## Judy is a brave lady

Y'know, folks, every now and then I like to compliment a member of our community. Today, I think I'll pick on my wife, Judy.

Now I realize some of you folks may think that a newspaper is not an appropriate forum for a husband to say wonderful things about his wife. But what can I say? I own the paper!

Anyway, last week marked our 23rd wedding anniversary and I thought it would be a neat surprise for her to read this in the paper. She'll be shocked.

The reason she deserves being complimented is that she had a lot of guts to get involved with me. Most females wouldn't have.

I remember the night we got engaged. That's a time when the man makes lot of promises, noting how much money he has, what a successful career he has, what great family he has, etc. Most young ladies prefer security items - money in the bank, a big family, a homestead.

Well, I didn't have any of that. So the pledge I made that night was for a life of adventure and excitement. I kept that promise.

Just to show you I wasn't joking, I'll always remember the letter I got from my prospective mother-in-law about three weeks before our wedding. She questioned whether it was wise that I would be marrying her daughter since I had no money, no skills, no career, no college degree and no job.

Another groom might take offense at this "meddling." Heck, I agreed with her.

Our first apartment was on the north side of Chicago, in a house that neighbors called "haunted" because the landlady was a self-proclaimed minister of some weird religious sect.

Then it was on to Indianapolis. I'm not going to say what type of folks lived in this apartment building, but suffice it to say that we were the only ones whose garbage consisted of food leftovers. I'll always remember painting the bathtub in that apartment - the inside of the tub!

Then it was on to Indianapolis. I'm not going to say what type of folks lived in this apartment building, but suffice it to say that we were the only ones whose garbage consisted of food leftovers.

I'll always remember the Memorial Day weekend we were there. We went into that weekend with \$1.25. After buying milk and a paper, we were down to about 40 cents. So forget watching the Indianapolis 500 in person. We decided to visit the zoo, since it had free admission. But when we got there, we discovered that it cost \$1 to park - and we couldn't afford it. That was funny.

We then found ourselves living in West Germany. It was rough on Judy, being alone a lot of the time. And half the time we had no car. But the other was fine: we had the opportunity to travel and made full use of it - all over Germany, Italy, France, England, Switzerland, Austria. After two years, it was great to return to the U.S. - the Land of the Big PX, as it was known in those days.

Now we lived in exurban New York City. The first apartment we found had no heat - and winter was approaching. Anyway, we got some better housing and things worked out. We had no car here, either.

Then it was on to Michigan City, Ind., a city the size of Clovis about 55 miles from Chicago. It was good that we were near Judy's family, one of the reasons I picked the place. Those were exciting years as I climbed the so-called ladder of success. Judy taught at the local junior

# Texico honors at county fair announced

Texico students won several awards at the Curry County Fair this year.

## Booths

FFA booths - Texico, 1st.  
Future Homemakers of America booths - Texico FHA, 1st.  
School booths - Texico School, 4th.

## Agricultural Exhibits

Head and ear crop, corn, Indian - Lindsay Kittrell, 1st, and Trevor Kittrell, 1st.

Corn, yellow - Jeremy Drager, 1st.  
Beans, snap in pod - Cindy Littlejohn, 3rd.  
Beets, red - Eric Drager, 2nd.  
Carrots - Cindy Littlejohn, 2nd.  
Cucumbers, pickling - Cody Drager, 3rd.  
Okra - Cindy Littlejohn, 3rd.  
Onions, yellow - Eric Drager, 2nd.  
Onions, white - Cody Drager, 1st.  
Peaches - Larry Powell, 2nd.  
Squash, any other - Eric Drager, 2nd.  
Tallest corn stalk - Cody Drager, 1st.  
Most unusual vegetable - Cody Drager, 1st.  
Pears - Eric Drager, 3rd.  
Peppers, chile long - Cindy Littlejohn, 1st; Cody Drager, 1st; Kristi Neie, 2nd.  
Peppers, jalapeno green - Karen Neie, 1st.  
Peppers, yellow long - Eric Drager, 2nd.  
Peppers, any other - Kristi Neie, 1st, and Karen Neie, 2nd.  
Pumpkins, jack o'lantern - Kristi Neie, 1st, and Karen Neie, 2nd.

## FFA Farm Mechanics

Hay feeder - Justin Barnes got 2nd, 4th and 5th places.  
Hog feeder - Amanda Brower, 3rd.  
Reserve Grand Champion, agricultural mechanics display - Texico FFA.

## Crafts Department

Carol Servatius got a 3rd for her ceramic bunny; 1st for her ceramic figurine; 2nd for her ceramic chalks; 2nd for model and 3rd for ceramic.

Jeremy Drager got a 2nd for his Air Force model plane.  
Heather King got a 1st for his nail art, 1st for his chili peppers and a 3rd for his fly swatter.

Paul Servatius got a 1st for his free standing object and a 3rd for "any other."

Matthew King got a 1st for his wooden spider.

## Senior Baking Open Class

Carrie Drager - corn bread, 1st; brownies, 2nd; toffee, 2nd; peanut brittle, 2nd, and plain muffins, 3rd.

## Junior Market Swine Show

Other pure breeds, heavyweight - Jarrod Barfield and Reserve Champion, 2nd.  
Yorkshire, lightweight - Cody Drager, 1st and champion.  
Yorkshire, heavyweight - Eric Drager, 2nd.  
Chester, lightweight - Justin Meeks, 2nd.  
Chester, heavyweight - Jarrod Barfield, 5th, and Kenny Shaw, 5th.  
Hampshire, medium weight - Jarrod Barfield, 1st.  
Hampshire, heavyweight - Eric Drager, 4th.  
Duroc, medium weight - Cody Drager, 2nd, and Eric Drager, 6th.

## Animals brought \$17,795

Texico students sold animals for a total of \$17,795 at the junior livestock auction. Only the top 40 steers, pigs and lambs are eligible to be sold.

Duroc, medium heavyweight - Eric Drager, 2nd, and Martin Singletery, 3rd.  
Duroc, heavyweight - Martin Singletery, 3rd, and Justin Meeks, 4th.  
Cross, medium lightweight - Eric Drager, 5th.  
Cross, medium heavyweight - Benji McDaniel, 3rd, and Eric Drager, 7th.  
Cross, heavyweight - Kenny Shaw, 2nd, and Kenny Shaw, 5th.

## Wool Lead Results

Boosters - Karen Neie, 1st, and Kristi Neie, 2nd.

