Alice Lynn Street to Represent City in "Home Town" Contest

ELIMINATION IS CONDUCTED AT C. OF C. MEET

Annual C. Of C. Banquet To Be Held In June

Members of the Littlefield Chamber of Commerce met in a very interesting and enjoyable luncheon Tuesday, with Mancel Hall, president, presiding, and a number of guests present.

Miss Alice Lynn Street was elected delegate from the Littlefield Chamber of Commerce and Delbert Hall, Alternate, to represent Littlefield in the "My Home Town" contest at the West Texas Chamber of Commerce convention, which will be held at Brownwood-Monday, Tuesday and Wednesday of next week.

All of the contestants, Miss Street, Eloise Sharpe and Delbert Hall, made such excellent talks in their report before the meeting that the "home town" group found it difficult to make the selection.

Dr. Roy E. Hunt, specialist in surgery, formerly of the Jefferson hospital of Houston, but now at the Littlefield hospital, responded to the expressions of welcome made by Mr. Hall, stating he had met the people of Littlefield the friendliest of any he had come in contact with, and voicing his appreciation of the meal, saying he was looking forward to a long and happy residence in Littlefield.

Arthur Duggan, Jr., who arrived Sunday from Austin, was a guest of the booster group and expressed pleasure at being present at the luncheon.

Mr. Hall announced the employment of Glen Burgess, C. Gonzales, Secretary-Manager of the Littlefield Chamber of Commerce, Mr. Burgess has filled a like position with the Gonzales Chamber of Commerce for the past 18 months.

J. S. Hilliard as chairman of the hotel committee, reported progress in the securing of a hotel for Littlefield, stating the committee was working hard with a party, from whom they had a definite proposition, and also had selected a location, but that "it is going to take some financial help from Littlefield to put it over." He stressed the importance of the cooperation of the entire citizenship in the securing of such a project.

It was also announced at the meeting that A. B. Sanders had been elected as Littlefield's director to the West Texas Chamber of Commerce. Mr. Hall also announced to the group that the annual Chamber of Commerce Banquet would be held in June, probably on Tuesday, June 12, and that the nominating committee, E. O. McIver, F. O. Boles, E. Lowe and J. W. Hale, would nominate officers for the coming year, previous to the banquet.

C. J. Duggan gave some complimentary remarks in regard to the fine meal served, and also gave a report on the progress of the E. L. Wilson, et al No. 1 well, southwest of Littlefield, stating the well was completed in Saturday and that a large number visited the location Sunday.

He also stated that the Whitharral drilling block will be ready for operation in a few weeks.

WILL REPRESENT LITTLEFIELD AT WEST TEXAS MEETING

Forty Beautiful Girls To Take Part In "West Texas Follies"

Miss Nettie Belle Batton, who will represent Littlefield in the West Texas Follies of 1937 at the West Texas Chamber of Commerce Convention at Brownwood, May 10-12, will leave Sunday for that city. Miss Batton will be a duchess in the revue in which "Miss West Texas" will be chosen.

Forty beautiful girls and some of the most talented artists in the state will take part and furnish entertainment during the nineteenth annual West Texas Chamber of Commerce convention. The follies will be staged Monday.

LAST RITES FOR S. S. RENDLEMAN AT 4:30 MONDAY

Passes Away At His Home At Anton Sunday Afternoon

Funeral services were conducted Monday afternoon, May 3, at 4:30 o'clock, at the First Baptist church, Anton, for Samuel S. Rendleman, 47, who passed away at his home at that city Sunday afternoon, May 2, at 3:30 o'clock. Rev. A. V. Bradley, pastor of the Anton Baptist church, officiated, assisted by Rev. C. R. Teague and Rev. W. O. Wilson of Anton. Interment, under the direction of Hammons Funeral Home, Littlefield, took place immediately following in the Anton cemetery. Pallbearers were: Walter Herrine, T. W. Wood, R. O. Mayes, J. M. Harden, R. C. Hagan and R. M. Newell. Flower bearers were: Misses Margaret Dodd, Floy Lou Sample, Ruth Pool, Mildred Lyda, Mrs. Swanson, Beth Maynard, and Mrs. Ed Hart. Deceased was born at Cape Jordan, Ill., October 24, 1889. He moved to Oklahoma in 1907, and married Miss Willie Wilhalem January 29, 1911. To this union were born six children, one dying in infancy. He was converted and joined the Baptist church in 1925, and has since been a consistent attendant. He served as superintendent of the Baptist Sunday school, song leader in the church and later a deacon. He is survived by his widow and five children; two daughters, Mrs. Susie Shockley and Miss Helen Rendleman and three sons, Buck, Ted and Coolidge Rendleman, all of Anton; his father, and two brothers, Joe W. and Oscar, of Oklahoma.

