School Board Buys Land For New Athletic Stadium

Plan To Hire Additional Coaching For Junior Hi

Troy Moss, president of the Littlefield school board of trustees announced Tuesday night to the Quarterback Club that the school has purchased a 15 acre tract of land between the Bula and Lubock highways for the site of a new football stadium. Moss stated that the purchase of the property for a new stadium was part of a long range plan of the school board to improve the facilities for playground activity and the athletic program of the school here.

Nearly News

By DOUG POE

More people having more trouble with getting their cars mixed up around here. Doc Wright spent upwards of five minutes trying to get his key into a brown and white Fairlane that looked just like his and was parked next to it down at Fishers.

But that was getting off easy, compared to Bobby Orr. It seems that Lawrence Hudson called Batson Motor Company late one afternoon last week and told them to come pick up his '53 Ford parked in front of the school and fix it so it would start. They found a '53 Ford in front of the school, took it to the shop and locked it up for the night.

Later Bobby Orr missed his '53 Ford and notified the sheriff. Road blocks were hastily thrown up over the four or five counties in the area. Some reported seeing the car go through Levelland heading south.

It wasn't until the next morning when Lawrence went to get his car, that the mystery was solved. Haven't heard whether or not Lawrence got a reward for recovering Bobby's car for him, or even if he ever got his own car started.

Good thing we got old Sam back into the advertising department because it looks like we're about to lose Advertising Betty to the Knife and Fork Club circuit. She was called to Dallas last week end to speak to SMU's press seminar, and is scheduled for another speech at Tech next month when they have Journalism Day on the campus.

She also attended the Texas Press Association advertising meeting while she was gone. Last year she came back from that meeting with a plaque for the best ad idea in the state of Texas. She missed that this year, but won \$10 for the best job of reporting the newspaper chatter going on at her table. The salesman in her just wouldn't let her come back empty handed.

Polly Middleton of the Earth News went along and helped her miss a few busses and trains.

SEEN — This week's best dressed man—Ballard Winkles.

Pete Pituitary says the best he can figure out most blondes are a cross between a brunette and the corner drug store.

Scout Fund Campaign Began Tuesday

The advanced gifts portion of the Boy Scouts South Plains Council annual fund drive began Tuesday morning with a kickoff breakfast at Thornton's Cafeteria.

Jack Christian is chairman of the advanced gifts division of the drive here, and has the following workers on his committee: Charley Duval, Bob Roden, Howard Horne, Bill Street, Bob Manley, Jimmy Brittain, Rip Elms, Bob Blatz, Jim Mangum, Jim Crump, E.G. Alexander and Sam Williams.

Next Tuesday, the general solicitation portion of the fund drive will begin under the chairmanship of Oscar Wilemon. Bill Strain, area scout executive pointed out to those attending the Tuesday morning meeting, that all funds collected in the campaign are used in the 22 county South Plains council, and that none of the money is sent to state or national headquarters.

Moss said that Littlefield will be playing in class 3-AAA football next year and that present facilities are inadequate for the type ball required in this classification. He also said that additional space is needed for working out junior high and B teams for future varsity players.

In connection with this plan, it is the idea of the board to employ an assistant to aid coach Gene McCannies in junior high football training.

The new football field is located back of the Hall-Keeling butane plant, and back of the Lamb County Coop gin. When streets already designated are opened up, the stadium will be accessible from four sides, and traffic will be handled easily. Adequate parking will be provided, and visiting teams and boosters will not need to go through downtown traffic to reach the stadium.

Present plans call for the steel seats in the present stadium to be moved, plus any other material that can be salvaged, including light standards, fencing and other material. One set of new stands is expected to be built at the new site.

The property was purchased from school secretary Sid Hopping, said from J. W. Knifinger at a cost of \$3,000.

Superintendent Ralph Schilling spoke at the Quarterback club meeting also, announcing that the board has no immediate plans for moving the stadium, but asked members of the Quarterback club to aid the board in explaining the need for new football facilities to the public.

The announcement was a highlight of the Quarterback club banquet at which wives of members were entertained. Frank Cummings, president of the club was master of ceremonies.

Entertainment was furnished by a girls trio, the Melodiers, and by John David Pool, a pantomime act from Lubbock.

Mayor Ray Keeling spoke briefly prior to the announcement of the new stadium site purchase.

Coaches of the school were introduced, and they spoke briefly.

About 150 attended the banquet.

Gins Estimate 1400 Bales In Lamb Ginned

A spot check of gins in the county at midweek showed an estimated 1400 bales ginned so far, as compared with about 9,000 ginned at the same period last year.

Late planting, hailouts and weather conditions have delayed the harvest considerably, although a large number of farmers are pulling bolls now.

The frost of October 6 did not appreciably hurt the cotton production, and many farmers report their cotton not ready yet to be pulled.

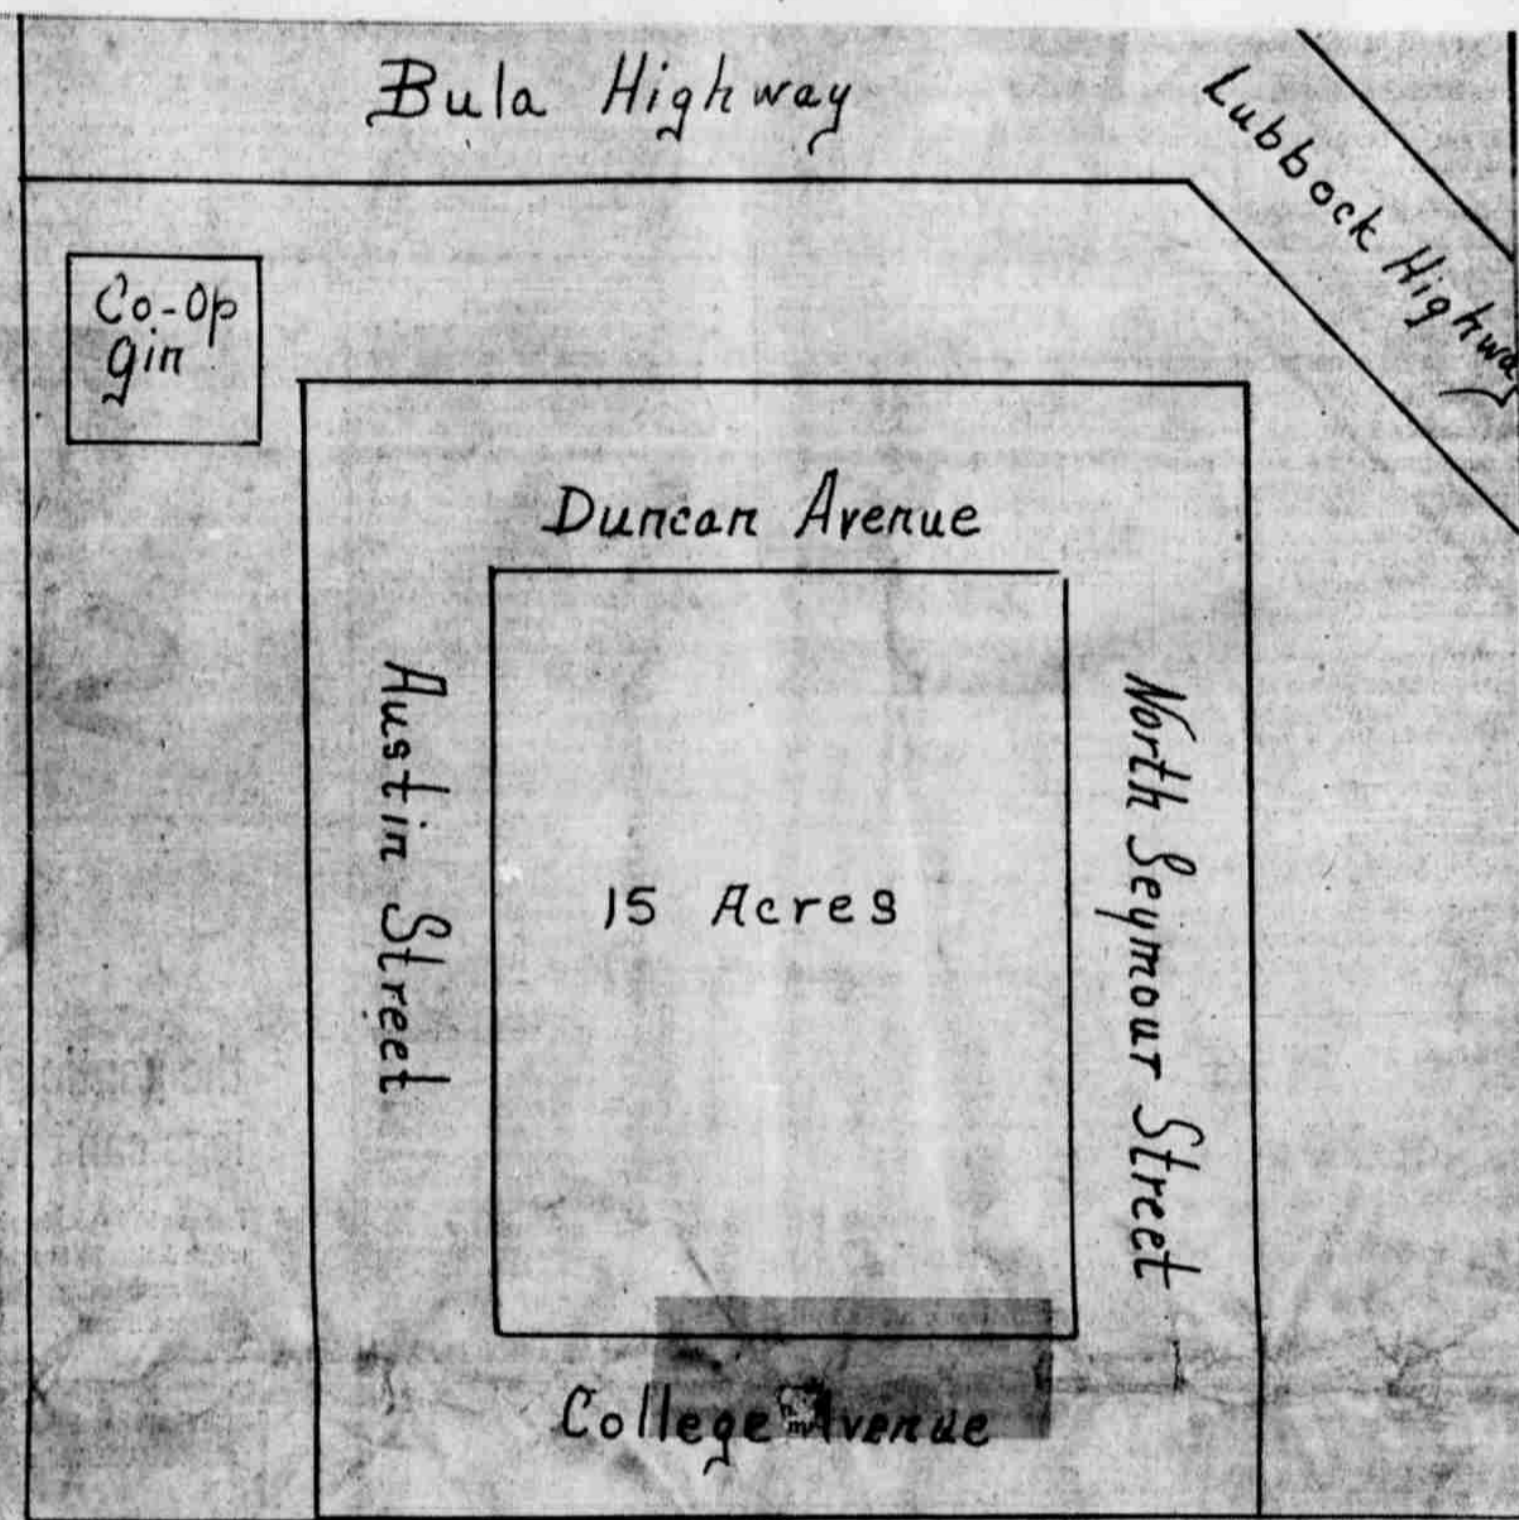

The general trend of thought is that as soon as a killing frost hits, most of the pulling operations will cease and the balance of the crop will be harvested with mechanical strippers.

Sudan Man Hits Deputy's Car

William I. Nelson, of Rt. 2, Sudan was charged with failing to yield right of way and running a stop sign Tuesday when he hit a 1955 auto driven by deputy sheriff V. L. Smith two miles north of Sudan.

Highway patrolmen investigating the case said Nelson, driving a 1951 pickup truck did not stop at the stop sign, and ran into the car driven by Smith.

Damage to the Nelson vehicle was estimated at \$30, and \$990 to the Smith car.

SITE OF THE NEW FOOTBALL STADIUM is seen in this sketch of the general location. The 15 acre plot is accessible from the Lubbock highway, from the Bula highway and from the Levelland highway also. Visiting teams and boosters will not need to go through downtown traffic to reach the field when it is completed. (Staff Photo)

Sal Group Attends Hearing Mainview On Cotton Trends

A group of Littlefield business and Lamb county farmers leave this morning for a hearing on proposed adjustments in cotton acreage allotment west Texas counties to the acreage to east and west Texas farmers.

The purpose of the meeting is to discuss the details of the proposed by the State ASC to take more than 200,000 acres of cotton acreage allotment west Texas counties to the acreage to east and west Texas farmers.

Adjustment would be made by more than 200,000 acres alone.

The Chamber of Commerce and business men will attend the meeting of interest to both groups.

Business men all week to attend a meeting which is of interest to both groups.

School Children Visit Oil Trailer

The Cosden petroleum trailer will be on the high school campus today and children from the fourth grade through high school age will go through the trailer.

Principal Glenn Reeves has announced.

The trailer which tells the story of oil from the well to the consumer is in Littlefield in connection with the local observance of oil progress week.

4-H Clubbers Win Places At State Fair

Three Littlefield 4-H club members won places in the junior steer division of the livestock show at the State Fair in Dallas Wednesday.

Wayne Loman won third in the medium weight Angus class, Tommy Davis won fourth in the medium weight Hereford, and Gayle Maehon placed second in the medium weight shorthorn division.

Sale of the calves will be held Friday, Dave Eaton reported Wednesday afternoon in a call to Littlefield.

Kent Will Preach Sunday Methodist

Harry Vanderpool of the Methodist church has announced that Rev. Bill Kent of Bolivia, will be the preacher at the eleven o'clock Sunday morning at the church.

Rev. Kent's address will be a basket lunch in the church so that interested persons may become better acquainted with him.

The church extends a cordial invitation to everyone to attend.

Beckner Has Job At Tech

Beckner, Littlefield junior in chemical engineering, has secured a big job for the Tech Student Union—directing public relations.

The Tech Union is serving its student body in the history of the college, 7,149 Technicians.

Beckner is a member of the American Chemical Society, the Phi Omega, the Eta Chi, and the Saddle Society, and Saddle Club.

He is the son of Mrs. Beckner, 704 E. 14th St.

S. A. Reports Campaign Fund Lagging

The Salvation Army fund campaign, with a goal of \$5475 is still more than \$1,000 short of the goal.

Boyd Roberts, campaign chairman announced Wednesday.

Roberts said that contributions received up to Wednesday totaled \$3316, and urged that anyone with pledge cards still out, to turn them in as soon as possible.

Roberts reported a number of pledge cards have not been turned in from both the advanced gifts division and the employees solicitation division.

The advisory board to the local post of the Salvation Army will meet with campaign officials this morning (Thursday) to discuss the campaign and hear reports.

Elevator Fire Has Firemen On Run

An overheated electric motor brought the Littlefield fire department to the R. L. Byers grain elevator twice Saturday, the second time around 10:30 p.m. Saturday night.

The firemen were called out early Saturday afternoon, and again that night. Dense clouds of smoke from the top of the tall structure caused a large crowd to gather Saturday night.

No estimate of damage was made.

The Weather

The weather continues ideal for farming operations, with warm dry days and cool nights. No frost has been reported since early in the month, and if it holds off several weeks more the fall crop will be considerably larger. Sunny skies and warm days with temperatures around 75 to 80 prevail, and are forecast for the next few days.

New Safety Committee Will Plug For Driving Classes

Hiway Petitions Explained By Committee Head

Dr. William Orr, chairman of the Littlefield Chamber of Commerce highway committee announced this week that the petitions being circulated for road right of way, do not concern roadways within city limits of any town in the county.

Orr said there is some misunderstanding about the purpose of the petitions. They are for calling a bond election to purchase right of way on highway 70 and 84 within the county only, and for the widening of these roads, exclusive of city limits on both highways.

The petitions were recently placed in the hands of the county commissioners for circulation in their road districts.

Jail 10 Sunday For Various Offenses

County sheriff officers arrested and jailed 10 men Sunday, according to the jail blotter.

Charges were for drinking, driving without license, and similar misdemeanors. Fines of \$25 were paid by nine of the men, and \$42.50 by one. All were released Monday morning.

Marshall Howard Named President Toastmaster Club

Marshall Howard was recently elected president of the Littlefield Toastmasters club, for a term of six months.

Other officers named at the same time included Dr. Bill Orr, educational vice president; Tommy Williams, administrative vice president, and Max Hulse, secretary.

Vernon Hofack is treasurer, and Bill Street is sergeant at arms for the club.

The Toastmasters club is designed to aid in public speaking, and meets each Monday at 8:30 p.m. in Thornton's.

Misses Minna Lu Stubblefield, Kay Hoelscher, Betty Beyers, Wanda Bryant, and Pat Pointer all of Spade will sing at the Farm Bureau County Convention covered dish supper at the Community Center, Thursday night at 7:30.

Candidates For Queen Of Halloween Carnival Are Chosen Monday

The play grounds of the various schools will have all resemblance of a county fair now that the queens have been nominated for the Queen's contest which is the high light of the Halloween Carnival.

Boys and girls will sell cookies, brownies, candied apples, sandwiches, candy and various other things to make money for their nominee for queen.

