Williams Sees Tough Sledding

Cats To Depend On Desire

"On paper, it looks like we'll be lucky to win three games." That's the observation of Head Wildcat Football Coach Don Williams, who's beginning his first year as head coach here.

And Williams won't even say where those three wins might come from.

"But you never can tell," he says. "It all goes back to mental desire. If you get a bunch of kids that want to win, you never can tell what they'll do."

Williams is sort of depend- ing on that "want to" busi- ness.

"Desire is about all we've got to go on," he says. "We're gonna be outgunned by nearly everybody. We don't have much size or real speed."

Right now, Williams is put-

ting his worries all in one basket. His mind's on Plainview in the Wildcats' opener, Sept. 12, at Plainview.

"I'm scratching my head on that single wing of theirs," he says. "You know, we've got to face the single wing in our first two ball games, against both Plainview and Olton."

Plainview's going to be rough, Williams says.

"They've got eight of their 11 starters back, and even though McGuire (All-Stater Jesse McGuire) is gone, I hear they've got a boy that's just as good."

More tears flow, and the old crying towel gets wet, when Williams talks about Phillips and Sweetwater.

"Down at the coaching school," Williams says, "they

voted Phillips to win our district and Sweetwater to win state."

Littlefield has to play both of them, Phillips there Oct. 25 at the Blackhawk homecoming, and Sweetwater here Nov. 7.

The Wildcats will hold two-a-day workouts Aug. 29 and 30, one at 7 a.m. and the other at 4:30 p.m. each day.

School starts Sept. 1, and then the Wildcats will take up their regular sessions after school each day.

An added headache for coaches this year is the two-point conversion rule.

"That thing's gonna lose a bunch of ball game for you. Of course it might win a few too," Williams laments.

He says that use of the run or pass for the two-point con-

version will depend a lot on the situation.

"If we score first and have a good kicker, we'll probably shoot for the one point," he says.

"If we need the two points, of course we'll go for them," he adds.

When Williams greets his squad Aug. 28, he'll have about 25 boys battling for the top positions.

At end, the only Wildcat with a hold on the job is the veteran Hilton Hemphill. Three other boys, Dale Rhodes, Lewis Foley and Robert Massengale, will fight it out for the other spot, Williams says.

Bill Wade, another vet, has a clear shot at one tackle post, but the other spot is wide op-

\$1.40 Tax Rate Kept By Board

A \$534,655 school budget for 1958-59 was approved by Littlefield school trustees Monday night as they held the line against a tax increase.

The board approved a \$1.40 tax rate for 1958-59—same as this year's rate.

Included in the new budget is a \$63 per year increase for teachers, which amounted to a total of \$4,200.

The budget calls for about \$73,000 less expenditures than this year, when final figures are expected to show expenses of \$607,630.16.

The board has until Sept. 1 before it will know to the penny how much the 1957-58 school year cost.

\$54,540 Balance

A balance of \$54,540.71 is expected at the close of this fiscal year.

Receipts for 1958-59 are expected to be \$582,590.71, including the starting balance of \$54,540.71, based on 90 per cent collection of a \$14,500,000 valuation.

The board noted, however, that tax collection here has been from 93 per cent to 95 per cent of the roll in recent years, giving the school district a comfortable financial cushion for its budget.

Expenditures of \$534,655 in 1958-59 would leave a balance of \$47,935.71 at the end of 1958-59.

Reason for the decrease in expenditures in 1958-59 lies in the fact that \$60,000 which was spent for new buses and \$10,000 which was spent on Wildcat Stadium, this year will not be needed in 1958-59.

Here is a breakdown of the planned expenses in 1958-59:

Administration, \$30,457; instruction, \$375,789; health services, \$3,904; pupil transportation, \$21,500; operation of plant, \$32,930; maintenance of plant, \$500; fixed charges, \$6,370; capital outlay, \$2,000 and debt service, \$61,205. Total: \$534,655

Receipts Listed

Here is the breakdown of expected receipts:

Local sources, \$187,700; state sources, \$340,350; beginning balance, \$54,540.71. Total: \$582,590.71.

Bond payments which must be made in 1958-59 total \$23,000. Payments on short term loans total \$10,000. Interest on the bonds total \$37,205, while interest on the short term loans amount to \$900.

The school district's total indebtedness will stand at \$943,000 at the end of the 1957-58 year.

Other Action

In other action at a regular board meeting, trustees:

1. Sold surplus of milk between Bell Milk Co. and Bowden Milk Co. for the 1958-59 school year the same way it was handled last year. Board members were called upon to vote between Madsen, Bond, Baldwin, Bowers and Tolson, as they were in 1957-58.
2. Approved the resignation of First Grade Teacher Joy Ham-

Friday Opening Set For Airport

More than 40 out-of-town planes are expected to land at Littlefield's new municipal airport Friday when the terminal's official opening is staged.

The new \$85,000 airport, located on Highway 54 two miles west of town, will be the scene of a ribbon-cutting ceremony at 10 a.m. Friday, signifying the opening of the field.

Mayor E. J. Foust will handle the scissors for the Chamber of Commerce-sponsored event.

The opening is actually the culmination of almost three year of work, in which various organizations joined with the city in making the airport a reality.

The 40-plane fly-in is expected to take place between 10 and 11 a.m.

About 15 planes are expected in a goodwill tour from Amarillo. More than 100 out-of-town guests should be on hand, Chamber of Commerce officials say.

The guests will be met by members of the C-C's Soil and Oil Club.

They'll board buses at the airport after the opening and head for town, where they'll go on a short tour of the city.

A free lunch will be served the guests at noon, courtesy of the City Airport Committee.

New-type commercial aircraft also will be shown. Area dealers were invited to bring planes for display.

Officials also are expecting a good turnout of townspeople for the event. All facilities at the airport will be open for citizens to inspect.

The new terminal, which has been in operation only a few

weeks, has two runways, one 3500 feet which runs NE-SW and another 2500 feet which runs SE-NW.

The new airport replaces Duggan Field, which was located south of Littlefield. Land there was purchased by the Littlefield Development Corporation for Crescent Park.

C-C BARBECUE SET TONIGHT AT BALL PARK

Newcomers will get most of the attention, but there'll be plenty of barbecue for all tonight, when the Chamber of Commerce will put on its annual summer barbecue.

That's the word from Howard Horne, chairman of the event, who reminded citizens that the outing will be held at the Little League Ball Park at 7:30 p.m.

In case of rain, the crowd will shift over to the Fair Barn.

Tickets sponsored by C-C members are being distributed to newcomers, who will be introduced at the event.

Tickets can be purchased from Horne or C-C President Bob Manley or at the Chamber of Commerce office in the city hall.

Horne said there'll be no speeches, just barbecue, some music by a western band and a hello to the town's newest residents.

New Phone Directories Due Soon

"It won't be too long before all telephone users, residential and business customers alike in Littlefield will receive new telephone directories for 1958," R. E. Saunders, district manager for the General Telephone Company of the Southwest announced Wednesday.

"Correct initials, names, and addresses are necessary to assure complete and adequate representation in the alphabetical section and 'the Yellow Pages as well,'" he said.

