Two men sustained superficial injuries when the car in which they were riding collided with another automobile at the intersection of highways 54 and 51. The collision occurred about 1:30 a. m. Sunday.

Spencer of Dimmitt and Edward Spencer of Earth, drivers of the two cars, were uninjured except for bruises. Robert Hyatt and Billy Hyatt of Earth who were riding with them were admitted to Payne-Shotwell hospital for treatment.

Hyatt suffered cuts and bruises on his face. He was released from hospital Tuesday. Hyatt, who also had cuts and bruises about the neck and head, was released from the hospital Wednesday.

The collision was investigated by police, J. L. Walraven, police officer, and Sid Walraven. Walraven stated that no one was badly damaged in the collision.

# Last Rites Held For Mrs. Springer

Mrs. T. M. Springer, 81, of 2605 Twenty-fifth St., Lubbock, former Littlefield resident, died suddenly about 5:45 p. m. Friday at her residence.

Funeral services were conducted at 4 p. m. Monday in Calvary Baptist Church, Lubbock, with Rev. C. J. McCarty, pastor, officiating. Burial took place in Lubbock cemetery under the direction of a Lubbock funeral home.

Mr. and Mrs. Springer were residents of this area for 22 years, living three miles east of town on a farm, which they operated for many years.

For several years previous to moving to Lubbock four years ago, Mr. Springer had his land cropped on shares. He sold his farm three miles east of town on which he and Mrs. Springer had made their home for many years.

In addition to her activities as the wife of a progressive and successful large scale farmer, Mrs. Springer found time to devote to sewing for large numbers of the women of Littlefield and this section. She was widely recognized for her efficient and artistic work.

Mrs. Springer possessed a charming personality, young in her manner, and loved by all who knew her.

Mr. and Mrs. Springer have a host of friends in Littlefield and area who will learn with much regret of her passing.

Besides her husband, Mrs. Springer is survived by three daughters, Mrs. A. C. Kincaid of Snyder; Mrs. E. F. Smith of Lubbock; and Mrs. F. D. Hindman of El Monte, Calif.; and two sons, T. Eric Springer of Los Angeles and L. R. Springer of Van Nuys, Calif.

# Cold Day In July; Chicago Dons Coats

Rev. F. M. Higgins, pastor of the Sacred Heart Church, returned to Littlefield Friday from New York and Chicago after spending three weeks with friends. He commented on the excessive heat in New York; the mercury doesn't rise as high there as it does in West Texas, but the humidity makes the heat more intense.

As a contrast, Rev. Higgins reported that in Chicago, homes with babies had the steam heat on. On July 21, Chicagoans were wearing topcoats in the midsummer cold.

# High School High In Week's Softball

Bridges topped Lavender 13-6 in the number one postrodeo game Monday night. High school poured it on the Firemen to the tune of 20-0 in the night's final game.

Tuesday night the Jaycees nudged out Morrow 19-18. In the second game, the VFW rolled up 10 to the American Legions 5.

# Second Annual Rodeo Is Big Success; Fast Competition for Prize Money at Each Show

Cowboys in the second annual Jaycee world's championship rodeo appeared before capacity crowds and turned in championship performances during the three-day show.

In spite of furious bucking by broncs and brahma-bulls, no cowboy was badly hurt in the arena.

Rodeo producer, Howard Brown of Dublin, Texas, commented that it had been a pleasure to work his show in Littlefield. He praised the work of the Jaycees and Littlefield business men in planning the rodeo.

# Church to Host to Young People August 7

Young People's Fellowship of the Plains will meet at the Methodist Missionary Baptist Church, Fifth and Eighth Sts., Friday, August 7, for an all-day meeting. The people of the different churches of this area will have a program for the day. There will be lots of good singing, solos and group singing. A 15-year-old preacher from the area will be one of the featured speakers of the day. Another special feature will be a message on the Sabbath board.

Ralph McCoy, pastor of the Methodist Church, Lubbock, will be the featured speaker of the service.

Refreshments will be served at the church. Everyone, both young and old, is invited to attend this all-day meeting.

# Gerlach Family Return from Trip

Mr. and Mrs. Fred Gerlach and children, George Ann and Freddie Carl, returned Friday from a vacation trip of nearly three weeks.

They visited at Shreveport, La. and Hot Springs, Ark. sightseeing, and visited Mrs. Gerlach's aunt, Mrs. J. J. Landers. They also spent some time sightseeing around Eureka Springs, Ark. and points in Oklahoma. They visited Mr. Gerlach's parents, Mr. and Mrs. C. Gerlach, at Memphis, Texas, and her parents, Mr. and Mrs. C. M. Moore at Crosbyton.

Mr. and Mrs. Gerlach report a very enjoyable trip.

# MRS. FRED WRIGHT ILL IN HOSPITAL

Mrs. Fred Wright, who has been a patient in St. Mary's Hospital, Lubbock, for the past five weeks, is reported to be getting along a little better. She has been suffering for sometime from pernicious anemia and spinal trouble. Recently she went to Lubbock to consult and receive treatment from a specialist at the Lubbock hospital, but her condition became worse.

Mrs. Wright has been given four blood transfusions. Her daughter, Miss Catherine Wright, has been remaining with her mother at Lubbock. It is the plan to remove her to a local hospital as soon as her condition permits.

# Pardon Board Refuses to Extend Reprieve of Dr. Newton for Additional Sixty Days

The State Board of Pardons and Paroles refused Monday by a two to one vote to extend the reprieve of Dr. W. R. Newton of Cameron for 60 days.

Gov. Beauford H. Jester had given him a 30-day emergency reprieve July 1, on grounds that if he was sent immediately to the penitentiary, lives of some of his patients would be jeopardized.

In an open letter to Governor Beauford Jester Tuesday, Dr. Newton stated that he would report to the state penitentiary before midnight Wednesday, "to pay a debt I do not owe."

It was understood that A. G. Hunt of Lubbock, father of the late Dr. Roy Hunt, received a telegram from Dr. Newton Tuesday night but refused to disclose its contents.

The Board of Pardons and Paroles rejected a clemency plea for Dr. W. R. Newton of Cameron, Friday, July 25.

Dr. Newton asked for a full pardon before he started serving a two-year sentence on conviction of assault to murder.

The board rejected the plea by a vote of two to one.

The majority of the board, Walter Strong and R. A. (Smoot) Schmid, said briefly through chairman Abner Lewis they felt the board should not "invade the province of a jury to determine guilt or innocence."

Chairman Lewis, who favored clemency for the physician convicted of assault to murder on Dr. Roy E. Hunt of Littlefield, issued a 400 word written statement detailing reasons for his stand.

Lewis said he had high respect for juries, "yet many times we have been petitioned by jurors, requesting us to right the wrongs they have committed." He said he seriously doubted Dr. Newton's guilt.

The board's decision came after a week of hearings in which proponents and opponents of the clemency appeared to argue the case.

Dr. Newton is under a 30-day emergency reprieve issued July 1 by Gov. Beauford H. Jester, who said in announcing it he did so to prevent jeopardizing the lives of some of the Cameron physician's patients. It was issued after the Court of Criminal Appeals April 1 affirmed the conviction of Dr. Newton, the second after three trials.

