IN TRUSTEE MEETING Plans Laid To Move Stadium

Littlefield school trustees made plans to move Seely Stadium, den of the Wildcats, to its new headquarters near the intersection of Highways 84 and 54 Monday night in a regular meeting.

Approximately \$30,000 is available to trustees to move present facilities from the location at the school to the new site just south of the Spade-Bala road where the road meets 84.

Board members said the new field would run north and south, with the new \$20,000 fieldhouse now being used by Littlefield athletes to be situated at the north end of the field.

Present stands at Seely Stadium, which include a seating capacity of 3,000, will be transferred to the new site. The trustees added that the school system hopes to enlarge the new stadium to about 4,500 in seating capacity as soon as money becomes available.

Planned for 1957 is the addition of new lights which, when installed, would double the candlepower presently used at Seely Stadium.

Among the hopes for 1957 are a new concession stand and new rest rooms, however, trustees stated that funds may not be available until later.

Present facilities will continue to be used by the junior high teams and part of the area will serve as a playground for the primary and elementary schools.

In other action at the meeting, the school board:

1. Revised its policy on sick leave for teachers,
2. Authorized repair and replacement of nine doors on the school system's bus barn, and
3. Authorized one hour per month of school time for faculty meetings, with all students to be dismissed an hour early one

Littlefield Man Named In Break-In

Robby Joe Dillard, a 25-year-old Littlefield man, was charged with breaking and entering here Wednesday after city police arrested him in a home on S. Westside avenue about 1:30 a.m. Wednesday.

County attorney Curtis Wilkinson said Wednesday morning that a warrant had been issued for Dillard. The man had been confined in the city jail until the county undertook the case.

Police Chief J. R. Walraven said Wednesday that Dillard was found in bed, under the influence of intoxicants, in a home in the southwest part of the city.

Police said they believed Dillard entered the residence through a window. The lady of the house saw him entering and ran out, then called the police, according to officers.

Jaycee Turkey Shoot Slated Sunday At Airport

Thanksgiving turkeys will be plentiful Sunday when the Jaycees hold the first round of their annual turkey shoot.

The event will be held at the west side of the local airport at the gun trap during the afternoon. Competition will be in both trap shooting and 22 target shooting, according to a Jaycee representative.

The shoot is free and the public is invited. Proceeds from entries will go to Christmas baskets for needy families and children.

A second running of the shoot is scheduled for Sunday, November 25th, and a third shoot is scheduled for Sunday, December 23rd.

Says He Was Cleaning Gun

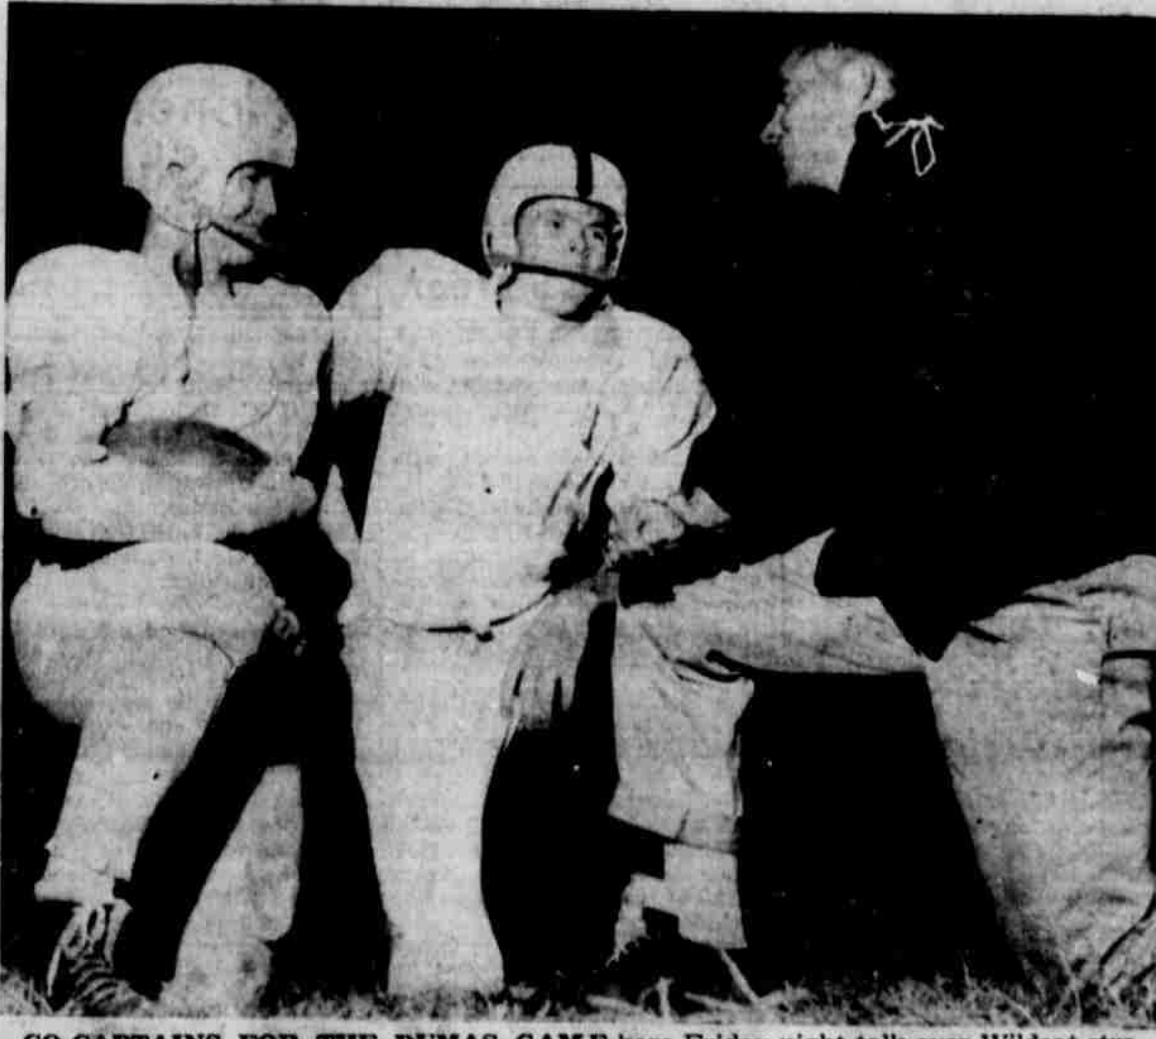

Negro Serviceman Suffers Wound From Pistol Sunday

A 20-year-old Negro serviceman was wounded in the arm here Sunday about 12:15 a.m. by a shot from a .25 calibre automatic pistol that he said he was cleaning.

Bobby L. Jones, an Air Force specialist third class attached to Gary Air Force Base, San Marcos, told city police that he was trying to clean an automatic .35 calibre pistol at a home in the Flats section, when he dropped the gun on the floor, causing it to fire.

Police said the bullet hit the man in the right forearm and emerged through the back of his right arm. They said the wound was superficial.

Jones turned in to Medical Arts

CO-CAPTAINS FOR THE DUMAS GAME here Friday night talk over Wildcat strategy with Head Coach Gene Mayfield. Left to right are Max Morris, a hard-driving fullback, Andy Parker, a pass-snagging end, and Coach Mayfield. Both the Wildcats and Dumas are in contention for the District 1-AAA flag. Dumas can win a trip to the AAA play-offs with a victory, while Littlefield must win both its remaining games to wrap up the title.

Ministerial Association Commends Water Study

The Ministerial Association, in regular session this week, commended the city's action in making available an "exhaustive study" of the local water system.

The association, presided over by Rev. Arthur Hunt, pastor of the First Christian Church, urged all citizens to "consider the proposals and the issues involved and then vote intelligently" on the water bond election set for Dec. 11.

Local Boy Scouts Kick Off Drive For Funds Tuesday

A breakfast at 7 a.m. Tuesday in Thornton's Cafeteria will kick off an annual campaign for funds by local Boy Scouts, it was announced this week.

Similar drives throughout the county are either underway or scheduled as part of the annual campaign for operating funds by the South Plains Council of the Boy Scouts of America.

Named as community chairman for Littlefield is George White, local rancher. He will be assisted by R. M. Manley, chairman of the special gifts division; Charles Duval, general solicitation chairman; Paul Hyatt, auditor; and Oscar Wilemon, prospect and rating committee chairman.

Earth begins its campaign at 12 noon Tuesday at a meeting of the Lions Club and Spade kicks off its drive on Dec. 4. Sudan got its drive underway Oct. 26 and Amherst began on Nov. 8. Area community chairmen are Bill Bryant, Earth; W. H. Pollett, Sudan; Ray Blessing, Amherst; and G. W. Steffy Jr., Spade.

TWO PERSONS WERE INJURED in this car Sunday in a mishap that occurred about 3:30 p.m. at the intersection of Highway 51 and Farm Road 37 six miles north of Littlefield. The injured were Mary Martinez, 21, of Lamesa, who received lacerations about the head and her brother, Arturo, 20, who received first aid treatment at Medical Arts Hospital. The Martinez girl's condition was listed as good Tuesday by attendants at Medical Arts Hospital. The accident occurred when a car driven by E. L. King of Amherst collided with the Martinez car. King, who was driving alone, was not injured, but received a ticket for failure to stop at a stop sign and for no driver's license.

Littlefield Hosts Dumas Demons

The "devil-may-care" Demons from Dumas will invade Seely Stadium here Friday night in a game that already has been declared a sell-out since it will determine the outcome of District 1-AAA.

As it now stands, the Wildcats lead the parade of powers by one-half game. A loss to the Demons would hand the Dumas club the right to represent the district in the school-boy playoffs since Dumas defeated Levelland and Levelland defeated Phillips regardless of Dumas' loss to Phillips. Littlefield has to win its remaining two games in order to clog district honors.

Dumas brings some mighty interesting players to the local scene. One particular boy to watch is Jim Tiner, a versatile 160-pound halfback who operates from either side of Dumas' highly effective T-formation run from an unbalanced line.

Coach Mayfield has the highest regards for Tiner and says that Tiner will be one of the hardest-running backs to face the Wildcats. Backing up this statement is the fact that Tiner scored four touchdowns against Hereford last Friday night when the Demons rode the Whitefaces, 41-13.

Dumas also features a forward line that averages 190 pounds and a height of slightly over six feet. The Demons' tackles look similar to Olympic weightlifters.

The Wildcats will be hampered with injuries, Joe Hoover is nursing a twisted knee and may not see action; Leonard Williams is nursing a sprained ankle; and Mike Martin is still not up to his peak on a result of surgery to his leg suffered in earlier games.

Mayfield issued the following statement of interest to both players and fans alike: "Dumas will be as high as high can be for this game since they can sew up the district playoff berth by winning this game. In spite of Dumas' weight advantages and an ideal situation, together with our injuries, we feel that our boys will play their best since it's our only chance to win District. The boys will play Dumas or any other team a good game."

The Demons have won six, lost three over the season. Their victories have come over Ysleta, El Paso High, Canyon, Seymour, Levelland and Hereford. They have lost to strong Palo Duro of Amarillo, Snyder (the No. 1 AAA team in Texas) and Phillips (when their ace back Jim Tiner was down with the flu).

Dumas' victory over Canyon was about the size of Littlefield's. The Demons won, 19-12, while Littlefield took the Eagles, 14-6.

The Canyon coach remarked after the game, however, that Dumas was the better club, and the Demons came into Littlefield in the favorites' role.

Dumas' victory over Canyon was about the size of Littlefield's. The Demons won, 19-12, while Littlefield took the Eagles, 14-6.

SCHILLING ATTENDS
Ralph Schilling, superintendent of local schools, attended the Parent-Teachers Association State Convention in Amarillo Wednesday.

Fifth Grader Does It Again

Sallie Duggan Gets Victory In Leader's Grid Contest

Sallie Duggan, the fifth grade student who's best known for her ability to pick the winner on football contests, did it again this week.

Sallie, daughter of Mr. and Mrs. Arthur P. Duggan, Jr., won the Leader's grid contest for the second time this year when she named 14 winners on an upset-filled card of 20 games.

Miss Duggan, who also placed second in the contest one time earlier this year, called the shots on Oregon State's victory over Stanford and Tennessee's shocker over Georgia Tech, something that only a few other contestants did this week.

Another area school girl, Darla Ann Whitson, daughter of Mr. and Mrs. Nig Whitson, placed second this week, picking 14 games right and losing only because her tie-breaking score wasn't as close as Sallie's.

Third this week was Mrs. Bonnie Onstead who picked 13 games right and won out over five other entries when her tie-breaking score on the SMU-A&M game was closest.

It was the first time this season that women took all of the top places, although they have given the men a tough time throughout the year.

Other contestants who picked 13 games right and almost came into the money-winnings were Phyllis Brantley of Amherst, Richard Maurer of Littlefield, W. C. Tison of Littlefield, Mrs. Jimmie Starnes of Littlefield, and Deverell Lewis of Littlefield.

Another contest is underway this week, the next to last of the year. Among the contenders are the Southwest Conference games, Tulsa-Texas Tech and Littlefield Dumas.

Industrial Banquet To Draw 300

More than 300 persons are expected for the Industry Banquet sponsored by the Woman's Club tonight (Thursday) in the High School Cafeteria at 7 o'clock.

Principal speaker for the occasion will be James Adshedd, Jr., manager of the Western district of the DuPont Company's Extension Division at Denver, Colo. Adshedd, a former radio and television newscaster, will speak on "Four Million Futures."

The banquet itself will be a family style turkey dinner, complete with all the trimmings. Others on the program are Homer Garrison chairman of the board of the local industrial foundation, who will talk on the current status of Littlefield's drive for industry.

Mrs. T. L. Dunlap, president of the Woman's Club, will give the welcome address and Mrs. Alton Hodges will serve as toastmistress. Music will be furnished by the Melody Dollies.

Among the highlights of the program will be the giving of more than \$500 in door prizes, plus a levy of plate favors. All of the door prizes were donated by industries, both local and national. A few tickets remain on sale. They can be obtained for \$2.00 each, by calling one of the following members of the Woman's Club: Mrs. Kenneth Hinkle at 975; Mrs. C. O. Stone at 345; Mrs. J. R. Coen at 52; or Mrs. Homer Garrison at 1097.

Daring Thief Takes TV Set While Store Open

A daring thief walked into Nelson Hardware sometime between 6 and 8 p.m. and walked out with a television set valued at \$129.50 here Saturday.

Officers said the missing set was an eight-inch portable TV. Nelson Naylor, owner of the store, reported the loss to officers about 8:15 p.m. Saturday.