The final closing date for making changes or adding new listings to the new telephone directory will be Aug. 22, 1958.

Saunders urged that all subscribers wishing to make any changes should call the business office as soon as possible to enable the telephone company to make the corrections or additions before the new directory is printed.

City Buys Truck For Dumpster Plan

City commissioners Tuesday purchased a two-ton GMC truck from Sumral Pontiac of Littlefield to be used in the operation of the Dumpster trash removal system.

Sumral's bid was \$2,882.67 for the four-speed transmission truck. Dumpster lift will be installed on the truck when it is delivered from the factory to Knoxville, Tenn., headquarters of the Dumpster firm.

The Dumpster system was purchased by the commission last month for \$25,297.92.

The system requires a truck to pick up, haul and dump trash by use of steel containers. The Dumpster system will be delivered here in late September.

Paving Program To Move To New Areas Of Town

Work on about 25 block of paving outside the Crescent Park addition will begin Monday, city officials announced this week.

The 25 blocks are part of a 60-block, \$153,300 program which the city authorized in June.

Thomason Construction Co. of Denver City, the contractor, has had his crews working on about 35 blocks in Crescent Park since the contract was approved.

Work will be completed at Crescent Park about Sept. 1.

The firm has been awaiting a hearing on assessments for property owners before starting on the 25 blocks outside the new addition.

The city has scheduled the hearing for Saturday, making it possible for the contractor to start work Monday.

In addition to the paving work the Denver City firm is scheduled to start seal coating and other repair work today on about 90 blocks throughout the city.

City officials said the seal coating will be completed in about three days.

They asked residents to observe barricades and flagmen

throughout town during the next few days. The seal coating work will require only a few minutes work at most locations, they said.

The 25 blocks of paving are expected to be completed in about a month. Included in the program are these blocks:

Six blocks of West 6th from Sunset to Westside, 4½ blocks of Duggan from 9th to the alley between 13th and 14th, three blocks of College from Highway 51 to Acheson, a block and a half of

West 11th from Monticello east. One block each of West 7th from Wicker to Austin, West 8th from Bell to Austin, Wroe from 8th to 7th, East 8th from Seldon to Williams, Twitchell from 11th to 12th, Haural from 16th to 17th, Twitchell from 15th to 16th and Brownk from 5th to 6th.

Half-blocks of Twitchell from 17th north, Morse from 14th north and Wroe from 15th north.

Jaycees Present Petition For Overpass To County

Littlefield Jaycees went to their second source for help Monday in securing an overpass or underpass at the Santa Fe railroad's intersection with Highway 5L.

The group presented a petition to county commissioners asking their help in eliminating rail hazards here.

The petition was a duplicate of one which the Jaycees presented to city commissioners last Thursday night. It was signed by about 100 persons.

The group is seeking the overpass or underpass for both motor vehicles and pedestrians.

The petition referred to recent accidents, apparently aiming at one which claimed the life of a 13-year-old girl here last week.

Another girl, 12, lost her left leg just below the knee when she and the other girl attempted to

crawl between the wheels of a freight train just as the train started into motion.

Like the city had done earlier, the county promised to help anyway it may be able to in eliminating hazards near the railroad.

The petition was presented at a regular meeting, in which the court also:

1. Approved a delinquent tax roll for 1957 submitted by Tax Assessor/Collector Herbert Dunn. Dunn reported the county has collected 95.1 per cent of its 1957 taxes.
2. OK'd the monthly reports of the county agent, home demonstration agent and assistant county agent.
3. Authorized taking of bids on a motor grader for relevel 1. Olton. Bids on the grader will be opened Sept. 8. The county will trade a used machine for the new one.

Durina Month-Lona European Farm Tour

Mrs. Haberer Missed Her Cotton

Mrs. Bonnie Haberer of Pleasant Valley, who's been a farm girl all her life, got a look at farming in Europe this summer.

She had a big time on a 30-day tour, all of July, across Europe.

But she found something when she got home that she missed during all of her travels.

"I didn't see a stalk of cotton while I was over there," Mrs. Haberer says.

She's got a little green book full of notes taken while she looked at all other kinds of farming, though.

Mrs. Haberer, who's 60 and doesn't look it, went on Cotton John's KGNC Farm Tour of Europe. She was the only traveler from Lamb County among a group of Panhandle and Plains farm folks.

Leaving from Amarillo, she flew to New York, then to London early in July.

She saw the Royal Agriculture Fair at Bristol, Eng., the largest of its kind in the world.

"I was amazed at so many different breeds of fine cattle represented at the fair," she said.

"It wasn't like any fair I'd seen," she said. The people who showed the animals wore long white coats and caps. There wasn't a bit of western garb around."

Later, Mrs. Haberer visited two of the fine Hereford farms at Hereford, Eng.

"The grass was beautiful—knee deep. Every animal I saw looked like a show animal," she said.

Back in London, she found England's farm problems "are similar to our, too many surpluses.

But the emphasis in England, she says, is on livestock.

From there, Mrs. Haberer toured Holland, went to the

World's Fair at Brussels, went to Germany, Switzerland, Italy, France and back to England before returning home about the first of August.

Holland was the "pick" of the trip, Mrs. Haberer said, because of the friendliness and hospitality of the people.

"I stayed in a resort hotel about 50 miles from Amsterdam and we saw all kinds of farming."

"I guess they must farm every available inch of soil in Holland. We saw some fine grain and garden crops and cattle," she said.

Mrs. Haberer saw in the making a polder where land is raised up out of the marsh to make it inhabitable.

"They were working away, trying to raise about 135,000 acres from under the water for farm land. It'll take years and years," she said.

Class distinction seems to be a

big problem in Holland, she says.

"You couldn't get a landlord and tenant farmer together like we do here," she said.

Turning to the World's Fair, Mrs. Haberer said she was "personally pretty pleased about our exhibition there."

"The Russian exhibition is overpowering and loud. But I didn't know but what we'd a better job on ours."

"Nearly everybody on our tour had a different opinion about that though," she laughed.

In Germany, Mrs. Haberer toured a milk processing plant. In Switzerland, she got a look at the famous mountain passes and was entertained in the country's agricultural college.

When she got to the subject of Italy, Mrs. Haberer started grinning.

"I got seared half to death in Italy," she said. "We were riding a train through the Simplon

Miss Carter-Martin Exchange Vows In Lums Chapel Baptist Church

The Lums Chapel Baptist Church, six miles south of Littlefield, was the setting for the wedding ceremony of Miss Emma Ruth Carter and Hall T. Martin Tuesday night at 8.

Rev. A. B. Moseley, uncle of the bride, read the double ring ceremony as the couple stood in front of a kneeling bench with a background of greenery and a sunburst of yellow gladioli and greenery flanked on each side with two baskets of yellow gladioli with four sets of candlelabbas with lighted white tapers.

Emma Ruth is the daughter of Mr. and Mrs. Percy Carter, Route 2, Littlefield. The groom is the son of the late Mr. and Mrs. Martin.

