Food And Fun Will Reign Tonight At P-TA Carnival

Food and fun—lots of both—will be the main attraction of the P-TA Hallowe'en Carnival tonight for many folks. The food booths will be open in the senior high school cafeteria, and fun concessions will fill the junior high school building.

Mrs. Ray Hulse is chairman of the food booth, assisted by Mrs. Norman Renfro, Mr. and Mrs. E. T. Miller, Mr. and Mrs. Bill Blackman, Mrs. L. A. Reams, and Mrs. Allen Rhodes. At the punch booth, Mr. and Mrs. M. O. Gumagin and Mr.

and Mrs. Charles Heathman will exercise their arms. Or if you prefer coffee, you can get it at the coffee booth from Shorty Yohner, Cecil Johnson, and Ralph Nelson. Pies and cakes are always an attraction, so buy your Friday's deserts from Mr. and Mrs. Albert Miller at the pie booth, or Mr. and Mrs. Lenton Smith, Mrs. Weldon Findley, Mrs. Jack Alexander, and Mrs. Terrell Pettiet at the cake booth.

Cake Auction
There will be a cake auction sometime during the evening, also, conducted by Mr. and Mrs. Roy Wade.

eat them while you have fun. Mr. and Mrs. Ralph Douglas, chairmen, of the sandwich booth, will be glad to help you, assisted by Mrs. Ted Eames, Mrs. F. C. Abernathy, and Mrs. O. K. Yantis.

Mrs. Earl Johnson is chairman of the home-made candy and popcorn balls booth, where they'll be sold by Mrs. Johnson, Mrs. Nollie Sullins, and Mrs. Roy Wade. (Continued on Page 3)

Texas Company Files Application To Drill Second Well, More Coming

USO Drive Opens Soon

Friday the 13th of November will be a lucky day, R. W. Manley is hoping. For on that date he and his committee will open the 1953 campaign for \$2,085 to be contributed from Lamb County for the support of the USO project.

"We can no longer think of our boys and girls serving in the uniform of our country without thinking of the wonderful job which the USO is doing in their behalf," County Chairman Manley said. "The USO now has 277 units in operation, 19 of them overseas, and 20 right here in the state of Texas."

Business firms will be contacted, and tables will be set up in the two local banks to receive private donations to aid this entertainment and recreation program which has meant so much to our armed forces.

Littlefield's second oil well moved closer to becoming a reality Wednesday when Ken Griffin, a representative of the Texas Company, filed an application with the city for a permit to drill a well in the city park.

Wednesday's action was a legal formality which is necessary before drilling of a new well can begin. A hearing of the city commission has been set for November 9. If the permit is granted, the Texas Company is expected to begin drilling in the center of Laguna Park immediately.

Chili Supper To Be Held November 12

If you like chili, mark November 12 on your calendar. That date, from 5 p. m. on, the Lions Club is sponsoring a chili supper at the Community Center, with a menu of chili, crackers, coffee, milk, catsup and sherbet for 75 cents.

Boyd Roberts is general chairman, assisted by Jesse Everett, Tom Hilbun, Jim Mangum, Mackey Greer, Ray Keeling, Bob Roden, Sam Williams, and Bob Manley. Tickets may be obtained from "the Lion with the red cane" or any members displaying the Lion emblem in their places of business.

Gladys Robinson, owner of the Dairy Queen, will make the chili, and other donors are Furr Foods for the meat, Bowen Biscuit Co.'s crackers, Borden's Milk, and Frank Anzeline of Littlefield Glass Works painted posters.

Roden Drug is ticket headquarters, with proceeds to go to the Lions activity fund.

Pleasant Valley To Build Progress Man Gets Prize For World Peace Formula

The \$100 cash prize offered by the Sudan Fall Festival for the best world peace formula to be submitted to the United Nations has been awarded to Rev. Carroll M. Jones, Methodist minister from Progress. Judges were Dr. E. N. Jones, president of Texas Tech, chairman; Dr. H. L. Robinson, pastor of the First Methodist Church in Lubbock; and Charles A. Guy, editor of the Lubbock Avalanche-Journal.

Rev. Jones' formula listed a number of specific positive actions, including the addition of President's cabinet. "We can have peace by proving to the world that we want peace," he wrote in his introduction to his formula. "The masses of humanity everywhere are as

Plans for a new Pleasant Valley Community Building to cost approximately \$5,000 will be formulated at a Thanksgiving party with a covered dish dinner, to be held November 24 at 7 p. m., in the present community building there.

F. L. Shelby, community chairman, has announced that architect's drawings of the proposed building will be shown to those attending the Thanksgiving party. "There is a great amount of interest in the new building evidenced already," Mr. Shelby added. "Several Muleshoe business men have asked us to call them for help when we begin the fund-raising campaign."

The movement for the new building has been spearheaded by George Wuerflein, with the enthusiastic support of Mr. Shelby, Gerald Allison, and Mrs. Bonnie Haberer. County Agent David Eaton has also done a great amount of work talking to people of the community, and helping the general plans.

Mrs. Haberer has donated a registered Aberdeen-Angus bull, which will be auctioned at the Thanksgiving party by Mr. Shelby, with the proceeds to go into the building fund. Other features of the party will be musical entertainment, and the invocation and a short talk will be given by Rev. Henry Haupt, minister of the First Presbyterian Church in Littlefield.

Special guests from Littlefield and other towns have been invited to the event, which will prove again that Pleasant Valley is one of the most active communities in Lamb County.

The present building used for community functions is the original one-room school house where many Pleasant Valley

persons received their primary education, and it is planned that this building will be kept for the kitchen needs of the proposed building. The new building will be used for Farm Bureau meetings, community luncheons, dinners, 4-H, church and club activities.

Ticket Sale Open For Dinner On Armistice Day

Tickets went on sale this week for the Armistice Day dinner to be served by members of the Sacred Heart Catholic Church Altar Society, in the Community Center from 5:30 to 8 p. m.

Mrs. Joe Foltyn, president, has announced that members of the society will have tickets for sale at this early date, so that they may estimate the amount of food they will need to prepare.

The menu will include country home-made sausage, baked chicken, all the trimmings, and home-made pie, and will be served cafeteria style. Adult tickets are \$1.25, and children under 12 will be served for 75 cents. Families are urged to attend, and enjoy the social hour following the dinner.

Mrs. Geraldine Mercer, who has made her home in Littlefield with her parents, Mr. and Mrs. Frank Clements, left this morning for San Angelo with her son, Gary Lynn, where they will reside.

Announcement Made
Late last week the Texas Company announced the opening of a new well in the city park.

Local Salvation Army to Begin Annual Fund Drive Wednesday at 9:30 Coffee

Under to help others to help themselves through Christmas, the Salvation Army in Littlefield will kick off their annual fund drive to raise funds with a coffee meeting at Cafe next Wednesday morning at 9:30.

At this meeting, about 30 volunteers will go to solicit business firms, working toward a goal of \$6,115.50 which will be used to support the four counties of Lamb, Hockley, Bailey, and Farmer served by the Littlefield officers.

The funds raised in this campaign will be used for Salvation Army work which helps the needy and underprivileged of all races and nationalities, and sends the League of Mercy to spread the gospel to those who are bedfast and without a religion. One of the most worthy phases of the work done in Littlefield is that which helps the Latin-Americans, Negroes, and poor white people.

Food, warmth and shelter is provided by Salvation Army funds for mothers with no means of support, those who are ill or afflicted. Neglected children are also fed and clothed. Entertainment is given at Army headquarters for children who otherwise would have no view of the cheerful side of life.

"Our budget has been raised this year," said Lt. Robinson, "because of the increased cost of our program, which we hope to extend to all who need help in this area. Another pressing need is a rest-

Unusual Trick Or Treat

Presbyterian children will do good deeds instead of bad Saturday night when they go "trick or treating" from 7 to 9 o'clock. The Junior Westminster Fellowship, cooperating with the Christian Rural Overseas Program (CROP) will ask friends whose doorbells they ring to contribute small amounts of money in order that CROP may send powdered milk to starving children in Korea and India. CROP literature will identify the group.

