

The rains of the last few days will speed up the greening of the Golden Spread. Already most of the trees have taken on a dim pale green hue. Various lawns are responding to spring with new and green growth. If it hadn't been for last week's cold snap we would have had a fruit crop this year.

Oh well, in comparison to many parts of the country we are having a wonderful spring. Aren't you glad you live in the Twin Cities?

Apparently the science of nuclear energy production foiled the mass media Casandras. Three Mile Island did not melt down or blow up or shower millions of people with deadly doses of radiation. There was an emergency, an accident did occur, but and this is an important but, design safeguards worked. Remember, again, nobody has yet been killed or overexposed to radiation by a nuclear power plant accident.

Tell us another industry with that kind of a long safety record?

In the four or five days that the TV moguls licked their chops waiting for a disaster that never occurred there were probably a half a dozen people killed in automobile accidents in the Three Mile Island area. With all the TV cameras and crews it looks like they could have televised at least one juicy auto smashup and laid it off to nuclear energy.

Well, what business is it of ours about a nuclear accident in Pennsylvania? We think it is a lot of our business because it will allow the Eastern Establishment bandits to continue to rob the citizenry of Texas of their fossil fuel resources. In the matter of energy Texas is treated more like a colony than a state.

Our natural resources are plundered, via ICC rules and regulations, much as the old colonial powers took from their vassal colonies. Some day, some way this will have to change.

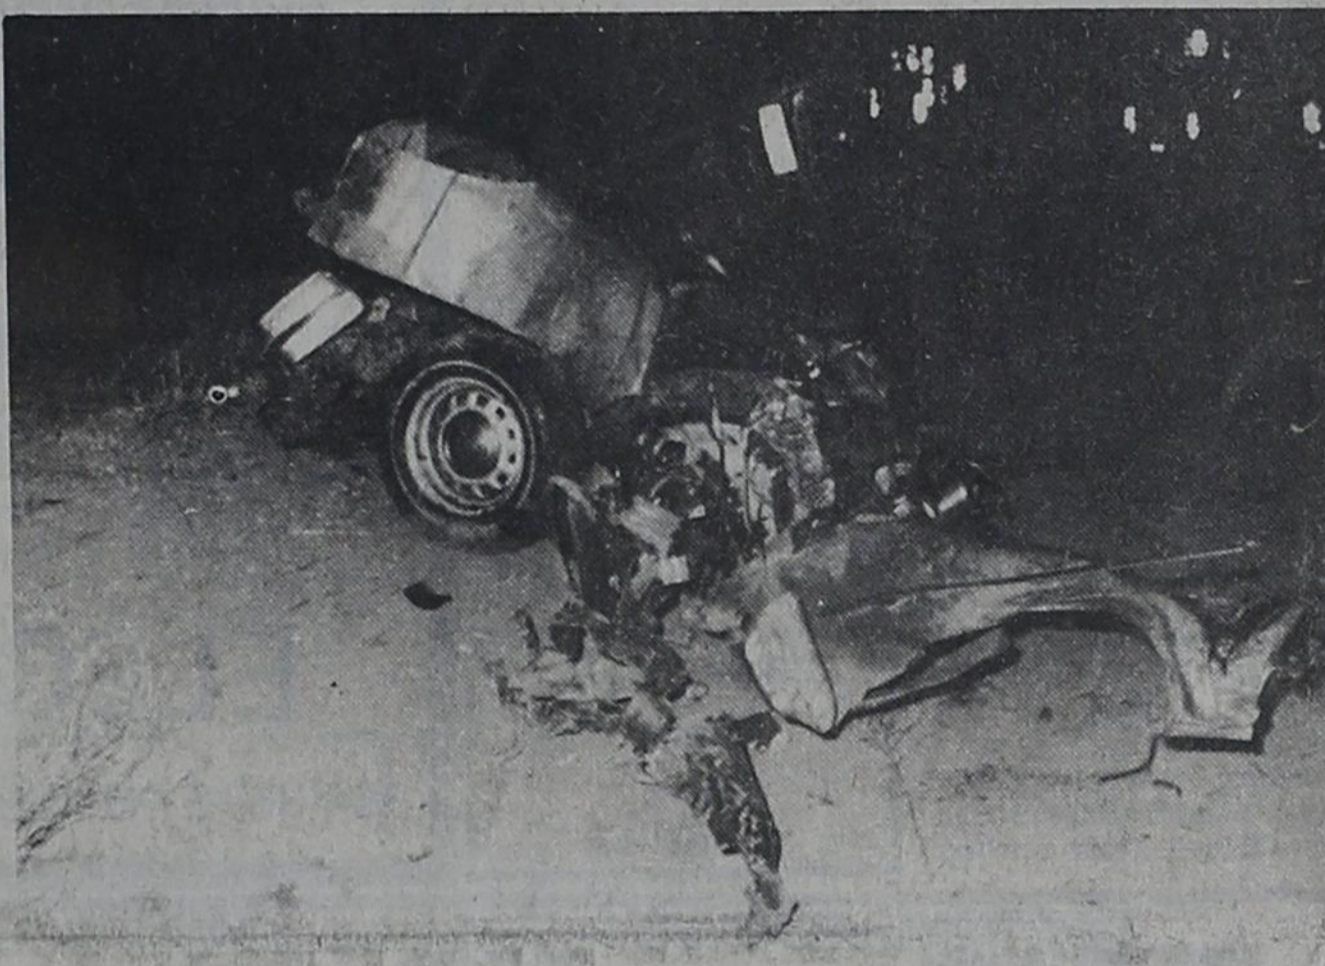

Oh yes, cheers for the voters in the Austin area. They opted to continue with their nuclear power project. Common sense does prevail at times.

Looking for a way to beat inflation? Here's the answer. Quit work and go on the government largess. Consider these advantages. (A) Have more leisure time. (B) Don't have to report for work every day. (C) Don't have to have transportation expenses. (D) Don't worry about food costs because food stamp allotment is revised every six months. (E) Get free medical care no matter how high medical and hospital costs go. (F) No risk of being laid off or pay cut. (G) Can have big families because income goes up with family size. (H) Relief and subsidy income tax free.

With these benefits for loafing in mind it is a pure deuce wonder that anybody works. This we believe is one of our inflation problems. Too few producing for too many.

Accident Scene

Results Of Accident

Farwell and Texico volunteer firemen and others assist accident victim Patty Coburn following a car-train collision which occurred Sunday night at a railroad crossing 4.2 miles northeast of Farwell. Miss Coburn, driver of the automobile involved in the fatal accident, is being as-

sisted by the ambulance attendants near her car which was sheared in half by the impact. Donald Phelps of Friona, who was the only other occupant of the vehicle, died at 12:50 a.m. Monday of injuries sustained when he was thrown from the car after the crash occurred.

This torn and scattered wreckage is all that remains of the front portion of a compact car involved in a car-train accident which occurred east of Farwell Sunday night. The car, being driven by Patty Coburn of Farwell, apparently

ran into the freight train as it passed the rural crossing 4.2 miles east of Farwell city limits. Donald Phelps, of Friona, a passenger in the vehicle, died early Monday morning of injuries sustained in the accident.

Good Voter Turnout In Farwell Elections

A good turnout marked the three elections conducted Saturday in Farwell when voters went to the polls to elect officers in a city election and to name members to the Farwell School Board and the Farwell Hospital District Board.

No surprises were evident in the City Council election as the three incumbents were all elected to another term without challenge.

Other candidates were Leon Langford, 71; Richard Hasehoff, 74; and Eddie Smith, 65.

Neither Ted Magness nor Gilbert Kaltwasser sought reelection to the school board.

Five persons were elected to the Hospital District Board.

Walter Kaltwasser, mayor, received 62 votes, and commissioners Johnny Curtis and Fred Chandler received 56 and 64 votes.

The 64 total votes cast were "light" in one respect and yet

"more than expected" since no one ran against the incumbents.

Of a slate of six nominees in the Farwell School Board election, three were chosen to fill the vacancies.

Top vote getters were Wilbert Kalbas, incumbent, with 150; and newcomers Caroline Anderson, 139, and Bill Martin, 91.

A total of 198 votes were cast in the school board election, with a possibility of a higher total for the hospital district board as some persons in Bailey County were also eligible to vote in that election.

Hospital Board members who did not seek another term were Walter Hughes, Maxine Williams and Bob Anderson.

Churches Plan Easter Services

Hamlin Memorial United Methodist Church and the First Baptist Church in Farwell will jointly sponsor a special sunrise thanksgiving service on Easter Sunday at Farwell City Park (south side of the courthouse).

The services will begin at 6 a.m. If the weather is inclement, services will be held at one of the two churches instead. A choir composed of members of both churches will sing during the services.

Everyone is invited to "come as they are" and, if desired, they may also observe the proceedings from their cars.

Rev. Duane Knowlton, pastor of the Methodist church, will bring the Easter message. Other Easter activities planned at the Methodist church were to include a pancake

supper for church members Thursday night to be followed by a family communion service at 7:30 p.m. CST.

Good Friday activities begin at 9 a.m. today with the sanctuary being open for meditation. A regular service is scheduled for 7 p.m. tonight.

Farwell Baptists will also have additional Easter services at 11 a.m. and 7 p.m. this Sunday. Also, the local Baptists will be in charge of the Easter Services at the Convalescent Center slated for 2:30 p.m. Sunday.

Maudy Thursday communion services at St. John Lutheran Church at Lariat were to begin at 8 p.m. A Good Friday worship service is set for 8 p.m. tonight, and on Easter Sunday, regular worship hours will be observed with the choir planning to sing

Car-Train Wreck Claims One Life

A car-train wreck northeast of Farwell Sunday night left a Friona youth dead and a young Farwell woman in serious condition at Clovis High Plains Hospital.

Donald Lansing Phelps, 18, of Friona, a passenger in the vehicle, died at 12:50 a.m. CST Monday from injuries sustained in the accident which occurred at about 8:28 p.m. at a railroad crossing 4.2 miles northeast of Farwell city limits.

Patricia K. (Patty) Coburn, 21, of Farwell was driving east in a vehicle which turned south off U.S. Hwy 60 and apparently ran into the freight train whose first engine had

already passed the railroad crossing. The AT&SF freight was also traveling east at an approximate speed of 70 miles per hour.

Units from both the Texico and Farwell Volunteer Fire Departments were on the scene and transported the injured to the hospital in Clovis.

Texas Highway Patrolman Jim Bishop who was near the scene of the accident at the time investigated the mishap and said that the train's engine was apparently far enough past the crossing that the vehicle's occupants could not see its lights and probably never saw the train at all.

The entire front of the car

was sheared away at the edge of the front seats and Phelps was thrown from the car after the impact.

A spokesman for the Santa Fe Railroad said that the train, whose destination was Chicago, composed of three engines and 28 railroad cars.

No lights or gates mark this rural crossing, only a regular railroad crossed arm sign.

Miss Coburn, daughter of Mr. and Mrs. Jesse Coburn Jr., was reported by the hospital to be in satisfactory condition Wednesday morning. Funeral services for Phelps were conducted Wednesday

morning in First Baptist Church of Friona with Rev. C.H. Murphy, pastor, and Rev. Charles Vick of Canyon officiating.

Graveside services were scheduled for that afternoon at Throckmorton Memorial Cemetery.

Phelps, a native of Carlsbad, N.M., had lived in Friona 15 years. Survivors include his parents, Mr. and Mrs. Donald Phelps of Friona; a sister, Mrs. Terrell Mitchell of Mansfield; a brother, David of Friona; and his grandparents, Mr. and Mrs. Monroe Phelps of Manitou, Okla., and Mr. and Mrs. R.W. Beaty of Throckmorton.

Chamber Banquet Set Next Friday

Final preparations are underway for the annual Farwell Chamber of Commerce and

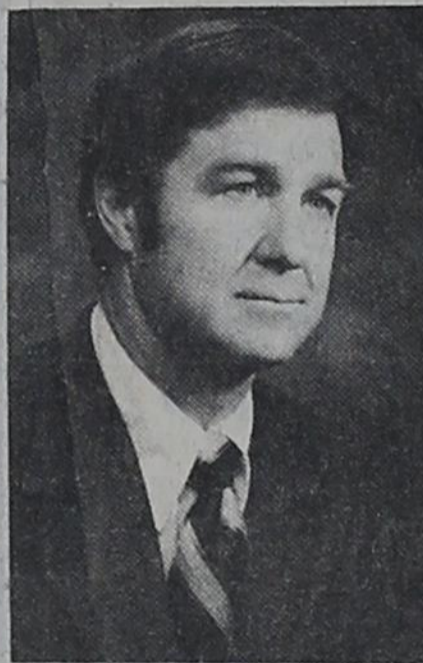

Agriculture Banquet slated for Friday, April 20, at 7:30 p.m. CST at Farwell School Cafeteria. Max Sherman, president of West Texas State University, and former state senator will be guest speaker.

Tickets are on sale now at a cost of \$7.50 each and may be purchased from any member of the Chamber of Commerce.

Special highlight of the yearly event will be the presentation of woman and man of the year awards. Making the presentations will be Jeannie Norris who will be filling in for her grandmother, Mrs. E.G. Blair, last year's honoree, along with Don Williams, last year's man of the year.

