The Farwell Steers

'twas a super season

It was truly a great season for the Farwell Steers football team.

Going 11-0 - better than any other Farwell squad had ever done - then losing to a real powerhouse in West Texas High, showed a well-coached, skillful, competitive team.

It was no disgrace in losing to West Texas. Farwell was a 26-point underdog going into that area championship battle. And when you think that the Steers were 11-0 AND that big an underdog, it should tell you something about West Texas High.

West Texas High is the result of the combining of three school districts, and it's one of the largest Class 2 schools in Texas. Add to that some really skillful players, including a quarterback who is considered All-State.

I felt before the game that Farwell needed a couple of breaks to win. It didn't happen. The breaks went West Texas' way. But you can't take anything away from West Texas' win. They are a well-coached, well-disciplined team with a load of talent. I won't be surprised if they win the state title.

I also thought Farwell offered an excellent game. Coach Rex Cumpton did a superb job, gambling continually on 4th down plays, hoping to make something happen. He went all out to win.

The nucleus of the team will return, so next season should also be a stunner. But Farwell fans should thank the seniors for helping provide such an excellent season.

Now it's on to basketball - and we all know how the Steers did last year.

P.S. What really will make basketball exciting here is the fact that Texico will field two excellent teams this year, also. Don't be surprised if the boys and girls both end up in Albuquerque next spring, vying for state titles.

I'd like to thank J.R. Ivins for providing the photos of the Farwell Steers to the Tribune again this year.

He's an excellent photographer and muchly appreciated.

Longhorns capture area championship

The Lazbuddie Longhorns captured their Area Championship last Friday with a stunning 49-6 defeat of New Home at Smyer.

The win boosted Lazbuddie's record to 10-1-1. New Home finished at 9-1-1.

For the second year in a row, Lazbuddie will face the No. 1 ranked team in the state in the playoffs. The Longhorns will play top ranked Fort Hancock in Wink, Texas, at 8 Friday night.

"Fort Hancock is the No. 1 rated school in the state; they were last year's Six-Man champions," said coach C.W. Williams.

"They have all their starters back, and their defense looks really good," said Williams. After viewing a videotape of the Panther Creek - Fort Hancock game, Williams noted that the Fort Hancock players had good defense and they executed their plays very well. "They have a lot of confidence," he said.

Commenting about New Home, the coach said, "New Home was slow. We 'out quicked' them. We slowed

down their running back who was supposed to be really good."

Williams named Eddie Zamora as the offensive Longhorn of the Week and Doug Barnes as the defensive Longhorn of the Week.

In the first quarter, Lazbuddie scored twice. First, Michael Williams connected on a 40-yard TD pass to Doug Barnes. The kick failed. Then, Eddie Zamora ran for a TD from the New Home 41. Kevin McGehee caught a pass from Zamora for the conversion and Lazbuddie led 13-0.

The Longhorns really poured it in the second quarter.

Kirk Jesko scored on a 51-yard pass from Williams. The conversion pass failed.

Then Williams hit Jesko with a 7-yard TD pass. Luis Gonzales kicked the points after.

And the score was 34-0 in Lazbuddie's favor after Zamora plunged over from the 1; the conversion was good on a Gonzales run.

In the third quarter, Zamora scored on a 60-yard jaunt; the conversion run by Gonzales

was good and it was 42-0.

New Home got on the board in the final stanza when Coby James - who rushed 35 times for 160 yards in the game - scored from the 4; the kick failed.

The final score came from Casey Russell, on a 10-yard pass from Williams. Russell also scored the conversion point on a pass from Zamora.

Individual statistics:
Rushing - Zamora, 10 for 143 yards; Williams, 5 for 47; Jesko, 3 for 44; McGehee, 1 for 36; Matt Cozby, 3 for 28; Paul Williams, 4 for 23.

Passing - Michael Williams, 6 for 17 for 140 yards; Paul Williams, 1 for 5 for 6 yards.
Receiving - Barnes, 3 for 72; Jesko, 2 for 58; Russell, 1 for 10; Leland Brockman, 1 for 6.

Team statistics:
First downs - Lazbuddie 17, New Home 13; rushing - Lazbuddie, 26 for 321; New Home 43 for 176; passing - Lazbuddie 7 for 22; New Home 14 for 24; punts - Lazbuddie 1 for 50 yards, New Home 3 for a 27 yard average; penalties - Lazbuddie 8 for 80; New Home 8 for 92.

Steers stopped

After achieving what no Farwell football team ever had accomplished before - winning its first 11 games - the Steers' bid for a state title was spoiled in the Area Championship game by West Texas High, 21-6, last Friday.

West Texas, a consolidation of three schools, went into the game as a 26-point favorite over the 11-0 Steers. West Texas is now 12-0.

More than 2,500 fans saw the game at Canyon High School Stadium.

The Comanches were led by quarterback Greg Jones, an All-State candidate, who also made key defensive plays. The Steers started the game kicking off to the Comanche 20. West Texas gambled early, going on 4th and inches on its own 40; the QB keeper succeeded.

After a pass got the Comanches to the Farwell 40, the Steers got their only break of the game: recovering a Comanche fumble after a screen pass on the Steer 31. West Texas fumbled four times, but this was the only Steer recovery.

A pass from Greg Actkinson to Chad Byrd gained 15 yards but the Steers were stymied. They punted and West Texas took over on its 36.

West Texas moved quickly downfield and scored on a 2-yard plunge. The kick was good and West Texas led 7-0 at 2:56 of the first quarter.

Farwell took over at its 21. A pass from Actkinson to Shawn Stewart gained 32 yards. Then runs by Stewart and Actkinson and a pass to Haseloff, got the ball to the Comanche 7 as the first quarter ended.

Three runs only gained a yard. On 4th and 5, Coach Rex Cumpton took his first gamble. Eschewing the field goal, he had Actkinson go for it. A pass to Haseloff worked. The kick was blocked and Farwell was down 7-6 at 10:33 of the second quarter.

West Texas moved quickly again, scoring within 90 seconds. A diving catch of a 30-yard pass in the end zone allowed the Comanches to take a 13-6 lead. The kick, although tipped, was good, too.

Lambert guilty

A Parmer County jury Wednesday found Travis Gene Lambert guilty in the shooting of Bovina Police Chief Gary Coleman last July.

Lambert received the maximum sentence: 99 years in prison and a \$10,000 fine. He is expected to appeal.

Lambert, 24, of De Soto, Mo., was stopped by Coleman because the vehicle he was

driving had only one headlight working. A check of the license plate showed an irregularity.

After Lambert sat in the back of the police patrol car, he shot Coleman in the face.

Coleman shot Lambert in the leg as he fled. Lambert was apprehended atop a building.

