S. marine corps band, here arrayed on the steps of the Capitol building in Washington, will play 62 engagements during its annual concert tour scheduled for towns and cities in the Midwest and Pacific Northwest. Under the direction of Maj. William F. Santelmann, the band each year attempts to cover a different section of the country on its concert tour.

Farwell Man Has Fisherman's Luck

Hamlin Overstreet, returning last week from an outing trip to Northern New Mexico, brings in about the best "fisherman's luck" story of the season.

Overstreet, in company with his daughter and a Clovis friend, hired a boat at a rental fee of \$15 for a 3-hour trip to Eagle Nest Lake. They succeeded in landing one medium-sized trout. But not until "Ham" had deposited an expensive cigaret lighter in the lake—and tipped the boatman a dollar.

Feed Crops Withering Under Blazing Heat And Dry Weather

Climaxed by the hottest September readings ever recorded here, grain crops of this section have taken a terrific beating this week. The mercury climbed to 101 Monday for the hottest September day ever known here, followed by an equally hot day on Tuesday.

With the local forecast for continued hot and fair weather, there seemed to be no immediate relief in sight.

The record-setting hot weather follows on the heels of weeks of severe dry weather, all of which adds up to the fact that little feed will be produced in this section this year. Agricultural authorities said this week that prospects were exceedingly slim for much feed production on dry land farms this year, and agreed that there could be some feed produced in virtually every field that has had proper care, but the yield promises to be slim.

Some limited sections of the county, it was pointed out, where showers have fallen, show an entirely different picture, and promises of fair to good yields are being heard. Irrigated fields of the county, it is stated, are in excellent condition and every indication is that good yields will be forthcoming. This condition is causing more and more farmers of the county to begin thinking more seriously about irrigating their farms with water pumped from wells.

Irrigation is no longer an experiment in Farmer County. Past efforts along this line have proved the profits of the expense involved, and irrigated farms are expected to take on an increase next year, it is said.

The continued dry weather is affecting not only the feed crop situation. Wheat farmers are also beginning to become restless. With few exceptions, where showers have fallen, there has not been sufficient moisture to bring up the volunteer wheat so the growers can begin getting their lands in shape for fall sowings. Most farmers cling to the idea that later wheat sowings are more profitable, but all agree that time is growing short for soil preparations before the sowings.

Texas Tech Will Show Livestock At Fair

Texas Technological College will again have an exhibit of representative livestock at the Panhandle South Plains Fair which will be held in Lubbock, September 29 through October 4. The last such exhibit by Tech in 1941 was one of the biggest drawing cards of the Fair.

From 3,000 to 40 representative animals will be shown, according to Dean W. L. Tangel, read of the Department of Animal Husbandry at Tech. These will include Aberdeen-Angus, Hereford, Jersey, Holstein-Friesian cattle; Duroc, Hampshire, and Poland China hogs; Hampshire, Rambouillet and Southdown sheep; and Angora goats; quarter horses, American Saddle horses, American jacks, Percherons and mules.

The entire exhibit will be housed in the Livestock building on the Fair grounds. None of the animals will compete for prizes.

Other features of the Fair are a giant balloon parade opening day, the Buck Steiner rodeo, midget auto racing and the Bill Hames Shows on the Midway.

TO NEW ASSIGNMENT

Lt. Com. Allan R. Rogers and wife left here Monday for San Diego, Calif., where he has been assigned for further duties in the Navy Air Forces. Cmdr. Rogers, who has been stationed in Florida the past several months, said he was looking forward to his new assignment with great anticipation.

He is the son of Mr. and Mrs. B. A. Rogers of Texico.

SCHOOL TERMS OPEN

Lazbuddy School Starts New Term Aug. 25th

Getting a week's jump on all the other schools of this section, the Lazbuddy consolidated school opened its doors for the 1947-48 term on Monday, August 25, it was announced here today by Richard S. West, new superintendent of the school.

Superintendent West said that the enrollment for the current term was slightly higher than last year. He estimated there were 220 enrolled in the entire system with 60 being listed as high school students. Supt. West comes to Lazbuddy from Sparenburg in Dawson County, where he headed a 10-teacher consolidated school last year.

He listed the faculty members as follows: High School—Mrs. R. S. West, principal; Miss Grace Paul, Mrs. Edna Burrus, Miss Anne Scott and Mr. Willie Davis, agricultural instructor and coach of the boys' athletics. Miss Scott, who is teacher of home economics, will also coach the girls' basketball squad.

In the grades, the teachers are: Miss Greta Paul, 7-8; Miss Bell Wickson, 5-6; Mrs. R. S. West, 3-4; Miss Francis Shaw, 1-2.

Under the sponsorship of the Lazbuddy Community Club, a hot lunch room will be operated on the school campus.

Veterans Cashing In Terminal Leave Bonds

Texico-Farwell veterans seem to be keeping step with all other veterans of World War II in cashing their terminal leave bonds.

When the local bank opened Tuesday a group of ex-service men were the first in line to present their bonds or payment. Bank officials said that the number receiving the cash and those leaving the money on deposit in the bank were about equally divided.