As in past years, the Theta Rho Chapter of Epsilon Sigma Alpha sorority is in charge of decorations.

W.M. Roberts, Chamber president, will serve as master of ceremonies. Rev. Duane Knowlton, pastor of Hamlin Memorial United Methodist Church, will give the invoca-

MAX SHERMAN

Kent Hance To Have Town Meet

U.S. Congressman Kent Hance of the 19th Congressional District will conduct a town hall meeting next Tuesday, April 17, at 5:30 p.m. CST at the Farwell School Auditorium.

Everyone is invited and urged to attend.

tion and Rev. Carrell Watkins, pastor of Calvary Baptist Church, will say the benediction.

Ed and Juanita Hardage - traditional favorites each year - will provide dinner music. I.W. "Dutch" Quickel will introduce the out-of-town guests. Roberts will recognize outgoing officers, introduce the 1979 directors and give the progress report.

Otis McMillan will introduce the guest speaker.

Fred Chandler will again be the "chief cook." The menu will consist of tossed salad, steak, baked potato, hot rolls and butter, cobbler, coffee and tea.

The meal will be served by the Farwell cafeteria women.

Directors for 1979 are Lee Hutchins, Jerry Monk, Otis McMillan, Johnny Curtis, Ricky Stewart, R.W. Anderson, I.W. Quickel, Jr., Joe Hughes, Don Williams, Fred Chandler, Johnny Atkinson and W.M. Roberts, ex-officio member.

Sherman and his wife, Gene Alice, are parents of two children, a son, Lynn, and a daughter, Holly.

In addition to serving as

(Continued on Page 2)

Brief Rain Beneficial

The Twin Cities and surrounding areas received approximately a half-inch of rain Monday during an intermittent storm which at one point left water running in the streets.

The needed moisture was much appreciated by area farmers. However, the benefit from the brief rain storm seemed almost negligible early Wednesday morning as extremely strong winds buffeted the area, drying the ground.

'Stay Away!' Plea To Area Citizens

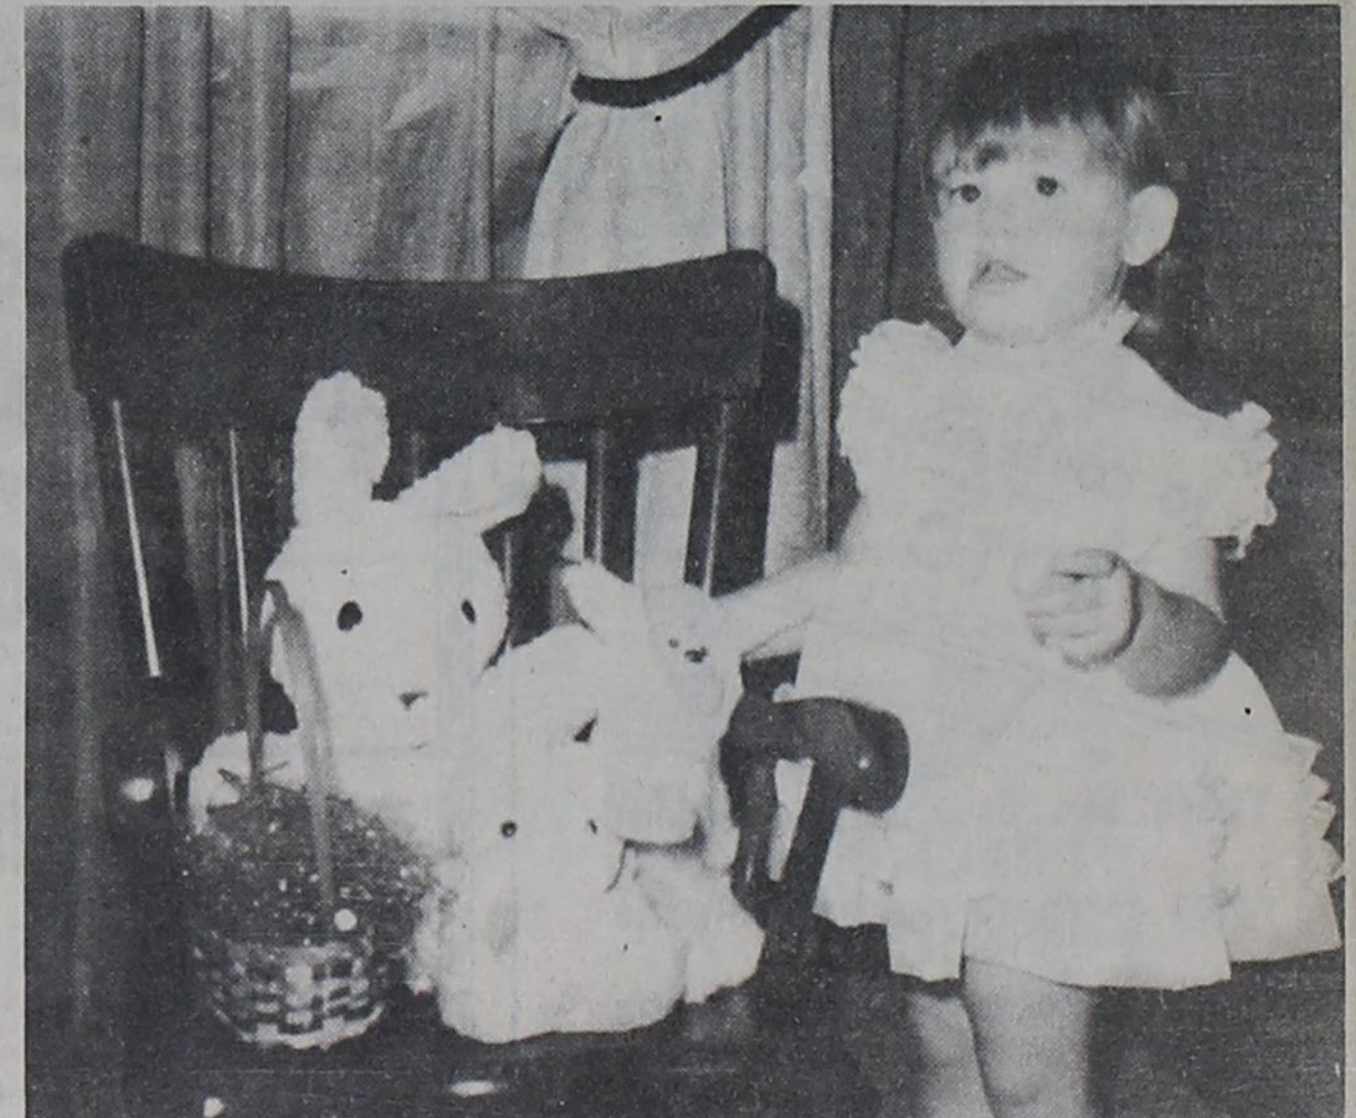

Fire chiefs of both the local volunteer fire departments and other department personnel are making a plea to local citizens to please cease from following firetrucks or ambulances when they are making a call.

Unless your presence is needed in the capacity as fireman or ambulance attendant, you should not be in the vicinity where the firemen are attempting a rescue or to extinguish a fire.

Fire department spokesmen say that their efforts were greatly hampered at Sunday night's car-train wreck by unnecessary persons being in the way of those there in an official capacity.

In recent weeks their efforts at combating fires has also been hampered because of onlookers clogging the streets with their vehicles and getting in the way of the hoses and other equipment.

So please remember: Unless you are a fireman or an ambulance attendant, please do not follow these vehicles - you may be the cause of a delay that would cost a life.

Easter Joy

Easter joy can be many things to different people, but to little Kelley Cooper, 17-month-old daughter of Mr. and Mrs. Lynn Cooper of Texico, it is gathering all her favorite stuffed toys - rabbits, of course - nestling them with her Easter basket, and giving

them a "ride" on her own special rocking chair. The tiny tot, just old enough to celebrate Easter, is anxious for the "big day" to arrive and, of course, she can't wait to see what the Easter Bunny brings her.

Hubert Payne Buried

Funeral services for Hubert W. Payne, longtime resident of the Farwell area, were to be conducted at 2 p.m. Thursday at the Oklahoma Lane Baptist Church.

Mr. Payne, 78, died April 10 in Clovis High Plains Hospital. He was born in Texas on February 23, 1901 and came to the Farwell area in 1924. For the past several years he had made his home at Retirement Ranch in Clovis. He was a member of Oklahoma Lane Baptist Church.

Rev. Moody Smith and Rev. J.J. Terry were to officiate at the funeral rites, and burial was to be in Oklahoma Lane Cemetery under the direction of Steed-Todd Funeral Home.

Survivors include two brothers, C.L. Payne of Long Beach, Calif., and Mart Payne of Fort Worth; and one sister, Mrs. J.C. Taylor of Calimisa, Calif.

Interested In P-TA? Meeting Set Monday

Anyone interested in forming a Parent-Teacher Association for Farwell Schools is asked to attend a special meeting Monday night, April 16, at 8 o'clock in the Farwell School cafeteria.

Several persons have expressed a desire to have such an organization for the local school system and want to see if there is enough interest by Farwell School patrons to form such a group.

Mrs. J.E. Smith of Lubbock, District P-TA president, will be on hand at Monday night's meeting to answer any questions.

If you are interested, please attend this meeting.

Farwell Chamber Banquet . . .

(Continued from Page 1)

man was seventh in seniority representing 26 counties. He was president pro tempore of the Texas Senate in 1973 and was a delegate to the 1974 Constitutional Convention, during which he served as chairman of the Style and Drafting Committee.

Sherman was appointed by the governor of Texas to serve on the Interstate Oil Compact Commission and the Lt. Governor appointed him to the Southwest Regional Energy Council.

"Texas Monthly" selected Sherman as one of the Ten Best Legislators for the years 1973, 1975 and 1977.

During his senate stay he also received the Vocational Agriculture Teacher Association of Texas Legislative Award.

Sherman served as chairman of the Natural Resources Committee and was a member of both the Finance and Jurisprudence Committees. He also belonged to the Senate Agriculture and Civil Matters subcommittee.

From 1973-75 Sherman was chairman of the Texas Law Review Association and co-chairman of the Water Law Committee and State Bar Environmental Law Section. He was a member of the Legislation Committee of Antitrust and Trade Regulation Section.

While in the senate, Sherman was a partner in the law firm of Gibson, Ochsner, Adkins, Harlin and Hankins of Amarillo until September, 1977. He served as state senator, 31st Senatorial District until September, 1977, when he resigned to become the fifth president of WTSU.

Volunteers Needed - -

Texico Chamber Slates Sign Installation Day

Texico Chamber of Commerce at its meeting Monday night set this Saturday as a work day to install street signs. Bill Christian, newly-elected president, presided over the meeting.

Volunteers are needed to assist with the installation of the signs. Anyone interested in helping is asked to meet at the parking lot of the Texico Branch of the Citizens Bank at 1:30 p.m. MST Saturday.

Odis Wilhite has donated the use of a tractor and post hole digger, and Arlye Crooks has donated the use of a cement mixer.

The next Chamber project will concern the new K.K. Rannels Memorial Park, and will involve locating and staking the area where sprinkler heads may be established, and fertilizing and seeding the area.

Lewis Cooper informed the Chamber members that they will have to install a fence around the lake located at the park, and widen the drain areas.

Plans are already underway for next year's annual Chamber banquet. Members felt that, considering the inclement weather the night of the banquet, this year's dinner was a success.

Members also discussed the upcoming Border Town Days celebration. Merchants will be encouraged to decorate the town during the celebration and everyone is encouraged to enter a float in the parade.

The possibility of purchasing a large street banner was discussed, but no decision was made Monday night.

FIRE CALLS

Both the Farwell and Texico Volunteer Fire Departments assisted the Portales Fire Department in battling a grass fire April 5 some 12 miles south on the State Line Road.

Both local departments also responded to the car/train wreck Sunday night four miles east of Farwell.

Fortenberry Hears Cases

Parmer County Judge Paul Fortenberry heard several cases since the last report.

Sompong Sooksomtip, 40, of Clovis was fined \$100 plus court costs and given six months probation for driving while intoxicated.

Dorene Padilla, 19, of Friona and Donald Hill, 20, of Clovis were each fined \$100 plus court costs and given six months probation for possession of marijuana less than two ounces.

Coby Diane Trees, 20, of Clovis was fined \$100 plus court costs and given six months probation for each of the following two counts: possession of marijuana less than two ounces and driving while under the influence of drugs.

Tony Gonzales, 20, Friona, was fined \$100 plus court costs and given six months probation for each of the following two counts: possession of marijuana under two ounces and evading arrest.

Sandra Kay Webber, 28, of Oklahoma, was fined \$100 plus court costs and given six months probation for DWID.

Max Cole, 17, of Friona was fined \$100 plus court costs and given six months probation for possession of marijuana less than two ounces.

Billy Earl Wall, 38, of Muleshoe pleaded not guilty to a DWI charged and posted a \$500 bond.

