

## FIRST PLACE WINNER AT TRI-STATE FAIR

Bobby Gene Calaway and Agent Ollie Liner pose with the Chester White boar which won first place in its division at the Sears part of the Tri-State Fair in Amarillo. Calaway's boar had previously taken grand champion honors at the recent Parmer County Fair, held in Friona.

## Parmer Ranks High at Tri-State Fair

### October Term District Court, Monday

### Special Polio Fund Response Is Slight

The Emergency Polio Fund Drive, launched throughout the nation during the month of September to care for the unprecedented number of polio victims all over the country amounted to \$323.48 in Parmer County.

These figures were released today by Loyde Brewer, infantile paralysis chairman of Parmer County.

In announcing the figures, Brewer said that he was only able to account for contributions collected at Friona and Bovina, where the funds were collected and turned over to him by the respective postmasters.

So far as Brewer has been advised, no other collections were made except in Farwell, where all contributions were sent direct to Dallas without an accounting before they were forwarded. Attached at the Farwell postoffice explained that contributions were forwarded to Dallas in the original envelopes, "and we have no way of knowing the amount".

Contributions from Friona amounted to \$184.48, while Bovina contributors chipped in \$139.00.

Some disappointment was expressed here in the amount of money raised in this county, since Parmer has received far more from the National Foundation than has been contributed locally.

### "Texico" Joins Circus To Tour Nation

"Texico", a 6-month-old midget Shetland, joined up with the Stephens Brothers Circus here last Sunday afternoon and began the first leg of his journey to tour the nation with the circus.

The small Shetland, raised by Ralph Palmateer on his ranch north of here, was the property of Miss Alice Fay Palmateer and had attracted widespread interest everywhere he has been shown.

The little animal stood a full 28 inches in height and weighed a total of 62 pounds at the time he was delivered to the circus for a cash consideration of \$250.

### Four Hurt When Cars Meet At Crossing

Four persons were hurt, none of them seriously, when the cars in which they were traveling collided at a street intersection two blocks east of the Farwell school grounds, Tuesday afternoon.

Mr. and Mrs. Calvin Blain, Therman Utsman, father of Mrs. Blain, all suffered lacerations and bruises when the vehicle was struck by another machine driven by J. H. Ford. Ford escaped with slight injuries about the legs and was removed to his home after the accident. The Blain baby, 3-year-old Gary, escaped without being scratched.

Mr. and Mrs. Blain and Mr. Utsman were picked up by a Steed ambulance and taken to a Clovis hospital. All three suffered bruises about the head, chest and arms, none considered of a serious nature.

The accident happened when the Utsman car, being driven by Blain, and traveling north, met the Ford machine, occupied only by Mr. Ford, approaching from the west, at the street crossing.

### County Farm Bureau Plans Get-Together

Members of the Parmer County Farm Bureau and their guests are laying plans for a big get-together, to be held in the grade school auditorium at Friona on Friday, Oct. 21. President Fred Bolton announced today.

Hillbilly musical numbers will get the program underway at 7:30 p. m. to be followed by a free movie, starring MGM's Alan Ladd.

Bill Tilson of Meadow, district director of the Farm Bureau, will be the guest speaker.

At the conclusion of the program, \$50 in cash prizes will be given away. All members of the Farm Bureau are urged to attend and bring a guest.

### FROM HERE AND THERE

Students from Iran, Syria, India, Persia and China are now attending Texas Tech college at Lubbock.

## Question of Poll Tax Payments Perplexing

### FROM THE HOPPER

By HOP

Jack Williams was showing an admiring visitor around his new home, now under construction. "We haven't overlooked a thing," said Jack, pointing to a nearby fireplug, "even the dog."

Two of the proposed amendments to be voted on by the people of Texas on November 8, are meeting with widespread opposition all over the state. One would provide for annual sessions of the state legislature with increased pay to the legislators, while another would put women on grand and petit juries in Texas. Regarding the one to have annual sessions of the legislature, it is our opinion that we already have too many laws, and the voters should scratch this proposal. To put women on juries in Texas would mean that additional facilities and deputies would have to be provided in every county in the state to accommodate the female jurors. We are not opposed to the fair sex on the jury, but for every county in the state to be required to go to the extra expense of caring for them while on jury service is not sound policy. This amendment was forced on the ballot by small, noisy pressure groups and should be defeated.

Homer Martin of Bovina is understood to have stolen the march on his friends at Bovina by quietly stealing away to Amarillo last Friday and marrying a widow whom he formerly knew in his childhood. Homer was so careful to keep this a secret that he would not get his license until after the paper was out last week and then entrusted this mission to Willie Williams.

### Young Boy Declared Delinquent Minor

Kibby Jackson Bolin, 15-year-old son of Mr. and Mrs. Lee Bolin of the Hub community, was declared a juvenile delinquent in county court here last Saturday, and was paroled to the custody of his parents and the county sheriff.

County Judge A. D. Smith, in finding the lad guilty of delinquency, further ordered that "he not drive a car for a period of six months; that he report to the sheriff once a month, and that he enter school within a reasonable time".

It was a car driven by young Bolin that crashed into the machine of Mr. and Mrs. Eugene Ezell on Sept. 12, on Highway 86, east of Bovina killing Grady Mitchell, 54, of Bovina and injuring Mr. and Mrs. Ezell, as well as himself.

Nathan Green was an American general in the Revolutionary

Should Parmer County tax payers pay their 1949 poll taxes now, with a proposed constitutional amendment abolishing the poll tax in Texas being submitted to the voters on November 8th?

That is a question that is being frequently asked at the tax collector's office here as taxpayers appear to pay their 1949 assessments.

And, unfortunately at this time, attaches at the collector's office have no authentic information to offer on the subject.

Taxpayers are already beginning to turn in their 1949 assessments in order to take advantage of the 3% discount allowed on state and county taxes during the month of October and clerks at the collector's office are issuing poll tax receipts only when requested.

"With the poll tax question hanging in the balance as it is at present, we are not advising patrons either way," Mrs. Bess Mansfield stated. State officials have advised the local office to collect the poll taxes when the taxpayers desired to pay it, for fear that the proposed amendment might not be adopted at the polls, which would mean that the voter minus a poll tax receipt would be disqualified in all 1950 elections.

County Judge A. D. Smith pointed out that even if the poll tax is abolished in the forthcoming election legislative action would still be necessary to make the amendment effective "... and nobody can predict what a legislature is going to do."

Officials here were inclined to believe that the voters would be taking a safe course by paying the poll tax rather than to take the chance of being disfranchised during 1950. Whether or not a refund will be in order should the present requirement be abolished, nobody seemed to have the answer.

One official suggested that the voters could defer paying polls until after the special election on Nov. 8. "They would still have plenty of time to make these payments," he added, saying that such payments may be made any time prior to February 1, 1950.

### ADJUDGED UNSOUND

Freida Gollmeir was adjudged of unsound mind in county court here Tuesday, and was ordered committed to a state institution. Sheriff Chas. Lovelace left here that afternoon to take her to Wichita Falls, officials revealed.

### BROTHER IS OPERATED

Percy Jones of Portales, brother of Supt. Agrie Jones of the Texico school, underwent major surgery in a Clovis hospital on Tuesday morning of this week. Supt. Jones was absent from school to be at the hospital during the morning. Reports today were that Jones' condition was favorable.

### Re-Burial Services For Sgt. Williams Sunday Afternoon

Re-burial services for Sgt. Harry O. Williams, son of Mr. and Mrs. Abe Williams, former Texico residents, will be held at the Charles V. Steed Memorial Chapel in Clovis, Sunday afternoon at 2 p. m., New Mexico time.

Sgt. Williams' body arrived in Clovis Wednesday morning from the west coast, where it had been carried by boat from the Philippine Islands.

Rev. Virgil Hunton, pastor of the Calvary Baptist Church of Clovis, will conduct the permanent rites and members of the Justice-Williams American Legion Post of this city will attend in a body. Burial will take place in the Garden of Memories, Clovis.

Sgt. Williams, a member of the 200th Antiaircraft Battalion, made up principally of Clovis and Portales young men, was among the first World War II He was taken prisoner in the fall of Corregidor, and died in a Jap prison camp on June 13, 1943. His parents were advised of his death on June 21.

Sgt. Williams shared honors with Dense Justice when the local American Legion Post was named in memory of the two.

### Special Red Cross Meeting Called

Mrs. Waunita Hutchenson, field representative of the American Red Cross, was here the first of the week and has asked for a special meeting of the members of the Parmer County Chapter to be held at Bovina on Thursday, October 27th.

The meeting will be staged in the American Legion Hall, and all officials of the Chapter are urged to be present. All residents of the county who have contributed \$1.00 or more to the Red Cross during the year are also invited to be present, and will be allowed to vote on any matters coming up for consideration, Mrs. Hutchenson said.

The meeting is called for 7:30 p. m. Mrs. Hutchenson said that the Parmer County Chapter has not been functioning with highest efficiency during the past several months and it is hoped that the Chapter could be revived again.

### GRANDMOTHER PASSES

Mrs. Lizzie Wall, 83, grandmother of C. R. Williams of this city, passed away at her home in Amarillo last Saturday morning, October 1. Burial took place at Amarillo on Monday.

Not satisfied with putting on a top-quality show of their own and then taking honors at the Lubbock exhibit, Parmer County exhibitors are doing themselves proud at the Tri-State Fair in Amarillo this week according to judging results received here up to this (Wednesday) morning.

All three of the Parmer County FFA chapters which entered booths at the Amarillo showing were "in the money" at the windup of judging on Monday afternoon, Instructor Robert Morton, of the Farwell department, said on his return.

Out of a total of 17 booths entered the displays arranged by Friona, Tulsa and Shamrock were classified as tops, with each receiving a cash prize of \$50. Built around a model farm with real water used to emphasize the point, the Friona booth listed the advantages of two types of irrigating, sprinkling and ditch method. Heading the Friona chapter is J. T. Gee.

