

Payton, Palmer Score TD's To Regain 'Trap'

Littlefield Wildcats took advantage of Levelland turnovers to capture a 13-6 victory and regain the coveted 'Trap'.

Numerous times the Ronald Palmer to Bill Turner pitchout was executed with near-precision to amount for most of Littlefield's 232 yards rushing.

Outside blocking by Rick Hopping was a big factor in the offensive show as was the bulldog-like rushes of Reginald Payton, Steve Cruz and Hopping from their backfield positions.

The Littlefield defense was again

tough as nails and while Levelland did rush for 180 yards and pass for 56 more, most of this was in the center of the field and if the Lobos weren't stopping themselves, it was the 'Cat defense led by Hopping, Payton, Cruz and Layne McKinnon.

There was a good crowd in the stands despite the inclement weather and all sorts of rain gear was to be seen but

what one didn't see was many fans leaving due to the elements and they got their moneys worth too because the outcome of the game was in doubt until Cruz intercepted a Don Yarbrough pass with six seconds remaining with the Lobos only five yards away from the Wildcats' goal line.

Littlefield received the opening kickoff and moved the ball from their

own 33 to the Levelland 46 before punting the ball to the Lobos.

Turner punted to the Levelland 10 yard line and it was returned to the Wildcat 20.

On the Lobos first offensive play, Littlefield drew an offsides penalty and the visitors had a first and five situation.

The tide changed swiftly as Levelland gave up their first of six fumbles for the

night as Cruz pounced on the pigskin and Littlefield was in excellent field position on the Lobos 26 yard line.

Four running plays moved the 'Cats to the 10 yard line where Palmer scored the first TD of the night following Turner's blocking with 7:56 left in the first quarter. Turner's kick was off to the left and the score remained 6-0.

Levelland was unable to move on their possession and the Lobos kicked to the Wildcat 17 yard line.

On the first play, the wet pigskin eluded Turner's grasp and the Lobos set up shop on Littlefield's 23 yard line.

Seven plays later, Russ Phillips caught a Don Yarbrough pass for Levelland's only score to tie it up at 6-all.

That was the scoring for Levelland for the night as the PAT was off to the right.

Neither team was able to score in the remainder of the first half although Littlefield marched to the Lobo 19 yard line before a pass interception stalled the drive. Littlefield knocked on paydirt's door later in the first half also as the 'Cats drove to within 11 yards of paydirt before a field goal attempt was no good.

HALFTIME:

Once again the Wildcat Marching Band put on an excellent halftime show with their increased numbers and flag routines. The band entered from the north end zone to the tune of "March Monterey" and then executed a series of step-two drills to the tune of "Americans We". The twirlers, Debbie Burks, Karen Carter and Cindy Drake entertained to "Have You Ever Been Mellow?"

The Mighty Wildcat Band marched off the field playing VICTORY!

SECOND HALF

Littlefield received the second half kickoff but was forced to punt after moving from their own 27 to the 36.

Turner punted to the 35 and the Wildcat defense became a little porous as Levelland moved to the 'Cat 31 in 4 plays. However, a Yarbrough fumble was recovered by Payton with 7:55 left in the third quarter to thwart the drive.

Littlefield, hampered by fumbles and penalties, was able to move only to midfield before being forced to punt.

On Levelland's first play following the kick, Payton again intercepted a Yarbrough pass and set the 'Cats up in field position on the Lobo 12 yard line.

Turner and Payton alternated carrying the ball until it was second and goal to go on the one yard line. This time Payton bulled his way over for the go-ahead score to put the 'Cats with 12 points to the visitors 6. This time Turner's PAT attempt was good and that was the scoring for the night as Littlefield took a 13-6 lead with 3:27 left on the board in the third quarter.

The two teams exchanged punts and fumbles in the fourth quarter until Levelland took possession of the pigskin with 1:42 left and the ball on their own 42 yard line.

Runs by their premier running back Lorenzo Childers moved the ball to the Littlefield 38 yard line and an unnecessary roughness penalty against the 'Cats moved it fifteen yards closer to the 'Cat 23.

Fifty-nine seconds remained and Levelland had the momentum.

Childers again carried the ball until he

Wednesday Morning Wreck Fatal To Olton Resident

City patrolman Ray Cannon said two wrecks this week, one

fatal to an Olton man, and one was injured in the other accident.

Artie Chester Yandell, 53, was pronounced dead at the scene of a wreck near Olton about 7:30 Wednesday morning. According to Cannon's report, Yandell failed to yield right of way as he was traveling south on an unnamed paved road, commonly called cemetery road, where it intersects with U.S. 70.

Yandell's late model pickup crossed into the path of a car driven by Theresa Contreras of Olton. The front fender of the pickup was struck, causing the door to open. When the door slammed back, Yandell's head was caught in the door.

Olton justice of peace W. G. Finney

pronounced the man dead at the scene.

Sunday night about 11:25 p.m. a 21-year-old Lubbock woman, Kim Dearing, was involved in a wreck near Springlake, 170' east of FM 2080 off U.S. 70. According to the officer's report, she was driving east on 70 and crossed over

into the west bound lane and struck a car driven by Clifford Edmond Laymen of Dimmitt.

A passenger in the Dearing car, Joe Shults, 21, was brought to the Littlefield Hospital by ambulance for treatment of minor head lacerations.

Clayton Plans Tour

The proposed state constitution will be the topic under discussion at local

meetings with Speaker of the House Bill Clayton, beginning Monday, Sept. 22-25. Everyone is invited to attend.

Speaker Clayton will hold a meeting in the Sudan School from 5 to 5:45 p.m. Monday, the 22nd.

He will then be at the Springlake-Earth School Cafeteria from 7:30 to 8:15 the same evening.

From 8:30 to 9:30 p.m. Monday, the Speaker will meet at the Olton School Auditorium, and on Tuesday evening, the 23rd, from 8 to 9 p.m., he will meet in Littlefield at the Lamb County Agriculture and Community Building.

The proposed revisions to the Texas Constitution will be voted on in a referendum Nov. 4. Eight propositions will be put to the voters, and Speaker Clayton will answer any questions area residents might have on the proposals.

Every household in the state will receive a copy of the proposed charter.

New Telephone Directories Being Distributed In Area

General Telephone Company of the Southwest is making a unique contribution to the observance of the nation's 200th birthday in the form of a special telephone directory cover featuring a painting of the first "official" American flag.

The bicentennial directory symbolizing the observance of the nation's 200th anniversary are being delivered to telephone customers in Littlefield, Anton, Spade, Sudan, Amherst, Olton, Springlake, and Whitharral beginning Sept. 8, 1975, according to Rad Richardson, district manager.

The flag design was painted by artist Stevan Dohanos, noted for his paintings of historical subjects and his

illustrations of contemporary American life.

Richardson said the flag depicted on the directory was adopted by the Continental Congress in 1777 and is spread over the front cover in a hanging position. The legend "1776-1976 The 200th Birthday of Our Country" is the only printing appearing on the front cover. The information usually appearing on the front is shown on the back of the directory.

