

THE STATE LINE TRIBUNE

"OFFICIAL PUBLICATION OF FARMER COUNTY"

EIGHT PAGES

FIFTY-NINTH YEAR

10 CENTS

Last week the citizens of Clovis and vicinity were loud in their disapproval of the appearance of Doctor Benjamin Spock at the Student Union Building of Eastern New Mexico University. The Concerned Citizens League of Clovis circulated a petition condemning this use of taxpayer-provided facilities. This type of acting is a glaring example of trying to lock the barn after the horse has been stolen. Let us explain . . .

The Board of Regents of Eastern have prepared the following list on court decisions as the guide to their actions . . . Brooks et al v. Auburn University, 296F Supp. 188 (Alabama);

U. S. District Court ruled that barring Rev. William Sloan Coffin from speaking on campus because he was a convicted felon was improper. "An open forum is even more important on a campus than among the public generally. The State of Alabama cannot, through its President of Auburn University, regulate the content of the ideas students may hear. To do so is illegal and thus unconstitutional censorship in its rawest form."

Dunbar v. Governing Board of the Grossmont Junior College District (California); The California Court of Appeals ruled that a college governing board cannot restrict a speaker from addressing faculty and students just because he is a member of the Communist Party. To refuse an individual the right to speak on campus after a college student-faculty sponsored organization approved and invited him is unconstitutional and an infringement of First Amendment rights.

Superior Court (Glendale, California); Superior Court Judge Jerry Pacht overruled a decision by the administration of Glendale College which had tried to keep a Black Panther party member from speaking on campus. The court cited freedom of speech in its ruling.

The ENMU Regents' memo also lists seven additional court decisions bearing on the rights of students to choose campus speakers. These court decisions effectively circumscribe the action that may be taken by the Regents in cases of this kind.

The moral of this story is . . . if you disagree with these court decisions, and obviously many people do, then go to the judiciary and to the source of the laws that they are given to interpret. This boils down to the final responsibility as resting on the state and national legislators that we have elected for the past 10 years or longer.

Remember that it is estimated that 75 per cent of our current crop of judges has been appointed by or elected as members of only one major political party. The legislative horse was stolen years ago and the only way we can lock the door is to vote the rascals OUT now and keep them OUT. As we approach the November 3 voting day, it is becoming increasingly apparent for the necessity of each and every one of us to cast an informed vote.

There are several proposed constitutional amendments on this year's ballot that vitally affect us in this area of Texas. Elsewhere in this issue we are carrying a short review of these amendments and recommend their reading to all local citizens.

***** Last week as the unthinkable, we kept discreetly quiet. For seven days L. F. Jacobs of Bovina occupied undisputed first place in the Merchants Football Contest. This week we are relieved to announce that a three-way tie exists between the said Mr. Jacobs and Steve Brichfield and Mrs. H. R. Crook representing the pride of the Twin Cities.

Absentee Vote Deadline Oct. 30
Farmer County Clerk Bonnie Warren announces that Friday, Oct. 30, will be the deadline for absentee voting for the upcoming election. All persons who will not be able to vote on November 3 are urged to cast their absentee votes prior to this closing date.

Voters are reminded that they should have their voter registration certificates with them to vote absentee as well as in the general election.

"FINDERS - KEEPERS" may not hold true for young Charles Rose and his new-found friend, Charlie found the black rabbit Monday afternoon, Oct. 19, in the park adjacent to the Farmer County Courthouse. Mr. and Mrs. Claude "Pudge" Rose are the parents of the "rabbit-catcher." Charlie said his mother told him that he could keep the rabbit if it is not claimed by its rightful owners. "Mittens" will be its new name if he stays with the Rose household.

Calendar Data Deadline Nears

November 1 is the deadline for persons to put their names on the Farwell Band Calendar for 1971, a spokesman for the Band Booster organization said.

Persons who may have been missed by the band workers and who would like to have their names on the calendar should contact a Band Booster prior to the deadline since all information for the calendars will go to the printer on that date.

The calendars, which are an annual project of the band, will sell for \$1.00 each. Birthdates and anniversary dates appearing on the calendars are 25 cents each. Club meetings may also be announced at the 25 cent per announcement rate.

Local Group Eyes TV Taping System

A system of making TV tapes for educational and industrial purposes was displayed Monday evening to a gathering of interested people at Farwell School cafeteria.

The system, which is produced by the Sony Electronics Company, was demonstrated by Brunell Harvey, sales representative from Odessa. The system consists of a television camera that takes a regular TV picture that is recorded on one-half inch magnetic tape and a playback system that will project the recorded events on a regular television screen.

The camera is automatic in that it senses its own light requirements and gives the best picture under all light conditions. The camera also features a zoom lens which allows the operator to vary the size of the field of view from close up to a wide angle distant shot. Harvey pointed out that the system is currently being used as an aid in band work, athletic work, vocational work and in classroom teaching. Muleshoe has used the system for over a year and is reported to have found it very useful in all phases of their scholastic and athletic activities.

Among those present at Monday night's demonstration were representatives of the Band Boosters, Farwell Boosters Club and the school administration. On the basis of current information, a satisfactory system will be in the \$2,000.00 price range.

District 3-A Leader --

Farwell Defense Shines As Bovina Topples 33-6

by Will Anderson
The Farwell Steers took the uncontested lead of District 3-

Elementary Plans Yule Card Project

Farwell Elementary School is again planning its annual Yule Card Project and although Christmas may seem like a long time away, December 25 will be here in a scant nine weeks; so it is time to do some holiday planning and time to think of Christmas cards.

Each year the elementary school asks that all persons join in wishing local friends and neighbors a happy holiday season by saying "Merry Christmas" with a donation to elementary school projects instead of sending Christmas cards locally. In other words, donate the amount usually spent on cards and postage sent locally, or any amount to the fund and help purchase needed equipment for the elementary school.

It is felt that in this way, a feeling of the Christmas spirit remains with students and teachers throughout the year as they use and enjoy items and equipment purchased through the funds provided by this project.

Names of persons contributing to the project will appear in a greeting which will be published in the Christmas edition of the State Line Tribune.

Date and time of a meeting for elementary school patrons who will be working with the project will be announced later this month, says Jack Williams, elementary principal who heads up the Christmas card project.

A when they beat the Bovina Mustangs Friday night in Steer Stadium before a large crowd of enthusiastic fans. Both Farwell and Bovina, arch rivals for many years, were tuned to a high pitch for this exciting game with neither team having had a district loss coming into Friday night's encounter.

Farwell's offense managed 314 yards, 222 rushing and 92 through the air, while the powerful Steer defense was holding the Mustangs to 101 yards in the air and a mere 50 on the ground.

This leaves Farwell in undisputed first place in the district, having yet to lose a district

game while all other teams in the group have encountered at least one loss. Larry Erwin kicked for Farwell to begin the play and the Mustangs started from their own 20 after a touchback. From the 20, Bovina could not manage a yard in three downs and were forced to punt.

The hard-rushed punter kicked the ball only a few yards and after taking a Farwell bounce, the pigskin was in the Steers' possession on Bovina's 17-yard line. Two plays later Farwell had its first touchdown with Gary Erwin wading the final 14 to paydirt. Larry Erwin added the extra

point to make it 7-0 with only a few seconds gone in the first quarter.

The rest of the quarter consisted of a series of turn-overs until Farwell finally fought their way from the 45 against a determined defense for their second touchdown. Quarterback Gene Sheets executed some fancy faking, then tore around left end for the last 10 yards to the goal line. Larry Erwin's extra point kick made it 14-0.

After a couple more turn-overs, Barry Williams covered a Bovina fumble only 30 yards from a touchdown. On the first play from scrimmage, Gary Erwin scampered over left tackle and, with a little help from his friends, threaded his way to another TD. This time, the extra point was missed, and Farwell led 20-0 when the half ran out minutes later.

Gary Erwin took the Bovina kick-off from the 10 to the 42 to start the second half. The Steers, however, found the Mustang defense unyielding and punted after four plays. Bovina met with a similar problem and punted after six. Then the Steers drove from the 24 to the 43 in four plays, where Gene Sheets connected on a pass to Randy Chandler for another Steer tally. The extra point was missed and the score stood 26-0.

But the Mustangs were not to (Continued on Page 4)

Steers Face Springlake In Fourth District Tilt

Farwell's Steers travel to Springlake-Earth tonight (Friday) for their fourth district encounter of the season and will be looking for win No. 4 in conference play. Farwell's 33-6 victory over rival Bovina last week put the Blue and White in undisputed first place in District 3-A.

