

# Huge Parade To Officially Open Eighth Annual Jaycee Rodeo

The gates of the eighth annual Jaycee Rodeo, which promises to be bigger and better than ever this year, and held at the fair grounds, will open wide this morning at 8 o'clock for three days, today, Friday and Saturday. Tickets may be secured at the gate or various places down town, including Cleero Smith Lumber Company, Brittain Pharmacy and Chamber of Commerce.

**Colorful Parade**  
The big colorful parade, sponsored

by the Lamb County Posse, will start from the new high school building at 4 p. m., the route for which will be along Highway 84 to Phelps Avenue and up Phelps Avenue to the court house, where it will disperse.

**Many Floats Expected**  
A number of organizations and concerns are preparing floats, and they are expected to be above the average this year.

**Whisker Contest**  
The whisker judging contest will

take place at the First National Bank Building just previous to the parade. Mrs. Clint Griffin and Mrs. Sid Hopping will act as judges.

**Bob Estes Stock**  
Bob Estes is again furnishing the stock for the rodeo and according to Skipper Smith, president of the Jaycees and chairman of general arrangements, 100 head of stock have arrived including Brahma bulls, bucking horses, roping calves and dogging steers.

**Outstanding Clowns**  
Billy Keen and Kagen Kid, two of the southwest's best rodeo clowns, will be here. Billy Keen is a trick rider and trick roper. He is the only clown who has a "Bull on Wheels", and will give the attendants plenty of thrill.

The Kagen Kid is a "top rated" bull fighter from Kansas and promises his audience plenty of entertainment.

There will be a number of comedy acts.

There will be \$1,650 in cash prizes for the contestants, and according to Mr. Smith since the northern rodeos have not yet gotten underway, it is expected that there will be top contestants trying for the money at the local event.

In an interview Tuesday, he stated that a number of top contestants had already arrived.

Attend the rodeo . . . There will be thrills and entertainment for all.

VOLUME XXX

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, MAY 21, 1953

NO. 1

### Crowell Accepts Position As Manager of Snyder C. of C.

Bob Crowell, who has been manager of the Littlefield Chamber of Commerce since August, 1950, when he came to Littlefield from a similar position at Floydada, has resigned his position here to become manager of the Snyder Chamber of Commerce.

Mr. Crowell has made an outstanding record as manager of the local booster group and has gathered around him countless friends who regret that he is leaving Littlefield, but wish him the best of everything in his new field of service.

Mr. Crowell is married and has three children, Bill, 13, Steve, 6, and Barbara, 4.

**Knows Agriculture**  
With a background of experience in agriculture, Mr. Crowell entered chamber of commerce work in the spring of 1948 at Floydada. Prior to that he was with the Soil Conservation and the P. M. A. since 1937 with the exception of service in the U. S. Seabees from which he was discharged as a chief petty officer.

### Riders in Parade to Be Guests of Lamb County Posse at Barbecue Dinner

Invitations have been extended to Sheriff's Posses and Riding clubs over the South Plains area numbering twenty-two in all, to ride in the Jaycee Rodeo parade this afternoon (Thursday).

Those invited, according to Lon Campbell, secretary and treasurer of the Lamb County posse, are: Posses from Hockley, Lubbock, Terry, Crosby, Cochrane, Yoakum, Hale, Portales, Lynn County, Floyd and Dawson County; and Hereford Riders, Post Stampede, Muleshoe Riding club, Hale County Riders, Santa Rosa Palomino club of Vernon, Idalou Roping club, Slaton

Riding club, Abernathy Riding club, Earth Roping club, Springlake Roping club, Sudan Roping club and Olton Roping club.

Cecil Martin and Bud Nace are parade bosses in charge. The parade will start at the Littlefield High school, go down to Highway 84 and up that highway to Phelps Avenue, and along Phelps to the Court House, where they will break up.

Immediately following the parade the Lamb County posse will be hosts to the visiting posses and other riding groups at a barbecue (Continued on Back Page).

### Judge Hopping Seriously Ill

Judge R. C. Hopping, a former highly esteemed resident of Littlefield and Lamb County, and for many years a resident of Lubbock, where he has represented the Elwood interests, is in a critical condition at Lubbock Memorial Hospital.

Judge Hopping was taken to the hospital about two weeks ago by his son, Sid Hopping of Littlefield. For the first few days it was thought that his condition was improving, but for several days this week his condition has grown worse.

The judge is 77 years of age, and has lived a very progressive and active life. Aside from his duties with the Elwood interests, he recently published a book in which he reviewed the early history of this part of the west.

Feeling ill the judge drove his own car to his home in Lubbock and Mrs. Hopping immediately notified members of the family living in Littlefield, including Sid Hopping and Mrs. Pat Boone. (Continued on Back Page).

Services will be held at the Littlefield Drive Church of Christ on Friday at 2:30 p. m. Ned Fairbairn will be in charge of the service. Burial will be in Littlefield Memorial Park.

### Soaking Rains Bring Relief

The slow-pelting rain which visited sections of the South Plains Friday and Saturday, the first in many weeks, measuring from half an inch to 2 1/4 inches, brought some relief to the powder dry farm lands over the area.

Littlefield and area received over a half inch Friday morning. Two and a half inches were reported southwest of Sudan, with an inch north of Earth, one inch at Sudan, three-fourths of an inch at Amherst; three-fourths of an inch at Pep and Beck's Gin, one inch.

Other sections receiving moisture were: Muleshoe .97 of an inch; Earth .90; Hale Center one-half of an inch; Lubbock 1.11; Morton .73; Brownfield .75 and Lovelland 1.12 inches.

### Still Seek Leases To Drill Test Well

C. J. Duggan, personal representative of John W. Murchison, who has proposed to drill a deep test oil well for Littlefield if he could acquire 700 acres in leases within the city limits, said Wednesday the reason the well has (Continued on Back Page).

# BUDDY POPPIES SYMBOL OF A NATION'S DEVOTION

Emblem of the dead and dying on the fields of Flanders in 1918, the V.F.W. Buddy Poppy has been glorified by the American people as their "Flower of Remembrance."

Down through the years, ever since 1922 to be exact, the V.F.W. Buddy Poppy has given to all patriotic citizens—rich and poor alike—their chance to honor the dead by helping the living.

The annual sale of Buddy Poppies serves two great purposes. It fosters the beautiful custom of wearing these little flowers, once each year, in mute salute to the memory of America's honored dead; it provides the funds that are required to serve the daily personal needs of the nation's disabled and needy veterans, and their dependents.

There are millions of unfortunate veterans—as well as widows and orphans and dependent parents—who are unable to qualify for government aid.

Why? Mainly because the government itself—in time of war—has never been able to maintain accurate records on the physical welfare of each individual in uniform.

Through no fault of their own, these veterans—many of them the victims of the lingering effects of exposure, shock and malnutrition—are unable to qualify for help from their government because their service records fail to confirm the origin of their ailments.

Your support of the annual sale of Buddy Poppies makes it possible for the Veterans of Foreign Wars to maintain its great, nationwide program of free rehabilitation service to the millions of needy veterans.

Every dime or dollar which you may give in exchange for a Buddy Poppy goes into a special sacred fund—one that will be spent for nothing but the relief and rehabilitation of America's disabled veterans, and their needy loved ones.

Remember the dead who are buried near the battlefields where they died, or in our cemeteries here at home. Let's do them honor by helping the living!

For the aid, relief and comfort of disabled and needy veterans, their dependents, or their widows and orphans.

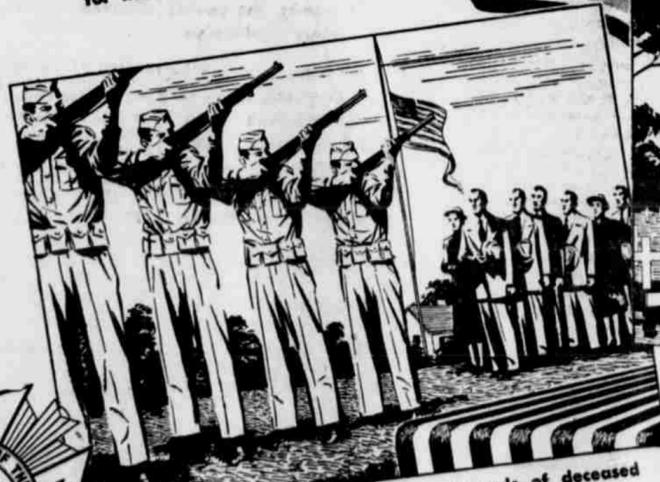

For hospital entertainment, for needy veterans and patients.

