District Champs Readying For Bi-District Battle

HARVESTING is in full swing throughout the Lamb County area. Weather, following a few icy and wet days, has allowed farmers to get into the fields with combines and cotton harvesters. Much of the grain

has blown over, but some combines have pick-up attachments to salvage the fallen grain. (Staff Photos)

With the 3-AA District win already under the Wildcats' belt, it's hustle, hustle, hustle for the Cats as they ready for bi-district play next week.

And the Cats plan to take on whichever team emerges victorious from tomorrow night's Floydada-Tulia tilt. "We're just tickled to be district winners," Coach Jerry Blakely said, "and we'll play whichever team shows up."

If the team had their druthers, they'd pick Floydada because of the earlier loss. Needless to say there will be plenty of coaches scouting the 4-AA Whirlwind-Hornet encounter Friday night, since Littlefield's open date is this week.

Littlefield won its 3-AA outright, and the Cats lead Friona by half a game. Morton, Otton and Dimmitt follow in the district standings.

Four of the Littlefield Wildcats are among the leading district scorers. James Bartlett of Friona leads the

scoring with 64 points. Wildcat J. E. Johnson is next with 54. Otton's Keith Workman is third with 52. Littlefield's Pat Henderson is fourth with 50 points; Morton's Jimmy Harvey is in fifth with 48. Wildcat Leneral Lewis is next in line with 42. Behind Lewis is Friona's Louis Lee 42, and Larry Hobratsch's talented kicking adds up to 33 points.

Some impressive statistics thus far shows Henderson with 783 yards rushing for an average of 7.5. Johnson has gained 610 yards for a 7.0 average; Lewis has gained 489 yards for a 6.7 average. Terry Bryson is credited with 435 yards for 3.4, and Arturo Soria has 134 yards for 4.8.

Bryson has gained 620 yards passing and is credited with five touchdowns.

Littlefield has racked up 223 points to their opponents' 111. Team statistics show the Cats have rushed for 2,478 yards while allowing their opponents 1,301 yards. The Wildcats have passed for 631 yards to the opposing teams' 573 for a total offense of 3,109 yards, almost double their opponents' 1,874 yards.

During their regular season play they were penalized 44 times for 325 yards. Opponents were penalized 34 times for 334 yards.

Of the Littlefield over Otton win, Coach Blakely said the entire defense did well as a unit, especially in stopping Otton's fullback Keith Workman. Citing outstanding players in the Friday game, Coach Blakely said fullback Arturo Soria is offensive player of the week for his great night as lead blocker on the quarterback sprintout offense which was so successful Friday night.

Defensive player of the week is outside linebacker Larry Hobratsch for several outstanding plays as linebacker and his kicking.

Individual recognition also goes to QB Bryson, tailback Leneral Lewis who ran well and caught the ball well, and offensive lineman Kenny Francis for a fine job blocking Otton's nose man.

Floyd Smith had a good night blocking at his guard position as did sophomore Doug McCain. Randy Cook did an exceptional job at his defensive tackle position. Kenny Owens was praised for a good job as inside linebacker, and Randy Wesley for some big plays at defensive end.

Date, time and place for the bi-district game will be announced as soon as the details are agreed upon.

Sudan Resident Contest Winner

With the close of the football contest approaching fast, Randy Dayton and Mozelle Hutson are tied for first place in the season standings. Richard Hopping and Alan Mackey are both in the running for second, and Joe Don Parrott is in third place.

After all the upsets this past week, a score of 10 was about average. First and second place weekly winners this week scored 13 points each, and Gaylene Rogers of Sudan wins the \$5 first place prize for the week for coming closest in the tie breaker scores.

Bobby "Bub" Clayton is the \$3 second place winner.

Ten contestants had scores of 12 each, and after breaking the ties a dozen ways, T. W. Bryson wins the \$2 prize for the week.

Others tying for third were Paul Yarbrough, Loyd Hood, Roy A. Hutson, Ernest Mills, David Hampton, Jenice Pollard, Terry Rodgers, Ben Kelton and Eddie Schulz.

Most often missed contests this week were the Ira over Bula win, Rice over University of Arkansas, Texas A&M over SMU, and TCU over Texas Tech.

Eight Plead Guilty

Eight persons entered pleas of guilty before district judge Pat Boone Jr. Monday and received a total of 37 years, with seven of the eight sentences probated.

Juan Perez entered a guilty plea on forgery and passing and was sentenced to three years in the state penitentiary.

Those whose sentences were probated include Lonzo Moore who was given a four-year probated sentence on a guilty plea of forgery and passing.

Quentis Mathis Moore and Alice Mae Dotson each pleaded guilty to burglary charges and were given seven-year probated sentences.

Victor Vasquez and Juan Vasquez entered guilty pleas to burglary charges and got four-year probated sentences.

Leonard Perez was sentenced to four years, probated, on forgery and passing.

David Ranguel waived grand jury indictment on a burglary charge and received a four-year probated term.

One case went before a jury during this session of court.

The jury that heard charges of rape against David Estrada was out less than 15 minutes before they returned a verdict of "not guilty". Francisco Lopez Gonzales who is charged with rape in the same case will be tried later.

Serving on the jury were Mrs. Lonnie J. Perkins, George B. Thompson, R. L. Masten, Mrs. Car V. Jones, C. R.

Board Abolishes "B" English Notation, Discusses Committee, Accounting

The Littlefield Independent School Board met in regular session Monday night to approve the Textbook Selection Committee, discuss a change in accounting practices, and hear a report from high school principal, Jack York.

The Textbook Committee for the 1973-74 school year was approved by the board and has Supt. Paul I. Jones as chairman and the following members: Jan Martindale, Evelyn Bryson, Ruth Ford, Lavern Seay, Nina McBride, Nancy French, Tommy Brawley, Lucille Betts, Virgil Boomer, Jack York, Kenneth Largent, Dorothy Keeling, Janice Kraushar, Rex Gilstrap, and Debbie Collins.

The board also heard a report from Supt. Jones and Tax Assessor-Collector

Sid Hopping concerning new accounting practices that will go into effect Sept. 1, 1973.

Titled Bulletin 679, this practice, according to Hopping, will "require two or three times as much detail work as is required under the accounting practice now."

The board discussed the merits of using the Service Center out of Lubbock for this or the hiring of additional office help. No final decision was reached Monday night.

Jones also stated that there will have to be a called board meeting sometime before Dec. 1 in order that the board can approve the audit and have the report filed in Austin at the proper time.

In York's report to the board, talk

ranged from the number using the Junior High Cafeteria (the high school cafeteria was closed at the beginning of this school year) to the use of magazine sales to raise money for various school groups.

However, most of the talk centered on Littlefield High's two-track or "B-Section" English classes. As explained to the board, this is a system where the "poorer" English students are placed in a separate class from the "regular" English students.

