# Fuel Alcohol Meeting In Muleshoe Thursday

The final sign-up meeting of the High Plains GPI Cooperative will be held at the Muleshoe Civic auditorium Thursday, Aug. 28, at 8 p.m. From now until September 2, local area farmers may still become members of this fuel alcohol venture. After the September date the membership rolls will be closed and all plant plans will be finalized.

"It's coming right down to the wire," say Guy Austin and Grady Sorley, officers with High Plains Grain Products

International Inc. "The site study is nearly complete, and very shortly we will know what size fuel alcohol plant we are going to be constructing in this area."

The final 'push' is on to obtain members of the GPI. Grower-members will determine just what size, from 30 million gallons-up for the fuel alcohol plant to be constructed somewhere in this immediate area.

September 2 is the final date to sign up to become a part of this multi-million

dollar operation, according to Austin and Sorley.

They pointed out that since plans for the plant got underway, the price of fuel alcohol has increased to \$1.83, DDC has jumped in price to \$145 per ton and earnings on 100 pounds of corn have increased to \$6.77 while the earnings for milo have increased to \$6.97. It is projected that by the time the plant is operational, earnings on corn will be \$8.30 per hundred pounds.

Dennis Johnson, planner

and consultant from Arthur D. Little, consultants from Massachusetts, is currently narrowing down the proposed plant site to around two to three locations. Dr. John Nystrom is working on the mechanics of the plant and Bill Leavitt is working on a financial package for construction and operation of the multi-million dollar fuel alcohol plant.

The final meeting before actual signing of construction contracts is September 2 for all the general membership.

Austin and Sorley said fuel alcohol is in great demand, and because of the lack of operational plants in the U.S. is still shipped to the U.S. from Brazil.

They are suggesting that current members increase their membership before the cut-off date. According to the GPI officers, a note may be signed for the \$1,000 for each 10,000 bushels of grain to be taken to the plant. They said the note may be carried at 10

percent interest, and would be payable from the first dividend check, not later than September 2, 1983.

"We have the grain, so we have the ball, and how we play the ball game is entirely up to us," said Sorley. "Let's take the ball and run with it while we can."

Austin, of Farwell, is chairman of GPI and Sorley, of Bovina, is secretary-treasurer. Other board members include Bert Williams, Farwell; Tommy Whately; Jim Owens, Tulsa; Bobby Redwine

and Doug Bales, Muleshoe; Herman Wheatley and Rusty Andrews, Brownfield; Morris Killough, Muleshoe; James Higgins, Hereford; and Garvin Thorn, Hub.

Any board member will explain the proposal to prospective members of the co-op which will become a closed cooperative on September 2.

After listening to President Carter's speech of last week we are reminded that he has indicated that this fall's campaign will feature demagoguery at its worst. He must have had inside information on that subject.

Syndicated columnist George Will says that's an interesting comment from the man who:

—Early in 1977 said: Hey, let's mail everybody some money—a \$50 tax rebate.

—Attacked entire classes of Americans, including doctors and lawyers.

—Pandered to other public prejudices with repeated attacks on another safe target, oil companies.

—Blamed most of America's inflation on wicked foreigners—OPEC—despite 11 of the 13 industrial nations that are more dependent on OPEC than America having lower inflation rates than America.

—Announced, as the economy tumbled into a free-fall, that his economic policies "suit me fine."

—Said, as those policies produced the worst two consecutive months of rising unemployment statistics in the history of American unemployment statistics, that "no working man or woman can find fault with our policies."

—Submitted a budget calling for a percentage increase of federal expenditures exceeded only once in a quarter of a century, and then denounced Edward Kennedy as "the biggest spender perhaps in the history of the United States Senate."

—Said that "The difference between me and Sen. Kennedy are very minor."

—Shattered the record for peace-time tax increases, proposed a budget calling for the federal government to command the highest percentage of GNP since 1944, a year of total war mobilization and then denounced as "ideological nonsense" Reagan's idea that taxes should be cut.

—Said, three months ago, shortly before even his administration began to admit that the deficit will be at least \$20 billion that: "I don't have any doubt that we will have a balanced budget in 1981."

—Delivered, 11 months ago, one of the worst speeches in the history of speeches, the "malaise" sermon, in which he told the nation: I'm unpopular, so you're sick.

—Followed that performance with yet another flamboyant visit to the porch of "average Americans."

—Described SALT II, which not even a Democratic-controlled Senate would ratify, as "a major achievement of my administration."

—Went on television to make a histrionic declaration that the presence of Soviet combat troops in Cuba is "unacceptable."

—Went on television to say that, come to think about it, the presence is acceptable.

—Solemnly said that the invasion of Afghanistan was the gravest threat to peace since World War II—and then cut the defense budget.

—Deliberately supported a grossly anti-Israel U.N. resolution, and then, when surprised by the public's revulsion, has his secretary of state say, in effect: Oops! It was all a misunderstanding.

—Said: "If I ever lie to you, don't vote for me."

—Said, when it suited his political situation: "I want the world to know that I am not going to resume business-as-usual as a partisan campaigner out on the campaign trail until our hostages are back here—free and at home."

—Went on television as the polls were opening in the Wisconsin primary, to announce, falsely, a breakthrough in the hostage crisis.

—Said, months after two U.S. servicemen were killed defending the U.S. Embassy in Pakistan: "We've not had any loss of life during this

## Funeral Rites Wed. For M. A. Snider Jr.

Funeral services for Melvin A. Snider Jr., 61, of Farwell, were conducted Wednesday afternoon, Aug. 20, at Hamlin Memorial United Methodist Church in Farwell.

Officiating at the services were Dr. Sam Nader, pastor of the First United Methodist Church of Lubbock; Rev. Duane Knowlton, pastor of Hamlin Memorial Church; and Rev. W. T. Perry, pastor of the Crane United Methodist Church. Burial was in Sunset Terrace Memorial Gardens cemetery at Farwell under the direction of Steed-Todd Funeral Home.

Mr. Snider, a long time resident of the Farwell area, was found dead of an apparent heart attack at his home early Monday. He was born July 4, 1919 in Hollis, Okla., and came to Farwell with his parents in 1926 and they moved to a farm south of town.

He was a graduate of Farwell High School and was a member of Hamlin Memorial United Methodist Church. He was a veteran of World War II having served in the U.S. Army 4th Cavalry. He had been engaged in farming in the West Camp Community for 40 years.

Survivors include his wife Peggy; two sons, John and David, both of Farwell; a daughter, Kim Newton of Lubbock; his mother, Mrs. Grace Snider of Farwell; a sister, Wilma Moseley of Farwell; and four grandchildren.

Pallbearers at final rites were Ted Magness, W. D. Howard, Troy Christian, Darrell Stephens, Tom Nichols, Phil Lyons, Joe Hughes and Joel White, Honorary pallbearers were Claude Thomas, Hamlin Overstreet, Virgil Schell and John Lovelace.

## Achievement Day At Texico Saturday

Final preparations are being made for the annual Texico and Pleasant Hill 4-H Club and Texico FFA Achievement Day scheduled for Saturday, Aug. 23, on the Texico School grounds.

Club members will compete for trophies and ribbons in the livestock portion of the program while 4-H Club members will have their record books and other projects judged at the school cafeteria at the same time.

Weight-in for the calves, pigs and sheep will be from 7:30-9:30 a.m. MDT behind the school bus barn. All animals will be allowed to show regardless of their weight, but students will be able to use the weight information for guidance in preparation for the Curry County Fair which is a little over a week away.

Richard Hadley, a former FFA and 4-H Club member, will be in charge of weighing the animals. He will be assisted by Gary Hathorn, the Curry County 4-H agent.

Classifying pigs and calves will be Richard Montgomery, vocational agriculture teacher at Farwell High School. J.D.

### Band Boosters Set Meeting

Farwell Band Boosters will have their first meeting of the new school year on Wednesday, Sept. 3, at 3:30 p.m. in the band hall at the school.

All band parents and other interested persons are urged to be present for this organizational meeting to get plans for the year formulated.

Kelley will be in charge of sheep classification.

Following the weigh-in a booster division swine showmanship show will begin at 9:30. To be qualified for this event, a participant must be eight years of age or younger and not yet a member of a 4-H Club. The booster show, a new event offered for the Curry County Fair, does not require that the youngster own his or her pig since the judging will be on showmanship only. A trophy and ribbons will be awarded to the booster division participants.

Livestock showing will begin at 10 a.m. with the pig show to be first on the agenda followed by the lambs and calves.

Judging the livestock will be Scotty Windham who taught vocational agriculture at Lazbuddie for many years and who will be teaching in that capacity at Abernathy this year.

Trophies and ribbons for the livestock entries are being provided by Texico Branch of the Citizens Bank, Luce's Restaurant, Kelly Green Seeds, Conklin Distributors, J. J.'s Mobile Homes, Worley Mills, and Feed and Ranch of Clovis. Every participant will receive a ribbon.

