ABOUT THAAA-A-T LONG," Joe Salazar Jr. said in response to the question of how long a particular rattlesnake was. The rattlesnake bit the seven-year-old on his right ring finger as he reached into weeds to move a few onions being harvested on the I. T. Shotwell farm 1 1/2 miles west of Whitharral. He will get to go home to the Medical Arts Hospital in the next few days.

Multiple Flip Wreck Injures Driver

39-year-old Littlefield Billy Dempsey Wells of 22 Littlefield, is in a hospital with several ribs, abrasions and lacerations after rolling his car several times Friday evening. Wells was driving a 1968 Pontiac and another Littlefield man, Carl Wayne Davis, 18, was driving a '67 Ford, two and one-half miles south and three and one-half miles east of Wells' home.

PRIVATE ENTERPRISE profits fell off this week at the cold drink stand west of the Leader-News as cool, cloudy weather blanketed the area. Sheila Goss, 8, and LaWana Sue Clark, 8, skan the skies and open their umbrella as a few drops of rain fell Friday. The ambitious girls are in business in the Rev. Benny Goss (Sheila's parents) front yard at 401 W. 4th. LaWana is the daughter of Mrs. Judith Pauline Clark, 506 W. 4th.

CROPS GOOD, BUT . . .

Farmers Would Welcome Rain

Cotton, grain sorghum and soy bean crops in Lamb County and over the area are looking good according to agricultural officials. Despite lack of moisture, drying winds and the many days of scorching heat, harvest predictions are optimistic. Cotton is squaring and blooming, and some farmers are through with the first irrigation. Many are irrigating every other row, even where water is sufficient and especially where grain sorghum is creating a demand on water. Grain crops are booting and heading. Most producers with enough water have irrigated their grain twice and some three or more times. There has been wide-spread spraying for green bugs, some corn leaf aphids, and the latest threat is grasshoppers, especially around the sandhills.

The several hundred acres of cotton blown out in the Sudan-Amherst areas in late May and early June have been replanted, mostly to soy beans. About 6,000 acres of cotton for the entire county have been

released, according to the ASCS office here. About 85 per cent of these acres were destroyed and the other 15 per cent were preventive planting releases. Although both irrigated and dry land crops are looking good now, dryland producers are facing a critical period and expect to find themselves in trouble if they don't receive rain in the next week or 10 days. Farmers with irrigated crops with weak water are finding that they aren't getting over their crops fast enough, and the general consensus is that a general two-inch rain would make many people happy. More than 80 per cent of Lamb County farmers have certified. Friday ASCS officials said 1,800 of some 2,200 contracts with the office had been certified. A crew of men, working out of the local government office, are busy measuring and spot checking certification plots. Although officials decline to predict a total harvest outcome, most say that Lamb County will make more cotton this year than in several previous years.

Junior High Band Rates In Top 16

The 96-member Littlefield Junior High Band has been named on of the top 16 bands in the state of Texas. The L.J.H. Band was selected as the Region XVI Junior High Honor Band by a panel of band directors this week, according to J.W. King, State Band Chairman of the Texas Music Educators Association. Bands in competition submitted unedited tapes made of their concert last spring. Three bands in three classes were named to the honor selections, and Littlefield's band was selected as the best in class C-CC band in this region. This year's selectins were made from C-CC and 2AA and 4A entries.

Each region in the state has picked a representative and on Sunday, Aug. 26, these bands will compete for the honor of State Junior High Honor Band. L.J.H. Band Director Tom SoRelle and John McGee, high school band director, will be in San Antonio this afternoon for the listening session of the tapes of the bands selected. There will be tapes from 15 other junior high bands in competition with the Littlefield Juniors.

Each tape will play for 30 minutes and each tape will be heard three times. The band selected as best will be invited to perform at the state convention of the TMEA next winter. "After Sunday, we'll know how we rate state-wide," Tom SoRelle said. "It's great to be in the top 16."

Thefts Reported

City police are investigating two cases of theft which were reported last week. Monday, Clint Penn reported to officers that four loudspeakers had been taken from Phelps Avenue and one from in front of the former Piggly Wiggly building. Penn reported he later found three of the speakers in a flower box on Phelps Avenue. The speakers are Model CJN30 Atlas Sound Equipment. Thursday, Evelyn Foust reported that \$500 worth of items had been stolen from the Foust Estate Building. Among items taken were boxes of linen, cloth, dishes, Christmas decorations, and artificial arrangements.

STATE RUNNER-UP--Coach Arthur Hedges, left, and League President Bud Nace display the trophy won by the ALMO senior Babe Ruth team for second place in the state tournament. The team, made up of boys from Amherst, Littlefield, Muleshoe and Olton, reached the state finals by defeating Lubbock in a pair of 1-run decisions. They lost the 16-18 age state championship in two straight losses to the defending world champion South San Antonio team. The trophy and team picture are on display now at the First National Bank in Littlefield, and will be shown in the other communities in the near future.

RESEARCH AGRONOMISTS VISIT SCS

Indians Study County Crops

FOUR AGRONOMISTS from India studied farming practices in Lamb County this week through the county Soil Conservation Service. Temperatures there average from 85 to 90 degrees and the rainfall varies from 3-500 inches, but soil and other conditions are similar to those found on the Plains. The four visitors take notes and examine Klien grass seed being harvested on the E. L. Latimer farm northeast of Littlefield. Bob McQueen, SCS official shows a handful of seeds to Dr. Hukkeri who is researching grassland and fodder. G. B. Manna is associated with a rice institute. E. L. Latimer, center, tells Dr. Chari, an agronomy professor, and Dr. Rajput, an agronomist in forage crops and research, about the perennial grass that originated in South America.

