

### NEW HASTLE ERUPTS OVER LIQUOR PETITIONS

# Suit Filed Against Seven Elected Officials

dered to re-evaluate the petition and make a new determination as to whether or not a local option election shall be called.

In drawing up the petition for mandamus, allegations are made that the required number of voters' names were not certified due to errors and omissions on the voters' registration list supplied

to the county clerk's office by the tax assessor-collector.

The suit charges that the law give the county clerk discretion in certain matters in regard to whether or not she chooses to count the signature of certain qualified voters. Based upon the criteria established by the clerk in two prior local option election petitions within the past year, the petitioners seek to show

stricter rules were used in this case than on the prior two occasions, constituting a clear abuse of discretion.

Other charges state that the county clerk knew at the time of certification that the voter registration list was incorrect and therefore she was unable to accurately ascertain the exact number of qualified voters.

The suit claims that in failing and

refusing to count certain duly and legally qualified voters who signed the petition, this amounts to denial of the voters' civil rights.

Petitioners charge that the tax assessor-collector did not keep a complete and accurate voters' registration list, and that such failure amounted to denial of the signers' rights to petition.

The county judge and the commissioners' court are charged with knowing of the non-existence of an accurate, up-to-date voters' registration list and being informed of discretionary acts by the clerk in determining the number of qualified voters signing the petition.

The appeal states that the county judge and the county commissioners acted strictly upon the certification of the county clerk in refusing to order a local option election when they had a duty independent of the clerk's and tax collector's to ascertain exactly how many qualified voters signed the petition.

Littlefield attorney Tom Tollett represents the petitioners. The district suit is the latest hassle this year in petitions calling for the legal sales of alcoholic beverages.

The petitions issued in July this year represent the third try to legalize liquor sales within a year. In the Oct. 8 commissioners' court meeting, Mrs. Willey said approximately 658 names of the 911 on the petitions qualified according to guides furnished by the attorney general's office and by County Attorney Curtis Wilkinson. A total of 743 names would have had to certify to call the election.

The certified number is 85 names short of the necessary percentage.

At the time the petition was filed, 25 percent of the number of voters in the last governor's race was necessary to call an election. To be valid now, a petition seeking a local option election must be signed by 35 percent of the number of persons who voted in the last gubernatorial election.

An inquiry by the "wet" forces has been made to determine how many petition signers would be necessary to call an election inside the city limits. At press time, the clerk's office was checking the poll lists in the last general election trying to determine how many of the voters live inside the Littlefield city limits.

The last general election drew a large number of voters, and an unusually large turnout of Mexican Americans who came out to support Munoz for governor.

It is possible to continue petitioning while the civil case is pending. A local option election can be held county wide, in a justice precinct or incorporated city or town. The expense to the county is limited to holding one election per year in each of these political subdivisions.

This means that an election to legalize the sale of alcoholic beverages can be called at county expense in the Littlefield city limits, another justice precinct, county wide, or in another incorporated town as long as such an election isn't called in any of these instances more than once a year.

A local option election can be called more than once a year in any of these jurisdictions by paying 25 cents per voter for all registered voters residing within the territory affected by the issue.

### City Postpones Gas Rate Action; Re-Appoints Members To City Board

In a brief meeting Thursday night, Littlefield city councilmen authorized

the mayor to sign a resolution denying Pioneer Natural Gas Co. a monthly rate adjustment and agreeing to participate with other cities in studying future requests and, if necessary, representing the cities' interests in formal proceedings.

Councilmen also re-appointed three members to the Board of City Development; granted a request from a Texas Tech student for the use of Bull Lake for research purposes; and passed a resolution authorizing the creation of a new department of Civil Defense.

In a letter dated Aug. 22, Pioneer Natural Gas Co. applied to approximately 56 cities in their West Texas Distribution System for a monthly adjustment in the rates charged its customers to reflect changes in the average cost of gas in the fields served by the system.

The council members had met with other cities in studying the request, and

the cities decided to deny the request and study future requests in order to determine the necessity of such rate regulations.

The city authorized the steering committee of the West Texas Utilities Committee to create an organizational structure through which the study will function.

The 12 members of the steering committee are Dudley Bayne, city manager of Hereford; J. E. Chisholm, mayor of Littlefield; Keltz Garrison city councilman of Plainview; Jake Geron, city manager of Brownfield; Johnny Horn, mayor of Bovina; Ronald Neighbors, city manager of Odessa; Fred Poe, assistant city manager of Midland, who serves as chairman of the group; Fred Senter, city attorney of Lubbock; Pat Stephens, city commissioner of Canyon; Carroll Taylor, city manager of Lamesa; Pete Thompson, mayor of Abernathy; and Don Watkins, city alderman of Ralls.

Terms of three members of the Board of City Development were expiring, and council re-appointed them to their posts. They are Joe Montgomery, D. C. Stewart and Ed McCanlies. Other members of the board are Mrs. Marge Anzeline, J. L. Markham, James Settle, Mrs. Elouise Cox, Calvin Price and Mickey Ratliff.

During a meeting Friday morning, new officers for the board were elected. Calvin Price will serve as president, Elouise Cox is vice president and James Settle is secretary-treasurer.

In a letter to City Manager Jim Blagg, dated Oct. 10, James W. Bennett of Texas Tech, a graduate research assistant, sent a formal request for permission to trap on Bull Lake during the 1973-74 waterfowl season. Councilmen were advised that he is writing his master's thesis on a study of the effects of winter stress on green-winged teal in the High Plains Region of Texas.

Councilmen passed a resolution creating a new department of Civil Defense. "This is a procedural move to separate the Civil Defense from the fire department," advised the city manager.

The resolution states, "There is hereby created within the municipal government of the city a new department which shall be called the 'Department of Civil Defense' and which shall have a separate and independent existence from all administrative and budgetary purposes." All councilmen, the mayor and city attorney were present.

### Camper Club Meeting Here

The regional meeting of the Silver Streak Camper Club is meeting in Littlefield this weekend.

Members have parked their trailers in the free campsite on Highway, and will be meeting through today.

Byron Douglas of Littlefield is hosting the group, and the public is invited to go by and extend a "Welcome To Littlefield" to the guests.

"Last year, they said Littlefield treated them better than any town they've ever been in," stated Chamber of Commerce and Agriculture executive, Bill Payne. "Go by and chat with them" he said.

### Mixon Convicted In Sherman County

Gene Mixon of Littlefield was convicted on charges of receiving and concealing stolen property in Sherman County last week and sentenced to 10 years, probation.