Farwell Schools okay new tax

The Farwell School Board heard little opposition at the special tax hearing Monday to the proposition that tangible goods be taxed.

One individual voiced some concern: "I don't object to paying the tax (on vehicles) if they put everyone's on the roll. It's not fair if I have to pay it and my neighbor down the street isn't going to pay it."

Board member Steven Kaltwasser expressed a concern about the situation, but added, "If we don't put vehicles on the tax roll now, we won't be able to tax them later."

Member Ronald Byrd added, "I think our new city marshal or police chief will take care of it (enforcing the law)."

During the discussion that ensued, members pointed out that farm vehicles are exempt from taxation, and so are vehicles over 10 years old.

Board member Tom Nichols requested that board president Doyle Johnson write to the Department of Public Safety and to local law enforcement agents requesting that the tax be enforced.

Following the tax hearing, the board unanimously passed the proposition that tangible personal property including automobiles be taxed.

The board also discussed the taxation of freepoint goods. Freepoint goods are items which pass through an area, but are not kept there longer than 175 days. The board postponed action until they found out whether agricultural goods were exempt from this tax or not.

The board discussed the possible changing of the board meeting times, but the action was tabled.

The board passed a resolution requiring all administrative personnel to reside within the boundaries of the school district.

They also discussed, but did not pass an amendment to the budget for athletic and band travel.

The board also met Tuesday with Hank Wheeler, the consultant they hired to find a replacement for John Grigsby. He will be meeting with representatives of community groups.

Smith to resign JP position

The Parmer County Commissioners Monday received the resignation of Pct. 1 Justice of the Peace Albert Smith, effective Dec. 31.

Smith, 78, has decided to retire and not seek reelection next year. He has served in the post 10 1/2 years.

The commissioners likely will appoint a successor to Smith shortly. But they also discussed the possibility of eliminating one of the three JP posts in Parmer County.

Currently there are three JP positions: Pct. 1, Smith (Farwell); Pct. 2, Frances Euler (Friona), and Pct. 3, Bonnie Clayton (Bovina).

All three posts are part-time. The commissioners questioned whether they could just do with 2 fulltime JPs, one in Farwell and one in Friona. If this occurred, the JP districts would be split on a line through the Bovina area.

No decisions were made but more study will be given to it.

In other business, the commissioners met with the courthouse project engineer on

the proposed elevator. Tentatively, bids will be accepted in February.

The elevator will be built where the west door to the courthouse currently is. That door will be sealed off, so only the south door will be used as an entrance. (The north door is used for the sheriff's department.)

A letter was received from the state attorney general's office on the controversy over whether Parmer County has to pay the state \$1,500 as a settlement in closing the former Lazbuddie dump site.

The state says the county must pay; the county says the state officials said at the time (a year ago) they wouldn't have to if they acted promptly.

The state still insists on remuneration so the county instructed County Attorney Charles Aycock to offer \$500. If the two sides cannot agree on a sum, the state says it will sue the county.

The commissioners scheduled the annual hearing on continuing taxing tangible personal property for Dec. 22.

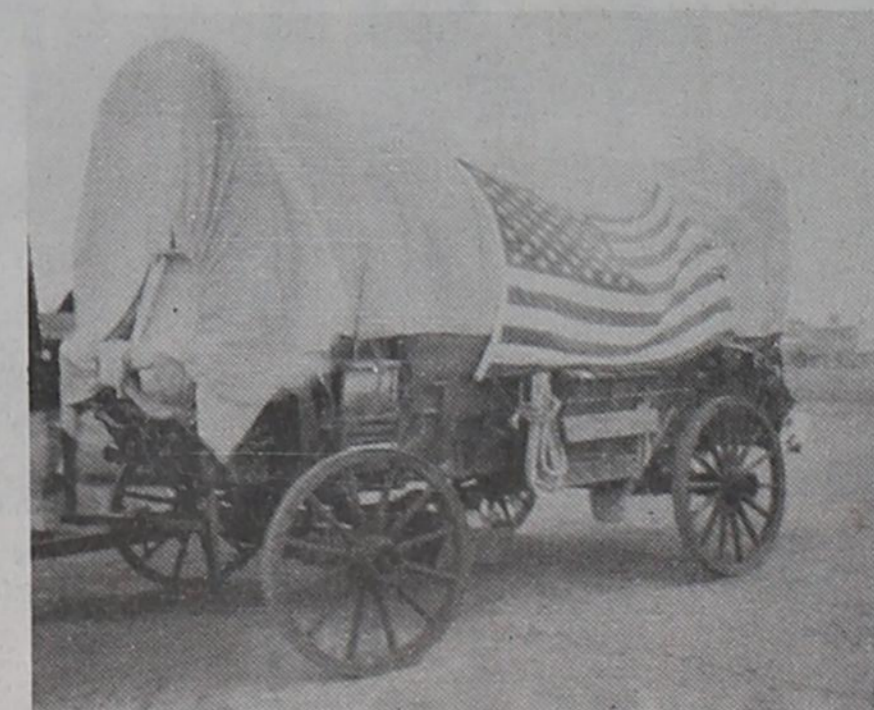

Covered wagon rolls into the Twin Cities

A group of 7 people led by Mr. and Mrs. Thomas De Marco of Ohio has been traveling across the country to California in a covered wagon.

They started out with a team of horses pulling the wagon, but later switched to an old tractor when one of the horses died.

The De Marco party spent the night at the Crossroads Motel in Farwell courtesy of the transient fund. The transient fund a joint project of two of the Twin Cities' churches. It is set aside to help needy travelers.

Anyone who would like to donate to the transient fund may do so by sending their donations to Rev. Rick Sullivan at the First Baptist Church or to Rev. Rich Stephens at the Hamlin Memorial United Methodist

Church. While they were in town, the group presented an assembly at Farwell Junior High. During the assembly they

showed off their wagon and old time equipment. The De Marco party is famous enough to have been featured in People Magazine.

Banter

The day of the Farwell playoff game against West Texas found Steer lineman Heath Dollar very ill. He played anyway. That took a lot of guts and he is to be commended for giving his best under adverse conditions.

The City Council of Clovis is considering legislation dealing with city employees and their ability to seek public office.

There's a local fella it might affect - Texico Mayor Steve Chancy, who is a Clovis firefighter.

If the legislation is passed, and it doesn't allow Chancy to seek public office, it will be too bad. I believe he has done a super job as mayor the past year.

The mayoral post and 3 council posts in Texico are on the March ballot.

Something really neat happened at last week's Texico - Farwell Rotary Club meeting: Harry Sheets, one of the club's charter members, was named a "Paul Harris Fellow."

This is quite an honor for a Rotarian to be cited in this way.