In addition to the regular information found on the inside front cover is the language of the Act of the Continental Congress under which the flag was created along with explanatory text. A brief biographical sketch of the artist also is included on the inside front cover.

'Sew It With Cotton Contest' Slated Oct. 11 At Muleshoe

BULA—The annual "Sew It With Cotton Contest", for Bailey and Lamb Counties, has been scheduled for Oct. 11, at the Muleshoe High School Auditorium. Judging will be at 4 p.m. and the style show is slated for 7:30 p.m.

The contest is not limited to Cotton Club and Cotton Promotion members, however, professional seamstresses may not enter. These include currently employed Home Economics instructors, or Home extension agents.

Women who sew for the public are not considered professionals, and may enter garments for themselves or make garments for others.

First place winners in the county contest or alternates in each category will enter the district contest to be held in late October in Lubbock.

Materials used must be 100 percent

cotton—either domestic or imported.

Impartial and qualified judges will be chosen and judging will be on appearance, suitability of garment to category and in case of a tie, garments will be re-judged. Garments must be worn in the district contest by the same model as in the county contest.

High school girls taking homemaking are encouraged to enter.

Entry blanks may be picked up at any participating business, who sells cotton materials in Littlefield or Muleshoe, or may be secured by writing to Women's Cotton Promotion Association, Box 6, Bula, Tex. 79320. For further information call 933-2525 or 927-5392.

Entries must be received by the County Contest Chairman 10 days prior to the contest.

Reid Tire, Supply Sets Grand Opening

Roy Reid has purchased Richey's Shamrock, and the new firm of Roy Reid Tire and Supply, Inc. will conduct a grand opening all this week, at 1401 E. 9th.

Mayor J. E. Chisholm will cut the ribbon at 10 a.m. Monday to officially open the business, and the red-coated Ambassadors of the Littlefield Chamber of Commerce and Agriculture will help with the hospitalities.

Tommy Enox, who has been with Richey's several years, will serve as manager of the firm.

Reid stated he is "very proud of the friendly personnel he has acquired with the business," and plans to "continue to offer quality service and friendly attention to every need."

"Our slogan will be 'It must be right, or we make it right!'"

Reid and his wife, Frances have lived in Littlefield 14 years, going there from Littlefield. Frances is a native of Littlefield and graduated from LHS in 1950. They also own a store in Levelland.

Complete auto service is being offered, as well as on-the-farm tire service and free delivery service to the farm. Among the services offered are front end alignments, brake service, electric spin wheel balancing, repair flats on all size tires, shocks, muffler service, oil filters, supplies and other related products, and minor tune-ups.

Reid concluded, "We're real happy to be in Littlefield where we have a lot of friends and family. We'll be happy to donate to the community's well being, as we considered several other places before coming here."

Reservations For Cowboy Game Are Now Due

Reservations should be turned in soon for persons wishing to take the chartered bus to see the Dallas Cowboys play the St. Louis Cardinals in Texas Stadium Sunday, Sept. 28.

Sherry Campbell, tour director, will accept the reservations in the Chamber of Commerce and Agriculture office, 385-4451.

The \$50 fee per person takes care of expenses for the round trip to Dallas, a night's lodging at the downtown Holiday Inn, and a ticket to the game.

The bus will leave Littlefield Saturday morning, Sept. 27, and return Sunday immediately after the game.

L.C. Unfred Re-Elected As PCCA President

The officers and executive committee members of Plains Cotton Cooperative Association have been re-elected to new one-year terms by the PCCA Board of Directors.

Plants Come Out Of Storage With 47 Degree Temperatures

Dark rain clouds that hovered over Lamb County Thursday brought up such as 2.5 inches in portions of the area and dropped temperature to a goose bump low of 47 early Friday morning.

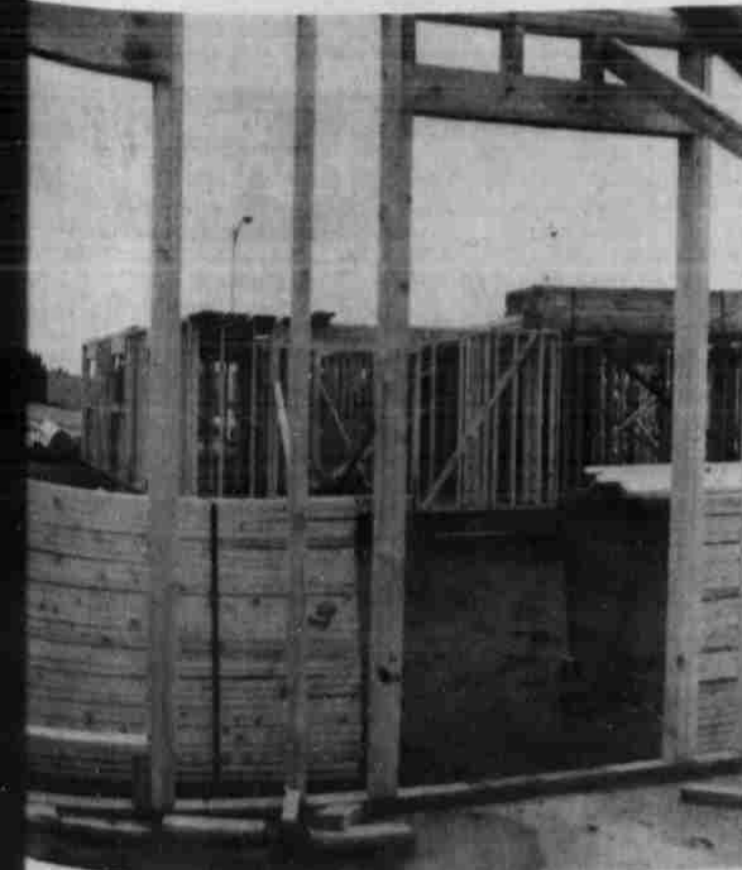

Official weather measurements at Natural Gas Co. showed 60 Friday morning, but intermittent rain throughout the day.

Rain reports showed about one

inch precipitation for most of the area through Friday morning. Residents in the Bula, Fieldton, and Sudan areas reported about an inch of rain from Thursday's showers.

Some crops will benefit from the moisture if hot, dry days follow.

The fall weather prompted weather forecasters to predict the date of the first frost and freeze, with some looking for an early October freeze.

TERRACE APARTMENT construction has been slowed temporarily in this past week, but is expected to boom again when sunny weather returns again. The south end of Littlefield High School may be seen by the left background. (Staff Photo)

Young Homemakers Elect New Officers

The Littlefield Young Homemakers of Texas met Thursday in the Flame Room of the Pioneer Natural Gas Company.

The Chapter elected officers for the new fiscal year. They are: Bobbye Magruder, president; Janice Eclorey, first vice president in charge of programs; Kathy Graves, second vice president in charge of membership; Mary Harbin,

secretary; Alice Potts, treasurer; Shirley Savage, reporter; Rene Coley, historian and Janey Raney, parliamentarian.

