

Confusion Exists In Consolidation Vote

Interested citizens today called attention to the apparent confusion existing among a good many voters, with reference to the proposed consolidation of the Oklahoma and Bovina school districts, which will be voted on by the residents of Bovina and Oklahoma Lane districts on May 8.

Quite a number of voters, it appears, are laboring under the impression that the question to be decided at the polls on May 8 is whether or not the Oklahoma Lane district will be merged with the Farwell district, or with the Bovina district.

This is not the case. Farwell is in no way involved in the question.

The sole issue that the voters of the Bovina and Oklahoma districts will decide is whether or not the latter district will be consolidated with Bovina. If a majority of the voters in BOTH districts favor the consolidation, the Oklahoma district will be merged with the Bovina district.

If, on the other hand, the consolidation of the two above named districts is voted down at the polls, it appears certain that an election will be called at an early date to determine the issue of consolidating the Oklahoma district with Farwell, but Farwell is not involved in the election to be held on May 8th.

Other consolidation moves to be settled by the voters on the same date include those of the north side of the West Camp district with Farwell, and the entire Rhea district with Bovina.

Interest appears to be running high, particularly in the two Bovina elections, an a heavy vote is anticipated.

Water Extension Pipe Arrives At Bovina

Some two to three thousand feet of six and eight-inch pipe, to be used in extending the water system in Bovina, arrived there the first of the week and was unloaded Monday, it was stated by Mayor John Kimbrow.

Mayor Kimbrow said that it would be a few weeks yet before that the large mains can be laid, explaining that permission to run under the Santa Fe Railroad and the highway must first be obtained. He added that "we have a man ready to lay the mains when we get permission from the Santa Fe and from the State Highway Department."

Kimbrow said that a large part of the large pipe now on hand would be used along main street and towards the southern part of town, where the water need is the most critical.

The citizens of Bovina voted bonds for the waterworks some time ago, but progress of the work has been held up because of inability to obtain materials. At present, the city is being supplied with water from a Santa Fe well in Bovina.

Showers Fall Locally, Farmers Get Anxious

Although scattering showers fell over a large section of the country last Wednesday afternoon, the moisture received was not sufficient to bring much relief to anxious farmers, who would like to be getting along with their spring planting operations.

Less than a quarter of an inch fell here, and that seems to be the report from over the area generally. Wheat fields are beginning to show the results of continued dry weather and cut worms, which have been reported making heavy inroads during the past two weeks.

Some few farmers are taking the chance of putting their seed in the dust, hoping for rains, soon, to germinate the seed. However, this is not the general practice, as most farmers prefer to wait and kill the young weed growth at the time of planting.

FISHING GOOD

Fred and Mick Smith, of Houston, Jack Smith of Hale Center, Jim Moore and Bob Drape, of this city, returned home the latter part of last week from a few days of fishing at Elephant Butte Lake. Moore said they caught a good string of crappie at the lower lake, and some bass. The bass, however, were not striking very fast.

HOG BREEDERS MEET

Robert Morton, president of the Southwestern Swine Breeders Association, today announced a meeting of the group on May 3 at the vocational ag building in Clovis, starting at 8:30, Texas time.

He said that plans for the August hog sale in Clovis would be outlined, and that May 3 would be the last date open to join the Association and be eligible to participate in the August sale.

Lovlace Announces For Sheriff's Job

Charlie Lovlace, of this city, has authorized The Tribune to make his official announcement as a candidate for the combined office of sheriff-assessor and tax collector of Parmer County, subject to the action of the Democratic primary election on July 24.

Lovlace is 38 years old and has been a resident of this county for the past 28 years. Until six years ago, he resided a few miles east of Farwell, where he was engaged in farming. Since coming to Farwell, he has been engaged in various activities to provide a livelihood for his wife and three children. Currently, he is connected with the Capitol Freehold Land Trust, and stated that he expected to terminate his relations there June 1st, devoting all his time to making a vigorous campaign for the office he seeks. "I intend to personally call on every person in the county," he stated.

Lovlace is a graduate of the Farwell high school, having completed his work here with the class of 1928, after which he attended to West Texas State College, for one term.

In presenting himself as a candidate, he says that he is confident he possesses the ability to execute the duties of the office efficiently, and pledges his faithfulness to that end.

Postponement Ordered For District Court

Postponement of the district court term which was scheduled to open here Monday morning of this week was announced the past weekend by District Judge C. D. Russell, of Plainview.

Clerk Loyde Brewer reported today that the postponement was ordered due to the fact that one of the principal litigants in the Hartell vs. Pringle & Triplett damage case, slated for Monday, was ill.

No later date has been announced for the case, and petit jurors, ordered to report on Monday, received cancellation notices during the weekend.

Planning For Mission Work In Brazil

Rev. and Mrs. E. M. Treadwell, of the local Baptist Church, plan to leave here Monday for Richmond Va., where they are scheduled to take their final physical examinations before being accepted for service as missionaries, by the Mission Board of the Southern Baptist Association.

Rev. Treadwell said today that the principal object of the trip to Richmond was for Mrs. Treadwell's examination, as he has already passed his physical and other tests.

They will appear before the Mission Board on May 12th. If accepted, Rev. Treadwell said that it was likely that they would leave in August for Rio de Janeiro, where they will be schooled in Spanish before being assigned to a field of labor.

FACULTY MEMBERS ARE REELECTED AT BOVINA

All present members of the Bovina independent school faculty have been elected for another year, Supt. W. O. Cherry reports, following a recent meeting of the official board of the school.

Included in the group are Supt. and Mrs. Cherry, Weldon Jones, R. E. Everett, Mrs. Otie Ellison, Mrs. June Rhodes, Mrs. Lily Fuller, Mrs. Leota Williams.

No definite statements have been made by the teachers concerning their return, Supt. Cherry said in announcing the re-elections. At present, Mrs. Grace Paul is substituting in the home economics department, succeeding Mrs. William Thornton, who resigned at mid-term.

Train Rams Truck Stuck on Tracks

A west-bound freight train rammed into the unloaded and unoccupied Chevrolet truck of Leon Sudderth about 12:30 Sunday morning, at Wilsey Switch, six miles west of here. The impact tossed the empty truck to the west side of the tracks and did heavy damage to the machine.

Investigation after the crash revealed that Sudderth got the machine stuck on the railroad crossing and had gone for help in removing the machine when the train arrived. A heavy barricade of cross-ties had been piled at the crossing approach, while workmen had the ballast removed from around the rails as work of relining the track was in progress. After knocking down the barricade, the truck dropped the front wheels between the rails, where it remained until struck by the train.