Some of the vets, in the opinion of bank officials were turning their bonds into cash with no apparent need of the ready money. The opinion was expressed that such vets were merely laying up a reserve for contemplated investment.

Over the nation, however, reports indicate that most of the cash from the bonds is going for new automobiles and other pleasure items denied the vets since being discharged.

Converted Jew Speaks At Methodist Church

Harry Rosenblom, a converted Jew and a representative of the Worldwide Evangelistic Association of New York City, preached at the Methodist Church in this city last Sunday evening.

Born and reared in the Jewish faith in New York City, 46 years ago, Rosenblom said that he was converted to Christianity in California at the age of 30 years, with the explanation that the "Jewish orms of ceremonies did not satisfy me."

He and his traveling companion are now on a tour of the United States, visiting the smaller towns and villages of the land, following the completion of a recent tour in which he represents prints and distributes the New Testament in 30 different languages and sends them all over the world.

GRADE A DAIRY SALE

Bill Foster, who lives 11 miles east of Farwell, will dispose of his entire herd of Grade A Jerseys, being 28 cows and two bulls, at public auction on Tuesday, Sept. 9th. Col. Dick Doshier will have charge of the sale, which will get started at 11 a. m.

J. O. FORD INJURED

Just as The Tribune was preparing to go to press, an automobile accident on Main Street in Farwell resulted in injuries to J. O. Ford, prominent farmer and churchman who lives northeast of this city. A Clovis man whose name is understood to be Tom Breez backed out from the curb and caught Ford between his car and Ford's machine as the latter was getting out of his car. Ford, who suffered injuries to both legs below the knees, was taken to a Clovis hospital. Bystanders expressed the opinion that Ford was not seriously hurt, apparently having use of both legs after the accident.

Bovina School Opens Fall Season Monday

With 195 pupils registering on opening day, the Bovina School system opened the fall and winter season Monday with a full corps of faculty members.

Supt. W. O. Cherry said that there were 140 registering for the grades and 55 were in the high school division of the school.

Cherry, who heads the faculty for the tenth year, announced his faculty members as follows: R. E. Everett, physical education and math; Mrs. Odie M. Ellison, Social Science; W. O. Cherry, math and commercial; R. W. Jones, vocational agriculture; Mrs. Mary Eunice Thornton, homemaking; Mrs. Edith Cherry, English. In the grades, he listed the teachers as Mrs. June W. Rhodes, Mrs. Lillie S. Fuller, Mrs. Leola D. Williams.

The hot lunch program will be carried forward with Mrs. Mildred Moody in charge to be assisted by Mrs. Pollie Cenable, Mrs. J. O. Combs and Mrs. Lee Thompson.

Cherry said that the most serious shortage in personnel existed in the bus drivers division with one of the faculty members being assigned temporarily to one of these places. That with the assistance of two local ministers, he said, the buses began operation on schedule. D. C. Ward, who has had charge of the buses for several years, has taken over that position again, and will also drive one of the transportation trucks. Other drivers are Rev. Bruce Giles, Rev. Young, R. E. Everett and H. Blalock.

The opening of school finds the old faithful, R. N. Williford, wielding the brooms, dust mops and other duties of the janitor.

New Furniture Store To Open In Texico

Ben O. Smart, formerly of this city, but who for the past few years have lived in Amarillo, will open a new furniture store in the old David Harrison Building, in Texico, this week. The building has been redecorated inside, both in the basement and the main floor, and in being stocked with household furnishings.

Ben has been in the furniture business for the past two years in Amarillo, where he and two partners own and operate The Furniture Mart. Smart stated that this will be a branch store out of Amarillo and will be owned by the same three of the Amarillo Store.

Ben is a graduate of the Farwell schools, and later attended the University of Texas, in Austin, after which he started into the furniture business. They plan to add hardware to the business as they have more time to devote to it, stated Smart.

Ernest Justice will be connected with the local store as part of the sales personnel. Already they have several living room suites and bedroom suites on display, and will be receiving many other items until they have a good stock of merchandise.

DIRECTORS TO MEET

The directors of the Farwell Chamber of Commerce will meet Thursday evening, at 8:00 o'clock, in the new Legion building.

Local Schools Begin Normal Operations On Tuesday, 2nd

Both the Texico and Farwell schools began their routine program work Tuesday morning, with the classes getting back in the swing and students settling down to work.

According to B. A. Rogers, superintendent of the Texico school, the enrollment will be about the same as that of last year. Rogers said that an exact count had not been turned in at this time, and that several more pupils are expected to enroll later, but up to date, including both the grade and high school, registration would come up to the 46-47 level, with one grade showing a gain and another a loss from the preceding term.

Rogers has asked that all patrons of the schools who ride the busses curb their impatience if the bus is not on time for the first few days, as it will take a little time for the drivers to get the schedule worked out.

The Texico school opened with only three new members on the faculty roster. They include Fern Stanz, who will have charge of vocational agriculture and science classes; Mrs. LeRoy Faville, first grade, and Mrs. Gladys Prescott, commerce and fourth grade English.