Coach Toby Booth of the Steers comments that Springlake-Earth will probably be the strongest physical team the Steers will face and says they will outweigh the Farwell team by several pounds per man. Booth points out that they have a fine quarterback in Glasscock and that the fullback, Nance, who weighs 245 pounds, is also a fine player. A guard, Borden, also received praise from the local mentor.

The Wolverines, who were upset two weeks ago by Bovina, have beaten Dimmitt and Sudan earlier in the season to show what a strong team they have. Farwell was beaten by Dimmitt and has yet to face Sudan.

Rudy Rodriguez Contest Winner

Rudy Rodriguez, freshman at Farwell High School, was top prize winner in the sixth week of the annual Merchants Football Contest by calling only eight games correctly. Not only were there no perfect scores in

last week's guessing, but there were also no guessers who managed to call as many as nine of the games right!

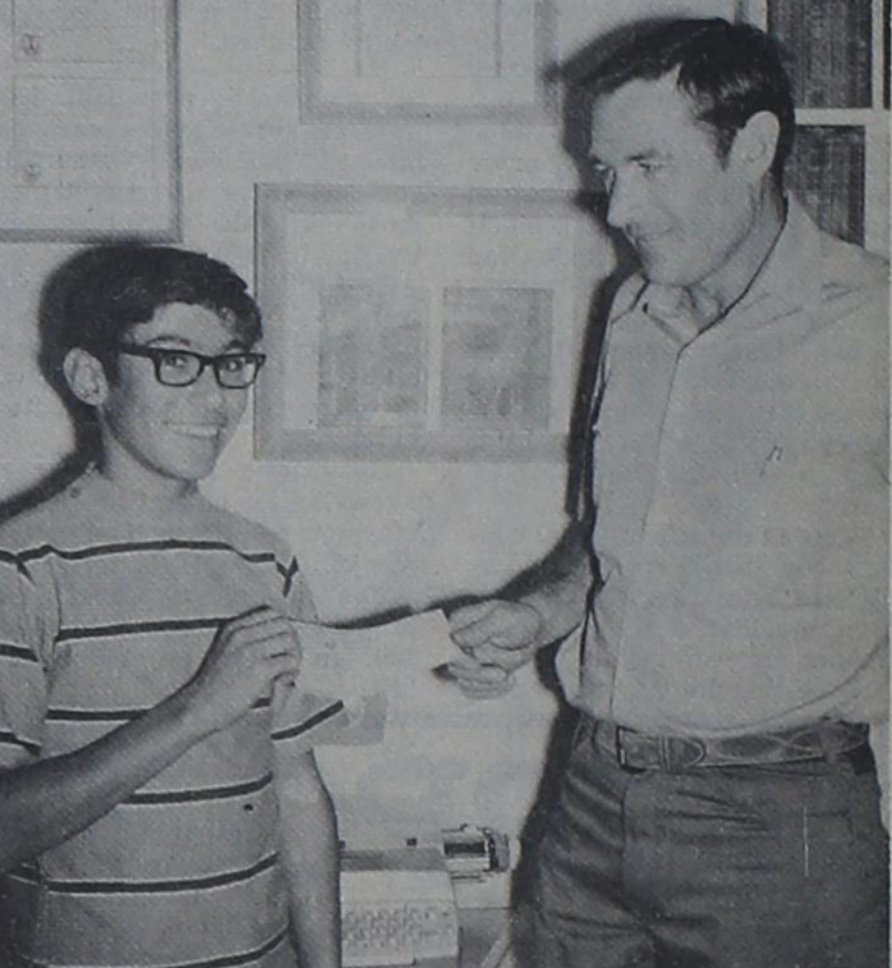

Rudy was all alone in the "eight correct" category; however, some 28 persons managed to call seven right. Winning second prize for the week was Ronnie Rogers who had seven right and was off six points on the tie-breaker. Third place winner was Larry Jones who also called seven games right, but was off seven points on the tie-breaker.

As the contest goes into the second half (seventh week) some 357 persons have submitted entries, setting a record for total number of entries at this point in the contest.

After this week's dust had settled, three persons remained in a tie for first prize which is \$50 and a trip to the Cotton Bowl game in Dallas on New Year's Day. They are Steve Birchfield, Mrs. H. R. Crook

and L. F. Jacobs, who have each called 41 games correctly. Persons having 40 points (games called right) are Jean Kirk, Jerry Mathis, Champ Porter and Mike Travis, to hold a tie for second place which is a trip to the Sun Bowl game in El Paso, plus \$25 expense money.

In third place with 39 points are Bill Bolling, Dickie Chandler, E. R. Coffman, Richard Engelking, Greg Hargrove, Carolyn Herington, T. J. Kittrell and Elaine Wardlaw. There are six more weeks in the contest and it is not too late for persons to enter and win the weekly prize money. Entrants, who must be at least 12 years of age, may pick up entry blanks at the Tribune office each Thursday afternoon or Friday. Deadline for getting the blanks to the Tribune office or postmarked is 5 p.m. Friday. Weekly prizes consist of \$5, \$3 and \$1.

CONTEST WINNER -- Rudy Rodriguez, last week's football contest winner, is shown accepting his first place \$50.00 check from Sherley-Anderson-Pitman's Fred Chandler. Rudy is a freshman at Farwell High School and is the son of Mr. and Mrs. E. L. Rodriguez. Sherley-Anderson-Pitman is one of the merchant sponsors of the annual contest which so far this year has attracted 357 entries.

Texico Meets Tatum Tonight

Tonight (Friday, Oct. 23) the Tatum Coyotes will be guests of the Texico Wolverines in the homecoming game for the Green and White. Gametime for the non-district tilt is 8:30 CDST.

Wolverine Coach Jim Wynne reports that "it's going to be a rough game for us. We still have boys hurt from the Lazbuddie game and we don't know who will be ready or what will be in store until game time."

Wynne states that the Tatum team will be somewhat larger than the Wolverines and notes that while Texico lost to Whiteface earlier in the season, the Coyotes beat the Texas team 43-6.

"However," says the coach, "since this is homecoming night, our boys will be doing their best to win. After all we have a perfect record on our home field and we're going to try and keep it that way!"

Gene Sheets Named To Merit's Who's Who

Gene Sheets, senior at Farwell High School, was recently notified that he had been named to the Merit's Who's Who Among American High School Students for 1969-'70. Gene was selected prior to becoming a senior on the basis of activities participated in during the other years of his high school career.

Sheets, the son of Mr. and Mrs. Harry Sheets, was one of 62,500 junior and senior students featured in this year's edition of the Merit's Who's Who. All of the students featured in the biographical publication were selected by their school principals and counselors because of the leadership career.

(Continued on Page 2)

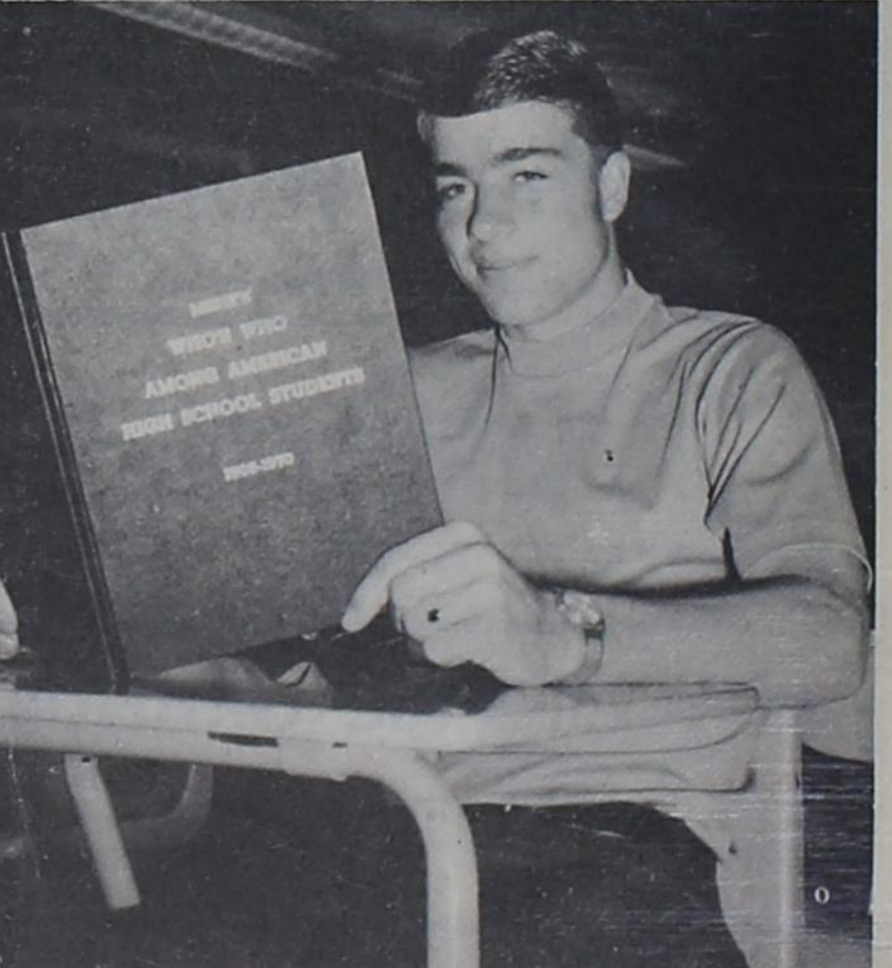

IT'S THAT TIME AGAIN -- Yep, ready or not, it's time to set your clocks back and return to Standard Time for a few months. Pretty Doris Ford, employee of Security State Bank, makes ready to set the bank's outdoor clock back one hour so that employees will not show up an hour early for work come Monday morning. The time to do the changing (officially) is 2 a.m. Sunday, Oct. 25, but it might be a wise idea to turn the timepiece back an hour before retiring Saturday night.