With a total attendance of well over 2000 women from Littlefield and trade territory, the Kitchen Chautauqua, Lamb County Leader's fifth annual Cooking School ended its three-day session Wednesday afternoon. The school was held in the Paliace Theater. Mrs. Gertrude Burbank, culinary expert and authority in home management, who lectured last year to the women of this section, was returned for this session because of her popularity and efficiency. Mrs. Burbank conducted an even more successful school this year than last session. Interest in this year's school exceeded that of any previous years. Those who attended participated enthusiastically in all features of the Chautauqua, asking any questions, all of which were efficiently and painstakingly answered by the lecturer. The recipes used in the school by Mrs. Burbank will be published in the Lamb County Leader. The school was opened Monday afternoon with Morley B. Brake, Publisher of the Leader, presiding. Addresses were made by Rev. Willis J. Ray, Rev. Walter J. Luecke and Rev. Donald Harris, Pastors of Littlefield churches, and the address of welcome to Mrs. Burbank was

GLEN BURGESS TO TAKE OVER DUTIES MAY 15

Has Been Sec'y-Mgr. Of Gonzales C. Of C. For Past 18 Months

Glenn Burgess, for the past four, ten months Secretary-Manager of the Gonzales, Texas, Chamber of Commerce, has accepted a similar office with the local booster group. Mr. Burgess was in Littlefield Thursday morning enroute home from attending the Rotary Convention at Childress, and met with the Chamber of Commerce committee in charge of the employment of a secretary, of which J. W. Keithley is chairman. Later, Mancel Hall, president of the local group, talked over long distance with Mr. Burgess, at which time he accepted the position, and will take over his new duties Monday, May 15.

Mr. Burgess fills the vacancy created by the resignation of J. W. Hale, who was Secretary-Manager of the Littlefield Chamber of Commerce for the past nine years. Mr. Hale resigned about two months ago to look after his personal interests.

Mr. Burgess is 31 years of age, married and has a month old son. He was reared on a farm near Lubbock, and after graduation from the Texas University spent three years as school teacher of Spanish near Lubbock. He spent three years with the Conoco Travel Bureau in Denver, Colo., and while there was privileged to work in all the departments of that large organization, including the preparation of travel literature and routing sheets for motorists, which assisted him greatly in his promotion work. Mr. Burgess comes to Littlefield highly recommended as a capable man who accomplishes what he sets out to do, and no task is too large for this able man to put over, according to those who are acquainted with his work at Gonzales.

The Daily Inquirer, Gonzales, Texas, in its Saturday's issue, stated that the Chamber of Commerce Board of Directors of that city in accepting Mr. Burgess' resignation made the following statement:

"It is with deep regret that the board accepts the resignation of Mr. Burgess."

"Burgess has done some valuable work with our organization, which is much appreciated. He is a live, wide-awake chamber of commerce man, and I want to congratulate Littlefield upon their good fortune in securing his services and wish Mr. Burgess all success in his new work." The Daily Inquirer further commenting on Mr. Burgess' leaving Gonzales, said:

"In accepting the post at Littlefield, Burgess will in effect be 'going home.' His parents live near Lubbock and he spent much of his younger boyhood days in that section."

LITTLEFIELD HOSPITAL NEWS

Mrs. Clyde Chappell was admitted Wednesday of last week for medical treatment, threatened with appendicitis.

Mrs. J. M. Wells, who was admitted on April 18, and gave birth to a baby boy, was released Thursday last.

Mrs. A. D. Richardson of Muleshoe, who was confined in the hospital for about three days around April 24, when a young son was born, and released, returned for treatment for herself and baby, and they are still confined in the institution, and are reported getting along fine. The baby is very small and requires special care.

David Sutton, aged 6, son of Mr. and Mrs. Sutton of Whitarral, who was admitted Sunday afternoon suffering from pneumonia, is getting along nicely.

Mrs. C. H. Miller, who has been in the Littlefield hospital for the past three weeks, returned home Monday.

Mrs. C. M. Edwards, who has been seriously ill with pneumonia, is much improved.

the choir and other individual members on the program, including a Mother's Day sermon by the pastor. No finer way could one honor mother more than to go to the place of worship, taking your mother or some one else mother if your own, there is not here. And may we make every day mother's day in the honor of our daily lives.

Layman's Service

Next Sunday will be Layman's day at the Methodist church with the laymen in charge of the services at the evening session. Mr. L. T. Green, chairman of the Board of Stewards, and Charge Lay Leader, will be in charge of the program. Floyd Hemphill, church school superintendent, will be the principal speaker, and always brings a good message. There will be other features of interest.

The pastor, Rev. Marvin R. Norwood, will sit back and listen and enjoy the privileges of the pew.

For a number of years there has been an increasing appreciation of the importance and place of the unordained member of the church. Sometimes that importance has been overlooked. Yet it is a fact that the great advances of Christianity have been made under the inspiration and activity of great lay movements, times when the laity of the church become vitally aroused for the promotion of the kingdom.

It is in recognition of this truth that this service is held, and in appreciation of the faithfulness and work of the lay member down through the years.

The public generally is invited to this service at 8 p. m.

Attend District Conference at Plainview

Mr. and Mrs. Van Clark, Josh Cogbill, J. M. Tunnell and Rev. and Mrs. Marvin R. Norwood attended the annual session of the District Conference at Plainview Tuesday. Reports over the district in the main are very encouraging, according to Rev. Norwood, who served as chairman of the committee on reports of progress. The church at Littlefield had a "one hundred per cent" report and ranked up with an church in the district for its size, indicating the good work that is being done by the faithful corps of officers and members.

