

# Parmer's Unbeatens Clash Friday Night

Daily newspapers in the area have been playing up the fact that Farwell will have divided loyalty this week when Texas Tech meets West Texas State in football.

Farwell's football cousins, Johnny Lovelace at Tech, and Tommy Lovelace at West Texas, "will probably meet headon at sometime during Saturday night's opener at Lubbock," it is pointed out. Tommy will be starting at center for West Texas and Johnny will be seeing action for the Red Raiders at the quarterback slot. These two fellows probably give Farwell the best representation it has ever had on major college football teams. And, no doubt there will be divided loyalty. These two fellows gave the home town football team about the best one-two scoring punch it has ever seen, and both will have plenty of hometown followers in the game Saturday as well as other games throughout the season.

Johnny will be playing for the big school, Tech, and he says of the West Texas game, "If they beat us, I won't be able to go home to Farwell." Maybe Johnny's right, but look what a hero his cousin would be should the Buffaloes win.

There appears to be no subject of any more interest around here than football (not even politics), so I just as well devote the remainder of this space to comment on the football contest, which has caught on quite well with local fans.

Whether or not everyone who participates in the weekly guessing game grabs any of the cash prizes or the coveted grand prize of two cotton bowl tickets, few of them will be able to say it hasn't been fun.

Of most interest to the persons who have been bringing their entries by The Tribune each Friday has been guessing the score of the Farwell games. Last week quite a number of them were trying to second-guess the coach.

"Will he leave the first team in and run up the score, or will he hold it down by cleaning the bench?" was a question many of them were asking and it had them in a quandary on picking the score.

Of course, the Bovina Mustangs answered that question for everybody by rearing up their hind legs and battling the big Steers through much of the game. Which goes to show that you can never tell what will happen in a game like football.

The coach was never confronted with such a decision, but I will admit that I had my moments of doubt about Dempsey Alexander. With Farwell leading, 36-12, the score on the coach's entry blank kept flashing my mind.

Out of curiosity, I'd checked all the entries before going to the game and had noted that Dempsey predicted a 37-13 score. Had the game ended 36-12, I was certainly going to accuse the coach of taking unfair advantage of his position.

One note of explanation on the contest, being one of the judges, I did take the liberty to change one rule of the contest. Last year the Farwell game had no bearing on the number of right or wrong picks and served only as a tie-breaker.

That just wasn't right according to my way of thinking, it would have been possible for someone to have picked every

(Continued on page 8)

## Texico Registration Deadline October 8

Texico citizens, who are not registered voters, and want to cast their ballots in the November 8 general election, have until October 8 to register, according to Ruby Stone, notary public in Texico.

Persons wanting to register may do so by contacting Ruby at Stone's Variety or Juanita Autrey, Texico town clerk. To be eligible for voting in the election, a person must have resided in the state one year, the county 90 days and the precinct 30 days.

Citizens who have been registered voters in the past, and have failed to vote in the past two general elections, will be taken from the rolls after the registration deadline, unless they register again between now and that date.

ASLEEP AT THE POST are what these two members of the Texico-Farwell Lions Club appear to be, but come Friday and Saturday they should be wide awake and ready to sell these two whisk brooms they have in their hands, as well as many other household items the club will have on sale. The two Lions in the picture are Paul Wurster, left, and Otis Huggins.

## Lions Broom Sale Friday, Saturday

All those fellows you see running around town this week with a small whisk broom fastened to their belts aren't undertaking a drive to clean up the town, but they are out to let everyone know that Friday and Saturday are the days for the club's annual broom sale.

A truck loaded with all types and sizes of brooms, ironing board covers, floor mats, and many other useful household items will arrive Friday afternoon. The club will be selling these wares on the vacant lot next to City Cafe in Farwell late Friday afternoon and all day Saturday.

The club plans to canvas both Texico and Farwell Saturday, but may not be able to reach every house. So, persons wanting one of these items is

asked to contact Otis Huggins at Southwestern Public Service Company and turn in their order. Deliveries will be made to the homes if orders are phoned in.

Radio Station KZOL will assist the Lions on Friday and Saturday afternoons. The station will have a 20-minute program Friday sometime between 4 and 5 and on Saturday between 3:15 and 4:15. During these programs, orders may be phoned in and the merchandise will be delivered by Lions.

Funds raised from the broom sales will be used for the club's sight conservation program. One of their chief projects is purchasing glasses for needy children in the Texico and Farwell schools. Last year the Lions paid out \$500 for glasses.

## Thornton Family Injured In Wreck

Mr. and Mrs. Olen Thornton and their six children of Texico were injured Sunday afternoon in a two-car collision near Quanah. All eight members of the family were hospitalized for treatment of cuts and bruises but none was injured seriously.

The Thornton family had been visiting relatives in Quanah and they were on their way home when the accident occurred. A 1955 Oldsmobile, driven by a 16-year-old youth from Childress, was attempting to pass the Thornton automobile when the right front fender of his car struck the rear of Thornton's vehicle.

The Thornton car swerved and overturned, coming to rest on its wheels on the highway. The vehicle was almost a total loss.

Most of the family were still in the hospital at Quanah Tuesday, but according to word received here, they would all be released Wednesday.

The Thorntons had taken his mother, Mrs. P. F. Thornton, to Quanah Sunday morning for a visit with her sister, Mrs. Lonnie Hill. She had been visiting here from California. The Thornton's children are Eva, 2 1/2; Brenda, 9; Veda, 7; Linda, 6; Paul, 5; and Jerry, 14.

## Rev. C. C. Morgan Resigns Position

Rev. and Mrs. C. C. Morgan, who have for seven years served Texico Baptist Church, have resigned from the position here.

The Morgans plan to move to a farm near Anton for a period of rest. He will preach his final service in the local pulpit Sunday evening. A basket dinner is scheduled at the church Sunday.

The Morgans came to the Twin Cities from Progress and previous to their work there, had served in Anton. During his pastorate here, he has particularly worked with the youth of the communities.

He became a minister in 1932 and had been in the field ever since except for eight years when he was inactive because of a throat condition. The Morgans are parents of seven children.

Both Rev. and Mrs. Morgan expressed their appreciation to the people here who have made their work so pleasant. "We have certainly enjoyed living in Texico-Farwell, enjoyed our work, and hate to leave. We appreciate the cooperation of the people, our stay here has been a bright spot in our lives. We wish the best for the communities and ask you to pray for us as we go our way," the couple concludes.

Farwell's unbeaten, untested Steers will be facing stiff opposition Friday night when they go to Lazbuddie to take on the Panhandle's second-ranked Class B team.

The Longhorns last year posted their finest season since jumping to 11-man football when they came out second in the District 2-B race and had a 7-3 win-loss record.

With five starters and 17 lettermen back, Coach John Bond's team is considered one of the best Class B teams in the area.

Opening the season against a veteran New Deal team last week, Lazbuddie displayed a well-balanced attack and plenty of over-all team speed in winning the game, 24-0.

Last year the Longhorns gave the Class A Steers a real scare before bowing 31-16, and they could well have the horses to top that performance this year.

Steer coach Dempsey Alexander has a high regard for the Lazbuddie team and says, "They will be tough." He points out that Lazbuddie had two relay teams to go to the state track meet last year and six of those speedsters will be starters for the Longhorns.

The Steers will be playing without their ace tackle, Jimmy Cain, who was injured in the second quarter of the Bovina game last week. Cain received a bad muscle bruise on his back and will be out of the lineup for possibly three or four weeks.

Jerry McCuan, who Alexander had been figuring on to replace Cain in the lineup, wasn't out for practice Tuesday because of illness and the coach was uncertain who he would start Friday night.

If McCuan is available, he will probably take Scotty Turner's guard position and Turner will take

Cain's tackle slot. Sophomore Bobby Atkinson, who replaced Cain against Bovina, will probably be a defensive center.

One other Steer is also out with illness and will not suit out this week. He is Charles Robert, a reserve end, who came down with asthmatic bronchitis Monday.

Ever since Lazbuddie first jumped from six-man football in 1956, the Longhorns have looked forward each year to meeting the team from the county seat. Each year, spirit runs high in the Lazbuddie community before the Farwell game and this year it is at fever pitch.