For one nickel you may supply a child with enough milk for nine days; for one dollar, you will provide enough for one entire year. A good response is hoped for by this unusual "trick or treat" plea, since 15% of the Korean children are doomed to starvation unless friends in the land of plenty come to their aid.

Cotton Classing Committee Named

Cotton Harvest Labor Need Drops Greatly

Because of the first frost of the year, which hastened defoliation and the strong rain and hail storms last week, the need for cotton harvest labor has decreased greatly in the past week. J. D. Jordan, manager of the local TEC office, has announced that the need for help has decreased from 10,000 in Lamb County last week to only 1,000 at Littlefield and Olton this week.

"Except for the few areas where total loss resulted from hail," Mr. Jordan said, "there has not been great overall cotton crop loss so far." Most of the Mexican nationals who have been imported to assist with the harvest will be retained until the expiration of their 6-week contracts about Nov. 15.

When the gins begin 24-hour operation around the first of November, Mr. Jordan said there would probably be a great shortage of gin workers.

Because of the criticism last spring about methods used in cotton classing, farmers of this area banded together and presented a request to the Lubbock classing office and Extension Service officials for better facilities and classing.

As a result, a new committee has been appointed with one man from each South Plains county to represent that county, as appointed by the various county agents. Gins are also represented on the group. The job of the committee, which took over its duties last Wednesday, will be to hear complaints and criticisms concerning classing from the farmers in members' counties, and bring these to the attention of the committee and classing office officials at scheduled intervals.

South Plains gins will be represented by Earl B. Hobbs, New Deal, Hobbs Gin, and E. L. Sowder, Idalou Co-operative Gin, Idalou. Hobbs was appointed by Drew Watkins of Sudan, president of the South Plains Ginners Association, and will represent the association also. Sowder's appointment was made by Roy Davis, president of the Plains Cotton Oil Mill Company, and he will represent all cooperative gins.

Individual county representatives are: Lamb, H. V. Lynch, Star Rt. 2, Littlefield; Bailey, W. T. Miller, Rt. 1, Muleshoe; Castro, Posey Cunningham, Dimmitt; Cochran, D. E. Benton, Rt. 2, Morton and Morton

Band Calendars Will Provide Funds For Continuing Success Of LHS Band

Now you can have your birthday and anniversary immortalized in print! The Littlefield Band Parents Club, together with their band-member children, is starting an active campaign for "Birthdays Band Calendars." On these calendars will appear listings of birthdays, anniversaries, and a picture of the Littlefield Band, under the direction of Beryl Harris J. Ernest Jones, president.

has announced that an advertising committee will start soliciting business firms this week for listings which will appear at the top of the calendar. A city canvass will then be made by the band members, inviting local citizens to list their birthdays and anniversaries, with those of their families. The birthday listing will cost 75 cents with a charge of 25 cents with a charge of 25 cents.

Hotpoint Auto-Trailer Kitchen To Be In Littlefield Friday

The famous Hotpoint Auto-Trailer kitchen is scheduled to be in Littlefield Friday, according to E. E. Wesley and Nig Whitson, local Hotpoint dealers.

Equipped with a complete Hotpoint kitchen, the trailer will be open to the public throughout the day. It will be located in the lot south of Wayne's Ice Cream plant.

Miss Alice Walters of Dallas, Hotpoint home economist, will demonstrate all the new 1954 appliances in the all-electric kitchen. One section of the auto-trailer will be devoted to laundry facilities.

According to owners of the W and W Electric Company, a kitchen planning consultant will be on hand all day to discuss plans for new kitchens and remodeling.

On Sunday night at 8 o'clock, they will present another program at St. John's Baptist Church (Colored). Everyone is invited to hear this inspiring group.

Littlefield Pays Amherst School For Fieldton

The Littlefield School District last week paid \$360 to the Amherst School District, to apply on the tuition fees of students attending school in Amherst who live in the Fieldton district. This fulfilled a contract previously made between Amherst and Fieldton school districts, since the Littlefield district assumed the obligation when it absorbed the Fieldton district recently.

The amount figuring about \$20 per student, is in addition to the regular \$68 per student received from the state, and is used to meet extra expenses incurred in handling Fieldton transfers for the 1953-54 school term.

All former students will be welcomed back, and the Alumni scheduled a meeting for Saturday morning, with luncheon following.

Mexico-Japan Wrestlers Vie

It's Mexico vs. Japan on a neutral battleground Saturday night.

Polo Cordova, popular Latin-American from Mexico City, matches wrestling wits and strength with Mr. Sakata of Tokyo and Honolulu in the top section of a double main event at the Littlefield Sports Arena.

Halloween enthusiasts would not have far to search for a prize-winning "mask" more appropriate than that worn naturally by Mr. Sakata. With his evil-looking eyes and drooping mustaches, Sakata brings a touch of Halloween every time he wrestles. His rough, rowdy actions go along well with his appearance, too.

One of the strongest of wrestlers, for his weight, the Japanese athlete will exercise a bit of an edge over Mexico's colorful Cordova in that respect, but Polo is fast and better versed in the American style of wrestling. It is due to be a rough, rugged match, for two falls out of three to a one-hour time limit.

By contrast, two grapplers who prefer to demonstrate clean, scientific wrestling will appear in the first part of the double feature. Also scheduled

Cats Take League Win From Tulia, 32-13

Sophomore Back Bobby Orr Stars Rain-Soaked Contest Friday

Marked by Bobby Orr, sophomore quarterback playing the best high-school football game, the Littlefield Wildcats led to a 32 to 13 conference win over the hapless Tulia cats here at Seely stadium last Friday night before a chilled and rain-soaked crowd. In directing the Wild-Orr scored one touchdown and passed for three more.

On "Rabbit" Vaughn Paul Williams also went against Tulia. Williams scoring twice on a 55-yard line from Orr and the veteran "Rabbit" displaying his brilliant running game. Orr was in command in every quarter, the game were in command about the entire contest as he was unable to move convincingly against a stout Wildcat

ers Recovers Fumble in the opening kickoff by Orr, Tulia drove to the 45-yard line from where Orr led almost exclusively by Hornet Shot Hutson. However, Hutson was very hard on the 45 and Bobby Rogers pounced on the ball to take over for Hutson.

Wildcats then proceeded on the drive which netted their tally with Vaughn carrying the mail of the time. Two Orr and Dwan Hoover kept the game and with first down ball to go on the one yard Bobby Orr passed into the end zone but Shelby who had Hoover who had it over to notch the first TD. Vaughn then led the Wild-Orr to a 13-0 victory with four minutes gone in the fourth quarter.

Hornet Drive Halted After the kickoff immediately after the Wildcat touch-down, Tulia started a drive carried from their own 40. Littlefield 37 with Shot again carrying most of it. However, after penetrating Wildcat territory, Hornets were unable to reach Littlefield touch-down as the first quarter ended.

After later, however, Mitchell fumbled a slippery ball Tulia took over again from their own 43. Four plays later being unable to move Tulia punted and sent booming kick for the first of six (6) yards. Shelby Fumbles

by ripped off one 18-yard gallop during this drive to carry deep into Hornet territory to the Tulia 31. On the next play, Keith Davis leaped high into the air to make a one-handed catch of a Bobby Orr aerial to carry down to the Tulia 10-yard line.

Much to the dismay of Wildcat fans however, Shelby fumbled and the Hornets took over. After two tries netted one yard, Tulia quick-kicked and the ball rolled to the Littlefield 42 yard line.

Shelby Scores After two Orr passes fell incomplete, "Rabbit" Vaughn took over on a 20-yard jaunt around left end to give the Wildcats another first down. In the next two carries Vaughn netted a total of 14 yards to put the Wildcats deep into Hornet territory on the Tulia 21.

Then Shelby and Vaughn alternated in carrying and moved the ball to a first down on the 8. At this point the Tulia forward wall stiffened and it took the Wildcats four downs to push the ball into the end zone but Shelby managed to push over from the two to give the Wildcats their second tally. Vaughn's try for the extra point was blocked and the Wildcats led in the fray, 13 to 0.