Two Road Petitions Accepted by Court

Two road petitions were approved by the Parmer County Commissioners on Monday, when the regular meeting of the group was held at the courthouse in Farwell.

Named as a jury of view on the petition of Rudolph Renner, et al, were David Moseley, Rudolph Renner, Buford Ruse, P. M. Helmke, and C. D. Burnett. On the petition of S. D. Clements, et al, the jury of view is composed of Woodrow W. Glasscock, V. W. Rannals, Bose Abbas, J. T. Ebanks and R. L. Kimbrough.

Current bills were ordered paid, with Treasurer Roy B. Ezell authorized to issue the checks.

One special item came up when Friona city officials appeared before the Court, asking that the Commissioners go on record as favoring a contract between the county and the State Highway Department for the paving of the loop connecting Main Street to Highway No. 60, on the southwest edge of the city. The commissioners approved the plan.

Bovina Incorporation Adopted Second Time

For the second time within the past few months, the citizens of Bovina went to the polls in a special election, Tuesday, and put their approval on incorporating the city, by a vote of 67 to 0.

An election for incorporating purposes was held some months ago, and was adopted unanimously. A slight legal error in the original election was discovered, necessitating a second vote on the issue.

Amarillo Goodwill Trippers Come Here

Approximately 85 business and professional men of Amarillo, accompanied by 40 pieces of the famed West Texas State College band, will arrive on an eight-car special train on Thursday, May 6, at 1:35 p. m.

Heading the goodwill delegation from Amarillo will be Gene Klein, president of the Amarillo Chamber of Commerce.

After a welcome address at the station, a response will be made by one of the visitors. The band will then give a concert and present novelty tricks. Following that, a few stunts will be performed by a magician.

The Amarillo group extends an invitation to all citizens of the Twin Cities to meet and visit with them during their stay.

The train departs for Bovina at 2 o'clock.

SPECIAL SERVICES

The special services being held at the Church of Christ in Farwell this week have been drawing good attendance. Minister Luther G. Roberts, of Clovis, is bringing the messages each evening and will conclude the series on Thursday. Tonight (Wednesday) and Thursday he will deal with the subject, "Women's Work in the Church".

SUDDERTH INJURED

Lee Sudderth, prominent farmer of the Oklahoma Lane community, sustained injuries the past Saturday morning around 6 a. m., when his clothing became caught in the drive shaft of an irrigation well motor. Sudderth was spun around and his clothing torn off, with three broken ribs and numerous bruises resulting from the encounter with the motor. Medical treatment was administered at the community hospital in Friona.

Injuries Fatal To Texico Lad

Lazbuddy Graduation Exercises Start Sunday

Graduation services for the six seniors of the Lazbuddy school will begin on Sunday, May 2nd, when the students assemble at 11 o'clock on Sunday, May 2nd, to hear Sol Morgan, minister of the Sixth Street Church of Christ in Friona, deliver the baccalaureate address.

Other numbers on the morning program include the invocation, by Rev. E. L. Merriott; special music, presentation of the speaker by Supt. Richard S. West, and the benediction, by Rev. W. J. Knoy. The professional and recessional marches will be played by Marquita Splawn.

Supt. W. O. Cherry, of the Bovina school, is the guest speaker at the commencement exercises, which will be held on Thursday evening, May 6, at 8 p. m. Rev. J. H. Edwards will give the invocation; Billy John Thorn will speak as salutatorian; the class prophecy will be given by Dorothy Koelzer; Agnes Jesko will read the class will, and "Memories" will be rendered by the juniors.

The valedictory address will be delivered by Anita Steinbock, with Supt. West introducing the speaker, and later presenting the diplomas, after which the juniors give "Till We Meet Again", and Rev. Anns will pronounce the benediction. Joy McDonald will be at the piano for the marches.

Members of the class are Agnes Jesko, Anita Steinbock, Billy John Thorn, Dean Gosner, Dorothy Koelzer, and Gilbert Wenner. Mrs. Anne Foster is sponsor.

Light Grade Ceremonies

The eighth grade graduates will have their special services on Tuesday evening, May 4th, beginning at 8 o'clock.

The program includes: invocation, Rev. Anns; welcome, Paul Kesko; "I Got To Go To School", Hal Clark. Looking to the Future, Max Crim, salutatorian; The Pansy—Class Flower, Billy Joe Morrison; We Predit, Betty Deaton; A Book of Golden Memories, Donald Jesko; Class Will, Teddy Treider; Poem, James Foster; "We Graduate", song, by the class; guest speaker, W. H. Graham, Farwell; We Prepare, Don McDonald, valedictorian; presentation of diplomas, Supt. R. S. West; and the benediction by Rev. J. H. Edwards. Joy McDonald will play.

All programs will be held in the school auditorium, and attendants are urged to be on time.

Dates, Speakers Are Announced for Class Graduation Events

Graduates dates have been set for the eight members of the Bovina high school senior class, it was announced today by Supt. W. O. Cherry.

Baccalaureate services will be held at the 11 o'clock hour on Sunday, May 23rd, with Rev. George York, Bovina Methodist pastor, selected as the speaker.

On Monday night, May 24th, the class assemblies for the last time as a group of students, with commencement exercises to begin at 8:30. R. B. McAllister, of KICA, Clovis, has accepted the invitation of the students to speak.

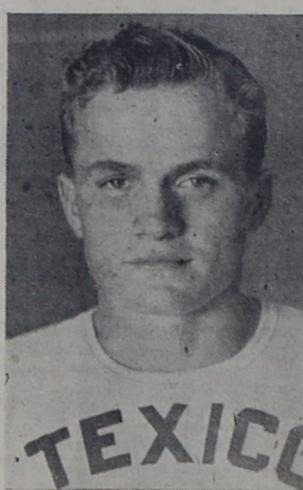

Both services will be held in the auditorium of the church, and other program arrangements will be completed later.

Graduation exercises for the ten members of the eighth grade will be held on Friday night, May 21st, with the students themselves presenting the program, Supt. Cherry added.

SOME IMPROVEMENT

Mr. and Mrs. Ebb Randol returned home last Wednesday from Lynnwood, Calif., where they had gone to visit his sister, Mrs. Leona Osborne, who suffered a paralytic stroke recently. Mrs. Osborne, they report, is showing some improvement, and has been removed from a hospital to a rest home, where she is receiving treatment. She is reported to be able to utter a few words and seems to grasp conversations. Her father, Uncle Tom Randol, who went from here with Mr. and Mrs. Randol, remained in California for a more extended stay.

Buy a bond every pay day!