These officers will be installed public. There will be a downtown booth set up Saturday, Sept. 27.

Linda Harbin, Bobbye, Linda Elms, Bernice Johnson and Alice attended the Plainview Convention. It was the 15th annual joint convention of the Area I Young Homemakers and the Young Farmers and concluded with an Awards Banquet at Slaughter Memorial Hall on the Campus of Wayland Baptist College.

Mr. and Mrs. Bill Harbin and Alice remained for the Awards Banquet. Alice and Bernice won door prizes.

The public is reminded of the Gold Bond Community Service Plan. The Club desires to purchase needed items of the Littlefield school Homemaking Department with this plan. The public can ask for the free certificates when they redeem stamps at the Gold Bond Stamp Center and can give them to any Club Member or leave them in the box provided in the store.

Alice and Kathy served chips, dips and Cokes to the newly-elected officers and to Pat Stubbs, Linda Elms, Ellen Massengill and Bernice Johnson.

The next meeting of the YHT will be Sept. 25 in the Flame Room with the new officers being installed.

JANICE SEBRING listens to Dr. Lou A. Roberts discuss work she is doing at the Texas Tech School of Medicine in the department of physiology through a \$7,500 grant from the American Heart Association. Mrs. Sebring serves on the state wide task force for Region II of the AHA, Texas affiliate, and attended a planning conference Tuesday morning and toured the Medical school that afternoon.

Following the meal, the first P-TA meeting of the year was called to order by President Mrs. Gaubert Demel. Prayer was led by James Sokora, president of the school board of trustees.

Minutes were read by Roger Jones, and the secretary and treasurer's report was given by Mrs. Henry Franklin.

Membership committee reported having 50 P-TA members signed up.

A report on the 14th District Board meeting, which was held at Pep School Sept. 4, was given by Mrs. Franklin Green and Mrs. Gaubert Demel.

Fall conference will be held at Pep Parish Hall Oct. 7. The meal will be prepared and served by the Home Economics Class.

Speakers for Fall Conference will be Gil Lamb of Muleshoe and Mrs. Vera Bullon, State Budget and Finance chairman. She will also give a Skit, "Lilly Pond." Two workshops will be presented also.

More details will be received later.

Leadership and parliamentary procedure courses will be held at Spade Tuesday, Sept. 16, from 9 a.m. to 2 p.m. The president asked all officers who have not had the courses in the past three years to try and take them, and anyone else interested are asked to let her know of their plans.

Reservations for the Fall Conference should be in by Oct. 2. Cost for each will be \$2.50.

President Mrs. Demel asked as many as possible to attend Fall Conference since it will be at Pep.

The president thanked the FFA class and Lester Bownds for arranging the tables and chairs and the FFA Class and Mrs. Alice Kester for decorating and serving the tea and coffee.

Next P-TA meeting will be the second Monday, Oct. 13, at 7:30 at the school.

"A big thanks to all who helped clean the hall after the get-together," stated Mrs. Frank Sinnacher, public relations chairman.

Church Schedules Revival

Longtime Methodist minister, Edmund W. Robb Jr., will be leading revival services at the First United Methodist Church in Littlefield beginning Sunday, Sept. 14, and continuing through Thursday night.

Services Sunday evening will begin at 7 p.m., and morning breakfasts will be held daily at 6:45 a.m. at the church.

Weekday services will begin at 7:30 p.m.

Junior Volunteers Feted With Luncheon, Awards

The Hospital Auxiliary of Littlefield honored Junior Volunteers (Candystripers) with a luncheon in the Flame Room of the Pioneer Natural Gas building Thursday, Sept. 11.

Ten active Junior Volunteers worked in the two local hospitals this summer with 302 hospital hours and total of 849 volunteer hours donated. This included hours making tray favors for July 4th, giving birthday parties at Jewel's and Knight's Rest Homes and money-making projects.

They are Phyllis Smith, Brenda Sterling, Nanette Hall, Carmaleta Patterson, Connie

Berggren, Vrondia Porter, Dianne Perrin, Stephanie Benner, Carol Hobratschk and Pam Parrott. Mrs. Ruth Hinds is director, and Mrs. Nettie Hall is assistant director.

Carol Hobratschk, president of Junior Volunteers, gave a talk on the projects and hospital work. Each Junior Volunteer told what they liked about the convention and Junior Volunteer Program.

Six Junior Volunteers and two counsellors, Mrs. Ruth Hinds, director, and Edith Turner attended the eighth annual State wide Hospital Junior Volunteer convention, July 22-24 at San

Antonio. There was a total attendance of 1,000 from Texas.

Mrs. Ruby Douglass, Superintendent of Nurses at the Littlefield Hospital capped seven Junior Volunteers during the luncheon Thursday. Caps were awarded for their first 50 hours to Phyllis Smith, Brenda Sterling, Nanette Hall, Carmaleta Patterson, Connie Berggren, Vrondia Porter and Dianne Perrin.

Mrs. Ruth Hinds, in the absence of Carlene King, administrator of Medical Arts Hospital, presented 50-hour pins to those mentioned above and 100-hour bars to Stephanie Benner, Carol Hobratschk and Pam Parrott.

Auxiliaries heard singing from the Junior Volunteer group, and

they sang songs Phyllis Smith composed.

Mrs. Ruth Hinds presented slides of the Junior Convention. The two hospitals of Littlefield alternate in the yearly purchase of award pins and bars, and this year, Medical Arts purchased the awards.

A total of 29 Auxiliaries and Junior Volunteers attended the luncheon, with Marilyn Parker, Carolyn Warren, Leone Jones and Florence Porcher as hostesses.

Mrs. Mary Alma Lockwood, president, presided for the business session.

Three new members joined the Auxiliary, Mrs. T. F. Starnes, Mrs. Charles Sanders and Mrs. Ronnie Vaughn. One visitor, Mrs. Ruth Berggren, was present.

Olton Sets Homecoming

OLTON— A Bicentennial atmosphere will prevail at the Olton Homecoming Oct. 10.

A parade theme of "Remember When?" will be used in float entries in the school and open divisions. Individuals, business clubs or civic groups are eligible to enter a float in the open category.

During the afternoon guests will be welcomed in hospitality

rooms in downtown areas.

An after-game coffee will be hosted for the entire community and guests following the homecoming football game between the Olton Mustangs and the Idalou Wildcats.

Also on the agenda is a Bicentennial celebration in which flags which have flown over the nation's capital and the state capital will be on display.

INSUR-MATION
Ed Jennings 385-4489

Have recently changed my employment situation and am now self-employed. Is there any way to take tax-saving deductions and set up a pension for myself?

Under the Pension Reform Act of 1974, you may now receive the tax benefits enjoyed by employees of corporations. For example, if you are both an employer and an employee, you may set aside up to 15% of earned annual income or \$7,500, whichever is smaller, toward a pension plan... and an employee: not taxed on such contributions or on the income earned by the plan during the accumulation period. To receive these benefits, you must be under a qualified Keogh plan. Life insurance plans can pay death benefits as long as you live and pure insurance proceeds in a plan are received by your beneficiary free of income taxes.

