TRADES DAY IS GREAT SUCCESS

ANNING NOW NEXT MONTH'S TRADES DAY

Committee of Merchants Will Meet; Interest Running High

Littlefield's first monthly Trades Day of the present year, which was held last Monday, has been a success, and plans are under way for the next event of the kind. A number of suggestions have been made for the conducting of the Trades Day, in fact, interest is running high. All suggestions will be referred to a special committee of merchants and will be given thorough consideration. Trades Days are held in the interests of Littlefield and Lamb county, and those who are fostering the monthly event are very much pleased at the excellent co-operation being extended.

Excellent Co-Operation. One of the very pleasant features of Monday's Trades Day was the excellent co-operation extended by merchants and others in the carrying out of the events of the day.

The Lamb County Leader, in the co-operation of the merchants of the city, sponsored last Monday's Trades Day, everybody seemed to feel that it was their Trades Day and that they wanted to help in every way to make it a success. So many things that it was impossible to keep track of all the willing workers.

Mention should be made of the assistance of W. J. Marshall, manager of the Palace theatre; Marshal W. P. McDaniel; H. Hale, secretary of the Chamber of Commerce; the Littlefield Band, and Monte Bowron is the director of the band.

Chas. served as chief singer; Mr. McDaniel handled traffic in a very efficient manner; Mr. Marshall in a variety of ways, the Littlefield Band rendered a number of concerts.

Co-Operation From Merchants. One of the big contributing factors to the success of last Monday's Trades Day was the excellent co-operation extended by the merchants. They were exceedingly liberal in the amount of prizes for the treasure hunt, and in the giving of prizes for the various races and stunts.

Littlefield County Leader last week published a complete list of the merchandise that gave prizes for the treasure hunt, and this week is publishing a list of those who gave prizes for the various races and stunts. The prizes were given by the following persons:

Dr. and Mrs. J. R. Coen and son, Bobby, left Monday afternoon for a week's vacation in Central Texas. Dr. Coen will attend the Medical Association Convention in Waco, while Mrs. Coen and young son will visit her sister in Dallas, and other relatives and friends.

LITTLEFIELD GOLFERS LOSE SECOND MATCH IN SOUTH PLAINS LEAGUE TO LUBBOCK COUNTRY CLUB GOLF TEAM

The Lubbock Country club handed the Littlefield Golf club their second defeat in the South Plains golf league Sunday afternoon by winning over the locals 18 to 2 on the Littlefield course.

Littlefield received their initial defeat from Slaton Sunday, April 24. Joe Dick Slaughter shot a 71, one under par, to cop three points from Badger, No. 1 man of the Littlefield club, and to win the lowest medal score of the bout.

Medal scores are not counted in the victory, match play deciding the winners in the league.

Dick Johnson was the only victorious member of the Littlefield club in the Sunday match. Johnson shot an 83 for 2 points, against Bacon's 85. Adams, of the local club, tied with Smith in a no-point match. Lubbock won the remaining five matches.

Slaton Leading. Slaton took the lead in the league Sunday afternoon by defeating the Lubbock Meadowbrook club. Post retains a perfect standing after defeating the Lubbock Country club and drawing a bye last Sunday due to Tahoka's withdrawing from the league.

Next Sunday's schedule gives a bye to Littlefield, finds Slaton at Lubbock Country club and the Meadowbrook team at Post.

E. C. Paxton Leases R. W. Blair Grain Company Property

E. C. Paxton, who has been a resident of Littlefield for several years, and who has been actively connected with the grain business for 35 years, has leased the R. W. Blair Grain Co. property and has taken charge.

The property has been operated by the Doggett Grain Co., with C. W. Boothe as manager. Mr. Boothe has returned to Floydada, where he has taken charge of his own elevator and is getting the property ready for the wheat season.

Mr. Paxton formerly was manager of the Blair Grain Co. property in this city and in leasing the property he is returning to his old location.