The 41-year-old Littlefield man was indicted in Stratford in December in connection with the theft of two new John Deere tractors stolen from the Stratford John Deere implement dealer.

The tractors were recovered near Littlefield and impounded at the local John Deere house. During a snow storm in early December, the tractors were restolen from the fenced enclosure here. They were later recovered on an Indian reservation in Oklahoma.

Meantime Mixon was indicted on receiving and concealing and theft charges in Sherman, Hale and Lamb Counties. Mixon made bonds of \$5,000 in Sherman County, \$2,500 in Hale County and two \$4,000 bonds in Lamb County.

### Absentee Voting Now In Progress

### FOR HOMECOMING

## Wildcats Win By A Whisker

By ANDY ROGERS

There's an old saying that goes, "Everything comes to him who waits." But the Dimmitt Bobcats will disagree with that old proverb, for Friday night they waited until the second half to unpack their offense and then watched helplessly as the clock ticked out, giving the Littlefield Wildcats an 18-15 Homecoming win.

It was the first District 3-AA game for both squads. Dimmitt was expected to give Littlefield their stiffest challenge in defending their crown, but they let the Wildcats pull out to an 18-0 lead, and then blew their last chance on a mixup on the last play of the game.

With 3:28 left and Dimmitt trailing 18-15, the Bobcats began their last drive of the night from their 21. On first down, Fullback Florence Acevedo was stopped for no gain, but the Bobcats moved steadily downfield after that. Gene Veals swept left for seven, and then Gary Wise crashed up the middle for three more, almost. A measurement was made, and the ball was found resting just inches short of a first. Dimmitt sent Wise crashing up the right side, and Robert Mayberry followed right behind with the ball. Mayberry spun to the 33 and picked up the first.

Mayberry came right back and took the option pitchout around the right side to the 41. Linebacker Kenny Owens stopped him head on on second down for a pickup of one. On third down, Tackle Ricky Hopping grabbed Mayberry behind the line, and Dimmitt was again faced with a crucial fourth down play. The call went to Wise, who jammed up the middle to the 45.

There was 1:01 left, and Dimmitt went to the air to hasten their progress. Quarterback Ronnie Lawson lofted a long pass to Mayberry, who caught it on the 37 and was immediately slammed to

the ground by Pat Henderson and Bill Turner. A facemask penalty called on the tackle moved the ball to the 22, and Dimmitt looked ready to move it in.

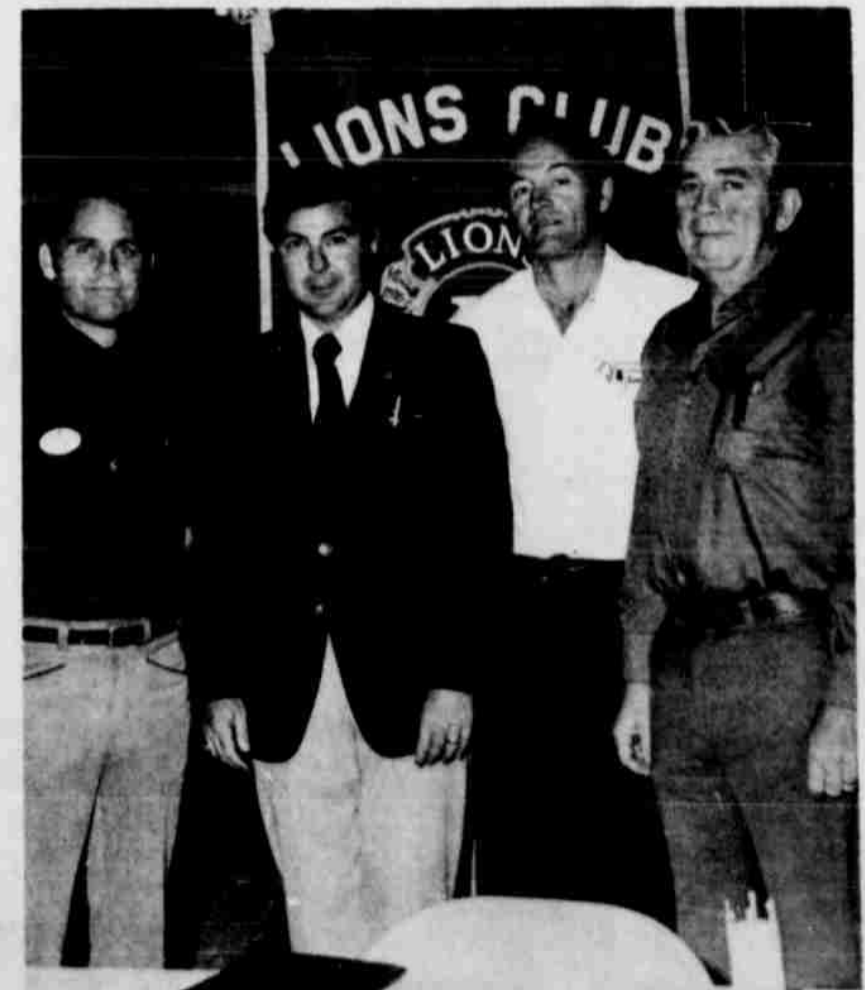

Mayberry took a screen pass to the 16, where he fumbled out of bounds. On second down, he carried around right end to the nine, and Dimmitt had a first down with 25 seconds to score.

Everyone in the packed stadium knew by this time that Mayberry was going to carry, but the question was where. He started a sweep right, and took two steps before Ricky Richards dove over a blocker and tripped him on the nine. There was still time left, and the Cat defenders quickly lined up. But the play never came, for the Dimmitt team made a very costly mistake, and failed to get off another play before the clock ran out.

It wasn't clear what was going on on the Dimmitt sidelines during those last few seconds, but it appeared that the Bobcat kicker, Ricky Wright, was supposed to come on and try a field goal that would have tied the score. But no one was there to take the snap from center Lance Louder, who dutifully took his position over the ball until the last frustrating seconds. He finally snapped to Brad Sanders, who happened to be the only one in the general area where the quarterback should be, and Louder's desperation pass was just that—desperate, and far off its mark. The clock counted down, and the Wildcats climbed the first rung to their third consecutive district crown.

Littlefield didn't take long to get on the scoreboard. After kicking off, the Cats held Dimmitt to five yards on three downs. Jimmy Furr punted the ball on the 41, and Turner received the ball on the 41. He cut up the left side, picked up a block from Henderson, and cut up a hole to

## Veterans Day

**THE ATROCITIES** American prisoners of war suffered at the hands of the North Vietnamese sound like something out of a horror film—not actions one would expect from fellow human beings.