There will be a meeting at the auditorium tonight (Wednesday), at 8 o'clock, for the purpose of working out plans for the school hot lunch room program. All patrons of the Texico school who are interested in the program, are urged to be present.

No report has been received to date on the enrollment of the Farwell schools, although Supt. O. T. Loyd announced that there was a large crowd of both students and parents present for the opening meeting, Monday morning, in the high school gym. With the registration and working out schedules, the teachers have been kept busy, stated Mr. Loyd.

Randol Accepts Call To Muleshoe Church

Minister Ebb Randol of this city who has been serving various churches in this section as pastor for the past several years, announced today that he had accepted a call as pastor of the Church of Christ at Muleshoe and would assume his duties there around the middle of September.

He added that he had purchased a home in Muleshoe and that Mrs. Randol would receive possession when he begins his work in that city. Minister Randol has been pastor of the Church of Christ at Lariat since 1940. Prior to that he served as pastor of the Farwell church.

He said that the Muleshoe congregation had a new church building under construction. It is 42x70 on tile and brick veneer materials.

MEETING CLOSES

The revival meeting at the Lariat Church of Christ came to a close last Sunday afternoon, following a congregational basket dinner at the water tower park in Farwell. Minister U. R. Beeson of Little Rock, Ark., did the evangelistic preaching.

New Auto Title Laws Now Effective In Texas

AUSTIN, Aug. 30—Changes in title and registration laws made by the Fiftieth Legislature will sooner or later affect all owners of motor vehicles Texas Highway Department spokesmen say.

A number of these new laws became effective September 5.

After that date, for example, the Texas Highway Department will be required to charge a fee of \$.03 for assigning motors to new or reconditioned motors. A similar fee was ordered for serial numbers on house trailers.

The growing practice of installing new and rebuilt motors, some bearing no identification number, demands a strict accounting of both motor and serial numbers on vehicles to assure valid titles in the name of rightful owners.

New laws outline a procedure giving maximum protection to legal owners of all motor vehicles. When motors are exchanged, the vehicle owner must apply promptly to the Texas Highway Department for a correction of his certificate of title. Otherwise the title to his vehicle is clouded because its motor does not correspond to his title, an awkward situation to handle when he tries to sell his car.

If the new or reconditioned motor bears a manufacturer's number, it should be used. If it is blank, as many are nowadays, the purchaser must apply direct to the Texas Highway Department at Austin for an assigned number. Forms for this application may be obtained from any County Tax Collector's office. It is illegal to stamp any number on a motor, other than a number assigned by the Highway Department.

Rnew service has been provided for Texans who wish to take delivery on a new vehicle at the factory or from a dealer in another State. Temporary license plates for the exclusive use of buyers while driving their new car back home are now issued under another of the Fiftieth Session's new laws.

Suggested by Highway Department officials for the convenience of purchasers wishing to drive their new car back home are now issued under another of the Fiftieth Session's new laws.

Suggested by Highway Department officials for the convenience of purchasers wishing to drive their new car back from the factory, the new law eliminates many thorny technicalities formerly incident to the practice.

Temporary plates, good for thirty days, can now be secured without delay at the County Tax Collector's office, and carried to the factory or other out-of-State point. The owner may secure certificate of title to his new car and regular registration plates after returning to Texas.

CONVERTED JEW TO SPEAK

Rev. Harry A. Marko, field evangelist of the American Board of Missions to the Jews, will speak at the First Baptist Church at Lazbuddy on Sept. 8, 9 and 10. Services will begin at 8 P. M. The public is cordially invited to hear this Christian Jew, one of the best informed on the Palestine question, and is working to carry the gospel to his own people.

Officers Installed For Legion Post

Ray Harrison Past Commander of the Clovis American Legion Post, was on hand Thursday night to install the new officers for the local post. Mr. Harrison has had many years as a worker in the American Legion and VFW, having been a World War I Veteran, Harrison is well acquainted with the organizations, and gave some interesting points on the advantages men and women may acquire from them.

Harrison stated that the majority of the bills passed by Congress for the benefit of the service people, has been the work of the American Legion, and that on individual may be helped in many ways.

Mr. Prichard, also of Clovis and a worker in the Legion and VFW, gave a very interesting talk on the help that the Clovis Post was rendering to the Boy Scouts and other organizations.

The officers installed last Thursday night were: Commander, Champ Porter; 1st Vice-Commander, Perry Crawley; 2nd Vice-Commander, Graham Thornton; Adjutant, Ollie Limer; Finance Officer, Frank Seale; Service Officer, Lloyd Brewer; Chaplain, Rev. Harvey E. Carrell; Historian, Lawrence Ham; and Sgt.-at-arms, Mitz Wailing.

A drive is being made for a larger membership for Post No. 516, and all eligible men are to be contacted and urged to take an active part. The Hut is nearing completion and it is expected that this will be encouraging to the fellows who have not yet become members.

TO YELLOWSTONE

Mr. and Mrs. G. T. Watkins of Oklahoma Lane community, departed Monday for a three week's outing tour that will take them to places of interest in the Rocky Mountains section. They plan to tour the western slope of Colorado and then go to Yellowstone Park.

