Hobbs Man Returning From Rodeo Narrowly Escapes In Car Mishap

Sid Pearson, winner of the Grand Prize at the Olton Rodeo last week had a narrow escape from death Saturday night about 10:30 p. m. when his large Buick sedan turned over on Oklahoma Avenue where it crosses the Santa Fe R. R.

Mrs. Pearson was driving and when she came to the turn at the railroad she could not make the curve and over went the car. Their small daughter was with them and it was fortunate that no one was injured. They were on their way home to Hobbs, N. M.

Pearson said he guessed his cash winnings of about \$150 would be entirely taken to repair the car which was righted

shortly after the wreck and driven to Hobbs. The doors were knocked out of line and the body received numerous dents.

Pearson had with him the \$100 beautiful roping saddle which he won as being the high point man of the Rodeo where rider's from all over the southwest competed for the \$1,200 in prizes.

Some "wit" in the crowd that gathered at the scene of the accident remarked, "Looks Sid, as if you can't ride these modern motor cars as well as you can the horses and Brahma Bulls. Maybe you better stick to the horses." Sid laughed and said, "Well I guess you are right."

Chicken Walks Upright, Balancing Itself By It's Tail

J. A. Burgess of Lubbock, father of Glenn Burgess, Secretary of the Littlefield Chamber of Commerce, owns a White Leghorn chicken, which got hurt when real small, by a drinking fountain falling on it, as a result of which it walks upright, balancing itself with it's tail.

LAST RITES FOR MRS. W. T. DRURY 3:00 P. M. SUNDAY

Had Been Suffering From Heart Ailment For Number Of Years

Last rites were conducted at the Amherst Methodist church Sunday afternoon, August 8 at 3 o'clock for Mrs. W. T. Drury, aged 45, who passed away at a local hospital about 4 o'clock Saturday morning, where she was taken Thursday for emergency treatment.

Rev. R. R. Gilbreath, pastor, officiated at the funeral, and interment in charge of Hammons Funeral home, took place in the Littlefield cemetery.

Deceased had been in ill health for a number of years, suffering from a heart ailment, and had spent a great deal of her time recently undergoing treatment at the Littlefield hospital.

Casket bearers were: S. L. Davis, Z. B. Thomas, W. S. Baker, Oren Kirk, C. A. Thomas and H. D. Bloodworth of Floydada.

SCHOOL BOARD TO HOLD OPEN MEETING MON.

Taxpayers Are Invited To Inspect School Budget For 1937-38

As announced by H. C. Arnold, secretary of the Littlefield Independent School District, open meeting will be held at his office in the City Hall Monday, August 16, at 8:30 p. m., at which time the citizens and tax payers of the District are invited to attend and inspect the school budget for 1937-38 school year.

Drilling Started On Etz-Robertson No. 1 Enochs Well

Drilling was started at noon Tuesday with rotary machinery on the Etz Robertson No. 1 Enochs well, in the center of Labor 66, League 182, Floyd County School Land, Bailey county, 1 mile west and 2 1-2 miles north of the town of Enochs.

Salvation Army Can Large Quantity Of Vegetables For Distribution To The Needy

The local unit of the Salvation Army are doing much to assist the needy in the way of providing vegetables from the community garden, which they have maintained and cultivated near their barracks.

Capt. Eula Trummell reports that from this garden they have canned the following: 58 quarts and 166 No. 3 cans of beans; 45 quarts and 14 No. 3 cans of squash; 173 No. 2 cans of corn; and 41 quarts of peas.

ACTION TAKEN ON ADVICE OF HEALTH DEPT.

Called Off Because Of Large Number Cases Of Infantile Paralysis

Donald Turner, County Agent, announced Wednesday that the Annual Farmers Short Course, scheduled for August 16 to 19, had been cancelled.

This action was taken on the recommendation of Dr. George W. Cox, State Health office, because of the large number stricken with infantile paralysis over the state, and it was not thought advisable to bring crowds of young people together at this time.

The Short Course for this year has, therefore, been cancelled.

Lamb county was to have been represented by nine women and two 4-H club members, who were scheduled to assemble at the Amherst hotel, Amherst, Saturday morning to go by chartered bus. The plans then included going by way of Muleshoe, Morton and Levelland to

SUFFERS INJURY IN CAR MISHAP NEAR ANTON

Car Hits Sandhill And Turns Over; Is Badly Wrecked

When the car which he was driving hit a sandhill on a side road near Anton and turned over, Saturday night, Truman Ragsdale, 21 of northeast of Anton had his right hand severely lacerated, and suffered considerable shock and bruises.

He was taken to the Payne-Shotwell hospital, where his injured hand was dressed, after which he went home.

Three other companions were with him at the time of the accident, but escaped injury.

The light sedan was badly wrecked.

Many Improvements Underway; Gins Are Being Repaired

Construction on a 3-room house for W. T. Tucker was started last week. B. H. Hunt has the contract and Higginbotham-Bartlett are furnishing the materials.

Buck and Son and doing considerable repairs to their store building at Fieldton. Same is being completely remodelled, and an additional room being added.

Considerable improvements are being made at Spade school, including interior decorating.

A number of the gins in this territory are remodelling and checking over their machinery in preparation for the ginning season.

SERVED TWO YEARS WITH THE POL FACULTY

As Principal Of Littlefield Grammar School 4 Years

At a regular meeting of the school board Monday evening, Dennis, teacher of training and mechanical for the past two years, was principal of the grammar school to fill the vacancy caused by the resignation of Earl Hobbs to accept of high school principal.

Dennis is a graduate of East Texas State Teachers college, Comstock, Texas. He came to Littlefield in 1933, where he was principal of the grammar school for two years, previous to which he was principal of Owen's school.

COMMISSION ASKS NEW DEPUTY BE APPOINTED HERE

Action Deferred Until Fall Season Begins In October

A petition bearing 300 signatures, asking that an additional Deputy Sheriff be appointed for the Littlefield territory, and recommending that L. A. Ratliff be selected for the office, was presented to the county commissioners Monday.

According to Judge L. R. Crock, the commission deferred action, being advised by the Sheriff's department that they felt they would be able to handle law enforcement in Lamb county without any additional help until the fall season begins in October.

Cochran County Well May Be Good Producer

The Ingelright-Duggan No. 1, 1 1/2 miles west of Discovery, Cochran county, after receiving its second stimulation, developed sufficient gas pressure to insure a good flow of gas. Gas pressure is reported as being some stronger than in the Duggan discovery.

When oil was first struck there was little gas, although oil rose to 100 feet.

The well has been choked down to a steady flow. While no official test had as yet been made, it is expected to be good for 600 to 800 barrels daily at its present standing. Initial depth 5055 feet.

Little Earl And Merle Pace, Though Only 5-7 Years Of Age Work Like Grownups

Mr. and Mrs. Marvin Pace, who live 6 1-2 miles northeast of town have two of the "workingest" children known in these parts. Earl, aged 5, and Merle aged 7, can do anything about the farm, in fact they work in the fields and about the out-buildings like men, according to their dad, who is real proud, and rightfully proud of these children.

Mr. Pace says he don't even have to ask the children to help him, but that sometimes he has to tell them to quit — when he thinks they are doing too much.

Earl and Merle are the usual size and not large for children of their ages.

Saturday, Mr. and Mrs. Pace and two children came to town to bring blackeyed peas to the cannery to can. Earle, the five-year-old drove the car while his parents and brother hulled the peas, and by the time they reached Littlefield they had hulled 10 quarts of peas, all ready to be canned.

Mr. Pace, thinking this unusual, as it was, reported it at the Leader office.

SUBSCRIPTIONS
\$1 Per Year in Lamb and Adjoining Counties.
\$1.50 Per Year Outside Lamb and Adjoining Counties.

Advertising Rates Given Upon Application

Subscribers who change their addresses, or fail to get their paper, should immediately notify this office, giving both new and old addresses. Communications of local interest are solicited. They should be briefly written, on only one side of the paper, and must reach this office not later than Wednesday noon of each week. The right of revision or rejection is reserved by the publisher.

Advertising that does not show in its text or typography that it is paid for must be marked as an advertisement. All local advertisements remain in this paper for the time specified or until ordered out. All notices, it matters not by whom nor for what purpose, if the object is to raise money by admission fee or otherwise, is an advertisement and when sent in for publication must be paid for at the regular advertising rate per line for each line printed.

Obituaries, cards of thanks, and resolutions of respect will also be charged for at the same rate.