DIES OF INJURIES—Mansel Doolittle, 16-year-old Texico High School student, who died Wednesday from injuries received in an automobile mishap.

Baptismal Services At Baptist Church Sunday Afternoon

One of the largest classes of baptismal candidates reported here in recent years, will be administered the rites Sunday afternoon at 2:30, in a special service to be conducted at the Texico-Farwell Baptist Church by Rev. Lloyd Garrison, pastor of the West Camp Baptist Church.

Thirty-seven candidates are scheduled to receive baptism on this occasion, the pastor stated today. The conversions are the result of a revival meeting concluded at the West Camp church Sunday evening. Twelve other members were added to the church by letter. The revival was conducted by Rev. A. L. Johnson, of Denton, Texas.

Rev. Garrison has been pastor at West Camp since last July, and said his congregation was composed of only 44 members before the revival meeting.

Consumer Fuel Assn. In Annual Meeting

Cayson Jones, manager of the Consumers Fuel Association at Bovina, has announced the annual meeting of the stockholders of the group, to be held on Thursday, April 29th, starting at 8 p. m.

The principal business to come up, Jones said, will be the election of officers, with two new directors to be chosen. The auditor's report for the year just closed will also be made, he added.

Entertainment features will be included, and all members of the organization are urged to be present at the Legion Hall for the meeting.

Aubrey Brock Plans Move to Littlefield

Aubrey Brock, who has been manager of the Cicero Smith Lumber yard at Bovina for the past 21 years, announced the first of the week that he was severing his connection with the Bovina yard in the near future and would go to Littlefield, where he will take over the management of a company yard.

The exact date of his removal has not yet been definitely determined, but Brock said that he hoped to check in at Littlefield at the start of the fiscal year on July 1st.

The Brocks will be greatly missed at Bovina, where they have taken a leading part in civic and community matters during their 21 years in that city.

AG TEACHERS TO MEET

Members of the Hereford District of Agricultural Teachers will meet at Friona on Thursday, April 29, at 4 p. m., it was announced here today by Robert Morton, local ag teacher, who added that he would leave here on Friday for Texas A. & M. College to attend another meeting on Saturday of this week.

Funeral services were held Saturday afternoon for Mansel Doolittle, 16-year-old son of Mr. and Mrs. T. T. Doolittle, at the Steed Memorial Chapel in Clovis, conducted by Rev. Williams of the Church of God in Clovis. Burial took place in the Clovis cemetery.

The popular Texico high school lad, one of the leading athletes in the school, died last Wednesday evening in a Clovis hospital about 20 hours after being fatally injured in an auto mishap, as he and some other boys were returning from Texico to their home northwest of town.

Sitting in the seat of the pickup with Mansel, and driving the machine, was his twin brother, Ansel, who escaped with lacerations about the legs and bruises about the head and body. Kenneth Doolittle, another brother, and J. B. Taylor, both age 11, were in the bed of the machine and escaped injury.

The accident occurred when Ansel drove the pickup into an open ditch that had been cut the day before in preparation to putting in a drainage flum under the four-lane highway now under construction between Texico and Clovis. Traffic was being routed along the south side of the 4-lane highway, but the driver took to the north side of the new grade only to run the machine into the open ditch. Mansel was thrown into the windshield, and received deep cuts from one ear to the other, barely missing his jugular vein. Head injuries were blamed for his death, which came without the lad ever regaining consciousness.

The funeral chapel was filled to overflowing by friends of the popular young man, who had come to pay their last respects to his memory.

Pallbearers at the funeral were members of the sophomore class of the Texico school, of which young Doolittle was a member. They included David Houghteling, Raymond Troy Morgan, John White, Bobby Poteet, James Harding and Joe Cox.

The survivors include his parents, Mr. and Mrs. T. T. Doolittle; seven brothers, Herschel, South Gate, Calif.; Marvin, Ansil, Leon, Jerrell, Gayle and Kenneth Doolittle, all of Texico; two sisters, Mrs. H. A. Tucker and Miss Sue Doolittle, Texico. Also numbered among the survivors are his grandparents, Mr. and Mrs. A. Doolittle of South Gate, Calif.

Lazbuddy Voters Will Go To Polls, May 1

Voters in the Lazbuddy school district will go to the school house on Saturday of this week, May 1st, to vote on a proposed bond issue of \$200,000.

If approved, bonds will be issued to purchase a building site, as near the geographical center of the Lazbuddy district as can be practically obtained. On the site a new grade and high school building, with a gymnasium, will be constructed. The Lazbuddy school gymnasium was destroyed by fire before the current term of school opened, last fall.

J. H. McDonald, president of the school board, said that some confusion had arisen as to the eligible voters, and made this explanation: "To vote in this election, one must be a resident, have paid a poll tax and have rendered taxable property prior to the election date."

O. M. Jennings, Frank Snyder and T. W. Bewley have been named as judges and clerks of the election, with the voting to be done at the school house between the hours of 8 a. m. and 6 p. m. All qualified voters in the district are urged to visit the polls on Saturday and cast their ballots.

LANDRUM RECOVERING

Elbert Landrum of this city, is recovering satisfactorily from rather painful injuries sustained early last week, while engaged in a house-moving job at the L. R. Talley farm, 14 miles northwest of here.

Landrum was struck across the nose with the leverage bar of a boomer winch, inflicting painful injuries and breaking bones about his face and nose. He was up and about the first of the week and seemed to be recovering from the accident that came so near being serious, if not fatal.

Some people learn how to relax. Others never learn how to do anything else.

Texans Give \$268,200 For Cancer Control

HOUSTON—Texans are contributing \$268,200 to cancer control work in their own state.

That's the amount sought for use in Texas by the Texas Division of the American Cancer Society, which during April is campaigning for a total of \$447,000 in the state. The remainder will go for a national research program (\$111,750) and the national education program and operational cost (\$67,050).

But 60 per cent of the money Texans are asked to give will be used for information centers and cancer clinics in Texas, according to former W. P. Hobby, state chairman for the fund drive.

Nine tumor and cancer clinics in the state are now being assisted by cancer society funds. Others are being opened, and very shortly officials expect every section of Texas to have a convenient clinic for the early detection and treatment of cancer.

In many of these cities information centers are open—in Texarkana and El Paso and other cities all across the state. New ones are being planned every month—these all to be supported by the April drive.

It's all part of a program designed to tell people that many cancers can be cured, if caught in time. Cancer Society people feel that folks who have cancer now should not

wait for present-day research to find a cure, but should act immediately.