For maintenance or expansion of the V.F.W. National Home for widows and orphans of veterans at Eaton Rapids, Mich.

For rehabilitation, welfare and service work, including service with the Veterans Administration.

For necessary expenses for military funerals of deceased veterans.

For acquisition, improvement and maintenance of burial and the decoration of graves of veterans and servicemen.

## Ruth Margaret Tarbox and Ensign I. B. Holt Exchange Vows Recently

MRS. I. B. HOLT, JR.

Folk Street Methodist Church, Amherst, was the scene Saturday, May 9, 7:30 p. m. for the wedding of Miss Ruth Margaret Tarbox and Ensign I. B. Holt, Jr., son of Mr. and Mrs. I. B. Holt, Olton. Parents of the bride are Mr. and Mrs. W. H. Tarbox of Joplin, Missouri.

Rev. Eugene Slater performed the double ring ceremony before an altar decorated with sunburst bouquets of white gladiolus and emerald leaves in white wrought iron standards backed by jade palms, with seven branched white wrought iron candelabra bearing white tapers. At each side of the altar were arched candelabras bearing nine white tapers.

The bride, given in marriage by her father, wore a full length gown of Chantilly lace and bridal satin. The dress was styled with a fitted bodice of chantilly lace, with Queen ann collar and fitted sleeves coming to a point on her hands. It was finished with self-covered buttons. The skirt was of satin, with a chapel train. Her silk illusion finger tip veil was attached to a lace framing headpiece of lace, adorned with pearls and radiance sequins. She carried a white arch centered on bible with stephanotes and showered with marine tufts and white satin love knots.

Miss Pam McDonald sang, accompanied on the organ by Jon Cender. Musical selections included: "Oh Promise Me", "Indian Love Call", and "Lords Prayer". Traditional wedding marches were used for the processional and recession.

The bride's attendants wore identical styled gowns of perib red over taffeta. The gowns were cut with soft draped bodice, sleeveless and portrait neck lines. The ballerina bouffant skirts were set over taffeta. Their half hats were of silk daisies matching their dresses in color.

Bridesmaids were Mrs. Dorma Hazel, Amherst, and Miss Joyce Eoark, Vega, Texas. They wore orchid dresses and carried colonial bouquets of yellow and white spring-tone daisies tied with white satin streamers.

Maid of honor was Miss Rose Mary Tarbox, Plainview, sister of the bride. She was dressed in pastel green and carried a colonial

bouquet of tiny orchid mums and white daisies tied with orchid satin streamers.

Candle lighters were Martha Thomas, Hereford, and Mrs. Bill Smith, sister of the groom. Their dresses were pastel yellow, and they wore wristlets of pink and orchid daisies.

Flower girl was Jerry Elaine Herlacher, Pampa, cousin of the bride. She wore a yellow dress with lace trim, and carried a basket of pink, blue, yellow, and white spring-tone daisies.

Ring bearer was Danny Tarbox, Perryton, cousin of the bride. Bud Holt of Olton served his brother as best man. Ushers were Mr. James Lair, Canyon, brother-in-law of the groom.

The bride's mother wore a navy blue two piece dress with matching accessories and a corsage of white roses. Mother of the groom was attired in a navy blue sheer dress, navy blue accessories, and a corsage of white gardenias feathered with white carnations.

A reception was held immediately following the ceremony in the church parlor. Mrs. Charles Sorrell presided at the punch bowl and Mrs. Fred Tarbox, aunt of the bride served the cake. Registering the guests was Mr. J. E. Bellah.

Others in the house party were Mrs. Tom Ray Snodgrass, Miss Nancy Vick, and Mrs. Jeannie Haskins.

For a wedding trip to California the bride chose a beige suit, complemented with brown accessories and white orchid corsage.

The bride graduated from Plainview High School and attended West Texas State College and Texas Tech. She graduated from W. T. S. C. in '48 where she was a member of Delta Zeta Chi Sorority and Who's Who in American Universities and Colleges. She has been employed with Phillips Petroleum Company since June, 1952.

The bridegroom graduated from Olton High School in '46 and attended Texas Tech in '47. In 1948-49, he attended the University of Texas. He joined the United States Navy in 1950, and was awarded wings February 4, 1953. He is now training as a jet pilot in the navy.

After May 21st, the couple will be at home in California.

## Vows Read for Ruth McCormick And Charles Wommack Saturday

Miss Ruth McCormick, daughter of Mr. and Mrs. Jack McCormick, and Charles H. Wommack, son of Mrs. Myra Wommack of Maple, exchanged wedding vows in a single ring ceremony at the home of the bride's parents, 600 East 13th Street, Littlefield, Saturday evening.

Mr. McCormick, father of the bride, officiated at the service at 8 o'clock p. m. before a background of greenery. White tapers burned on the mantel and on the living-room table.

The bride wore a tailored two piece dress of natural salina, with white and black accessories. She carried a white Bible topped with variegated pink and white carnations.

Miss Joyce McCormick, cousin of the bride, presided at the piano and played the wedding music.

Miss McCormick wore a navy blue shantung dress with black accessories and a deep pink carnation corsage.

A reception was held following the ceremony.

The bride's table was laid with cru lace cloth, the centerpiece of which was a miniature lighted church, surrounded by pink carnations, from which were streamers of pink satin.

Miss Kathleen Squires, cousin of the bride, presided over the white two tiered wedding cake, which was topped by a miniature bride and groom, which she cut and served. Miss Sunny McCormick, sister of the bride, poured the punch at the other end of the table from a crystal punch bowl.

Mrs. Jack McCormick, mother of the bride, wore a beige shantung two piece dress and brown accessories, with a white carnation corsage.

Mrs. Wommack, mother of the groom, wore a copen blue dress, with white accessories, and a pink carnation corsage.

rate as compared to the present \$1 rate. It was reported that the school cannot operate without losing money on the present rate.

Superintendent T. A. Owens said his school will run out of funds "about the middle of July. Only the schools in oil districts where heavy valuation ups the amount of taxes paid can afford to operate on the \$1 rate," he said. He said he believed the Morton rate was the lowest on the Plains, exclusive of the oil district schools.

Owens said the board will probably set the date of the election at their next regular meeting, the second Monday in June.

The Jaycees have just received their charter as sponsors of Cub Pack 41. Skipper Smith, president of the Jaycees received the charter.

Bacon Jones, scoutmaster, presented Gold and Silver Arrows, Lion, Bear and Wolf Badges to the boys as advancement and achievement awards, at a picnic lunch on Bull Lake. The event was attended by the Cubs and their parents. The Jaycees provided soft drinks and ice cream for the occasion.

On June 13 the Cubs and Dads are going to Camp Post for a Cub-Dad Camp which will be on Saturday and Sunday. Swimming is scheduled for Saturday afternoon and a scouting program will take place Saturday night. The Cubs and Dads will attend Sunday School and plan to return to Littlefield Sunday afternoon. About thirty are expected to attend.

The Den Mothers will take a vacation this summer but the Dads have planned an active program for the Cubs all through the summer.

Jake McFarren left Tuesday for Stinnett and Tulsa, Oklahoma for the summer.

#### Miss Wanda McGill Wins Admiral Television Set

Miss Wanda McGill of 612 East Sixth Street was the lucky person to win the beautiful Admiral TV set given away by Larry's Department Store and Fabric Mart last Saturday evening, May 16. Miss McGill is an employee of the General Telephone Company here.

The prize was awarded at 7:30 o'clock.

Miss McGill was not present at the time, but was notified by Larry's Department Store.

The prize was announced in connection with the formal opening of this new store.

#### Commencement To Be Held At Muleshoe Friday, May 22

Myra Hogan and Billy Wayne Wagon have been named valedictorian and salutatorian, respectively, of the 1953 senior class at Muleshoe High School.

Miss Hogan, daughter of Mr. and Mrs. Ray Hogan, had a four-year average of 93.08. She was active in volleyball in her junior and senior years, a member of the annual staff both years, made "Who's Who" in her junior year for her excellence in math, commerce and Spanish, and was a member of the student council in her junior year.

Wagon, son of Mr. and Mrs. B. H. Wagon, maintained a four-year average of 92.

He was a member of his freshman football team and lettered on the varsity squad in his sophomore, junior and senior years; took track in his junior and senior years; was a member of the FFA all four years and of the Student Council three years. He won the junior class chemistry award last year and was outstanding in vocational agriculture.