The Halloween carnival is the only financial project sponsored by the Parent-Teacher Association each year. All proceeds go for the betterment of the schools. In the past an audiometer, inter-communication system, library books, and many other things have been purchased with the money made from the carnival.

The carnival will be held on October 31, and the Queen's coronation is held in the auditorium of the high school.

The various rooms in the primary, elementary, and junior high have nominated their representatives. No child who has participated before is eligible to run this year.

Those nominated from the first grade are: Mrs. Dickenson's room, Judy Campbell and escort, Gary Brown; Mrs. Richey's room, Peggy Ward and Bill Nowlin; Mrs. Smith's room, Beth Roberts and Ricky Hudson; Mrs. Oringierff's room, Patricia Alexander and Ralph Habratschick; Miss Hamm's room, Barbara Quigley and Michael Lumsden; Mrs. Hulse's room, Linda Walker and Jackie Dow; Mrs. Hardin's room, Rhonda Lewis and Larry Reese.

Second grade nominees are: Mrs. Driskell's room, Linda Lambert and Gene Nixon; Mrs. Davis' room, Linda Duncan and Edward Blessing; Mrs. Bluhm's room, Lyndia Chandler and Don Douglas; Mrs. Gibson's room, Sara Hill and Randy Hutson; Mrs. Lumsden's room, Judy Elliott and James Carriero; Miss Preson's room, Lawana McQuire and Jack King; Mrs. Walker's room, Judy Lumsden and Dale Thompson.

Third grade: Mrs. Powell's room, Lora Ann Smith and Terry Smith; Mrs. Thompson's room, Kay Lassiter and Burl Heathman; Mrs. Duvall's room, Donna Jones and Ben Smith; Mrs. Carter's room, Patricia Deiworth and Roger Sellers; Mrs. Schilling's room, Linda Abbott and Ronald Sitton; Mrs. Taylor's room, Emma Bell Rix and Terry Lee Hill, and Mrs. Burks room, Christy Pittessly and Philip Sullins.

ELEMENTARY SCHOOL CHOOSES CANDIDATES

The Fourth grade candidates and their escorts that were chosen are: Mrs. Harris' room, Pamela Davis and James Oringierff; Mrs. Abernathy's room, Cheryl Elliott and Billy Haltom; Mrs. Porcher's room, Kathleen Kozlobsky and Jerry Potts; Mrs. Parker's room, Glenda Ward and Bernice Guine; Mrs. Smith's room, Sandra Johnson and Robert Badger.

Fifth grade candidates and their escorts are: Mrs. Brune's room, Ann Rodgers and Don Hicks; Mrs. Dodson's room, Sharon Stokes and Diekey Montgomery; Mr. Harvey's room, Kathy Steed and Charles Heathman; Mrs. Hick's room, Ennis Presley and Larry McGary.

Sixth grade candidates are: Mrs. Reeves' room, Rebecca Villa and Buddy Price; Mrs. Osborne's room, Wilma Jo Blankenship and Bobby Ray Williams; Mrs. McCowan's room, Sandra Stout and Herbert King; and Mr. Taylor's room, Sylvia Trimmer—Sylvia is in the Medical Arts hospital

JUNIOR HIGH CANDIDATES ARE CHOSEN

The girls chosen to represent the seventh grades are: Mr. Elliott's room, June Garmes; Mrs. Hutchinson's room, Marilyn Douglas; Mr. William's room, Paula Williams; Mrs. Richey's room, Nina Jean Rankin; and Mrs. Blackwell's room, Sharon Kay Bradley.

Eighth grade nominees are: Mrs. Stout's room, Linda Steffey; Mrs. Massengill's room, Frances Louise Rogers; Mrs. Crosby's room, Mary Beth Bridwell; Mrs. Eaton's room, Janice Duncan; and Mrs. Jones' room, Doris Laws.

These girls have not chosen their escorts. There will be a run-off between grades after the girl in each grade who receives the most votes of 1c each is chosen.

"I See By The News"

Mr. and Mrs. Merlin Yarbrough spent Tuesday in Amarillo.

Doyle Alford underwent an appendectomy in the Littlefield hospital Tuesday.

Mr. and Mrs. Skipper Smith attended a Charter banquet for the Jaycees in Sunray Monday evening.

Dr. and Mrs. I. T. Shotwell and Tommy, returned Saturday from an extensive tour of the Western States.

Dewey Kilby has returned to his home in Littlefield after undergoing surgery at the Gaston Avenue hospital in Dallas, where he spent two weeks following the operation.

Chip Payne of Lubbock, spent the weekend visiting with his grandparents Mr. and Mrs. E. P. Payne and Mr. and Mrs. I. T. Shotwell Sr., and other Littlefield friends.

Mr. and Mrs. H. H. Hillon, and Marcia, former Littlefield residents, who now live in Lubbock, visited in Littlefield Sunday.

Bill Davis of Fort Worth visited in the home of his parents, Mr. and Mrs. L. B. Davis, the past weekend. Paula, his daughter, has been staying with his grandparents while her brother, Mark, has been ill in a Ft. Worth hospital.

Other guests in the Davis home were Mrs. N. F. Davis, Mr. and Mrs. George Davis of Earth, and Mrs. Bill Lance of Farwell. Elaine Lance, Carol Ann Lance, Andrea Davis, Lance Davis, and Paula made five of Mrs. N. F. Davis' great grandchildren who were with her Sunday.

Don Cook, assistant manager of Furr Food, spent Wednesday Thursday, Friday and Saturday in Lubbock assisting with the opening of the new Furr Food store on 34th Street.

Mrs. Olen Jennings of the Dunlap Co., will leave Thursday for Dallas for the American Fashion show of Spring merchandise.

Mr. and Mrs. C. R. Cox, former Littlefield residents, spent the weekend in Littlefield visiting friends. Mr. and Mrs. Cox are en route to Rockport, Texas from Colorado where they have been

spending the summer.

Clyde Edmonds and Mrs. Wynona Emmett of Roswell, N. M., spent Tuesday and Wednesday visiting Mr. Edmonds parents, Mr. and Mrs. H. C. Edmonds.

Mrs. George Pitcock is leaving Saturday for Chicago where she will attend the National Cemetery Association convention at the Hotel Sherman, October 24th thru the 27th. Mrs. Pitcock is vice president of the Littlefield Memorial Park.

Glenn Harvey, seventh grade student in Littlefield Junior high school, is said to be improving steadily. Glenn anxiously awaits the mail each day, and cards, letters, and comic books may be sent to him in care of the Polio Center in Plainview.

Mr. and Mrs. C. O. Stone have as their guest this week, their youngest granddaughter, Linda Carol Perkins of Pampa. She is visiting her grandparents while her parents and sister, Mr. and Mrs. Bob Perkins and Donna, are vacationing in Cloudcroft, N. M.

Bill Chesher spent the weekend in Dallas visiting his daughter, Miss Billye June Chesher, who is a student in the law school at SMU.

Mr. and Mrs. Homer Garrison and Mary Helen of Plainview were Littlefield visitors Monday.

Mrs. Norma McCarty and daughter, Linda, attended the opening concert of the Lubbock Symphony featuring Robert Merrill.

Church Plans Record Day

Next Sunday will be a big day at the First Church of the Nazarene, 913 Phelps, in Littlefield. This is designated to be "Break The Record Day." Every Sunday school class is planning to break the record of attendance in their particular class. Each class now has a cross-labeled record hanging in their class room, and if they have the number in attendance which was set as a goal by the class, at the close of the service each class with their teacher will break their records before the entire assembly.

The church plans to make this an all-day affair. They plan to spread their lunch together at the church following the morning service. At 2:15 p.m. there will be a special musical concert program featuring various musical groups. There will be quartets, duos, trios, solos, instrumentals and many other interesting musical numbers. Among those who will be in the services are The Littlefield Four, the Stephenson Brothers Quartet, plus a host of others. The Sunday-school service starts at 9:45 a.m. The morning worship service is at 11:00 a.m.

Eastern Star To Have Friendship Night Thursday

The Order of the Eastern Star will observe Friendship night, Thursday night at 7:30 at the Masonic Hall. An interesting program has been planned by the

Poster And Essay Winners Are Announced Tues.

Winners in the contest for Fire Prevention Posters and Essays have been announced by the Chamber of Commerce Safety Committee who sponsored the contest. Prizes were donated by local insurance firms.

Primary school poster winners are: First, Charles Miller; Second, Ivy; Third, Ann Yarbrough. Honorable mention goes to: Maria Louisa Vasquez and Artis Sco Wesley.

Elementary school poster winners are: First, Gordon Myers; Second, Tommy Babbitt; Third, Melva Lynn Ross. Honorable mention goes to Darlene Robinson and Donna McDonald.

Junior high school essay winners are: First, Freddie Gerlach; Second, Jane Hall; and Third, Gene Bitner. Honorable mention goes to Shirley Brinegar and Gloria Blevins.

Judging was based on originality of idea, neatness, effectiveness of presentation and artistic ability. The judges met with considerable difficulty in selecting winners because of the excellent work put out by each student. All posters entered in the Fire Prevention Posters contest were very good.

SPADE NEWS

The Spade Farm Bureau met in the high school study hall Oct. 17 at 8 p.m. with the president, Preston Pointer, in charge. The regular monthly meeting date is the first Monday night in each month but due to bad weather it was postponed.

All members and their families are urged to attend the county convention in the community building in Littlefield October 20 at 7 p.m. for election of officers and adoption of resolutions. Each family is asked to bring a covered dish for supper.

Visitors in the home of Mr. and Mrs. Jess Emmons Sunday were Mr. and Mrs. Claude Pool and daughters, Mr. and Mrs. Neal Trull and Mr. and Mrs. Dennis Mahaffey and sons, all of Littlefield.

More than 4 1/2 million family cars are now on the roads, an increase in number, or more than 70 per cent in the last five years.

I like policemen. When Dad sees a traffic policeman - boy, does he slow down! Then Mommy and me get un-scared.

PEOPLE RESPECT GOOD DRIVERS!

Contributed as a public service by News and Leader

Mrs. Hickman Gives Ways To Care For Freezers

DEFROST FREEZERS NOW
Chances are that summer heat and humidity left your home freezer with a big deposit of frost—even ice. If more than one-half inch of frost has collected over a large area of the refrigerated surfaces, it's time to defrost according to Mrs. Hazel P. Hickman, County Home Demonstration Agent.

Remember that you are working with an expensive piece of equipment. Short cuts in defrosting may damage the freezer. For one thing, don't use hot water. It can build up the refrigerant pressure in the evaporator and cause difficulty in starting the compressor.

Here are some suggestions offered by Mrs. Hickman for doing a safe job of defrosting: About 12 hours before you begin the job, turn the temperature control to its coldest position so that the food won't thaw as quickly while you are defrosting.

If no ice has formed, merely scrape the surfaces with a spatula, putty knife, or similar tool while the freezer is running. Ice, however, calls for more work. Remove all food packages and disconnect the freezer. Stack food packages compactly on chilled trays or in chilled baskets. Wrap with blankets or other insulating material.

Work rapidly to get the defrosting done before the frozen foods start to thaw. Ordinarily the job can be completed in less than an hour—if you work at it.

Cold water run over the refrigerated surfaces will hasten melting but it adds to the clean-up job. An electric fan blowing room air into the freezer or cold air out of it will help. Removing ice as it loosens also speeds defrosting. But don't chip it off with a sharp tool which might damage the lining or coils.

The interior should be cleaned with a solution of one tablespoon of baking soda to 1 quart of luke warm water. Soap and water will clean the gasket, and soda and water or some of the special wax polishes will take care of the outside. Lastly, dry the freezer thoroughly inside and out and connect it. If it has run half an hour or so, food can be put back in it.

HOW TO REMOVE STAINS
Many stains on porcelain can be removed with a stiff paste made of powdered whiting mixed with kerosene or ammonia, ac-

ording to Hazel P. Hickman, County Home Demonstration Agent. Apply the paste liberally, then rub with soft cloth. Wash with soapy water and rinse well. Two tablespoons of kerosene added to one cup of soap jelly makes a good cleaner for sinks, bathtubs and lavatories. Add the kerosene to the jelly just before it thickens.

Another cleaner for porcelain enamel is a paste made of 1-4 cup kerosene and 1 cup soda. Apply with cloth.

Rust spots can sometimes be removed with lemon juice. Apply liberally and rinse thoroughly. For stubborn rust stains try a weak solution of oxalic acid—1 teaspoon oxalic acid in 1 cup of

hot water. Rinse immediately with ammonia solution. Then rinse well with water. CAUTION: Oxalic acid is poisonous and should be handled carefully. Label it "poison" and keep it out of reach of children.

Homer Garrison Flying High These Days After Obtaining Pilot's License

Homer Garrison, wife of automobile dealer, is in these days... liter-
 the past three months earned to fly the blue Beech Bonanza which has been flying for years.
 with she received a private license after 49 hours of time... 18 hours of solo flying.
 Garrison created a small flying circles when all her beginner work place plane. Most studiously women, learn all two place planes and to the larger ships. This proved to be no however.
 Mrs. Garrison took her instructor command she was the best work had ever given the on to.
 Garrison took time out for her life to learn to fly. She is mother of four children almost singlehandedly of the family's large in Plainview. Their older is Mrs. Joe P. Hart their other children are 14, Patricia, 8; and

MRS. HOMER GARRISON

Wesleyan Service Guild Organizes Circle No. 2

WESLEYAN GUILD MEETS TUESDAY

The Wesleyan Service Guild met Tuesday evening, October 18 in the church parlor.

Reports on the district meeting in Brownfield Sunday were given by the delegates, followed by a business meeting.

A report on the new guild was given by the organizing members. A study on United Nations was continued, led by Mrs. Ralph Douglas.

CIRCLE NUMBER 2 IS ORGANIZED

The first organizational meeting of the Littlefield Wesleyan Service Guild, Circle Number 2, was held in the parlor of the First Methodist church, October 17, beginning at 5:30 pm with a spaghetti supper. Co-hostesses were Mrs. Harry Vanderpool and Mrs. Rhea Bradley.

The business meeting began with an opening prayer by Mrs. Elton Hauk, followed by the Guild hymn with Mrs. Floyd Pinkerton, accompanist. An introductory speech to explain the work of the Guild was given by Mrs. Vanderpool. Mrs. Bradley outlined the goals which are listed in the Guild Handbook, and explained the symbols of the Guild Emblem. Mrs. H. J. Allen, local president of the Women's Society of Christian Service here

gave a short talk on the Guild's part of the WSCS.

The following officers were elected: president, Mrs. Rhea Bradley; vice president, Trudy McGee; recording secretary, Mrs. Benny Zahn; treasurer, Mrs. Floyd Pinkerton; secretary of promotion, Mrs. Bob Kraal. Mrs. Harry Vanderpool is coordinator of the new Guild Circle.

Music Teachers Attend Course

Mrs. Norma McCarty of Littlefield and Mrs. Betty Parish of Earth are attending the organized study courses for 1955-56 under the direction of Dr. Dallas Hoslam of the Texas Technological College Faculty.

Wesleyan Guild Has District Meet

Members of the Wesleyan Service Guild of the First Methodist church attended a meeting of the District Guilds in Brownfield Sun-

Mrs. Butler Is Honored With Shower

Mrs. Carl Butler was honored with a stork shower in the home of Mrs. Ashley Cox on Thursday afternoon. Hostesses were Mrs. Paul Tullis, Mrs. Ed Hart, Mrs. Edith Whitfield, Mrs. Nelda Tullis, Mrs. Jerry Biffle, Mrs. Frank Mott Sr., Mrs. Jack Grace, Mrs. Donald Love, Mrs. Kenneth Grace and Mrs. Ashley Cox.

Mrs. Cox and Mrs. Jack Grace received guests at the door.

Mrs. Paul was at the register book.

The table was laid with yellow net with taffeta underlay, centered with yellow and white chrysanthemums. The house was decorated throughout with autumn flowers.

Mrs. Grace served refreshments of punch and cookies.

Mrs. Humphreys Is Honored Friday

AMHERST — Mrs. Raymond Humphreys was the honoree at a pink and blue shower given in the home of Mrs. Guy Hufstetler on First Street Friday afternoon.

Mrs. Winfred Crosby presided at the tea table which was laid with a lace cloth and centered with an arrangement of chrysanthemums.

Cake squares, decorated in pink and blue, and punch were served. Tiny baby jackets were plate favors.

The hostesses' gift was a baby bed and mattress.

Mrs. James Alfred Schroeder, George Tooley, Howard Campbell, Winfred Crosby, Eli Young, A. D. Lynch, Luke Swarts, Luther Caraway, C. C. Bowman, Marvin Wagner, Eryle Abbott, Homer Campbell, Bill Templeton, W. H. Crosby, Guy Hufstetler, Henry Brown, Cecil Zachary, Etta Jones, Hubert Sawyer, John Moreland, Raymond Cantrell, J. F. Stephens, I. A. Byrum, W. H. Terrell, S. Lake, O. P. Lane, Ed Ross and E. A. Paladino of Springlake served as hostesses.

Fellowship Supper Tonight At Christian Church

First Christian church will have its October Fellowship Supper on Thursday night, (tonight) at 7:30. The "Fall Harvest" will be the theme of the evening.

Members and friends of the church are invited to attend with their families. A short program will follow the covered dish supper. The minister, Arthur K. Hunt, will present the thought, "You are a Teacher — by Example."

The meeting had the largest attendance of any meeting ever held in the Brownfield district for Guilds.

Miss Lucille Flowers, District Secretary, of Plainview conducted a workshop and was the main speaker for the event.

Attending from Littlefield were Mrs. Elton Hauk, Mrs. Ralph Douglas, Mrs. Stacy Hart, Mrs. Lyle Brandon, and Mrs. Tom Hill-

Mrs. McQuatters Speaks To The Woman's Club

Mrs. Roy McQuatters spoke to the Woman's Club at their regular meeting at the Community center at 3:45, Wednesday; on Littlefield's newest industry and what it means to our economy. She titled her speech, "Oil-Texas' Greatest Industry."