The shooting with which he was charged occurred on a road near Littlefield about midnight, May 21, 1942. Court records showed it took place as Dr. Hunt was approaching a car in which Mrs. Ruth Newton, wife of Dr. Newton, was allegedly seated. In appearing before the pardon board, she said "we couldn't have been there."

Seventeen months after the assault on Dr. Hunt, he and his wife were found slain in bed at Littlefield. Jim Thomas, an ex-convict, was given two death sentences and one for life in trials for the slaying.

# WILLIAM PINKNEY ... IN HOSPITAL BED LOOKS FORWARD TO BIRTHDAY PARTY

William Pinkney Johnson, disabled veteran, who returned to his home in College Heights about three weeks ago, was admitted to Payne-Shotwell hospital Friday suffering from a swelling of his limbs caused from injuries received in the war.

Johnson had felt he would be obliged to return to the hospital for treatment, but his only wish was that he should be able to remain at home until after his birthday on Saturday, August 2, when a large number of his friends from Levelland, where he formerly lived, are planning on bringing a basket dinner and enjoying a birthday party at the Johnson home.

And now he hopes to be back home by Saturday. Good luck, William Pinkney... here's hoping you will make it.

Roberts, a graduate of the University of Colorado, has had no previous experience in Chamber of Commerce work, stated Jack Christian, president of the organization, but he is anxious to make his career C. of C. work. He comes to Littlefield with high recommendations.

Roberts is 27 years old, married, and a veteran of World War II, having served in the Air Corps. He is currently employed as personnel manager for the Louisiana Department of Veteran's affairs.

He has been active in Junior Chamber of Commerce work.

# CC Secretary Takes Over Here August 1

The Littlefield Chamber of Commerce will have a full-time secretary when James Roberts, of Shreveport, La., takes over his office here August 2.

Roberts, a graduate of the University of Colorado, has had no previous experience in Chamber of Commerce work, stated Jack Christian, president of the organization, but he is anxious to make his career C. of C. work. He comes to Littlefield with high recommendations.

Roberts is 27 years old, married, and a veteran of World War II, having served in the Air Corps. He is currently employed as personnel manager for the Louisiana Department of Veteran's affairs.

# L. L. Curtis Injured In Tire Mishap

L. L. Curtis, 57 of College Heights, suffered injuries in a tire mishap at Dimmitt about 7:30 o'clock Saturday night, and was admitted to the Payne-Shotwell hospital about midnight of the same day.

Mr. Curtis who has been working in the harvest was at the Cooperative Grain elevator at Dimmitt unloading a load of grain when the accident happened. A tire on his bobtail truck blew out, and he was in the act of putting his spare tire on, when it blew up and hit him in the face, breaking his jaw bone and cutting his tongue in several places.

He was first taken to the Dimmitt hospital, where he was rendered first aid. His wife and family of College Heights were at once notified, and Mrs. Curtis and daughter and son-in-law, Mr. and Mrs. J. B. Burton, went to Dimmitt and accompanied Mr. Curtis back to Littlefield and to the Payne-Shotwell hospital, where he is reported to be doing as well as could be expected.

# Last Rites Held For Wm. J. Elms

William J. Elms, 86, father of M. A. Elms of 12 miles west of Littlefield, and Mrs. Paul Vause of this city, passed away at 11 a. m. Monday at the King Sisters hospital, Temple, Texas, as the result of a heart ailment.

Mr. Elms, who has been making his home with his daughter and son-in-law, Mr. and Mrs. Paul Vause here for the past five years, had been ill and a patient in the hospital several weeks. He was originally from Killeen, and is an uncle of J. C. Elms.

Funeral services were conducted at 3 o'clock Tuesday afternoon, July 29, at Killeen Methodist Church, with burial in the Killeen cemetery beside his wife, who passed away in 1908.

Besides his son, M. A. Elms, of 12 miles west of Littlefield, and his daughter, Mrs. Vause, he was survived by three other daughters, Mrs. W. D. Robinson and Mrs. Lester Lawhorn of Temple, and Mrs. C. V. Robinson of Llano, Texas.

He is also survived by a brother, Bob Elms of Waco.

Mrs. Vause had been at her father's bedside for two weeks previous to his death; and Mr. M. A. Elms had also spent considerable time at Temple.

Present at the last rites besides Mrs. Vause and Mr. Elms were: Mr. Vause and his daughter, Mrs. James Holland of Amherst.

Mrs. Nathan Thedford, who has been spending the past three weeks with her parents, Mr. and Mrs. C. E. Kemp, left Sunday for home. Mr. Thedford came Saturday and accompanied his wife home.

# Thousands View Big Parade Opening Rodeo

Thousands thronged the streets of Littlefield Friday to watch the spectacular parade which heralds the first performance of the rodeo.

Glamorous cowgirls mounted black and white horses and the colors led the gigantic parade of horses and floats.

Members of the Jaycees and the merchants were well represented. Spectators commented that this parade was the biggest in this section of the county.

Interesting Parade  
Edith Nabers rode with her Chrysler convertible during the occasion by Lavender company. Behind her streamlining horses, outstanding in good horseflesh in a contest for its fine stock, and

magnificent floats that formed a pageant of western splendor the like of which has not been seen in Littlefield in years.

Little boys mounted on tiny ponies and dressed like the grown up cowboys made a colorful addition to the parade. Clowns, riding midget mules, brought laughter from the crowds.

**Prizes for Floats**

First prize for floats went to the High school band.

Second prize was won by Southwestern Public Service for its interesting float, a hole digger, mounted on a truck. Powered by a 155 horse power motor, the digger can dig a hole in a minute which would require two days work if performed by a man.

Third prize went to Garland Motor Company, specialists in irrigation installations. The Garland display, mounted on a truck, presented a realistic farm operation, cotton and wheat being irrigated. An immense stream of water flowed from the pump in this spectacular display, which attracted much attention.

The Garland Motor Company also are Dodge and Plymouth dealers.

The merchants spared no pains in preparing their floats and all of them

# Winners in Calf Scramble are Announced

The first Calf Scramble ever to be held in Littlefield was declared a huge success by Rodeo "goers" and contestants alike. The regular featured events scarcely furnished as many thrills and spills nor exhibited more nerve and daring than did the Calf Scramble.

Fifty-one Future Farmers and 44-H Club boys competed for 24 calves which were furnished by Littlefield firms and business men. Five of the calves were purebred Angus, one a Shorthorn and the others were Herefords. The calves averaged 260 lbs. in weight and cost the sponsors \$60 each. All calves were vaccinated against Blackleg, Hemorrhagic, Septicemia, and Pinkeye. Boys winning calves agree to feed the calf out under the direction of his Vocational Agriculture teacher or County Agent and to exhibit the fattened animal at the Littlefield FFA Club Livestock Show next year.

According to Stilwell H. Russell, General Chairman of the Scramble, winners of the calves and the sponsors were as follows:

LITTLEFIELD FFA:  
Jimmie Ross Gibson, No. 2-32.  
Sponsor: West Texas Cotton Oil Co.

AMHERST 4-H CLUB:  
Winston Cummings, No. 7-29.  
Sponsor: Mr. A. C. Chesher.