SHERIFF'S REPORT

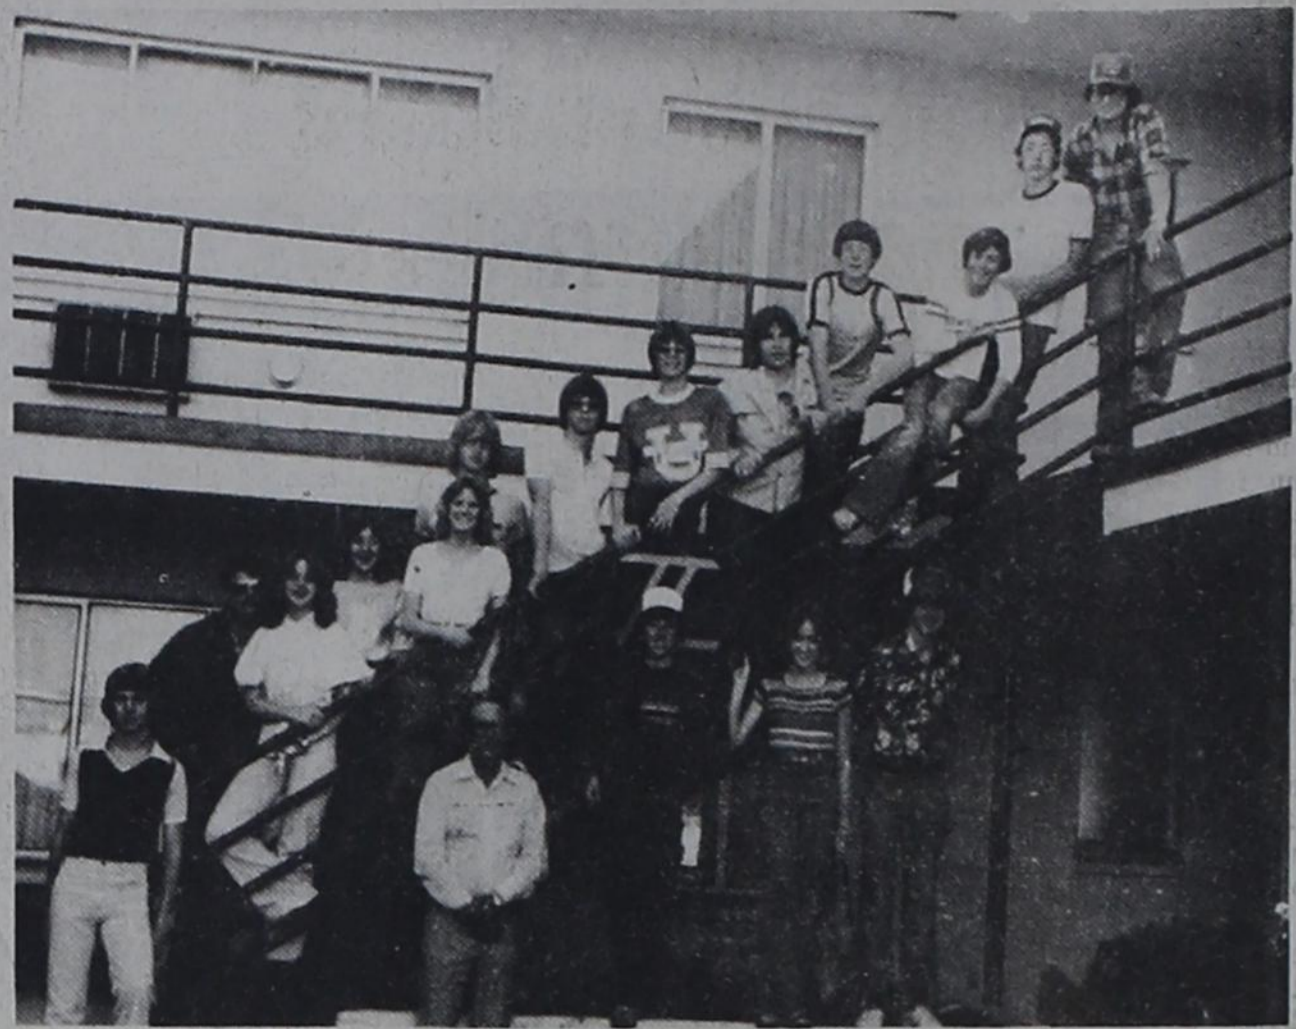

Parmer County Sheriff's office is investigating the breaking of Foster Fertilizer at Lazbuddie which occurred over the weekend, reports Sheriff Charles Lovelace. The suspects entered the building by prying open a door and took two impact wrenches valued at \$300, he said.

Texico Condemns Property

Texico City Council passed two resolutions at its regular meeting Tuesday night condemning the following property in the city: Lot 9, Block 7 of the G. Clark Smith Edition; and Lots 18-19, Block 15 of the Heberd Smith Edition.

The council also approved the fire department budget for the year 1979-80, approved the purchase of a chlorinator for the city well located at the old park site, and approved the police report.

Those attending were Mayor Pro Tem Bill Thigpen, trustees Vane Doshier, Lewis Cooper and Marie Christian, and Mickey Fenn, city marshal.

FFA Judging Entrants

Members of Texico FFA who judged in Las Cruces last week included: [from the top of the staircase to the bottom] Sam Clines, Roy Hill, Craig Horne, Jeff Dunsworth, James Robinson, Kent Harding, James Kelley, Billy Clines, Beth Kelley, Sheryl Day, Delinda Duncan, Lynn McDaniel; and [standing in front of staircase] Steve Kittrell, Eddie West, FFA advisor; Jeff Day, Pam Southard, and Terry Curry. [Texico School Photo.]

Texico FFA Members Judge In Las Cruces

Sixteen Texico FFA members participated in state judging competition last week in Las Cruces. The students left on April 4 and returned April 7.

En route to Las Cruces, the group stopped at White Sands for a picnic lunch and for sand surfing. While in Las Cruces, they went sightseeing and swimming during free time.

Judging livestock were Lynn McDaniel, Terry Curry, Jeff Day and Jeff Dunsworth. On the dairy team were Billy Clines, Sam Clines, Roy Hill and Craig Horne.

Judging meat were Sheryl Day, Delinda Duncan and Steve Kittrell. Team members participating in crop judging included James Kelley, Pam Southard and Beth Kelley. James Robinson, James Kelley, Kent Harding and Billy Clines judged poultry.

Mr. and Mrs. Eddie West accompanied the group. Next on the FFA calendar will be the annual Parent-Teacher awards banquet scheduled for April 19 in the Texico Schools cafeteria.

Farwell School Board Elects New Officers

Farwell School Board met in regular session Monday night and in a reorganization of the group following Saturday's election, new officers were named.

Wilbert Kalbas, who was re-elected to his third term on the board, was elected president of the board. Jim Walker was elected board secretary, and Billy Mayfield was elected vice-president. All the elections were by acclamation.

In the first order of business prior to the officer election, the board canvassed the election returns and declared that Wilbert Kalbas, Caroline Anderson and Bill Martin were duly elected members of the board. Mrs. Anderson is the first woman to serve on a Farwell School Board.

Minutes of the past two meetings were read and approved, reports were approved and bills were okayed for payment.

A report was heard from Tom Knoy, high school principal, and Mrs. Anne Corn presented an overview of the math program and made a recommendation to the board that three years of math be required for graduation.

Howard Carlyle, counselor, reported on problems with one testing program and requested additional funds to purchase materials needed to continue the testing program. The board voted to grant an additional \$500 to this program.

Knoy also reported on results of the high school UIL contest at the district level.

Elementary principal Jerry Yows reported on preparations for the District UIL meet for elementary and junior high students.

A group of parents of kindergarten students for the 1979-80 school year met with the board regarding transportation of kindergarten students at noon. After much discussion there was a motion made that this matter be tabled until the June meeting and that a committee be appointed to study the matter and report to the board at that time. Joe Hughes and Billy Mayfield were appointed to work with James Craig.

In other business the board voted to allow the junior class to have the junior-senior

banquet and prom at the Colonial Country Club in Clovis on May 12.

Knoy presented guidelines for the coming senior trip along with an itinerary for the trip. The board accepted the recommendations as presented.

A question concerning whether or not a certain senior would be allowed to participate in the senior trip was brought up by Knoy. The board instructed Knoy to investigate the matter and if need be, report back to the board at the May meeting. A question concerning whether or not a married student would be allowed to go on the trip was also considered. It was the opinion of the board that he may go if he desires.

James Craig was named as the authorized representative for the lunchroom and commodity program.

A motion was passed that all board meetings in the future be opened with prayer.

Present for the meeting were board members Kalbas, Martin, Mrs. Anderson, Hughes, Walker, Mayfield and Doyle Ford; superintendent W.M. Roberts; Yows, Knoy, Mrs. Corn, Carlyle, Craig, Jerry Owen, Karolene Inman, Don Alana, Mr. and Mrs. Bobby Foster, Mr. and Mrs. Buddy Foster, Mr. and Mrs. Gary Foster, Mr. and Mrs. Steve Foster and Mr. and Mrs. Roy Donaldson.

New Justice
Of Peace

Albert Smith of Farwell was sworn in Tuesday morning as the new Justice of the Peace for Precinct 1. Bonnie Warren, Parmer County Clerk, officiated at the swearing-in ceremony. Smith will finish out the first two years of the four-year term of the late Ray E. Mears who died a few weeks ago. In 1980 Smith will be eligible to run for the remaining two years of Mears' term and in 1982 he will be eligible to run for his first full term.

Texico School Board Approves Paving Bid

Texico School Board in its Tuesday night meeting accepted a bid from Eastwood Construction in Clovis in the amount of \$5.82 per yard to pave the parking lots around the school. Approximately 2026 yards will be paved.

The Board decided to send a letter to the State Department of Transportation seeking permission to pick up and deliver by bus all the Texico school children north of the railroad tracks and south of Highway 60-70-84. The action was deemed necessary due to the hazardous walking conditions of the area.

decided to hire a school nurse for the next school year instead of using one provided by the State Health Department. Sick leave for staff members was changed to the same as faculty members; 10 days sick leave during a nine-month period.

The Board adopted a salary schedule for staff and faculty which will allow employees a seven percent increase and be in compliance with the President's guidelines and the appropriation bill provided by the state legislature.

Per diem was raised to \$32 beginning next year and gas mileage was raised from 15 to

17 cents per mile. Per diem on trips covers the cost of food and lodging.

Substitute teacher pay was set at \$28 per day for persons with degrees and \$24 per day for those who do not have degrees.

The Board will finalize the budget for next school year and hire teachers and faculty at the April 17 board meeting. A budget hearing open to the public is set for May 4.

Those attending were school board members Arlye Crooks, Herman Gerries, Ronny Curry, Mike Spearman and Greg Martin, and Superintendent Jim Pierce.

Students Will Enter UIL Literary Events

Several Farwell elementary and junior high students will compete in the UIL Literary Events April 24 in Hart. The following is a list of elementary students and the events they have entered:

Spelling and Plain Writing: Steven Stancell, Sherilyn Thigpen, Mark Cole, and Greg Lovett, alternate.

Oral Reading (Poetry): Ramona Winter, Jesse Coburn, Cynthia Ancira, and Brian White, alternate.

Ready Writing: Mark Cole, Sherilyn Thigpen, DeAnn Curtis, and Roger Robertson, alternate.

Number Sense: Ray Galvan, Carl Hutchins, Kevin Owen, and Mark Cole, alternate.

Story Telling: Richard Turner, Andria Chadwick, Shelly Smith, and Tomell Knoy, alternate.

Picture Memory: Alma Nicholas, DeAnn Curtis, Sherilyn Thigpen, Dana White, Twila Donaldson, and Renee Bartley, alternate.

Listed below are the junior high students who are entering the contest:

Spelling and Plain Writing: Norine Jones, Polly Turner, Shana Blain, and Maribel Arguelles, alternate.

Oral Reading (Poetry): Polly Turner, Shana Blain, Steven Lovvorn, and Logan Dollar, alternate.

Ready Writing: Jennifer Stancell, Logan Dollar, Sandra White, and Tammy Goldsmith, alternate.

Number Sense: Kelly Davis, Tammy Obenshain, Jane Ward and Maribel Arguelles, alternate.

FRIDAY - Swiss steak, cheese-potato bake, green beans, hot rolls, butter, applesauce, milk.

[Menu Sponsored by Borden's Dairy Products]

This I Know - - -

by Leonard Harper
Minister
Farwell Church of Christ

LIFE IS A PRECIOUS GIFT. God gives "to all life, and breath, and all things." (Acts 17:25).

In the beginning, this life was not limited; however, with the sin of Adam and Eve, it was necessary for God to remove them from the garden of Eden. (Gen. 3:22, 23). This was done lest they eat of the tree of life and live forever.

DURATION OF EARTH-LIFE LIMITED

"The days of our years are threescore and ten (70); and if by reason of strength they be fourscore (80), yet is their strength labor and sorrow; for it is soon cut off, and we fly away." (Psa. 90:10).

LIFE CAN BE ABUNDANT. -Christ said, "I am come that they might have life, and that they might have it more abundantly." (John 10:10). This is the life of the baptized believer who lives as a faithful member of the Lord's church. (Acts 2:47; Eph. 3:21).

A LIFE OF GODLINESS is our part of the responsibility for making sure that the "precious gift of life" is not spoiled. "Godliness is profitable unto all things, having promise of the life that now is, and of that which is to come." (2 Tim. 4:7-8).