Commencement exercises will be held at 8 p. m., Friday, May 22. Baccalaureate services are set for Sunday, May 17, also at 8 p. m. Both events will be in the high school auditorium.

Commencement exercises for the eighth grade will be held Thursday, May 21, at 8 p. m.

There are 66 members of the senior class this year according to the report of the high school principal, George Glover.

#### ATTEND DOG SHOW AT LUBBOCK

Mr. and Mrs. Chester Jones and Dayle attended the Dog Show at Lubbock, Sunday. They also visited the amusement center in the park.

Farmers of this area put their faith in the Bible's phrase, "Sow—and ye shall reap" as they participated in the second annual "Consecration of the Plow" program initiated at the First Baptist Church, Abernathy, Sunday.

The program involves tithing of certain acres of each farmer's land with the profit made of these acres donated to the church. Last year's bumper crop netted over \$50,000.

Two planter's boxes have been placed at the pulpit of the church, according to the Rev. C. A. Kennedy, pastor and director of the program. Members of the congregation placed their commitments in these boxes Sunday. Persons of all denominations from wide sections of the country who are interested in the movement attended the opening service.

The initial year of the program saw widely-heralded results. Numerous magazine and newspaper articles were written on the unique project. Articles and pictures were used in Progressive Farmer, The Baptist Standard, Texas Farm and Ranch, as well as in the British press.

The Rev. Kennedy has received communications from interested persons in every state of the United States, England, France, Morocco, Algeria, Italy and other foreign countries. He has made numerous speeches on the project in various sections of the country, and will address the Eighth Annual Southwestern Rural Church Conference.

Farmers who participated in the program last year amazed at their large yields and the good weather which helped produce these yields. They contribute this good fortune to a verse in I Corinthians which says "I have planted . . . but God gave the increase."

The "Consecration of the Plow" program in Abernathy began a southwide movement known as "God's Acres". National headquarters for this movement are in North Carolina.

The harvest service of the program will be held early in December after the crops are harvested. At this service the farmers will bring the tithes.

**Services Called Unique**  
The idea for this program was suggested to Rev. Kennedy by Dr. Louie D. Newton, pastor of the Druid Hill Baptist Church in Atlanta, Georgia. The Rev. Kennedy has described the program and its related services as being "quite unique."

Meanwhile area farmers will plant their crops with certain faith that they shall reap profits on their "acres for God". They look for inspiration to a Bible verse quoted by the Rev. Kennedy when the program was initiated. The verse, from Malachi 3:10, reads: "Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven and pour you out a blessing, that there shall not be room enough to receive it."

He's become so sharp at his job of meeting the trains and carrying the mail pouch to the postoffice nearby that he's picked up an apprentice. Pete, a smaller nondescript black and white dog, now meets each of three daily trains as an understudy.

Oscar is assistant to Willie Ray (Cap) Bowen, 56, who gets paid for meeting the mail trains. Bowen said he didn't train Oscar to do the work. The dog started as a volunteer and just became a regu-

Oscar grabs the pouch and lugs it—or if it's a heavy one he drags it—to the postoffice about 50 yards from the drop point. He'll only relinquish the mail to three certified friends—his boss, Bowen; Railway Agent Donald Atkins the owner of Pete, the apprentice, or Postmaster, A. T. Davidson.

# Bessie Love Acts, Recalls Old Films

BESSIE LOVE looks over a portrait of herself as she appeared when she starred in the silent movies under the direction of D. W. Griffith.

By MILTON MARMOR  
AP Newsfeatures

LONDON—The parts may be smaller and the audiences may have a different accent, but Bessie Love, the fragile beauty of American silent films, is still acting.

Now 53 and the mother of a 21-year-old dancer, Miss Love has appeared in British television, films and occasional stage plays in the West End and provincial theaters.

Miss Love, who used to play leading lady for Douglas Fairbanks, Sr., and many other famous stars of the silent movies, still performs film work but is intrigued by television.

"It's more frightening than the stage or movie", she said. "It's more like opening night every time."

**On London Stage**  
Just a few seasons back, she played opposite Paul Muni in the London production of "Death of a Salesman". Moe recently, the veteran actress made a movie,

"The Magic Box". Does she still look young and baby-faced?

The best answer to that is the fact that Miss Love is now rehearsing in a little theater production in which she plays the wife of a 17-year-old actor.

Interviewed in her London apartment, Miss Love recalled the past as she added coals to the open fire in her living room. She remembered 1915 when, as young and unknown Juanita Horton, she left Midland, Texas, and went to California to see D. W. Griffith.

**Sees Griffith**  
Stopped by Griffith's secretary she lied like a professional and said she had an appointment. It worked.

"Mr. Griffith was great and real and simple," Miss Love recalled. "He was so understanding when I told him I didn't know anything about the theatre. My mother had told me that I'd have to try the films because I didn't know anything about acting."

Griffith saw something in that

LAMB COUNTY LEADER, THURSDAY, MAY 21, 1953

face. Soon he had changed her name. Bessie Love was cast as the young Jewish bride in the great movie, "Intolerance".

She did many more silent movies and in the talkies enjoyed such successes as "Broadway Melody". Miss Love says she must have made hundreds of pictures; she can't remember them all. Once she worked on three pictures at once.

**Remains in England**  
In 1935, she visited England with her daughter, Patricia Hawkes. (Miss Love's former husband William Hawkes, brother of producing Howard Hawks.) The actress fell in love with England and has remained there ever since. Not long ago her daughter danced in the London production of "Call Me Madam".

Miss Love feels that acting and directing techniques have remained just about the same.

"All the directors have their pet cliches," she said. "D. W., for example, made his girls too coy." And with that, Bessie Love struck a familiar, ingenuous pose—familiar, that is, to us older bobby sox-ers.

## Want to make a quick getaway?

THE nearest we can come to word-picturing for you how it feels to drive a 1953 Buick with Twin-Turbine Dynaflo\* is this:

When you toe the gas treadle, you can get away like silken lightning in a silent hurry.

More specifically, you can sweep your speedometer needle from zero to a legal 30 mph in the time you normally take two breaths.

Equally important, you get this dazzling getaway with whisper quiet—and with one smooth, progressive build-up of velvety power.

The literal truth is—no other car in all the world can get away with the combined quickness, quiet and

utter smoothness of a 1953 Buick with TT Dynaflo.

It takes more than the advanced new engineering of this fully automatic transmission to produce such thrilling performance, of course.

It takes power, too.

And that's here in full measure—the highest horsepower and compression ratios, Series for Series, in Buick's fifty great years—with the world's most advanced V8 engine powering the SUPER and ROADMASTER.

There's a lot more you get in any 1953 Buick in generous and hard-to-match measure—room, comfort, ride

steadiness, visibility—and, above all, value.

But these are things you must discover for yourself—as you must the greatest Buick performance in history.

Why not drop in on us real soon? We'll be happy to put you at the wheel of a new Buick and let our points prove themselves.

## Rotary Hoe Popular With Cotton Producer

Texas cotton producers last year equipped almost four times as many tractors with rotary hoes as in 1949. The number jumped from 7,000 in 1949 to 26,000 in 1952. That word comes from Fred C. Elliott, cotton specialist for the Texas Agricultural Extension Service, and he says, the popularity of this equipment is due to its labor-saving value.

Reports from many of the 133 counties in which rotary hoes were used last year show that savings up to 60 percent were made on the chopping and hoeing bills. In some sections of the state, Elliott says, hoeing and chopping account for about one-fourth of all the man hours required to produce a cotton crop and any practice, he adds, which will reduce this heavy labor load will leave more money for the producer after harvest.

The rotary hoe is especially good, says Elliott, for controlling the early weed growth, but the equipment must be properly adjusted and the tractor operated at the right ground speed for best results. The tractor should be operated in third gear at speeds up to five or six miles an hour. An experienced operator, under favorable conditions, can do a good job at even faster speeds, says the specialist.

The picker wheels should be set so they will

break the surface crust to a depth of one-half to three-fourths of an inch. When properly adjusted, the picker wheels break up the surface crust and also tears up the soil so that seedling weeds and grass are exposed to the action of the sun and wind before they have a chance to come through the ground and before their root systems become established.