Any erroneous reflection upon the character, standing or reputation of any person, firm, or corporation which may appear in the columns of the Lamb County Leader will be gladly corrected upon its being brought to the attention of the publisher.

In case of errors or omissions in local or other advertisements, the publisher does not hold himself liable for damage further than the amount received by him for such advertisement.

Does Advertising Pay?

Littlefield has the reputation of being one of the best business towns in West Texas—why? Merely, because Littlefield is awake to its possibilities and trade territory and is farsighted enough to advertise it's wares liberally by newspaper and other forms of advertising.

Littlefield merchants have always advertised liberally, and if conditions are at all good, local business establishments get a good share of business, even though in some instances the larger cities may entice some of it's trade elsewhere.

A clear indication of the value of advertising was manifest last week, when Ware's Department Store—who have been carrying a liberal amount of advertising each week in the Leader—received a letter from a man in Alamo, Ver., Old Mexico, stating he had read their advertisement in the Leader on "Free-Mould-no-seam" shoes, and enclosing a sketch of his foot, requested that this store send him a pair of shoes suitable for his feet.

The letter is as follows:

Gentlemen:—

Looking over our Lamb County Leader under date of Thursday, July 16, inst. I notice wherein you advertise a "Free-Mould-no-seams

shoe", as this make of shoe appeals to me as a comfortable shoe and if as advertised will no doubt fit my wants.

Enclosed am sending you an exact pencil drawing of my left foot, you will note that it is not a nice sketch (or-foot) but it is just as it is in reality. The pencil circle represents a corn or fish-eye, this defect will no doubt require an inside soft inner-sole, with a cut-out part to leave free the corn.

Enclosed am also sending you a clipping from our Littlefield paper, which may help you in explaining what is wanted. Shoe must be of the very broadest make, soft leather, low-cut-shoe.

Kindly let me hear further from you regarding your make of shoes, also price per pair; however if you can fill my order as explained herein you may ship a pair by parcel post, C. O. D. to address as outlined herein.

Needless to say, Ware's are making plans to ship the shoes, as per order.

DOES IT PAY TO ADVERTISE — WE BELIEVE IT DOES!

At The— Payne-Shotwell Hospital & Clinic

Mrs. Henry Brown of Amherst was admitted for observation on August 3. Mrs. Brown will be a patient for about a week.

Master Jerry Ferrich, son of Mr. and Mrs. Geo. Ferrich had his tonsils removed on the morning of August 3. Little Jerry was able to return to his home on the following day.

Miss Mary Dee Haberer of Littlefield underwent a tonsilectomy on August 3. Her condition is excellent at present.

Master Gerald Haberer of Littlefield, son of Mr. and Mrs. A. L. Haberer of Littlefield had his tonsils removed on August 3. Master Haberer was able to return to his home the following day.

Master Gerald Haberer, son of Mr. and Mrs. A. L. Haberer of Littlefield, underwent a tonsilectomy on August 3. He returned home on the following day.

Miss Mary Dee Haberer, daughter of Mr. and Mrs. A. L. Haberer of Littlefield, had her tonsils removed on August 3. She returned home on August 4.

Jack Rowan of Sudan was dismissed on August 3, after several days stay in the hospital because of an infected foot. Master Rowan is feeling much improved at the present.

Bernard Frerich, son of Mr. and Mrs. Geo. Frerich of Pep, underwent a tonsilectomy on August 3. Little Bernard returned to his home on August 4.

Mrs. Edgar Cook of Littlefield was dismissed on August 3. Mrs.

Cook was feeling much better at last report.

Mrs. L. B. Davis of Mapie, who underwent an operation on August 1, was dismissed on August 4 feeling much better.

Pauline Gilmore, daughter of Mr. and Mrs. H. J. Gilmore, had her tonsils removed on August 4. Pauline returned to her home in Earth on the following day.

Miss Jaunita Henderson, daughter of Mr. and Mrs. Geo. Henderson, of Baileyboro underwent an appendectomy on August 4. Jaunita is feeling very much improved.

Hazel Weaver, daughter of Mr. and Mrs. Vern Weaver of Bula, was admitted on August 4 for medical observation. Miss Weaver was dismissed a few days later.

Nancy Everett of Goodland was admitted on August 4 for medical treatment. Little Nancy was dismissed on August 6.

Joe Foltyn of Sudan was admitted on August 5 for observation. Since Mr. Foltyn was feeling much better on the following day, he was dismissed.

Duane Faucett, son of Mr. and Mrs. E. N. Faucett of Littlefield, had his tonsils removed on August 5. He is feeling fine at last report.

Doris Faucett, daughter of Mr. and Mrs. E. N. Faucett of Littlefield, underwent a tonsilectomy on August 5.

Mrs. Norman Bayliss of Littlefield, who underwent a major operation on August 2 was able to be dismissed on August 5. She is feeling much improved at last report.

Mr. and Mrs. W. C. Walthall of Anton are the proud parents of an 8 pound boy, born on August 6. The baby son and mother returned to their home on August 9. Both were in fine condition. The young son has been named Daniel Max.

Mrs. J. G. Ezell of Bula was dismissed on August 6 after making successful recovery from a major operation performed on July 26. Mrs. Ezell was feeling better at last report.

Sammie Jane Batton, daughter of Mr. and Mrs. Sam Batton of Littlefield had her tonsils removed on August 7. Little Sammie Jane returned to her home late on the same day.

Mr. J. V. Peeler of Littlefield underwent a tonsilectomy on August 6. At present he is feeling fine.

Kathryn Lewis, daughter of Mr. and Mrs. Bob Lewis of Littlefield underwent a tonsilectomy on August 6. She returned to her home a short time later.

Mr. Besie Boyd of Baileyboro was admitted on August 6 for medical treatment. He was dismissed some time later, feeling much better.

A baby boy, delivered by cesarean section on August 7 is the 8 1-2 pound son of Mr. and Mrs.

NEARLY FIVE HUNDRED GARMENTS MADE AT LITTLEFIELD COMMUNITY SEWING ROOM DURING MONTH

A total of 492 garments were made by the Littlefield sewing room, which is a WPA project, during the month of July to Miss Lula Hubbard, supervisor, who reports 696 yards of material used. This includes dresses, slips, and men's and boys' shirts.

Fifteen women and three girls are employed on this project. Women work five days of seven hours per day, and the girls 4 1/2 months.

Recently two new workers were added, Mrs. Ira McCarty and Vera Nichols of Sudan.

E. L. Leathers of Amherst. Both baby E. L. and his mother are improved at the time of this report.

Mr. and Mrs. Bud Louallen of Cotton Center are the proud parents of a 7 pound girl born to them on August 8. Both mother and baby, Buddie Lou are feeling fine.

Mr. and Mrs. E. L. Carter of Sudan are the proud parents of an 8 pound girl named Gracie Ruth. Mother and young daughter are feeling well.

The small son of Mr. and Mrs. E. E. Turner of Littlefield was

treated on August 6 for injured while hoeing. Although not serious at all, he returned to his home a short stay.

Mr. J. A. Nickels of Littlefield admitted for observation on August 8. At present he is feeling well.

Mr. J. T. Ragdale of Littlefield was treated for a bad hand he sustained in an accident on Saturday, August 6. Mr. Ragdale is expected to return to his home in a few days.

time later.

Many Choice South Plains Farms Available

In the heart of the fertile South Plains there are still available many choice Yellow House farms. Many with favorable improvements... a large number of unimproved farms... but all rich in highly productive soil. These choice farms are located with easy access to affiliated schools, sizeable towns with marketing facilities, and churches of all denominations.

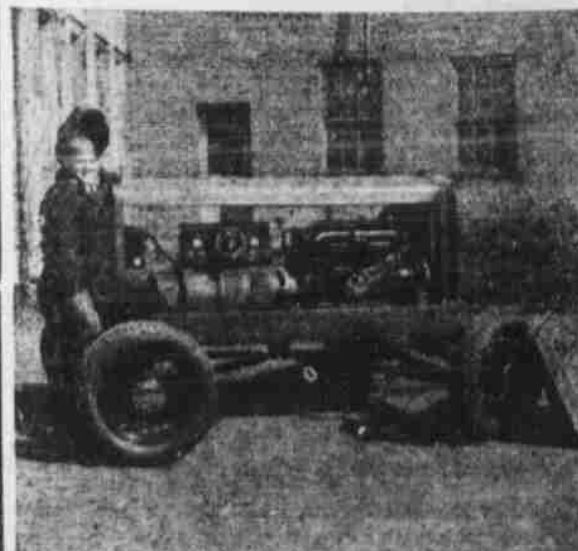

Those who are seeking farm lands in the fertile South Plains either as an investment or permanent home—we urge you to investigate the famous Yellow House farms.

