Movie: "Remember The Day".
Actor: Cary Grant.
Actress: Carmen Miranda.
Sport: Swimming.
Song: "Hot Lips".
Hobby: Painting.
Subject: Bacteriology.
Book: "The Four Daughters".
Ambition: to be married to Lt. Rice.

SPEECH CLASS

Who says the students never get away from school? The speech class did, anyway. They went in a group to see a very dramatic production of Orson Welles "Citizen Kane". It was truly a marvelous production. This is the kind of movie that the more you think about it, the better you understand it. So just to help the students get more out of the movie the teacher gave them a pop quiz over it the next day. Of course, they were not

expecting a test and when she began putting the questions on the blackboard the students started looking at each other with blank faces. A test over a movie like "Citizen Kane"? Why, a production of that type is one you feel and sense, not one you can tell about, especially take a test over. But the test wasn't very bad, because it was over the very things they had talked about. In fact, most of the students profited by it because it made them concentrate on the movie and then they understood many phrases of the production that had no meaning when they saw the picture. As a whole, the speech class enjoyed this great production and it helped them much in their studies of acting, make up, etc.

JUNIOR PLAY A SUCCESS

The junior play was a howling success—thanks to Paul Roberson who played the negro Sam—and others. The four heirs to the Blackwell estate arrived at the mansion amidst flashing lightning and thunder. Nothing seems wrong in the gloomy home until old man Wiloughby, Joe Lindsey, mysteriously dies as he is about to send a message to town by Robert Moore... Then "action" comes to its feet... Old Judy, the deaf and dumb negro (Billie Sharpe) is warned of another death by the voice of the dead master; as Douglas, Franklin Sloan, goes to find the name of the next to die, the page from the book goes floating off into space. The hick inspector, Smokey Gast, who knows all, is killed before he finally unravels the mystery... Marion, Dorothea Deaton, gets a very suspicious telephone call while everyone is gone—Could she be the murderer? But no, Elliott (Arlon Lovelace) comes into the room wearing white gloves just after Laure... (Jane Lokey) gun was snatched from her hand. The nurse, Miss Brown Twila Strickland, is also a detective. Together with the officer, Champ Landrum, they unravel the mystery—Sam the scared son, and Judy, who isn't deaf—they were trying to eliminate the heirs in order to get all of the money for themselves.

PLEASANT HILL

Miss Maurine Winkles underwent an operation at the Memorial hospital on Monday of this week. We wish her a speedy recovery.

Pvt. Ewald Helms returned to Sheppard Field on Monday to resume his training.

John Hightower was quite ill Sunday, but is recovering.

Rev. Joe Hardcastle and family Supt. Lee and family were dinner guests in the Whitener home, Sunday.

Mrs. Harry Donahay entertained her sister from Clovis, Sunday.

Mr. and Mrs. Herman Horton left for Oklahoma, Monday, for a visit with relatives.

Promptness and a better class of work is our motto. Dial 2131.

Local Happenings

Pete Booth To Present Piona Concert Tonight

Ronald Earl Booth, son of Mr. and Mrs. Earl Booth and one of this city's most talented young musicians, will present a piano concert at the Farwell high school tonight (Wednesday).

The program for the evening will feature both popular and classical numbers, of which "Pete" does equally well. The Farwell high school has been recognized for a number of years as an unusual pianist, beginning work first under Mrs. Florence M. Vinyard of this city, and later taking specialized work at the Amarillo Conservatory of Music, as well as studying under other recognized teachers.

Assisting the pianist in the evening's entertainment will be Miss Nancy Henderson, daughter of Mr. and Mrs. C. M. Henderson, who will do several ballet numbers. Miss Henderson has done intensive work along this line for the past two years, at a California studio.

Local people will welcome an opportunity to attend such a recital. The program will begin at 8:30, and no admission will be charged.

Club Meets in McElroy Home On Tuesday

Studying "Public Safety", the Texico-Farwell Woman's Club met Tuesday in the home of Mrs. Lee H. McElroy, with Mrs. Sam Rundell as associate hostess.

Mrs. Fay Maxey acted as chairman of the program, first presenting Mrs. Warren Powers, who read an excellent paper on "Safety in the Home", prepared by Mrs. T. A. McCuiston. Guest speaker of the afternoon was Mrs. Minnie Aldridge, who gave a most interesting talk on "Mental Safety and Recreation".

During the business sessions plans for the annual husband's banquet, which will be held April 24th in the home economics building, were taken up.