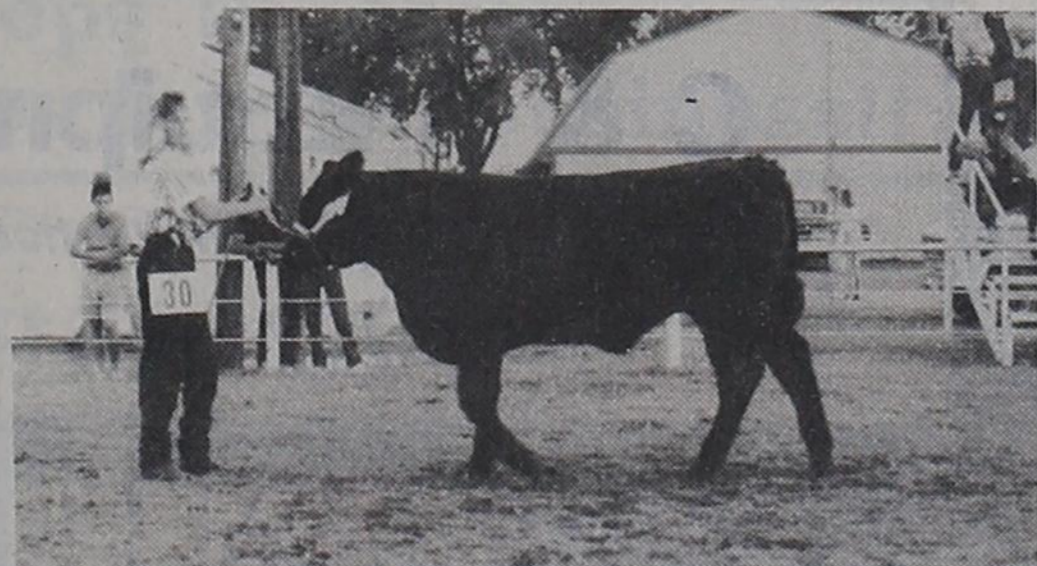

## Breeding Sheep Show

Rams - 2 years and older registered Suffolk - Misty Barnes, 1st.  
Rams - grade purebred 2 years and older hamps - Chad Barnes, 2nd.  
Rams - under 1 year, Columbia - Misty Barnes, Suffolk Reserve Champ.  
Ewes - grade purebred 2 years and older suffolk - Misty Barnes, 1st; Misty Barnes, 2nd, and Chad Barnes, 5th.  
Ewes - grade purebred yearlings Suffolk - Chad Barnes, Grand Champ, 1st; Chad Barnes, Reserve Champ, 2nd, and Misty Barnes, 3rd.  
Ewes - Grade purebred under 1 year Suffolk - Chad Barnes, 2nd, and Misty Barnes, 3rd.  
Ewes - grade purebred under 1 year hamp - Misty Barnes, Grand Champ, 1st, and Chad Barnes, Reserve Champ, 2nd.  
Flock - Suffolk - Chad Barnes, Grand Champ, 1st.

## 4-H

Best of Show - Carol Servatius, woodcraft.  
Any other small item junior - Justin Bollinger, 1st.  
Advanced braided belt senior - Penny Pierce, 3rd.  
Calloway Clark - set of story telling, 2nd, and poster, 2nd.  
Penny Pierce - senior record book, 1st, and any other

(Continued on Page 3)

Penny Pierce showed her sister Robin's steer at the Curry County Fair. Penny's own steer, a hereford, won first in its division.

# School facility study released

The Farwell School Board Tuesday received the feasibility study of facilities and spent about two hours discussing it.

No decisions were made and the board would appreciate community input before deciding which directions to take.

Although some work can be done with available maintenance funds, the major projects likely would need a bond issue, which would need to be okayed by the community.

The board will further discuss the study at its Sept. 13 meeting.

School Supt. John Grigsby stressed that the schools have had an ongoing maintenance program but it gets to a point when major repairs are needed. He noted that the school roofs are 20- and 35-years old, while an average roof's life expectancy without major repairs is much shorter, for example.

The study was prepared by Commercial Industrial Builders of Lubbock. Here's what they said:

## Recommendations

**Elementary facilities:** The elementary classes are scattered in 3 different facilities and are also in need of additional classrooms. To eliminate this problem, we recommend that Avenue G be vacated in order that the entire campus be tied together.

We also recommend that a 4 room facility be constructed adjacent to the existing facility. A covered walkway to the junior high would give you a contiguous facility with greater flexibility.

There is also a need for an activities facility for the elementary grades that could be satisfied with the construction of a new varsity gym and the subsequent conversion of the existing competition gym to the junior high facility. This would, in turn, free the facility adjacent to the junior high school facility for use by the elementary grades.

**Junior High facilities:** The junior high facility seems to be in the worst need of repair and remodeling. Classrooms are too small and do not have adequate storage space that generally is provided for with closets or cabinets.

If you determine to add the new classrooms to the junior high facility, you should also consider some remodeling of a few of the classrooms to enlarge them. The remodeling should also include added teacher workrooms and private restrooms.

Another option is to completely remodel the existing junior high facility with a premium 20-year weather-tight warranted roof, replacing the heating and air conditioning units with new energy efficient units, installing new windows and adding 4 new classrooms. This would cost between \$600,000 and \$850,000.

A new 21,000-sq.-ft. facility would cost about \$1,100,000. This type of new facility would save you money in maintenance, insurance and utility costs and should be much more utilitarian.

**Utility lines:** Because of the age of some of the utility lines, some of the existing gas and water lines are in poor shape. You need to expect more problems with your utility service. Replacing

these lines typically cost from \$4 to \$5 per lineal foot.

**Energy management:** There are 3 areas to consider that make a major impact in energy management: window area, insulation and mechanical systems:

**Window area -** In this area, it is recommended that the glazing area per classroom on the north exposure be about 50 square feet, with 30 square feet on the other sides.

Consider that if you classroom was 32 feet long, that would allow you 1 foot band of glazing on the south, east and west and less than 2 foot band on the north. Of course, there are more considerations besides just area of glazing: such as shading and elevation from floor. But the area is of most importance.

**Insulation -** It is recommended that the roof have an R-value of 19 and the walls of 11. The walls most likely have an effective R-value of 11. But because of such large masses of windows, the average of the cumulative walls is closer to half of the wall value. Because of the shape of your roofs, it is likely that your roofs have less than the recommended in the walls.

**Mechanical systems -** It is recommended that all mechanical systems be rated by seasonal energy efficiency ratio of at least 10. Most of your units would rate about 7. As few as 6 years ago, the standard unit installed would be rated at 7. The higher efficiency units were just not available.

Taking all these factors into consideration, it is not un-

(Continued on Page 2)

# Only one week to go

Football fans - only one week to go!

Next week, the 30th annual Area Merchants Football Contest will start.

This is when area prognosticators probe the sports columns, read the charts and check with their favorite arm chair quarterbacks.

In order to have a strong chance at the grand prize, it's important to enter every week. So be sure to watch for the first week's contest, starting Sept. 9.

The top prize for the winner of the 12-week contest will again be two tickets to see the Dallas Cowboys play at Texas Stadium. They play the Philadelphia Eagles on Dec. 18.

The grand prize winner will also get \$50 in cash, a night's lodging for two at the Dallas - Fort Worth Hilton hotel, free use of all recreational facilities at the Hilton, game day breakfast, two welcome cocktails, tour of Cowboys Center, transfers to and from the game, and transfers to and from the airport.

The recreational facilities include indoor pool, Nautilus center, indoor tennis courts, sauna, racquetball courts, etc.

And the reason the Tribune is able to offer the contest, the weekly cash prizes (\$10 for first; \$5 for second) is due to the following sponsors:

1. Security State Bank.
2. Sherley Anderson Pitman.
3. Sherley Grain, Lariat.
4. ENMR.
5. Farwell Insurance.
6. Friona Motors.
7. Farwell Farm Supply.
8. Franse Irrigation.
9. Farwell Feed Supply.
10. Citizens Bank (Texico branch).
11. Farmers Cooperative Elevators.
12. Excel.
13. C & H Equipment.
14. Kirkland Pump.
15. Oppliger Feed Yard.
16. Williams Fertilizer.
17. Farwell Drugs.
18. Nutri-Tech.
19. Tri-County Tires.
20. Target Fuel Stop.
21. Capitol Foods.