JUDGE A. J. FOLLEY VISITS HERE ON VACATION

SAYS CROPS IN LAMB COUNTY LOOK BEST; VISITS HERE WITH FRIENDS; HOME IN AMARILLO

What do Associate Justices of the Court of Civil Appeals do in the summer?

We don't know what they all do but Judge A. J. Folley, member of that august body was a visitor over night Tuesday and called on some of his old friends here.

When asked where his wife was (she wasn't with him) the Judge said, "I'm sorry Mrs. Folley isn't with me, but she is in Fort Worth visiting her mother who is sick."

The Judge said he had been making a tour over the District (just 47 counties) seeing old friends and making new ones. Monday he was in Dalhart at the XIT Reunion and reported he had a big time.

While here the Judge spent the night at the Littlefield hotel. He said of all the crops he had seen he felt that the crops in Lamb county looked better than in any other of the South Plains counties.

Although a new member of that court Judge Folley has many friends in this county. He was appointed Associate Justice of that court in May of this year upon the death of Chief Justice R. W. Hall, at which time Judge M. J. R. Jackson was elevated to the office of Chief Justice.

Judge Folley was reared on a farm in Limestone county, Texas, later moving to Mart in McLennan

JUDGE A. J. FOLLEY

county where he was graduated from high school in 1915. He then entered Baylor University at Waco from which institution he received both the A. B. and LL.B. degrees. He was a soldier during the World War and has been a member of the American Legion for more than fifteen years.

When the 110th Judicial District was created in February 1929, composed of Briscoe, Dickens, Floyd and Motley counties, Judge Folley, who was then practicing law at Floydada, was appointed as its first district attorney by Governor Dan Moody. Serving as district attorney for six years he was elected district judge of the same district in 1934. During his tenure of office as district attorney and district judge he resided at Floydada in Floyd county.

When the vacancy occurred on the Court of Civil Appeals at Amarillo in May of this year, Judge Folley, through the efforts of his friends and without application on his part, was appointed Associate Justice of that court by Governor James V. Allred. With his legal training and experience his friends predict for him many years of judicial service for the State.

Hammons Funeral Home Employs Miles, Texas Man

Stacy Hart of Miles, Texas, is now connected with the Hammons Funeral Home as a licensed embalmer and funeral director.

Mr. Hart is a graduate of the Dallas school of embalming, and has had considerable experience along this line.

Suffers Slight Injury In Auto Accident Recently

Mrs. Anna Bradley of 1 1/2 miles east of Littlefield received the message this week to the effect that her son, J. B. Bradley of Hutchinson, Kansas, suffered minor injuries Sunday, August 1, in a three-way motor car crash near that city.

Mr. Bradley is reported to have attempted to go around another car when his automobile went into the ditch. Bradley's car rolled over three times, finally stopping with wheels spinning in the air.

Bradley crawled out of the machine with a few minor bruises and a skinned place on his leg.

Olton Enterprise Being Published By Mr. And Mrs. Smith

Mr. and Mrs. W. B. Smith, Jr. are the new editors of the Olton Enterprise, succeeding W. R. Scott, and published their first edition last week.

Mr. Smith is the son of Mr. and Mrs. W. B. Smith of three miles west of Hale Center, and Mrs. Smith was formerly Mary Kyle, daughter of the late L. L. Kyle, founder of the Enterprise, and Mrs. L. L. Kyle, who is again making her home in Olton.

County Commission Meets With Water Conservation Ass'n

Judge L. R. Crockett and Commissioners, G. M. Vann, Hiram Bell, Paul Lewis and Don Bryant met with the Water conservation organization Wednesday at Amarillo to discuss with them the water conservation program for Lamb county, and learn what the possibilities are for obtaining an allotment of money to build a lake in Lamb county.

CARD OF THANKS

Realizing this is a very feeble effort, we take this method of expressing our most sincere and heartfelt thanks to each and everyone who contributed food, flowers and prayers or in anyway assisted us, including the entire staff of the Littlefield hospital, and especially Dr. Duke and wife, during the long illness and tragic death of our darling wife, mother and sister.

Signed:
W. T. Drury and Avis.
Mr. and Mrs. W. J. Pugh and family.
Mr. and Mrs. J. S. Gregson and family.
Mr. and Mrs. K. E. Gregson and baby.
Mrs. J. E. Burklow.

At Your Best!

Free From Constipation
Nothing beats a clean system for health!

At the first sign of constipation, take purely vegetable Black-Draught for prompt relief.

Many men and women say that Black-Draught brings such refreshing relief. By its cleansing action, poisonous effects of constipation are driven out; you soon feel better, more efficient.

Black-Draught costs less than most other laxatives.

Irrigation In Lamb County

By JEFF A. FOWLER

IRRIGATION . . . What it could be to Lamb county and Plains Country in general people would become around possibilities it offers. As a citizen of irrigation, you can imagine surprise when, accompanied by a citizen of Littlefield, we drove to the farm of Mr. Pickens, miles northeast of Fieldton, surrounded by farms whose although in excellent condition found a tract of land whose ture and shaded from the cotton almost waist high; corn, from the ground up and appears that rival those of low Illinois; maize, with heads of dulous proportions; sudan dark green and shoulder high falfa, equal to the best, and a vineyard with maize growing tween the rows.

Up at the pump-house an inch stream of cool clear was gushing into an artificial that discharged its life-giving through ditches to the father reaches of the field, where that had never lacked for moisture would be insured a bountifully ply.

Truly, it was a refreshing my host advised me that water, ficient for irrigation, is available over a large area in Lamb county and surrounding territory, at a sonable cost, but that few farmers are taking advantage of this natural resource.

In the natural scheme of the nature gave you broad and fertile plains and an abundance of water. The character of the soil and topography of the surface makes possible to cultivate a crop with expenditure of less energy than other place on earth. For this reason, possibly, nature placed the water underground, but easily within your reach.

Local Store Adds Assistant Manager To Store Personnel

John Lindsey who was connected with the Perry Brothers store in Brady, Texas, has arrived in Littlefield to take over his duties as Assistant Manager to Archie D. Mr. Lindsey is originally from Wadlington, Texas.

Mr. Lindsey has a pleasing personality and has had much varied store experience. He is single and is living at the Bridges home.

With 41 feet "more store" than formerly, Perry Brothers presents a fine appearance this week.

Terraced Farm Crops Withstand Dry Weather Better

Mr. J. E. Johnson of the Fieldton community who operates two farms, one of which he terraced this year, has noted a distinct difference in conditions of the crops on the two farms.

The farms adjoin each other and cotton planted on the terraced farm is from four to five inches higher and is much heavier fruited than cotton planted at the same time of the unterraced farm. Mr. Johnson states that crops on the terraced farm withstood the dry weather in July much better than did the crops on the other farm.

BIG SPRING SELECTED FROM 14 WEST TEXAS CITIES AS SITE FOR STATE HOSPITAL FOR INSANE

Big Spring is to get the new state hospital for the insane, for which plans have been underway for some time.

The board of control, after studying propositions of 14 West Texas cities, announced it had selected that of Big Spring because it offered "the best opportunity of serving the people of West Texas."

The \$817,000 institution, authorized by the legislature at its last session, probably will be the most modern in the state system of seven hospitals.

Claud Teer, board chairman, said a year probably would be required to complete building operations and then the legislature would have to make an appropriation for maintenance. He said it was unlikely the appropriation would be made before January, 1939, unless it was authorized at a special session in 1938.

Plans will be drawn when Big Spring meets all legal requirements of its proposal, he said, including furnishing an abstract on 580 acres of land it will give the state, and obtaining assurance of a railroad

company and county for constructing a spur to the site.

The site overlooks the city about one and one-half miles north of the center and is bounded on three sides by public highways. In addition, the city agreed to furnish all utilities, including 300,000 gallons of water at 10 cents per 1000 gallons, or deed to the state a tract of land containing five wells which will produce 300,000 gallons daily. Under the latter arrangement, the state could pump water through city mains at \$1 per year.

In a statement, the board said it acted after a careful study of all phase of the problem of locating the institution, which the legislature decreed must be located west of the 100th meridian or in a county through which it runs. The new institution will supplement those at San Antonio, Austin, Terrell, Rusk, Wichita Falls and Galveston.

Dr. George McMahan, formerly on the staff of the San Antonio state hospital for six years, has been chosen superintendent. He was graduated from Baylor Medical college at Dallas.