HONOR MOTHER BY GOING TO CHURCH ON MOTHER'S DAY!

FIRST BAPTIST CHURCH

Sunday being Mother's Day we are expecting a large attendance in services. Our goal for the Sunday school is 400. A special program is being prepared in honor of "Mothers."

The church has set the time for the summer revival to begin August 1st and continue for two weeks. Plans are for the pastor to do the preaching and to invite in an outside singer since the regular choir leader will probably be out of the city at that time. L. W. Jordan is an excellent choir director and has made some recent improvements in the choir that is greatly improving our song service.

B. T. U. starts each Sunday evening at 7:15 with Miss Pauline Hoping directing. Next Sunday evening the mothers are being invited to attend luncheon special programs are being prepared in each union.

A good number of our B. A. boys are making plans to attend the Boy's Camp at Ceta Canyon in June under the direction of Mrs. Viggo Peterson, leader.

Mrs. V. N. Burleson as Extension Superintendent of the church meets each Friday at two o'clock all the church visitors and the afternoon is given to visiting the absentees and sick.

The pastor will bring a sermon honoring motherhood at the eleven o'clock hour Sunday. The message in the evening will be an evangelistic sermon. Interest continues to grow in all departments of the church life. A hearty welcome is extended.

OIL NEWS

Reports are to the effect that 5000 acres in the Balmer community have been blocked and leased for an oil test with a contract for drilling to be started in the very near future. \$1 per acre was paid for the lease.

The Magnolia Petroleum company are reported to have leased labor 57, league 88, one mile south of the Bob Slaughter producer, Hockley county, and that another well will be started soon. The tract comprises 175.1 acres.

F. E. Wiggins, Jr. of Dallas has leased approximately 5,000 acres of land in league 92, Lipscomb and Mills county school land, southeast of Lehman, and will start the drilling of a test well by July 1.

He is reported to have paid \$10 an acre for this lease with a 50 cent rental. The test will go to the depth of 5,200 feet unless oil or gas is found at a lesser depth.

Texas Company No. 1 Bob Slaughter, Southwest Hockley county, has been completed for production of 502.40 barrels of oil flowing through 2 1/2 inch tubing in 24 hours. Gas and oil ratio was 736 to 1. Gauge was taken following retirement of the well with 5,000 gallons of acid, and represented a substantial increase over the 323 barrels it made last week on 24 hour test after initial treatment with 2000 gallons.

Located in labor 80, league 88, Zavalla county school land, is bottomed at 50.23 feet, plugged back from 5,000 with lead wool to exclude water. It is the first producer drilled in Hockley and is responsible for a spirited leasing campaign extending southward into Lamb county, northward into Hale and eastward in Lubbock county.

Cotton Seed Delinting

Actual experiments have shown that delinted seed saves time and money. Delinted seed can be planted with a corn planter, using only from 5 to 9 pounds to an acre. Delinted seed hastens maturity 10 to 15 days earlier. Less moisture is required. Cotton chopping is eliminated. The process kills all cotton diseases usually carried in the seed, and are thoroughly disinfected and culled.

SEED WILL BE DELINTED ON A CUSTOM BASIS!

FARMERS WHO KNOW RECOMMEND DELINTING!

Farmers throughout Texas and Oklahoma, who have used delinted seed, send many letters of praise concerning this recent economical discovery in cotton raising. They say that delinted seed makes many times as much cotton as fuzzy seed... they say there is less production cost... and they gladly recommend it. We will take cash for the delinting process or will take part of the seed saved for the service.

Advertising Rates Given Upon Application

Subscribers who change their addresses, or fail to get their paper, should immediately notify this office, giving both new and old addresses. Communications of local interest are solicited. They should be briefly written, on only one side of the paper, and must reach this office not later than Wednesday noon of each week. The right of revision or rejection is reserved by the publisher.

Advertising that does not show in its text or typography that it is paid for must be marked as an advertisement. All local advertisements remain in this paper for the time specified or until ordered out. All notices, it matters not by whom nor for what purpose, if the object is to raise money by admission fee or otherwise, is an advertisement and when sent in for publication must be paid for at the regular advertising rate per line for each issue printed.

Obituaries, cards of thanks, and resolutions of respect will also be charged for at the same rate.

Any erroneous reflection upon the character, standing or reputation of any person, firm, or corporation which may appear in the columns of the Lamb County Leader will be gladly corrected upon its being brought to the attention of the publisher.

In case of errors or omissions in local or other advertisements, the publisher does not hold himself liable for damage further than the amount received by him for such advertisement.

DR. ROY E. HUNT NOW ASSOCIATED WITH DR. THOS. B. DUKE AS SURGEON

Dr. Roy E. Hunt, formerly of the Jefferson Davis hospital, Houston, is now associated with Dr. Thos. B. Duke, as specialist in surgery.

Dr. Hunt arrived in Littlefield Saturday, but is returning to Houston Saturday, at which time he will be married and following a short wedding trip will return to this city.

During his absence the suite occupied by Dr. Duke will be completely remodelled and enlarged. The partition between the office and the hall will be removed, and this space included, making a five-room suite. The enlarged suite will afford private consulting and treatment rooms for Dr. Duke and Dr. Hunt, and a general reception room.