Of course, the Steers will be favorites, but their high ranking and past record doesn't mean a thing to the smaller, but talented, Longhorns. Word from the Lazbuddie community has it that "they're ready."

## Mrs. Barker Rites Held

Funeral rites were held Sunday at 3 p.m. (cst) at the Charles V. Steed Memorial Chapel in Clovis for Mrs. Etta Barker, 77. The Rev. C. C. Morgan, pastor of the Texico Baptist Church, officiated.

Mrs. Barker died last Friday in an Austin hospital. She and her husband, Claud, had lived in the Farwell and Bovina area for about 25 years before his death in 1958. She later went to Austin to stay with a daughter, Mrs. Harry Latham.

Survivors include three children, Mrs. Latham, Margaret Hurford of Grants and Roy Barker, Sacramento; eight grand children; six great-grandchildren; two sisters, Mrs. Alice Ryman, Olney, and Mrs. Joe Davis, Tulsa; and a brother, Oran Priest, of Missouri.

Interment was in the Mission Garden of Memories under the direction of Steed Funeral Home.

## Court Awards Payment To J. E. Hardage

In the first case to be tried in the fall session of district court at Farwell Monday, J. E. Hardage was awarded payment in the amount of \$560.80 from C. A. Workman of Olton.

The jury acted in favor of Hardage, who had sought payment for goods and service rendered at his business, Farwell Fertilizer.

This session of district court is scheduled to continue through Thursday. The second of the seven cases on the docket, Paul D. Tullis vs. Vernon Bartlett and others, was to have been heard Tuesday and Wednesday.

A third case, Harris B. Dunn vs. E. T. Jennings of Bengier Air Park, was on the docket for Thursday. The remainder of the civil court cases will probably be tried at a later date, says Hugh Moseley, county and district clerk.

The twelve members of the jury in the first case were P. L. London, Dick Gerles, Jack Patterson, Mrs. Boone Allison, F. M. Crook, James Ussery, Roy Beardain, William F. Bandy, Wesley Hardesty, Ira Clyde Fields, J. R. Cocannouer, and Douglas D. Connelly.

## 4-H Boys Are Fair Winners

Robert Tomlinson, son of the Rev. and Mrs. Robert O. Tomlinson, placed first in the junior fat calf division at the Curry County Fair last week.

This is Tomlinson's second year to feed out a steer. Last year his steer placed fifth in the Dallas State Fair and second in the Odessa show. He plans to take his winning steer to the State Fair at Albuquerque, which starts this week.

Jerry Ridings, son of the Richard Ridings, had several entries in the fair. He placed second and third in senior sows and second and fourth in senior barrows.

In junior class he placed second and third in sows and third and fourth in boars. All his entries were Berkshires.

Ridings raised about 40 pigs this year. Two of his barrows that he had sold to Phillip Miller, Clovis, placed third in the fair. Ridings also plans to take his entries to the State Fair.

Both boys are Texico 4-H members.

## Worley Adding Storage

An expansion program, which calls for construction of an additional 1 1/4 million bushel storage space, is now under way at Worley Grain in Farwell.

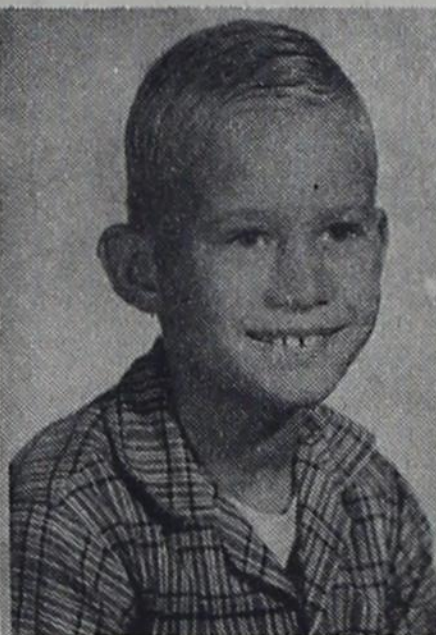

The ground was being cleared this week and actual construction should start within the next few days, says Herbert Potts elevator manager.

The new addition is being built by Dura Bilt Products of Clovis and it is scheduled

for completion within 60 days.

To be of steel construction, the new storage facilities will be flat, 100x534 feet and 24 feet in height. The new addition will be built east of Worley's present storage units.

When completed, the new structure will boost Worley's storage capacity in Farwell to almost three million bushels. Present capacity of the elevator is 1,700,000 bushels.

LYNN OLAN KERSEY

## Services Held At Bovina For Kersey Child

Funeral services for Lynn Olan Kersey, 9-year-old son of Mr. and Mrs. Olan Kersey of the Oklahoma Lane community, were held Saturday at the Pentecostal Church in Bovina.

Rev. S. W. Blake, former pastor of the church, who now resides in Clayton, was in charge of services. Pallbearers were Wendol, Troy and Donald Christian and John N. Max and Weldon Crim.

Lynn Olan, a victim of leukemia, had been ill about three months. He had completed the second grade at Farwell last

(Continued on page 8)

## Contest Interest Up

Interest picked up during the second week of the Farwell businesses football contest and when all entries were tabulated, three persons had named 10 winners.

As was the case in the first week's contest, it took the tie-breaker score to determine the winner. Missing the actual score of the Farwell-Bovina game by only four points was Rubie Craft with her guess of 40-12. The actual score was 44-12 so Rubie Craft won the first prize of \$5.

Also picking all 10 winners last week were Steer coach Dempsey Alexander and Eugene Dew, Alexander picked his Steers to beat Bovina 37-13 and Dew's guess was 39-7.

After the second week, there are seven people tied in the race for the grand prize of two tickets to the Cotton Bowl game.

The seven, who have picked 16 winners in the 20 games so far, are T. J. Kittrell, Rickey Cooper, Maxine Williams, Loyd E. Smith, Milton Walling, Dale McCuan, and Alexander.

Ruble didn't submit an entry the first week, so she is six games behind the leaders. Eleven persons have picked 15 winners and 12 people have picked 14, so the contest is off to a good start with about 30 people running neck and neck.

And, there's still time for other folks, who haven't entered the contest yet, to get into the running. This week the going gets rougher as the college football season gets under way. There will now be several college games each week for which the contest entrants will pick winners.

## Texico FFA Boys To State

Seven boys from the Texico FFA chapter, along with their instructor, James Pierce, will leave tomorrow for the State Fair in Albuquerque, where they will enter their livestock exhibits.

Eleven boys entered their animals at the Curry County Fair last week. Those exhibiting, their entries and placings are as follows: Lee Spears - two seconds on Duroc gilts; Vernon Thigpen - third and fourth on Duroc gilts; Scott Kirby - third on Chester White gilt; Bill Roth - second and third on Duroc gilts; Leon Kelley - fourth on Hampshire barrow, first, second, and fourth on Duroc barrows; Lonnie Curry - first and second on Poland barrows; Ronnie

Curry - third on Chester White and fourth on Hampshire barrows.

Also, Terry Miller - third on Hampshire barrow and fourth on Chester White barrow; Alfred Stover - first and third on Chester White gilts, first and second on Poland gilts, first on Hampshire gilts and two firsts on Berkshire gilts; Richard Ridings - first and second on Berkshire gilts, two seconds on Berkshire boar pigs, and in open class - grand champion on Berkshire boar.

Pierce points out that the boys entries were in junior class and in this class there are no grand champions given, however a Chester White gilt belonging to the chapter was grand champion in the open class.

## Steers Drop Mustangs

Bovina's inspired Mustangs battled the highly-favored Farwell Steers for three quarters Friday night, before the heavier, more experienced host team broke loose in the last quarter to win handily, 44-12.

As the game opened, it looked like the mighty Steers would run roughshod over their county rivals. Bovina received the kickoff but was forced to kick immediately and the Steers took over on their own 44.

On the third play, fullback Jerry Lovelace shot over left tackle and romped 53 yards for the first score of the evening. Quarterback Benji Dial ran over for the extra points and the Farwell team was out front 8-0.

A few minutes later, fullback Carroll Huggins returned a Mustang punt to the visitors 43 yard line and Blue and White were on their way again.