Livestock superintendent will be Mike Spearman who also serves in that capacity at the Curry County Fair. Bookkeeping chores will be

handled by Jean Smith and Peggy Holland, Texico assistant 4-H leaders.

Fathers of club members will assist with ring chores.

Deadline for entries of the 4-H projects is 9:30 a.m. Pleasant Hill 4-H Club, under the leadership of Alice Pierce, will supervise this competition. Judges will be Caren Spearman and Betty Mobley. Ribbons will also be awarded in this area.

The cafeteria will be re-opened for viewing the exhibits following the judging.

The three groups will share proceeds from a concession stand which will be open all day. Rita Dunsworth, Texico

4-H assistant leader, will supervise the concession stand and mothers of club members will assist with the work. Each Achievement Day participant has been requested to bring cookies, fruit pies, brownies etc. for the concession.

Set-up of the arena and advance preparations for the program have been made under the direction of Texico FFA.

Eddie West, Texico FFA advisor and Texico 4-H Club assistant leader, has requested that the participants bring panels to the school by today (Friday) for building individual (Continued on Page 2)

## Farwell Schools Host In-Service Workshop

Farwell School was the site of an in-service and staff development workshop for the teaching and administrative staffs of Farwell and Bovina Schools Tuesday, Aug. 19, at the school auditorium.

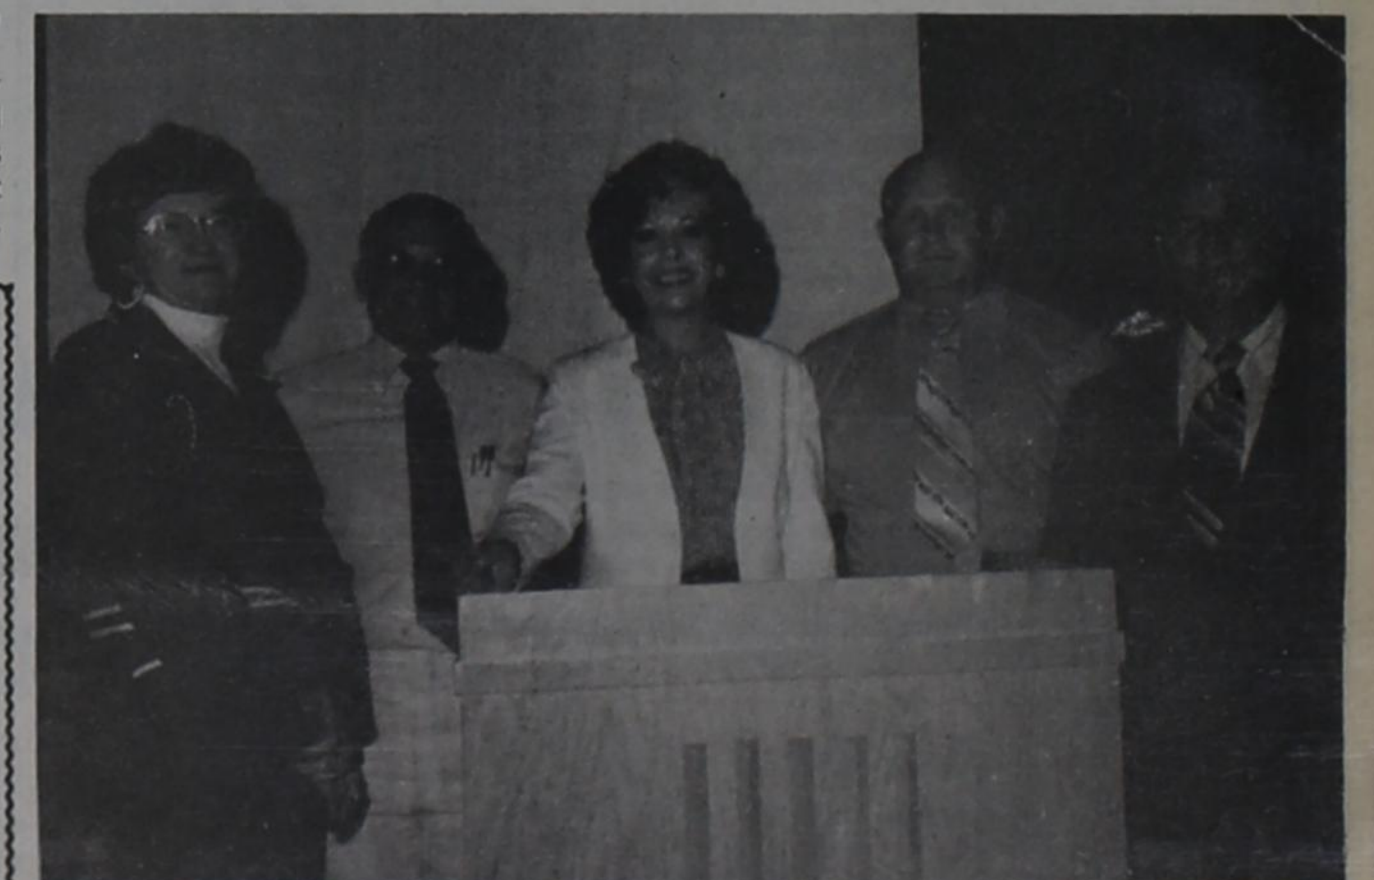

Mrs. Wanda Myers, consultant from Beaumont, presented the morning session, giving techniques and method of behavior management to be used in the classroom.

The guest speaker is founder and chief consultant

for Behavioral Educational Consultant Service.

Dr. Marion Giles of Amarillo was in charge of the afternoon session. She is a consultant from Region 16 Educational Service Center and presented ideas and suggestions in motivating students.

Mrs. Harriet Nichols, director of special education for the four schools in Parmer County, accompanied Mrs. Myers for the presentation at Farwell.

### Farwell Workshop

Farwell School District was host for a combined workshop with Bovina Schools this week. The educators received instruction from Mrs. Wanda

## Little League Assn. Sets Session Monday

Texico-Farwell Little League Association will have an important meeting Monday night, 7:30 CDT at Luce's Restaurant.

Several items of business need to be attended to at the meeting and all coaches, parents of Little League and Pee Wee players and all other interested persons are urged to please be on hand.

Plans need to be finalized for sponsorship of the concession stand

at the Clovis Tractor Pull which will be in about two weeks.

A player agent to replace Jim Walker who is moving from Farwell needs to be selected and plans for next year's summer baseball program need to be made.

## Lazbuddie Band Students Will Not Meet Monday

Members of the Lazbuddie High School band will not be having summer band on Monday, Aug. 25.

They will resume practice sessions on Tuesday, Aug. 26, and again on Thursday, Aug. 28, at 5 p.m.

It is important that all members come for these sessions, because uniforms will be issued during this time.

For those who cannot make the practice sessions they may get their uniforms after

school starts on September 2.

It is also important that all band students in grades 7-12 who are in football come to these practices also. The main reason for having the 5 p.m. time is so that the football players who also take band can come to the sessions.

All high school band students who know of others in band who may not have gotten letters concerning early practice times are urged to contact these people and get them out to these practices.

## Wartime fortunes

Remarkable how many men founded their fortunes with military contracts during wartimes. You've eaten Van Camp's canned pork and beans, most probably. Gilbert C. Van Camp at age 37 was an Indianapolis grocer who'd started out as a tinsmith. In 1861, the Union troops needed field rations. Van Camp landed the contract for pork and beans in a can. That did it.

Shooters of trap and skeet insulate their ears with muffs, wisely. But hunters of big game in the field protect their eardrums simply by opening their mouths each time they fire.

Report is the late Peter Sellers owned more than 100 cars in his lifetime. Bought them compulsively. He kept a car an average of three months.

A cockroach is smarter when warm than when cold.

### FIRST BLACK FILM ACTORS

Q. What was the first motion picture to use black actors?  
A. Thomas Edison's Kinetoscope movie called "Pickaninnies." That word, by the way, goes way back to the darkest edge of that history. Comes from Portuguese "pequeno" meaning "very little." Slavers spread it.

Q. Wasn't that outlaw Butch Cassidy related in some way to that other outlaw Bonnie Parker?  
A. No. That I don't know. Do know, though, his real name was George Leroy Parker.

Q. At what age is a youngster most likely to have nightmares?  
A. From age 2 to 3½ is said to be the peak nightmare time. But some babies as young as 10 months are known to have them, too. This, according to the sleep researchers.

Q. What's the most common mammal in the United States?  
A. The mouse.

### MUZZLE VELOCITY

Nobody insofar as is known has ever been fired from the mouth of a cannon with a greater muzzle velocity than 145 mph. That was the speed in 1940 at which Emanuel Zacchini with Ringling Brothers-Barnum and Bailey started to soar through the air for 175 feet.