Dr. Hunt was born and reared in Lubbock, receiving his high school and pre-medical training at Tech college, Lubbock, and his degree in medicine at the Texas University school of Medicine, Galveston.

He has been chief resident surgeon at Jefferson Davis hospital for the past 3 years.

LUTHERAN CHURCH

Sunday being Mother's Day special services will be held, beginning at 10:30 a. m. Certainly all of us realizing the great sacrifices our mothers have made for us should attend services Sunday and thank God for our Mother. Sunday school begins at 9:45. Night services as follows: Bible class at 8 p. m. and preaching at 8:30. Both services in the English language. If you have no church home we will welcome you. Visitors cordially received.

Last Wednesday the young people met in the basement of the school. Mr. and Mrs. P. Manthey served as sponsors and hosts. A number of new games were introduced and enjoyed by all. Erwin Bohot and Werner Birkelbach were appointed to serve as ushers for the night services during this month.

Thursday the ladies held an all day quilting bee. They finished two quilts. A splendid dinner was served all the ladies. During the quilting several plans were discussed whereby they might help improve the church.

Last night the Sunday school teachers met and besides the regular lessons also began the study of a course in Child Psychology. This and other courses will gradually

be taken up and should eventually give us a most proficient teaching staff. You mothers, who wish your children to remember you with thanksgiving, give them the opportunity to learn of the Savior by sending them to Sunday school. You can give your child nothing better than a Christian training.

WALTER J. LUECKE, Pastor.

James Anderson Purchases Clyde Weatherly Market

James Anderson, Littlefield young man who has been in Stillmeadow for almost a year, has returned to this city and purchased Clyde Weatherly's Market, located at Houk's Cash Grocery.

Mr. Anderson has wide experience in the meat market business, gained in Littlefield and other cities. Previous to leaving Littlefield for Stillmeadow he was employed in local markets.

James has a large number of friends in Littlefield and territory, and they wish him much success in his business.

Sunnen Pin Hole Grinder

Has Been Installed to Offer Our Customers the METHOD of . . .

Positive Accuracy In Pin Fitting!

With this equipment we can produce every time—a "run in" fit, free from high spots, free from bell-mouth with absolute bearing surface — and with perfect alignment of bosses.

Sunnen fit pins give thousands of miles of extra service. Sunnen fit pins will not begin to wear after a few hundred miles of service.

Stop in our shop and let us show you how and why the Sunnen Pin Hole Grinder offers positive accuracy in pin fitting.

With this new equipment it is possible to grind and finish any size hole from .480" to 2.400" to handle hydraulic brake cylinders.

- The REAMER Method** requires a tight fit because of high spots caused by reamer chatter. These spots vary in height from .001/2 inch to .002 inch, depending upon condition of reamer. With this method a tight fit is proper since the depressions between the high spots act as oil pockets and provide some lubrication.
- The SUNNEN Method** requires a "free" fit because the hole is finished perfectly round, ("run in fit") free from high spots and with nearly 100% bearing surface. With nearly 100% bearing surface a Sunnen ground hole will show less wear over an extended period of time because it provides more surface to resist wear.

that they had dismantled in front of the Wild Horse Saloon and were just entering it. Slim's lips tightened and his eyes grew bleak. But he crossed the street and entered the place himself.

There were just five men in the Wild Horse when Slim entered. Dakota Blue was there, talking across the bar with Spud Dillon, the short, fat, red faced, jolly proprietor. Then there was old Joe Rooney, a broken-down old mule skinner who did the swamping for Dillon. Joe was standing down the cues behind the pool table.

Sarg Brockwell and his son had swung up to the bar near the door and Spud Dillon was just moving down toward them when Slim entered. But at sight of Slim, Dillon seemed to forget all about the Brockwells. His fat, red face broke into a wide, delighted grin and one pudgy hand shot across the bar.

"Slim!" he cried out delightedly. "Slim Loyale, yuh danged young whelp, how are yuh, boy? Put her there! Gosh, I'm glad to see yuh."

Slim knew Spud Dillon well, and he knew that Spud meant every word of his greeting. So he wrung Dillon's hand heartily and smiled. "An' I'm shore glad to see yuh, Spud, yuh fat ole duffer. I do believe yuh've been losin' weight."

Spud guffawed. "Oh, shore I am. I've only taken on twenty more pounds since I saw yuh last, Slim. Have a drink, I'm buyin'."

As Dillon turned for bottle and glasses, a silver dollar was rung on the bar. Then a cold, sneering voice sounded. "When yuh get through makin' over yore jailbird friend, Dillon, we'd like some service."

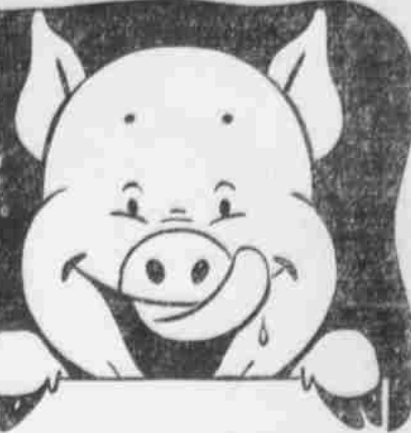

Slim caught his breath in a little hiss and whirled. His face was white, and his lips a tight, straight line. He made a queer rasping sound in his throat and he stepped away from the bar, crouching.