But it did happen and, as in wars past, our soldiers performed admirably under the circumstances.

WITH THE POW's return fresh in our minds, along with the memory of others who fought and died, throughout our national history, that we might live, it is

right we should make Veterans' Day, Oct. 22, a tribute to their sacrifice.

**VETERANS' DAY** is a time to let patriotism shine through.

Because men and women were willing to meet their country's call, the United States has been able to grow and send its message of freedom across the world.

One day out of 365 is not nearly enough to express our gratitude to the "American doughboy" for his efforts to preserve the liberty and Constitutional rights we enjoy today—but it's a start.

## DEAR EDITOR

Dear Editor:

A news article in your paper about the Amarillo Doll Fair Oct. 26, 27 and 28 would be of tremendous interest to your readers and would help support the Nurses Scholarship Fund which is vital for the growth and improvement of medical facilities in the tri-state area. The fair will be held in Amarillo Civic Center from 1 to 9 p.m.

Your interest in and support of this fair would be very much appreciated by both the Amarillo Doll Association and the Northwest Texas Hospital School of Nursing. The ladies of the Amarillo Doll Association have worked for months for this fine and worthy charitable cause, and look forward to a profitable show, as well as providing thoroughly delightful entertainment for the ladies in the tri-state area.

The Fair will feature 25 exhibitors from 11 states. Some of these people are well known nationally among dollers, and their presence is a real feather in our cap.

The Fair is an event that doll lovers will not want to miss!

Yours truly,

## A Woman's View

By PEARL BRANDON

**IN OUR CONTACTS** with other people, we find many human problems, some so great they seem beyond solution.

What can you say to people like that? It does very little good to try to talk with them. Even though I love you very much, how can I know how bad you hurt, or how can I relieve your pain.

Even quoting Scripture from holy men of old seems to do little good. Their one cry is "why did this happen to me—WHY?"

I LOVE the Psalm, "God is our refuge and strength, a very present help in trouble."

I truly believe this, that He is a very present help in time of trouble.

BUT, you say, why all the distress in the world—why the wars, and wide spread of hunger and pain?

If God answers prayer why doesn't He cause all these great problems to be solved?

GOD QUIETLY moves in history and in our lives. He moves through people. I feel we must all find God for ourselves. We must personally come in contact with Him.

Take, for instance when you walk into a dark room and turn on a light, you turn the light on in that room only—your room.

YOU DON'T light the whole world with that little light. If we could get enough people turning on lights soon all the world would be light.

We come in contact with God. He fills us with His grace and we shed His love into the lives of other people. Those around us.

They learn from us what it is to worship the one true God, shown through his son Jesus Christ.

IF YOU have never known the power of God in your life it sounds trivial to you when I say all you have to do is reach out and turn Him on in your life.

GOD DOESN'T promise to remove all

sorrow and pain from our lives but it will surprise you how much easier to bear they will be.

There comes an inner strength to hold you up and you will have peace in your heart. He works silently and quietly bringing about good in the world and in our lives. All He asks of us is to believe on Him and to rely on Him for guidance.

WE ARE SO used to trying to work things out for ourselves it is hard to turn loose and let Him guide us.

He says, "Be still and know that I am God."

TRY THIS. Get completely off to yourself, all alone where there is no one except you and your Father in Heaven.

Tell Him everything that is bothering you, from the smallest to the biggest. Pray yourself completely out then be quiet for awhile and listen for that "still small voice" that will come from deep inside. I promise you that the "peace that passeth understanding" will come to you.

You will know your problems will be solved, or that you will have the strength to face them.

THERE IS NOTHING in the world that can whip you and God.

Remember He made you. He knows every little thing there is about you and loves you like you are; and you have no reason to be afraid or ashamed. The more you need Him, the more He loves you.

IF YOU are weak (and most of us are) remember He uses the weak things of this earth to show His strength.

NO TWO of us are alike but we all have our problems—sometimes we stub our toes and fall but He picks us up and heals our wounds and faces us in the right direction again.

"God is king of all the earth; sing ye His praises with understanding. Praise ye the Lord!"

## THE ABUNDANT LIFE

# Real Friendship

WE USE THE WORD "friend" very loosely, and there is nothing wrong with this; because it does mean "acquaintance". It is also used to refer to a person who is not hostile, and, generally, we understand this usage.

It may be used to designate one who is of the same nation or group. All of these usages of "friend" are acceptable in our conversation, but "real friendship" is more than any of these; more than all of these.

WE APPRECIATE people, most people, with whom we are acquainted, but these are not necessarily part of a "real friendship", in their association with us. We are also thankful for all feelings of good will, but the people who thus accept us are not automatically participants in an association of "real friendship".

We may have common interests with people who are in the same group, but this is no guarantee of "real friendship". Nevertheless, we appreciate most acquaintances, and especially the people of "good will".

THERE IS NO SUBSTITUTE for true friendship, because there is nothing else like it. It provides blessings that nothing else can provide.

Living without friends is a lonely, dreary and discouraging experience. Without the help and the encouragement of "true" friends; life can be very nearly unbearable.

SOME PEOPLE have tried to let their wealth, or success in business, or some such thing take the place of friendship.

## HONEY GRAYS

By CORNBALL BLEY

WE CLAIM to be at peace and enjoying our new-found relationship with the Reds, but we may as well quit kidding ourselves.

We're just as much in a struggle for survival, as if we were out on the battlefields. There can be no truce between major powers with as many differences as the supposedly free world and the commies. We just don't integrate.

NEITHER CAN our economic war be discounted, in the least. Those that are busy scuttling our dollar, may make us wonder just who our friends really are. Our old allies, namely, France and Jolly old England, have really done their part in the assault on our economy. With that kind of friends, who needs enemies??

Then, you'd might as well know, the sudden demands of the Reds for our grain and cotton, may not just be because of friendly feelings for us, and because they really need these wares. The sudden forages on our staples have caused our inflationary spiral to become a violent inflator. Our economy is like a firecracker with fuses lit, at both ends! (Better hope they're long fuses!)

OF COURSE, YOU'RE aware that the middle-east struggle has important effects on our fuel supplies. Any nation

Some have tried one thing, another; but no one has been able to do anything as helpful and enjoyable as "real friendship".

"IN POVERTY and other miseries of life, true friends are sure to be young they keep out of mischief, old they are a comfort and aid in weakness; and those in the prison they incite to noble deeds."

WITHOUT FRIENDS, we miss the real joy and satisfaction of life. They supplement our strengths, share our disappointments and they give wider scope to our happiness and usefulness.