Don't make the mistake of reducing the ground speed of the tractor just because the stand of young cotton appears to be taking a beating. Elliott points out that tests made by the Texas Agricultural Experiment Station and demonstrations conducted by farmers show that damage does not occur if the rotary hoe is properly adjusted. For the cotton seed, he explains, was planted well below the regulated depth at which the picker wheels should be run and thus very little or no damage will occur.

Two other mechanical practices which have been successfully used in some parts of the state for cutting the hoeing and hopping bill are cross-cultivation and using a mechanical cotton chopper.

Local agents can supply additional information on labor saving practices which may be used to cut the cost of producing cotton, says Elliott.

## Insect Repellents

A good insect repellent preparation can pay dividends in outdoor comfort and safety in warm weather. N. M. Randolph, entomologist for the Texas Agricultural Extension Service says home gardeners and other outdoor workers, campers, picnickers or families sitting in the yard will find repellents helpful against mosquitoes, gnats, chiggers and ticks, for example. Pack a preparation with Junior's camping equipment or in the family car when starting on a vacation trip and keep one handy with gardening supplies.

The specialist says repellents should not be confused with insecticides. Repellents are applied to your skin or clothing to keep insects off but insecticides are used in the garden or elsewhere to kill insects. Repellent preparations, usually in liquid, lotion or cream form, are available at drug, hardware or grocery stores under different trade names. Among the most satisfactory chemicals as repellents are dimethyl crabate; dimethyl; ethylhexanediol and indalone. The container usually lists the names of the chemicals in the repellent preparation. Unlike some of the older repellents, these substances have little or no odor and give protection from insects for several hours.

Apply repellent for mosquitoes, flies and gnats directly to the skin. Rub uniformly on the exposed areas and renew after two or three hours. Be sure there are no skin abrasions and do not apply near the eyes or other places where the skin is tender. The entomologist cautions not to apply repellents too liberally to your forehead as they cause a temporary, but rather severe, stinging if they get into your eyes. Repellents are oily materials and will feel somewhat sticky on your skin for a few minutes after application.

For protection from chiggers and ticks, apply repellent to your clothing—but not your best clothes. The chemicals are likely to spot or stain clothing and many synthetic fibers. Plastics, paints, varnishes and fingernail polish can also be damaged by repellents. A few drops of repellent dabbed around the top of your shoes and on your socks will give considerable protection. Applying the repellent to all the openings of clothing—waistbands, cuffs, collars, is very effective. Cotton or wool clothing with no synthetic fibers blended in, can be sprayed or dipped in emulsions of the repellent, and will effectively prevent chigger attack between washings.

## REMEMBER

The following was news in the Lamb County Leader of June 28, 1954:

Edgar Cook, 27, suffered a dislocated shoulder Thursday morning when the horse he was riding ran into a corral fence and threw him over on that shoulder. Mr. Cook is employed by the Peyton Packing Company in this city. He was moving cattle between pens when the accident happened.

Cook was brought to the office of Dr. Little for treatment and is reported doing very well.

Federal appropriation of approximately \$48,000 to finance the building of a new water system for the city of Littlefield was made definitively Wednesday afternoon when Sen. Tom Connally wired L. R. Crockett, mayor, of the action of the Public Works Administration committee.

The wire stated that Littlefield's application for aid had been favorably considered and that the appropriation had already been made. City officials suggest it will be a matter of 60 days or more before the routine of transferring the appropriation can be made, and that by that time the people of Littlefield will be ready to accept the money and begin work.

E. K. Hufstader, agent for the G. M. C. truck, and Wayne Allsteel bodies, was in Littlefield the last part of this week seeing the trustees of the Littlefield schools in regards to the purchase of school trucks.

Mrs. T. D. Woody, Mrs. O. A. Woody, and Clinton Woody were guests of honor at a birthday dinner given Sunday by Mr. and Mrs. J. T. Woody of Fieldton.

Mrs. T. D. Woody was 83 years of age, Mrs. O. A. Woody, 28, and Clinton Woody, 15.

The table was decorated with three large white birthday cakes. A beautiful dinner of meats, vege-

tables, salads, cakes and pies were enjoyed by all.

Those attending were: O. A. Woody and family of Lubbock; Glen Woody and Miss Odell Hunter of Lubbock; Mr. and Mrs. H. L. Woody and family of Spade; Mr. and Mrs. O. B. Woody and family of Fieldton; and the honorees, Mrs. T. D. Woody of Paducah; Mrs. O. A. Woody of Lubbock; and Clinton Woody of Fieldton.

A marriage of interest announced recently is that of Miss Charlie Fay Owens and Dubs Granbury, both residents of Olton, which took place at Plainview, June 15.

The ceremony was performed by Rev. G. I. Brittain of that city.

The bride, who is the daughter of Mr. and Mrs. C. M. Owen of Olton, is one of the most popular of the younger set of that city, and has a large circle of friends. She has been deputy county clerk of Lamb County for the past three years. Mr. Granbury is the son of Mrs. L. E. Silcott. He is a former student of Texas Tech and is employed with the Olton State Bank.

Miss Lydia Crockett was honored at a breakfast given by Mrs. Ansel Stone in the home of her mother, Mrs. J. R. Wales, Tuesday at nine o'clock.

A golden glow color scheme was attractively carried out in the table setting and the menu.

After breakfast, the guest were taken on a shopping tour where the bride-to-be was permitted to select her own gifts for her kitchen.

The guests were Misses Nel Stogner, Pauline Courtney, Ellen Crockett, Gladys Wales, Marge Sanders, Dess Key, Lydia Crockett, Mesdames Densel Smith, William Rumback, Payne Wood, J. G. Little and hostess, Mrs. Ansel Stone.

Miss Wilma Botsford, daughter of Mr. and Mrs. E. M. Botsford,

## HEALTH TALKS

Prepared by the State Medical Association of Texas

"Lay that whiskey down babe" if you've got it in mind for snake bite. Whiskey speeds the flow of blood, increasing the spread of poison through the body, and depresses the part of the brain already slowed by the venom.

If there are only surface scratches and no swelling, discoloration, or general reaction, the snake probably was non-poisonous, and the bite should be treated like a scratch. But—if there are fang marks (puncture points), pain, swelling, and a purple color, or faintness or other general disturbance, call a doctor and give first aid as follows:

Sterilize a knife or razor blade. Apply a band just above the bite, apply alcohol to the region around it, and make a cross cut about one-fourth inch deep in the skin over each fang mark. Withdraw the venom with a suction cup, or with small glasses having a diameter of from 1 1/2 to 2 inches in the following manner: Moisten the bite area with water, cold cream, or petroleum jelly. Light a small scrap of paper, drop it into the bottom of a glass, and allow it to burn a moment, then dump the burning paper into a pan of water. Press the mouth of the glass over the bite area until the cooling air starts suction; leave it in place a few minutes, while preparing another glass to replace it. Continue suction until considerable fluid has been re-

Lawyers know that a witness does not always have a happy time. It may not always be convenient to leave his job or home and spend a day in court. But someday the shoe may be on the other foot. People who refuse to volunteer as witnesses for others are, in the last analysis, injuring themselves.

It is always easy to be an able and truthful witness. Your answers may be objected to at every turn by an opposing counsel—and properly so. There will be many questions that may confuse an unthinking witness. The law's insistence on compliance with the rules of evidence is necessary but often confusing to the uninitiated.

A properly prepared witness is better able to meet the impact of cross-examination. That is why able trial lawyers carefully instruct each witness on proper courtroom procedure. Here are eight golden rules to follow if you are ever summoned to court. They may make the difference between success or failure on the witness stand.

1. Never argue with the opposing counsel, or flare up in anger. You are helpless the moment you lose your self-control.
2. Talk slowly on the witness stand—regardless of your natural rate of speaking. A slow spoken, deliberate witness, who will not be stamped or diverted into side paths; is disconcerting to a rapid-fire cross-examiner.
3. Take pains to listen attentively to each question. Never guess at the meaning of a question. Do not be ashamed to state frankly, "I don't know."
4. Don't be long-winded. Give no information that is asked. Brief, to-the-point answers have their own rewards.
5. Stick to the facts. You're on safe ground so long as you tell only what you saw—not what you think happened or what you heard someone say took place.
6. Never hesitate to admit frankly that you don't remember certain physical facts such as measurements, distance or colors.
7. Never, never, memorize a story. First, it will sound too pat; second, the moment a slight dent is made, the whole structure collapses.
8. Don't be forced into a "yes" or "no" answer. If you can't honestly answer a question yes or no, say so and ask that it be reworded.