# Vine Grows 25 Feet in Sixty Days

While hunting near Plainview, about two months ago, C. R. Cox discovered an odd vine, with a leaf shaped like a sweet potato. He returned to look at the vine again last Saturday night and found that it had grown twenty-feet in 60 days.

The vine is the same diameter throughout its length and is on display in the window of the Leader office.

The name of the vine is unknown although Mr. Cox recalls having something similar to it in Mississippi.

He has tagged another of the fast growing vines and plans to leave it until after the frost, to see how long it will grow.

Mrs. P. L. Maddux underwent major surgery at the Payne-Shotwell hospital Wednesday, July 23, and is reported to be doing fine.

# Rev. Carter McKemy to Be Installed as Pastor Sept. 14

Rev. Carter McKemy, new Pastor of the First Presbyterian Church, Littlefield, and Dr. Ira Woods and George Neely attended an adjourned meeting of the Presbytery at Ceda Glen Thursday afternoon, and made arrangements to execute the call of Rev. McKemy to the local church, and for the installation services.

Rev. McKemy will be installed as Pastor Sunday evening, September 14, with the service opening at 8 o'clock. Three visiting pastors will take part in the installation.

**Investment for Peace**

Millions of hungry children in the war-ravaged countries of Europe and Asia were given new hope for a chance to grow up into constructive adulthood when the International Children's Emergency Fund, set up by the United Nations last fall, at last acquired sufficient funds to authorize its first purchases of supplemental rations for small children and mothers. Some 20,000,000 future world citizens are ultimately to be saved in this way to participate in the world's great task of reconstruction from warfare and chaos in the coming years.

**Rabbits to Be Shown at Lubbock Fair**

Rabbits return this year to the Panhandle South Plains Fair which will be held in Lubbock, Sept. 29 through Oct. 4. For the first time since 1934, the Fair, a member of the American Rabbit and Cavy Breeders Association, Inc. will present a rabbit show.

Cash prizes and ribbons will be awarded in three different classes and for the best normal white fur, the best normal colored fur, the best rex fur and the best angora wool. Cash awards will also go to the best meat pen of small fryers, three rabbits under six pounds, and for the best doe and litter of four to seven rabbits from five to seven old.

Special awards will be granted the best display, the largest from Lubbock County, the largest try from outside Lubbock County and the entry from the greatest distance.

L. E. Settle, superintendent of the rabbit department and a director of the South Plains Rabbit and Breeders Association, pointed out that entries for the show close 26, 1947.

**Minute Interviews**

World peace is the most urgent problem facing the United States in the opinion of Republican Senator Arthur H. Vandenberg of Michigan, above, who is quoted in the July issue of Cosmopolitan magazine as saying:

"Peace at home and abroad is the most urgent problem facing the American people today. We must find a way to stabilize labor-management relationships at home so high and uninterrupted production can sustain high wages and low prices. On the other hand, we must persistently hunt for collective peace and security in the world—not only to stop another war but also to remove the burden of armaments from national economies of all concerned. There are other problems. We must sustain Western Democracy against Eastern Communism, at home and abroad. But the firmest answer is my first one—PEACE."

**MAKES GRANT TO TEXAS U.**

Monsanto Chemical Company of St. Louis has presented a \$26,000 grant to the University of Texas to assist in the development of a rehabilitation clinic at the Medical Branch in Galveston.

The gift is intended to aid in a program of rehabilitation for industrial accident victims, and to reduce economic waste caused by injuries.

Dr. Chauncey D. Leake, dean of the Medical Branch, said the clinic will be the first of its type in the South.

In the past nickel has been mined in a great many countries. It has been mined in recent years in quantity in Canada, Celebes, Cuba, New Caledonia, Norway and Russia, and in smaller amounts in several other countries.

Nickel does not rust and strongly resists corrosion by salt water, by many acids, caustics and other chemicals. When alloyed with steel along with chromium and other alloying elements, such as in stainless steel, nickel helps to make those metals resistant to heat and corrosion, too.

Belgium introduced coins of a nickel-copper alloy in 1860. Switzerland issued pure nickel coins in 1881, and in subsequent years one country after another followed suit. In 1939, over one hundred governments had coinage containing nickel.

Feeding Broncs Is Tough, Hard Work

JayCee President Nelson Neylor, face drawn with fatigue, staggered into the office Monday night of last week. Asked where he'd been, Nelson sighed and reported that he, Elmer McKnight, and J. C. Smith had been working like beavers trying to feed the bucking horses brought in for the rodeo. The three spent most of the day rustling up feed and water for the horses. As he prepared to drag his weary feet homeward for supper, Neylor remarked that "those horses have appetites fully as uncontrollable as they are."

CHRISTIAN SCIENCE SERVICES "Love" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, August 5. The Golden Text is: "Let him that glorieth glory in this, that he understandeth and knoweth me, that I am the Lord which exercises loving kindness, judgment, and righteousness, in the earth" (Jeremiah 9:24). Among the citations which comprise the Lesson-Sermon is the following from the Bible: "God is love; and he that dwelleth in love dwelleth in God, and God in him" (I John 4:16). The Lesson-Sermon also includes the following passage from the Christ.

AIR POWER IS PEACE POWER HELP BUILD AMERICA'S AIR POWER on AIR FORCE DAY, AUGUST 1ST No one today questions the fact that the whole future of the United States may rest in the very clouds over your head. And the new, reorganized Air Forces give thousands of eligible young men an opportunity to take an active part in building America's air power . . . on the ground as well as in the sky. You may, for example, enlist in the Air Forces for three years. If you have a specialty which will qualify you, you may also be able to enlist in a grade at higher pay. If you have had Air Forces experience, you may join the Air Reserve and continue your military aviation training outside of business hours. Or, you may join the Air National Guard and perhaps become eligible for advanced technical training at special Air National Guard schools. On Air Force Day, make a point of finding out everything about your Air Forces — especially the new Aviation Career Plan described below. Full details can be obtained at your U. S. Army Recruiting Station. NOW—THE WORLD'S GREATEST OPPORTUNITY FOR A CAREER IN AVIATION Today the Army Air Forces offer high school graduates an unprecedented opportunity to get the finest aviation schooling on earth — and select your school or course before you enlist. The AAF Career Plan is unlike anything ever offered before. It permits selected high school graduates to apply and qualify for AAF specialized courses of their own choice. Simply go to your U. S. Army Recruiting Station, advise the Recruiting Officer the kind of aviation training you want and he will provide you with an application blank and a complete list of available courses. When you are selected to attend the course of your choice, you enlist in the Army Air Forces for 3, 4 or 5 years. After your basic training period you are guaranteed the education you have selected to make you a specialist in the type of work you want. Get a list of all the schools and courses open to you under the AAF Aviation Career Plan at your U. S. Army Recruiting Station. U. S. ARMY RECRUITING SERVICE Yellow House Land Building Littlefield

BULL LAKE PHILOSOPHER WANTS LAW PASSED CONTROLLING CHANGES IN LENGTH OF WOMEN'S SKIRTS

Dear Editor: Last night I was readin' in a catalog, sort of idly turnin' the pages noticin' what new labor-savin' devices had been invented in case a man decided to do some actual farmin' occasionally, when I accidentally got over in the women's section and my worst fears have been confirmed.