The Farwell and Bovina booths both placed in the second group ratings, with each winning prizes of \$45.

Farwell's display worked out a balanced arrangement of crops and livestock, while the Bovina exhibit was the same one shown at the county fair in Friona, concerning the "Punkin-Head Farmer", which drew considerable comment locally.

Three winners were chalked up by Parmer County clubbers in the district Sears swine judging, County Agent Liner reports.

Bobby Gene Calaway of Bovina, took first place in his division of the show with the Chester White boar allocated Parmer county by Sears; Donnie Carpenter, of Farwell, was third with his gilt, and Max Crim, of Lazbuddy, also placed third with his pen of three.

Calaway drew a cash award of \$50 for his placement, Carpenter and Crim each received \$40 for their entries.

Crim also checked up a second and third place rating with his entries in the narrow class of the junior livestock show.

Kenneth Lowrie, of Bovina, rated fourth and fifth places with entries in the heavy-weight Poland China barrows; and James Tidenberg, of Bovina, won second with a light-weight Spotted Poland China barrow.

Parmer County crops and vegetables, most of which were exhibited in the county booth, won a number of ribbons, the listing following:

- Red milo: Parmer county, 4th.
- Hegari: Parmer, 1st and 2nd.
- Yellow dent corn: Parmer, 1st and 2nd.
- Oats: Parmer, 1st.
- Barley: Parmer, 2nd.
- Hegari: Parmer, 1st.
- Alfalfa: Parmer, 4th.
- Sweet clover: Parmer, 2nd.
- Rye bundle: Parmer, 1st.
- Barley bundle: Parmer, 2nd.
- Red top sorghum forage: Parmer, 1st.
- Alfalfa forage: Parmer, 1st.
- Sudan grass forage: Parmer, 1st.
- Sudan grass and forage: Parmer, 3rd.
- Alfalfa bale: Parmer, 1st and 4th.
- Dry lima beans: Parmer, 1st and 2nd.
- Dry beans, any variety: Parmer, 2nd.
- Dry blackeyed peas: Parmer, 3rd.
- Summer squash: Donnie Carpenter, 4th.
- Winter squash: Parmer, 1st and 2nd.
- Pumpkin: Parmer, 2nd.

### Champ Porter Taken To Hospital, Sat.

Champ Porter, junior member of the firm of Porter Brothers, operators of the State Line Grocery & Market in Farwell, was stricken with a stomach ailment last Saturday and removed to the Memorial Hospital in Clovis, where he is under treatment.

Porter is reported to have stomach ulcers and major surgery is being considered. He suffered a similar attack several months ago while vacationing at Ruidoso, and was rushed to a Roswell hospital for treatment.

Montpelier is the capital of Vermont.

## Tough Conference Game Prospect

### SHOWING IMPROVEMENT

Mrs. J. T. Mayfield, 21-year-old farm woman of the Lazbuddy community, who was stricken with poliomyelitis some weeks ago, is showing improvement at the Hendricks Memorial Hospital in Abilene. A letter from her husband states she is "improving, but still is paralyzed in her right leg".

Doctors at the hospital fear that it will be many months before she recovers, due to the fact that she is an expectant mother.

### DR. McNEFF MOVES OFFICE

Dr. Mary Leone McNeff, local osteopath, who has occupied quarters next door to the Farwell postoffice, has moved her office to the rear of the Security State Bank, where she has room to accommodate her patients.

What may well be the toughest of the conference matches for the Farwell Steers in 1949 football play will come off at Dimmitt on Friday night of this week, October 7th, when the highly-touted Dimmitt squad will be hosts to the locals.

Coach Louis Purvis on Monday reported that, insofar as he knew, Dimmitt carried a perfect record in 3-B this year, while the Steers took their initial conference defeat, a heart-breaking 7-0, at the hands of the Hale Center Owls last Friday.

It is quite probable that the locals will be handicapped by injuries, the coach admitted ruefully. Jerry Pool, speedy backfield man who consistently chalks up yardage in his gallops, received a bruised kidney in the Hale Center game, and Purvis will insist on a doctor's okay on Friday before allowing Pool in the lineup. Don Ford, end, who got an injured leg in the recent Friona game, may also be "in and out" of action.

If the Steers can get by Dimmitt, they will have a slight breather before meeting another tough opponent. The October 14 game will see Spade in action here against the locals, and indications at present are that Spade is one of the weaker teams in the district. Olton and Springlake, both of whom are on down the schedule, are rated among the 3-B powerhouses.

### POOL OUT OF GAME

Despite word that Jerry Pool would be out of the Steer backfield on Friday night was given Tuesday evening by Dr. Paul Spring, of Friona. Dr. Spring emphasized that Pool was not seriously injured, but added that he would be confined to the Friona hospital for a few days until his condition cleared up. Coach Louis Purvis said on Wednesday morning that Raney would be moved up from the junior team to the varsity, and some other changes will likely be made in the Steer lineup.

**Health Note**

Texas State Department of Health

AUSTIN—Scarlet fever is one of the most disabling and dangerous diseases usually associated with childhood, although actually it is confined to no age limit, according to Dr. Geo. W. Cox, State Health Officer. While only six cases were reported in the state during the week ending September 24, it brought the year's total to 911 cases.

The doctor described scarlet fever as an acute infectious disease, the onset of which is sudden. The first symptoms including sore throat, vomiting, fever and headache, may appear in three to five days after exposure. These are followed by the distinctive red rash which gives this disease its name, Dr. Cox stated.

Complications may cause prolonged disability or death. Children suffering with scarlet fever may develop sinusitis and middle-ear infections which can lead to mastoiditis. As the germs spread through the child's system, the joints, kidneys and heart may become involved, causing life-long invalidism or crippling.

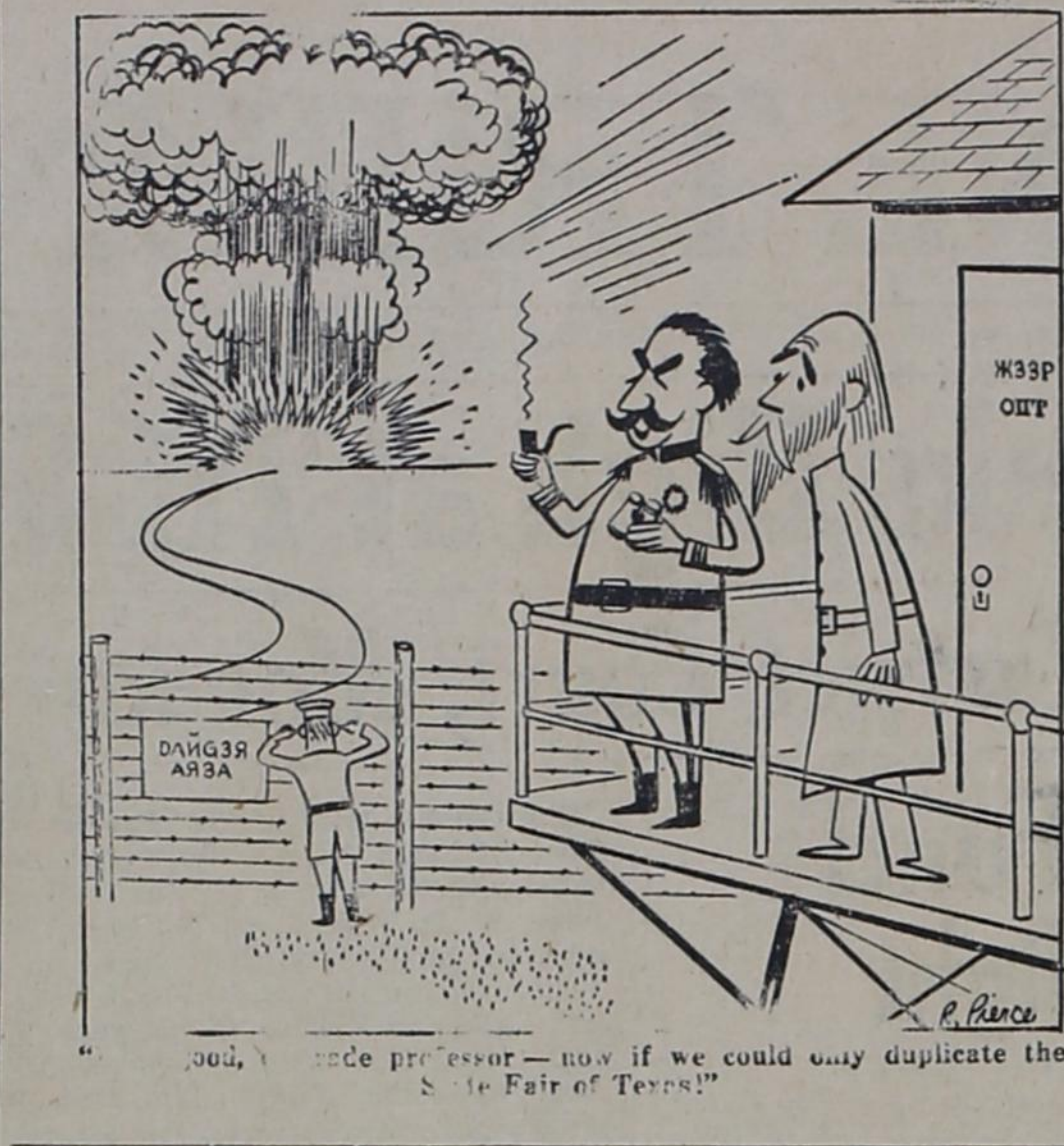

"A child with any kind of sore throat should be seen by the family physician promptly," Dr. Cox asserted. "If scarlet fever is present, the treatment recommended will do much to alleviate discomfort and reduce the possibility of serious complications."