Mr. Paxton is considered one of the best judges of grain in Texas. He came to Littlefield from Waxahachie, where at one time he was engaged extensively in the flour milling business.

Dr. and Mrs. J. R. Coen and son, Bobby, left Monday afternoon for a week's vacation in Central Texas. Dr. Coen will attend the Medical Association Convention in Waco, while Mrs. Coen and young son will visit her sister in Dallas, and other relatives and friends.

Perfect Attendance At Rotary Luncheons

Littlefield Rotarians are proud of the attendance record for the April luncheons.

There was a 100 per cent attendance of members at all four luncheons in April. This perfect attendance record entitles the local club to special official recognition.

R. T. Badger, president of the Littlefield club, complimented the membership very highly on the excellent attendance record.

The program at last Thursday's luncheon was in charge of T. Wade Potter.

Vocal solos were rendered by "Red" Norman, with Emil Timian at the piano.

F. L. GREEN SEEKS PUBLIC WEIGHER OFFICE, PREC'T 3

HAS LIVED IN LAMB COUNTY SEVEN YEARS

F. L. Green, who for the past seven years has been a resident of Lamb county, this week requested the Leader to place his announcement for the office of Public Weigher, Precinct No. 3.

Mr. Green moved to Lamb county in 1925 from Freestone county. For the first five years in this county he resided near Fieldton and since that time has lived in the Spade community.

Mr. Green has spent all his life on the farm and has held no public office other than school trustee. He served in this capacity in Karnes and Freestone counties for fourteen years.

Mr. Green's statement follows: "In making my announcement for

LOCAL MUSICAL ORGANIZATION IS POPULAR

Receiving Compliments On Technique and Finish; Monte Bowron Director

The Littlefield Band, of which Monte Bowron is the director, is rapidly shaping into a very fine musical organization, and definite steps are being taken to send the band to the West Texas Chamber of Commerce convention, which will be held in Sweetwater May 12, 13 and 14.

The local band is a young organization, but is rapidly showing the results of efficient direction.

Many cities will have their bands at the W. T. C. C. meeting, and if the Littlefield Band is sent to the convention this city will receive some very valuable advertising.

The Littlefield Band provided the music for Trades Day, which was held Monday of this week, and the director and members of the organization received many compliments on their technique and finish. Every time the band plays a great improvement is noted.

Too much praise cannot be given the band for the enthusiastic willingness demonstrated to assist in all efforts for the progress of Littlefield.

Let's send the Littlefield Band to the W. T. C. C. meeting; it will encourage the director and the members of the organization.

the office of Public Weigher, Precinct No. 3, I can assure the voters of my ability to serve them in this capacity. I have no list of promises to make other than giving them fair, efficient and honest service to all. And on these promises I earnestly solicit your vote, assuring you my appreciation for your consideration and support."

PRESERVING OUR HISTORY

There is a great similarity between a young country and youth. A young country is prone to consider that there is yet much time for carrying out many projects that really should have immediate attention.

Youth looks out upon life with the thought that there is no hurry; that there is plenty of time for those things which should be accomplished.

In too few cases youth awakens to the seriousness of life and avoids the pitfalls of procrastination.

We heard a minister say recently that it is not necessary that youth sow wild oats. Never were more true words spoken. (The reference to youth in connection with the sowing of wild oats is not relative to the subject of this editorial; we referred to it because we were impressed with the statement).

What is true of youth is also true of a young country; procrastination is the thief of opportunity.

Of paramount importance for a young country is the preserving of its history in all its forms. That is something to which the Plains country should give greater attention. All money spent in the preserving of old, historic records and structures, and in doing all other work in handing down to succeeding generations the record of the past, is an investment that pays dividends in innumerable ways.