No court system can work without witnesses. Persons who object to testifying in court when they possess valuable evidence are simply weakening a system of justice designated to protect them as individual citizens.

(This column, based on Texas law, is written to inform—not advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts because the facts may change the application of the law.)

covered or until the doctor arrives.

Once rabies develops in man, it is fatal. Too many people still fail to realize the possible seriousness of dog bite, or the bites of other animals like cats, squirrels, and skunks. Because the animal may be rabid, it should be captured and penned up for a ten day observation period, if at all possible. The wound should be washed with soap and water to remove all saliva, and the doctor called immediately. He will decide what further steps should be taken.

Victims of the heat require quick treatment. With heat stroke (or sunstroke) the patient has a hot, dry skin; high fever; and a strong, rapid pulse. He may complain of headache. The patient with heat exhaustion has a moist cool skin; pale face; and a temperature more nearly normal. He may faint. The victim of heat cramps, in addition

to painful cramping of the abdomen or limbs, may have symptoms similar to heat exhaustion.

Treatment of heat conditions requires that the patient be removed to cooler surroundings and a doctor called immediately if the patient seems gravely ill. The heat stroke victim will need to be cooled off rapidly with cold packs, a cold bath, or wet sheets.

With a heart attack the patient may complain of pain, may seem faint, or may have a hard time breathing. Pain under the breastbone may extend into the neck, the back, or either or both arms, or it may be felt only in the abdomen. Pain as a symptom of heart disease is seen almost altogether in people older than 35 years of age; in those younger, it usually can be traced to something else.

If the patient with suspected heart trouble feels better with his

head propped up or him in that position, encourage to remain ever if he feels he probably isn't being attacked. Pain and fear may make the nervous and apprehensive should do what you him down. If he has an attack, give it to

A stroke is caused vessels in the brain. High blood pressure is present. The patient be unconscious and one side, with mouth side. One pupil may be the other. The patient be strong and slow, it may be difficult. He laid on his back with a little and keep warm be moved, great care taken to see that he himself.

## LET'S TALK LIVESTOCK

BY  
**TED GOULDY**

FORT WORTH—Biggest cattle run since last November rolled into Fort Worth, Monday, as 6,300 cattle and 1,100 calves were on hand. A big share of the run was grassy and plain quality stocker and low grade slaughter yearlings and heifers which sold unevenly lower.

High grade fed steers and yearlings and good and choice fat calves returned steady to weak prices. Cows were weak to 25 or 50 cents lower. Bulls sold steady.

W. O. Stevens, Parker County, had a load of 432 pound yearlings at \$20; Floyd Reeves, Johnson County, had some 750-pound heifers at \$22.50. Mrs. Gene Conway, Tarrant County, had some 513-pound heifers at \$22. G. H. Hall, Johnson County, had a load of \$18 yearlings that averaged 421 pounds. C. L. Newburn, Cherokee County, had 34 yearlings at \$432 pounds at \$13. F. W. Vogelsang, Milam County, had some steers that ranged from \$13 to \$17 and scaled 650 to 870 pounds.

Numerous loads of cows were in the run. G. R. White, Brady, sold 40 cows at 785 pounds at \$15.50 and ten head at 785 at \$13. Bird Moss, Greenwood, had some old cows at \$10 and \$12, with some \$300 pound calves at \$20. Jess Harcrow, Buffalo, had some 477-pound calves at \$20, and some 346 pound calves at \$17. H. L. Hardy, Throckmorton County, had some thin cows at \$0 and some 300 pound calves at \$20. Harold Campbell, Motley County, had a load of 937 pound cows at \$11.50, and a load at 821 pounds at \$10.50. Some small calves drew \$18 to \$20. W. J. Durham, Jack County, had a load of 886 pound cows at \$11.50.

Good and choice fed steers and yearlings drew \$18.00-\$22.50; common to medium kinds sold for \$10.00-\$17.50. Fat cows \$11.50-\$14.00, few higher, canners and cutters \$8.00-\$11.50, some shells lower. Bulls \$10.00-\$16.00, one bull at \$16 from Carl Anderson, McCulloch County, weighed 1,525 pounds.

Good and choice fat calves \$15.00-\$23.00; common and medium butchers \$12.00-\$17.50; culls \$8.00-\$11.00. Stocker calves \$21.00 down; stocker yearlings \$13.00-\$18.50; stocker cows \$10.00-\$15.50.

Twenty thousand sheep and lambs arrived, largest run since April, 1950. Some 56% of the 12 major market's supply was at Fort Worth today. Trade steady. Slaughter spring lambs, medium, good and choice grades \$20.00-\$26.00; clipped fat lambs \$19.00-\$22.50. Feeders \$19.00 down.

Hogs sold 50-75¢ higher topping at \$24.50-\$24.75, equaling year's down. Pigs \$21.00 down.

**OIL WOMAN OF THE YEAR**—Ernestine Adams, Dallas oil writer and editor of the trade publication, Petroleum Engineer, will be honored at Tulsa, Oklahoma, as the "Oil Woman of the Year" at the International Petroleum Exposition. The contest was sponsored by the women's oil organization, Desk & Derrick Clubs of North America. Miss Adams was the first woman editor of an oil journal. (AP Photo)

WACO, Texas.—They had a Chinese wedding — complete with fireworks instead of rice — on the staid campus of Baptist-operated Baylor University.

Miss Grace Wang, Baylor school nursing student, married Dr. Daniel Han, resident physician at a hospital here. The wedding climaxed a romance which began as childhood friendship in China.

Traditional Chinese wedding customs prevailed at the wedding. The principals wore Chinese clothing. Altar decorations were in red. Fireworks popped as the couple left the church.

## Thrifty Fun To Decorate Your 'Very Own' Apartment

**THE TWINKLE LITTLE**  
One-room drama on a budget to achieve if you do the work yourself. Illustrations: Rug of braided tape, coffee table and end tables, picture frames fastened to walls. Shutters were

brought indoors and repainted, surrounded by white brick wallpaper, an old jug was decorated with stencils and wired into a lamp. Cafe curtains are homemade of denim, studio lounge is a box spring plus legs fastened to corners. An old shuttle is wired with glass tube to

ing, and still give the appearance of a comfortable sitting room. You can sew and saw to furnish on a budget. Or you can buy the best furnishings available, and engage professional decorating advice. Either way the aim should be

to achieve charm, cosiness, comfort and compactness in your one-room abode. Before you select your home furnishings, ask yourself what is necessary to your scheme of living. Then plan those essentials first, building accessories around in a vibrant blue.

Plaid is a lovely bold accent for the room of a young girl or a patriotic Scatman. Your favorite or family tartan makes it more fun, and offers a good conversational piece. The sparkling jewel-like reds; greens, blues or yellows of the plaids may be used self of inexpensive corduroy or denim in conventional or tiered-styled cafe curtains. Large wooden or metal rings are a gay flip . . . Use shutters (brought at junk shops) painted and repaired to replace both blinds and draperies. If the window is in a small area, use wallpaper with a brick motif to give a delightful outdoor effect to this section of your room.

### News From the PMA Office

#### GROWER URGED TO SUPPLY WHEAT DATA

Wheat growers are urged today to come to the County Production and Marketing Administration office not later than May 22, 1953 to report their wheat acreage. Their help is urgently needed to bring farm-program records up to date, in preparation for possible acreage allotments and marketing quotas on the 1954 wheat crop.

This appeal follows a recent announcement by Secretary of Agriculture Ezra Taft Benson that the U. S. Department of Agriculture would immediately start the preliminary work necessary in case production and marketing controls are required for the next wheat crop. Certain information from farmers is absolutely necessary in order to do a sound administrative job of setting equitable acreage al-

lotments for individual farms. Farm allotments will be determined by the County PMA Committee, with the assistance of the community.

Data needed includes the farm's wheat acreage and production data for the 3 years 1951, 1952 and 1953; the legal description of the land, and other pertinent information. If the farmer operates a rented farm, he should be able to supply such additional information as the name and address of the owner.

The final decision has not been made as to whether acreage allotments or marketing quotas will be used for the 1954 crop of wheat. That decision will be made later, when more is known about the supply and prospective demand situation. However, the indicated wheat supply is such that production controls will probably be necessary, as directed by law. Proclamation of a national wheat acreage allotment is mandatory unless dispensed with by the secretary because of a national emergency or a material increase in exports. Proclamation of quotas is mandatory when supplies reach a certain

stocking seeding attachments to fit into ordinary planter boxes for planting cowpeas in grain sorghum. Cowpea varieties recommended for this purpose are Brabham, New Era, and Iron sowpeas. These seed can be purchased locally. Your local soil conservation board encourages this practice and point out that the cowpeas should be inoculated for planting.