Congratulations, Harry (who also is known as the "Beneath the Sheets" cartoonist).

Is Christmas just around the corner? You bet it is!

Why, Santa Claus called me last week to say he has received his first request, from a little Texico girl named Kena.

"Dear Santa, "I want Barbie Stuff, a washer and dryer, and a watch."

Santa's mail drops at the Texico and Farwell post offices are now open - and ready for business.

We're just a month shy of the 3rd birthday for our little, ol' Texico - Farwell Printing operation.

I wouldn't have bet much when we started that we would still be in operation 36 months down the road.

I always get a kick out of showing visitors our press operation in our back room. While we have a state of the art computer operation in front for our newspaper business, we have an unstate of the art operation for our printing.

I really don't know how old our press is. Probably about 40 years (that's a lot newer

than our paper cutter which goes back about 70). All I know is that they don't make many parts for it - and there is no parts manual for it at the company headquarters (not a good sign).

But while it may not look pretty, it works! And it is still operational and doing better than ever. I can safely make that comment because I realize that when we started, as novices, our quality of work wasn't the greatest. So there is no question it's improved.

What I've especially enjoyed about our printing work is our ability to save local folks money.

For example, we did a job for Farwell Schools about a year ago that saved them over \$1,000. Considering the financial crunch they are in, I felt pretty good about it.

And two weeks ago, we did a job for a Farwell business, and saved them \$600. That was great.

Of course, we just average a couple of jobs a week. We don't solicit business outside our area. We just take care of folks in Texico, Farwell and Bovina. That's enough.

Anyway, as long as our ol' press keeps running, we'll stay in business with it. And if you get a chance, stop by the office and we'll be glad to show it off. They just don't make 'em like that any more.

Some statistics from the Texas Employment Commission:

In October, Parmer County had a civilian labor force of 6,324. Of that total, 6,160 persons were employed and 164 unemployed - for a meager 2.6 percent unemployment rate.

Bailey County's statistics showed 2,724 persons employed and 94 unemployed, for a 3.3 percent unemployment rate.

Well, this year's football contest is history.

Once again, we had a huge turnout - 610 entrants. That's a bunch of folks over the age of 12 here.

I'd like to again thank Dolly Villarreal and Ann Liethen (with Audrey Kittrell as backup) for faithfully bringing the ballots from the two schools each week.

And, obviously, we appreciate the sponsors who allow this fun event to be held each year.

A CHRISTMAS SAFETY CHECK

- Before hanging strings of lights, spread them on the floor and check for frayed or bare wires, cracked insulation, loose connections, and damaged plugs or light sockets.
- Check extension cords for wear or damage and don't run them across walking areas.
- Test lights before putting them on the tree. Unplug them before making repairs or replacing bulbs.
- Overloading circuits with too many lights can cause fire. Follow manufacturer's instructions about the number of lights allowed on one circuit.
- Never string lights on a metallic tree.
- Choose a fresh, green tree, trim its base and keep it in plenty of water. If the needles are brown and break off easily, it could be a fire risk.
- If you buy an artificial tree, make sure it has been tested for flammability by (Underwriters Laboratories (UL).
- Always turn off lights before leaving home or going to bed. You'll save money and be safer, too.
- Do not use inside lights on the outside. All outside lighting equipment, including lights, cords and plugs, should be waterproof and made for outdoor use. Also, hang sockets downward and don't leave a socket empty.
- When hanging lights on the rooftop or in tall trees outdoors, stay clear of electrical lines.

Steers

(Continued from Page 1)

Farwell was held and punted. The punt was short and the runback gave West Texas the ball at the Steer 15. Jones scored on a 10-yard run at 4:38. The kick was good and it was 21-6.

Farwell started on its 28. A pass to Clint Kelley was good for 15 yards. The Steers had 4th and 1 on its 38 when Cumpton gambled again, successfully. Actkinson kept for the first down.

But the Steers were stymied and punted with a minute left in the half. West Texas moved downfield and tried a 37-yard field goal with a tick left on the clock. But it was wide.

Starting the third quarter, West Texas was halted at its 42 and punted. The punt only

gained 7 yards.

Stewart ran for 15 to the Comanche 27. A pass to Stewart got the Steers to the 5. A 5-yard penalty put the Steers back to the 10 and a 4th down pass failed.

West Texas moved the ball to the Steer 4. But a 4th down pass in the end zone was batted away by Monty Delgado.

As the final period opened, the Steers showed their offensive prowess. Runs by Stewart, Kelley, Delgado and Actkinson, a pass to Haseloff, plus a penalty got the ball to mid-field.

On 4th and 13 on the Comanche 47, a pass to Haseloff was only good for 11 yards and West Texas took

over.

Kelley broke up a pass and West Texas punted to the Steer 17. A pass to Michael Arce gained 9. Then, off a fake punt, Delgado passed to Trent Schilling on a 4th down play - but it was two yards short of the first down.

West Texas gained 3 yards on 4 downs and Farwell took over on its 32 with 3:48 left in the game. On 4th and 10, an Actkinson pass to Kelley gained 16 yards.

Then Coach Cumpton tried some razzle dazzle. He tried the "flea flicker" where the ball is handed off to the running back, who pitches it back to the quarterback for a pass downfield. And a pass

was tried by the end on a reverse. Neither worked.

At 2:52, West Texas intercepted on its 17. West Texas controlled the ball until the end of the game.

Team statistics:

First downs - Farwell 15, West Texas 21; yards rushing - Farwell 86, West Texas 241; yards passing - Farwell 157, West Texas 163; punts - Farwell, 3 for 26 yard average, West Texas 2 for 21 average; penalties - Farwell 3 for 15 yards, West Texas 2 for 20.

Individual statistics:

Rushing - Stewart, 14 for 44; Actkinson, 9 for 25; Kelley, 5 for 9; Delgado, 4 for 8.

Passing - Actkinson, 12 for 28; Delgado, 1 for 1; Stewart, 0 for 1; Arce, 0 for 1.

Receiving - Haseloff, 5 for 40 yards; Stewart, 3 for 56; Kelley, 2 for 35; Byrd, 1 for 12; Arce, 1 for 9; Schilling, 1 for 5.

Coach Cumpton: "You never want to end the season on a losing note but I was certainly proud of the way our kids played

this year. We had possibly the best overall won/loss percentage of any team in Farwell football history.

"We played very well at times Friday night and had some letdowns. West Texas had a good ball team. I was very happy with our senior

leadership this year. These players did a good job.

"I would like to take this opportunity to thank all of the fans, band, cheerleaders, parents and everyone in the community for their support. We are looking forward to next year."