Think! What can we do in preserving the history of the Plains? We have just received an appeal for funds from the Panhandle-Plains Historical society, and in behalf of the cause for which money is sought and in the interests of preserving the history of the Panhandle-Plains, we are reprinting the message:

"TO THE PEOPLE OF NORTHWEST TEXAS:
"We, the undersigned members of the board of directors of the Panhandle-Plains Historical society, desire to call your attention to what we believe is one of the most important projects ever undertaken in this part of the state. It should appeal to every old-timer because it proposes to erect a monument to him and to the best qualities of character for which he stood. Moreover, it seeks to preserve and hand on down to succeeding generations the traditions, the ideals, and the fast disappearing evidences of pioneer life in this territory—a life that is replete with courage, honesty, sacrifice, loyalty, and such other noble qualities as have entered into all great civilizations. It should appeal to all who are enjoying the fruits of the labors of those who blazed the trail for present day opportunities and blessings. If we of today are an ungrateful people we are unworthy of our heritage. Gratitude is one of the noblest of virtues—ingratitude one of the basest of vices.

"The forty-first Legislature appropriated \$25,000 to be used in the erection of a Museum building at Canyon on the condition that an equal sum would be raised by private subscription. About \$19,000 has been raised. We are now inaugurating a finish campaign for the remainder. It must be in our hands by July 1, so that plans can be drawn and contracts let before September 1. Three or four counties have done nobly. A few individuals all over our territory have given sacrificially. Many who should give liberally have done nothing. We appeal to every patriotic citizen in the Panhandle to join us in this great enterprise for its blessings will flow down the years. We already have on hand in the college at Canyon one of the most valuable collections in the Southwest and hundreds of people from all over the nation are visiting it monthly—school children, old timers, college students, research workers, scientists—all enthusiastic about it and its possibilities. Much more material is awaiting in hazardous places the erection of a fire-proof building.

"Professor L. F. Sheffy of Canyon is our authorized agent and to him all subscriptions should be sent. He will receipt and deposit in bonded depositories, so that there is no danger of loss of funds. Don't wait to be called upon. The campaign must be hurried. The largest subscription to date is \$1,000; the smallest is \$1.00. Make yours as large as possible, but make it."

EIGHT YEARS AGO IN LITTLEFIELD

The final touches toward completing the fine new school building at Levelland are being made this week. L. O. Moore, foreman in charge of the work, states the construction will be completed in the course of another

"FIREMAN SAVE MY CHILD," A HOWLING COMEDY, WILL BE SHOWN AT PALACE SATURDAY MIDNIGHT, SUNDAY, MONDAY

"Fireman Save My Child," a howling comedy, will be shown at the Palace theater Saturday midnight (Previews now start at 11:30), and will run through Sunday and Monday.

Joe Brown in his latest fun frolic, "Fireman, Save My Child," appears as an eccentric baseball pitcher and

is the peerless pride of the hook and ladder boys—a fire-eating fool with flames in his heart and water on the brain. Imagine him rescuing fair damsels in distress and falling in love with every one of them.

Thousands cried, "Fireman, Save My Child," but who was going to save the fireman? Beautiful women will swoon—strong men will grow weak—children will shout with glee.

In this sizzling, steaming, sparkling comedy also are Evelyn Knapp, Lillian Bond and Dickie Moore and each gives a wonderful performance.

Last Rites Are Held For Bula Resident Saturday Afternoon

The Tabernacle church at Bula, Texas, was filled to capacity Saturday afternoon, April 30, at 2:30 o'clock, when funeral services were held for Theo Ivory Medlin, aged 29 years, son of Mr. and Mrs. L. H. Medlin of that city, who passed away at his home about 9:30 p. m. Friday.

Rev. J. S. Johnson, Methodist pastor, Bula, officiated, and interment was made in the Littlefield cemetery, with Hammons Undertaking in charge of burial arrangements.

Bronchial trouble was given as the cause of death. Deceased had been troubled more or less since a child with bronchial trouble, and for the past three years had suffered ill health. About six weeks ago he took "Flu," and this is believed to have caused pus to accumulate in his bronchial tubes, which with other complications caused his death.

Deceased had been living in Bula for the past five years, coming to the South Plains from Wilson, Lynn county, in 1927.