So they're emphasizing the fact that many cancers can be cured with what we now know, and that there are certain specific danger signals which often indicate cancer. If these are obeyed, cancers can be removed by surgery, X-ray, or use of radium, and many a life spared.

These information centers are the first part of the cancer service paid for in Texas by contributions to the society. Patients who are referred to cancer clinics for diagnosis. If they are unable to pay for treatment such treatment is arranged for them, and after their cancer is removed a Cancer Society representative maintains contact with them for at least five years. If needed care is furnished in the home.

Mr. Hobby announced that a campaign organization has been completed in nearly all of the state's 254 counties, and that workers are making progress in their two-fold plan to raise funds and tell the truth about cancer at the same time.

Prominent businessmen, club women, civic workers, and professional men are county chairmen throughout the state. Local bankers serve as depositories, keeping all funds collected locally until turned in to the state treasurer.

IS NEW PRESIDENT

GALVESTON — Dean Marjorie Bartholf of the University of Texas Medical Branch John Sealy College of Nursing is new president of the Texas League of Nursing Education. She was elected at a recent conference held here. Miss Irene Healy, nursing education professor at the Main University, will continue to serve as League secretary.

Three-fourths of the land under cultivation in the United States is sloping enough to suffer serious erosion.

Schools Should Lead In Health Program Says State Supt.

Pointing out that a state wide health improvement program can best be carried out on a local basis, L. A. Woods, State Superintendent of Schools, this week called on community leaders throughout Texas to take immediate steps to set up local health improvement measures.

The first step in such a program is establishment of a local School Health Council which would study school and community health conditions, he declared.

These localized Councils will be in a position to make recommendations for improvements according to the particular needs of their own community, Dr. Woods said.

"In other words," he said, "by operating on a local level the overall program can be geared to care for the specialized needs of each community much more effectively than if it were operated on a state-wide basis."

The local Council, as a part of the Texas Health Education Program, would be designed to coordinate the work of local health agencies, to undertake projects for local improvement, to provide for community-wide health education, and to develop school aids for better health education, he said.

Local leadership of the program is ideal and will provide a democratic atmosphere, as well as a broader basis of knowledge on which to establish the program, Dr. Woods said.

In urging state-wide participation in the program he said, "The schools of Texas have another fine opportunity to perform a real service to their communities and state by cooperating in the project."

South Africa, Venezuela and Mexico were the leading buyers of dolls in the United States last year.

POLITICAL ANNOUNCEMENTS

The State Line Tribune is authorized to announce the following candidates for the respective offices, subject to the action of the Democratic primary election in July:

For Sheriff-Assessor-Collector:
WILFRED QUICKEL

Poultrymen Construct Additional Houses

COLLEGE STATION—There was some outstanding work carried on by county extension workers over the state last year on flock management, says Ted Martin, extension poultry husbandman of Texas A. & M. College.

According to the county agents reports from counties over the state, the poultrymen of Texas constructed 6,541 poultry buildings in 1947. In a breakdown of this figure there were 2,500 laying houses, 2,983 brooder houses, and 1,068 range shelters. Last year there were 7,650 old poultry houses remodeled. The lamp brooder, designed to accommodate 50 to 75 one-day old baby chicks, still holds a very prominent place on the farm. There were 6,504 lamp brooders built in 1947.

Interest ran high throughout the state in 4-H club poultry demonstrations of broiler production, pullet production, laying flock management, sanitation, and disease control. Thirteen thousand Texas 4-H club boys and girls raised 443,000 chicks in their 1947 club work. In addition to the regular demonstrations carried on by the 4-H club members, poultry demonstrations were conducted in connection with the Cow-Hog-Hen Program.

Eighty-one boys took part in this program, and raised 27,300 chicks and 600 poults. Demonstrators started out with 300 baby chicks or 60 poults and carried on the demonstration for six months. Most of the boys are carrying their pullets on as laying flocks this season.

Memorial Circle Will Be Dedicated, May 2

LUBBOCK—Dedication of Memorial Circle in the center of Texas Tech campus is scheduled for May 2 at 2 p. m., with ceremonies under the direction of Texas Tech War Veterans Association.

Maj. Gen. Andrew D. Bruce, deputy commander of the Fourth Army, Fort Sam Houston, is to speak at the short dedicatory service when a monument will be permanently placed in the circle.

An inscription to read "Dedicated 1948 by Tech War Veterans Association to all whose service has brought honor to college and country" will be on the front of the red granite stone. The stone is 36 inches high, and will be topped by a sun dial.

All students, ex-students and alumni, parents of former students and other visitors are invited to attend the brief service.

In England, elevators are known as lifts,

REA Coop To Meet In Hereford, May 1

Announcement has been made here that the Deaf Smith County Electric Cooperative, Inc., which operates also in Pamer County, will hold an annual meeting at the Bull Barn in Hereford on May 1, beginning at 10:30.

The address of welcome from the Chamber of Commerce will be made by Pete Cowart, with music by the Hereford high school boys' octet, and an address by Tom Dunphy, REA field representative, on "Capital Credits". After the election of a board of directors, an old fashioned barbecue will be served at noon.

The nominating committee has recommended the following men to serve as a board of directors: Joe Birkenfeld, Nazareth; H. H. Miller, Dawn; Sloan H. Osborn, Friona; T. W. Roberson, Hereford; T. E. Seigler, Jr., Hereford; C. T. Watkins Farwell; Dewey Wright, Dimmitt.

On September 24th, this cooperative will have been in operation 10 years. Articles of incorporation were signed on April 17, 1937. At the time of energization on September 24, 1938, the cooperative had one 300 KVA substation serving 128 homes and 26 irrigation wells. The organization on April 1, 1948, served 1398 consumers with 202 irrigation wells and 867 miles of line.

When the "N" and "P" section contracts, now either being constructed or for which a contract has been let, are completed, there will be approximately 1192 miles of line serving around 1992 members. It is the plan of the cooperative to finish the construction on these contracts before the end of the calendar year. When present plans have been fulfilled, this will represent an investment of \$1,532,000.00.

Vacancies In Criminal Investigation Service

M-Sgt. John Temple, of the Clovis recruiting station, states that he has a number of vacancies in the criminal investigation service for men who can meet the rigid requirements. Applicants must have had prior service in some branch of service, be a high school graduate or the equivalent thereof, the latter to be determined by actual tests; cannot be less than 22 or over 34 years, qualified for general service as to health and of excellent moral character.

Sgt. Temple stated that all accepted applicants will be enlisted in grade 5 or higher and forwarded to Carlyle Barracks, Pa., for schooling. Applicants successfully completing the school will be promoted to grade 4 or 3. Married applicants can be accepted. Interested men are advised to contact the recruiting sergeant at the PO Building, in Clovis.