LIFE IS A PRECIOUS GIFT from God, and will be recognized as such; unless we spoil it or permit others to spoil it for us.

"CHOOSE LIFE, THAT YOU MAY LIVE."

Convalescent Center Chit Chat

As Reported by the Center Staff

Instead of Sunday afternoon church services last week at the Center, Helen Massengill played the piano and everyone sang.

A big Easter party is planned for this Sunday afternoon at 1 p.m. Troop 86 and Neighborhood 54 Girl Scouts will hunt Easter eggs after the residents hide them, weather permitting.

Afterwards refreshments will be served. Leaders are Willie Pitcock, Lynn Santi, Ann Shuckman and Linda Shierhorst. Everyone is invited.

The residents will dye eggs this Thursday and Friday.

Plans are in the making for National Nursing Home Week, May 13-20. Plan now to attend.

The garden spot has been cleaned up and enlarged by several feet, thanks to the efforts of Rod Copeland and Denton Bates. It will be planted soon. Everyone really enjoys the fresh vegetables.

Flo's Quote: "No one can be completely relaxed. Like a windup clock, a person can't tick without some tension." John Raudonis.

Harold Mardis enjoyed a trip to Clovis to the farm of his son, H.B. Mardis.

Queen Christa Gohlke has gone to Hollis, Okla., for two weeks with her daughter, Edith Bourland.

Visiting Thelma Kittrell were her sister and husband, Mr. and Mrs. Sam Cox of

Nogal, N.M., and her niece, Debra Stredent and Paul of Alamogordo.

Guest of Cora Baker was her friend, Anna Best of Portales.

Visiting Velma Robertson were her brother and wife, Mr. and Mrs. E.L. Bailey from Albuquerque.

Gary Williamson of Carlsbad visited his grandmother, Willie Shields. Other visitors included her son and wife, Mr. and Mrs. J.M. Hagler of Truth or Consequences.

Visiting Dick and Annie Dunn were their granddaughter, Brenda Cook, and Connie Nash of Portales; Evelyn Rogers of Ft. Sumner; their son, Joe Bowlin, and Irene Bell of Santa Fe; Chuck Patterson and Mr. and Mrs. R.J. Cook of Ft. Sumner.

Weaving Demonstration

Two Texico kindergarten students, Johnny Boyles, son of Mr. and Mrs. Richard Boyles, and Melissa Cox, daughter of Sandy Cox, observe as Lela Goar of Clovis demonstrates to their class how to weave and spin wool just like the early pioneers did long ago. Last week the class took a field trip to Mrs. Goar's farm where they observed the sheep shearing process. Denese Runyan is the kindergarten teacher.

Special Art Exhibit Set In Plainview

The Llano Estacado Museum Association and the Plains Art Association are planning a benefit to raise money for their 1979-80 Cultural Programs. This joint effort, "Plainview Collects," will include some of the finest paintings, sculpture and pottery in this area. A few of the well-known names represented in the exhibit are Picasso, Peter Hurd, Salinas, James Eddelman, and Stiha.

These valuable paintings and art pieces will be displayed for one evening only, Friday, April 27, at 8 p.m. in the museum. Music for the

evening will be light operettas and will be provided by local musicians Robin Flood, Richard Berry, Kevin Sinclair, and Gay Harris. Refreshments will be served.

Marguerite Butler, first vice-president of the Plains Art Association, is general chairman of "Plainview Collects." Billie Jameson, president of Plains Art Association, is her co-chairman. Barbara Dorman, president of the Museum Association, is collection committee chairman. Other members of her committee are Polly SoRelle, Patsy Payne, Norman Wright,

Ethel Ramsower, Gayle Thompson, Marge Williams, and Opal Hammer.

Publicity chairman is Mary Jane Rice, and Louise Adel Arnold is music chairman. Food and decorations will be arranged by Frances Chesser, Lil Nicholl, Susan LaFont, and Opal Hammer. All committee members and their spouses will be hosts for the evening. Rex and Ethel Ramsower volunteered to be in charge of props for display of the art. Their assistants are Weldon McCullough, Jack Richie, and Bob Butler. Security will be arranged by Eddie Guffee, Museum Director, and Pattie Guffee, secretary.

The generosity and participation of Plainview's art collectors have made the plans for this exhibit possible. Since they wish to remain anonymous, their only gain is the pleasure of helping the benefit, and in sharing their collections with other lovers of fine art.

Ticket committee chairmen are Jane Brust and Jean Silverthorne. For ticket information call the museum at 296-5521, Mrs. Brust at 293-4468, or Mrs. Silverthorne at 296-2278. Tickets may be picked up in advance at the museum, 8th and Smythe, Monday through Friday, 10 a.m. to 5 p.m.

Easter Eggs Rich In History

Easter eggs are rich in history.

Dr. David B. Mellor, poultry marketing specialist with the Texas Agricultural Extension Service, says it's easy to see how the egg came to be a traditional Easter symbol. "The egg has long been a symbol of renewed life, especially in the pre-Christian spring festivals. In some faiths, it even symbolizes the beginning of the world."

"According to American folklore, Easter eggs really come to us from the Easter bunny. This tradition supposedly comes from Germany and France," Mellor explains. "Some French children still believe the rabbit runs to Rome to get eggs from the Pope."

Even though our custom of

decorating and giving eggs at Easter is a symbol of resurrection, this custom actually started in China about 750 B.C. points out Mellor.

The specialist believes one of the most unusual eggs is the pysanka -- a Ukrainian Easter egg. The highly decorated egg is developed with stylus, beeswax, dyes, artistic ability, and a lot of patience.

"But no matter how you decorate your eggs, be sure to use pure food dyes and to prepare them properly so they are safe to eat," Mellor cautions. He offers these suggestions, taken from a leaflet, "About Eggs . . . Cooking in the Shell," available at any county Extension office.

First, age eggs at room temperature for 24 hours

before cooking to simplify peeling. Place eggs with small ends down during this period.

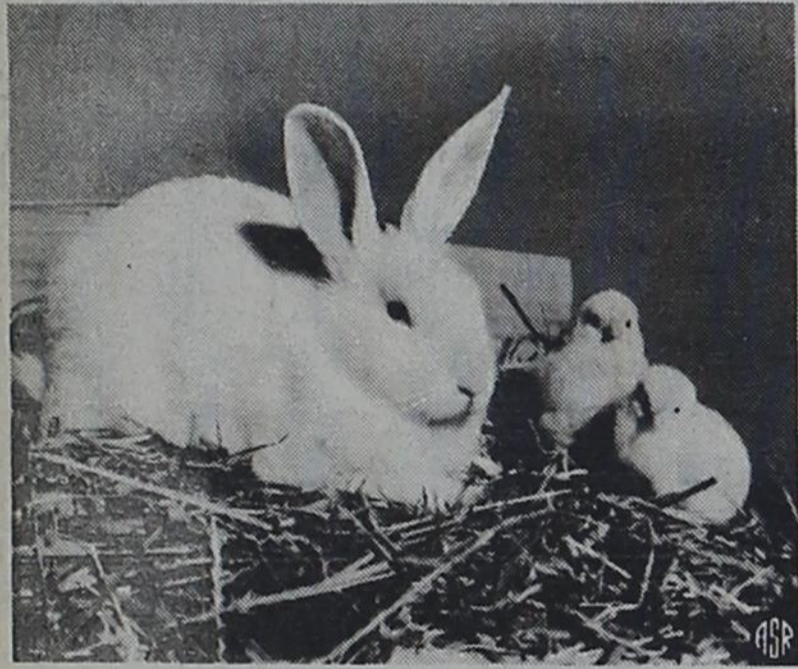

Prior to cooking, put eggs in a pan of warm water. This helps prevent cracked shells when eggs are placed in hot water.

Bring water to a rapid boil, using enough water to come one inch above eggs. Transfer eggs to boiling water with a spoon. Reduce heat to keep water just below simmering. Hold for 18 minutes.

Cool eggs promptly and thoroughly in cold water. This makes the shells easier to remove and helps prevent dark surfaces on yolks.

Be sure to use only clean, sound eggs -- Grades Fresh Fancy, AA or A -- for cooking in the shell," advises Mellor. "To prevent gray-green discoloration of egg yolks, avoid overcooking. Immediate plunging into cold water also helps prevent yolk discoloration."

Don't Let Your Easter Gift Lay An Egg!

The American Veterinary Medical Association urges you not to give your children rabbits, chicks or ducks for Easter. Excitement and enthusiasm over the gift often result in broken legs and crushed wings.

The injury or death of the animal is a traumatic experience for the child. Animals that survive generally end up in an animal shelter. It is impossible to place them all. Many have to be destroyed.

The veterinarians remind parents that these are outdoor animals. They cannot be housebroken and may cause serious housekeeping and health problems. Public health authorities warn that children and adults in close contact with these animals may be exposed to salmonellosis, a severe

gastro-intestinal infection. Salmonellosis is rarely fatal, but often requires medical treatment including hospitalization. Other pets as well as family members may become ill.

Because of the problems surrounding these animals, many communities have passed laws prohibiting the sale of rabbits, ducklings and chicks as pets.

Easter and the coming of spring should be a time of joy and rebirth, not a period of physical illness, psychological trauma and the needless deaths of young animals. The American Veterinary Medical Association urges parents to leave rabbits, chicks and ducks on the farm and give their children stuffed toys and chocolate bunnies instead.

when cancer strikes, we help.

Cancer patients and their families need lots of help when the patient comes home. And that's what we're here for. To offer personal services that will keep the family going. Ease the worry. Solve many problems. And there is never a charge for any service we provide. When cancer strikes, we want to help. Call us at your Unit of the American Cancer Society.

Hospital Notes

Steve Geries, son of Mr. and Mrs. Don Geries of Farwell, broke his left arm in a fall on his bicycle late Sunday afternoon. Steve now has the arm in a cast and although he had to miss school for two days, he is feeling better now.

Mrs. Commie Blain of Farwell remains hospitalized at West Plains Medical Hospital in Muleshoe. She is reported to be showing some progress this week.

Lewis Tharp has returned to his home in Farwell after receiving medical treatment at the hospital in Muleshoe last week. He is reported to be doing a little better each day.

C.H. Whitener continues to receive medical treatment at Clovis High Plains Hospital this week.

Bruce White, son of Mr. and Mrs. Joel White of Farwell, underwent a tonsillectomy at Clovis High Plains Hospital Tuesday. He is at home and is doing fine.

Lewis Tharp has returned to his home in Farwell after receiving medical treatment at the hospital in Muleshoe last week. He is reported to be doing a little better each day.

"Whatever happened to the good ol' days. That's when you cooked inside and had the bathroom outside."

Local Girl Nominee For SPC Woman Of Year

Brenda Winegeart of Farwell has been nominated for Woman of the Year for 1978-79 at South Plains College, Levelland, where she is a sophomore law enforcement major.

The daughter of Mrs. Virginia Winegeart and the late Paul Winegeart of Farwell, Brenda is one of 13 nominees for the honor.

Selection will be made by a committee headed by dean of

women Carole Blair, and announcement of the winner will be made April 23 at the 11th annual Women's Recognition Banquet.

Nominations are made by SPC organizations and dormitories and are made on the basis of service and loyalty to SPC, participation in and contribution to student activities on campus, scholastic achievement, ability to deal with people, and good character, says the dean of women. Brenda, who is secretary of Gamma Delta Nu, was nominated by the SPC Law Enforcement Club.

Another Farwellite, Ruth Ann Blankenship Bennett, was named Woman of the Year at SPC in 1971-72.

Housewarming Honors

Mrs. Nelson

Mrs. Georgia Nelson was honored with a housewarming in the Oklahoma Lane community last Wednesday night. Hosts for the event were members of the Oklahoma Lane United Methodist Church.

Mrs. Nelson was presented with a mirror for her new home by the group. Refreshments of cookies and coffee were served to some 24 persons attending.

Pleasant Hill Pal 4-H'ers Tour Veterinary Hospital

Pleasant Hill Pals 4-H Club members were treated to a tour of the Clovis Veterinary Hospital last month. They

observed Drs. Anspaugh and Dr. Morrow treating a horse and a dog.

The tour was part of their regular monthly meeting. Members discussed the window display for National 4-H Week which was last week. This window display subsequently went on to win first place in Curry County.

Melissa Singleterry served refreshments to members, sponsors and guests. Members present were Zan-

dy and La Shauna Kelley, Lori and Keri Pierce, Daya and Roxanne Kelley, Jubal and Robin Pierce, Steve Smith, Beth Kelley, Justin Barnes, Rodney Dickerson and Brette Southard.

Visitors were Penny Pierce, Chad Barnes, Martin Singleterry, and Donna, Betty and Kay Cole.

Sponsors were Bertha Kelley, Helen and Allen Kelley, Alice Pierce and Beverly Pierce.

Parmer Teachers Have Year's Final Session

Parmer County Teachers had their final meeting of the year April 2, in the Farwell Cafeteria.

Invocation was given by Tom Knoy followed by the Pledge of Allegiance. Anne Corn extended the welcome followed by her president's report. A secretary's report was given by Frances Boling and a treasurer's report was submitted by Virginia Cleveland.