Dr. Cox stated that children under ten years of age are most susceptible and that those persons who fail to contract scarlet fever until grown stand an excellent chance of never having the disease.

**Rid The Farm Of Rats Before Storing Grain**

COLLEGE STATION—Most farms could use the services of the "Pied Piper" for a few minutes at least but since this is hardly possible, you had better make plans to collect a few rat scalps on your own. The best time to get rid of the rats is before the barns and bins are filled with this year's grain crops, says James E. Poore, mammal control supervisor of the U. S. Fish & Wildlife Service.

He says that clean-up work removes hiding places and tends to concentrate scattered rat populations so that they can be poisoned easier. Pile posts and lumber on supports at least two feet above the ground. Scrap lumber not worth saving and other junk should be destroyed or removed from the premises. Stack bottoms, other feed waste and manure piles should be scattered in the

field so they will not give rats a good hiding place. Tall weeds also make fine rat hideouts if left standing, says Poore.

Clean up, poison and then rat-proof farm buildings, is Poore's advice. Farm buildings in a good state of repair aren't likely to be infested with rats. Check to see that walls are tight, and foundations and floors are in good shape.

A strip of galvanized metal, three feet high, placed around the building will keep rats out, says Poore, provided they can't get in through the floor. If you are building a new granary, set it on piers at least two feet above the ground, and then construct it so rats can't get in. The greatest damage from rats is not the grain they eat but the amount they waste. Both losses can be prevented by getting rid of the rats and rat-proofing all farm buildings, says Poore.

**Grow Your Nitrogen For Fertilizer**

COLLEGE STATION—The most expensive element in the fertilizer bag is nitrogen, and Texas farmers last year spent five million dollars for nitrogen fertilizers. This bill will probably increase yearly unless more soil-building work is done on the land, and that means higher production costs, says C. H. Bates, extension farm management specialist at A. & M.

Farmers should be interested in cutting costs and Bates says it is possible to save a lot of the money that is now being spent for nitrogen fertilizers by growing it. He says, grow fall or spring seeded legumes such as vetches, winter peas or clovers and let them convert the unlimited free nitrogen in the air to usable plant food. It is necessary to supply these crops with the low cost phosphate needed to produce more growth and bigger yields from the crops to be planted after legumes are turned under. Legume seed should be inoculated with the right

kind of inoculant before planted, he adds.

Growing your own nitrogen for next year's crops is where the profit comes in. You not only get the fertility element placed in the soil in usable form, but the organic matter helps to hold the rain that falls on the land and permits deeper moisture penetration. The fertilizer freight bill and cost of distribution also cut down.

According to Bates, an acre of rye and hairy vetch can be seeded for about seven or eight dollars, excluding the cost of phosphate. The crops should produce four to five tons of green material and should contain around 75 pounds of nitrogen. The same amount of nitrogen—supplied in commercial form—usually costs from \$9 to \$15 depending on the source material. That means, says Bates, a saving of \$2 to \$8 in favor of growing your own and the grazing is thrown in as an extra. It is worth money, too.

The cost of seed for Madrid and Hubam sweet clover, recommended on heavy soils, will increase the seeding expense for these crops, but on the positive side, these clovers definitely decrease cotton root rot. The cotton grower gets a double profit—one from the nitrogen added and another from a decrease in the amount of "dead cotton" in the field next year.

Dollars saved will look mighty good on the profit side of the ledger next year. Legumes seeded now with phosphate and inoculated will start your nitrogen factory to work—the profits and pay-off will come later.

**RAILROAD FACTS**

Railroads move daily ten tons of freight one mile for every man, woman and child in the United States.

Approximately 1,200 freight and passenger trains start their runs from all over the United States every hour of the day and night.

Passenger trains on railroads of the United States perform a transportation service each hour of the day and night equivalent to moving the entire population of a city of 4,100,000 inhabitants for a distance of one mile—"Interesting Facts About Railroads", Association of American Railroads.

**October 14-15 Will Be Tech Homecoming**

LUBBOCK—More than 8,000 former students of Texas Technological college are expected to make their annual pilgrimage to the campus, October 14-15, for a homecoming celebration that includes a football game, parade, dance, luncheon and business meeting.

D. M. McElroy, secretary of the Ex-Students' association, said registration begins at 5 p. m. October 14. A pep rally is scheduled for 7:30 at the Tech gym.

On Saturday, open houses and coffee hours held by many organizations will honor returning alumni from 8 to 10 a. m. The annual homecoming parade begins at 10 a. m. in downtown Lubbock.

Following a noon luncheon in the Tech gym, the weekend's highlight comes with the Baylor-Tech football game at 2:30 p. m. in Jones Stadium. The homecoming dance in the Tech gym, scheduled for 9-12 p. m., will end the festivities.

The Ex-Students' Council will hold two business meetings prior to the football game and elect officers. The list of nominees includes Ed McCullough, '32, Midland, and Wayne Sellers, '38, Fort Worth, for the presidency.

Cookie Faces

Plump, spicy molasses cookies with raisin faces are popular dessert for children's parties, as well as a good after-school snack.

Children love to raid a cookie jar, and how delighted they'll be to discover chewy molasses cookies with raisin faces. These cookies make homey desserts, good with smooth green apple sauce or other fruit sauces.

Both molasses and enriched flour are good sources of food iron, so cookie faces are nutritious sweets.

The cookie faces in the picture are made with raisins. Currants, gum drops, and bits of citron or candied orange peel may also be used. Tuck a few of these easily made drop cookies into the lunchbox for their rich full flavor. These cookies are packable for shipping and keep remarkably well.

COOKIE FACES

- 2 1/2 cups sifted enriched flour
- 1 teaspoon soda
- 1/2 teaspoon salt
- 1/2 teaspoon ginger
- 1/2 teaspoon cinnamon
- 1/2 cup shortening
- 1 cup brown sugar
- 1 teaspoon vinegar
- 1/2 cup molasses
- 1/2 cup sour milk

Raisins and currants for faces.

Sift together flour, soda, salt and spices. Cream together shortening and sugar until light and fluffy. Combine vinegar, molasses and sour milk. Add flour mixture to creamed mixture alternately with

liquid. Drop by teaspoonfuls on greased cookie sheet. Use currants or raisins for "faces." Bake in moderate oven (350 degrees F.) 10 to 15 minutes. Makes about six dozen small cookies.

1-3 to 1/2 must be left for maintenance of the plant and litter each year says Walker, and that left is insurance for the future.

Suds Not Guide To best Washings

COLLEGE STATION — White foamy suds are usually accepted as the sign that soap or a detergent is doing a good job of cleaning.

But it isn't always true, research shows. Foam is an attractive and pleasant indication that a detergent is in the washing solution, but it is not the guide to its cleaning effectiveness.

Mrs. Florence Low, extension specialist in home management of A. & M., says that research recently made at the New York State Experiment Station by G. J. Hucker, indicated that suds don't clean. Washing tests showed that some of the suds-less solutions removed soil in dish-washing better than others with plenty of foam.

The cleaning ability of any detergent depends largely on two things: first, how well it dissolves soil and, second, on how much it aids water in getting the soiled articles wet so that the dirt can be carried away quickly and thoroughly. Water alone, the specialist points out, cannot wet material as well as water containing soap or other detergents.

The amount of soapsuds in the dish pan or wash tub has long been used as a rough guide to indicate whether the water contained enough soap for efficient washing. But what holds true for soap does not hold true for all detergents.

The report adds that the synthetic detergents simply remove soil and cannot be counted on as a sanitizer.

ADDED TO FACULTY

AUSTIN—Dr. Benjamin Fruchter, an authority on statistical techniques for investigation the nature of human abilities, has been added to the University of Texas faculty, teaching courses in the Department of Educational Psychology.

These College of Education studies are designed to train students to do research in educational and psychological problems.

During World War II, Dr. Fruchter conducted special research to establish tests that selected pilots for special Air Force work. Later, he worked for the West Coast branch of the American Institute of Research, making studies of the causes of aircraft crashes and devising tests for the selection of airline pilots.

Freshmen Are Helped To Feel At Home

CANYON—"Make the freshmen feel at home away from home," is a motto of the West Texas State College faculty. The instructors have organized a program by which they can help the new students over the rough spots of beginning their stay on the college campus. All underclass men are required to attend a series of six lectures delivered by faculty members on such topics as

"Study", "Social Manners" and "How to Take Notes".

Following the democratic tradition at WTSC, all freshmen students are given the best possible opportunity to get acquainted with the faculty and at the same time get the maximum benefit from the association with the faculty advisors. Each freshman student is assigned to a faculty counselor whose responsibility it is to help the student in any way possible.

Dr. A. Kirk Knott is in charge of all freshman orientation.

Winter wear is the worst bait-snatcher. It can strip your car of plenty of service...

Unless you OIL-PLATE it!

1. Oil-Plating—a feature of patented Conoco N<sup>th</sup> Motor Oil—performs a wear-preventing miracle by fastening a shield of special lubricant to working parts. OIL-PLATING can't all drain down—even overnight!

2. Always on Guard! Even when the fine lubricating oil itself isn't covering a part, OIL-PLATING is! It protects your engine against grinding "dry-friction" starts... from corrosive combustion acids... from sludge and carbon caused by wear.

3. Watch Out for Winter! The frigid months are the most dangerous months for these car-killers. New and older cars both urgently need Conoco N<sup>th</sup>. Don't wait... drive yours in today and armor it against winter with Conoco N<sup>th</sup>.

See Your Conoco Mileage Merchant, NOW!

**GOOD WHEAT LAND**

**New Marriage Law Goes Into Effect**

Effective today, new requirements for securing a marriage license in Texas have been added by law, it was reported by County Clerk Loyde Brewer.

It is now necessary that both parties seeking a marriage license furnish the clerk's office with blood test data before such license can be issued—and the tests must be made at state-approved laboratories.