He was a student of the Bula school, but was obliged to quit school three years ago on account of his health.

Besides his parents, he is survived by two brothers, Floyd and L. H., Jr., and one sister, Pauline, all of whom live at home.

MRS. R. T. BADGER HONORS

MRS. HOWARD AT BRIDGE TUESDAY

Mrs. R. T. Badger in her own graceful manner entertained at her apartment on West Fourth street Tuesday afternoon complimenting her daughter, Mrs. J. A. Howard of Houston, who with her two children have been visiting her parents for the past two weeks.

Contract bridge was the main diversion for the occasion, the silhouette design being carried out in the tallies and other appointments.

Mrs. Dick Johnson scored high in the games, while Mrs. W. J. Chesher made second; and Mrs. Otha Key was awarded the cut prize.

The guest list included Mrs. Johnson, Mrs. Chesher, Mrs. Key, Mrs. T. Wade Potter, Mrs. P. W. Walker, Mrs. C. C. Clements and Mrs. M. V. Cobb, to whom a delicious dessert course with iced tea was served.

LUM'S CHAPEL H. D. CLUB TO BE HOSTESS

LITTLEFIELD GROUP

There were three members of our club who attended council Tuesday. About 50 ladies were present, and we had some real talks and advice given by three different ladies, besides the lesson which Miss Mashburn gave. Littlefield club meets with Lum's Chapel for the next meeting. The time is changed to the second Tuesday in May in place of the second Friday, and will meet with Mrs. Humphrey, first house north of the church. We want as many as can to be there. Our regular meeting place is at the city hall.

Mr. and Mrs. Frank Nelson moved Tuesday from East Seventh street to the T. Wade Potter house opposite the ball park.

Mr. and Mrs. E. Raymond Erp of Lubbock called on friends in Littlefield Sunday. Mr. Erp was formerly assistant cashier of the First State bank here.

LAMB COUNTY COUNCIL OF P. T. A. TO MEET

The County Council of the Parent-Teachers association will meet in Littlefield Saturday, May 7, at 3:30 p. m., in the high school auditorium. A number of delegates from the different schools over the county are expected.

The new officers of the year will be in charge of the meeting.

It is urged by Mrs. Max E. Touchon, president, that a large representation of the P. T. A. in Littlefield be in attendance.

The Hospitality committee will serve cake and punch to all present.

The local P. T. A. will meet next Wednesday at 3:00 p. m. in the high school auditorium.

CHRISTINE BAGWELL INJURED

Christine Bagwell, 16 years old daughter of W. K. Bagwell, of 3 1/2 miles southwest of Littlefield, suffered a serious accident Sunday about 1 p. m., when horseback riding near her home. It was believed that the horse had stumbled and threw her. She was found by her father soon after the accident and Dr. T. B. Duke of Littlefield called. On the advice of the Doctor, she was taken to the Lubbock Sanitarium, where it was found that four of her ribs were broken, one of which had punctured her lung.

Mr. and Mrs. Frank Nelson moved Tuesday from East Seventh street to the T. Wade Potter house opposite the ball park.

Mr. and Mrs. E. Raymond Erp of Lubbock called on friends in Littlefield Sunday. Mr. Erp was formerly assistant cashier of the First State bank here.

TRADES DAY—

(Continued from Page One)

was much appreciated was the fact that the program was carried out almost on schedule, and that all events were over early in the afternoon. The program was concluded at 3:15.

Crashes Wall on Motorcycle.