Leader-News Staff Writer

There are more Indians than chiefs around the Lamb County Soil Conservation Service. Four agronomists from India are visiting in Littlefield and touring Lamb County farms and ranches as part of an international development program through the United States Department of Agriculture. Over a seven-month period the four will be doing advanced research on farming methods here that are related to agriculture in India. "U. S. farmers believe in 'extensive' cultivation, and in India we concentrate on 'intensive' cultivation," said G. B. Manna, whose agricultural specialty is rice production. "Farmers here try to see how much profit they can make per acre, where in India we try to see how much production we can make." India is just coming into a nation of its own after many years of domination. It is one-sixth the size of the U.S. but its population is about 15 times more. "But we are progressing at a very, very fast rate," Manna said, "and by 1972 we hope to no longer be importing, but rather be exporting." Size of farms there average about 2 acres, and it is against the law for an individual to hold more than 40 acres. These smaller farms are to keep the many people employed, they said. With more than 500 million people in India, the population explosion is a major concern. The average couple has three children and the country is cooperative in a birth control

MRS. DANNY H. MARROW

Owens-Marrow Marriage Performed In Levelland

Miss Tedna Gay Owens and Danny Howard Marrow were married in a double ring ceremony Saturday evening, July 25, in the First Baptist Church in Levelland.

Reverend Clayton Pennington, pastor of the Park Drive Baptist Church, officiated for the reading of the vows in a candlelight ceremony, before a basket of yellow gladiolas, flanked by white bird cages filled with yellow gladiolas, mums and white doves. Tree candelabras and the kneeling bench was carried out in the same decor with the yellow mums.

Parents of the couple are Mr. and Mrs. Fred Owens of Levelland, former residents of Littlefield and Mr. and Mrs. James Marrow Jr. of Levelland.

The bride presented in marriage by her father, wore a Renaissance gown of ivory silk peau de soi, accented with jeweled Brussels lace. The

princess silhouette featured a V-shaped yoke of lace and her long fitted sleeves were cuffed in lace, also. The controlled skirt was complemented by a full wateau train attached at the yoke. She wore a matching mantilla veil that fell from a Camelot caplet and featured a wide scalloped border of the jeweled lace. Madallions of jeweled lace were applied over the veiling which drifted beyond the length of her train. The bride carried a bouquet of stephanotis, centered with a Catalpa orchid. The pearls she wore around her neck were a gift from the groom and she wore the traditional blue garter and a sixpence in her shoe.

Attending the bride as matron of honor was her sister, Mrs. Ron Glass. Bridesmaids were Mrs. Doug Barnes, sister of the groom, Mrs. Billy Singleton, Miss Jan Hamilton, cousins of the bride and Miss Becky Ferrill.

The attendants wore identical dress in daffodil yellow organza. The sleeveless gown were featured with yokes outlined in embroidered linen braid and softly shirred skirts. They wore matching yellow caplets of mailine with long streamers. Each attendant carried alighted votive cup surrounded by daisies and greenery with yellow ribbons.

Serving as page to the bride was Miss Jamie Johnson and she was fashioned identical to the bridesmaids. Flower girl was Cocyle Marrow, niece of the groom. The candles were lighted by Tom and Nancy Kay McDonnell. Don McDonnell was ring bearer.

Serving the groom as best man was his brother, Milton Marrow. Groomsman were Doug Barnes, Bill Ellis, Kevin McCrory and Tommy Bullard. Seating the guests were Ron Glass, Randy Hoover, Ronnie Shettlesworth and Danny Pennington.

Wedding selections were presented by Mrs. Rex Black, organist, and she accompanied, Joe Whitten, soloist, as he sang "Because", "If Ever I Should Leave You", "Whither Thou Goest", and "The Lord's Prayer". "Bless This House" was presented on a French horn solo by Miss Mary Ellen Nance.

The bride's mother was fashioned in a floor length gold alsakine jeweled trimmed gown, with matching accessories and the groom's mother was attired in a floor length green crepe gown, designed with jeweled sleeves and matching accessories. Both mothers wore gardenia corsages.

A reception followed in the home of the bride's parents. The home was decorated with garlands of greenery and summer flowers. Miss Reisle Hoover registered the guests.

The brides table was covered with a white floor length peau de soi cloth and held a tiered

Double Ring Vows Repeated At Morton

Miss Annetta Joyce Stevens and Kenneth Dwayne Carr exchanged double ring wedding vows Sunday afternoon, July 19, in the First United Methodist Church of Morton.

Rev. Rex Mauldin, pastor, officiated for the ceremony. Parents of the couple are Mr. and Mrs. T. J. Stevens of Morton and Mr. and Mrs. Donald Carr of Littlefield.

The bride, given in marriage by her father, wore a formal-

length gown of dacron crepe. The dress and chapel-length train were trimmed with motifs of beader lace. The gown and veil were designed and made by the bride and her sister-in-law, Darla Stevens. The bridal bouquet was a cascade of white rose buds atop a white Bible.

For "something old" the bride carried a handkerchief belonging to her maternal grandmother. Her "something new" was a new penny carried in her shoe. A locket given to her mother by her father was "something borrowed", and a traditional garter made by her grandmother, Mrs. Annie Clanton, was her "something blue."

Miss Karen Stevens, sister of the bride, was maid of honor, and Mrs. James Stevens, of Denver City was bride's matron. They wore formal-length gowns of cranberry dacron crepe, featuring empire banded waistlines and self-ruffles. Matching bows were worn in their hair, and they carried nosegays of red roses and ivy with cranberry and pink ribbon streamers.

Kathi Walden, cousin of the bride, was flower girl. Her dress was fashioned after the bridesmaids, being formal length cranberry crepe.

Stacey Carr served as best man, with Steve Carr as groomsman. Both are brothers of the groom.

Mike Stevens, brother of the bride, and David White of Littlefield, were ushers.

Wedding selections of "A Time For Us" and "Walk Hand in Hand" were presented by Katie Sue Cogburn of Canyon, and accompanied by Mrs. Pegues Houston.

Miss Linda Jones of Seagraves, registered guests.

A reception followed the ceremony in Fellowship Hall. The bride's table was of cranberry, overlaid with a lace

cloth. A tiered wedding cake and punch were served from crystal appointments by aunts of the bride and groom, Mrs. Chesta Lee of Winters, and Mrs. Doc Vann of Spade.

The bride is a graduate of Morton High School and the groom of Littlefield High School.

Both are graduates of South Plains College and attended West Texas State University. They will be at home at 2232 Auburn in Lubbock, where they will both be seniors at Texas Tech University this fall.