A fumble and 15-yard penalty stymied the Steer attack momentarily, but on third down, Dial heaved an aerial to Huggins which was good for 39 yards and a first down on the 13. Two plays later Lovelace darted across for his second touchdown from the 10.

The extra point attempt failed and it was at this point that the Mustangs started giving their hosts a run for their money. Don Cumpston returned the kickoff to the Steer 47 and, with fullback Roger Ezell leading the way, the Mustangs started moving downhill.

They drove to the 30-yard line as the quarter ended and early in the second period Ezell plunged across for the Mustangs first score. Farwell fumbled the kickoff and when the Mustangs recovered on the Steer 30 they were on their way for another score.

It took eight plays before Ezell, all 203 pounds of him, scored and brought the Mustangs to within two points of the Steers. The extra point attempt was no good and the

count was 14-12.

The jubilation of Bovina fans was short lived when Dial took the Bovina kickoff and returned it to the 42. On the second play from scrimmage, Lovelace broke into the open again and went 55 yards to paydirt for his third TD. Dial ran over with the extra points to put the Steers on top 22-12.

Through the remainder of the first half and during the third period, neither team could muster another scoring drive. Bovina couldn't move against the Steer defense and Farwell fumbled everytime it received possession of the ball.

The spell was broken early in the last quarter and the Steers were on their way. Early in the quarter Dial scored his first touchdown of the evening by going over from the 2. A few minutes later, after a Bovina fumble was recovered on the 29, Dial scored again from 15 yards out. This time he ran over for the extra points and the Steers were out front 34-12.

Later in the period, Huggins took a Dial pass on the Mustang 35 and went all the way for the final score. Halfback Tommy Williams ran over with the extra points.

Sheriff Checks Break-Ins At Bovina & Friona

Parmer County Sheriff Chas. Lovelace investigated at pair of break-ins at businesses in Bovina and Friona Saturday morning.

off with tools and batteries valued at about \$100. At Friona \$200 worth of tires were taken from OK Rubber Welders.

Lovelace says that more than one person was involved in the break-ins and he is certain both burglaries were committed by the same parties.

Lutheran Church News

The Walther League meeting was held at the home of Nolan Kriegel last Sunday.

Rev. A. Szegedin will occupy the pulpit on Sept. 18 as Rev. Sanders will be guest speaker at the Immanuel Lutheran Church at Hereford for their mission festival at both morning and afternoon services.

Plans have been made to attend the Lutheran Women's Missionary League Rally at Littlefield on Sept. 22. New officers will be elected.

There will be a chicken barbecue for family night at the church on Sept. 25. At this time, there will be promotion of the Sunday School and recognition of the teachers.

Farm Bureau Meets Tonight

Texico Farm Bureau meets tonight at 8 (cst) in the school lunch room. This meeting was postponed from Sept. 8 because of the Curry County Fair.

The Farm Bureau was in charge of fixing the community booth for the fair and the group took second in this division. A program has been planned for tonight's meeting and each lady is asked to bring a cake.

THE STATE OF TEXAS

TO: E. C. Bryant and her husband, James S. Bryant; J. T. Wilsey and his unknown wife or wives; J. S. Bryant and his unknown wife or wives; Frank Triplett and his unknown wife or wives; and all the unknown husband or husbands and unknown wife or wives of the above named parties, and should any of the above named parties be deceased, then his or her unknown legal representatives and assigns, Defendants, GREETINGS:

You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A. M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 3rd day of October, A. D. 1960, at or before ten o'clock A. M. before the Honorable District Court of Parmer County, Texas, at the Court House of said County in Farwell, Texas.

Said Plaintiff's Petition was filed in said court, on the 3rd day of August, A. D. 1960, in this cause, numbered 2144 on the docket of said court, and styled, ANNE H. OVERSTREET, a single woman, Plaintiff vs E. C. Bryant, ET AL, Defendants.

The names of the parties to the cause are as follows: Anne H. Overstreet, a single woman, is Plaintiff, and E. G. Bryant and her husband, James S. Bryant; J. T. Wilsey and his unknown wife or wives; J. S. Bryant and his unknown wife or wives; Frank Triplett and his unknown wife or wives; and all the unknown husband or husbands and unknown wife or wives of the above named parties, and should any of the above named parties be deceased, his or her unknown legal representatives, heirs and assigns, are Defendants.

A brief statement of the nature of this suit is as follows, to-wit: Suit in trespass to try title, Plaintiff alleging that on or about the first day of August, A. D. 1960, she owned in fee simple and was in possession of Lots 17, 18, and 19, Block 27, of the Original Town of Farwell, Parmer County, Texas, as shown by plat of said town of record in the Deed Records of Parmer County, Texas, and that Defendants unlawfully entered thereon and ejected her therefrom and withhold possession thereof from her; and praying for judgment for title to and possession of said property, and for writ of possession, and further claiming title by virtue of the five-year statute of limitations, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this the 3rd day of August, A. D. 1960.

ATTEST: Hugh Moseley Clerk, District Court, Parmer County, Texas.

By Bonnie Warren Deputy. 45-4tc

OKLA. LANE

By Avis Carpenter

Bro. and Mrs. Jimmy McGuire and family were honored with a farewell shower Saturday, at the Oklahoma Lane Community center. The McGuirs have moved to 2103 Houston St. in Plainview where McGuire is enrolled in Wayland College as a ministerial student.

Hostesses for the affair were Mesdames R. E. Blankenship, Donald Christian, Troy Christian, Wendol Christian, and the Deborah SS class of the Oklahoma Lane Baptist Church.

Cookies, lemonade, and coffee were served to the following: the Claude Watkinses, Harold Carpenters, R. E. Blankenships, Frank Doshers, Dick Gerleses, Glen Harrises, Lendon Phillippses, Guy Austins, Vernon Symcoxes, Millard Murrays, Billy Dollars, Herman Gerleses, William Floweresses, Jimmy D. Mosses, Clarence Johnsons, Neil Stewarts, Charles Hukills, Kenneth Johnsons, E. W. McGuires, Bernard Nelsons, and Leon Lewises.

Also Mrs. Dee Brown, Mrs. Wayne Hardage and sons, Lee Mason, Mrs. Milton Henson, C. C. Christian, and Mrs. Terry Cain.

The Walter Kaltwassers, Troy Christians, Donald Christians, Wendol Christians, Sterling Donaldsons, Walter Verners, Michael Naranjos, Leon Billingsleys, Grady Kings, Mrs. Donald Watkins, and Mrs. Louella White.

Many sent gifts who were unable to attend.

Donnie Carpenter, son of Mr. and Mrs. Harold Carpenter, left Sunday to begin his senior year at West Texas State Teacher's College.

Mr. and Mrs. Wayne Hardage and family vacationed last week at Pagosa Springs, Colo. They were accompanied by Mrs. Hardage's parents, Mr. and Mrs. L. O. Norwood of YL.

DR. A. E. LEWIS DENTIST East of Courthouse -- Mule-shoe Office Ph 9-0110--Res. 6570. Closed Wed. & Sat. Afternoons.

Mr. and Mrs. Delbert Garner and family spent the week-end visiting his grandparents in Merkel.

Mr. and Mrs. Jim Walker and family of Roswell visited her parents, Mr. and Mrs. E. C. Cochran, over the weekend.

Mrs. R. E. Blankenship was hostess Friday, for the September meeting of the Friendship Club. The afternoon was spent doing handwork.

Mrs. Blankenship served sandwiches, cake and strawberries to Mesdames George Douglas, Owen Patton, Bob Peggram, Frank Vereto, Jack Roach, and Bernard Nelson. The next club meeting will be Oct. 20 in the home of Mrs. George Douglas.

Dean Watkins, son of Mr. and Mrs. Claude Watkins, left Monday to enroll in Texas Tech in Lubbock where he will be a sophomore this year.

Mrs. Terry Cain, former Janice Hillock, returned home last Wednesday from California after having spent several months there while her husband was stationed there. Cain is now serving in Japan.