Whitesides, Gloyna exchange vows

Wedding vows were exchanged by Elva Louise Whitesides and Michael Lynn Gloyna Oct. 7 in St. John Lutheran Church, Lariat. Rev. Mac L. Bearss led the couple in their vows.

The bride is the daughter of Mr. and Mrs. Bill Whitesides, Farwell; the groom is the son of Mrs. Agnes Aitkin of Austin and Emmett Gloyna of Edna, Texas. The couple were married on the birthday of the groom's maternal grandmother, Helen Meissner of Lariat.

Escorted to the altar by her father, the bride was attired in a gown of ivory satin and alencon lace. The fitted bodice featured a sweetheart neckline and tulle sleeves overlaid with lace. Medallions of lace flowers, encrusted with pearls, graced the full gored skirt that fell to a chapel train. She carried a bouquet of red and white carnations mixed with English Ivy and offset with ivory and wine streamers.

Traditional wedding music was provided by church organist, Walter Koehler and members of the congregation joined in singing the marriage hymn, "Oh Perfect Love." They also sang The Lord's Prayer as the couple lit the Unity Candle.

Eric Drager served as acolyte. Ushers were Keith Heingartner, brother-in-law of the bridegroom, and Joe Haseloff. Allen Kalbas served as best man and Mrs. Belinda Ware was matron of honor. Mrs. Ware wore a wine, tea-length dress and carried a single wine-red rose. The groomsmen wore white tuxedos while the bridegroom wore an ivory tuxedo. Each wore a wine red boutonniere.

Following the ceremony, approximately 150 guests attended a reception in the Parish Hall of the church. The bride's table was overlaid with a wine taffeta and skirted with white net. Crystal and silver appointments were used to serve the three-tiered, fresh strawberry cake and punch.

Gold appointments were on the lace covered groom's table. The groom's cake was chocolate, decorated with a pheasant in flight. Friends of the couple presided at the tables as Ms. Kelly Simpkins of Clovis presided at the guest book. Many of the women of the Lutheran Church assisted in hosting the reception.

Following the reception, family members of the bridegroom gathered in the home of Mr. and Mrs. Wilbert Kalbas for a barbecue and fellowship.

The couple is now at home south of Farwell. The groom is employed in Muleshoe, and the bride is attending college at ENMU Clovis campus.

Marriage Licenses

There were six marriage licenses issued in Parmer County during the week ending Nov. 27.

They were issued to: Timothy Anson and Kristi McDonald; Bernard W. Mesman and Teresa J. Mesman; Je-

sus Manuel Larrea, Jr. and Rebecca Garcia; Glen Dale Hunter, Jr. and Marilyn Jean Couch; Ricky Morgan and Kimberly Ann Jones; Mark N. England and Katherine A. Usrey.

With heartfelt gratitude, we thank you for the many acts of kindness shown us during the loss of our loved one, O.T. (Buddy) Jones. The visits, calls, cards, food, prayers, and floral and memorial contributions did much to comfort and sustain us through this time of sorrow.

Sincerely,

Minnie Jones

Engagement told

Mr. and Mrs. Lee Dennis Jesko, of Lazbuddie, announce the engagement and approaching marriage of their daughter, Ginger Dianne, to John David Agee, son of Mr. and Mrs. John Neil Agee of Muleshoe.

The couple will exchange wedding vows on Jan. 6, 1990, at St. Ann's Catholic Church, Bovina, at 7 p.m.

Karen Lovelace presents program

Members of Alpha Rho Lambda chapter of Beta Sigma Phi enjoyed a program presented by Karen Lovelace on painting decorative collars at the home of Nedda Travis on Nov. 28.

The group also made plans for the annual pheasant hunter's breakfast which will be held on Dec. 9 at the Farwell Community Center.

The ladies also planned a social at the home of Joyce Ketcherside on Dec. 2 at 8 p.m.

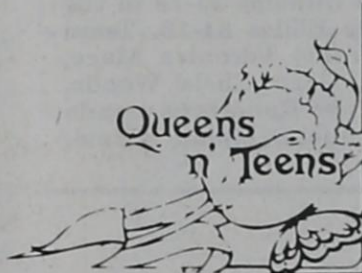

The annual Beta Sigma Phi Christmas Party will be held at the home of Anne Norton on Dec. 12. Members will bring gifts to send to Girls Town, an ornament to exchange, and an item for a food basket for a needy family. They will also exchange gifts with their secret sisters.

Enjoying the refreshments provided by hostess Nedda Travis and co-hostess Jennifer Bearss were: Leigh Ann Woods, Michele Kirkland, Anne Norton, Lynne Mahaney, Cynthia Thigpen, Nedda Travis, Joyce Ketcherside, Cindy Patterson, Colleen Stover, Peggy Goettsch, Rhonda Kirkland, Debbie Phillips, Judy Pomper and guest Karen Lovelace.

Colleen Stover won the evening's door prize. At an earlier meeting in November, the group enjoyed a demonstration of self defense by Carol and David Snider.

Rucker, Roberts tell vows

Mr. and Mrs. Bobby Roberts

Tasha Rucker, daughter of Mr. and Mrs. Johnnie Rucker of Texico, and Bobby Roberts, son of Mr. and Mrs. Jackie Roberts of Clovis, were united in matrimony on Sept. 29 at the First Church of the Nazarene of Clovis. Pastor Dan LaPaglia officiated at the double ring ceremony.

The bride chose an elegant satin gown by the designers of Biljoy Fashions. The gown, in a delicate shade of candlelight, featured an open V shaped neckline and full length sleeves. The fitted princess bodice was richly adorned with motifs of schiffli lace and encrusted with pearls and white iridescent sequins. The sleeves of satin were also decorated with the same delicate lace, pearls and sequins. The fitted basque waistline allowed the full ballgown skirt

to fall gracefully as it swept into the regal length train. The front of the skirt as well as the train were richly adorned with schiffli lace motifs encrusted with pearls and white iridescent sequins. Double candy box bows accented the back of the gown.

The bride selected a lovely headpiece of pearls, sequins and rhinestones. The sides of the headpiece were adorned with floral accents. A double illusion veiling fell from the back of the piece.

The bride attached a handkerchief that belonged to her great-grandmother, to her gown for something old, her gown and veil were something new. She wore a strand of pearls that were a gift from her father to her mother on their wedding day for something borrowed, and her garter was something blue.

The bride's cascading bouquet was created with white mums, peach roses, babies' breath, greenery, peach and cream streamers, and a string of pearls.

The groom wore a light grey tuxedo with tails which was complimented by a candlelight shirt, grey tie, and a petal peach boutonniere.

The best man was Don Roberts, brother of the groom. The groomsmen were Randy Chadbourne and Byron Mayfield. They wore light grey tuxedos with matching ties and cummerbunds.