It was also explained that when a student is placed in this B-Section class, a note is made on his permanent school record that he or she "is not recommended for college."

However, before being placed in this section, York explained that the student's parents must sign a permit and that the student and his parents are fully aware of what is taking place and the mark that is placed upon the permanent record, in answer to a question from David Hampton.

Board member Mickey Ratliff stated that "we should not put this mark on a child's record, especially when a parent can decide what English class his child is to be in by the signing of the permit."

York, who is in his first term as principal at LHS, said he assumed it was the board's policy since it was done this way in the past, but stated, "I am against putting this type of a mark on a student's permanent record."

Supt. Jones also stated that he was against it and when asked how long it had been in effect, said "I don't know—it was here when I became superintendent."

All the board members expressed dissatisfaction with the present system and on a motion by Ratliff, abolished the practice of such notations on a student's permanent record.

In other business, Hopping said that in the last 30 days, \$3,804.21 had been collected in delinquent taxes and that "all names that were published in the paper had paid their delinquent taxes."

Turkey Shoot Set Sunday

A turkey shoot is scheduled for Sunday by the Littlefield FFA Chapter.

Any marksman will have a chance to win a Thanksgiving Turkey by competing in the local Future Farmers of America Chapter's annual turkey shoot one mile south of the overpass on Highway 385 and 1/2 mile east.

Entrance fee will be \$1 per round and the winner of each round will win a turkey. Shells will be available at the site.

trimmings are scheduled for the menu for the two meals that day.

The noon meal will begin at 11 a.m. and continue until 2 p.m., and the evening meal will be served between 5 and 7 p.m.

Price of tickets for adults is \$2.25, and for children under 10 years old, \$1.50.

A general auction is scheduled for 6:30 p.m., followed by a western dance beginning at 9 p.m.

Carnival attractions will also be available throughout the day.

The entire day's activities are being sponsored by St. Philip Neri's Church at Pep.

"Come and enjoy the day with us," says A. G. Jungman, publicity chairman.

"We're located just across the Lamb County line in Hockley County on Highway 303, Turn north from Highway 116, or south from Highway 54," Jungman stated.

ELVOR SEZ: "Luck is the point in preparation and opportunity

LIKE TO THINK this exemplifies Littlefield Wildcats in their drive to second straight district championship. The team was prepared, physically and mentally, and when the season opened, the Cats seized opportunity to blend it with fine determination to race with the district schedule with only a few coaches, are due the congratulations of the fans who have seen some exciting football played by Wildcats this year.

PS NEXT: It's going to be either Floydada and it's this corner's that it's going to be the hands from Floydada. They've been on like gang-busters here and in their last encounter, they scored 55 big points in defeating Floydada's ace back Mark scored five touchdowns and for 165 yards.

Floydada wins, they'll be calling the game to where and when the big game will be played. The only thing that will determine this since the last time they played the Whirlwinds in a district game was on our home field. Observers feel however, that Floydada will still pick a neutral site. If they win, it'll be up for grabs between us and them.

CONVERSATION with Wendell publisher of the Floyd County (which serves the Floydada area), Wednesday morning, he and the Whirlwinds are going to beat us and get ready for us! Tooley also said that their "offense is really alive. Our defense carried us through the first three or four games but

David Keithley To Appear In Comedy Drama

David Arvin Keithley of Littlefield is among 15 University of Texas drama students who will appear in the cast of Cartoonist-author Jules Feiffer's "Little Murders," to be staged today through Sunday by the UT Drama Department.

The comedy, to be performed at 8 p.m. in the Laboratory Theater, is part of the Drama Department's MFA workshop series which gives experience to graduate students working toward the Master of Fine Arts degree in directing.

Marked by droll lines and cockeyed pieces of stage business, the Feiffer play is, as one critic described it, "a phantasmagoria of all we hold cheap."

The satiric comedy, according to another critic, is about "the everyday things that go haywire"—"the little three-paragraph items in the paper."

Manpower Committee To Organize Today

Problems of unemployment, job training, and types of employment will be topics for discussion by a newly formed committee on the South Plains.

The South Plains Association of Governments (SPAG) has formed a Manpower Advisory Committee which will hold its organizational meeting at 10:30 a.m. today, Nov. 16 in the Flame Room of the First National-Pioneer Building, 1500 Broadway, Lubbock.

The committee is currently composed of 24 individuals from the 15-county South Plains region.

Members of the advisory committee are representative of those agencies that fund manpower programs, the business and labor sectors, actual manpower program participants, the social-welfare sector, and the general public. Ultimately, the committee's size will

number approximately 33, when all members are chosen.

Lubbock Mayor Morris W. Turner has been selected to chair the committee which has the responsibility of developing an annual, comprehensive areawide manpower plan which will constitute recommendations for the implementation of specific kinds and levels of manpower programs.

The development of this plan will afford a mechanism through which the area can better match available jobs with available workers.

The agenda for this organizational meeting has such items as adoption of a set of bylaws for the committee, a discussion of the committee's duties, and the determination of sub-committees, if needed.

The general public is cordially invited to attend as well as members of the news media.

Muscular Dystrophy March Nets \$600

The Mother's March conducted here Wednesday, Nov. 8, to solicit funds for the Muscular Dystrophy Association of America resulted in a total of \$601 being deposited in the account at the First National Bank as of Tuesday, Nov. 14. More funds are expected to be received in the next two weeks from envelopes left at homes when the occupants were not at home.

In addition to the march by local volunteers, approximately 80 canisters have been placed throughout the city.

Billie Harris, MDA's local chairman, stated that "the local drive turned out better than was expected, and this was due to the coordination of volunteers and the contributors."

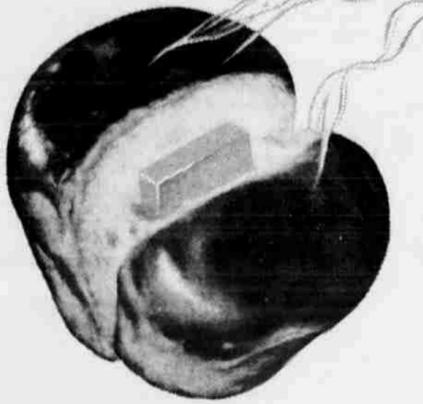

Anyone who may still wish to donate is requested to contact Mrs. Harris at 385-3265 after 5 p.m. or make the contributions at the bank. The donations are tax deductible.

Mrs. Harris stated, "It has been a joy to work for MDA, as the people have been so cooperative and generous. It is regrettable that one canister was reported missing or stolen at a service station, but otherwise it seems the collections in the canisters is functioning very well."

DEAR EDITOR

What Our Readers Think

Dear Sir:

This poem by a sixth grade student in Elementary II is excellent. If you see fit to print, we will appreciate.