For some time now I have been noticin' in the newspapers which drift by out here on Bull Lake or that I borrow out of my neighbor's mail box that women's skirts is gettin' longer, but I hadn't paid no attention to it much, being busy thinkin' about the United Nations, until I seed it in a genuine style authority like the catalog.

Now here's the situation, it just don't make a particle of difference to me what women wear or what they don't wear, it's the fluctuations that make a man boil over. Knee-length, ankle-length, calf-length, draggin' on the ground, it don't make any difference, but when the style authorities start switchin' the length, especially when they go from short to long, which is just their way of takin' advantage of women and makin' all last year's dresses out of style, then

it hits a man's pocket book and something ought to be done about it. Imagine what it would be like if the length of a man's trousers went up or down at the whim of some wax-mustached bird in Paris or New York.

I will appreciate you writin' Congressman George Mahon and explainin' to him what it costs the average man to have a catalog come out sayin' women's dresses is a foot longer this year than they was last. As I understand it, Congress has already took notice of fluctuations in other lines, for example the price of cotton can't fluctuate more than five dollars a bale in one day, and what I'd like to see is a law sayin' the length of women's skirts can't fluctuate more than two inches, or the length of a hem, in any one year.

Personally, I ain't never understood why cotton can be worth five dollars less today than it was yesterday, as there blamed sure wasn't no fluctuations in the amount of work it took to produce it, and I have often suspected somebody was fluctuatin' the market himself, but when it comes to fluctuatin' the styles, I know blamed well somebody is doin' it for a selfish purpose and I hope you and Congress can get this law passed.

Yours faithfully,

J. A.

Falls Grocery and Market Reopens in Old Location

Mr. and Mrs. G. W. Falls, who operated a grocery and market on West 10th St., in Southmoor, for six years, selling out to King Brothers about a year and a half ago, are back at the old location, and invite all their former customers to visit them for their food needs.

The building has been completely redecorated; new fixtures installed, including a new reach-in electric refrigerator, and Frigidmist air conditioner vegetable stand.

A complete new stock of groceries, fruits, vegetables and meats have been purchased.

Visitors From Detroit Guests in Lavender Home; Enjoy Their First Rodeo Here

Mr. and Mrs. Grant Rose of Detroit and their daughter, Sandra, have been visiting for the past week in the home of Mr. and Mrs. W. E. Lavender.

Mr. Rose, who is with the distribution department of the Chrysler corporation, was in Texas on his vacation when Mr. Lavender invited him and his family to the Jaycee rodeo. It was the first time the Roses had ever seen a rodeo. Mr. and Mrs. Lavender also took their guests to see Carlsbad Caverns Sunday.

Mr. Rose, whose hobby is singing and playing the guitar appeared with his daughter on the Lavender Motor program over KVOW Tuesday.

The Roses plan to return to Detroit by plane Sunday.

Miss Traverse and Rogers Willett Jr., Wed.

In a nuptial mass celebrated Saturday morning at the Church of the Assumption, Waco, by Rev. Dean J. J. Kearns, Miss Patricia Jean Traverse, daughter of Mrs. Carol Michel Traverse of Waco, Texas and the late Mr. Traverse, became the bride of Rogers Willett Jr., son of Mr. and Mrs. Rogers Willett of Amherst. Wedding music was by Eugene Selle, soloist, who was accompanied at the organ by Mrs. R. F. Hallaran.

Given in marriage by N. A. Flood, Jr., the bride wore a period dress of white gros de lundie taffeta, styled with a long train and fingertip veil bordered with white prayer book topped with white orchids and white lace handkerchief from Belfast, Ireland, which her mother carried at her wedding.

Attended by Sister

Miss Elizabeth Traverse, sister of the bride and maid of honor, wore a dress of blue net and taffeta with matching net mitts and picture hat. She carried a bouquet of American Beauty roses. The bridesmaids, Miss Mary Ellen Duffy, cousin of the bridegroom, and Miss Catherine Marie Hallaran, wore identical dresses of yellow net and taffeta with matching mitts and hats. Their bouquets were of talismar roses. Cornelius Duffy served as best man while Alvin J. Ludwig of Lubbock and Mason Wilson, Jr., of Wichita Falls served as ushers.

A reception was held immediately after the ceremony at Mrs. Traverse's home, 518 North Eleventh Street, Waco. The table was laid with an Irish linen cloth. Miss Nancy Larsen cut the wedding cake while Misses Colleen Tucker and Angela Perdichi served punch. Mrs. John K. Strecker

was at the bride's book.

Out-of-town guests were Mr. and Mrs. Willett, parents of the bridegroom; Mrs. C. A. Duffy Sr., Mr. and Mrs. C. A. Duffy, Miss Mary Ellen Duffy, Mrs. George McCoy, all of Amherst, and George Jones of Lubbock and Miss Peggy Davis of Midland.

Leave for New Mexico.

For traveling, Mrs. Willett chose a suit of blue wool crepe with which she wore gold and black accessories. The couple left immediately after the reception on a wedding trip to New Mexico and Colorado.

Mrs. Willett is a graduate of Waco High School and attended North Texas Teachers College and Texas Technological College where she was a member of Gammanion Honorary Society. The bridegroom graduated from Amherst High School, attended St. Edward's University and received his B. S. degree from Texas Tech where he was a member of Tau Beta Pi, Phi and Alpha Chi.

Mrs. Eugene Latimer, who underwent major surgery about two weeks ago at the West Texas hospital, Lubbock, was released and came home Friday. She is reported to be having temperature and not so well.

### New Ford Tractor

DETROIT—Good news for the nation's farmers as the new Ford tractor rolls off the production lines of Ford's Highland Park plant at the rate of 400 daily. Features include an improved hydraulic system for implement control and four forward speeds. With the new line of Dearborn farm equipment, the Ford tractor is marketed nationally by Dearborn Motors Corporation. Michigan farmerette Gloria Carlson tries out the new tractor at Dearborn Motors' experimental farm, Clarkston, Michigan.

H. L. Kline, partner of Kline-Stedler, local dealer for Ford tractors, has just returned from Dallas where he attended the one-day conferences of Ford tractor men of Texas, at which the new tractor was introduced.

The new Ford tractor features an improved hydraulic system permitting operation of tractor and implement as a single unit with automatic hydraulic control of the equipment, Kline said. Other major improvements include an automotive-type spring gear, a fourth forward speed giving a wider range of working speeds, a new drawbar height con-

trol mechanism, combination running boards and step plates, a seat that can be tilted back, and a hinged radiator grille for easy cleaning of radiator core.

Merritt D. Hill, Dearborn, Mich., general sales manager, Dearborn Motors Corporation, the national marketing organization for Ford tractors, told the dealers that production of the new tractor was going forward at the Highland Park plant of Ford Motor Company and that approximately 50,000 units would be marketed during the latter part of 1947.