Applicants are reminded that they should pick up forms to be filled out by the doctors at the clerk's office, have them executed and then return the papers to the office when a license will be issued.

Laboratories currently approved in this area include:

Amarillo City Health Department Laboratory, approved for Kline exclusion, Kahn and Kolmer; Littlefield Hospital and Clinic Laboratory, approved for Kahn and Kolmer; City County Dept. of Public Health Laboratory, Lubbock, approved for Kline Exclusion, Kahn and Kolmer; Green Hospital and Clinic Laboratory, Muleshoe, approved for Kahn.

**Potash Firm Donates Cash To Camp Fund**

The United States Potash Company of Carlsbad, last week donated \$5,000 to the Boy Scout Eastern New Mexico area council for its Scout camp fund, Howard Brawn, Scout executive for the Eastern New Mexico area, announced Saturday. Resident Mgr. H. H. Bruhn presented the check to the council on behalf of the potash company.

Camp WeHinAhPay in the Sacramento Mountains west of here, originally contained 40 acres, but to enlarge the area and gain control of the camp water supply an additional 120 acres was bought by the Scouts in 1937. The contribution from the United States Potash Company will enable the council to pay off the balance of \$4,000 on a note that was used to borrow money to buy the additional camp acreage.

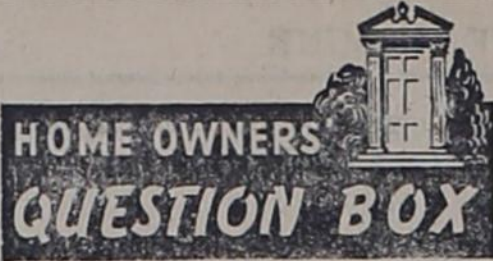

Cost of a long-range development will be greater than the \$8,500 goal set by the council as the amount needed immediately to clear the title to the camp area and make a minimum of essential improvements, such as new camping sites and first aid station. Gifts to the camp development fund now total \$6,000; and the excess over the \$4,000 of the USPC gift used to take up the note, plus the gifts of other donors, will be applied toward realizing these first goals.

**COTTON MANUFACTURING**

**AUSTIN**—Cotton consumption in Texas, totaling 12,237 running bales in August, stepped up 17 per cent from July, but slid 5 per cent from August 1948, the University of Texas Bureau of Business Research says. Consumption of cotton linters in August fell 10 per cent from July to 2,866 running bales, a level 40 per cent above August a year ago.

Active cotton spindles in August rose 2 per cent from July, while average spindle hours stepped up 5 per cent. In comparison with August of last year, active spindles dipped 11 per cent and average spindle hours dropped 12 per cent.

Buy a bond every pay day!

**HOME OWNERS QUESTION BOX**

**Q**—Does a porch cost as much to build as a room of equal size?

**A**—An open porch costs approximately half as much. A screened porch costs about two-thirds as much. A glassed-in porch costs about the same.

**Q**—Why is sheathing applied diagonally on the sides of a house?

**A**—It has been found that diagonal sheathing is eight times as strong as horizontal sheathing.

**Q**—In relation to home building, what does "parge" mean?

**A**—Parge is coarse plaster used as a decoration or as protection for masonry. Sometimes it is called "parge coat."

**Q**—What is the modular system of construction?

**A**—It is a system of planning all measurements in multiples of 4 inches. By facilitating extensive use of standard size materials, the modular system minimizes cutting of materials on the job and lessens waste.

**Q**—Why does paint blister on the exterior of a house?

**A**—If the house was painted recently, within a year or two, moisture under the paint is probably the reason. If there is moisture between the wood and the paint, the sun's heat can cause vapor pressure, resulting in blisters which crack so that the paint peels off.

**Slight Enrollment Decline At Tech**

**LUBBOCK** — Decreased veteran enrollment has accounted for a slight drop in the student population at Texas Tech college, according to Miss Evelyn Clewell, assistant registrar.

Miss Clewell said 5,716 students are now enrolled, compared with 6,145 in the 1948-49 fall semester. A decline in freshman enrollment also figured in the over-all picture.

She attributed the drop to the low 1930-34 birth rate (youngsters born then are just getting out of high school), and the change-over in the Texas secondary school system that added an extra year in public school grades. The switch delayed college enrollment for thousands of young Texans until next fall.

H. A. Anderson, coordinator of veterans affairs, said 2,047 vets enrolled during September. Last September, some 2,800 former servicemen were enrolled.

**SON HAS PNEUMONIA**

Mrs. Anne Overstreet left here the first of the week for Lake Charles, La., to be with her son, Jimmie, who was stricken with pneumonia early in the week. His condition is not believed to be of a serious nature.

Robert E. Lee and George Meade were the opposing generals at the Battle of Gettysburg.

**Internal Revenue Shows Rise In Collections**

**AUSTIN**—Federal internal revenue collections in Texas totaled \$93,412,506 in August, a 12-per-cent increase from August 1948 collections, the University of Texas Bureau of Business Research reported.

Employment taxes (other than withholding) fell 9 per cent during the 12-month period, while income taxes stepped up 31 per cent and withholding taxes gained 12 per cent.

In First District (South Texas) federal internal revenue collections increased 28 per cent in August from August a year ago, while in Second District (North Texas) collections dropped 3 per cent.

Collections of \$149,784,578 made during the period July 1, 1948-August 31, 1949, as compared with \$144,982,076 in the same period of 1947-48, represented a 3 per cent hike.

**New Pastor Is Named**

Rev. Chester Hatcher of Hereford, was named as the new pastor of the United Pentecostal Church in Texico, in a business meeting held the past week.

The new pastor, with his wife and three daughters, moved to Texico last Saturday from Hereford, where they had been located for several months. He assumed his new duties on October 1 at the local pastorate.

**A Few ?'s to Ask the Printing Peddler**

When the Peddler selling stationery and printing supplies solicits your business, there are a few questions which he should be willing to answer to your satisfaction.

Among them being:

Does he pay taxes in this community?

Does he donate space in his newspaper to the local community enterprises?

Does he pay wages to a force of employees located in this City, County or State?

Does his papers devote its entire space toward the betterment and upbuilding of this community?

Does he grant you every favor that you would ordinarily ask of a local newspaper?

Does the quality of his merchandise stand inspection—is it on quality paper stock and the printed matter attractively arranged?

Will he submit proof of your work before finishing and mailing it to you C. O. D.?

Does his price include postage and insurance charges?

Can he supply your order on short notice?

If he can answer all the questions in the affirmative, he is entitled to your business.

IF NOT . . . CONSULT

### Post-Nuptial Shower Held On Tuesday

A bridal shower honoring Mrs. Fred Erwin Jr., nee Wanda Sheets, daughter of Mr. and Mrs. Ted Sheets of this community, was given in the home of Mrs. W. E. Martin on Tuesday, September 27.

The Martin home was beautifully decorated with fall flowers in the chosen colors of the bride, aqua and white. Gifts were displayed on a prettily appointed table, with a miniature bride and groom under an archway of aqua and white.

Miss Pauline Sheets, sister of the honoree, presided over the guest register. Refreshments of punch and cookies were served from a lace covered table, with Miss Alta Norton presiding over the punch bowl.

Those present were Mesdames G. W. Magness, T. E. Levy, W. W. Hall, Lawrence Ham, W. T. Meeks, Charlie Lunsford, Jack Caves, Louis Purvis, John Lovelace, Earl Booth, Mary Peyton, L. C. Cox, L. L. Norton, Wade Carpenter, Medley, Clyde Magness, C. C. Christian, Preston Martin, Morgan Locker, Jack Savage, Roy Dunn, Hankins, Gilbert Ford, Leonard Watkins, Odis Branscum, Sam Randol, John Holland, Fred Kepley, J. W. Herington, Ted Sheets, the honoree Mrs. Fred Erwin, and the hostesses, Mrs. W. E. Martin and Alta.

Misses Bonnie Foster, Alta Norton, Nelma Branscum, Hettie Randol, Pauline Sheets, June Christian, Lucille Erwin, Wilma Norton, Jane Cox.

Regrets were received from Mesdames Claude Rose, J. H. Stone, O. C. Pullan, Jud Stone, Vic Venable, Arthur McDonald, Tom Foster, Calvin Sanders, Guy Cox, Sam Aldridge, James Spurlin, Carl Davis, Bob Hammond, Lewie Paul, Ebb Randol, Lawrence McKillip, Grayson Roberts, Leon Cantrell, Sol Morgan, Joe Crume, Ed Blain, Boone Allison, N. R. Goldsmith, Melvin Snider, Jack Williams, Jack Glen, Grady Herington, Jackie Holland and Ethel Thomas.

Misses Wilma Louise Snider, Betty Foster, Valarie Dial, Lueta McKillip, Delores Goldsmith, Claudeen Doolittle.

### FHA Club Organized At Texico School

The 1949-50 organization of the Future Homemakers of America Club was completed at the Texico school the past Wednesday afternoon, when members of the homemaking department selected officials for the year.

Miss Coeta Roth has been named president, with Frankie Harris as vice president; Betty Donahey as secretary-treasurer; and Lona Mae Jones as parliamentarian. Mrs. Jimmie Allman, instructor, is sponsor of the group.

Initiation plans for some 23 new members are taking shape this week, Mrs. Allman stated, adding that the services will be held next Tuesday evening, October 11th, at the school, at which time mothers of the club girls are invited to be special guests. Regular meetings of the group which has some 40 girls as members, will be held twice monthly.

### Home From Vacation

Mrs. Bess Mansfield, chief deputy at the assessor-collector's office, returned home the first of the week from a vacation trip to Tyler, where she visited with her mother.

Mr. and Mrs. H. C. Lance and children, of Plainview, visited and attended to business here Wednesday. The family formerly lived here.