22. Lovelace Oil.
23. Dura Bilt.
24. Farwell Hardware.
25. Farwell Fertilizer.
26. Berry & Kirkland, CPA.
27. Bison RV Center.
28. Stuckey's.
29. Kelly Green Seeds.

30. Town & Country Insurance.
31. Holly Sugar.
32. Caprock Industries.
33. Jones Pontiac - GMC - Mazda - VW.
34. Wienerschnitzel.

Rules for the 1988 contest will be the same as in the past. A person must be at least 12 years of age to enter. Entrants must choose the 12 teams they think will win the selected contests.

Games will be divided among high school, college and professional ranks. In case of a tie game, unless a tie is predicted by the entrant, that game will not be counted.

Each entrant must remember to pick a tie-breaker score, a very important feature of the contest since many weekly winners (and overall winners) have also been determined by the tie-breakers.

The person naming the most games correctly each week will receive a check for \$10; the second place winner gets \$5.

Each week's scoring is tabulated and kept on record at the Tribune office. The standings are posted each Monday and may be seen during regular business hours.

All entry blanks must be turned in to the Tribune office by 5 p.m. CDT Fridays, or if mailed, must bear a Friday postmark.

It's very important that you enter each week's contest to have a strong shot at being the overall winner. Even if you never pick an 11 or 12 to take the weekly prize, you can take the overall prize with a consistent 8 or 9 weekly tally.

Entry blanks for the first contest will be in the Sept. 9 issue of the Tribune, and also at the Tribune office.

Obituaries

Nolan Atwell

Graveside services for Nolan Austin Atwell, 91, of Clovis were held on Aug. 25 at Mission Garden of Memories Cemetery. Rev. Bobby Atwell of Farwell officiated at his great uncle's funeral. Steed-Todd Funeral Home handled the arrangements.

Mr. Atwell died Aug. 21 in Clovis. He was born on Jan. 23, 1897 in Nudry, Ark. He came to Clovis in 1906. He was a miller and a member of the Baptist Church. He served with the U.S. Navy during World War I. He married Claudia Bea Russell on March 26, 1921 in Clovis.

Survivors include one daughter, Pauline Ledbetter, Pottsboro, Texas; four sons, David, Roswell, Maynard, Silagman, Ariz. Eugene, Santa Fe, and James, Oxford, Ark.; 1 brother, Bill Atwell, Novato, Calif.; 20 grandchildren and 14 great-grandchildren.

He was preceded in death by his wife, Claudia Bea Atwell on Dec. 24, 1976.

Letress Gibson

Services for Letress (Gibby) Gibson, 74, of Friona were held Aug. 31 at Calvary Baptist Church in Friona. Rev. Vergil Ichtertz officiated.

Burial followed at the Friona Cemetery. Ellis-Blackwell Funeral Homes handled the arrangements.

Mrs. Gibson died Aug. 28 at Clovis High Plains Hospital. She was born on March 17, 1914, in Hollis, Okla. She had been a resident of Parmer County since 1939, coming from Dodson, Texas. She married Thomas W. Gibson on Sept. 24, 1932 in Hollis. She was a housewife and a member of the Baptist Church.

Survivors include her husband, Thomas, of the home; two sons, Thomas G., Copeland, Kan., and Lee, Friona; four daughters, Sue Barrett, Amarillo, Joyce White, Farwell, Merlene Starks, Milton, Penn., and Linda Osborn, Friona; one sister, Doris Corbitt, Daltart; 23 grandchildren and 14 great-grandchildren.

The Texas Highway Department has begun making offers to buy land for added right of way on U.S. 60 in Parmer County.

The land is being acquired for the purpose of widening U.S. 60 to a 4-lane, divided highway.

The tentative letting date for the project is September 1989.

For more information, call Claude Kneisley, right of way supervisor, at 745-4411.

Harry Baker

Services were held for Harry Madison Baker, 60, on July 30 at the Steed-Todd Chapel.

He died on July 27 at Clovis High Plains Hospital. Burial took place at Texico Cemetery. Rev. H. E. Bergstrom officiated.

Mr. Baker was born Jan. 31, 1928 in Texico. He lived there during his youth, and graduated from Texico High School in 1946. Baker was a senior analyst leader for Dow Chemicals in Midland, Mich. He retired from Dow in January 1988 after 33 years of service.

He earned his M.S. in science from ENMU in 1961. He served 6 years in the U.S. Navy in Korea. He was a member of the Chemical Society of Midland, the Electron Microscopy Society, Microdeam Society, and two time winner of the prestigious V.A. Stenger Award. He was a winner of the Scientific Contribution Award.

He was also a member and instructor of the CPR Club Red Cross in Midland. Mr. Baker was also a member of the Fleet Feet Club.

Survivors include: 3 daughters, Michelle Eichenhoff of Bensalem, Pa., Cara Baker, Naples, Fla., and Heather Baker, Naples, Fla.; his mother, Mrs. Irene N. Baker, Clovis; two sisters, Harriet Magness, Clovis; Margery Fought, Las Cruces; two brothers, Frank Malone Baker, Santa Fe, and Emory Dale Baker, Silver City; two nephews and one niece.

Mr. Baker was preceded in death by his father Harry B. Baker.

Memorials may be made to the American Cancer Society.

'The Storm Has Arrived'

Farwell athletic department will be selling "Blue Thunder, White Lightning, The Storm Has Arrived" bumper stickers.

They may be purchased from athletic director Rex Cumpston for \$1 each.

Farwell school

realistic to expect a savings in energy costs of \$300 per year per classroom. In the elementary and junior high facilities, there are about 22 classrooms. That adds up to a savings of about \$7,000 a year.

Priorities for Repair And Replacement

1. Install new windows in elementary, junior high schools, administration building and home economics cottage: \$128,000.
2. Re-roof over all existing built-up roofs with MR-24 metal standing seam roof: \$517,150.
3. Remove and replace all existing heating and air conditioning units at the elementary school, junior high school and high school with new energy efficient units: \$253,000.
4. Install exit lights to conform to code requirements: \$9,200.
5. Remodel junior high: install new ceilings and lights in hallways, offices and restrooms and insulate ceiling. Remodel restrooms and build cabinets: \$69,500.
6. Replace exhaust hood in cafeteria: \$20,000.
7. Repair and resurface tennis courts: \$10,000.
8. Repair exterior walls, build stairway to storage and replace lighting with metal halide in elementary gym: \$51,000.
9. Install ventilation system and rework bleachers in varsity gym: \$24,000.
10. Remodel dressing rooms and weight room: \$90,000.
11. Remodel exterior of administration building and add two rooms inside and redo wiring: \$34,400.

GRAND TOTAL: \$1,206,250.

Potential Building Program

- Priorities and 1988 costs:
1. Add 4 classrooms to the existing junior high facility: \$325,000.
  2. Add 4 classrooms to the existing elementary facility: \$290,000.
  3. Build a new competition varsity gym, including equipment: \$630,000.
  4. Build a new bus barn and concession area: \$200,000.
  5. Build a new cafeteria

Garage, bake sale planned

The Assemblies of God Church in Texico will hold a garage sale and bake sale at the home of Orville Beavers, 421 N. Anderson, Texico Friday and Saturday from 8 a.m.-5 p.m.