Refreshments were served from a lovely tea table featuring the patriotic motif to around twenty members and the two guests, Mrs. Minnie Aldridge and Mrs. Evelyn Bradshaw.

Portales Educator To Address Men

Dr. Alfred Crofts, of the Eastern New Mexico College, will be the main speaker at the regular monthly meeting of the men in this community when they gather in the parlor of the Methodist church on Thursday evening of this week.

A short program will be rendered by local talent, and the men will be served sandwiches, beans, pie, and coffee.

This is the second regular gathering of the men of the community and all men are invited. More than 50 attended the last meeting, held in March.

Attend Conference At Roswell

Mrs. Roy B. Ezell, of the Woman's Society of Christian Service, and Miss Jennie Lee London, of the Wesleyan Guild, are representing the local church at the state-wide conference of Methodist women, which began Monday in Roswell and will adjourn this (Wednesday) evening.

Other visitors to the convention were Mr. and Mrs. B. N. Graham, who went down on Tuesday to remain for the closing session, and Rev. and Mrs. E. J. Sloan, who spent Tuesday in attendance.

Mrs. R. E. Maddux has returned to her home in Farwell after a visit with relatives in Roswell.

Menefee-Long Vows Solemnized in Ariz.

In a simple ring ceremony, Miss Ruth Menefee, daughter of Mr. and Mrs. W. S. Menefee of Lubbock, became the bride of Olin (Sam) Long of San Diego, California, on April 4. Mr. Long is the son of Mr. and Mrs. C. H. Long of Muleshoe.

The nuptials were read by Rev. George, Baptist pastor, in his home in Yuma, Arizona, last Saturday morning at 10 o'clock.

Johnnie Glasscock of San Diego, formerly of Muleshoe, and Mrs. George were the only witnesses.

The bride wore a dress of soldier blue with pink and blue accessories. Mrs. Long graduated from Muleshoe high school in 1940. She attended Eastern New Mexico College one year, and later attended Lipperty Business College in Plainview.

The groom is also a graduate of the Muleshoe high school and attended Texas Tech in Lubbock until early in December, when he went to San Diego. He is now employed with the Consolidated Aircraft factory.

The couple will have residence at 3751 California Street in San Diego.

Music Festival Is Held in Portales

"Smaller in quantity but not lacking in the least in quality," was the way Mrs. H. Arnold, director of music in the Texico schools, summed up the annual Curry-Roosevelt music festival, held Friday and Saturday in Portales.

Owing to smaller units, Mrs. Arnold stated that the customary individual chorus presentations were not given this year, but the mass concert of some 250 voices was presented on Saturday night to a huge crowd. Mr. Decker, of ENFC, served as director of the choral group, in which the Texico singers participated.

Highlight of the occasion to the Texico students was the informal reception held at the college Saturday afternoon, which featured swing games and other entertainment, topped off with "pop and cookies".

Banquet Arranged For Friday Night

Members of the junior class will act as hosts on Friday evening of this week, when the seniors, high school faculty members and wives will be guests of honor at the annual Farwell junior-senior banquet.

The affair will be held at the school building, Miss Dorothy Shaw, sponsor, said today, and a Navy theme is being stressed in the arrangements, using patriotic colors.

An informal program will be given by students and teachers, she added. Some sixty guests are expected to be seated at the banquet table.

Wesleyan Guild Will Have Guest Tea

The Wesleyan Guild of the Methodist church will honor prospective members tonight (Wednesday), by holding a guest tea in the home of Mrs. John Porter.

Members are inviting as guests the younger women in the twin cities, and the affair will be on a social basis.

Home From Trip

Mr. and Mrs. Willis Magness and Mr. and Mrs. T. E. Levy, who have been combining a joint vacation and medicinal bath course at Hot Springs, N. M., for the past several weeks, returned home the first of the week. Both men report good fishing at famous Elephant Butte Lake, near the city.

Texico Classes Will Banquet On Friday

The annual junior-senior banquet for Texico classes will be staged in the dining room of La Vista in Clovis, on Friday evening of this week, April 17th.

A patriotic motif is being used in the decorations, and the meal itself will be highlighted with "Chicken in the Rough".

Some twenty-eight persons, including students, faculty members and their respective husbands and wives, are expected to attend.

Play Cast Enjoys Two Socials

Members of the junior play cast of the Farwell student body enjoyed two casual social gatherings, the past weekend.