Planting Trees For Windbreaks Are Becoming Popular

Planting of trees for windbreaks are becoming popular around a number of farm homes in Lamb county. Windbreaks were planted around fifteen farm homes last winter with trees secured from the Texas Forest Service. Most of these trees are growing nicely.

One of the outstanding windbreak plantings in the county is that of the L. V. Fent home, south of Olton. Three hundred and thirty-seven Chinese Elms, red cedar, honey locust and Osage orange trees were set out in rows on the north and west sides of the Fent home. Only three of these trees have died, and the balance have made a remarkable growth. This planting would be a credit to any West Texas Farm home. A windbreak of this sort not only serves as a protection from the wind, but furnishes shade for poultry and livestock.

to fire one, you half to give him seven days notice. Also have to have a native foreman under each white man.

"Conditions are much better now, we have about 100 miles of good oiled road, cars, trucks and big machinery of all kinds, radios, nice club houses and see two good shows a week.

"In many of these house is left a space left for a church, so now instead of eating alligators and so forth they demand the company to put in comisaries where good food will be available.

"All these houses are being built by C. C. Ross, Contractor of South America."

Disinfecting Seed Potatoes Is Said To Increase Yield

Mrs. Bob Ivey, home food supply demonstrator for the Amherst Home Demonstration club, reported a better yield of potatoes after disinfecting the seed potatoes. This is done by soaking the seed potatoes in a solution for 1 1/2 hours. The solution is made as follows: Four ounces of corrosive sublimate dissolved in 2 quarts of hot water. Make up the solution to 30 gallons by adding cold water. Do not use metallic containers. This is quite poisonous.

Announce Dates For Panhandle-South Plains Fair Ass'n

Lubbock, Aug. 10.—The dates for the 24th annual exposition of the Panhandle South Plains Fair association were announced as September 27 through October 2, following a meeting of the Board of the Fair Association here the past week.

Because of the late start, preparations were begun without delay and the directors stated that the fair this year would include all the features of those in the past, with all departments enlarged and with several departments added. Negotiations were immediately started with two outstanding carnival companies now playing in Kansas with the expectation that one of the two will be signed for the midway attraction.

The directors, among other things, decided to present a program of horse racing in spite of the unexpected difficulties on that score, and instructions were given to secure the best entertainment available for an outstanding program of free attractions.

Don't put up with useless PAIN
Get rid of it

When functional pains of menstruation are severe, take CARDUI. If it doesn't benefit you, consult a physician. Don't neglect such pains. They depress the tone of the nerves, cause sleeplessness, loss of appetite, wear out your resistance.

Get a bottle of Cardui and see whether it will help you, as thousands of women have said it helped them.

Besides easing certain pains, Cardui aids in building up the whole system by helping women to get more strength from the food they eat.

tractions.

One of the departments to receive special attention will be that for swine. High market for hogs and the high cost of feed, it was explained, have combined to reduce the swine population of the South Plains to its lowest in years. Directors were informed that many farmers have urged that swine exhibits be stressed in the belief that it will tend to revive South Plains pork production.

Jarrell Man Here Looking After Business Interests

Wm. Kalmback of Jarrell, Texas, spent Sunday and Monday here looking after business interests.

Mr. Kalmback owns a farm one mile north from Yellowhouse Switch, which is being worked on share crop basis by Stanley Vrana.

Mr. Kalmback, in commenting on this section said—"Crops are looking good, but they are a little late."

Rev. A. A. Brian Closes Revival At Rocky Ford

Rev. A. A. Brian, formerly pastor of the First Baptist church, Littlefield, but now Missionary of District No. 9, closed a revival at Rocky Ford Sunday, which was underway for a week.

Rev. Brian reported large crowds

at the meeting, stating there was an attendance of 82 Saturday morning; 100 people in prayer meeting, and six conversions Saturday morning.

Rev. Brian announced that he was beginning a meeting at Circle Back, Bailey county, the beginning of this week, and was looking forward to a good attendance.

FAIR ASSOCIATION SIGNS CONTRACT FOR RODEO

OLTON MAN TO STAGE 3 DAY SESSION HERE

"Curley" Daugherty Conducts Annual Fair At Olton

A contract was signed Wednesday by the Lamb County Fair Association with "Curley" Daugherty of Olton for the staging of a three day rodeo in Littlefield during the Fair, according to E. O. McIver, President.

Mr. Daugherty has conducted annual rodeos at Olton during the past several years very successfully, and it is believed that this event will add considerably to the attractions being staged in connection with Lamb County's second annual fair.

Feed Crop To Be Eleven Per Cent Above Average

Estimates by the government of this year's yield of corn, wheat, rye, oats and other major crops, were increased greatly Tuesday.

"A very marked improvement in crop prospects, the federal crops reporting board said, now indicates 1937 harvest of "nearly 11 per cent above average, providing there are no unusual weather difficulties the remainder of the season."

The estimates were based on August 1 conditions. A month ago the board forecast a yield about 4 per cent above average.

Biggest increase was the new corn estimate of 2,658,748,000 bushels, a gain of nearly 90,000,000 bushels. This will be more than 1,100,000,000 bushels above the short crop last year and about 100,000,000 ab-

ove the average of the five-year 1928-32.

The board said the harvest may loom large when compared with recent drouth years "but would hardly be called excessive."

Mr. and Mrs. L. F. Fitzgerald Return From 2 Weeks' Trip

Mr. and Mrs. L. F. Fitzgerald and son-in-law and daughter, Mr. and Mrs. Ira Martin and little daughter, Bobbie Dean returned Tuesday from a two weeks vacation tour through Central, South and East Texas, sightseeing and visiting relatives. Some of the places visited were Bryan, Austin, Gatesville, Killen, Belleville and Caldwell, where they stopped to see their daughter Mildred who is operating a beauty salon at that place. They report a wonderful time.

Enjoy Yourself

Citizens Of Lamb County!

WHERE are all those good times you promised yourself at the start of summer? What happened to them? Those picnics, swims, outings, moonlight dances — what became of them? Summer is full-blown, the year's at its peak and the days are getting shorter. These are the moments you'll be looking back to, sighing for next winter. Why not enjoy them now?

THERE are steaks to broil in the woods at sunset, bikes to ride on the by-ways, lanes and meadows to explore. There are long lazy afternoons to drowse away with a book and a friendly, frosty glass. There are nights so bright the stars cannot be seen, nights to while away with friends and laughter on a cool screened porch with the crickets for music and the harvest moon for company. This, indeed, is that time of year for which all the rest was made!

ABOVE all, this is the season to forget, for a little while, the clock, the petty routine, and all the tiny tiresome tasks and obligations that, unchecked, make life a bore. This is the time to slow down or to cut loose as you prefer; these are the days to indulge yourself (and why not recklessly for once?) in the little gay fads, the mancies and fripperies that help make the warm sunny weeks one long vacation and give you a bright fresh start for the sobering months ahead.

THE ADVERTISERS IN THIS NEWSPAPER ARE DEPENDABLE AND CAN HELP YOU WITH YOUR VACATION PLANS!

LAMB County Leader

Littlefield Defeats Amherst In Tournament Game

Amherst Eliminates New Mexico Entry In Thriller Wednesday

Amherst And Sudan Win As Tournament Gets Underway

THREE MARKERS EACH WERE MADE IN FIRST INNING

Guy Aldridge Defeats Ace Hubber Pitcher On Mound

Wednesday (yesterday) afternoon Littlefield was again the undoing of pitching of Lefty Blanchard, who has made quite a record for himself in local circles. Now that competition has become keener and the batting eyes of the locals he has not been so effective of late. This being the second successive plastering he has had from our boys.

The game was full of a number of high lights and started off with a bang. When three markers each were made by both clubs to open the first frame. Manager Dick Ratliff banged a homer over with men on base as did Blanchard. And from there on out it was a sea-saw affair with Littlefield going back into the lead after Amherst led four to three at one time.

Pud Hanks who hoisted a long triple on the center field rail and driving in needed tallies proved his dependability in the pinches, which he has done many times the past several seasons.

Guy Aldridge, was the moundman for the Panthers with Ratliff doing the receiving. His work was good and outlasted Blanchard and got another win to his credit.

The finals of this tournament gives promise of being worth-while and fans who like their baseball will see plenty of it the next few days.

Miss Marie Lee And Buford Nichols Wed Here Sunday

The marriage of Miss Mary Marie Lee of Dimmitt and Buford Nichols of Littlefield was solemnized here Sunday evening.

The ring ceremony was performed by Rev. Willis J. Ray, pastor of the First Baptist church, at the parsonage about ten o'clock, following the open air revival underway at the church.