Sincerely,

Our World and Pollution

I speak on behalf of the next generation. Our sons and our daughters, their children to come, what will we leave them for their recreation? An oillick? A pylon? Or an industrial flume?

Leave them a flower, some grass, and a mountain, a hill and a valley, a view of the sea, these things are not ours to destroy, but to maintain, a gift given

once for eternity.

We plunder, we pillage, we tear and we tunnel. Trees flying toppled they finger the sky. Building a land for machines and computers in the name of progress the farms have to die.

Fish in the ocean polluted and poisoned. The sand on our beaches all stinking and black. We and our tanks, and banks, and investments, they never worry, the birds will come back.

When the last flower has dropped its last petal. When the last concrete is finally made. The moon will shine cold on the nightmarish landscape. Our gift to our children, the world that we made.

Leave them a flower, some grass, and a mountain, a hill and a valley, a view of the sea. These things are not ours to destroy, but to maintain, a gift given once for Eternity!

OBITUARIES

PETE ESTRADA SR.

Funeral services for Pete Estrada Sr., 54, well-known Littlefield janitor who was found on arrival Saturday night, Nov. 11, at Littlefield Hospital of an apparent heart attack, were conducted Monday afternoon at Sacred Heart Catholic Church.

Rev. Joe James, pastor, officiated and burial was in Littlefield Memorial Park with Hammons Funeral Home in charge of arrangements.

Estrada was born Nov. 1, 1918 in Eagle Pass, and moved to Cameron in 1941 where he married Marcia Gutierrez. In 1944 he began farming near Littlefield and moved into Littlefield in 1958 when he was employed by Jones Motor Co.

In 1961 he formed his own janitorial service and was servicing banks, hospitals and several downtown businesses at the time of his death.

Survivors include his wife, Marcia; three sons, Pete Estrada, Jr. and Tony Estrada, both of Arlington and Danny Estrada of the home; two sisters, Mrs. Antonio Barboza of Dallas and Mrs. Lupe Ambriz of Lubbock; and three grandchildren.

Pallbearers were Bob Roden, Paul Hyatt, Buster Hodge, Charles Smith, Robert Bolton and Joe Johnson.

DORA AMANDA GILBERT

Funeral services for Mrs. Dora Amanda Gilbert, 85, who died Tuesday at her home in Bellflower, Calif., will be announced by Blackburn-Shaw Martin Road in Amarillo.

She was born in Williamson County, Tex.

Survivors include two sons, Clarence Hugoton, Kan., and R.W. of Amarillo; three daughters, Mrs. Dorothy Hastie of Compton, Calif., and Mrs. Gene Allen and Mrs. Trixie Brown, both of Bellflower; a sister, Mrs. Alpha McCarthy of Littlefield; three brothers, Emory Hobbs, Emory Hobbs and Lomas Hobbs, all of Littlefield; 16 grandchildren and six great-grandchildren.

VELMA POPE NIX

Funeral services for Mrs. Velma Pope Nix, 75, who died Sunday morning, Nov. 12, in the South Plains Hospital following a long illness, were conducted Tuesday afternoon in the First United Methodist Church in Amherst.

Rev. George Butler, pastor, officiated, and burial was in Littlefield Memorial Park with Payne Funeral Home of Amherst in charge of arrangements.

Mrs. Nix was a native of Niles, Ohio and went to a farm north of Amherst in 1927. She moved into Amherst in 1935 and was a past president of the Amherst Study Club. She had lived in El Paso at one time.

Mrs. Nix is survived by several nieces and nephews.

Pallbearers were Sam Harmon, Jack Durham, Paul D. Bennett, Eddie Landers, Paul Yarbrough and D. D. Yantis.

ROBERT E. HOOPER

Funeral services for former Olton resident, Robert E. Hooper, 65, of Amarillo, who died Tuesday morning, Nov. 14, in Northwest Texas Hospital in Amarillo, were held Wednesday afternoon in Blackburn-Shaw Memorial Chapel in Amarillo.

Lemuel Phillips, minister of the San Jacinto Church of Christ, officiated and burial was in Memory Gardens Cemetery.

Hooper was a native of Tilman, Okla., and had lived in Amarillo since 1941, going there from Olton. He was a retired owner and operator of the Hooper Barber Shop, and was a World War II veteran.

Survivors include his wife, Jean; two daughters, Mrs. Helen Jones of Amarillo and Mrs. Virginia Hopkins of Amarillo; two brothers, Carl and Elbert Hooper, both of Olton; and four grandchildren.

DWI, Burglary Charges Filed

Three men were arrested on driving while intoxicated charges, and a fourth was charged with burglary here Saturday and Sunday.

Charlie Ray Johnson, 30, of Sudan was arrested and charged with DWI Sunday. He was released Monday after being sentenced to a \$147 fine and 10 days in jail, probated one year.

Rivera Reyes Lyan, 32, of Spade was arrested on a DWI charge Sunday and fined \$147 plus 10 days in jail, probated six months.

George Sanchez, 49, of Littlefield, was arrested on a DWI charge Sunday and sentenced to a fine of \$147 plus 10 days in jail, probated one year.

Manuel Hernandez, 18, was picked up in Amarillo Saturday on a charge of burglary of several businesses in Olton. The youth was indicted by the grand jury on the charge and he is being held on bond forfeiture also.

INNER-VIEWS

now both offense and defense is about even.

And while Floydada Coach L. G. Wilson wouldn't speculate on the time for the bi-district game ("we gotta" win this one Friday night first") it's our guess that it won't be Thanksgiving Day, but Friday night and we wouldn't be too surprised if it is in Plainview.

THE ACTION that the school board took Monday night abolishing the notation on a student's permanent record that he or she "is not recommended for college" just because he or she is in a "B-Section" English class can't be passed up without comment. First of all, the board's action has to be commended. Secondly, one can't help but wonder what effect this has had on previous students. Take a 14 or 15 year old student in his first year of high school, tell him he's "not recommended for college" and it's not hard to imagine the lack of enthusiasm that the student will display the next two years of high school.

THE ABUNDANT LIFE

Good Judgement

THE IMPORTANCE of using "good judgment" is obvious. All of us would like to be able to do this consistently.

"THE PROCESS of forming an opinion or evaluation by discerning and comparing" is what we mean by judgment. Of course, perfection in this area of life is too much to expect.

We will continue to make a faulty judgment now and then, but we can learn to reduce them.

MANY OF THE DECISIONS we must make are what we call routine, and these don't give us any difficulty. In fact, we seldom think of them as being important; but consider them as just habit.

Even though they are habit, more or less, we must examine them for the purpose of seeing where improvements can be made. We must apply the working principles of "good judgment".

TIME IS IMPORTANT to us, or it should be considered important. When we use "good judgment" in our management of time, our time is going to mean more to us and we are going to be happier with ourselves.