On Thursday evening, Miss Twila Strickland was hostess at her home, and the evening ended with the serving of a sandwich plate and punch. Miss Billie Sharpe entertained the cast with a gathering in her home, after the play was presented Friday evening.

Oyster Fry Held

County superintendents and principals from over Parmer gathered at the Farwell school building Tuesday night of this week, to enjoy a social evening climaxed by an oyster fry. Local school heads acted as hosts for the strictly informal affair.

To California

Mr. and Mrs. Paul Roberts of the Roberts Food Store "took off" the first of the week for a vacation trip to points in California. Truman Loyd and Mrs. A. D. McDonald are in charge of their place of business. The Roberts expect to be gone at least two weeks.

To Medical Meet

Dr. and Mrs. V. Scott Johnson were in Amarillo the first of this week, in attendance at the Plains Medical convention, where a number of outstanding specialists appeared in special discussions.

Mystery Play Draws Good Crowd Friday

Amid shudders and screams from the weaker-willed members of the audience, the Farwell junior class successfully presented a mystery drama, "Murder by Night", at the auditorium last Friday night.

Suspicion of everyone in the cast ranging from the would-be heirs of the Willowby estate to the police themselves, was indicated before the final unveiling of the two negroes as the murderers, a surprise to all concerned.

Acting honors of the evening were carried off by Paul Roberson, playing the part of the negro servant "Sam", who with his supposedly deaf and dumb mother, Judy (Billie Sharpe), plotted the extermination of the heirs in order that they might seize the estate.

Other members of the cast—Joe Lindsey, Robert Moore, Franklin Sloan, Smokey Gast, Dorothea Deaton, Arlon Lovelace, Jane Lokey, Twila Strickland and Champ Landrum—also turned in creditable performances.

Demo Meeting Held In Lubbock, Apr. 11

Mrs. Will Nittler of Bovina, Mrs. Ellis R. Barry of Oklahoma Land, and Miss Elsie Cunningham, county home demonstration agent, were the Parmer representatives at the annual district II meeting of the Texas Home Demonstration, held last Saturday in Lubbock.

Gathering from 17 counties in this area, some 220 women were in attendance at the meeting.

Of particular interest was the talk made by Mrs. Arch Lamb, home economist of Texas Tech, who spoke on "Nutrition News". Miss Kate Adele Hill, district agent, and Mrs. Curtis O. Roach, treasurer for the association also made interesting comments.

Other notable visitors were Mrs. Warren G. Kennedy, of Muleshoe, president of the state group, and Miss Len Switt of the Extension Service.

Mrs. Nittler participated in the parliamentary drill, in the absence of Mrs. A. H. Boatman, council parliamentarian, and likewise made the report on first aid work in the county.

SUPERVISOR HERE

Fred N. Warren, state supervisor of the Emergency Crop and Feed Loan office, has announced that he will be in the Farwell office on Friday and Wednesday of each week for the purpose of receiving applications for loans. He will be in the local office in the forenoon only.

Miss Muriene Wimberly of Muleshoe, spent several days the past weekend visiting her sister, Mrs. Warren Powers, in Farwell.

Mrs. Harry Charles returned to her home on the Jersig ranch last Friday after spending a few days with her mother at Chillicothe, Tex., her mother being ill.

58 Nursing Certificates Are Allotted Parmer

Information from Wm. M. Baxter, Jr., manager of the Midwestern Area of the American Red Cross, St. Louis, this week was to the effect that 58 Red Cross nursing certificates were open to qualifying Parmer county residents.

Mr. Baxter says in part, "the need for a maximum home nursing program cannot be over-emphasized. This instruction teaches how to prevent illness, promote health of the family, and care for minor illnesses in the home. In war times when graduate nurses are scarce for civil service and hospitals overtaxed, families need this type of instruction to enable them to be more self-reliant in meeting their own problems."

At present, registration is open to all who are interested in attending such a course, with Mrs. V. Scott Johnson to be in charge. The Farwell class will begin in May, but the date has not been definitely set.

First Aid Courses Running High Here

Courses in first aid have taken on new emphasis in Parmer county during the past few weeks. Clarence O. Smith of Bovina, First Aid instructor of the American Red Cross, announced today.

Smith said that a total of 39 first aid certificates had been issued to residents of this county this week. Twenty-seven of the certificates were issued in standard first aid; three advanced and seven first aid instructor certificates made up the total issued in Parmer.