ACA News

Harold W. Carpenter, Secretary

Well it looks like the wheat harvest in Parmer County will be pretty light. First came dry weather last fall, making it impossible to sow at the usual time. Then came light rains, giving barely enough moisture to get up a decent stand and affording no sub-soil seasoning. Cold weather all last winter kept freezing it back until no cover was furnished the ground. These conditions set the stage for some real dusters this spring which blew out many fields and damaged much more. And on top of all this, dry weather prevails this spring and the cut worms have moved in. Looks bad, doesn't it? Many acres of wheat will be plowed up and either put to row crops, providing it rains in time, or summer fallowed in preparation for a fall seeding of wheat. As in years past, PMA will sponsor a program for the protection of this summer fallowed land. The payment will be 50c per acre and the provisions which the farmer must follow to draw this payment are as follows: Make a request for payment at this office now or in the near future. Plow the land before the 15th of June, leaving whatever stubble is on the ground on top or mired in top soil. Plowing at intervals to control weed growth must be done. Fifty cents per acre isn't much, but it may look big after a complete failure.

Many acres of improved permanent pasture mixtures are being seeded on irrigated land. Most farmers are reporting excellent stands, and the grass seeded last fall and irrigated is affording abundant grazing. Practically all of this grass is being seeded under the program whereby less than two-thirds of the expense is paid by the farmer. We don't believe that the land should be given back to the Indians, but we do believe that more land should be seeded back to an improved grass. The Lovegrass that we seeded last winter on dry land has not shown up yet due to the prevailing weather. We are hoping to see some of it after this next rain we are going to get.

Bindweed has taken up a good portion of the high plains. This year we are offering a program for assistance in its control. J. G. McFarland of Friona will sell a commercial mixture of 24-D and will have a spray available for its application. Two sprays will be in the Farwell locality, operated by H. H. Barlow and Graham Thornton. Our bindweed infestation is not as heavy as other portions of the country, but the time is ripe now to start on it.

Commodity Credit Corporation wheat and grain loans will mature on April 30th. Some farmers may want to keep this grain until a later date, but they are advised by CCC to make arrangements with the lending agencies holding their notes before the maturity date.

TAKE DEGREES

W. E. Williams and Troy Fuller, both of Bovina returned home the latter part of last week from El Paso, where they attended the annual meeting of the Scottish Rite, with Fuller taking his first work in the order.

MOVES STATION

H. D. Roberson, who has operated a service station diagonally across the street from the fire station in Texico the past several months, has moved his building to a location on Highway 60, near the point where it intersects Highways 70-84. He said he hoped to be ready for business by the latter part of this week.

For every \$1 invested in building rural co-op power systems, consumers spend \$4.50 on wiring and equipment.

Grasshoppers Will Be Hatching Out Soon

COLLEGE STATION—Spring marks the beginning of grasshopper season here in Texas. Grasshoppers that feed on cotton, corn, grain sorghums, fruit trees and other crops are hatching out this month from eggs laid in the ground last fall. Paul Gregg, assistant extension entomologist of A. & M., says that according to a recent survey made by John M. Landrum and W. J. Spicer, supervisors with the USDA's hopper control division, the hatch of the hoppers south of Waco was about 50 percent complete by April 10.

Dry weather in central and south Texas has delayed the hatch to some extent, and hatching will likely continue for another two or three weeks if dry weather continues. On the other hand, a good rain in the

hand would cause most of the remaining eggs to hatch shortly.

Naturally, no damage has been done to the crops yet, says Gregg, because young hoppers are still in hatching beds, usually located in weeds or grasses of idle land near the edge of a cultivated field.

REPRESENTS TECH

LUBBOCK—O. V. Adams, dean of the engineering division at Texas Technological College, is representing the college at the administrative council meeting of the American Society for Engineering Education in Washington, D. C., April 24-29. Dean Adams is a member of the executive committee. Before returning to the college, he will attend a state meeting in Austin of the Society of Professional Engineers.

You can get more GO from your gas bill when the motor of your car is in tip-top shape. Make sure that your fuel bills are paying driving dividends by having your car thoroughly checked here. Vets' Questions Are Answered By VA

Q. After I have repaid the amount I borrowed under the GI bill, is my loan guaranty privilege restored to its original amount?

A. No, you may use the full amount of your loan rights only once.

Q. Do guaranty or insurance provisions of the GI Bill limit the total amount I can borrow?

A. No. The size of the loan depends on what the lender is willing to lend. The limitation is on the amount of the VA guaranty and not on the size of the loan.

Q. I was refused an application for a loan by one lender and now would like to know what I should do to get a guaranteed loan on a business venture?

A. The VA regional office in your area might be able to put you in touch with a lender who makes GI loans.

Q. May a veteran obtain a guaranteed loan to buy or establish a business if he is employed?

A. Yes, if he plans to conduct the new business himself, either on a full-time or part-time basis.

SANTA FE CARLOADINGS

Santa Fe System carloadings for week ending April 24 were 27,685 compared with 25,281 for same week in 1947. Cars received from connections totaled 12,237 compared with 11,256 for same week in 1947. Total cars moved were 39,992 compared with 36,357 for same week in 1947. Santa Fe handled a total of 38,584 cars in preceding week of this year.

Young People Have Church Programs

Morning and evening services at the Methodist Church were conducted last Sunday by visiting young people from nearby colleges, with students of the Eastern New Mexico College at Portales having charge of the morning services, and a group from McMurry College at Abilene taking over the evening program. Both programs were well rendered and well received by those in attendance. Some fifteen members of the Wesley Foundation at Portales, were here for the morning services; and the evening program was handled by three McMurry students, those making up the latter group being Miss Peggy Jackson of Plainview; Miss Joy Huff of Panhandle, and Grady McCollough of House, N. M.

The Portales program was in charge of Miss Bobby Jean Barker, daughter of Mr. and Mrs. Fred Barker, of Friona, formerly of this city. Other students included Miss Madie Wasson of Hope, N. M., and Miss Irma Wood of Rosedale.

Operetta On Friday Evening at Texico

"The Sleeping Beauty", a colorful operetta, will be presented in story and song by students of the first six grades of the Texico school on Friday night of this week, May 30th, officials at the school reminded today.

Mrs. B. A. Rogers, Mrs. LeRoy Faville, Mrs. Regina Neill and Mrs. Frank Seale are directing the activities of the youngsters, with a large group taking part.

The playlet will begin at 8:30, Texas time, and no admission will be charged. The public is cordially invited to attend.