We will live a better organized life, and accomplish more that is worthwhile. We will also be freed from the torment of always feeling rushed.

MONEY IS IMPORTANT to us, because of the good purposes it serves in our lives, and because it can be used for so many good things. One of the most valuable ingredients in the wise management of money is "good judgment".

We must learn to use good judgment in our spending, and in our investments, too.

WE CANNOT SEPARATE the management of time from the management of money from the core of life.

Failure to use "good judgment" in management of either one or both throws the whole life experience out of balance, and can create insurmountable obstacles and unsolvable problems.

IT IS POSSIBLE to use "good judgment" in these two areas, and to be foolish in some other aspect of life.

We may not be prudent about our associates, and, consequently, drift into involvements that eventually cause serious regret and overwhelming discouragement.

OUR MANNER OF SPEECH has potential for good or bad, and is the greatest contributor to our success or failure. The difference is in our "judgment" whether good or bad.

THE POINT IS that every phase of life should be under the control and protection of our "good judgment".

All of us can attain a reasonable degree of success, if we continue diligent in our efforts to do so. We make some mistakes, but we can learn from these; if we wish to improve.

IF NECESSARY, we should hesitate to seek whatever help we need. This, if it should be our lot, would be, in itself, the use of "good judgment".

THE MORE IMPROVEMENT we make in applying "good judgment" to the whole of life, the more satisfied life will be for us.

EDITORIAL

Anti-Litter Campaign

An intensified effort to prevent littering on the highways of Texas has been revealed by Colonel Wilson E. Speir, director of the Texas Department of Public Safety.

Speir said DPS patrolmen in all uniformed services have been ordered to watch closely for motorists or other persons throwing litter on the highways or rights-of-way, and to take appropriate enforcement action.

State law prohibits the dumping or depositing of refuse, garbage, rubbish or junk on public streets, roads or highways. It is also unlawful to dump any sort of waste on rights-of-way, beaches,

parking areas, or in inland streams or coastal waters.

The law makes drivers responsible for any refuse or garbage falling from their vehicles.

Fines for littering offenses may be as high as \$200, and minimum fines of \$25 are provided in some instances.

Speir said the DPS made 841 littering arrests in 1971 as compared to 225 in 1960.

Total pollution oriented arrests by the Department of Public Safety last year totaled almost 7,000 including such offenses as loose material, material spillage and faulty mufflers and exhaust emission systems.

Losses To Cancer

Humphrey Bogart, Ty Cobb, Erie Stanley Gardner, John Foster Dulles, Walt Disney, Babe Ruth, Oscar Hammerstein II.

What did these individuals from widely divergent fields have in common? They are among the hundreds of thousands of individuals who have lost their lives to cancer.

More than 52 million Americans now living will eventually have cancer; one in four persons according to present rates. Cancer will strike over the years in approximately two of three families. In the '70's, there will be an estimated 3.5 million cancer deaths, 6.5 million new cancer cases recorded in this country, and 10 million under medical care for cancer.

There will be about 650,000 new cancer cases (diagnosed for the first time) in 1972. This year about 345,000 will die of the disease; that is about 960 persons a day, more than one every two minutes. Of every six deaths from all causes in the U.S., one is from cancer. This year cancer will take the lives of approximately 4,000 children under the age of 15. Cancer is the second leading cause of death in the United States, second only to heart disease.

Texas has its share of tragedy from cancer, say State Health officials. Some 16,476 Texans died of cancer in 1971. The disease will claim approximately the same number again this year. It is estimated that over 31,000 new cancer cases will be diagnosed in Texas this year.

State health officials are quick to join their federal counterparts in warning the public against over-optimism in what some reports have labeled a "potential breakthrough" in the treatment of cancer. Very limited success under very controlled animal tests in the laboratory cannot yet be regarded as the discovery of a complete cure.

But the stepped-up federal battle against cancer is pushing ahead on a variety of fronts. Federal funding for cancer control is to reach \$40 million annually a year from now.

Almost completed by the National Cancer Institute is a master plan detailing the strategy for achieving the expanded, intensified and coordinated cancer research program called for in the National Cancer Act of 1971.

Plans include establishing programs for cooperating with state and other health agencies in the prevention, diagnosis and treatment of cancer and re-habilitation of its surviving victims.

Cancer control programs that include public education are to be one of the major missions of an envisioned national network of comprehensive

cancer research and demonstration centers.

Since 1936, the cancer death rate has fallen slowly but steadily in women, a drop of eight per cent. In men the rate has increased about 40 per cent.

The rise in cancer mortality in men is mainly due to rapidly increasing cancer of the lung, a largely preventable disease. The decline among women is due chiefly to reduction in mortality from cancer of the uterus, largely due to wider use of the Pap test which uncovers cervical cancer earlier, before it has begun to spread.

Cancer of the lung has been increasing steadily in women as well as men. Cancer of the breast is the leading cause of death among women 40 to 44 years of age. Cancer of the colon and rectum has seen slight—if any—progress in the last several years. Incidence of cancer of the pancreas, a highly fatal form is up 65 per cent in the past generation and up 200 per cent in the past 40 years, for no known reason. The survival rate of men from cancer of the larynx improved until the 1960's, but has now leveled off. The same is true with cancer of the bladder, lip-tongue-mouth, kidney and brain.

Most cancer education programs emphasize three ways for individuals to protect themselves against cancer: (1) adopt preventive habits: avoid cigarette smoking, overexposure to sunlight and other known causes of cancer; (2) have a medical checkup annually, no matter how well they feel; and (3) learn cancer's warning signals and go to their doctor immediately if one should occur.

Cancer's warning signals include: a change in bowel or bladder habits; a sore that does not heal; unusual bleeding or discharge; thickening or lump in the breast or elsewhere; indigestion or difficulty in swallowing; an obvious change in a wart or mole; and a nagging cough or hoarseness.

ONE THING WORSE

There's only one thing worse than finding out about cancer—not finding out. Success of treatment depends on early diagnosis. Have an annual health checkup, urges the American Cancer Society.

HONNY GETS

By CORNBALL BL

HAD YOU HEARD? The Littlefield Wildcats are district champions, again! They won their crown last Friday night, and left no room for argument. They're a great bunch of kids and we're justifiably proud of them. How much farther they go depends on their desire and good fortune.

HEROES ALL, and we hope they pursue life with the same amount of enthusiasm and discipline they've displayed throughout the football season.

Without meaning to take anything from the stars, nor to detract from their right to rejoice in their accomplishments, I write the following:

ATTRIBUTE TO SIDE-LINERS YOU SEE THEM at every game. Their names do not make the headlines, nor are they cited for their special performances. In fact, not many of the fans know their names, much less remember their jersey numbers.

They're just a mass of uniforms and fidgeting activity along the sidelines. Seldom do they get to soil their game uniforms, yet they're always there.