Time Changes This Sunday

Time marches on, er ah, backward, or whatever. Anyway, starting this Sunday, citizens will again be arranging their schedules on Standard Time, rather than the Daylight Savings Time which has prevailed since the final Sunday in April.

And so that no one will forget which way to turn his clock, repeat these four words over three times: Spring forward, fall backward! Then remember to set your clock back one hour and you will regain that hour you lost back in the spring.

Complaints over the yearly changing seem to grow louder the last few weeks in the Daylight Savings Time period as children board school buses or trek off to school in total darkness, while businesses open their doors before daylight. Added to that, the dreary, dark weather of most of last week made the early morning hours seem unreal.

WHO'S WHO HONOREE -- Gene Sheets, Farwell senior, recently received the 1969-'70 edition of Merit's Who's Who Among American High School Students in which he has been named one of the outstanding high school students of America. The son of Mr. and Mrs. Harry Sheets, Gene is active in all phases of school life. He was one of 62,500 junior and senior students to be honored in the biographical publication.

Name Spelling Bee Director

Jim Noyes, Principal of Bovina Junior High has been named 1971 Spelling Bee Director for Parmer County.

The Parmer County Bee will be held by April 1, 1971, and the winner will go to Amarillo on April 24, 1971, for the annual limination contest where a new regional champion will be named. The young boy or girl named in Amarillo will win an all-expense trip to Washington, D.C., June 7-11, where he'll represent the Golden Spread in the national competition.

In 1970, Carolyn Gore, daughter of Mr. and Mrs. L. D. Gore of Friona, was the county champion and placed fourth out of 46 contestants. The champion was a student at the Friona Junior High School, eighth grade.

The 1971 Golden Spread Bee will be co-sponsored by West Texas State University and the Amarillo Globe-News. L. J. (Jack) Edmondson, director of public services at the university, will be coordinator for the Golden Spread event.

There will also be a secondary contest -- the only one of its kind within the National Spelling Bee program -- open to youngsters from the sixth and lower grades. These juniors will be guests of the Amarillo Globe-News at the Regional Bee on April 24, but will not spell unless they represent the senior division, also.

Tami Haseloff was the Parmer County Junior Champion for 1970 daughter of Mrs. Joyce Haseloff of Farwell. The junior champion attended the Far-

Cemetery Assn. Plans Dinner

The Texico Cemetery Association will hold its annual dinner in the Texico Community Building on Tuesday, Nov. 3, serving to begin about 11 a.m. CST. Chicken and dressing with all the trimmings will be served and the public is invited to come and eat. The meal will be served buffet style and the price is \$1.50 per plate.

Funds derived from this dinner will be used for the upkeep of the Texico Cemetery.

well Junior High School, sixth grade.

The district winner, to be named in April, will go to Washington where he'll compete with district winners from all over the United States. The trip includes various sight-seeing tours and entertainment.

Each county winner will receive a plaque in Amarillo and a gold pin; each county junior champion will be awarded a trophy and silver pin. Entry ribbons and winner ribbons will be given to all participants.

This year's contest marks the 23rd annual event, sponsored by the Globe-News Publishing Company, and will be the 44th national contest, sponsored by newspapers throughout the United States.

The new "1971 Words of the Champions" (containing 500 new words) may be ordered from: Jim W. Walker, Spelling Bee Editor, Amarillo Globe-News, Box 2091, Amarillo, Texas, 79105. Price -- 20 cents each.

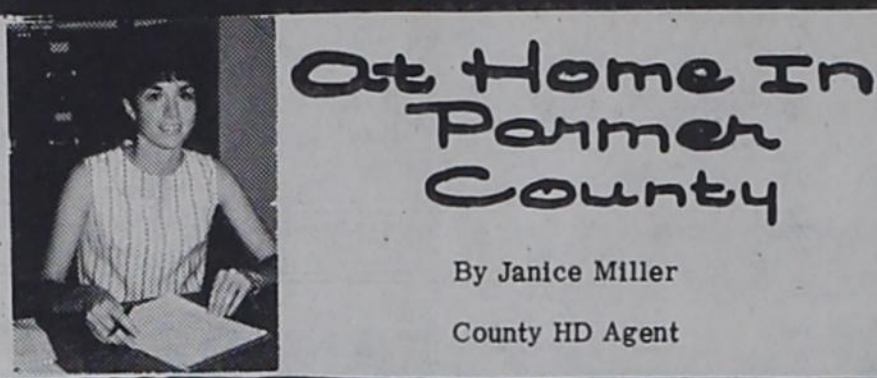

Delivery is expected around mid-October. Youngsters eager to begin studying should place their orders at once, Walker points out.

Services Conducted For Mrs. Maurer

Funeral services for Mrs. Gaylor (Carmen Teresa) Maurer, 36, of Friona were conducted Tuesday afternoon, Oct. 20, from the Congregational Church of Friona with Rev. Bob Cleveland, pastor from Cresco, Iowa, and the local pastor, Father Norman Boyd, officiating. Burial was in Friona Cemetery under the direction of Claborn Funeral Home.

Mrs. Maurer, who died at Parmer County Community Hospital Monday morning, was born in Maracay, Venezuela, and came to Friona two years ago.

Survivors include her husband, Gaylor; two daughters, Gwendolyn and Jessica of the home; her mother, Mrs. Socorro Ojeda of Americi, Venezuela; two sisters, Aura Castro and Dr. Della Ruiz of Americi; and a brother, Capt. Marco Ojeda, also of Americi.

At Home In Parmer County

By Janice Miller
County HD Agent

Food packages are big business these days; millions of dollars are spent each year on package design alone.

New packages continually are coming on the market. Some of these packaging trends are a boon to the consumer, says Gwendolyn Clyatt, Extension consumer marketing specialist. They mean more convenience, better quality of lower price.

But, there are times when the package does none of these.

There's the gimmick package that adds little but cost to the product. It seems that the package rather than its contents is for sale. So you, today's shopper, must be constantly alert.

Be sure that what you're buying is what you need and want. Most foods come in a variety of package sizes, too.

Remember to select the most

economical size for your particular use. Let packaging help you; don't let it be a hindrance to wise, economical purchasing.

Eggs are cheaper than meat as a source of main-dish protein when the price of nine large eggs is less than the price of a pound of meat with moderate amounts of bone and fat, such as a beef rib roast, says the U. S. Department of Agriculture. Or when the price of a dozen large eggs is less than the price of a pound of lean meat with little fat and bone, such as boned rump roast.

DEILED EGGS DELMONICO

4-5 Servings
Blend the following ingredients:
2 tablespoons grated onion
1/2 cup grated sharp cheese
1-1/2 cups thin white sauce
2 cups cooked macaroni

Is Hospitalized

Mrs. Ellen Daniel, formerly of Texico and who presently makes Lubbock her home, has been admitted to Clovis Memorial Hospital for surgery this week. Mrs. Daniel has been in Texico staying with her daughter, Mrs. Bud Peyton, since her son-in-law Bud Peyton suffered a heart attack. Peyton's condition is "about the same," reported his wife.

Enlist In Army

Leon Hargett, 18, and Johnny Diaz, 21, both 1970 graduates of Farwell High School, have volunteered for duty in the army and are presently engaged in their six-week basic training at Fort Ord, Calif. Parents of the two young men are Mr. and Mrs. Robert Hargett and Mr. and Mrs. Seberiano Diaz, respectively.

Amphion, a son of Zeus, built the walls of Thebes by charming the stones into place with a lyre, according to Greek mythology.

Oldest stained glass in the world represents the Prophets. It is in a window of the cathedral of Augsburg, Bavaria, Germany.

in academics, activities, athletics or community service or by Merit Publishing Company because of their high performance on one of the national scholarship award contests.