The Deborah S. S. class of the Oklahoma Lane Baptist Church met Sept. 12 in the home of Mrs. Harold Carpenter. The meeting was opened with prayer and Mrs. Dee Brown presented the devotional entitled "Man Ought Always to Pray." Officers for the new church year

were elected with Mrs. Harold Carpenter to serve as class teacher for another year, Mrs. Nell Stewart to be president, and Mrs. Lee Mason, vice-president. The secretary-treasurer will be elected at a later date. The hostess served sandwiches, apple pie, and coffee to Mesdames Sterling Donaldson, D. L. White, Nell Stewart, Vernon Symcox, and Dee Brown. Mrs. Delbert Garner will be hostess for the October meeting.

Other guests in the Williams home on Sunday were Mr. and Mrs. George Stephens and a couple of their friends from Canyon. Stephens attended school here for several years and his mother, Mrs. Jewel Stephens, taught here. They now make their home in Canyon.

E. G. Williamses Have Visitors

Mrs. Loma Lowe, Amarillo; Miss Dora Holt, Bomarton; and Mrs. Audie Hall, Ft. Worth, spent the past week in the home of Mr. and Mrs. E. G. Williams. Mrs. Lowe and Mrs. Williams are sisters and Mrs. Hall is a cousin whom they hadn't seen in more than 50 years.

Farwell P-TA Meets Monday

The first meeting of the year for Farwell P-TA will get under way Monday night at 8 p.m. (cst) in the school cafeteria. The English department will have charge of the program. Memberships will be taken and also subscriptions for the state and national magazine will be sold. Memberships are 75¢ per person.

A good turn out is urged by P-TA officials.

## Of Interest To THE WOMEN

### Couple To Make Home In Lubbock Following Vows

Following their marriage at West Camp Baptist Church August 20, Miss Carol Lynne Hukill and Doyce Lanford Hutson are making their home in Lubbock. The bride is the daughter of Mr. and Mrs. Charles Hukill of Farwell and the bridegroom is the son of Mr. and Mrs. L. F. Hutson of Haskell.

Bro. Jimmy McGuire read the double-ring service before an altar decorated with green fern and orchid and white asters. Traditional wedding marches were played by Billy Field. Vocal numbers were presented by Doris Donaldson, friend of the bride. She sang "I Love You Truly," "Whither Thou Goest" and "Wedding Prayer." Her mother, Mrs. Sterling Donaldson, accompanied her.

Given in marriage by her father, Miss Hukill chose an afternoon dress of white lace over satin which featured short sleeves and a billowing skirt. The scalloped neckline was outlined with lace roses, each of which was centered with a pearl. Her veil of white bridal illusion fell from a bandeau of lace. She carried a bouquet of white carnations atop a white pearl Bible. Her grandmother's engagement ring was old and her wedding ensemble was new. Her veil was borrowed from a friend, Mrs. Jerry Darby, and she wore a blue garter. A penny in her shoe was minted in the year of her birth.

Best man was Jack Hutson, brother of the bridegroom from Haskell. Miss June Ritchie was maid of honor and Mary Sanders was bridesmaid. Both reside in Muleshoe. Terry Hutson, also a brother of the bridegroom of Haskell, was ringbearer, and Phil Hutson, a cousin, Littlefield, was usher.

The feminine attendants wore identical ensembles, designed with bouffant skirts over taffeta, with full puffed sleeves and fitted waists. They carried bouquets of white carnations with orchid and white streamers.

### Surprise Shower For Mrs. Morgan

The Golden Circle Class of Texico Baptist Church met last week in the home of Mrs. C. C. Morgan. The devotional was given by Mrs. Willie Wall and the group sang the class song, "Living With Jesus."

Mrs. Morgan announced her resignation as class teacher since she and her husband, Rev. C. C. Morgan, will be moving later this month. Members of her class surprised her with a shower of miscellaneous gifts.

Those present were Mesdames Jack Watts, Johnnie Chappell, John Hadley, Willie Wall, Dick Doshier, J. O. Morris, F. S. Thigpen, Mildred Hill and guests, Jody Doshier and Wanda Morgan, and the hostess.

Refreshments consisted of crackers with cheese spread, golden punch, frozen lemon pie, spudnuts, lemon drops and coffee.

### Woman's Club To Hold Social

Texico Woman's Club members are starting their fall activities by having an ice cream social for the club members and their families. The meeting will be Sept. 19 at 8 p.m. (cst) in the club building. Members who have freezers are asked to bring ice cream and the remainder to bring cake.

A reception in the fellowship hall of the church followed the ceremony. The bridal bouquet was centerpiece for the lace covered serving table. The wedding cake was designed in three tiers with minute orchid flowers trimming the confection and bridal figurines topping the cake. Punch and cake were served by Miss Karen Stephens of Muleshoe and Misses Richie and Sanders.

For the occasion, mothers of the young couple chose blue ensembles with white accessories. Both wore white carnation corsages. The Hutsons are residing at 1408 Ave. S in Lubbock. For traveling, the bride wore a red wool plaid dress with white accessories.

The bride is a graduate of Farwell High School and is now employed at Citizen's National Bank in Lubbock. The bridegroom was graduated from Haskell High School and is now employed by Municipal Power and Light Co. of Lubbock.

Miss Judy Hutson, sister of the bridegroom, registered guests for the wedding.

Rev. Sidney Cox, pastor of the Farwell Baptist church, announces that the annual meeting of the Tierra Blanca Association will be Sept. 20 at the Avenue Baptist Church in Hereford. It will be a day meeting from 9:30 to 3:30 (cst).

This will be the final meeting of the parent association as it is disbanding to join with Littlefield and Muleshoe to form a new association to be known as the Llanas Altos, which is Spanish for High Plains.

### Going Away Party Fetes Wanda Morgan Saturday

A surprise going away party was held in the Amos Shockley home at Pleasant Hill last Saturday night for Wanda Morgan. Miss Morgan will be moving to Anton soon.

The guests showered Miss Morgan with going away gifts. Texico school colors, green and white, and Anton school colors, purple and gold, were carried out in the room decorations and the table colors. The walls were decorated with Texas and New Mexico road maps and school colored streamers hung from the ceiling. The room was also decorated with pictures of Miss Morgan from the time she was a small child up until the present time. Miss Morgan is now a freshman at Texico.

Invitations were similar to airplane reservations. A special cake made by Betty Hawkins of Bovina, graced the table which carried out a teen-age motif. The cake was

also decorated in the two schools' colors and depicted a map of Texas with a road leading from Texico to Anton.

Decorations and plans of the party were the original ideas of Myrtice Shockley. Refreshments of sandwiches cut in the shape of Texas, punch, dip, and potato chips were served to the guests: Judy Strawn, Bovina; Linda Campbell, Rosedale; Dorothy Hapke, Myrtice Shockley, hostess, and the honoree, Wanda Morgan.

Also present were Mrs. L. L. Reese, Muleshoe, Rev. and Mrs. C. C. Morgan, Texico, and Mr. and Mrs. Shockley.

### Radio Club Holds Watermelon Feed

The Black Water Valley Amateur Radio Club entertained the Curry County ARC with a

watermelon feed at the Clovis park last Sunday.

Those attending were: Mr. and Mrs. Rock Wood and family, Mr. and Mrs. Frank H. Neal and family, Mr. and Mrs. Ben Lentwyler and family, Mr. and Mrs. Jesse J. Randle and family, Mr. and Mrs. Gerald E. Snow and son, Mr. and Mrs. Stan Prince, Mr. and Mrs. Walt Conner, Mr. and Mrs. Hershel Green and Howard Purlington, all of Clovis.

Also Jack Woods and Mr. and Mrs. Nelson Smith of Farwell, Mr. and Mrs. J. W. Herington and family of Muleshoe and Mr. and Mrs. Gene Field of Texico.

### Supper Starts Social Season

The Farwell Study Club will start their fall meetings with a salad supper at the Home making Cottage at 8 p.m. Sept. 19. This will also be guest night.

Mrs. A. E. Boyd, Plainville, will be the speaker for the evening. Mrs. Boyd is the district president. This will be the Federation program for the year.

### 4-H Members Win Ribbons

Several members of the Texico 4-H Club who entered exhibits at the Curry County Fair were ribbon winners.