Citizenship Day

Sept. 17 is Citizenship Day. It marks the beginning of Constitution Week, a time for study and reflection on the events that led to the signing of the U.S. Constitution in 1787.

Among the many Americans observing Citizenship Day and Constitution Week will be 368,000 young people from 9 to 19 in the national 4-H citizenship program. Under the supervision of the Cooperative Extension Service, these 4-H'ers take part in year-round activities intended to increase their interest, understanding and knowledge of the rights and duties of American citizenship.

4-H members learn by doing to fulfill their responsibilities as citizens of the community, county, state and nation. They show concern for the welfare of others through participation in service projects and meaningful involvement in civic organizations.

The national 4-H citizenship program was established in 1948 to honor Thomas E. Wilson, founder of Wilson & Company meat packers and Wilson Sporting Goods Company. Wilson, nationally renowned for his support of 4-H, was one of the

founders of the National 4-H Service Committee and served as its president from 1924 to 1958.

In 1973, friends of Kenneth H. Anderson established a scholarship fund to recognize his many years of service to 4-H. Anderson is associate director of the Service Committee and has served the organization for 37 years.

Awards for 4-H'ers who excel in citizenship activities are donated through the Service Committee in memory of Thomas E. Wilson and by friends of Kenneth H. Anderson. Award winners are selected by the Extension Service on the basis of their accomplishments in 4-H and civic projects.

This year, six outstanding 4-H'ers will receive expense-paid trips to the 54th National 4-H Congress, Nov. 30-Dec. 4 in Chicago, and college scholarships of \$800. During the congress, the high-ranking boy and girl will be presented with silver trays in the name of the President of the United States.

Additional information on the national 4-H citizenship program is available from county extension agents.

THE ABUNDANT LIFE

A Better Day

By BOB WEAR

IT WOULD BE VERY pretentious to pretend that we know what is going to transpire in the days to come, and we are glad that such knowledge is not available to us.

Nevertheless, there can be "a better day" for all of us. If this is accomplished, it will come about, for the most part, through the changes we make in ourselves.

"A BETTER DAY" does not come about accidentally. Although there is no fixed guarantee about the degree of improvement available to us, we do know enough about ourselves and the possibilities available to us to be encouraged. Unfortunately, there is too much of the view that we cannot do anything to bring about this "better day".

Some of this view is due to the faulty notion that the only way to improve one's lot is in the improvement of the physical aspects of our life condition. Sometimes such improvement can be made, but this is not the only avenue to "a better day".

SOME THINGS and situations can be made better, and when this is a possibility, we must be diligent in working toward this end. We also know that some things and situations may be unchangeable.

This, however, is not to be accepted as something that puts "a better day" out of reach. Much depends upon how we manage ourselves, the way we respond to our situation, the way we take it. Even when we are unable to improve our situation, we can change ourselves; we can adjust and modify our thinking.

WHEN WE REALIZE that we are making mistakes in our behavior, we must also remember that we can make corrections. Of course, this justification will have to include the desire to make corrections; and the willingness to expend the effort to do so.

When we move from day to day, with the open-mindedness that enables to admit our mistakes and form the

Sulphur Springs, and they came to Plainview from Commerce in 1942. Her husband died June 16, 1960, in Plainview. Mrs. Wingo was a member of St. John's United Methodist Church of Plainview.

Survivors include two sons, Jack Wingo of Littlefield and Clifford Wingo of Lubbock and one sister, Mrs. Bessie Yates of Commerce.

ARTIE C. YANDELL

A 53-year-old farmer was killed in a two-car collision at 7:30 a.m. Wednesday.

Artie C. Yandell of Olton was pronounced dead at the scene of the accident at the intersection of an unnamed paved country road and U.S. 70. Yandell was alone in his pickup when the accident occurred.

The driver of the other vehicle, Theresa Contreras, was not seriously injured.

Services for Yandell were pending at presstime with Parsons Funeral Home of Olton.

Yandell moved to Olton 21 years ago from Arkansas.

Survivors include his wife, Jessie; two daughters, Mrs. Cheryl Smith of Atlanta, Ga., and Mrs. Joyce Schwab of Shallowater; two sons, Ronnie of Canyon and Bruce with the U.S. Army of Frankfurt, Germany; his mother, Mrs. Gustie Yandell of Waldren, Ark.; three sisters, Mrs. Bertha Lunsford of Orosia, Calif., and Mrs. Vida Stearman and Mrs. Molly Frazier, both of Waldren, Ark.; two brothers, Claudia of Waldren, Ark., and Grady of Oro Grande, Calif.; and four grandchildren.

GUESS THERE just ain't any "Mr. In-Between" when it comes to weather in our vicinity. You dream of mild 70-degree weather, and what do you get?—Either 90 or 40 degrees!

And, from now on through football season, you can bet that the worse will happen on Friday nights. One way nature has of separating the fans from the mildly interested. Seems to be a decree of some kind, that the football fan must suffer.

Huh?

WOULD BE ELATED about things called "Tax Shelter" had anything to put into them many other things they only over-solvent.

The rest of us can continue taxes to support our government finance their fantasies.

SEE WHERE THE President wearing a bullet-proof vest these days. Well, it would be to stomach another presidential assassination at this time. If, however, he doesn't take better terms with Congress, he might be of benefit, also. Let's him bending over!

ANYWAY, I RECKON we gotta have some kind of weather. With the beauty of the last few weeks considered, I don't suppose we're in any position to gripe. If cold weather will continue to come around in winter and summer brings the warm, maybe we'll be able to adapt to it.

Turn Row

COMMENTS

By EMIL

AS MENTIONED BEFORE, the only time it rains in this country is planting time and harvest time. Again this year is no exception, with the rains that dampened this area Thursday. Reports were from a light shower west of Pep to as much as 1.7 inch north of Littlefield. Spade and Fieldton reported over an inch of rain and scattered amounts south in the Whitharral area.

The rains are beneficial to those who have already sowed their small grains and will also help the late sunflowers and milo. If it turns hot and dry by the weekend, I don't think the cotton will be damaged. Guess the only culprit is the cold weather we have been having. This mid 40-degree temperature during the nights has got to go. Most crops stop growing when the temperature is below 60 degrees and at present we need all the growing time we can get.

IN REFERENCE to crops, it looks like the price on all crops will be average or above, from all indications though, the yield on most crops will be slightly lower than expected. Most of this decrease is due to the unseasonably cool weather that this country received this year, along with early showers.

At one time, I thought that with the introduction of sunflowers in the area this would be an asset to the farmer. One reason is that since government subsidy

has been discontinued, an early crop would give the farmer season payday, but it hasn't been that way. Although many sunflowers have been harvested, not satisfied the need for a mid-cash crop because of the extra months needed for the mature.