The bride and groom chose two nieces for flower girls, Callie Rucker and Kristen Roberts. They chose Garrett Mayfield, nephew of the bride, as the ringbearer. He was dressed identical to the groom. They chose four other nieces

to pass out the rice bells. All six were dressed identical in petal peach semi-fitted ballerina length dresses with candlelight ballerina slippers and large peach bows in their hair.

Ushers were Rusty Rucker, Terry Rucker, Tim Paxton and Tony LaPaglia. Lisa Harrison and Monia Ann Potts registered the guests.

Tom Reed, organist, and Steve Eldridge, soloist, provided music for the wedding.

The reception was held in the Fellowship Hall. The bride and groom made their getaway from the reception in their wedding attire. They are now living south of Clovis.

Pheasant hunts sponsored

The Texico Booster Club and the Pleasant Hill Fire Department are both sponsoring pheasant hunts December 2-6.

For information about the Texico Booster Club hunt, call Barry Williams at 683-5434.

The Pleasant Hill hunt is already filled this year; they are not seeking any additional hunters.

"The bird population is down a bit this year, so we cut it off at 200 hunters. It gives everybody more room to hunt. We want to keep this a fun experience for the hunters," said Richard Kelley of the Pleasant Hill Fire Department.

The Pleasant Hill hunt will raise money to build a water tank for the Fire Department.

"Everything we do out here is for the community and the

fire department," said Kelley.

This year some of the Texico teachers will help patrol the hunting area and serve hot dogs for the Pleasant Hill hunt. Each hunter must have

a valid New Mexico hunting license. They are available in sporting goods stores.

Recipe of Week

Fried Pheasant

Remove legs and wings from a cleaned pheasant and cut the breast in half. Discard the back and neck. Allow the pheasant to soak in cold salt water for several hours (3 Tbs. of salt to a quart of water). This is to remove any blood clots that may be in the pheasant because of shot. Remove, rinse in cold water and dry thoroughly.

Place 2 slightly beaten eggs in a shallow dish. Mix 1 Tbs. of cold water with the eggs. Dip pheasant pieces into egg mixture, then roll each piece in a mixture of 1 c. flour, 1 tsp. salt, and 1/2 tsp. pepper. Dip each piece into egg mixture again, and then roll in fine dried breadcrumbs. Allow to stand for an hour or two in the refrigerator.

Melt enough lard in a heavy skillet to cover the bottom of the pan with 1/2" of grease. Brown the pheasant pieces carefully in the lard.

Place the browned pieces in a roasting pan with a cover. Pour 1 1/2 cups of cream over the pheasant; cover, and allow to steam in a 350 degree oven for about 40 minutes or until tender.

SPS files to lower its rates

Southwestern Public Service Company (SPS) has filed to lower the "fuel-cost recovery factor" on electric bills beginning Jan. 1, 1990, for its Texas retail customers.

This will have an overall effect of lowering electric rates 9.2 percent or \$42 million, for these customers.

The filing was made with the Public Utility Commission of Texas (PUCT), which regulates the fuel-cost portion of electric rates.

"This reduction, on top of our 4.3 percent rate decrease completed earlier this year, will make our service area even more competitive in attracting new industry and jobs," said SPS President and Chief Operating Officer Bill Helton. "We are pleased to pass on these savings to our customers. This new decrease is possible because of lower fuel and purchased-power expenses."

The cost of fuel to operate SPS power plants, plus the cost of power purchased from other companies, makes up about half of SPS's overall costs to serve customers. Electric utilities are not permitted to earn a profit on the cost of fuel or purchased power. Changes in these costs are passed on to customers.

In Texas, the fuel-cost recovery factor may be adjusted periodically by filing with the PUCT. In New Mex-

ico, Oklahoma and Kansas, SPS will pass on the savings through automatic fuel-cost adjustments.

"This decrease will make SPS one of the most competitive utilities in the state," said Helton. "SPS's average industrial rates already are lower than the averages for all regions of the country, using figures reported in 'Energy Users News.' This decrease will make our service

area even more attractive to current and prospective industries."

The amount of decrease will vary according to usage and rates applicable to different types of customers. Texas residential customers using 1,000 kilowatt hours a month on SPS's standard rate would see their monthly electric bills decline by \$4.87, from \$69.67 to \$64.80.

ENMR to offer 'Mail System'

ENMR Telephone Cooperative, recently installed switching facilities which will soon offer the first Electronic Voice Mail System in the region. Voice Mail will host a majority of services, beyond those now performed through the use of answering machines or services. Voice Mail is much more sophisticated than the traditional systems now offered on the market. Electronic Voice Mail offered through ENMR Telephone Cooperative, will omit the need to purchase additional equip-

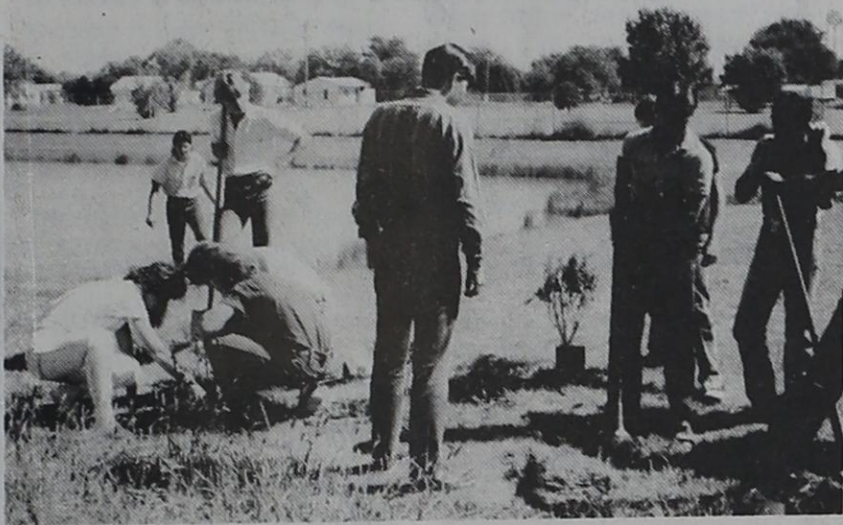

ment, as the service will be based on a monthly fee through the Cooperative. Voice Mail will instantly store telephone messages. These messages may then be retrieved at any time, from any location by the subscribers of this service. Electronic Voice Mail acts as a filing cabinet for stored messages. The subscriber may then continue to store the message, or void the message from the file. This service will especially benefit businesses as after hour calls

will be answered, and important messages will always be received. The Management team of ENMR Telephone Cooperative, visualized the necessity of Electronic Voice Mail Service in the areas served by the Cooperative. The man-

agement then brought the project before the board of directors. Upon their approval, ENMR ordered the equipment and began installing it. The Voice Mail System is now in the programming stages, with service expected to be offered soon to the public.