Anton Girl Attends Meet

ANTON-- Miss Patti Stone, daughter of Mr. and Mrs. Don Stone, of Anton was among the 1500 delegates attending the 1970 National meeting of Future Homemakers of America, July 13-16, in New York City.

The objectives of the FHA 25th anniversary year was to promote communication of human relations. The delegates heard outstanding speakers, held delegate retreats and participated in workshops on careers in home economics conducted by professional home economists.

They went on sight seeing tours and visited some of the wonders of New York City. They had an evening of entertainment at New York's famous Radio City Music Hall.

The meeting was held in the Hilton Hotel. Texas was represented by 116 delegates and 31 advisors.

wedding cake, complemented by a bird cage of white doves. Presiding at the table was Miss Marianne Maddera and Miss Wanda Dalton.

The grooms table held brass candelabras and green candles. Serving at his table were Miss Debbie Humble and Miss Marida Mann. Others serving in the house party were Mrs. James Hamilton, Mrs. Weldon Newson, Mrs. Milton Marrow, Mrs. Thad McDonnell, and Mrs. W. L. Harris.

The brides travel costume was an ensemble of buttercup yellow shantastique. The Edwardian style featured a double-breasted coat with self fabric covered buttons. A narrow fold defined the hi-rise waistline and the skirt flared from a deep inverted pleat at the back. She wore matching accessories and a white orchid corsage.

After a wedding trip to Colorado, the couple will be at home in Levelland where they both will attend college.

Special guests were Mr. and Mrs. Fred Newson of Levelland, formerly of Littlefield and Mr. and Mrs. A.H. Owens of Hollis, Okla., all grandparents of the bride.

TYREES JONES

One of the Army badges that soldiers wear with special pride is the Combat Infantryman Badge. It recently was awarded to Private First Class Tyrees E. Jones near An Khe, Vietnam.

Pfc. Jones, 19, son of Mr. and Mrs. Joe W. Jones, 2207 Cherry Lane, Pasadena, Tex., is assigned as a rifleman with Company C, 1st Battalion of the 4th Infantry Division's 12th Infantry.

The CIB has been awarded since late in World War II for sustained ground contact against an enemy.

DANNY ROBERSON
Army Sergeant Danny K. Roberson, son of Mr. and Mrs. T. J. Roberson, Route 1, Olton, recently received the Bronze Star Medal near Hanau, Germany.

Sgt. Roberson was presented the award for meritorious service in connection with military operations against hostile forces during an assignment in Vietnam.

At the time of presentation the sergeant was a wire team chief with Headquarters Battery, 6th Battalion of the 3rd Amored Division's 40th Artillery.

AREA SERVICEMEN

BILLY GILBREATH

U.S. Air Force First Lieutenant Billy S. Gilbreath, son of Mr. and Mrs. Francis E. Gilbreath of Muleshoe, has arrived for duty at Perrin AFB, Tex.

Lieutenant Gilbreath, an accounting and finance officer, is assigned to the 4780th Air Base Group, a unit of the Aerospace Defense Command which protects the U.S. against hostile aircraft and missiles. He previously served at Phu Cat AB, Vietnam.

A 1962 graduate of Muleshoe High School, he attended the University of Texas and received his B.B.A. degree from Texas Technological University in 1967. He is a member of Phi Gamma Delta.

The lieutenant was commissioned in 1967 upon completion of Officer Training School at Lackland AFB, Tex.

MIGUEL NAVEJAR

Private First Class Miguel L. Navejar, 18, whose parents, Mr. and Mrs. Leonard J. Navejar, and wife, Maria, live in Muleshoe, recently completed the ammunition storage course at the U.S. Army Missile and Munitions School, Redstone Arsenal, Ala.

During the 10-week course, he learned to receive, store, ship and issue ammunition, ammunition components and military explosives.

He also received instruction in the destruction of unserviceable and irreparable ammunition and explosives.

RONALD M. SITTON

Pfc. Ronald M. Sitton, son of Mr. and Mrs. Frank Sitton of Littlefield, arrived in Vietnam July 8 for his tour of duty.

The 23-year-old soldier was stationed at Fort Sill, Okla., with the OC Casual Detachment prior to arriving in Vietnam, at OCS BDE at Fort Sill.

Sitton is a 1965 graduate of Littlefield High School and attended McMurry College where he received a BBA degree in marketing.

While a civilian, Sitton worked for Sitton and Norton as a roughneck.

Sitton is presently assigned to the 79th BP as a bridge specialist.

JAMES D. DENT

Staff Sergeant James D. Dent, 25, son of Mr. and Mrs. Sammie J. Dent of Morton, recently received his second award of the Army Commendation Medal while serving with the 1st Training Brigade at the U.S. Army Training Center, Ft. Campbell, Ky.

Sgt. Dent earned the award for meritorious service during his last assignment with Advisory Team 90 in Vietnam.

Presently assigned as a drill sergeant in Company D of the brigade's 1st Battalion, he entered the Army in November 1966 and completed basic training at Ft. Bliss, Tex.

Sgt. Dent also holds a Bronze Star Medal for heroism, and a Purple Heart.

His wife, Doris, is with him at the fort.

DENNIS L. BUSH
Private First Class L. Bush, 19, son of Mrs. Margaret D. Jones, Star in Sudan, recently completed HAWK missile and maintenance course at the Air Defense School, Ft. Sill, Tex.

THE UPCOMING campus rallies against pollution make sense, conceivably could avert disaster.

But let's not go roaring around in high-powered hot rods while blaming the "establishment" or "industry" or some vaguely identified "they" or "them" for responsibility for pollution.

May I introduce a few:

YOUR SERVICE STATION man, with gas, oil and maybe tires for your car, measures his profits in pennies.

Last year, panicked by sudden public wrath over pollution, Detroit bigwigs prematurely announced themselves in favor of turbine engines, electric cars, predicted "new power sources."

California's Senate last September voted to outlaw gas-powered cars within six years.

NATIONWIDE, SERVICE STATION owners and managers trembled: which way should they jump?

But within less than six months, any industry plans for electric or turbine cars and such had been shelved indefinitely.