Mrs. Hershel Barker played traditional wedding music and accompanied Mrs. Ruelene Porter as she sang "I Love You Truly," "Because" and "The Wedding Prayer." The couple knelt at the altar as Mrs. Porter sang.

The bride was given in marriage by her father. She wore an original wedding gown made by her mother. The French Chantilly lace gown was designed with a Sabrina neckline and outlined in medallions of lace with a long orso waist line and long petal point sleeves. The fullness of the imported French lace over tulle ruffled skirt was emphasized by an under laid hoop. Her finger tip veil fell from a crown of imported seed pearls and iridescent sequins. She carried a white Bible

topped by a white orchid and showers of stephanotis and bridal ribbon.

For something old the bride carried a white linen handkerchief belonging to a friend; for something blue she wore a blue garter which belonged to her roommate in nurses school; and for something new, a pair of pearls, a gift from the groom.

Mrs. Malcolm Brodgen, cousin of the bride, of Amarillo, attended the bride as matron of honor. Carol Pounds served as maid of honor. Donna Sue Goertz, Lubbock, was bridesmaid.

They wore identical dresses of pure silk chiffon in a soft shade of yellow. The dresses were designed with a Sabrina neckline, long torso waistlines and full pleated skirts over yellow taffeta and highlighted with large shur bows at the necklines. They wore large white picture hats made of French Chantilly lace and net with yellow velvet ribbons and yellow forget-me-nots around the crown. They carried bouquets of white flowers made on a miniature umbrella with white streamers of ribbons.

The flower girl, Dixie Crater, cousin of the bride, wore a yellow pure silk dress with ruffled skirt over taffeta with white lace hat and white gloves. She carried a white basket and scattered yellow rose petals.

Ring bearer, Victor Elliston, cousin of the bride, carried the rings on a white satin pillow.

Roy Allen Huston, uncle of the bride, served the groom as best man. Groomsmen were Kenneth Mosley and Neil Pounds, both of Amarillo. Candlelighters were of the bride.

Ushers were Malcolm Brodgen of Amarillo and Hilar Carter, uncle of the bride of Amherst.

For her daughter's wedding Mrs. Carter wore a navy erepe dress with large white collar and cuffs and navy accessories. Her corsage was of yellow roses.

The dining room of the church was the setting for the wedding reception. Mrs. Doss Maner and Mrs. Roy Allen Huston greeted the guests and presented them to the partrnts, the honored couple and the bridal attendants.

The serving table was laid with a nylon ruffled table cloth and bouquets of forget-me-nots highlighting the draped lines. Two baskets of gladioli were placed behind the table to complete the yellow and white color scheme.

Mrs. Eugene Carter, aunt of the bride, served the three tiered wedding cake, decorated with yellow roses and a miniature bride and groom. Miss Lula Fern Miller, Amarillo, served the punch. Mrs. Elvin Carter presided at the guest register.

For a wedding trip the bride selected a navy silk shantung suit with white trimming in lace and navy accessories.

The bride is a graduate of Littlefield High School, where she was football queen her senior year. She is a graduate of Northwest Texas School of Nursing in Amarillo.

The groom attended Southwest Texas State Teachers College in San Marcos, Tex. He served four years in the Air Force as a Lt. He was assigned to Bergstown Air Force Base in Austin. He is a member of the Shrine Ben Hur Temple in Austin.

The couple will make their home in Austin where he is employed as an investigator for the State Security Board.

Phillips Home Scene Of Shower For Miss Sorley

OLTON — A bridal shower for Anita Sarley, bride-elect of Don Powell, was given August 5, in the Martin Phillips home.

The house was decorated through out with fresh garden flowers. The bride's table was decorated with her chosen colors, orchid and white. A white table cloth and bouquet of white gladioli with orchid streamers bearing the names Nita and Don and the edging date August 22nd. Serving the guests were Mrs. Clyde Witten and Marilyn Jones.

Registering the guests and gifts were Mrs. Jerry Maynard and Lea Eby. Thirty five guests called and eighty gifts were registered. The hostesses' gift was a mixer.

Hostesses were Mrs. Glen Phillips, Mrs. Martin Phillips, Mrs. Dwight Lewis, Mrs. Clyde Witten, Mrs. M. Edmonson and Mrs. Carol Jones.

White Bible Ceremony Honors Bride-Elect

On Wednesday evening, July 30, in the sanctuary of the First Baptist Church, Miss Sue McCown, bride-elect of David Thomas of Abilene, was honored at a White Bible Ceremony, conducted by the YWA.

This is a traditional ceremony honoring members their marriage. Miss McCown, daughter of Mr. and Mrs. H. W. McCown, was a member of the Janet May YWA of the First Baptist Church during her High School days and has been a member of the Ann Hassel-tine YWA on the campus at Hardin-Simmons, where she graduated in June.

The ceremony was staged at the altar, in front of a table which featured a white Bible, lighted with a huge white candle, and banked with greenery and white satin ribbon. A white satin ribbon marked the scripture of the evening.

Miss Paula Sue Jensen, president, presided. The opening prayer was rendered vocally by Misses Jo Ann Hall, Teddy Jo Bitner, and Roxene Bingham. They were accompanied at the piano by Miss George Ann Walker.

Miss Jensen gave the history of the hearth as the symbol of the home.

All the lights in the sanctuary were extinguished as Miss Jensen lighted a white taper tied with green satin ribbon from the large candle. She then lighted tapers held by YWA members as they formed a circle around the honored couple.

Miss Jensen then explained that the radiance of the candlelight symbolized the joy of the Christian home.

As the young women stood with lighted tapers Miss Nancy Russell sang: "Bless This House."

The YWA Director, Mr. Ralph Nelson, then explained the need for God's Word in the home. She introduced the song, "Thy Word Is A Lamp Unto My Meet," sung by Miss Russell.

Mrs. Nelson then continued by explaining the significance of the use of the YWA colors, white and green.

Dr. Hemphill, pastor, then gave the presentation address, by impressively stressing the joys of the Christian home. At intervals, to further emphasize his words, those standing in the circle repeated his text.

Following the benediction by Dr. Hemphill, Misses Hall, Bitner, and Bingham sang: "O Perfect Love." The guests were then invited into the church parlor where the traditional White Bible reception was held.

Fellowship Hall Scene For The Golden Age Party

ANTON — The second meeting of the Golden Age group met on Thursday afternoon at three in the Fellowship Hall of the Methodist Church. The group enjoyed playing games of scrabble and Chinese checkers during the afternoon. The Wesleyan Service Guild served refreshments of punch and cookies to the ladies at the close of the party.

The next meeting will be the first Thursday in September and all the ladies of the town are invited to come, and a ride will be provided for each there back to their homes.

Buffet Luncheon Honors Miss Broome

ANTON — Miss Sandra Broome, bride-elect of Donald Love Jr., was complimented with a buffet luncheon Thursday afternoon by Mrs. Paul Harral and daughter, Barbara Matud of Abernathy.

The table was decorated with an arrangement of dahlias and set for twenty guests, including mothers of the engaged pair, Mrs. George Broome and Mrs. Donald Love Sr. The hostesses' gift was lingerie.