The Woman's club will sponsor the "Black Gold" banquet as a climax of Oil Progress week. It is to be at 7:30 p.m. at the school cafeteria. Travis Jenkins of Humble Oil will be principal speaker, and Mrs. W.D.T. Storey will be mistress of ceremonies.

Mrs. Matthews Is Hostess To Business Circle

Mrs. Tom Matthews was hostess to the B. W. C. at a Hot Dog and Chili supper followed by a Bible study led by Mrs. Clyde E. Smith with all members taking part.

Those present were: Mrs. C. E. Smith, Mrs. Maude Street, Mrs. D. C. Lindley, Mrs. Viggo Peterson, Mrs. Winnie Hogan, Mrs. T. L. McLarty, Mrs. James Garrett, Mrs. C. E. Daniels, Mrs. W. E. Lass, Mrs. Curtis Chisholm, Mrs. Mrs. G.V. Walden, Miss Iris Arman and Miss Iris

C. Y. O. Meets Sunday Eve

The C. Y. O. held its monthly meeting in the home of Herbert Dolle Sunday evening, October 16, at 7:30 pm. The group planned a play to be given by the C. Y. O. later.

Plans for a party were also made. Those attending were: Don Dolle, Bill Dolle, Mary Frances Miller, Dolores Hess, Rosemary Hess, Doris Macha, Pat Diersing, Speedy Abeyta, and Georgene Albee.

John Lattimer and James Renfro, who are attending Texas Tech spent the weekend with their parents in Littlefield. John is the son of Mr. and Mrs. E. L. Lattimer, 729 E. Cundiff Ave., and James is the son of Mr. and Mrs. Raymond Renfro, 101 E. 11th.

Gary Bradley Is Honored On 7th Birthday

Gary Bradley was the honoree on his seventh birthday Saturday at a party given by his mother, Mrs. Bill Bradley, south of town. The Halloween theme was carried out in decorations and refreshments.

Pictures were made of the group by the honoree's dad and his sister, Kay, Keith Dickson and Stacey Hart directed the games and entertainment.

Balloons, snappers and paper hats were favors.

The birthday cake, was decorated with a fence and Harvest moon in Halloween colors, and was served with home made ice cream.

Cecelia Brantley, Phelps Blume, Patty and Van Seymore received awards in games played.

Others attending were Brenda and Gienna Batson, Randy Wood, Danny Bench, Hubert Lingman, Wendell Ogerly, Barbara Britt, Sue Brantley, Billy Paul Bennett, Sue Mothers attending were Mrs. Paul D. Bennett, Emery Blume, B. Seymore, A. O. Dickson, J. P.

Federated Clubs Give Scholarship

Read Your Bible. This Is National Bible Week

The Committee on Religion of the Woman's Club, has announced that they especially wish to call attention to the Fifteenth Annual National Bible Week, October 17 through the 23rd.

The theme of the week is "The Bible is the Rock on Which Our Republic Rests." The scripture is "Thou shalt make thy prayer unto him, and he shall hear thee," Job 22:27.

In stressing the importance of observing National Bible week, the committee points the four musts, regardless of race, creed or color. The musts are: The Ten Commandments, The Lord's Prayer, and the Golden Rule. Have a thorough understanding of what is good and what is bad.

Mrs. Acree Barton and Mrs. D. C. Lindley serve as the committee on Religion for the Woman's club of Littlefield.

Texas Federation Latin American Scholarship, commenced in 1941 as a Good Neighbor gesture in bringing a student from a Latin-American nation to the University of Texas on a fully supported scholarship, has been awarded for 1955-56 to Miss Miryam Mujica of Lima, Peru, to study toward a master of science degree in Civil Engineering with special emphasis on City Planning.

She is the first woman from her country to undertake graduate work in this field. Miss Mujica, born in Cuzco, the ancient capital of the historic Incas speaks English fluently.

Area clubs who have contributed to this scholarship are: The Woman's club of Littlefield, The Art club of Littlefield, The Forum of Littlefield, The Amherst Study club, The Amherst Junior Study club, The 1956 Junior Study club of Sudan, The 1935 Study club, and the Tuesday Study club of Sudan, The Town and Country and the XIT Study club of Earth, and the Olton Study club of Olton, The Anton Study club and the 1950 Study club of Anton.

Earth News:

Order Of Eastern Star Holds Friendship Night Monday Evening, Oct. 31

Mrs. G. A. Fowler of Littlefield is the new school nurse of Springlake School. Mrs. Jim Humphrey resigned last week. Mrs. Fowler has been a nurse in Littlefield Hospital for several years. Mr. Fowler is engaged in farming. They plan to move to Earth soon.

The Springlake School Board inspected the new elementary building last week and report that it is ready for occupancy this week.

Mrs. W. E. Irvin returned home last week after spending a month in San Antonio where she underwent major surgery. She was accompanied home by her aunt, Mrs. Toren Whitacre of Whiteface.

Beth Bulls, a student at West Texas State in Canyon spent the week end with her parents, Mr. and Mrs. Crill Bulls and Gary and Glenn.

Mr. and Mrs. Ray Hollums visited her brothers, Mr. and Mrs. Victor Foster of Lovington, New Mexico and Mr. and Mrs. T. J. Foster of Denver City last week.

Mr. and Mrs. Jim Glascock and Danny Mac were in Amarillo Tuesday.

Mr. and Mrs. Ralph Randolph of Muleshoe visited the Henry Randolph and J. C. Randolph families Saturday.

Mr. and Mrs. Harris of Corpus Christi, Texas visited their daughters Mr. and Mrs. L. G. Watson and Mr. and Mrs. Jim Stone and family last week.

Mr. and Mrs. Ben King of Ingram, Texas were recent guests in the home of her brother, Mr. and Mrs. Bill Braden.

Mr. and Mrs. Orrel Fry of Bennington, Okla. have moved to Dodd where they are employed by Campbell Gin Co. The Frys have worked here several years through the ginning season.

SOPHOMORE CLASS SEES SHOW
The Sophomore class went to Lubbock Friday night to see Bill

Haley and The Comets at Fair Park Coliseum. Those enjoying the occasion were Carol Hamilton, La Rue Glascock, Linda Kelley, Frances Cole, Wayne Rutherford, Henrann Rudd, La Verne Bibby, Pat Armstrong, Doug Louder, Davy Jo Taylor, Richard Moore, Hilda Bills, Kathleen Wisian, Terry Green, Jesse Williams, Irvaleen Ott, Gary Bulls, Frog Williams and Roger Malone, Class Sponsors, Mr. Scott and Mr. Curnutt and Class Parents, Mr. and Mrs. Ray Glascock.

Mrs. Ralph Rudd spent several days last week visiting in Waco, Texas.

Mesdames Cecil Parish, John Welch, Clyde Parish and Marie Bock were in Littlefield last Tuesday night to attend a Woodman's Circle meeting.

YVONNE O'HAIR ENROLLS IN BEAUTY SCHOOL
Yvonne O'Hair enrolled in a Beauty School in Lubbock last week and left Monday to begin her course.

Wayne Rutherford spent last week end in Dimmitt with Sharon Kay Goodwin.

Lorraine McNamara attended a post graduate beauty course in Lubbock last week. Her models were Mrs. Orlan Bibby, Shea Sanders, Mrs. Jimmy Banks and Mrs. James Packard.

O. E. S. HAS FRIENDSHIP NIGHT

The Earth Chapter of Eastern Star held a Friendship Night last week in the Lodge Hall.

Mrs. Roy Neal, Worthy Matron and H. F. Hodge, Worthy Patron, presided. Grand officers honored were Flora Best Bone of Littlefield, Alene Tilson of Plainview and Mary Katherine Smith of Gainsville. Each gave an interesting talk and talks were given by members of each chapter represented.

The Hall was decorated with pink roses and dahlias formed the centerpiece for the serving table. Refreshments of salads, pie and coffee were served to members and guests from Littlefield, Muleshoe, Olton, Hereford, Plainview, Fort Worth, Dallas, Sudan, Hale Center, Gainsville and Dimmitt.

Entertainment for the evening were "Whither Thou Goest" and "Buttons and Bows" sung by Mrs. Leonard Stephens accompanied by Sue Neal, pianist. A comical skit was presented by Mrs. Ervin Anderson, Mrs. Bob Armstrong, Mrs. Jerry Kelley, and Mrs. Pete O'Hair.

The M. Y. F. sponsored a bake sale in front of Patterson's Grocery Saturday. Those helping were very Saturday. Sue Neal, June Gregory, La Rue Glascock, Jeza La Rue, Carol Hamilton and Mmes. Wallace O. Jones and Oliver Tunnell sold the cakes and pies.

Homer Starkey spent Saturday afternoon visiting his brother C. N. Starkey in Flomont.

R. C. Davis was in Muleshoe on business Friday.

Mr. and Mrs. R. S. Cole and family were dinner guests of the Gid Howell's of Muleshoe Sunday.

T. V. Murrell and Clyde Knight returned Monday from a business trip to Old Mexico.

Mrs. Clyde Knight, Neil and Chris, visited Mrs. Knights

LAFF-A-DAY

"I'm going next door for a minute. Stir the soup every half-hour or so."

Now Is The Time To Mail Those Christmas Parcels Overseas

The period October 15 to November 15 has again been designated for the acceptance by the Postoffice for Christmas parcels to members of our Armed Forces serving outside the continental United States, with the approval of several departments of the military establishments.

It is expected, Postmaster Arbye Joplin announced this week, that many Christmas parcels will be sent this year by persons in this country to their loved ones overseas.

Joplin pointed out that military personnel are well supplied with food by the armed services and that parcels containing food stuffs are not sent to them because of their destination in the best of condition. He therefore urged that foodstuffs not be sent in Christmas parcels overseas.

The earlier parcels are mailed, the better, the postmaster cautioned, and the last parcel mailed before November 15 will reach its destination by Christmas. No assurance can be given, however, that parcels mailed overseas after that date will be delivered by the holiday.

Air mail parcel post shipments must be mailed not later than December 1 to insure delivery overseas by Christmas, Joplin said.

Air parcel post matter is limited to one package, in length and girth combined, and 2 lbs. in weight, and not more than 72 inches in length and girth combined. Parcel post sizes are limited to 30 pounds in weight, and not more than 2 inches in length and girth combined.

Parcels should be prepared as strongly as possible, and securely tied with strong cord, in four separate pieces, two lengthwise and two cross wise, knotted at the crossing.

Prohibited articles include tobacco, matches, liquor and lighter fluid.

Elvin Shugart On Board USS Owen

Destroyer Division 132 is scheduled to return to San Diego late in October. Aboard the USS Owen is Elvin C. Shugart, seaman, USN, son of Mr. and Mrs. John E. Shugart of Sudan.

While on a six month cruise in the Far East, the division operated with fast carrier Task Force 77 and conducted patrol activities in the Formosa Straits.

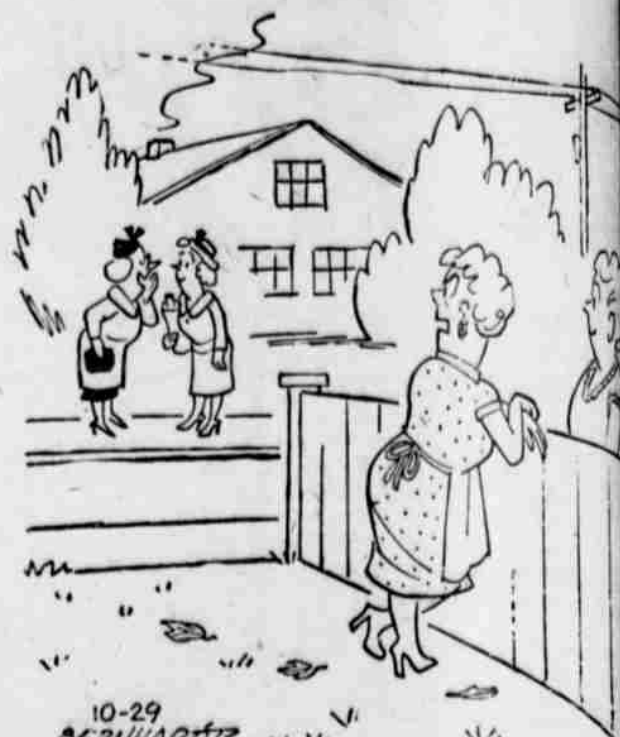

Training exercises included anti-aircraft and anti-submarine exercises, shore bombardment and plane guarding for aircraft carriers.

The Division visited Pearl Harbor, T. H. Midway Island; the Philippines; Hong Kong, and ports in Japan and Formosa.

night, 42 was played and refreshments of cookies and coffee were served.

More than 14 million pints of blood, 7 1/2 million for civilians and 6 1/2 million for military use have been donated to the Red Cross since 1948.

LAFF-A-DAY

"She certainly is an annoying gossip. No matter you tell her, she heard it first."

Obituaries

Funeral rites were conducted at 2 pm, Oct. 11 in the Littlefield Missionary Baptist church for Clyde Ray Johnson.

Rev. J. D. Evins and Rev. Kenneth Evins, officiated.

Clyde was born at Malone, Texas, Feb. 5, 1934, and moved with his parents to Littlefield in 1939, and resided on a farm 1/2 mile south of town at the time of his death.

Clyde was returning home from Hereford at 3 am Sunday when a

CLYDE RAY JOHNSON

right front tire blew out near Dimmitt. He was riding alone at time of his accident.

Survivors include his parents, Mr. and Mrs. A. R. Johnson, Rt. 2, Littlefield; three brothers, Gaylon of Littlefield, Billy Joe of Roswell, N. M., Kenneth D. of Earth; two sisters, Mrs. W. J. Collier, and Miss Charlotte Johnson, both of Littlefield; a number of aunts and uncles.

Burial was in Littlefield cemetery, under the direction of Hammons Funeral Home.

Although many people find the whippoorwill's call pleasant at a distance, it sounds harsh when heard at close range.

HART CAMP NEWS

Mr. and Mrs. Henry Patterson of Amherst accompanied by Mrs. W. Mahaffey of Hart Camp, went to Temple, Okla., Monday, Oct. 10 to attend the funeral of their nephew, Orval Nunn who was killed in a car accident Saturday night, Oct. 8. Services were held in the Church of Christ of Temple. He was buried in the Memorial Cemetery of Lawton, Okla.

MR. K. W. MAHAFFEY CELEBRATES 50th BIRTHDAY

Mr. K. W. Mahaffey was guest of honor at a surprise birthday dinner given in his home in the Hart Camp community Sunday, October 9th.

The birthday cake was a three tiered pink cake with white icing, pink roses with green leaves.

Those present were Mr. and Mrs. D. K. Mahaffey and their two sons of Littlefield, Mr. and Mrs. O. R. Mahaffey and son of Plainview, Mr. and Mrs. Wayne Mahaffey and their four sons and daughter of Lubbock, Mr. and Mrs. Henry Patterson, and their 2 sons

Wildcats Journey To Tulia Friday

Wicker To Action Q'back

With a revamped backfield, the Wildcats will journey to Tulia Friday where they tangle with the Hornets at 8:00 pm in the District 2-AA conference game for both teams.

Wicker will definitely be the undisputed star of the game. Despite Littlefield's 1-4 record, the Hornets have failed to score this year, dropping to Memphis, Abernathy, Canyon and Childress. Wicker, who will have a first down ready for the first down encounter seeking revenge for losses suffered at the hands of the Wildcats in years past.

Gene Mayfield has announced that he will use a different backfield, part of the time today than he has been using. Although he is still undecided who will start at the quarterback spot, if Freshman James starts at the man-under center, Max Morris and Mike Greer will start at halfback and John Smith at fullback. If however, Mayfield decides to start Wayne Wicker at fullback, he will send Clayton to the line and Jimmie McShan will start at halfback.

Wicker is looking sharp in practice week and is moving the backfield, part of the time today than he has been using. Although he is still undecided who will start at the quarterback spot, if Freshman James starts at the man-under center, Max Morris and Mike Greer will start at halfback and John Smith at fullback. If however, Mayfield decides to start Wayne Wicker at fullback, he will send Clayton to the line and Jimmie McShan will start at halfback.

Homecoming Tech Dated November 4-5

The most extensive Homecoming celebration in Texas Tech history is planned for alumni who return November 4 and 5 for the celebration of the event.

Homecoming dances, one for men and one for alumni, will be scheduled for November 4 and 5 to accommodate expected overflowing attendances, according to L. C. Walker, executive secretary of the Tech Ex-Students Association.

Reunions will be staged throughout the student body following the student body Homecoming Queen coronation, pep-rally and bonfire.

Sudan Journeys To Springlake For Game With Undefeated Wolverines

Springlake and Springlake tangle Friday night at Springlake in the game of the South Plains Conference which could well mean the end of the 2-AA title.

Springlake is undefeated after contests while Sudan has won two out of seven games, by narrow margins. Springlake's victories over Bovina, Meadow, Muleshoe and Hart. The Wolverines have won 17 points and allowed opposition only 13. Dalhart was the only team that has scored against the Wolverine defense. They had two touchdowns after the series had a 35-0 lead in the game.

On the other hand, Sudan has seven games under its belt and has played much rougher opposition than the Wolverines. They have defeated Denver City, Muleshoe, Morton and Hart, while dropping close contests to Sundown and Dimmitt. Sudan managed to beat the

ANTON BULLDOGS: Pictured above is the Anton Bulldogs of District 3-B who is currently undefeated and will tangle with the undefeated Kress Kangaroos Friday night at Anton in one of the top games of the area. From left to right in the first row is Charles Richards, Donald Lambeth, Johnny Manley, Clifford George, Dewayne Sudeth, Jerry Overstreet, Mgr., and Thomas Parker, Mgr. Second row: Russell Gillnetine, Robert Burdett, Ronny Kavins, Gary Newton, Frank Madena, Richard Howard and Coach W. S. Talley. Top row: Douglas Goen, Jack Reed, Alton Ryals, William Detwiler, Johnny Bass, Don Brazil, and Mike Biffle. (Staff Photo)

STARTING BACKFIELD: This is the starting backfield that Coach W. S. Talley will throw against the undefeated Kress Kangaroos when they play at Anton Friday night. From back of center Mike Biffle, pictured from left to right is, Halfback Donald Lambeth, Fullback William Detwiler, Quarterback Robert Burdett and Halfback Johnny Bass. (Staff Photo)

Outlook For Friday Games . . .