NO ONE KNOWS for sure, if they're any less talented than some that are on the field, had they been given the same chance and as much special attention as the others. Or, it could be that nature just simply failed to endow them with as much size and natural ability as it did the others.

Yet, their dedication, loyalty and spirit cannot be questioned!

THEY HAVE PUT in the same number of hours in training and practice as the regulars, come home just as tired, and their bruises are just as painful. In spite of this, they show up at the next session.

They do not get into the thick of the contest, nor have as good a view of the goings on as the average fan, they rejoice, and glory in victory, and are saddened by defeat, just the same as anyone else.

Methodist Men Ready To Serve Turkey Supper

Methodist Men of the First United Methodist Church of Littlefield have completed their plans for the annual "Turkey Supper", which is to be served tonight from 5 to 8 p.m.

Kenneth Evins, president of the organization, and Buster Owens, ticket chairman, have invited the public to attend the event, which will be served in the church building.

Vandalism, Wreck Checked By Police

A citizen reported to police Saturday night that his house on Twitwell Street had been vandalized.

Officers found that two large south windows and a door glass were knocked out with rocks and sticks, and a screen was torn out of a door.

There were 15 small windows 4"x6" and a 24"x24" door window that were

broken in the affray.

Officers investigated one Sunday afternoon.

A 1967 Volkswagen was being southward on LFD Drive by Bob Sanders of Littlefield, when it was with the left front quarter of a Buick, driven eastward on Twitwell Street by Carroll Glenn of Littlefield.

WEEKEND GUESTS of Mr. and Mrs. Robert Ramage were Mr. and Mrs. Mark Ramage and James of Odessa, Mr. and Mrs. Charles Ramage of Midland and Mr. and Mrs. Dan Siewert of Lubbock. Sunday guests also included Mrs. Mark Ramage's parents, Mr. and Mrs. Hardy Carlisle of Plainview.

CAROLE FAVER was hostess for a coffee in her home Thursday afternoon. Her guests included Meses. Jack Stubblefield, Sam Sewell, W. B. Jones, T. W. Nabors, James Steffey, Mack Steffey, R. L. Stubblefield, N. E. Hall and Kerwin Oliver and Elisa.

MR. AND MRS. Clarence Benton and Mr. and Mrs. Norman Fry visited Sunday afternoon in Levelland with Fry's brother, Mr. and Mrs. Edgar Fry.

FORMER SPADE residents, Mr. and Mrs. W. E. (Bo) Duffer have recently returned from an extended tour of Japan. They were accompanied by a group of Best Western Motel owners and operators. The Duffers own and operate the Philip Manor Motor Motel in Dumas.

NEWLY-ELECTED officers of the Spade ex student association are: president, Pat Moberly; vice-president, Gary Hairston and secretary-treasurer, Debra Hairston. Out-going officers were president, Wayne Matthews; vice-president, Robert Myers and secretary-treasurer, Carole Faver.

MR. AND MRS. Loy Mouser recently visited with Mr. and Mrs. Ben Mouser in Macomb, Okla. and Mr. and Mrs. Charles Nathman of Oklahoma City. They also spent some time visiting in Shawnee.

BRAD STANLEY, son of Mr. and Mrs. Larry Stanley, spent Monday afternoon with his grandparents, Mr. and Mrs. George Tollett of Littlefield.

REV. AND MRS. Dennis Heard of Lamesa spent last Friday with Mr. and Mrs. Deck Heard of Littlefield and Mrs. R. L. Stubblefield and Doris. They were enroute to a Baptist convention in San Antonio.

SEVERAL WOMEN from the Spade Church of Christ and the Crescent Park Church of Christ in Littlefield visited in the Hospitality House Monday afternoon. Refreshments were served to approximately 25 patients. Spade women attending were Meses. Larry Stanley, Steve Orbison, Bud Vann, J. W. Johnson, Jr., H. O. Sewell and Gene Stanley.

Olton Methodists Gather For 70th Anniversary

OLTON--Attendance was "excellent" Sunday at the First United Methodist Church when members and guests met in observance of their 70th anniversary.

Five former pastors and many former members were present for the occasion. Featured speakers were Dr. Dallas Dennison of Brownfield, pastor from 1931-34, and Rev. Russell McAnally of Merkel, 1956-59, who brought sermonettes at the morning worship service.

Rev. Elmer Crabtree of Plainview, 1939-42, and Rev. R. H. Campbell, 1953-56, were also honored guests at the morning worship service.

Rev. Tommy Newson of Memphis, 1966-70 brought a special communion meditation at the evening worship service. Also participating in that service was Danny Amerson, ministerial student and interim pastor of the Methodist Church at Halfway and Valley View. The Rev. Marvin Fisher was another honored guest Sunday morning.

Special music featured a duet by Mrs. Owen Norfleet and Mrs. Kenneth Splawn of Levelland, a former member; solo by Don Spain and Meses. Delmer Givens and Kenneth Burgess, organist and pianist. A Thanksgiving dinner was held at noon in fellowship hall. Turkey and dressing with all the trimmings were served to about 250 members and guests.

Following the dinner, the ministers present told of interesting incidents which occurred while living in Olton. Then two ministers' wives present told of experiences. Following these the local pastor, Rev. Al Jennings invited anyone present to tell of some interesting experience.

Organized with nine members in Nov. 1972, the local congregation has seen eight members enter the ministry. "Preacher Sons" include Bob Miller of Plaquemine, La.; Doyle Ragle, associate director conference council on ministries, Lubbock; Clifford Trotter, Amarillo District

Supt. Carol M. Jones, Lubbock; Royce Womack, Wesley UMC, Borger; David Binkley of Abilene; Danny Amerson, who is attending Perkins School of Theology; Harley Holloway, Pioneer Memorial United Methodist Church, Merkel and Ralph Nance, Rev. Marvin Fisher of

Lubbock also received his license to preach from the local congregation in Nov. 1935 but was a member of the Hart Circuit.

The congregation has also had two women become wives of Methodist ministers, the late Clea Womack Wyatt and Arline Ragle Ruggier.

Learn To Do Things, Join An HD Club

"If you like to learn new and better ways to do things, then try joining a home demonstration club," said Mrs. Lynn Bowermon, Extension county home demonstration agent in Littlefield.

The agent said that home demonstration clubs offer an opportunity for the homemaker to learn the latest information about home and family life.

Anyone may join a club. Any person interested in improving home and community life is eligible for membership, according to Mrs. Bowermon.

"A home demonstration

club is a group of homemakers who learn together," Mrs. Bowermon said. "Members help determine and develop ideas for programs."

Members take part in discussions, participate in club-sponsored community projects and even teach lessons at meetings. The club meets twice monthly. Elected officers conduct a short business session.

The agent pointed out that it's not necessary to join a club to learn about homemaking.