American Legion Aux. To Install Officers

The American Legion Auxiliary will meet for the installation of new officers Monday night. All members are urged to be present for this meeting.

Health Notes

By Texas Department of Health

AUSTIN.—Dr. Geo. W. Cox, State Health Officer, today issued a warning against the danger of malaria following the heavy rainfall, which has finally broken the drought in many sections of the State.

"Malaria will remain a major health problem as long as breeding places are accessible to the female Anopheles mosquito," Dr. Cox said. "Every householder should make sure that there are no tin cans, broken bottles, or other types of rubbish on his premises that will hold water, and offer breeding places to this enemy of good health."

Dr. Cox pointed out that in our practice of mosquito control, we are sometimes like the man who locked the stable door after the horse was already stolen; we are content to wait until all our premises are swarming with mosquitos before we bring ourselves into effective warfare against these recognized agents of malaria transmission.

Dr. Cox further stressed the importance of conserving the public health and preventing the spread of disease in our present crowded housing condition, and he also emphasized the fact that malaria is one of the more debilitating diseases, often causing its victims to lose weeks or even months from his regular employment or from school attendance.

Said Dr. Cox: "The best cure for malaria is prevention. Make sure your premises are free from any stagnant waters, in which may breed the female Anopheles mosquito that transmits the disease."

Beavers are still reported in fairly large numbers in 42 Texas counties, being found mostly along the Pecos, Rio Grande, Colorado, and Llano Rivers and other streams in the Edwards Plateau.

VETERAN'S NEWS

The Veterans Administration has announced it will extend compensation payments to veterans who have been discharged from VA hospitals with arrested pulmonary tuberculosis but who need more time at home in which to recover sufficiently to take a job without endangering their health.

The new plan permits payments to these veterans on a totally disabled basis up to two years from date of discharge from any VA hospital while they remain under close medical supervision. Previously, the payments were reduced by 50 percent within six months of the veteran's discharge.

Under the new plan, these veterans will be examined every six months. If the examination indicates they are unable to resume employment, doctors will certify their findings so that VA may determine whether to continue full compensation payments for an additional six months.

VA expects this plan to result in better control of arrested pulmonary tuberculosis among veterans and thus reduce the necessity of hospitalizing them again.

The Veterans Administration will establish diabetic clinics in all its Regional Offices in Texas, Louisiana and Mississippi as the result of an experiment at Dallas which indicated large savings to taxpayers and improved treatment for veterans afflicted with this disability.

The "pilot" project was initiated at Dallas three months ago to provide periodic out-patient treatment for service-connected diabetics instead of putting them in already overcrowded VA hospitals.

VA said one of the biggest advantages of the clinics that they enable diabetic veterans to continue working to support themselves and their families. Without regular treatment at the clinics, hospitalization of from nine days to one month each year would have been necessary in most cases.

Clinics will be established at Waco, Houston, San Antonio, Lubbock, New Orleans, Shreveport and Jackson. The Dallas clinic will continue to function.

County Agent Ollie Limer, left Sunday for College Station, where he will attend a County Agent's conference, and be with the 4-H Club boys, who are spending this week there attending the Roundup

QUESTIONS AND ANSWERS FOR DISCHARGED VETS

Q. If I get a guaranteed loan under the G. I. Bill does the government pay any part of the loan for me?

A. Yes, Veterans Administration pays the lender, for credit to your loan account, an amount equal to 4 percent of the guaranteed portion of the loan.

Q. I understand that the government will guarantee up to \$4,000 on a business loan. Is this correct?

A. It is correct if the business loan is for the purchase of business real estate property, but if the loan is for non-real estate property, the maximum guarantee cannot be more than \$2,000.

Q. My husband is a World War I veteran and often becomes suddenly ill because of malaria. How and where do I apply for hospitalization for him?

A. You should see your nearest VA contact representative or apply at a Veterans Administration regional office or hospital. In an emergency call the nearest VA office, collect.

Q. How is the length of entitlement for education or job-training calculated and does a year of entitlement mean a school year or a calendar year?

A. Under the Servicemen's Readjustment Act (G. I. Bill) an eligible veteran is entitled to education or job-training for a period of one calendar year, plus the time he spent in the armed forces between Sept. 16, 1940 and the official end of the war. The total period of education may not exceed four calendar years. Time spent in ASTP or Navy college training is excluded.

How One Stalk Of Sorghum . . .

Grew into a \$23,000,000 Business

One day about 10 years ago, a marvelous thing happened! A man we know found ONE STALK of growing sorghum in his drouth ridden field.

Seed carefully nurtured from that same stalk today is found in hundreds of profitable sorghum fields in the area we serve.

And today sorghums—never very profitable in the old days—are a \$23,000,000 crop in the Panhandle-Plains-Pecos Valley area!

We have so much confidence in the sorghum industry—and all other industries we serve, that we are investing 35 million dollars in a building program. This expansion program in our territory will bring more dependable electric service to industry and better living—electrically—to everyone!