In Home Living I, Sharon Peyton won first, Beverly Winkles - second, and Jill Ann Billington - third on their dust matts. On cup towels, Miss Billington placed second and Sherry Nuttal third. Miss Billington also placed third on her apron and second on oatmeal cookies in Home Living I.

Lynell Engram placed 5th in biscuits in Home Living II and in open class, won first in oatmeal cookies. Sandy Tipton placed second on pickled beets in open class.

Mrs. Melvin Burns, local leader, announces there will be a meeting Friday afternoon from 4-5:30 p.m. at the Home Ec Cottage. The project for the afternoon will be making waste baskets and the members are asked to bring the paper for covering them.

## Grain Sorghum Meet Tuesday

A meeting of Grain Sorghum Producers Association has been slated for 8 p. m., Tuesday, September 20, in the Community Room of the Friona State Bank.

Principal item of business at this meeting will be election of officers for the coming year.

Research, market development and service program of the Grain Sorghum Producers Association gained impetus this week with an announcement of expansion of their work in two important directions.

In one expansion move, Frank Moore of Plainview, the Association's president, announced that B. M. McGinley is joining the staff of the organization to enlarge the field service activities. Moore pointed out that this is in order to give greater service to the expanding potentials for livestock feeding in the area, the need for closer relationships with other feeding areas such as the California market, and the need for close attention to legislative matters affecting sorghum growers as farm policy programs are re-constructed during the coming year.

many years' business and civic experience. After being reared on a farm in Kansas, he attended Oklahoma State University and since has served Oklahoma Agricultural interest in such towns as Enid, Elk City, El Reno and Anadarko. In all these areas he has been active in civic affairs and has served as president of the Junior Chamber of Commerce, the Chamber of Commerce and the school boards.

Mr. and Mrs. McGinley and their 14 year old daughter, Donna Jean, will establish their home in Amarillo September 1st.

## Field Day At Halfway

The fourth annual Field Day of the High Plains Research Foundation will be held Wednesday, September 14 at Halfway, Texas, Frank Moore, president of the Foundation announced.

Tours of the research plots will start at 1:30 p. m. and continue until 5 p. m. A barbecue will be served all visitors at 6 p. m., followed by an evening program.

Visitors will have an opportunity to see the expanded research programs with cotton, and the new basic plant breeding program with soybeans and sesame.

Other points of interest include the new research program on weed elimination with flame cultivation; fertilizer studies with cotton, grain sorghum, and castor beans; variety tests on grain sorghum, soybeans, corn, castor beans, and sesame; and irrigation valuation, water conservation, and the recharge well.

In addition to the farm tours, a farm machinery exhibit will show the latest development in farm, irrigation, and agricultural aviation equipment.

McGinley, former Anadarko, Oklahoma businessman, will give special emphasis to work with county sorghum producer association directors and local grain elevator operators in organizational matters.

The second area of expansion according to Moore is the naming of a local grain elevator operator to the board of each county grain sorghum producer association. Such officials have in the past worked closely with Association leaders in all phases of their program but this marks the first time they will be serving on the board of the organization. These added directors as well as other officers for the coming year, will be elected at county meetings which will be held throughout the sorghum-producing area during the ensuing weeks.

Moore pointed out that McGinley comes to the Grain Sorghum Producers Association with an admirable background of

### NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

Herman Gerles, PCFB president, and wife, Alta, invited all the directors out to their home for regular director's meeting Monday night, Sept. 5. To make it more interesting, they asked them to bring their wives and enjoy barbecued chicken with trimmings and ice cream.

Attending were: The Donald Christians, F. D. Carters, J. T. Joneses, Claude Osborns, Joe Jeskoes, Vernon Symcoxes, Franklin Bauers, all of whom are directors and officers. Others attending were the Buster Davises, Jack Pattersons, Raymond Eulers and the Roy Millers.

Subjects discussed in the meeting were investment of building fund money; letters to legislators regarding need for a different type of farm program than presently advocated; and membership acquisition. The date and place for the annual county convention was set for the Oklahoma Lane Community Building on the night of October 6th.

The United States Department of Agriculture reports that there are one hundred seventy automatic cotton samplers operating in gin plants in the United States. Ninety-seven of these are in the state of Texas.

Regarding the statement often heard that the United States should donate its surplus food supply to the needy, here are some interesting facts. Over fifteen billion pounds of surplus food have been moved into use during the last eight years through the operation of the District Distribution Program, both in the United States and overseas.

The number of persons receiving surplus food in the needy person category increased to five and seven tenths million in March, 1959--the largest total since 1942. The cost of the food was reportedly nearly three billion dollars.

We would like to urge each person to give time to study of the political situation and decide how you really want to vote in the coming election. It is important that everyone study enough that they are interested enough to make it a point to vote their convictions.

Consider this: "The father of the righteous shall greatly rejoice; and he that begetteth a wise child shall have joy of him." Prov. 23:24

# Cotton Is "Trying Hard"

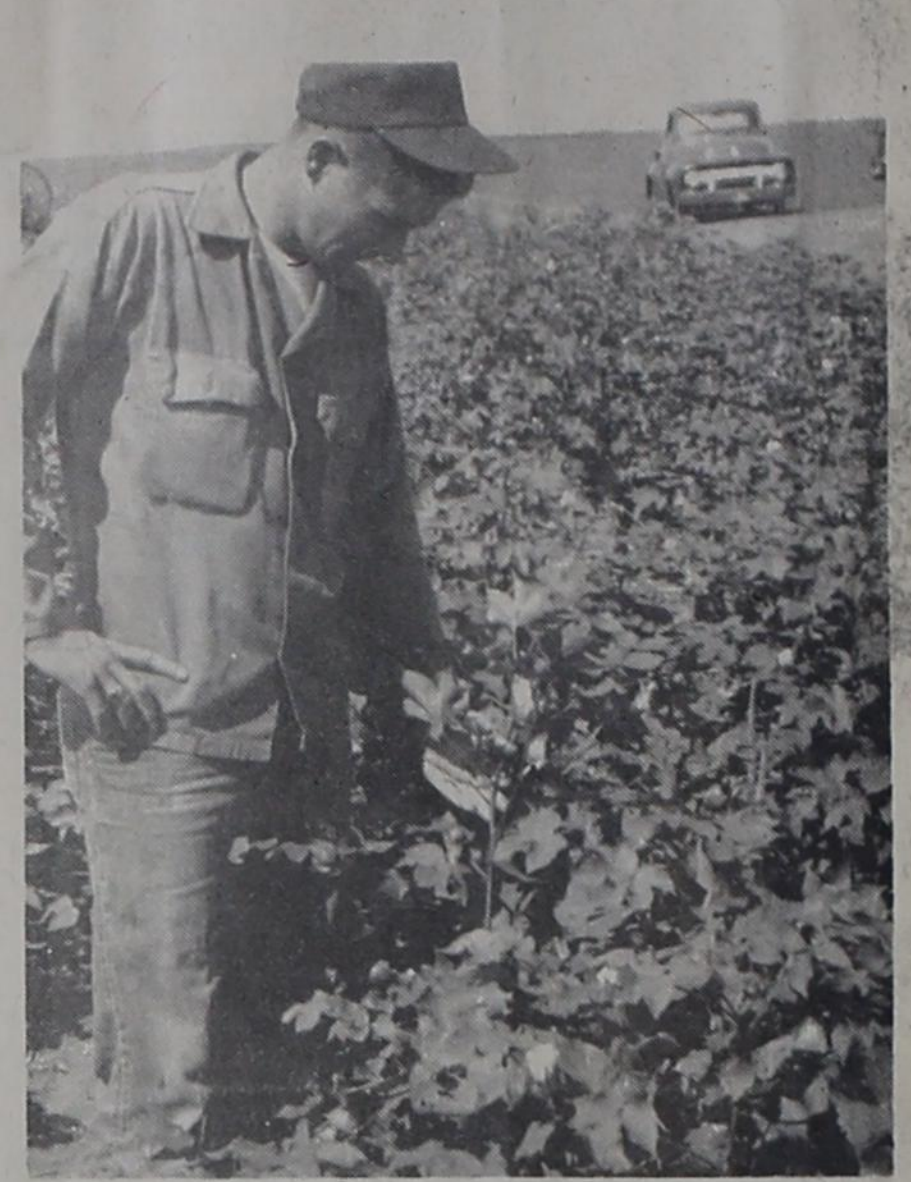

In spite of adverse weather conditions during much of this year's growing season, Parmer County cotton is "trying hard" to produce a fair yield.