We are going to be doing for a general way, about the same things they will be doing for mutuality is one of the desirable of wholesome human associations.

FRIENDSHIP CANNOT be maintained without continuing attention. "Thoughtfulness is perhaps the key word in consideration of the maintenance of friendship."

There is a price that must be paid to all who would have friends. "A man has friends must show himself to be a friend and there is a friend who stands taller than a brother." -Proverbs

"I DON'T NEED FRIENDS" statement heard now and then, is true that some people seem to have "less" need than others for friendship. One's life is never the best it can be without the sustaining strength of friendship.

## Turn Row COMMENTS

By EMIL MACH

FROM ALL INDICATIONS, people will be eating 22 more pounds of beef and veal per year in 1985 over what they are eating now. Also the pork consumption will increase 2 pounds. We will average eating 12 more pounds of chicken per year in 1985 and 1.7 more pounds of turkey.

In dairy products surveys show a decline on eggs by 1.8 pounds per year and other dairy products will be reduced by 63 pounds per year.

It is my opinion that food stamps may be a factor to this better eating or more eating. With the amount of overweight people we have today I'm not sure what our population will look like in 1985.

From the trend indicated we may be eating more protein and less fats and all of us may start looking neater and trimmer.

IF THE MIDDLE East War continues, those here in America that produce natural fibers such as cotton and wool may be in greater demand next year than we are this year. With an unexpected shortage of petroleum due to the cancellation of petroleum from the mid east, there will be a shortage of man-made fibers, thus creating a strain on natural fibers.

It is my opinion that our cotton price will be even greater next year because of this shortage. Of course there will also be a greater demand for feed and food grain also because the trend for better eating is on the upswing.

ACCORDING TO a professor in our mid-western states, we are entering a new forty-year cycle in relation to weather.

He indicates that famine will exist in various countries in and out of Africa and sections of Asia, due to lack of rainfall and we here in America will be blessed with rain, thus creating a possibility for better crops. Even we should have a better or warmer climate.

We are feeding a large percent of world now and to many countries credit. If the prediction is true we produce ourselves into bankruptcy.

Perhaps the people on this planet wake up and find out that we no longer can survive alone and that we are dependent on each other.

MR. FARMER, HAVE you wondered why we are steadily having an increase of whitewoods or silviculture?

Hope to tell you all about it in today's column and who knows, might even have a solution to the problem. Also in future columns we to give a few comments on glass cottonseed, and maybe if necessary throw a few punches at Cornball.

HOPE EVER URGES US on and us tomorrow will be better.

DON'T BE AFRAID TO USE MORE COLOR One of the biggest trends in the home furnishing field in the last few years is the amazing increase in color—as homes are decorated more colorfully now than at any time in history.

Actually, in recent years all the so-called old color combinations have been left behind. Do you remember when it was a matter of mixing reds and greens or blues and browns, of course, these are among the most popular combinations used.

More and more, we see more and more colors in decorating—and more color combinations. This is a major trend and is likely to continue stronger than ever.

Just as all TV and telephones used to be without color, and now they are seen in all different colors, so a variety of colors is shown in all furnishings in the home, as never before.

If you still prefer the so-called neutral colors such as greys, blacks or whites for your major colors, be sure to use a bright splash of color now and then in a room on some accessories and furniture to keep your room from being drab.

If you would like some assistance in choosing major colors or simply recent pieces, please stop in. There's no obligation, and we'll be glad to help you bring more color and life to your home.

## Lamb County Educators To Attend District Meet

A large delegation of Lamb County educators will attend the annual fall convention of District XVII, Texas State Teachers Association, in Lubbock Oct. 25 and 26.

All Lamb County schools will be dismissed Friday, Oct. 26, to allow teachers and administrators to participate in the in-service training provided at the meeting.

The district convention will include a general session for all educators in the 17-county district, section meetings for those in various subject-matter areas and interests, and a meeting of the District XVII House of Delegates. This district governing body is composed of elected representatives from each local association in the district.

Elected delegates from the Lamb County unit are: Mrs. Irma Dean Waters of Anton, Mrs. Jan Martindale of Littlefield, Leon Burch of Littlefield, Miss Janice Kraushar of Littlefield, Mrs. Sandra Nix of Sudan, Bill Anderson of Springlake-Earth, Mrs. Mae Wassum of Amherst, Mrs. Lucy Bley of Olton, Martha Shackelford of Olton, Mrs. Carol Seaborn of Olton, Bill Mann of Springlake-Earth, and Mrs. Joe W. Bailey of Spade.

The House of Delegates will meet at 6:30 Thursday, Oct. 25 at the Coronado High School cafeteria, and convention registration will begin at 6 p.m. that day.

The opening general session will begin at 9:30 a.m. Friday in the Lubbock Municipal

Coliseum, where Dr. Millard G. Roberts of Oneonta, N.Y. will be the featured speaker.

The session for elementary teachers begins at 2:15 p.m. at the Coronado High School auditorium, and Dr. Jo M. Stanchfield, professor of education at Occidental College in Los Angeles, Calif. will be the speaker.

Secondary school section meetings will be held at 1:30 in various places—all listed on the programs.

Retired teachers, or active teachers who plan to retire within the next few years, are invited to the TSTA District XVII retired teachers sectional meeting and luncheon Friday, Oct. 26, at the First Christian Church in Lubbock at 12:15 p.m.

Reservations should be

turned in by Tuesday, Oct. 23, by calling or writing C.C. Perryman, 2320 Eighth Street, Lubbock, 79401, telephone number 762-1819.

Cost of the luncheon is \$2.50, and Charles M. Rogers of Amarillo will serve as speaker.

BRAD STANLEY, son of Mr. and Mrs. Larry Stanley spent Monday with his grandparents, Mr. and Mrs. George Tollett of Littlefield. MRS. ROYCE STANLEY spent Sunday afternoon with her parents of Anton.

## Amherst Club Hears Program

AMHERST—The Amherst Study Club met Monday night, Oct. 15, in the Homemaking Department of the Amherst High School, with four high school girls bringing the program in a panel discussion on "Our Friendship Garden, blooms with Youth".

Those on the panel were Linda Weaver, Denise Cornelius, Debbie Cummings and Mandy Coffey, seniors.

Others on the program were Ann Hedges and Mrs. W. P. Stone.

Refreshments of ice cream and assorted cookies were served by hostesses Stone, Payne and Donnell.

## Forum Club Has Meeting

The Forum Club met Thursday, Oct. 11, in the home of Mrs. Frank Cummings with Mrs. Hubert Henry, president, presiding.