True Stories of West Texans

(By N. H. KINCAID)

A TEXAS RANGER ON DUTY Ian Meador, David Augustine, Jacob Ryan, William Cox, Frank Heister stopped abruptly and the surprised and Charles Heissig, charged with fiddles forgot to lower their bows. Startled dancers stumbled as the men tried to swing their partner clear while their hands sought the revolvers a their waists. But the lone trooper in the doorway was unarmed and made no move towards self defense. In his hands was nothing but a white handkerchief. "D'you want anyone here, Hall?" called Joe Satterlie, one of the dancers whose wedding festivity this was. "Yes," the red headed lieutenant answered. "I want seven men. I want you and Deputy Sheriff Will-

ian Meador, David Augustine, Jacob Ryan, William Cox, Frank Heister and Charles Heissig, charged with the murder of Philip Brazell and his son George, indicted this day." During the ensuing uproar Lee Hall was pushed with the surging crowd onto the gallery. Trigger fingers of 16 Rangers, stationed strategically around the house, came into position. "All right, men," Hall called to these troopers without shifting his gaze from the scene before him. "They're moving out women and children, then the fun begins. You with the shotguns sweep the porch; the rest shoot to kill, when I give the word." Bnt Deputy Meador, corrupt pub-

Tucker '48 Newest Entry in Auto Field

CHICAGO—Preston T. Tucker, six-foot president of Tucker Corporation, stands beside the most modern automobile yet produced, the new Tucker '48, which is only 60 inches from ground to top. With a powerful 150-horsepower engine mounted directly between the rear wheels, the Tucker '48 combines many engineering advances which Tucker says are not found in any other automobile on the market today. Since the new Tucker '48 was shown to dealers and distributors, thousands of persons have sought to place orders for early delivery of the car. Quantity production is expected later this year.

It's Just Plain
Common Sense

That car of yours cost a lot of money. It's just plain common sense to have faulty brakes fixed immediately—to have inadequate lights made right—to have necessary adjustments taken care of before they grow into larger troubles. We can put your car in top condition for so little. Then you can smile at driving hazards, steep hills, sharp curves—and let those who don't use common sense pay the bill.

lie official with a private grudge and now half drunk on bridal liquor had lost his nerve. And the others were looking to his leadership. So Hall disarmed him, using both hands. As some of his men came inside to help, the remaining feudists were soon stripped and the Rangers were making arsenals.

And thus did Lee (Red) Hall and his Rangers ushered law and order into DeWitt county in Dec. 1876. And not a shot was fired. By 1879 his company had captured 420 offenders in Southwest Texas, most of whom were murderers, and had done so with practically no violence.

This frontier Battalion of Texas Rangers, reorganized in 1874, served along the Texas border west of the Colorado. Lee Hall, gentleman from N. C. and peace officer of Denison and Sherman, inherited a company whose exploits had already

made frontier history. He was soon a captain and remained a Ranger throughout his life. At his death in 1911 the San Antonio Express said, "He has made more bad men lay down their guns and delivered more desperadoes into the custody of the courts, using his own gun less, than any other officer in Texas." It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.

OPENING OF FALL CLASSES

Mrs. E. T. Caldwell announces the beginning of her fall and winter classes in piano. Students desiring to take lessons please register either at school or at her home.
A special class is being taught for pre-school children, ages 4 to 6 years. Regular kindergarten materials are used in this class preparing your child with the basic fundamentals in readiness for regular piano work on entering school. Children taking this work should begin, if possible, with the first lesson Wednesday morning, Sept. 10, from 10 to 11 o'clock, at the home studio. Also, her students will be taken care of at their respective schools, Bovina, Okla. Lane and Friona.

PLENTY OF SKEETERS

There are at least 1500 known varieties of mosquitoes and there is hardly a place on earth where they are not found. They are common not only in the vast deserts, where they breed and develop in temporary pools of water, but also in the Arctic region, where they breed in water from melting ice.

Fellowship Meetings Resumed At Church

Rev. Harvey Carrell, pastor, announced this week that the weekly midweek fellowship meetings would be resumed at the church on Wednesday evening of this week.

These meetings, which proved quite profitable to the membership last winter, were discontinued through the summer months. A covered dish lunch will be spread and the meal will be followed by a study period. The meeting hour is 7:30 and the luncheon will be spread at that time, he stated.

BTU Party Honors Mrs. C. Magness

The BTU of the Baptist Church, honored Mrs. Clyde Magness with a surprise birthday party in her home Monday evening when a group of the training unit gathered to present the honoree with several nice gifts.

Games were played and cake and pop served to Evelyn and Beryl Brown, Warren G. and Junior Harding, Donald and Leonard Watkins, Willie Joe Carpenter, Peggy Schleiter, Virgil Hunton Jr., Grace and Helen McDaniel, Mrs. Harry Baker and daughter, Marjory, and the honoree.

Visit In Gas Home

Mr. and Mrs. Clarence Gast and two daughters of Earlsville, Ill., visited his cousin, Karl Gast, over the weekend. They had been to Oakland, California, to visit their daughter and husband, and had also called on the Garcia family. Mrs. Garcia is the oldest daughter of Mr. and Mrs. Karl Gast. The family will be remembered here by some, as they spent several months helping out at Karl's Auto Clinic, two years ago.