Among the more recent bench leveling jobs completed by soil conservation district co-operators are J. B. Haire, C. D. Corley, A. C. Gettys, Wayne Carlisle, C. E. Jones, and Glenn Blackman. Land leveling jobs are to be started in the next few days on the farms of V. H. Jennings, Arthur Turner, J. J. Coker, and Lester Howard.

District supervisors urge those who have irrigated grass pastures which is not growing or is turning yellow to apply nitrogen at the rate of one to two hundred pounds of powdered ammonium nitrate or its equivalent. Alfalfa responds well to phosphate application. Two hundred pounds of 20% superphosphate should be sufficient, the district supervisor pointed out.

Cap Ogletree of Olton, has a beautiful field of hairy vetch growing in sorghum stubble which he planted for a winter cover last fall. This is a wonderful way to stop the dust from blowing. Mr. Ogletree suggests. He also has purchased Brabham Cowpeas to seed in his grain sorghum this spring. He is using Anhydrous ammonia fertilizer on his listed ground.

missionary messages.

The commencement exercises will be held in Plainview High School auditorium, beginning at 7:30 p. m., May 25, with a concert by the Wayland International A Cappella Choir, under the direction of Dr. Shelby Collier. The procession forms at 8 p. m.

Candidates for degrees from Texas Tech include George L. Brittain and Jane Jordan from Dimmitt, Betty Albright from Level-

land, Joe Serratt from Sudan, Moore from Muleshoe, and Estelle Dawson, and Christine Smith from Morton.

point specified in the legislation, except under emergency conditions.

An early start on the necessary advance work is particularly urgent, because the decision and proclamation must be made not later than July 1 for marketing quotas and July 15 for acreage allotments without quotas. If quotas are proclaimed, a national referendum among growers must be held by July 25.

Farmers seeding any wheat acreage during 1951, 1952 or 1953 are urged to come by the P. M. A. office at their earliest convenience and in no case later than May 22, 1953 to report their wheat acreage so that their records may be brought up to date.

Coach Jay Fikes will remain in Littlefield for the summer vacation this year. He completed his work for his masters degree last summer.

#### Soil Conservation Notes

In a 5 year relation of irrigated pasture, alfalfa, and cotton; Walter Gray of Littlefield produced one and two-thirds bales of cotton per acre last year.

Charlie Thomas recently cut 39 bales of hay from 3 acres of volunteer hairy vetch after grazing the vetch patch all spring. Mr. Thomas expects to get two more cuttings of hay before allowing it to seed. Vetch is an annual crop and a soil builder.

Raymond Cooper of Olton turned under a nice crop of Madrid Sweet Clover and hairy vetch last week in preparation for cotton planting.

**Premier Concert At Levelland**

The 54-piece South Plains Symphonette, under the direction of Dr. Victor King, gave its premier concert in Levelland high school auditorium Tuesday, May 12 with mezzo-soprano Ellen Jane Poch of Atlantic, low as soloist.

The recently organized symphonette, a new roadmark in area cultural development, featured musicians from at least four area towns as concert sponsors brought together top South Plains musical talent and residents likely to appreciate it most.

This concert was the first in a series expected to cover such towns as Levelland, Littlefield and Morton, as next year's concert season gets underway.

Dr. King, who calls the premier performance a "trial" concert, designed to show what can be done locally toward the production of fine music, looks forward to a long relationship with South Plains music lovers.

# News From Earth And Springlake Area

## SPRINGLAKE SCHOOL EXERCISES

Commencement exercise for the graduating class of Springlake school were held Friday at 8 p. m. in the school auditorium for twenty students.

Dr. A. Knott of Canyon delivered the address. Dr. Knott is head of the English department at W. T. S. C.

Bennie Sue Welch, with a four year average of 92.6 gave the valedictorian address. She is the daughter of Mr. and Mrs. Melton (Pody) Welch. The salutatory address was

given by Glenna Fern Rutherford, daughter of Mr. and Mrs. Wayne Rutherford. Glenna had an average of 90.8.

Sue Bozeman is third this year with 88.4. Sue is a daughter of Mr. and Mrs. Frank Bozeman of Springlake.

Jacquelin Laing presented a poem and the class sang "The Halls of Springlake."

Mrs. Lou Wilson played the professional and recessional.

The class left via chartered bus immediately following the exercises. Their destination is New Orleans, La., however, they were to spend Saturday night in Dallas. After sightseeing in New Orleans for three days they planned to stop enroute home, for two nights in Galveston and two nights in San Antonio.

The graduates were accompanied by Mr. and Mrs. Bill Thorne, Mr. and Mrs. Jonny Cardinal and Mr. and Mrs. M. G. Keller.

All members of the class are making the tour except Bennie Sue Welch who is a busy student at Texas Tech. Bennie finished high school at mid-term.

## Business Men's Club Elect Officers

At a semi-annual election of officer recently, the Business Men's club named John Adrian to the presidency, chose Paul Wood vice-president and Bill Pope, secretary. Retiring officers were Roy Neal, president and Roger Haberer, secretary.

Since the club's organization on May 21, 1952, its major accomplished projects have been street paving, procuring a local doctor, a tourist court and a jail. Projects in process of development are widening and draining highway 70, traffic and parking problems, more adequate housing, renaming of streets, and installation of street markers.

The club is also taking coordinated action with other interested towns to prevent the discontinuance of the Lamesa-Hereford bus line.

At Friday's meeting the club officially designated five holiday closing days for Earth merchants as follows: July 4th, Memorial Day, Thanksgiving, Christmas and New Years.

## WESTERN PARTY AT RANCH HOME

The 'ole' Chester ranch house was the scene of a western party May 8th honoring Judith Anne Chester on her 11th birthday. Western games such as "Goin' out West," "Planning the Spur on the Boot" and "Boot Scramble" were played after a chuck wagon supper was served.

Those "pardners" attending were: Judy Ann Bartlett, Mike Stockard, Ronnie Haberer, Doris Barlow, Tom Messer, Barbara Allen, Thurman Layman, Judy Kay Wood, Kay Jones, Karen Gray and Jan Chester.

On Thursday, May 7 Judith was hostess to a sand hill party. Those attending were Hal Hudson, Johnnie Anderson, Judy Ann Bartlett, Jan Chester and the hostess.

## AT FORT HOOD

Pvt. W. J. England, Box 656, Earth, Texas, has arrived at Fort Hood, Texas, where he will be assigned to Combat Command "B" of the famed First Armored Division for basic training.

Pvt. W. J. England is the son of W. R. England, of Earth. He attended Horace Mann school and was active in YMCA baseball.

Famed as a combat division in World War II, the First Armored Division was reactivated in 1951 under Major General Bruce Clark and is at present undergoing combat training at Fort Hood, Texas.

## Annual Daily Vacation Bible School

The annual Daily Vacation Bible school sponsored by the Earth Baptist church opened Monday, May 18 at 2:30 p. m., continuing through Friday, May 29. The time this year is changed from the morning to the afternoon, 2:30 to 5:30 p. m. Parents and children will please note this change.

The pastor, Bruce Giles, is acting as principal. Mrs. Travis Scott, superintendent of intermediates; Mrs. R. S. Cole, superintendent of juniors; Mrs. Earl Parish, superintendent of primaries; Mrs. D. R. McCarty, superintendent of beginners; and Mrs. Pat McCord, superintendent of the nursery.

These superintendents are being assisted by several capable teachers and assistants. Travis Scott will supervise boys hand work. Mrs. Marvin Sanders will be in charge of the girls hand work. Mrs. A. M. Sanders and Mrs. H. B. Weaver will prepare refreshments for the school.

## Red Cross Bloodmobile to Visit Morton

Dr. Norman A. Monk announced this week the Red Cross Bloodmobile unit will be in Morton, June 5 for its second appearance in Cochran County.

The appearance last fall netted more than the quota of 150 pints of blood and Monk expressed hope that 200 pints can be obtained in the first of two scheduled appearances in 1953.

Mrs. Albert Morrow, in charge of recruitment of women, has already appointed her co-workers and called a county-wide meeting for Monday night at her home in Morton. Dr. Monk will explain the blood donor drive.