Jeanne Mosley, Mary and Benny Pryor gave committee reports. After a discussion, the group amended the P.C.T.A. constitution. Pat Owen submitted the following names for officers for the coming year: president-elect, Mary Pryor; secretary, Frances Boling; and treasurer, Alice Barber. These nominees were elected

by acclamation. Richard Montgomery is the incoming president.

Joyce Hargrove was in charge of the installation of officers. Her theme was "Trees as Branches of an Organization." James Craig presented Anne Corn with a bouquet of fresh spring flowers in appreciation for her outstanding job as president. She received a standing ovation from the group.

Sewing Seminar Set In Clovis

A Sewing Seminar featuring Ellen Freeman of Lubbock is slated for April 23-24 at Paint 'n Place, 900 Pile in Clovis.

The instructor will cover new techniques, basic patterns, design in ultra suede and different types of sewing.

For reservations, contact Peggy Snider at 481-3864 or call 763-7749.

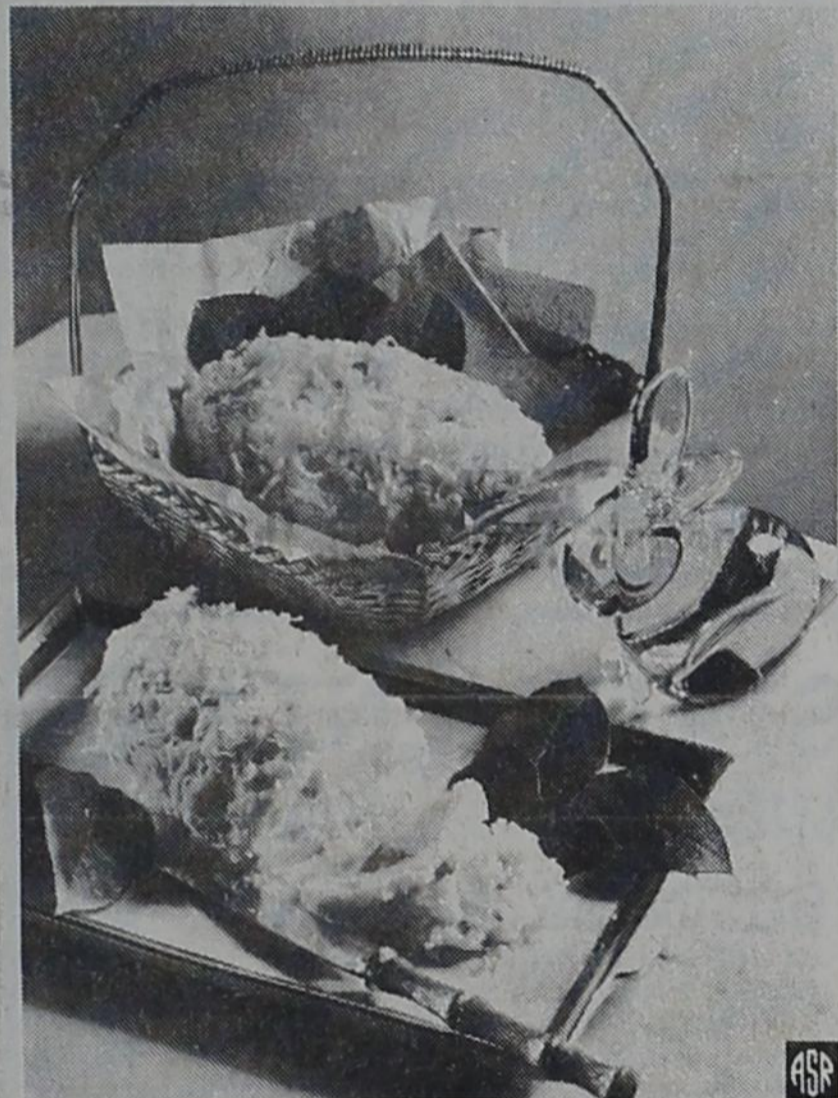

From Midland

Mr. and Mrs. J.D. Martin Jr., of Midland are visiting this week with their daughter and family, Mr. and Mrs. Steve Foster, Amy, Bea and Christian Lea, of Farwell.

The Martins came especially for the christening of their newest granddaughter, Christian Lea, which was conducted Sunday morning at Hamlin Memorial United Methodist Church. Officiating at the christening was the baby's paternal grandfather, Rev. B.J. Foster of Lubbock.

Others besides the Martins and Rev. and Mrs. Foster on hand for the special occasion were the great-grandparents, Mr. and Mrs. T.L. Kent of Muleshoe and Mr. and Mrs. W.N. Foster of Farwell.

Homemade Easter Confection

Brighten Easter with homemade treats like these delectable Fruited Coconut-Rum Rolls. These gems are filled with candied fruit and chopped nuts, flavored with rum and rolled in Baker's Angel Flake coconut. They're sure to please the youngsters and oldsters alike. Make several for gift-giving too.

Fruited Coconut-Rum Rolls

- | | |
|---------------------------------------|---------------------------------|
| 1/4 cup hot mashed potatoes | 1-1/2 teaspoons rum* |
| 1 teaspoon melted butter or margarine | 1/4 cup diced candied cherries |
| 2 cups sifted confectioners sugar | 1/4 cup diced candied pineapple |
| 1/2 teaspoon salt | 1/4 cup chopped pecans |
| | 1 cup flaked coconut |

*Or use 1/2 teaspoon rum extract. Combine potatoes and butter in bowl. Gradually add sugar, beating until thoroughly blended. Stir in salt, rum, fruits and nuts. Shape into 2 rolls, about 1-1/4 inches in diameter. Roll in coconut. Cut into slices. Makes about 24 slices.

Easter Egg Hunt

Alpha Rho Lambda chapter of Beta Sigma Phi sorority staged an Easter Egg hunt Saturday at Farwell City Park for their children. Enjoying the fun were, left to right, front row: Chris Fant, Bran-

don Baker, Mike Lingnau and Chessie Johnson; back row: Codie Burch, Kathy Lingnau, Amy Johnson, Sherry Curtis, and Christie Curtis. Dean Fant and Lynsey Baker are not pictured.

Attend Press Convention

Mr. and Mrs. John Getz, publishers of the State Line Tribune, and Shirley Gorman, News Editor, attended the 70th annual Panhandle Press Association meeting last weekend in Amarillo.

Included on the agenda were several informative sessions, business meetings and luncheons. The awards breakfast was Saturday morning. The convention began Thursday night and concluded Saturday following the noon meal.

Nursing Home Week Discussed

Farwell Convalescent Center Auxiliary decided Tuesday to sponsor patio parties or park outings for the residents once each month on the third Tuesday. Members also began making plans for celebrating National Nursing Home Week May 13-20.

The Center will furnish ham and chicken while families of residents and Auxiliary members will be asked to bring covered dishes.

Marriage Licenses

Parmer County Clerk's office has issued one marriage license since the last report. It went to Richard Martinez and Lorrie Ann Pennington.

Russian scientists have recently obtained a U.S. patent for synthetic caviar.

Recent visitors in the home of Mr. and Mrs. Carliss Woods of Farwell were their daughter and family, Mr. and Mrs. Greg Taylor and Brock of Olney, Tex. They all enjoyed a family dinner Sunday at the Willie Hardage home.

Guests in the home of Mr. and Mrs. Truitt Hardage were their daughter, Judy Hawkins and Tamara of Sherman, Tex.

Weekend visitors in the home of Aileen Teel of Texico were her daughters and families, Mrs. Bill Glenn and Kathleen of McCamey, Tex., and Mr. and Mrs. Gene Usrey, Mark and Steve of Portales, and Mrs. Teel's mother, Mrs. Dovie Brunson, also of Portales.

Mr. and Mrs. Marion E. Hensley and daughter Yvonne of Burleson, Tex., were overnight guests Tuesday at the home of his sister and family, Mr. and Mrs. Ted Magness. The guests also visited with Mr. and Mrs. Monte Spearman and Jason of Clovis while here.

Dr. and Mrs. Mike Getz and sons Bryan and Mark from Rochester, Minn., are visiting this week in the homes of her parents, Mr. and Mrs. Ray Tharp in Texico, and with his parents, Mr. and Mrs. John Getz in Farwell. They are also visiting with other relatives and friends in the area. They arrived last Saturday

Area Children Invited To Easter Egg Hunt

All children in the Twin Cities and surrounding area are cordially invited to participate in an Easter Egg Hunt at Farwell City Park on Saturday afternoon, April 14. A puppet show will also be presented for those attending.

The Bobbie Verner Acteens of First Baptist Church, Farwell, are sponsoring the hunt which is for children of all ages. Children are asked to meet at the church at 4 p.m. and are each to bring six eggs and an Easter basket or other

container for holding their eggs. Participants will be divided into four age groups, says Sharon Eubanks, sponsor of the Acteens, who adds that all children in the area are urged to come join the fun.

Theta Rho Chapter Elects New Officers

Theta Rho Chapter of Epsilon Sigma Alpha sorority elected officers and inducted new members through the Ritual of Jewel Ceremony Monday night at the home of LaMoin Williams.

New officers include Jeannie Norris, president; Robin Gregory, vice-president; Caren Spearman, recording secretary; LaMoin Williams, treasurer; Leslie Lunsford, corresponding secretary; Judy Jones, parliamentarian and Jonquil Girl; and Rosa Roberts, educational director.

Everyone voted to donate money to Girls Town in memory of Bert Doshier, Mrs. Roberts' brother.

Mrs. Williams served chocolate cake, coffee and soft drinks to the following members: Debbie Williams, Caren Spearman, Ann Liethen, Dar-

danela Helton, Diane Actkinson, Nell Walling, Lillie Christian, Wessie Edwards, Robin Gregory, Jeannie Norris, Joyce Williams, Margaret Aycock, Tommie Snodgrass, Becky Norton, Pam Norton, Jan Marsh, Gwen Norton, Leslie Lunsford, Alta Herington, and Judy Jones.

WMU Collecting Food Can Labels

Mrs. Dee Brown reports that the Plains Association of WMU is collecting various food labels to be sent to a school for the mentally retarded. The labels can be exchanged for items needed for the school.

Persons who have labels from Campbell's Soup, Bounty products or Franco-American products are asked to call Mrs. Brown at 683-5496 and she will pick them up.

Texico Track Girls Win First In Hagerman Relays

Texico Wolverine varsity girl tracksters "cleaned up" at Saturday's Hagerman Relays edging out Tatum - the defending Class A champs - for first place. Texico acquired 77 points to 72 for Tatum. Dexter finished third.

Becky McDonald led the rout with a first in the 220 yard dash with a 27.22 run. Lisa Coffey took first in the 440 yard dash with a 64.92 effort. Lisa Crooks finished third with 67.22 and Tammy Landis was fifth with a time of 67.97.

Coffey took top honors in the 880 yard run with a time of 2:33.09. Ruth Scott finished fourth after a 2:44.48 run.

Tonye Harrington's efforts in the hurdles were especially fruitful as she lost by a mere nose to Joiner of Tatum who took the Class A state meet by storm last year.

Harrington lost to Joiner in the 80 yard low hurdles 11.90 to 11.82 and in the 110 low hurdles Harrington lost again on a "lean" call - the judges ruled she leaned forward to win the race. Harrington's time was 16.53.

The 440 relay team of Pam Hoyl, McDonald, Jill Jesko and Jana Jesko took second with a time of 54.96. The 880 yard relay team garnered first after a 1:54.84 run. Team members were Hoyl, McDonald, Jill Jesko and Harrington.

The 880 yard medley also finished first in 2:02.82. Team members included McDonald, Jana Jesko, Crooks and Harrington.

The mile relay team came in second at 4:37.10. Girls on the team were Crooks, Ruth Scott, Jill Jesko and Landis. It was their best time yet, according to coach Roy King. This relay team is rather young he said as two eighth graders and two ninth graders do the honors. They were edged out by Tatum.

Jana Jesko took second in the long jump with a 14' 8 1/2" effort. Tammy Landis was fourth in the discus with a throw of 82' 5" and Scott placed fourth in the shot put with a toss of 32' 4".

"It was a good performance," King said. "It was a dirt track and we ran very well with Tatum. We were supposed to be open, but chose to attend because we wanted to improve our times," King continued.

"It turned out to be a winner for us. Our field events have improved and I think we will be better by the end of the year. Coffey ran exceptionally well," King said.

King said the 440 and mile relay runners have improved, but he still expressed "concern" over lack of enough improvement on the part of the 440 girls. The state qualifying time is 54.2 and so far they haven't made it, King said. "They are running good but must get under 54 seconds at state. Some changes may have to be made," he speculated.

The Texico mentor cited Becky McDonald for what he considered to be the "best performance" in the meet. "It was one of her best days and she ran her second fastest time in the 220 in spite of being severely blistered by the sun by the end of the day."

The varsity girls were to travel to Eunice this Thursday. The junior high girls will see action in Clovis this Friday.

Hadley Places - -

Wolverines Compete At Amarillo Relays

Four Texico Wolverines competed in the Amarillo Relays this past weekend.

Keith Hadley ran the open quarter in 51.6 to place third at the meet and to tie the

school record which he set last year at the state meet in Albuquerque. He also finished fourth in the 220 yard dash with a time of 23.4.