Publisher Paul C. Krouse made the following remarks concerning the book: "The purpose of this publication is to recognize on a national level the positive achievements of our country's outstanding high school students. Furthermore, it is our hope that potential recognition in this publication will serve as an additional incentive to students in their continuing pursuit of excellence. We trust that personal pride and satisfaction already exist and are more motivating than any other form of reward."

Selected students whose biographies were received prior to June 1, 1970, also received questionnaires from the Merit Co. concerning attitudes and opinions of the student leaders in the nation's high schools. Some 22,000 questionnaires were returned and a sampling of the students' views are presented in the publication along with a copy of the questionnaire.

This is but one of many honors for this Farwell senior. He has been a popular and active member of all phases of school and community life. He has served the junior and sen-

No Decision On Texico Tower

No decision has yet been reached by the Board of Trustees of Texico on plans for repairing one of the town's water towers, reports a town hall spokesman this week.

Trustees met with a representative of Southwest Tank Co. Tuesday night to discuss the repairs, but decided to wait until a study of materials and costs could be made before making a definite decision on the project.

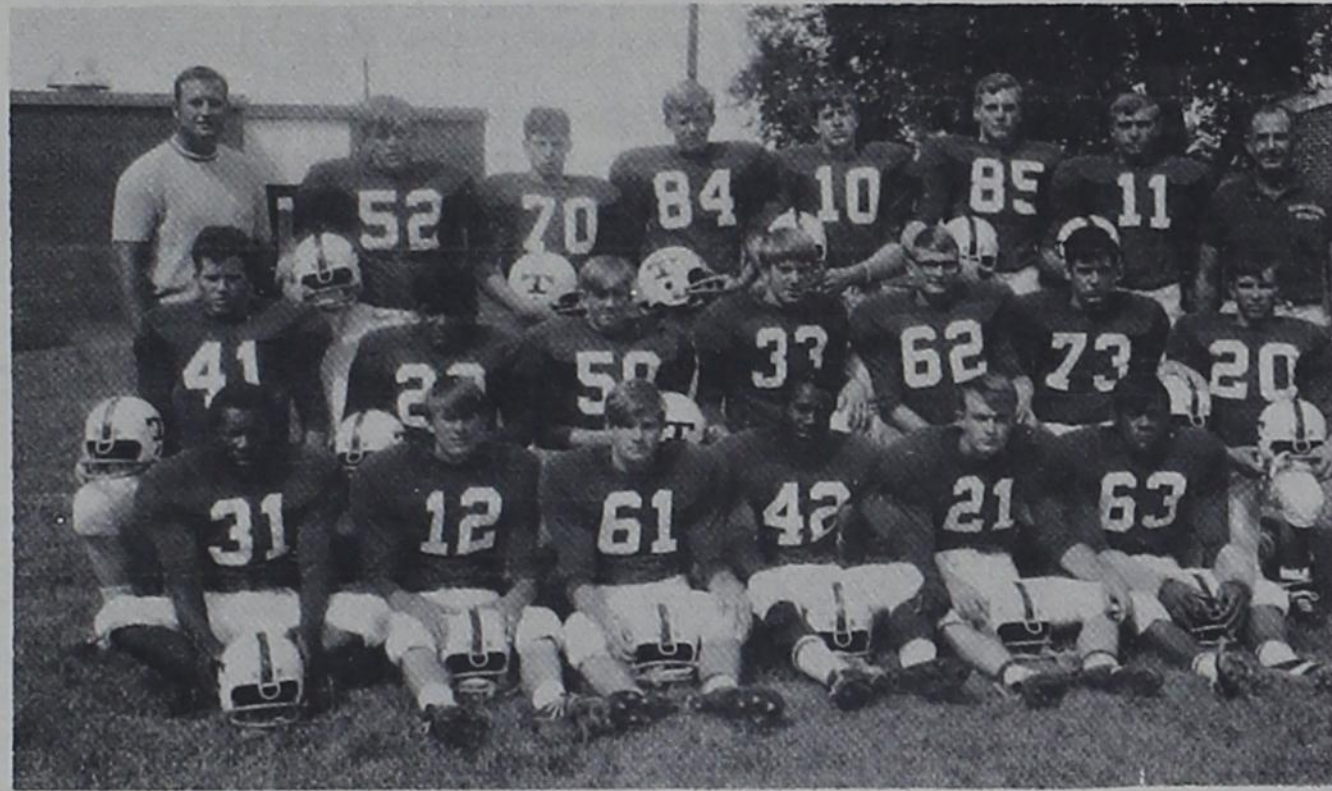

It is hoped that at the regular meeting of the board on Tuesday, Oct. 27, a final decision can be reached.

for classes as president; has lettered three years each in football, basketball, baseball, golf and track; and was named most valuable performer in track.

In addition, Gene has been editor of the yearbook, vice-president of the student council, member of the National Honor Society, and participated in band.

Gene, who is a member of Farwell Church of Christ, has his private pilot's license and enjoys all sports. After graduation next spring Gene plans to attend Lubbock Christian College where he will major in law.

ASCS Committee Unique, Successful

by Prentice Mills
No doubt, at some time or other, people who are not farmers have wondered why farmers in the county, state, and even the nation cooperate and take part in federal farm programs -- programs that benefit each of us and the generations to come, but which call for acreage controls, sometimes penalties, close restrictions and other deprivations on the farmer's part.

This question is usually answered with the thought -- "payment benefits." Certainly, payment benefits are a big factor, but there is another factor almost as big and important. And this has to do with the farmer committee system of administering farm programs. Without this, it is certain that no amount of payments would have brought about the good cooperation and participation that has existed over the years.

The assurance, confidence and respect farmers gain from having a voice in saying which fellow farmers are going to represent them as committeemen in ASCS activities causes a loyalty to "team" feeling that monetary returns couldn't bring about.

Farmers, as they participate in programs, find that whenever problems develop they are able to communicate their views and positions to the USDA better through a friend and fellow farmer who is a county committeeman and one who is responsible, within directives and guidelines, for carrying out programs in his county. It can easily be seen how the whole atmosphere of cooperation and efforts to attain mutual goals is enhanced by the committee system.

The question is often raised: Is it possible for these county committeemen and sometimes community committeemen to

effectively administer programs since they are farmers and many times well acquainted with the participants? The answer to this is -- the ASCS committee system has proven itself over and over in its 32-year history. Duly elected men in county committee positions make judgment decisions and rulings that have far reaching effects. This sometimes calls for action and decisions requiring refunds, penalties, forfeitures, loss of price support and allotment reductions on fellow farmers. Who else is in a better position to make such decisions than those who will have a knowledge and understanding of local farming conditions and work with them? Generally speaking, their actions and decisions have been above reproach.

No doubt, the committeemen's awareness that the programs they administer benefit all farmers, agriculture, and others brings out the best effort from them. People serving on county committees are under oath to administer programs to everyone in a fair and equitable way. Many (especially management specialists) outside and within the USDA have expressed amazement at the dedication and conscientiousness of county committeemen and note that this is seldom exceeded by any group or anybody. These committeemen feel a deep sense of responsibility to congress and the American public. They strive to see that every dollar spent on farm programs brings about the maximum returns in program objectives.

The county committee system is unique and it is understood that no other group of citizens has so direct a voice in running government programs.

COMMITTEE MEETS --- Farmer County ASCS Committee members attending a recent session of that organization are left to right, John Agee, member; Prentice Mills, county executive director; Louis Welch, chairman; and Jimmie Heard, vice-chairman. Members not pictured are Carl Schlenker and E. A. (Tony) Parham. At the expiration of his current term, Welch will have completed 15 years of service on the Farmer County ASCS Committee.

On The Farm In Parmer County

By R. MACK HEALD
County Agent

Most of the soybeans have been harvested. This is a secondary crop in Parmer County, with only 10,000 acres being planted this year. The yields have run along the 35-40 bushel average over most of the county. However, there have been some fields with 50 bushel or more harvested per acre. Prices for soybeans have ranged from \$2.40-\$2.55 with an average of \$2.50.

The sugarbeet harvest is just getting underway. From all indications the crop is going to be better than it was last year. The sugar per cent at the start of the harvest has been running from 13.0-13.3. The per cent sugar is expected to go higher as the harvest season progresses, hopefully up to the 18 per cent range. Last year the average per cent for the entire season was only 10 per cent. There are only about 5,800 acres in Parmer County, but their income was over \$1.5 million dollars in 1969. This makes sugar beets an important cash crop for the entire county.

Harvesting came to a standstill last week due to the wet spell that set in on Wednesday. Up to last Wednesday, Oct. 14, the grain and corn harvest had been in full swing. The milo harvest was about 50 per cent over as of last Friday. How much more will be harvested this week depends entirely upon the weather clearing up and the moisture per cent dropping. Yields have been about average over the entire county, with many reports above the 8000 pound range.