Parents of Local Woman Celebrates Anniversary

Mr. and Mrs. E. C. Nix, parents of Mrs. Lee Hemphill celebrated their Golden Wedding Anniversary at their home in Seminole recently. Hosts for the occasion were their Golden Wedding Anniversary and Mrs. Lee Hemphill and their son, Hilton and daughter, Rosa Lee, a junior at Hardin-Simmons University; the honored couple's son and daughter-in-law, Mr. and Mrs. E. C. Nix Jr., and the latter's children, Mrs. Byron Gunter of Muleshoe and Don Nix, a student.

Helping with the celebration were also the great-grandchildren, Terry and Elizabeth Ann Gunter of Muleshoe.

Other guests included the couple's brothers, the Rev. J. R. Nix, retired Baptist minister, J. F. Weatherly, Fr. Worth; Gordon Weatherly, Andrews; and D. B. Weatherly, Abilene.

During Mr. and Mrs. Nix's time on the Texas Plains, they served as a school teacher after receiving their degrees from East Texas Normal College. Nix was superintendent of Lockney Public Schools, Dean of Wayland College, Plainview and superintendent of Lamesa schools. After moving to Garza County in 1942, and upon retirement from teaching, their main interest have been ranching and oil. He served as president of Seminole school board for several years and his vision of the future caused him to lead the board in securing several blocks of land in the city for school expansion.

Not only have Mr. and Mrs. Nix contributed to Texas education

but have served as Sunday School teachers in Baptist Churches during their married life.

Others attending from Littlefield were Olen Neal Walker, Mrs. T. H. McLarty, Mrs. Winnie Hogan, Miss Elben Webb Massengill, a former Littlefield resident, now teaching in Seminole. Miss Rosa Lee Hemphill played appropriate piano selections during the celebration.

Mrs. Chisholm Is Hostess To B.W. Circle

Members of the Josephine Harris Business Women's Circle of the First Baptist Church met Monday evening in the home of Mrs. Curtis Chisholm at 500 East 12th.

The Royal Service program was entitled "Christian World News Roundup" with Mrs. T. L. Matthews as announcer. Correspondents, Mrs. D. C. Lindley, Mrs. T. L. McLarty, Mrs. James Garrett, Mrs. W. E. Bass, Mrs. G. V. Walden, Mrs. Carl Pillion, Mrs. J. L. Murdock and Miss Clara Jarmon gave reports from foreign countries.

Mrs. Chisholm gave, "The Day I would Like to Forget." Mrs. C. E. Daniels gave the devotional from Isaiah.

Refreshments were served to twelve members and one new member, Mrs. J. S. Abernathy.

Senior Scouts Meet Monday

Senior Girl Scouts met Monday afternoon at the Scout Hut.

Christmas cards were sold by Doris Lewis, Sandra Martin, during the meeting time.

Others remained for a business meeting presided at by Mrs. Leonard McNeese, leader. Mrs. McNeese announced that anyone who wishes to dispose of old newspapers is asked to leave them on their front porch Saturday morning. Members of the troop will pick the up then.

Attending were Joyce Colbert, Jan Greer, Jan Hampton, Beth Hunt, Doris Lewis, Sandra Martin, Sandra McNeese, Carol Jean Naylor, Kay Smith, and Margo Williams.

Mrs. Templeton Entertains Sod House Club

AMHERST—The Sodhouse Demonstration Club met Thursday for an all-day meeting in the home of Mrs. Pete Templeton.

Opening exercises were started at 11, by Mrs. Velma Melton whose subject was Thanksgiving—not for one day, but for every day. Immediately following the Home Demonstration Agent Lady Claire Phillips gave a lesson on credit. The meeting adjourned for the lunch which consisted of the traditional Thanksgiving menu.

Club was re-assembled for continuation of the program, and business at 1 p.m. The program consisted of three talks: "Telephone Manners," by Mrs. Velma Melton; "Making Introductions," by Mrs. Gene Priddy; "Introducing a Speaker," by Mrs. Alton Morgan. The next meeting will be the annual Christmas party in the home of Mrs. Velma Melton.

Members attending were: Mrs. Lizzie Kelton, Claude Stine, Charlie Webb, John Norwood, Alton Morgan, Willie Rosson, C. E. Coleman, Velma Melton, Gene Priddy and Pete Templeton. Two visitors, Mrs. Kermit Gregson and Mrs. Jack Van Ness were also present. Other members present were Miss V. O. and Willie White.

North Side Club Meeting Is In Newsom Home

WHITHARRAL—Mrs. Fred Newsom was hostess to the North Side Home Demonstration Club at her home northeast of Whitharral Thursday.

Mrs. J. E. Wade presided at the meeting. Mrs. Jewel Roberson, County Agent brought a lesson on "Entertainment at Home," demonstrating the simplicity and ease of the entertainment.

Cookies, cottage cheese dip, crackers and fruit punch were served to Mrs. Roberson, two visitors, Mrs. Eva Sandifer and Mrs. Weldon Newsom and the following members: Mesdames Wade, Doss Maner, Roy Taylor, C. G. Landers, Ralph Wade, Dayne Maner, and hostess.

The next meeting will be Nov. 21 on Wednesday instead of Thursday as usual at the home of Mrs. Roy Taylor.

Shower Honors Bride Elect

WHITHARRAL—Mead a mes C. E. Stephenson of Levelland, M. M. Williams, Hub Spraberry, Billy Williams, A. R. Webb, V. D. Hodges, C. G. Landers, W. J. Crowe and Clifford Williams hosted a shower at the Home Ec Cottage Thursday afternoon honoring Miss Wanda Price of Baytown, bride-elect of Jimmy Havins. The wedding will take place in Baytown December 15th.

The refreshment table was laid in crocheted over pale green. Lime punch, nuts, and individual cakes topped with a tiny wedding bell were served. An arrangement of white carnations with white love birds and a green ribbon bearing December 15th completed the decorations.

Approximately 50 people called or sent gifts.

Olton Man Marries In Austin

OLTON—Mr. and Mrs. V. A. Grodiger of Austin announce the marriage of their daughter, Doris, to Dick Hooper, son of Mr. and Mrs. Roy Hooper of Olton.

The marriage took place Friday, November 9th, in the Central Baptist Church of Austin, with the pastor, the Rev. Albert Brown officiating.

The bride was graduated from Webster High School and attended Durham Business College in Austin and is now employed in the office of Control in the Capitol building.

The bridegroom is a 1949 graduate of Olton High School and received a degree in Business Administration in 1953 from the University of Texas. For the past year he has been employed with Payne and Wiley, Real Estate Company of Austin, but at present he is self-employed.

The couple is at home at 1602 Newfield Lane, Austin.

THDA Prayer Opens Club Meet

WHITHARRAL—The Whitharral Home Demonstration Club opened session Wednesday with the T.H.D.A. prayer and group singing.

Roll call was answered with "Evaluation of the year."

Reports of committees were read and approved. Committees for the joint Christmas party to be held Dec. 7th at the Farm Home Community House with that club.

A donation of \$5.00 was made by the club to the Community Chest drive.

The club will enjoy their Christmas party Dec. 12.

Mesdames Rafe Rogers and Brace Hicks, Jr., hostesses, served hot cranberry punch and pumpkin tarts to Mesdames Phil Wynn of Meadow, Ella Hewitt, Guy Hughes, Don Relling, B. L. Hicks, Sr., Alvis Jones, W. C. Hawks and L. C. Jordan.

KAT'S KORNER

By GAY DOUGLAS

Greetings Wildcatters—

Tomorrow is the big night! Littlefield vs. Dumas in Seelye Stadium. I'm certainly excited. If our boys play as hard as they have in the past I feel the District title is only a hop, skip, and a jump away. But I know they will do the best they can because they always do.

The Juniors brought down the house Monday night with their rollicking play, "Just Ducky." It was really one of the funniest class plays I have ever seen. They have certainly put in a lot of hard work on this play and it showed up in the finished product.

The Students Council members have been flashing their long-awaited SC pins around this week. The pins have a gold shield with Littlefield High School Student Council on it and a small gold '57 on a chain attached to it.

Leon Howell, a sophomore at LHS, has brought some extraordinary plants to the science lab for everyone to see. The plants are a Venus-fly trap, a pitcher plant, and two sundew plants. The plants live on insects which they capture by various means. Leon, who moved to Littlefield in June from Tucson, Arizona, really goes after that science and math.

Some little grimmings have certainly been at work this past week or so. Bettye Watts, Ray Minyard, Larry Weaver, Miles Stephens, Jerry Watts, and Beverly Latham have all been in the hospital recently. I am sorry this happened, but I'm also glad to see most of them back in school.

The members of the Student Council have all been going around whispering the most exciting sounding things to each other. The SC is putting on the Football Banquet this year and preparations for it are really moving on at high speed.

Seniors slowly are realizing that graduation is not too far off now, with college preference sheets

Florist Is Guest Speaker To Olton Garden Club

The Olton Garden Club met in the home of Mrs. Charlie Jones Thursday afternoon, November 8. Armoh Keys, Jr., Plainview florist, spoke on "Horticulture".

The club members voiced their appreciation of the New Century Study Club's assistance in their purchase of shrubbery for the high school grounds.

Members present were Mesdames: Jack Allcorn, H. B. Carson, H. L. Dennis, A. D. Melton, Jake Mitchell, C. M. Owen, Doyle Pinson, Preston Sampler, W. A. Schriener, H. G. Walker, and the hostess, Mrs. Charlie Jones.

Guest attending the meeting in addition to Mr. Keyes were Mes-

dames: Roy Dobbs, Bill Yates, Alvin Hysinger, and C. B. Turner.

Class of 1950 Stages Reunion

WHITHARRAL—A reunion of the 1950 class of Whitharral High School was held Saturday evening at the home of Mrs. John L. Burnett, south of town.

Class activities, senior trip and "do you remember when?" brought back many memories of the group before they surprised Miss Wanda Price of Baytown and Jimmy Havins with a shower. The couple is to be married Dec. 15 at Baytown.

Coffee, hot chocolate and cookies were served to Miss Price and Havins, Messrs. and Mesdames Keith Glover, (Marilyn Gage), of Littlefield, Joe Wade of Levelland, Roland Burnett, Mesdames Elva T. Crank, class sponsor, C. E. Stephenson (Olabelle Hays) of Levelland, A. H. Webb (Earlene Shedd) Misses Anita and Betty Burnett, the hostess and Jim Burnett.

Rocky Ford WMS Meets In Home Of Mrs. Stewart

The Rocky Ford Baptist Missionary Society met in the home of Mrs. G. B. Stewart Monday. The book "Japan Advances" was reviewed by Mrs. Polyd Chafin and Mrs. Stewart.

Members attending removed their shoes at the door and wore dresses of Japanese style. The house was decorated with lanterns, flags, umbrellas and orchid chrysanthemums.

Attending were Mesdames Geo. Tollett, Herbert Roberson, Llyod Sturgis, Floyd Chafin, G. C. Bearden, Billy Griffin and Penney, Ray Beason, Lydye Griffin, M. E. England and the hostess.

Family Night Dinner Set November 21st

Plans were made for a family night dinner by members of the Women's Association of the First Presbyterian Church, at their regular monthly meeting Monday morning at the church. The dinner is scheduled for 7:30 p.m. November 21st at the church.

Mrs. M. M. Brittain was hostess for the meeting. Preceding the program refreshments of fruit cake and coffee were served. Mrs. Brittain gave the year book of prayer and Mrs. Earl Rodgers and Mrs. G. M. Nickelson presented the program, "The Whole World."

Olton Party Celebrates Anniversaries

An anniversary dinner party honoring Mr. and Mrs. O. B. LaFrance and Mr. and Mrs. Clovis Poteet was held in the Spotlight Cafe in Olton Thursday night. It was the LaFrance's thirty-fifth wedding anniversary and the Poteet's fifteenth anniversary.

Guests present were Mrs. Bonnie Brown, Mr. and Mrs. M. G. Brown, Mr. and Mrs. Fred Hicks, Mr. and Mrs. Laey Armstrong, Mr. and Mrs. Cloys Fancher, Mr. and Mrs. E. R. Higgins, Mr. and Mrs. L. D. Smith, Mr. and Mrs. Vernon Gosdin, Mr. and Mrs. Preston Sampler, Mr. and Mrs. Ernest LaFrance, Mr. and Mrs. Tom Ross, Mr. and Mrs. Ed Thompson, Mr. and Mrs. Clifton Hines, Mr. and Mrs. O. B. LaFrance, Mr. and Mrs. Clovis Poteet, and out of town guests, Mr. and Mrs. Bill Pearson from Petersburg.

World Wide Gift Party Staged In Mitchell Home

WHITHARRAL—Mr. and Mrs. Earnie Mitchell and daughters hosted a World Wide Gift party at their home in the Hodges Community Monday evening.

Mrs. Evelyn Prior of Levelland was the demonstrator.

Coffee, fruit cake and cocoa were served to Mr. and Mrs. Edwin Phillips and Tina, Mesdames Elva Crank, Geneva Young, James Morrow, Norman Hodges and Miss Shirley Edwards.

Country Club Cancels Nov. 17th Turkey Dinner

President Mrs. Bob Armstrong announced Monday that the turkey dinner planned November 17th at the Littlefield County Club has been cancelled, due to the numerous holiday activities scheduled.

Newly-Weds Reside In Mead

Miss Jo Ann Gray, daughter of Mr. and Mrs. Brodie Lums Chapel Community, Mead, La. and Mrs. M. A. Loudamy of Baytown, Texas, was married at the First Baptist Church, Alamogordo, N. M., Sunday afternoon, November 12, to Rev. Billy Holder, pastor of the church, near the ring ceremony.

The bride wore a lace suit with white accessories.

Mr. and Mrs. Loy Lums

carried a bouquet of white daisies with bronze accents, topped with a white ribbon.

Attending her sister as a maid of honor was Mrs. C. D. Whiteface, who wore a gown with pink accessories. The bride was wearing a white carnation corsage.

Mr. Pond acted as best man. The bride was graduated from the Littlefield High School, the class of 1955, and attended Wayland College, Plainview, Texas. She was employed as a secretary in Littlefield prior to her marriage.

Mr. Loudamy is a graduate of the 1953 class of Big Spring Junior College. He is now employed by Sears Department Store, Alamogordo, N. M., as a manager, having been transferred to that city from Big Spring. Following a wedding to Ruidoso, N. M., the couple now at home at 1109 1/2 Alamogordo, N.M.

Raiders Go To Tulsa To Meet Tough Hurricane

Special — Texas Raiders will meet the Hurricane of Tulsa Saturday night at the Tulsa Coliseum. The Raiders were defeated by Tulsa in a 14-13 game last week, and they will be looking for revenge.

Victory Day Set At Baptist Church

Members of the First Baptist Church will attempt for the seventh straight year to reach a set goal on their building fund. The goal for Sunday, Victory Day, is \$25,000 according to Dr. Lee Hemphill, pastor of the church.