The continuing project of musical toys for non-ambulatory children in the Lubbock State School was discussed.

Mrs. Hazel Ward reported that the Woman's Club indicated they would help supply Gold Bond Stamp books to help with the purchase of the toys.

Mrs. Henry reported her D.E. students would like to continue to help with the project. More than 65 musical toys have been donated by the Forum so far. About a hundred more are needed.

The theme for the club year, "Focus on American Heroes", was introduced by Mrs. Edward Betts who gave a program on George Washington and Abraham Lincoln. She pointed out that although their backgrounds and personalities were just the opposite, each was the right man for the period of time in which he served. Another interesting fact given was that George Washington was the first president that claimed the power to invoke executive privilege and that President Nixon was the tenth chief executive to do so.

Following the program, a refreshment plate of pumpkin pie, finger sandwiches, nuts and coffee was served by the hostess.

## WEE ONES

## JET AGE SEWING

MRS. FRANCES JONES

Some time ago I promised that I would give you several different methods for making bound buttonholes. I usually use the two-piece tuck strip method but you may prefer the one I shall explain today. It works well if the cloth is firm but not too bulky.

Mark the buttonhole lines through the garment and interfacing. (1). For each buttonhole cut a strip of garment fabric on either lengthwise or bias grain. Cut it 1" longer than the buttonhole and 1" wide. This will make the buttonhole piping. Mark the exact lengthwise center of the strip with a basting. (2).

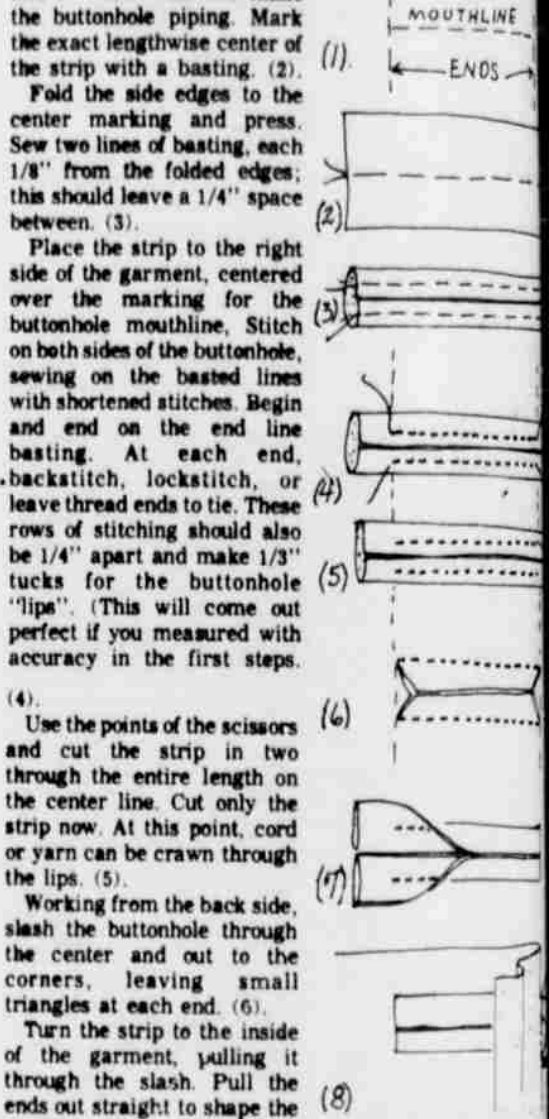

Fold the side edges to the center marking and press. Sew two lines of basting, each 1/8" from the folded edges; this should leave a 1/4" space between. (3).

Place the strip to the right side of the garment, centered over the marking for the buttonhole mouthline. Stitch on both sides of the buttonhole, sewing on the basted lines with shortened stitches. Begin and end on the end line basting. At each end, backstitch, lockstitch, or leave thread ends to tie. These rows of stitching should also be 1/4" apart and make 1/3" tucks for the buttonhole "lips". (This will come out perfect if you measured with accuracy in the first steps. (4).

Use the points of the scissors and cut the strip in two through the entire length on the center line. Cut only the strip now. At this point, cord or yarn can be drawn through the lips. (5).

Working from the back side, slash the buttonhole through the center and out to the corners, leaving small triangles at each end. (6).

Turn the strip to the inside of the garment, pulling it through the slash. Pull the ends out straight to shape the

## Couple Wed In Canada

ANTON—Miss Suzanne Williams of Anton and Gary Yabsley of Ottawa Ontario, Canada were united in marriage in the home of the groom's parents Saturday, Oct. 6 at 7 p.m.

The bride is the daughter of Mr. and Mrs. Orval Williams of Anton. Yabsley is the son of Mr. and Mrs. Mervyn Yabsley of Ottawa.

The bride has a degree from the University of Texas. She has been employed as a teacher in Fredericton, New Brunswick.

The groom graduated from St. Francis Xavier University in Antigonish, Nova Scotia with a B. A. degree. He also graduated from the University of New Brunswick in Fredericton with a LL.B. degree.

The couple will reside in Ottawa until February when they will enter the University of Nice in Nice, France.

## ENOCHS NEWS

### Study Club Hears Speaker

ANTON—Mrs. Clyde Henderson of Coleman, was guest speaker at the Monday night meeting of the Anton Study Club. Her subject was, "Africa—Understanding Other Cultures."

Mrs. Henderson told of her three-month visit to the Republic of Gabon, equatorial West Africa. She visited her daughter, whose husband is an employee of Gulf Oil Company. She stated that area is still "Darkest Africa."

Mrs. Henderson said that the residents do not raise anything to eat because of the extreme dampness and living expenses are very high. While in Gabon, she visited Dr. Schweitzer's hospital at Lamboirene.

During the business session, reports were given by those who attended the Caprock District Board meeting last Saturday. Musical entertainment at the noon luncheon was provided by the Anton Study Club. The club won \$25 for having the largest attendance at the district

board meeting.

It was announced by Mrs. E. C. Sliger that the long campaign by the Texas Federation of Women's Clubs to save the Big Thicket had succeeded and 84,000 acres would be made into a National park.

Mrs. Wilson Williams was hostess to the meeting with Mrs. Jack Conkin, co-hostess. Mrs. Jimmie Yates, Lubbock, was also a guest at the meeting.

The next meeting of the Anton Study Club will be held Nov. 5 at the home of Mrs. Johnie Harper, Sr. A book review "John Philip Sousa" will be presented by Mrs. Raymond Marshall, and Miss Inez Farrell of Lubbock.

Members of the 1950 Study Club will be guests for the book review.