Thirty first aid certificates are expected to be issued to persons in the Oklahoma Lane community whose course of instruction will be completed this week. In addition to that number, more certificates will be issued the Farwell group now taking their course, and another class under Supt. W. O. Cherry of Bovina was begun at Friona the first of this week.

Dallas News Issues Historical Edition

The Dallas Morning News, "Texas Oldest Institution," came off the press with a historical edition the past Saturday, celebrating the 100th anniversary of the paper's founding.

The special edition was composed of 140 pages, mostly dealing with historical events that had transpired in Texas during the past 100 years. The edition is believed to have been the most outstanding newspaper that has ever been printed in the State of Texas, and has been the occasion of many favorable comments.

SIKES OUT AGAIN

O. C. Sikes of the Sikes Motor company was at his place of business this week after being confined to his home for a few days with burns about the face and hands, sustained last week when a carbide welding torch flared up in his face.

JESKO ELECTED

Mat Jesko of Lazbuddy was named as a member of the county school board in the election held early this month, it was revealed here today by County Judge Lee Thompson.

Related reports from the Midway school district also reveal that R. C. Wiley and V. W. Raynolds were elected members of the Midway district on April 4th.

Demonstration Club Notes

By Special Staff Reporters

Rhea Club

The Rhea home demonstration club met April 7. A report on the purchasing of Ruby Miller's spring wardrobe was given and the clothes displayed. The money for these was made by an entertainment on March 28, and each family took a hen and two dozen eggs.

Mrs. Brown, council delegate, gave a report on the last council meeting, and told of the repair school for household appliances to be at Friona, this month; and of the meeting for the clothing demonstration, April 18. It was decided to especially invite all women of the community who are not members to attend.

After the group played some games, Mrs. Cordie Potts was honored with a surprise stork shower, planned by Mrs. Boye Taylor and Mrs. Wayne Parker.

The next meeting will be April 2 in the club room. Everyone is urged to attend.

Parmerton Club

The Parmerton club will meet April 22 at the home of Mrs. Johnnie Bengner and will entertain as a special guest Mrs. Dora Barnes, clothing specialist. The time of the meeting, 2:30, War Time.

Help Your Neighbor Club

Club met in regular session March 26th in the home of Mrs. Albert Drager. Some sewing was done for the hostess. Refreshments were served to several members.

The club surprised Mr. and Mrs. J. D. Stevens with a 42 party on the night of March 31, that being their fourth anniversary. Several nice gifts were received, and a large crowd attended. Refreshments of cookies and punch were served.

The club met in the home of Mrs. Claud Hurst April 2nd. The afternoon was spent in sewing for the Red Cross.

The next meeting will be in the

home of Mrs. J. D. Stevens, April 16. All members are urged to come.

Change of Meeting Place

Parmerton Club will meet with Mrs. G. H. Brock April 22, 2:30 p. m., instead of with Mrs. Johnnie Bengner, as previously announced, and will entertain as a special guest Mrs. Dora Barnes, Extension Service clothing specialist.

Bovina Club

A salute to the colors and "good posture" led by Mrs. Jewel Tate and Mrs. L. Starr was the discussion and demonstration for the afternoon when the Bovina demonstration club met April 9 in the home of Mrs. L. P. Starr.

"Every one should be very careful in choosing the right colors for their individual complexions and type of hair."

Mrs. Tate told the many ways by which we can achieve a good posture while going about our daily routine of work.

Those present for this meeting were Mes. Hilary Tidenberg, Bob Williford, Melvin Stagner, Ronald Berggren, Reagan Looney, Clarence Smith, Jewel Tate and the hostess.

The club will meet April 23 with Mrs. Clarence Smith. Attractive and comfortable work togs will be discussed by Miss Elsie Cunningham, agent.

Victory Club

The Victory club met April 10th in the home of Mrs. Homer Hyde with eight members present. Mrs. Hyde, president, was in charge of the business. It was voted to take part in a tea given in honor of Miss Oleta Thompson, winner in 4-H club work in Parmer county, to be given April 25 at the club house in Friona. Miss Elsie Cunningham gave a very interesting demonstration on work clothes for women. The hostess and co-hostess, Mrs. Carrie Collier, served delicious refreshments of fruit cookies and hot cocoa.

Club will meet with Mrs. Lucy Vestal on May 8th.

Grade Team Second in Track-Field Meet

The Texico grade team was out-pointed some 5½ counts by the Melrose squad the past Saturday afternoon, falling in second ranking at the annual Curry county junior-senior track and field meet, held at Melrose.