Miss Sue Johnson Entertains Attendants

BULA — Miss Sue Johnson entertained the girls that are to be attendants in her wedding, Friday night, with a party in her home Thursday.

Plans were completed for the wedding and Miss Johnson presented each girl with a gift of appreciation.

Mrs. D. T. Johnson, mother of the bride-elect, served refreshments of cookies, open face sandwiches and cokes to the guests.

Present were Lennell Claunch, Sammie Reynolds, Carol Cook, Sandra Spence, Kathy Phillips, Ruby Cash, Sandra Angel, Linda Holt and Judy Young.

Miss Whittington-Coen Exchange Wedding Vows

OLTON — Miss Margie Carlisle Whittington and Bob Coen were united in marriage Sunday afternoon at four in the First Methodist Church in Olton. The Rev. Russell McAnally, pastor, performed the ceremony.

Gayle McAnally played traditional wedding music and accompanied Devin McAnally as he sang "O Promise Me" and "Wedding Prayer." The church altar was decorated with baskets of pink roses and greenery.

The bride was given in marriage by her father. She wore a wedding dress of shell pink embroidered tulle. Designed with a fitted bodice, Peter Pan collar and a billowy skirt. She carried a bouquet of pale pink rose buds.

Mrs. Gene Trotter, Olton, served her sister as matron of honor. She wore an American beauty taffeta dress with a portrait neckline and bouffant skirt. She carried a pink rose bouquet.

Jimmy Cockerham of Littlefield served the groom as best man. Ushers were Gene Trotter and Glenn Patterson, both of Olton.

A reception was held in the First Methodist Church Fellowship Hall immediately following the ceremony. Mrs. Gene Trotter registered the reception guests. Donna Whittington, sister of the bride, poured the punch and Mrs. Sam Scott served the wedding cake.

The serving table was laid with a handmade crocheted cloth over pink and decorated with the bride's bouquet and the wedding cake.

For a wedding trip to Dallas the shantung suit with black accessories.

The couple will make their home in Amarillo, Tex.

WMU Announces Activity Plans For August

Activities for the WMU of the First Baptist Church for the month of August began on the evening of August 8 on the back lawn of Mr. and Mrs. Freddie Harrell.

Guest speaker for the evening was Verlie Smith of Jamaica, who is at present a student at Wayland College in Plainview.

On Thursday the women of the WMU will journey to the Plains Baptist Assembly grounds near Floydada where they will attend the WMU Camp. Several local women will take part on the program.

Monday through Friday will be Sunbeam Focus Week, with activities planned for each day. The highlight of the week will be the Sunbeam Rally held Monday at Springlake.

The topic for the Josephine Harris Circle meeting and the day circle meetings will be "The Conversion of Cornelius, The Centurion."

On August 25 through 28 several of the ladies will attend the Texas WMU Houseparty to be held on the campus of Baylor University at Waco, Tex.

Lions Club Holds Annual Barbecue

AMHERST — The Amherst Lions Club's annual chicken barbecue was held on the Lester LaGrange's backyard Thursday night.

Lion president, Clarence Black, and Lions LaGrange, W. C. Adams and Ray Blessing barbecued the chickens for the 70 attending.

Potato salad, ranch style beans, sliced tomatoes and onions, assorted pickles, garlic bread, iced tea and coffee were served with the chicken and chocolate covered ice cream bars were the dessert.

Mines Ray Blessing, Clois Tomes, A. T. Hedgpeth, Lee Payne, J. C. Moreland, Lamar Kelly and LaGrange prepared the dishes for the barbecue.

Picnic Supper Honors Washington Residents

A picnic supper in the backyard of Mr. and Mrs. Toby Walker Thursday night was given in honor of his brother and family, Mr. and Mrs. Jimmy Walker and children of Washington, D.C., while they were guests in the Walker home.

Attending the outing were Carl Walker, Mr. and Mrs. Danny Walker, Mrs. LaVey Mills and daughter, Mr. and Mrs. Alvin Allison and children of Muleshoe and Mr. and Mrs. Leon Richardson and children.

Two Jailed On DWI Charges

Two men were jailed on driving while intoxicated charges this week and another was picked up for Lovington, N.M., officers on a charge of car theft.

Jailed Sunday by county officers on a DWI charge was Elmer Whitmore of Sudan. Whitmore entered a plea of not guilty in county court and was released under \$1,000 bond.

Arrested Monday on a DWI charge was Raymond Rodriguez of Littlefield. Rodriguez pleaded guilty and was fined \$150 and costs and given three days in jail. A Littlefield Negro, Arnell Green, was picked up Saturday for Lovington officers on the car theft charge.

In other activity, officers turned a Mexican over to the Border Patrol for delivery back to Mexico. The man, Antonio Gonzalez, had been a farm worker in the Spade area.

False Chinch Bugs Increasing

False chinch bugs have been reported in increasing numbers throughout Lamb County. County Agent Bill Kimbrough said this week.

The bugs are infesting the heads of grain sorghum, Kimbrough said.

"These insects are capable of causing considerable damage to grain sorghum that is in the milk or soft dough stage," Kimbrough added.

The bugs migrate into fields in large numbers and congregate on the head.

The extension service's department of entomology has released the use of malathion on grain sorghum for control of the pest.

Malathion should be used of the rate of 1/2 pints of emulsion concentrate (containing five pounds per gallon) per acre.

"Do not apply malathion to the heads of grain sorghum within 10 days of harvest," Kimbrough said.

Two Whitharral Residents Hurt In Accident

Two Whitharral residents were injured in a three-car mishap Saturday night on Highway 51 near the XIT Drive-In Theatre.

Travis Bryant and Kay Maner were en route to Amherst where Miss Maner was to assist in a wedding reception. Bryant was driving north on Highway 51 when his car was in collision with an auto which pulled out of the drive-in.

The second car bounced into a third, which was also coming out of the drive-in.

Bryant and Miss Maner received emergency treatment at Littlefield Hospital. Bryant was treated later in Levelland for broken knuckles on his right hand. His car was heavily damaged.

Other details of the accident were not available Wednesday morning as highway patrolmen could not be contacted.

Farm Bureau Says Drastic Cuts Seen Unless New Farm Bill Is Passed

WACO — Texas farmers and ranchers face a drastic reduction in income next year unless new farm legislation is passed before Congress adjourns, warns J. H. West, president of the Texas Farm Bureau.

"Experience has proven that it is impossible to bring up a bill in January and get it passed before planting time," West said. "Farmers are not as concerned with the politics of the farm bill as they are with what their acreage allotments and income will be next year."

There is still time to secure a workable farm bill, he said, but "we must act now."

The Farm Bureau president said that the Texas Congressional delegation holds the key to passage of farm legislation due to the fact that House Speaker Sam Rayburn is from Texas.

"All farmers and ranchers in Texas should contact their Congressmen, urging that they use their influence to get the House farm bill brought up immediately for consideration under regular rules," West declared. "The situation was never more urgent, the case never more clear."

The state leader said that Farm Bureau "is doing everything possible" to get a workable farm bill passed.