Other Texico tracksters competing were David Cavalero, pole vault; Ron Kirby, hurdles; and Joe Martinez, shot put and discus.

A "full squad" of Wolverines were to compete at Eunice Thursday.

"We are strong in the field events," coach Paul Topliff said. "But we don't have the runners we had last year, although the ones we do have are way ahead of their times last year at this phase of the season," he said.

"I'm happy with our effort," Topliff continued. "We wanted to compete with tough Texas squads."

Landis Sets Records - -

Junior High Boys Enter Clovis Track Meet

Texico Junior High boys competed in Saturday's Clovis Junior High Invitational with the 7th grade boys finishing sixth with 34 points and the 8th graders taking ninth with 24 points.

Ronnie Landis, 7th grader, was the star of the hour as he set three new Clovis meet records as well as Texico school records.

In the 220 yard dash he finished first with a time of 25.9. Landis was top runner in the 440 yard dash with a time of 58.65. In the high jump he garnered top honors with a leap of 5' 6".

In addition to setting three new records, Landis also placed fifth in the shot put with a toss of 35' 4".

Kevin West, another 7th grader, tied the Texico school record with a jump of 5' even, finishing third at the meet.

The 8th grade boys also set their fair share of records. Arthur Chavez vaulted 10 feet for first place and a new Texico record in the Clovis meet, bettering the 9'6" mark set in 1976.

The 880 medley team finished second with a time of 1:51.8 and the 880 yard relay team came in fourth with a time of 1:50.13. Members of the team are Danny Reid, Paul Salguero, Lynn Tubbs and Earl Bibbs.

Doyle Duncan, Jimmy McDonald, Jesse Orozco and Lloyd Williams set a new Texico record in the mile relay with a time of 4:36.5. However, even that trend-setting effort was not enough to place in the Clovis meet due to the stiff competition of area teams.

Felix Jimenez set a new school record in the 880 as he

took fifth place with a time of 2.25.

Coach Cecil Davis was immensely proud of the three junior high teams which competed Saturday in Clovis.

"They did several good things and they scored points in Clovis for the first time," he beamed. "Morton, Bovina and other area teams were very tough," he added.

Even though the 9th grade team did not place in any events Davis said they looked very good in each category. Those competing included Willie Bibbs who ran the 220 yard dash in 26.1. Todd Gerles performed well in the shot put and discus and Mike Arnold "looked good" in the hurdles, according to coach Davis.

The 7th, 8th and 9th grade boys will compete in the meet at Tatum this Saturday.

Little League Tryouts Set For April 18 & 19

Texico and Farwell boys and girls ages 9 through 12 years are reminded that Little League tryouts for the summer baseball program are Wednesday and Thursday, April 18 and 19, at 4:30 p.m. CST at the Lions Ball Park.

Coaches will conduct the player draft Thursday night following the final tryouts. It is hoped that actual Little

League games can begin on April 30.

Any child in this age group who is interested in playing ball in the Little League this summer is urged to be present for the tryouts as no players are chosen unless they have had a tryout.

"Ruling is easy, governing difficult."

N-SERVE* HOW IT WORKS

N-SERVE blocks bacterial action that would quickly convert ammonium fertilizer to nitrates. Nitrates are subject to rapid loss through leaching and denitrification. This blocking action keeps nitrogen in the soil longer so that it becomes available slowly as it's needed. This reduces the crop stress that would occur from temporary nutrient shortages if you had to rely on side-dressings to maintain a steady nitrogen supply.

HEAVIER BOLL SET

Cotton treated with ammonium fertilizer containing N-SERVE consistently sets more bolls.

INCREASED YIELDS

If nitrogen has been the limiting growth factor, due to early losses and poor utilization, N-SERVE will aid in improving yields. Check the results in the following table.

Note that plant growth limitations due to soil and climatic conditions, shortages or excesses of other plant nutrients and excessive damage from insects and diseases may prevent a yield response from the use of N-SERVE.

Note the heavier boll set, larger plant size, and healthier root system of the plants which received nitrogen containing N-SERVE (left).

District Golf Champs

Farwell Steerettes captured another District 3-A golf crown last week, surging ahead of their nearest opponent by 130 strokes. Team members are, from left, Kim Marsh, Dondra Geries, Lisa Hughes, Janene

Berry and Robin Vinton. They will advance to regional competition April 18-19 in Odessa. Lisa was first medalist and Robin second medalist in district competition. Mike Martin coaches the team.

District Runners-Up

Farwell Steers finished second in District 3-A golf competition last week. Members of the team include, from left, back row: Kayle Watts, Robin Roberts, and Rowdy Chandler;

front row: Nicky Liethen and Brent Green. Chandler also won the first medalist honors. Steer golfers will next compete in regional play at Odessa, April 25-26.

7th, 8th Girls - -

Jr. High Thinclads 3rd, 5th At District Meet

Farwell seventh grade girls garnered third at the District 3-A Track Meet Friday and Saturday in Bovina and the eighth grade girls finished in fifth place. Team scores were 89½ points and 52 points. Kress and Vega took the top two slots in the seventh grade division with Bovina, Hart and Springlake-Earth finishing fourth through sixth. For the eighth grade teams Bovina topped the list of winners followed by Springlake-Earth, Hart, Kress and Vega in sixth place.

Leslie Castleberry copped the only first place win for the seventh girls with a 13.7 run in the 80 yard low hurdles. She also threw the shot put 23' ½" for third in that event. The 400 meter relay team placed second with a time of 58.9. Team members are Norine Jones, Castleberry, Suzahn Inman and Cassie Chavers. These same girls running as the 800 meter relay team finished second with an 2:07 effort. Jones captured fourth in the 400 meter dash with a time of 78.7. Jane Ward earned second place in the 80 yard low hurdles with a time of 14.9 and also placed sixth in the 200 meter dash with a time of 32.1. Inman darted 100 yards in 12.4 for second in that category and tied for fifth in the long jump with a leap of 13' 2 ½". In the high jump she cleared 4' 6" for second place. Erlene Rudd threw the discus 51' 6" for sixth place. Cassie Chavers ran the 100 yard dash in 12.9, netting third place and leaped 13' 4 ½" for fourth place in the long jump. Leticia Anzaldua finished the 200 meter run in 33.2 for seventh place. Also participating were Josie Miranda, Tammi Goldsmith, Linda Morales and Cindy Spears.

three more wins, taking second in the 100 yard dash with a time of 12:3; third in the triple jump with a 30' 2" effort and third in the long jump with 13' 6". Coates ran the 100 yard dash in 12.7 for sixth place and jumped 4' even in the high jump for seventh place. White took fourth in the discus with a toss of 64' 2" and sixth in the shot put with a throw of 23' 9". Also participating were Sandra Haight, Polly Turner, Mary Helen Lucio and Shana Blain. "Our showing at the district meet was very good," coach Bill Phillips said. "We showed good improvement in all events. There were several surprises among our girls. I never realized we had so much speed," he continued. "The eighth grade relay teams ran their best times ever."

Steers Are Second - -

Farwell Steerettes Are District Golf Champs

Farwell Steerettes golf team outsourced their nearest opponent by 130 strokes to claim the undisputed District 3-A golf title last week in Farwell. The first round of the meet had been played at Vega.

The Steerettes will advance to regional play in Odessa, April 18-19 and the Steers will face regional competition in Odessa, April 25-26. For the Steerettes, Lisa Hughes carded 45, 51, 96 to earn first medalist honors and Robin Vinton shot 46, 49, 97 for the second medalist spot.

Rowdy Chandler won the first medalist honors for the Steers following a play-off with Borman of Vega. His score was 38, 41, 79. Other individual scores for Farwell's golfers were Janene Berry, 51, 50, 101; Dondra Geries, 53, 53, 106; Kim

Marsh, 58, 54, 112; Robin Roberts, 42, 43, 85; Brent Green 48, 47, 95; Kayle Watts, 50, 45, 95; and Nicky Liethen, 46, 53, 99. Vega took the boys honors beating out Farwell by eight strokes. Bovina and Springlake-Earth finished third and fourth.

In the girls division, Vega, Hart and Bovina finished third through fifth. Farwell's JV boys finished second in district behind Bovina. Vega JV captured third position in the meet. The JV team total was 879. Individual scores were Randy Herington, 52, 53, 105; Kelly Alana, 57, 54, 110; Kyle Kelley, 57, 57, 114; and Rocky Ford, 50, 54, 104. Golf Coach Mike Martin said that even though the weather was fairly cold both the Steers

Lorie Turner - -

Steerettes Qualify One For Regional Track Meet

En route to a fifth place finish at the District 3-A Track Meet Saturday in Bovina, the Farwell Steerettes garnered 55 total points and Steerette Lorie Turner qualified for the regional meet in Odessa April 20. In the 100 yard dash Eubank came in third with a time of 11.6. Alice Cantu finished fifth in the mile run. The first four teams in District 3-A standings are Bovina, Springlake-Earth, Vega and Kress, with Hart finishing sixth. "The girls all ran well," commented Steerette coach Larry McDorman. "We worked hard during the short track season. All the girls were dedicated tracksters. You

have to be to work when it's cold nearly every day," he continued. "We had good leadership from our seniors (Vicki, Yolanda and Lisa McClenney) who all really improved this year. We also had some help from our freshmen (Tammi Lovelace, Ginger Ellison and Donna Meeks) who stuck it out the whole season. Gina, a junior, ran well all year," McDorman said. "Our sophomores, Lorie and Sharmy, really came along on their hurdles and Alice placing in the mile run gave our team a boost. Summing up our track year, I want to thank the girls for their extreme dedication," McDorman concluded.

Marsh, 58, 54, 112; Robin Roberts, 42, 43, 85; Brent Green 48, 47, 95; Kayle Watts, 50, 45, 95; and Nicky Liethen, 46, 53, 99. Vega took the boys honors beating out Farwell by eight strokes. Bovina and Springlake-Earth finished third and fourth. In the girls division, Vega, Hart and Bovina finished third through fifth. Farwell's JV boys finished second in district behind Bovina. Vega JV captured third position in the meet. The JV team total was 879. Individual scores were Randy Herington, 52, 53, 105; Kelly Alana, 57, 54, 110; Kyle Kelley, 57, 57, 114; and Rocky Ford, 50, 54, 104. Golf Coach Mike Martin said that even though the weather was fairly cold both the Steers

and Steerettes played well. He considered the Steerettes' day total of 768 to be "real good" and expects them to do well in Odessa. Martin said the Steers played better last Wednesday than they did in Vega during the first round of district action. "We're looking forward to regional," he said. ***** The Steers played in the Amarillo Relays Friday where they tied with Vega for sixth place with 376 total points. Individual scores were Chandler, 44, 45, 89; Liethen, 46, 47, 93; Roberts, 50, 46, 96; Green, 49, 49, 98; and Watts, 54, 50, 104. "We didn't play like we are capable of playing," Martin said. "The greens gave us trouble, but the freshmen are playing well."

Springlake-Earth Next - -

Steer Thinclads Capture Second At Littlefield

Farwell Steer tracksters gave a good account of themselves this weekend, finishing second in the Littlefield Track Meet with a total of 95½ points. Muleshoe won first place with 167 and the third through sixth winners were Littlefield, 81½; Bovina, 63; Nazareth, 41¾; and Morton, 26. Max Lonsdale ran his best time in the 100 yard dash - 10.0 - to claim first place and tie the meet record. Lonsdale also finished the 220 yard dash in 23.3 for second place. In that event Mark Owen ran a time of 23.8 for third place. Lonsdale took second in the 440 yard dash with a time of 54.3 and Isidro Garcia put forth his best effort in that event - 55.6 - to claim fourth place. The 440 yard relay team of James Castleberry, Radney Robertson, Randy Geries and Owen finished second with a time of 47.0. Those same boys ran the mile relay in 3:48.1 to take third. Castleberry copped sixth in the 120 high hurdles with a run of 17.4 (his best time) and he ran a time of 44.6 in the 330 intermediate hurdles to capture fifth place. Craig Kaltwasser put forth his best effort in the 880 yard run, 2:17.3, to take third in that event. Juan Diaz finished

fifth with a time of 2.21. In the mile run Chris Bristow finished fifth with a time of 5:36.2. Lonsdale also hit his best mark in the long jump with a leap of 19' 2" which was good enough for second place. D.D. Foster tied for fourth in the high jump with a 5' 4" leap. In the shot put Foster came in sixth with a 40' 7" toss. He threw the discus 119' 6¾" for second in that event. "We ran some of our best times," Steer coach Royce Baker said. "The mile relay looked better. We're still experimenting with some kids to see which events they do best in," he continued. Baker said he hopes they will run their "best times" at Springlake-Earth this Saturday and then do "real well" in district the following week.

Regional Qualifier

Lorie Turner, Steerette track team member who has fared well in the 80 yard low hurdles all track season will advance to regional competition in that event April 20 in Odessa. To earn that right she finished second in the hurdles with a time of 11.3 Saturday during the District 3-A meet in Bovina. Lorie, a sophomore, is the daughter of Mr. and Mrs. Raymond Turner.