"Brockwell," he grated thickly, "yuh—"

"Shut up, Slim!" It was Dakota Blue who spoke. His hand locked on Slim's shoulder and he pulled the young fellow back, stepping between him and the Brockwells. "Remember yore parole, kid," he muttered. "I'll handle this."

Dakota walked toward the Brockwells. Sarg Brockwell was a big man, dark of hair and swarthy of skin. His face was broad with high cheek bones and little, glinting black eyes. His lips were thick, and in repose wore a continual, confident grin, disclosing two rows of teeth, startling in their size and whiteness.

REPLIN'S

As Spud Dillon had said one time, "I never look at them teeth of Sarg Brockwell's but what I think of a graveyard."

Leo Brockwell was smaller than his father, with the same swarthy coloring and black eyes. But Leo's mouth was thin, sarcastic and sneering, twisting up at one corner. He was built on the lithe, feline lines of a panther, and he moved with the same slinking walk.

His hands on his hips, Dakota Blue stopped a yard from the Brockwells. "Which one of yuh made that crack?" he demanded coldly.

"Yes, by jiminy," yelled Spud Dillon, his round face scarlet with anger, "lemme tell yuh something, or yore no-good son or nothin, ab-

out yuh, savvy? I choose my own friends an' to hell with yuh! Yuh've had yore last drink over this bar. Yore money ain't worth a damn here, from now on. Chaw on that!"

Neither of the Brockwells paid any attention to Dillon. They were watching Dakota Blue. "Well, I'm waitin'," drawled Dakota. "Which one of yuh made that crack?"

Leo's lips twisted. "I did," he snarled. "What's it to yuh?"

"This!" Dakota's fist moved with startling speed. It landed with a spat on young Brockwell's mouth and he went over backward, clawing at his gun. At Dakota's movement, Sarg

for Every Occasion

A cup of coffee can be the companion of solitude or the cheering cup at any gathering. No meal is complete—no party at its best—without coffee. And no coffee should be acceptable but the best.

The right coffee for every occasion, as the lecturer at the School of Cookery conducted by this paper Monday, Tuesday and Wednesday, told you, is ADMIRATION. Oven-fresh, fragrant and delicious, Admission is the finest coffee you can buy, regardless of price.

The use of Admission as a beverage was discussed at the School of Cookery, and directions given for making the perfect cup of coffee. In addition, the lecturer demonstrated how to use Admission in other ways, in the preparation of desserts and other drinks.

Give Admission a trial, and its taste in the cup will tell the whole story... you'll know then, for yourself, just why Admission has become the largest-selling coffee in Texas!

Problems Will Discussed At W. C. C. of C. Meet

Wood, May 5.—West Texas problems will be discussed at the three group conferences held during the West Texas Chamber of Commerce convention at Commerce May 10, 11 and 12. Time and thought will be given to farm questions at this convention than possibly at any other session in the organization. The WTCC, as an organization, has been a leader for soil conservation and for statewide legislation that would make concerted soil conservation work possible in Texas.

Realizing the importance of the subject, officials of the West Texas Chamber of Commerce have made "Soil Conservation and Flood Prevention" the general theme of the entire convention.

A group conference on "Farm Tenancy and Unemployment" will be held Monday afternoon, May 10. D. P. Trent, Dallas, regional director of the Resettlement Administration, U. S. Department of Agriculture, will discuss the farm tenancy question. Several other speakers will appear on the program, H. G. Lucas, Brownwood, president of the Texas Agricultural Association, is chairman of the conference. "Soil Conservation" will be the subject of another group conference Tuesday afternoon, May 11. H. H. Williamson, state director of the Extension Service of Texas A. & M. college; State Senator H. M. Davis, Brownwood, one of the first advocates of statewide soil conservation legislation in Texas; and E. E. Dickson, superintendent of the Texas Agricultural Experiment Station at Spur; and other prominent speakers will be heard. Davis will speak on "Soil Conservation Legislation." Dickson's subject will be "Erosion Prevention Methods." Subjects of other speakers on the program have not been announced. Dr.

Bradford Knapp, president of Texas Technological college, Lubbock is chairman of the conference. Hundreds of farmers from all parts of the state are expected to attend the convention, especially the group conferences, to hear the farm problems discussed. An exhibit on water conservation is being prepared for the convention by Superintendent Dickens of Spur Experiment Station, with the assistance of a score of experts representing various agencies.

Mr. Julian Montgomery, State Director of the Federal Emergency Administration, will be the principal speaker. The public is invited to be present for this program. Olton boasts the most modern and best equipped grade school building in West Texas. The initial cost was 12,000,000, of which amount the Federal Government contributed \$54,000. Forty-three men have served on the board of trustees of the Olton Independent School since its organization in 1908. Thirty-eight of these men are still living and will be special guests on this occasion. Dr. Woods will deliver the commencement address to the senior class of the Olton high school on the evening of May 17th.