"We favor most of the provisions of Senate Bill 4071," West said. "We are opposed to farm legislation being brought up in the House under a suspension of the rules as was attempted Aug. 6. This bill is too important and far-reaching to be voted on without the opportunity for discussion or amendments."

The farm leader said that unless a bill is passed, cotton farmers stand to lose up to 30 per cent of their acreage, rice allotments possibly could be reduced 40 per cent, and wool growers will be in real trouble. He added that a sound program is needed for feed grains.

Dimmitt, Tex., Man Reports—

"Ammonia makes a big difference in my wheat"

Frank S. Wise, who farms 960 acres near Dimmitt, knows from experience that Phillips 66 Agricultural Ammonia makes a big difference in my wheat yields. I figure an average of 20 bushels more to the acre by putting 80 to 100 pounds of Phillips ammonia pre-plant.

Other successful southwestern farmers use Phillips ammonia to give them higher grain yields... and more grazing. The 82% nitrogen in Phillips 66 Agricultural Ammonia gives you wheat a fast start, supplies plant protein-rich forage that puts on more beef at the pound.

Many of these farmers plow down Phillips 66 fall on maize land. They know that 82% nitrogen decompose crop residue, to provide extra plant food for the soil more productive. Remember, Phillips 66 gives you more nitrogen per dollar than any other fertilizer—a full 82%.

The Bible is a man's book. But not all. The Bible is a woman's book, it is a book of "dominant classes" of gods. But the fact is, the Bible, you will discover, is a people's book. It is a book that speaks to all people in all positions. It is a book that speaks to all the people of the world. It is a book that speaks to all the people of the world. It is a book that speaks to all the people of the world.

DOORS OF HOPE

New doorways are fascinating, especially strange exotic doors. They are so because they promise unexperienced wonders, untasted experiences. Old doorways are friendly because they promise the security of the known and the comfortable.

The doorway to a church is of still another kind; it is a doorway to hope. Man works and plays with great zeal, but in the end he knows that something greater than work or play is the real meaning of life and so he goes to Church. There he worships the Giver of meaning, Our Father in Heaven. Be sure you open this doorway and let hope shine into your life.

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

Is something wrong with your life— an inner restless dissatisfaction? The answer to every human problem comes only from God our Maker. He alone can forgive and reassure. Through the church God has committed the provision and proclamation of His forgiveness and redeeming love. Without a church relation no one is securely related to God. Everyone should be in the Church and the Church in everyone!

HERE'S HOW... MAKE A BED GUARD RAIL

A guard rail for the bed of the restless youngster may prevent injuries and preserve the peace of mind of parents. The rail is easily detachable. Use 1 by 4-inch lumber for the rails and uprights. The rails are 48 inches long; the uprights, 26 inches long. Round all sharp corners and sand each piece smooth. Braces to fit over the side of the bed are 8 inches long. Spacers should be thick enough to provide a slot to slip snugly over the side of the bed. If felt or other protection is to be applied to the surfaces of the slot to prevent marring the bed, the thickness of the spacers should be increased. Attach the rails to the uprights with No. 10 flathead screws, 1 1/2 inches long, and glue. Use 2-inch screws to assemble the braces and spacers.

THIS WEEK

In Washington

With CLINTON DAVIDSON

When we started writing this column three years ago we had no idea that it might become a sort of matrimonial bureau, but now we feel compelled to pass on a tip from the Alaska Chamber of Commerce.

Gilts, the A. C. of C. reports there are eight unmarried men in Alaska for every unmarried woman. This startling news, it is expected, may cause a stampede that would make the gold rush look like an afternoon stroll in the park.

Throw away those uncouth notions you have of Alaska men with a steely growth of beard and rough clothing. They are out of date. In Alaska one out of 12 men is a college graduate, a third higher percentage than in the continental U. S.

And, if you are thinking of what a terrible place the 49th state is to live in, forget it. Alaska has a lower death rate and a higher birth rate than any of the 48 states now in the Union.

Three Out Of Four

In the United States proper only two out of three women have found a man to vow to love, honor and cherish and pay the grocery bill. Alaska women have been much more successful. Three out of four have, like the North West Mounties, got their man.

The fourth one, so the statistics would indicate, either is a confirmed old maid or mighty choosy. These statistics, of course, do not include the native Eskimos who are busy raising families in their snug little igloos.

Husbands are not hard to find in Alaska, we are told, despite rumors as wide open that they trade. They look like a New York suburb. There are four square miles per person, compared with 37 square miles per person in the United States.

Because, of course, will have to eat some of their bragging words if and when Alaska becomes the 49th state. You could put the whole of Texas in a corner of Alaska's 586,000 square miles, while the state of Texas is a corner and all it would do would be eat it.

Growing Like Topsy

Alaska has been experiencing some phenomenal growth, populationwise. Between the 1940 and 1950 censuses, the population increased by 77%, five times the rate of the continental U. S.

About two-thirds of this increase was accounted for by natural causes—excess births over deaths—and about one-third by net immigration. The birth rate is one-third larger than in the U. S., and the death rate is only a little more than half.

This, the A. C. of C. modestly concedes, is due not to the climate but to the fact that most people in Alaska are younger than in the U. S. The median age is 26 years, five years below that of the U. S.

There are no large cities in Alaska, mainly because three people live in the country for every city dweller, a reversal of the U. S. ratio. Anchorage is the largest city with a population of 32,000 and Fairbanks is second with 16,000. Juneau, the capital, and Ketchikan each have less than 10,000.

The injured were the drivers of the two cars and their wives, Mr. and Mrs. Alvin Duncan of Farmington, N.M., and Mr. and Mrs. James W. Otte of Rt. 2, Muleshoe, and Terry Duncan, six-year-old son of Mr. and Mrs. Duncan.

Mrs. Sheppard was riding with the Duncans and their son and Miss Edith Sheppard, her daughter, who escaped unhurt.

Funeral services for Mrs. Sheppard were conducted Wednesday at the First Baptist Church in Anton.

The collision of the Duncan and Otte cars occurred about 6:35 a. m. Sunday at the intersection of Farm Road 54 and State Highway 214 in the center of the Enochs Community.

Neither car overturned, but most of the occupants were thrown to the pavement, the highway patrol said.

Duncan was driving west on Highway 54 on his way to a family reunion at Farmington, Otte as traveling south on Highway 214, headed for Odessa, the highway patrol reported.

The conditions of Mr. and Mrs. Duncan and their son were described as fair Tuesday by attendants at Methodist hospital in Lubbock.

Mr. and Mrs. Otte were in fair condition in West Plains hospital at Muleshoe.

Mrs. Sheppard moved to Anton from Portales in 1935. After funeral services Wednesday, she was buried in Anton Cemetery.

Survivors include two sons, Roy and Clifford of 3502 31st St. Lubbock, four daughters, Mrs. Duncan and Mrs. Roy Knight, both of Tahoka; Mrs. Monroe Packer and Edith Sheppard, both of Anton; a sister, Mrs. Sam Burch, Abilene; 13 grandchildren; and one great grandchild.

Drilling costs account for 47 percent of the expense of finding and producing oil.