Council, Court Of Awards Scheduled

A council meeting for adult leaders of all Texico-Farwell Girl Scout troops has been called for next Tuesday afternoon, at 2 p. m., in the homemaking building at the Farwell school. All troop leaders, committee members and council officers are urged to attend.

On Monday, May 10, the Texico and Farwell troops will hold a court of awards, with special honors being presented at this time.

Tomorrow (Thursday), a clinic for adult leaders in Scout work will be held at the Little House, in Clovis. Registration will begin at 11 a. m., Texas time, and local leaders who can do so are urged to attend.

Social Held Monday At Baptist Church

The Junior Royal Ambassadors of the Baptist Church were honored with an ice cream social in the undercroft of the church, Monday evening, at which time awards for advance in rank were made.

Receiving the awards were Robert Tucker, Allen Lockhart, Donnie Harris, Deon Bradshaw, Jerry Pooteet, Jimmie Moss and Dick Lockhart.

Other juniors present were Curritt Hardage, Walter Curd, Jerry Johnson, Glenn Hardage, Bob Stears and Rex Harris. Sponsors of the affair were Rev. E. M. Treadwell and Mrs. John Lockhart.

In Moore Home

Mrs. Jack Smith of Hale Center, Texas, Mr. and Mrs. Fred Smith and Mike Smith, of Houston, were Sunday visitors in the Jim Moore home, Sunday.

Musical Tea Honors Mrs. Gladys Glenn

Mrs. Gladys M. Glenn, president of the West Texas Conservatory of Musical Arts, in Amarillo, was honored with a musical tea, Sunday afternoon, in the home of Mrs. Florence M. Vinyard, local piano instructor.

Pupils of Mrs. Vinyard from Bovina, Friona, Clovis and Texico-Farwell acted as hostesses, with Miss Vera Jones of Friona, Misses Janean Lunsford, Modelle Hammonds and Mary Belle Aldridge, of Farwell, assisting Mrs. Vinyard in receiving the guests and presiding at the serving table.

Bouquets of varied spring flowers were placed about the entertaining rooms, and some 75 guests attended. Miss Ardith Johnson also connected with the Conservatory, was among the guests, and obliged with piano numbers.

High School Students Working On Musical

Junior and senior high school students of the Texico school this week began work on a spring operetta, which they will present in the auditorium of the school on Friday night, May 7th.

The operetta is entitled "An Old Kentucky Garden", and features the familiar and beloved music of Stephen F. Foster.

All members of the cast will be in costume, and the public is promised an unusual music treat.

Donna Stewart Is Birthday Honoree

Mrs. Stanley Stewart entertained her little daughter, Donna, Wednesday with a birthday party.

Cake, ice cream and a drink were served to 18 little guests. Mrs. Stewart was assisted by Mrs. Ed Blain and Mrs. Ross, with Mrs. Lois Spies in charge of the games.

Balloons and suckers were given as party favors to the youngsters.

ACC Honor Student

Tommie Randol Fain, daughter of Mr. and Mrs. Sam Randol of Farwell, has been named as an honor student in Abilene Christian College for the first half of the 1943 spring semester. ACC counts the scholastic top ten per cent of each class as its honor roll.

A sophomore student at ACC, Mrs. Fain is majoring in the field of education.

Attends El Paso Meet

Smokey Gast, president of the Walton League of the Lutheran Church of Clovis, together with a group of Clovis young people, returned home Tuesday from El Paso, where they had attended a gathering of the members of this organization, Sunday. Due to car trouble, they were delayed one day in returning home.

Return From Trip

Mrs. C. A. Cassidy and daughter, Beverly, who have spent the past three weeks vacationing and visiting relatives in Texas and Arkansas, have returned home. They visited in Quitman, and Nashville, Arkansas, and Wichita Falls, Texas.

Visit Friends Here

Mr. and Mrs. Harold Todd, of Los Angeles, visited last week in the homes of Mr. and Mrs. S. C. Hunter, Mr. and Mrs. B. O. Faville, and Mr. and Mrs. Chas. Bieler. The Todds, former local residents, were enroute to Chicago.

Installation Services May 6 for PTA Group

Mrs. Ira S. Levins, president of the Texico Parent Teacher Association, stated today that all members are urged to be on hand at the school, Thursday evening of next week, May 6th, at which time new officers will be installed.

Mrs. F. D. Stout is the incoming president, with Mrs. Barney Harding as vice president and Mrs. Jim Moss as secretary-treasurer.

Preceding the installation services, a picnic supper will be held on the school grounds, beginning at 7:30.

Cole on Honor Role

Hoyt Cole, of Farwell, a student at McMurry college in Abilene, was named on the honor roll for the first half of the spring semester, according to Jerome Vannoy, registrar. The list included 33-students of the approximately 700 enrolled. To be eligible for the honor roll, a student must have an average grade of at least 90 per cent, Vannoy added.

Home From Hot Springs

Mr. and Mrs. Willis Magness returned the first of the week from Hot Springs, N. M., where they enjoyed a short vacation and took the mineral water baths.

Mr. and Mrs. J. E. Stone spent last Sunday in the home of Mr. and Mrs. W. Q. Jacks, at Quitaque, Texas.

Miss Twila Strickland, who is employed in Lubbock, was a weekend guest in the home of her parents, Mr. and Mrs. Ralph Humble.

Mrs. John Hadley, Sr., returned home Saturday from Clayton, N. M., where she had spent several days in the home of her daughter and family.

Miss Maggie Tate, who had been visiting in Amarillo with Mr. and Mrs. John Francis Tate and new baby, returned to her home here last Friday.

Mr. and Mrs. B. N. Graham were in Abilene over the weekend, visiting their son, Howard, enrolled in McMurry College. They also visited with Rev. and Mrs. R. L. Buster, former Methodist pastor at Merkel.

Mr. and Mrs. Willet Smith of Bowie, Texas, were weekend guests of his brother, Nelson C. Smith, of this city.

Miss Gloria Kepley Is Honored at Tea

Miss Gloria Kepley, a Grand officer of the Rainbow for Girls in Texas, was an honored guest at a lovely initiation and friendship tea, given by the Plainview Rainbow Girls on Wednesday evening, April 21st.

Five grand officers were present, including Mrs. Whitfield of Dallas, Supreme Deputy of Rainbow for Texas.

Others from Farwell attending the meeting were Mr. and Mrs. Fred Kepley, Mrs. Mae Porter and Nelson C. Smith.

Mrs. Jesse Hudson Is Honored at Shower

Mrs. Jesse Hudson was honored Saturday with a pink and blue shower in the home of Mrs. Russell Johnson.