The indebtedness against the modern, spacious building was \$120,000 when it was completed February 1, 1954. Some \$41,963.79 has been paid including interest. With \$3,114.84 in the building fund, an actual balance of \$38,848.95 remains.

Here is how it usually comes in: seven families contribute \$1,000, making \$7,000; seven \$500, \$3,500; ten \$250, \$2,500; 50 \$100, \$5,000; 60 \$50, \$3,000; 100 \$25, \$2,500; 100 \$10, \$1,000; 50 \$5, \$250 and other amounts, \$250, making a final total of \$25,000.

Ministerial

(Continued From Page One) The city tank with 750,000 gallon capacity.

- Provide one ground storage tank in town with 1,000,000 gallon capacity.
- Provide a 50,000 gallon storage tank in the well field.
- Install high speed high service pumps.
- Build additions to distribution systems in the form of a 12-inch loop around the city.
- Provide a lift station for the sewer system to better handle sewage disposal.
- Install a water purification system.

This was the Ministerial Association statement:

"The members of the Littlefield Ministerial Association are interested in the approaching water system improvement election. We appreciate and commend the city commission for the exhaustive study that has been made relative to our water system, and for the fact that this study has been made available to all the citizens of our town. We urge that all citizens consider the proposals and the issues involved, and then vote intelligently. As in all elections, there will be rumors and facts. We trust that our citizens will vote on the basis of the facts presented."

Olton Football Banquet Slated December 11th

OLTON — The date and place for the annual Olton High School Football Banquet has been set for Tuesday night, December 11th in the school lunch room.

Davis Leads ACC To Win

Keith Davis, former Littlefield High School star now playing with Abilene Christian College, led ACC to a 13-7 Homecoming victory over Midwestern last Saturday in Abilene.

Plans Laid

(Continued from Page 1) day each month when the meetings take place.

On sick leave for teachers, the board reverted to its policy of 1955 and made the order retroactive to Sept. 1, 1955.

The policy will be for the school to pay the teacher who is out with personal illness, illness within the immediate family or on school business his full salary and the salary of his substitute teacher while the absent teacher is out on sick leave. Teachers can accumulate up to 15 days of sick leave over a three-year period.

If the teacher is absent, and has no accumulated sick leave time, the school will pay his full salary and the teacher must then pay the salary of his substitute teacher.

Teachers out for reasons other than personal illness, illness in the immediate family or school business will be paid full salary, but they must pay the substitute teacher.

Under the policy used since September, teachers were docked a day's pay for each day absent for other than sickness or school business. The school then paid the substitute's salary.

Acreage Up In Soybeans For Plains

Soybeans promise to be a good crop for the Plains area, north and west of Lubbock, points out the December issue of The Progressive Farmer magazine.

The acreage is up to 15,000 to 20,000 acres, about double what it was last year. Some growers are getting 4 bushels per acre under irrigation.

Although soybeans are not as profitable as cotton, they should bring about as much as grain sorghum and not cost any more to grow.

The Lee variety is best adapted to the Plains area. Fairly late planting is important to get both good yields and good quality.

The word "spud" for potatoes comes from an old organization called "Society for the Prevention of Unwholesome Diet."

Springlake Homecoming Set Friday

Exes and students will be gathering at Springlake High School Friday night for the school's third annual Homecoming. A barbeque supper will be served from 5:30 to 7 p.m. in the school cafeteria.

The homecoming queen is to be crowned at the football game between Springlake and Farwell. Coffee and do-nuts will be served in the cafeteria following the game.

Legal Notice

THE STATE OF TEXAS TO: Theodore Harper, the heirs, unknown heirs and legal representatives of Theodore Harper, if deceased; the heirs, unknown heirs and legal representatives of Myrtle May Pawonka Harper, deceased; the unknown heirs and legal representatives of George Richard Bower, deceased; Roy Bower, the heirs, unknown heirs and legal representatives of Roy Bower, if deceased; GREETINGS:

You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 10th day of December, A. D. 1956, at or before 10 o'clock A. M., before the Honorable District Court of Lamb County, at the Court House in Littlefield, Texas.

Said plaintiff's petition was filed on the 24th day of October, 1956.

The file number of said suit being No. 4155.

The names of the parties in said suit are: Frank Cornelius as Plaintiff and the persons to whom this writ is addressed, together with Ruth Louise Erickson and Bonnie Jean Erickson, as Defendants.

The nature of said suit being substantially as follows, to wit: A writ to partition Lot 5, Blk. 18, and Lot 3, Blk. 38, Original Town of Olton, Lamb County, Texas, between the Plaintiff and the Defendants in the following interests: Frank Cornelius, a 61/72 interest; Theodore Harper, a 3/72 interest; and Bonnie Jean Erickson, a 2/72 interest; Said property is alleged to be of the estimated value of \$600.00 and Plaintiff says that it is not susceptible of partition in kind and prays for the appointment of a receiver to sell same and the proceeds to be partitioned. Plaintiff also prays for reimbursement of \$52.19 paid out for taxes in preserving said property and for general and special relief.

If this Citation is not served within 90 days after the date of its issuance it shall be returned unserved.

Issued this the 24th day of October A. D., 1956. (SEAL)

Given under my hand seal of said Court, at office in Littlefield, Texas, this the 24th day of October A. D., 1956.

Ernest L. Owens, Clerk Court Lamb County, Texas. Nov. 1, 8, 15, 22

The word "spud" for potatoes comes from an old organization called "Society for the Prevention of Unwholesome Diet."

Bula, Southland In Title Game

A "game of the week" of interest to area fans will be unveiled Friday night at Happy. Amherst's Bulldogs will try to growl out a win over the Happy Cowboys in a game that is dubbed as "winner take all" as this game will name the District 3-B champion.

Amherst has looked very impressive in its 4-0-1 record in district competition, and Happy has also fared even better in compiling a 5-0-0 district showing. Both teams will be at their peak and both will be displaying a great offense.

A Happy victory would put them at the top of the heat in their district and would place Amherst in a tie for second place honors with Whitharral if the Panthers defeat Bovina. Coach Lamar Kelley's crew has its work cut out for them and the Cowboys have their spurs sharpened and sightsights aimed toward a victory also. Happy's quarterback foreman is one of the best around in the person of Gary Poage who scored two touchdowns against Whitharral last week.

ANOTHER DISTRICT DECIDER

Another District deciding game

County Voters OK Amendment

A light-as-a-feather turnout at the polls in Lamb County Tuesday approved Amendment No. 9 to the State Constitution. Returns from all but two boxes were 290 For, 24 Against.

The amendment limits to \$20 per month the maximum amount that can be paid to any disabled person from state funds and bars from its aid anyone who receives other forms of assistance, such as aid to the needy blind old age assistance, aid to dependent children, or any one resident in a completely state-supported institution.

Federal funds will increase the maximum amount of assistance to approximately \$55 per month.

The vote by boxes in Lamb County:

Olton, For 28-4; Earth For 8-4; Spade, For 12-0; W. Lfd, For 20-0; Sudan, For 18-0; Pleasant Valley, For 11-9; N. Sudan, For 15-0; Amherst, For 16-0; Fieldton, For 9-1; Sod House, For 4-0; South Olton, For 8-0; Littlefield, For 73-5; Beck Gin, For 22-0; Littlefield, For 27-1; Absentees, For 8-0; Hart Camp, No returns; Springlake, no return.

FFA, Journalism, Speech Students Slate Meetings

Two Littlefield high school "teams" have scheduled out-of-town meetings Saturday.

FFA students will go to Friona for a district contest in farm electrification, radio, parliamentary procedure, stock-judging and other competition.

Speech and journalism students will go to Texas Tech for a workshop in debate, ready writing and other related competition.

will be displayed Friday night at Springlake when the Wolverines meet the Indians of Farwell. A win by Springlake would call for a toss of the coin since District 3-A would have a first place tie between Farwell, Springlake and Sudan who was denied a victory over the Farwell crew last week in the last seconds of their game.

Farwell has a pair of country cousins — Tommy and Johnny Lovelace, who were largely responsible for their win over Sudan. Johnny, a quarterback scored on runs of four and five yards, and Tommy, a halfback, scored from five yards out and managed to boot the winning extra point against the Hornets who have finished the '56 schedule.

Springlake sports a great ball carrier in wolf's clothing in the person of fullback Jimmy Herring who has been a main stay of the Wolverine club. Herring paced his club in a 20-6 victory over Friona last Friday. The hard-charging fullback climaxed a 66-yard drive by going over from the one after having picked up 57 of the 66, and also scored from the 35.

BULA DRAWS SOUTHLAND

In a game rated as one of the best to be offered this year will be played at Bula when Southland brings their six-man team in a District 2-B Six Man game. Bula is now sporting a seven won and no loss nor tie in district competition. Leading the Bulldogs will be Don McCord and John Tool, who scored three touchdowns each against Spade last week, and Burley Roberts and Junior Austin.

Wellman visits Spade in another District 2-B Six Man game in an affair that will be of interest only slightly since Spade has had a rough season. However, the Longhorns could save face by winning this and stay out of the cellar.

OLTON GOES TO DIMMITT

The Olton Mustangs, who lost District 1-AA to Canyon last week, will visit the Bobcats of Dimmitt in a district contest that should see the Mustangs emerge second best in their district. Leading the Wild Hoses will be Teddy Estes.

ANTON VS. HALE CENTER

Anton's Bulldogs will play their last game Friday night at Hale Center in a District 4-A game that will not have much bearing on the outcome of that District, unless Anton pulls off one of the greatest upsets of the Plains in many a year. Hale Center has an 8-1 season record and is expected to make it 9-1.

WHITHARRAL TACKLES BOVINA

The Panthers from Whitharral will take on Bovina in another interesting District 3-B game tomorrow night. Whitharral will be up for this game after dropping a contest to Happy last week and if Coda Stephenson is able to play after his head injury received in the opening minutes of the Happy game, Whitharral should take this one.

Pep Paragraphs

STUDENTS ATTEND SPASC CONVENTION

Five student council members from Pep attended the district meeting of the SPASC Saturday at Muleshoe High School. They were Billy Guetersloh, Billy Hogue, Buddy Greener, James Homer, James Diersing, and Supt. Marion McDaniel. The group heard an address by Dr. Walter Juniper of Texas State Teachers College at Canyon and listened to discussions which centered around school activities.

The regular monthly meeting of the members of E. Anne's Altar Society will be held Sunday after 2 p.m. services.

The monthly 4-H meetings of the boys and girls will be held Monday, November 19th at the Pep school building.

Mr. and Mrs. E. J. Kuhler and children spent the weekend visiting relatives at Rhineland.

Mr. and Mrs. Glen Hughes and family of Abilene spent the weekend visiting Mrs. Hughes' parents, Mr. and Mrs. A. J. Sokora and family.

The grade school basketball teams were defeated by Bledsoe Thursday night. The teams included fifth, sixth, seventh, and eighth grades.

The girls' team was defeated by a score of 38-21 with Bernadette Decker scoring high with 14 points. Richard Homer was the boys' high scorer with a total of 11 points. The boys were defeated by five points; the score was 22-17.

Bledsoe will play a return game on Thursday, November 15th, at Pep.

Mr. and Mrs. Everett Bishop and family of El Paso visited Mr. and Mrs. Phillip Simnacher over the weekend.

2nd Lt. and Mrs. Elroy Simnacher of Reese AFB visited his parents, Mr. and Mrs. Phillip Simnacher Friday night. 2nd Lt. Simnacher was formerly stationed at Marana AFB in Arizona where he was being instructed to fly multi-engine planes.

C of C To Name Four Directors

A nominating committee to select four new Chamber of Commerce Directors for 1957 is composed of Carl Keeling, Dr. Glenn Burk, C. A. Duval and C. O. Stone, announced Jesse Everett, Chamber manager, Wednesday.

The nominating committee will select eight names from the membership of the organization. Four nominees receiving the largest number of votes will succeed retiring members, Dr. Burk, B. D. Garland, Jr., Harold Clement and Douglas Howell for three-year terms.

Ballots will be mailed to all Chamber of Commerce members to be marked and returned as quickly as possible, explained Everett.

MULESHOE MAN HOSPITALIZED

Roy Shoemaker of Muleshoe was admitted to Medical Arts Hospital Tuesday. Shoemaker, a farmer sustained a severe back injury while working in his cotton field.

Fieldton Facts

By Mrs. R. A. Reed

Mrs. Ted Royal, and Mrs. Fred Muller, from Hereford spent last Tuesday here with relatives.

Mrs. Henry Montgomery, from Johnson City, visited here and at Littlefield, with relatives and friends. She had been visiting friends at Truth or Consequences, N.M. Mr. and Mrs. Montgomery are former residents of Fieldton. Mr. Montgomery passed away last year.

Mrs. Billy Hukill received word last Tuesday that her sister, at Gainesville, had passed away after a long illness. Mrs. Hukill, her daughter and husband, Mr. and Mrs. Marvin Qualls left Wednesday to attend funeral services, held at Gainesville.

Mrs. R. A. Reed visited Saturday, at Revue village with her daughter, Mrs. Gus A. Becker, Jr., and family.

Mr. and Mrs. J. O. Fox spent the weekend at Graham, where they visited with their daughter, who is a senior in the high school, at Graham.

Mr. and Mrs. D. H. Allen spent last week, with her parents, Mr. and Mrs. Forrest Durham. The D. H. Allens reside at Grady, N.M.

Mr. and Mrs. R. W. Stanfield, visited from Tuesday until Thursday at Ft. Sumner, N. M., with their daughter, Mrs. C. W. Woods

and family. Mr. Stanfield had the misfortune of breaking an arm while he was there.

Diek Lee is home, after undergoing an operation, for appendicitis at Lubbock last week.

Mr. and Mrs. Wayne Cowen and their daughter and family, Mr. and Mrs. Bobbie Short and sons, returned Monday from Nebraska, where they visited with Mrs. Cowen's brother, James Edwards.

and family. The men also went pheasant hunting.

Mrs. T. A. Holcomb, from Sipe Springs, Texas, and her daughter, Mrs. Eugene Wheeler, from Lubbock, spent Wednesday here with Mrs. May Chaney. Mrs. Holcomb is a sister of Mrs. Chaney's husband, now deceased.

Mr. and Mrs. B. C. Cooner, from near Hart, visited here Sunday, with his mother, Mrs. Ada

Cooner and his sister, Mrs. Beulah Robinson.

The Rev. and Mrs. Jim Ryan, from Clovis, N. M., visited here last Friday, with her mother, Mrs. E. M. Sullivan, and her sister and husband, Mr. and Mrs. A. H. Scivally. Mrs. Sullivan returned home with the Ryan's for a visit.

Mr. and Mrs. James Johnson, visited over the weekend at Oklahoma City, Okla., with a brother-

in-law, who had been ill. They also spent Saturday night, in Chickasha, with friends.