Farwell Elementary School Christmas Card Project

Dear Parents:

Farwell Elementary School is once again sponsoring the Christmas Card project.

For those not familiar with this, we are asking for a donation. In turn, we will place your name or your family member's names in the Christmas issue (Dec. 22) of the State Line Tribune, wishing all your friends and relatives in the area a Merry Christmas and a Happy New Year. It will save you the time and money that is usually spent on sending individual cards.

Farwell Elementary School will use your donation for records, film strips and VCR tapes, plus audio-visual supplies and computer software programs to be used by all of our children.

Below is a form for you to fill out and send back with your donation. We would like to have these back by Dec. 15.

Thank you for your support.

We would like to donate \$_____ to the Christmas Card project. This is how I would like for my (our) name(s) to appear in the State Line Tribune:

Texico FFA'ers attend confab

by Terry Whitener, reporter
and Todd Cash, vice-president

Six members of the Texico FFA Chapter attended the 62nd National FFA Convention in Kansas City, Mo., Nov. 7-12. More than 20,000 FFA delegates representing every state in the nation and the commonwealth of Puerto Rico were in attendance at the convention, which is the largest formal gathering of young people in the United States each year.

The Texico delegates who attended included Chad Barnes, Dwayne Hamilton, LaShona Foreman, Joe Pierce, Terry Whitener, and David Johnson. They were accompanied by Eddie West, chapter advisor, and Kay West, sponsor.

While in attendance at the convention, sessions, the group heard several famous speakers including Terry Bradshaw, former Pittsburgh Steelers quarterback; Mamie McCullough, a motivational speaker from Dallas who is a representative of the Zig Zigar Corporation; William Bennett, former U. S. Secretary of Education; Clayton Yeutter, Secretary of Agriculture; Ty Boyd, a nationally-known motivational speaker; Robert Swan, the first man to walk to both the North and the South Poles; and Ed Asner, the actor who played in the "Lou Grant" and "Mary Tyler Moore" television series. The members also saw and heard various talent performances from FFA members who represented their states in the National FFA talent show. In addition, National FFA officers gave their retiring addresses.

"We really enjoyed our unexpected tours of Kansas City," said Chad Barnes, jokingly. "Just one wrong exit on any of the numerous freeways can take you clear across the city."

During their "free" times, the Texico delegates also shopped at several large shopping centers, viewed the city from the top of the Hyatt Regency Hotel which is about

41 stories high; and shopped at Crown Center, a special tourist shopping area owned by the Hallmark greeting card manufacturer.

Enroute to Kansas City, the group toured the National Cowboy Hall of Fame in Oklahoma City and stopped at the world's largest McDonald's in Missouri, which is built across a six-lane toll highway. Coming home, the group toured President Eisenhower's boyhood home and Museum in Abilene, Kansas.

"It was an impressive experience that I'll never forget," commented LaShona Foreman after the group returned to Texico.

Lady Longhorns falter

The Lazbuddie Lady Longhorns lost to Witharral 60-42 on Nov. 28.

Leading the scoring for Lazbuddie were Jennings, 14, and Hodges, 11. The loss gives the Lady Longhorns a 1-3 record for the season.

Lazbuddie's Lady Longhorns lost to Dimmitt 79-24 Nov. 21.

Mia Jennings led Lazbuddie's scoring with 11 points. Lazbuddie now has a 1-2 record.

How would you feel
if someone asked
what you got for Christmas
and you had to say

nothing

Now imagine how bad you'd feel if you were six years old.

That's exactly how some kids are going to feel this year. They're in shelters, in children's homes, in hospitals, or in families who just can't afford Christmas.

And they'll get nothing for Christmas. Unless you help by becoming a Sunbelt Santa.

Just bring a new unwrapped toy to any branch of Sunbelt Savings where you see the bright red Sunbelt Santas banner between now and December 22. For the address of your nearest Sunbelt branch, call 1-800-441-0397.

We'll work through community organizations to make sure your gift goes to the right boy or girl.

The children won't know that the presents came from you. Or from us. But they will know something even more important. That somebody cares.

Steerettes win

The Farwell Steerettes topped Bovina 76-45 Saturday.

Amy Murray led the Farwell scoring with 18 points. She was followed by freshman Molly Miller who had 13.

Farwell got off to a slow start- Bovina led 13-10 at the end of the first quarter. Then things turned around, and Farwell pulled ahead.

"We usually have a sluggish third quarter," said Coach Fred Libby. But, in this game the Farwell ladies pulled ahead as the game wore on.

"All that running is beginning to pay off; you have to be in good shape to play well," said Libby.

Most of the Farwell ladies were on the school's cross country team this year before basketball season started. They began running 2 miles a day in August when the football team returned to begin its practice.

The other key to winning the game was Farwell's ability to keep Bovina's two best scorers in check. Vargas and Griggs each scored 15 points for Bovina. The rest of the team shared the remaining 15 points Bovina scored.

Also scoring for Farwell were Leah Vandiver, 11; April Haseloff, 9; Misty Stewart, 8; Lisa Gerles, 6; Angie White, 5; Katrina Stewart, 4; Leslie Monk, 2.

JH Boys

Farwell Junior High's Yearling boys beat Lockney in both the 7th and 8th grade games on Monday.

The 8th grade won 39-19, while the 7th grade won 34-10.

The 8th graders are "playing better; pressing better; and moving the ball better," said coach Kendal Devault. While he was pleased with the whole team effort, he noted that scorers Brent Harrison, 30; Derrick Haseloff, 6, and Chris Garcia, 3, did a great job.

Devault was very pleased by the results of the 7th grade game. "They had good even scoring, and they played better than last week. They are getting better all the time, and they are not turning the ball over as much as they did at first," said Devault.

The even scoring is shown in the team's stats: Blaze Hardage, 8; Jon Cunningham and Reagan Williams, 7 each; Michael Foster, 6; Troy Chadwick, 4; Justin Mahaney, 3, and Chanse Stephens, 1.

The 8th grade is 2-1 and the 7th grade is 1-2.

JV Girls

Farwell's JV Girls beat Bovina 47-13 Saturday.

Lena Ortiz was the top scorer for Farwell with 12 points. Isela Mendoza had 11.

"Sharla Lingnau and Isela Mendoza played outstanding offense and defense," said Coach Camp. "Stacy Huggins came in and helped out a lot, and so did Lena Ortiz."

Farwell JV girls lost to Elida 39-34 recently.

"Defensively, we played a very good game, but the shots just didn't fall," said coach Patsy Camp. She noted that the six girls on the team ran the plays well most of the time.