Littlefield Fast Becoming Produce Buying Center

That Littlefield is fast becoming a produce buying center is evidenced by the report by Watson Produce that they purchased 353 cases of eggs last Saturday, which is more than ever bought by this concern at one time since they have been in business in Littlefield, which extends over the past 5 1-2 years. Three trucks were loaded by Watson Produce with eggs for Fort Worth Market Sunday and Monday.

ERNEST JONES ELECTED PRINCIPAL AND COACH OF ANTON HIGH SCHOOL

J. L. Manuel was unfortunate enough Monday while plowing to break a toe on his left foot. Mr. and Mrs. J. M. Blessing visited in the home of Mr. and Mrs. Roy Byers Wednesday night.

Misses Alma and Sibel Byers of Lubbock spent Thursday night in the home of their parents, Mr. and Mrs. R. L. Byers.

Mrs. Floyd Coffman left Monday for Goree, Texas, where she is visiting her parents, Mr. and Mrs. E. W. Norris. She was accompanied on the trip by Miss Chloe Simpson, who is spending this week with her parents, at Holly, Texas. Mrs. Coffman and Miss Simpson will return the end of this week.

Mrs. Cecil Goldston of Corpus Christi arrived Tuesday for a two weeks' visit with her mother, Mrs. E. D. Johnson.

The Littlefield Motor company, local dealers, delivered to Mr. and Mrs. Otto Jones Wednesday a new gray four door Buick sedan.

Mr. Ernest Jones, member of the Littlefield high school faculty, has been elected principal and coach of Anton's high school. He will also teach science. Mr. Jones has served as teacher of science and assistant coach in Littlefield high school for the past two years and leaves a splendid record in work done in Littlefield.

SEEING IS A COMPLEXITY

Eyes are our most complex and useful sense-organ. The visual sense is our most complex and useful sensory process. Seeing is our most universal and valuable controllable activity. Seeing is nearly as complex as living and it is responsible for most of our experiences and therefore knowledge; and for most of our usefulness and, therefore happiness.

How good we can see means nothing about our visual efficiency. Eye corrections when properly applied are intended to balance the visual act. Incidentally, they often improve vision—Often they do not—But simply make comfortable a pair of straining eyes.

Leashed Guns—

(Continued from story page)

Brockwell had jumped back, his right hand flashing to his hip. Thrown a little off balance by his blow, Dakota lagged on his draw and it looked as if Sarg Brockwell had him dead to rights.

Here Joe Rooney stepped into the game. At the first hint of hostility, Joe had slipped away from the pool table, a cue gripped in his hands, his faded old eyes glinting purposefully. And now, as Sarg Brockwell threw down on Dakota, Joe jammed the cut between Sarg Brockwell's ankles and gave it a violent twist.

Brockwell, his feet cut from under him, cursed rancorously as he fell forward, and his gun rammed flame and smoke into the floor. Dakota's return shot, loosed as Brockwell was falling, cut through the shoulder of Brockwell's shirt, just nicking the heavy muscles.

Before Brockwell could straighten himself, Dakota stepped forward and kicked the gun from his hand.

Leo Brockwell, dazed and bleeding, was mumbling curses and fumbling at his gun. As he raised it, Joe Rooney slammed him across the wrist with his cue. The gun thumped to the floor, where Dakota Blue snapped it up.

Dakota stepped back. "A'right, Joe," he drawled. "Let em up, I got their stingers. An' much obliged, Joe. That was quick, heady work."

Sarg Brockwell lurched to his feet and dragged Leo up beside him. A little smear of blood showed on Sarg's shoulder. And before any one could speak further, Jigger Starbuck came lurching through the swinging doors, a drawn gun in his

AMERADA OILERS COP CLOSE TILT SUNDAY

CONTEST FAIRLY EVEN AFFAIR UP TO VERY LAST

Brownfield Team To Play Littlefield Here Next Sunday

Last Sunday afternoon with fair weather the locals matched with the Amerada Oilers from the city of Hobbs, N. M. The contest was a fairly even affair and anybody's ball game up to the very last frame. The visitors tallied in the second stanza on two walks, and a single by Walker who covered in right field for the oil crew. In the third Blair, who found one to his liking hoisted it out of the park. In the eighth an error, and a two base sock netted the final counter.

The home team counted on Pudi Hanks' four ply drive over right center field in the second inning. This being the only score to mater, realize for the losers. On more than one occasion the home club had golden opportunities to tally by men who were in scoring places, but the punch seemed to be lacking at the plate. Glasier's relief work with men on third and second and no one out, who relieved Brooks in the third, after he got a batted ball on his pitching hand was worth the money. Weaver first to face him rolled feebly to pitcher, Simpson rolled in front of the plate which

Ratliff handled easily. Prather popped up to catcher Ratliff who retired the side.

Blair, catcher for the visitors, was the slugger for the day with two doubles and a homer in four trips up. The pitching department for the visitors struck out twelve of the Littlefield men for the nine innings. While three of the visitors whiffed. Otherwise the teams were evenly matched.

Manager Ratliff has stated that he will have the Brownfield team here in the home park next Sunday. He also stated that he would attempt to remedy some of the positions by either exchanges or new replacements before the next contest. All fans are urged to come out next Sunday at 3:30 p. m.