### YOUNG FATALITIES

Drivers under 25 years of age hold 18.7 per cent of the driver licenses in the country, but were involved in 29.5 per cent of 1972's highway fatalities.

### Airman Haile Completes Basic

Airman Randy Lynn Haile, son of Mrs. Virginia Z. Haile of Littlefield, has been assigned to Keesler AFB, Miss., after completing Air Force basic training.

During his six weeks at the Air Training Command's Lackland AFB, Tex., he studied the Air Force mission,

organization and customs and received special instruction in human relations.

The airman has been assigned to the Technical

Training Center at Keesler for specialized training in the armament systems field.

Airman Haile, a 1970 graduate of Slaton High

School, attended South Plains College. His wife, Carol, is the daughter of Mr. and Mrs. Coy E. Piercy, of Littlefield.

McCall attended church services with their children and families last Sunday night and the baptismal services for their granddaughter, Marthann George at Lubbock.

MR. AND MRS. F. L. Adair of Lubbock visited Mr. and Mrs. J. D. Bayless last Sunday.

MR. AND MRS. Raymond Austin Jr. and family visited her mother, Mrs. and Mrs. Johnnie Cox of Fort Worth last weekend.

THE ENOCHS Co-op Gin was host to their annual fish fry last Saturday. About 300 persons ate all the fish they could eat, plus French fries, pickles, onions, tea and coffee. Everything was delicious and the fellowship was wonderful. People gather here from a distance to attend.

MR. AND MRS. Dale Wheeler are visiting here from Saudi Arabia. They are visiting parents, Mr. and Mrs. C. P. Price, and two brothers, Glynn Price and Keith Price and their families. Dale and Wanda are working for an oil company. They have been there a year and have five more to go.

FARMERS are beginning to gather their crops. Grain turnout is good and cotton is looking very good. Wheat fields are looking as though they might be ready for grazing before too long. The late rains were beneficial to the young wheat.

MR. AND MRS. Kenneth Milsap and daughters of Tulia visited their mother, Mrs. Alma Altman Friday night and Saturday.

MR. AND MRS. Lloyd Pollard and son, Wade spent the weekend with their parents, Mr. and Mrs. Lloyd Pollard. Mrs. Charlie Byars and Mrs. Louise Newton left Lubbock Sunday with a group on a chartered bus to attend the Eastern Star Grand Chapter at the community center in Dallas. They returned home Friday.

MRS. ROSE NICHOLS, Mrs. Bill Key, Mrs. Dorothy Nichols, Mrs. Harrold Layton, Mrs. Wanda Layton, Mrs. J. W. Layton, Mrs. Sandra Austin, Mrs. L. E. Nichols, attended the Annual W.M.U. Workshop Thursday at the Amherst Baptist Church.

MR. AND MRS. David McDaniel of Austin visited her parents, Mr. and Mrs. Harrold Layton from Friday until Monday.

MR. AND MRS. Charlie Shaw returned from Korea and Japan Evangelistic Crusade last Saturday. They gave reports of their trip Sunday morning. Mrs. Shaw was dressed in a Korean costume Sunday night and showed some dolls, Korean Bibles, and displayed some plaques they received from the church in Korea. She gave a report on how they were accepted, and the ways and living conditions of the children and the schools of that land.

A. M. McBEE, who has been in Methodist Hospital for some time, improved enough to come home Saturday.

HOME Demonstration Enochs had its regular Tuesday afternoon. Prayer was said by Bonnie Blackstone.

of the last meeting by the secretary, Dorothy Nichols. The day was "Crafts that can be made for Christmas". Mrs. Petree presented numerous gift ideas. Lunch and coffee served to Elinta, Key, Blackstone, Bonnie G. L. Fred, Mamie Wilma Petree, Louise Dorothy Nichols, Alman, Winnie Byars, Mrs. Ada Long, temporary president and for the fall were Mrs. C. H. Byars and L. Fred. The next is to be held at the home of Mamie Adams Oct. 23.

NEWMAN has been moved to the West Plains at Muleshoe for tests.

COMMUNITY was held Monday morning by F. C. Snitker, resident of Enochs. He is here 30 years. They died in bad health. Mrs. died about 15 months ago and he has been in and out of the hospital since that time. His daughter-in-law has been with him most of the time. Their children are Mrs. C. C. Snitker, Lena Johnson and Mrs. Moore all of Las Vega, and six grandchildren. Services were held at the Baptist Church Sunday afternoon, with J. Terry of Hadley, pastor of the church officiating. Interment at Enochs Cemetery.

TING in the home of Mrs. Kenneth Coats and their children, Mr. and Mrs. Robert Jones of Clovis and Mrs. Kenny and son Kerry Wayne of and. Their son Kim the weekend with the Team of South Plains at Dallas this last week.

HOME of Mr. and Mrs. Baker received extensive damage from fire on a skillet of grease on fire Sunday morning. They were preparing to go to services and were able to get the fire out. They are now repairing at this time.

ALTRY was injured when he slipped off the porch and struck his chin as well. He was kept in the Memorial Hospital for observation, and he received a wash and some bruises, but is able to be home.

TON WEST of Brownfield filled the pulpit for the morning and evening services in the absence of Rev. Shaw. He and his wife traveled to Korea where they were preaching in a Crusade. They plan to be back for next week's services at Enochs Baptist Church.

# FOOTBALL CONTEST

Enter Our Contest Each Week  
Nothing To Buy - Just Pick Winners

It's so easy. . .  
Anyone can enter!  
Read the rules. . .  
Start Winning

**RULES  
OF THE CONTEST:**

All you have to do to be eligible for the weekly cash prizes is to complete the form below and place (or mail) it in the designated box at the Leader-News office. It is the contestants responsibility to see that the form has been placed in the entry box and the Leader-News assumes no responsibility for blanks lost, or delayed in the mails.

One game is listed in each advertisement. Pick the winner and insert the name of that team in the OFFICIAL ENTRY BLANK below. Then in the "Tie Breaker" section, put the scores you believe each of the teams will make. Weekly judging will be based on the total number guessed correctly. In case of a tie, the tie-breaker will be used to determine the top winners. Decision of the Leader-News scoring judges will be final.

To be eligible for the 2 free tickets to the New Year's Game at the COTTON BOWL, the total number of correct guesses will be totaled through the season.

LIMIT—One entry per contestant per week.

BE SURE to complete the forms by PRINTING plainly your name and complete address and turning in the entry blank only. Contest winners will be announced in each Thursday's issue of the Leader-News.