The separate pump and tank for lead-free gasoline means an investment of \$5,000 to \$10,000 for the average service station man, but he wants to be patriotic, he wants to serve his customers with whatever fuel they require.

NOW, NO SOONER does he—likely with borrowed money—start smashing his driveway concrete and digging a hole for that additional tank than two respected petroleum scientists holler "Hold everything!"

"It's correct," they concede, that

"cars cause 80% of our air pollution, but," they say, "switching to lead-free gasoline will eliminate only 1% of that 80%!"

The independent service station man wants to co-operate with the experts in cleaning up our environment, but which experts? He is left to flip a coin over a decision which could bankrupt him.

THERE ARE PARALLEL experiences in other industries.

Food and Drug Administration officials examined and approved the plastic, "polyvinyl chloride," for food containers. That industry bought the equipment necessary to increase production from 55 million units to 4 billion units.

Then a New York City official hollers "Hold everything!" He says that container, when burned, throws off hydrochloric acid!

THOSE INDUSTRIES thus disrupted represent a lot of working people's jobs and a lot of small investors' money; what should their boards of directors direct?

The phosphates scare threw the detergent industry into a panic. Then two respected research chemists offer convincing evidence that it's "not phosphates which pollute our lakes and rivers; it's organic substances causing the algae." And that rhubarb begins all over again.

All this says is that government and industry must be diligent but deliberate in this gigantic housecleaning. The rest of us must be persistent, but not overly impatient.

AND WE MUST NOT assume that damning industry for inaction excuses what we as individuals do or fail to do.

Wasn't it Will Durant who said "Some of those people who proclaim themselves out to clean up the world ought to start by taking a bath?"

THE ABUNDANT LIFE

Unity For Us

ENTHUSIASTIC CITIZENSHIP is our needs, but it must be constructive. This means that we must make enthusiasm our ally.

We can do this by blending it with knowledge in its most comprehensive form.

WE MUST BUILD UP, and not tear down. Our words and deeds must be intelligently directed to this end.

This is the standard by which we must measure our speech and actions.

A BLEND OF KNOWLEDGE and enthusiasm is the best possible way to do what needs to be done. We can see more clearly what must be done, and where our efforts and energies can be directed for best results.

The pollution forced by charges, counter-charges, needless accusations and un-warranted attacks upon each other must cease. We must become strong and united against all forms of subversion.

EXCITEMENT, TURMOIL and feverish activity will not serve any useful purpose in our present national distress. Such an unstable climate only adds to our distress.

It is readily admitted that something must be done, and it is urgent that all of our actions be framed and executed in a mood of sobriety, wisdom and honesty. There is nothing to be gained, but more confusion, by "going off in all directions."

THE SUPERFICIAL is absorbing too much of our thinking, our discussion and our concern. We are exerting too much of our strength in the outer fringes; in the area of hear-say, rumor, hasty conclusions, prejudices and narrow partisanship.

We must move to the solid and firmly established foundation facts, certainties and clearly identified truth.

DISSIPATION IS WASTING much of how well meaning, will not suffice. The time has come when nothing less than strong and stable patriotism will meet the challenge.

WE MUST FIND WAYS to establish responsible, knowledgeable, patriotic citizenship. There is no other way to do the job facing us.

This is our only hope for preserving the blessings of liberty to ourselves and our posterity.

WE MUST RETURN to the original source of our faith in order to find the inspiration and the guidance we need. We must turn a deaf ear to the multi-voiced hysteria of our time.

The Biblical assertion, "You shall know the truth, and the truth shall make you free" will be a good guideline in these difficult days. Let us seek the truth, learn it, respect it and implement it to the best of our ability.

THE CAUSE of human liberty and dignity merits our best efforts, enhanced by enthusiasm and fashioned by honesty, decency and integrity.

"In this speech, you say 'there'll be no political plums'. Does that include me?"

HONNY GRITS

By CORNBALL BLEVINS

IT WAS SAD to read the account of the young, lady traveler in a recent edition of our paper.

"Hardly anyone under fifty years of age goes to church," she said, "The young do not believe in God!"

SHE GOES ON to describe the behavior of these people, regarding sex and marriage, and in regard to their laws toward such.

Would you suppose that she has described the life in these United States, not too many years hence?

When God has been ousted from our schools (As He has been) and when professed atheism are allowed to dominate our college-class rooms (which they do) and the general citizenry take a disinterested view of the goings-on (as we are) --

What, pray tell, CAN BE OUR DESTINATION, as a civilization???

WHEN WE DISCARD the Bible, we have no other guide for right or wrong-- And, of course, when God is discarded, He takes His Word with Him.

Where, then, is any incentive for morality??--We have become mere animals!

I'm convinced that this is one of the major problems that our young are faced with: "If we're nothing more than animals, we'd as well act accordingly!"

"I MAY AS WELL tell you, children," the college Prof. is quoted as saying, "There IS NO God, he belongs in the same category with Santa Claus. We're going to face this course realistically, without any make-believe." (science)

Would you be shocked to see a

couple, walking down the street, in the nude?--I'm sure you would, yet, it's predicted that this may be the accepted fashion, in a few years!

THOSE OF US who would be offended by such behavior, would be forced to establish "Clothing colonies!"

"Free love and nickel beer" was a motto I observed on a youngster's auto dash, sometime back.--How fitting!--There's some discussion in some of the schools, of permitting unmarried couples rooming together, "As a matter of convenience."

What's to stop this kind of thing, if there be no God??

I'M SURE we ALL have more confidence in our youngsters than to think they'd do such things, yet, those kids that do those things are SOMEBODY'S youngsters!

Time, then, to wonder how good the job is that we've done on our kids, how deep the conviction that we've sown, and how impressive the examples we've given, and how thorough the teaching that WE have done!

IF WE'RE satisfied with the way things are going, then we're doing exactly the right thing: NOTHING! -- If not, then we should be writing our congressmen, president, judge, schoolboard, or anybody that'll listen!

Above all, we should examine ourselves to see if we're honest in our own convictions, and decide just where WE stand--History teaches us that civilization without God, is impossible!