Am told it was Goya's painting "Caprices" that inspired the distinctive makeup for Boris Karloff's "Frankenstein" monster.

## Begins In Hereford . . .

# Texas Round-up Scheduled For Reagan-Bush Campaign

Governor Bill Clements and former Governor John Connally will kick-off a 23-city "Texas Round-up for Reagan-Bush" tour August 27 in the Texas panhandle.

Reagan-Bush Chairman, John Armstrong, said the tour - aimed at stimulating voter

registration, get out the vote efforts, volunteer recruitment and campaign leadership identification - will draw participants from 195 counties.

Clements and Connally will fly from Austin to Hereford for the first of three

panhandle rallies August 27th at 10:00 a.m. in the Bull Barn. They will hold a news conference immediately after the rally of Reagan-Bush supporters.

At 1:00 p.m. the campaign leaders will make an agricultural tour in the Hereford area.

A second rally and news conference are scheduled at the Tradewinds Airport in Amarillo beginning at 2:00 p.m.

Clements and Connally will attend a bar-b-que and rally in Pampa from 7:00 to 9:00 p.m. at the M.K. Brown Auditorium.

Wayne Thomas and Garth Thomas are chairmen of the event in Hereford. Wales Madden III and Nadine Gregg are in charge of the Amarillo rally. Jim Campbell and Bobbie Nesbit head Reagan-Bush Round-up activities in Pampa.

Mayor Jerry Hodge of Amarillo, Regional Chairman for the Reagan-Bush Campaign, will coordinate the panhandle activities.

## Achievement Day . . .

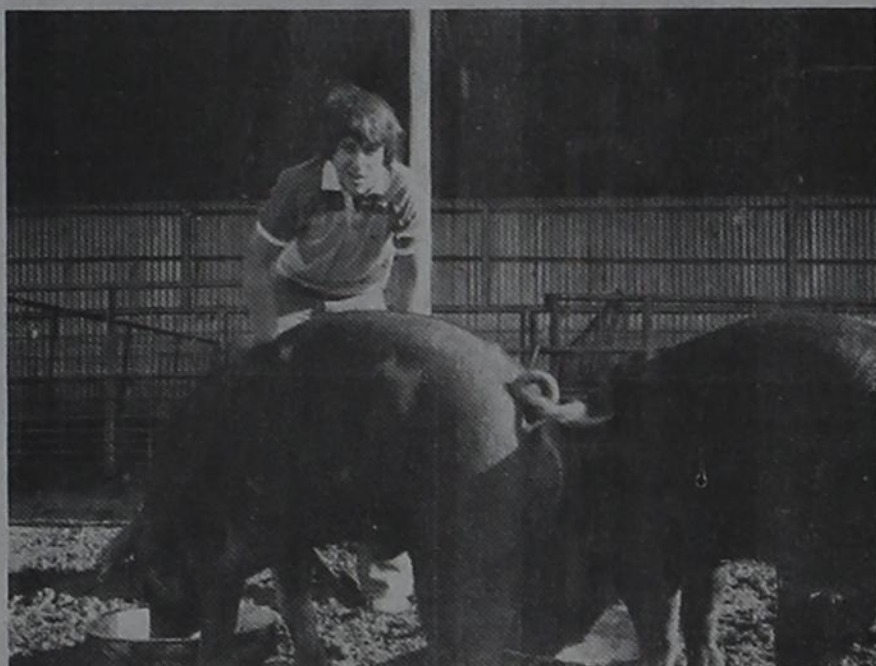

(Continued from Page 1) dual pens for the pigs. Sheep will be penned in a single unit.

The public is invited and urged to attend this achievement day program, and Kay West, Texico 4-H leader, says, "We would especially like to urge every parent to attend so they will be better available to help their children with final fair preparations."

Entry cards for the Curry County Fair will be available at the record table. The entry cards must be signed by parents and the respective

club leaders and returned with the entry fees. (Participants should check their fair books for the correct fee for each entry.)

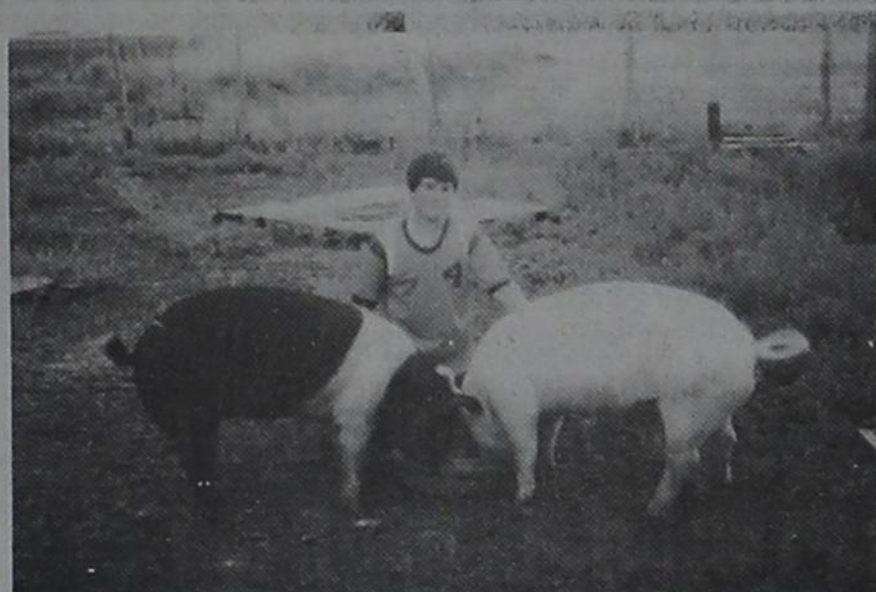

Completed entry cards may be turned in to leaders during Achievement Day and must be turned in by Thursday afternoon, Aug. 28. Final deadline for the entries will be 5 p.m. Friday, Aug. 29, but members who delay in getting their cards ready until Friday will be responsible for getting them to the Curry County Extension office before their final deadline.

## To Compete For Honors

Jeff Day, son of Mr. and Mrs. D. Smith Day, displays the Dorc and Poland China hogs which he will enter in the Texico Achievement Day competition Saturday, August 23. Jeff is looking forward to

this opportunity to practice showing his animals in preparation for the Junior Hog Show at the upcoming Curry County Fair. Saturday's livestock show starts at 10 a.m. MDT.

## Ready For Saturday Show

These Yorkshire and Hampshire hogs being fed by owner Stanley Cross, are to be entered in the annual Texico Achievement Day competition to be held by the Texico and Pleasant Hill 4-H clubs and Texico FFA this Saturday.

Stanley, son of Don and LaDonna Cross, has been feeding, watering, and exercising the hogs daily since the ninth of May, in preparation for this event.

## Rodeo Finals . . .

(Continued from Page 1) Dick Ratcheson of Happy.