Guests included Mrs. John Lockhart, W. T. North, Murray White, Jim Young, Oren Winegart, Mrs. Winegart, Sr., Leona Bailey, Kenneth Jacques, R. L. Houston, G. E. Houston, Jr., Grandma Roberts, M. L. Partin, Jess Richardson, W. J. Goldsmith, Perry Crawley, Denver May and the honoree.

Sending gifts were Mrs. D. J. Brown, Monk, Paul Huber, O. S. Alford, Rip Snodgrass, Ray Means, Jack White, G. C. Houston, Sr., Douglas Landrum, and Roscoe Burris.

COUNTY HOSPITAL NOTES

Patients Admitted: Mrs. T. P. Griffith, Bovina, medical; Mrs. J. E. Bingham, Bovina, medical; Mrs. A. H. Wilson, Muleshoe, medical; Mrs. Glen Williams, Friona, medical; Mrs. Wilburn McLan, Bovina, accident; Fred Dennis, Friona, medical; Lee H. Sudderth, Farwell, accident; Bobby Bolton, Farwell, medical; Mrs. G. W. Horton, Farwell, medical; A. H. Hill, Friona, accident.

Patients Dismissed: Cliff Deeds, Vddeen Weis, Janet Gooch, Mrs. B. V. Clary, Mrs. T. P. Griffith, Mrs. A. H. Wilson.

Junior Harding, student at ENMC Portales, and Warren G. and Hershel Harding, Texas Tech students, were home over the weekend visiting their parents, Mr. and Mrs. N. L. Harding.

Rupert Paul of Carthage, Mo., is here attending business matters this week.

Colorado Points Are Listed For Outing

Colorado Springs, Pike's Peak and Denver are listed as the highlights of the coming junior-senior spring outing by the Texico classes, Mrs. Jimmie Allman, sponsor of the juniors, said this week.

The group plans to leave here on May 14th, with the return date set for May 21st. Arrangements for transportation had not been completed this week.

Mr. and Mrs. Fred Barker, of Friona, visited friends here, Sunday.

Mr. and Mrs. Howard Banks, of Shasta, Calif., visited in the J. E. Stone home here this week.

Mr. and Mrs. H. H. Allred, of Borger, were weekend visitors with relatives in Texico.

Mr. and Mrs. Charles Bell, of Clovis, visited in the home of her parents, Mr. and Mrs. Allred, in Texico.

Mr. and Mrs. Jim Cleve Dixon, of Lubbock, were weekend visitors in the home of his mother, Mrs. Ruby Dixon, in Farwell.

Jimmy Temple, of Albuquerque, spent the weekend here with his grandmother, Mrs. J. C. Temple.

Mr. and Mrs. Gabe Anderson, Jr., and son, David, were in Lubbock the past Saturday.

Mr. and Mrs. C. E. Pendergrass have returned home from California, where they had spent two weeks visiting relatives.

Henry Jacks has gone to Diamond Okla., where he is employed with a construction gang.

Mrs. Anne Overstreet and J. D. Hamlin were business visitors in Muleshoe, the last of the week.

CARD OF THANKS

We sincerely express our thankfulness to our many friends and relatives during our hours of sorrow for our dearly beloved son and brother, Mansel. For the comforting words, abundance of food, and many beautiful flowers. May God bless each and every one.

Mr. and Mrs. T. T. Doolittle and family, Mr. and Mrs. H. A. Tucker and family.

EXPRESS APPRECIATION

The juniors and seniors of Oklahoma Lane take this means of expressing their appreciation to Ben Smart, of the Furniture Mart, in Texico, for the loan of furniture used on the stage at the class play.

Seniors Plan Visit To Texas Points

Members of the Bovina senior class have planned a trip to various points in Texas for their graduation outing, Supt. W. O. Cherry said this week.

Present plans are for the group to leave Bovina on the morning of May 15th, returning on May 21st, with stops slated at San Antonio, Corpus Christi and Austin.

Mrs. Otie Ellison is sponsor of the group. Other adults making the trip will be Mr. and Mrs. Odus White and Vernon Ward, who will drive the bus.

Excessive tidiness is said to indicate a mild form of insanity for which most newspapermen are happily immune.

Mrs. W. L. Venable was hostess, Wednesday evening, to several couples. Mrs. Clarence Day, of Friona, gave a demonstration of aluminum ware and salad master products. Attending were Mr. and Mrs. Elton Venable, Mr. and Mrs. Cash Richards, and Mr. and Mrs. George Trimble.

Howdy, Folks: Everybody has a good story about Johnny and the school teacher. Let's look this one over.

Freddy took a long time to show his report card. "Maybe I'd better explain it," he said. "A stands for excellent, B is for good, C is fair, and D is what I got."

Seriously, though, it is no joke when we tell you that good care makes cars last years and miles longer. And, here we make a habit of really taking care of your cars. Bring them in to us for prompt, efficient checkups regularly, and you'll get dividends in extra miles of driving.

True Stories of West Texans

(By N. H. KINCAID)

AN INCIDENT AT DOAN'S STORE, 1878

A look of shocked surprise flooded Lide Doan's face as she glimpsed their fast disappearing horses. They were being driven by an Indian rider and as she realized the significance of this, her lips loosened in fear.

This was in the spring of 1878 and the Indians' located just across the Red River on their Comanche-Kiowa reservation, were evidently on the prowl again. And with the horses gone, she knew herself and the children to be completely at the Indian's mercy.

The children! Quickly Lide hurried toward the creek where she had sent them to gather wood and cow-chips for her baking. Her husband, Corwin Doan, was away for the day, hunting; there had been no previous hint of Indian trouble.

As Lide barricaded her little group within the house and made preparations for a long, grueling day, her mind was nimbly trying to ferret out every possible explanation for the Indian's behavior. She knew that they had long ago accepted the Doans as trusted friends; nor had this trust been violated.

"Perhaps Corwin banked too heavily on this understanding," she decided, "and forgot that they were Indians—and Plains Indians at that." When Corwin returned around sundown, he decided that their only chance of survival lay in strategy. The attack must not take place.

The evening's chores were plied as usual save that an extra amount of fuel was gathered. Soon reathes of smoke rose high as if in welcome to expected guests. Buffalo hunters were known to be in that vicinity, and a visit from them would not be at all unusual. And to an Indian, a buffalo hunter, with his deadly marksmanship and long range 50 caliber gun, was a person to be avoided. And so Corwin and Lide remembered the disappearing horses and act on their premonitions rather than the past friendship of the Indians. They prepared for imaginary company with a lusty zest.