Bula Takes On Cotton Center In Top Attraction In Six-Man Football Friday

Amherst will take on the Panther Steers at Amherst in a District 3-B contest. Both teams at the start of the season were good choices to win the District title.

Both teams have been beaten by Whitharral and almost by the identical scores. Coach Lamar's Bulldogs will be celebrating Homecoming at Amherst and Amherst has a better ball team than their record indicates.

We pick Amherst to edge past the Steers before a good Homecoming crowd, something like 28-21.

Besides the two big games at Anton and Springlake here is how the rest of the grid slate will unfold this week.

Sudan will have only two games remaining on their schedule after this Friday, a game with Friona Nov. 4, and with Happy there Nov. 11, both conference affairs.

Springlake still has the same two teams to play and also Price College of Amarillo and the Amarillo "B" team.

Sudan will depend upon the running of James Gore and Dickie Hanna, their two speedy backs and the passing of Quarterback Jim Baccus. Big Carl Huraphries and Gayland Graves, two tackles will be up front to clear holes for the rampaging backs. Last week against the Dimmitt Bobcats, Gore scored twice for the Hornets only scores of the game as

they went down in defeat by the score of 19-12.

Springlake will match Sudan's running game with the Sandel twins at the halfback positions. Ronald and Donald Sandell, both good halfbacks, have been the best scoring punch that the Wolverines have had this year. But when the going gets tough, the big Rex Loftis, 175 pound fullback and Max Goforth, quarterback, can punch holes in any line.

Loftis is one of the best defensive backs in this area and is also a good runner. He would have easily made All-Regional team last year if he had not been sidelined early in the season with a knee injury.

Sudan will give the Wolverines their toughest game of the season and Coach Cole Huffman knows it. He is working hard this week perfecting his offensive line. But no matter how hard the Wolverines try, Sudan should play the tough Cowhorns, who have lost two close games this season. Coach Eugene Carter's

Panthers after losing their first three non-conference encounters have come back to take their first two conference games and are in the thick of the picture to give Anton and Kress a tough time for the title.

Whitharral should take this one but it could go either way. It is a toss up.

Here are our predictions for this week with the predicted winners

in capital letters:

- LITTLEFIELD at Tulia.
- Muleshoe at OLTON
- DIMMITT at Lockney
- Sudan at SPRINGLAKE
- Kress at ANTON
- WHITHARRAL at Plains
- Farwell at AMHERST
- Port at TAHOKA
- Cotton Center at BULA
- SMYER at Spade

-SPORTS-

Undefeated Anton Entertains Kress In Homecoming Game

Rugged Test For Bula Bulldogs

Coach Jiggs Jackson's Cotton Center Elks, featuring M. K. Fisher, who ran eight touchdowns kicked two drop-kicks (four points in six-man football, and passed for two extra points against the Wellman Wildcats, are expected to offer one of the supreme tests for the Bula Bulldogs as the two teams collide at Bulldog Field at 7:30 Friday night in a contest that could throw the district into turmoil.

Two weeks ago, the Elks, charged by the fancy running and deceptive play of M. K. Fisher, a junior boy who promises to color six-man football in the area, skyrocketed to a 60-47 upset of the unpredictable Wellman Wildcats at Wellman.

Having dropped intersectional losses to Guthrie and Jayton, and a 12-6 district game to the Three Way Eagles, the Elks will be coiled to topple the victory ladder from under the Bulldogs, who have managed to stay on top in district play.

Paying their first football in 1953, the Elks fell 40-12 to Bula at Bula. In a 1954 home game the Elks again suffered a 27-0 loss in a desperate battle from start to finish. Under the efficient coaching of Jiggs Jackson, the Elks have become a major threat in the district, a mighty accomplishment for a basketball-minded school.

Last week both teams won major triumphs. Bula won easily over Smyer 70-20 at Smyer. At Pettit the Cotton Center gridsters had the Pettit Eagles 50-6 at the end of the third quarter.

The Anton Bulldogs will have their Homecoming Friday and they couldn't have picked a better time. The undefeated Kress Kangaroos, top Class B team on the South Plains, roll into town to furnish the opposition in a night football game.

Coach W. S. Talley says his team is ready, their spirit is high and if they can get by this game, they will have a good chance at taking the District 3-B title. Anton was picked to end up on the bottom of the District this year after winning only one game the entire season last year. They have instead rolled over all five of their opponents and already have two conference wins to their credit.

Kress has the same amount of conference victories to their credit and four non-conference victories. The Kangaroos who have won six straight after dropping 39 games in four years have defeated Quitaque, Hart, Happy, Amherst, Plains and Silvertown.

Anton will put their hopes for victory on their star studded backfield, consisting of William Detwiler, Donald Lambeth, Robert Burdett and Johnny Bass. Detwiler and Bass will do most of the running and so far this season have proven most effective. But it will be left up to the tough Bulldogs line to stop the end-around plays that have made the Kangaroos so dangerous this season.

Quarterback Larry Johnson is the main boy in the Kangaroo backfield. He weighs 155 pounds, is tall and does all the ball handling and passing. He is a quick thinker and runs the split-T formation better than most quarterbacks in the area. He is the most important cog in the Kangaroo offense.

87 WATCHES That Have To Be SOLD! In One WEEK

THIS IS ONLY A FEW

Sudan managed to beat the

ALONG THE WINDROWS WITH DAVE EATON

The October issue of Croplife which is a weekly newspaper for the Farm Chemical Manufacturer and Formulator and Dealer, there was an article that I thought would be of interest to a few of you. It concerns corn production record by a 4-H Club member in Mississippi. Since this is dryland corn it seems likely that we do have quite a bit of competition since one of the Turner boys in producing 204 bushels of corn last year set the record farm yield for the State of Texas.

Lamar Ratliff, 16 year old 4-H member near Booneville, Miss., reached his long-cherished 300 bushel an acre corn yield this year.

Lamar, who described his disappointment at not attaining that goal in several previous tries at the June meeting of the National Plant Food Institute, this year raised an official yield of 304.38 bushels on his acre.

W. Taylor Smith, Prentiss County Agent, told Croplife that Lamar broke the land about nine times and applied 25 loads of barnyard manure last fall. He planted March 23, using 1,000 lbs. 14-14-14 and 200 lbs. ammonium nitrate. When the corn was knee high, he sidedressed with 300 lbs. ammonium nitrate.

The corn was planted in 30-inch rows, spaced 8 inches with 25,850

plants to the acre. It was cultivated twice. Lamar had a three-acre pond read but rain was "just right" and there was no need to irrigate. The corn was weighed and moisture tested and the yield determined by the state agricultural college. It was of high quality.

Lamar's previous yields were 179 bu. in 1950, 187 in 1951, 214 in 1952, 165 in 1953, and 218 in 1954.

In June, he told the National Plant Food Institute: "I still believe I can make 300 bushel on this acre and I'm trying again this year."

According to Mr. Smith, Lamar will be out to beat his own record in 1955.

WORLD AGRICULTURAL PRODUCTION IS KEEPING AHEAD OF POPULATION INCREASES

World agricultural production, excluding countries in the Communist bloc, was more than 25 per cent greater in 1954 than in 1946-47, according to a report from the Food and Agriculture organization of the United Nations.

Reviewing agricultural development of the decade since the end of World War II and since its own birth in 1945, the FAO says that food production in areas outside the Communist bloc has slightly out-weighed growth in population

since before the war. Consequently production per head is slightly above prewar levels.

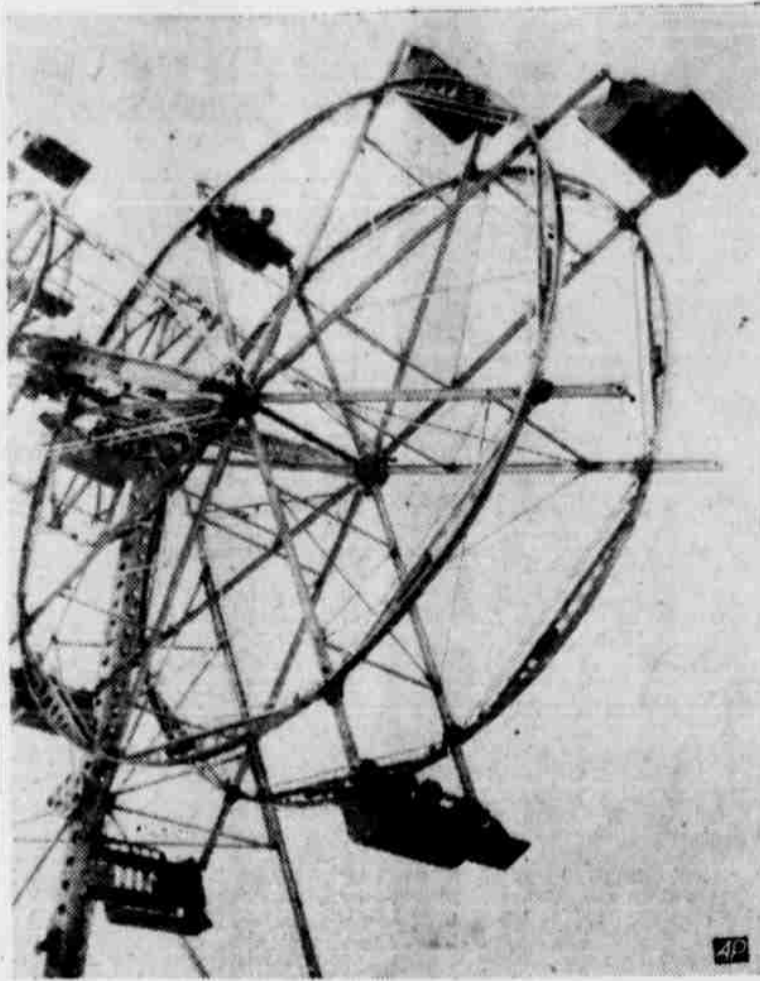

Leaving out the Communist bloc for which figures are still incomplete, the world is now for instance, producing about 20 percent more rice, milk, and cotton than before the war; about 30 per cent more wheat, fats and meat; 50 per cent more fruit and sugar; and 80 per cent more natural rubber.

Against this background of greater abundance, the FAO report shows, however, that in many Far Eastern and in some Latin American countries the consumption of food per person still remains below the very inadequate prewar levels. Generally, over large parts of the world the problem is not yet solved of providing people with the means to buy as much food as they need.

The striking aspect of trade in agricultural products, according to the FAO report, has been the change in the pattern. Up to 1952, North American food exports were 3 to 4 times as much as before the war, but then began to decline with the recovery of production in other parts of the world. On the other hand, food exports from the Far East are still less than half the prewar volume. European food imports, which shortly after the war were unusually high, seem to have settled down at about 10 per cent lower than before the war while North America's food imports show a slowly rising trend, although they have increased sharply, remain relatively small.

FLAMMABLE LIQUIDS — HANDLE WITH CARE
Gasoline, kerosene, and cleaning fluids improperly used often turn a peaceful farm into a holocaust of flame, according to Texas Farm and Ranch Safety Committee. Flammable liquids, carelessly handled, are among the top causes of farm fires. Store and handle them the safe way, advises the committee. Remember the slogan for Fire Prevention Week (Oct. 9-15) "Don't Give Fire a Place to Start." An underground tank is the safest place to store gasoline and kerosene. If this is impossible, locate containers at least 40 feet from buildings. Containers must be metal and free from leaks. Small quantities are more safely stored than large, and a well-labeled safety can should always be used to draw off and handle the amounts necessary for immediate use.

Flammable cleaning solvents should be avoided, but when necessary should be kept in metal-covered containers, and used out of doors or in a well ventilated room. Non-flammable solvents are fire safe, but should be used where the vapors cannot be inhaled.

WHERE DEATH PLUCKED A SEAT. Horrified riders on the giant ferris wheel at the State Fair stare at the empty space (right center) where a chair—containing three school girls—broke loose and fell to the ground killing one of the girls and seriously injuring the others. Cynthia Combest, 15, Memphis, Tex., was fatally injured when the seat came crashing to the ground after set screws holding the chair gave way. (AP Photo)

A CHECK LIST FOR DAIRYMEN
Get set for winter dairying. Don't wait until the first cold snap

hits to winterize the facilities needed to make the cow herd comfortable during the winter months ahead. Nature's children are busy putting up the food they'll need and also looking after their winter housing requirements.

The dairyman who plans ahead will be the one not scratching and scrambling to get things in shape when winter hits and can expect his herd to maintain production at a high level.

Give the cow herd ample shelter too protect them from the elements; be sure adequate feeding and hay rack space is available and give lots of good cleaning. Fill in holes which may later become mud puddles and remember, that well drained lots and sheds add to cow comfort and in turn can mean more production.

The squirrels have laid in their food supplies. Is your roughage supply of hay, silage and fall-winter pastures adequate? Plenty of roughage is essential even when grains and protein supplements are abundant. Dairy rations built around plenty of roughage properly supplemented with a good grain mixture are the most economical and provide the bulk needed for proper digestion and increased efficiency.

Some dairymen are losing pro-

Governor Proclaims Beef Week in Texas

BEEF WEEK IN TEXAS was officially proclaimed by Governor Shivers for October 30-November 5. Governor Shivers presiding at proclamation to Texas Beef Council president Leo Welder, Vice-president J. D. Sartwell, Houston, Council vice-president.

duction now because they are not including sufficient protein in the grain rations. For top production, the protein level must be in balance with the quality of the roughage and pasture being used.

The months ahead offer a special challenge to dairymen, especially, to their managerial ability. If the dairy herd gets the attention it deserves, right now is the time to get the dairy in shape for the winter season.

Israel's population has approximately tripled since 1948 to more than 1,700,000.

Day Important For Rural Residents As Well As City Folk

Driving Day, December 1, is to be a significant date in the annals of traffic safety. It is a day of special interest to all motorists because, points out the Texas Farm and Ranch Safety Committee, more than 50 percent of all accidental deaths are caused by people who do not know the value of such an effort.

While December 1 is several weeks away, the Texas Motor Vehicle Safety Committee believes it isn't too early for rural community organizations to begin making plans for the most intensive effort ever undertaken on safe driving. The watchword for this year's campaign will be "Make Every S-D Day." Plenty of help will be available if plans are made early. Local county agents can give advice and assistance on planning the all-out effort.

The members of the Farm and Ranch Safety Committee believe that 4-H clubs and other youth organizations which are active in rural areas can make many worthwhile contributions to the campaign. The 4-H clubs which participate in the 4-H Safety Awards program can push their batting average higher by taking an active part in any S-D plans. In fact, says the State Committee, 4-H club members should play a leading role in the community effort for they have more at stake than the older residents.

"The job is a big one its success will depend upon the teamwork of all. But keep in mind," says the Committeemen, "the life you save may be your own or a member of your family. S-D Day is just that important."

Scientists Uses Radioactivity To Test Oil In Your Car

Petroleum industry scientists, ever searching for new and improved products, are shown above installing a radioactive piston ring, made radioactive at the Oak Ridge Atomic Pile, is carefully checked with a Geiger counter.

Under weather conditions ranging from peak Summer heat to subzero cold, the car is then driven in proving ground tests using the particular oil to be tested.

Engine wear is measured with hitherto unheard-of accuracy in this atomic test by checking the microscopic amounts of radioactive metal that rub of the ring and are suspended in the oil. Furthermore, pinpointed results now can be obtained with only 50 miles of driving, as compared to the 10,000 miles necessary with previous methods.

COPIED FROM THE KING FEATURES SYNDICATE, INC. WORLD RIGHTS RESERVED. 'Even when he was a little boy we couldn't get him to pick up his feet.'

INTELLECTUAL TRAMP

Romance to young people is usually quite temporary and fleeting, but it can be puzzling and sometimes intensely agonizing. A 16-year-old student recently confided in me about an admirer who "bothers" her all the time. "The meaner you treat a boy you don't like," she said, "the more he comes around. This stinker keeps pestering me for a date, tells me I'm pretty—and all the kids tease me. Every time I see him coming, I feel like running. What can you do to discourage these drugstore Romeo's?"

Despite my young friend's apparent annoyance, I could detect deep-down a sense of satisfaction over being pursued even by a boy she did not like. One reason that today, within five years after the wedding ceremony, we have two divorces or separations out of every five marriages is that so many of us grow up looking upon friendship with the opposite sex as a game—a contest in which no

holds are barred. And the more hearts one can break, the greater the personal satisfaction.

Our early American Indians wore on their belts the scalps of those they had killed. Thanks somewhat to the movies, radio, and cheap magazines, many of us moderns apparently are doing our best to revive this custom. The difficulty with such logic in courtship is that when the same attitude is taken into marriage, which, ideally, is a partnership—such an anti-social and selfish point of view usually destroys the possibility of real partnership.

Those habits in dealing with others now being acquired by teenagers seem certain to dictate most of their actions in later life. The self-centered and inconsiderate girl almost always ends up as a selfish, cold-blooded woman. And that's true with boys, too.

IT'S UP TO YOU

By Howard E. Kershner, L.H.D.

In answer to the question "Has TVA been good for the Tennessee Valley?" a leading Tennessee Business Executive replied:

"It certainly has. TVA has cost a billion and a half dollars, but the people in the Valley didn't put it up, even though they were the ones benefited. It was paid by the taxpayers of all of the 48 states for the benefit of the people of 2 1/2 percent of the area of the United States. Why shouldn't we be helped by the spending here of a billion and a half dollars?"

Labor better wake up to the danger of subsidizing certain areas to produce cheap electricity, for with the coming of automation, when power rates may be more important than wages as a factor of costs, we might have industry flocking to these cheap-power regions to a degree that would dwarf the old tendencies for it to migrate to cheaper labor districts.

Christian Freedom Foundation, Inc. New York 19, N. Y.

ANOTHER GULF FIRST!