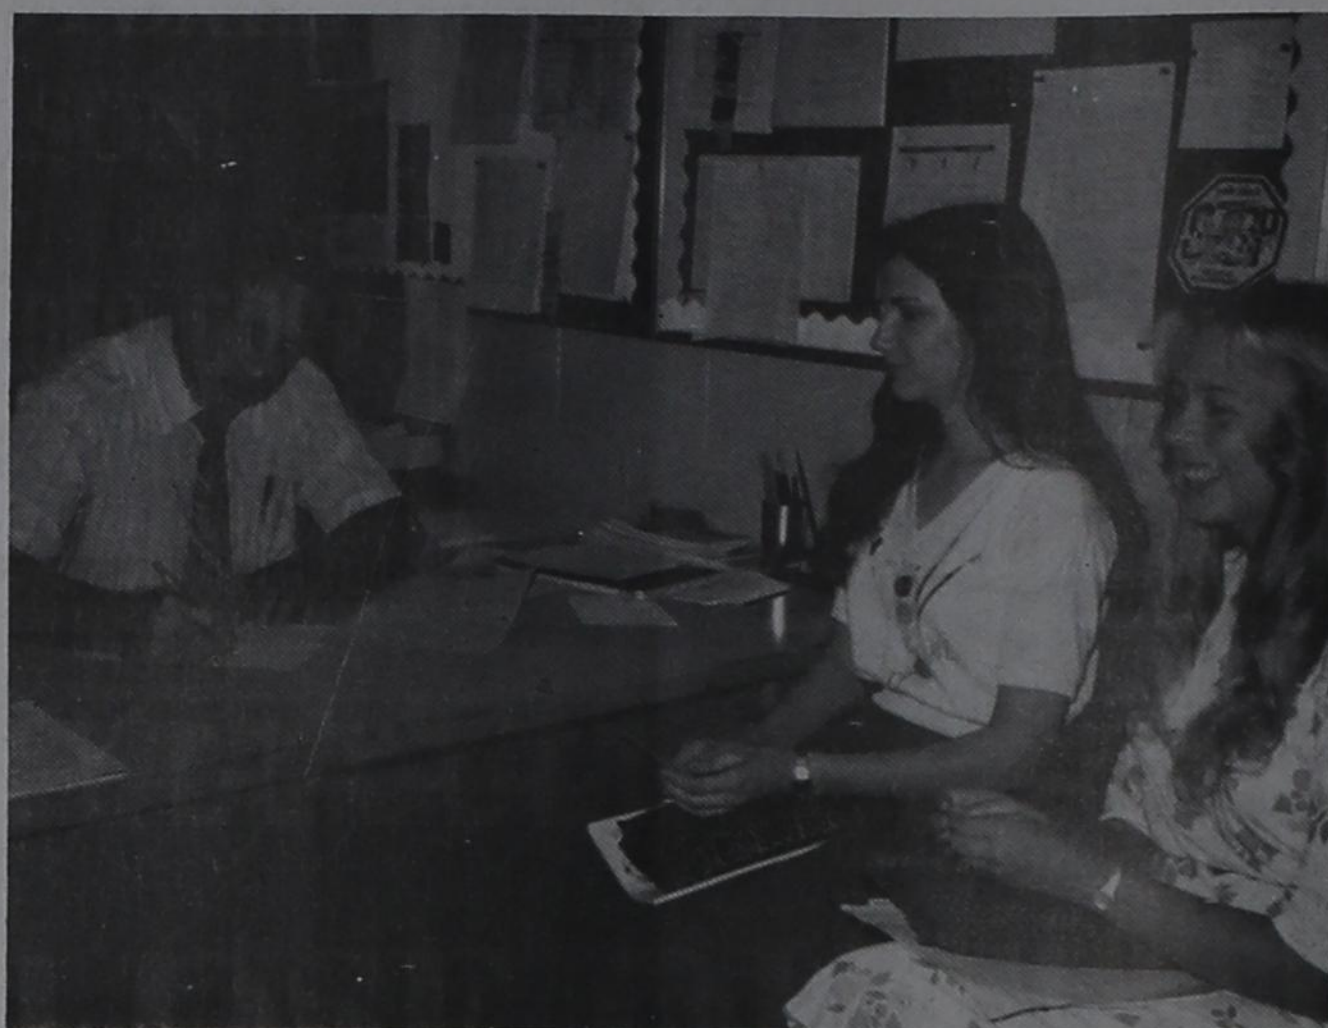

Events for boys 16-18 are bareback bronc riding, tie down calf roping, bull riding and team roping.

Contestants in the boys 13-15 age group will compete in bareback bronc riding, tie down calf roping, junior bull riding and team roping.

Boys 12 and under will compete in calf roping, steer riding, breakaway touching and steer roping.

Girls aged 16 to 18 and 13-15 will compete in barrel stopping, pole bending, goat tying and breakaway roping.

Girls 12 and under will compete in barrel racing, pole bending, goat tying and flag race.

## New Student Registers

Transferring to Texico High School from Lanier High School in Austin, Tx., Donna McAfee [far right] is assisted in registration by principal James Harding. Returning

student Becky Schwarz was also on hand to register for classes and to welcome Donna aboard. Classes began at Texico Schools Monday.

# Texico Schools Release 1980 Enrollment Figures

Superintendent Jim Pierce of the Texico School District announces that enrollment at the school is down slightly over last year, but he confirmed that student enthusiasm is up and teacher dedication is at an all-time

high. The figures released by secretary Kay Warmuth showed the district enrollment to be 381. The distribution is 130 students enrolled in high school, 84 students at the Junior High School level, 152 at Texico

Elementary, with 30 children anticipated to enroll in Kindergarten in January. The 30 part-time students are rated as 15 full time students bringing the total to 381.

Supt. Pierce said that the slight decrease in enrollment had been anticipated.

## Texico Baptists Set Revival

First Baptist Church of Texico is sponsoring the Carey Miller Crusade starting Sunday, Aug. 24, and continuing through August 31. Revival services are scheduled at 10 a.m. and 7 p.m. MDT each day throughout the week. Brother Miller has been in the local church to minister on two previous occasions. He started pastoring his first church when he was 16 and has had an uninterrupted ministry for 32 years in nine different Southern Baptist Churches. He is a graduate of Southwest Baptist College, Howard Payne College and Southwestern Baptist Theological Seminary. He entered the field of full-time evangelism on March 11, 1979. Everyone is cordially invited to come hear this evangelist during these revival services.

# Stolen Vehicle Recovered By Sheriff's Department

Parmer County Chief Deputy Bill Morgan recently recovered a pickup truck which had been stolen in Clovis on September 7, 1979. The vehicle was discovered parked at a residence in Farwell and Deputy Morgan is investigating the circumstances which indicate that the local resident may be an innocent victim, reports the county sheriff's department. Following leads, Morgan confirmed that the truck was the stolen vehicle even though it had been painted a different color and the license plates had been changed. Identification was made through modifications made to the pickup by the original owner and a dent on the side panel. No charges have been filed pending further investigation. In other activities Sheriff Charles Lovelace is investigating a farmhouse burglary which happened over the weekend. The victims were the Mark Haseloff family, residents of the old Clyde Perkins homestead, 8 miles east of Farwell on Highway 145.

The Haseloffs had been out of town from 11:00 a.m. Saturday until 7:30 p.m. Sunday, during which time burglars entered the house by breaking open a bathroom window. Missing from the premises when the family returned were three guns, jewelry, silver coins, and two stereos with speakers. Sheriff Lovelace observed signs indicating that the ransacking had probably

taken place during the daytime. He estimated the value of the property stolen at approximately \$1000-\$1200. In two other incidents reported this week, Carlos Pena, Jr., reported a small clock stolen from his pickup truck last Sunday and Scott Watkins had his helmet taken from his motorcycle while he was inside the Lunsford Auto Parts store on August 14.

## V. Scott Johnsons Feted At Celebration

### A Kiss For The Lady

Dr. V. Scott Johnson, honored Sunday for 50 years of medical service to this area, greets Mrs. G. D. Anderson Sr. of Farwell with a kiss at Sunday's reception. Mrs. Anderson's husband, Gabe, was responsible for the young

doctor settling in Farwell some 50 years ago, and the Andersons were among the almost 800 visitors greeting the Johnsons at the occasion held Sunday in Kingswood United Methodist Church of Clovis.

Some 700 to 800 persons honored Dr. and Mrs. V. Scott Johnson Sunday afternoon at Kingswood Methodist Church in Clovis at a celebration in observance of 50 years of medical service to the area. The event was sponsored by the Adult Bible Class of the church.

The social was a time for reminiscing not only with Dr. and Mrs. Johnson, but with many friends and former area residents who came from many miles away for this special occasion.

As persons registered, they were presented with a name tag and a folder. On the outside of the folder was the message "Thank you for being with us on this special day" and on the inside was a picture of the Johnsons.

Dr. and Mrs. Johnson were in the receiving line during the entire afternoon, along with their children and families to greet the hundreds of persons as they entered the Fellowship Hall of the church.

Almost all of the members of the Bible Class served as hosts and hostesses serving punch, coffee, homemade cakes, cookies and nuts from two huge refreshment tables.

On one side wall of the

hall were displayed hundreds of family pictures of former patients, friends and neighbors that had been sent to the Johnson family for this celebration.

On the back wall of the hall was a display of many pictures of the Johnsons, their children and grandchildren and their activities over the years from birth to present day.

In addition, a framed water color of the family tree graced the wall, which was painted by Kyle Kelley, a Farwell student, and presented to the Johnsons.

During the afternoon three special plaques were presented to the Johnsons. The first

one was from the Kingswood Adult Bible Class and presented by Frank Haines. The inscription on the plaque read "Congratulations, Dr. and Mrs. V. Scott Johnson, For Fifty Years of Medical Service, 1930-1980. Presented by Kingswood Adult Bible Class, August 17, 1980."

The second plaque was presented by Dr. Fred Holzworth and was inscribed "V. Scott Johnson, M.D. Commemoration of Fifty Years of Medical Practice. In recognition of Dr. Johnson's long and honored service, the members of the medical staff of Clovis High Plains Hospital present him with this token of our admiration and gratitude. May we all serve as faithfully

and well. August 17, 1980." The third was a framed poem from the Hillcrest Care Center which read: "A Dedicated Doctor by Ramona B. Young. What makes him such a special man? His very presence often can, With all his warmth and learned skills, Bring calm to those who suffer ills. The rooms are filled with those who wait, They, too, have ills they could relate, The hours grow long and he grows tired, But needs of pain keep him inspired. The art of treating patients' needs, Is well performed as he proceeds. Mere words can never truly state, The qualities that make him great. Hillcrest Care Center Staff and Residents."

The afternoon's events were televised and reportedly will be shown Sunday, Aug. 24, at 12 o'clock MDT on Channel 3.

The Sunday morning services at the Kingswood Church, both the early and regular services, honored the Johnsons who were in attendance along with all of their family.