"What we need now is plenty of open weather between now and November 1," says Parmer County Agent Joe Jones. By "open weather," he was referring to plenty of warm, sunny days.

As was the case last year, much of the cotton is several weeks late and the cotton farmer's fate will rest with the weather. An early frost could be damaging.

SOME OF THE EARLIEST COTTON in Parmer County this year is this one patch on the Kenneth Johnson farm. It is maturing fast and, here, Johnson is shown looking at some of the open bolls. Johnson estimates that this field of Gregg cotton will make about a bale per acre.

STANDING IN TALL COTTON at his farm near the Oklahoma Lane community is Glenden Sudderth. Here, Sudderth checks a few of the open bolls on this patch of Austin cotton. Cotton, generally is not in too good a shape, but with the proper weather conditions this field could make a bale and a half per acre.

There are 37,000 acres of cotton in Parmer County and if the weather cooperates it could make on the average of a bale per acre, believes Jones. There are a few acres less cotton in the county this year than last, because more of it was plowed under.

Some of the acreage, which didn't get off to a very good start, was abandoned and planted into grain sorghum or wheat. In all, there were 12,000 acres plowed up, according to Prentice Mills of the County ASC office.

The way things look right now, the cycle of alternate good years and bad years for cotton in Parmer County will be broken this year. Since 1954, when county farmers were just getting nicely started growing cotton, the crop has been on this every-other-year cycle.

Even-numbered years have been when farmers produced high, quality yields and the odd-numbered years have been the poor ones. The year 1958 was the last good cotton crop and last year was a poor one.

Naturally, farmers have been hoping this cycle would be broken, but not in the manner which it will perhaps be this year. This is 1960, an even-numbered year, and according to past history, this should be the year to "hit."

Everything has been against the cotton farmer this season, and only a miracle would make this crop any better than "fair." The weather was unusually cold in the spring and in July the area had its heaviest rainfall on record.

All of this stymied the cotton's growth and contributed to various plant diseases.

The way things look right now, farmers who planted some of the new disease-resistant hybrid varieties will have the better cotton yields. Two of these varieties which some farmers in the county have planted are Austin and Rex.

The variety planted most extensively this year, however, has been Greg, a seed that has proven to be quite successful in years past. But, this year two races of bacterial blight have been prevalent, as well as other diseases and the cotton has suffered.

According to a pamphlet put out by the Texas Agricultural Experiment Station at College Station, "bacterial blight causes yield and grade losses

in Texas when rainfall is sufficient during the growing season for cotton production. Races 1 and 2 of the bacterial blight causal organisms are present in Texas."

A variety like Austin is highly resistant to race 1 and it is tolerant to race 2, it is pointed out in the brochure. However, some of the more widely-used varieties have also weathered the storm in places and while considerably late, there is hope for fair yields if the weather cooperates.

There possibly will be some two bale per acre cotton in the county this year, but generally the yields will be much lower.

Parmer County Pump Company -Friona-

WILSON'S ALFALFA FIELD SLOPES--This makes it impractical for irrigation by flooding. The soil is medium textured and permeable, so is ideal for irrigation with a sprinkler system. This is just one of the many ways that farmers are using water from playa lakes in a conservation irrigation program.

FARMER COUNTY FARMER USES WASTE WATER--Leon Wilson, who farms south of Clay's Corner near the county line, is taking advantage of extra water available from the playa lake on his farm. The water is pumped from the lake with a 6 cylinder automobile engine directly into a sprinkler line. The crop being irrigated is alfalfa.

## WITH THE COUNTY AGENT

JOE JONES

The Annual Soil Conservation District Tour will be held Monday afternoon Sept. 26. For details see the program in next weeks paper and make plans to go on the tour.

The Grain Sorghum crop is the best ever the way it looks to me at present. The big harvest is just ahead so I'd like to remind you of a few things that are of real importance to our future markets. Dry grain is the key to safe storage and in the end a good feed. Too many farmers do not consider the ultimate end of all grain sorghum is as a feed to be fed to livestock and poultry for the production of livestock and poultry products.

The condition it reaches the consumer whether it be a local feed lot, a boy feeding one calf, a mill in Europe, or South America, greatly affect the attitude people have toward grain sorghum as a feed. The expansion of markets for grain sorghum is being pushed hard by the "National Grain Sorghum Association" and other groups and many of you are contributing 2¢ per 1000# production, but unless a product will stand up as useful product all the advertising and efforts put forth are of little value. Research has proven the value of grain sorghum as a feed grain and many people have used it and are well satisfied, but in talking to a lot of people who have used grain sorghum they say too

much of it is received in poor condition. This is true even with farmers here in the county who use grain sorghum after they store it on their own farms or in the elevator. All this adds up to harvesting while the moisture is too high or poor storage conditions. If we are to create and hold our local and foreign markets we must harvest at the correct moisture levels (12% to 14%) and then store in good storage facilities that will maintain this quality. As we move forward with our market development program let us also supply a product that will give us repeat orders for this product that is basic to our agricultural economy. The condition you take grain sorghum to the elevator and how the elevator takes care of it is the key to our exported grain sorghum trade.

The "Grain Sorghum Association" is holding a meeting Tuesday, night Sept. 20 to discuss their marketing program the past two years and outline their future plans. The meeting will be held in the meeting room of the Friona State Bank and everyone is urged to attend and hear the Grain Sorghum situation from the National Association personnel who will be present.

**TIP TO MOTORISTS**  
Hold your horses--uncontrolled horsepower causes a big percentage of our traffic fatalities.

## Cotton Outlook Cloudy

Texas cotton production for 1960 has been figured at 4,375,000 bales in the first estimate released by the U. S. Department of Agriculture, but this was before heavy August rains covered nearly all areas of South Texas.

The 4,375,000 bale estimate would be some 125,000 bales below the 4,500,000 bale yield of 1959 in Texas, and it may be lower than that after the results of continued rainfall in the harvest season are counted up. About 10 per cent of the 1960 crop has now been gathered, mainly in the Rio Grande Valley and in the lower reaches of South Texas. The average yield in all of Texas this year is estimated at 321 pounds per acre.

Nationally, total cotton production for 1960 is estimated at about 14,471,000 bales, a little below the 14,558,000 bale crop gathered last year. This

compares with a ten-year average of 13,710,000 bales.

Cotton harvesting will be late this year in nearly all areas of Texas because of the lateness in getting the growing season started. Growers in some sections were unable to get stands even with one or more replantings, and some acreage was diverted to other crops.

But what ever the outlook in the rest of the state, the 23 counties in the High Plains covered by the Plains Cotton Growers, Inc. were full of optimism as August neared its end. First official estimates put out by the Lubbock Cotton Exchange and the Plains Cotton Growers indicate a production of 1,899,000 bales for 1960, which would be 29,647 bales more than the 1959 production in the same 23-county area.

It is figured that the 1960 crop will be worth from \$267 million to \$286 million. The all-time record for cotton pro-

duction on the High Plains stands at 2,025,433 bales ginned in 1958.

In common with many other sections of the state, High Plains cotton early in the season was plagued by adverse weather, plant diseases and insects. But the condition of the crop, bolstered by exceptionally heavy rains when most needed in July, was described in August as being "good to excellent." No large volume of High Plains cotton is expected to be harvested before October.

Under the Federal farm program, cotton is grown on a plan which seeks broader markets and lowered price supports. Growers are allowed to over-plant allotted acreages provided they are willing to accept lower price guarantees. Cotton acreage allotments this year amounted to 15,531,000 acres, compared with an average of 19,969,000 acres for the past ten years.

## The HAPPY HOMEMAKER

BY JUNE FLOYD

Washday takes no summer holiday. On the contrary, the piles of soiled clothes generally seem to mount higher and higher. Washing is complicated, too, by food spots and stains, grass stains and perspiration stains.