M. C. Ledbetter, Cochran County attorney is county Red Cross chairman.

## PARIS LACKS FIRE INSURANCE

PARIS (AP)—When it comes to fires, Parisians prefer to take their chances.

Insurance companies announced that from 1940 through 1952, the number of fires in Paris doubled, advancing from 2,617 per year to 4,509. The companies added that 25 per cent fewer Parisians have fire insurance than in 1914.

**COLORED MOVIES SHOWN**  
Two color movies depicting the history of America from the pioneer days to the present were shown by Sudan Rotarians at their last weekly meeting in the Methodist Church annex, E. J. Stone, program chairman for the meeting showed the pictures. The pictures, "America, The Beautiful" and "Power Behind the Nation" were in the interest of the sale of war bonds. Guests at the meeting included C. O. Head of Las Cruces, N. M., and Sid Haley, Lubbock.

## Francis Stambaugh And Kelton Doty Married Friday

Miss Frances Stambaugh of Lubbock and Kelton Doty of Sudan were married Friday, May 1 at 11 a. m. in the Methodist parsonage in Plainview. Rev. R. H. Campbell read the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Stambaugh of Plainview. Mr. and Mrs. Homer Doty of Sudan are the parents of the bridegroom.

Miss Juanita Stambaugh was her sister's maid of honor. Douglas of Lubbock served as best man. The bride wore a light blue wool suit and white hat. Her accessories were white. She carried a white Bible and her corsage was of white carnations.

The couple left immediately for a trip to Carlsbad, New Mexico. They are at home at 2417 Avenue L, Lubbock.

The bride is a graduate of the Plainview High School. Kelton graduated from Sudan High in 1947. He is a radio operator for the police station in Lubbock.

## Ladies Night To Be Observed By Sudan And Local Lions Club Tuesday, June 2

Charter night for the new Sudan Lions club has been set for Tuesday, June 2. Ladies' Night will be observed with members of the Littlefield and Sudan clubs holding a joint meeting at Sudan.

A dinner will be served. The new Sudan club, composed of 19 charter members, is sponsored by the Littlefield group. Members of the Littlefield club and their wives will attend. According to Jim Mangum, publicity director of the local club, the Littlefield club will try to have 100 per cent attendance at Sudan.

## APPROVE \$20,000 PAVING BOND

Sudan taxpayers voted overwhelmingly recently, their approval of a \$20,000 bond issue for the purpose of providing the city's one-third cost of paving some 30 blocks in the Ormand and Markham additions. The vote was 48 in favor of the issue and 17 negative votes.

Mayor Harold Close said engineers were now surveying and making preliminary estimates of the costs and as soon as this work is completed and as soon as bids are received the contract for improvements will be let with construction of the project expected to get under way immediately.

**PTA Gets Stung by a "Bee"**

The local PTA is feeling sheepish today. Seems they complained the youngsters weren't learning enough. Said they couldn't even spell. So the kids challenged them to a spelling bee.

"I was captain of the PTA's," "Doc" Brown told me. "Both teams made the first round just fine. But on the second round Speedy Taylor went down on 'efficiency.' Then his boy Chip, who happened to be next on the school team, rattled it right off. From then on it was murder!"

So now "Doc" says that the whole PTA is thinking of signing up for night school!

From where I sit, it always pays to look and think before you leap to conclusions. Take those folks who would deny me a temperate glass of beer without a moment's thought. They wouldn't want me to interfere with their personal preferences for, say, buttermilk. It's a good idea to think twice before you "spell out" rules for your neighbor.

## Many Nationally Advertised Lines Carried In Ware's Ready-to-Wear

Mrs. E. J. Newgent, who has been with Ware organization since 1937, is a very capable employee and carries out her duties very efficiently in her Ready-to-Wear department. Besides her duties at the store she makes trips regularly to the markets and buys for her department.

She will leave Sunday for the markets at Dallas and Fort Worth, and will be gone a week.

In an interview with a Leader representative Monday, she explained the many national lines of dresses Ware's carry in the Ready-to-Wear department. Included in these nationally advertised lines are: Georgia Bullock originals, Mme. Renaud Frocks, Moton Greg-

man originals, Grace Da Pozzo Wm. Miller, Anne Fogarty, Madeline Fauth, Rappi, Jelly Don, Thelma Gay, Tabak, Nat Turoff, Gay's Originals, Lordleigh, Vera Tag, Chri Lynn, Shirley Lee, and Betty Barclay.

Some of the new materials featured in these dresses are: Thomas Cottons, Imported Shantung, Nylons, Orions, Frecasas Everglazed Cottons, Sandeze, Chifon Volles, Imported Laces, Pima Broadcloth, and Moygashel Shantel Irish Linens.

Mrs. Newgent has in her department a very large stock of dresses in all sizes.

When Mrs. Newgent was asked her hobby she said, "keeping grandchildren."

## Bob Armstrong Associated With Ware's Since 1929; Active In Civic Matters

Bob Armstrong of the Men's Ready-to-Wear of Ware's, has been associated with this concern since 1929, with the exception of the time served in the armed forces. He entered the Air Force in January, 1942, serving in the south-

west Pacific and China, Burma, India, until his discharge in 1945.

Mr. Armstrong is a member of the Baptist Church and a Rotarian. He is very active in all civic activities for the betterment of the city and county in which he lives.

## Jess Baber's Association With J. H. Ware Dates Back To 1927 At Hollis, Oklahoma

Jess Baber's association with J. H. Ware, dates back to 1927, when he worked with Mr. Ware in 1927 at Hollis, Oklahoma. He came to Littlefield in 1937, and returned to Hollis in 1939, and again moved back to Littlefield in 1943, and he has been connected with the Ware organization since.

Mr. Baber's hobby is golf. He is very active in masonic work, and completed his shrine work last fall in Lubbock.

## MRS. M. P. REID IN HOSPITAL

Mrs. M. P. Reid was admitted to the Littlefield hospital Thursday last week a very sick woman, but is since reported as some better.

Members of her family from out of town who visited her at the hospital are: Mr. and Mrs. Bill Reid of Borger, Mr. and Mrs. Howard Reindorf Lubbock; Mr. and Mrs. B. G. Chancey of Dallas; three sisters, Mrs. W. A. Hancock, Mrs. J. D. Gentry and Mrs. Rex Megrall, all of Grand Prairie; Mr. Reid's brothers, Joe and Jim Reid of Canadian and a niece, Mrs. James Littlejohn of Fort Worth.

## Diplomas Given 41 Seniors At Morton

Forty-one Morton High School seniors received their diplomas at commencement exercises at the First Baptist Church in Morton at 8 p. m. Friday.

Dr. Travis White, pastor of the First Christian Church of Lubbock, delivered the graduation address after Nancy Blackley had given the salutatory and Jean Henry had offered the valedictory speeches.

Wendell Watson, High School principal, and James St. Clair, president of the school board, presented the diplomas.

Also on the program was the presentation of honors in various fields of scholastics and athletics. That portion of the program was originally scheduled for Tuesday night but had to be postponed.

Miss Henry, valedictorian, posted a 94 average in her four years of school work. The salutatory had an 89.6 average.

## Lubbock, Portales Women Injured Near Here Sunday

Two women were injured about 4 p. m. Sunday when their 1953 Chevrolet went out of control and overturned 12 miles west of here in State Highway 54.

The victims, Miss Billy Jean Helfey, 23, 2211 Main Street, Lubbock, and Miss Joyce Holt, 26, of Portales, New Mexico, were taken to Lubbock in a Hammons Funeral Home ambulance. Both were reported in good condition by attendants at Lubbock Memorial Hospital.

Miss Helfey, driver of the car, received several fractured ribs and bruises. Miss Holt suffered a fractured left arm.

Sheriff's Deputy Dewey Dennis, the investigating officers, said the car apparently went out of control as it started to pass another car and truck and struck a soft shoulder. It flipped end over end, coming to rest on its right side. No charges were filed.

## BLUE DEVIL GREAT

DURHAM, N. C. (AP)—One of the greatest baseball stars ever to play at Duke University was R. M. Gantt, now an attorney in this city. Playing in the first decade of this century, Gantt hurled 14 shutouts, including three no-hit, no-run games.

## Ware's To —

(Continued From Page 1) ing the remodeling of the Ware building, and the removal to the new building.

A very special feature of Ware's grand opening will be free gifts. These include a man's summer Curlee suit, a Ladies' Summer Suit, a boy's pair of Acme cowboy boots, and a girl's Pree Tean or Shirley Lee dress.