7 Liquor Law Violation Cases Filed By Dunlap

Seven cases of violation of the liquor law were filed by Liquor Control Board Agent Loyd Dunlap of Littlefield Monday.

Two cases were against Lewis Roberts of Anton, while one each was filed against Tony Duque of Anton and Josephine M. Garcia, who lives south of Balmer Switch in Hockley County.

Two cases were also filed against Lydia Valdivia, who lives one mile east and one south of Bula in Bailey County. Another case was filed against her husband, Antonio.

Mrs. Valdivia was fined \$100 and costs on each of her two cases and her husband was fined \$100 and costs on his. Both entered pleas of guilty in Bailey County Court.

The two latest entries in the Farm Bureau Queen contest are Donna Joyner, daughter of Mr. and Mrs. Don Joyner, and Priscilla Inman, daughter of Mr. and Mrs. John Inman.

The county wide contest will be held Aug. 19 in the Pleasant Valley Community Center.

Kenneth Duncan of Pleasant Valley will serve as master of ceremonies.

Donna Joyner, 16, is five feet, five inches tall and has brown hair and brown eyes. She will be a junior student at Littlefield High School. She likes basketball and all sports.

She has an entry in the Bathing Beauty contest in Olton this year. Donna is a member of FHA and active in 4-H work. She is a winner of ribbons and a cup in the Olton and Littlefield Shetland Pony show.

Donna excels in water skiing, plays the piano and is a member of the choir.

Priscilla Inman is 16 years old and five feet, five inches tall. She has blonde hair and blue eyes.

She is a junior student in the Pleasant Valley. She plays the Muleshoe High School and lives in saxophone in the high school band, rides horseback, bowls and

Committee Plans Fire Prevention Poster Contest

Plans for a Fire Prevention Week poster contest were made Tuesday morning in a meeting of the Civic Affairs committee of the Chamber of Commerce.

The event is scheduled for the week of Oct. 5.

Prizes will be given or the best posters in each of three divisions — primary school, elementary school and Jr. High school. Prizes will be \$5 for first place, \$3 for second and \$2 for third.

Committee Chairman Howard Horne said he would ask members of the Littlefield Volunteer Fire Department to judge the contest.

The committee also decided to ask the Charter Commission to look into the possibility of having a city health department under the city's proposed new charter to enforce city health standards.

Teenagers Fined \$50 Each After Fleeing Patrol Cars

Two Littlefield teenagers were jailed and fined about \$50 each Saturday night after officers chased them at speeds as high as 100 miles per hour.

City police started the chase after the teenagers' car was spotted running two stop signs on East 7th Street in Littlefield.

The boys, who were accompanied by their girl friends, headed west on Highway 54 and outran the police car as they headed toward Sudan.

Sudan, Lamb County and Amherst units were called out to help stop the auto but the teenagers escaped.

City officers Bob Lee and W. O. Word, however, were able to get the license number of the car. The boys were picked up in Littlefield later that night when Police Chief F. A. Fitzgerald and Patrolman LeRoy O'Dell spotted the car through its license number.

The city filed on the youths for running two stop signs, excessive noise with a motor vehicle, speeding 50 miles per hour in the city limits, reckless driving, failure to yield to a red light on a police car and disregarding two peace officers.

The boys spent the night in the city jail, then were taken before county officials on similar charges. Total fine to each youngster was about \$50.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

SENATE JOINT RESOLUTION NO. 4 PROPOSING AN AMENDMENT TO SECTION 56 OF ARTICLE XVI OF THE CONSTITUTION OF THE STATE OF TEXAS, PROVIDING THAT THE LEGISLATURE BE AUTHORIZED TO APPROPRIATE MONEY AND ESTABLISH PROCEDURES NECESSARY TO EXPEND SUCH MONEY FOR THE PURPOSE OF DEVELOPING INFORMATION ABOUT THE HISTORICAL, NATURAL, CULTURAL, INDUSTRIAL, EDUCATIONAL, RECREATIONAL AND LIVING RESOURCES OF TEXAS, AND FOR THE PURPOSE OF INFORMING PERSONS AND CORPORATIONS OF OTHER STATES THROUGH ADVERTISING IN PERIODICALS HAVING NATIONAL CIRCULATION, AND THE DISSEMINATION OF FACTUAL INFORMATION ABOUT THE ADVANTAGES AND ECONOMIC RESOURCES OFFERED BY THE STATE OF TEXAS; PROVIDING, HOWEVER, THAT NEITHER THE NAME NOR THE PICTURE OF ANY LIVING STATE OFFICIAL SHALL EVER BE USED IN ANY SAID ADVERTISING, AND PROVIDING THAT THE LEGISLATURE MAY REQUIRE THAT ANY SUM OF MONEY APPROPRIATED HEREUNDER SHALL BE MATCHED BY AN EQUAL SUM PAID INTO THE STATE TREASURY FROM PRIVATE SOURCES BEFORE ANY SAID MONEY MAY BE EXPENDED.

SECTION 1. That Section 56 of Article XVI of the Constitution of the State of Texas be amended to read as follows: "Section 56. The Legislature of the State of Texas shall have the power to appropriate money and establish the procedure necessary to expend such money for the purpose of developing information about the historical, natural, cultural, industrial, educational, recreational and other resources of Texas; and for the purpose of informing persons and corporations of other states through advertising in periodicals having national circulation, and the dissemination of factual information about the advantages and economic resources offered by the State of Texas; providing that neither the name nor the picture of any living state official shall ever be used in any of said advertising, and providing that the Legislature may require that any sum of money appropriated hereunder shall be matched by an equal sum paid into the State Treasury from private sources before any of said money may be expended."

SECTION 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this state at an election to be held on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon the following: "FOR the Amendment to the Constitution authorizing the Legislature to make appropriations and establish procedure for advertising the historical, natural, agricultural, industrial, educational, recreational and other resources of Texas."

"AGAINST the Amendment to the Constitution authorizing the Legislature to make appropriations and establish procedure for advertising the historical, natural, agricultural, industrial, educational, recreational and other resources of Texas."

SECTION 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the constitution and laws of this state.

Funeral Services Held For Resident's Sister

Funeral services for Mrs. Nora Foster, sister of Mrs. V. S. Cassel of Littlefield, were held Sunday at 2 p. m. in the Higginbotham Funeral Home Chapel in Lamesa.

Mrs. Foster, 74, was a resident of Cisco. She moved there over two years ago from O'Donnell. She died in Longview Thursday.

Rev. E. L. Jones, pastor of the Bryan Street Baptist Church in Lamesa, officiated. Burial was in the O'Donnell Cemetery.

Other survivors include three daughters, two sons, three brothers, one other sister, and three grandchildren.

Littlefield Men's Brother Dies

Funeral services for Charlie W. Nickels of Dickens, brother of Herbert, Bob and Lawrence Nickels, of Littlefield, were conducted Tuesday at Dickens.

Nickels, 61, a cotton gin operator, died of an apparent heart attack while enroute home from Spur about 5 p.m. Monday.

Services were held Tuesday in the Dickens Baptist Church with burial in Dickens Cemetery.