CLOVIS PLAYS GOOD BRAND OF BASEBALL

Burris Hits Homer With Burris On, 2nd Sacker On Base

The newly assembled Clovis baseball team was pitted against the Amherst Reds in the tournament opener last Sunday afternoon. Getting off to a whobby start when the Amherst lineup went after runs and got them by hitting safely six times off Red Graves, before they were retired and when the dust had settled they were six runs to the good. This is usually a most substantial lead for any club with average ability. But if Dorman, left-hander had waited much longer before coming in as relief to Dickerson the New Mexico club might easily have been the winner. This was largely due not only to the effective pitching of Graves after the first stanza, but his home run with Burris (second sacker) for Clovis on base, counted two tallies that added greatly to the small end of the score. A very fast double play was executed in the fourth inning; Burris to Onstoot to Bell. This too was one of the high lights of the game for Clovis.

Bailey White who plays first base for Amherst gave the fans a smart display of fielding and hitting during the performance. Gee, second baseman for Amherst showed power at the plate when he rattled the boards in right-field twice with rousing two ply hits. The game as a whole proved to be rather exciting as the losers kept gaining ground to the last. The Clovis nine will bear watching from here on out.

The final score of the game was Amherst 8, Clovis 5.

Tiny Cars Compete for Awards

J. L. Harrell (left) and Walter J. E. Schiebel, judges in the Fisher Body Craftsman's Guild competition, pictured at Dallas while judging model automobiles designed and built by 12 to 20-year-old boys from Texas, Oklahoma, Arkansas and Louisiana. Mr. Schiebel is principal and Mr. Harrell an instructor in Dallas Technical High school. Two \$5,000 university scholarships and other awards valued at \$47,350 are being offered in the competition which is sponsored by General Motors Corporation.

BAINER IS NO SET UP AS WAS PREDICTED

Furlough Makes Players From Hobbs Look Sick

Much to the surprise of all paid customers who saw the Bainer boys warm up for their ticket (Sudan) in the second game of the afternoon, found the Bainer gang a bit hard to handle before the nine innings had been completed. For some reason they kept their hidden possibilities back until the game was well underway. With Furlough for Bainer and Webster opposing each other in a pitchers battle. As stated the ultimate results were a real upset to most everyone.

Sudan with her line-up reinforced by acquiring some of the Amerada Oilers from Hobbs, looked the part of one of the money winners in the tournament. But when the roughly dressed Bainer lads got through with them, they presented a more doubtful picture. Demp Webster who prefers to pitch and do things with his left hand and arm looked like a million and pitching no hit ball while it lasted. But with Furlough, right hander, using a slow underhand pitch that stood Sudan's hefty batters on their ears most of the time caused plenty of fun before the game ended. It isn't likely that Bainer will get anywhere in the tournament standing, but they have the consolation that Sudan became very uneasy, in fact so much so that Newty Moore relieved Webster in the seventh to avoid any further scoring. He did a very satisfactory job of relief work the remaining two innings.

Fieldton Defeats Sudan 15 To 5

The Fieldton players defeated Sudan Tuesday afternoon at Sudan. The home runs were knocked by

Littlefield Wins Over Amherst In Night Game

Duncan Pitches No Hit Ball For Seven Innings

Last Friday night when most folks were thinking of calling it a day, and bedding up for the night, the Littlefield and Amherst baseball clubs walked out on the local diamond and viewed each other for nine innings of baseball. The result was most favorable for the home club. Tripping up the Red pants crew to the tune of 7 to 0. This was all the more satisfying since the boys from home suffered a very stinging defeat in the recent Sudan tournament from this same outfit.

The newly acquired mound artist, one Mr. Duncan, who throws them with his right arm, came near pitching a no hit no run contest. After surviving for seven innings he was nipped for a scratch single in the eighth, and again in the final frame. The rest of the time it was a case of three up and three down. The home club were not counting either until the 6th when Ballard, who is in the lead off spot for the Littlefield club sent a long four base smash over the left-field wall. This seemed to be very suggestive to some of the others in the line-up and they got started with the unique power they can display and made more than enough tallies to assure pitcher Duncan a neat win in his first appearance in a Littlefield uniform.

Lefty Wright, who has had professional experience in baseball pitching, held up in good style for five innings. When things began to happen in happen that spelled his undoing. Ballard who got four safeties in five trips to the plate for the locals was the batting star of the contest. His mates who did not get the fine percentage figures for the evening, made up enough solid licks to drive in scores when men were on base. Pud Hanks was very dependable in this role, as was Eddie Miller, and Dick Ratliff.

Slats, catcher for Fieldton. The Fieldton boys have won several games this year and have lost a few. The Sudan team has also lost and won several games.

LITTLEFIELD KNOCKS HALL FROM MOUND

Defeat Muleshoe 15-3; Ratliff Knocks Homer With Bases Full

Manager Dick Ratliff of the Littlefield Panthers walked up to the plate in the seventh inning Monday afternoon at Amherst and knocked one over the fence for a home run with the bases loaded.

That brought in four runs and when the final inning was over Muleshoe was on the short end of the ball game 15 to 3. The game was staged in Welch Park where the Amherst Ball tournament is being held.

Chief Hanks, first baseman delux also popped one over the fence for a homer as did shortstop Miller.

Three Muleshoe pitchers faced the bats of the hard hitting Littlefield club and failed to stop the hitting spree the boys were on during the afternoon.

Tommy Hall, who used to be on the payroll of the Littlefield team played for Muleshoe and his former team-mates decided to work on him which they did. Hall went to the showers in the third inning knowing that his former playmates could hit his offerings as well as other teams.

Lefty Burns and Doss Wright also pitched for Muleshoe but didn't show up any too well.

Duncan pitched for Littlefield and only gave up seven hits during the game. Ratliff caught for Littlefield. Col. Williams did the catching for the losing Muleshoe club.

Dr. J. E. and Hazel Nelms and little daughters, Helen Jean and Corda Lee spent Saturday night and Sunday at Buffalo Springs, camping and swimming.

Hot Weather is Here— Beware of Biliousness!

Have you ever noticed that in very hot weather your organs of digestion and elimination seem to become torpid or lazy? You food sour, forms gas, causes belching, heartburn, and a feeling of restlessness and irritability. Perhaps you may have sick headache, nausea and dizziness or blind spells on suddenly rising. Your tongue may be coated, your complexion bilious and your bowel actions sluggish or insufficient.

These are some of the more common symptoms or warnings of biliousness or so-called "torpid liver," so prevalent in hot climates. Don't neglect them. Take Calo-tabs, the improved calomel compound tablets that give you the effects of calomel and salts, combined. You will be delighted with the prompt relief they afford. Trial package ten cents, family pkg. twenty-five cts. At drug stores. (Adv.)

RISE NINE WAR AMONG THE 8 TEAMS

Socket Over Turns Clovis Goes Out Of Tourney

It is easily said that Bainer, until the Amherst game got underway, were the surprise nine so eight clubs entered in Amherst affair, of base-ments. Last Sunday when he-haw be-cause they did to be up on the finer of play. But the opinions were quite different after lining of playing, when necessary to call on their to hold them off to avoid So Wednesday they came in and very politely sent in defeat and out of ment. Which all goes to uncertain baseball dope who the winner is to be until man is out.

CHURCH NEWS

BEGIN AT METHODIST SUNDAY; REV. MARVIN B. WOOD TO DO THE PREACHING

Norwood, pastor of the Methodist church will do the preaching at the revival Sunday. Services will begin at 8:15 a. m. on the grassy lawn in front of the church, and will continue at 8:15 p. m. on Sunday evening, as usual. Rev. Wood will preach at 10 o'clock. The service will be held at 10 o'clock. The service will be held at 10 o'clock. The service will be held at 10 o'clock.

Epworth League Meetings Revived At First Baptist

The Epworth League meetings for young people have been revived at the Methodist church each Sunday evening, and all young people are invited to attend and take part. Interesting programs have been presented the past few Sunday's.

Special emphasis will be given to the young people's services during the revival. Adequate adult leadership will be provided to counsel with the young people in their personal and religious problems. Every young person who desires to find the "best good time" and the more abundant life is urged to come.

first of last week. She was accompanied home by her mother, Mrs. J. L. Fuqua of Waxahachie, Texas. Mrs. Kirk also had as her guests last week, her brother and family, Mr. and Mrs. R. G. Fuqua and two sons, G. W. and Wayland of Stamford, Texas, her granddaughters, little Misses Patsy Ruth and Mary Tom Kirk of Blackwell, Texas and Melvia Joyce McCoy of Spade.