## SIDELIGHTS From Washington

By GEORGE MAHON

Congress is scheduled to adjourn on July 26, one week from the day this is being written. Legislative decisions are now being made rapidly. Tax reduction legislation was killed for the session when the Senate voted to sustain the President's veto on the second tax bill. Very likely in 1948 Congress will pass, and the President will approve, a more equitable tax bill than the one which Congressman Knutson has tried twice to enact into law this year.

It is now a foregone certainty that the Senate will approve the terminal leave bill for enlisted men which we passed in the House sometime ago. This will mean that ex-servicemen can convert their terminal leave bonds to cash if they desire on or after September 2, 1947.

The Presidential Succession bill has now become the law. It provides that Speaker Joe Martin, a Republican, would become President in the event of the death or resignation of Mr. Truman. It was surprised to observe on the final roll call on the bill that I was one of only 11 Members of the House voting against the measure. I feel that when the people elect a President of one political party for a four-year term that such Party should remain in power under our system of Government until the next Presidential Election. I agree that it would be all right for a Democratic Speaker to succeed a Democratic President or for a Republican Speaker to succeed a Republican President, but not otherwise. The so-called Stratton bill which would admit into the United States from Europe 400,000 displaced persons has been sidetracked for the session. I have all sympathy for the unfortunate peoples of foreign lands, but I have resisted action by Congress to admit these 400,000 immigrants. We have enough problems without admitting all these people, many of whom would be malcontents and trouble makers. We have fed them and protected them abroad, but we should not be required to share our homeland with them.

Final action on the Agriculture Appropriations bill soon will be taken. It now appears that substantially all AAA payments which were

authorized for the 1947 crop year will be paid.

A few days ago we had our final meeting of the session of the Texas Congressional delegation. Words of admiration and praise were spoken for the late Congressman Mansfield of the Galveston District, who passed away a short time ago. Judge Mansfield was one of the most amazing men I have ever known. Although he was 86 years of age at the time of his death, and had been confined to a wheel chair for about 20 years, he was remarkably effective as a legislator. Everybody liked him and trusted him. Prior to the last Election he was Chairman of one of the important Committees of Congress and performed a great national service in that capacity. The Judge was never heard to complain of his handicap and his ever cheerful disposition won him the title of the most beloved man in the House.

Congressman Ewing Thomason of the El Paso District is retiring from Congress next week to become Federal Judge in the Western District in Texas. He is one of the top Texans in Washington and his influence will be greatly missed. Like the late

### U.N. Facts and Faces . . . . . CUBA

The Republic of Cuba, the "Pearl of the Antilles," is 44,164 square miles in area, with a population of 4,800,000. It lies between the Gulf of Mexico, the Strait of Florida and the Atlantic Ocean in the North, and the Caribbean Sea in the South. It is an island blessed with rich semi-tropical vegetation, producing a wide variety of fruits and vegetables, as well as minerals. Sugar and tobacco constitute the principal exports. The capital is Havana. Cuba is a member of the Economic and Social Council and of the General Assembly of the United Nations. Her Representative is Dr. Guillermo Belt. Her flag shows a white star on a red triangle and three blue and two white horizontal stripes of equal width.

Judge Mansfield, he is one of the favorites of the Texas delegation. This leaves Texas with 19 members of the House, but the two vacancies are to be filled in elections in the Districts involved on August 23rd.

**Mrs. Bud Crouch Honoree at Shower**

The home of Mr. and Mrs. S. D. Hay was the scene Friday afternoon, July 18, of a pink and blue shower, honoring Mrs. Bud Crouch, the former Miss Jean Vereen.

Hostesses for the afternoon were Mrs. Clifford Brandon, Mrs. S. D. Hay and Miss Paulette Hay. The dining table was made festive by a lovely lace cloth, a centerpiece of white daisies, and a crystal punch bowl. Cookies and candies were served in small crystal plates. Pink roses carried out the party motif in the living room.

After the honoree had opened the many lovely gifts, punch and cookies were served to Mesdames: G. W. Benton, T. A. Henson, Floyd Seymour, T. C. Crouch, Rodney Nichols, Dexter Baker, Calvin Baker, R. W. Bowman, C. A. Vereen, P. E. Boeson, J. W. Miller, R. D. Nix, W. T. Vereen, Ernest Minyard, C. E. Harris, H. M. Nichols, F. M. Smith, Dewey Haragan, Glenn Gatewood, Cleo Whitmire, W. L. Wright, A. K. Boyd and W. D. Eddins, and the Misses Burma Zrand and Billie Lynn Vereen and the hostesses.

### Jaycees Guests at Rotary Luncheon

At a luncheon to honor their efforts in bringing the second annual rodeo to Littlefield, the local Jaycees were guests of the Rotary Club, Thursday, July 24.

Brief addresses by Rotary president Arthur Duggan, G. N. Shaw, Wayne Brown, Mancel Hall, and Jack Christian were climaxed by an entertaining program by Jim Dean, rodeo announcer. His bucolic prevarication had Rotarians and Jaycees laughing.

Music for the program was furnished by radio-pianist Imogene Humphries.

### Chick Production Gains

AUSTIN. — There are plenty of chicks, the U. S. Department of Agriculture said in a report which showed that Texas commercial hatcheries produced 33 per cent more chicks in June than a year ago.

The report showed 2,700,000 chicks were produced in June, compared to the 2,000,000 in June,

1946. Overall six-month production also continued high, with a total of 44,600,000, five per cent above similar period in 1946.

Most hatcheries over Texas are closed for the season, the department said. The only ones in operation are producing primarily broiler chicks.

However, the June egg production was six per cent below June 1946, with a total of 283,000,000 eggs. The June, 1946, figure was 300,000,000.

The number of layers on farms was estimated at 19,352,000, a 14 per cent below June a year ago.

## A Statement To Our Customers About Resale PRICES of PRODUCTS

Built by International Harvester Company

Here at Harvester we are concerned over the fact that a growing number of our products are appearing on the resale market at greatly inflated prices.

As manufacturers, we try to produce at the lowest possible cost. We cannot set the prices at which our products—tractors, motor trucks, farm implements, refrigeration, and industrial power equipment—are sold. We can and do suggest list prices which the great majority of our dealers adopt as their retail prices.

**\$22,000,000 Price Reduction**

Our basic price policy was publicly stated in March, 1947, when we announced price reductions at the rate of approximately \$20,000,000 per year on our products. At that time, Fowler McCormick, Chairman of the Board, said: "ANY PRICE IS TOO HIGH IF IT CAN BE REDUCED."

Practically all of our dealers cooperated with this policy and passed on the savings to their customers.

The objective of the price reductions was to make it possible for customers to buy our products, which they need so badly, at lower prices. Naturally, this purpose is defeated when our products are sold by anybody at inflated prices.

**IH Production at All-Time Peak**

Inflated prices are caused by

the difference between supply and demand. To increase supply, we now have the greatest number of employees in history on our payrolls—almost 90,000 in the United States, as against about 60,000 prewar. Large new plants are getting into production in Louisville, Evansville, and Melrose Park. A fourth will soon be in operation in Memphis. The men and women now employed are turning out the greatest quantities of IH products of all kinds that we have ever made. These are also the finest products we have ever made, and recognition of that fact is an important contributing factor to the demand for them.