Williams Notches TD On the first play following the kickoff, Carlos Newbury of the Hornets fumbled and Fred Martinez leaped on the pigskin to give the Wildcats possession on the Tulia 20-yard line. After two incomplete passes by Orr, the sophomore quarterback, playing in place of the injured Dan Howard, faded back to his own 40-yard marker and hit halfback Paul Williams with a screen pass in the flat who proceeded to zig-zag his way up the field for 35 yards and the third Wildcat touch-down as the first half ended. Vaughn's try of the extra point split the uprights and the Wildcats went to the dressing rooms with a comfortable 20 to 0 bulge.

Halftime festivities included performances by both the Tulia

Hoover is shown making a 12-yard gain after receiving a 4th-down pass which immediately preceded the touchdown for Littlefield in last Friday night's tilt.

The Littlefield band, led by Lee Boyd Montgomery, formed a crown and the four queen candidates, Ethel Pope, Erna Jane Jones, Mary Jo Porcher, and Bobbie Jo Shan, were driven to the center of the crown. Their band president John Crosby crowned the band queen who was selected as Erna Jane Jones and presented her with a bouquet.

Mears Sparks Drive

Following the kickoff in the third period, Vaughn carried twice for a total of 8 yards before an Orr pass fell incomplete. Shelby then kicked a fifteen yard punt to the Tulia to the Tulia 45 yard line where on the following play John Clayton intercepted a Tulia aerial and returned it to the Tulia 45-yard line.

From that point, Mears made 36 yards on a beautiful jaunt through center to the Tulia 18-yard line where Vaughn and Orr alternated in carrying the ball to the one-yard stripe where Bobby Orr took the ball over for the tally. Vaughn's kick hit the uprights in the extra point attempt and the Wildcats led 26 to 0.

"Rabbit" Vaughn make a 15-yard gain to carry the 1-yard line, when quarterback Bob Orr passed Dwayne Hoover for the first TD in the first Quarter Friday night's game.

E. C. Caldwell Wins Prize For Naming Player

Elam C. Caldwell of 815 East 8th Street, Littlefield, is the winner of this week's "Player of the Week" contest. Mr. Caldwell's letter on why quarterback Bobby Orr should be chosen is as follows: "Dear Sir:

"In my opinion the player of the week, ending Oct. 23, for the Littlefield Wildcats was Bobby Orr. "Sophomore Orr was a cool sparkplug, that was an inspiration to a team that had lost four games.

"He completed ten passes out of 19, and three were for touchdowns. His nose and ball handling was deft. Soph Orr gained yardage on every run and scored one touchdown on a quarterback sneak. A fan, Elam C. Caldwell."

Mr. Caldwell will be presented with a five dollar award for this letter choosing the player of the week.

Anyone is eligible to enter the contest. Just write your reasons for selecting a certain player and bring or mail it to the County Wide News or Lamb County Leader before noon each Monday following the Friday night game.

Pettit Swamps Smyer

The Pettit Eagles swamped the Smyer Bobcats, 31 to 14, in a six-man football game played in the rain and cold at Smyer Friday afternoon.

Bob Price opened the scoring for the winners with a 15-yard run in the first quarter. Byron Wilton got 18 points for the Eagles, two coming on runs of 20 and 25 yards. The other was on an 80-yard pass interception in the final stanza.

After the Kickoff Following

the fourth Wildcat touchdown, Tulia abandoned the T and proceeded to employ the single and double wings with Roy Jackson in the tailback slot in an attempt to stretch their offense. Jackson then carried eight consecutive times to bring the ball from his own 24 twenty-five yards upfield to the 40-yard line where he was finally forced to punt and sent a beautiful kick down to the Littlefield 13-yard line.

On the first play following the punt, Shelby fumbled and a fifteen yard penalty moved the ball to the Cat one-yard line. On the second try from one, Shot Hutson went over for the tally and Jerry Herndon of the Hornets kicked the extra point to cut the Wildcat lead to 26 to 7.

Williams Scores Again

Following the kickoff by Tulia, Littlefield proceeded to march down the field from their own 36 with Williams and Shelby carrying the brunt of the attack.

Dwan Hoover made a sensational catch of an Orr pass to help keep the drive alive as the march was climaxed by a pass from Orr into the flat to Williams who lugged the pigskin across the final 18 yards into the end zone for his second score of the night and the fifth for the Wildcats. Vaughn's try for the extra point was wide and the Wildcats now led 32 to 7.

Halfback Carlos Newbury took the ball on a double reverse for Tulia on the first play after the kickoff and sped 59 yards around the right side with nobody near him for the last score of the ball game as the try for extra point was blocked. This made the final score read 32 to 13 and the Wildcats had racked up their first conference win and second win of the season as against four defeats.

Outstanding players in the game were Williams, Mears, Vaughn, and Orr in the Wildcat backfield with Jackson and Hutson carrying the load for Tulia. Superb line play was received from Renfro, Dwan and Bob Hoover, Keith Davis, Bob Murdoch, Fred Martinez, and Buddy Rogers.

This was the first conference game for both teams and the Wildcats play Muleshoe here tomorrow night in their second district encounter of the season.

SPORTING BITS...

By Jerry Baker
The Wildcats finally came through when the chips were down last Friday night, giving Littlefield fans hope that the Cats may be able to take the 2-AA crown. If coach Jay Fikes had wished, Littlefield could have run up a much higher score but Fikes let the reserves see quite a bit of action in the Wildcat victory.

Muleshoe's high-scoring win over the hapless Lockney Longhorns leads us to wonder who they were trying to impress by running up such a high score. Maybe Muleshoe, who has had it pretty tough most of the time this season, just wanted to get in a few kicks themselves...

Littlefield sub quarterback Bobby Orr played a whale of a ball game in his first high school football debut. Bobby, a sophomore, completed 10 passes in 18 attempts including three touchdowns. He also carried the leather nine times for a total of 30 yards and average of 2.7 per carry and scored one touchdown.

It seems that about half the population of Olton was in Littlefield for the game Friday night helping us Littlefield fans soak up the rain. Naturally they were pulling for Tulia, since the Wildcats will probably beat Olton when they play next week...

Texas Tech had a hard time downing the New Mexico Aggies. It took 75 plays to crunch out a 71 victory. The Tech first string sat out the final three quarters of the game in the stands...

Keith Davis made one of the prettiest circus catches of a forward pass against Tulia last Friday night that we have ever seen. Bobby Orr threw a pass intended for Davis which everyone thought would sail far above his head and end of reach. But Keith leaped high into the air to tap the ball with one hand into his arms. The play covered 17 yards and brought the Wildcats to the Tulia 10-yard line.

This rain and cold weather was a shot in the arm for numerous duck hunters over the county. Most of the ponds are now full to the brim and the ducks should be thick by the November 7 opening of duck season. There is supposed to be more ducks here in Lamb County this year than in a good many years.

Freshmen Aim At Plainview Tonight

The Littlefield frosh travel to Plainview tonight to meet the Plainview freshmen, according to Gene McCantles, coach of the little Wildcats.

The freshmen have yet to break into the win column this season but Thursday night they place their hopes in the hands of freshman fullback Mike Greer, who will be back in uniform after a two-week lay-off due to injuries.

Littlefield's game with Plainview here last Thursday night was postponed because of inclement weather and no date has yet been set for the make-up game. Plainview will sport two 180-pound tackles and a 240-pound center which will give the Plainview frosh a decided weight edge in the contest.

Jack Davis Helps Coach Tech Frosh

Jack Davis, son of Mr. and Mrs. J. B. Davis of Littlefield, is assistant freshman football coach at Texas Tech.

Davis, who spent two years in England with the Air Force, had the distinction of being one of six men picked from the base to be returned to the States to attend the Air Force World Wide Coaches Clinic, which was held at the University of Oklahoma at Norman in May, 1952, for one week, where coaching techniques were given by two outstanding coaches, Bud Wilkerson of Oklahoma University and Hank Iba of Oklahoma A&M at Stillwater.

Wildcats And Mules Cop Victories In District 2-AA Play Friday

Tech Takes Third Conference Win

The Texas Tech Red Raiders had little trouble last Saturday night in turning back New Mexico A&M in a Border conference game, 71 to 0.