Legal Notices

RESOLUTION AND NOTICE OF SCHOOL BOND ELECTION AND BOARD MEETING

WHEREAS, the Board of Education of Texico Municipal School District No. 2 (herein the "Board") in the Counties of Curry and Roosevelt and State of New Mexico, has determined upon its own initiative to submit to a vote the question of the issuance of its general obligation bonds in the maximum amount and for the purpose hereinafter specified, as permitted by Section 22-18-2B, New Mexico Statutes Annotated, 1978 Compilation, and the Bond Election Act; and

WHEREAS, neither the bond question herein submitted nor any other bond question has been defeated at a bond election held within a period of two years from the date of bond election hereinafter set forth.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF TEXICO MUNICIPAL SCHOOL DISTRICT NO. 2, CONSTITUTING THE GOVERNING BODY OF SAID DISTRICT, IN THE COUNTIES OF CURRY AND ROOSEVELT AND STATE OF NEW MEXICO:

Section 1. A special election

shall be held on Tuesday, May 8, 1979, at which time there shall be submitted to the qualified registered electors of Texico Municipal School District No. 2 (herein the "District") the following question:

"Shall the Board of Education of Texico Municipal School District No. 2, Counties of Curry and Roosevelt, New Mexico, be authorized to issue general obligation bonds of the District, in one series or more, in the aggregate principal amount of not exceeding \$200,000, for the purpose of erecting, remodeling, making additions to and furnishing school buildings and improving school grounds, said bonds to be payable from general (ad valorem) taxes and to be issued and sold at such time or times upon such terms and conditions as the Board may determine?"

Section 2. The polls shall be open between the hours of 8:00 a.m. and 7:00 p.m. on the election day.

Section 3. Precincts shall be qualified for this election. Qualified voters shall vote at the following polling place which is the only polling place for such election; and the polling place, the general election precincts for Curry and Roosevelt Counties includ-

ed in the consolidated precinct and the names of the members of the precinct board for such consolidated precinct are as follows:

CONSOLIDATED PRECINCT NO. 1

POLLING PLACE: City Hall

Texico, New Mexico

GENERAL ELECTION PRECINCTS CONSOLIDATED:

Curry County: 1, 2, 3, 11, 16, 17, 18

Roosevelt County: 1

Judges

Mrs. Mersed Rojas (Presiding)

Mrs. Lonnie Tharp

Mrs. Howard Whitener

Clerks

Mrs. Orville Scott

Mrs. J.B. Taylor

Section 4. Absentee voting will be permitted as authorized by Sections 22-6-21 through 22-6-34, NMSA 1978. Applications for absentee ballots may be obtained from the office of the Superintendent of Schools, at the Texico High School, in Texico, New Mexico; but at 5:00 p.m. on Friday, May 4, 1979, the Superintendent is required by statute to destroy unused absentee ballots, so completed applications must be returned to the Superintendent prior to such time.

The absentee voters' polling place will be located at the office of the Superintendent of Schools, at the Texico High School, in Texico, New Mexico, and the Judge will be Mrs. Larry Powell and the Clerks will be Mrs. Felix Loera and Mr. James Harding.

Section 5. In order to vote, qualified electors of the District must have previously registered with the County Clerk of Curry County, or the County Clerk of Roosevelt County, as provided heretofore.

Section 6. Voting shall be by voting machine, except for absentee voting which shall be by paper ballot. At least one voting machine shall be used at the polling place for the consolidated precinct.

Section 7. Notice hereby is given that the Board will meet in open regular session at the Office of the Superintendent of Schools, Texico High School, in Texico, New Mexico, at 7:30 p.m., on Tuesday, the 8th day of May 1979, to determine the results of such election and take other action relating thereto.

PASSED AND ADOPTED this 13th day of May 1979.

RESOLUTION Y AVISO DE VOTACION PARA BONOS ESCOLARES Y LA JUNTA DEL CONSEJO

POR CUANTO, el Consejo de Educacion del Distrito Escolar Municipal No. 2 (en este caso el "Consejo") de Texico, en los condados de Curry y Roosevelt en el estado de Nuevo Mexico, ha resuelto de su propia iniciativa poner a voto la cuestion de la emision de sus bonos de obligacion generales en la suma maxima y para los fines que subsiguientemente se especificaran en este aviso, segun lo permite la Seccion 22-18-2B NMSA 1978, y Acto de Compilacion y Votacion de bonos;

POR CUANTO, ni la cuestion de bonos que aqui se presenta ni ninguna otra cuestion sobre bonos ha sido derrotada en ninguna votacion de bonos celebrada dentro de un periodo de dos anos a partir de la fecha para la votacion de bonos, que subsiguientemente se senala en este aviso.

POR LO TANTO, QUE SEA DECLARADO POR EL CONSEJO DE EDUCACION ESCOLAR MUNICIPAL DEL DISTRITO NUMERO 2 DE TEXICO, EN LOS CONDADOS DE CURRY Y ROOSEVELT EN EL ESTADO DE NUEVO MEXICO:

Seccion 1. En la eleccion especial del Escolar Municipal del Distrito Numero 2 de Texico, (en este aviso el "Distrito") hecho el martes, dia 8 de mayo, 1979, se les presentara a todos las electores habilitados (qualified vot-

ers) registrados la siguiente pregunta:

"Debe ser autorizado el Consejo de Educacion Escolar Municipal del Distrito Numero 2 de Texico, Condados de Curry y Roosevelt, Nuevo Mexico, para emitir bonos de obligacion generales de Distrito, en una serie o en mas de una serie, cuyo principal en total no ascienda a mas de \$200,000, lo cual se usara para construir, modelar de nuevo, hacer adiduras a edificios escolares y amueblar dichos edificios y mejorar terrenos escolares; dichos bonos que sean pagados de los impuestos generales (ad valorem) (segun el valor) y que sean emitidos y vendidos cuando el Consejo lo decida y bajo los plazos y condiciones que dicho Consejo establezca?"

Seccion 2. Las urnas (lugares donde se vota) se mantendran abiertas de las 8:00 a.m. hasta las 7:00 p.m. el dia de la votacion.

Seccion 3. Todos los precinctos seran consolidados para esta eleccion. El Distrito entero formara un solo distrito electoral (precinto) consolidado y todos los electores habilitados votaran en tal lugar, los precinctos de eleccion general de los Condados de Curry y Roosevelt incluido en el precinto consolidado y los nombres de los miembros del consejo del precinto consolidado son como sigue:

PRECINTOS CONSOLIDADO NUM 1

Paraje de Votacion:

ayuntamiento (City Hall) Texico, Nuevo Mexico

Distritos Consolidados de Eleccion General:

Curry County: 1, 2, 3, 11, 16, 17, 18

Roosevelt County: 1

JUECES

Mrs. Mersed Rojas

Presidente

Mrs. Lonnie Tharp

Mrs. Howard Whitener

ESCRIBANAS

Mrs. Orville Scott

Mrs. J.B. Taylor

Seccion 4. El voto en ausencia se permitira, segun lo autorizan las secciones numberado desde el 22-6-21 hasta el 22-6-34, NMSA 1978. Las aplicaciones para votar en ausencia se pueden obtener en la oficina del superintendente, escuela, secundaria, Texico, Nuevo Mexico. La ley exige que a las 5:00 p.m., viernes, 5 de mayo, 1979 el superintendente destruya todas las papeletas para votar en ausencia que no se hayan usado; por lo tanto, deben llenarse las solicitudes y regresarse al superintendente antes de la hora y fecha citadas. La urna electoral (lugar donde su voto) para los votantes en ausencia estora en la oficina del superintendente, escuela secundaria, Texico, Nuevo Mex-

ico. El juez sera Mrs. Larry Powell, los escribanas seran Mrs. Felix Loera y Mr. James Harding.

Seccion 5. Para poder votar, los electores habilitados (qualified voters) del Distrito deben haberse registrado en la oficina del Escribano de los Condados (County Clerk) de Curry y Roosevelt, como provisto.

Seccion 6. La votacion se hara por medio de maquinas, menos las que voten en ausencia, sero por papeletas de papel. Por lo menos una maquina se usara en susodicha urna electoral.

Seccion 7. Damos noticia que el Consejo se junta en una session especial en la oficina del superintendente escuela secundaria, Texico, Nuevo Mexico, a las 7:30 p.m. el 8 de mayo, 1979 para determinar los resultados de eleccion y tomar otra accion a eso.

APROBADO Y ADOPTADO este dia 13 de mayo de 1979.

Dalhart Victorious

Farwell Little Dribblers Lose In Regional Tourney

Even though both of Farwell's Little Dribblers All-Stars teams lost in the regional tournament at Dalhart, their participation was a "success," especially for the major All-Stars who played with "skill and sportsmanship" and came so close to bringing home the trophy.

The major team jumped off to a good start Friday downing Friona, 35-24; however, they next lost a close game to Dalhart, 37-31. In the loser's bracket played Saturday, the local boys again defeated Friona, 36-32. That victory set up the final showdown with Dalhart which the local team lost 24-21.

The minor All-Stars did not

fare as well as they lost in the opening round to Dalhart, 69-12, and again in the loser's bracket to Bovina, 37-25.

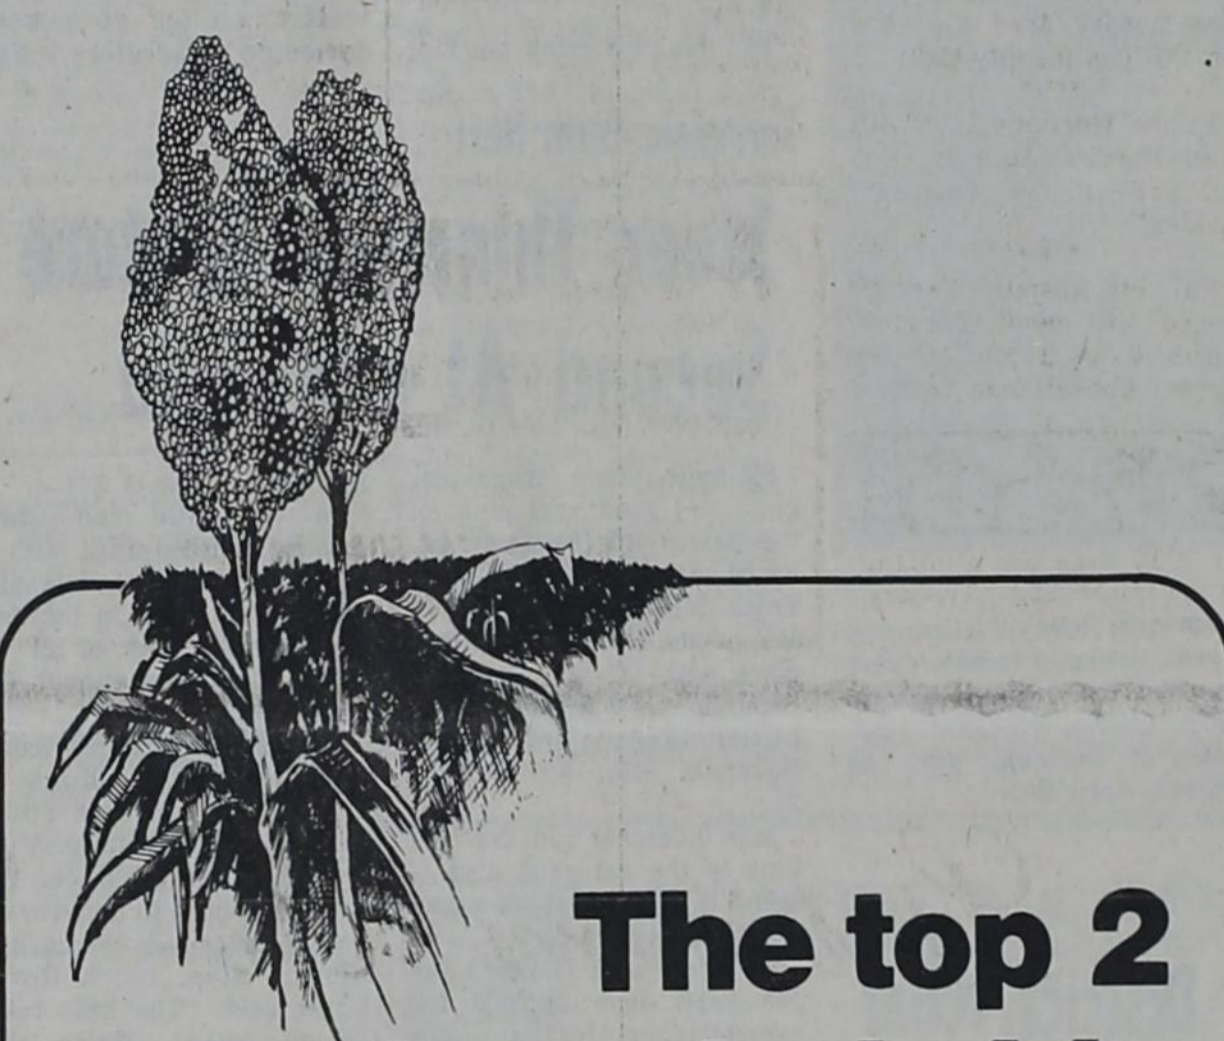

Coach Eddie Smith (major team) received many words of praise for his 11 and 12 year old players. Dalhart coaches, parents and fans said that Farwell was the best team they had played in years, Smith says.