ROSWELL "ACES" OUTCLASS LOCALS; NEW MEXICO TERM WINS BY SCORE 17-5

Last Friday afternoon the newly assembled Littlefield baseball nine hubbed a rough assignment when they had as their baseball foe, the Roswell entry of the West Texas-New Mexico league. Though the visitors showed more power and trim condition than the home club displayed or even indicated, it did bring out some of the unpolished qualities our own boys could not shake off. The little saying goes that it is more honorable to lose to a real club than to fall before a mediocre team.

Mentioning some of the high lights of the afternoons performance, due credit must be given to the visiting battery, composed of Miller and Rheinhardt. Miller furnished the pitching and Rheinhardt the catching and batting punch that made him the outstanding hit-smith of the day. Two doubles, two singles and a four base smash with two mates aboard, put the stellar touch to a neat 8:34 batting average for his six trips to the plate. Miller's five hit pitching looked tops with 10 strike outs to his credit in seven innings. Glasier and Ratliff; Marsey and Allen divided time as battery teams during the melee. It can not be said that the home club showed any particular signs of spark or sparkle to receive extra mention, so future games may supply the needed praise and accomplishments by some of the home members.

Thornton's double in the fifth, scoring Coffman and Marsey was good news for the score hungry home fans, and it did seem very pleasant for the moment. Marsey's relief pitching who relieved Glasier in the fifth and retired Bradford on three pitched balls, brought glee and gaiety from the grandstand. Bradford by the way had two doubles to his credit on his first two trips up, so hence the credit due Mr. Marsey at this point. The game in general was slow and one-sided caused by many bobbles, seven in number for the Littlefield crew and 5 for the visitors. Better luck next time.

Rheinhardt, and Rose. Base on balls, Miller 5, Glasier 1, Marsey 4. Stolen bases, Bradford 2, Smiley. Struck out, Miller 10, Glasier 2, Mickey 1, Marsey 4. Hits off Glasier, 8 in 4 innings, Miller, 6 in 8 innings, Mickey, 1 in 1 inning, Marsey, 7 in 5 innings. Losing pitcher Glasier and Miller winning pitcher. Double play, Davis to Bradford to Henderson. Umpires, Gunter and Rhodes. Time of game, 2:50.

WORK PROGRESSING NICELY ON AMHERST-EARTH ROAD; WPA PROJECT

Work is progressing nicely on the Amherst-Earth road WPA project, which started Friday.

This road, which was heretofore narrow, has been widened to 100 feet, and the square dangerous turns in the road are being straightened, making curves where the short turns were. A caliche base across the sand hills will be laid, making it a good highway to travel.

People of Sudan, Amherst and Earth are very much enthused over

this project, as it will give them a good outlet from the south and west part of the county, leading into Hereford and Amarillo.

The statement was made Tuesday that the people throughout that part of the county are entitled to this good road, as there have been no good farm to market road serving to the people of the Earth community. Now, they will have this north and south road, and also Highway No. 28, running east and

west from Plainview to Muleshoe, which is under construction and will be completed within a year, which will give the people of Earth community an outlet four ways.

Lamb county commission is very happy to know that this thriving part of the county will have good roads, which they have waited on so long.

This project was sponsored by County Commissioner Paul Lewis of Precinct No. 2, and Hiram Bell of Precinct No. 4, with the full cooperation of all the county commission.

About 70 men are employed on this project.

Electric Cooking is Healthful Cooking?

Believe it or not, your cooking method has much to do with the health of the entire family. In the first place, because electric cooking is practically "waterless cooking," the food cooked holds a much greater proportion of its precious nourishment elements. There is no flavor-laden excess of water to rob your food of the very qualities it is supposed to be providing. But electric cooking goes farther—it provides a clean, wholesome, healthful atmosphere in the kitchen; a complete absence of smoke and soot. It makes the kitchen a cool, comfortable place to work the year round.

It even goes so far as to make for a more harmonious home life because it takes all the drudgery and confusion and worry out of the business of "preparing three meals a day."

tion of Texas. He also has worked with the Panhandle-South Plains Fair at Lubbock, and is thoroughly familiar with the people, industry and civic problems of West Texas.

"Before coming to Gonzales in February last year, Burgess was manager of the Chamber of Commerce at Center in East Texas for a year. He received his early training in Chamber of Commerce work under Bill Blanton manager of the Houston Chamber of Commerce, and is a graduate of the University of Texas in Business Administration and Journalism. His activities while attending the University and afterward were such that gave him an excellent background for a successful career as chamber of commerce manager.

"Work of the chamber of commerce manager at Gonzales during the past fourteen months has been rushing. Coming to Gonzales in February before the First Day Sale of Centennial stamps here on March 2, Burgess had no time to study the background of the city or to become acquainted rapidly. Preparations for the stamp sale that proved to be a record breaking affair kept him in the office for the first few weeks attending to the vast amount of correspondence and working out details that made the Nation's biggest stamp event glide smoothly at its climax.

"Because of careful planning and execution of the plans postal officials pronounced the event the greatest first day stamp sale ever held by the post office department. More than a million stamps were sold in one day, and more than 300,000 first day covers bearing Gonzales postmarks and cachets went out of the local office to all parts of the world.