SOMETHING NEW has been added at our house. Our 13-year-old granddaughter has come to stay with us for a while.

She moved into our drab looking back room where I did sew and iron and type, and she has turned it into a riot of color. . . papering the walls with posters of all the signs of the zodiac and others.

ALL ARE IN psychedelic colors; with all kinds of things over the windows and hanging from the light fixtures.

There are various signs such as "No Parking", "Beware of Dog", "Exit", "Gentlemen" etc.

OH YES, she brought her dog too--a 10-month old German Shepherd named "FuFu".

He is as big as a good-sized ox, but he thinks he is still a pup. He has been with her all his life and thinks where she is he should be.

IT ALMOST breaks her heart because he can't stay in the house with her, but our house is too small

for a monster like him with his puppy ways.

They are quite a pair--she with her long brown legs and flying hair--he with his beautiful brown and black markings, and pointed ears right at her heels.

SHE WORRIES about her hair and her complexion and her clothes--she would just die if her skirt was one least little fraction of an inch too long.

She is afraid she will get fat, yet she has a teen-age appetite and is hungry all the time.

SOMETIMES SHE is a young lady wearing eye shadow; other times she is our own little girl just like she always was.

She is long-legged, bouncy, sweet and shy, and she has brought into our lives a bit of the freshness of youth. Not only has she brightened our house--she has brightened our lives.

BETWEEN CENA and FuFu things have picked up considerably out where we live, and we LOVE it.

What Our Readers Think

Give Them Applause

July 25, 1970
Mr. Bill Turner, Editor
Lamb County Leader-News
Littlefield, Texas 79339

Dear Mr. Turner,

I would like to publicly recognize and sincerely thank some of the people who made the 16 to 18-year-old Babe Ruth Baseball team in Littlefield possible.

My thanks to First National Bank, Armes Chevrolet and Mitchell Ford for cash donations, to American Legion and Lamb County Electric for equipment donations, to Optimist Club and Judd Walker for our accident insurance policy, to Prescription Shop and Floyce Pierce for our liability insurance policy, to the many mothers of the boys on the Littlefield team who worked so hard on a garage sale to raise money for the team, to Barton

Spencer for donating a building in which to have the mothers' garage sale, and an extremely warm thank you to Jack Christian who took the time-consuming and thankless job of managing the team.

In closing, I would also like to say that the All-Star Team, composed of boys from Amherst, Littlefield, Muleshoe and Olton, making the trip to San Antonio for the State Championship playoffs was one of the finest groups of young men that I have ever had the pleasure of working with. Every place we fed the boys, the motel we stayed in and the San Antonio Tournament director all complimented the group very highly on their manners, language, attitude and sportsmanship. I was very proud to be a part of the ALMO Babe Ruth Baseball League.

Sincerely,
Charles G. Nace, D.V.M.

Newspaper Reader Wants Dime's Worth

(Editor's note: Bill Ellis at the Friona Star recently recalled this letter to the editor concerning what a reader expects for spending a dime for a newspaper.)

Dear Bill:

I paid a dime last Thursday for a copy of this newspaper. You can divide it up amongst your employees any way you wish.

Now for the dime I paid you I expect to get a newspaper with all of the local, state and national news. And I want every bit of it to be fresh: I don't want to read anything I have read before.

For that dime I want at least 10 local pictures of news events and the people who made them. I want pictures of accidents, fires, meetings, baseball games and anything else that I think is important.

Because I gave you my dime I want to know all the latest things about the local school district, the city council, the county commission, the state legislature, the governor, the U.S. Congress, the President, the war in Vietnam and Jackie Kennedy Onassis. I also expect you to tell me who died during the past week, who was born and who was married or divorced.

I want to read about what my church is doing and when. I don't care if there are 12 other churches in Friona, I want to read about MY church.

I want you to cover every football, basketball and baseball game in the Friona area and every play, ladies' tea, wedding and anniversary celebration in Parmer County. I expect your reporter to be there and cover them just because I gave you a dime.

If I get drunk and have a wreck I don't want you to print my name in the paper and I don't want anything in the paper about my buying a house or selling a house. I have a friend who is getting a divorce and you can leave that out too.

I want to see for myself whether the prices are cheaper in Friona or Hereford or Clovis. I want to know where I can buy a good second hand car, what's showing at the movie and who is having a sale. And you'd better do it too, because I gave you my dime.

Just because I don't have too much education, you needn't think you can take advantage of me. It doesn't make any difference if I don't want to do anything for my schools, church, city government or chamber of commerce.

I pay my taxes and I just gave you a dime and I want to see my

name in this paper from time to time and I want it to be spelled right, too. I expect every name in the paper to be spelled right: I don't want any mistakes. If there are any mistakes to be made I'll make them, but YOU don't because I gave you my dime.

When I meet one of your people on the street I want them to give me the latest inside dope. I expect them to serve as publicity chairman on any committee I want and I expect your employees to agree with everything I think or do.

And any time I want to call the paper and ask how many children Al Capone had or how much gasoline Lindberg used on his flight to Paris, I expect them to know. I don't want to have to call back for the information I want.

Next week I'm going to start my own business here in Friona and I want a nice news item and picture about it. No, I don't expect to take any advertising with your paper. If you run the news story and picture about my opening I won't need any advertising.

And you'd better not give me that old stuff about you can't do it either, because I gave you a dime for that lousy sheet and it's MY newspaper.

Dear Mr. Turner:

It has just come to my attention that your newspaper, The Lamb County Leader-News, has earned top honors in the National Better Newspaper Contest. I understand this is a first for Littlefield.

You must certainly feel proud to have been so instrumental in securing this great title for your local community in that Littlefield was the only Texas community to receive a plaque this year.

I am sure this award for excellence in news writing is well-deserved, and I know you will continue your efforts in this direction.

May I take this opportunity to congratulate you for your efforts in behalf of Littlefield and the State of Texas. We are very proud of your hard work.

All of the visitors are educated and speak good English. Three of the Indians, Dr. A. V. Chari, Dr. S. B. Hukkeri, Dr. R. K. Rajput, have degrees and G. Manna has a masters. In India, free compulsory education is through ages 14, and there more than 2,000 colleges universities.