But as soon as the night had settled, the five Doans left the house to carry on its pretence alone while they crept stealthily to a grove of trees growing on the river's bank half a mile away.

At daybreak, they trudged sleepily back to the house, ashamed of their suspicions of those who had always been friendly to them.

But at noon a scouting party of soldiers arrived with their stolen horses, and a bit of news. The In-

dians had been captured but not in time to prevent several atrocities. Two boys from down state had been attacked in camp, one killed outright and the other scalped and left to die.

Lide recalled them; they had spent the night with them, two days before. Jauntily they had ridden away, flaunting their new stetsons and thrilled with adventure.

"The Indians mentioned that you had company last night; some buffalo hunters," the soldiers casually remarked. Quickly Lide and Corwin glanced at each other and each read the other's thoughts; their premonitions had been correct after all, and only thus had they been spared.

CO-OP PRESENTS A GREAT NEW OIL

This great new oil that is big news to oil users is the new Furfural Solvent Refined oil... it is available in two types: CO-OP PREMIUM and CO-OP HEAVY-DUTY.

Furfural is an amazing new filter, now being used in the Co-Op refinery to purge oil of Naphthenes—those elements in ordinary oils that cause sludge and carbon to form in your motor.

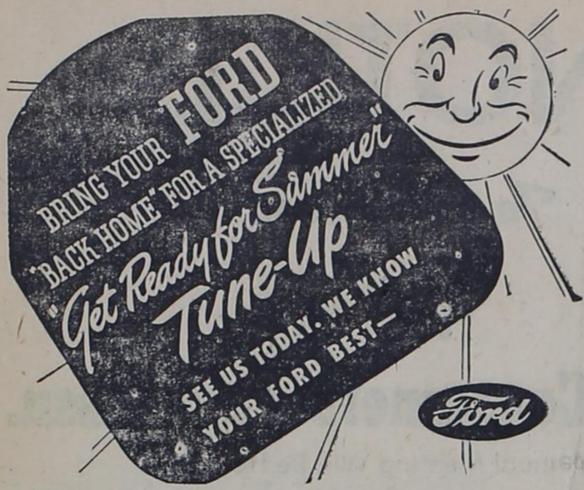

That's why the Co-Op Solvent Refined Oil is big news for your engine. It means the virtual elimination of motor-wearing carbon and sludge. It means instant lubrication on starting. It is the oil that will retain full 'oiliness' under greatest heat and flow freely even in coldest weather.

You'll like the great new Co-Op Solvent Refined Oil... your engine will like it too! Buy it at your local Co-Op.

Furfural is made of oat hulls, rice hulls, cottonseed hulls, corn-cobs, and other farm by-products. It cleanses oil of impurities that refiners have sought for years to get rid of, the impurities that cause sludge and carbon to form.

Texico Tracksters To District Meet, May 1

Tracksters representing the Texico school will make their appearance at Portales, on Saturday of this week, participating in the annual District 6 track and field meet, sponsored by Eastern New Mexico College.

Entrants in every event are expected from the local boys, Coach C. E. Sanders said Tuesday, adding that he was looking forward to trying out young Tucker (who was second high individual, by one point, in the junior division at the Curry county meet Saturday) against other district competition.

First, second and third place winners at the district will be qualified to attend the annual state competition, held in Albuquerque.

Curry Track Meet Held In Clovis, Saturday

The annual events of the Curry county track and field meet were held, amid wind and sand, on the Clovis track, Saturday, when the Clovis seniors and the Melrose juniors outranked all competition to take the divisional crowns.

Leading the seniors, the Wildcats ran up a total of 87 1-5 points, and the Pleasant Hill Indians were second, with 54 1-5. The Melrose Buffs rated third with 41 1-5, while the Texico Wolverines were fourth, taking 19. Field was fifth with 14. Rose-dale sixth with 6 1-5, Grady seventh with 4, and Ranchvale in the final slot with only 1-5.

The Melrose juniors took a long lead for championship honors, scoring 75.8 points to 41.4 for the Clo-

vis Kittens, in second place. Other team placements in the junior division went to Texico, with 38 1/4 for third; Grady, 14 1/4, fourth; Pleasant Hill, 12 2-5, fifth; Field, 9 1/2, sixth; Ranchvale, 7 2-5, seventh; and Rose-dale, 6, eighth.

Pleasant Hill boasted the high scoring senior, with R. Porter taking 23, while his running mate, Horton, placed second with 18. Griggs of Clovis and Baldock, of Texico, tied for third high honors in the senior class with 16 each.

Little Tucker, of the Texico juniors, was nosed out by one point for high individual, by Barlow of Melrose, who took 32 to Tucker's 31. Tucker took firsts in the 220, 440 low hurdles, and broad jump, with third in javelin.

The Texico squad, which had looked good earlier, was barely represented, due to the accident and death of Mansell Doolittle, one of the stars of the team. The boys took part only in the earlier events of the day, attending the funeral of young Doolittle in the afternoon.

Placements for the local school included:

Senior Division
 440-yard dash—Blain, fifth.
 Low hurdles—Blain, fifth.
 Vault—Baldock, fourth.
 Javelin—May, fifth.
 Shot put—Baldock, 1st distance, 37 feet.
 Discus—Baldock, 1st; distance, 124 feet.
 Broad jump—Blain, fifth.
Junior Division
 220-yard dash—Tucker, first, time, 26 seconds.
 440-yard dash—Tucker, first, time, 58 seconds.
 Low hurdles—Tucker, first; time, 16.9 seconds.

Discus—Gant third.
 Javelin—Tucker, third.
 Vault—Breeze tied for fifth with Jones of Grady, Widener and Tice of Melrose.

Broad jump—Tucker, first; distance, 19 feet.

Relay—Texico, fourth.
 Individual medals were given to winners, in addition to team trophies.

Date Changed For Patrolman Visits

Parmer County residents who are required to take tests for drivers' licenses are advised this week that the date on which a visiting patrolman will be in Farwell has been changed, with the next regularly scheduled day being May 13th.

In the past, the patrolman has been here on Wednesday to take care of license applicants but after May 1st the regular days will be the second and fourth Tuesdays of each month. As is customary, the patrolman will be found at the courthouse in Farwell.

FIRE FLARES CAR

When Ed Muckelroy stepped on the starter of his car, Sunday night, in preparation to going home after a visit at the E. F. Lokey home, a flame burst forth underneath the hood of his machine. The fire department was called, but a hand extinguisher had the fire out when the truck arrived. The machine was only slightly damaged.

Few traffic jams are caused by people rushing to buy things they see advertised on billboards.