Roger Robertson's outstanding playing ability was the talk of everyone present. All the coaches agreed he was a "truly fine" athlete. Smith also praised Brian White for

his "defensive play" against Dalhart's Jerry Williamson, their leading scorer this year.

Total points scored in the tournament by the minor All-Stars were: Jody Ketcherside, 6; David Woods, 14; Erik Burton, 2; Jason Schilling, 2; Todd Bartley, 3; Bill Knoy, 6; Andy Chisom, 2; and Robbie White, 2.

Total tournament points for the major All-Stars were: Roger Robertson, 80; Brian White, 11; Jesse Coburn, 10; Kevin Owen, 8; Blake Kelley, 2; Todd Davis, 6; Steven Stancell, 1; Eric Williams, 5.

The top 2 sorghum hybrids on the High Plains are both from Pioneer.

Even in a rough sorghum year like 1978, farmers all over the High Plains brought in good yields with 8501 and 8451 from Pioneer. Both of these hybrids have outstanding qualities that make them ideal for High Plains growing conditions. Talk to your Pioneer dealer soon about one... or both of these hybrids for your place.

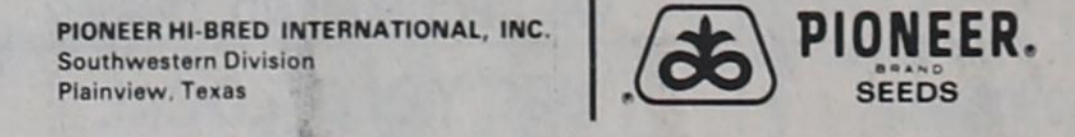

8451
High Yielding Greenbug Tolerant

Greenbug tolerance without sacrificing yield! Even in marginal conditions this outstanding hybrid makes a good stand. Extremely good early-season vigor coupled with outstanding stress tolerance makes 8451 the kind of sorghum you'd choose even if it weren't tolerant to greenbugs. In side-by-side yield comparisons over a three-year period, 8451 has proven its performance potential by out-yielding later maturing hybrids by almost 350 lbs. per acre. If you need greenbug tolerance, but don't want to give up yield, plant 8451 from Pioneer.

8501

Drouth tolerance with high yield potential. In 56 tests over the last three years 8501 has shown a yield advantage of 339 pounds per acre over competitive varieties. A strong stalk and root system give 8501 excellent standability and add to its exceptional drouth tolerance. 8501 has good tolerance to smut and MDMV. Very uniform head height, excellent head exertion and beautiful, bronze grain help make its field appearance outstanding.

Short Course Set At Farwell High

A horticulture short course for adults will be held April 16-19 at Farwell High School, according to W.M. Roberts, superintendent, and Richard Montgomery, vocational agriculture instructor.

The short course is scheduled to begin at 7 p.m. nightly at the ag shop.

John W. Williamson, horticulture specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Horticulture at Texas A & M University will be the course

instructor. He is headquartered at Texas A&M University.

Williamson has B.S. and M.S. degrees in agricultural education. He is qualified as a certified teacher of horticulture in the Vocational Agriculture Program in Texas.

During the dates the short course is in progress, Williamson will be available to assist enrollees with individual problems and to provide on-the-farm and in-the-home instruction.

Persons interested in attending the short course should

contact Montgomery at the high school. An entry fee of \$5 will be charged. Horticulture Short Course certificates will be presented to enrollees who attend all of the training sessions.

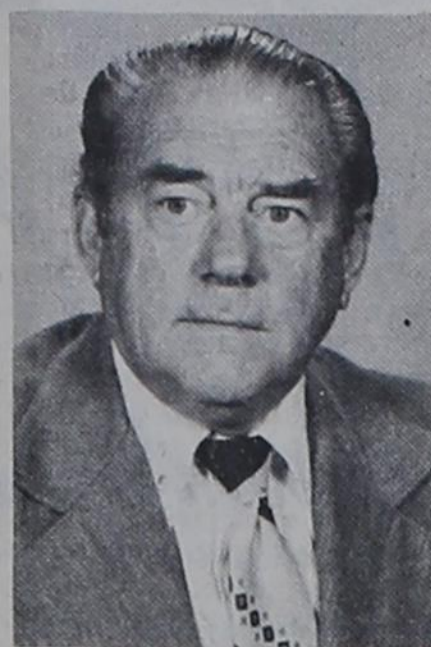

Williamson said that the short course can be adjusted to wishes and interests of the persons enrolled, but that he expects to cover such subjects as plant growth and development, propagating media, plant propagation, vegetable gardening, developing and maintaining the landscape, establishing and caring for lawns, house plants, and green house production, operation and management. Demonstrations will be given and class enrollees will have the opportunity to perform the skills demonstrated.

Short courses in horticulture, as well as in other subject matters, are now available to adults through the state under a cooperative program between the TEA and Texas A&M University.

The cooperative program is designed to make the services of specialists available to conduct short courses under

the supervision of public schools. Such a program will enable teachers of vocational agriculture to provide improved educational services to farm people.

Specialists are now available in the field of feed cattle, farm electric wiring, horticulture, farm arc welding, swine production, tractor maintenance, oxy-acetylene welding, and pasture management.

JOHN W. WILLIAMSON

Farwell Math Students Take Third In Canyon

Farwell High School students placed third in the math competition at West Texas State University, Canyon, March 29. Seventeen students participated. The time limit was 50 minutes.

In the local group, Lisa Hughes was the high scorer and the next high scorers were Michael Boling, Rocky Ford, Clay Williams, Kim Lovett and Stacy Turner.

Other students participating were Toby Curtis, Dana Hukill, Paula Hukill, Wendy Stancell, Lisa Howard, Keith Martin, Dennis Dollar, Kim Watkins, Donna Kalbas, and Mac Langford.

Students' comments were "Wait until next year. We'll do better."

In the Class A division Shamrock finished first and Phillips was second.

After the contest, the students visited the WTSU cam-

pus and ate lunch at a restaurant of their own choosing. The awards ceremony was at 1:30 that afternoon in the Activity Center.

An example of one of the problems on the math test is as follows: "A farmer's wife drove to town to sell a basket of eggs. To her first customer she sold half her eggs plus half an egg. To the second she sold half of what she had left plus half an egg. And to the third customer she sold half of what she then had and half an egg. Three eggs remained and she did not break any. How many eggs did she start with?"

Farwell Hospital District Board will meet Tuesday, April 17, at 8 p.m. at the Farwell Convalescent Center.

In 1836 there was a surplus in the United States Treasury of over \$28 million!

Reading--More Than Words Between Parents And Child

Parent-child interaction through reading experiences can be more than just words between the parent and child, says Diane Welch, a family life education specialist.

Learning to read is a gradual process that begins before the child enters school and continues into adulthood.

Reinforcement in the home environment is supportive to the school and at the same time encourages parent-child relationships, the specialist points out.

Mrs. Welch is with the Texas Agricultural Extension Service, The Texas A&M University System.

EXPLORE INTERESTS
Reading aloud to the child in elementary school makes the child feel he is the focus of attention. Together with the parent he can explore widening avenues of interest, she continues.

Books which fit the child's level of understanding but stretch his reading skills can be shared. Answers to stimulating questions are more readily available.

INCREASE THOUGHT PROCESS

Reading aloud is an old-fashioned way of helping the child become a good listener.

Thoughts are built, one upon another, as the child hears the smooth flow of words that might be stumbling blocks at his ability level.

Inflection and tone added by the parent increases the child's interest.

BUILD RESPECT

Parents can transmit their respect for reading to the child as together they select, read and discuss a book. The positive attitudes of a significant adult reinforces the idea that reading is fun, Mrs. Welch says.

Often the reading role can be reversed and the child might select a book he feels

comfortable with and read aloud to the parent.

PRAISE EFFORTS

The adult should praise the child's efforts and help him to understand the parent's pleasure in hearing his reading accomplishments.

A reading period at the end of the day can build into memorable childhood experiences and can encourage the development of a skill that brings pleasure throughout a lifetime, she adds.

TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60633

THE MOST IMPORTANT HOUR OF HISTORY

History records many great and significant events, but none nearly so significant as the crucifixion of Christ on the cross of Calvary. Referring to the time, then still future, when this should take place, our Lord spoke again and again of "the hour," "that hour" and "My hour," and so does the sacred record.

When His enemies would have stoned Him at the Feast of Tabernacles, the record states merely: "... they sought to take Him but no man laid hands on Him, because His hour was not yet come" (John 7:30). Finally, when that dread time did arrive, we read: "And when the hour was come, He sat down, and the twelve apostles with Him" (Luke 22:14).

"And Jesus answered them, saying, The hour is come that the Son of man should be glorified. Verily, verily, I say unto you, Except a corn (grain) of wheat fall into the ground and die, it abideth alone; but if it die, it bringeth forth much fruit."

"Now is My soul troubled; and what shall I say? Father, save Me from this hour; but for this cause came I unto this hour" (John 12:23, 24, 27).

"Now before the Feast of the Passover, when Jesus knew that His hour was come... having loved His own which were in the world, He loved them unto the end" (John 13:1).

Finally, in His great High-priestly prayer, uttered in the very shadow of the cross, He "lifted up His eyes to heaven, and said, Father, the hour is come..." (John 17:1).

This is the hour to which so many of the Old Testament sacrifices and prophecies had pointed forward. This is the hour to which the redeemed will look back with gratitude and praise for the ages to come. There would have been no salvation for sinners without it, nor any hope of a restored earth with the curse of sin removed. Thank God, because Christ was willing to face that dreadful hour "we have redemption through His blood, the forgiveness of sins according to the riches of His grace" (Eph. 1:7).

Saves Grandfather - -

Nine-Year-Old Girl Gets 'Heroism' Award

HOUSTON - A nine-year old central Texas girl, whose resourcefulness and courage under pressure made the difference between life and death for her grandfather, has received the Texas Farm and Ranch Safety Council's "Rural Heroism Award."

Wendy Harmon was a third-grade student last March when her grandfather, 68-year-

old rancher Archie Wright, was gored by a cow. The Gatesville youngster made a nine-mile drive in a pickup to town, an action credited with saving his life.

Presentation of the plaque was made Monday at the Texas Safety Association's 40th annual meeting by Millard Shivers, Council awards chairman. Ben Bullard, as-

sociate safety director for the Texas Farm Bureau and Council president, was in charge of the statewide search for a rural hero.

Wendy's previous driving experience in helping feed the cows in her grandfather's pastures paid off when Archie Wright was gored by a cow on his ranch 12 miles southwest of Gatesville March 18, 1978. Seriously injured, he managed to get 100 yards toward his house and yell to Wendy and a classmate, Amy Edwards, who were playing in the backyard.

Scared and barely able to see over the steering wheel,

Wendy backed the pickup out of the vehicle shed, and she and Amy managed to get Wright into the cab. While Amy telephoned Wendy's mother, Mrs. Lynda Lynch who works in Gatesville, Wendy drove nine miles to the outskirts of Gatesville, where her mother met them and completed the drive to the Coryell Memorial Hospital.

The doctor said that Wright would not have lived another ten minutes, and Wendy Harmon is credited with making the difference.

"I told myself I could do it," she said. "I knew I had to."

Congressman Honored

Congressman Kent R. Hance, right, of Lubbock and the 19th Congressional District, received official recognition in a resolution adopted by the Texas Tech University Board of Regents recently.

He was cited as one of the two first Texas Tech University graduates ever to serve in the U.S. Congress and for his other service, including four years as a state senator in the Texas Legislature.

At Texas Tech he was elected vice president of the student body and at the University of Texas School of Law president of his class and of the Student Bar Association.

The resolution was read and presented to Hance by Regent Clint Formby of Hereford, past chairman of the board.

[TECH PHOTO]

Water Levels Show Reduced Decline Rate

Measurement of water levels in the network of approximately 800 wells measured annually by the High Plains Under-ground Water Conservation District in its 15-county service area revealed an average change of 1.26 feet from January 1978 to January 1979.

Even though 1978 was an extremely dry year in most of the area, the 1.26 feet change compares favorably with the five-year average change of 1.64 feet and the ten-year average change of 1.45 feet.

Water District officials attribute the reduced decline rate to improved water conservation practices and to the high cost of energy to pump water.

The average depth-to-water below land surface in the water level observation wells measured in 1979 was 166.01 feet.

AVERAGE DECLINE FOR ALL WATER LEVEL OBSERVATION WELLS MEASURED IN THE FOLLOWING COUNTIES FOR TIME PERIOD INDICATED

**Fire
Destroys
Home**

A fire destroyed the home of Inez Morris in east Farwell around noon Wednesday. Units from the Texico and the Farwell Fire Departments responded to the call at the house which was located north of the railroad tracks, but the strong gusting winds hampered their efforts to put out the blaze. Firemen who arrived on the scene first are shown at work in the first two photos. In the third scene the firefighters were waiting while being temporarily halted from their tasks by a lack of water and additional tankers had not arrived; however, as seen in the fourth photo tankers from both departments arrived shortly thereafter. Even though the firemen quickly set to work once they had additional water, they were unable to save the Morris home. Cause of the fire was not known at press time Wednesday.