Mrs. Billy Hukill was a patient several days in the Amherst hospital, suffering from a severe case of intestinal flu.

Mr. and Mrs. George Cassitty and children, from near Vega, spent Sunday here, with his sister and family, Mr. and Mrs. Charles Adams, and children, and

a brother, Leon Cassetty and family.

Mr. and Mrs. B. L. Henderson, from Houston, were visitors from Friday, till Sunday, with his sister, Mrs. Don Irestrup and family.

Mr. and Mrs. P. W. Faulenburgh, from Paducah, visited here this week with their daughter and families, Mr. and Mrs. Sherman Rushing and Lavillis, Mr.

and Mrs. Paul Green, Mr. and Mrs. Terrill, Mr. and Mrs. Orville Steffey.

Mrs. James Cook and baby daughter went to Lubbock Monday, for a medical check-up. They were accompanied by her mother, Mrs. Sherman Rushing, and her aunt Mrs. Paul Green.

Mr. and Mrs. Paul Blackwell and sons, from near Morton, visited here Sunday, with her par-

ents, Mr. and Mrs. ally.

Mr. and Mrs. and baby son, spent the week here with family.

Jerry Watts, and Mrs. Jess Watts, operation Saturday bullet removed was accidentally ing.

Three City Employes Attend Lubbock Water-Sewage School

Three employees of Littlefield attended the eighth annual Texas regional short course on water and sewage works at Lubbock this week. The three-day course was held at the Littlefield water superintendent's office. Attendees were Leon Witcher, electrical inspector, and J. R. and Ray worked to receiving their classes in the field, after put in work to-

ward receiving his inspector's license in plumbing. The school was sponsored by nine district water and sewage works associations of the area—Canadian, Caprock, Central Rio Grande, Central West Texas, Fort Concho, Green Belt, Lone Star, Panhandle and Permian Basin—in cooperation with the engineering extension service of Texas A&M College, the Texas State Department of Health and the city of Lubbock. Classes were conducted on

ground water supply sources, "operation of Sewage Treatment Plant," "Water Treatment" and other related subjects. Classes for plumbing inspectors were held for the first time. One of the featured speakers was G. F. Dent of Austin, member of the state board of water engineers, who spoke at the general assembly Monday morning on "Formation of a Multiple City Water District." Dent is a former county judge

of Lamb County who has been in Austin for almost three years as a member of the water board. Dent was county judge here for seven years, and was succeeded in 1953 by the present judge, Robert L. Kirk. Part of the program was a banquet Tuesday night, which featured a talk by G. R. Herzik, Jr., chief engineer of the Texas State Health Department. In addition to the banquet, a chuck wagon luncheon was served at the Lubbock water department at noon Wednesday.

School Conference Set for Day At Tech

The school conference will begin at 8 a.m. in the Building Auditorium. Planning to make this as practical as possible maximum value for students and teachers. Dr. students will participate in extemporaneous, poetry reading, and a speech. The director of speech of the University League will speak at luncheon and meet with answer questions. The League's contest will be held later this

After A Ton Of Trouble... Officers Send Scrappy Wetback Home To Mexico

Juan Perez is probably safe across the border by now... and city officers are mighty happy that he is. Perez, a little guy, gave officers a ton of trouble here Saturday, fighting them every inch of the way before he was finally thrown into a cell. The Latin male was picked up on drunk charges and officers subsequently found out he was a wetback. The Border Patrol picked him up and sent him on his way, but only after these events: 1. The fighting brought a charge of resisting arrest. 2. A charge of carrying a concealed weapon was brought against the Latin when police found a "real pig-sticker" on him—a knife that was at least a foot

long. 3. And, finally, Perez' blasts at officers brought a charge of using abusive language. The Perez arrest was the highlight of weekend activity for city officers. One other Latin and two local white men were picked up drunk Saturday and three more Latins were arrested Sunday, two for drinking in public and the other for drunkenness. Except for Perez, all of them were fined \$19.50. Five of them paid up and were released, leaving one lone merry-maker in jail after the weekend. Perez paid \$25.00 before he was whisked away to Mexico.

Mrs. Byars Presides At P-TA Meeting

SPADE—The Spade P.T.A. met in the school auditorium, Thursday at 2:10 p.m. for a regular monthly meeting. The president, Mrs. C. C. Byars, presided. The group sang "Battle Hymn of the Republic," led by Donnie Hardman, accompanied by Betty Byars. Rev. Bill Wadley, pastor of the Baptist Church, gave the invocation and C. C. Byars gave the meditation. It was announced that \$1,350.96 was netted from the recent school carnival.

Mrs. Olen Crump discussed "The Blessings of Free Public Education." M. K. Joy, football coach, spoke on "Effective Citizenship Through Health Education."

Chapters 2 and 3, F.F.A. Boys, under the supervision of Buddy Hedges, vocational agriculture teacher, gave a demonstration on parliamentary procedure.

The president, Mrs. C. C. Byars, and two other members attended the county council meeting in Littlefield Nov. 6.

The next regular meeting will be December 13th.

State Brotherhood Officer Is Guest Speaker Wed.

The Brotherhood of the First Baptist Church directed Wednesday night prayer services. Dr. L. H. Tapscott, executive secretary of the Texas State Baptist Brotherhood was the speaker. He has been state leader of this organization for several years.

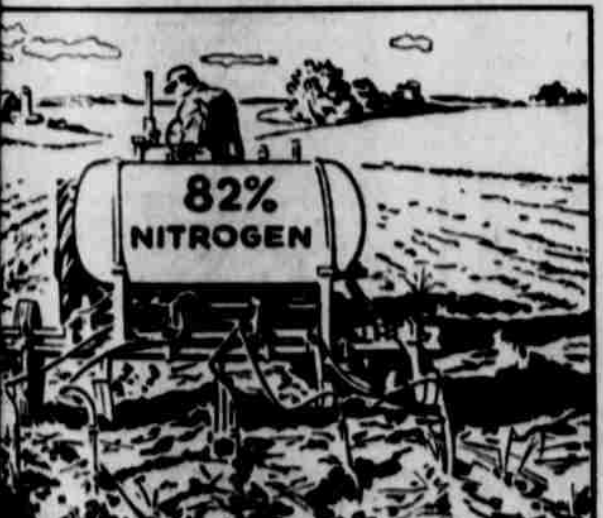

Prayer service began at 8:00 p.m. with song services directed by Palmer McCown, a member of the Junior Brotherhood.

Charles Heathman presented special music for the service.

Texas Company Slates Venture In Local Pool

Another venture into the Littlefield-San Andres field was set this week when the Texas Company announced that it would drill its C. H. Messer No. 2 one mile north of Littlefield.

The location is 330 feet from south and east lines of labor 1, league 664, State Capitol Lands survey, 55 acres. It will be rotary to 4,050 feet.