"You can participate in short courses, workshops, special meetings and tours sponsored by the Texas Agricultural Extension

District VFW Meeting Slated

The District 13 Convention of the Veterans of Foreign Wars will be held Saturday and Sunday at the VFW Post Home in Littlefield, with the local unit serving as hostesses. Registration begins at 1 p.m. Saturday, and a salad supper will follow at 6 p.m.

Sunday registration begins at 8 a.m. and a joint luncheon will be held at 9 a.m. Mayor J. E. Chastain speaking.

District 13 president for VFW, Roy Bussey of Littlefield, will preside at the meeting.

from the county home demonstration agent." She said that if there is a club in your area, you can form one. A small group of similar interests may be a regular home demonstration club or Extension home economics study group.

"If you'd like to form your own club or group, let me know and I'll help you organize one," Bowermon said.

Friday's Game To Determine Bi-District Foe

Tomorrow night, one of the most important games of the year for the Wildcats will be played. Only the Wildcats won't be playing in it.

The Floydada Whirlwinds host the Tulia Hornets to determine the District 4-AA champion and the opponent to the Wildcats in bi-district. The Cats took the 3-AA crown with a 34-12 victory over the Otton Mustangs Friday night.

Head Coach Jerry Blakely was a bit surprised by the

margin of victory. "We certainly didn't anticipate being able to score that many points," he said. "We anticipated a much closer game than that. I think it was a situation where they made some mistakes; they turned the ball over to us four or five times by fumbles, this, that, or the other, and our team was able to take advantage of them."

"We felt that to win we had to stop (Keith) Workman, and

they (the Cat players) just did a great job stopping him. As a result, their freshman (Glen Johnson) had a great game. Overall, I'd say it was one of our better football games."

"We played well when we had to and especially when they came back there at the end to nearly tie it up we came up with the big play. The pass from (Terry) Bryson to (Leneral) Lewis certainly was the big turning point. "It was one of those games

where we played pretty well throughout the game and finally, late in the ball game, I felt like physically we had gotten the upper hand."

Blakely stated that he would attend the Floydada-Tulia game, but he had no real preference as to which team the Wildcats would have to face. "I think our Cats would rather play Floydada because of the earlier loss. We're just tickled we're there and we'll

play either one that shows up."

The Cats will have a week off to concentrate on the bi-district game. The site and date of the game are as of yet unknown, but it seems most likely that the game will be at a neutral site. It will probably be played next Friday, though Thanksgiving could be the date.

Littlefield opened the season by playing the Silverton Owls, a Class A club which was

completely out-manned by the Cats. The Wildcats won 38-0 while fumbling 10 times, losing five. The Cats unveiled a ferocious defense that would play likewise all season, and showed that the running game would play the major part in the offense.

The Levelland Lobos visited Wildcat Stadium the following week after torrential rains flooded the Levelland field. The Class AAA ball club left town on the short end of a 34-6

score, and the Golden Trap came back to its rightful home. Pat Henderson gained 221 yards on the ground and scored two touchdowns. The passing game had not yet emerged as a weapon, but the Slaton Tigers found it alive and well the next week.

After a quick Slaton field goal, the Cats found themselves behind for the first time in three games. They fought back to the Slaton 21, and Larry Hobratsch

boomed a 38 yard field goal to tie the game and break Tiger's momentum. Quarterback Terry went on to throw touchdowns of 72 yards to J. E. Johnson and 19 yards to Chris Hoge. The final score read 21-19 in favor of the Wildcats.

At this point of the season the Cats were 3-0. Madsen was also 3-0, and that was the only other team to win. See WILDCATS, Pg. 7

PLAN INDUCTION

Journalism Society Elects Officers

Members of the Quill and Scroll Journalism Society met Nov. 6 to elect officers and make plans for induction of new members next semester.

New officers for 1972-73 school year are president, Pam Brandt; vice president, Karol Terry; secretary, Tina Russell; committees chairman, Dru Wilkinson; treasurer, Vicki Grimes.

Quill and Scroll promotes progress in scholastic journalism and publications.

The organization of Quill and Scroll is the international honorary society for high school journalists.

According to the constitution, members of Quill and Scroll must be chosen from the students enrolled in the high school who meet the following requirements:

1. They must be a junior or senior classification to be active members of a local chapter. Second semester sophomores may be initiated during the last grading period of their sophomore year, their membership becoming effective at the beginning of their junior year.
2. They must be in the upper third of their class in general scholastic standing, either for the year they're elected, or for the cumulative total of all their high school work.
3. They must have done superior work in some phase of journalism or school publications work, such as writing, editing, business management or production.
4. They must be recommended by the supervisor or by the

committee governing publications.

5. They must be approved by the secretary-treasurer of the society.

Quill and Scroll will be inducting new members who meet the requirements second semester.

Turkey Day Approaching

By CORRINE GILES

Thanksgiving can be defined by many people as eating, drinking, and taking two alkalizers. To some people this is good for it prepares them for the Christmas holidays. But what's the real meaning?

In the 1600's a group of pilgrims landed at Plymouth Rock with a sparse food supply. The Indians helped these people plant and gather wild fruit, nuts, and meat for the coming winter. After the harvest, the pilgrims set aside a day for thanksgiving to God and invited the Indian chief and a few of his braves to come and give thanks with them. The governor of Plymouth Colony set aside a day out of the year as a day of thanksgiving. This day was November 26 and has become a national holiday.

This year there will be Thanksgiving parades and football on television, pumpkin pies, and of course the aroma of juicy turkey and dressing in the oven. But let us remember the real meaning and give thanks.

Turkey Shoot Here Sunday

Littlefield Chapter of Future Farmers of America is sponsoring a turkey shoot Nov. 19 from 2 p.m. until 5 p.m. The location is a half mile south and a half mile east of the XIT Drive-In. The shoot was held there last year, too. The cost is \$1 per person per round. There are 10 people to a round. FFA sponsor, Art Sommerfeld said there will be as many rounds as needed until dark.

The Senior Chapter Conducting Team, Farm Radio Broadcasting Team and Junior Chapter Conducting Team participated in the District Leadership Contest Nov. 7, at Friona. The Senior Chapter Conducting Team placed fourth in district. The team consists of Weldon Culp, Don Davis, Monte Angel, Marc Payne, Kenan Lichte, Paul Parsons and Doug Allen.

OFFICERS ELECTED

LHS Rodeo Club 'Riding Strong'

One of the newest clubs at LHS is the Rodeo Club. It was organized last year after six years of effort.

Aug. 26 the club rode in the Festivities Days Parade. The entry included cutting and roping horses, shetland "barebacks," and a pony cart. The theme was "The Happy Face Of Rodeoin."