# LITTLEFIELD SUPER MARKET

MARY FRANCES FISHER, center, with Steve Burt (30) was crowned homecoming queen Friday night in pre-game activities at Anton. Other candidates for the title were Virginia Edwards, left, with Brady Goen; and Jerria Peacock with Robert Dalton (72). Last year's queen, Michelle Jones, placed the crown on the new queen's head. ### Whitharral 52 Three Way 20

The Whitharral Panthers put the rest of the season behind them Friday night and to the Panthers: "it's a whole new ball game" as they did the big scoring in defeating Three Way 52-20.

Both teams are members of District 1-B.

Johnny Dominguez led Whitharral's scoring with 18 points via three big touchdowns while Bud Redding scored on a pass from Benito Lopez and Redding also passed to Mike Grant for a touchdown. Gary Hayes also had a big night as he scored two touchdowns.

### 7th, 8th Split Morton Games

The Littlefield eighth graders kept their unbeaten streak alive Tuesday with a 20-0 win at Morton, but the seventh graders lost their game 46-16.

Alonzo Cavazos led the eighth graders by picking up 103 yards Brett Middlebrooks added 57, and James Kemp pitched in 45. Coach Kenny Carter singled out Jeff Birkelbach for outstanding play on defense.

The win improved the eighth graders record to 4-0-1.

Rudolph Smith piled up 132 yards for the seventh graders, and Richard Morgan finished with 33. Carter cited Ben Davidson and Richard Soria for their defensive work. The seventh is now 1-4.

Hustlers of the Week are Alonzo Cavazos for the eighth and Jeff Lust for the seventh.

Both teams have open dates next week, and they will hold intra-squad scrimmages starting at 5 p.m. Tuesday. Their next game will be Oct. 30, at home, against Dimmitt.

BARBARA McBRIDE, far right, looked shocked as she was named Littlefield Homecoming Queen Friday at the halftime in the Littlefield-Dimmitt football game. The other Queen candidates were Jill Owens, left, and Mari

Louise Bennett. The escorts were Bill Duncan, Dan Heard and James Blackwell. Attendants were Mel Blackwell and Troy Duncan. (Staff Photo)

### Wildcat Frosh Fall To Morton

The Wildcat Frosh slipped at Morton Thursday 20-6. The loss put them at 3-3 for the year.

"We feel like we played pretty well," Coach Eddie Hooper said. "But there were a few bad breaks that hurt us. They fumbled once, and we thought we recovered it, but they got the ball, and we had a clipping penalty that put us in a hole.

"They never really sustained a drive on us, but they broke two long touch-

downs of about 40 and 35 yards."

Welton Wormley scored the only Frosh touchdown from the seven.

"Defensively, Jack Speck and Layne McKinnon had pretty good games," Hooper said. "Rudy Ayala had a good night offensively."

Ayala was chosen Hustler of the Week by Hooper.

The Frosh host Muleshoe Thursday, a team they have never played before.

### JV Evens Record, Shoots Indians

The Littlefield JV went to Morton Thursday and put it to the Indians 14-6.

Sammy Schlotzman was the main weapon for the Cats, scoring two touchdowns and rambling 196 yards on 23 carries. His scoring runs were of 19 and 45 yards. Ronald Parmer contributed 29 yards,

Albert Ayala 26, and Steve Cruz 22. Lonnie Twitty scored the other Cat points on a two-point conversion.

The JV defenders held Morton to 162 yards on 34 offensive plays for an average gain of just 4.8 yards.

The JV evened out their record at 3-3.

### Matador 22 Amherst 7

The undefeated Matador Matadors proved to be too much for the scrappy Amherst Bulldogs Friday night as the visitors pulled out a 22-7 win.

Taking the fight to the Matadors, Amherst scored first early in the first quarter when Sandy Moore scooted for 62 yards and the TD. Butch

Sutton kicked the extra point to make it 7-0 Amherst.

This lead held up through the first half but the visitors came on strong in the second half as they tallied their 22 points to make the final score Matador 22, Amherst 7. Olton game

### Sudan 22 Bovina 12

Sudan's Hornets survived a surge by Bovina Friday night for a 22-12 win in District 3A.

After taking the lead on a 23-yard sweep by Hornet half-back Donald Johnson, Sudan

let the Mustangs pull ahead on a two-yard run by quarterback Dennis Willard in the second period and a 42-yard run by halfback Billy Shelby in the third.

DONALD WILLS (31) is congratulated by Danny B... (63) and Lonnie Clark (51) following his first quarter touchdown to put Anton ahead of Plains 8-0. But Pat... came back and spoiled Anton's Homecoming with a win. (Staff Photo)

MARK HANNA picks up seven yards for Sudan in Hornets' Homecoming win over Bovina. Hanna... knocked out of bounds by the Mustangs' Billy Shel... Sudan took the contest 22-12. (Staff Photo)

But the Hornets fought back on a 12-yard, third quarter run by fullback Pat Hedges. A pair of successful extra point runs for the Hornets made the edge 16-12. Sudan ensured it's win in final seconds of the 16-12 period and a fumble recovery for a TD by Mart Davis

Bobcats moved on down to the 14, but three plays netted only five and Ricky Wright came on to try a 25-yard field goal. It carried far enough, but was to the left.

Littlefield, faced with a fourth and one on the 29, had to kick, and Dimmitt concentrated on the block. Turner got off a good punt, and the ball rolled unheeded to the 24.

On second down, Veals fought around the right side, was hit, and the ball popped loose. Linebacker Gary Lichte was there, and the ball jumped into his hands. Lichte was brought down on the 32, and the Cat offense greedily capitalized on the break.

Tailback Owens made a tough first down on third and two from the 24, and

Henderson did the rest. He took the counter handoff down the line, found a hole, stepped through the arms of one would-be tackler, and beat the last defender into the corner of the end zone. The Cats tried for two, but Henderson couldn't hang on to Bryson's pass.

One notable absentee in the Bobcat's lineup in the first half was running back Robert Mayberry. He had sat out of the Bobcats' game the week before but was believed to be ready to go for Friday's clash. He played defensively the first half, but Dimmitt went without him on offense. However, the Bobcats had to have some help at the half, and Mayberry's second half performance was one of Dimmitt's brightest spots in a disappointing night.

Dimmitt fought off an early Littlefield threat when a quick pitch to Henderson bounced off his shoulder pad. Acevedo recovered on the Bobcat 19.