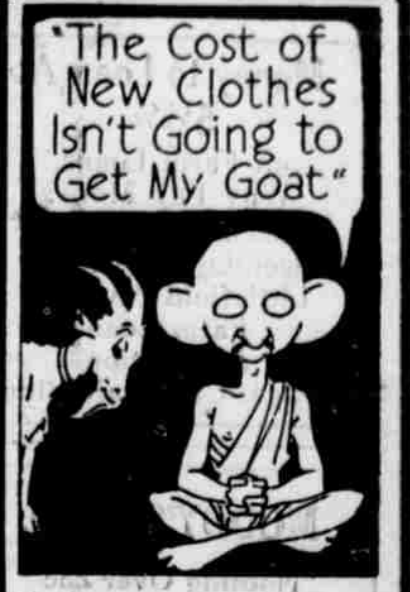

The outstanding attraction of the day, and the one which drew the largest crowd, was that put on under the auspices of the Littlefield Band. This stunt was the crashing of a board wall by a motorcycle ridden by Tommy Hendricks of Lamesa. Hendricks crashed the wall at a speed of 80 miles per hour. When Hendricks hit the wall pieces of boards flew in every direction, and so great was his speed that pieces of boards flew as far as more than one-half block. The Littlefield Band is to be highly congratulated on their contribution to the special entertainment for Trades Day. And, in addition, that musical organization received and deserved the highest compliments for the very fine concert rendered.

The program for Trades Day opened with a concert by the band at 10 a. m. and was followed by a bicycle race and a dog show. Dr. R. S. Tanner was judge at the dog show. Decisions were made easy for the judge; there were three dogs entered and there were three prizes. Peggy, police dog owned by little Blair Goodwin, took the prize for the largest dog; Spike, a clever little dog entered by Mrs. Raymond Renfro was awarded the prize for the smartest dog, and one of a pair of Pekingese dogs owned by Mr. and Mrs. W. W. Gillette carried away the prize for the smallest dog.

**THE STATE OF TEXAS
TO THE JURIST OR ANY CON-
STABLE OF LAMB COUNTY,
GREETING:**

You are hereby summoned to
appear in person or by attorney at
the office of the Justice of the Peace
of the County of Lamb, Texas, at the
city of Littlefield, in said county
and State, on the fourth Monday in
May, A. D. 1932, the same being
the 23rd day of May, A. D. 1932,
then and there to answer a suit filed
in said court on the 8th day of March,
A. D. 1932, in which suit, captioned
on the docket of said court No. 707,
wherein the First National Bank of
Littlefield, Texas, is plaintiff, and
K. Rotan and W. L. Rotan are de-
fendants, in which suit it is alleged
by plaintiff as follows:

"That on the 23rd day of Decem-
ber, 1930, the defendants K. K. Ro-
tan and W. L. Rotan, made, executed

and delivered to plaintiff their cer-
tain promissory note for the principal
sum of \$50.00, dated the said 23rd
day of December, 1930, due and pay-
able to the order of plaintiff at Lit-
tlefield, Texas, on November 1st,
1931, bearing interest thereon from
date thereof at the rate of ten per
cent per annum, and further provid-
ing for payment of ten per cent of
the principal and interest due thereon,
in addition thereto, as attorney's
fees if placed in the hands of an at-
torney for collection, whereby de-
fendants and each of them promised
and agreed to pay said note accord-
ing to the tenor, effect and reading
thereof. That said note is past due
and unpaid and defendants though
often requested have hitherto failed
and refused and continue to fail and
refuse to pay the same or any part
thereof, to plaintiff's damage. That
plaintiff has placed said note in the
hands of T. Wade Potter, an attor-
ney, for collection, and has promised
and agreed to pay him the ten per
cent attorney's fees stipulated there-
in, which is the usual and customary
fee. Plaintiff prays for judgment
against defendants, jointly and sev-
erally, for its debt, \$50.00, interest
and attorney's fees thereon, for all
costs of suit, and for such other and
further relief, special and general, in
law and in equity, to which plaintiff
may be found entitled."

Herein fail not, but have you be-
fore said court on said first day of
the next term thereof, this writ, with
your return thereon, showing how
you have executed the same.

Why So Many Take Black-Draught

There are good reasons why so many people prefer Theoford's Black-Draught—why it is their favorite laxative.