Attend Governor's Conference

Don Williams, president of Farwell Chamber of Commerce, and Jim Berry and Harry Sheets represented Farwell at the Governor's Conference on Industrial Expansion in Austin last Tuesday.

The all-day session, which was hosted by Governor Preston Smith, was held at the Austin Municipal Auditorium and featured the presentation of the Governor's Industrial Expansion Awards for 1969. Friona Chamber of Commerce's nominee, Missouri Beef Packers, Inc., was one of the award recipients.

Following the keynote address by Ronald Reffler, panel discussions were held and following the luncheon, Governor Smith addressed the group.

Methodists Attend Workshop At Clovis

Several members of Hamlin Memorial United Methodist Church were in Clovis Sunday afternoon and evening to attend a workshop on several areas of concern in the church. Several representatives of the General Boards were leaders for the workshop sessions.

Dr. Wendell C. Bassett directed the Health and Welfare Ministries portion of the program. Rev. W. T. Perry, pastor of the local Methodist Church, is district director of this program.

Dr. Joe Walker represented the General Board in the area of Missions and Dr. Dallas Dennison worked with groups concerned with Evangelism programs.

First United Methodist Church of Clovis was the scene of the workshop and some 70 persons from churches in the Clovis Sub-District were present.

Representatives from the local church included Rev. and Mrs. Perry, Mrs. Joel White, Mrs. M. A. Snider Jr., and Gil Patschke.

That cute little dormouse is not a mouse at all. It is a relative of the squirrel family.

If you ever wonder about the speed of a Texas jackrabbit, it sometimes revs up to 45 miles an hour, darting and dodging among the prairie cacti.

Those tumbling tumble weeds also have a poetic name. They are identified as the "roses of Jericho."

Homecoming Tonight At Texico

When the Texico Wolverines meet Tatum tonight (Friday, Oct. 23) on their homefield at 8:30 (CDST) it is going to be more than a football game. Tonight is also homecoming for the Texico School and to highlight the evening a Football King and Queen will be crowned during the halftime ceremonies.

This year's king and queen will be selected from the can-

didates that the student body nominated earlier this week. All candidates are members of the Pep Club or play on the football team. The football boys will vote on the three candidates from the Pep Club to select the queen and the Pep Club girls will vote likewise on the three football team candidates to select the king.

Candidates vying for this

year's honor include seniors Patricia Smith, Debbie Tharp, Wesley Clark and Monty Lambert. Junior candidates are Vickie Richardson and Terry Yell.

Following the game there will be refreshments of pie, pops and coffee served in the school cafeteria by the Texico Woman's Club. Everyone is invited.

Steers Of The Week

GARY ERWIN

BRETT HARGROVE

JACKIE GILLIAM

Toby Booth, head coach of the Farwell Steers, selected three members of the squad as Steers of the Week following play in the Farwell-Bovina game played at Farwell last Friday night. Selected as back of the week on offense was Gary Erwin who turned in another fine job of running. Brett Hargrove was named defensive back of the week for his fine pursuit and over-all performance. Named lineman of the week was Jackie Gilliam who played a fine game both ways for the Blue and White as they moved into first place in District 3-A.

Teams Split Games At Bovina

Farwell's junior high football teams had their October 8 games with Happy cancelled due to the unexpected snow. In last week's game with Bovina they lost one and won one. The eighth graders won their game 6-0 and the seventh graders were defeated 18-14.

In the eighth-grade win, the score was gained by a 14-yard pass from Lesly Curtis to Paul Brigham who ran 63-yards for the touchdown. Coach Jerry Owen gave outstanding recognition to defensive players Kent

Gast, Gary Green, Gene Charles Christian and Mark Haseloff.

Seventh grader Jack Foster scored the points for his team with a 26-yard run and a 18-yard run. Defensive players cited were Gerald Hardage, David Cantu, Brad Jones and Jubel Blair; offensive players recognized were Roger Johnson, Robert Diaz, and Charles Christian.

Springlake will be playing here Thursday, Oct. 23, with

game time at 5 p.m. Farwell and Springlake eighth grade teams are both undefeated in district play. Kress will be the junior high's opponent on Thursday, Oct. 29, when the local teams travel to Kress.

Farwell

Farwell Shines --

(Continued from Page 1) be denied. Bill Shelby took the ensuing Steer kick-off on the 20, and, behind superb blocking, made his way downfield for the only Mustang score of the night. A two-point conversion was missed, and the visitors trailed 26-6.

When Farwell fumbled the next time they had the ball, Bovina recovered and took over only 15 yards from a touchdown. From there they drove against the harassing Farwell defense to the three-yard-line only to be driven back and forced to give up the ball on downs.

After a couple of punts, Farwell got a drive going from their 45 and drove to the visitors' 14 in five plays where Larry Erwin snagged another Gene Sheets pass for the last score of the game. Erwin then iced his own cake when he added the extra point to make the final score 33-6. The game ended after a series of ball exchanges.

The nemesis of the Bovina offense was the Farwell defense, and leading this fearful aggregation were Larry Jones, Barry Williams, Mike Travis and Ray Norton.

In talking about the Steers' 33-6 victory over the Mustangs, Farwell's head mentor, Toby Booth, says he feels that it was the first time the Steers had really looked like a ball club. "Our offensive linemen moved better and quicker than they have all year and our offensive blocking was excellent as far as the backs were concerned," said the coach.

"Defensively, it was probably the best we have looked," Booth noted, adding, "Gary Erwin's running was real good; Sheets did a fine job quarterbacking the team; and Larry Erwin did a great job of catching the football."

Sophomores Sell Smoked Turkeys

One of this year's class projects for the sophomores of Farwell High School include the sale of Taylor's Hickory Smoked Turkeys. These turkeys will be selling for \$1.50 per pound and they average 10 to 12 pounds. Smoked boneless turkey rolls are also being sold and these are priced at \$2.50 per pound with the average weight being four to six pounds. Smoked hams are also available for ordering.

The turkeys and hams may be ordered until Thanksgiving or Christmas.

To place your order, contact any member of the sophomore class or Larry Taylor, sponsor. Proceeds from the sales will go to the class treasury.

BLOCK AND RUN -- Fleet Steer back Gary Erwin lugs the ball behind the blocking of teammates Clint Deeds #72, Randy Chandler #22, and Mike Haseloff #64. Erwin's good run was nullified by a penalty and the ball was set back five yards on the play. Erwin added 164 yards to his season's total in the Farwell 33-6 win over County and District rival Bovina.

Longhorn Roundup

by Mike Casey

(Editor's Note: The play-by-play story of the Lazbuddie-Texico game arrived too late for publication.)

Highlight of the homecoming activities at Lazbuddie School recently was the coronation of a homecoming queen and king at halftime of the Lazbuddie-

Texico football game. Named homecoming queen was Barbara Woodard. Charles Lee was crowned homecoming king. Runners-up were Delayne Steinbock, escorted by Mike Casey, Lee Ann Harlan, escorted by Randy Bush, and Debbie Engelking, who was escorted by George Wilson.

QUARTERBACK CARRY -- Gene Sheets, Steer signal caller, trots across the Bovina goal line with the pigskin in the second quarter of last week's Steer victory over the Mustangs. Quarterback Sheets accounted for 56 yards rushing on nine carries and hit on four of seven passes for 107 yards in Friday night's outing.

Junior Varsity Loses To Bovina

In their October 15 game with Bovina the Farwell Junior Varsity lost 28-0. It was a game played in cold and damp weather with Coach Larry Taylor commenting that the boys played better ball during the second half than they did during the first part of the game.

"There was good defense played during the second half," reported Coach Taylor. He cited Harold Jones and Craig Capps for their fine defensive playing and Kevin Hardage and Kevin Hargrove in their offensive efforts.

The team plays Springlake here Thursday, Oct. 22, and Taylor says it should be a "close game as Springlake always hits hard. Bovina was defeated by Springlake 18 to 6.

After their game on the 22nd with Springlake the junior varsity boys will travel to Kress on October 29 for a game with them.

Certain wasps have been credited with becoming the world's first paper mills. Their nests are paper-like substances which they make themselves.

Teachers Attend Regional Society Meet

Mesdames Loretta Pool and Nelle Craig, teachers in Farwell School, and Mrs. Hattie

Coffer, former teacher in the school, were in Tulla on Saturday, Oct. 17, to attend the

regional meeting of the Delta Kappa Gamma Society International.

Parsonage Open House Planned By Methodists

On Sunday afternoon, Oct. 25, between the hours of 2:30 and 5 o'clock, open house will be held at the parsonage of Hamlin Memorial United Methodist Church at 905 5th Street in Farwell.