The flowers on the altar were given in honor of the Johnsons by the Adult Bible Class, and the entire church service was along the theme of the physician and his healing. The unison prayer "For the Sick and Those Who Care For Them," the hymns "O God, Whose Will Is Life" and "The Great Physician" as well as the message "Prayers for Those Who Play God" by Rev. Hardin Atkins, church pastor, honored Dr. and Mrs. Johnson.

### Greeting Guests

Lucille (Mrs. V. Scott) Johnson, left, greets guests who have come to celebrate with the Johnsons their 50 years of medical service to the area at a special observance held Sunday at Kingswood United Methodist Church in Clovis. During many years of Johnson's practice of medicine in the area, Lucille was his

"right hand man," being wife, nurse and Girl Friday all rolled into one. She assisted him in house calls and in many home deliveries of babies when hospitals in the area were few and far between. At right is Ellen Wurster of Farwell, longtime friend of the Johnson family.

## Parmer County Book - -

### September 1 Deadline For Writing Histories

Members of the Parmer County Historical Association remind county residents that now is the time to submit your living family histories to the Parmer County History Book as the final deadline date, September 1, is rapidly approaching.

Remember, 500 words and one picture will be printed free of charge and there is no obligation to purchase a book. You can remember your deceased loved ones with a memorial and your special living ones with a tribute story and picture.

Association members ask, "Won't you join the growing list of those who have submitted their family histories to be in the new county history book?"

The following story is an example of the ones received for publication thus far:

Another family moving to Oklahoma Lane area in February, 1928, was Earl and Willa Billingsley and their three sons, Howard, Leon, and Billy, coming from Newlin, Hall county, Texas. Willa was born April 1896, at Golden, Texas, daughter of Benjamin and Mattie Belle Collier. Earl was born in Stephenville, Erath county, 1891, son of William and Mary Billingsley.

Their families came to Hall county where Earl and Willa met and married in 1913. They moved to Alba for a year where Howard was born, then back to Estelline where Leon was born. They farmed before Earl started work with Dodge Bros. Motor Company in Hereford (Billy was born in Hereford).

Going back to Hall County, Earl was maintaining roads from Newlin to Memphis when they moved to Parmer County to farm in the Midway and Oklahoma Lane areas. Leon and Billy attended school at Cracker Box awhile and all three boys attended Oklahoma Lane where Howard and Leon

graduated in 1934 and 1936. Bill quit school and later married Ruth Dodson. Howard and Francis Hardage married in 1934 and now live in Texico where Howard is municipal judge. Leon married Lois McGuire. They reside east of Farwell. Billy is deceased.

After farming several years, Earl and Willa rented their farm to Billy until his health forced him to quit farming. Earl was custodian and bus maintenance man for Oklahoma Lane school awhile. Willa was a cook for Oklahoma Lane school cafeteria a few years and for one year helped at Farwell cafeteria after Oklahoma Lane and Farwell schools consolidated.

Earl operated a maintainer for the county roads for several years, and he served as county commissioner.

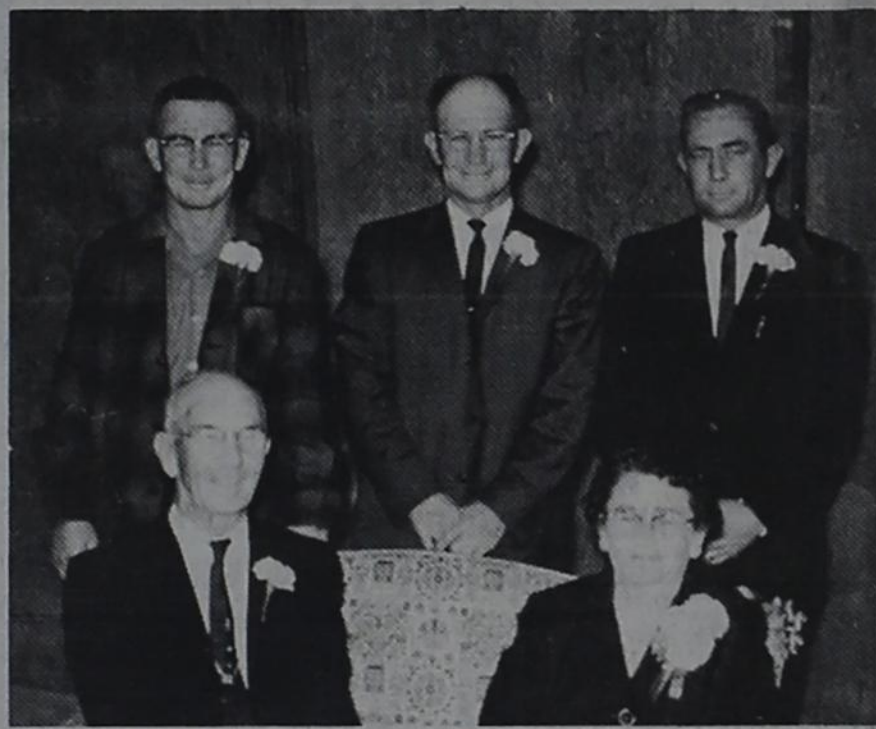

Earl and Willa moved to Farwell around 1960. After Earl retired from the road maintainer job, he and Howard operated a Fina service station. Earl suffered a stroke and had to spend several years inactive before his death, April 13, 1973.

Earl and the boys joined with many threshing crews and could tell of lots of experiences. The Billingsleys have seen many changes in farming and living conditions. They suffered through the depression like so many others and experienced hail storms wiping out crops, but always managed to provide a living for the family. Earl was one who never complained during his illness and was always happy to get to ride out to the farms or have visitors.

Willa is a member of the Oklahoma Lane United Methodist church, as was Earl. She has 11 grandchildren and 12 great-grandchildren. She still lives in Farwell.

Howard and Francis have 5 children; Betty (Vane) Doshier, has 2 daughters; Glenda (Bill) Thigpen, has 2 daughters;

Butch (Mary McAlister); Jack (Chris Gleaton), has one daughter; and Danny. They all live in Texico. Leon and Lois have Judy (Donald) Jones, Farwell, has 2 sons and a daughter; Bruce (Cindy Powell), Farwell, has a son; and Janis of Amarillo. Billy's three sons are Darwin (Dorothy) and son, Clovis; Terry and family, Big Springs; Gary (Linda), Louisiana. (Ruth lives in Louisiana).

### Billingsley Family

Mr. and Mrs. Earl Billingsley, seated, are shown as they observed their Golden Wedding Anniversary in 1963. Standing are their three sons, from left, Howard, Leon and

Billy. Earl and Billy are deceased. Mrs. Billingsley still resides in Farwell, Leon lives in the Oklahoma Lane community and Howard lives in Texico.

**Listen to Your Nose.**

**W**onderful instrument, your nose. It can tell you when supper's ready, or when you're near a desert rose. And it can even spot a potential problem like a natural gas leak.

That's because we add a unique aromatic chemical to natural gas that alerts your nose to a leak in or around your home.

So if you detect the faint odor of natural gas, first look around. It could be as simple as a pilot light out or a partially open burner valve.

But, if the odor is very strong, open a window, leave your house and leave the investigating to us. We're available 24 hours a day to locate gas leaks and we'll be right out.

But don't use the telephone in your home and don't operate any electrical switches. Be sure to extinguish any open flame, and never, never strike a match.

Help us keep natural gas one of the safest energies available. If you smell gas, indoors or out, listen to your nose.

Then use your head... call the gas company and keep this number handy.

## Steer Booster Club Elects New Officers

Farwell Athletic Booster Club elected new officers at its organizational meeting last week.

James Williams will head the group as president and will be assisted by Joel White, vice-president, and Jeannette Ford, secretary-treasurer.

First activity for the club was sponsoring a hamburger

fry for the football team at Farwell City Park Wednesday afternoon.

Members will be contacting local and area businesses during next week for support of the athletic schedule calendar which lists the football and basketball schedules. Because of the increased cost of filming the football games (which the club finances) the cost of ads on the schedule posters is being increased to \$25 for one side and \$45 for an ad on both sides.

All businesses and individuals who have advertised in the project in the past are urged to continue their support.

The booster club will again sponsor placing of pictures of team members in windows of businesses around town. Booster club members will also be manning the gates at the first two home games and fans are reminded that booster club dues are \$15.

Regular meetings of the club will be each Tuesday night at Luce's Restaurant at 8 p.m. CDT. All interested persons are invited to the club meetings to see the films of the games and to visit with the coaches.

## Cousins Celebrate Birthdays

Celebrating birthdays one week apart, Farwell cousins Justin Lee Meeks and Jamie D. Cooper, shared birthday cakes and relatives with one another recently.