Since this was a learning experience, the Elida coach was a good sport and pulled one of her players off the court when two of Farwell's players fouled out to even things out.

7th Girls

Farwell's 7th grade girls beat Abernathy 30-28.

Kellie King and Melanie Everett played outstanding offense, and Chastity Gutierrez and Melanie Willebrand played outstanding defense, according to coach Patsy Camp.

The 7th grade girls edged out Lockney Monday, 30-21.

Scoring were: Melanie Everett, 9; Chastity Gutierrez, 8; Kelli King, 7; Nellie Soto, 2; Angie Guerra, 2; and Christi Corn, 2.

8th Girls

The Farwell 8th grade girls lost to Abernathy 43-33. Farwell fell foul to foul trouble since Abernathy went to the freethrow line twice as often as Abernathy did. "Amber Grigsby and Melissa Everett had good games," said coach Camp.

Jill Actkinson and Lorri Murray led the scoring when Farwell's 8th grade girls beat Lockney 43-24 Monday.

They each scored 13 points. They were assisted by Amber Grigsby, 8; Melissa Everett, 4; Ginny Mitzelfelt and Cathy King, 2 each, and Margot Loera and April Stout, 1 each.

The team is 2-1.

Texico play

Warren Martin and Amy Chadwick are ready for the Texico Junior Class play, "Second Time Around" which will be performed in the Education Complex at 1 p.m. Friday for students at a cost of 50 cents for elementary and junior high students, and at 7 p.m. for people in the community at a cost of \$1 for children and \$2 for adults.

Wolverines corral Mustangs

The Wolverines corralled the Bovina Mustangs 90-50 last weekend.

Coach Richard Luscombe was very pleased with the team's results.

"Everyone was pretty equal on rebounding. A lot of the kids had 6-7 rebounds apiece," he noted. Luscombe also praised the team's quickness and agility. But, the thing that encouraged him the most was the depth.

"I probably have 10-12 kids I feel comfortable playing; they show really good balance. I've never had such a strong bench before," he said.

Luscombe only noted those who scored in double figures, but even then he had four: Jaime Estrada, 26; Kenny Shaw and Mark Holmes, 16 each, and Warren Martin, 10.

JH Girls

Texico Junior High's ladies slipped past Bovina 30-27.

Scoring were Teri Askew, 8; Jodi Chadwick, 6; Laura Vega and Chesna Campbell, 4 each; Crystal Foreman, Natasha Shaw, Dara Jenkins, Ruth Terrazas, 2 each.

Dara Jenkins led in rebounding with 10.

"They played pretty well for a first game; it's a pretty decent little team," said coach Roy King.

The coach referred to the team as a "little" team, but this year's team has 19 members. Most of whom had a chance to play during this game.

The team will play in the Grady Tournament this weekend.

JV Girls

The Texico JV girls beat Bovina 53-24 last week.

"We started out real slow,

but finally got on track in the second period," said Coach Roy King.

Scoring were: Jessica Gutierrez, 8; Marsha Hamilton, 8; Laura Vega, 7; Leslie Servatius and Crystal Foreman, 6 each; Dana Hughes, 5; Dara Jenkins and Teri Askew, 4 each; Chanda Campbell, 3; Lorissa Pate, 2; Diane Rodriguez, 1.

Leading rebounders were: Gutierrez, 8; Jenkins, 8; and Pate, 7.

Gutierrez and Hamilton each stole the ball 5 times.

Varsity Girls

Texico's Lady Wolverines rolled over Bovina 97-28. Six of the Lady Wolverines scored in the double figures, and virtually everyone rebounded.

"We played very well for our first game. We had balanced scoring and everyone contributed. The only nega-

tive thing that came out of this game was that Krystala Cross suffered a knee injury. We don't know the full extent of the injury yet."

Scoring were: Valerie Cavallero and Amy Chadwick, 17 each; Jennifer Gentry, 15; Penny Pierce and Jennifer Williams, 14 each; Krystala Cross, 13; Jessica Gutierrez, 6; and Marsha Hamilton, 1.

Rebounding leaders were Jennifer Gentry and Penny Pierce with 5 each. Leading stealers were Amy Chadwick, Penny Pierce, and Krystala Cross with 5 each.

Leading in assists was Penny Pierce with 9.

The Lady Wolverines defeated Amherst 53-39 on Nov. 28.

Leading the scoring was Jennifer Gentry with 21 points. Jennifer Williams also had 11. This gave Texico a 2-0 record.

Actkinson, Stewart, Haseloff, Steers all finish first

Farwell and Lazbuddie stayed strong in the final area stats of football teams in the Lubbock newspaper. These count regular season games only:

Farwell

The Steers finished the year first in team offense in the area, with a total of 2,354 rushing yards and 1,256 passing yards, for a total of 3,610. This was an average of 361 yards gained per game.

The Steers also finished the year first in team defense, yielding an average of 148.6 yards a game. They gave up 991 rushing yards and 495 passing yards, for a total of 1,486.

Individually: Rushing - Shawn Stewart finished fourth with 1,102 yards. He averaged 7.3 yards per carry.

Passing - Greg Actkinson finished first, with 61 completions in 139 attempts. He gained 1,141 yards and had 12 TDs and 10 interceptions.

Scoring - Stewart finished first with 158 points from 25 touchdowns and four 2-point conversions. His TD total also led the area.

Receiving - Darren Haseloff finished first with 32 catches for 507 yards and 4 TDs. His average reception was for 15.8 yards. Stewart finished fifth with 20 catches for 210 yards.

Lazbuddie

The Longhorns ended fourth in team offense with 3,618 yards. This came from 1,478 yards on the ground and 2,140 through the air.

The Longhorns were seventh on team defense, giving up 216.3 yards a game. They allowed 1,522 yards via rushing and 641 yards via passing.

Individually: Passing - Michael Williams finished second, completing 106 passes in 174 attempts. He gained 29 TDs and tallied 1,852 yards.

Receiving - Doug Barnes finished fifth with 32 catches for 618 yards and 10 TDs. Kevin McGehee was seventh with 27 catches and 13 TDs. Kirk Jesko was eighth with 27 grabs and 7 TDs.

Notice Of Public Hearing On The Taxation Of Tangible Personal Property

House Bill 82, passed by the 71st Legislature, amends Section 11.14 of the Tax Code and provides that all tangible personal property, other than manufactured homes, that is not held or used is exempt from property taxes. House Bill 82 further provides that the governing body of a taxing unit, may by official action, continue the taxation of tangible personal property.

The Board of Trustees of the Bovina Independent School District will conduct a PUBLIC HEARING to continue the policy of taxing all tangible personal property on December 11, 1989, at 7:00 p.m. in the Board Room of Bovina Schools, Bovina, Texas.