Scoring on their first four plays from scrimmage, Tech built up a 26 to 0 first quarter bulge and added 20 more in the second period to zoom to a 46 to 0 halftime lead. Halfback Bobby Cavazos of Tech turned in the longest scoring play of the night, racing 66 yards for a marker.

After the first quarter Tech coach D. Weaver sent the first string players to the showers and let them enjoy the rest of the game from the stands. Tech used 75 players in downing the Aggies and turning in their fifth win against only one defeat.

This was Tech's third conference win against no defeats. Tech travels to Mississippi State next week to play a strong Southeastern conference team.

Morton Comes Up To Beat O'Donnell

The Morton Indians came from behind in the fourth period to drop the O'Donnell Eagles, 21 to 14, at Morton Friday night for their first win in District 4-A.

With four minutes to play and the score knotted 14 to 14, Alfred Coats tried an onside kick and Donnie Waller recovered for the Indians. Four plays later, Jerry Mills passed to Weller for 24 yards and the winning margin. Waller then kicked his third straight point-after-touchdown.

Midway in the fourth period, Ed Lloyd recovered a fumble to set the stage for the tying touchdown. Harvey Winder went over from the 11 and Waller tied it up. Then came the onside kick and the winning touchdown by the passing combination of Mills to Waller.

This was Morton's second win against five defeats.

The Littlefield Wildcats and the Muleshoe Mules both roared to conference wins last Friday night as District 2-AA play was opened. Littlefield won convincingly over Tulia, 32 to 13, while Muleshoe trampled Lockney to the tune of 54 to 0.

Littlefield had little trouble disposing of winless Tulia as halfback Paul Williams scored twice on passes from Bobby Orr, sophomore quarterback playing his first high school football game in place of regular quarterback Dan Howard, who was injured in the Littlefield-Seminole fracas. Jumping to a 20 to 0 halftime lead, the Wildcats coasted in with a 32 to 13 victory. This was Littlefield's second win of the season compared to four losses, while Tulia has yet to break into the win column after seven games.

Mules Go Wild

The Mules, playing with a tackle in the left halfback slot, scored the first three times they got the ball Friday night at Muleshoe and then roared on to a decisive 54 to 0 victory over the Lockney Longhorns. Five of the Mules shared in the scoring, with four of them racking up 12 points each.

One of the high point men was D. L. Morrison, senior right tackle who was shifted to the left halfback spot to replace injured Charles Jungner. On his first scoring jaunt in the initial stanza, Morrison raced 62 yards. In the third period the converted lineman raced 64 yards through the Longhorn defenders for his second tally.

Quarterback Bill Willis started the scoring spree off early in the game when he plunged four yards, climaxing a 65-yard drive. He then booted his first of six extra points. In the fourth period Willis tossed a 20-yard pass to left end Jimmy Holt for another six-pointer. Wray Moore, right halfback, was another of the 12-point men as he tallied in the first period on a 50-yard run and in the closing minutes of the fourth quarter on an end swap which covered 10 yards.

Center Sammy Donald, who plays defensive linebacker, and Morrison were outstanding on defense for Mules. Willis was one of the leading backs as he displayed very good faking despite a rain-slick ball. Conference play this week

finds Muleshoe at Littlefield and Lockney at Olton in conference games while Tulia is idle. Olton had an open date last week and did not play.

Co-Captains Named For H-S Basketball

Wade Burroughs, Burkett and Tom Burks, Hot Springs, Ark., have been elected to co-captain the Hardin-Simmons University Cowboy basketball team for the 1953-54 season. Both are senior two-year lettermen.

The only seniors on Coach Bill Scott's 14-man varsity squad, the co-captains form the nucleus of the defending Border Conference co-champion team.

Only two other lettermen are back from last year's squad which won 20 while losing 13 and represented the Border Conference in the N.C.A.A. playoffs against Santa Clara. They are sophomores Bob Tremaine, Albuquerque, N. M., and Ronnie Ryan, Ponca City, Okla.

The rest of the squad is made up of sophomores who played freshman basketball last year, winning 11 of 13 games against area junior college competition.

Out this season with a broken leg suffered in a summer job accident is Doyle Brunson, the Border Conference's Most Valuable Player last year.

Hardin-Simmons Tackles Tempe

The Hardin-Simmons University Cowboys move out to the western end of the three-state Border Conference for their second game of the season with a conference member Saturday night when they meet the Arizona State Sun Devils at Tempe, Arizona State, the law of averages, and a boy by the name of John Henry Johnson finally caught up with the Hardin-Simmons football department last year. The Sun Devils defeated the Cowboys for the first time in the eleven game series. The score was 26-7. Until the meeting in '52, the Cowboys had won ten games on the field and one by a forfeit. The Cowboys have scored 341 points, Tempe, 112.

The Cowboys will be in pretty good shape to make a bid for the conference crown if they can get by the Arizona team for they come back to their own Parrantore Field Corral to meet Texas Western, Nov. 7 and New Mexico A&M, Nov. 14. They close the season with arch rival Texas Tech, Nov. 28.

LHS Band Wins First

The Littlefield High School Band, under the direction of Beryl Harris, won first prize for its class in the marching contest at the Brownfield Festival parade last Thursday. Sundown and Denver City also won first places for schools in their classes.

Saturday night the band participated in the half-time program at the Texas Tech-New Mexico A&M game held in Lubbock.

Wildcats Meet Muleshoe Tomorrow Night

The Littlefield Wildcats entertain the Muleshoe Mules here tomorrow night as they attempt to snare their second conference victory. Both the Mules and the Wildcats have won one conference game. Muleshoe winning last week over Lockney, 34 to 0, and Littlefield trouncing Tulia, 324 to 18.

The Mules arrive in town tomorrow night hoping to avenge a 45 to 28 loss to Littlefield last year at Muleshoe. Both teams need desperately to win the contest, as it would give the winner the inside track toward the conference championship, with Olton being the only stumbling block left.

Muleshoe employs a tight-T formation attack and does not take to the air very often. They have the smallest line that the Wildcats will face this year as the weight average from end to end is only 150 pounds. However, the brawny backfield of the Mules tins the scales at an average of 171 pounds.

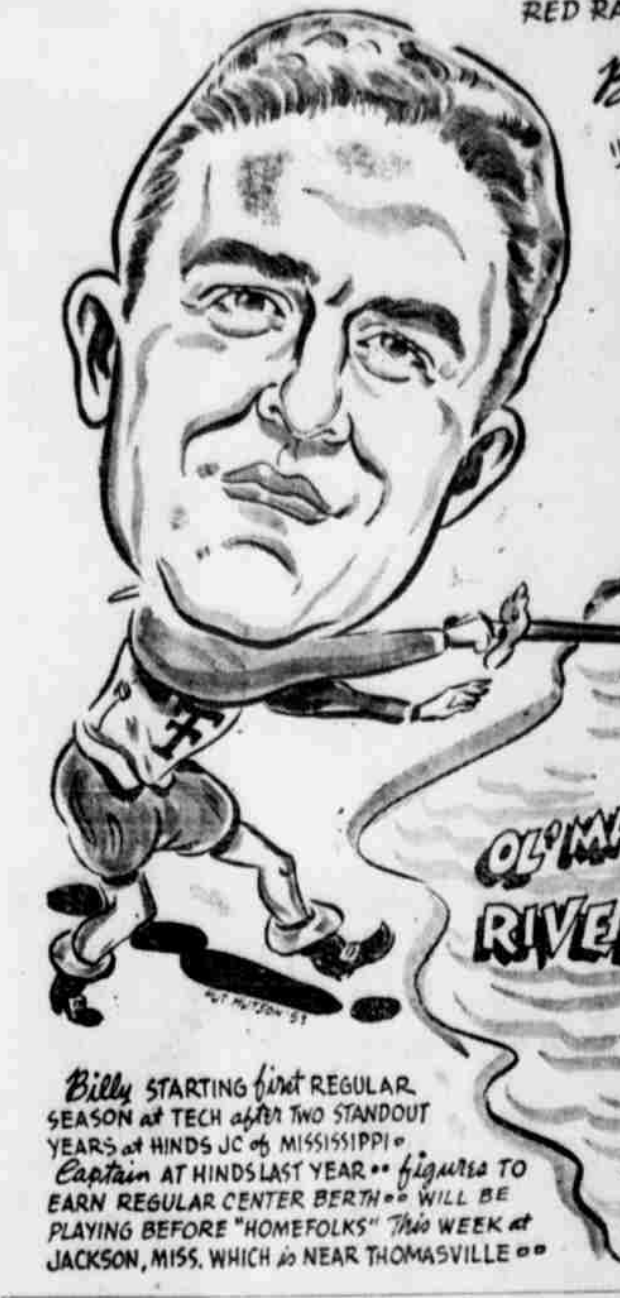

Muleshoe has found the going rough in most of its previous games, losing four while winning only two and tying one. In seven games this year, Muleshoe has averaged 20 points per game while limiting opponents to 16.