Mr. and Mrs. Spencer Faville of DeMoines, Iowa, spent last week in the home of his brother, Bill Faville.

Home From Vacation

Mr. and Mrs. Buster Gast and two little daughters returned last Saturday night from a two weeks vacation. They visited Mrs. Gast's sister and husband at Estes Park, Colo., and friends at Casper, Wyoming. They also called on friends in Denver, Las Vegas and Santa Rosa. Mrs. G. C. Wolrey, of Clovis, mother of Mrs. Gast, accompanied them.

To Mexico City

Smoky Gast and Joe White left Tuesday on a two-week vacation that will take them through several cities in Central Texas and on to Mexico City in Old Mexico. They plan to visit also in the "Shorty" Gast home in Laredo, Texas.

Reception For Pastor Held At Church

Members and friends of the Methodist Church assembled on the lawn at the church last Thursday evening and enjoyed a bountiful watermelon feed, after which the occasion was turned into a reception for Rev. Harvey Carrell and family, an event which had been planned on other dates, but was postponed due to illness in Rev. Carrell's family.

The social occasion terminated with the presentation of a set of beautiful dishes to Rev. and Mrs. Carrell.

Return On Thursday

Mr. and Mrs. H. Y. Overstreet returned home Thursday of last week from a vacation trip to Northern New Mexico. Mrs. Overstreet has been spending most of the summer in Santa Fe, while their daughter Miss Jane Clair, has been attending a girls' camp in Cimarron Canyon.

Mr. and Mrs. Joe Crume and family, returned Friday from a few days outing at Buffalo Lake and Palo Duro Canyon, during their week's vacation.

Wesley Bible Class Meets On Tuesday

The Wesley Bible Class met in the parlor of the Methodist Church on Tuesday afternoon, with Mrs. Roy Thornton and Mrs. O. B. Pipkin acting as hostesses.

Mrs. Roy B. Ezell was in charge of the afternoon devotional program.

Thirteen members were present including Mesdames A. D. Smith, Jess Newton, Ralph Humble, Alic Clary, Albert Thomas, M. F. Parton, S. C. Hunter, Anne Cverstreet, Roy Ezell, Ruby Dixon, Lena Yoder, and the hostesses; and one visitor, Mrs. H. E. Carrell.

On Tour West

Mr. and Mrs. B. N. Graham and son, Howard, and Miss Jauna Cox of Lamesa, left here Tuesday for a ten days' outing trip through the western states. They plan to visit Denver, Salt Lake City and return via Brice Canyon and the Grand Canyon, terminating at Oak Creek Canyon south of Flagstaff, Ariz., where they will visit with Mr. and Mrs. D. K. Roberts, formerly of this city.

A PREVIEW OF SCHOOL DAYS

The Young People's Department of the Texico-Farwell Baptist Church enjoyed a social at the church Friday night. This last social before the opening of the fall term of school, using for its theme, "The First Day At School," and games were arranged as school periods.

One of the most interesting periods, was the sewing class, when "bupils" made complete costumes for Mrs. McCaun and Clyde Magness. The most enjoyable menu being served—plenty of home-made ice cream and cake. The teachers for the evening were: Mrs. Maxine Cook, and Mrs. Dickie Magness; the lunch room manager, Mrs. John Lockhart; and Roy Cook, acting as principle.

VACATION BIBLE SCHOOL ENDS

The Vacation Bible School of the Texico-Farwell Baptist Church closed Friday with a picnic after the school hours, and the commencement program Friday night. By Mrs. A. G. White

Mrs. F. W. Ayres was shopping in Clovis Thursday of this week.

Mr. W. E. Williams and daughter have returned from Kansas City where they were visiting the Market and purchasing new fall merchandise for the store.

The revival at the church of Christ is being very well attended at this time. We were very proud of the new opera type seats installed in the building the past week.

Mrs. Frank Hastings has a new electric dish washer installed in her home the past week.

Mr. and Mrs. Hardesty and children of Polsum, N. M., are visiting Mrs. Hardesty's father, Mr. Riddling.

Mrs. Mary Woltman is visiting in Hobbs, N. M., this week. Mr. and Mrs. Jack Woltman are staying at her home until they get their new home finished.

Mr. and Mrs. Luther Johnston and family enjoyed a vacation in Oklahoma where they visited their parents and also did some fishing in Lake Lawton, and they report that it is plenty hot out there.

Mr. and Mrs. Frank Smith and family attended a family reunion in Oklahoma over the weekend.

Mr. and Mrs. Frank H. Wilson and Carolyn and Delores and Patricia Wilson and Patricia, made a trip to Tucumcari, N. M., on last Sunday, to visit Mrs. Mary Gunn. They report that her condition is somewhat improved at that time. She has not

been well for a long time. Mr. and Mrs. Frank Wilson and daughters, Carolyn and Delores and Patricia Wilson, left for Seiling, Oklahoma, Thursday morning to attend the dog and horse races to be held there over this weekend, and to visit Judge and Mrs. C. R. Duncan there.