They like its thorough, cleansing action. They like that "better feeling the next morning"—a refreshed feeling after the release of intestinal poisons. And the low cost of Black-Draught is another point in its favor. You are really buying medicine when you buy Black-Draught, as the sealed container, in which the medicine is sold, costs only a small fraction. Its light weight has saved expensive freight bills. Black-Draught is packaged, weighed and sealed by machines. It can be held for less because of these savings in your favor.

O. D. Carter Buys Seagraves Paper

O. D. Carter, former editor of the Lamesa Reporter, recently purchased the Gaines County News, a weekly newspaper in Seagraves, according to an announcement carried in that paper last week.

Mr. Carter is well known in West

Texas newspaper circles. Other than having several years' experience in the field, he is a graduate of Simmons University, where he published the weekly newspaper for the university.

The Leader extends their hearty congratulations to Mr. Carter, and wishes him much success in his new field.

Gas Leaks Are Expensive

About 15 per cent of the gas you buy is lost through small leaks in your house piping, according to government experts.

This waste, which is often the cause of high gas bills, may be prevented easily.

A leak that may appear trifling to you will, in the course of a year, increase your bills considerably. A loss of only one cubic foot every 15 minutes will waste almost 3,000 cubic feet in a month.

The waste of gas is considered so very important by the West Texas Gas Company that it spends a large sum annually, in an effort to keep the leakage in distributing systems as low as possible.

How To Find Leaks

On every domestic meter is a dial marked "One Foot" or "Two Feet". This is used for detecting leaks.

Turn off all the fires in your house and note the position of the hand on the small dial of your meter. Then look at it a little while later. If the hand has moved, there is a leak—for the meter will not work unless gas is going through it.

To find just where the leak is located, cover each joint with strong soap suds. If the gas is escaping, it will bubble through the suds. If you then do not know how to fix the leak, call a plumber.

Never Look For A Gas Leak With A Match

Our service department is always ready to help you with any of your gas problems—and its services are absolutely free.

CHURCHES

FIRST BAPTIST CHURCH
Sunday, May 8.

Throughout the United States attention is being called to the fact that this Sunday is Mothers' Day, and as the announcement goes from place to place, there are many mothers wondering if their boy or girl will attend church somewhere and worship mother's God. To all in and around Littlefield we offer you a place to worship. A special program in song and sermon will be the order of the morning worship hour. If your mother is here, come with her to church. If she is elsewhere write her this week and tell her you will attend church Sunday morning and think of her.

The evening service, though somewhat early for the special service, but the hour will be made special to Fathers. Take dad by the arm and tell him you love him, and come to church with him Sunday evening at 8:15.

Sunday school begins promptly at 9:45. Last Sunday the secretaries reported forty-two new pupils. This makes seventy-two added to the enrollment in the past two Sundays. Just another little pull this week and our first goal will be reached. Then on to five hundred we go.

B. T. S. meets promptly at 7:15. You are invited to visit the unions while at work. Their programs are both interesting and instructive.

TABERNACLE BAPTIST CHURCH
Sunday, May 8.

Another good day last Sunday with two additions to the church. The pastor spoke on the text, "He (Jesus) Could Not Be Hid." The hope of this hour is that those who name the name of Christ give their testimony among a crooked and perverse generation. Just the other day seventeen millions of Russians pledged their last drop of blood in defense of Communism and Sovietism—no God, no sacred marriage relation, no home, no church, no eternity! Only recently a large daily newspaper of said country carried a cartoon depicting God as an old man with whiskers. Above him a strong man with hammer drawn in rage against God. The man with drawn sledge was saying: "We have rid ourselves of the Czars and now, damn you, we will brain you!" Oh! Church of the most high, shall we not, in defense of unborn generations, defend by money, talent,

testimony, blood, the crimson banner of Prince Emmanuel? God looks from His eastern window upon the greatest nation, government, and people of the universe—the U. S. A. Let us face our problems, hope in God, and do the right! Meet your oppor-

unities, assume your responsibilities in the church of God, the pillar and ground of the truth! Will preach along this line Sunday, 11 a. m. Come and find a happy welcome.
Roy A. Kemp, Pastor.