**Distribution to Dealers**

But even record-breaking production is not sufficient to give your dealer—and other IH dealers—enough products to meet today's demand. We have tried to make the fairest possible geographical allocation of our products so that every dealer would get a fair share, and we know that dealers, in most cases, have tried earnestly to make the fairest possible distribution to their customers.

But we also know that many of our products—far too many—are being resold at inflated prices. The public criticism and resentment of these resales are of real concern to us, as we know they must be to our dealers, because such reactions en-

danger the good will of both the dealer and the Company in any community.

**Distribution to Customers**

Experience shows that many IH new products are being resold by users who decide they can continue to make out with their old equipment after they have had an inflated offer for their new equipment. To eliminate this, many dealers are taking measures to be sure that equipment purchased is for their customers' own use and is not to be resold.

Nearly all IH dealers, we believe, are now using the basis of PRESENT NEED as their primary guide for the sale of scarce products. The customer whose need is real and urgent is not likely to resell.

**What Price Should You Pay?**

While it may take a little more time to get delivery, we urge our customers to consider all of the factors mentioned here, before paying more than the list price for any IH product. Any IH dealer or branch can furnish the suggested list price for any IH product.

We know that the overwhelming majority of IH dealers are as much opposed to inflated prices as we are. In the public interest, we have already asked their cooperation—and are now asking the cooperation of customers—in correcting this situation.

## Engagement, Approaching Marriage Miss Heathman and Allen H. White, Jr.; is Announced

Mrs. W. E. Heathman announced the engagement and approaching marriage of their daughter, Miss Helen Heathman, to Allen H. White, Jr., son of Mr. and Mrs. W. E. White of Amherst. The double ring ceremony will take place at the First Baptist Church, Littlefield, Friday evening, July 29, at 8 o'clock, with Rev. Phillip, pastor, officiating.

**Brother to Attend Groom**  
Sid W. White of Amherst will attend his brother.  
Miss Heathman was graduated from Littlefield High School with the class of 1942; and she graduated from Baylor University in 1946, with a B.B.A. degree.  
She is one of the most popular and accomplished young ladies of this city, and is active in church work.  
**Groom Studied NTSC**  
Mr. White is a student of North Texas State College at Denton. He will continue his studies and the couple will make their home at Denton.

## Spade News

Mrs. Nora Smith and Mrs. B. H. Hunt of Lockhart, Texas are visiting in the Howard Lackey home this week. Mrs. Smith and Mrs. Hunt are sisters and grandmother and aunt of Howard. Mrs. Hunt formerly lived here and has been enjoying seeing her old friends at Spade.  
**Mr. and Mrs. Nabors Have Visitors**  
Mr. and Mrs. Ben Ward, Sr., of Providence, R. I. are visiting Mr. and Mrs. G. R. Nabors. They first visited Mr. and Mrs. Ben Ward, Jr. in Salina, Calif., their son and daughter-in-law. It was their first visit in their son's home and they were so pleased with their daughter-in-law, they decided they would like to meet her parents, Mr. and Mrs. Nabors. They had planned to stay only a few days, but when they heard there was going to be a rodeo, they decided to remain to see it. They say they do not have an opportunity to see wild-west rodeos in Rhode Island.

**Visitors in Jack Poer Home**  
Mrs. Robert Poer of Stamford, Texas is visiting her son, Jack Poer and daughter, Mrs. Lon Chamberlain this week.

**Has Injured Arm**  
Mr. J. W. Herring had the misfortune of breaking his arm and injuring his knee this week while at work on the Ivan Fowler farm. A trailer hitch came loose knocking him down and caused the injury.

**Have Substitute Pastor**  
D. J. Stafford preached for the Lewis Chappel people Sunday in the absence of their pastor, R. L. Swanner.

**Return from visit at Hobbs**  
Mrs. O. M. Edwards returned recently from Hobbs, N. H., where she has been visiting her daughter, Mrs. Alice McCarty and recuperating from a tonsilectomy.

Howard Lackey sold his garage and equipment to an oil company to be moved to the oil field near Anton.

Mr. and Mrs. L. H. Brown of Plainview visited Mr. and Mrs. H. R. Wallace Monday. Mrs. Brown is a sister of Mr. Wallace.

**Enrolls in Summer Session at Tech**  
Miss Alma Faye Henry, daughter of Mr. and Mrs. L. B. Henry, enrolled July 21 for the last six weeks summer session of Texas Technological college, Lubbock. Miss Henry received her B. A. degree last August from T.S.W., at Denton, and is now working toward a Master of Arts degree in English.

Miss Henry has, for the past four years, been a member of the local school faculty.

Neil and Don Armstrong of Lubbock visited in the home of Mr. and Mrs. R. V. Armstrong from Thursday until Sunday. They brought their horses and rode them in the grand entry. During the rodeo there were eight orses at the Armstrong home.

## Miss Leta Mae O'Dell and Pvt. Doyle D. Stuart Wed

Mr. and Mrs. Albert O'Dell of eight miles east of Littlefield announce the marriage of their daughter, Miss Leta Mae to Pvt. Doyle Dean Stuart, son of Mr. and Mrs. Bill Sutart of Anton.

The beautiful double ring ceremony took place in the home of Bro. and Mrs. Jack McCormick, Littlefield, Monday morning at 10 o'clock, with Bro. McCormick officiating.

Only members of the immediate families were present.  
The bride wore an aqua blue suit

with black accessories.  
She is a senior in Littlefield High School, and will continue her studies and graduate in the spring of 1948.

The groom is connected with the Army Transport Command, stationed at Westover Field, Mass. He has been in the service seven months.

Following a week of trips and visiting among relatives, the groom will leave for his port of embarkation, where he will leave for duties overseas.

## Church of God Revival Meeting Here Sunday

A revival meeting will begin at the Church of God Sunday morning, August 4th, announced C. H. Johnson, pastor.

Morning and evening services Sunday will be conducted by Rev. J. N. Minix of Sweetwater.

From Monday night, Rev. Fred Walker of Abilene, will be the evangelist. He will also have charge of the singing. Everyone is cordially invited to come and hear this young preacher.

Mrs. Estelle Wood of Amarillo spent from Thursday until Saturday in the home of Mr. and Mrs. Starr Halle.

## Wood and Cecil Harp Wed Church Ceremony Friday

Nell Wood, daughter of Mr. E. E. Wood of 3 and one-half southeast of town, became the bride of Cecil Harp, son of Mrs. E. E. Harp, in a ceremony at the First Baptist Church Friday evening.

S. M. Dunnam, pastor, officiated while Mrs. Dunnam played the organ.

**Married in White**  
The bride, who was given in marriage by her father, was lovely in a white dress, with crystal headpiece and three-quarter length gloves to match, and white accessories. She carried an arm bouquet of roses.

"Something old" and "something borrowed," she wore a rhinestone bracelet belonging to Mrs. A. Smith of Lubbock; for the first time, her wedding dress; "something blue," a garter.

**Walker Matron of Honor**  
Jud Walker who served as matron, wore a white crepe with lace insertion trimming, and accessories. She carried an arm bouquet of yellow Gladioli.

The room was immaculate in a gray and white carnation boutonniere.

Miss Mauldin, Monk Mauldin, attendant, wore a black suit and a white carnation boutonniere.