### "Fathers' Night" To Be Observed At PTA Meet, Tuesday, October 11th

The Farwell Parent-Teachers Association will meet in regular session Tuesday, October 11th, at the Farwell school, according to reports received early this week.

This is to be the big night of the year, as it has been set aside as "Fathers' Night".

"Teamwork Between The Homes and School", will be discussed by Mrs. Harry Whitley, after which Prof. Morton will conduct a parliamentary drill.

Hosts for Fathers' night will be Jack Mc Manigal, Joe Crume, Sam Aldridge, S. O. Billington, O. B. Pipkin, Claude Rose, Jack Caves, Louis Purvis and Walter Hardage.

This will be the second meeting of the current year, and every one is urged to be present at 8 p. m.

Officers of the Association asked that each member that have not paid their annual dues of 75c to please bring it with them to the meeting.

### Student Recital Is Presented Monday

Young pianists of Texico-Farwell and Friona, who made up the summer class of Florence Millwee Vinyard, local instructor, performed on Monday night at the Hamlin Memorial Methodist Church, in presenting a recital.

In the group were Carol Lofton, Joy Smith, Gloria Jean Sanders, Mikala Ann Faville, Larry Cooper, Sherley Smith, Ysleta Brown, Mcma McDorman, Don Lewis, Lavon Jones, Sally Cooper, Anita Fern Brown, Beverly Lovelace and Vera Ann Jones.

Special vocal numbers were sung by Sally Osborn and Don Lewis, and Rev. Murphy Duncan, pastor, gave the invocation.

### Celebrates Second Birthday, Sunday

Little Master Scott Cummings, son of Mr. and Mrs. Doyle Cummings of Friona and grandson of Mr. and Mrs. C. A. Cassidy of this city, celebrated his second birthday, Sunday, in the home of his grandparents, Mr. and Mrs. E. M. Cummings of near Friona. A delicious dinner was served from a lace-covered table, with a decorated birthday cake, bearing two small candles, serving as the centerpiece.

Those attending were Mr. and Mrs. C. A. Cassidy and family, Farwell; Mr. and Mrs. Doyle Cummings and Scott of Friona; Mr. and Mrs. Wayne B. Stark and twin sons of Hereford; and Mr. and Mrs. E. H. Cummings.

### Dinner Held At Hilton Hotel, In El Paso

Miss Rosamond Sherley, daughter of Mr. and Mrs. W. M. Sherley of Lazbuddy, who is a junior at the Radford School for Girls in El Paso, last weekend was hostess at a dinner party in Hotel Hilton for her classmates and school personnel.

The affair honored Dr. Lucinda de Leftwich Templin, principal of Radford; Miss Lou Helen Smith, dietitian, and Miss Mary Beth McFadden, junior class sponsor and teacher of piano.

Classmates at the party were Misses Patricia Rice, Connie Harrison, Margie Graham, Donna Lee Gobble, Pat Fonger, Olga Mirmanus, Enri queta Berliavsy, Garnett Garner Virginia Mitchell, Judy Matthews, Kay Thompson and Donnie Welch.

**HOLD THAT HUSBAND!** . . . One of Hollywood's most prominent fashion designers, Orry Kelly, advises that American women should keep at least one fetching negligee in their wardrobes to hold the interest of their husbands. Here, Peggy Dow, who is making her film debut in the movie capital, demonstrates what is fetching and the kind of apparel the wardrobe designer has in mind.

### Cooper-Bell Nuptials Are Held In Gruver

Announcement has been made of the recent marriage of Miss Fern Cooper, daughter of Mr. and Mrs. Guy Cooper of Gruver, to Durward K. Bell, son of Mr. and Mrs. J. W. Bell of Bovina.

The double-ring ceremony was performed in the Gruver First Methodist Church by Rev. W. L. Porterfield, pastor. Miss Martha Williams of Bovina, gave appropriate vocal selections, and the traditional wedding marches were played by Mrs. Donald Lee Gurley of Perryton, organist.

The bride, beautifully gowned in ivory satin, was given in marriage by her father. She wore a strand of pearls belonging to her paternal grandmother, a wedding band belonging to her maternal grandmother, and carried a blue lace handkerchief.

Maid of honor was Miss Faerie Cooper, sister of the bride, who wore a blue taffeta gown. The bridesmaids Mrs. Orson Cline, Miss Dorothy Rhodes of Bovina, Miss Laer Barkley and Miss Barbara Wilson, wore dresses of soft yellow and blue taffeta styled like that of the maid of honor, and all carried colonial bouquets of gladioli.

Jack Barnett, of Bovina, served as best man.

The couple enjoyed a wedding trip to Colorado Springs, with the bride choosing a traveling costume of wine gabardine with gray accessories and an orchid corsage. Mrs. Bell was graduated from Gruver high school and Mr. Bell is a Bovina graduate. Both attended West Texas State College in Canyon. They will be at home near Bovina where he is engaged in farming.

Mr. and Mrs. Guy Cox spent Sunday in the home of his mother, Mrs. James A. Cox in Dimmitt, Texas.

Mrs. Jim Bob Smart and Mrs. Ernest Stewart were visitors in Portales, N. M., Monday.

### Mission Rally Slated By Lariat Church

St. John's Lutheran Church of Lariat will celebrate its annual Mission Festival on Sunday, October 9th, the pastor, W. B. Gummelt, announced today.

Rev. H. H. Quitmeyer of Dumas, will be the guest speaker for the special day, with the morning service to begin at 10:30 and the afternoon service slated for 3:00 p. m.

Dinner and supper will be served to all visitors by the ladies of St. John's, Rev. Gummelt said, and extended a cordial invitation to the public.

### Zone Meeting, 6th, Lazbuddy ME Church

The Women's Society of Christian Service will hold a zone meeting at the Lazbuddy Methodist Church on Thursday, October 6, from 9:45 a. m. until 2:45 p. m.

The four goals of the "Advance for Christ", "Giving, Recruiting, Education and Membership", will be stressed.

A playlet will be presented by four district officers, local reports will be heard, and a round-table discussion conducted on Japan. A nursery will be provided for the children.

### Bible Class Meets With Mrs. Pierce

The Ladies Wesley Bible Class of the Methodist Church met in the home of Mrs. Lewis Pierce on Tuesday, with fourteen members and one visitor present.

At the conclusion of the afternoon, the hostess served a refreshment plate to Mesdames Roy Thornton, Roy B. Ezell, G. W. Atchley, B. N. Graham, Albert Thomas, Spurlin, Lena Yoder, Jess Newton, Ruby Dixon, J. C. Temple, Mary Clarey, Ralph Humble and B. O. Faville; and Miss Laura Temple. Mrs. Atchley assisted as co-hostess.

### Family Picnic Held At Bell Home

A family picnic was held last Tuesday evening at the home of Mr. and Mrs. Horace Bell in Clovis, honoring Mrs. Euel Smith and Mrs. Ebb Randol.

Mrs. Smith is moving shortly to Snyder, Okla., while Mrs. Randol was observing her birthday. Fifty family members took part in the social, with both honorees receiving gifts of crystal.

### Attends State Meet

Mrs. A. D. Smith of this city returned home early this week from Silver City, N. M., where she attended the annual meeting of the Daughters of the American Revolution, held in that city the past weekend. Mrs. Smith made the trip with a delegation of Clovis ladies.

### In Pool Home

Visitors in the Lenton Pool home last Saturday evening were Mr. and Mrs. Floyd Golden, Miss Winnie Pool and Mrs. J. W. Pool, all of Portales; and Mr. and Mrs. Johnnie Pool and children, of Vaughn, N. M. The party enjoyed a picnic supper in the yard at the Pool home.

### Licenses Are Issued

Two marriage licenses were issued at the office of County Clerk Loyde Brewer the past week. One went to M. H. Martin and Mrs. Bessie Dora Elizabeth Davis, on September 28th, and the second was issued to Jaspe E. Jones and Miss Ruth Pelton on the 2nd of October, according to the records.

### Country Church Hour Renewed Over KICA

Rev. J. J. Terry, Baptist pastor of the Oklahoma Lane Church, announced today that the Country Church hour over radio station KICA, Clovis, has been renewed and that programs sponsored by the Oklahoma Lane Baptist Church are on the air 8 to 8:45 each Sunday morning.

The minister also called attention to the Baptist Hour being broadcast each Sunday afternoon. Local listeners can pick up the program over KGKO, Lubbock, at 2:30 on Sunday afternoon.

David Russell, employee at Henderson Grain & Seed Co., was a weekend visitor on a ranch north of Ft. Sumner.

Mr. and Mrs. V. L. Martin and family and Mr. and Mrs. Raymond Martin and family were Sunday visitors in the home of Mrs. V. L. Martin's brother and family in Hereford.

### NEW LINE OF CHOICE BOXED STATIONERY

A nice box of stationery will answer the purpose as a gift for any occasion.

Here you will find an assortment that will meet any requirement.

### Scout Programs Are Getting Underway

The Scout movement for boys and girls is getting underway over this area, and these organizations are now busy in each locality to obtain adult leaders needed for the groups.

"All of you who are interested, and especially the parents, please be ready to lend a helping hand to this group of people who are keeping the good movement alive and operating in our communities," Scout leaders said today, adding, "you will hear more about Scouting plans soon."

Mr. and Mrs. Jason Gordon and children of Lubbock were weekend visitors in the John Armstrong home.

Mr. and Mrs. Woodrow Lovelace and daughter spent Sunday visiting in the home of her parents, Mr. and Mrs. Howard Mayfield, near Friona.

Mrs. H. H. Potter and son, Barry James, of Muleshoe, and Mrs. Jess Newton of Farwell, spent Sunday in the home of Mrs. A. E. Hawkins in Clovis.