"Requiring much of the Chamber of Commerce's time during 1936 were many Centennial year activities. With Gonzales being the "most historic" city in the state it was only natural that demands were heavy on the city for participation in events over all the state. Manager Burgess made many trips to other cities for celebrations, to arrange for parade entries and parts on programs.

"Burgess headed many parties to celebrations, including the Dallas Exposition, Houston, San Antonio and other cities. In this way the "Lexington of Texas" was given much recognition.

"The Chamber of Commerce also sponsored a series of trades days throughout the summer and fall of 1936 that drew large crowds to the city. In addition to this work there was a vast amount of routine work to be handled. Because of wide publicity thousands of inquiries were received at the Chamber of Commerce asking for information regarding Gonzales.

"For a year Burgess has been devoting time to the development of Gonzales Palmetto State Park and the establishment there of a new warm springs convalescent and rehabilitation center for crippled children. He aided in negotiations for land, in mapping out plans for the park, and in securing and keeping Civilian Conservation Corps camps, with the end in view of securing the building of the crippled children's center.

"Burgess, along with others interested in the undertaking, waged a campaign of months to secure recognition of the Texas and International Societies for Crippled Children. The efforts were crowned with success previous to Easter this year when Gonzales was given the opportunity of conducting an Easter sale of crippled children's seals over all of South Texas.

"To handle vast amount of work necessary in raising funds to build the crippled children's center, and to coordinate the efforts of various

organizations, the Gonzales Warm Springs Foundation was organized. Burgess was elected as executive secretary and the Chamber of Commerce directors voted to allow him to devote his entire time to the undertaking for a two-months period.

"With only six weeks to go before the Easter climax to the seal sale, Burgess began work at once to acquaint the people of South Texas with the project. He traveled thousands of miles, meeting with interested groups and organizations to explain the project and to assist in organization the same groups for fund raising.

"At the same time mailing lists had to be secured and an organization set up to handle the vast amount of correspondence incident to the seal sale and Foundation membership drive. Volunteer workers supplemented the local office force for long hours of work day and night and the week end before Easter found thousands of letters bearing Easter seals in the mail.

"Then the mail began returning, more correspondence was necessary, along with a tremendous task of book keeping to record the names of donors and the amounts they gave. Several thousand dollars are now in the bank. Directors over South Texas have been named, and before Burgess leaves for his new work these directors will meet to decide the future course of the Foundation.

"Within the past two weeks, Burgess, who is a Rotarian, has attended two district Rotary Conventions in the interest of the Warm Springs Foundation. One of these was at Harlingen and the other at Childress.

"During the next two weeks Burgess will endeavor to attend to pending affairs of the Foundation and Chamber of Commerce before departing to take up his new work at Littlefield."

delivered by Mrs. W. D. T. Storey. There was a large attendance on opening day, with the number attending increasing each subsequent session.

An outstanding feature of the school was the enthusiastic participation of local and national business concerns, many of whom displayed merchandise.

Participating concerns also furnished gifts for the ladies in attendance. There were hundreds of prizes awarded during the three day session.

The Lamb County schools have always featured an attractive stage kitchen, in which the lecturer works. This year's stage setting was the most attractive of any of the five schools. The lighting effects and color scheme being particularly outstanding.

Local and national concerns participating in the school were: Stokes, Alexander Drug Co. Johnnie Graham Truck Line, Southwestern Associated Telephone Co. day and Tuesday nights, May 10 and 11, under the direction of Dr. Mollie Armstrong.

Towns affiliated with the West Texas Chamber of Commerce were asked to name sponsors to take part in the shows. The most beautiful sponsor will be selected queen by vote of the audience and will be crowned "Miss West Texas" at the second night's follies.

The first presentation of the follies Monday night will honor Miss Marguerite Walling of Childress, queen of the 1936 convention in Amarillo. The 1937 sponsors will be presented to the 1936 queen Monday night. The coronation Tuesday night will be one of the most brilliant and colorful spectacles ever presented at a West Texas Chamber of Commerce convention, officials state.

Music will be furnished by the Denton Stage Band of North Texas State Teachers College. The band, directed by Floyd Graham, has played at the last five W. T. C. C. conventions.

Other entertainment units already signed are San Angelo's famous Cowboy Band, Wichita Falls' "Medicine Show" and Abilene's "Rock Crushers and Hill Billies." W. Lee O'Daniel and his Hillbillies, radio entertainers, will furnish an act.

verted at the age of 14, joining the Baptist church, and has since lived a conscientious, consistent christian life. At the time of her death she was a member of the First Baptist church of this city.

As Miss Lillie Veazey, she was married to M. L. Mayfield in 1909 at Hamlin, Texas, where she had continued to make her home until she and her family moved to Lamb county about five years ago. To this happy union were born five children, three daughters and two sons, all of whom are living.

Mrs. Mayfield was a devoted companion, a loving mother, a true neighbor and friend, and a conscientious Christian.

Deceased was survived by her husband; two sons, Fred of California; and Truett Mayfield, senior in the local high school; three daughters, Mrs. D. N. Marshall of Elida, N. M.; Mrs. Robert Reynolds of Lexington, Texas; and Mrs. Glen