New Super-Refined Gas-Oil Team

gives you more miles per gallon... more miles per quart

This lamp is burning the "DIRTY-BURNING TAIL-END" of gasoline which GULF refines out

This lamp is burning NEW SUPER-REFINED GULF NO-NOX, the clean-burning super-fuel

Gulf No-Nox burns clean. Here's proof: Note the black deposit on plate at left, caused by the "dirty-burning tail-end" of gasoline—the part which Gulf refines out in making new NO-NOX. But see how clean new NO-NOX leaves the plate at right. Now—in your own car, see how new NO-NOX can give you more miles per gallon in the kind of short-trip, stop-and-go driving you do most.

Gulfpride Select works clean. Here's why: Most conventional oils are refined only to the stage shown in A. But New Gulfpride Select is further refined by the Alchlor Process—removing up to 15% more of the carbon-formers, in B... C contains the new super-refined oil that gives you more miles per quart because it has natural viscosity (body)—contains no artificial thickeners that break down in service.

Together they give you thousands of extra miles of new-car performance... new-engine economy

Gulf now brings you not just a gasoline... not just an oil... but a great new gasoline and a great new motor oil which, working together, boost each other's efficiency.

This new Gas-Oil Team will help your car retain all the horsepower you paid for—

help you enjoy thousands of extra miles of new-car performance.

Now that fall changeover time is here, switch to Gulf's great new Gas-Oil Team to get more miles per gallon—more miles per quart... plus complete engine protection.

Get the new super-power team

Sudan News:

Epsilon Sigma Sorority Has Business Meeting Thursday

By MRS. EVELYN M. SCOTT

Mr. and Mrs. Loye Dell Parrish of Anaheim, Calif., have been visiting in the home of his parents, Mr. and Mrs. W. O. Parrish and other relatives the past week.

Mrs. F. C. Broyles returned the first of the week from visiting in the home of her mother, Mrs. Jim Caldwell, of Walnut Springs.

Mrs. H. W. Qualls is visiting this week in Roswell in the home of her sons and families, Mr. and Mrs. H. W. Qualls and Mr.

and Mrs. Bill Qualls.

Mrs. Alma Ballard assumed duties this week as City Secretary. She replaces Mrs. W. O. Eddins who recently resigned the post.

Kandy Miller was on the sick list the first of the week.

EPSILON SIGMA ALPHA SORORITY MEETS

Mrs. Joe Burt Markham was hostess Thursday evening to members of the Epsilon Sigma

Alpha Sorority for a business meeting. Co-hostess was Mrs. Bobby Jack Markham.

Mrs. Alma Ballard, president, conducted a pledge service for three new members, Mrs. Dexter Baker, Mrs. Dean Slaughter, and Mrs. Ray Sebring. Corsages were presented the three. A report on the recent district meeting in Plains was given by Mrs. Bobby Jack Markham, who also led in a round table discussion pertaining to the year's study topic "Mental Health."

Following the business meeting the Sorority honored Mrs. Bud Provench with a baby shower.

The Halloween motif was used in the refreshments of open face sandwiches, chocolate cake, coffee, and potato chips. Present were the new members and Mesdames George Lambert, Bud Provench, Jay Miller, Odell Chandler, Bob Masten, and Alma Ballard.

Mrs. H. W. Qualls, son and Hulan accompanied Mr. and Mrs. Leo Mann and family of Littlefield to Hobbs Sunday where they visited in the home of Mr. and Mrs. Lewis Farr.

Jay Miller, Bud Graves and Coleman Terrell are in El Paso this week where Mr. Miller and Mr. Graves received the "32nd degree" at the Scottish Rite Temple.

Mr. R. D. Nix and Mrs. Elsie Morrow were in Lubbock Saturday to visit friends and relatives and to attend to business.

Mrs. S. D. Hay left Monday for Dallas where she will meet and visit with her sister, Mrs. Sam Cobb of Cape Cod, Mass.

Miss Ruby Mince, a former Sudan resident, was a guest over the weekend in the home of her sister, and family, Mr. and Mrs. Ves Patterson. Also in the Patterson home for the weekend was their daughter, Mrs. Billy Gage. Mrs. Gage is a student at Drughon's Business College, and is employed part time as a proof reader at the Avalanche Journal.

CLUB WOMEN ATTEND TEA

Attending the Silver Anniversary Tea of the Littlefield Forum Thursday evening in Littlefield were a number from the Sudan 1935 Study club. Those present were Mesdames J. A. Harris, president of the local club; Mesdames Weaver Barnett, Edgar Chance

R. S. Gatewood, W. V. Terry, F. E. Miller, Ima Wales, S. D. Hay, and Miss Mayme Chinn.

MEETING IS POSTPONED

Mrs. J. A. Harris, president of the 1935 Study club, announces that the club meeting scheduled for October 24 has been postponed until Monday night, Oct. 31, when Mrs. S. D. Hay will review the book, "The Wine of Youth." The meeting will be held in the Methodist church annex and members of the Tuesday Study club, 1950 Junior Study club and the Epsilon Sigma Alpha Sorority will be guests.

A Training Union rally of First Baptist churches was held Tuesday night at the Abernathy First Baptist church when a number from the local church attended. During the evening clinics were conducted for workers of the various age groups.

Going from the local church were Mr. and Mrs. Dexter Baker, Lee Roy Fisher, Wayman Gordon, Mary Harper, Rev. and Mrs. Wayne Perry, Mrs. Dorman Chester, and Sarah Woods.

Among college students home for the weekend were Charles Perry and Lynn Meeks of Hardin Simmons, Charley Lynch of Tech, Benny Arnold and Marvin Ballard of A&M.

Donna Robinson of Lubbock was a weekend guest in the home of her parents, Mr. and Mrs. Lloyd Robinson.

LeAlma Price of Lubbock was home for the weekend with her family, the L. B. Prices.

Mrs. Gladys Merritt was the honored guest, Sunday for a birthday dinner at the home of Mr. and Mrs. L. B. Price. Also a guest for the occasion was Faye Scott.

Saturday evening dinner guests in the home of Mr. and Mrs. James Arnold and Benny, were LeAlma Price, Anna Bell Ratliff, and Marvin Ballard.

BAPTIST MEN ATTEND BROTHERHOOD CLINIC

A number from the Brotherhood organization of the First Baptist church were in Lubbock Thursday evening to attend a Brotherhood clinic held at the Lubbock First Baptist church. Tom Parrish, a Wayland col-

"According to my diagnosis, you're suffering from combat fatigue."

the Student Hall at Tech. Featured speaker for the school was Mrs. Ellen Dell Biller, National Field Service Consultant.

Mr. and Mrs. J. W. Thomas were in Wellington over the week end to return Mrs. Thomas's mother, Mrs. Ralph Masser, to her home there. Mrs. Masser had been a guest in the Thomas home last week.

Mr. and Mrs. Doug Scoggins of Albuquerque visited friends in Sudan Wednesday. Among those they visited were Mr. and Mrs. O. J. Parrish, and Mr. and Mrs. Kenneth Allen.

Mrs. Joe Rone visited last week in the home of her parents, Mr. and Mrs. D. C. Lumpkin of Graham. While there Mrs. Rone accompanied her father to Fort Worth, where he visited a doctor for a checkup.

New System Explained By Land Board

Earl Rudder, Commissioner of the General Land Office announced from Austin that the Veterans' Land Board would accept requests for application forms to purchase land through the veterans' land program beginning October 31, 1955. Rudder stressed that all requests must be by mail. Requests received before October 31, 1955, will not be honored, and will be returned.

Rudder continued that the requests received the five-day period of the first week, beginning Monday, October 31, will be placed in a locked box, and then be drawn and numbered. A limited number will be mailed application forms immediately. The remainder will be notified of their relative position. After that first week, requests for application forms will be numbered consecutively as received.

Rudder cautioned veterans on the following matters: Old application forms will not be honored since entirely new

forms have been written amended veterans land application forms can be by written request to the Veterans' Land Board ONLY.

The veteran should check or cash with the for application forms.

The veteran's request clearly set out his mailing tract selected which he purchase before request application forms as veterans have only 30 days from the forms are mailed Veterans' Land Board to and return them.

Rudder concluded his ment saying, "This system we will use is designed to enable the veteran and conduct their business and to secure efficient of the Veterans' Land Board."

Mrs. Lyle Brandon Represents Refugee Relief Program Here

The appointment of Mrs. Lyle Brandon, as local representative of the Governor's Committee for Refugee Relief Program has been announced by John H. Winters, Committee chairman. Mrs. Brandon will act on behalf of the State Committee in Lamb county.

The committee was appointed by Governor Allan Shivers at the request of President Eisenhower to inform the people of Texas on the Refugee Relief Program. In addition to Winters, who heads the State Department of Public Welfare in Austin, members are the Rev. Henry Herbst, pastor of St. Peter & St. Paul church, New Braunfels; the Rev. A. O. Rast, Executive Secretary of the Texas Lutheran Mission Board; Leonard L. Holloway of the Baptist General Convention of Texas; Sam W. Levy of Houston; and C. W. Pfleger, Jr., of Coupland.

Under the Refugee Relief Act of 1953, 214,000 displaced persons were declared admissible to this country. Recent figures show slightly over 43,000 have obtained sponsors and have migrated to the United States.

Of this number it is estimated that less than 500 have been brought to Texas.

To be successful in helping displaced persons get a new start in life, the Refugee Program will need assurance from 30,000 to 40,000 sponsors by early in 1956.

A sponsor is required to give assurance that the refugee will be provided with employment and housing and will not become a public charge.

The Refugee's qualifications to

fill the job provided him are certified by overseas officials. The Governor's Committee noted that a large percentage of the refugees are classified as agricultural workers who could be absorbed easily in the farming and ranching regions of Texas. Many skilled craftsmen are also looking for new homes in America.

"These refugees have escaped, in many instances, from prisons and concentration camps to wind up spending years in refugee camps waiting for resettlement," said Mr. Winters. "Texas is lagging in doing its part in this humanitarian program to which our nation has committed itself. Mrs. Brandon, as representative of the Governor's Committee for Refugee Relief Program in Lamb county, will give the details of the program to any employer or citizen interested in providing a new opportunity to a refugee."

Triplets Born To Amherst Family

Triplet daughters were born to Mr. and Mrs. Philip Estrada, October 16 at 9:06 pm in South Plains Hospital at Amherst.

The children, all girls, weighed 5 pounds, four ounces, 5 pounds, eight ounces, and five pounds, 12 ounces.

The Estrada family, employed by G. C. Bearden of Amherst

have eight other living children. One of the girls passed away at 5:45 am October 18. The condition of the other two was described by hospital attendants as good.

Hospital officials said they believed this is the first time triplets have been born at the hospital.

Mercury offers 10 new safety features... More proof of THE BIG M's leadership!

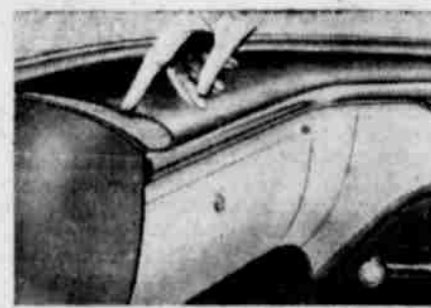

1. NEW IMPACT-ABSORBING STEERING WHEEL with deeply recessed hub and 3-spoke conical design bends under impact or pressure. The driver is better protected in case of accident.

2. NEW SAFETY-BEAM HEAD LAMPS, product of 5 years of research, let you see both farther ahead (up to 80 feet more) and better (in fog, rain, snow). There's less glare, too, for oncoming drivers.

3. NEW SAFETY SEAT BELTS* are securely bolted to floor supports and help protect wearers in emergencies. Available for driver and passengers. Easily adjusted with one hand.

4. NEW PADDED INSTRUMENT PANEL* has a thick plastic cushioning filler with excellent protective qualities. Helps prevent injuries in case of impact against the instrument panel.

5. NEW SAFETY DOOR LOCKS are designed to hold doors closed under three times as much impact as former locks. Safety research shows there is much less likelihood of injury in accidents if passengers are not thrown from the cars.

7-8. NEW CUSHIONED SUN VISORS*, NEW FULL-SWIVEL SAFETY REARVIEW MIRROR are extra safeguards for driver and passengers.

9-10. NEW 225- AND 210-HP SAFETY-SURGE V-8 ENGINES AND IMPROVED SAFETY-GRIP BRAKES. You enjoy more usable power than ever for split-second pickup, safer passing, easier hill climbing. Stopping action is smoother, surer, too. *Optional

Everywhere you look in THE BIG M for 1956, there's something new to see or try. For instance, THE BIG M's new 12-volt electrical system lets you start faster than ever. Mercury's exclusive-in-its-field ball-joint front suspension is further improved to give you even more superb handling ease and comfort. And THE BIG M is styled new in dozens of exciting ways, from

bumper to bumper. To accent its extra length, there's spectacular Flo-Tone color styling. Inside, fabrics are even more colorful, durable, luxurious. For hardtop fans, the best news of all is that Mercury's famous low-silhouette beauty is now available in every series—Montclair, Monterey and Custom. See and drive THE BIG M at your Mercury dealer's. Come in today!

For 1956...The big move is to THE BIG MERCURY

Don't miss the big television hit, "TOAST OF THE TOWN" with Ed Sullivan, Sunday evening, 6:00 to 7:00, Station KDUB-TV, Channel 13.

E. students earn part of their school credits by working part time in various downtown stores, and study merchandising in class room work. Nancy works afternoons at Ware's (Staff Photo)

Spade News:

Mrs. Jack Stubblefield Is Shower Honoree Thursday

By MRS. JOE PRATER
Mrs. Hal Mayfield and son of Lubbock visited his parents, Mr. and Mrs. J. O. Mayfield, one day last week. Hal is an announcer over KFYO radio in Lubbock.

Mr. and Mrs. Adthur Turner visited relatives near Dallas during the weekend and attended the State Fair.

WMU CIRCLES MEET FOR BIBLE STUDY

All circles of the WMU met in the Baptist church Oct. 17 at 2 pm for Bible Study with Mrs. J. R. Inklebarger in charge of the lesson from the new class book "Favorite Bible Passages." Those present were Mesdames J. R. Inklebarger, J. R. Matthews, Marie Hamilton, Roy Black, E. C. Glass, W. F. Smith, H. Harvey, J. R. Hodges, Joe Blankenship, Sam Tindal, Jess Emmons, Ray Ely, Doc Vann, Ted Hutchins and Joe Prater.

Mrs. Ray Ely, community missions chairman, discussed plans for help among the Spanish speaking people during the month. The circle chairmen met early and drew names for circle members. Those in the circle with Mrs.

Ernest Savage as chairman are Mesdames Preston Pointer, Roy Black, E. C. Glass, Joe Blankenship, Deck Heard, J. R. Inklebarger, Marie Hamilton and W. F. Smith. Members of the circle in which Mrs. J. R. Hodges is chairman, are Mesdames Lowell Walden, Ray Ely, H. Harvey, Sam Tindal, Jess Emmons, Arthur Turner, J. R. Matthews, and Joe Prater. Mrs. Doc Vann is chairman of the young ladies circle.

Mrs. Jack Stubblefield was presented with a pink and blue shower in the home of Mrs. James Steffey, Oct. 13. Mrs. Early Hall registered guests and Mrs. Frank Coleman led in games. Hostesses were Mesdames Frank Coleman, John Ramage, Elvin Hairston, Harold Thurman, Early Hall and James Steffey. The hostesses gift was a nylon bed jacket. The gifts were presented in a large green sheet pinned like a diaper. Refreshments of pineapple sherbet and individual cake squares with a baby head on each were served to about 25 guests. Plastic pink and blue miniature baby carriages filled with nuts were plate favors. The table centerpiece was a small tree with babies in baskets

hanging from the limbs.

The ladies Bible class meets in the Church of Christ each Wednesday afternoon at 2:30 with Dayton Keesee as teacher. Everyone is invited.

Rev. and Mrs. W. F. Smith visited Mrs. Lowell Walden in the Methodist Hospital in Lubbock Sunday afternoon.

SUNBEAMS TO MEET

Mrs. W. F. Smith met with the Sunbeams for mission study Oct. 10 in the absence of the leader, Mrs. Lowell Walden.

Mr. and Mrs. H. Harvey visited their grandson, Glenn Harvey, in the Polio center in Plainview last Friday. Glenn is improving rapidly. His mother stays with him.

Little Miss Jackie Hutchins, daughter of Mr. and Mrs. John Edd Hutchins, celebrated her first birthday Friday, October 14.

Ruby Vaught was 17 years old Sunday, October 16.

Mr. and Mrs. Ted Hutchins went to Lubbock Thursday where he attended a Farm Bureau policy conference. Mr. Hutchins is vice president of the Lamb County Farm Bureau.

Sunday visitors in the R. M. White home were Mrs. W. R. Smith of Elk City, Okla., Mrs. Elta Jones and Linda, Mr. and Mrs. R. C. Rice of Amherst, Mr. Willard McCaig and Charles Jones of Littlefield.

SPADE FHA MEETS

The Spade chapter of the Future Homemakers of America held their regular monthly meet-

ing Tuesday, October 11. New business was discussed. They elected FHA Dreamboat and an FHA Pal. These will be revealed at the following Fall Festival. It was decided to have a booth at the festival.

FFA officers for this year are: president, Johnny Richardson; vice president, Martin Young; secretary, Eugene Williams; reporter, Merlyn Neal; sentinel, Joe Don Mote; and treasurer, Tommie Park. W. Murphy is the sponsor.

Mr. and Mrs. J. R. Hodges and Joyce Ann spent Friday night at Eldorado with his brother and family. Mr. and Mrs. D. D. Hodges.

Little Miss Vickie Poole of Littlefield spent Saturday night and Sunday with her grandparents, Mr. and Mrs. Jess Emmons.

Bula placed first, Morton second and Spade third in the grade school girls teams of the invitational basketball tourney which was held in the Spade gym during the weekend.

Mr. and Mrs. David Stafford of 1410 7th St. Lubbock, are parents of a daughter born Oct. 14 at 9 pm in the Taylor hospital. She weighed 6 pounds, 15 ounces. Stafford is employed at Ralph Penny Chevrolet Co. They have another daughter, Brenda, who will be two years old in March.