Coach A. D. McDonald reported that the "breaks" fell at the wrong time for the locals in several events, running their hope of climbing up to first rating.

Two grade events were practically "dead heats", the winners and runners-up in both the 100-yard dash and relay breaking the tape by not more than an inch apart, he reports.

Troy Knighten of the local club walked off with the individual scoring honors of the day in the grade division, chalking up some 24¼ points via participation in six events. Knighten placed first in both broad and high jump, first in the 440-yard run; and second in both 100 and 220-yard dashes.

List of grade placements follows: 100-yard dash: Knighten, 2nd; Spies, 4th. 220-yard dash: Knighten, 2nd; Spies, 3rd. 440-yard run: Knighten, 1st (62 secs.); Doolittle, 4th.

High jump: Knighten, 1st (4 ft. 10 in.); Spies, tied for second with three others. Broad jump: Knighten, 1st (16 ft. 8 in.); Baker, 3rd.

Javelin: Spies, 1st (93 ft.). Low hurdles: Spies, 2nd.

Vault: Hall, 3rd; Baker, tied for fourth. Shot put: Paul, 3rd. Relay: 2nd (Doolittle, Spies, Baker, Knighten).

Seniors Take Places

Handicapped by the absence of several men, the local senior team nevertheless managed to take a number of places, the coach reported, giving the winners as follows:

Half-mile run: H. Doolittle, 1st; time 2:20; Drace, 4th; Howard, 5th. Mile run: Blaine, 2nd; Drace, 4th; Howard, 5th.

Low hurdles: H. Doolittle, 4th. Relay: 3rd (Blaine, D. Howard, Box, H. Doolittle).

Medals for first, second and third place winners were awarded at the meet, the coach added.

The annual district track meet will be held in Portales Saturday, April 25th, and entries from the local senior division will be listed next week. No district competition is arranged for grade boys.

Girls Will Attend County Tournament

Both grade and high school teams from Texico will participate in the Curry county girls' volleyball tournament, Saturday of this week at Pleasant Hill.

The senior girls, who only two weeks ago won their own invitation meet here, are slated to go far in the meet, and Coach A. D. McDonald also indicated that he expected a good showing from his grade team.

Teams from Melrose, Rosedale, Field, Ranchvale, Grady, Texico and Pleasant Hill are eligible for competition at the meet, it was said, but no information was available as to how many would attend. Drawing will be held at 9:30 (New Mexico war time) on Saturday morning, and it was believed that single elimination would be used.

Trophies have been secured for both winner and runner-up in the senior division, the coach said when interviewed, but added that he was not informed at to what arrangements were being made for the grade champ.

Start Spring Training

Fourteen prospective football men were on hand Tuesday afternoon when spring training opened at the Farwell school, Coach Jeff Hooper reported today.

Limbering up exercises will be primarily used this week, he said, adding that by next week he expected to begin to line the boys up in temporary positions.

Best prospect of the bunch appears to be Sudderth, a transfer here, who shows promise of developing into a crackerjack backfield man, Hooper said. Returning members of the squad include Gast, Lovelace, Smith, Sprawls, Young and Phillips, while the remainder of the group is made up of greenhands.

Shortage Of Nails Is Reported Locally

Storage facilities on the farms may be impaired by the shortage of nails, in the opinion of local dealers.

With storage facilities at all grain terminals already reported filled to capacity, and the prospects of a box car shortage in view, local lumber dealers and farmers are hoping that arrangements may be made soon to provide farm storage for the large wheat crop now in prospect.

Tire Applications Far Ahead of Quota

Officials of the Parmer County Rationing Board revealed today that new tire purchase certificates on file at the local office were already far in excess of the county quota for the month.

Certificates issued at the last meeting were as follows:

Nelson Welch, one obsolete truck tire, one tube.

Glyn G. Griffin, two obsolete passenger tires.

C. C. Boren, one obsolete passenger tire.

T. H. Haney, one tractor tire.

Ward Thompson, one tractor tire.

Consumers Fuel Assn., one truck tire and tube.

E. L. Clark, one obsolete passenger tire and one tube.

Ralph Taylor, one passenger tire, one tube.

Mrs. Emmett R. Day, one passenger tire.

D. C. Melugin, one pickup tire, one tube.

Milton Henson, one tractor tire.

Geo. W. Boltoh, two tractor tires, two tubes.

N. E. Wines, one pickup tire, one tube.

M. C. Osborn, two tractor tires.