The four said their taxes high to pay for the many services such as free medical aid. A person making an annual income of \$12,000 a year would pay 85 per cent of that for taxes. They said the living standard is much higher here, but steadily falling with the distinction between classes being equalized.

Hindu is the main religion. Attending the temple was much as church attendance here, with one difference: going to church doesn't necessarily mean worship. "I buy an idol and take it home with us," Dr. Hukkeri said.

India has had only four general elections since its political independence, and it is politically minded and interested in international politics. All four seemed to vote the same question of why the papers in America were international in scope. "If you read a paper like the Lanche-Journal," Dr. Hukkeri said, "most of the news is a certain street in Littlefield what is happening in Littlefield, . . . and Vietnam."

In other parts of the world and in their country, the international news is the important, is always of one so that it gets the attention, and makes up one fourth of the news.

Since they left India there has been an election and other political happenings that they read about, they conc

WORSHIP IN CHURCH

and get a spiritual lift for the whole week

...THE BAR OF JUSTICE IN MY COURT.
 "Man must pay for the error he makes, the sin he commits... he must reap what he sows." Surely God tempers justice with mercy in His judgments upon us every day. It is that way too, in this judge's court, because he thinks principally of salvation for the man before him. Too often transgressors, both young and old, resent the kindly-intended judge. He sits in court to serve his country and the will of God. It would be well to remember that God shall bring every work into judgment. And that people who go to church more, go to court less.

You In The Church
 The Church In You — form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a daily bible reader and attend services regularly.

The BEST CROWD to FOLLOW is the CROWD GOING to CHURCH

LEON DAVIS JR., of Downey, Calif., center, grandson of Mr. and Mrs. A. F. Sladek of Spade was presented with "The Gordon Griffith Award" on June 18, by Ralph Welch, left, principal of the Gordon Griffith Junior High School, Downey, Calif. This award is given each year to a boy or girl of the ninth grade class who best excels scholastically. Pictured on the right is Leon's mother, Adella Davis.

One Wreck Investigated

Littlefield drivers have investigated wrecks, with the exception of one, the past week. City patrolmen were called to the scene of a wreck Wednesday afternoon on Phelps Avenue.
 A 1963 Chevrolet, driven by Sherilyn F. Stuart, was backing from the east curb on Phelps Avenue between Fourth and Fifth Streets, when a 1964 Chevrolet pickup, driven by Elaine Perry of Houston, backed illegally from the west curb in an attempt to travel east on Phelps.
 The Stuart vehicle struck the right panel of the pickup with the left rear fender.
 The Houston Astrodonor 4,596 skylights of transparent plastic.

OBITUARIES

KENNETH M. KISER

Funeral services for Kenneth M. Kiser, 41, of Anton, who died about 3 p.m. Thursday in a Lubbock hospital following a lengthy illness, were conducted Saturday afternoon in the Austin Street Church of Christ in Levelland.

Kiser had been a lifetime resident of Hockley County.

Officiating for the services were H.C. McCaghran, minister, and Hoyt Cranfill of the Lawrence Avenue Church of Christ at Anton.

Burial was in the City of Levelland Cemetery, with George Price, Funeral Home of Levelland in charge of arrangements.

Surviving are his wife, June; three sons, Billy Kiser and Bob Kiser, both of the home, and Tommy Allen Kiser of Levelland; a daughter, Peggy Kiser of the home; his parents, Mr. and Mrs. C.W. Kiser of Levelland; four brothers, Alton Kiser and Harvy Kiser, both of Levelland, C.W. Kiser Jr. of Houston and Charlie Kiser of El Paso; and two sisters, Mrs. Gracie McMasters of Levelland and Mrs. Geneva Cooper of Claypool, Ariz.

JOSIE HOBBS

Mrs. Josie Hobbs, 74, a longtime South Plains area resident, died Wednesday at Amherst in South Plains Hospital, following an apparent heart attack.

Funeral services were conducted Friday afternoon in the First Baptist Church at Plains, with Rev. Jim Mosely, pastor, officiating.

Burial was in Plains Cemetery, with Barretts Funeral Home in charge of arrangements.

A native of Bonham, Mrs. Hobbs went to Plains in 1925. She was a member of the Plains Rebekah Lodge.

Surviving are her husband, Luther; two sons, Deryl Hobbs of Plains and Grady Hobbs of Quemado, N.M.; two daughters, Mrs. Capitola Dumas of Andrews and Mrs. Margaret Cardwell of Sudan; 13 grandchildren and 20 great-grandchildren.

Grandsons were pallbearers.

WILLIAM EDGAR BIRD

Funeral services for William Edgar Bird, 85, of Littlefield, longtime area resident who died at his home Friday morning, were conducted Saturday afternoon in the Ninth Street Church of Christ in Littlefield.

A retired farmer, Bird was the first purchaser of farm land opened on the Spade Range.

Surviving are three daughters, Mrs. Eva Burris of Littlefield, Mrs. James Nickels Littlefield and Mrs. Edna Anderson of El Paso; 13 grandchildren and four great-grandchildren.

REV. ERNEST M. Jennings of Lubbock preached at the Cumberland Presbyterian Church here last Sunday.

LONE STAR Farmer degrees, the State's top award in the Future Farmers of America program were presented to two members of the local chapter, Gary Durham and Gary Kelley. The presentation was made at the 42nd Annual State FFA Convention meeting in San Antonio's Convention Center. Seniors at Olton High School, the two are

sons of Mr. and Mrs. Raymond Durham and Mr. and Mrs. B. G. Kelley.

THE TWO Lone Star Farmers were accompanied to the convention by Pat Trotter, one of the Houston Livestock Show and Rodeo Scholarship winners, and Larry Manuel, vocational agriculture advisor.

PAT TROTTER was one of

seven young Texans to receive \$4,000 scholarships sponsored by the Houston Livestock Show and Rodeo. The scholarship was presented by the president of the organization, Buddy Bray, at the 42nd Annual State FFA Convention in San Antonio last week. Trotter plans to attend Texas A&M University and major in animal science.