The bride is a great favorite among the younger set of this city; she is a lady of exceptional charm and personality, and a valued emcee of the Payne-Shotwell hospital where she serves as receptionist, and with which she has been connected for a year.

She is a graduate of the 1943 Littlefield high school, and was graduated from the Texas State High School at Austin.

At the wedding ceremony, numbered about fifty, including members of the immediate family of the bride and groom, and

those attending from town were: Mr. and Mrs. A. Smith of Lubbock; Charles of Anton; Miss Mildred Hedrick of Hale Center; Mr. and Mrs. Harp of Lubbock; Neil Singer, Waller and J. Lewis, all of town.

**Judy Hill and  
Gloss R. Jones  
Wed at Kinona, Kans.**

Judy Hill, daughter of Mrs. McKinley of Winona, Kansas, and Gloss R. Jones, son of Mr. and Mrs. F. Jones of Littlefield, were married Sunday, July 20, at 7:30 at the home of the bride's parents at Winona.

Jones is part owner of a photo studio at Winona.

Jones was a cotton buyer for years until he entered the service.

## Engagement is Announced

Mr. and Mrs. L. E. Silcott of Olton announce the engagement and approaching marriage of their daughter, Wanda Faye, to Bill Irby, Jr., son of Mr. and Mrs. W. H. Irby of Plainview. The wedding is scheduled for September 4th at the Olton Baptist Church.

Rev. Dee Cates of Sweetwater, will perform the ceremony.

Mrs. G. W. Fuller of Portales arrived Saturday for a week's visit with Mrs. Cleo Goodwin.

After 43 months in the service, most of which time he spent overseas in Africa, Corsica and Italy, he was released in July, 1945. He owned and operated the Travel-In Courts at Durango, Colo. for a year, disposing of this business in May. He has now returned to his former work as a cotton buyer.

Mr. and Mrs. Jones spent a couple of days here visiting his parents and other relatives, after which they went to San Antonio, where Mr. Jones is buying cotton. It is his plan to return to Littlefield this fall and again engage in the cotton business here.

Mrs. Jones' partner in the photo studio is carrying on the business in the absence of Mrs. Jones.

**Uncashed Allowance Checks To Be Cancelled Aug. 1**

Uncashed readjustment allowance checks, outstanding six months or more, will be cancelled August 1, J. D. Jordan, Manager, of the Texas Employment Commission today warned veterans in the Littlefield area. Veterans' checks for both unemployment and self-employment will be affected by this new order.

The Employment Commission is acting on new orders from the Veterans Administration in Washington. As Texas agent of the VA, the Commission administers Title V provides financial aid to unemployed and self-employed veterans.

Jordan has just received notice from the State Office of the Commission in Austin that checks six months old or older will no longer be valid after the first of August. He suggested that all veterans having such checks in their possession immediately cash them.

He said there were no existing records showing how many checks were outstanding in particular localities but that throughout the State more than 2,000 warrants, unless cashed this month, would be affected by the Veterans Administration order.

Jordan said that the Commission was trying to give the veterans a break by giving them advance notice of the August 1 action. It is imperative, he explained, that veter-

ans holding six-months-old checks cash them immediately.

**"Summer Complaint" Is Most Prevalent At This Time**

This is the season when dysentery, diarrhea and "summer complaint" are most prevalent throughout the State, and Dr. Geo. W. Cox, State Health Officer, has issued a warning to parents of young children regarding the prevention of these diseases.

"The chief causes of these intestinal diseases are impure milk, water and food; allowing a child to become overheated; using too much sugar and cream in the diet; and under-or-over-feeding," Dr. Cox said. "All foods should be fresh and clean, and left-overs should be properly refrigerated to prevent spoilage."

Dr. Cox said definitely that when a feeding formula for infants is used, it should be prescribed by a physician and then prepared with extreme care, especially in regard to cleanliness and refrigeration. Babies should be fed at regular intervals and on a definite schedule. Their stomach and bowels can become easily upset if they are fed haphazardly whenever they happen to be fretful or restless.

The State Health Officer declared that with dysentery, as with many other diseases, the fly is an agent of transmission, and every home should be well screened and free of flies.

"If diarrhea or dysentery develops, consult a physician at once," Dr. Cox advised. "This so-called 'summer complaint' can become a very serious menace to your baby's health, if not an actual threat to his life."

**Midget Auto Races Are Again in Full Swing At Lubbock**

Midget auto racing is again in full swing in Lubbock at the Fair grounds every Thursday night and will continue weekly until opening of the 30th Annual Panhandle South Plains Fair.

Des Abbott, new promoter of the races, has agreed not only to furnish a fast and exciting program weekly, but will also put on daily afternoon contests at the Fair, September 29 through Oct. 4.

Fifteen drivers drove in the best races of the season last week over an improved track. Three races were decided by less than a car length. Starting position meant but little as the lead changed hands several times. The main event was won by Lloyd Ruby, Wichita Falls.

**Minute Interviews**

Major problem facing the United States today is the housing shortage in the opinion of Democratic Representative John F. Kennedy of Massachusetts, above, who is quoted in the July issue of Cosmopolitan magazine as saying:

"We are confronted with many exacting problems, but the most important, from a long-range view, is the great housing shortage existing in this country. Congress must act to provide housing for a great percentage of our veterans and to institute a broad program of public housing that will aid low-income groups who, before the war, lived in houses that were mostly substandard. The simple fact is that the building industry cannot build homes for prices that veterans and others in the low-income brackets can pay; therefore federal, state and local governments are under great obligation to render aid."

Pardon Board---

(Continued From Page 1)

ing of Dr. Hunt. New trials were ordered in each case. Court records in Thomas' trials showed Dr. Newton at his home in Cameron when the Hunts were slain.

Members of the Hunt family and attorneys from Plainview appeared before the board to protest the clemency application of Dr. Newton. They said that 35 out of 36 jurors had found him guilty and that he should go to the penitentiary.

"It is a very unusual situation when a man is an applicant for clemency before he even goes to the penitentiary," said Meade F. Griffin, Plainview attorney, in bringing his protest to the board. "If you let the law take its course, nobody will have the right to complain because you have not granted an exception. We see no reason why Dr. Newton should be an exception. He has had fair trials—more than average."

The pardon petitions had claimed Dr. Newton was "the victim of persecution and a gross miscarriage of justice" and claimed that his services as a physician and surgeon were of vital necessity to his community.

The Court of Criminal Appeals had taken note of conflict in trial court testimony as to the whereabouts of Dr. Newton on the night of the assault on Dr. Hunt, saying that it was the responsibility of the trial court to determine the facts.

Mrs. Newton—who did not testify in Dr. Newton's trials—told the pardon board she and Dr. Newton were in Houston the night of the attack on Dr. Hunt.

Lewis' statement said in part: "I cannot believe that all of Dr. Newton's witnesses lied in giving their testimony to the courts and jury that convicted him. Some eighteen or twenty fine citizens of Milam and Harris counties testified that it would have been impossible and that he could not have been in or near Littlefield at the time of the shooting."