In the homecoming parade Oct. 12, LHS Rodeo Club won second place. Their theme was "Distill The Eagles." Monte Angel's pickup was decorated and carried a "still" throughout the parade. Doug Allen dressed as the "Fighting Wildcat." Marc Payne and Angel chemically produced the effects of the "still." Mr. Wilson, Jackie Horton, Debra Pryor and Don Davis rode in the cab.

The club meets every first and third Mondays each month in the chemistry room. The officers for this year are: President Monte Angel; Vice-President Weldon Culp; Secretary Marc Payne; Treasurer Kenan Lichte; Sergeant-at-arms Ricky Stamps; Reporter Jackie

Horton. Nathan Wilson, chemistry teacher, sponsors the club and Coach Debby Collins is co-sponsor.

At the Nov. 6 meeting, the LHS Rodeo Club passed the motion for jackets this year. A special patch will be worn by the participating members. A thick maroon shirt with white lettering on it was chosen for contestants to wear while riding.

The club members worked last year and in the summer clearing out old sheds at the

sheriff's posse area. The clubs have a contract to go on to the arena. Metal pipe chutes will be in order to hold practice sessions and rodeos.

Several of the club members belong to the Tri-State Rodeo Association. A calendar for this year's rodeos has been sent to the club.

Tascosa rodeo at Anson was held Nov. 4 and 5. Angel competed in the back riding.

FOURTH PERIOD homemaking II students display the garments they made in class in a style show recently. Shown here are Sherry Hemphill, Sandra Stansell, Janice Ray, modeling their garments.

'Go To State' Season Predicted By Mrs. Hench

Their "baby" is a cat and its name is "KiKi." This little "baby" belongs to Mrs. Mary Hench and her husband, Coach Rod Hench.

Mrs. Hench remarked that while the other coaches' wives are looking for babysitters she must say, "I've got a 5-month-old self-sufficient."

Once a cheerleader, Mrs. Hench says she really likes football and predicted a great LHS season long before their district win. Her big plan for the season is, "Go to state."

Mrs. Hench is a native Minnesotan and likes Littlefield. "People are much friendlier than in Minnesota, but in the north, people are confined by weather and don't have a chance to be out much."

She has "mixed emotions" about living in Littlefield because she says, "You get used to living in one place." She enjoys it here and she said first sandstorms came through the windows one day and all but "destroyed" her laundry.

At football games she "concentrates too hard" and when she's "tense" she's "yelling." Mrs. Hench said she watches what she says at games because of her position as a coach's wife. When officials or coaches are "badmouthed" she keeps quiet. One can't "publicly ridicule."

Mrs. Hench said she does get tired of being "centered" around football especially in off-season. "You want a different conversation, but it's understandable." When Coach Hench's long hours keep him from home she said she is "content" to be by herself. "I find little things to do. As long as you're busy you don't worry. I've got terrific neighbors and I feel secure." She also sews and refinishes furniture.

Married two years, she and Coach Hench met at a private girls' and boys' camp with combined camper activities. She laughed and remarked, "The counselors got together, too."

This coach's wife teaches 5th grade in Littlefield, but has taught 6th grade two years in Hawaii. Her students are interested in her because she is a coach's wife. "They let me know they go to games. They give support and we have a lot of spirit. But you can never have too much!"

FINAL GAME TONIGHT JV Has Winning '72 Season

By RICKY RICHARDS
The Littlefield Junior Varsity football team is going into its ninth and final football game tonight at Friona. With a 5-3 record the JV Cats will be trying to win their sixth game of the season which will double the amount of wins this particular class has won over the past three years. A win this week would also make the JV team undefeated against District 3-AA JV teams.

The JV Cats beat Dimmitt 21-0, and Otton 35-6. Morton, the only District 3-AA JV team they did not play called the game off. The JV also has wins over Tahoka, Muleshoe and

Lubbock High School, with scores of 7-6, 19-0 and 9-0, respectively.

Coach Boomer, head JV coach said, "I think you would have to say that we have made a terrific amount of improvement over this group's past years."

Coach Boomer went on to say that since the Muleshoe game the JV team has had a better overall offensive attack. "Larry Ashley and Connie Bowman have begun to catch good, and Bennie Williams and Buddy Jungman are running the ball good to help balance the offensive attack."

Seniors Order Invitations, Juniors Select Rings

Last week LHS juniors and seniors got a chance to think (Some teachers say it was a first.) Some reflected back, some look forward; while others simply stood still.

Seniors ordered graduation invitations Nov. 7. Amidst all the "How many do I need," and "How much is this gonna cost me," realization set in. realization that "the party's almost over."

"Getting out" means the end of big, "LIFE AND DEATH" matters, too—going to banquets, winning the District 3-AA Championship pep rallies, assemblies and meetings, meetings, meetings.

But there's another side to this soap opera—and that's

growing up or rather being grown up. Maybe, in a small way, ordering graduation invitations is reminding seniors, "You'd better get going. You've got a lot to do!"

Well, when seniors leave who's gonna be right there ready to fill in? You guessed it! —JUNIORS— And just to prove it, they got busy and ordered senior rings Nov. 8.

That's a good sized step toward becoming #1 at LHS. Juniors anticipate graduation as the day when they "take the reins." Intricate plans are devised for bettering the whole school system and showing those "punkys" sophomores just who's boss.

'Retired' Teacher Predicts Continued Wildcat Success

"I really like football, but it's getting so complicated. Coaching is becoming so technical," said Mrs. Pat Weaver of her favorite sport.

Mrs. Weaver, a "retired" school teacher at 27, is the wife of 32-year-old line coach, Jim Weaver, who also teaches driver's education and freshman health.

She grew up in Dumas, where she was a cheerleader two years, and graduated there in 1963.

She attended Eastern New Mexico University in Portales, and there she met Weaver in February of 1965. They were married in August of the same year.

In 1968, she graduated from ENMU with a double-major.

The Weavers and their 23-month-old daughter, Jamalyn, moved to Littlefield from Otton, where he coached under Blakely, and to Otton from Clovis, also under Blakely.

What she claimed she likes about Littlefield is "everything."

"I love it! It's more like Dumas than any other place we've lived," Mrs. Weaver remarked.

She enjoys decoupage and also sews for her husband and daughter and recently finished decorating Jamalyn's room.

One of the advantages of being a coach's wife, she said is, "the coach, I guess." However, she pointed out that she doesn't like the three months she doesn't see her husband during football season.

News Briefs

NEW FHA officers installed Nov. 7 are President Laquinta Clark; Second Vice-President Kim Jungman; Third Vice-President Kim Wood; Fourth Vice-President Linda Sanderson; Fifth Vice-President Toni Gardner; Secretary Margaret Leal; Treasurer Cena Stowers; Parliamentarian Dona Davis and Pianist Carla Sanders.

THE ARMED Service Vocational Aptitude Test will be given to senior boys today at 8:30 in the auditorium.

Frosh Pop Tahoka 44-6 Victory

Littlefield freshmen pounded the Tahoka frosh 44-6 Thursday.