Dimmitt got up to the 30, where on first down, Quarterback Brad Sanders rolled left and tried to pitch out to Veals. Linebacker Craig Ratliff stepped in, grabbed the ball as it went by, and returned it to the 24. Owens carried 13 yards to the 13, and three plays later, the Wildcats were faced with a fourth and four from the seven. Bryson faked to Cook up the right side, and the Dimmitt line opened a hole in the middle, Henderson cracked back up the hole and churned into the end zone. Cook was stopped on the conversion, and Littlefield led 18-0.

The rest of the game belonged to Dimmitt. Mayberry popped up the right side for a 52-yard touchdown on Dimmitt's ensuing possession and Wright's kick tightened the score at 18-7.

Wise set up the next Dimmitt score when he converted two third down plays and one fourth down to keep the drive going. Mayberry finally scored on a 17-yard screen pass on fourth and four, then slashed up the right side to make it 18-15 with 5:05 left.

But Dimmitt lost it's opportunity to pull off the upset with their mix-up on the last play, and Littlefield's Homecoming fans went home happy.

Statistically, Dimmitt had the upper hand. They picked up 17 first downs, to Littlefield's 13, and were ahead in total

yardage 261 to 226.

The Wildcats head to Friona next. The Chiefs polished off Olton Friday 33-18, so they are co-leaders in 3-AA with Littlefield. The winner of that game in Friona will have sole control of the lead.

## Posse Slates Open Play Day

Lamb County Sheriff's Posse will conduct its open monthly play day today in the play day arena.

Registration begins at 1 p.m. and activities in several events are scheduled to begin shortly thereafter.

The play day arena is located near the Lamb County Show Barns off Hall Avenue in Littlefield.

## Spade 65 Trojans 43

Led by Jerry Gray's and Marvin Matthews' 19 points apiece, the Spade Longhorns captured their first basketball outing of the year Friday as they defeated the Christ The King Trojans 65-43.

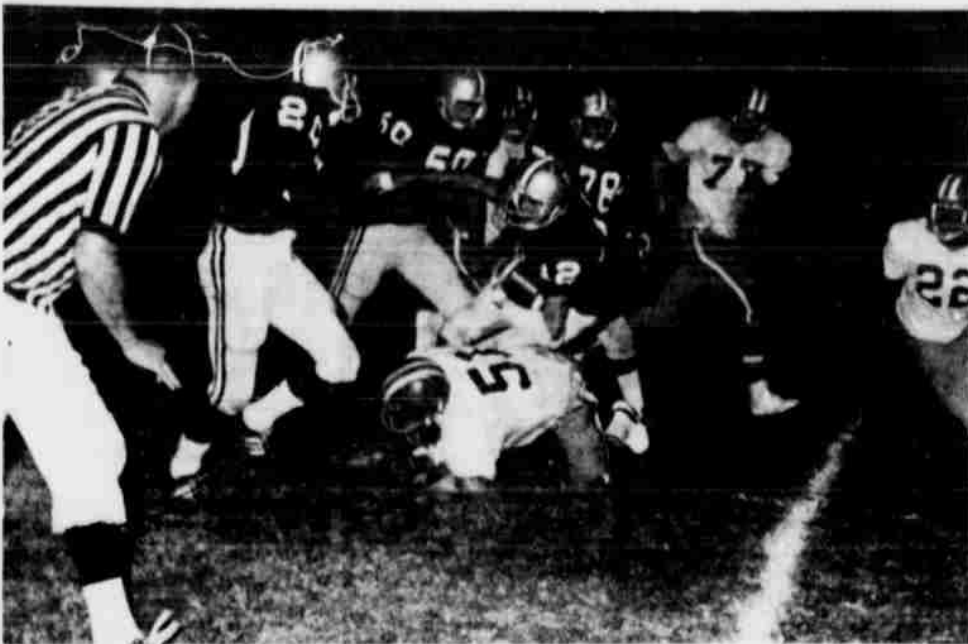

Spade held a 31-15 half time advantage and at the end of three quarters, it was the Longhorns 48 and the Trojans 22.

Other scoring for the Longhorns was by Reed with 7, Mills with 4, Ramage with 2, Burchfield with 2. Cowan pitched in 10 and Elizondo with 2.

Debbie McCoy led the Spade girls in a losing effort as she pitched in 18 points in a close 38-36 loss.

LEADED BY WILDCATS Bill Turner (10) and Terry (11), this is one Dimmitt Bobcat who wished he'd seen the ball. Coming in to help are Gary Lichte (50), Doug McCain (76), Pat Henderson (20) and Randy Cook (45). (Staff Photo)

CRAIG RATLIFF (42) intercepted a pitchout Friday leading to the Wildcats third touchdown in their 18-15 Homecoming win over Dimmitt. Here Ratliff is tackled on the 24. Pat Henderson (20) went over for the touchdown six plays later. (Staff Photo)

TOP PLACE FLOAT entry in the homecoming parade was the VICA float depicting a "Blast the Bobcats". Second place winner was Macha Seed Co.'s PPV entry (a powered vehicle). (Staff Photo)

## Wolverines 14 Kress 7

Able to score twice in the first quarter and then hold off Kress the rest of the game, the Springlake Earth Wolverines battled to a 14-7 victory over the hometown Kangaroos.

Playing opportunistic football, the Wolverines waited until Kress had tallied

first before getting on the boards. Jacob Miller did it in grand fashion as he went 65 yards for a touchdown and then Hal Wood added the tying conversion to make it 7-7. Capitalizing on a blocked Kress punt, the Wolverines scored again as Brad Baker scored from 25 yards out.

## Friona 33 Olton 18

Olton's Joe Alcorta led the Mustangs to a quick 12-0 lead over the Friona Chieftains Friday night but it wasn't enough as Friona fought back to take a 33-18 District 3-AA win.

Alcorta scored first with seconds remaining in the first period on a 16 yard run and then came back early in the second quarter to make it Mustangs 12, Chieftains 0. After the half, the game was all Friona's and the final score read, Friona 33-Olton 18.

## The SX-70 is here.

Once or twice in a lifetime, there comes a moment so radically new, it actually changes the way we live our lives. The SX-70 was one.

As a Polaroid believe the SX-70 is another.

The initial cascade of revolutions, mechanical, optical and electronic, that made the SX-70 possible had only one purpose: to free us from everything cumbersome and tedious about picture-taking, so that it could become the simple creative act it should be.

Now that all you need to do is frame your picture, bring it instantly into perfect focus and push a button, now that the picture is automatically delivered into your hand in less than two seconds, to time itself and develop into a photograph of a depth and brilliance unparalleled in amateur photography, what might once have seemed like a family duty or even just an interesting hobby, can become a spontaneous and constant pleasure in your daily life.

Ask for a demonstration.