They will have clothes, dishes, bicycles, lawn mowers, and bake sale items at the sale. Money raised from the sale will be used for the church beautification project

to accommodate all students: \$400,000.

The survey also included historical data.

It noted that 1986-87 enrollment was 503, and 1987-88 at 493, with 1988-89 projected at 532.

It also noted maintenance costs, which are high due to the age of the buildings and problems pointed out above. And these lead to higher insurance costs.

Here's what the survey said about the individual buildings:

The elementary school was built in 1958. Deficiencies listed included: roof leaks (bituminous portion of roof is badly blistered and cracking insulation partially water logged), lots of window area (lots of heat gain in summer and lots of heat loss in winter).

The junior high was built in 1951. Deficiencies listed include: both central heating unit and evaporative coolers need to be replaced; lots of window area; ceilings in teacher's lounge and hallways are in disrepair; roof leaks in a few locations; restrooms need to be remodeled including ceiling and lighting to meet handicap requirements and to be easily maintained.

Cafeteria was built in 1958. Deficiencies include: exhaust hood does not meet code; excess window space; rooftop heaters and evaporative coolers need to be replaced; roof leaks in a few locations.

High school was built in 1966. Deficiencies include: bad roof leaks, rooftop heating and cooling units in bad shape.

Band hall was built in 1976. Deficiencies include: stairs to loft in disrepair and bad roof leaks.

Varsity gym was built in 1954. Deficiencies include: ventilation system inadequate with large occupancies, bleachers difficult to operate, weight room needs new ceiling and lights.

Administration building was built in 1935. Deficiencies include: bad roof leaks.

Tennis courts were listed as "deteriorating rapidly."

In other business at the meeting, the board: - Approved the final amended 1987-88 budget of \$2,327,632. Of that, \$2,101,114 was for maintenance and operation, with the rest coming in

the form of state and federal funds.

The budget ended up about \$100,000 higher than first approved, mainly due to: 2 new portable buildings (\$40,000), a new van, carpeting, kindergarten room removal, partial payments for employee hospitalization policies, a substitute counselor (\$10,000), asbestos plan mandated by the federal government (\$6,000) and the facility study

(Continued from Page 1)

(\$5,000). - Discussed the football stadium. Two needs were pointed out: to blade the track, and to put some type of fence around the top of the bleachers for safety purposes. No decisions were made.

- It was noted that a traffic danger is being created by persons who double park their vehicles around the elementary and junior high buildings.

**PHILGAS**

**Why not take your family out for dinner tonight?**

When you cook on an LP-gas grill you can take your whole family out for one of the best meals in town. Right in your own backyard.

At the flick of a match you've got an instant cooking flame. And all the control you need to cook steaks, hot dogs, hamburgers, roasts, potatoes or just about anything - to perfection.

Weather is no problem, either. Because a portable gas grill rolls wherever it's most convenient.

Cooking outdoors instead of inside also helps keep your kitchen from heating up. So your home stays cooler in the summer.

A convenient, fast-starting LP-gas grill is just one of the many ways the versatile Philgas flame works for you around the house. Come in and find out all the ways Philgas can help you save money as well as work.

 Dr. Ivins' office will also be open, and so will Capitol Foods.  
 The following businesses and offices will be closed: the ASCS office, Farwell and Texico post offices, United Drugs, Security State Bank, Texico City Hall, Farwell City Hall, Farwell Clinic, the Farmer County Courthouse and Citizens Bank.

Texico's FFA booth won a blue ribbon at the Curry County Fair.

**Judy's travels**

(Continued from Page 1)

high school. They weren't rich either. When teachers have to bring their own toilet paper to school, you know it's not a wealthy district.

After awhile, it was on to Woodbridge, Va., for the suburbs of Washington, D.C. Here, everybody was wealthy, since they all worked for the federal government. Now we had two cars.

I'm getting tired just writing down the names of places we lived at. After Woodbridge, came Nebraska. Then it was back to Virginia, in the southwestern part of the state. And then Texico - Farwell.

Before deciding to come here, I had spent just 3 hours here, talking with John and Joann Getz and J.B. Sudderth. So it was a bit scary when I returned to Virginia to tell Judy and my kids that we were moving to the Texas - New Mexico border. But they stuck with me.

Obviously, I could tell some great stories from all these different places. But the important thing I wanted to stress was how appreciative I was of Judy following me through all these travels. It's not easy for a woman, with

children, to leave a familiar area for places unknown. That's scary. And we just didn't do it one time.

As I said, most women wouldn't. They want the security of a family and a home where they were raised. Those were items I couldn't provide.

So thank you, Judy, for sticking with me during my successes - and my failures - of the past two decades. I kept my promise, didn't I?

\*\*\*

The Muleshoe Journal reported that Lee Horsley, who made his mark as TV's Matt Houston, will be in a new TV western series, "Paradise" soon.

Horsley, born in Muleshoe, has relatives in the area.

The Alzheimer's Support Group will meet at 7 p.m. on Sept. 7.

It meets the first Wednesday of the month each month. Anyone with a friend or family member with Alzheimer's Disease is welcome to attend.

**Teachers learn about U.S. Navy**

By special invitation of the U.S. Navy Recruiting District, Albuquerque, Kendale Burch and Paula Leighton of Texico, were among a group of counselors and educators given the opportunity to experience life in the Navy for six days recently.

Their agenda included a tour of Naval Air Station, North Island, Calif.; a Recruit graduation Ceremony at Navy Training Center, San Diego; a tour of various submarines and ships, including the aircraft carrier, USS RANGER.

On the third day of the orientation visit, they and

other educators visited different service school commands operated by the U.S. Navy that train new sailors in their Navy jobs. Schools visited included radioman, machinery repairman, mess specialist (Navy cooks), data processing, interior communication specialist and the Seaman Apprentice School. Educators also had the opportunity to visit a recruit company already in training.

Mrs. Burch is a Government teacher at Texico High School, and Ms. Leighton is a reading teacher with the Texico School District.

# Wolverines fall in last minute

By Janice Jenkins

The Estancia Bears overcame many obstacles Saturday night in Wolverine Stadium to claim a narrow 18-13 victory over Texico when Billy Newsom hauled in a 10-yard TD pass from quarterback Sean Murray with only 41 seconds left.

Estancia, a Class 2-AA team, had engine trouble with their bus on the trip here. A Texico staff member took a Wolverine bus to Ft. Sumner to pick up the Bears team. So the start of the game was delayed 15 minutes due to that.

Estancia defeated Texico 26-0 last year, so the closeness of this match shows the Wolverines' great improvement.

The game was played in a steady stream of drizzle. The game marked the debut of new Texico Head Coach Curt Cook, who was junior high grid coach last year, leading that group to a perfect season without losses.

Estancia held the Wolverines scoreless in the first two quarters while the Bears' offense picked up a 45-yard scoring jaunt and a 57-yard scoring run to take a 12-0 lead at halftime. Murray scored the first TD and Bobby Sutherland the second. Both PATS were unsuccessful.

Texico's Keith Harrison delighted the home crowd by taking the second half kickoff all the way to the 12-yard line. Robbie Edwards scored from a yard out with 7:36 left in the 3rd quarter, capping a nine-play drive. The PAT failed.