He hopes to earn his American Farmer degree. He is son of Mr. and Mrs. Gene Trotter. His older brother, Mike, received a Houston Livestock Show and Rodeo scholarship for \$2,000 in July of 1968. After one semester at A&M his scholarship was doubled.

Springlake-Earth Capture Area Little League Meet

Springlake-Earth Little League All Stars capitalized on loose play in the field and the pitching and hitting of Randy Latham to defeat Littlefield, 8-5, and capture the Area LL Tournament at Olton Friday night.

The game was delayed 40 minutes by a late afternoon shower, but the Olton hosts got out rakes, hoes and weed burners to dry home plate and the mound and make the field playable.

For 3 1/2 innings, it appeared Littlefield might wrap up its first area II tournament crown since 1958. The local stars built a 3-1 lead on Bill Turner's towering home run after Pitcher John Marquez and Kyle Jones reached base on singles.

But the roof fell in during the bottom of the fourth inn-

ing when Springlake-Earth picked up five runs on one hit, a couple of walks and a half-dozen errors.

That made it 6-3 after four innings, but Littlefield closed the gap to 6-5 in the fifth, when Ronald Parmer's double drove in Gary Pace and Doug Perrin, who had singled.

Latham then personally conducted Springlake-Earth to the victory. After Cliff Wood walked and Armando DeLeon singled, Latham hit one against the fence in right center. The double drove in both runners, and put Springlake-Earth out front, 8-5.

With one out in the top of the sixth, Littlefield loaded the bases on a walk to Forrest Harry and singles by Gary Pace and Michael Cotter.

But Latham was equal to the task. He tagged out Jody Torres, who was running for Harry, on an attempt to come home, then got Jones to hit into a force play to end the game.

Littlefield picked up nine hits during the contest, two by Pace and one each by Jones, Perrin, Bill Turner, Parmer, Mark Cowan, Marquez and Cotter.

Turner's home run and Parmer's double were Littlefield extra-base hits.

For the entire tournament, Parmer and Jones led Littlefield hitters with two each. Parmer had three singles and a double, and Jones had three singles and a double. Bill Turner was next, with one homer and a single.

Springlake-Earth won with six hits, including Latham. De Leon, Bridges, Larry Dear and Fruman got the other six all singles.

S-E NIPS MULESHOE, 11-10

Upset Win Over Plainview

If you like your baseball close-to-the-vest or wild-and-wooly, there was plenty to see at the Area Little League Tournament at Olton Thursday evening.

Littlefield played its first win in defeating a favored Plainview American team, 4-2. The keys to the victory were Bill Turner's brilliant pitching and Ronald Parmer's two home runs.

Springlake-Earth wound up in a wild one, roaring off to an 11-1 lead after five frames, then hanging on for dear life as Muleshoe's last-ditch rally fell a run short. The final was 11-10.

That made it an all-Lamb County final Friday night, with the big boys---the favored Plainview American and National teams---already on the sidelines.

Bill Turner struck out nine batters and walked not-a-one, but it would have gone for naught without Parmer's first and sixth inning homers.

Parmer came up in the top of the first with Kyle Jones safely on first via error. He pounded a low fast ball from Plainview's Wayne Nash over the fence in centerfield.

Staked to a 2-0 lead, Turner twirled three straight strikeouts in the first inning.

Plainview closed the gap to 2-1 in the second when Pitcher Nash singled and finally scored on an infield groundout.

The Plainview stars might have had more except for a fine fielding play by the Littlefield infield. A ball struck hard by catcher Robert Nash caromed off first baseman Ricky Hopping's glove, but Jones was the right man in the right place. The little second baseman took the bouncer and rifled to Pitcher Turner at first, nipping the runner by a half-step.

It stayed at 2-1 through three frames and Littlefield got a mild threat going in the top of the fourth when Parmer was safe on an error and Ken Turner walked. Nash bore down, however, to get out of the inning,

recording a couple of the 13 strikeouts he got for the night. Plainview tied it in the fourth when Steve Phillips lined a homer over the left field fence. That was all, as Third Baseman Ken Turner and Centerfielder Gary Pace came up with a couple of good defensive plays.

The fifth inning belonged to the pitchers, neither team making any progress on the bases.

With the score knotted at

2-2, Doug Perrin walked to start the sixth inning. Nash struck out free-swinging Bill Turner, bringing up Parmer.

Instructed by his coach to give Parmer nothing around the plate, Nash threw the first pitch high and outside.

Ronald sledgehammered it, sending the ball far over the fence in left center. That made it 4-2, and Littlefield players and fans alike went wild, sensing an upset victory.

That put it squarely up to

Sp'lake-Earth Vs. Denver City

Springlake-Earth's Little League stars will play Denver City Tuesday at 8 p.m. in Levelland in a one-game playoff.

Denver City topped Morton, 3-0, on Mike Stafford's 3-run homer Friday night at Levelland.

The winner of Tuesday night playoff goes on to Lubbock, the loser will hang up the gear for another year.

Pee Wees Play Finals

The Littlefield Pee Wee team won over Sudan, 18-8, and Amherst, 16-10, in tournament play Thursday night at Amherst and gained the right to play Saturday night in the tournament finals.

In the first game, Littlefield's Van Jaquess pitched a no-hitter for the 18-8 win over Sudan.

The local squad collected 12 hits off Sudan.

Van Jaquess and Kelly Grammer led the hitting parade for the winners by each getting a single, double, and a home run. Mark Yarbrough and Joe Rodriguez were 2 for 2. Ricky Henson got a long double to climax the slugging.

Carl Scott and Joe Bellar were the pitchers and stand-out players for Sudan.

The second game Thursday night, Littlefield outscored Amherst 16-10, in the double elimination tournament.

Kelly Grammer pitched the complete game registering nine strike outs.

Leading hitters for the winners were Rodney Hampton, Jaquess, and Grammer.

Wayne Johnson hit a three run homer for Amherst and Brad Enloe chipped in two hits to pace Amherst. Alvin Mill and Craig Thompson pitched for Amherst.