Mr. and Mrs. A. C. Chesher left last week on a two months tour through Mexico and Cuba, and will also visit New York. Mr. and Mrs. W. J. Chesher received a message from them from Point Isabel, stating Mr. Chesher had entered the Fishing Rodeo there.

Mr. and Mrs. George White left Sunday and are spending this week in Mineral Wells.

Mrs. W. O. Stogner of Oklahoma City spent last week with her daughter and son-in-law, Mr. and Mrs. W. J. Chesher.

Mr. and Mrs. Charlie Lyne of Dallas arrived Saturday night for a visit in the W. J. Chesher home. Mrs. Lyne and Mrs. Chesher are sisters.

Mr. and Mrs. Charlie Lyne and Mr. and Mrs. W. J. Chesher are leaving Sunday on a two weeks trip to Mexico City, and other scenic points.

Mr. and Mrs. R. S. Thomas of Philadelphia, who have been visiting their parents, Mr. and Mrs. J. C. Whicker, left Tuesday for home.

Mr. and Mrs. Everett Whicker had as their guests for a couple of days this week, Mrs. Whicker's mother, Mrs. Smith of Amarillo.

Mrs. Anna Bradley returned home Monday from Abilene, where she has been visiting her mother and sister, Mrs. O. M. Maryland, and mother, Mrs. Mary Ellis, at Clyde, Texas.

I. C. Enoch of Lubbock was attending to business at the Enoch Land company Tuesday.

Rev. and Mrs. Joe F. Grizzle attended the Baptist Tuesday evening, and stayed over Wednesday visiting friends here.

Boundary Lines Are Found To Be Permanent

Following a meeting of the Commissioners of Hockley and Cochran counties, and surveyors Jeff Williams, Hale Center, and W. H. Tilson of Plainview, including Judge Allison of Levelland, with Land Commissioner Wm. H. McDonald at Austin, recently, for the purpose of hearing of boundary line disputes, it has been held that the south corner between Lamb and Bailey counties, established some 20 years ago, was found to be a well established corner, and will remain as the permanent boundary.

A letter received by Hon. Alvin R. Allison, Levelland, fully explains the findings as follows:

"In compliance with your requests of recent date, and the accompanying statements of the surveyors and other instruments, and in accordance with the provisions of Art. 1589 Revised Civil Statutes of Texas, very careful consideration has been given to the arguments, the evidence and the authorities with reference to the proper instructions to be given for the running of the west line of Hockley county and the east line of Cochran county. After due consideration of all items pertaining to this line, including the instruments on file in the Land Office, we have reached the conclusion that, under the law, the following should apply:

"It is a well settled principle of the law of surveying that a call for course and distance must give way to a call for a specific point or object. We find that in the court decreed as follows: "That the west boundary line of Hockley county and the east boundary line of Cochran county is a straight line extending south and north, having for its southern end the common corner of Hockley, Cochran, Yoakum and Terry Counties as heretofore adjudged, and from said point extending due north on the meridian to the southwest corner of Lamb county and the southeast corner of Bailey county."

Applying the legal principle to the above portion of said decree of the court it would appear clear that said line must be run from the common corner mentioned on the south to the said southwest corner of Lamb county and the southeast corner of Bailey county on the north. It is believed that the line must be run to the specific point mentioned, and that the call "extending due north" must yield to whatever variance is found necessary in order to place the north end of the line at the aforesaid southwest corner of Lamb county and southeast corner of Bailey county.

"Thereupon the problem becomes simplified to the extent of finding out the proper location of said southwest corner of Lamb county and southeast corner of Bailey county. These counties not being parties to the suit of Garza county vs. Lynn county we must look elsewhere for the location of said corner. In so doing we find that in 1910 the north, west and south lines of Lamb county were run out by Mr. W. H. Tilson and a corner established as the southwest corner of Lamb county and southeast corner of Bailey county.

"We are therefore forced to the conclusion that in so far as this office is concerned, unless and until the southwest corner of Lamb county and the southeast corner of Bailey county is adjudicated to be in some place other than that established by the said Tilson, we are under the legal obligation to hold and consider that the southwest corner of Bailey county is at said point established by the said Tilson.

"This being the situation, you are instructed in accordance with Art. 1589 Revised Civil Statutes of Texas, that unless and until the aforesaid southwest corner of Lamb county and southeast corner of Bailey county is adjudged and decreed to be at some place other than that established by the said W. H. Tilson, the proper manner in which to run the west line of Hockley county and the east line of Cochran county is to begin at the common corner of Hockley, Cochran, Yoakum and Terry counties, which point was agreed upon by the surveyors, and from that point proceed in a straight line to the aforesaid southwest corner of Bailey county as established by the said W. H. Tilson in 1910 and recognized and approved by the then commissioner of the General Land Office.

"Yours very truly,
"Wm. H. McDonald,
"Commissioner.

ner of Lamb county and southeast corner of Bailey county. We find from instruments on file in the General Land office that this survey was approved by the then commissioner and said corner recognized. We do not find that such recognition of such corner has ever been withdrawn or changed in any manner, nor do we find that any court has ever decreed said corner to be in any place other than that established by the said W. H. Tilson.

We are therefore forced to the conclusion that in so far as this office is concerned, unless and until the southwest corner of Lamb county and the southeast corner of Bailey county is adjudicated to be in some place other than that established by the said Tilson, we are under the legal obligation to hold and consider that the southwest corner of Bailey county is at said point established by the said Tilson.

"This being the situation, you are instructed in accordance with Art. 1589 Revised Civil Statutes of Texas, that unless and until the aforesaid southwest corner of Lamb county and southeast corner of Bailey county is adjudged and decreed to be at some place other than that established by the said W. H. Tilson, the proper manner in which to run the west line of Hockley county and the east line of Cochran county is to begin at the common corner of Hockley, Cochran, Yoakum and Terry counties, which point was agreed upon by the surveyors, and from that point proceed in a straight line to the aforesaid southwest corner of Bailey county as established by the said W. H. Tilson in 1910 and recognized and approved by the then commissioner of the General Land Office.

"Yours very truly,
"Wm. H. McDonald,
"Commissioner.

C. D. Luman Attends Family Reunion At Erick, Okla.

Mr. C. D. Luman has returned from Erick, Oklahoma where he attended the family reunion honoring his father, S. A. Luman.

Mr. Luman was 79 years of age August 5. All of the children were present, there being 35 members of the family in all. Mr. Luman reports a grand time. It was his first visit in Erick for several years.

Mr. G. A. Luman is the owner of a fine farm near Bull Lake, west of Littlefield. He states that he would rather live around Littlefield than any country he has been in.

JACK FARR CHANGES LOCATION; MOVES TO STOKES DRUG BUILDING

Jack Farr, who has been in the jewelry business in Littlefield for the past seven years, moved his stock and equipment last week to the Stokes Drug location.

Mr. Farr also purchased the stock of jewelry owned by Stokes Drug, besides purchasing many new items, thereby giving him a much larger selection of jewelry of all kinds.

Since moving to the new location Mr. Farr has three nice large show-cases, in which to display his merchandise.

In connection with the sale of jewelry Mr. Farr also does repairing of all kinds.

Cotton Drops With Estimate Given Of This Year's Crop

On the agriculture department announcing Monday that this year's cotton crop would total 15,593,000 bales, the market went down from around \$1.25 to nearly \$2.00 a bale.

The forecast was based on conditions prevailing August 1 and on the area in cultivation July 1, less the 10 year, 1927-36 average abandonment, announced as 33,492,000 acres.

C. O. Stone Undergoes Major Operation At Lubbock Hospital

C. O. Stone, formerly of this city, and well known here, was operated on for gangranus appendicitis Thursday, at the Lubbock sanitarium.

Dr. and Mrs. Thos. B. Duke visited him Sunday, and report that he is getting along nicely.

Mr. Stone was formerly connected with the First National Bank as cashier, and resigned to accept a position with the Federal Land Bank at Lamesa. He was promoted and transferred to Amarillo about a month ago.

BAPTIST CHURCH REVIVAL IS DRAWING LARGE CROWDS

First Baptist church revival is drawing large crowds at service.

There were 500 reported at the Sunday evening, with record all week.

Services are being held twice daily open on the lawn by the building, at 10 a. m. and 8 p. m.

Mr. Miner, Jr. of Pampa, who was singing in the First Baptist church revival will leave after the Friday evening to be with his church Sunday.