It will not be necessary to buy

anything. Just register and that is all. The prizes will be awarded Saturday afternoon at 4 o'clock p. m. in the store. Boys and girls from 8 years to 16 years as well as adults may register.

There will be flowers for the ladies as favors Friday, opening day, and balloons for the kiddies.

For their grand opening and for Friday and Saturday only, Ware's are offering specials throughout the store in their regular lines of quality merchandise.

Associated with Ware's are: Bob Armstrong, G. M. (Gus) Shaw, Forrest Abernathy, Mrs. E. J. Newgent, Jess Baber, Miss Gini Cook, Mrs. Lola Kirk, Mrs. Jess Roundtree, Miss Bobbie Yeary, Miss Sydney Grimes, Kenneth Ware, at present with the U. S. Navy, and the colored porter, Harrison Ballard.

Worthy of comment is the fact that a number of those connected with the Ware organization have been with the concern for many years.

Jess Baber was associated with Mr. Ware in Oklahoma back in 1927 previous to Mr. Ware coming to Littlefield, and came to Littlefield and started working for Ware's soon after the original store was opened.

Bob Armstrong has been connected with Ware's since 1929; Mr. Shaw since 1936; Mrs. Newgent since 1937; Miss Cook for the past four years; Mrs. Lola Kirk, 1 year; Mrs. Jess Roundtree 1½ years; Miss Sydney Grimes for the past two years; Mr. Abernathy since January of this year and Miss Yeary since last March, and Ballard has been employed by Ware's off and on for the past ten years.

Mr. and Mrs. Ware have two sons, James, who is in charge of Ware's store in Kerrville, where the family have been making their home for several years, and Kenneth, who is now serving with the U. S. Navy, and who has been associated with his father in the business at Littlefield, since he was graduated from Texas Tech College, Lubbock. He has been in the service two years.

In the new store additional stocks have been added to each department; and with the additional floor space and additional fixtures, a much larger stock of merchandise is being carried at the newer and larger Ware's.

A special feature of the new store is the addition of an infant's department, where everything for the infant is being carried. This department will prove a great delight to the mothers who find it hard to find just the things they

like their babies to wear. They are invited to visit this new department at Ware's.

A gift department has also been added to Ware's in their new building. Here you will find gifts to fit any occasion, from the most modest item to the more elaborate and beautifully gift wrapped if you wish at no extra cost.

## Premier Concert —

(Continued from Page 1) sation, was organized on a broader scale so that it might draw musicians as well as supporters from a wide area.

Among the selections presented by Miss Ellen Jane Poch, a youthful vocalist, who is rapidly gaining recognition for outstanding ability, are Ouvre Ton Couer from Carmen, a musical comedy medley by Kern and Herbert, Clavallitos by Joaquin Valverde and Ave Marie by Schubert. Included in orchestra selections were Overture to "Iphigenia in Aulis" by C. W. von Gluck, Hungarian Dances Nos. 5 and 6, Johannes Brahms, My Old Kentucky Home, Foster; Symphony in F Major, Carl Ditters von Dittersdorf; Overture to the ballet, Don Juan and selection from The Student Prince, Sigmund Romberg.

Dr. King brings a wide musical background to the symphonette podium. He has received a Ph. D. in Musicology from the National Conservatory of Music in Prague, Czech, served as musical director for Muzak, musical director of Metro-Goldwyn-Mayer recording division and staff conductor for the American Broadcasting company in New York City.

Musicians who are playing in the orchestra include:

First violins: Russell Cothran, concert master, Mrs. Joe Tunnell, Randall Raley, Mitchell Zablotzky, Jack Hall, David Benningfield, Buchanan.

Second violins: Ralph Benningfield, principal, Mrs. Norman Renfro, Miss Kay Russell, Leighton Rallsback, Billie Z. Robnett and Mary Lois Hensen.

**M. C. Northam To Play In Big Company  
At East, West Greenbelt Bowl Game**

M. C. Northam, outstanding Littlefield Wildcat football player, has received his second all-star bowl bid, and will play in the East, West Fourth Annual Greenbelt Bowl game at Childress, Texas, on August 14.

Northam had previously been invited to play in the All-Star High School game at Houston on August 7.

An elaborate array of all district, all regional, all state, all American and all round athletes have been lined up for the Greenbelt Bowl game, including stars from almost every portion of the state of Texas and three from Oklahoma.

Heading the teams are coaches including four outstanding former players and successful mentors in southwest colleges.

For the West . . . the team which Northam will play . . . it's Sammy Baugh, one of the greatest names in football, and Larry Cunningham, another all time football great. Both are Associate Coaches at Hardin-Simmons University.

Coaching the East Squad are

Abe Martin, head mentor at T. C. U. and Wade Walker, Texas Tech coach.

The west side team will boast of a line that will average 196½ pounds, while the backfire will tip the scales at 174½ pounds per man.

Northam has starred at fullback and tailback position for the Wildcats for the past three years, and the 130 pound senior has won all district, all regional and honorable mention on all state teams. Also from this area are Jackie Gothard, end, and Jackie Sparkes, fullback of Seminole with two players from the Lubbock State Champion team.

**TAX ON SERVICES RENDERED**

PHOENIX, Ariz. (AP)—The Arizona supreme court has been asked to keep the state tax commission from collecting a recently proposed tax on personal services under which doctors, dentists and beauticians would be required to pay a 2 per cent tax on receipts from their patients and customers.

**Billy Wayne Sisson  
To Receive Degree**

Billy Wayne Sisson of Littlefield will be one of 72 McMurry College seniors to receive his degree, May 26, at commencement exercises. Baccalaureate is set for May 24.

Sisson, the son of Mr. and Mrs. H. C. Sisson, majored in physical education.

While at McMurry he was a member of PEMM, IHR, FTA, football and basketball teams.

He served the office of president of junior class and president of PEMM. He was also Big Chief of IHR and was elected senior class favorite.

Six South Plains high school grid stars have accepted athletic scholarships from Texas Tech, according to Coach DeWitt Weaver.

"We are very proud of these men and of several others whom we plan to announce soon," Coach Weaver said. "I have always had a high opinion of the quality of football played in West Texas. A few more like these and we'll have the kind of team West Texas deserves."

Included in the group are; Back, M. C. Northam of Littlefield; Guard, Floyd Hood of Wellington, End, Jerry Bailey of Brownfield, Tackle, Jerry Turner of Cohahoma, and Backs, Buddy Selvidge of Happy, and Pete Blassingame of Petersburg.

**Bleachers To Be  
Erected At The  
Fairgrounds Park**

Bill Holder announced that there will be an organizational meeting of the Jaycee Softball League at 7:30 Tuesday night, May 26 at Fisher's dining room.

The softball season will start Monday, June 1. Plans for the coming season will be made at the scheduled meeting.

The Jaycees are very enthusiastic about the 1953 Softball League. They are erecting bleachers at the fair grounds park to take care of large attendance. There will be no admission charge.

All managers and players of the Jaycee Softball League are urged to attend this meeting on May 26.

Flying Jack Daugherty, Olton, Texas, high school senior, holds the trophy he won in the Amarillo Sandies Relays in Amarillo in April. At that time Daugherty was chosen as the outstanding performer in the Sandies meet. Later, on May 7th and 8th, Daugherty competed in the Texas State track meet at Austin and set a new national mark in the 220 with a 20.5 showing. He also ran the 100 in 9.7. Olton is a Class B conference school, but the marks that the schoolboy jackrabbit made beat university records. (A P Photo)

*By Mary Lee Taylor*

**Chocolate Cream Pie**

*Broadcast: April 28, 1953*

1 package chocolate pudding powder  
2 eggs, separated  
1 cup sugar  
1/2 cup milk  
1/4 cup water  
8-inch baked pastry shell  
1/4 cup milk  
1/4 cup sugar

Put pudding powder into a saucepan. Mix in slowly a mixture of slightly beaten egg yolks, milk and water. Heat quickly to steaming hot while stirring. Cook and stir once more until thick. Cook and stir 3 minutes longer. Cover and cool thoroughly. Put into a cold baked 8-inch pastry shell made with pie crust mix. Beat egg whites until stiff. Beat in sugar gradually. Put on filling, spreading to the edge of crust to seal in the filling. Bake in slow oven (325) about 15 minutes, or until light brown. Cool thoroughly before cutting with a wet knife.