Tyson Nabors is home from the Amherst hospital and much improved.

Mr. and Mrs. Travis Dyer and children formerly of this com-

munity, who now live about two miles north of Edmondson visited her parents, Mr. and Mrs. H. A. Vick of Bainer, Sunday.

Lee Leonard was at church Sunday for the first time since he was injured when he fell from a tractor several weeks ago. He is walking on crutches, but looks good and is improving.

All young people are invited to meet at the Baptist church Thursday night and go with the group to the Hart Camp Baptist church

for a youth rally.

Mr. and Mrs. J. K. Anderson and family attended the air show at the Lubbock Municipal airport Sunday afternoon.

Mr. and Mrs. Edward Mitchell and Patricia visited Mr. and Mrs. Bayne McCurry and Roger and Mr. and Mrs. Joe Prater Sunday afternoon.

Mrs. Lowell Walden was still hospitalized in the Lubbock Methodist hospital Sunday, but expects

to return home one day this week. The Jr. HD club meets in the home of Mrs. Glendon Peel Thursday afternoon.

The mole lemming has such long powerful front teeth that he uses these to dig with instead of his claws.

The Riangs, gentle and polite tribesmen of southeast East Pakistan, have a strang way of expressing apology. They stick out their tongues.

To See The NEW 1956 De Soto

IN OUR SHOWROOM NOW

The all-new 1956 De Soto looks great from any angle—and it's sparked further with the revolutionary new mechanical push-button drive. At top are (left) the Firelite two-door hardtop and (right) the Firelite four-door sedan demonstrating the new long and low look afforded in the upswep rear fenders and the restyled color sweep. At the bottom are front and rear ends of the same cars showing the completely new front and rear ends. A full-swept, perforated mesh grille, built-in parking lights and insignia are only part of front end changes. The taillight assembly of three-tiered, turn lights are an integral part of the dramatically changed rear fenders. The finger-tip touch drive and exterior redesigns shown are but a few of over 24 styling and engineering changes, including increased power and striking new color-keyed interiors in decorative fabrics, in the new De Sotos.

LITTLEFIELD

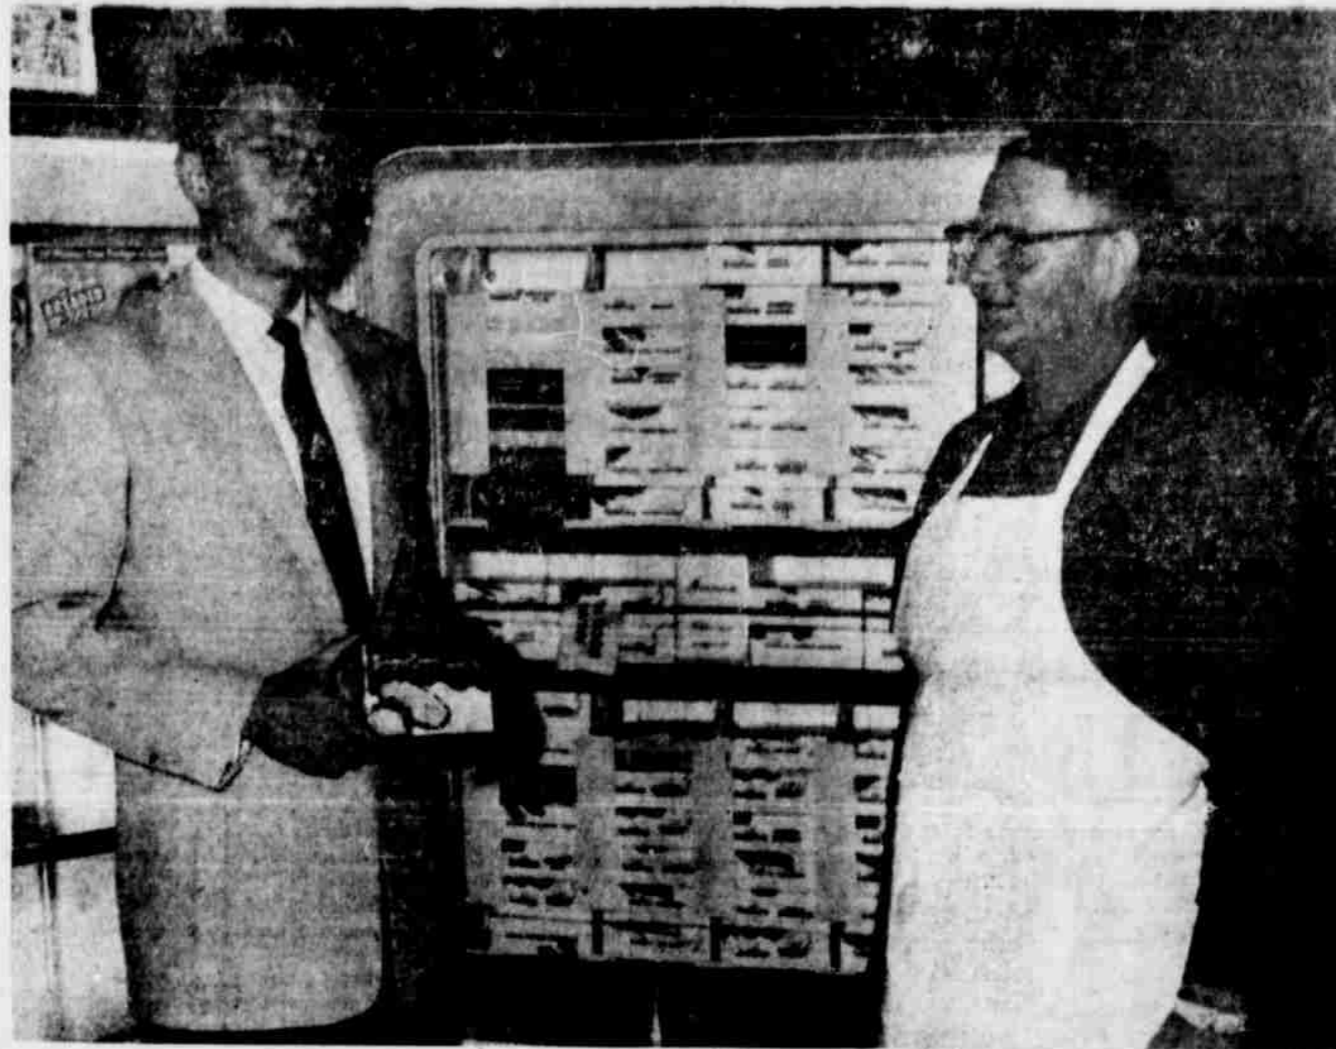

The Amana Food Plan In Littlefield . . .

Littlefield's Amana Food Plan Presents To You A New And Better Way Of Living

WITH FOOD REPRESENTING 40% OF THE AVERAGE BUDGET, THIS IS OF MAJOR Importance TO YOUR FAMILY!

*U. S. Gov't. Bureau of Labor Statistics

1. You can beat the present high cost of Living.
 2. You can have the convenience of having a super market in your own home.
 3. You can cut your food budget by buying foods at quantity discount prices.
 4. You can own an Amana within your food budget and EAT BETTER FOR LESS.
- You Choose the Foods of Your Choice
 - All meats cut, wrapped to Your Specifications and Delivered to Your door.

Pictured above with one of the many Amana Home Freezers are James Garrett, right, owner of the Lamb County Food Locker, and Glenn McCary, sales manager for the firm. Garrett came to Littlefield ten years ago and opened the locker plant. He personally supervises the butchering of the meat and operation of the locker plant. McCary is a native of Lamb County. After receiving a discharge from the army two years ago, he was associated with the Littlefield Press until he resigned last month to accept his present position.

?? Why Not See If You Can't Own An Amana Freezer and EAT BETTER . . . For What You Now Spend For Food.

OFFERS **4** WAYS TO BE SURE YOU'RE CHOOSING THE FOOD PLAN THAT'S BEST FOR YOUR FAMILY

Because of the ever-increasing interest in food plans it is of the greatest importance for you to know why one food plan is better than another. Here are the facts:

① CHECK THE QUALITY OF THE FOOD

Food is a very important part of a food plan. That's why we provide you with all the nationally advertised brands . . . the finest foods obtainable . . . all unconditionally guaranteed.

② CHECK THE SAVINGS

A good food plan should save you money while serving you finer foods. That's why we continually provide our customers with the best foods at the biggest possible savings.

③ CHECK THE FREEZER

Amana
stor-mor
FOOD FREEZERS

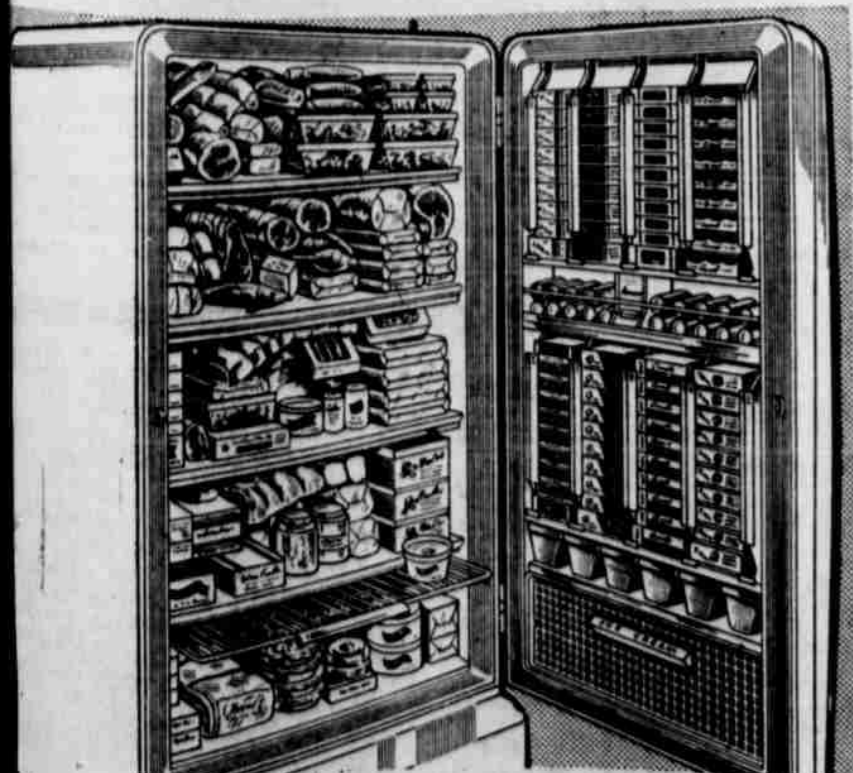

A quality freezer is absolutely essential because the money you save with a food plan can be lost if these foods aren't properly stored. For this reason we have chosen the Amana "stor-mor" Freezer . . . the only freezer guaranteed to outperform all others.

④ CHECK THE FIRM BEHIND THE FOOD PLAN

A food plan is as good as the people behind it. Be sure to check the reputation of the company you plan to do business with. Our reputation for integrity, quality and excellence of service is your assurance of satisfaction always.

WATCH FOR GRAND OPENING

enty Of
FREE PRIZES

CHECK THE CONVENIENCE FEATURES!

Amana is the only freezer with the "stor-mor" Door. Holds more food than other freezer doors . . . over 80 extra pounds . . . a full month of meals at your fingertips.

...and CHECK THESE FEATURES, TOO...

Amana is the only freezer with Automatic Food Servers . . . Automatic Inventory Control . . . Adjustable Food Holders . . . Ice Cream and Dessert Bar . . . Automatic "Full Vision Light" . . . Handy Service Shelf and Left-Over Shelf . . . more easy-to-reach "up front" storage.

...and Remember this,
Amana
FOOD FREEZERS
are Guaranteed to
outperforms All Others.

1956 Plymouth Belvedere

Belvedere four-door sedan is one of 15 attractive models in Plymouth's 1956 line of cars. Aerodynamic styling, push button driving and powerful new Hy-Fire 277 engine are among outstanding features. Safety door latches and other safe driving items are standard equipment.

Aerodynamic Plymouth For '56 To Be Displayed By Dealers October 21

Plymouth's new aerodynamic 1956 cars will be displayed by dealers throughout the nation beginning Friday, October 21.

Plymouth President John P. Mansfield said the new models incorporate major advances in every phase of automobile design, with special emphasis on engine performance, safety and aerodynamic styling.

Plymouth has a wholly new engine for 1956. It is a more powerful Hy-Fire V-8 with a polysphere combustion chamber design, a 277 cubic inch displacement and an 8 to 1 compression ratio.

Other major innovations include:

Airfoil rear fenders which emphasize and contribute to the aerodynamic feeling of the new models.

A push button drive selector for Plymouth's PowerFlite automatic transmission.

New 90-90 Turbo-Torque PowerFlite on V-8 models. Ninety degree angles at the inlet and outlet blades of the torque converter impeller give faster breakaway performance.

A new four-door Hardtop (Sport Sedan) with an ingenious rear window operating mechanism allowing full side vision for all passengers.

A new line of Suburbans. In Plymouth's 1956 line-up, the Suburbans are an entirely separate group of cars and are available in a wide selection of two-door, four-door, two-seat, three-seat, V-8 and six cylinder models.

New safety door latches to keep doors closed even under severe impact.

New 12-volt electrical system, new pull-type door handles and new deck lid latch.

Hi-Way Hi-Fi, a new car phonograph providing an hour of uninterrupted entertainment, and new Search-Tune radio.

Safety Features
Plymouth dealers will continue to offer safety belts, anchored to

the frame and available for both front and rear seats, on all models.

All other Plymouth safety features are standard equipment items. They include an independent hand brake, dual cylinder front wheel hydraulic brakes, safety rim wheels, electric windshield wipers and new safety beam headlights.

Optional power devices, in addition to push button PowerFlite transmission, include full-time coaxial power steering, improved power brakes, push button power front seat adjustment and push button power window regulators.

The 1956 models are an inch longer than their predecessors. Standard sedans have an inch more headroom in front, and almost an inch more head room in the rear.

More Powerful Engines

Plymouth continues to offer both six cylinder and V-8 engines in its 1956 line. Compression ratio of the PowerFlow Six is increased to 7.6 to one, providing increased torque and better all-around performance. The PowerFlow Six also is available for the first time with a power package consisting of a two barrel carburetor and special intake manifold.

The new Hy-Fire 277 engine is used in Belvedere and Suburban models. It is also available with a power package consisting of a four-barrel carburetor and dual carburetors.

For Savoy and Plaza cars, Plymouth also has a more powerful V-8 engine with a displacement of 270 cubic inches and with many new performance features.

The 1956 Hy-Fire V-8's are by far the most powerful production engines ever put in a Plymouth car. Their "hottest" performance comes when the driver is most apt to need it for safety—when he is passing another vehicle in the mid-speed range on the highway.

New Styling Features

In addition to the completely new aerodynamic rear end styling the 1956 Plymouths have scores of new design details, inside and out.

From the front the most noticeable are a new hood ornament, new Plymouth name identification and a new grill. Side trim on all models is of a new design and the Plymouth Forward Look emblems appear on the rear fenders of Belvedere models.

Inside, the instrument panel is redesigned for greater convenience and new beauty. The new push button PowerFlite drive selector is on the left of the steering post where it is out of reach of front seat passengers who might otherwise accidentally change the driving range while the car is in motion. Push buttons are illuminated for night driving.

The ammeter and oil pressure gauge have been replaced by red flasher lights between the gas line and water temperature gauges directly in front of the driver. The lights flash their warning for instant driver attention, thus eliminating the possibility of oversight or improper interpretation.

Nazarene Church Youth Activities Program Planned

The week night teen-age activity program of the First Church of the Nazarene has been gaining momentum each week. Last Friday night all of the youth enjoyed a watermelon feast at the Legion Hall following the football game. Last

Monday evening they gathered at the church to enjoy home-made ice cream and a time of fun and fellowship.

The average attendance for these week-night activities has been 23. The next PAL Times will be October 22 when the youth have planned a hay ride.

The PAL program of the church is open to all managers of the city. The letters of P A L stand for the Pioneer Activity League. Each meeting of the teenagers is called PAL Times. A PAL Times is planned for every week of the year, with new, different and varied activities planned by the teenagers themselves. The youth program is under the sponsorship of Mr. and Mrs. Odie Caldwell and Mr. and Mrs. Hoyt Renfro.

Soybean Market Offered Here By Cottonoil Mill

Western Cottonoil Mill in Littlefield announced this week that the first load of soy beans was brought to the mill Monday by a Lockney farmer.

Western is now offering a market for soy beans, manager Rip

Elms announced. The mill is paying \$2.20 per bushel for number 2 beans. The beans must contain less than 13 per cent moisture, and not more than one per cent foreign matter.

Elms said he estimates there are approximately 3,000 acres of soy beans now being raised on the South Plains, principally in Lamb, Bailey, Hale, Castro and Swisher counties.

The beans will be crushed at one of the Western Cottonoil mills, Elms said.

This is the first time that a market has been offered for soy beans in this area, the manager pointed out.

Danny Dunn Heads D. E. School Club

Danny Dunn was recently elected president of the D. E. club in Littlefield high school.

Other officers include Richard Shipley, vice president; Norma Colson, secretary; Ronnie Webster, treasurer; Nancy Burks, reporter; and Lloyd Cowan, sergeant-at-arms.

Bill Lyman is D. E. coordinator.

Mission Festival Set By Emmanuel Lutheran Church

According to an announcement by Pastor Young, Emmanuel Lutheran church observes its annual Mission Festival next Sunday, October 23. There will be two services, one at 10:30 a.m. and one at 2:30 p.m. Rev. E. J. Stelling, Clovis, N. M., pastor will deliver the sermons. In the morning he will speak on the theme, "Going to Tarshish or to Nineveh," using as his text Jonah 1, 13. In the afternoon his text will be taken from the book of Acts,

New '56 Pontiacs Featuring General Motors Hydra-Matic Transmission To Be Displayed Here October 21

The new 1956 Pontiac models which go on display in dealers' showrooms Friday (October 21), introduce a General Motors "first," a completely new Hydra-Matic transmission. Called Strato-Flight Hydra-Matic by Pontiac engineers, the new transmission is designed to provide smoother, quieter shifting of gears.