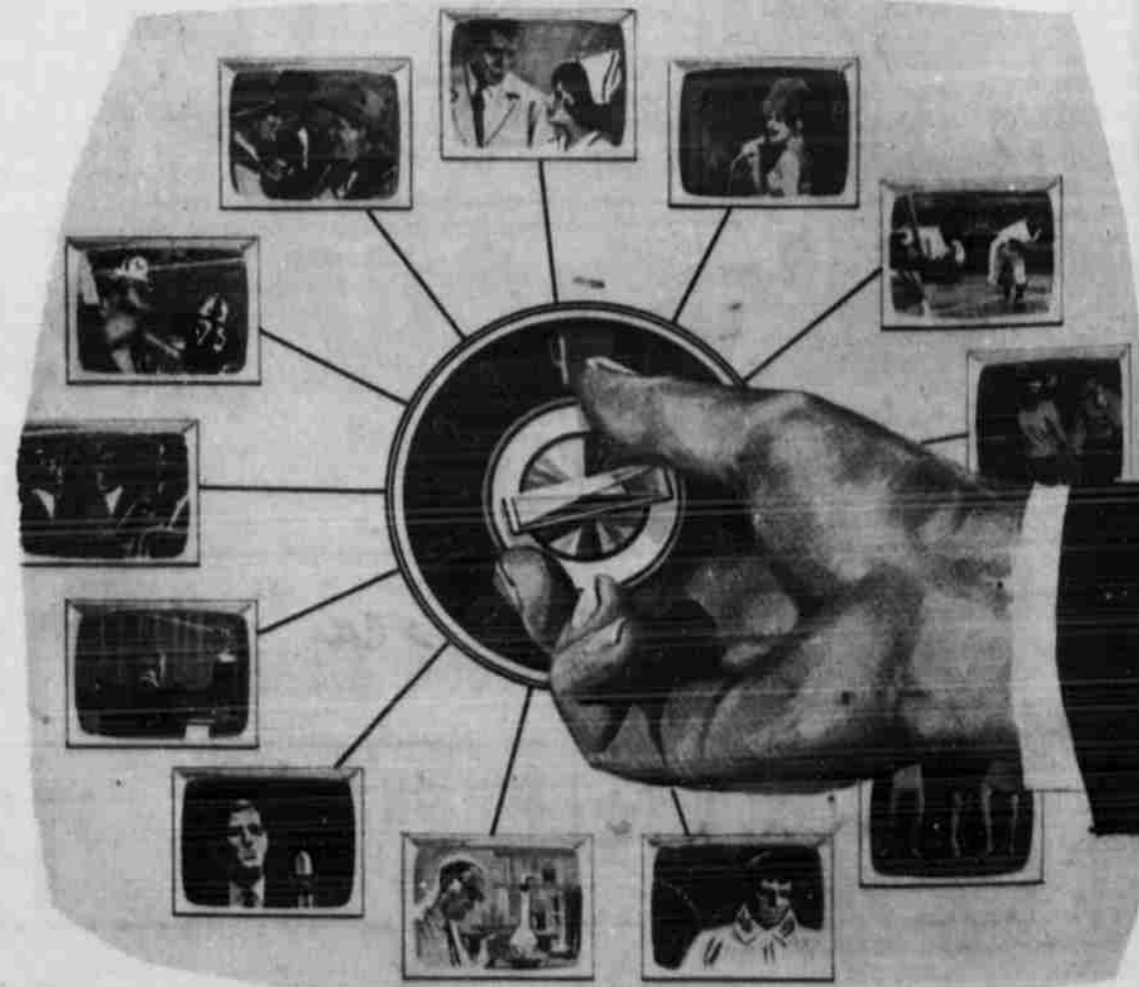

At present it looks like that it is not enough combines to harvest crops when the weather clears is almost ready to harvest, corn harvest with other fields almost and sunflowers are ready.

Most commercial harvesters pulling out of the sunflower going to milo when it is ready, afraid that if you raise the floor don't have your own combine, you have to wait until the other harvested or be prepared to pay to get your field combined.

Noticed Cornball has been authority on sunflowers, for information you can consult him.

HAVE YOU HEARD that it is advantageous for men to have large ears. According to a report from the women are subconsciously attracted to men with large ears and the subject recommended that should wear their hair short so we can see their ears.

Country Rock Group Booked For PSP Fair

Barefoot Jerry, a country rock group that waited five years for a break, has been booked to back up Ronnie Milsap on the final two days of the 58th annual Panhandle South Plains Fair here Sept. 20-27.

T. G. Sheppard also will appear with Milsap. The Country Music Association's male vocalist of the year.

Barefoot Jerry has two recent albums that received excellent reviews after five frustrating years. The band always had been composed of top Nashville musicians, but their schedules were so hectic they had little time to tour as a unit.

To help improve its image, the band recently appeared on "Midnight Special" and recorded a new album for Monument Records. More personal appearances are on tap.

"There have been a lot of rock groups trying to go country," says Wayne Moss, band leader, "but with us it's the other way around."

"We know country music because we've been working in Nashville for years, but we all come from different parts of the country and we brought our rock and blues influences with us. What we're playing in Barefoot Jerry is what we like to do best."

Milsap, blind since birth, made an instant hit in an earlier appearance at the fair with Charley Pride, who opens this year's exposition.

Milsap freely discusses his blindness, has an infectious smile and loves a good joke.

"You don't have to see to feel the love of people," he recently was quoted as saying.

Pride kicks off the eight-day fair run on Sept. 20-27 along with Gary Stewart, the Pridemans and the Dave Roland trio. Following him will be Mel Tillis and Gunilla Hutton, a regular on "Hee Haw," Sept. 22-23.

Lester Flatt, Mac Wiseman, Grandpa Jones and the Stony Mountain Cloggers team up for a "Blue grass Special" on Sept. 24-25.

Tickets for the Pride shows are \$4, \$5 and \$6. All other tickets are \$3, \$4 and \$5. Tickets may be obtained at the fair office, 105 E. Broadway, or by writing the fair association at P. O. Box 208, Lubbock 79408.

Shows are scheduled at 5:30 p.m. and 8:30 p.m. daily.

"The Sensational Leighs" also will be performing their free act on the giant space wheel daily.

A Good Decline
Uterine cancer deaths have declined about 50 percent in a generation due largely to early detection through the Pap test, and prompt treatment. Get a Pap test today, says the American Cancer Society to all adult women.
If every American woman over 20 had a regular Pap test - a painless, easy method to detect uterine cancer - the annual death rate of 13,000 would drop, sharply, according to the American Cancer Society.

STEVE WALKER

Steve Walker Assigned To Vandenberg AFI

The son of a Littlefield man has been assigned to Vandenberg AFB, Calif., following his graduation from the electrical power production specialist course at Sheppard AFB, Tex.

Airman Steve G. Walker, also the son of Mrs. Mary E. Morgar of Houston, received specialized training in the operation and maintenance of electrical power generating equipment. He will serve with a unit of the Aerospace Defense Command.

The airman is a 1973 graduate of Arnett High School at Hollis, Okla.