Justin, son of Steven and Cindy Meeks, celebrated his second birthday August 6 in the Farwell City Park. Cake and punch were served to several friends and relatives. Grandparents are Mr. and Mrs. Leon Meeks and Mr. and Mrs. Truitt Hardage, all of Farwell; great-grandparents are Mr. and Mrs. Willie Hardage, Mrs. Mae Meeks, and Mrs. Mae Goldsmith, all of Farwell, and Mrs. Opal

Jackson and Bill Jones of Clovis.

The following Sunday, Aug. 10, Jamie celebrated his first birthday. He is the son of Jamie Cooper of Lubbock. His grandparents are also Mr. and Mrs. Truitt Hardage and great-grandparents are Mr. and Mrs. Willie Hardage of Farwell. The cousins share great-grandparents, Mrs. Opal Jackson and Bill Jones of Clovis as well. Available for this birthday celebration were the Truitt Hardages' daughter and family from Stephenville, Tx., Judy and Joe Hawkins and daughter, Tamara.

## Booster Club Officers

Elected to serve as officers of the Farwell Athletic Booster Club for the coming year are, seated, left, James Williams, president; Jeannette Ford, secretary-treasurer; and standing, Joel White, vice-president. The club kicked off its

activities for the football season by honoring team members at a hamburger fry Wednesday afternoon in Farwell City Park. The club meets each Tuesday night at 8 at Luce's Restaurant.

## Marriage Licenses

Parmer County Clerk's office has issued six marriage licenses since the last report.

Those receiving the licenses were Grady Brian Jolley and Celia Denise Trimble; Robert William Wauson and Brenda

Sue Winegeart; Samuel Webb and Rhonda Ketcherside;

Also, John Defoor and Loretta Kelley; Ralph Autrey and Lawana Hall; and Alfred Carroll and Linda Sue Pena.

Visiting last week in the home of Mrs. Mildred "Sal" Vincent in Farwell were her sister-in-law, Mrs. Beatrice Vincent of Arlington, and her niece, Mrs. Norma Ragland of Whitney.

The two ladies left last Thursday for Abilene to visit Mrs. Vincent's brother. Mrs. Ragland has a new home on Lake Whitney, but formerly lived in DeSota, Tex.

Mrs. Vincent reported that she talked by phone to her sister, Mrs. Neva Rothwell, in Childress, recently. Mrs. Rothwell has recently returned from an Oklahoma City hospital where she had eye-surgery, and she is reported to be "doing fine" now.

Enjoying a visit from their five daughters and some grandchildren last week were Mr. and Mrs. E. R. Coffman of Farwell. On hand to visit were April Coffman, now returned to Panhandle State University for her sophomore year; Gaye Roberts and daughter Shiloh of Farwell; Sharon Wilson of Oklahoma; Alice Autrey and daughters of New Mexico; and Melody Drake and children of Friona.

Kendale Burch, Texico home economics instructor and Eddie West, vocational agriculture teacher at Texico, attended New Mexico's Vo-

calational Teachers Association meeting in Las Cruces recently.

Mickey Fenn, Ronnie War-muth, and Rosalee Stieg, bus drivers at Texico Schools, went to Silver City to the School Bus Drivers Institute August 4-8.

Camping and fishing were the activities of the Eddie West family of Texico, who visited Cowles camping area near Santa Fe two weeks ago. They combined their summer outing fun with a tour of Los Alamos.

Not far ahead of the West

family were the Paul Skaggs and Howard Leavell families of Texico who also recently returned from the camp-grounds at Cowles.

After helping to inflate balloons at the Hot Air Balloon Festival at Angel Fire, N.M., August 6-10, Jeff, Ronnie, Tanja, and Chad Dunsworth got to hop aboard a balloon and take a ride. Eddie and Rita Dunsworth and the children were vacationing with his sister and her husband, Mr. and Mrs. Melvin Yarborough of Morton, in the Cimarron Canyon/Red River vicinity when they happened upon the special balloon show.

## Asa Smiths Honored With Farewell Party

Mr. and Mrs. Asa Smith of Lariat were honored with a farewell party Saturday night by members of the Faith Sunday School Class of Farwell First Baptist Church.

Mrs. Smith has been the teacher of this ladies' class for many years. The Smiths will soon be moving to Cloudford, N.M.

Mr. and Mrs. Ray Martin hosted the party with Mr. and Mrs. Elvis Child co-hosting.

Following a potluck supper with varieties of homemade ice cream, cakes and cookies, the Smiths were presented with an inscribed loving cup from the group. The inscription read "To our cherished friends, Asa and Lois Smith,

charter members of the First Baptist Church, Farwell, Texas, August 9, 1980."

Those attending the social were Messrs. and Mmes. Asa Smith, Guy Austin, Elvis Childs, Charlie Hromas, John Range, Bill Pennington, Joe McWilliams;

Also, Rev. and Mrs. Dudley Bristow and Mesdames Carol Dean Huggins and Nan Preston.

**Hold That Line**

Texico defensive line coach Roy King helps Rodney Wilson, Lynn Tubbs, and Jeff Dunsworth to get prepared for holding the line against the Farwell Steers Thursday evening at Steer Stadium. The Wolverines are looking forward to the scrimmage which will give them the chance to test themselves against a more experienced team.

Prepared For Scrimmage - -

**Wolverines Anticipate Encounter With Steers**

Like their cunning and predatory namesakes, the Texico High School Wolverines will be using brains as well as brawn as they scramble with their stateline neighbors, the Farwell Steers in a scrimmage session on Thursday evening at Steer Stadium.

Texico Coach David Lynn is encouraging the boys to take advantage of this opportunity to test themselves against the more-experienced front line from a school which geographically is close enough to reach out and touch.

Lynn says they are looking forward to the scrimmage, and that they are prepared. He plans to use the encounter to continue his teaching program, pointing out that scrimmages are intended to give the team a chance to "practice" with players outside their own ranks.

Coaches use scrimmage sessions as tools to illustrate to the players what they have mastered and what they have yet to learn.

In evaluating the progress of the team, Lynn was guarded, but confident. He said that the boys were learning the systems well, that the offense was looking better, and that every work-out improves some phase of the game.

Following the scrimmage with Farwell, Texico will have a J.V. scrimmage with Portales and Dexter at Portales on August 28 at 6:00 p.m.

**VARSIITY ROSTER**  
Texico Wolverine Varsity Coach David Lynn has released the following roster for the 1980 football season. Included on the roster are returning players from last year as well as new members on the team.

Playing for the Wolverines this year will be:

Seniors: Gary Mitchell, 6'2", 160 lbs., quarterback and DE; Herbert Bibbs, 5'6",

150 lbs., running back and DB; Jimmy Love, 6', 160 lbs., tackle and LB; Rodney Wilson, 5'8", 195 lbs., guard and DT; and Gary Reid, 6', 145 lbs., end and DB.

Texico Athletic Booster Club hosted a watermelon feed for varsity football team members and varsity volleyball team members Thursday, Aug. 14.

In addition to eating ice cold watermelon, meeting and visiting with the coaches, booster club members made plans for various activities for the coming sports seasons.

Club members will be selling ads for a sports schedule calendar on which will be printed the schedules of football, volleyball and basketball games for the coming year.

In other fund-raising efforts, club members will be accepting donations for \$1 tickets for steak dinners at a Clovis restaurant. There will be a winner for every 20 tickets sold and there will be drawings for winners at each athletic event. This proved to be a successful money-making project for the club last year.

O.B. Coffey, club president, appointed a committee to head a membership drive. Janie Day, Margaret Lacy, Nancy Landis and Rita Dunsworth will set up a table at the first home football game for the purpose of enrolling new members in the Booster Club.

The Club also voted to purchase 30 traveling bags for the football team, 20 garment bags for the boys basketball team, and 20 garment bags for the girls volleyball and basketball teams.

Dennis Snipes is chairman of a committee which will report on the possibility of obtaining a sign to be put on the highway to advertise the home athletic events.

Members are to meet this Saturday, Aug. 23, for a workday to complete the press box.

Paula Leighton requested that the Booster Club and the cheerleaders cooperate and relate to each other this year for a successful season for all.

Football fans are reminded that they need to eat before attending the home games this year as the Booster Club will not be sponsoring the hamburger suppers as has been done in the past.

The regular monthly meetings of the Booster Club have been set for the second Thursday night of each month.

James Harding, athletic director at Texico Schools, introduced the following coaches: David Lynn, head football and track coach; Roy King, girls basketball and track; Mike Littlejohn, volleyball and junior high basketball; Kenneth Shaw, boys basketball; and Scott Parker, assistant coach.

Scrimmage Thursday - -

## Steers To Host Wolverines In Twin-City Scramble

"This may be the first time Farwell and Texico have ever played each other," says Randy Adrian, head coach of the Farwell Steers when speaking of the Thursday night scrimmage session set between Farwell and Texico at Steer Stadium.