Mrs. C. R. Howard and son are visiting her parents, Mr. and Mrs. Hubert Ellison this week.

Troy Armstrong and Luther Johnson returned from a fishing trip on the Canadian river in New Mexico the past week.

Buckey Duncan, from Seiling, Oklahoma, is visiting in the homes of Frank and John Wilson this week.

John Wilson and Durward Bell went to Seiling, Oklahoma over the weekend to attend the races held there at that time.

Mr. and Mrs. Horace Dersy of Hot Springs visited here the past week.

Mrs. Jennings and son from Hereford visited in the Dorsey home Tuesday.

Mr. and Mrs. Emmitt Tabor and Don and Mr. and Mrs. Joe Wilson and Nancy Lou, recently returned from Denver, Colo. They visited while there Mr. and Mrs. Fred Henry, and say that they really hoped to show them the city of Denver.

Mrs. Mell Gunn sustained an injury to some of her ribs when she fell, hitting her side on a door step. However, she is able to be up but finds that being taped up so tightly isn't very pleasant at times.

Mrs. J. D. Wilderson and children from Corpus Christi, Texas, are visiting in the home of her parents, Mr. and Mrs. Oscar Venable.

Mr. and Mrs. Joe French and Mr. and Mrs. Euell Prather of Waxahatchie, Texas, were guests in the Bob Williford home last week.

Bovina school started Monday with an attendance about as usual.

Mr. and Mrs. R. W. Stangefer and children moved to Vega, Tex., Monday to teach in the Vega schools.

Howard Ellison Honored With Dinner

Mr. and Mrs. Buck Ellison entertained with a dinner in their home on Thursday of the past week, honoring the son, Howard, on his 18th birthday. The dinner was served on tables spread under the trees in their lovely front yard, with a perfect setting of flowers all around them.

Howard received some lovely gifts those partaking of this six o'clock dinner were;

Mr. and Mrs. Jester, and Mrs. Jester's sister and husband, Mr. and Mrs. Cecil Bunch, Miss June Jester, Mrs. L. V. Shroyer, Mr. and Mrs. Frank Ayres and Wesley.

They all reported a very lovely evening spent and wish Howard many returns of the day.

Sew and Chatter Club Meets

Mrs. Byron Turner and Mrs. Alma Vassey were hostesses to the sew and chatter club, when they met on Thursday day at the home of Mrs. Byron Turner. They enjoyed visiting and needle work until the noon hour, when they were served chicken in the rough with french fries to top it off. A good, cool salad with fruit salad and cake to finish it off—that sounds delicious. We will not say how many chickens the girls consumed during the meal, but any way they had a wonderful time and enjoyed every minute of it.

They drew names for their polyanas during the day, and decided to meet on Wednesdays instead of Thursdays.

Those attending this affair were Mrs. Paul Jones, Mrs. Joe Wilson, Mrs. Buck Ellison, Mrs. Pete Davier, Mrs. T. G. Hudson, Mrs. Ronald Berggren, Mrs. Robert Calaway, Miss Nancy Lou Williams, and Patsy and Janean Ellison, and the hostesses Mrs. Turner and Mrs. Vassey.

Mr. and Mrs. Gunn entertained in their home last Thursday with dinner. Those attending were:

Minister and Mrs. Willis Kreage and two daughters, Joyce and Nancy Minister and Mrs. Shelby Sander and three children, Sue, Sam and Gane, Mr. and Mrs. Levi Johnson and Betty Rose and Billy, Miss Lulla and Carrie Smith, and Lonetta Thompson.

The crowd at the revival at the Church of Christ keeps growing. Members being added to the church by baptism up to and including Friday night, were;

Mr. Jim Ellison, and Mrs. Ellison, Mr. and Mrs. Cecil Bunch, Mr. and Mrs. Jester, Elmer Thompson, Stanley Venable, Rex Isham, Sam San-

ford, Billy Johnston, Mrs. Jess Vestal, Kathryn Jefferson, Dana and Betty Turner, Mrs. D. Knight and two daughters, and Audrey Box-

MARKETING No. 1 PROBLEM

COLLEGE STATION—One of the first things slated for study under the national Research & Marketing Act will be ways of developing a

more economical marketing system so that American farmers may sell a greater volume of their products and consumers may buy more.

E. A. Meyer, administrator of the act, says agriculture in the past six

years has increased production of milk by 13 percent; eggs, 23 percent; chickens, 33 percent; cattle and calves, 43 percent; wheat, 49 percent; and fruit, 57 percent.

The American people are eating 16 percent more food than they did be-

fore the war. And Secretary of Agriculture Anderson has said they would like to buy—and eat—more.

Apparently the only way farmers can sell more products at a fair price and consumers on the other hand can buy more without upping their food budget is to overhaul the marketing system. And that is the mandate Congress made to the U. S. Department of Agriculture when the Marketing & Research Act was passed.

Farmers are working on the problem too. County Agent A. E. Spacek says Wood county farmers consider marketing or farm products their No. 1 problem. Wood county delegations have visited and studied every major farm market in East Texas.

The encouraging thing to Spacek is that farmers are also interested in improving the quality of their products, in offering a more attractive package and in stabilizing local prices.