Players that make up the Littlefield team are Mark Yarbrough, Joe Rodriguez, Herbert Spencer, Brady Bradley, Van Jaquess, Rodney Hampton, Jimmy Clayton, Rickey Henson, and Lynn Duffey.

The second night of the tournament

Amherst was pitted against Sudan and Amherst bowed to Sudan, 19-18.

It was a nip and tuck ball game that was tied in the bottom of the fifth and went into an extra inning.

Wayne Scott pitched for Sudan.

Craig Thompson and Mills hurled for Amherst.

The win put Sudan and Littlefield for the championship play off Saturday p.m. at Amherst.

The results of this will be published next day.

State Dove Survey Getting Underway

More than 44,000 Texas hunters will be receiving questionnaires from the Texas Parks and Wildlife Department this week as part of the first statewide mourning dove harvest survey slated for this September.

Ted Clark, project leader for the survey, urged that hunting license holders who receive the questionnaires complete and return them as soon as possible so the final sampling can be compiled.

No postage is required on the computer-keyed questionnaires, and the only information requested is whether or not the respondent plans to hunt during the season Sept. 1 in the north zone and Sept. 26 in the south zone.

The hunters who indicate they plan to hunt will form the test group for the day-by-day survey.

The survey actually began several months ago, Clark said, when Department officials took every fifteenth hunting license issued in the last year as a random sampling. The hunters' names and addresses were transferred to computer tape for use in addressing the current questionnaire phase of the survey.

This September, each hunter in the survey group will receive 10 numbered IBM cards on which he is asked to record daily the county he hunted, number of hours spent hunting, number of doves bagged and the date of the hunt.

"We want to determine when, where and how many birds are killed in the State each year," Clark said. "Information from the harvest survey added to our ongoing banding program should give us an indication of the total mourning dove population."

Department studies have shown that there has been a significant decline in mourning dove nesting populations during the past decade in Texas. Disease, droughts, predators, pesticides, loss of habitat and hunting all are possible factors in this decline, Clark said.

The harvest survey should determine the number of birds killed during the season and, in turn, provide the basis for assessing the effects of hunting pressure on the dove population.

Hunters picked at random for the survey are encouraged to cooperate so that future management practices will improve hunting for this important game species.

Months of tedious investigation and surveillance paid off for Texas Parks and Wildlife game management officers this month when a fisherman and his wife were arrested for possession of 346 illegally caught catfish on Lake Texarkana.

The pair used a well-equipped boat and numerous small-mesh barrel nets to make the haul of catfish ranging in size from three inches to three pounds. A total of \$2,400 in fines was assessed against the couple.

Their catch, which would be considered large by most standards, reportedly was rather small for this illicit operation.

Violators Prosecuted

BILL TURNER comes home after a three-run homer gave the Littlefield stars a 3-1 lead over Springlake-Earth Friday night. He's eagerly awaited by teammates for a pat on the back. But the lead was short-lived and Springlake-Earth went on to the victory, 8-5.

THE BIG BLOW in Littlefield's 4-2 victory over Plainview American in the second game of the LL tourney was a two-run homer by Ronald Parmer, shown here being congratulated by teammates as he touches home in the sixth inning.

VICTORIOUS LITTLEFIELD Little Leaguers and their coach, Troy Gardner, rush onto the field following the 4-2 win over Plainview. The boy directly in front of Gardner is Pitcher Bill Turner, who gave up only two hits. In left foreground is Turner's battery-mate, Catcher Doug Perrin.

LITTLEFIELD VOLUNTEER FIREMEN answered a call about 8:30 p.m. Thursday, five miles west of Littlefield on U.S. 84 where a 1967 Dodge belonging to Maria Marales, Box 294, Earth on fire. The car is believed to be a total loss.

BILLY WELLS was injured and his vehicle destroyed about 7:30 Friday evening after his car overturned several times. Carl Wayne Jr. of Littlefield was involved in the accident but was not injured.

MR. AND MRS. STEVE HAGMAN

Nuptials Read In Idaho

Miss Nora Newberry of Pinehurst Idaho and Steve Hagman of Cataldo, Idaho were united in marriage Saturday, June 6, in Our Savior Lutheran Church by altar bouquets of white stock, white pom poms, with green centers and green ribbon streamers.

Reverend Thomas Householder of the American Lutheran Church, officiated for the reading of the vows.

Parents of the couple are Mr. and Mrs. John Newberry of Lubbock, formerly of Littlefield and Mr. and Mrs. Lewis Hagman of Cataldo, Idaho.

Mrs. Leonard Heikala, organist, accompanied Miss Kathy Holland, soloist, as she sang "The Lord's Prayer" and "O Perfect Love".

The bride given in marriage by her father, wore a floor-length gown of white organza over white tulle, fashioned by her aunt, Florence Ellison. It featured a fitted bodice, with long petal point sleeves, Alencon lace appliques adorned the sleeves and the sweetheart neck and bottom of the dress and train. Her shoulder length tulle veil was attached by a bow of the same material as the dress. She carried a nosegay bouquet of baby white roses and white carnations with a detachable corsage.

Attending the bride as matron of honor was her sister, Mrs. Richard Schroeder and bridesmaid was Miss Jodie King. They wore floor length gowns of green dotted swiss, featuring a fitted bodice, short sleeves and they carried long stemmed white roses with green streamers.

Serving the groom as best man was Dan Hagman, brother of the groom. Groomsman was Mike Groth. Seating the guests were John Baskett and Mark Rinaldi.

The bride's mother was fashioned in a blue knit dress with white accessories and the groom's mother wore a beige dress and white accessories.

A reception followed in the basement of the church. Presiding at the table was Charlotte Nearing, Mrs. Dan Hill, Mrs. Chuck Bush and Kathy Holland.

For their wedding trip to Spokane, Wash. the bride chose a beige lace dress with white accessories.

Out of town guests were Mr. and Mrs. John Newberry of Lubbock, parents of the bride, Mr. and Mrs. H.C. Williamson of Yakima, Wash., Mrs. Florence Ellison and Mr. and Mrs. John Ellison and family of Superior, Ariz.

The couple will be at home at 318 West Mission Avenue in Kellogg, Idaho.