Ronald Parmer opened the scoring on a three-yard run. In the first quarter Littlefield added a safety and Bill Turner scored on a two yard run and kicked the point after.

In the second quarter, Turner scored twice more on a three-yard run and again on a one yard run. Another safety

made the half time score 31-0. Doug Perrin made a TD on a 36-yard run and Ricky Hopping kicked a point after in the third period.

In the final stanza, Ronald Parmer returned the kickoff for 80 yards and Hopping added the extra point.

The freshmen are now 8-1 and have one game left on their schedule.

PEP'S GARY GERIK (24) jumps a shot against Spade from outside in a catch up attempt as teammate Roger Vick (44) looks on. Identifiable Longhorns on the defense are Kenny Ramage (24) and Gaylon Reed (44).

SPORTS

Spade, Pep Split Victories

In basketball action Tuesday night, Spade horned the Pep Buffaloes 96-41 at Spade.

The Longhorn attack was led by David Gray with 24 points, and Danny Miller got a dozen for Pep.

It was a reverse game in

girls' action as Pep dumped Spade, 52-39, with Gayla Freeman scoring 15 points for the losers. Sharon Wallace and Jason Long each got 10.

Pam Demel was the big gun for Pep as she was high pointer for the Buffalo girls.

Continued from Page 8

Muleshoe it was apparent that something had to give.

Muleshoe led from the beginning, taking the opening kick-off and driving 73 yards in five plays. A running back named David Wheat made hay, scoring three times and rushing for well over 100 yards. The Mules ran over the Cats 42-14.

Back in Littlefield for the Floydada game, the Cat defense was in rare form. They allowed the Whirlwinds only three points, but the Cat offense was unable to score at all. Floydada hung onto the win, and the Wildcats were looking to Roosevelt to give them a shot of confidence.

In the most tense and dramatic game yet this year, J. E. Johnson popped into the end zone from the one yard line with 31 seconds left, giving the Cats a 17-14 victory. Johnson played well all night, gaining 157 yards, but again it was the defense that provided the breaks. The Wildcats were behind in that game with about two minutes left when General Lewis and Alan Mackey dropped the Eagle punter on the four. The Homecoming win ended non-district play and evened the Eagles for the bi-district victory they took last year.

Littlefield went to Dimmitt for a mudbath to open district play. The field was so muddy, the players changed to clean uniforms at the half. Littlefield managed to come out clean with a 21-2 win, but at the same time, district rival Friona came to Littlefield for the big battle that many

thought would determine the district champ. Littlefield nursed a seven-point lead at the end after coming from behind twice. Twice, Alan Mackey was largely responsible for the winning touchdown when he blocked a Chieftain punt giving the Cats the ball on the six. The final score was 21-14, and the passing attack was once more showing signs of excellence. Bryson hit on seven of 12 for 78 yards, and two or three passes were dropped.

That brings the season down to two weeks ago at Morton. Morton had won but one game all year, but that victory was a shining one over Muleshoe. Although the fans were confident of a win, the players were wary of the Indians. It was known that they had good size and strength, and excellent speed in the backfield. The only thing keeping them from being big winners was a marked inconsistency.

At the half, the Indians were ahead 7-0. And after a fumble-filled third quarter, it appeared that that lead might be enough. Henderson finally scored with 3:19 left, and the Cats decided to take the tie as Larry Hobratschko booted the point after.

So last week against Otton, the Cats desperately needed a victory to take the district crown. After three quarters of play, the Cats were ahead 10-6. Hobratschko kicked a field goal. Bryson hit Lewis with a 52-yard scoring bomb, and Bryson ran in two more scores to give the Cats 24 points in the last quarter and a 34-12 win.

Area Roundup

The curtain comes down on the 1972 football season Friday for most area schools. Only two schools have a shot for advancement in bi-district play. Littlefield won its district championship, and Bula is tied with Ira and Hermleigh for the title in six-man football.

Amherst closed out its season with a tilt at Whiteface Friday night. The Bulldogs came close in several games but just couldn't cross the goal line enough to make a showing

in this year's grid week Amherst beat Home, 38-0, and took a 36-0 beating Wilson.

Anton went into football this year. They did not cap the did stay in control played the district on Penetration. Entertainers Shallowater for their last game season. The Bulldogs Seagraves, 47-24. Pen Shallowater beat O'Donnell, 20-12.

7th Grade Girls Thump Bula

Tonya Tunnell broke the game open with her early scoring to set the stage for Littlefield's seventh grade girls' basketball team to win over Bula 30-20 Monday night at Bula.

Miss Tunnell swished the nets for the first five points of the game to pace her team to a 11-4 first quarter score. Lota Zoth came into the action and scored 16 points in the game to be high pointer for the winners. Miss Tunnell bucketed 12. Minelle Petty came in the last quarter and sank a long shot for her two-point contribution.

Bula's Ida Davila was a threat for Littlefield's defensive unit by sinking 16 points for the losers. Miss White and Miss Stoval each got two points.

Outstanding on the defensive end for Littlefield were Debbie Burks, Kimberly Fisher and Regina Macha. Littlefield's seventh A and B, eighth and ninth grade girls travel to Levelland Monday evening for another cage battle.

Bula plays Southland at Bula for their last regular season football. Pat Risinger met with from Ira and Hermleigh tossed the coin to see which team will win the district in football. Results were not known at press time. Bula lost to Ira, 14-12. Springlake-Earthton Friday. The Wolverines Bovina Friday, 35-7, won over Kress, 20-14. Time is 7:30.

Sadan goes to Kress final game of the season will be hot after a win after edging Kress 26, last week Kress under Vega, 20-14. Otton lost their chance district title when they were downed by Littlefield Friday.

Littlefield's Mustangs will face on their home grid. Dimmitt lost to Morton. Whitharral plays the game of the season Whitharral Friday at Wellman. The Panthers not been able to make this season in eight football. Last week Sterling City, 72-0. Wellman bowed to Spade 14.

Williams Leads JV Win Over Otton

Littlefield's junior varsity took an easy 35-6 win over the Otton JV Thursday.

Buddy Jungman opened the Littlefield scoring with a 35-yard run.

The second TD came on a 40-yard pass from Tommy Batson to Benny Williams.

Another touchdown followed on a 45-yard pass from Batson to Larry Ashley, then Williams came back to score twice more on runs of 40 and 30 yards.

Jerry Soria kicked three extra points and Buddy Jungman ran extra points once.

Stanley Patterson and Ashley each got an interception.

Coach Lewis Boomer said the Otton win showed the best team effort and was the best ball game thus far this year, with all the team members playing exceptionally well. The JV is now 5-3. Littlefield travels to Friona Thursday. The JV plays at 5:30 and the freshmen play at 7 p.m.

"That's much better. You kept your eye on the ball."