Nickels resided in Crosbyton 22 years before moving to Dickens in 1946.

Survivors other than his brothers here include the wife; a son, C.W. of Spur; three other brothers, O. V. of Meridian; Fred of California and Guy of Muleshoe, and two grandchildren.

Increase Yields and Profits With The MARTIN HARVEST HOARDER SYSTEM THE MARTIN SYSTEM is a Drier and Storage Unit all in one. Yet it costs little more than ordinary storage facilities. Large Farmer or Small Farmer — You can follow the 4 key steps to profits with A MARTIN HARVEST HOARDER SYSTEM. 1. Harvest early -- at 33% Moisture Content. Gain 10 to 15 more bushels per acre because your crop doesn't stay in the field to dry, where it is at the mercy of the sun, wind and rain. 2. Dry with Low Cost Forced Air. Drying with forced air is cheap because the air is free and it takes only pennies a day to run the fan. Dry without danger of fire. 3. Store in the Same Bin. Just turn off the drying switch and your crop is in storage. No expensive handling equipment or labor. Condition the grain at any time by turning a switch. 4. Sell or Feed More, Better Crops. Sell No. 1 corn or grain and you are free to sell any time of the year on better markets. Whether you feed or sell, the greater profits will soon pay for your Martin system. STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN — Texas Legislative Budget Board is somewhat in the position of the harassed husband who's struggling with a stack of unpaid bills when his wife announces the children all need new shoes.

Budget Board works out a recommended state spending plan in advance of each regular legislative session. This year, to make "ends meet," the Board will have to stretch a shorter rope over more territory.

Briefly, the honors of the dilemma are these:
Horn 1. For the next biennium state agencies have turned in requests to the Budget Board for \$368,000,000 more than they received for the current two-year appropriation period.

Horn 2. Official predictions indicate the state is far from having enough money to grant increases. Instead, it may start the next two-year fiscal period \$100,000,000 short of enough money just to maintain the present level of spending.

That leaves a potential gap of some \$468,000,000 between the two horns—money requested and money in sight. For the next Legislature it's a half-billion-dollar headache.

As far as can be seen, closing the gap would involve either (1) sharp cuts in state spending, (2) enactment of a fair-sized new tax or (3) letting the state government go into debt.

None of these courses likely would be either painless or popular. Third possibility is virtually prohibited by the Constitution which says no appropriation in excess of revenue in sight can be passed "save in the case of emergency and imperative public necessity and with a four-fifths

vote of the total membership of each house . . ."

In the past the Budget Board has limited its spending recommendations to foreseeable revenue existing tax laws. Making up the board are the lieutenant governor, speaker of the house and eight other legislators.

MORE HERE, MORE THERE — How did new money requests get up to \$368,000,000 when the present state budget is at an all-time high of more than \$2,000,000,000?

Big figure results from a lot of requests from a lot of state departments and institutions. Examples:
State colleges, faced with increasing enrollments, want \$49,000,000 more.

State Water Board, charged with a stepped-up water conservation planning program, asked for a nearly doubled appropriation of \$3,596,180.

Hospitals and special schools asked for 31.5 per cent increase, up to \$114,000,000.

State Youth Council asked substantial increases for the facilities it operates including a 99.5 per cent increase (to \$4,745,925) for the severely overcrowded Gatesville School for Boys.

"HOW MUCH" LABELS — Budget Board has proposed enactment of a "price tag" procedure to help lawmakers keep track of just how much each measure they consider would cost.

Suggested bill would require that each spending bill be accompanied by an itemized list (with prices) of the expenditure; it would involve.

It was seen as a means of keeping a tighter check on the tax dollar

selected at the General Election in November, 1954, shall serve for a term of two (2) years if the designation of their office is an uneven number, and for a term of four (4) years if the designation of their office is an even number. Thereafter, all such officers shall be elected for the terms provided in this Constitution.

"Provided, however, if any of the officers named herein shall announce their candidacy, or shall in fact become a candidate, in any General, Special or Primary Election, for any office of profit or trust under the laws of this State or the United States other than the office then held, at any time when the unexpired term of the office then held shall exceed one (1) year, such announcement or such candidacy shall constitute an automatic resignation of the office then held, and the vacancy thereby created shall be filled pursuant to law in the same manner as other vacancies for such offices are filled."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State as an election to be held on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon: "FOR the Constitutional Amendment providing that any District, County, or Precinct official serving a four-year term must resign before announcing for a different office if there remains unexpired more than one (1) year of the term for which he was elected."

"AGAINST the Constitutional Amendment providing that any District, County, or Precinct official serving a four-year term must resign before announcing for a different office if there remains unexpired more than one (1) year of the term for which he was elected."

If it appears from the returns of said election that a majority of the vote have been cast in favor of said Amendment, same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election herein provided for and shall cause this proposed Amendment to be published in the manner required by law and shall cause said election to be held as required by the Constitution and laws of this State.

DOWN MEMORY LANE

(From the files of the Lamb County Leader, August 17, 1944)

J. S. Fikes elected principal - coach of local high school; eight vacancies of teaching staff remain to be filled.

Mrs. L. M. Brandon announced Saturday that a supply of cartons, to be used by next of kin, for sending packages to prisoners of war had arrived. These cartons are free to parties having sons or husbands in Jap or German prison camps.

A city-wide revival has been planned for Littlefield. Gipsy Smith, Jr., will be the evangelist. The revival will run for two weeks beginning Sunday, September 10.

George W. Dupree of Lubbock will be a special prosecutor when the trial of Jim Thomas, charged with the murder October 26, of Dr. Roy E. Hunt, Littlefield physician, is called August 28 in District court at Plainview.

MORE TIME FOR TEACHING

Giving teachers fewer extra chores and more time to teach, has been suggested as a means to relieve the shortage of qualified instructors.

Texas Education Agency conducted a survey on ways to make better use of existing teachers and school buildings. Resulting reports noted the many miscellaneous tasks that fall to teachers—keeping up with lunch money, football tickets and charity drives; sponsoring athletic event and special programs; keeping extensive records. Use of teaching aides and secretaries was suggested to free teachers to concentrate on class work.

In regard to building use, the report suggested consideration of a longer school year, a longer school day and greater use of special purpose rooms such as laboratories, shops, homemaking departments, etc.

FRESH START—After months of upheaval and disension, the State Insurance Liquidator's office is reorganized and off to a new start.

C. H. Langdeau, newly appointed liquidator, has announced the names of nine attorneys who will make up his legal staff.

They are Cecil C. Rotsch, general counsel, John R. Grace, Clay Cotten, V. F. Taylor, Horace Wimberly, Art M. LeCroix, J. C. Thomas, William Colburn and Hoyt Cole.

Missing from the scene will be Renne Alfred Jr. who had been appointed by Dist. Judge Charles O. Betts as receiver for all insur-

ance liquidation cases in his court. Betts had refused to accept Langdeau as receiver. Langdeau was appointed by Insurance Commissioner William A. Harrison.

Situation was resolved when the State Supreme Court ruled that Betts must accept Langdeau.