Here are a few suggestions for dealing with some of the garden variety of warm weather washday problems when the fabric involved is white or colorfast cotton linen, nylon or dacron.

(These methods apply to fabrics that have been tested for color fastness.) Some fabrics with "permanent" finishes should not be bleached. Look for hang tag to read "bleachable with chlorine bleach."

**CANDY AND SUGAR SYRUPS:** Sponge with clear cool water. Launder. If stain remains, soak in chlorine bleach beads. Rinse thoroughly.

**FRUIT JUICE:** Fresh stain: Rinse with cold water. Soak in chlorine bleach bead solution. Old stain: Pour boiling water through stain. If stain remains, soak in chlorine bleach bead solution.

**Rinse thoroughly.**  
**GRASS STAIN:** Sponge with cleaning fluid. Rub liquid detergent or a paste of packaged detergent into fabric. Launder. If stain remains, soak in chlorine bleach beads. Rinse thoroughly.

**GREASE AND TAR:** Remove excess with dull knife. Sponge with cleaning fluid. Launder in hot water. If stain remains, soak in chlorine bleach solution. Rinse thoroughly. (Alcohol may be used to remove some grease stains.)

**MERCURIOCHROME:** Soak in chlorine bleach bead solution. Launder. Alternate method: Soak in alcohol, then in vinegar. Repeat alcohol soak. Launder.

**MILK, CREAM, ICE CREAM:** Soak in warm water. Launder. If spot remains after drying, remove grease or fat with cleaning fluid. For chocolate flavored milk or ice cream: follow above directions, then soak in chlorine bleach solution. Rinse thoroughly.

**PAINT:** Soak in paint remover. Rub out as much as possible. Launder. Rubbing in vaseline or lard may soften the paint.

**PERSPIRATION:** Launder. If stain remains, soak in chlorine bleach bead solution. Rinse thoroughly.

\*\*\*\*\*  
Chicken is one of those foods that's a natural for picnics and

other summer outdoor eating. Most of us automatically think of fried chicken for picnic meals. There are, however, many ways of preparing chicken for indoor or outdoor meals.

A simple open-face sandwich and be made with hot chicken salad filled into buns, which are wrapped in aluminum foil and refrigerated until ready for use. Before serving, the sandwiches are heated in the oven for ten minutes, or may be heated at an outdoor fire or grill.

A generous portion of grated sharp cheddar cheese combines with the chicken salad to make these sandwiches substantial eating. The following recipe yields six sandwiches.

2 cups diced cooked chicken  
1/2 cup diced celery  
1/4 chopped green pepper  
3 green onions chopped  
1/4 cup mayonnaise  
salt and pepper  
1 1/2 cups grated sharp cheddar cheese  
6 hamburger buns  
butter

Mix chicken, celery, green pepper and green onions. Add salt and pepper to taste and mayonnaise. Spread on buttered rolls and top with a generous amount of grated cheese (1/4 cup per sandwich).

Dot with butter. Wrap each sandwich in a square of aluminum foil and refrigerate until ready to use. Before serving, heat at 450 degrees for ten minutes. May also be heated in the coals of an outdoor fire or over a grill.

"Owned By Farmers Who Understand Your Problems"

Baldwin 5-4366

SOON TO BE COMPLETED is this 1 1/2 million bushel storage addition at Sherley Grain Company in Bovina. This is one of the latest elevator construction projects to be undertaken in Farmer County. In all, the county has a grain storage capacity of 35 million bushels.

# County Has 35 Million Bushels Of Grain Storage

With the production of wheat and grain sorghums increasing each year in Farmer County, the construction of new grain storage facilities has been moving along at a rapid pace.

A survey this week of the 20 elevators in the county revealed that by the time harvest is completed this fall, the storage capacity of all the commercial grain businesses will be 29,181,000 bushels.

This space, coupled with the 6,000,000 bushels of storage space individuals farmers have in the way of steel structures on their farms, gives Farmer County a total grain storage capacity of more than 35 million bushels.

Farmer County in all probability has more storage available than any other county in the grain producing region on the High Plains. The storage would be adequate to handle two high-yielding grain sorghum crops like last year's and the one anticipated this year.

Two elevators in the county are now in the process of adding to their grain storage tanks. Sherley Grain in Bovina will soon complete construction of a 1,500,000 bushel addition and Worley Grain at Farwell got started on a 1,250,000 bushel building project last week. The Worley addition is scheduled to be completed in 60 days.

Just how much of this 35 million bushels of storage will be available for the fall sorghum crop is not known, since most of the elevators are now moving out some of the grain belonging to Commodity Credit Corporation, the government price support agency.

However, most of the elevator operators say that there will be a sizeable amount of storage space empty and ready for the fall harvest, which will get underway in the next few weeks.

Of course, this year's sorghum crop is expected to be

one of the better crops, if not the best, in history. Some of the elevator men indicate that part of this year's anticipated bumper crop will have to be temporarily piled on the ground. There is plenty of storage space in the county, but there are also many bushels of grain.

Not only have the commercial elevators been increasing in size, but during the past two years another trend in grain storage has been taking place. Many individual farmers have also been going into the grain storage business.

Prentice Mills, manager of the Farmer County ASC office, says that there are now 225 farmers in the county who have steel quonset storage structures. This is about one-fifth of the county's 1100 farmers.

The average capacity of these buildings is 38,000 bushels, and in all, this type of storage totals 6,750,000 bushels.

Better than half of these individual storage units have been added in the past two years, Mills says. In the past year, the ASC office has made loans for the construction of 800,000 bushels of this type storage.

Mills points out, however,

that the government has made loans on only a small percentage of the new structures. The remainder have been financed privately.

Individual farmers have gone into the storage business for two reasons. They receive payment from the government for storing this grain, and they can wait to sell it when the market is most favorable.

Throughout the county there are more grain storage units being built all the time, both by commercial firms and private individuals.

How long will this building boom continue? No one knows for sure, but right now there appears to be no end in sight.

**USDA INCREASES INSPECTION FEES**

The U. S. Department of Agriculture has announced an increase, effective September 1, in fees charged for appeal inspections of grain and for overtime charges in connection with these inspections.

Fees which were \$8 per car were increased to \$9 per car, and cargo grain fees were increased from \$2 per thousand bushels to \$2.25 a thousand. Comparable increases were made in fees for appeals on trucklots and on submitted samples.

Overtime charges on appeals on grain, which are authorized by the United States Grain Standards Act, were increased from \$5.80 an hour to \$6.40 an hour per man.

## Anticipate Need For 1025 Pullers

Three Farmer County citizens, County Judge Loyde Brewer, Bruce Parr and Bill Nichols, will serve as a County Farm Labor Committee and meet with T. R. Jewell, manager of the Texas Employment Com-

mission office of Littlefield to review the total seasonal employment needs developed by the Texas Employment Commission.

Farmer County will, according to a report by the committee, be short 1025 cotton pullers during the peak period of the cotton harvest. This shortage will be met by the importation of Mexican National Bracero workers.

This committee will function under Public Law 78, obtaining facts relevant to the supply of domestic farm workers existing in Farmer County and the shortage of workers, if any, which must be met by importing Mexican Nationals to harvest the cotton crop. Under Public Law 78, the TEC must supply this information to the Secretary of Labor, who must limit the number of Mexican Nationals to be used in this county by granting a "ceiling."

The committee consults with the local office manager to assist him in estimating the number of workers who will be needed, based on current local conditions affecting the cotton crop.

"Ceilings" granted by the Secretary of Labor limiting the importation of Mexican Nationals into this area will be posted in all post offices in Farmer County, in the county agent's office and in the county courthouse.

## LEGAL NOTICE

Notice is hereby given that the Farmer County Commissioners Court will conduct a public hearing on the proposed 1961 Farmer County Budget at 2:30 p. m., Monday, Sept. 26, 1960, in the courtroom at the county court house in Farwell.

All persons wishing to attend are invited to do so.

**DRY YOUR GRAIN FASTER WITH CONTROLLED AIR MOVEMENT!**

**Behlen GRAIN DRYER**

Look at these features that make Behlen America's Biggest Selling Grain Dryer:

**AUTOMATIC GRAIN HANDLING**—A system of augers moves grain into the Dryer... distributes it evenly throughout the drying chamber... then removes it automatically after drying.