Many gifts and a lovely birthday cake were presented the honoree. Those present included Mr. and Mrs. Ross Terry and son, George Wayne, of Friona; Misses Margaret and Erma Robards of Lubbock; Jim Robards of Clovis; Miss Peggy Robards of Clovis; Miss Linda Johnston, Misses Sandra and Katherine Jefferson, the honoree, Mrs. Robards, and Mr. and Mrs. Charlie Jefferson.

## NEW OFFICERS ELECTED

The Pal Class of the First Baptist Church elected new officers for the coming six months at a recent meeting. President is Jack Kessler. Other officers are Tyson Eubanks, vice president; Bobbie Eubanks, secretary Margaret Minter, social chairman. Captains are Leroy McDonald and Charles Hawkins; reporter, Jeanne Kerby. Willetta Gooch is teacher of the class.

Joe Lawrence Langer, of Amarillo, visited his parents here Friday. Mr. and Mrs. Gay Morgan, of Plainview, visited in the Frank Wilson home, Sunday.

Douglas Combs, of Carlsbad, spent the past Saturday night and Sunday with his parents, the J. O. Combs. Mr. and Mrs. J. H. Stone and son, Marvin, of Caprock, Tex., visited in the A. B. Wilkinson home the past weekend. The two ladies are sisters. Mrs. Byron Turner, Mrs. Pete Davies, Mrs. Jack Woltman, Mrs. June Watkins, Mrs. Shottie Martin, Mrs. Jewel Tabor and Mrs. Carl Rea were Clovis shoppers, Monday.

Gale Combs, little daughter of Mr. and Mrs. Harold Combs of Clovis was a weekend guest of her grandparents, Mr. and Mrs. Oscar Corabls and Mrs. Pete Vestal were in Clovis Sunday with Mr. and Mrs. Harold McSpadden and Mrs. J. L. Rayburn. Mrs. Norman Wilson spent a few days last week in Amarillo with her daughter, Mrs. John Byler, and family.

Leroy Berggren visited in Fort Smith, Ark., the past week.

Jessie McSpadden spent the past weekend in Amarillo in the home of her brother, Max Wade.

Mr. and Mrs. J. E. Bingham left Wednesday for Savannah, Missouri.

Mr. and Mrs. Jack Waltman attended to business in Muleshoe, Tuesday.

Hal McSpadden, Sr., grandfather of Mrs. William L. Liles, and Miss Marion Schmidt of Brownfield, are visiting in the Liles home this week.

Mr. and Mrs. J. P. Macon returned last weekend from an extended trip through Missouri and other points of interest.

Otis Floyd and Lee Hopingardner left Sunday on a Conchas fishing trip.

Mr. and Mrs. W. C. Watkins, of Clovis, spent Monday in Bovina in the home of the James Watkins.

Miss Nancy Williams, who is attending school in Portales, spent the past weekend with her parents here.

## Check The Can Opener For Efficient Use

COLLEGE STATION—One of the most used gadgets in the average kitchen is the can opener, and it is doubtful, says Gena Thames, acting assistant extension home management specialist of Texas A. & M., if many homemakers ever check by a simple test the quality of the job that is done by the gadgets they use.

For example, cites Miss Thames, many can openers, whether cheap or expensive, permit slivers of tinned steel to fall into the can's contents during the opening process.

Here is a simple check that you can easily make to see if your can opener is working satisfactorily, she says. Empty the contents from a can

of food. Then wash and dry the can. Hold the can firmly upon a sheet of white paper—opened end down—and open the bottom end of the can with the can opener you are checking.

Any slivers of metal released by the opener this time will fall upon the paper where they can be seen, says Miss Thames. If more than the barest amount of tinned steel shows on the paper, you'll know the can opener is not cutting as it should.

The mean annual rainfall in Newton county, on the Louisiana border, is 56.13 inches. The mean average in El Paso county is 8.03 inches. This contributes to the variety of Texas crop and livestock production.

### RECIPE OF THE WHEEK

**Olive Rice With Tomato Rarebit**  
1 package (1½ cups) quick cooking rice, ½ teaspoon salt, 1¼ cups water, 1 can (10-½ ozs.) condensed tomato soup, 2 cups grated sharp cheese, ½ teaspoon dry mustard, ¼ cup chopped stuffed olives, and 2 tablespoons butter.  
Combine rice, salt, and water in saucepan. Bring quickly to a boil. Cover, remove from heat, and let stand 10 minutes. Meanwhile, heat soup. Add cheese and mustard. Cook over low heat until cheese is melted and mixture is smooth, stirring constantly. Add olives and butter to rice. Serve hot with the tomato-cheese sauce on top. Delicious with green salad. Makes 4 servings.

## Free Cotton Classing Program Growing

COLLEGE STATION—Texas cotton producers, 111,000 strong, are members of organized groups that are cooperating with the Cotton Branch, PMA, USDA.

This agency handles the free cotton classing and market news services as provided for by the Smith-Doxey Act, says F. E. Lichte, extension cotton gin specialist of Texas A. & M. and chairman of the Smith-Doxey State Review Committee.

Lichte says this committee in 1949 has processed and approved 1,151 applications from organized groups in 167 Texas counties. He adds that 1,563 gins are cooperating with the 111,000 producers who are growing one of the 16 approved varieties of cotton on 9,826,250 acres of land.

This free classing and market news service program has enjoyed a steady growth since its inception, 1938, says Lichte. Since 1946, 20 counties with 103 organized cotton producer groups have come into the program. Their membership today is 20,000

greater than in 1946 and 146 more gins are cooperating, says Lichte.

The applications processed by the Texas committee go to the PMA, Cotton Branch, offices in Dallas and Bakersfield, Cal. The office in California handles that section of the state west of the Pecos River. Personnel from the PMA offices have cooperated and materially assisted in making possible the steady growth of the program, he adds. The actual classing of the members' cotton is done by the eight regional PMA offices in the state.

## VISITS AT TEXAS U.

AUSTIN—Prof. R. L. Lickley, British authority on aircraft design, recently inspected the University of Texas College of Engineering. He is on a six-week tour of U. S. manufacturing and technical educational centers, under British Ministry of Education sponsorship.

Prof. Lickley is head of the Department of Aircraft Design in Great Britain's College of Aeronautics.

**F. D. R. ELECTED AGAIN . . .** But he is F. D. R., Jr. and he is elected a bridegroom. Rep. Franklin D. Roosevelt, Jr., stands with his socialite bride, the former Suzanne Ferrin, 28, after their marriage at the New York apartment of the bride's mother, Mrs. Eleanor Roosevelt and the bridegroom's brother, Elliot, attended the ceremony. The 34-year-old son of the late President was divorced last May in Nevada by his first wife, the former Ethel Dupont.

**Dairy Cows Need 6 To 8 Weeks Rest**

COLLEGE STATION—A dairy cow needs a six to eight weeks rest and a good ration during the dry period to produce well during the next lactation and to produce a strong healthy calf.

The dry cow has three important jobs to do, says A. M. Meekma, assistant extension dairy husbandman of Texas A. and M. College. She must recover from a heavy milk producing period, build a calf and store up reserves for the next milking period. How well she does these jobs depend upon how long a dry period she gets and how well she is fed during the dry period.

During heavy peak production, a good cow will deplete her body reserves of nutrients and minerals, says Meekma. And unless she is given sufficient rest and proper care to rebuild these body reserves, lower production during the next lactation period will result. The health and condition of the calf will also be affected.

The problem of feeding the dry

cow is practically solved if she has access to good pasture. If good pasture isn't available, hay and silage should be fed liberally, says Meekma. The amount of grain to feed will depend upon the condition of the cow, but generally it is practical to feed the same grain mix to the dry cows as is fed to the milking herd.

Every dollar that is put into a good dry cow ration is a wise investment, states Meekma. A cow that is well fed and cared for during the dry period will very often produce as much as 25 percent more milk during the next lactation.

**SILVER ANNIVERSARY**

LUBBOCK — "Twenty-five years of growth" will be the theme of the Silver Anniversary issue of the 1950 *Lan Ventana*, student yearbook publication at Texas Tech. Editor Roy Grimes, Lubbock senior, said the annual will revive the custom of presenting "Mr. and Miss Texas Tech". The two students will be elected by the student body from the graduating seniors of 1950.

**Cotton Loan Value Makes Dresses High**

AUSTIN—What fabric will be used in the next dress or suit you buy?

That, says Dr. A. B. Cox, University of Texas professor and internationally known authority on cotton marketing, may depend on what cotton farmers can do to cut production costs.

Rayon, nylon, and related fabric sources have made inroads on the cotton supply for linear yard material in 1946, '47, and '48 because the federal government has pegged the loan value of cotton so high that manufacturers are buying competing raw materials because they are cheaper, Dr. Cox explains.

The loan value on average grade cotton is 29.4 cents per pound while the staple price of rayon, cotton's

chief competitor, is 32 cents. Because the rayon fiber comes to the manufacturer clean, it is actually cheaper than baled cotton, which must have waste fibers removed before it is ready for use.

The answer cotton farmers and manufacturers who prefer cotton must give to rising competition is a slash in growing and producing costs by the development and use of mechanical pickers, and better soil fertilization, Dr. Cox declares.

**NEW BULLETIN OUT**

LUBBOCK—A 38-page bulletin describing the oil industry's growth and the petroleum engineering department at Texas Tech will be released shortly. The illustrated booklet explains the importance of petroleum technology to Texas, particularly drilling and production, natural gas, pipe-lines and transportation.

C. H. ZACHARY

**Albuquerque Is Added To Southern Union Gas Distribution**

Southern Union Gas Company began serving natural gas directly to 24,000 customers in Albuquerque at the close of business September 30, adding that city to its natural gas distribution system, according to an announcement from C. H. Zachary, Dallas, Southern Union president, to W. J. Banks, Southern Union agent at Farwell.