Special services will be observed Friday evening and again Sunday evening after the preaching. Up until Tuesday night there had been 30 additions to the church, 15 coming as candidates for baptism.

CROSS CHILDREN MAY HAVE WORMS

Watch for upset little stomachs, bad breath, fretfulness, loss of weight, itching around nose and anus. They may have pin or round worms. White's Cream Vermifuge has safely and for years, reliably expelled the worms and toned the delicate tract. White's Cream Vermifuge recommended by druggists.

Miss Fleeta Ragan and L. W. Dobbs Wed at Clovis, N. M. in Quiet Ceremony Thursday

The marriage of Miss Fleeta Eagan and L. W. (Cotton) Dobbs of Littlefield was solemnized Thursday, August 5, at Clovis, N. M.

The single ring ceremony was performed by Rev. E. H. Dickinson, Methodist pastor, at the parsonage, at 12 o'clock noon.

The bride is the daughter of Mr. and Mrs. J. J. Eagan of Olney, Texas, and has been a resident of Littlefield for a number of years.

She is a graduate of the 1932 class of Littlefield high school and spent a year at Tech college, Lubbock.

Mr. Dobbs is one of Littlefield's most prominent young business men; has been manager of the local branch of the Crystal Ice company for the past five years, and a member of the Masonic Lodge and the Rotary club, in which he is active.

Prominent Morton Couple Are Wed At Sanitorium, Texas

A wedding of more than passing interest to Morton people was solemnized on July 26, at Sanitorium, Texas, when Miss Opal Jones became the bride of Rev. Hubert Foust.

Mr. Foust is a well known young Baptist Minister who was ordained to the full work of the ministry by the Convention Baptist church a year ago. He is a student in Wayland College and has a pastorate in that section of the country.

Miss Jones has been a postal clerk in the Morton post office for about two years. She was closely identified with religious and social activities in the town and is a teacher in the Sunday school.

The bride was given a two weeks leave of absence about the middle of July and, by appointment, met the young minister at the home of his parents at Sanitorium, Texas, where they were married.

The young couple have returned to Morton, to make their home.

Mr. and Mrs. Houk Have Visitors From Indianapolis, Ind.

Mr. and Mrs. Jimmie Hauk had a pleasant surprise Thursday evening when Mrs. Hauk's youngest sister, Mrs. Kemper Peacock, her husband and daughter, Margaret Jane of Indianapolis, Ind. arrived at the Houk's grocery establishment just previous to closing for the evening.

Mrs. Hauk hardly recognized her sister, as she said she had only seen her once in 17 years.

The party from Indianapolis were on a two weeks vacation trip, and were agreeably impressed with Texas.

They are spending a few days with their relatives here.

Rutledge Family Enjoy Outing At Pala Duro Canyon

Mr. and Mrs. W. H. Rutledge and son, W. H. Jr. and Robert, spent Thursday night and Friday at Pala Duro Canyon, where they were joined by Mr. and Mrs. Claude Waters and Mr. and Mrs. John Waters of Canadian, Texas, and Miss Mabel Ruth Rutledge, who is a student of West Texas State Teachers College, Canyon, and enjoyed the outing and picnic together.

Mr. and Mrs. Isaacs, Mr. and Mrs. Toews Leave For Canada

Mr. and Mrs. P. P. Isaacs of Whitharral and Mr. and Mrs. C. W. Toews are leaving the early part of next week for Morris, Manitoba, Canada, where they plan on visiting a month.

They will visit Mrs. Toews' mother, Mrs. Peter Penner and Mr. Isaacs' parents, Mr. and Mrs. John Isaacs.

VERY LATEST

Designed in sizes: 14, 16, 18, 20, 40 and 42. Size 16 requires 5 1/4 yards of 35 inch material and 2 yards of lace edging for trimming. For bow at neckline, 1-2 yard of ribbon is needed.

AN ALL OCCASION FROCK

Pattern 8997: For a dress that is new, utterly smart and very wearable—make up this shirtwaist design with tucked bodice and lace edged collar and cuffs. It's simple to sew, and comfortable to wear.

For afternoon, try a dark silk chiffon or a printed sheer cotton. For sport, a crisp linen. This is one of those dresses you'll wear more than all others.

The shirt is a simple panel type with pleats back and front making it comfortable for all run-around wear. The complete sew chart that comes with each pattern makes it easy to sew, even if you are a beginner.

C. J. Duggan Returns From Accompanying Family To Dallas

C. J. Duggan returned to Littlefield Thursday from Dallas, where he accompanied his family after two weeks' vacation in Littlefield.

They visited enroute to Dallas friends in Roswell, Carlsbad, Caverns, and scenic points through the Davis mountains.

Mr. Duggan said that one thing that interested the Duggan children were the free swimming pools in practically all the towns they visited, including Balmorea, Fort Stockton and Iraan. He said the Government had taken over the swimming pools at Balmorea, and Fort Stockton, and out of solid rock have constructed the most artistic and sensible bath houses and recreation centers.

Miss Farrington And Graham Bostick Wed At Clovis, N. M.

Miss Hazel Farrington, daughter of Mr. and Mrs. Carlos of Spade, became the bride of Graham Bostick, son of Mr. and Mrs. F. H. Bostick, Monday, July 26, at Clovis, N. M.

The ring ceremony was performed by Rev. E. H. Dickinson, pastor of the Methodist church, Clovis, at the parsonage, early Monday morning.

Miss Farrington was a student of the Spade High school, and has a large group of friends in Littlefield and section.

Mr. Bostick is well and favorably known here, and is employed at Moody's cafe.

The couple will make their home here.

Local Chapter Of Order Of Eastern Star Meets Friday

The local Chapter of the Order of Eastern Star will meet Friday evening at the Littlefield hall, when it is expected that several candidates from Olton will be initiated.

All members are urged to be in attendance.

Mrs. Jess Elms Hostess At Two Tables Of Bridge

Mrs. Jess Elms was hostess Friday afternoon at two tables of bridge, at her home on Phelps Avenue.

Beautiful flowers, including Golden Glow, decorated the home for the occasion.

Those enjoying Mrs. Elms hospitality were: Mesdames B. L. Cogdill, Van Clark, Floyd Hemphill, Ewing Thaxton, J. W. Keithley, Jack Farr, Wm. N. Orr and Clarence Evans, to whom a salad course was passed following the games.

J. E. BRAZEAL VISITS LITTLEFIELD FIRST TIME SINCE 1922

J. E. Brazeal of Rinson, N. M. was in Littlefield recently and visited in the home of Mr. and Mrs. F. M. Burleson.

Mr. Brazeal was one of the Littlefield's earliest settlers, and this was his first visit to the city since 1922.

Mr. Brazeal, who was a merchant here at one time, was very pleasantly surprised at the progress of the town.

Undergoes Operation For Appendicitis At Washington, D. C.

Dr. and Mrs. Thos. B. Duke received a telephone message Saturday night from Washington, D. C., to the effect that their son, Carson, was stricken with an attack of appendicitis, and that it was necessary to operate at once.

On the attending physician being advised to go ahead, the operation was performed about ten o'clock, at the Garfield hospital.

Dr. Duke stated that they since had received messages to the effect that Carson was getting along nicely.

Payne-Shotwell Nursing Staff Enjoy Picnic at Mackenzie Park

"All work and no play makes Jack a dull boy."

Members of the nursing staff at the Payne-Shotwell hospital decided this saying could be applied to them as well as men so last Thursday night they decided to do a little playing on their own account by staging a picnic.

They went to work, made sandwiches, ice tea, relishes, bought watermelons and other tempting foods, that go well in hot weather, and then issued invitations to a few gentlemen to accompany them and help devour the baskets of foods they had prepared.

They left here by auto about 7:30 p. m. and the party drove to the Mackenzie State park near Lubbock. The boys seemed ready to eat as soon as they arrived but the young ladies had other ideas about the matter.

Several strenuous contests and games were staged and it must be said that the young ladies of the hospital staff more than held their own with the men present. For the men it was just a case of old age or lack of being in proper condition. After most of the men had retired to rest the ladies were still staging foot races and other contests. It just goes to show that nurses keep in the proper condition.

About 11 p. m. after everyone had worked up an appetite the baskets were brought out and some plain and fancy eating started full force. Then came the watermelons, peaches and apples. Things were cleaned up from the beautiful lawns maintained in the State park and the party drove back to Littlefield at a late hour.

Those present were: Mr. and Mrs. I. T. Shotwell, Sr. and son James E. Shotwell of Jacksonville, Texas, who were in the city visiting their son and brother, Dr. I. T. Shotwell Jr., and their daughter and sister, Mrs. Clifford Payne.