The Pontiac Strato-Streak V-8 engine, introduced last year, is larger in 1956 with horsepower upped to 227 in the Star Chief and 205 in the 870 and 860 series. Fifty-two new body styles, longer by

2 1/2 inches, include six "hardtop" Catalinas, three of them four-door and three two-door. "Hardtop" models are available in all three series, the Star Chief, 870 and 860.

There is a choice of 57 new colors in "Vogue" two-toning or solid colors. Interiors utilize new fabrics and leather in a wide range of colors.

"Pontiac is proud to be the first to introduce a big and vital General Motors first—Pontiac's new Strato-Flight Hydra-Matic transmission," R. M. Critchfield, General Manager of Pontiac Motor Division, said today. "In over two million test miles this revolutionary transmission system demonstrated smooth, effortless shifting. This Strato-Flight Hydra-Matic transmission combined with Pontiac's more powerful V-8 engine will give Pontiac owners a new experience in positive efficient performance. There is no interruption in transmitting power to the rear wheels and gear action is barely noticeable. This positive action insures unhampered acceleration for quick, safe maneuvering.

"The longer and lower look of Pontiac's new body styles combine with big-car riding comfort in the new series," Critchfield pointed out. "The rich colors of Pontiac Vogue two-tones are picked up in the luxurious interiors. Exciting new fabrics are colorful with durability, cleanability and slideability."

Foremost among the mechanical improvements in the 1956 Pontiacs are the new Strato-Streak V-8 engines—bigger and sturdier than ever and upped in horsepower to 227 in the Star Chief series and 205 in the 870 and 860 series. The upsurge in horsepower comes from the increased displacement, high-compression ratios up to 8.9:1, and improved carburation.

Pontiac offers three Strato-Streak body series in 1956. Longer by 2 1/2 inches overall, the 15 new body styles have a longer, lower looking silhouette.

Most luxurious of the three series, the Star Chief line consists of the custom Catalina two and four-door "hardtops," four-door sedan, and convertible, on a 124-inch wheelbase and the Safari Station Wagon on 122-inch wheelbase.

In Pontiac's middle-priced 870 series with 122-inch wheelbase are the Catalina two and four-door "hardtops," a four-door sedan, a two-door two-seat station wagon and four-door three-seat station wagon.

Comprising the low priced 860 series are the Catalina coupes and sedans, two and four-door, two-door two-seat station wagons and four-door three-seat station wagons.

Newly designed for increased cargo space, the Pontiac two-seat station wagons have a folding seat with the backrest and the cushion folding into the floor. In the three-seat wagons, both the back seat and center seat fold into the floor with a split seat arrangement on

the middle seat so that one-third or two-thirds of the seat can remain in place for passengers.

Front-end styling is similar on all three series. A brilliant wrap-around bumper of sturdy, chrome-plated steel protects the entire front end of the car. The cleanly integrated front bumper and grille give the car a spirited, powerful look. Bomb type bumper guards and air-scoop crescents above the headlamps add to the fleet appearance of the car. The headlamp visors match the color of the front fenders.

The Pontiac Silver Streaks are one of the most distinctive styling features in the automobile industry. They flow from the grille, back across the hood to the windshield and are depressed into the hood on each side of the new hood ornament. The slots between the Silver Streaks blend with the color of the hood.

The Silver Streaks are repeated in the rear fender design where the convex surface of the streaks mold into the surface of the rear fins, ending at the new visored tail lamps.

Accentuating the air foil lines of the rear fenders, a stainless steel spear thrusts forward along the fenders from each tail lamp. This protective molding is brightened by three indented reflectors, and added safety factor in Pontiac styling.

Continuing its trend in modern colors, Pontiac introduces a completely new array of exterior finishes. Custom models feature Sandalwood Tan, Sun Beige, Catalina Blue and Nimbus Grey. Other colors have been named for well-known places such as Chesapeake and Olympic blues, Hialeah and Glendale's Greens and Grenada gold others have exotic names—Bolezo Red, Tarragon Green and Phantom Grey. Still others bear such descriptive names as Amethyst, Camellia, Vista Blue and Raven Black.

The exciting flair of the new "Vogue" two-toning combines these colors to add to the low, trim look of the 1956 Pontiac silhouette.

The wide varieties of interior trim materials on the new models are most colorful and more luxurious than ever offered by Pontiac. They range from bizarre red and black to soft combinations of greens or greys. The custom model Pontiacs are upholstered in top-grain leather and patterned nylon ornamented with metallic threads. Convertibles, and station wagons feature bright color combinations of Morokio,

PONTIAC 860 TWO-DOOR SEDAN—Pontiac's 1956 two-door sedan, the most economical model in the big-car class, rides on a 122 inch wheelbase with 206 inches over-all length. It's big 205 h.p. Strato-Streak V-8 engine gives it power and performance unequalled in the medium priced range. "Vogue" two-toning and luxurious interiors are other features that make it the best dollar for dollar buy.

a durable, water-proof fabric with appearance and durability of genuine leather. The 870 Chiefline models have richly colored nylon fabrics with a three-dimensional repp weave in satin. The 860 Chiefline models sport nylon and orlon upholstery trimmed with a new fabric ornamented by silver flecks which the manufacturer refers to as "stardust."

The front seats of all 1956 body styles have been redesigned for more comfort and more leg and head room. A new optional electric powered adjustable seat which can be moved in six different ways, offers almost unlimited variations in front seat positions. A mechanical 360-position seat is also available.

The new panoramic instrument panel controls on the 1956 Pontiacs are lighter and more legible. Control knobs are gleaming white plastic. The two-tone finish of the panel harmonizes with the interior and exterior color scheme. Trim plates on the panel are of smart brushed aluminum recessed in black.

Centrally located in the instrument panel just above the glove compartment, is Pontiac's new electronic radio which automatically selects the strongest stations. It also can be tuned manually or by push-button. This accessory combines the advantages of push-button tuning with signal seeking station selection. Conventional radios are also available.

Pontiac offers a new rear seat sound system employing two speakers. These two speakers, combined with the front radio speaker embody a high fidelity system with stereophonic sound distribution. Such an exactness of tone quality reproduction has never before been available in automotive radio reception.

Displacement of the 1956 Strato-Streak V-8 engine is 316.6 cubic inches. The extra volume from larger-cylinder bore and pistons, gives more reserve power, not only at low, but at all driving speeds.

Compression ratios, raised to 8.9:1 in the Strato-Streak engines of Pontiacs equipped with Hydra-Matic transmissions, take full advantage of the higher octane ratings of today's premium fuels. Along with economical maximum power from improved gasolines the higher compression gives quick acceleration and quiet operation.

Larger venturi or air-intake throats on both the four-barrel and two-barrel carburetors improve

the "breathing" qualities of the 1956 Pontiac engines. Better performance and greater economy result. The 227 horsepower engine with four-barrel carburetor is standard for the Star Chief series and the 205 horsepower engine with two-barrel carburetor is standard equipment for 870 and 860 series equipped with Hydra-Matic.

A new dual exhaust system, optional equipment this year, also better the Strato-Streak efficiency and performance by improving the engine's "breathing." Chrome twin exhaust deflectors for the dual exhaust pipes appear as an integral part of the massive rear bumper.

In addition to the new Strato-Flight transmission for the Star Chief series, Pontiac offers an improved Hydra-Matic transmission for the 870 and 860 series and a new Synchro-mesh transmission, incorporating many refinements and improvements.

A notable improvement in the ride and handling characteristics of the 1956 Pontiacs comes from a new steering knuckle and support assembly. The press fitted king pin bushing reduces friction and improves lubricating qualities of the front suspension.

Completely new power steering, power brakes and electric window lifts are available as optional equipment.

Front mounted air conditioning, the system entirely located under the hood which was pioneered by Pontiac in 1954, will be continued with a number of new features in 1956. The new unit will give greater cooling, easier operation, more compactness and simplified installation. The unit's control panel, conveniently located above the radio controls, is restyled for improved appearance and operation.

Littlefield city police issued 25 traffic tickets over the weekend, to set a record for the largest number issued in any one period this year.

The tickets were for routine traffic violations.

Four persons were jailed for minor offenses and were released after paying fines and court costs.

 Editorial is not a writ from on high; it's just one man's opinion."

The Sandhills Philosopher—

(Editor's note: The Sandhills Philosopher on his Johnson grass farm discusses the farm problem this week, but leaves it as unsolved as ever.)

Editor:
 Everybody is talking about the farm problem these days and I always listen carefully, to find out what the experts think the problem is but what they think the problem

is. The idea that attracted my attention the other day was a statement by an expert that the farm problem is being made worse by the fact the farm population is dwindling. I couldn't follow him. The way I see it, the experts are producing too much as it is, anything that reduces the number of farmers might reduce the surplus, although it doesn't necessarily work that way, as we already got fewer farmers and more surplus than any time before in history.

Another expert said the cause of some of the farm problem is the fact farms are being bought up by "doctors, lawyers, bankers and merchants" and used to cut down on their income taxes from profits made in town.

Do not see how this constitutes a farm problem. The best way I know to cut down on the farm surplus is to turn some land over to a town farmer. Most of em go away for a little while, fixing up the place, painting paint around, stretching new wire, but in a little while their interest seems to play out, along about the time they begin bringing up what it's costing them and how they're producing.

In fact, one of the best ways I know to reduce the farm surplus in this country would be to turn over all farming operations to doctors, bankers, doctors, and merchants for a couple of years. I guarantee the surplus would disappear completely.

There's something about farming that is as easy from behind a steering wheel as you're driving along the road, but the steering changes completely when you get behind the steering wheel of a tractor.

Of course, the same thing would work in any other direction. Any time this country has a worrisome surplus of money on hand, I'll put me and a bunch of other farmers in charge of banking and we'll take care of

Yours faithfully,
 J. A.

Looking For Good News?

Some suggestions for dispelling the theory that most all "news" is bad news, were recently offered by The Illinois Press. Some of the "good news" items they suggested are:

There are 162,000,000 Americans who are not members of the Communist Party."

Some 37,011,460 couples will stay more happily married during the year."

Some 162,717,890 persons will not die of cancer in 1955."

162,380,580 persons will be safe from heart attacks."

Most of the time 15,20,000 organized workers are not on strike."

The Internal Revenue Service will find that 43,846,154 income tax returns are filed correctly in 1955."

On the average, there are 63,880,000 people working to bring home the bacon."

Last year, the scheduled airlines safely carried passengers 18,902,134,841 miles in the U. S. and possessions; railroads safely carried passengers 31,674,931,200 miles.

Through A Glass Darkly

By CARROLL PONCEY

The trees, what few there are, are pretty vivid these days. Makes you wish you lived somewhere but on the treeless plains as the poets call them. Anyway, gin smoke is better than fog or smog, and means a lot more money for all concerned.

The cyclopean eye of tv is growing to monstrous proportions. Now don't get alarmed. That is an alarming statement, we admit, but as one "friend" of the column says, you never know how a paragraph in this space will wind up, regardless of the first sentence.

What we aimed to say, before he interrupted, was that the single eye of your tv set is robbing you of what little precious free time you have left after the days toil and travail (isn't that poetic).

Most of us feel that the few hours between quitting time and bed time are the best hours of each day. Hours which could and should be spent playing with the kids or whittling or doing something else equally constructive and entertaining.

But what happens. Well, what happens is that usually when you sit down after supper to reflect on what you ate and how it will affect the future and things like that, some one turns on the tv. First thing you know it's time to wind the cat and put the clock out, and the evening is shot. And all you've got to show for it is the solution to three fourth rate mysteries, the memory of a hysterical quiz master, and the idiosyncrasy of a questionable comic.

Oh, I'll tell you boy, that tv is poisonous indeed. I just wish that wolf in genuine stimulated mahogany clothing had never entered the portals.

Excuse me, I've got to hurry or I'll miss Jackie Gleason.

Lipstick Logic

By LOUISE ALLEN

One thing men can't understand about women is why they get such a lift out of a hairdo.

The little woman goes to the beauty parlor looking like herself—an ordinary woman—and comes out looking like a Manikin. For some reason, the spouse can't explain, it makes her happy.

Maybe it's stupid, but it is true. A woman who normally has all the confidence she needs goes to a party and sits glumly to one side, acting distant with everyone. Trying to figure out what you have said or done to hurt her feelings, you walk over and begin talking to her. After awhile, she warms up enough to say, "My hair is terrible! I'm going to the beauty parlor tomorrow." With her hat on, she looks the same as always, but she feels and acts like an outcast. Just check yourself at home. You wake up some morning full of self-pity. Nobody in the family hangs up his clothes. They're taking you for granted, that's what they're doing. Washing dishes, ironing, making beds—over and over. What's the fun? You glance at yourself in a mirror. You look awful! Must be sick. Then it dawns on you—it's your hair.

Off to the beauty parlor for a couple of hours of mild torture, and you come out feeling fresh and rested. Your self-confidence has returned. You're gay, even a little kittenish with the family. The house is once again a home.

We don't plan to try to explain this to a man—any man. But when and if we should, it will be exchanged for an equally baffling secret—why a man looks so bloomin' complacent when he's smoking a cigar!

GLEANINGS... From Nearby Newspapers

The Nebraska Supreme Court has upheld that state's right-to-work law. The decision noted that compulsory union membership would in some instances "compel support, financial and otherwise, of policies which an employee might deem objectionable from the standpoint of free government and the liberties of the individual under it."

Then it added, "To compel an employee to make involuntary contributions, from his compensation, for such purposes is a taking of his property without due process of law."

"An employee not only has a right to work, but he has the guaranteed right to have his earnings protected against confiscation against his will."

The 17 states which have passed right-to-work laws have simply affirmed that every man has the privilege of joining or not joining a union, as he chooses, and that neither employer nor union official has the right to infringe on that privilege. What valid argument in law or in moral principle can be used against that—Canadian Record

ENCIRCLED!

Ronald G. Davis To Participate In La. Maneuvers

Pfc Ronald G. Davis, 23, son of Mr. and Mrs. Doyle R. Davis, Orlton, is scheduled to take part in Exercise Sage Brush, the largest Army-Air Force maneuver since World War II.

The two-month exercise will be held in Louisiana starting in November. Some 110,000 Army troops will participate, testing the latest concepts of atomic, bacteriological, chemical and electronic warfare. Davis, a medical technician with the 93d Evacuation Hospital, is regularly stationed at Ft. Riley, Kan. He entered the Army in January 1954. Davis attended Freed-Hardeman College in Henderson, Tenn.

What Is A Tort?

A "tort" is a legal wrong or injury committed upon the person or property of another. Examples are assault, battery, false imprisonment, libel, slander, malicious prosecution, alienation of affections, and negligence causing personal injuries or property damages.

The remedy provided by law to persons against whom a tort is committed is an action for money damages. Liability arises from a breach of duty primarily fixed by the law. In some cases, the person wronged may have the additional remedy of injunction or of specific restitution of property. The injured party must act in a timely manner, since the statutes imposes limitations on the time within which he may begin suit.

A breach of contract is not a tort. Neither is a tort necessarily a crime, although in some instances the same act may be both a tort and a crime. For example, if one man slashes another with a knife, he may be prosecuted criminally. He may also be sued in a civil action for the injuries caused by the assault and battery.

The law of torts is not static. It grows with the growth of society. In some instances it takes an act of Legislature to keep pace with the changing attitudes of society. In other situations, new torts are developed by the courts. For example, the invasion of a person's right of privacy has come in many states to be recognized as a demedial wrong—that is, a wrong for which the law provides a remedy by way of money damages. Texas

has not yet adopted this view.

Torts are sometimes classed as follows:

1. Intentional wrongs, such as trespass to land, assault and battery, false imprisonment, and conversion of personal property. In all of these cases the act must be intentionally done.

2. Negligence, such as careless operation of a motor vehicle causing injury to another.

3. Strict liability, such as the keeping of dangerous animals, or the doing of a potentially dangerous thing, which is not a matter of common usage, such as blasting.

The law of torts, built up over a period of many years by the process of court decisions and legislative enactment, forms a silent but strong protection necessary in an orderly society.

Down Memory Lane

(From the files of Lamb County Leader, October 23, 1930.)

Three young ladies were initiated into the Junior Study Club. They were: Miss Emma Ruth Jones, Miss Doris Williams, and Miss Freddie Horn.

The 1930 Football Schedule is:

October 24—Hale Center
 October 31—Levelland
 November 11—Tahoka
 November 14—Brownfield
 November 21—Post
 November 27—Ralls

Friends of Miss Naomi Whittaker surprised her with a birthday party.

Highlights and Sidelights From Your State Capitol

By VERN SAUFORD
Texas Press Association

AUSTIN—Texas public schools will get state aid this year whether integrated or segregated.

Right of both to state aid was upheld last week by the Texas Supreme Court. It says the U. S. Supreme Court decision overruling Texas school segregation laws but does not force immediate integration.

Apparently the court action removed need for a special session of the legislature.

Litigation originated in Big Spring. Suit was brought by the Texas Citizens Council in district court to prevent payment of state funds to mixed schools. High court judges, in effect, upheld District Judge Charles N. Sullivan's ruling that portions of state law requiring segregation are unconstitutional.

Gov. Allan Shivers was quick to point out that neither the state nor U. S. courts set a deadline for desegregation, but both leave it to local school authorities.

Atty. Gen. John Ben Shepperd, who had sided with the Citizens Council, merely said the decision "settles the law in Texas on a state wide basis." He added that timing will be a "district-by-district matter."

HOSPITALS MOVE FORWARD

A priority list has been set up to use the remaining \$10 million in the state hospital building program fund during the next two years.

On the day a new medical and surgical building was dedicated at the Austin State Hospital, the State Board for Hospitals and Special Schools, decided on this order for new projects, by cities: Mexia, Wichita Falls, Austin, San Antonio and Abilene.

Two others, one in Austin, one in Harlingen, are under construction now.