His father, Elmer Walker, lives in Littlefield.

WOMEN HEAR BETTER

Studies indicate that from the early teen years through their late 60's women generally have better hearing than men. This is especially true from the ages of 25 through 65. While reasons may vary, one consideration stems from the fact that women are generally less exposed than men to occupational noise during these working years.

A Banker's Viewpoint....

Members of Congress, recently returned from visits to their districts, report voters are angry over the automatic cost-of-living pay increase the congressmen voted themselves.

Not all congressmen, of course, favored the action. But the majority did, and all thus were painted with the same brush.

We don't really begrudge the congressmen an increase in pay. Actually, as far as time and effort are concerned, we believe this country gets its money's worth out of its lawmakers.

But the automatic pay increase idea does worry us for another reason. It is this:

By voting itself pay increases to offset inflation, Congress gives notice that it doesn't expect inflation to end, meaning that its members have no hope of voting the politically painful actions necessary to slow inflation down.

Those who voted for the increase in congressional pay blame industry, or labor, price gougers, farmers, the middle man or the president for inflation in this country. But the fact remains that Congress, almost 100 per cent, is responsible for it.

Only Congress can appropriate federal funds, or create federal debts. And, since federal over-spending and over-borrowing are the direct cause of the dollar's decrease in value, only Congress has the power to change the pattern of inflation that is ruining people on fixed incomes and is crippling us all.

To assuage the anger against the congressional pay increase, some of our lawmakers are talking about another tax cut for the coming year, like the one this year. This is like throwing a stone to a drowning man.

Such a tax cut merely spurs still further the inflation that underlies the present recession and most of this country's other economic woes. The tax cut is too small to help an individual beyond maybe a single shopping cart of groceries, but it would drain billions out of the federal treasury, piling that much more debt and inflation onto the taxpayers.

What we need is fiscal responsibility, a drastic reduction in the rate of new federal spending in order to let normal growth of the country's productive output catch up with what Congress has already committed the country to give away.

Let Congress attend to that matter, and we could hope within a reasonable time for a solid, non-inflationary return to full employment and prosperity.

We believe in this country and its people. Like the writers of our Constitution, we believe that the strength and the real intelligence of government originates with the people. So we urge all our citizens, here and elsewhere, to do our part—keep up with public issues and send our opinions about them to our elected representatives.

ENOCHS

MRS. ALMA ALTMAN

MR. AND MRS. Jimmy Lytal of Morton are the proud parents of a little baby girl born at the Littlefield Hospital Monday night at 10 p.m. She weighed 6 1/4 lbs. and was 19 1/2" long. Her name is Amy Lynn. Maternal grandparents are Mrs. Myrna Turney of Enochs. Mr. and Mrs. Charles Lytal of Shallowater are the paternal grandparents.

BARRY NEWTON, son of Mr. and Mrs. Tom Newton, has been confined to the Littlefield Hospital with intestinal flu. He is improving and hopes to be home soon.

MR. AND MRS. Bill Dick of Portales visited Mr. and Mrs. E. N. McCall last Monday afternoon. They lived in this area in the 30's. Their brother, Jess Dick, who is remembered by many people and who now lives in California, has been seriously ill for sometime and has been

hospitalized several weeks. MRS. L. E. NICHOLS was honored with a birthday dinner. The children brought in a cooked meal. Those attending were Mr. and Mrs. Quinton Nichols and sons, Richard and Michael, Mr. and Mrs. Dale Nichols, Paula and Donnie, Mr. and Mrs. L. B. Davis and son of Shallowater, Mr. and Mrs. Harrold Dean Nichols of Idalou, and Mr. and Mrs. Jerry Nichols and Gary of the home.

MR. AND MRS. Keith Coats visited their parents last weekend. They are from Hobbs, but will be moving their mobile home to Levelland where he was signed up for a new job.

MR. AND MRS. David Clevenger of El Paso visited her brother, Mr. and Mrs. Charlie Shaw last Monday. He had just come home from the hospital where he spent eight days. He is improving.

PEP

A BRIDAL SHOWER was held in the Pep Parish Hall on Sept. 6 in the honor of Camille Bood of Hobbs, N.M. bride-elect of Michael Albus. Her colors of yellow and white were carried out. The serving table was laid with a yellow cloth overlaid by a white lace tablecloth. The centerpiece was an arrangement of spring flowers in a basket accented by yellow candles. Silver appointments were used. Refreshments of cake, nuts, mints and punch were served to guests. Serving at the register table laid with a white lace cloth with a yellow flower was Gail Albus. Ann Albus served the cake and Gail Albus served the punch. The hostesses gift was a gold crush velvet queen size bedspread. Hostesses were: Jean Demel, Billy Gerik, Marcy Demel, Jeanette Albus, Mary Jane Alberding, Ethel Burt, Edna Demel, Angie Albus, Dorothy Sokora, Rose Albus, Ruth Demel, Annabelle Walker, Mary Demel, and Mary Albus.

MRS. B. J. BOOD and Mrs. Jean Cambell of Hobbs, N.M.

visited in the home of Mrs. Evelyn Albus Sept. 6.

MICHAEL ALBUS and Camille Bood also visited in the home of Mrs. Albus over the weekend of Sept. 6-7.

MRS. EVELYN ALBUS and Mrs. Conrad Demel attended a bridal shower honoring Camille Bood, bride-elect of Michael Albus in the home of Mrs. Jan Campbell at Hobbs, N.M. Sept. 7. The serving table was laid with yellow cloth with a white lace tablecloth overlaid. The centerpiece was a candelabra with center filled with a bouquet of spring flowers with yellow candles. Cake, punch, coffee and nuts and mints were served to guests. A selection of gifts were displayed from friends and relatives. Hostesses were friends of the bride-elect Camille Bood. Hostesses gift was a crock pot.

MRS. LOMA GLUMPLER underwent major surgery at University Hospital on Sept. 8. She is doing as well as expected. Mrs. Conrad Demel, Mrs. Franklin Green and Mrs. Gaubert Demel visited with Mrs. Glumpler for a few minutes Sept. 8.

Continued From Page 1
was stopped on the 'Cats 15 by Lonnie Twitty.

Yarbrough passed incomplete with forty nine seconds remaining and then hit Childers on the 'Cat five yard line with only seconds left.

Payton dropped Childers for no gain and with only 11 seconds left on the board, a pass by Yarbrough stopped the clock with six seconds remaining as it sailed out of bounds.

The Lobos had moved with such determination in the waning seconds that the inevitable question was asked... if they did score, would they go for one point for the tie or two points for the win.

That question will go unanswered forever though, as on the last play of the game, Wildcat Sr. Cruz intercepted Yarbrough's pass on the goal line to seal Littlefield's second straight victory.

For the night, Turner had 101 yards rushing, Palmer had 42 rushing and 33 passing, Cruz racked up 38, Payton 22 and Hopping 29. Greg Moreland caught two passes for 30 yards and Turner had one for 3 yards.