**NEW AUTOMATIC MOISTURE CONTROL**—Saves time, protects from over-drying. Set controls for the desired moisture content. Behlen Dryer automatically shuts off at the pre-set moisture content.

**EXCLUSIVE H/A POWER**—Exclusive variable-pitch axial vane fan and high-output Behlen burner give you the right amount and volume of heat and air.

**Full "WRAPAROUND" Grain Compartment**—Grain in drying chamber is actually "wrapped around" the air chamber. Heated air passes through all grain... gives fast, uniform drying and eliminates the need for costly grain movement.

### Hospital Notes

but is reported doing well. The Pipkins are former residents of this community.

Wayne Tucker, who was injured in an automobile accident last week, was released from Tucumcari hospital last Friday and has been recuperating at the home of his parents, the Hugh Tuckers in Plainview. He was scheduled to enter the hospital at Plainview today to undergo surgery to his ankle to have a pin inserted. His other knee is responding well to treatment and he is reported to be in good condition.

Janice, 5-year-old daughter of Mr. and Mrs. Pike Jordan, who has been seriously ill for several weeks, is reported by her mother to be improved.

### Father Ill In Oklahoma

Mrs. T. E. Roth returned home Monday from Shattuck, Okla., where she had spent the week at the bedside of her father, F. S. Haines. Mr. Haines had major surgery at the Newman Hospital in Shattuck. He stood the operation well and is reported doing as well as possible. With the exception of two, all the family was at his bedside.

### Mrs. Morgan Holds Coffee

Mrs. Joe Morgan held a hostess party and coffee in her home this week. Mrs. Harry Love, Mrs. Peggy Sue Wallace, and Miss LaJune Caldwell attended from Clovis. Others attending were: Mesdames Dot Camp, Inez Stone, Patsy Webb, Bernice Thigpen, Gladys Johnson, Rheta Winkles, and Ida Lou Combs.

### Services Held For Brother

Funeral services for Ted Rose, 65, were held Wednesday at First Christian Church in Hobbs, Rose, a brother of Claude Rose of Farwell, passed away at his ranch near that city Tuesday of last week. Masonic rites were held Wednesday afternoon in Clovis, and interment was in Mission Garden of Memories in Clovis. Survivors include the brother of Farwell; a daughter, Mrs. Clarence Franse of Clovis and a sister, Mrs. C. L. Isham of Clovis. Friends from this area attended the Clovis rites.

Dinner guests in the Homer Dykes home Sunday were Miss Lorraine Dykes, Lubbock; Mr. and Mrs. Hubert Dykes and Butch, and Mrs. Ted Walker of Sudan; and the Cecil Dykes family of Farwell.

Mrs. Guy Cox who underwent major surgery Thursday, is recuperating at the hospital in Clovis. She is confined to Room 307 and is receiving visitors, according to word from her daughter, Mrs. Bunk Phillips.

John Porter, Farwell businessman, was slated to undergo major surgery at Northwest Texas Hospital in Amarillo Wednesday morning. Porter had been hospitalized for a week. A report on his condition was unavailable at press time.

Bruce, son of Mr. and Mrs. Dale McCuan, was released from the hospital Tuesday evening. He had been ill with a virus condition.

Ronnie Langston, Farwell second grader, was hospitalized overnight over the weekend. His mother Mrs. R. T. Langston, reports that he was on the verge of pneumonia. Mrs. J. W. Hardage, who was hospitalized recently, is doing fine now, according to family members.

Mrs. J. H. Ford was released from the hospital last week and was able to return to the rest home at Amherst. Mrs. Ford is the mother of Ray Ford and until recently, she and her husband had made their home here.

Mrs. Jess Pipkin, sister of Mrs. Ray Ford, had major surgery in Amarillo last week.

## Life Is Worth Your Living

By Robert O. Tomlinson

The word of the Cross is nonsense to those involved in this dying world, but to us who are being saved to life, from that death, it is nothing less than the power of God. This is the miracle of the cross of the Christian Faith.

The Cross is a symbol of sin, shame, crime, defeat, ruin, and death. Christ took it, got His hands on it, and changed it into a thing of beauty and redemption, of glory and honor. When Christ gets His hand on your life, He makes it a thing of beauty and joy.

Now what is that word of the cross? It is a word of forgiveness, God's last thought of man is not sin and failure, but forgiveness; breaking the power of sin, and putting you under the power of God. It is the world of God's love that gives life meaning and purpose. "Love so amazing, so divine, demands my life, my all."

It is a word of responsibility. Why did Jesus suffer for the sins of the world? I can't answer that; I only know that He loves us. When one loves, He meets any and all responsibility laid upon Him. Christ loved, and saw the worth in each of us, for only love sees worth.

I can't understand it any more than I can understand the love that my loved ones and friends have for me, but I can feel it, comprehend it, experience it, and who are TOUCHED by it, and all who are TOUCHED by it accept responsibility and want to share in Christ's suffering and redemptive service, and life is worth your living.

## Parsons Return From Vacation

Mr. and Mrs. Monty Parsons returned Saturday night from a ten-day vacation trip to Oklahoma and Missouri. One of the highlights of their trip was attending the annual homecoming in a small community in Bunker Hill, Missouri, where Parsons was born and reared.

Cowboys referred to a heavy rain or cloudburst as a "goose crowder."

## Sheriff Makes Three Arrests

Three arrests were made by Parmer County Sheriff Chas. Lovelace during the past week. Joe Rivera, Friona, was picked up in Friona Friday and charged with being drunk. He was tried in justice of peace court at Friona and fined \$40.50. Rivera was unable to pay his fine so will spend 14 days in Parmer County jail at Farwell. The two other arrests involved persons wanted by out-of-town authorities. H. G. Asher was arrested in Friona Friday for officers at Paris, Texas, where he is wanted to face a charge of concealing mortgaged property. Asher posted \$500 bond at Farwell and is scheduled to appear at Paris later. Rudy Valverde, 19, was picked up in Farwell Saturday and turned over to Dimmitt authorities. He was wanted for forgery in Castro county.

Mr. and Mrs. Neil Weems, Erma, Kerry, and Matt, of Las Cruces, were here last weekend to visit her parents, Mr. and Mrs. D. J. Brown.

other winner, and to have missed on the victor of the tie-breaker game. Had no one else equaled him on the number of winners, the tie-breaker would have had no bearing on the contest. The rule couldn't have been changed at a better time. Some wag up at Bovina picked the Mustangs to win last week's game 22-8. Under the new rule, this will count against him. Maybe I shouldn't even mention his name, but the character who defied all logical reasoning on this game was Dolph Moten. Am still not convinced that this prediction was due to any hometown loyalty.

(Continued from page 1)  
year. The family first became aware of his illness in early summer. He passed away at Parmer County Community Hospital in Friona Wednesday of last week. The youngster was born in Vancouver, Wash., and moved to this area with his family in 1956. His father is a farmer in the Oklahoma Lane community. Survivors include the grandparents, Mr. and Mrs. A. T. Kersey of Oklahoma Lane, and Mr. and Mrs. Lecher of Portland, Oregon; great-grandmother, Mrs. Gertrude Graham of Portland; Also four brothers, Wilton of Portland, and Wayne, Wesley and Glen of the home; and one sister, Mrs. Jean Page of Dallas. Out of town relatives attending the services included Mrs. Ruby Ross and Mr. and Mrs. Bill Doak of Las Cruces; Mr. and Mrs. Homer Thomas of Oklahoma City; Mr. and Mrs. Troy Kersey and Mr. and Mrs. Ray Loomis of Albuquerque; Mrs. Lois Kibbee of Portland; and J. L. Bennett of Arcadia, Calif. Members of the Kersey family this week expressed their appreciation to all their friends who had been so helpful to them during Lynn's illness. They particularly gave their thanks to those who gave blood donations, sent food to the home, for the comforting flowers, and the love offering. Also, they particularly expressed their gratitude to the nursing staff at the hospital in Friona for their care of the sick child. Claborn's of Friona was in charge of arrangements for the services.