Rev. and Mrs. W. T. Perry invite all residents of Texico-

Farwell to attend the open house to see the newly redecorated parsonage. Many of its furnishings have been refinished and renewed and the interior has been repainted.

Sponsors of the open house are members of the Women's Society of Christian Service who will serve refreshments during the receiving hours. They also extend a cordial invitation for everyone to come to see the parsonage.

Mrs. Pool, who is vice-president of Iota Eta Chapter of the Society, attended the president's dinner on Friday evening in the home of Mrs. Roy Pyatt in Tulla.

During Saturday's session, whose theme was "This Time--What To Do With It," attendants heard a report on the international convention by Mrs. Jane Whitworth of Pi Chapter of Amarillo and also heard various discussions by society members.

Mrs. Craig, who is the special education instructor at Farwell Schools, gave a talk on "It's Time Delta Kappa Gamma Members Became Aware of the Handicapped."

In Matthews Home

Visiting last week in the home of Mrs. W. J. Matthews were Mrs. A. L. King of Lovington, N.M., Rev. and Mrs. E. D. Morgan and Mr. and Mrs. George Caldwell, all of Amarillo, and Miss Elizabeth McCordle of Killeen, Tex.

Farwell Study Club Meets

Farwell Study Club met Monday night, Oct. 19, in the Art 'n Such building. President Cricket B. Taylor presided over the business meeting and

gave a report on the district meeting that she attended in Colorado City on Saturday, Oct. 17.

Members answered the roll call by giving the name of their favorite artist. A demonstration on "gold leafing" was presented by Mesdames Jo Ann Liehen, Beulah Williams, and Dickie Magness.

Serving refreshments were hostesses Hattie Coffer, Jewell Scott and Nina Glasscock. In addition to their guests, club members that were in attendance included Mesdames Jewell Scott, Lenora Tatum, Gertrude Foster, Eunice Crume, Hope Shuman, Nina Glasscock, Alice Williams, Carrie Christian, Sal Vincent, Clytie Dial, Cricket Taylor and Hattie Coffer.

Named To Who's Who

Miss Zelda Donaldson, daughter of Mr. and Mrs. Sterling Donaldson of Farwell, has recently been named to the 1970-71 edition of "Who's Who Among Students in American Colleges and Universities." The Bovina High School graduate is a senior business education major at Hardin Simmons University in Abilene.

Supper Slated

On Friday, Oct. 30, from 5 to 7:30 p.m. in the school cafeteria, Farwell's eighth grade is sponsoring an enchilada supper prior to the Farwell-Kress football game. Price of the meal is \$1.50 for adults and 75 cents for students. Everyone is invited to come out and eat supper with the eighth grade and help in its money-making project.

Locals

Friday evening supper guests in the home of Rev. and Mrs. W. T. Perry were Dr. and Mrs. Joe Emanuel of Gallup, N.M., where Dr. Emanuel is pastor of First United Methodist Church. The Emanuels had been in Abilene attending the Willison Lectures at McMurry College and were en route to their home.

Kyle Sheets, student at Christian College of the Southwest in Dallas, visited during the weekend with his parents, Mr. and Mrs. Harry Sheets, Gene and LaShawn. Kyle arrived in Amarillo by plane and was met there by Connie and Al Phillips who brought him to Farwell for the weekend. This was the first time Kyle had been home since the beginning of the fall semester.

Seventh Graders Have Gym Party

Approximately 55 members of the seventh grade of Farwell Junior High were entertained at a gym party at the school on Tuesday night. The social was the class observance of Halloween and featured group games of Hobo Relay, Gum and Glove Relay, Bobbing for Apples, and others. The class had originally planned a hayride for the occasion but it was cancelled due to the cold and damp weather.

Refreshments of hot dogs, chips, pops and candy were served. Class sponsors are Mrs. Diane Hogan and Mrs. Dolores Vaughn, and class parents are Mr. and Mrs. Billy Watts and Mr. and Mrs. Gerald Norton. Others helping sponsor the party included Mesdames Peggy Sudderth, Mary London, Sherry White, Mona Hardage, Betty Embry, Ruth Blair, June Magness, Lamoine Williams, Carolyn Owens, Lawana Trantham, and Julia Langford.

HARVEST CARNIVAL ROYALTY -- Crowned king and queen of the annual Harvest Carnival at Texico School last Friday night were Dwayne Kelley, freshman, and Pat Smith, senior. Dwayne is the son of Mr. and Mrs. J. D. Kelley and Pat is the daughter of Mr. and Mrs. Clarence Smith. Voting for the candidates took place during carnival activities at the annual event sponsored by the Student Council.

Steer Bandsmen Of The Week

Eight members of the Farwell High School Marching Band have received Bandsmen of the Week honors in recent weeks at Farwell High School. They are selected on basis of their performances at the football game halftime ceremonies each Friday night by Band Director Lynn Burton. Named for the honor following

the homecoming game were (left picture) left to right, Ginger Herington, Kent Blain, Gail Meeks and Gerald Gohlke. At right are those selected following the performance at the Happy-Farwell game. Left to right are Bessie Bowery, James Hobbs, Carolyn Herington and Susan Symcox.

From Galveston

Mrs. Tommy Williams and son Scott of Galveston spent the past weekend visiting in the home of her parents, Mr. and Mrs. Bill Prince, and with her husband's parents, Mr. and Mrs. Jack Williams. Dan Prince, student at Texas Tech, also spent the weekend in the home of his parents. Mrs. Williams and Scott returned to their home Sunday afternoon.

Tournament Rescheduled

The Texico girls softball tournament previously scheduled for last Saturday, Oct. 17, was cancelled due to a wet field. The tournament has been rescheduled for tomorrow, Saturday, Oct. 24, starting at 10 a.m. at the Lions Club Ball Park.

Political advertisement paid for by Committee to Re-Elect Lt. Governor Ben Barnes, Ralph Wayne, Chairman.

READY FOR HALLOWEEN -- In getting into the spirit of Halloween, which is only a week away, bulletin boards in Farwell Elementary School took on a "scary" look this week. Children are admonished to "be fair to others" in this scene which is posted in the hallway of the building. Students in the elementary school are eagerly looking forward to the annual Halloween parties which are planned for each class next Friday afternoon, Oct. 30, and have been busy decorating their rooms for the festive occasion.

Pleasant Hill Club Has Garage Sale

Pleasant Hill Community Club met Thursday, Oct. 15, in the home of Mrs. Helen Kelley to prepare for the garage sale they held Friday, Oct. 16.

After a Dutch treat luncheon at a Clovis cafeteria, a business meeting was held with Elaine Boatwright, president, calling the meeting to order. Minutes were read by Delores

Eichenberger, and roll call was answered with "Name a Different President."

The 16 members present repeated the pledge of allegiance to the flag and sang "My Country 'Tis of Thee." Ogatha Langford presented a beautiful driftwood arrangement for the Club House dining room table.

Elsie Neeley made cupcakes for the afternoon dessert. Coffee was served by Mrs. Kelley. The next meeting will be Nov. 5 at the community building.

Members present were Mesdames Martha Heinz, Ruby McCormick, Monte Baldrige, Francis Webb, Thelma Eskey, Ima Kimbrough, Beverly Pierce, Helen Kelley, Joe Mae Priest, Delores Eichenberger, Elaine Boatwright, Ogatha Langford, Cavie Lovett, Nora Bocos, Mary Lou Jesko, and Thelma Holland.

Visits In Amarillo

Mrs. Joe Helton returned home Monday from Amarillo where she had visited during the weekend with her mother, Mrs. J. E. Whatley. Mrs. Helton had taken her husband to Amarillo to board a plane to take him to South Dakota for a hunting trip. Mrs. Whatley came to Texico on Monday to visit a few days in the Helton home.

Hospital Notes

Mrs. Phil (Dorothy) Jones was released from Clovis Memorial Hospital at noon on Monday after being confined there following surgery. Mrs. Jones, who had surgery October 13, is reported to be in satisfactory condition this week.

John Hightower of Texico entered Clovis Memorial Hospital on Sunday and underwent surgery Tuesday. His condition was reported to be satisfactory at press time.

Visit Christians

Mrs. Van Crume and baby daughter Keralee of Albuquerque, N.M., are visiting this week in the home of Mrs. Crume's parents, Mr. and Mrs. C. C. Christian, and with other relatives. Visiting in the Christian home on Saturday was their other daughter and family, Mr. and Mrs. Benny Darnell and sons of Amarillo.

Visiting Sunday with the Christians and Mrs. Crume were the Troy Christian and Donald Christian families. Mrs. Crume is also visiting another brother and family, the Wendol Christians, while here.