Friday night, the 'Cats will be on the road to Slaton, a 14-0 victor over Dimmitt Friday night.

WILDCAT QUARTERBACK Ronald Parmer skirts left end in the closing moments of the third quarter Friday night as Littlefield defeated Levelland, 13-6. He is being pursued by Levelland's Lorenzo Childers. Palmer, who scored one of Littlefield's touchdowns, rushed for 42 yards and passed for 33 more for 75 net yards for the night. game, which netted 372 yards, to a 42-20 victory over Anton Friday.

Sudan, now 1-1 on the year, jumped out to a 14-0 lead in the first period on a 62-yard run by Danny Williams on the game's second play. Less than three minutes later, Jerry Williams raced 55-yards on a punt return for the Hornet's second score.

The visitors added two touchdowns in the second quarter on runs of 12 and 4 yards by Danny Williams.

Anton finally got on the board in the second quarter on a 7-yard ramble by Rex Jones. Jones added a 23-yard run in the third period, and the Bulldog's final score came on an 11-yard strike from Zane Butler to Greg Couch in the final period.

DAWSON 28 WHITHARRAL 6

The Dawson Dragons, paced by Jesse Cortez's touchdown runs of 12 and 70 yards, scored two touchdowns in each of the first and third quarters to defeat Whitharral, 28-6, Friday night in District 1-B encounter.

The victory boosts Dawson's season ledger to 2-0, while the Panthers fall to 0-2.

Ben Phipps opened the scoring for Dawson with a 22-yard romp in the opening stanza and Cortez soon followed with his 70-yard jaunt. Whitharral racked up its lone touchdown in the same period when Leslie Dockery punched over from five yards out.

WOLVERINES 9 PLAINS 0

The Springlake-Earth Wolverines used the running of Jim Furr and the toe of Andrew Monreal to blank the Plains Cowboys 9-0 Friday.

Furr opened the scoring in the first quarter with 5:54 left on a 41-yard yard gallop.

Monreal completed the scoring with a 13-yard field goal with 8:02 left in the third quarter. Monreal hit on one of three field goal attempts in the game.

Plains, whose record dropped to 0-1-1, could muster only 55 yards total offense on the muddy field. The Wolverines rolled up 218 yards on the ground and another 14 in the air on their way to 13 first downs.

Jim Furr led all runners with 112 yards on 14 carries. Springlake-Earth halfback, Rodney Geissler added 98 yards of his own on 18 carries.

OLTON 34 MULESHOE 7

Olton's Mustangs overpowered the Muleshoe Mules Friday, scoring in every quarter to triumph 34-7.

Both teams scored in the first quarter. The Mules chalked up their only counter of the contest when quarterback Cary Suddeth hit pay dirt on a 5 yard run. The Mule touchdown was set up by an interception.

Olton scored twice in the first quarter on three and 12-yard runs by Glenn Johnson. The Mustangs scored again in the second quarter on a 12-yard pass from Jimmy Parker to flanker Mark Stroebel.

Parker scored on an 8-yard run in the third quarter then hit Stroebel with a pass for a two-point conversion. Johnson got back in action in the fourth quarter when he sailed 57 yards for a touchdown. Parker hit Stroebel again for a two-point conversion.

Grain Export Controversy

Texas Farm Bureau President Carrol Chaloupka said future supplies of grain may depend upon the outcome of the current grain export controversy.

"If farmers lose a part of their legitimate export markets because of actions of the federal government and labor unions, they will be forced to reduce plantings for the next crop season," Chaloupka said. "Fall planting for wheat is just a few weeks away and some farmers will be making that decision soon."

Chaloupka said farmers are angered over the Administration's curtailment of future grain sales to Russia until final crop reports are in and also the actions of the International Longshoremen's Association in refusing to load grain on ships bound for Russia.

"These actions will result in less grain, not more, for the American consumer," the Dalhart grain and livestock producer said. "If our farmers find their export markets destroyed and if resulting prices are below cost of production, they may not plant at all."

Chaloupka said farmers must find overseas outlets for two-thirds of their wheat and rice and a fourth of their feed grains. He said these markets permit volume production with resulting lower costs to American consumers.

Chaloupka said that if the export issue isn't cleared up soon farmers may use economic pressure themselves.

"Right now American farmers own and control a large portion of the world's available grain supplies," he said. "This is grain that is still on the farms or in country elevators. Adequate supplies are not available from traditional exporters such as Canada."

"Grain farmers could decide to use the ultimate weapon—withholding food—in order to force access to world markets and to assure a profitable price."

Cannon AFB Schedules Open House

Cannon AFB's annual "open house" has been scheduled for Saturday, Sept. 27, west of Clovis, N.M.

Highlighting the event will be a performance of the Air Force demonstration team, the Thunderbirds. The aerobatics of the Thunderbirds are scheduled to begin at 3 p.m. on the 27th and will continue until 4 p.m.

The Thunderbirds have presented precision aerial maneuvers throughout the world, demonstrating the capabilities of modern aircraft and the exacting professional skills required to fly and maintain, an important factor in view of the continuing energy shortage and a principle reason why it was selected for use by the Thunderbirds.

The Cannon open house will also host a performance of the Army's elite parachutist demonstration team, the Golden Knights. Their performance is scheduled to begin at 2:10 p.m. the day of the open house. An Air Force Security Police dog show from Little Rock AFB, Ark. is also scheduled that day for noon.

Other activities planned for the Cannon open house are; a Bicentennial parade featuring floats to be put together by different Cannon AFB units, a firefighting demonstration, a Clovis High School band concert and a flyover of F-111D aircraft from Cannon AFB.

Bicentennial Coins Available From U.S. Mint

of the Mint, Mary has announced a new innovative marketing developed expressly purpose of providing the number of Americans opportunity to participate in a Bicentennial through coins.

three designs chosen in a national competition to appear on the backs of the Washington quarter, Kennedy half dollar and Eisenhower dollar respectively. The double date of 1776-1976 is on the front of the coins. A Bicentennial set of these three 40 percent silver uncirculated coins retails for \$9. The 40 percent silver coins in these Bicentennial uncirculated sets are distinguished from regular circulating coins which are 92 percent copper and 8 percent nickel.

The Mint is putting into effect today a distribution and over-the-counter sales program through the nation's 42,000

financial institutions and their 73,000 facilities for these 40 percent silver uncirculated Bicentennial coin sets. The program offers the nation's commercial banks, savings and loan associations, mutual savings associations and credit unions an opportunity to purchase bulk orders of 50 sets and

multiples thereof at \$7 per set. The savings of individual packaging and mailing are being passed on to the financial institutions who will then be able to make these sets available to their customers. "We believe by utilizing the over-the-counter sales of the financial institutions of this

country, we can place 40 percent silver coin sets within the reach of every American, recognizing that everyone will want to share in the excitement of this historical national moment," Mrs. Brooks said. The director noted that her office has received great cooperation from the American Bankers Association, National Bankers Association, United

States Savings and Loan League, American Savings and Loan League, National Association of Mutual Savings Banks and the Credit Union National Association in developing this program. Marketing and local promotional material are being

mailed to the chief executive offices of these 42,000 financial institutions starting today and throughout the month of September. Mrs. Brooks emphasized that the opportunity to purchase these 40 percent silver uncirculated coin sets in bulk

orders of 50 sets at the \$7 per set price is open to all interested individuals and groups. A certified check or money order must be enclosed with each order and mailed to Bulk Rate Bicentennial Coin Program, P. O. Box 5500, San Francisco, Calif. 94101.