The score stayed at 12-6 until Harrison caught an 8-yard toss from quarterback Larry Powell with 3:13 left in the game. Powell kicked the extra point as Texico took the lead.

But Estancia took the kickoff and marched upfield, chewing up precious time off the

scoreboard clock. And with less than a minute to go, the Bears scored the winning markers.

The Wolverines' offense netted 114 total yards with 99 accumulated on 37 rushing attempts and 15 coming on 3 of 7 pass completions. The defense recovered three Estancia fumbles, with Harrison grabbing two and Paul Brown one.

Harrison caught 2 passes for 16 yards. Edwards paced the rushing attack with 67 yards on 21 tries. Lance Akers posted 31 yards on 10 attempts. Powell ran for 8 yards on 4 carries.

Estancia had 217 total yards, with 155 coming on the ground and 62 in the air on 2 completions.

Texico was penalized five times for 30 yards; Estancia 5 times for 45 yards. Powell punted 4 times for 114 yards.

Brown was named the outstanding defensive player; Edwards the top offensive player, and Harrison won the Special Teams Award.

The Wolverines will travel to Cloudcroft Saturday with kickoff set for 7:30 p.m. MDT.

The Texico Wolverine Football team for 1988-89 includes: (front) Joe Pierce, Berry Foreman, Byron Martin, Chad Dunsworth, and Greg Akers; (middle) David Johnson, Rusty Foreman, Mark Holmes, Robby Hall, Hector Orozco, Josefe Gonzales, Kenny Shaw, Tom Devorion; (front) Steve Larado, Ricky Hernandez, Warren Martin, Lance Akers, Dwayne Hamilton, Paul Brown, Keith Harrison. Not shown are: Robby Edwards, Jason Longo, Larry Powell, Benji McDaniel, Scott McCreery, Mike Williams.

## Workshop set

ENMU- Clovis Community Services will offer a Master's Dance Workshop on Sept. 3 from 2-6 p.m. MDT at the Town Hall. The workshop will provide students, ages 12 through adult, an opportunity to study with Leonid Lubarsky, artistic director of Ballet Lubbock.

Lubarsky will appear in the Clovis Music Festival performance of "An Evening on Ballet" Sept. 2. He is a graduate and former principal dancer with the famed Kirov Ballet in Leningrad.

The Workshop will include demonstrations of method, theory, and training technique. Anatomy and injuries will be discussed with demonstrations of preventative training and exercises. Students are welcome to either participate in demonstrations or observe the class. No previous dance experience is required to attend the workshop.

Registration will be Sept. 2, from 8 a.m. to 4:30 p.m. in the ENMU-Clovis Office of Admissions and Records, Room 126, and Sept. 3, from noon to 1 p.m. in the Town Hall foyer. A \$10 registration fee will be charged.

## Chamber asks city to barricade tracks

The Farwell Chamber of Commerce voted Tuesday to send a letter to the Farwell City Council urging that the highway be barricaded next to the Santa Fe Railroad tracks.

During the discussion, it was stated that the deteriorating condition of the tracks was injurious to the personal property (vehicles) of Farwell residents and that action needed to be taken.

One member said an act of civil disobedience was needed to get the attention of the authorities.

If the tracks are barricaded, then traffic could be detoured to another street.

For quite some time, repair of the tracks has been expected. Funds have been appropriated by the New Mexico and Texas highway departments and the railroad. But predictions of when the repairs would take place have turned out incorrect.

During the discussion, one member said he heard that Oct. 22 would be the starting date for repairs. Another said the problem was that the railroad officials now wanted the tracks raised higher than they are now. Another said Farwell was not on the list of work to be done.

In other business, Chamber secretary Dutch Quickel said several people had suggested to him that the Chamber sponsor a Past Fashions show during the winter. Quickel said it could be held in the Farwell Community Center and talked of the areawide publicity the Chamber could provide for it.

Peggy Haseloff has put on the show during Border Town Days the past two years. She was asked to return to another meeting with an estimate of costs that the Chamber would be needed to handle.

Chamber member Mike Pomper told Mrs. Haseloff that at the last Border Town Days Committee meeting some members had suggested that her Past Fashion Show be held at the gazebo in the park as part of the Saturday activi-

ties. She said she would be amenable to that.

Quickel talked of the need for increasing Chamber membership. He said Farwell, with 1,490 residents, has 40 Chamber members while Friona, with 3,300 residents, has 303 Chamber members.

Quickel said he and the Friona Chamber manager have discussed the possible formation of a Parmer County joint promotion group, including all the county's cities and rural areas.

Pomper said that due to the expenses involved in such a group it would be better to let the county commissioners set it up.

Farwell Junior High cheerleaders participated in two cheerleading camps this summer. Shown are Shelly Bethel, Sharla Lingnau, (back) Jill Actkinson, Amber Grigsby, and Angela Cenicerros. Christi Phillips was absent.

## Spirit stick won

Farwell Junior High cheerleaders attended two camps this summer.

The first was held in Clovis June 23-27. The Yearling cheerleaders won the spirit stick and ribbons for the best jump at this camp. The second was a one day

camp at West Texas State University on Aug. 13.

This year's junior high cheerleaders include: Christi Phillips, Jill Actkinson, Amber Grigsby, Angela Cenicerros, Shelly Bethel, and Sharla Lingnau. Pat Owen is the sponsor.

## Recipe of Week

### Chunky Brownies

- 1 1/4 c. unsifted flour
- 1/4 c. sugar
- 1/2 c. cold margarine or butter
- 1 can Eagle Brand sweetened condensed milk (not evaporated milk)
- 1/4 c. unsweetened cocoa
- 1 egg
- 1 tsp. vanilla extract
- 1/2 tsp. baking powder
- 1 (8 oz) bar of milk chocolate chopped into chunks
- 3/4 c. chopped pecans

Preheat oven to 350 degrees. In medium bowl, combine 1 c. flour and the sugar. Cut in margarine until crumbly. Press firmly on bottom of 13x9" baking pan. Bake for 15 min. Meanwhile, in a large mixer bowl, beat sweetened condensed milk, cocoa, egg, remaining 1/4 c. flour, vanilla and baking powder. Stir in milk chocolate chunks and nuts. Spread over prepared crust. Bake for 20 minutes, or until center is set. Cool. Sprinkle with confectioners sugar, if desired. Store tightly covered at room temperature. Makes 2-3 dozen.

## Watch out for aflatoxin

Texas Department of Agriculture officials today cautioned livestock producers in North and East Texas to be on the lookout for feed corn contaminated with aflatoxin.

"We want to stress that this is not an emergency," said TDA Assistant Commissioner Richard Lowerre. "If producers follow normal precautions, they shouldn't have anything to worry about. But some corn with high levels of aflatoxin has been found and we think producers need to be aware of the dangers."

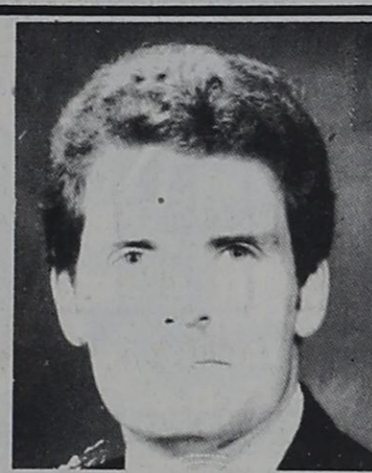

Aflatoxin is a carcinogenic mold found in some agricultural products, including corn and peanuts. So far, the problem seems to be limited to grain in Northeast Texas.