The other ladies present were Eloise Cabler, Lometa Denson, Maxine Cash, Jane Bird, Babe Bird, LaVerne Dalton, Lola Davis, Violet Cook, Olene Wright and Noia Brawley.

The young men present were: Rev. Donald Harris, Dr. I. T. Shotwell Jr., Talmadge Sparkman, George Webster, Jack Lupton, James Norman, Billy Dorman, R. Lee Gibson, Delbert Falls and W. E. Colvert.

 Mrs. Leroy Taylor of Baileyboro underwent a major operation at the Littlefield hospital Friday, and although she will be obliged to be confined for sometime, she is getting along alright.
 A. B. Shipley of 4-1-2 miles northeast of town was placed in a body caste, and his back straightened from an old injury suffered about six months ago. He returned to his home.
 Helen Walker, daughter of Mr. and Mrs. W. O. Walker of Grand Falls, who are visiting in the W. H. Walker home, had her tonsils removed Friday.
 Dwain Pinkerton, son of Mrs. Floyd Pinkerton of two miles northwest of town, had her tonsils taken out Friday.
 Miss Lee Bagwell, daughter of Mr. and Mrs. J. D. Bagwell of Valley View community, underwent a tonsil operation also on Friday.

Bayless Gin Purchased By Ross Mayhew And Raymond Renfro

Announcement was made yesterday that the Bayless gin had been purchased by Ross Mayhew and Raymond Renfro.

Mayhew arrived in Littlefield yesterday about 9 a. m., emptied a cup of coffee, and immediately went to work with his partner, Renfro in making a great number of changes in the present gin. Last year over \$7,500 was spent for new equipment at the gin and the new owners say they also will make extensive changes that will modernize the plant.

Mayhew is a former resident of Littlefield and said this morning, "I am mighty, mighty glad to be back. I call Littlefield my home and even if I have been located at Las Cruces, New Mexico, for some time I never did forget Littlefield."

Renfro will retain his interest in the well known Renfro Grocery, but devote his full time to his new enterprise, which will be known as the Mayhew-Renfro Gin company.

Mayhew and Renfro were formerly associated with one another several years ago when Mayhew operated a grocery store.

Today things were humming at the former Bayless Gin and the new owners said, "We hope to render a real service to the farmers in this community and pledge our best efforts to that plan."

Mr. and Mrs. Mayhew are living in the west part of town in a house purchased sometime ago by Rev. Joe F. Grizzle, and recently remodeled.

Contract Awarded To Leader On Lamb County Fair Catalogs

Contract for publication of the Lamb County Fair catalog was Wednesday awarded to the Lamb County Leader.

Twenty-five hundred of the catalogs will be printed and circularized throughout the South Plains region.

McCormick's Take Trip To Palo Dura Canyon

Jack and Bill McCormick don't take "days-off" very often, but last Thursday the boys took their families and off they drove to Palo Dura Canyon for the day.

"It certainly is a nice place and you know we didn't have any trouble driving our car up the big hills they have there. That Cosden 70 Anti-Knock gas sure put the pep in our car."

"Maybe that last remark of ours is advertising, but nevertheless it's the truth," they said as your reporter walked away.

County Demonstration Notes

By Mrs. Ruth E. Perry Home Demonstration Agent

ROTATE GARDEN TO GET BEST PRODUCTION

Mrs. B. D. Birkbeck plans to move her garden next year as her yield has not been as good as it was the previous years. Some of her beans have died from root rot. The best way is to grow a garden in another spot and to let that part of the garden lie idle. Rotating the vegetables in the garden helps to keep the soil in better condition.

VARIETY OF VEGETABLES PLANTED BY 4-H CLUB GIRLS

Enough pickles have been put up from Alma Allen's garden to last her family for a year. While Alma has a large amount of cucumbers, she feels that a variety of vegetables is important. She has okra, egg-plant, peas, beans, squash, turnips, and beets in her garden now. She planted onions and has already dug them. Part of the beets have been canned but some will be stored for winter use. In August and September Alma plan to can the peas and beans from the garden. Alma is the garden demonstrator for the Spade 4-H club.

USED CANE BUNDLES AS WINDBREAK FOR GARDEN

Mrs. L. L. Massengill attributes the success of her garden to its early start. This would not have been possible without a wind break so on three sides of the garden bundles of cane were fastened to protect the plants from the wind. Part of the success may also be due to the fact that a large part of the garden is tiled. This helps in conserving the moisture.

Mrs. Massengill is the yard demonstrator for the Littlefield Home Demonstration club.

WALTER LeMOND HEADS ROTARY PROGRAM HERE

Hemphill Introduced And Tells Of Advancement Made In World

Walter LeMond, local agent of the Texas company had charge of the Rotary program last Thursday and scored a bullseye by having "the man of the hour" as his guest speaker. None other than Floyd Hemphill, newly elected Superintendent of the Littlefield schools.

Hemphill, former principal of the school system here, gave an interesting talk concerning the changes in the present day compared with the mode of life years ago.

He brought out that the system used in the school was also changing just as business men today find new ways of living and operating their business.

Hemphill expressed his sincere appreciation to everyone in the city who had made it possible for him to take over the position as head of the local school system and pledged his earnest efforts to continue the schools on the same high plane they have enjoyed in the past.

Tuesday Hottest Day Of Week, When 103 Is Recorded

The thermometer at the West Texas Gas company registered Tuesday the highest for the week at 103 degrees.

The hottest over the state Wednesday was reported at Wichita Falls, with 108 degrees.

Littlefield's temperatures as indicated at the West Texas Gas company's offices, by their thermometer, were as follows: Thursday, high 101, low 69; Friday, high 101, low 70; Saturday, high 102, low 69; Sunday, high 99, and low 72; Monday, high 97, low 72; Tuesday, high 103, low 71; with Wednesday, high 101 and low 77.

BIRTHS

Mr. and Mrs. James H. Jackson of northeast of Anton are the parents of a baby girl, born July 30. The little one has been named Dorothy Gail.

Mr. and Mrs. Durwood Stephenson are the parents of a big boy, born July 23.

Word has been received that Mr. and Mrs. Harlan Black of Anton are the proud parents of a baby girl, Arieta Jean, born July 29.

House guests in the home of Mrs. Vernie Wright are Cadet Ray Brownfield, Miss Frances Brownfield, and another young lady, all of Brownfield, and friends of Cadet Tilden Wright.

CADET WRIGHT NAMED HONOR GUEST AT DANCE BREAKFAST AT WAYNE CARLISLE HOME

Cadet Tilden Wright, who is home on a 70-day furlough from West Point, was named honor guest at a dance breakfast given by Miss Wayne Carlisle, at the beautiful and spacious new Carlisle residence in the Duggan addition.

This social activity began early Saturday evening with dancing in the home, which has recently been completed, and into which the family have not moved. Punch was served during the evening.

Following the dancing the group drove to the G. M. Shaw residence, where a four course breakfast awaited the guests.

Those enjoying the party were: Misses Maxine Cash, Frances Seely, Nettie Belle Batton, Geneva McGehee, Myrtle Marion Shaw, and Guy Aldridge, Eddie Miller, Tilden Wright, Edgar Walters, James Norman, J. E. Chisholm and Jack Garlington.

Last Rites

(Continued from Page One)

Flower bearers were: Misses Ruby Thomas, Katie Davis, Carrie Lou Phillips, Avis Herring and Dorothy

Phillips. Deceased was born in Green county, Arkansas, and came to Texas at the age of 13 years, locating at Stephenville, Erath county.

On October 11, 1903, as Miss Virginia Ethel Otey she was married to W. T. Drury, and moved to Oklahoma in 1911. To this union was born six children, one son dying in infancy, and a daughter when a year old.

The Drury family located in Lamb county in January 1925, where they have since made their home.

Deceased is survived by her husband and four daughters; Mrs. W. J. Pugh of Castro county; Mrs. J. E. Gregson of Floyd county; Mrs. K. E. Gregson of Amherst, and Miss Avis Drury at home; one sister, Mrs. J. E. Burklow of Sweetwater, who was at her bedside when she died; and four brothers, E. W., A. W., R. C., and Barney Otey, all of Little Rock, Ark.

Out of town attendants at the funeral were: Mr. and Mrs. J. E. Burklow and son, Lee, and T. R. Drury of Sweetwater; Mr. and Mrs. H. A. Drury of Spur, Texas; Mr. Hale of Spur; and Mr. and Mrs. H. D. Bloodworth of Daugherty, Texas.