FOR PROFIT-MAKING CROPS
APPLY PHILLIPS 66
AGRICULTURAL AMMONIA
THIS FALL

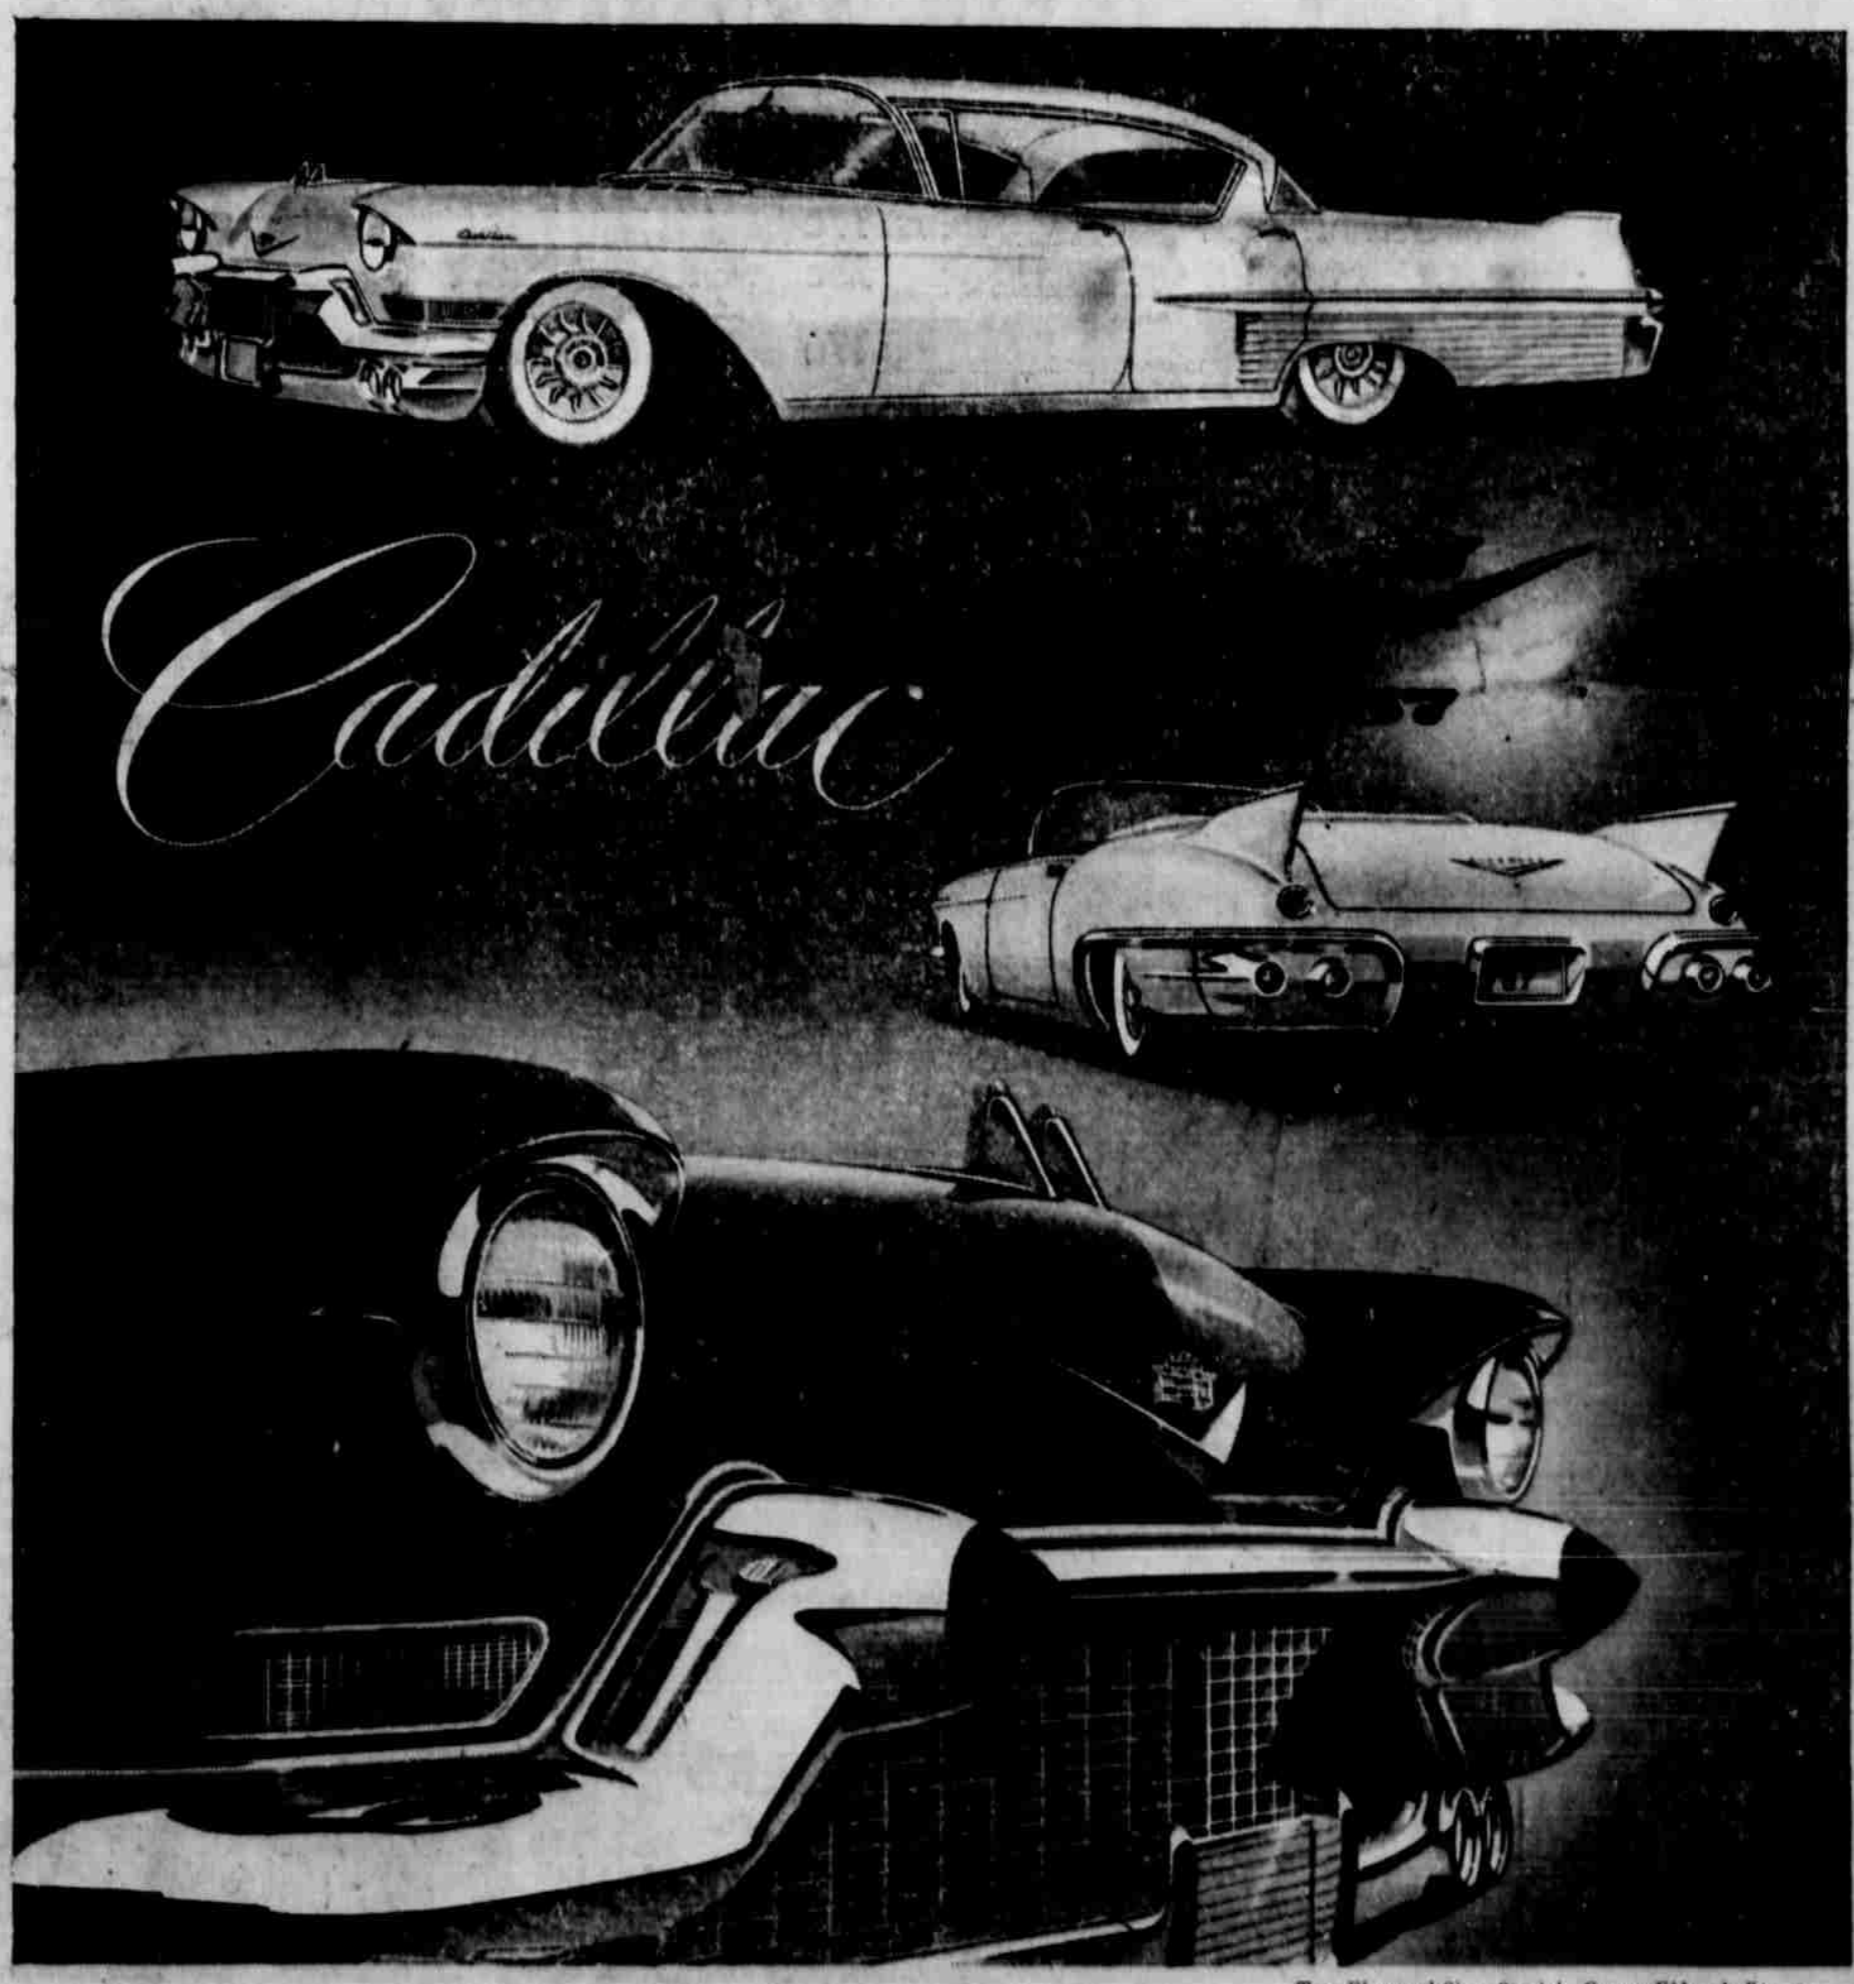

Application of nitrogen in your balanced fertilizer program helps you realize bigger profits on next year's crops. Phillips 66 Agricultural Ammonia (82% nitrogen) gives you the money-making advantages:

- Increases profits... lowers unit costs
- Saves time... saves money
- Easy to handle... easy to apply
- Improves soil tilth and fertility
- Quick acting... long-lasting
- Resists loss from leaching

Brilliantly new in Beauty... Brilliantly new in Performance!

Represented above are the most significant advancements we have ever been privileged to present to the motoring public. This is Cadillac for 1957—entirely new in design and engineering... and bringing to the world's highways a wholly new standard of motor car quality and excellence. Cadillac's renowned stylists have created a new Cadillac beauty... majestically graceful of line... wonderfully exciting in spirit... and with a new balance of chrome and glass and steel.

Cadillac's master coachcrafters have brought a new measure of luxury to the car's interiors... with gorgeous new fabrics and leathers... with new colors and patterns... and with marvelous new appointments on every hand. And Cadillac's world-famous engineers have introduced a sensational new concept of automotive performance... with two great new engines... with an even smoother, more responsive Hydra-Matic Drive... with greatly improved power steering and power braking... with a

revolutionary new frame design... and with a host of other vital engineering advancements. These dramatic Cadillac achievements are being presented for 1957 in ten individual body styles, including the breath-taking Eldorado series. Each is a Cadillac masterpiece... a brilliant tribute to the men who design and build the Standard of the World. We invite you to see... to inspect... and to drive the brilliantly new 1957 Cadillac at your very first convenience. You'll be welcome at any time.

Spade Scoops

By Mrs. Joe Prater

Mr. and Mrs. W. S. Savage and Mr. and Mrs. Edward Mitchell were Sunday dinner guests of Mr. and Mrs. Emmett Palmer of near Lubbock. Mr. Palmer is Mrs. Mitchell's brother. The group visited in the home of Mr. and Mrs. B. H. Cyfert of Lorenzo Sunday afternoon.

Freddie Margaret Bell, daughter of Mr. and Mrs. A. L. Bell of Anton spent last Friday night in the home of Mr. and Mrs. Ray Black.

Mr. and Mrs. Monte Mitchell and Mrs. H. G. Mitchell of Quail spent Friday night in the home of Mr. and Mrs. Edward Mitchell.

Mr. and Mrs. David Stafford and daughters have moved from Mulshoe to Spade. David is employed at the Hampton Gin.

Mr. and Mrs. Kenneth Reed and Leon of Lubbock visited his mother, Mrs. Ada Reed, Sunday.

Mr. and Mrs. Bob Wisocki of Amarillo visited her parents, Mr. and Mrs. H. Harvey, during the weekend.

Mr. and Mrs. Charles Park and sons of Lubbock visited relatives here Sunday.

Arthur Redell of Crosbyton visited his mother, Mrs. J. W. Redell last Tuesday.

The "A" basketball girls defeated Meadow at Mead last Tuesday night, 40 to 36.

The "A" team defeated Three Way 65 to 30 at Spade last Thursday night.

The girls "B" team defeated Three Way 19 to 15.

Rev. and Mrs. Bill Wadley and daughters went to Hereford last Friday night to visit her brother, Rev. B. H. Baldwin, who is hospitalized there, but is much improved.

Among those celebrating birthdays the past week were E. C. Glass, Mike Heard, Mrs. Bayne McCurry, Lee Leonard, Leonard King, Mrs. Homer M. Carter, Paf Bundick and Melvin Crawford.

Mr. and Mrs. Lamoine Howerton observed their third anniversary Monday.

Mr. and Mrs. H. P. Pointer and Mrs. Preston Pointer returned the middle of last week from New Mexico after attending the funeral of their son-in-law and brother-in-law, Bob Jones at Roswell. Irene and family will make their home in Roswell. Mr. and Mrs. Jones had moved to Las Cruces, N. Mexico recently and he died in an El Paso Hospital following a few weeks illness.

Margie Anderson of Amarillo was home during the weekend.

Visitors in the home of Mr. and Mrs. Leonard King Sunday were his parents of Littlefield and her parents, Mr. and Mrs. Kendrick of Carlisle.

Rev. Bill Wadley, Rev. M. M. Crawford, Rev. Dennis Heard, Doc Vann, J. W. Anderson and Joe Prater attended services at the county jail Sunday afternoon. Rev. Crawford was in charge of services.

12th Termie Stubblefield, daughter of Mr. and Mrs. R. M. Stubblefield will observe a birthday, Nov. 16th.

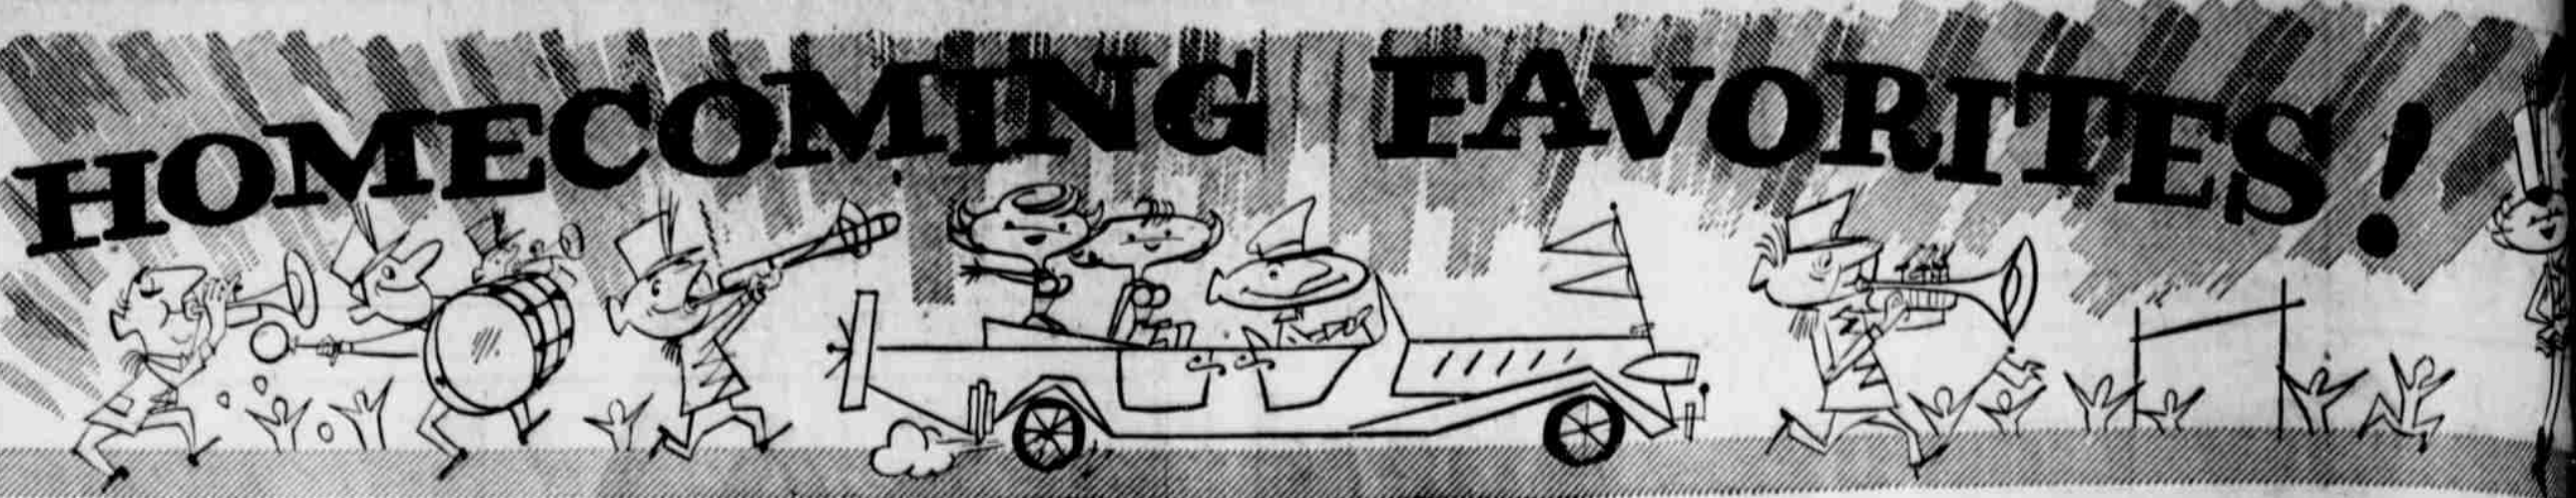

Rev. Bill Wadley taught school last Friday for Supt. P. T. Dunning.

Visitors in the home of Mr. and Mrs. Jess Emmons Sunday afternoon were Mr. and Mrs. Donald Harper and children, Mr. and Mrs. W. G. Harper, Mr. and Mrs. G. E. Moore and Mr. and Mrs. Neal Trull all of Littlefield.

Sunday dinner guests in the home of Mr. and Mrs. Deck Heard were Mr. and Mrs. Raymond Doss and baby of Kansas City, Missouri. Mr. and Mrs. Charles Franz of Lubbock, Mr. and Mrs. R. E. Ginn and son of Lubbock, Mr. and Mrs. Gwynn Heard and children and Mr. and Mrs. Dennis Heard and children. Mr. and Mrs. Doss and baby have been visiting in the Heard family since Wednesday. Mr. Doss and Gwynn were buddies while serving in the Air Force.

There were 132 in Sunday School at the Baptist Church Sunday.

Over 20,000 Arthritic and Rheumatic Sufferers have taken this Medicine since it has been on the market. It is inexpensive, can be taken in the home. For free information, give name and address to P.O. Box 522, Hot Springs, Arkansas.

Littlefield, Sudan To Participate In November Talks On Area Problems

(Special) — Citizens of Texas communities have November roundtable talks on area problems, Dr. W. Williams of Texas Tech has announced. The communities are Littlefield and Sudan.

Dr. Williams said the roundtable talks will be a coordinating effort to bring up possible solutions to the problems through regional cooperation.

Williams said advance notice of the most-discussed problems will be water, agriculture, and economic diversification in the area.

Williams said the roundtable talks will be community development, increased understanding and acceptance of minority groups, and the use of organizational resources in the region.

Williams also reported that the communities will be roundtable talks or share that with school officials.

Other communities, Williams said, have taken the initiative. Roundtable talks are organized by men's and clubs, other civic groups, radio or television. Dr. Williams said, "Leading citizens of the communities will be roundtable talks or share that with school officials."

Williams said the roundtable talks will be a coordinating effort to bring up possible solutions to the problems through regional cooperation.

Williams said advance notice of the most-discussed problems will be water, agriculture, and economic diversification in the area.

Williams said the roundtable talks will be community development, increased understanding and acceptance of minority groups, and the use of organizational resources in the region.

Williams also reported that the communities will be roundtable talks or share that with school officials.

research and an educational approach to regional problems is needed.

"We are exceedingly gratified with the fine response to that need as represented by these thrifty participating communities," he said.

Local views on the various issues are expected to be brought into regional focus during a West Texas Assembly January 22-23 at Texas Tech. The assembly will be the 1957 version of the Mid-Winter Forums sponsored by Tech and West Texas Council on Adult Education.