The TDA officials said the situation does not appear to be bad enough for farmers to demand aflatoxin testing on all corn, but instead, urged that farmers buy from reliable dealers.

"Right now, I think the best thing to do is buy from a reliable grain warehouseman who uses proper drying techniques," Tarrant said. "And I don't think I can stress enough that the worst thing to do is buy right off the field."

## Sheriff's Report

Here is the weekly report from Parmer County Sheriff Bill Morgan:

Joe J. Duran, 19, Friona was arrested by the Friona police on a charge of credit card abuse. He appeared before Justice of the Peace Albert Smith. Bond was set at \$2,000. Case is pending before the grand jury.

In 287th District Court, two pleas were made:

On Aug. 30, Ronnie Melton, 21, Friona pled guilty to two counts of unauthorized use of a motor vehicle. One charge was dismissed. He received a sentence of 2-5 years in the Texas Department of Corrections.

On Aug. 31, Don Heiar, 23, Wichita, Kansas pled guilty to

the charge of violation of probation received on the original charge of burglary of a habitation. His probation was continued with two additional years added.

## Kirkland scores his second ace

Jack Kirkland had a hole in one at the Farwell Country Club Monday.

He used a 5 wood on the 193-yard No. 2 hole to achieve the feat, the second of his golfing career.

Witnesses were Jim Berry, Chris Fontanilla and Rick Ketcherside.

# Boeve, Vaughan marry

Diana Kay Boeve, of Ft. Collins, Colo., and Byron Vaughan, of Ft. Collins, exchanged wedding vows July 30 at the First Presbyterian Church in Leadville, Colo. Dr. W. Austin Van Pelt officiated.

Diana is the daughter of Earl Boeve, of Leadville. Byron is the son of Mr. and Mrs. LaVerne Vaughan, of Earth, Texas, and formerly of Farwell.

The matron of honor was Mrs. Michele Neuenkirk, of Leadville. Best man was Eric Vaughan, the groom's brother, of Earth. Ushers were Devin Vaughan, the groom's brother, of Earth, and Steven Stancell, the groom's brother-in-law, of Farwell.

The pianist was Mrs. Sharon Beach and Cecil Tapey who was vocalist. They played "Sunrise, Sunset" and "We've Only Just Begun."

The bride's degree was ivory satin, with a fitted bodice with open lace yoke over English net and Victorian neckline, streamlined short puffed sleeves and a slim skirt with a small bustle train. The long veil was attached to a ring of ivory silk flowers.

The bouquet was apricot, teal and white silk flowers intermingled with baby's breath tied with apricot and teal ribbons. The bride wore pearl earrings, necklace of gold chain with a single pearl in cage pendant.

Her attendants wore waltz length apricot, full gathered skirts with wide ruffles, fitted bodice, spaghetti straps that criss-crossed in the back, carried a lovely basket made by Mrs. Loyd Vaughan, aunt of the groom. The basket was filled

with apricot, teal and white silk flowers accented with baby's breath and apricot and teal ribbons.

The reception was at the home of Earl Boeve, the bride's father. A cookout was held on the patio with barbecued elk, tables laden with an assortment of fresh fruit, raw vegetables, dips and salads.

The cake was served by Mrs. Sandra Dycus, of Leadville, the bride's sister. The punch and coffee were served by Mrs. Linda Kish, of Parsons, Kan., the bride's sister. The registry was handled by Mrs. Elaine Stancell, of Farwell, the groom's sister.

Inside the atrium was served a 2-tiered wedding cake. Top tier was chocolate and bottom tier was white, all covered with white icing with teal and apricot decorations. Coffee, punch and ice cream were served with the cake.

After a wedding trip to Denver, the couple is at home in Ft. Collins. For the trip, the bride wore a cream silk two-piece dress. In the middle of September, the couple will move to East Lansing, Mich., where Byron will do post-doctoral work at Michigan State University in the crop and soil science department.

The bride is a 1982 graduate of Lake County High School, Leadville, where she was in the choir, National Honor Society, Thespian Club and Art Guild Club. She has been attending Colorado State University, Ft. Collins, where she was in the National Honors Club, Alpha Zeta, and Horticulture Club.

The groom is a 1979 graduate of Springlake-Earth High School and a 1983 graduate of West Texas State University, Canyon, Texas. In 1985 he received his master's degree from the University of Illinois, Urbana, Ill. Since 1985 he has been attending Colorado State University where he is presently completing his Ph.D. At all three universities, he was a member of Alpha Zeta, American Society of Agronomy and the Agronomy Club.

Guests from out of town included the groom's grandmother, Mrs. Robert O'Hair, of Earth; the groom's aunt, Mrs. Doyce Waddell, of Lazbuddie; the groom's great-aunt, Mrs. I.M. Holt, of Rosemead, Calif.; the groom's aunt and uncle, Mr. and Mrs. Loyd Vaughan, of Dimmitt; Mr. and Mrs. Mike Custer and Shawna, of Ft. Collins, and Mr. and Mrs. Ken Barbarick and children, of Ft. Collins.

Mr. and Mrs. Byron Vaughan

Mr. and Mrs. Tony "Buck" Autrey

## Wedding vows told

Mr. and Mrs. Jerry Haley, Muleshoe, announce the marriage of their daughter, Stacey Dawn to Tony "Buck" Autrey, son of Mr. and Mrs. Ray Autrey, Texico. The couple exchanged vows in Farwell on June 16.

The bride is a 1988 graduate of Muleshoe High School, and the groom is a 1988 graduate of Texico High School. The groom is now in basic training for the U.S. Navy in San Diego, Calif. The bride is staying in Muleshoe until he has completed his basic training. In September they will be moving to Michigan where he will continue his training.

## Rogers enrolls at NMMI

Brian A. Rogers, son of Robert A. and Judith B. Rogers of Texico, has enrolled as a junior in high school at New Mexico Military Institute.

two year junior college with an enrollment of about 900. Junior college graduates who meet the requirements of the ROTC contract program are granted an Army second lieutenant's commission along with their Associate in Arts degree.

NMMI is a state-supported, coeducational, 4-year college-preparatory high school and

## The Latest

Lenton Pool, a former Farwell resident now living in High Point, N.C., fell Monday and broke his left hip. He underwent surgery Monday afternoon at the High Point Regional Hospital and will be confined to the hospital for about 10 days. It is expected that he will have to be in a recovery home for about 3 months. The address for Mr. and Mrs. Pool is 1712-C No.

Centennial, High Point, N.C., 27260.

\*\*\*

Judy and Rob Pomper spent last weekend in the Dallas-Fort Worth area. They visited Judy's sister and brother-in-law, Mr. and Mrs. Rob Renslow, of Mansfield. Also visiting the Renslows were Mrs. Edwin Allen of Westmont, Ill., and Miss Jackie Allen of Houston.

## Blanton reports insect increase

Texas Agricultural Extension Service Agent-Entomologist Mike Blanton reports that the same pest, *heleothis zea* is called a corn earworm, a cotton bollworm a sorghum headworm or a soybean podworm depending upon the plant it has infested.