Final steps in the purchase of Albuquerque's distribution facilities from Public Service Company of New Mexico were taken last week by Southern Union after the business transaction was approved by the New Mexico Public Service Commission on September 28.

Zachary also announced that Southern Union acquired in the transaction the gas department employees of Public Service Company, Tom Corr, Santa Fe, Southern Union's

northwestern New Mexico district manager, has moved his office to Albuquerque and will have general supervision over operations there. Named to assist Corr with district operations is T. A. Wilson, Farmington, Southern Union production and transmission superintendent, who has been promoted to assistant district manager with headquarters in Farmington.

The purchase involved approximately \$4,000,000 and will result in Southern Union's serving Albuquerque directly, rather than indirectly. Since 1930, Southern Union has owned the gas distribution franchise in Albuquerque but had assigned the franchise and delivered gas to Public Service Company for distribution in Albuquerque.

Serving 42 towns and cities in Texas, New Mexico and Colorado, the 21-year-old Southern Union has 160,000 natural gas consumers. Company headquarters are in the Burt Building in Dallas.

**Vitamin "A" And Swine Production**

COLLEGE STATION—Efficient feeding and profitable pork production go together. About 80 percent of the pork production costs are in feed bills, says Fred Hale, professor of animal husbandry, Texas Agricultural Experiment Station, and one item that many swine producers overlook is vitamin A.

All of our farm grins and mill products are deficient in vitamin A, except yellow corn, says Hale, and hogs of all ages require vitamin A for maintaining their health. Breeding hogs need it for normal development and reproduction. Brood sows produce less milk when their ration is lacking in vitamin A and hogs of any age maintain a greater resistance to flu and other diseases when their ration is well supplied with it, adds Hale.

Results of research work done at the Texas Agricultural Experiment Station show that sows fed ration deficient in vitamin A farrowed pigs that were deformed; some even had no eyeballs while others were born dead.

Vitamin A as such does not occur in green grass or other plants, but a substance called carotene is found in green grass, green alfalfa hay and yellow corn. This carotene is converted into vitamin A within the animal's body, says Hale. Fish oils do contain the actual vitamin A.

Good green pastures will furnish hogs with the necessary vitamin A, and green pastures are about the best and cheapest source of the vitamin, continues Hale. But if green pasture is not available, the ration for fattening hogs should contain from 5 to 6 percent of green leafy alfalfa meal, and brood sows and other breeding animals should have from 10 to 15 percent of green alfalfa meal in their ration, says Hale. The efficient hog producer should plan to have pasture

for as many months of the year as is possible.

Hogs have the ability to store quantities of the vitamin in their bodies and they do this when there is an abundant supply of green pasture. Hogs that have been on green pasture during the summer can go for three or four months in a dry lot too easy to prevent in the first place, says Hale.

without showing vitamin A deficiency but Hale adds, it is better to add to the ration green alfalfa meal during periods when green pasture is not available. There is much more profit in feeding healthy hogs and it is often a slow process to nurse back to health a hog or a herd that has developed a vitamin deficiency. It is

**CITATION BY PUBLICATION**  
THE STATE OF TEXAS

TO: Mrs. Katherine Williams, Defendant, Greeting:  
You are hereby commanded to appear before the Honorable District Court of Farmer County at the Court House thereof, in Farwell, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being

the 14th day of November, A. D. 1949, then and there to answer Plaintiff's Petition filed in said Court, on the 26th day of September A. D. 1949, in this cause, numbered 1486 on A brief statement of the nature of this suit is as follows, to-wit:  
Plaintiff alleges that he married defendant November 10, 1948, and because of the excesses, cruel treatment and outrages administered to

him by the defendant, their further living together was rendered insupportable. That no child issued from said union and marriage and there is no community property. Plaintiff prays for judgment for absolute divorce from defendant, as is more fully shown by Plaintiff's Petition on file in this suit.  
The officer executing this process shall promptly execute the same according to law, and make due return

as the law directs.  
Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this the 26th day of September, A. D. 1949.  
Attest:  
LOYDE A. BREWER, Clerk,  
District Court, Farmer County, Texas.

**Homecoming Date Is Announced For WTSC**

CANYON — Homecoming headquarters at West Texas State College sends out notice to all ex-students to circle the date of October 22 on the calendar and plan to be in Canyon for the greatest homecoming West Texas State has ever presented.

Already hard at work on plans for festivities to please exes and friends of the college, the homecoming committee has outlined a program of activity. A gigantic parade will move through downtown Canyon late in the morning followed by a free barbecue for all ex-students at the tennis courts. Club and organization reunions will be held throughout the day. At 2:30 the hustling Buffaloes will tangle with Trinity University of San Antonio on Buffalo Field.

Immediately preceding the game will be the crowning of the Homecoming Queen.

At night two dances are being planned. One western dance will be held in Burton gymnasium with a modern dance held in the beautiful new cafeteria.

Further plans of activities will be announced in the near future but the important thing now is to plan to be back on the campus in Canyon, Saturday, October 22.

Santa Fe System carloadings for week ending October 1 were 25,273 compared with 26,685 for same week in 1948. Cars received from connections totaled 11,735 compared with 13,412 for same week in 1948. Total cars moved were 37,011 compared to 40,097 for same week in 1948. Santa Fe handled a total of 35,348 cars in preceding week of this year.

# Hale Center Hands Steers First Defeat

The Hale Center Owls, champions of District 3-B in 1948, defended their title in a last-ditch stand, Friday night, when they eked out a close 7-0 win over the fighting Farwell Steers, in a hard match staged on a slightly muddy Hale Center gridiron.

This was the first defeat of the season for the locals, who had previously checked up two conference wins, over Whitharral and Friona, in addition to an out-of-conference victory over the Melrose, N. M., squad. Hale Center still holds a complete record of wins for the season.

The storybook finish came in the dying seconds of the game, with the Owls completing a sustained 62-yard drive for the only score of the game. Jerry Johnson, quarterback, flipped an aerial to Fullback Edward Weil inside the Steer 10-yard marker, and Weil gathered in the pigskin on the two and pushed on across for the touchdown. Johnson stepped in to position and booted a perfect try through the uprights to chalk up a 7-0 score.

Spectators report that the Steers outplayed the Owls in the first half, and three times drove within the Hale Center 20-yard marker for official penetrations. On two occasions, the touchdown drive was halted by intercepted passes, while the third attempt for a score was foiled when the locals fumbled.

Early in the first quarter the locals appeared goalward bound, as they put Nix through the middle of the line for two consecutive long gains. On his second gallop, the Owl safety, last man to have the opportunity, bounced Nix to the ground with such force that he lost the ball and Hale Center took over.

Star backfield man Jerry Pool, who was in and out of the game after receiving a bruised kidney, managed to rack up 120 yards gained. Don Ford, Steer end man who sustained an injured leg in the Friona game, saw some action but his badly-needed defensive strategy was on the bench when the Owls started their inspired touchdown drive.

The new Farwell band, resplendent in blue and white uniforms, and the local pep squad made the trip to Hale Center, with the two organizations presenting numbers during the half of the game. Mrs. Erma Jobs is director of the band.

## Ranchvale-Texico End Contests With Ties

Two softball games, staged by the Texico and Ranchvale games on the Ranchvale diamond last Friday night ended in ties when each game was called at the end of the seventh inning because of a time limit.

Coach F. D. Stout reported that his girls played a close game, but wound up in a 4-4 deadlock with their hostesses. The lead changed several times during the hot contest. Scoring for the locals were Billy Roberts, two; Tommie Vigil and Patsy Ingram, one each.

With two out in the final inning, the Texico boys threw away a golden opportunity to sew up their game with a wild pitch over third and the Ranchvale team came up to tie the score at 4-4, Coach C. B. Stockton said on Tuesday.

Gant got credit for two runs, while Hale and King each scored once for the Wolverines.

## GI CLASS TO FAIR

Wilfred Quickel, instructor of the GI vocational class at Farwell, stated today that members of the class would attend the Tri-State Fair in Amarillo on Friday. Private conveyances will be used to transport the group, Quickel said.

## Field Teams To Come Here For Matches

A senior girls' match and a junior high boys' contest will be staged on the Texico diamond between the Field and Texico softball squads on Friday afternoon of this week, coaches at the Texico school report today.

This will be the first home appearance for the junior boys, who are coached by John Armour, and the tentative lineup will include Clyde McDonald as catcher; Goldsmith, pitcher; Paul Crooks on first, Arlye Crooks on second; Morgan at third; Doolittle, shortstop; Tucker, left field; Robertson, center field; Claude McDonald, right field; and King, short center field.

Coach F. D. Stout's girls, who have played some very tight games thus far, will be seeking to start a victory string on Friday, and reports here indicate that Field has one of the weaker teams in the Curry county association.

A tentative lineup will include P. Ingram, pitching; Doshier, catching; Roberts at first, Holland or Reed at second, Caldwell on third. Fielders may include J. Ingram, Vigil, Curry, Sparks, Donahey and Allred.

Game time is 1:00, Texas time, and fans of the Twin Cities are invited to watch two interesting contests.

## Yearlings Will Play Here Thursday

The Farwell Yearlings announce another home game for Thursday night of this week, October 6, with the Muleshoe juniors coming here.

To date, the local youngsters have been on the losing end of all games played, but recent changes in schedule to secure games with teams more equally matched with the Yearlings have been made, and it is expected that the Muleshoe game will be a good stiff battle.

Tentative lineup lists Magness and Cassidy at ends, Miller and Herington at the tackle positions, Doshier and Rundell as guards, Dollar, center; Poteet as quarterback, Dial and Bradshaw as the halfbacks, and Gulley as the fullback.

In a game played here last Thursday night with the Littlefield aggregation the locals came out behind 19-6, but Frank Gulley provided the thrill of the evening by taking a Littlefield kickoff and returning the ball 70 yards for the Farwell counter.