Muleshoe tied Hereford in their opening game, 20 to 20, while the following week, Littlefield trounced Hereford 27 to 6. This would appear as if Littlefield would have no trouble, comparatively speaking, but the Mules have improved very much as the season has grown older.

If the Wildcats are able to beat Muleshoe, the only stumbling block left is Olton, who has lost only one game this year while winning five. Led by R. V. Alcorn, Olton's only trouble will probably come from Littlefield. The winner of the Littlefield-Olton clash will probably decide the district 2-AA championship.

Sophomore quarterback Bobby Orr of the Wildcats turned in an excellent performance against Tulia and may be called upon to play against Muleshoe upon to play against Muleshoe. Whether regular quarterback Dan Howard will be able to play Friday night. With the exception of Howard, the Wildcats will be in fine shape physically, overlooking minor aches and pains for the tussle with the Mules.

The kickoff is slated for 8 o'clock tomorrow night at Seely stadium and advanced reserved seat ducks may be purchased at either Brittain's Pharmacy or Roden's Drugs. Admission at the gate is \$1.00 general admission and 50 cents for students.

Springlake Stays At Top Of 2-A Heap By Kress Forfeit; Dimmitt Wins Again

Whitharral Ekes Out Win Over Farwell Steers

James Fagan's successful plunge for the extra point in the second period spelled the difference at Whitharral Friday night when the Whitharral Panthers scraped by the Farwell Steers, 13 to 12.

Farwell opened scoring in the first period when Don Pool, left halfback, went off right tackle for 75 yards and a score. Jerry Gage, Whitharral halfback, passed 15 yards to left end Claude Horton for the Panthers' first score of the night. Fagan converting in the second quarter. The Steers failed to halt Panther Bobby Davis' pass to right end Leslie Hulse, which was good for 12 yards and another marker.

The small crowd of 200, braving chilly and misty weather saw Farwell roar back in the fourth period and try vainly to halt the Whitharral bunch. Don Gehries, halfback, rambled off right tackle for 73 yards to hit paydirt. The point-after-touchdown was missed and this was the deciding factor in the game as the final score read: Whitharral 13, Farwell 12.

The Dimmitt Bobcats won the only game played in District 2-A last week by edging the Amherst Bulldogs, 20 to 12. In the other scheduled conference game, Kress forfeited to Springlake.

Springlake had little trouble winning its seventh straight game of the season over Kress doing it 11 to 0 by way of the forfeit route.

The Wolverines thus took their second District 4-A tilt to keep pace with the Dimmitt Bobcats. Coach Paul Robertson wasn't available for comment on the rare event but Superintendent Wayne Webb of the Kress public school system said that Springlake officials were notified Thursday that injuries and other setbacks prevented the Kangaroos from fielding a team.

Dimmitt Beats Amherst. Aided by two last period touchdowns the Dimmitt Bobcats kept their District 2-A slate clean by defeating the Amherst Bulldogs 20 to 12 at Amherst Friday night. This was Dimmitt's second conference win and sixth win of the season against only one defeat.

Amherst tallied both their scores in the first period as fullback Martin Hardwick plunged five yards to climax a 70-yard drive for the first six-pointer and a 65-yard pass play from quarterback Porter Nuttal to Donnie Bowman clicked for the second TD.

In the second quarter the Bobcats got within shooting range of the leaders as halfback Edgar Dennis raced over the double stripe from 6 yards out.

Dimmitt got things rolling in the final quarter as quarterback Maxie Warren passed 25 yards to end Clark Dohs for the second. Bobcat score of the game and then Warren plunged across for the extra point which broke the tie. Later in the same period Dennis raced around end for the final Dimmitt tally. Halfback Brock ran over the extra point.

They next week finds Dimmitt traveling to Happy, Springlake and back to Kress. Both Springlake and Happy were idle.

"Poppy Day" To Be Nov. 7

"Buddy Poppy Day" will be Saturday, November 7, the president of American Legion Auxiliary, Mrs. Wayne Butler, has announced. Because there is no Disabled American Veterans group in Littlefield, the Legion Auxiliary has charge of the sale. The little red poppies are made by disabled veterans at the Veterans' Hospital in Lubbock, and proceeds from the sale go for additional comforts for them.

Mrs. Tom Mathes, secretary of the Auxiliary, has ordered 700 poppies, and plans are being made to publicize the sale. Members of the Auxiliary, together with high school girls, will distribute the poppies on downtown streets.

Baptists Meet For Conferences

The Sunday School Association of the First Baptist Church met Sunday in Sudan with the First Baptist Church there, for department conferences to aid teachers and workers.

Bruce Giles delivered a message on "The Church is Commanded to Go," and short conferences were led by Rev. A. W. Blaine, Rev. John Taylor of the Parkview Baptist Church, Mrs. Walter Smith, Mrs. Forbes Tatum, Mrs. Ernest Hock, Mrs. John Rankin, Mrs. Lenton Smith, Mrs. Norman Renfro, Mrs. Acrey Barton, and Mrs. Lee Hemphill.

On Monday night, a Sunday School clinic was held at the First Baptist Church here for officers and class officers, with a covered dish supper. Revs. A. W. Blaine, John Rankin, Walter Smith, John Taylor, and Lee Hemphill, with Ernest Hock, conducted short conferences. The message was brought by Rev. R. W. Harris.

WITH THE Armed Forces

Marine Maj. George O. Ross, right, son of Mrs. Jessie M. Ross of 816 West 10th Street, Littlefield, and husband of Mrs. Maxine O. Ross of 1906 34th Street, Lubbock, is congratulated by Brigadier General Verne J. McCaul, assistant commanding general of the First Marine Aircraft Wing in Korea, after

being awarded the distinguished Flying Cross "for extraordinary achievement" as a night-fighter pilot before the truce was signed.

(Editor's Note: Since this picture was made, Maj. Ross has returned to the United States and visited his mother in Littlefield.)

Scheduled to arrive in Boston, Mass., Oct. 23 aboard the heavy cruiser USS Baltimore after six months in the Mediterranean with the U. S. Sixth Fleet was Charlie G. Eller, fire control technician second class, USN, of Whitarrall.

The Baltimore visited many ports during the cruise. At Spithead, England, she was the United States representative in the Coronation Naval Review honoring Queen Elizabeth II.

The Baltimore's duty with the Sixth Fleet ended as she took and Mrs. Wayne Carlisle of Littlefield.

Mrs. Carpenter, who had been in failing health since February, died en route to an Abilene hospital Monday, October 19. She is survived by her husband, a former county judge, 4 daughters, Mrs. Rowe and Mrs. Carlisle, Mrs. Mary Loven of Dudley, and Mrs. Marguerite Floyd of Midland; 2 sons, Ed of Vincent and Frank of Dudley; 19 grandchildren and 19 great-grandchildren.

In a letter to his parents, Lt. Joplin said he and his wife, the former Peggy Karnes, had returned to Camp Chaffee, Ark., last week, where he would be stationed. He is with the 401st First ASV Personnel Center, formerly the 5th Quartermasters, which will serve as a Reception Center for incoming inductees.

Lt and Mrs. Joplin expect to be in Lubbock for homecoming at Texas Tech on Nov. 11, after which they will visit his parents here.

Lubbock Park Superintendent Is Former Local Boy

Lubbock's newest Party House, which is attached to the swimming pool in the K. N. Clapp Park at 46th Street and Avenue U, was visited by a large number during open house from 2 to 6 p. m. Sunday.