Communities scheduled so far to conduct local roundtable talks this month include: Hale Center, Abilene, Stanton, Tahoka, New H. m. P. o. Plainview, Sudan, Littlefield, S. v. d. Sweetwater, Colorado C. y. Lubbock, Midland, L. m. e. s. a. El Paso, Hereford, Floyd, B. r. o. w. n. f. i. e. l. d. Abilene, P. e. t. e. r. s. b. u. r. g. B. i. g. S. p. r. i. n. g. C. r. o. s. b. y. S. a. n. A. n. g. e. l. o. L. e. v. e. l. l. a. n. d. S. e. e. r. A. m. a. r. i. l. l. a. S. e. a. g. r. a. v. e. S. e. m. a. n. o. l. e. A. n. d. r. e. w. s. a. n. d. O. d. e. s. s. e.

Dr. Williams said major objectives of both the local roundtable talks and the Assembly are:

To blend individual community views into a regional statement of each problem so communities may cooperate toward its solution and to list possible alternative approaches to each problem so citizens in local communities may study them with a view to action.

Also to determine the kinds of information citizens need in order to make wise choices among the

1956 Turkey Crop Highest In History

One and three-quarter to two for every family in the United States—that is what the record 1956 crop of over 76 million birds amounts to.

In 1950, the U.S. produced slightly more than one turkey—44 million—for each U.S. family. Back in 1930, only 17 million turkeys were produced, a little more than one-half a bird for each family, the bureau says.

Thus, the U.S. is producing this year approximately four times as many turkeys as we raised a quarter of a century ago. Several factors have contributed to this enormous increase; new varieties which could be marketed much younger; reduction in labor required and in bird mortality, through new scientific methods, which has made year around marketing possible; attractive packaging and display in modern food stores; and in the case of the 1956 spurt in production, a favorable feed situation and the memory of good profits on the 65-million-bird crop of 1955. Today's turkey, as sold dressed in food shops, average about 12½ pounds.

How is it that this native bird, which has sometimes been proposed as the United States national emblem in place of the eagle, ever happened to be named "turkey"? Because, it was at first confused with the guinea-fowl, which in those days was a delicacy imported into Europe by way of Turkey and was therefore dubbed with the name of that country.

HERE'S HOW... MAKE A LEAF WAGON

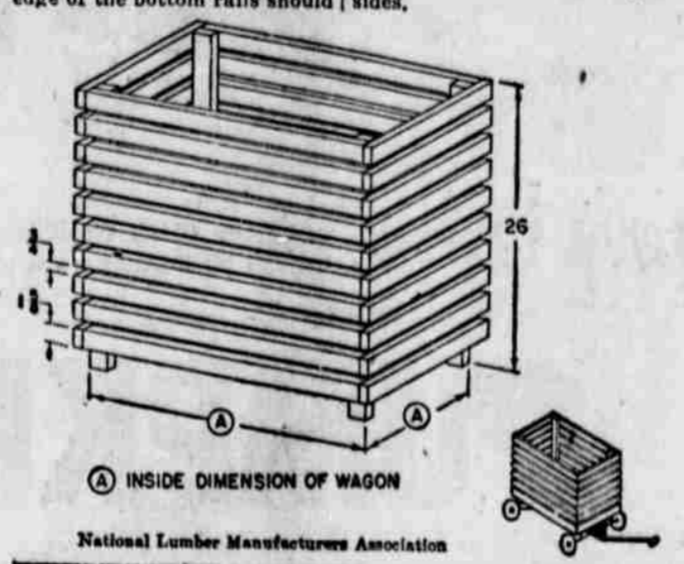

A coaster wagon can be converted to a carrier for easy transportation of leaves to the compost heap or burner. The removable carrier also extends the capacity of the wagon for other purposes.

The carrier uses 1 by 2-inch lumber. Length of the rails depends upon the dimensions of the wagon.

The space between the bottom of the posts and the lower edge of the bottom rails should be equal to the wagon depth, and preferably so the posts will rest on the wagon floor and the rails on the edges of the wagon sides.

Fasten the carrier together with 4-penny finishing nails—or for a sturdier job with nails or screws and glue.

If the carrier is to be used for hauling heavy materials, it should be bolted to the wagon sides.

Springlake News

By MRS. W. T. CLAYTON

A new teacher has been added to the Springlake School faculty, Mrs. Doyle Anderson of Sundown, who will teach Social Studies. Anderson will replace Mr. Bragg who resigned. Anderson was an employee of the Iverson Supply Company at Odessa. He is a 1955 graduate of Texas Tech and is not married.

Mrs. Ray Monroe of Hart Camp visited her mother and brother, Mrs. Cody and Henry, Friday.

Mrs. Hilbert Wisian, Sr., of Springlake attended a pink and blue shower for her daughter-in-law, Mrs. Hilbert Wisian, Jr., of Olton, Friday afternoon in the home of Mrs. Gene Trotter of Olton.

Mr. and Mrs. Ernest Baker and Mr. and Mrs. W. T. Clayton attended the Shrine Ceremonial at Lubbock Saturday.

Mr. and Mrs. Tom McGill attended services Sunday at Valley View Baptist Church to hear Rev. J. B. Hammond, whom they had not heard since 1932. The Valley View Church was observing their 35th anniversary Sunday. Several Baptists in the area attended.

The local P.T.A. of Springlake schools made a drive for books for the library, High School, librarian, Mrs. Marvin Sanders reports that many more books are needed.

Brownie Troop 41, sponsored by the XIT Study Club, are making copper pictures. Leaders are Mrs. Kenneth Parish and Mrs. James Busby.

Mr. and Mrs. Orlan Bibby and Kathy attended the funeral services of Mr. Bolinger at Cone, Texas, Sunday. Others attending were Mr. and Mrs. A. C. Loftis, Mr. and Mrs. W. B. Hucks, Mr. and Mrs. Ernest Goforth.

Mr. and Mrs. Dale Winders of Earth visited in the home of her

Aunt, Mr. and Mrs. Troy Blackburns last Monday.

Mrs. Thelma McClanahan attended a birthday dinner Sunday at Olton for her niece, Francis Ann Dodson. Francis Ann is the daughter of Mr. and Mrs. Tony Dodson of Olton.

Mr. and Mrs. G. H. Miller and

boys visited Sunday afternoon with their daughter and family at Littlefield. Mr. and Mrs. Kenneth Heard and family.

Mr. and Mrs. Lowell Waldon and Delvin were in Lubbock Saturday where Delvin was receiving a check-up for his eyes. The Waldons spent Saturday night with

'Completely New' 1957 Cadillac Shows Advanced Styling, Powerful Engine

The new 1957 Cadillac is on display at Jones Motor Co., in Littlefield and in dealer showrooms throughout the country. Billed as completely new, yet unmistakably Cadillac in appearance, the over-all silhouette has been lowered as much as three inches with the hood and rear

deck lower than the fender profile and the traditionally Cadillac tail fin restyled. Like the rest of this car, the front end styling is all new. The cellular grille effect, gull-wing bumpers and bumper guards are reminiscent of recent Cadillac styling, but they have been re-

done to tie in with low, sweeping design of the 1957 models. **300 Horsepower** A completely new styling innovation in the new models is the use of rubber tips on the bumper guards. Matching fog and parking lights are located in the

outer ends of the bottom bumper section. Glass treatment on the new cars has also been re-done. The wrap-around front windshield features supporting posts which slant forward, giving motion to the appearance and improving visibility.

The changes are to be found on eight of the ten new models. The two Eldorados, the Biarritz and the Seville, are distinctively different, featuring a rear quarter panel and rear end styling that puts the "dream car" into reality as a limited production car.

The new car is powered by a 300-horsepower engine, the most powerful and the highest performance engine ever offered by Cadillac as standard equipment.

Eldorado owners can have the 300-horsepower engine or a modified engine with twin four-barrel carburetors and a 235-horsepower rating.

The customized Elegitwood 60 Special Sedan is even further distinguished in its 1957 appearance. Besides being a four-door

IT'S THE LAW
★ in Texas ★
A public service feature of the State Bar of Texas

SELLER REMAINS LIABLE WHEN BUYER ASSUMES MORTGAGE
Henry Jones decided to sell his

home for \$15,000 and when a buyer was found, the question arose as to how the buyer should finance the purchase. Henry had a mortgage on his house, with a balance of \$10,000, and the buyer suggested that Henry permit him to take over the mortgage payments, paying Henry the difference of \$5,000 in cash. This, argued the buyer, would save him the trouble and expense of getting a new loan himself and so Henry agreed.

Several years after the deal was closed, Henry received a letter from his bank advising that the payments on the mortgage were far in arrears and that he would have to pay or a lawsuit would be filed. Henry was surprised to learn that he was still liable on the original obligation, and that if the property could not be sold at foreclosure to bring enough money to pay the mortgage balance and the costs, he would have to pay the difference.

Of course, Henry might have sued for his buyer for his loss, but the chances would be that the

buyer is insolvent and "judgment-proof", so that Henry could not collect a judgment against him. When a mortgage is assumed by a purchaser of real estate, the financial institution still holds the original note which was signed by the seller. If Henry had contacted his bank and obtained a release of liability, Henry would, of course, have been cleared of all further responsibility of the obligation.

Henry's bank, however, would have no reason to release Henry and might be reluctant to do so unless the bank's investigation disclosed that the buyer was at least as credit-worthy as Henry. The bank may also have additional problems concerning releasing Henry from the obligation if the loan was of the FHA or GI type.

The danger of permitting an assumption of your mortgage loan may, therefore, be considerable, especially in view of the fact that real estate markets may fall after a period of years so that the real estate itself may not be of sufficient value to pay the mortgage note in the event of a de-

Springlake Water Bond Slated Saturday

Springlake citizens will vote on a \$50,000 city water bond Saturday. Slated for over-all sale of city water facilities are \$34,000 in revenue bonds and \$16,000 in general obligation bonds. Voting place is the Springlake school building. The election will be held at 10 a.m. and 2 p.m. at the school building. The election will be held at 10 a.m. and 2 p.m. at the school building.

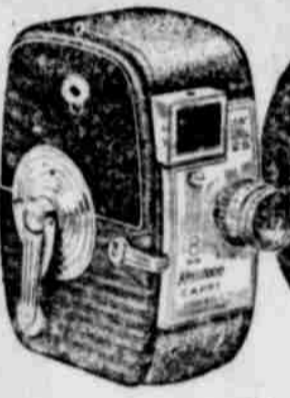

fault by the buyer. (This column, prepared by the State Bar of Texas, is for information only and should not be used as a basis for legal action without the aid of a lawyer who is fully conversant with the facts involved. Slight variance in the change the applicable law.)

SEDAN DE VILLE—The completely new styling of the 1957 Cadillac is readily apparent in this Sedan de Ville, the four-door hardtop introduced last year. The overall car is lower, the hood and rear deck are below the fender line and a restyled Cadillac tail fin, somewhat reminiscent of the Eldorado fin, has been adapted. A new instrument panel, deep post steering column and wide selection of luxurious trims are featured in interior styling.

A PAIR

that gives you all three!

1. SAFETY 2. DEPENDABILITY 3. ECONOMY

Electric water heater and electric range — truly a pair that gives you safety, dependability and economy. Neither requires air to operate and so you need no vents, no flues, no chimneys. And in a water heater you want hot water of uniform temperature chosen by you; in a range, uniform and accurate temperature control. These you get electrically. Cooking a meal for two cents, heating water for approximately ten cents a day... this is economy. Your Reddy Kilowatt Electric Appliance Dealer will help you choose the right size water heater and the right size range for your home. See him this week.

Springlake News

(Continued From Page 3)

Mr. and Mrs. Clifford Waldon, brother of Lowell.

Mr. and Mrs. Leslie Watson and Jimmy Stone were in Lubbock Saturday where they visited Jimmy's father, Mr. Jim Stone at West Texas Hospital.

Mr. and Mrs. Louis Halsell of Denver, Colorado, visited at the Springlake Baptist Church, Sunday with Mr. and Mrs. Ernest Green.

Mr. Robert Huckabee and Ronnie went to Godley, Texas, Wednesday and visited with his brother, Cecil Huckabee and family.

Mr. and Mrs. Hilbert Wisian were in San Antonio over the weekend attending the funeral of her cousin.

Mr. and Mrs. Robert Hagerdon of San Marcos have moved to Springlake. Mr. Hagerdon is employed at the Farmers Co-op gin.

Mrs. Kenneth Hinson was a patient in the Littlefield hospital last week.

Cathy Bibby visited Friday with her cousin, Johnny Dale McNamara.

Mrs. Orlan Bibby was in Lubbock, Friday for a heart checkup.

Mrs. Robert Huckabee visited her parents, Mr. and Mrs. G. E. Thomason of Mulshoe Friday, she also visited his parents, Mr. and Mrs. W. M. Huckabee at Olton.

Rex Loftis of Canyon spent Sunday with his parents, Mr. and Mrs. A. C. Loftis.

Rev. and Mrs. John T. Williams returned from Corpus Christi Thursday where they attended the Baptist State Convention.

Those attending the "Christmas Decorations" at Lubbock Friday were, Mrs. H. M. McClure, Mrs. Wayne Davis, Mrs. Orlan Bibby, Mrs. Kenneth Boone, Mrs. Ralph Ruel and Mrs. James Packard.

Members of the Pep CYO will attend the Littlefield CYO gathering in the Youth Center Sunday at 8:30 a.m. The Levelland CYO group will also be present.

AMONG THE FIRST POPPY CUSTOMERS SATURDAY at the table of Mrs. E. M. D. and Mrs. Neal Douglass (center) was W. A. Wolfe, (right) manager of Dunlaps. Mrs. Douglass sold all of their poppies by 10:30 a.m. Mrs. Douglass, 86, has been selling since November 1930. Poppies, made by Disabled American Veterans are sold near Armistice each year by Gold Star Mothers. (STAT)

30 Years In Sports....

Ussery Plans Boys Club And Skating At New Arena

John Jackson Ussery, a man with better than 30 years in amateur and professional sports, opens the new Littlefield Sports Arena this coming Saturday with the aim of providing the people of Littlefield with good wholesome recreation.

Ussery, a resident of Littlefield only three years, but already well-known throughout the county, has just completed his new Sports Arena on the Levelland Highway, a luxurious building to bring bigger and better wrestling to Littlefield grappling fans and sports lovers. In fact Ussery plans to go beyond wrestling and incorporate a skating rink within the building sometime in the near future.

Among other plans of the local promoter are a "Boys' Club" for Littlefield youths to attend on weekends and throughout the summer. Ussery plans to install a trampoline, aerial bars and other

in 1932, Ussery played two years with the club.