Admission for the same Thursday night is announced for 50c and 25c, and play is slated to begin at 7:15.

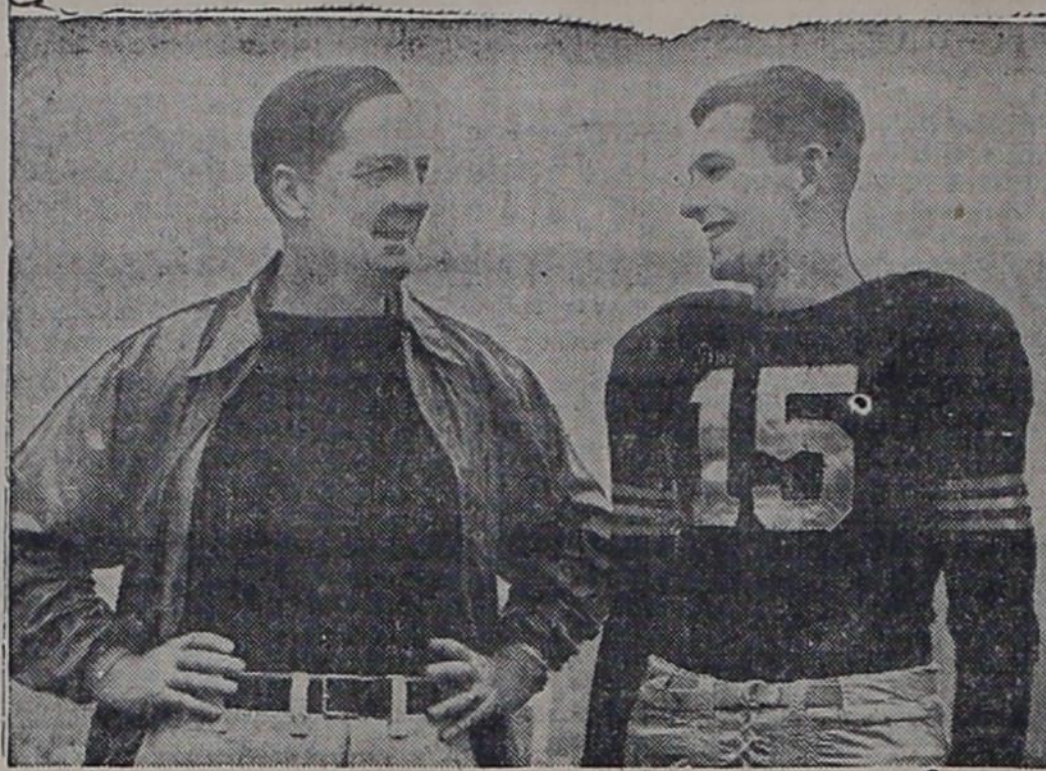

## Feed Barn Now Under Construction By Class

Livestock feeder sheds for project work in the Texico FFA chapter are now under construction, with the ag boys themselves doing the carpentry. Instructor F. D. Stout said on Tuesday.

The barn, 48x10, will be located at the north corner of the school campus, and will consist of five livestock sheds and one grain storage bin.

Chapter members hope to begin use of their feed barn by the middle of this month, and will specialize in feeding out hogs for the Lubbock show next spring, in addition to commercial feeding of livestock.

ed today that members of the class would attend the Tri-State Fair in Amarillo on Friday. Private conveyances will be used to transport the group, Quickel said.

**PIGSKIN MENTOR IS FRESHMAN'S PATER . . .** Head football coach of the United States military academy's eleven, Earl H. "Red" Blaik (left) talks with his son, Cadet Bob Blaik, of the class of '52, as Army's pigskin squad turns out at West Point, N. Y. for a practice session. The coach's son is a backfield man participating in his first season of play on the frosh of West Point's squad.

## Health Problems Will Be Discussed, 11th

A discussion of nutritional problems and immunization shots will be featured at the monthly well-child conference for mothers of infants and pre-school children, at the Texico school, next Tuesday afternoon, October 11th.

These assemblies are sponsored by the Texico Parent-Teacher Association, with a view of improving the general health and well-being of all children of the district. Children who are brought to the conference will receive complete physical examinations, it was reported.

Mrs. Annette Wiggins, Curry county health nurse, will be in charge, and the meeting is slated to open at 1:30, Texas time, at the school.

Local PTA officials advised today that mothers who are without transportation are urged to call the school and arrangements will be made to convey them to the conference.

## Brown Is President Of Texico FFA Chapter

Dee Jay Brown was named president of the Texico FFA chapter, the past week, when members of the group held a business meeting at the school.

Assisting President Brown will be Jimmie Doshier, vice president; Kennard Harris, secretary; Donald Ray Ingram, treasurer; Eldon Hale, reporter; and Wayne Tucker, sentinel.

Chairmen of the work-program committees of the chapter for the year were also named, including: supervised farming, Leon Doolittle; cooperative activities, D. J. Brown; community service, John White; leadership activities, Wayne Tucker; canning and saving, Eldon Hale; conduct of meetings, W. O. Reid; scholarship, Jimmie Doshier; recreation and refreshment, Kennard Harris.

## NOBODY HURT AS CARS CRASH EAST OF TOWN

Three persons escaped injury as two cars collided at an early hour last Friday morning on Highway 70, east of this city.

Mrs. Cash Skarda and Mrs. Roy Thompson of Clovis, traveling east in a Packard convertible, hit a small machine being driven by Clarence Deatherage of Woodlake, Calif.

The Skarda machine was damaged quite extensively, while the Deatherage car received only a ruined wheel.

Investigating officers said that Deatherage was proceeding east in front of the Skarda auto. Suddenly, he became aware that he was on the wrong highway and elected to turn around without giving the proper signal.

## FFA Stages Program At Texico Friday Night

Sponsored by the Texico FFA boys, a program of free entertainment, climaxed by a pie supper, will be held in the auditorium of the school on Friday night of this week, October 7th, Instructor F. D. Stout advised today.

Features of the evening's entertainment, which will precede the actual sale of the pies, include boxing matches, wrestling matches, special tumbling acts, and music by the Clovis Joy Boys.

Boxing bouts have been arranged between Tucker and Harding, White and Doolittle, and Jester and Partin, while the wrestlers include Calouett vs. Lewis, Scott vs. Kessner and Lewis vs. King, John Armour reported. All are students of the school.

The program is slated to get underway at 7:45, Texas time, and a cordial invitation to all residents of the community is extended. Proceeds from the sale of the pies will go into the FFA treasury, Stout announced, and the boys will provide free coffee for their guests.

## Farm Women Seeking Home Demonstration Agent For Parmer

Mrs. Harold Carpenter was in last Thursday from east of town, reporting that the women of the Oklahoma Lane community were launching a movement to secure the services of a home demonstration agent for the county.

Parmer has been minus the services of a demonstration agent for the past several years, and the Oklahoma Lane women feel that this is an important field of service that is being neglected.

Plans are on foot, Mrs. Carpenter said, to contact other women of the county, with the view of having a representative group of women meet with the Commissioners Court at an early date and press for the renewal of the services of a home agent.

Members of the Commissioners Court are quoted as estimating that the salary cost to the county or a home demonstrator would approximate \$1800 per year. The Extension Service would be called upon to help maintain the office in the county.

Acting as spokesman for the Oklahoma Lane ladies, Mrs. Carpenter said that they felt the women's work of the county was being sadly neglected, "and we plan to see what can be done about it".

Tom Dean of Floydada, was here last Thursday in the interest of his candidacy for state representative of the 120th district at the special election on November 8.

## YOUR AMMUNITION NEEDS

See us for your ammunition needs. We have shotgun shells in 12, 16, 20 and 410 gauge. Also plenty of .22 cartridges in shorts, longs and long rifle.

## FOX DRUG STORE

FARWELL, TEXAS

## Cemetery Well Near Completion at Lane

The water well at the Oklahoma Lane cemetery has been completed and will be ready for service just as soon as the newly-purchased electric pump can be connected, it was learned today from members of the Cemetery Association.

The new pressure pump, purchased through the C. R. Elliott Company of Bovina, has arrived and is scheduled to be connected in the near future. The pump is accessible to electricity, with a high tension line just outside the cemetery grounds.

It is understood that the total cost will run "between one thousand and twelve hundred dollars". Some \$400 remains yet to be collected and Association members said that contributions to pay off the deficit would be appreciated.

## 17 Sections Annexed To Friona District

Approximately 17 sections of land, formerly in the Walcott school district, in Deaf Smith County, were annexed to the Friona district in Parmer County at a meeting of the County School Board, held here last Saturday.

The annexation action came at the request of petitioners to make the transfer.

The County Board also approved the school bus contracts for the Bovina and Farwell schools while in session.

## Greenhand Initiation Is Planned By FFA

Initiation of fourteen greenhands of the Farwell Future Farmers of America chapter has been set for next Monday night, October 10th, Instructor Robert Morton announced on Tuesday.

Some 40 members make up the FFA chapter of the school this year, Morton said, adding that the second year group would have charge of the initiation activities, which will be held in the ag department.

## TO VISIT FARWELL

Chief I. W. Flack, from the Navy recruiting sub-station in Clovis, will be in Farwell at the postoffice building from 9 to 12 a. m. on October 14, interviewing applicants for enlistment in the regular navy. Applicants must pass a medical test, physical examination, meet moral requirements and must furnish birth certificates or proof of age.

Chief Flack will also process applicants for the Naval Reserve. Requirements are: previous service men between the ages of 17 and 64, or without previous service between the ages of 17 and 40.

## NOT IMPROVED

Mrs. Ance Bell, Mrs. W. A. Bell and Mr. and Mrs. Ebb Randol have just returned home from Fort Worth, where they visited with Ance Bell, who suffered a complete nervous breakdown two months ago. They report that he is showing little improvement.