Some fields in our area have far more infestation than other fields have. And, the past two weeks have seen a great increase in the numbers of the insect. The decision to treat these pests with pesticides must be done on a field to field basis.

The treatment threshold for cotton bollworms is 6,000 to 8,000 small larvae per acre. For the most successful control, insecticide treatment should be timed to control small bollworm larvae less than 1/4 inch long.

**At the fair**

Amy Chadwick does some last minute primping before the steer show at the Curry County Fair.

**5 Steers score TDs**

Five different Farwell Steers scored TD's in last Friday's scrimmage against Morton while the defense held Morton scoreless.

Shawn Stewart, Monty Delgado, Clint Kelly, Jeff Atkinson, and Darren Haseloff each scored once.

"We scored twice against their first group from out in the field, and three times from the goal line," said coach Rex Cumpston.

"Defensively, we played well. There were some excellent runs, and good pass defense. Offensively, we did a lot better than we did the week before."

**Atwell tallies for Farwell JV gridders**

Farwell's Junior Varsity outscored Morton's JV when they squared off last Friday for a scrimmage. The only TD of the night was scored by Farwell's Brad Atwell.

"Offensively, we were able to move the ball," said athletic director Rex Cumpston.

"Defensively, we were out of place some of the time, but we really showed progress. We have only had scrimmages with other Farwell players, so it was hard to tell how they were doing.

The JV team meets its next opponent, Springlake-Earth, here on Sept. 1 at 6 p.m.

**Race winner visited**

Frances Webb visited East Texas recently to spend some time with Helen Webb, Franklin Webb and Leona Webb Deere. While there, She got to see Franklin win his first stock car race. It was a 15-lap veteran street stock feature with three stoppages and a lot of bumpers tangled. But Franklin, of Mt. Pleasant, managed to avoid all the wrecks to claim his first feature win at Lake Cypress Speedway. He took command early in the race and won by the length of a car hood. About 2,500 attended and have loud applause for Frances, being from Clovis, and gave her a cap for the winning trophy. The Webbs were former farmers in Pleasant Hill and went to school at Texico.

# Harry Baker remembered

The following is a telegram sent to Harriet Magness and other family members and friends of Harry Baker. It was read at his funeral:

Harry Baker was a 1946 graduate of Texico High School. His accomplishments at Dow Chemicals were many.

To Harriett Magness, family, and friends of Harry Baker, I certainly regret being unable to attend the funeral, but would like to share with you my knowledge of a subject most of you probably know little about; namely Harry's professional career at Dow. I've known Harry for 22 years and worked closely with him for the last 15 years, so I believe I am qualified to discuss his career.

Harry started in microscopy at Dow when light microscopy was in the early stages of development, and almost nothing was known of transmission electron and scanning electron microscopy. He struggled to learn these difficult technologies and ultimately became Dow's foremost expert in transmission electron microscopy. He, more than anyone else, is responsible for the development of this highly-complex and useful science within Dow. It is because of his efforts that Dow presently has one of the finest industrial electron microscopy facilities anywhere. He developed more methods and solved more problems through electron microscopy than any other Dow microscopist.

He was a pioneer in relating polymer properties to the polymer microstructure revealed through electron microscopy. His firsts are indeed numerous. He was unique and innovative in his approach to difficult problems. He would try the techniques of the present when they failed to produce results, he would use his vast experience and skill to develop a new procedure which would solve the problem. He would persevere long after others had tried and failed. He taught us to keep trying and that no problem was too difficult. Through his efforts we learned that electron microscopy could be used to solve the most difficult industrial problems.

He was recognized throughout Dow as a genuine expert; folks with the most difficult projects would bring their problems to him. Dow twice awarded him the prestigious V.A. Stenger Award for excellence in Analytical Science. Through his problem solving he contributed significantly to his technology, to Dow's success, and to the improvement of society. He, with full justification, took great pride in his work. In this time of sadness, please take solace in the knowledge that Harry simply didn't live a life but was truly a contributor and leaves the world better off for his efforts. His career stands as an inspiration for others to follow.

Because he was an eager and willing teacher, we learned much from him, and he leaves us well prepared for future

## Letter To The Editor

challenges. The young folks only wish he could have stayed with us longer to benefit further from his deep knowledge and understanding of electron microscopy.

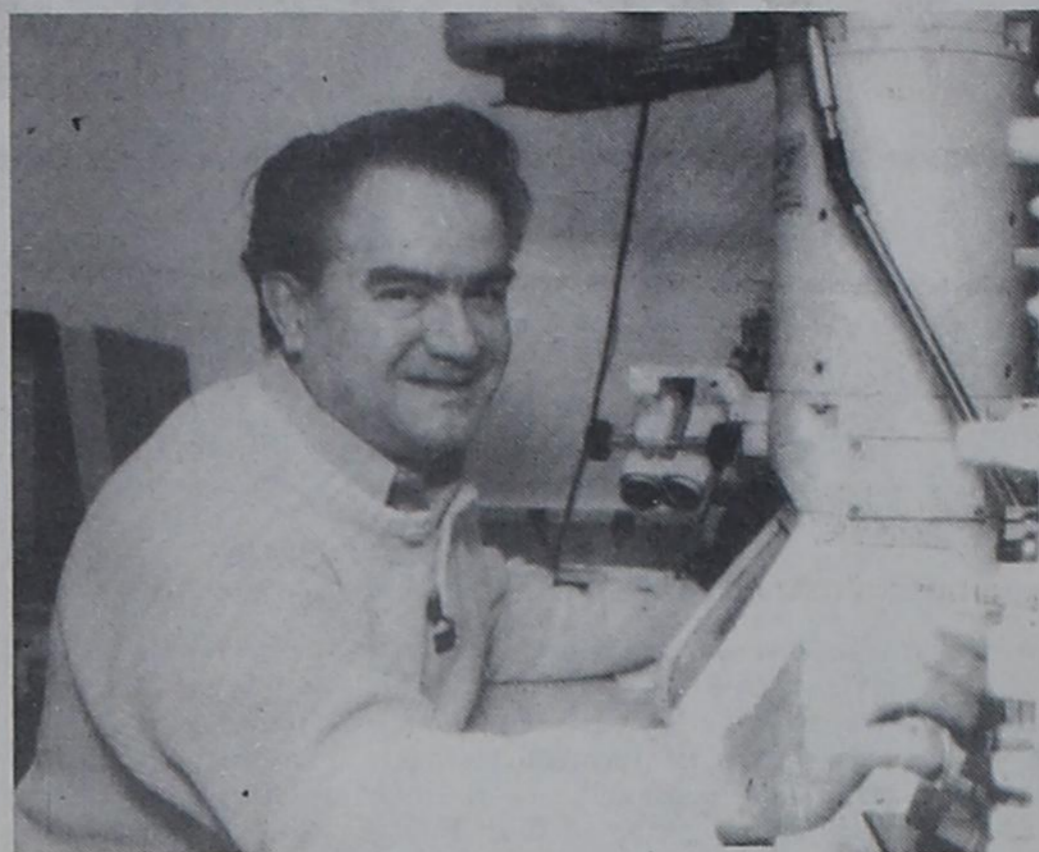

Harry worked hard and long to achieve his goals. He and I worked and traveled extensively together working for Dow. We shared many very long days of exhausting analyses in which Harry never tired and was always willing and eager to push a little further - the push that often spelled the difference between success and failure. He was an outstanding team participant; always eager to share, lead, work, or do whatever was required for the success of the group.