All interested persons are entitled to speak and present evidence for or against the taxation of vehicles. This notice is published in compliance with the provisions of House Bill 82.

Bridal shower given in Mesmans' honor
 A unique bridal shower was held in honor of Teresa and Berny Mesman in the barn at the Joe Schilling farm on Nov. 12.
 Instead of the usual crystal punch bowl and cookies served to ladies, the bridal couple elected to have a "down home country celebration" for friends their friends. There was a casual country atmosphere about the event.
 Tables were decorated with items such as decorated jars of home canned goods, and fall foliage. On one table there was a miniature barn and a collection of ceramic cows representing the work the bridal couple both share. There was also a decorated cake with cows on it.
 Both ladies and gentlemen were invited to join the festive occasion. Guests enjoyed a meal of sliced ham, potato salad, vegetable and fruit salads, and cake. They were entertained by calliope music provided by the prospective groom's father, Ben Mesman.
 The bridal couple sat in a wrought iron porch swing surrounded by green plants and topped with a big red bow when they opened their gifts.
 Hostesses were: Liz Kaltwassser, Lee Nell Eubank, Dolores Craft, Tommie Snodgrass, Vernie Schacher, Betty Jean Castleberry, Brenda Jesko, Helen Mazurek, Martha Nell Schilling, Judy Brockman, Liz Jesko, Sabina Schilling, Karen Schilling, Lillie Christian, Mary Rose Brito, Flo Davis, Nancy Schwertner and Eunice Schilling.

ESA to sponsor 8th annual pheasant hunt

Theta Rho chapter of Epsilon Sigma Alpha is sponsoring its 8th annual pheasant hunt this year.

The hunting sites will be located in Parmer and Bailey Counties in Texas, and will be reserved for pheasant and duck hunting through the pheasant season dates, Dec. 9-24.

The annual event is a fund-raiser for the group's philanthropic projects. In the past this has include \$15,000 (over three years) to the Community Center; money and equipment for the New Mexico Girls Ranch; the establishment of the Rosa Roberts Educational Fund with Opportunity Plan, Inc.; playground equipment for the Farwell City Park, along with donations to such worthy causes as the Texico-Farwell Rotary Club polio project, Hodges Cancer Center, St. Jukes Children's Hospital and the Parmer County Child Welfare Board.

Sorority members make sure that there is plenty of cover for birds to hide in so that the birds can grow and multiply safely. They talk to landowners to get permission for the use of their land and pay a fee to the Texas Parks and Wildlife Department to establish a shooting reserve. Then the land is posted as such.

After the land is set up, the sorority estimates the number of hunters who can safely hunt in each area. They patrol the preserves to make sure there are not unauthorized hunters.

To hunt on the ESA preserves, one must be a licensed hunter and purchase a permit for the preserve. All permits are good from the date they are issued through the closing day of the season. Permits are good for any or all land secured by the sorority. Each participating landowner is given one or more complimentary permits.

Each hunter must have a Texas hunting license. Those hunting ducks must have a duck stamp. Texas hunting

licenses may be purchased locally at Hughes True Value and at the Parmer County Clerk's office. This is located on the first floor of the Parmer County Courthouse.

The preserve land will be posted and open only to hunters buying permits from ESA. Each hunter will be given a map of the posted land and will be free to hunt on any of the preserve land. The preserve will be patrolled so that only those having permits will be allowed to hunt.

Permits sold will be good from the date issued through the remainder of the season. Permit prices for the 1989 hunting season will be: Dec. 9-10, \$75; Dec. 11-17, \$50; Dec. 18-24, \$25. Permits sold for hunters ages 12 and under \$25.

Reservations may be made by mail by contacting Altha Herington, Box 542, Farwell, Texas 79325, (806) 481-9351. A \$25 non-refundable deposit is required to hold reservations this year for the ESA hunt because reservations have been limited.

When making reservations, hunters should indicate whether they will hunt with dogs. The preserve land will be posted and open only to hunters buying ESA permits.

Due to reports from landowners of reduced pheasant

population, the number of Super permits sold for opening day will be decreased in order to assure all hunters a fair chance of obtaining their limits. This year only 100 permits will be issued.

All reservations will be made on a first come, first served basis.

The reserved permits and maps may be picked up Dec. 8 from 10 a.m. to 6 p.m. (CST) at Hughes True Value, or Dec. 9 from 5 a.m. - 8 a.m. at the Farwell Community Center.

After Dec. 9, available permits may be obtained from any of

the following: Pam Monk, 481-9242; Margaret Aycock, 481-3885; Susan Johnson, 481-9308, or Terri Nichols, 481-3408.

In conjunction with the hunt, there is a contest for the longest pheasant tailfeather.

Also, Alpha Rho Lambda chapter of Beta Sigma Phi will serve breakfast starting at 5 a.m. at the Farwell Community Center.

The all-you-can-eat breakfast will consist of sausage, eggs, biscuits, gravy, and coffee. The cost is \$4 for adults and \$2.50 for children under 10.

Tail feather contest starts soon

The annual Pheasant Hunt Tail Feather Contest will continue this year, making it the 24th consecutive year.

Sponsors are Farwell Hardware, Security State Bank,

and Sherley - Anderson - Pitman.

The first place winner will get \$30; second, \$15 and third, \$10.

Those wishing to enter should take their pheasant tail feathers to Farwell Hardware no later than noon on Dec. 24. The season runs from Dec. 9-24 in Texas.

Gary Patterson, County Extension Agent, has been the official pheasant tail feather measurer in the past.

Farwell Convalescent Center
Chit Chat
By Lynne Gann
Activity Director

We'd like to thank the Rev. Gary Warren of Pleasant Hill Baptist Church, and Rev. Bobby Atwell, of High Plains Baptist Church, Clovis, for their participation in our Thanksgiving Revival. Attendance was good, with about a third of our residents. The services brought to our attention many of the things we take for granted that we have to be thankful for. And the revival brought to us the true meaning of the celebration of Thanksgiving - the sharing of ourselves.

The family Thanksgiving dinner was a huge success. The food was excellent. We had such a lovely variety that the choosing of what to partake was hard to do. A special thanks to the Auxiliary for their help in serving food.

Also, extra thanks to the kitchen staff for the added work they had pressed upon them when the refrigerator went out, destroying 4 of the 6 prepared turkeys. They quickly pitched in and baked yet another 4 turkeys plus the rest of the menu without a hitch. Thanks everyone. You proved again how in a crisis you pull together.

We enjoyed visiting with the many family members. There were about 175 present, making our holiday more enjoyable. We hope to see you again for our Christmas party Dec. 19. More about that later!