Visit In Colorado

Mr. and Mrs. Wilfred Quickel, accompanied by her father, J. R. Thornton, left last Friday for Manitou Springs, Colo., where they visited Thornton's son and family, the Julian Thorntons. The local people, who returned to their homes late Sunday, report that the weather in Colorado was lovely and that they encountered more snow near Grady, N.M., than they did in any part of Colorado.

McNutt's Visit

Mrs. Ronny McNutt and daughter Tammy of Childress, former Farwell residents, visited in Farwell this week with Mrs. Retha Belle Grissom and Mr. and Mrs. Jack Wardlaw and children and other friends. McNutt, who was Farmer County Agricultural Agent before moving to Childress, was attending a meeting of county agents this week. Mrs. McNutt taught in the Farwell School system when they made their home here.

Mr. and Mrs. Charles Tipton and Lori of Tahoka, formerly of Texico, spent the weekend visiting in the home of her parents, Mr. and Mrs. C. E. Goforth in Texico.

Legal Notice

THE STATE OF TEXAS TO: George G. Wright, whose address is unknown, and should he be married, then his unknown wife, and should he be deceased, then his unknown heirs, devisees or legal representatives, and all of the unknown owners or claimants in or to the hereinafter described land, all of whose places of residence, addresses and whereabouts are unknown to Plaintiff, and in each case where defendant is referred to as being unknown, then the name, address, legal residence and whereabouts of those defendants are all unknown, Defendants, GREETING:

You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 23rd day of November, 1970, at or before ten o'clock A.M. before the Honorable District Court of Farmer County, Texas, at the Court House of said County in Farwell, Texas.

Said Plaintiff's Petition was filed in said court, on the 9th day of October A.D. 1970, in this cause, numbered 3162 on the docket of said court, and styled, RANDOL C. ALLEN Plaintiff, VS. GEORGE G. WRIGHT, ET AL Defendants. The names of the parties to the cause are as follows: Randol C. Allen is Plaintiff and George G. Wright, whose address is unknown, and should he be married, then his unknown wife, and should he be deceased, then his unknown heirs, devisees or legal representatives, and all of the unknown owners or claimants in or to the hereinafter described land, all of whose places of residence, addresses and whereabouts are unknown to Plaintiff.

Dr. Bassett Visits In Texico-Farwell

Visiting in the Texico-Farwell area Monday of this week was Dr. Wendell C. Bassett, Director of the Department of Church Relations of the General Board of Health and Welfare Ministries of the United Methodist Church.

Dr. Bassett visited Hamlin Memorial United Methodist Church to consult with Rev. W. T. Perry, pastor, who is district director of Health and Welfare Ministries in the Clovis District.

Dr. Bassett is a member of the North Michigan Conference of the United Methodist Church and maintains his office at Evanston, Ill. He had been invited to the Clovis District to lead several workshops composed of local church representatives in the area of Health and Welfare Ministries.

One workshop was conducted at Clovis on Sunday and one was held in Hobbs on Monday.

Attend Funeral

Mrs. R. L. Douglas and Mr. and Mrs. Lacy Hardage were in Seymour, Tex., recently to attend funeral services for Riley Henson, longtime friend of Mrs. Douglas and her brother, Hardage. Henson was a brother of Bud Henson of Clovis.

tiff, and in each case where defendant is referred to as being unknown, then the name, address, legal residence and whereabouts of those defendants are all unknown, are Defendants.

A brief statement of the nature of this suit is as follows, to-wit:

Suit to trespass to try title, Plaintiff alleging that on or about the 1st day of October, A.D. 1970, he was lawfully seized and possessed of all of Lot 5, of Block 42, of the Original Town of Friona, Farmer County, Texas, together with all of the oil, gas and other minerals in and under and that may be produced from said land, and that on said date Defendants unlawfully entered thereon and ejected him therefrom and unlawfully withheld from him the possession thereof, to his damage in the sum of \$3,000.00, and that the reasonable annual rental value of said property is \$3,000.00.

Plaintiff further pleads and invokes the 5-, 10- and 25-year statutes of limitations as same apply to land titles in the State of Texas, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this 9th day of October, A.D. 1970.

Attest: Dorothy Quicquel Clerk, District Court, Farmer County, Texas.

SEAL Published in The State Line Tribune Oct. 16, 23, 30 and Nov. 6, 1970.

School Lunch Schedule

TWO MINUTES WITH THE BIBLE BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635 "RIGHTLY DIVIDING THE WORD OF TRUTH" St. Paul wrote to Timothy, many centuries ago: "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness" (II Tim. 3:16). The apostle referred, of course, to the sacred Scriptures, also called "the Word of God." All of it, he says, is "God-breathed" and "profitable" to "teach," to "reprove," to "correct" and to "instruct."

Seven Constitutional Amendments

WHICH WILL BE VOTED ON AT THE GENERAL ELECTION

November 3, 1970

The proposed amendments are discussed in the order in which they will appear on the official ballot. The wording which will appear on the ballot is quoted at the beginning of each discussion.

It is not the purpose of these analyses to indicate how anyone should vote but to present facts which will be helpful in determining whether these amendments are desirable — and for the best interests of our people as a whole.

Because our Constitution is the instrument guaranteeing our liberties and since it is not simple or easy to revise it, citizens have a great responsibility in voting to adopt or reject proposals such as the seven which are separately analyzed in the following pages.

PROPOSITION 1 REMOVAL, RETIREMENT OR CENSURE OF JUSTICES, JUDGES AND JUSTICES OF THE PEACE

At the election you will be asked to vote **FOR** or **AGAINST**: "The Constitutional Amendment relating to the removal, retirement, or censure of Justices, Judges, and Justices of the Peace under prescribed circumstances."

In 1965 Texas voters adopted a constitutional provision setting a mandatory retirement date for district and appellate judges and creating a State Judicial Qualifications Commission which would make a continuing study of judicial conduct and disabilities.

The Commission was instructed to recommend to the Supreme Court of Texas removal from office of a judge, before retirement age, for willful or persistent conduct which is clearly inconsistent with the proper performance of his duties, or casts public discredit on the judiciary or administration of justice. It was further authorized to recommend involuntary retirement for disability seriously interfering with the performance of a judge's duties which is, or likely to become, permanent in nature.

The proposed amendment of Article 5, Sec. 1-A would extend the Commission's duties to include: "Any county judge, any judge of a county court at law, a court of domestic relations, a juvenile court, a probate court, or a corporation or municipal court,

and any justice of the peace, and any judge or presiding officer of any special court created by the Legislature as provided in Sec. 1, Article V" of our State Constitution.

It would add two new lesser forms of penalty: (1) A private reprimand from the Commission, and (2) Public censure from either the Commission or the State Supreme Court.

Under this proposed amendment any of these members of the judiciary could be removed from office or censured in lieu of removal, for willful or persistent conduct which is clearly inconsistent with the proper performance of his duties or which casts public discredit upon the judiciary or the administration of justice.

For a permanent disability seriously interfering with the performance of his duties, or a disability likely to become permanent, a person could be removed from office. If he is eligible for benefits under state laws for judicial retirement, such removal would take the form of involuntary retirement.

No judges have been removed from office since the current constitutional revisions were adopted in 1965, but it is generally believed that the availability of a procedure for removal from office has had a beneficial effect on the administration of justice. The opportunity for reprimand and public

censure would add further pressure that should be highly effective, especially so long as we have an elective judiciary.

PROPOSITION 2 LOCAL OPTION MIXED DRINKS

You will be asked to vote **FOR** or **AGAINST** the: "Repeal of the prohibition against open saloons found in Sec. 20, Article XVI of the Constitution of the State of Texas."

The Legislature would have the power under this proposed amendment to enact a mixed beverage law regulating the sale of mixed alcoholic beverages on a local option basis.

There has been a long time debate on whether or not the constitutional prohibition against "open saloons" would permit any sort of a "mixed drink" statute. The last Regular Session of the Legislature resolved the debate by submitting that decision to the State voters. The Legislature has broad powers to regulate the manufacture, sale, possession and transportation of intoxicating liquors, including the power to establish a state monopoly on the sale of distilled liquors. These powers are also subject to local option elections.

When our State Constitution was adopted in 1876, it provided for submitting to the people of any locality the question of whether they would license or prohibit saloons. During World War I both the nation and the state adopted prohibition. The Federal Constitutional Amendment was repealed in 1933. The present provisions of our State Constitution allowing sale of liquor on local option basis were adopted in 1935.

This Amendment would apply to only Subsection (a) of Sec. 20, Article XVI, which prohibits the "open saloon", but it would still require local election permission to adopt any new law providing for mixed drinks.