LANDSCAPING—A BUSHEL AT A TIME

COLLEGE STATION—Home demonstration club women of Crosby county have raised money to landscape grounds of the county cooperative hospital at Crosbyton through a "bushel of wheat drive."

Looking for means to raise cash to beautify the hospital grounds, the club women drove pick-up trucks out in the fields where Crosby county farmers were harvesting a bumper wheat crop and asked for single bushel donations. Mozelle Reast, home demonstration agent, says that the women collected over \$400 worth of wheat during the drive.

Along with \$200 privately donated and another \$100 made on a club play, the "bushel of wheat" money will go toward dressing the cooperative hospital up in new landscape surrounding—flowers, trees, shrubbery and all the trimmings.

With the help of the home demonstration agent, a club committee drew up a set of landscape plans, which have been presented to the hospital board of directors.

MILK AFTER FIFTY

COLLEGE STATION—A pint of milk a day is a must if older people are to keep healthy and active, says foods specialists of Texas A. and M. College Extension Service. Men and women in their fifties, sixties, and seventies often overlook milk in their diets, a neglect that deprives bones of minerals.

To help furnish enough calcium, protein and phosphorus for the proper upkeep of their bodies, a daily pint of milk is the minimum, say the specialists. A condition of demineralization of the skeleton may come from too little calcium in the diet and often leads to broken bones in later years. Some investigators have suggested that many a fall,

which supposedly results in a bone break, is actually due to weakened bones which break and cause the person to fall.

Relatively little is known of the nutritional needs of the older age group, the specialists report, and state experiment stations are making studies aimed at correct dietary recommendations. Recent studies do show that older people have not lost their ability to store calcium and other minerals and that their diets should include milk.

Almost three-fourths of Texas' 170 million acres are in forests and grasslands.

Fourteen states exclude women from jury service.

Texans Responding To Old Battleship Fund

HOUSTON, Tex., Aug. 26—(Sp).—From all over Texas, Lone Star citizens are already responding to the campaign to raise \$225,000 to bring the gallant old battleship TEXAS to a permanent berth near the San Jacinto battleground.

Contributions to the Battleship Texas Fund should be sent to Allan H. King, Treasurer, First National Bank, Houston.

Men who formerly served on the ship, which has been offered to the state by the U. S. Navy as a fitting Memorial to those Texans who fought and died on the sea in World War II, have come forward to offer their services to the Battleship Texas Commission. The Commission, formed by authorization of the 50th Legislature, will begin September 15 the task of raising \$175,000 for berthing the TEXAS near San Jacinto battleground and an additional \$50,000 for one year's maintenance. It is believed that after the first year maintenance costs can be raised by sightseeing admission charges.

Just as in 1839, when the American public, aroused by Oliver Wendell Holmes' poem "Old Ironsides," saved the U.S.S. Contintion from the scrapheap, Texans have come forward to save the old TEXAS for posterity.

"Come on, TEXAS,55 became the rallying cry for the old battleship and her crew during World Wars I and II, and "Come on, Texas" is the motto as Texans respond to the campaign to save the ship the entire state is proud of. It was the crew of the battleship NEW YORK which first gave the cheer, "Come on, Texas," when her sister ship lay hard aground off Block Island, in 1917. Just when it seemed that the TEXAS might be permanently grounded, with tugs and her own engines straining to no avail, the crew of the

NEW YORK alongside started the crop "Come on, Texas." A moment later the old ship, then the recently commissioned pride of the fleet, quivered and came free to go on to a brilliant combat record with the U. S. Fleet.

President Marshall Returns to Wayland

PLAINVIEW, Texas, Aug. 30.—Dr. P. W. Bill Marshall, new president of Wayland College who arrived in Plainview this past Thursday, announced that plans are nearly complete for the opening of the fall semester on September 15. During the last five weeks President Marshall visited several countries of Western Europe and attended the seventh Baptist World Congress, which met in Copenhagen, Denmark, July 29—August 3.

"Everything points to the best year in the history of Wayland," stated Dr. Marshall. The number of applications received at the college office indicates a record enrollment for the fall semester. The addition of new courses of study inaugurates Wayland's development into a fully accredited senior college offering work for the standard bachelor's degree.

"What I have seen this summer," declared Dr. Marshall, "has re-emphasized to me the world's need for Christ. Wayland College, a Christian school, is engaged in the most important work in all the world; namely, preparing young men and women for positive Christian citizenship in every area of life."

HICKMAN JOINS NATIONAL GUERNSEY CLUB

PETERBOROUGH, N. H.—The American Guernsey Cattle Club announces the election of Mr. Lawrence Hickman, Clovis, N. M., to membership. Mr. Hickman has a herd of registered Guernseys on his farm. The American Guernsey Cattle Club is a national organization of more than 30,000 breeders of purebred Guernseys. It records the registrations of purebred Guernseys which trace to the Island of Guernsey, the original home of the breed, in the English Channel. It also supervises tests of production and through GOLDEN GUERNSEY, Inc., supervises the marketing of Golden Guernsey Milk.