"Our information is that some fifty other witnesses journeyed to the far off county to offer the same character of testimony. I can see where Dr. Hunt could have been honestly mistaken in his identification of Dr. Newton."

"Any student of criminology would know that the shooting of Dr. Hunt was bound to have been a hate shooting. Yet, both Dr. Newton and Dr. Hunt agree that there was no ill feeling between them, having not seen each other for more than nine and one-half years, nor had they communicated together, either directly or indirectly."

"Both are high classed gentlemen from fine families. Both were excellent doctors and were very able, busy surgeons. No jealousies existed between them. Both were good family men. Shooting to kill just don't happen in that kind of atmosphere. "Forty thousand people have told this board by letter, telegram, and petition that they believe in the innocence of Dr. Newton."

"It is my belief that the person who shot Dr. Hunt on the highway on the morning of May 21, 1942, did finally, and with the same hate manifested on said morning, kill Dr. Hunt and his wife several years later; but all agree that that person was not Dr. Newton."

Importance of substructure in roadbuilding is illustrated by the fact that reinforced concrete 10 inches thick has proved deficient when placed on fine-grained instead of coarse-grained material.

### Crystal Ice Company to Double Their Manufacturing Capacity

**Purchase New Equipment at Cost of \$35,000 Expected To Be Installed Within Thirty Days**

S. Parrack, manager of the Crystal Ice Company, announced today that plans were underway to purchase new equipment here for the manufacture of ice to the extent of doubling the capacity.

The Parnell ice manufacturing plant has been purchased, and is expected to arrive about August 15 when it will be immediately installed. It is expected that within

30 days that the ice company here will be in a position to supply double the ice it is now making, and hence be able to satisfy the demand in Littlefield and area.

**To Cost \$35,000**

This additional equipment will enable the local company to supply the ice needs of Littlefield and territory for many years to come, it is believed. However, Mr. Parrack stated, that as and when a larger plant was needed, it was their plan to expand still further.

**Ancient Articles Found**

Archaeology students from the University of New Mexico have turned up man-made articles believed to be 10,000 years old near Tulla, according to reports.

Some of the material found was said to be similar to Folsom-Yuma-Sandia types found in many places in the Southwest.

**Presbyterians Welcome Pastor, Enjoy Lawn Party**

As a gesture of welcome to the new pastor of the First Presbyterian Church and his family, members of the Women's Auxiliary sponsored a surprise lawn party and picnic supper at the manse Wednesday evening of last week.

Members of the congregation gathered at the church at 7:30 o'clock, bringing covered dishes, and went in a body to the manse, where tables were laid on the lawn, and an old-fashioned picnic supper enjoyed.

An abundance of food was on hand, including cokes and watermelon.

Special guests of the occasion were: Rev. and Mrs. W. M. Dunnam and family.

About 35 members of the Presbyterian Church were present.

### Predicts Greatest Cotton Yield for Territory Since 1937

"Prospects right now for a bumper cotton crop are as good, or better than in 1937, and in my opinion a little better," stated Floyd Coffman, Superintendent of the Littlefield Hospital, and large scale farmer, in an interview with a Leader reporter Saturday.

Mr. Coffman owns and operates three farms in Lamb County and one in Hockley County.

Mr. Coffman reminded that the top price for cotton during the last 50 years was 43 1-4c per pound, which cotton brought in 1919, and that the price recently has risen to the high of 39 cents, but is now off a little, which is the second highest price in the past 50 year period.

He stated that although there was some scare of the flea hopper, he had examined cotton on his four farms, and that it was all good, and at the present time at least, free from any pests.

"With present prospects," stated Mr. Coffman, cotton should yield even more per acre than wheat has in the recent harvested crops" . . . adding "of course, that is, if nothing happens to prevent it . . . if hail

### Brownfield Announces Boxing August 7, 8, 9

(Special to Leader)

**BROWNFIELD, July 30.** — The Districts 1 and 2 TAAF boxing tournament will be held in Brownfield, August 7, 8 and 9, with the winners in the experienced class eligible to compete in the state TAAF tournament at Fort Worth, August 14, 15 and 16.

Members of the Brownfield Junior Chamber of Commerce decided to sponsor the event after they learned that neither Amarillo in District 1 nor Lubbock in District 2 planned to stage a tournament this year.

Entries in both classes, listing name, address, weight and experience, should be mailed to Charles Didway of the Brownfield News, Brownfield, Texas, by 2 p. m., August 7.

Dr. Gordon E. Richardson of Brownfield, is director of the tournament, which will be staged in an open-air ring at Cub football stadium. Trophies will be awarded winners in both novice and experienced classes.

## LITTLEFIELD NATIONAL FARM LOAN ASSOCIATION

C. O. STONE—Secretary-Treasurer

### Important Announcement

We are pleased to announce that in 1946 the farmers and ranchmen who had their farm mortgage debt financed through the Littlefield National Farm Loan Association enjoyed a net interest of 3.38 percent on their loans.

Low net cost is one of the many rights and special benefits passed back to borrowers because they are owners.

For 30 years the Land Bank System has been helping land owners pay out to debt-free ownership.

Now is the time to tie down long term credit with a Land Bank loan that couples safety with economy.

Land Bank loans may be obtained through this association for the purpose of refinancing the following types of debts at 4 percent interest:

- PAYING OTHER DEBTS ON THE FARM.
- PAYING FOR NEW BUILDINGS, REMODELING AND REPLACEMENTS
- PAYING FOR IRRIGATION WELLS AND OTHER WATER FACILITIES.

Land Bank loans may be paid in full or in part at any time, and with any funds without penalty.

Information concerning the benefits and low cost of Land Bank loans can be obtained at the Office of the Littlefield National Farm Loan Association located on the ground floor of the Rumback Hotel Building. We invite you to come and discuss your needs with us.

DIVIDENDS on all outstanding stock of the Littlefield National Farm Loan Association are being paid each year.

**Jane Cupper's "Daring" Bathing Suit**

The Cuppers showed me some tin-types of their nineteen-ten vacation—picnicking on the beach with beer and pretzels, in bathing suits that made them look like they were dressed in street-wear.

Dee was smothered in a long-sleeved pull-over with knee length shorts, and looking embarrassed—as if he thought Jane's costume of a heavy blouse, two copious skirts, and long black stockings was a little daring.

We laughed a lot at those costumes... but come to think of it,

as Dee says, we'll probably look just as funny twenty years from now, in what we call our "Modern" clothes. Only thing that won't change in the picture is that melon, wholesome glass of beer.

From where I sit, tolerance that lets us wear sensible, decent clothes—to give us sun and air and freedom—will keep that wholesome glass of beer a part of the American tradition.

From "DUST BOWL"

To "SUGAR BOWL"

Smart folks here have worked hard, used their heads and today there's a rich "sugar bowl" in the Panhandle-Plains-Pecos Valley area.

This crop... growing in the so-called "dust bowl" of a few years ago... means good money to a good many farmers in this area. Dependable low cost electric power increases sugar beet profits and helps turn the wheels of thriving sugar beet mills.

We have so much confidence in the sugar beet industry—and all other industries we serve, that we are investing 35 million dollars in a building program. This expansion program in our territory will bring more dependable electric service to industry and better living—electrically—to everyone.