Under local option there are 129 counties in Texas which allow the sale of distilled liquor by the bottle in part or all of the county. In 31 of these, sales are legal throughout the county. Texas is one of the six states which prohibit liquor by the drink in saloons open to the public. The arguments for and against sale of liquor by the drink are too well known to require listing here. The major issues in most discussions are concerned with which method is most enforceable and most likely to result in temperance and respect for law.

PROPOSITION 3 SPECIAL TAX PROVISIONS FOR RANCH, FARM AND FOREST LANDS

You will be asked to vote **FOR** or **AGAINST**: "The Constitutional Amendment to authorize the Legislature to provide by law for the establishment of a uniform method of assessment of ranch, farm and forest lands, which shall be based upon the capability of such lands to support the raising of livestock and/or to produce farm and forest crops."

Four years ago a Constitutional Amendment was adopted which provided that land designated by its owner for agricultural use shall be assessed for tax purposes on the basis of its agricultural use only, though it might be more valuable for other purposes. This means that land near a city, for example, can continue to be taxed on its value as ranch or farm land so long as the owner wants to use it that way, regardless of its worth for present or future development as residential or industrial property.

To get this lower assessment, a number of provisions must be met. The land must be owned by natural persons. Products of the soil must be grown under natural conditions, and as a business venture for profit. This must be the primary occupation and source of income of the owner. The requirements for eligibility, filing, etc., are lengthy and detailed.

Under the proposed amendment, the Legislature could do by law what the present wording of this section guarantees expressly and minutely. However, it would change the impact from the owner applying for a different consideration to requiring the taxing authority to establish a uniform assessment on land meeting the statutory definitions.

The purpose of the amendment is to recognize the problems in inequities under the present assessing practices, particularly as applied to crops which take longer than one year to mature. Its terms are so broad, however, the Legislature may find it difficult to define and limit their application. Capability is capacity of being used or developed. It is having the ability or qualities necessary for a purpose, in this instance for raising livestock or producing crops. The full potential of a piece of land, and of neighboring property, might be affected by intensity of development, fertilizers, the kind of crops grown, or the breed of livestock raised.

The Legislature apparently could define what constitutes farm or forest land. It might find such a definition necessary in order to distinguish property near enough a city, or an oil well, or other development which it determines should be assessed on its speculative value.

While the amendment would allow the Legislature to adopt a new assessment method, it does require it. If the amendment passes, and the Legislature does not act, assessing the policies will revert to those in effect prior to November, 1966. If and when it does adopt legislation, the method of assessment will have to be uniform, apparently in all cases and throughout the State. If the Legislature should feel it was necessary, this could include consolidation or assessing authorities within certain areas, or some sort of state agency to insure uniform statewide application of the law, or both. If either approach is reasonably successful and accepted, pressure may be generated for uniform methods of assessing all other ad valorem taxes.

The powers are broad enough and the problems are big enough to spur some new thinking and some new approaches to tax problems, and to other relations between local governments and the State.

PROPOSITION 4 RECONSTITUTING STATE BUILDING COMMISSION

At the election you will be asked to vote **FOR** or **AGAINST**: "The Constitutional Amendment reconstituting the State Building Commission as a three-member appointive commission."

This is a proposal to change the membership of the State Building Commission from state officials, ex-officio, to three citizens appointed by the Governor with the advice and consent of the Senate. At present

composed of the Governor, the Attorney General and either the Chairman of the State Board of Control or another official designated by the Legislature.

If adopted, the first appointment will be a member named for a two-year term, one for four years and one for six years. Thereafter the Governor will appoint a new member every two years, for a six-year term. He will designate one member as Chairman and also fill the vacancy of any unexpired term.

This section of the Constitution creating a State Building Commission was adopted in November, 1954. The Commission was authorized to acquire property and construct and equip buildings for state purposes. The first structure was required to be the State Supreme Court Building. Land has been acquired and several buildings constructed in the development of a capitol complex stretching northward from the

Texas

The Commission has had available the revenues remaining and unused each year from a two-cent ad valorem tax for confederate pensions. A 1968 Constitutional Amendment prohibits levy of this tax after 1976. The proposed amendment would not change the financing provisions. After 1976 the Commission would have available to it only the money the Legislature appropriates from the General Revenue Fund. The Amendment would be self-enacting.

PROPOSITION 5

COUNTY ROAD BONDS ON MAJORITY VOTE

You will be asked to vote **FOR** or **AGAINST**: "The Constitutional Amendment authorizing any county, on the vote of a majority of its qualified property tax paying electors, to issue road bonds in an amount not to exceed one-fourth of the assessed valuation of the real property in the county."

Section 52, Article III of our Constitution allows counties, cities and other political subdivisions of the State to issue bonds for roads and turnpikes, and certain other public improvements, when authorized by two-thirds majority vote of the resident property taxpayers voting thereon who are qualified electors.

The total bonds issued may not exceed one-fourth of the assessed value of real property of the issuing authority.

The proposed amendment would rewrite this section to allow any county in the State to issue bonds for roads and turnpikes on the approval of a simple majority of those voting in an election, rather than the two-thirds majority presently required. The election would still be restricted to qualified electors who are resident property taxpayers.

In 1968 a new Section 52e applying only to Dallas County was adopted. It will not be affected by this proposed amendment. The '68 amendment allows road bonds to be issued by Dallas County without being subject to the debt limit prescribed in Section 52, and on the approval of a simple majority of the qualified voters taking part in the election.

The proposal to be voted on in November does not go this far. It would make only the one change, allowing county bonds for construction, maintenance and operation of macadamized, graveled or paved roads or turnpikes to be adopted by a vote of a simple majority, rather than the two-thirds now required. The amendment would be self-enacting.

PROPOSITION 6

RAISING HOMESTEAD EXEMPTION FROM \$5000 TO \$10,000

You will be asked to vote **FOR** or **AGAINST**: "The Constitutional Amendment increasing the value of the homestead which is exempt from forced sale."

This is a proposal to increase the maximum value of a town or city block or lot which may be claimed as a homestead from \$5000 to \$10,000. This limit applies to the value of the real property without reference to any improvements on it. It applies to value at the time the property was designated a homestead, regardless of later increases in value. A homestead must be used for the purposes of a home, or as a place to exercise the calling or business of the head of the family. The rural homestead not in a town or city would remain at 200 acres of land, which may be in one or more parcels, and includes the improvements on the land.

The homestead exemption originated in Texas. While governed by a Spanish Colonial law, Texas

became familiar with exemptions for family clothing, a minimum amount of furniture and the implements of the breadwinner, none of which could be taken for forced payment of debts. In an agricultural community it was natural that this concept should be extended to the family home and land.

The earliest homestead exemption law was adopted by the Republic of Texas in 1839. It was written into the Constitution when Texas became a State in 1845. Originally, the dollar value exemption for urban lots was \$2000. It was increased to \$5000 in the Constitution of 1869. The Constitution of 1876,

which is our present Constitution, continued the same exemption in its Article XVI, Sec. 51, which this proposal would amend.

The increase in the dollar amount of the exemption is urged as recognition of changing economic conditions and increased land costs. Without going back to 1876, the lot which could be bought several years ago for \$5000, and which may be still exempt as a homestead, could not in most instances be purchased today for the \$10,000 proposed as the new maximum. However, the exemption operates only as a floor under the welfare and fortunes of a family, and the question is whether the floor should be raised.

PROPOSITION 7 CONSOLIDATING SOME FUNCTIONS OF LOCAL GOVERNMENT

You will be asked to vote **FOR** or **AGAINST**: "The Constitutional Amendment authorizing the Legislature to provide for consolidating governmental offices and functions and allowing political subdivisions to contract for performance of governmental functions in any county."

This proposal would authorize the Legislature to provide by special statute for consolidation of government offices and functions of government within any county in the State. It would allow a special law to be tailored to the requests and desires of the people of any one county.

It would also allow a county government, or any political subdivision within the county, to contract one with another for performance of any governmental functions either required or authorized by the Constitution or laws of Texas under such terms and conditions which the Legislature may prescribe. The term "governmental functions" is defined to include all duties, activities, or operations of statewide importance in which the county acts for the State, as well as functions of local importance.

An amendment was adopted in 1933 providing for county home rule charters. It is long and detailed and has never been used. In 1966 a constitutional provision very similar to this proposal was approved, applicable only to Harris County. In 1968 an amendment applicable to El Paso and Tarrant Counties was adopted. Neither of these has been used, but the last one is the basis of the present proposal which would make its procedures available to all counties.

The impact of this amendment, if adopted, would in a large part depend on the extent to which the Legislature implemented it with legislation. Should the implementation be broad, it might produce economies in some counties that would set a statewide pattern for the combining of many of the functions of local government either by contract or by actual consolidations. It is a fertile field for experiment.