Receiving the visitors was J. W. Taylor, superintendent of Lubbock's parks. He is the son of Mr. and Mrs. C. T. Taylor, who reside here. He graduated from Littlefield High School after which he entered military service, later returning to Texas Tech, where he received his degree in horticulture in 1949.

J. W., together with his wife and three children, Richard, 4, Kay, 3, and Sarah, nine months of age, reside at 3606 32nd St., in Lubbock.

Lubbock Camera Club provided an exhibit of prints, featuring photographs of park scenes, for the Party House opening. The city of Lubbock has four such buildings, all under J. W.'s supervision.

Pvt. Billy Wayne Sisson, son-in-law of Mr. and Mrs. Hugo Kinkler, has been transferred from Ft. Sill at Lawton, Okla., to Camp Chaffee, Ark. He spent two days' leave last week with Mr. and Mrs. Kinkler here. Mrs. Sisson, who is working in Abilene, was unable to come home at that time.

Charles E. Carpenter, engineer third class of Amherst, is on board the attack transport USS Bayfield, which arrived in Long Beach, Calif., in September after undergoing three months overhauling in the Navy Ship Yard at Pearl Harbor, Hawaii.

Carpenter is the son of Mr. and Mrs. Green Carpenter of Amherst, and husband of the former Miss Laverne Will of Littlefield.

Bob Kirk Speaks To Legionnaires

Bob Kirk, past commander of District 19 of the American Legion, told Legionnaires at Plainview last Monday that "the United States will be engaged in future wars, as one of the penalties of civilization."

Mr. Kirk was a featured speaker, with Hilton J. Lambert of Snyder, commander of the district. War veterans have well earned the benefits they receive from Legion-sponsored programs, Mr. Kirk added, and every Legion member should carry on the great work.

Past commanders of Ray Blakemore Post in Plainview

State Convention Will Decide Farm Bureau Policy For Year

Resolutions adopted at the annual state convention of the Texas Farm Bureau Association, which will be held at the Baker Hotel in Dallas, will spell the organization's official policy for the coming year.

Jack Yarbrough, president of the County Farm Bureau, Mrs. Mickey Stephens, secretary of the Bureau office here, and Gerald Allison of Pleasant Valley, will present ten resolutions adopted recently by the county group.

the neighboring counties and state will have delegates presenting their resolutions, designed to promote better crop and price conditions.

State issues likely to be considered are water problems, rural roads, sales tax, tractor gas refund, funds for increased research and a host of others. National issues which probably will receive much attention are support prices on cattle, flexible vs. rigid support prices, acreage control and many others.

The state resolutions committee will convene in Mineral Wells November 4 to assimilate the county resolutions according to subject. Registration for the convention will start Sunday afternoon, November 8, and Monday morning will be devoted to an open hearing on resolutions.

On Monday night, Nov. 9, county leaders will be honored, and the finale of the state-wide Farm Bureau Queen contest will be held. The queen will receive an expense-paid trip for herself and matron escort to the American Farm Convention Dec. 14-17 in Chicago.

A speech by Senator Lyndon Johnson will highlight the Tuesday afternoon program, during which state officers and directors will be elected. Wednesday, the voting delegates will be seated and resolu-

New Chrysler On Display At Ideal Motors

The completely redesigned Chrysler for 1954 introduce a new 235-horsepower FirePower V-8 engine—the most powerful and efficient passenger car engine in America today—plus many major engineering advancements combined with the smartest, most beautiful exteriors and interiors in Chrysler's 29-year history.

"Sales of Chrysler cars are at the highest peak in 29 years and with all the advances offered for 1954 we are proving Chrysler's power of leadership," E. M. Braden, general sales manager, Chrysler Division, Chrysler Corporation, said, in introducing the new models.

In addition to new FirePower V-8's and new, colorful styling, outstanding engineering features designed for luxurious performance include the new PowerFlite fully-automatic transmission, fully proved by use in 1953 Imperials, a new Airtemp air conditioning unit, full time power steering and power brakes, new anti-roll front suspension and new "solid feel" ride, all of which add up to a new high in driving control.

The new Chrysler is on display at Ideal Motors in Littlefield.

tions will be adopted or rejected. Adopted resolutions will then be sent the National Convention.

Women Marines To Begin Winter Training Class

Because of the increasing need of women officers, the Marine Corps is inaugurating a winter training program for women officer candidates, beginning January 28, 1954.

Second Lt. Billie Lowe, who is in charge of interviewing women candidates for the training program in this area, said that class is known as the Marine Corps Women Officers Training Class. It consists of 12 weeks of special training designed to prepare the individual candidate for the responsible work she will have later on as a commissioned officer in the Corps.

Graduates of the Women Officers Training Class receive commissions as second lieutenants, U. S. Marine Corps Reserve. The winter session will be in addition to the established summer training program for women officer candidates.

"More and more exciting opportunities are being made available to qualified, young women who want to become commissioned officers in the Marine Corps. That's because the Marine Corps has found vital roles in command and administrative duties for its women officers," said Lt. Lowe.

Qualified young women who are recent college graduates are eligible to enroll in the winter WOTC class. Lt. Lowe pointed out, however, the applications for the January class must be received by Marine Corps

Headquarters by December 15. Application blanks and additional information about the WOTC class are available at Room 200, P. O. Bldg., Lubbock, or telephone 2-8181.

Farm Bureau Membership Drive Closes Tonight

The annual membership drive of the Lamb County Farm Bureau was launched with a meeting held in the local office on October 20, and will continue through the month of October. This year's membership goal is 525, and Jack Yarbrough, newly-elected president, expressed confidence that the number would be surpassed by the end of the month.

Leon Lane, state field representative, and R. J. Buchanan, district field man from Lubbock, told the group of the purpose of the drive and suggested plans, assisted by County Agent David Eaton.

The Lamb County Bureau has added many new services in its office this year for members,

including filling out government cotton loan papers. The membership committee is headed by L. H. Neinstad of Hart Camp, and includes Duane Eby of Olton, Bill Nix of Sudan, Earl Parrish of Springlake, G. C. Bearden of Rocky Ford, and George Wuerlein of Pleasant Valley.

The Farm Bureau expects to re-activate its membership in the Olton and Spade areas, and is looking forward to renewed interest in the Springlake district. Prospect cards were handed out to those present at the recent meeting, with names of the farmers living in their communities. Representatives will contact each farmer and give him the opportunity to join the Bureau.

A report will be turned in on the membership drive at a meeting to be held tonight at 8 o'clock in the Farm Bureau office here, to which all members of the county bureau are invited.

Get Set For Winter Dairy

With the first blue norther only a short time away, the production of many Texas dairy herds may be vitally affected by the amount of feed put into storage before "Jack Frost" makes his official appearance.

In citing management practices that may mean success or failure for some milk producers, R. E. Burleson, extension dairy husbandman, urges dairymen to lay in an adequate roughage supply. Two tons of good quality hay or one ton of hay and three tons of silage should be in storage for each cow in the herd, Burleson says.

Take steps to conserve feed. A little time devoted to repairing mangers, hay racks and feed troughs will save feed stuffs that most likely will be welcomed before spring. Even the best hay, the specialist points out, loses its attractiveness to dairy cows after being trampled and kicked around in the sand, dirt and mud. Palatability can be maintained and waste losses prevented by using a good hay rack.

And finally, horns have no place in dairy herds, regardless of the season. Not only can dairy animals be handled easier, but dehorned cows can be housed and fed in less space, Burleson adds.

The "stacked-up" chores about the farmstead should get attention while the weather is favorable for making the necessary repairs and doing outside work. Winterizing the farm is one job that can't very well be put-off without losses.