He continued to work with Phillips Petroleum Company until 1945 when he entered business for himself in Borger, Texas. He owned and operated his own business in Borger until he bought out the local wrestling license and promotion in 1954.

Ussery did some amateur wrestling in AAU meets during the 1930's and has been active in wrestling as a referee until four years ago. An injury suffered in the writing while refereeing in Wichita, Kansas, in 1952 forced him to retire from active participation in the ring. He could not get the "wrestling bug" out of his system though and after less than a two-year absence from the ring returned to the wrestling scene, this time as a fight promoter.

Ussery and his wife Eleanor live on the edge of the city limits on the Levelland highway. Ussery is a member of the masonic lodge, Scottish Rite Bodies, El Paso Consistory, Shrine, and is affiliated with the Methodist Church.

The Ussery's have two sons, Johnny, football coach at Whitarral High School and a licensed wrestling official, and Skipper, a senior ministerial student at Tulsa University.

Six Texans were among the 103 county agents honored by the National Association of County Agricultural Agents at the Association's 41st annual meeting held in Houston in late October. The Texas agents and the counties they serve were Ollie Limer Hale; Al Petty, Denton; Roy L. Ford, Winkler; E. R. Lawrence, Hamilton; R. E. Shaver, Comal and R. E. Nolan, Nueces. They were presented Distinguished Service awards.

Laying flocks need at least 13 hours of good light every day if high egg production is to be maintained. Ben Wormell, extension poultry husbandman, says the use of artificial lights in the laying house is a necessary management practice if poultrymen expect to keep egg production high during the seasons short daylight hours.

Ussery's sports experience dates back to the mid-1920's when he played guard for Gainesville, Texas, high school. Upon graduation from high school he attended North Texas A & M College at Arlington and Montezuma University of Las Vegas, N.M., where he was an outstanding football player.

In 1930 he went to work for Phillips Petroleum Company and played professional football with the old Phillips 66 "Oilers" of Bartlesville, Okla., a football club that was similar to the touring 66'er basketball squad of today. The Oilers were disbanded

Joe Oden, well known former county farmer who has operated in the Spade and is well satisfied with his operations this year, despite the fact that he was completely out of the water in early in June.

Oden has 69 acres in cotton, planted to first year Lockett 88. He has gotten out 25 bales and hopes to harvest 20 more bales. Oden believes that his cotton will average 30 cents per pound.

Martin maize and kaffir corn made up the feed crop, which averaged a little less than one ton per acre. The feed brought from \$1.75 to \$1.90 per 100 pounds. Despite the fact that he was

DRAKE'S COFFEE BREAKS

The net campaign for which you will be called to donate will back a sure winner—S. Claus.

Perhaps we are prejudiced because we have had "our roots down" hereabouts for a long time, but we are stuck on that new brochure of Littlefield as a flock of old-fashioned flies on sticky paper of the kind that our grandparents used to set out as a trap.

We recall that the said sticky paper was known as tanglefoot . . . the flies tangled atop that paper until they flopped over oblivious to this veil of tears and all of its entanglements.

Sometimes we kids got our hands on the tanglefoot paper . . . and we have known it to adhere to the seat of our anatomy.

Those greyish black sheets that felt something like blotting paper. They were placed on old saucers and some water added . . . and perhaps a little sugar . . . but we do recall that flies who drank deeply of the potion slipped away from this world to make room for others who would pass their way but once . . . and depart quickly.

NEW STREET SIGNS THAT the local business district will get sometime during the next year look similar to those in the picture. The street signs are part of a three-year program with residential areas to be served in the second and third years. The city has included the signs in its 1957 budget and the local Lions Club has agreed to pay part of the expense involved. Being considered also is the possibility of getting reflectorized signs that could be seen at night.

chures to flies . . . with the greatest of ease. But to get back to this creation of the printing art . . . it's neat . . . it's light . . . little text . . . many pictures . . . and a story is told so entertainingly as to intrigue even as a favorite magazine. This booklet was printed for distribution by the Board of City Development to prospects in an

effort to increase the industrial beat of "The Pulse of the Plains."

We feel certain that any prospect receiving this fine booklet would give Littlefield full consideration as a location for an industry.

The cover carries a three-color cartoon of a baseball player with a \$ sign on his back and one foot on home plate. Over the ball player is this caption:

"You can't get to SECOND with your foot on FIRST!"

The message brought by the booklet . . . all carried out in a baseball theme . . . is exceedingly clever . . . it's Littlefield through and through . . . even to Lady, the fine house Dalmatian . . . who answers all fire calls.

The Box Score . . . as a box score should . . . tells about the increase in Littlefield's population from 542 in 1920 to more than 9,000 in 1956.

But we're not going to spoil the game for those who will read the booklet . . . let them view Littlefield in action from the stands . . . they may want to join the team.

On a page away at the back of the booklet we learn that this brochure was prepared as "a public service," meaning that it was all done for free.

Photos by John Nail
Copy by Harry Vanderpool
Printing by Van Coltharp and Littlefield Press.

We can say that the photography was excellent; that the text was brilliant, and that the craftsmanship in printing the booklet was highly commendable . . . because we haven't any business or financial connection with John's

Services Held For Hart Farmer, Velton V. Martin

Funeral services for Velton V. Martin, 35, Hart farmer who died Saturday afternoon at Parkland Memorial Hospital, Dallas, after a long illness, were conducted at the Hart Baptist Church at 2:30 p.m. Tuesday, Rev. Jack Johnston, pastor, officiated.

Interment was in the Hart cemetery, Lemons Funeral Home, Plainview, were in charge.

Mrs. J. C. Moreland of Amberst, is a sister of the deceased.

Martin moved to Hart six years ago from Fletcher, Oklahoma. He was a member of the Hart Baptist Church.

Survivors include his wife, the former Betty Jane Clayton, Hart; his parents, Mr. and Mrs. E. E. Martin, Hart; two sisters, Mrs. Charles E. Wells, Bainbridge, Ga.; and Mrs. Moreland.

studio . . . because we haven't got any ambitions to be a preacher . . . and because we don't own the Lamb County Leader, the County Wide News, or the commercial printing department . . . we just hang around the place and get off a few wise cracks in black and white . . . black ink on white paper.

Highlights and Sidelights From Your State Capitol

By VERN SANFORD
Texas Press Association

AUSTIN, Tex. — General election results, nationally, have added new suspense to the already tense issue of who will succeed Texas Gov. Elbert D. Dicks as U.S. Senator.

At stake is whether Democrats or Republicans will control the U.S. Senate, when Congress convenes on Jan. 3.

Democrats now have a precarious 49 to 47 majority advantage. But it would take 48 if a Republican replaced Democratic Senator Daniel.

GOP Vice Pres. Richard Nixon can vote in case of a tie. Therefore this one vote, which Texas could bestow upon him . . . in a round-about way . . . could determine the balance of power. Most important of all, it could decide which party could organize the Senate and appoint the all-important committee chairman.

This possibility puts Gov. Allan Shivers in the national spotlight again. And Senator Daniel.

Texas' conflicting election laws have clouded the issue as to whether

More Livestock Will Be Needed

The following is from a Wall Street Journal news column: "To feed 1957's bigger, more prosperous population, federal prophets say, the nation will need 33 per cent more livestock and livestock products and 22 per cent more crops. The experts figure farmers will have to produce one-third more cattle, two-fifths more hogs, one-fourth more milk, two-fifths more eggs and chickens."

This is good news for livestock people, as well as the producers of the other farm products which will be in stronger demand. Also, of course, it presents a challenge. Meat production, particularly, must be planned on a long-term basis. Nature has her implicable laws, and you can't materially increase livestock herds in a hurry.

But every precedent indicates that U.S. agriculture will produce all the steers, hogs and other meat animals that the country can use. They always have — and in periods when both total and per capita demands have increased sharply. There are good reasons why that should be so.

For one thing, meat animals provide farmers with their largest single source of cash income. For another, there is an established market for these animals that operates every business day of the year — prices vary, naturally, but the market is always there. Most important of all, livestock production isn't subjected to government restrictions as are the sub-sidized crops. It is conducted within the framework of our free enterprise system — and individual producers, not the bureaucrats, have the power of decision. That works to the long-range advantage of everyone concerned — all the way from farm and ranch to the nation's dining tables.

15. That's when Daniel takes office as governor. This because Daniel's letter of resignation from the Senate specifies Jan. 15 as the effective date of his resignation.

Shivers contends that inasmuch as Daniel did not resign, effective immediately there is no vacancy until Jan. 15. Daniel argues that Shivers has the power to call an election. Both point to different provisions of the poorly drawn election code.

Unless Congress is in session, a governor cannot make an appointment to fill a vacancy. Therefore, should Senator Daniel resign effective today, Shivers could not name a successor until Jan. 3 . . . opening day of the new Congress.

Shivers feels that Daniel should resign outright, thus paving the

way for an immediate election. The governor is required to call an election within 90 days from the effective date of the resignation. Governor Shivers legally can call a special election before Jan. 15, and not before 30 days have elapsed. This means that the governor could call for an election in December . . . or he could designate a January or February date.

Whatever course Daniel pursues, Shivers undoubtedly will have a chance to appoint a temporary replacement. First, because Shivers is not likely to call for a December election. Second, if Daniel submits a new resignation before Jan. 3, effective immediately, Shivers automatically can name a successor on Jan. 3. And third, if Daniel sticks to the Jan. 15 date, Shivers will have from 12:01 a.m. on the 15th until Daniel is inaugurated at 12 noon, to name a successor.

DROUGHT AUTHORITY GIVEN — Gov. Shivers has been authorized to designate Texas farmers eligible for reduced railroad rates.

Secy. of Agri. Ezra Benson asked the governors of seven drought-stricken states to indicate persons qualifying for this aid.

Railroads have offered free return transportation for cattle shipped from dry areas to western grazing areas. Designated persons also can receive a 50 per cent reduction in rates on hay shipped from western states to drought regions.

FARM INCOME UP — Improved methods have kept Texas' overall farm income up, despite drought setbacks.

Cash income for January through September totaled \$1,108,000,000, an increase of \$13,000,000 from last year, reports the University of Texas Bureau of Business Research. Average for the dry years of 1951-55 was six per cent above 1947-49.

Irrigation, conservation and improved crop varieties are credited for the increase. Some areas, the bureau noted, have not had a major crop in five years. Offsetting these are such areas as the Panhandle-South Plains region where "spectacular results" have been achieved with irrigation.

SHIVERS BUYS HOME — When Governor Shivers becomes MR. Shivers next January, his family will move from one historic Austin mansion to another.

He has purchased Woodlawn, 103-year-old residence bought by Gov. Elisha M. Pease when Pease retired from office. Seller was R. Niles Graham, grandson of Governor Pease.

Known locally as "The Pease Mansion," the 17-room antebellum still contains century-old furnishings. Its new owners plan only such remodeling necessary to accommodate their family.

CONSTRUCTION SPIRALING — An all-time record for 1956 with a healthy boom carrying over into '57 is foreseen for the Texas construction industry.

Awards through October totaled \$1,049,179,948. This was only slightly less than the total for the whole 12 months of 1953, the highest previous year.

October awards of more than \$84,000,000 did not include a Texas Highway Department contract letting. This means the November figure, with two months of road contracts, likely will be large.

BOND ELECTION UPHOLD — State Supreme Court has upheld and clarified a new law for unlimited issuance of bonds by school districts.

Validity of some \$75,000,000 in school bonds was affected by a test case from Hamilton County. Voting in bond elections is limited by the Constitution to property-tax payers. An act for school bond elections passed by the last legislature further restricted voting to those who had

THIS WEEK

—In Washington

Clinton Davidson

With

We would like to join with you, if we may, in observing Thanksgiving — in laying aside our personal problems and worries and in counting the many things for which we are thankful.

It is good to take inventory at least once a year, and to bow our heads in gratitude and thanksgiving for the spiritual and material strength that sustains our lives in a nation blessed by Divine Providence.

We think of Thanksgiving as an American institution, originated 200 years ago by the Pilgrims, but the Bible mentions thanksgiving many times. In it Paul says, "Let your requests be made known with thanksgiving." That is, thanks to God should be given at least as often as requests to God are made.

Thanksgiving Day is as truly American as roast turkey, with dressing, cranberry sauce and pumpkin pie. In two centuries it has not changed. "Thank you" has become an established part of our language and customs.

As a boy, at home, I recall we always said "thank you for the biscuits," or "thank you for the butter," instead of "please pass." All of us, of course, use "thank you" as an expression of appreciation.

As a nation of free people, we are thankful that today we can enjoy the democratic privileges of freedom, peace and prosperity. Those are blessings enjoyed by the people of few nations in the world.

Earlier this month we chose our local, state and national public officials to preserve and administer our democratic system of government. We did it in the true spirit of democracy and without violence or bloodshed.

Freedom and democracy are priceless possessions. Once they are lost, the price for regaining them, as in parts of Europe, Asia and Africa today, is a fearful one to pay. And yet the people pay it with their lives if necessary.

Our material wealth and income is unequalled anywhere else in the world. With more than 67 million people employed, we have a national income of over \$400 billion this year.

Although farmers have not shared as fully as others in that tremendous growth of prosperity, they have maintained the most productive farming system in the world and the future looks brighter.

When we compare farming today with when I was a boy we have much for which to be thankful. Much of the drudgery has been taken out of life on the farm, and in the farm home, through modern conveniences such as power machinery, electricity and other advancements in science.

Automobiles, good roads, radio, television, running water in the home, more and better educational opportunities, are only a few of the things that make life on the farm more satisfying and rewarding.

With only about 5% of the world's population, Americans own two-thirds of all automobiles, have more than one-half of all paved roads, use one-third of all electricity, own three-fourths of all television sets, and have better homes and more modern conveniences than any other nation.

In a world where violence and revolution exist or are threatened, we have dedicated ourselves and our nation to maintaining peace.

rendered property on the county tax roll.

High court ruling removed this restriction, but upheld constitutionality of the rest of the law.

Sand Hills Philosopher

Editor's note: The Sandhill Philosopher on his Johnson grass farm is taking a long-range view of the world situation, his letter this week reveals.

Dear editor:

I went into town yesterday to see what was going on, although generally speaking I haven't found that town people know any more about what's going on than country people, they just talk about it more, and from what I gathered from doing a lot of listening everybody is worried about the Middle Eastern situation.

I am sorry to say that while I am concerned with it, I'm not as worried as I used to be, and I guess it's because I've got a better memory than some people.

To refresh your memory, though, if you'll recall, for the past ten years or more, the world hasn't gone longer than six to eight months without a new crisis breaking out. We can rock along for a few months without much on our minds, when all of a sudden trouble breaks out in some part of the world, South America, Greece, China, Formosa, somewhere else in the Pacific, Suez, etc., and is each one breaks out, the world tightens its nerves and the newspapers bring out their bigger headlines. After a few weeks, or maybe a month or two, the story begins to fade, and the world falls back on hold-ups, murders, and Hollywood news. Then a few months later another crisis breaks out, and we start all over again.