Langdeau said his staff would have to do extensive investigating before deciding whether to pursue a \$15,000,000 damage suit Allred had filed in connection with the ICT bankruptcy. Suit charges some 54 different corporations, including some famed names in the financial world, with having some responsibility for the building up of a fraudulent enterprise.

MORE MONEY FOR FARMERS—An overall increase of 3 per cent in Texas farm prices is reported by the U. S. Dept. of Agriculture.

Principal gain came in higher prices for new-season cotton, hogs, beef cattle and calves.

Slight gains were shown for corn, oats, barley, hay and potatoes. Dairy products, poultry and eggs registered a seasonal increase.

On the minus side, lower prices were reported for cottonseed, vegetables, food grains, lambs and sheep.

Texas 1958 calf crop is expected to total 3,919,000 head, a 5 per cent increase from last year.

Sandhills Philosopher

Philosopher Joins Ike: He Won't Raise Prices

(Editor's note: The Sandhills Philosopher on his Johnson farm as an odd idea for whipping inflation, his letter this week reveals.)

Dear editor:

Talk about living in a fast age, here I was out here on my farm gathering my forces to whip the recession when I opened up a copy of a newspaper I found in the road by my mail box this morning and found it was already over, and the thing to be doing now is to start whipping inflation.

That's one of the troubles with reading newspapers, all you do is bring your problems to your attention you'd never know existed if you hadn't read about them. If it hadn't been for newspapers, right now I wouldn't be any more worried about the Middle East than the Middle East is about me.

However, since I've always tried to do my duty, so long as it was me, not the other fellow, defining the duty, I was interested in reading President Eisenhower's views on how to stop inflation.

He says both labor and business have got to stop raising prices unnecessarily. Labor to stop asking for higher wages without a corresponding increase in production, and business to stop raising prices just because it figures it can.

Now here's my position, as I'm a farmer, I don't guess you could call me a laborer, at least I don't work for wages, some times don't work at all, so I guess you could call me a business man, if you want to be careless with the term, and I wish to state to President Eisenhower that I will back him up 100 per cent in this fight against inflation and he won't catch me raising the price of a thing I grow.

Regardless of how big the temptation may be to raise the

price when I start to sell my crops, I intend to back the President up and take whatever is offered me, and furthermore I can pledge Mr. Eisenhower that 93 per cent of all the other farmers in this area and throughout the United States will do the same. You just don't catch a farmer saying, look, everything I buy has gone up, labor has gone up, I guess I'll have to raise my prices a few dollars this year to balance things out. No sir, the farmer understands economics and knows that won't get him anywhere.

What this country needs is a car manufacturer who will work all year making a big stock of automobiles and then haul them to town and ask somebody what he'll give him for them. That's the way to whip inflation. Maybe not the way to stay in the car-making business, but it'd sure be anti-inflationary.

Yours faithfully:
J. A.

Dickie Opposes Proposed Bill

DENTON — Texas Farmers Union President, Alex Dickie Jr., has sent the following telegram to the members of the Texas Congressional delegation in Washington: "Texas Farmers Union urges you oppose Senate Passed, Benson-Backed Farm Bill, now before the House unless it can be improved from the general family farmer's standpoint."

According to Dickie, the Senate-Passed farm bill abandons the parity concept for farmers and goes a long way toward destroying the farm programs as Benson has so long advocated.

"It looks as though to me the bill is pretty much of a Packer, Processor, Middleman, Farm Bill," Dickie said.

-- VISION --

By DR. A. L. SPERRY,
Optometrist, Freeport, Texas,
Chairman Public Education Committee The Texas
Optometric Association

Most people have heard the terms "far-sighted" and "near-sighted." Some know enough about these conditions to be aware that farsighted people without their glasses can often see clearly at a distance and not at a reading range, while the near-sighted persons can often read well without his glasses but is in poor condition for seeing down the street.

But what is astigmatism? How does it affect the vision? What are the symptoms? Is there a cure? These questions and many more we hear every day from patients diagnosed as astigmats.

First, we like to explain the condition by comparing the front clear part of the eye, the cornea, to a baseball. In its normal state the cornea is spherical, round like a baseball. It therefore has the same curve in all meridians and will focus light evenly to a point in the opposite eye. The sharper curve has stronger focusing power than the gentler curve. Two focusing powers in one eye, this is astigmatism.

It is this difference in focusing power in the same eye is considerable, it causes blurred vision. Smaller amounts will also probably cause trouble since, although the eye will focus pretty clearly, it is a greater strain trying to focus for two powers in the same eye than for simple farsightedness or near-sightedness.

The peculiar type strain caused by small amounts of astigmatism usually shows up in the form of

Sammie Wheeler is presently employed by Maples Cash Way Grocery at Spade.

headaches, especially during movies, TV watching, and the longer periods of driving. These headaches are generally mild and appear late in the day when the amount of stigmatism present is small. They will be severe and appear early in the day if much astigmatism is present.

In cases of high astigmatism there may be no discomfort, only blurred vision. Unless glasses are prescribed and WORN the blur may become somewhat permanent—a condition called Amblyopia.

Sometime ago a young fellow came to us for an examination. He was trying to enlist in the Marines and the recruiting officer had told him if his vision could be improved enough they would accept him. He had a considerable amount of astigmatism. The best that the proper glasses could do for him at once was not good enough to permit passing the Marine physical. His only chance was to wear the glasses constantly and give his eyes time to recover. That is the only treatment in such a case. He was afraid the army might draft him in the meantime and he wouldn't get to join the Marines. We offered him our sympathy and a little good advice:

Don't neglect your eyes — you have only one pair and no spare. Presented in the public interest by the Texas Optometric Association, Inc., Copyright, 1958.

Officers Investigate Mishap At Duggan, 3rd

City officers investigated an accident at Duggan and East 3rd Street Monday at 1 p.m.

Involved were vehicles driven by Roy B. Thurman and Charles E. Gaddis, both of Littlefield. Officers said Thurman was driving his 1956-model car west on E. 3rd when it was struck by a pickup driven south on Duggan by Gaddis.

Damages were \$60 to the Thurman car and \$40 to the Gaddis pickup.

'The Music Man' To Be Presented At State Fair

"The Music Man" production to be presented as the Music Hall attraction during the 1958 State Fair of Texas, Oct. 4-19, will be an exact replica of the Broadway original.

Currently the hottest musical comedy hit on Broadway, "The Music Man" will have performances nightly during the 16-day State Fair with matinees on Wednesdays, Saturdays and Sundays.

The national company which will play Dallas after opening Aug. 18 in Los Angeles will star Fort Tucker and Joan Weldon, both

familiar to movie and fans, in the lead roles, with Harold Hill and Miss Paroo. Meredith Willson wrote the music and lyrics for the man who poses as a salesman though he cannot play a note who becomes intimately with the town. It all takes place in the 1912. Author-composer called the setting "the town but it is a thinly disguised city, his own home town." Processing of mail will begin Monday, Sept. 1. Orders may be sent to the State Fair Box Office, 1315 Elm Street, Dallas, and checks should be made payable to the State Fair. Ticket prices are \$4.50, \$2.50 and \$1.50.