Leaving the workplace, Harry certainly loved the outdoors. We water skied, snow skied, rock climbed, and walked extensively through foreign cities together. I believe some of his most enjoyable and peaceful times were the many, early 5:00 a.m. hours we spent together skiing on the Tobacco River. Here, he frequently reminisced concerning his years in New Mexico, and there is no doubt that his heart remained with that country and his family and friends from the area. I know it must have been a great joy to him to be there during his last few months.

Let me say in closing to any of you that were close to Harry, that you should be very proud of his exemplary career. He took little and contributed much. His diligence and accomplishments should serve as an inspiration to all that knew him. I, and many others at Dow, benefited greatly from our professional association and personal friendship. We will miss his guidance and will certainly not forget the many years of warm friendship.

Very truly yours,

Don Beaman

Harry Baker

## Texico school enrollment down three from 1987

Texico's first day enrollment figures are very similar to last year's.

This year there were 431 enrolled on the first day; last year there were 434. Two years ago the enrollment was 425.

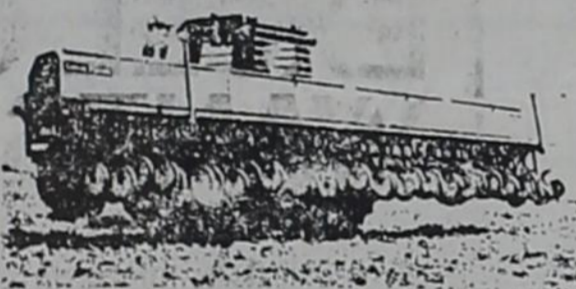

Enrollment was down in the elementary school. Last year

215 enrolled; this year only 202 did.

Junior high enrollment went from 86 in 1987-88 to 99 in 1988-89. Senior high enrollment is down from 133 to 130.

"We're off to a good start," said superintendent James Pierce.

### Notice to Bidders

The Parmer County Commissioners Court will accept bids until 10:00 a.m. September 12, 1988, at which time bids will be opened for a new car for use by the Sheriff's Department meeting the following specifications:

1 - 1988 or 1989 4 door sedan, no less than 114.3" wheelbase, V-8 engine, automatic transmission, conventional spare tire, air conditioner, tinted glass, 6" spot light on left side, Am-FM radio, cruise control, electric door locks, blue cloth interior, rear window defroster, electric window, tilt steering wheel, split front seat (60-40) or (50-50), solid white exterior.

Successful bidder must take in trade a 1984 Chevrolet 4 door sedan which can be seen by making arrangements with the Sheriff's Department at Farwell, Texas (806) 481-3303.

Bids should be mailed to Porter Roberts, County Judge, Box 506, Farwell, Texas 79325 or delivered to him in person at the Courthouse in Farwell, Texas prior to 10:00 a.m. on September 12, 1988, at which time bids will be opened.

The Commissioners Court of Parmer County reserves the right to accept or reject any or all bids.

By order of the Commissioners Court of Parmer County.

Porter Roberts  
 County Judge

### Public Notice

A budget hearing will be held on September 12, 1988, at 5:00 p.m. for all interested citizens of Parmer County. The following budget is proposed for the fiscal year of 1988.

The total budgeted expenditures are expected to be: \$2,164,915.66

The meeting will be held at Farwell, Texas in the County Courtroom for the purpose of discussion of the proposed budget. The proposed budget may be exam-

ined on week days in the County Judge's office during regular business hours. All interested citizens will have the opportunity to give written and oral comment. Senior citizens are encouraged to attend and comment. Handicapped persons needing assistance or aids should contact the County Judge's office before the meeting.

Porter Roberts  
 County Judge

### STATE OF TEXAS TO: ISRAEL REYNA GREETINGS:

You are hereby commanded to appear and answer before the Honorable District Court, 287th Judicial District, Parmer County, Texas at the Courthouse of said County in Farwell, Texas, at or before 10:00 o'clock a.m. of the Monday next after the expiration of 20 days from the date of service of this citation, then and there to answer the petition of Drusilla Gomez Reyna, Petitioner, filed in said Court on the 17th day of February, 1988 against Israel Reyna, Respondent, and the said suit being number 6175 on the docket of said Court, and entitled "In the Matter of the Marriage of Drusilla Gomez Reyna and Israel Reyna and In the Interest of Mary Jo Reyna, a Child", the nature of which suit is to request a divorce.

The Court has authority in this suit to enter any judgment or decree dissolving the marriage and providing for the division of property which will be binding on you.

Issued and given under my hand and seal of office of said Court at Farwell, Texas, this 22 day of August, 1988.

Marjorie Watkins  
 Clerk of the  
 District Court of  
 Parmer, County, Texas

**Combest visits**

Congressman Larry Combest kicked off his re-election campaign with stops in several towns in West Texas including Farwell Tuesday. He invited constituents in each town to have a glass of lemonade with him and to chat with him about the issues. Shown here is Combest with Tom Nichols and Mrs. Sharon Combest.

Democratic Congressional candidate Gerald McCathern made a whistlestop visit to Farwell Monday. The candidate brought his own train car with him.

**McCathern makes stop**

Democratic Congressional candidate Gerald McCathern came to Farwell Monday with his "Truman Special" caboose to make a whistle stop visit. McCathern stressed the fact that Republican Congressman Larry Combest turned down McCathern's offer to engage in a series of debates during the campaign.

He also pointed out the fact that he had not accepted contributions from political action committees while his opponent had received large contributions from PACs. "I want to represent the people in this district. I don't want to be told what to do by special interest groups who have contributed to the campaign," said McCathern.

**Texico outscores opponents**

Texico hosted an all day volleyball scrimmage with E-lida, Grady, Fort Sumner, Floyd, and Texico Saturday.

"Like any scrimmage, it was mainly to find out the strengths and weaknesses in our team," said coach Michael Littlejohn. "We held our own against the other teams."

This year's Lady Wolverine volleyball team is shorter and younger than last year's team was. Coach Littlejohn had several positions to fill on the squad before Saturday's scrimmage.

Texico outscored opponents all day, and beat teams that had beaten them last year. "I was really pleased with the serving and passing," said coach Littlejohn.

Littlejohn also used the scrimmage as a time to ana-

lyze the opponents' strengths and weaknesses so that he can teach his players what to expect in a real game situation. The scrimmage helped Littlejohn formulate his lineup for the fall season.

The 7, 8, 9, and 10th grade volleyball players will play at Marshall Junior High in Clovis on Sept. 6 at 4 p.m.

The varsity next plays in the Cloudcroft tournament on Sept. 10.

**Guest of honor**

Mrs. Rex Brown was the guest of honor at a tea held in her honor in the home of Mr. and Mrs. Steve Breckenridge by the Texico-Farwell Rotary Club Wednesday. Mrs. Brown is the wife of the Rotary District Governor.

**Booster Club changes its meeting night**

Texico Booster Club will change its meeting night from Tuesday night to Monday night this year.

They will meet the first Monday of each month in the school library at 7 p.m.

"We need everybody we can get this year," said Syd-

ney Martin. "We hope everybody will come to the meeting."

The Booster club is planning to feed the Springer team on Sept. 30, and they will need help with the meal as well as other activities during the year.