Understand, every new crisis has to be paid attention to, and you never know when a little one will develop into a big one, but my position is that if a man hasn't learned to live with a fresh crisis around the corner, he might as well learn to.

A crisis in Europe or Asia plays about the same part that football does in this country, only it's more dangerous. On the whole more people get hurt in a crisis than

they do in a football game, especially the spectators.

If Europe had something on the order of football, with one country playing another each week like towns and colleges do over here, and if they could throw Russia out of the conference for unethical recruiting, things might be more peaceful, but I don't look for it to happen. After the present Middle Eastern crisis is over, somebody will spring another one. Probably working on it right now.

It's something we have to live with. If you stop and think about it, every time on your car sooner or later is going to have a flat.

Second only to freedom and democracy, it is a prized blessing for which we are thankful.

DOWN MEMORY LANE

From the files of the Lamb County Leader, Nov. 1924.

At a recent meeting of the Littlefield school teachers, Mrs. H. W. Wiseman and Mrs. T. Wade Potter were elected to take charge of the primary department, while Mrs. Potter will be in charge of the fourth grade.

Gov. Pat M. Neff paid Littlefield a brief visit Tuesday morning speaking at the school house, and personally to the school children along education lines and opportunities of the rising generation.

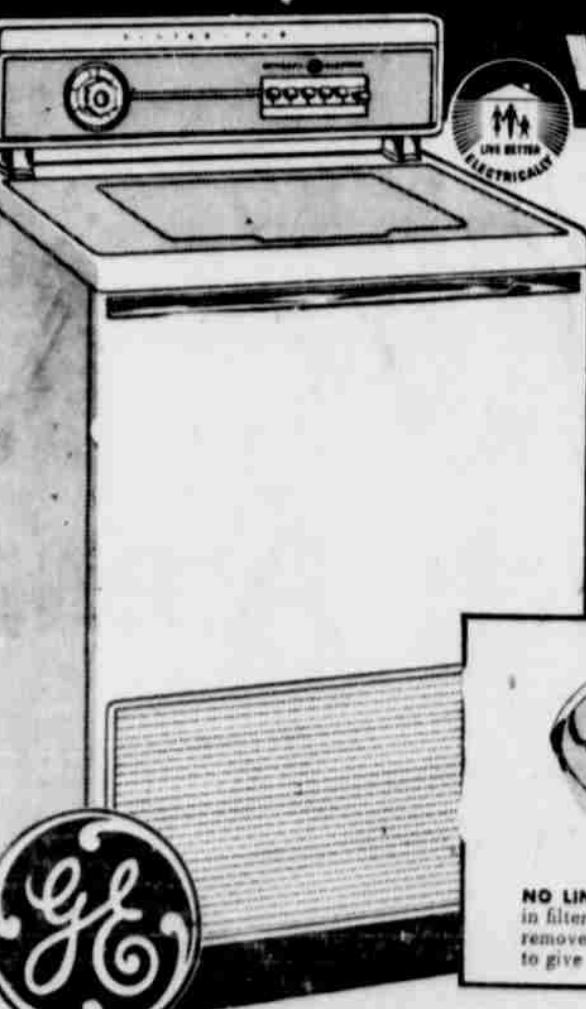

In the next twelve months 6,000 additional people expected to make their home in Lamb County, according to conservative estimates of managers of sales of big tracts being sub-divided in this territory for farms.

"Shawnee" the popular little Shetland pony given by the Shaw-Earnest Co., last Christmas, is to be given this Christmas eve. This concern has again purchased and he will be displayed Saturday afternoon all saddled, bridled and ready for the boys and girls to ride.

The Lamb County Commissioners met last Monday and canvassed the election returns, also approved C. L. Haazie as engineer to prepare plans and specifications for the road running north from Amherst and connecting Roger Q. Mills highway with highway No. 28.

News From Amherst

By MRS. LESTER LA GRANGE

Mrs. Adele Cole of Big Springs spent Friday night with her mother, Mrs. D. L. Britt. On Saturday they both went to Portales, N.M., to spend the weekend with Mr. and Mrs. Wade Britt, Mr. and Mrs. Roger Britt also spent Sunday with Mr. and Mrs. Wade Britt.

Frank's Gomaes, Pat Blessing, Jeff Brantley and Joyce Holland, all Tech students spent the weekend with their parents.

Miss Sue Williams of Lubbock spent the weekend with relatives and friends of Amherst.

Mr. and Mrs. Ray Blessing did some shopping in Lubbock Saturday and attended the Tech-TCU football game.

Mr. and Mrs. A. A. Blair went to Rochester on Saturday and Sunday to celebrate that city's homecoming. It was Rochester's fifty

tieth anniversary. They were accompanied by her mother, Mrs. Willis of Littlefield who was an early day settler of Rochester.

Mrs. Dale Wheeler of Midland arrived Friday for homecoming and to visit her parents, Mr. and Mrs. J. S. Harmon.

Mr. and Mrs. George Cooper of Hobbs, N.M., visited in the home of Mr. and Mrs. A. T. Hedgepeth over the weekend. On Saturday they all went to Lubbock to visit the Hedgepeth's daughter-in-law, Mrs. Harry Hedgepeth who was spending the weekend there with her parents.

Mr. and Mrs. E. C. Watson and son, Joe Willard recently had as guests her two daughters, Mrs. R. V. Bittick and children and Mrs. Gerald Hanes all of Midland. They were accompanied home by Rosalyn Hanes who had spent the last two weeks with her grandparents and uncle.

Rev. and Mrs. Jarrell Tharp of Abilene arrived on Friday in time for the last half of the Amherst Hart football game. They spent the weekend and Rev. Tharp filled the pulpit at the Methodist church on Sunday.

Word was received here Sunday of the death of Velton Martin of Hart. He had been quite ill for sometime, and had spent the last few weeks in a Dallas hospital. Mr. Martin was the brother of Mrs. J. C. Moreland who had been in Dallas much of the time the last few weeks.

These members of the Garden Club were in Lubbock Thursday where they attended a lecture on Christmas arrangements. Mrs. E. L. Black, Victor Reynolds, H. W. Terrell, F. L. Ross, George Harmon, John Cantor and W. P. Holland, Sr.

Mrs. C. E. Green, former school secretary, now residing at Hobbs, N.M., was in Amherst Friday for the homecoming. She spent the weekend with Mr. and Mrs. W. E. Nicholson.

Claud Cook was confined to the Littlefield Hospital with intestinal flu several days last week.

Mr. Harry Hedgepeth of Fort Worth was here Friday when he

spent a few hours with his parents, Mr. and Mrs. A. T. Hedgepeth. He is spending his vacation deer hunting.

Mr. and Mrs. E. L. Black went to Dallas on Sunday where she had to return for a medical check-up after a recent operation. They will return on Tuesday.

Mr. and Mrs. Ray Douglas of Amarillo were guests of Mrs. Douglas' parents, and sister, Mr.

and Mrs. K. E. Gregson and Maxine. His mother from Lubbock also visited with them last week.

Sharon Morgan, small daughter of Mr. and Mrs. Alton Morgan, has been ill with the flu.

Mrs. Billie Parker and two children Pauvette and Randy of Lubbock visited her parents, Mrs. and Mrs. L. E. White and Nancy this weekend.

More Vandalism Committed Here

Three more acts of vandalism cropped up on city officers this week.

Saturday night, another bicycle was taken and Sunday another hubcap disappeared. Monday night, a side view mirror was taken from a car parked in front of the high school.

News From Whitharral

By MRS. ELVA T. CRANK

E. P. Havins is visiting his daughter, Mrs. Jerry Shepard and family at Los Angeles, Calif.

Rev. and Mrs. Larry Young of Wayland College at Plainview visited the latter's parents, Mr. and Mrs. C. G. Oates who reside east of town.

Mrs. Chester Borders is visiting relatives at Tyler, Beeville, Farr and other south and east Texas points.

John L. Burnett attended a hunting meet at Jonesboro through the weekend.

Coda Stephenson spent Friday night in the Medical Arts Hospital in Littlefield following an injury received in the football game here. He came home Saturday noon.

Weekend guests in the E. P. Havins home included Miss Wanda Price of Baytown and Mr. and Mrs. Clarence Key and son of Crane.

Miss Cynthia May Eller of Carlsbad, N. M., spent the weekend here with her mother, Mrs. Carrie Eller.

Bruce Wren, Jr., and son Rodney are home from a two weeks stay in Truth or Consequences, N. M., where they visited his wife and son Gary.

Mesdames Fred Newsom and J. E. Wade attended the Hockley County Home Demonstration Club Council in Levelland Friday.

Mr. and Mrs. J. B. Wren, Sr., spent the weekend in Duncan, Okla.

J. L. Dalrymple arrived home Saturday night from Ft. Sam Houston at San Antonio, for a few days with his parents, Mr. and Mrs. J. L. Dalrymple, Sr.

Mrs. Bill Isom was here Sunday from Lubbock for her children who had been spending several days with their grandparents, the O. L. Baisdens north of town.

Bobby Davis, who is stationed at Beeville, spent the weekend here.

Mr. and Mrs. W. M. Byrd of

Lubbock spent Sunday with Mr. and Mrs. C. G. Landers.

Mr. and Mrs. Hub Spraberry visited their daughter and family at Amarillo.

Sunday guests of Mr. and Mrs. John L. Burnett and family were Mr. and Mrs. Bud Burnett and children of Morton and Mr. and Mrs. Wade Strickland and daughter.

Mr. and Mrs. B. L. Hicks, Sr., and Miss Mary Jo Hicks and Mr. and Mrs. Bruce Hicks Jr., and children spent the weekend in Midland with relatives.

Rev. John Jenkins, who was engaged in a revival at Glennwood, N.M., was called home to attend the funeral of his brother-in-law at Lubbock. Bill Johns filled the pulpit for him Sunday night at the Hodges Baptist Church.

Mr. and Mrs. C. B. Kenney and Johnny returned Monday from Los Alamos, N.M., where they spent the weekend.

Charles Ray Denney has returned to West Texas, State at Canyon following a weekend visit here with relatives.

Mr. and Mrs. Ernest Sturch, teachers in the Olton School, spent the weekend at their home near Durant, Okla. Their son Billy, a senior at Oklahoma University at Norman, was also there.

and costs and lodged in the county jail.

Saturday and Sunday, six Negro men were picked up on drunk charges and all were fined \$20.50 and released. One Latin male was charged with vagrancy and was also fined and released. A Negro female was picked up Sunday on drunk charges and released after she paid a \$20.50 fine.

On Monday, two Latin males from Earth were also picked up on drunk charges.

TELEPHONE employes line up for bargeque Saturday night at the communal employe banquet in the community center. More than 100 employes attended. Left to right in the picture are Van White, Glenn Patterson, Dale Moore, Ruth Hurt, Shirley White, Mildred Buster, Ira Lee Kelsay Smith.

FLAGS AND LIBRARIES

Woodmen of the World's local Camps have given 19,637 United States Flags to schools, churches, libraries, Scout troops and other organizations since 1946. That's the equivalent of two flags for each of the nation's more than 9,500 libraries (including branches).

The Society contributes these flags to promote good citizenship and remind fellow Americans of our country's great heritage. Woodmen also perform many other civic and patriotic services for a better America.

1957 Mercury With Dream Car Design Now On Display At Garrison Motors

"Dream car" design for driving today is offered by Mercury in its completely new line for 1957. Representing one of the most extensive model changes in history, the 1957 Mercury has a unique styling theme highlighted by graceful, sculptured side projectiles topping low rear fenders and terminating in massive V-angle tail-lights. Entirely new, bigger bodies designed especially for Mercury are wider and longer and roomier, giving more passenger comfort. Overall height has been reduced four inches, yet head room has been increased two inches. A softer ride, better handling and roadability result from newly engineered chassis features, which include the industry's first air-cushion rear suspension on many models. A choice of a 255 hp. or 290 hp. V-8 engine is offered in Mercury's 15 new models in Monterey, Montclair and station wagon series. Pictured is the Mercury Montclair four-door sedan.

Introducing "dream car" design, the 1957 Mercurys are distinguished by an unusually low silhouette, a completely new and larger body, choice of 255 hp. Safety-Surge V-8 or 290 hp. Turnpike Cruiser engine and a unique new floating ride which pioneers air-cushion rear suspension on many models. The 1957 Mercury is on display in Littlefield at Homer Garrison Motors. These new Mercurys introduce a new concept of motoring with bold, new styling and many mechanical advances destined to influence the shape of cars for years to come," said F. C. Reith, Ford Motor Company vice president and Mercury general manager. Mercury's long, flowing lines are highlighted by sculptured side projectiles topping low rear fenders and terminating in massive V-angle tail-lights which make

Mercury unmistakable on any road. The new Mercury's "dream car" styling is based on the XM Turnpike Cruiser — an experimental model — which was introduced last January and has won nationwide approval on its coast-to-coast tour this year. The 1957 Mercury is 5 inches longer than the previous model, 3 inches wider and 4 inches lower. Headroom has been increased 2 inches and there is also more hip room and leg room. Wheelbase is up 3 inches from 119 to 122 inches and the front tread is one and a half inches wider. The new Mercury styling starts with the thin, crisp roof with its distinctive front and rear overhang. Slim but rugged pillars support the roof front and rear. With sharply reduced car height, the roof has become an integral part of car design. First to recognize this important transition, Mercury has imposed a clean-cut channel in the center of the roof which continues in the rear deck with the channel extending past the rear window into the package tray. For better vision, total glass area has been increased by 700 square inches. The projectile side theme on rear fenders accents the feeling of motion induced by the car's low silhouette and the projectiles as well as the distinctive V-angle tail-lights are rimmed in chrome Jet-flow double bumpers with large, twin ovals protect both front and rear. A full-width grill composed of vertical strips of bright metal houses combination parking lights and turn signals and is topped with projecting headlamps and forward-thrust fender hoods. Mechanically as well as in styling design, the 1957 Mercury makes noteworthy strides forward. Outstanding features are: New Keyboard control with Merc-O-Matic transmission which is mounted on the instrument panel to the left of the steering column. Air cushion rear suspension — first in the industry for passenger cars — is featured in many models as part of Mercury's all-new "floating ride" designed to smother bumps, vibrations and road noises and provide smooth, effortless driving. New "floating ride" — which provides jolt-free comfort at all times and includes new, improved springing action with longer, softer front coil springs and more flexible rear leaf spring. New Station Wagons with "passenger car" riding comfort — feature air cushion rear suspension; are 10 inches longer, lower, wider, more spacious and carry 9 passengers. 15 Models in 3 series — for 1957 Mercury offers a new station wagon series of 6 models and the