"Everyone I've asked believes that this is their first meeting," Adrian continued. Texico High School recently re-opened the football program after 33 years. "This may be the first time these kids, who usually just see each other on Saturday nights, have had a chance to get out and play ball against each other," Adrian said.

Asked about Farwell's pre-season progress, Adrian confirmed that the team has

three things going for it: strength, experience, and team spirit. The health and body building program has paid off, he says, and the boys are in excellent condition. Most of the boys have played their positions in years past and therefore bring a wealth of experience into the game. Finally, Adrian says, the team has a lot of team interest and camaraderie, with players encouraging and helping each other to succeed.

Looking ahead to Farwell's scrimmage with Anton at Anton on August 28 at 6:00 p.m., Adrian recalled that they had scrimmaged Anton last year. However, this year the other team has a new coach and it is anticipated that the experience will be

very different and interesting in its new components.

### VARSITY

Composing the Steer squad for 1980 are 12 seniors, eight juniors and a sophomore.

Seniors include Juan Diaz, 5'7", 128 lbs., E-QB; Ralph Paez, 5'4", 150 lbs., B; Jack Deaton, 5'8", 160 lbs., FB; Boyd White, 5'9", 140 lbs., HB; Kerry Ford, 5'7", 141 lbs., E; Mac Langford, 6'1", 190 lbs., C; Chris Bristow, 5'9", 150 lbs., G; Forrest Cole, 6', 175 lbs., T; Byron Mayfield, 6'1", 185 lbs., T; Roger Castillo, 5'5", 125 lbs., E; and Richard Carpenter, 6'1", 185 lbs., E.

Juniors on the squad are David Daniel, 5'8", 139 lbs., QB; Emilio Paez, 5'5", 146 lbs., HB; Waverly Coates, 5'8", 160 lbs., FB; Ricky Armstrong, 6'1", 177 lbs., G; Dwayne Winter, 6'2", 178 lbs., T; Brian Langdon, 5'8", 203 lbs., T; Linny Beal, 5'9", 167 lbs., G; and Brent Green, 5'5", 108 lbs., E.

Alex Paez is the only sophomore on the varsity roster. The 5'5", 143-pounder will see action in the backfield along with his brothers Ralph and Emilio.

### Defensive Ends Drill

Instructing these Steer defensive ends on technique is Coach Bill Phillips. Glad that this year's seasoned players

seem to understand the system and their role in the plays, Phillips spends time reviewing and perfecting their

technique. Dwayne Winter, Linny Beal, and Chris Bristow are the defensive ends practicing drills.

## Vega Twosome Wins Farwell Golf Meet

Two Vega men, Larry Richardson and Mike Yell, took top honors in the first flight at the 11th Annual Penny Anderson Golf Tournament played this past weekend at Farwell Country Club. The winners shot a 138 for the first place victory.

In a playoff for second, Pete Goldbaum and Tom Watt of Clovis won over Jim Berry and Jack Kirkland of Farwell, with 140.

In the second flight Shorty Roark and Charles Skinner of Hereford had 140 for first in a playoff over Larry Ray and James Farrell of Clovis who settled for second.

Winning third in the flight with a 144 were Leslie Curtis and Russ Jones of Farwell

while Frank Freeman-Ken Smith of Lubbock and Pudge Kendrick and Jon Mack Roden of Friona tied for fourth with 145.

Another playoff for first place occurred in the third flight with Kevin Burns of Clovis and Kim Rundell of Bovina taking the win over O. T. Rozzell and Jerry Crook of Clovis with 143.

Larry Godfried and Gabe Tapia of Clovis had 144 for third place and Dale Bass and Gordon Sanders of Lubbock had 149 for fourth.

Fourth flight winners were Dwayne Fryar and Bobby Hodges of Sundown with 144 and second place went to Wendol Christian of Farwell and David George of Friona

with 147. Joe Helton of Texico and Jack Young of Muleshoe shot a 149 for third place and Willis James of Muleshoe and Jerry Hogan of Lubbock had 152 for fourth place.

Harry Sheets and Kayle Watts, both of Farwell, shot a 150 for first place in the fifth flight while Don Maxwell and Jim Selwin of Amarillo had 151 for second. Winning third with a 153 were Jess Winn and Larry Woods of Muleshoe.

Sixth flight winners were Burnell Stevens and Jon Lee, both of Sundown, who carded a 159. Second place winners in a playoff were Bill Lingenfelter and Lewis Maez of Clovis over Johnny Actkinson and Larry Gregory of Farwell with 166.

On Saturday evening the tournament players were treated to a barbecue meal, compliments of Walter Hughes and Company, and the Ladies Golf Association provided iced tea and sandwiches throughout tournament play.

The tourney was considered a big success with the 60-team limit being met. Good weather prevailed until the waning moments of play Sunday afternoon when a brief windstorm hit the area.

### One Man Band

Joe Hughes of Farwell participated in Bovina's Bull Town Days Parade as a virtual One-Man-Band. The annual parade was held last Saturday.

### Gymnastics Classes Begin August 27

Gymnastics classes for Twin City area youngsters begin again Wednesday, Aug. 27, at the "old gym" at Farwell Schools.

Clay Burch will again be the instructor, offering classes for beginning, intermediate and advanced students.

Mothers of all gymnastic students and those who have children interested in taking gymnastics are asked to attend a special meeting at the old gym on August 27 at 2:30 p.m. CDT. Burch will speak to the group, and plans for the upcoming season can be made.

Schedule of classes include Mondays: all gymnastic students will meet for exercise from 8 to 8:45 a.m. On

Tuesday, Wednesday and Friday afternoons the schedule is as follows: beginners, 3 to 4:30; intermediates, 4:30 to 5:30; and advanced students, 5:30 to 6:30.

New students are encouraged to sign up for gymnastics classes now so that they may be ready for the fall competition.

## ATTENTION ALL FARMERS

The High Plains G.P.I. Cooperative invites and urges each and everyone of you to attend the meeting Thursday, Aug. 28, at 8:00 p.m. at the Muleshoe Civic Center.

The purpose of this meeting is to give everyone who is interested in a fuel alcohol plant the opportunity to become better acquainted and be a part of it.

We will have as guest speaker, Dan Kubiak of Rockdale, Texas, with us. Mr. Kubiak is in his 4th term in the Texas House of Representatives. He is known as Mr. Gasohol of Texas, and has sponsored or co-sponsored several bills for gasohol. He is also vice-chairman of the appropriation committee for agriculture and chairman of the sub-committee on energy.

Consider this:

- High Plains G.P.I. Will Build a Plant
- Your grain will bring more \$\$ marketed as alcohol
- Make alcohol with surplus
- Help the energy problem
- Availability of fuel alcohol as a member
- Produce high protein feed (D.D.G.)
- Help overall prices of grain through consumption
- Put more people to work
- Sell our grains as energy
- Help us to stay in the farming business

Come!! Join your neighbors in the cooperative effort to better ourselves and our communities.

REMEMBER: The meeting, Thursday, Aug. 28, 8:00 p.m., at the Muleshoe Civic Center.

## On The Farm In Parmer County

### Prussic Acid Poisoning In Livestock

Johnson and Sudan grasses and sorghum hybrids can be deadly to livestock especially during the late summer and fall.

There are two times during which poisoning occurs. The most dangerous time as far as the grazing of these plants is concerned is following frost when the plant material begins to wilt.

The second and most immediate time of concern is during drouth stress when the plant has received a summer rain shower and begins a rapid spurt of growth.

"Either the wilted or fast growing stage of the plant can be dangerous," says Dr. John C. Reager, toxicologist for the Texas Veterinary Medical Diagnostic Laboratory. Most problems arise when hungry animals are suddenly placed in these pastures.

The actual death causing agent is hydrogen cyanide,

the same chemical used in state gas chambers for executions. The poisoning is swift. Death can occur within five minutes after grazing affected plants, and almost always within twelve (12) hours.

Symptoms of acute prussic acid poisoning consist primarily of excitement and stimulation of respiration, gasping, staggering, paralysis, prostration, convulsions, coma, and death.

Some cattle showing signs of prussic acid poisoning have recovered following intravenous injections of calcium gluconate. Death losses in prussic acid poisoned sheep have been prevented by feeding pellets of alfalfa containing 5% dicalcium phosphate.

However, the best medicine is prevention, and stockmen are urged to graze their animals in such pastures only with great caution. Hungry animals should never be turned in.

## At Halfway - - Experiment Station Field Day Planned

Efforts of agricultural scientists to help farmers cope with problems on the Texas High Plains will be demonstrated September 9 at the 71st annual field day of the Texas Agricultural Experiment Station at Lubbock and Halfway.

The research facility at Halfway, 14 miles west of Plainview on U.S. Hwy. 70, is the host this year, said Dr. Bill Ott, resident director of the Lubbock-Halfway complex of the Experiment Station. The annual program alternates between the facilities here and at Lubbock, in cooperation with the High Plains Research Foundation.