THE VINEYARD

"There are many who go to the vineyard to answer the call of the Lord, With an eye not alone to the labor, But looking for great reward, "They will work with zest near the highway Where the passing by may see, But will drop from the ranks in a moment If placed in obscurity. "Yet the vines at the back of the vineyard Were planted with equal care, And the Master has never forgotten How many He planted there; "And the Lord who has called us to labor Knows best what each one can do; So be quick to go out in the vineyard Though no one may notice you. "For the grapes at the back of the garden May grow on a precious stalk That the Lord would not plant near the roadside Where thieves and the thoughtless walk. "And the place where He bids you labor May need a forsaken plot, But prove cut in the plan of the Master A specially cherished spot. "Then go out in the place He has given, Nor question His high decree, But be true to your task till the end of time Though no one may know or see. "The grapes on your side of the vineyard May prove to be Escheol's brand, When the labor is done and the workers Before Him shall take their stand."

Littlefield Yesteryears

(Taken from the files of the County Wide News for October 27, 1938.)

SCHOOL HOLIDAY FRIDAY: 600 STUDENTS TO GAME—That Littlefield will invade Ralls a thousand strong tomorrow afternoon is assured, and that figure is likely to be increased by late decisions on the part of local Cat boosters to make the 65 mile trip to the Crosby County Hub tomorrow afternoon for the annual Ralls-Littlefield football clash in the Ralls stadium tomorrow night.

A school holiday has been decreed by the Board Friday afternoon, to permit all students who have the consent of their parents to attend, and the Board has ordered the 17 school buses to be ready at 2 p. m. for the trip.

The Herring Gin located five and a half miles north of Littlefield and about the same distance east of Amherst was destroyed by fire Tuesday afternoon, with a loss of approximately \$20,000. The gin had handled about 500 bales of cotton this year, being in a section where cotton matured early.

The initial steps were taken at a meeting held at Fieldton last Thursday night, for building a Community House, County Recreation Center and 4-H Club House, for which a need has been openly expressed many times.

The first real freeze of the season descended in this section last Monday morning during the small hours, and early risers who took the trouble to investigate, found ice to the depth of about an eighth of an inch, on pails or small utensils which contained water the night before.

Miss Nell Wellborn and Carl Duke were married Saturday.

"But when thou doest alms, let not thy left hand know what thy right hand doeth: That thine alms may be in secret: and thy Father which seeth in secret himself shall reward thee openly.

"And when thou prayest . . . enter into thy closet . . . and thy Father which seeth in secret shall reward thee openly." Matt. 6:3-6.

The Lord will let others be honored, and put forward, and keep you hid away in obscurity, because He wants to produce some choice fragrant fruit for His glory, which can only be produced in the shade.

God will let others be great, but keep you small. He will let others do a work for Him, and get the credit for it, but He will make you work, and toil on without knowing how much work you are doing; and then to make your work still more precious, He will let others get the credit for the work which you have done, and this will make your reward ten times greater when He comes.

As a courtesy to members of the Thursday Night Bridge Club, Mr. and Mrs. L. C. Hewitt entertained with a buffet supper and bridge party at their home Thursday night.

James Edwin Shotwell of Jacksonville, student at Texas Tech, spent the weekend with his sister and brother-in-law, Dr. and Mrs. C. E. Payne. . . Mrs. W. J. Chesher, accompanied her parents, Mr. and Mrs. Stogner, to their home at Oklahoma City, they having spent the past week here. . . Miss Joy Pace, daughter of Mr. and Mrs. Joe W. Pace, of near Littlefield, a teacher in the New Hope school near Tahoka, is enjoying a vacation with her parents, which school is dismissed for cotton picking.

The pants burglar continued his activities last Sunday night, and probably after entering the Woodworth home went to the apartment in the Loyd home occupied by Kenneth Houk, Gilmer Eagan, George Webster and Paul Hyde, and next morning four pairs of pants were missing.

Dairymen are advised to get ready for winter. An adequate supply of roughage, if not available on the farm, should be purchased and stored. Two tons of hay or one ton of hay and three of silage should be stored for each cow in the herd. Good hay racks and feed troughs will save feed.

Mr. and Mrs. W. B. Little, accompanied by Mrs. Velma Smith and Mme. Renee von Bronneck, left Saturday to attend the spring fashion market in Dallas, and will return this weekend.

There is still time to plant a winter cover crop. If moisture conditions become favorable, plant immediately. Inoculate the seed of legumes and use plenty of fertilizer if in an area of the state where fertilizers can be used profitably.

Soil tests can be used to determine the fertilizer needs of a particular field if the tests are properly taken. The less of soil is a wise practice, less of the season but is especially beneficial at this season.

ONE WEEK ONLY!

WE'LL GIVE YOU THE EXTRA TRADE-IN PRICE YOU'D GET IF YOUR PRESENT CAR WERE A MERCURY

No matter what make of car you're driving, we'll allow you the same extra trade-in price you'd get for a same-model, same-year MERCURY—the car with the top trade-in value in its field!

WHY MERCURY GIVES YOU MORE—NOW AND WHEN YOU TRADE IT IN!

There are 4 good reasons why Mercury is so much in demand—and why the average trade-in price allowed by all dealers on used Mercurys is consistently higher than competing cars.

1. Mercury styling. Clean, long, low lines set the style and stay in style. Mercury interiors are smarter, more colorful, more attractive.

2. Proven V-8 performance. Mercury is no Johnny-come-lately to the V-8 field. It has always been a V-8, and this is the best-performing Mercury in history. Try it—compare it for get-away, for hill-climbing, for handling ease!

3. Proven economy. With Mercury, economy is no idle boast. Mercury's high gas mileage has been proved—Mercury with optional overdrive has five big wins in four official economy runs.

4. More extra power features. Mercury offers the widest selection of optional power features in the popular-price field—including the new 4-way power seat, power brakes, power steering, electric window lifts, no-shift Merc-O-Matic Drive, and even gas-saving Touch-O-Matic Overdrive.

Add these to Mercury's sturdy construction and low maintenance costs—and you see why Mercurys are always in top demand, new or used. Higher trade-in value makes Mercury's true cost very little more than the lowest priced cars. A Mercury is a solid investment, because you get back more when you finally trade it in.

Now—to make it even easier for anyone now driving any other popular-priced car to own a Mercury—we'll give you the extra trade-in allowance you would get if that car were a Mercury! We'll show you the actual, impartial figures—make you the most exciting offer in town! Bring your old car in today—and drive home a Mercury!

Pancake lovers were happy Friday night...

Pancake lovers were happy Friday night, for the Builders Class of the Sudan Methodist Church sponsored a "pancake supper" in the school cafeteria, with all the pancakes, syrup, butter, sausage or bacon, and coffee they wanted.

Proceeds will go to furnish the living room of the new Methodist parsonage. Furniture and draperies have already been purchased, and the fund will help pay for them.

Geodonne Williams has been elected to serve as president of the Sudan 4-H Club for the 1953-54 year.

Other officers are Bobby Beale, vice-president; Keith May, secretary-treasurer; and reporter, Jackie Brown. A movie on "Poultry Growing" will be shown at the next meeting on Nov. 18.

The Sudan club will attend the Lamb County 4-H Achievement Day in Littlefield on Nov. 11, when all 4-H awards for the year will be presented.

Proceeds from a rummage sale on October 31, Saturday, will be used by the Sudan Band Parents' Club toward purchasing additional suits for the band.

National Art Week will be observed the first week in November by the 1953 Study Club of Sudan...

who have enlisted the cooperation of local merchants to furnish window display room for art work and antiques. Mrs. Joe Foster, chairman of the Fine Arts department of the club, is chairman for the observance, assisted by Mrs. Milton Wiseman.

Anyone wishing to enter art work or antiques should contact the art committee or any club member. Last year's response to the exhibit, held in the Community Room of the First National Bank, was excellent. The following members will arrange displays: Mesdames C. E. Nichols, Ray Wood, M. H. Tollett, Penn C. Chance, J. A. Harris, Byron Ford, R. S. Gatewood, Weaver Barnett, Bill Curry, Preston Hawks, G. W. Wilkerson, O. C. Willingham, Milton Wiseman, Joe Foster, E. J. NO. 24. LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, OCTOBER 29, 1953.

Cooking School Starts Wednesday

Mary Rye Will Conduct Monthly-Sponsored Food Festival

If you want to know what's cookin' with gas, drop in at Community Center next Wednesday and Thursday from 10:30 each day, where the "Blue Flame Food Festival" will be in full swing.