Women Veterans Eligible for Special VA Payments

men veterans who were and who attended under the GI Bill between 1966, and Oct. 24, 1972, are eligible for a special Administration according to Jack VA regional office

payment of GI Bill money for spouses on the same basis. A recent VA ruling made this eligibility retroactive to June 1, 1966. Women veterans can file claims for the money at the nearest VA Regional Office, but there is a cutoff date of July 1, 1976. Claims cannot be accepted after that date. Proof of marriage while in training must be furnished in connection with the claim. The additional amount for husbands cannot be paid to women who trained under the other World War II and Korean Conflict GI Bills. Those who trained after Oct. 24, 1972, have been paid on the same basis as their male counterparts.

State Parks Set Limit On Camping

asing popularity of fall camping in state has led the Texas Parks and Wildlife Commission to a fairer apportionment of camp sites.

are occupied and an incoming visitor requires a facility. Until now the 14-day limit has applied from May 1 to Sept. 15, with a flexible 28-day limit during the rest of the year, depending on demand. State parks have been experiencing a significant increase in trailers and other camper vehicles, many people using the parks as a winter home, especially in the southern part of the state. This has led to complaints by working residents in adjacent regions, who are only able to camp on weekends, that there has not been room for them.

High-Temperature Chilling Improves Beef

High-temperature chilling of beef carcasses helps improve the tenderness, according to a team of researchers with the Texas Agricultural Experiment Station at College Station.

Findings from a beef quality research project and several related Experiment Station investigations suggest that changes in chilling procedure can markedly improve tenderness of forage-finished beef. Results further indicate the high-temperature chilling of this type of beef can end the need for excessive deposition of fat to achieve satisfactory levels of palatability in the cooked product.

Dr. G. C. Smith and Dr. Zerie L. Carpenier, meat scientists with the Experiment Station, have been comparing the quality and palatability of forage-finished beef with that from grain-finished animals and identifying changes in carcass chilling procedures which enhance the tenderness of forage-finished beef.

They found in comparing normally-chilled beef (forage-finished and grain-finished) of

the same quality characteristics, including color, maturity and marbling, that grain-finished carcasses were more flavorful, tender, and more satisfactory than forage-finished beef.

However, when forage-finished beef was obtained from carcasses chilled at high temperatures (63 degrees F. rather than 32 degrees F. for 16 hours), the tenderness differential was markedly reduced, the scientists report.

"These findings suggest that the difference in the amount of subcutaneous fat deposited on the outside of forage-finished beef, contrasted with grain-finished meat, is responsible for much of the difference noted in tenderness between these two kinds of beef," the scientists say.

"Research further indicates that high-temperature chilling of forage-finished beef carcasses helps to improve the tenderness of this beef," they add. This may be due to the slower chilling rate attributed to the insulating effect of external fat.

Disabled Vets To Get Checks

Checks ranging from \$3 to \$174 will be mailed this month to 2.2 million disabled veterans and 320,000 dependents who qualify for increases in their disability compensation and dependency and indemnity compensation signed into law by President Ford on Aug. 5.

Jack Coker, director of the VA regional office, said the increases of 10 to 12 percent were effective Aug. 1, but the change came too late to be incorporated in the checks to be mailed at the end of August.

A separate check for the amount of the increase will be mailed to beneficiaries during September, he said. The new rates will be reflected in checks to be mailed at the end of September and in all subsequent monthly checks. Total cost of the increases for the first year is \$450 million.

Coker emphasized that no application or inquiry is necessary. The increases will be made automatically by the agency, he explained.

Veterans with a 50 percent or less disability rating received a 10 percent increase in their monthly payments. Veterans with a greater disability rating and DIC beneficiaries received a 12 percent increase under the new law.

Waterfowl Hunting Dates Set By P&W Commission

A daily bag limit of up to 10 ducks and generally longer waterfowl hunting seasons were established by the Parks and Wildlife Commission at their Aug. 29 public hearing in Austin.

The commission set split seasons for both ducks and geese in the eastern portion of the state—both to open Nov. 1 and again on Dec. 20.

Goose season east of U.S. Hwy. 81 is Nov. 1-Dec. 12 and resumes Dec. 20, 1975-Jan. 18, 1976. West of U.S. Hwy. 81, Texans will have 93 continuous days of hunting, Oct. 18, 1975-Jan. 18, 1976.

Duck and coot season east of a line running from Del Rio to Vernon is Nov. 1-30 and Dec. 20, 1975-Jan. 18, 1976.

West of the Del Rio-Vernon line duck and coot season is a straight 83 days, Oct. 28, 1975-Jan. 18, 1976.

Duck bag and possession limits will again be determined by a 100-point system, but with significant changes. For the first time since the 1971-72 season, canvasback and redhead ducks may be hunted over most of Texas.

This year each canvasback and redhead counts as 100 points except in Brazoria, Chambers, Galveston, Harris, Jefferson and Orange Counties, where the season remains closed. Last year the season on the two species was closed in all 16 coastal counties.

There are no changes in 70-point ducks from the 1974-75 season: mallard hens, wood ducks and hooded mergansers.

All species of teal count as 10 points, a change from last year when green-winged teal were 35 points and blue-winged and cinnamon teal counted as 15-point birds.

Other 10-point birds this year include pintails, gadwalls, scaup, shoveler and mergansers except hooded mergansers.

All other species and sexes of ducks count 25 points in eastern Texas. In the western third of Texas, 25-point ducks will count 20 points.

Bag limit on geese east of U.S. Hwy. 81 is five birds, to include no more than one Canada or one white-fronted goose, with a possession limit of five to include no more than two Canadas

or two white fronts, or one of each. Daily bag and possession limit shall include not more than one Ross' goose.

West of U.S. Hwy. 81, daily bag and possession limits are two and four geese respectively, except the daily bag and possession limits shall include not more than one Ross' goose.

Bag and possession limits on coots in all of Texas are 15 and 30 respectively.

Seasons remain closed for fulvous and black-bellied tree ducks and Mexican ducks.

Seasons and bag also were set on sandhill cranes, woodcock and snipe.

—Woodcock: Nov. 18, 1975; possession of 10.

—Lesser Sandhill (little brown) cranes: 15, 25, 1975-Jan. 25, 1976; Nov. 29, 1975-Jan. 25, 1976; bag is three birds; possession limit of six.

The only major sandhill crane hunting is the requirements permit, to be issued charge by the P&W office. The permit is the U.S. Fish and Service will in turn issue of crane hunters in season harvest birds.