Four major stops are planned on the tours of the research sites and facilities at Halfway, said Dr. Douglas F. Owen, research scientist at the station and field day chairman. The stops will illustrate research being conducted in water management, the low energy precision application (LEPA) irrigation

system being developed here, crop insect control and weed control.

Also featured on the tour will be tests being conducted at the station on crop varieties, soil fertility and mite control; a plant clinic where specialists will diagnose problems of plants brought by visitors, and a display of equipment and machinery.

Tours will begin at 12:30 p.m. and end at 5 p.m.

The field day is a cooperative presentation of TAES, the High Plains Research Foundation, the Texas Agricultural Extension Service, the Science Education Administration-AR of the U.S. Department of Agriculture, and the National Weather Service.

Professional staffs of these participating agencies will be on hand to answer questions and discuss problems with agricultural producers, home owners and gardeners, Owen said.

## TWO MINUTES

WITH THE BIBLE

BY CORNELIUS R. STAM PRES.  
BEREAN BIBLE SOCIETY  
CHICAGO, ILLINOIS 60635

### OUR WEAKNESS AND GOD'S POWER

When our Lord was on earth He healed great numbers of sick and diseased people. The believers at Pentecost also healed many in the name of Jesus, offering His return from heaven upon condition of their repentance (Acts 3:19-21).

All those who were healed, however, finally succumbed to physical infirmity, or disease again, and died after all. This was because the Lord Jesus was rejected as King both in His incarnation and in His resurrection. Romans 8:22,23 declares the result as we see it in our day:

"... WE KNOW THAT THE WHOLE CREATION GROANETH AND TRAVAILETH IN PAIN TOGETHER UNTIL NOW, AND NOT ONLY THEY, BUT OURSELVES ALSO, WHICH HAVE THE FIRSTFRUITS OF THE SPIRIT, EVEN WE OURSELVES GROAN WITHIN OURSELVES, WAITING FOR THE ADOPTION, THAT IS THE REDEMPTION OF OUR BODY."

But Christians in "this present evil age" need physical infirmity to draw them closer to God in

prayer and faith. Paul himself said: "... there was given to me a thorn in the flesh... lest I should be exalted above measure. For this thing I besought the Lord thrice, that it might depart from me. And He said unto me: 'MY GRACE IS SUFFICIENT FOR THEE; FOR MY STRENGTH IS MADE PERFECT IN WEAKNESS' (II Cor. 12:7-9).

The apostle's response to this is beautiful:

"MOST GLADLY THEREFORE WILL I RATHER GLORY IN MY INFIRMITIES, THAT THE POWER OF CHRIST MAY REST UPON ME... I TAKE PLEASURE IN INFIRMITIES... FOR WHEN I AM WEAK, THEN AM I STRONG" (II Cor. 12:9,10).

"FOR WHICH CAUSE WE FAINT NOT; BUT THOUGH OUR OUTWARD MAN PERISH, YET THE INWARD MAN IS RENEWED DAY BY DAY.

"FOR OUR LIGHT AFFLICTION, WHICH IS BUT FOR A MOMENT, WORKETH FOR US A FAR MORE EXCEEDING AND ETERNAL WEIGHT OF GLORY" (II Cor. 4:16,17).

## Co. Commissioners Approve Education Authority

Parmer County Commissioners Court met in regular session on August 11 with Judge Porter Roberts presiding.

Among the items approved by the court was the passing of a resolution in support of the Panhandle-Plains Higher Education Authority, Inc., having to do with acquisition of student loan notes.

The Court resolved that the Corporation proceed with the acquisition of the student loan notes. It is incorporated under the Texas Non-Profit Corporation Act and proposed to issue revenue bonds in order to obtain funds to purchase the student loan notes which are guaranteed under the Higher Education Act of 1965.

Milton Morris and former County Judge Paul Fortenberry were present at the commissioners meeting to explain the Corporation's program. The resolution regarding the program was passed unanimously by the commissioners.

In other business the court accepted the bid of Peek Industrial Tractor Parts Co. of Amarillo for a Model 8000 tractor for Precinct 2. The bid of \$22,540.00 net for the tractor with mower and \$5,760.00 for mower to fit a Model 8000 Ford tractor plus labor for installation was the only bid received and was unanimously accepted.

Acting upon the recom-

mendation of Judge Roberts, the court voted to approve Gary Cash, a Friona veterinarian, as the County Rabies Control Officer.

It was brought to the attention of the court that an indigent woman in Bovina needed surgery and having checked the situation concerning this type of need, the commissioners voted to give financial aid to this person.

Judge Roberts was instructed by commissioners to order a booklet entitled "Medically Indigent Costs Affecting Local Governments: Background and Issues," to help explain some of the county's responsibilities and possible solutions.

Election judges appointed for the coming year include

precinct 1, Black, Mrs. Glynn Hamilton and Joan Euler, alternate; precinct 2, Friona, Mrs. Ira Holt and Mrs. Glenn Reeve, Sr., alternate; precinct 3, Bovina, J. E. Sherrill, Jr., and Mrs. Elton Venable, alternate; precinct 4, Farwell, Mrs. Albert Smith and Billie Blain, alternate; precinct 5, Lazbuddie, Max Steinbock and Alton Morris, alternate; precinct 6, Oklahoma Lane, Clarence Johnson and Harold Carpenter, alternate; precinct 7, Rhea, Raymond Schueler and Carl Schlenker, alternate; and precinct 8, Lakeview, Otho Whitefield and Mrs. Russell O'Brian, alternate.

A board case bill in the amount of \$168 for the month of July for a Parmer County foster child was paid. County Extension Agent

Seth Ralston met with commissioners and reported that he had taken four county 4-H club members to a barrow show in Truth or Consequences, N.M., recently and that they had won ribbons for one breed champion and two reserve breed champions. The extension agents were to meet with interested parties at Oklahoma Lane later in the week to start a new 4-H Club.

Insurance carriers made a survey of the courthouse and made some suggestions on fire safety. Commissioners unanimously voted that two fire extinguishers, class ABC, be wall mounted in conspicuous places on each floor of the courthouse.

Commissioners present for the meeting along with Judge Roberts were Ernest Anthony, Jack Patterson and Raymond McGehee.

## Hagler Recalls Rains That Inundated Home

William (Bill) Hagler of Farwell was born May 25, 1936—8½ miles southwest of Texico-Farwell. Even though it is so very dry here this year, he can remember the year, months, and days that it rained in 1941. Pointing out that the area's average yearly rainfall from 1911-1979 was 17.20 inches, during his birthday month of 1941, it rained 13 inches. The total for that whole year was an incredible 45.19 inches.

That was the year that the house built by the senior Hagler on low ground became engulfed by a lake.

Hagler recalls, "Early one morning in late May, I heard our little beef hog crying. My mother got up to see about the hog and stepped into water on the floor. She hurriedly woke my father. He went to the kitchen door and opened it. Instantly, water rushed in until we were engulfed in it up to our waists.

"Realizing the danger of being trapped, plans were made to get my sister, my cousin and myself out safely. My dad, who could not swim, went outside to get the coal oil barrel from the stand next to the kitchen window. Somehow, he got it up onto the porch and into the house. In the meantime, my mother, bless her heart, had very carefully put our clothes into a brown paper bag and handed it to us on the barrel. My dad pushed and held onto the barrel with the three of us for about a quarter of a mile."

As his father struggled to get the barrel to high ground, they passed the chicken house where they found the two goats, recently given to Bill by his Uncle Massey, stranded on the roof. Bill, just five years old, naively suggested that they bring the goats on board the barrel. He was soon brought to the gravity of the situation, when his father, who never swore in front of the children, said, "to hell with them damn goats."

The Haglers lost everything, including the paper bag filled with clothes, which melted during the rain.

They did not, however, lose their neighbors and friends, who were eager to come to their aid. Among the people Hagler could remember who came to help were James Gileland, Claud Curry, Eddie Hudson, Luther Moss, Clyde McDaniel, Levi Reid, Paul Huber, John Hadley and Mr. Hadley senior, Sam Randol, Grayson Roberts, Otis Murphy, Bud Marks, Abe Kleeman and Orval Frona, Zed Engram, and Herman Honie.

Hagler is quick to point out, that since he was just a child at the time, he may not

have remembered every single person who helped. He does remember being impressed with the caring and thoughtfulness of all the neighbors.

"With their help and a lot of help from the good Lord, we all survived. Not one of us could swim; so the good Lord had to be there to help," Mr. Hagler said.

The Haglers moved the house out of the low ground in either 1944 or 1945, and it now graces a hilltop 8½ miles southwest of Texico-Farwell.

Once Covered By Water

The Hagler House, located 8½ miles southwest of Farwell, was moved off of the low ground after being covered with water during the flooding conditions in 1941.

Here we see the house as it is today. It's difficult to imagine the house immersed in a lake, but then with the drought-like conditions of today, it's difficult to imagine the lake.