You'll see the most complete array of tasty tidbits ever assembled before a large audience, making hundreds of ladies from Littlefield and surrounding areas think "didn't I ever cook!"

Mary Rye, expert Home Demonstration Agent for the West Texas Gas Company, will make the "flame" of gas cooking the easiest way to get to for a family's heart. And all besides the wonderful meals, there will be several prizes and all the groceries and all the things cooked at the show by winners each day.

As Range Is Prize The highlight of the Food Festival will be the biggest prize of all—a modern gas range will be donated by local gas dealers to one lucky cook. The range will be on Thursday, the last day of the festival.

Gas dealers who are the gift of the range, the cooking school possible by Electric, Onstead Furniture Co., Best Appliances, Rogers Furniture Co., Hank Hockett, Rodgers Furniture Co., and Nelsonware.

If your luck doesn't win groceries or there's good luck in you at the Food Festival, Miss Rye will give to make recipes, menu tips, and excellent suggestions for cooking methods each day.

Co-sponsored by the West Texas Gas Company; the County Wide News, and the appliance dealers above, this is only one of the many cooking schools which Miss Rye conducts during each year.

As director of the Flame Room, West Texas' most modern kitchen, and the home service department of the West Texas Gas Company, Miss Rye travels throughout West Texas, giving assistance in a number of fields. She conducts cooking schools, assists with home service calls, writes and tests recipes for a monthly folder, holds demonstrations for clubs and schools, and advises homemakers about recipes and gas appliances.

She will be assisted here by Miss Betty Vaughn, a home service advisor for the West Texas Gas Company. Miss Vaughn is a native of Lubbock, with a degree in home economics from Texas Tech.

If you have a gas range—or if you don't—you're welcome at the Blue Flame Food Festival next week. Young and old alike will have fun and enjoy the wonderful meals which Miss Rye and Miss Vaughn will prepare. Bring the children, they'll want some bites, too.

Miss Mary Rye

High School News...

By Betty Byars
Well, we got back from Dallas safe and sound except for a few girls getting car sick, but they're over that and I'm just full of Dallas happenings! We all had a wonderful time even if we are tired. Some still haven't caught on their sleep.

Little Jan Heard was on the sick list over the weekend.

M/Sgt. and Mrs. A. F. Foley, who have been stationed in Japan the past three years, visited her aunt and family, Mr. and Mrs. R. L. Stubblefield, recently.

Everybody was very disappointed that we didn't get to play Three-Way Thursday night. We all had our football spirit going high. We will play them Nov. 19. Everybody come, 'cause this is a big night for Spade!

The mother of R. D. Stokes from Erick, Okla., is visiting her son and nephew, Mr. and Mrs. Robert D. Stokes.

The Home Ec girls made candy and popped popcorn Friday and served it to the boys. I was rather disappointed that I didn't get to be out there, but the effect it had on some of the girls when we did our exercises made me very glad I had been elsewhere. Mr. Woods, I hope it didn't have the same effect on you and the boys.

Say, who knows who that new junior couple is? Could it be W. B. Jones and Maudean Tinsley? If my eyes are good, that's who I saw sitting at the same table at Luby's Cafeteria in Lubbock. Did you two have a fuss over who got to pay the bill? W. B., next time I'd step back and let Maudean do it.

While at Dallas we went to two shows. Some of us saw "Montana Belle" and "Band Wagon." If you want to know anything about the "Band Wagon," don't ask Willie Jay Griffin or Dwayne Dixon. I don't

think they saw much of the show.

The roller coaster was a special sight for the Spade kids and evidently for everyone else, because the line was . . . oh, I can't guess how long.

I wonder how Jerry Bryant and Pat Pointer, Troy Young and Margaret King got along on the roller coaster?

Colleen and Christene Bundick surely must like dolls. They both got some for their little sisters. What happened girls, did you do that so you could have some?

Everyone saw some of their kinfolks at the Ft. Worth Zoo, but I think Kay Hoelscher loved hers more than anybody. She bought a nickel balloon and gave it to the monkeys.

Billy Davis Leaves After Navy Leave

Billy Davis, RM3 of the USS George, will leave this week for San Diego, after visiting his father, Roy Davis, and grandmother, Mrs. E. M. Davis, and other relatives here.

Billy, who has served in the Navy for the past two and one-half years, has just completed a course in teletype maintenance. His grade of 97 was the second highest in the class of 23. He graduated from Littlefield High School in 1949.

Mr. and Mrs. James Minton were Saturday night guests of Mr. and Mrs. Ronald Tullis of Cotton Center.

Hope you didn't get too tired of Dallas.

By. By. Betty.

Study Club To Collect For USO; Rev. Vanderpool Will Speak Nov. 2

Rev. Harry Vanderpool, pastor of the Littlefield Methodist Church, will be guest speaker for the Amherst Junior Study Club next Monday night, Nov. 2.

Perfect Attendance Honored

Members of the Amherst Methodist Sunday School who had been present every Sunday during the past year were presented perfect attendance pins last Sunday morning.

second year pin. The Intermediates, Sue Hinds, an eighth year pin; La Pearl Jones, seventh year pin; Pat Harmon, sixth year, and Karen Nicholson, first year. All were presented by Mrs. David Harmon.

Business Circle Meets

The Business Women's Circle of the W. M. U. of the First Baptist Church met in the home of Mrs. Allan White Thursday night.

All those present took part in a mission study program and was followed by a short business session.

The only excuse for absence was sickness, to keep a perfect record.

"Corny" Party For Baptists

The Young People's Training Union of the First Baptist Church was entertained with a "corny" party Tuesday night in the parlors of the church.

The sponsors, Mr. and Mrs. James Holland, assisted by Dr. and Mrs. Andrew McCulley, Mrs. C. C. Craig and Mr. and Mrs. A. V. Woods, furnished the entertainment.

Decorations were alfalfa hay, corn stalks, pumpkins and autumn leaves.

All games played featured prizes of corn.

camp, forts and other installations are located.

Mrs. McWilliams Honored

Mrs. Joseph F. McWilliams was the honoree at a farewell tea given in the home of Mrs. Jim Nix on North Main Street Wednesday afternoon.

An autumn arrangement of yellow chrysanthemums and candles decorated the tea table where Mrs. John Nix served hot spiced tea, assorted cookies and mints.

The hostesses presented the honoree with a bracelet and matching ear clips, and she received an array of gifts from others attending.

Mrs. McWilliams with her family will leave soon for McKinney, where they will make their home.

Her mother, Mrs. R. E. Douglas and sister-in-law, Mrs. Rex Douglas of Lubbock attended the tea.

Sgt. Harmon Leaves

Sgt. Jomeryl Harmon, who left Tuesday morning for the U. S. Air Force Base, California and Korea and Japan for a year's tour of duty was honored with several parties before leaving.

Monday of last week, his mother-in-law, Mrs. Harvie Messamore, entertained with a dinner party. Those attending were Mr. and Mrs. Bill Gage of Sultan, W. T. Weaver, Jr., Sgt. and Mrs. Harmon, Mr. and Mrs. Messamore and Alvin.

Tuesday night, he was honored with an ice cream supper at the home of Mr. and Mrs. W. P. Holland, Jr. Those attending were Mr. and Mrs. Charles Hinds and daughters, Sgt. and Mrs. Harmon and Mr. and Mrs. Holland and daughter.

USO Donations Friday

The Amherst Study Club will have representatives in the bank lobby Friday and Saturday to accept donations to the USO.

This worthy organization provides wholesome entertainment for men and women in the armed forces in areas where

On Thursday the V. R. Stagner home was the scene of a party when table games were played. Ice cream and cake were served to Mr. and Mrs. Eddie Henderson, Mr. and Mrs. Leroy Maxfield, Mr. and Mrs. Sam Harmon, Mr. and Mrs. H. L. Messamore and Alvin, Mr. and Mrs. George Harmon and Bennie, and Sgt. and Mrs. Harmon.

Sgt. Harmon had been home on a 30-day furlough from Ent Air Force Base, Colorado. He was met in Clovis by Sgt. Doyle Testerman of Sudan, and Sgt. Billy Ray Brock of Friona, formerly of Shallowater. They had been stationed at Ent together.