Governor Shivers spoke at the dedication of the \$1,312,000 medical-surgical hospital in Austin.

NARCOTICS HEARINGS UNDER WAY

Texas has been labeled a "national gateway" for illegal narcotics trade from Mexico.

Witnesses so testified before U. S. Sen. Price Daniel's subcommittee in Austin.

Department of Public Safety Director Homer Garrison charged that Mexican authorities are not cooperating with Texas officers in trying to halt the flow of dope across the border. Garrison and W. E. Naylor, chief narcotics agent of the department, testified that 90 per cent of the heroin and 98 per cent of the marijuana reaching Texas or flowing through Texas, came from Mexico.

Daniel invited the Mexican secretary of state and the Mexican representative on the narcotics committee of the United Nations to attend hearings. They did not show up at Austin, however.

From Austin, hearings went to

San Antonio, Houston, Dallas and Fort Worth.

JUDGE CRITICIZED, SUPPORTED

Judge Lloyd Davidson of the Court of Criminal Appeals has been the target for both verbal brickbats and bouquets.

Davidson, a new judge, tipped the scales in the court's two-to-one decision nullifying 104 Duval County indictments on grounds the grand jury was illegally constituted.

Atty. Gen. John Ben Shepperd and Duval County District Atty. Sam Barrios were sharply critical of the court's opinion. They announced plans to file a motion for rehearing and said they were considering a motion to disqualify Davidson. He had "expressed himself" on the cases before they came before him as a judge, they contended.

Meanwhile Hunt and Hopkins County Bar Associations sent telegrams affirming their faith in the integrity of Davidson and the court. Hunt lawyers expressed regret that "politicians have seen fit to abuse Judge Davidson."

TEXAS FARM INCOME DOWN

Texas farm income for the first eight months of the year dropped six percent below 1954.

Decreases in prices of 10 of the 19 major farm commodities account for the slump, said the University of Texas Bureau of Business Research.

Reported down were cotton, cottonseed, wheat, oats, flax, rice, calves, hogs, wool and poultry. Corn prices remained about the same. Increases were noted for grain sorghums, peanuts, cattle, sheep and lambs, mohair, eggs, milk and fruits and vegetables.

Though cotton prices are down, prospective production is up. U. S. Department of Agriculture forecasts put the 1955 Texas crop at four million bales, 150,000 bales more than was expected a month ago. This would be two per cent more than in 1954, 18 per cent above average.

RAMSEY CHOICE EXPLAINED

Lt. Gov. Ben Ramsey was chosen national Democratic Committeeman, at the suggestion of U. S. Sen. Lyndon B. Johnson, the Senator explained.

The suggestion was made to Gov. Shivers, when the latter paid

a visit to the Senator's ranch home where he is recuperating from a heart attack.

Johnson explained that when Shivers returned to Austin, he mentioned the discussion to Ramsey. The Lieutenant Governor then called Johnson to talk over the matter. Ramsey said he wasn't asking for the job, but would take it if it would help solve a difficult situation.

Further discussion between Johnson and House Speaker Sam Rayburn resulted in the choice which surprised many Texans.

SHORT SNORTS—Land Commissioner J. Earl Rudder, chairman of the Veterans Land Board, announced the board will reimburse to World War II veterans on Nov. 1. The board will have

about \$6 million available to service loans to an additional 1,000 veterans. . . . Ralph Wolf, former Waco mayor, was named executive director of the State Building Commission, and steps have started for construction of two \$3 million state buildings in Austin. . . . Texas has dropped from 12th to 17th in national traffic safety ratings by states, according to the Texas Safety Association. . . . Texans entering the armed forces during September totaled 4,698 and 4,249 were separated.

If all the iron ore, coal and limestone consumed by the steel industry in one year were placed in railroad cars and coupled together, the vast train would be 38,288 miles long.

RECIPE OF THE WEEK
By Mary Lee Taylor
Cottage Dinner

No. 303 can cut green beans
1/4 cup finely cut onion
2 Tablespoons hot shortening
2 Tablespoons flour
1/2 teaspoon salt
Few grains pepper
1/2 cup fat
Evaporated Milk
No. 303 can small potatoes, drained
12-oz. can lunch meat

Grease a shallow baking dish holding about 5 cups. Drain beans, save liquid. Cook onion slowly about 3 minutes in shortening in a saucepan. Blend in flour, salt and pepper. Stir in 1/2 cup liquid off beans. Boil and stir 2 minutes. Stir in milk. Mix in drained beans and potatoes. Put into greased dish. Cut lunch meat into 8 slices and arrange on top. Bake on bottom rack of moderately hot oven (375) about 15 minutes, or until bubbly hot. Serve hot from the baking dish. Makes 4 servings.

Amherst - Farwell Football Game To Be Big Homecoming Attraction

By MRS. LESTER LA GRANGE

MRS. SPAIN IS HONORED Mrs. A. M. Spain, grandmother of Mrs. C. D. Stafford, celebrate her ninety-sixth birthday, Oct. 11, at the Stafford home northwest of town.

The Extension department of the Baptist Sunday school and Rev. John Rankin went to the Stafford home with gifts, and a program for Mrs. Spain. They were Mesdames John Rankin, R. H. Briley, T. H. Pennington, Harris Brantley, Floyd Rowel, W. L. Key, U. E. Thompson, Loyd Edwards, and A. A. Tomes.

Mesdames Jim Bradley, Alice Mote and Pete Vaughn sent gifts.

KELLYS ARE HOSTS

Coach and Mrs. LaMer Kelly entertained with a barbecue supper on their back lawn Monday night honoring the football squad. Barbecued hamburgers, beans, potato chips, pickles, onions, pop and coffee were served.

The later attended the show at the Lamb theater, a courtesy of the management.

More than 30 attended, which included Coach Wayne Tripp, Supt Osborne and Dr. and Mrs. John Kantor.

LOTTIE MOON CIRCLE MEETS

The Lottie Moon circle of the Baptist WMU met at the church Monday afternoon for Bible study on the Lord's Supper.

Mrs. C. D. Stafford, chairman, presided. Other officers are Mrs. E. L. Schovajsa, mission chairman; Mrs. T. H. Pennington, stewardship; Mrs. John Rankin, program; Mrs. Harris Brantley, social; Mrs. W. L. Key, Bible study chairman.

Others attending were Mesdames Loyd Edwards, R. H. Briley, U. E. Thompson, J. C. Autry, Alice Mote, and A. A. Tomes.

GIRL SCOUTS ELECT OFFICERS

The Girl Scouts elected officers at their meeting Oct. 10. Carol Ann Pennington, president

vice president, Leslie Nuttall secretary, Oma Fay Bass; treasurer, Sandra Lightner.

Others attending were Linda Dunn, Lupaz Rosemary, Linda Williams.

The Scouts meet each Monday afternoon following school in the apartment of Miss Eleanor Dudzison, who is their leader.

WCS MEETS MONDAY

The Women's Society of Christian Service of the Methodist church met at the church Monday, Oct. 10th at 2:30 pm in a regular meeting.

"Peace, Be Still," was the opening hymn by the group.

Mrs. Oby Blanchard, Christian Social Relations chairman, began the study "To Combine Our Efforts for Lasting Peace." She read from Psalm 42. The meeting was dismissed with prayer led by Mrs. Virgil Hinds.

There were 18 members present and two visitors, Mrs. Effie Veach and Mrs. John Holder.

Mrs. Isabel Wagner was called to Canyon Sunday, due to the death of her brother, Jay Pritchard. He had been in ill health some time.

Mrs. Harvey Grigsby, Mrs. Emma Couson, Mrs. Harvey Grigsby Jr., and baby, visited Mrs. Ferrol Pickrell in Fieldton. She is convalescing from surgery at the South Plains hospital.

Eugene Priddy and sons, Paul and Jimmy, visited the boys' grand parents, Mr. and Mrs. Jim Ellis in Lovington, N. M., Sunday. Their grandfather gave the boys a pig to be used in their 4-H work.

Mrs. J. S. Hawis left Wednesday for Riverside, Calif. She accompanied her daughter and husband from Lincoln, Neb.

Mrs. Lee Payne and her father, Mr. Fred Hood, arrived Wednesday

day from Long Beach, Calif.

Mr. and Mrs. M. M. Owen of Merkel spent the weekend with Mr. and Mrs. J. L. Crosby and other friends. They were pioneer residents of Amherst.

Mrs. J. L. Crosby and Mrs. W. H. Crosby, were among the hostesses for the shower given last week for Mrs. Leroy Sedgwick, the wife of the new minister of Amherst Church of Christ. It was given in Mrs. Winfred Crosby's home.

A group from Amherst WMU of the Baptist church attended a clinic at Littlefield First Baptist church from 10 until two o'clock Tuesday.

The West Plains Association and Hockley and Cochran counties had representatives present.

Those from Amherst attending were Mesdames John Rankin, C. D. Stafford, Eugene Priddy, A. A. Tomes, W. L. Key, C. A. Thomas, Randall Crawford, and Maurice Brantley.

Rev. John Rankin, Arthur Hedges and Homer Morris of Sudan attended a Ryoal Ambassadors and Brotherhood meeting Tuesday night at Plainview First Baptist church.

Mr. and Mrs. M. G. Pemberton of Seagraves, and Mr. and Mrs. Ray Goff of Oklahoma City, visited Mr. and Mrs. C. N. Stine early this week.

Mrs. Pemberton is Mrs. Stine's sister and Mrs. Goff is her niece. Monday night they had dinner with Truman Stine and family near Earth.

Tuesday and Wednesday they enjoyed a fishing trip to Lake Thomas, between Gall and Snyder.

Mrs. Evt Attaway spent Tuesday with her friends, Mr. and Mrs. H. W. Bulard at Edmondson. She accompanied Mr. and Mrs. L. A. Daniel, who attended to business

near there.

Mr. and Mrs. L. A. Daniel are visiting their daughter, Mrs. Roy McCrovy and family in Kilbuck. They left Thursday and visited their son, Charlie and family, in Stanton, enroute.

Mrs. Elton Wyatt will be hostess to Amherst Study club Monday night, Oct. 17, at 7:30 o'clock.

Mrs. Annie Dickey, 73, passed away at Muleshoe Hospital Thursday afternoon at two o'clock, following a lingering illness. She and her late husband were early-day residents of Amherst.

AMHERST HOMECOMING TO BE OCTOBER 21 AND 22

Amherst high school homecoming will be held Friday, October 21. Dinner will be served from five to seven o'clock in the school lunch room by seniors and their mothers. All exes of Amherst high school are urged to attend.

Farwell high school and Amherst will have a football game at 8 pm Football Queen and pep squad King will be crowned during the half-time activities. Their identity will be kept secret until that time.

SOPH CLASS HAS WEINER ROAST

7 Members of Amherst high school sophomore class enjoyed a weiner roast given in the garage of the Alfred Schroeder home, Monday night.

Room parents, Mr. and Mrs. Schroeder, Rev. and Mrs. Elton Wyatt, Mr. and Mrs. David Harmon, Mr. and Mrs. J. D. Bench, and Mr. and Mrs. W. P. Stone were hosts for the occasion.

Mr. and Mrs. J. C. Franks and class sponsors, Mr. and Mrs. Floyd Russell, attended and also 16 members of the class.

AMHERST HD MEETS

The Amherst Home Demonstration club met Oct. 7 in the home of Mrs. W. P. Davis.

Mrs. J. P. Brantley had charge of an interesting opening exercise. Officers were elected, Mrs. Maurice Brantley, president; Mrs. Bill Bradley, vice president; secretary-treasurer, Mrs. Ed Schovajsa; reporter, Mrs. J. P. Brantley; Council delegate, Mrs. W. P. Davis; alternated, Pat Davis. Mrs. Schovajsa will be hostess at the November 4 meeting.

Spade News:

Mary Martha Class To Adopt Orphan Girl

By MRS. JOE PRATER Tyson Nabors is a patient in the South Plains Hospital in Amherst.

MARY MARTHA CLASS HAS MEETING

The Mary Martha SS class held their first monthly meeting of the new year in the home of the teacher, Mrs. J. R. Inklebarger, Oct. 12 at 2 pm, with the president, Mrs. Joe Prater, in charge of business. Mrs. Prater brought the devotional from Malachi 3:10 and Luke 6:38. Mrs. Ray Ely was elected to be in charge of flowers and cards for the sick with Mrs. Arthur Turner assistant. Mrs. C. H. Park and Mrs. E. C. Glass were elected group captains. The group voted to adopt a pre-school aged girl from Beeville Orphans Home for the coming year.

Following the business meeting the group had recreation. Refreshments of pie and coffee were served to Mesdames Ted Hutchins, Ray Ely, Arthur Turner, Jess Emmons, Sam Tindal, C. H. Park, Ernest Savage, Roy Dodson, Joe Prater, and the hostess.

The next meeting will be Nov. 9 at 2 pm in the home of Mrs. Joe Prater.

Mr. and Mrs. Lynn Sharpe left October 4 for Syracuse, N. Y., where he will be stationed. They

visited his sister in Virginia while enroute to New York.

Mr. and Mrs. Arthur Turner visited relatives at Portales, N. M. last weekend.

Arvin Turner will complete his two years service in the Army and plans to return home about Oct. 22.

P.T.A. met Thursday afternoon due to the grade school girls basketball tournament, which began at 6 pm Thursday.

Rev. W. F. Smith and some of the men from the Baptist church attended a Brotherhood meeting in Plainview Tuesday night.

Mrs. C. H. Park is employed at the Haino elevator at Bainer.

Mr. and Mrs. W. E. Savage and Mr. and Mrs. Edward Mitchell and Patricia, visited Mrs. Glazener in the Methodist hospital in Lubbock last Sunday afternoon.

Mrs. Glazener is Frances' mother-in-law. She has been sick for several weeks.

Women of the Spade Methodist church are invited to attend the last session of study "Indian Americans" Oct. 17 at 2:00 pm.

The Osage tribe will have the devotion and question and answer

period. The Sycamore's will have a display of Indian Arts and Crafts and will dramatize "Ira Hayes, Our Accuser."

All members and especially officers of the WMU are urged to attend the West Plains Baptist Associational conference at Three Way October 21.

Plentiful Foods For November

The November plentiful foods list is heavy with Thanksgiving favorites. So much so, it is described as a shopping list for the traditional Thanksgiving dinner.

Heading the list of favorites for the holiday season is turkeys. Then, says Mae Belle Smith, extension specialist in consumer education, there is an abundant supply of rice for stuffing the turkey and plenty of cranberries, raisins, grapes and potatoes.

Other favorite foods include beef, broilers and fryers, milk and other dairy products and canned tuna. But taking the featured spot for the month are pork and winter pears.

Stocks of lard and vegetable fats continue to increase as hog marketings climb and new crops of soy-

beans and cottonseed meal. All in all, Miss Smith says, there should be no shortage of time food favorites of the season and shopping made easier.

First Church Of The Nazarene Plans New Building Program

The First Church of the Nazarene has in its long-range sights a new building planned. The church is growing and it has now outgrown its present facilities for Sunday school classes and other activities of the church.

The present property of the church, located at 913 Phelps avenue is for sale. The church plans to sell the present location and relocate their property of the church. The members of the church board hope to begin the building sometime within the next year.

Last Monday evening, Oct. 10, at the regular monthly church board meeting, a building committee was elected to settle on a specific plan for the building as well as other problems involved. The committee is composed of Jesse Renfro, Kenneth Lynn, and W. J. Ward.

The church is planning to have building fund day on November 13. The church is moving out and living up to the slogan recently adopted for the church: "A Growing Church in a Growing City." The invitation mat is always out for anyone who would like to have a part in this growing church by attending their services and enjoying the worship of God with this evangelistic church.

In Harney National Forest in the Black Hills of South Dakota, porcupines cause more damage to trees than do fires.

Michigan has 36,350 miles of streams about half of which are trout waters.

LINCOLN FOR 1956

Longest... Lowest... Most Powerful Lincoln of all time!

Here — pictured the way you see it as it sweeps majestically by — is the new one that's been turning so many heads. And no wonder.

Lincoln for 1956 — the longest, lowest, roomiest, most powerful Lincoln of all time — is far and away the newest car on the road.

It's a larger, more luxurious Lincoln — obviously. And from hooded headlights to jet-pod exhausts, the refreshing, clean-lined Lincoln look goes beautifully with this great new size. Inside, greater size means more room, and the leg-room, shoulder-room

and hat-room (all increased) comfortably belie the snug-to-the-ground lowness of Lincoln's new silhouette.

And that's just a starter. Match this new Lincoln against any other fine car — on luxury, on safety, and especially on performance — and you'll soon find out why we say this car is the finest in the fine car field.

Most important of all, this new Lincoln is never too proud to prove all we say. Come in any time and take a few turns behind the wheel.

The only completely new car in the fine car field

- ▶ New 285-hp Lincoln engine with more usable power than any other car ▶ New Lincoln Turbo-Drive — most versatile, most obedient of all automatic drives ▶ New firm, yet gentle ride and effortless handling ease ▶ New individualized interiors — 29 to choose from ▶ New safety all around you: Retracted steering column with Safety-Flex steering wheel . . . triple strength safety-plus door locks . . . optional safety belts . . . largest windshield area in any car.

Unmistakably . . . the finest in the fine car field

Don't miss the big television hit, "TOAST OF THE TOWN" with Ed Sullivan, Sunday evening, 6:00 to 7:00, Station KDUB-TV, Channel 13.

Anton News:

Anton Homecoming To Be October 21 And 22

By MRS. E. M. SHEPHERD
METHODISTS TO OBSERVE
 Layman's Day will be observed in the Anton Methodist church Sunday, October 16. Alvin Cross will be in charge of the morning service.
 Mr. Marshall Howard, a business man from Littlefield will bring the message.

BEAUTICIANS ATTEND COURSE IN LUBBOCK

Mrs. A. C. Lyles, Mrs. Mary Richards and Mrs. Bernice Reese are attending a post graduate school at Isabel's University of Beauty Culture in Lubbock each night this week.

ANTON PTA MEETS

The Anton PTA met Tuesday afternoon at four o'clock in the school cafeteria with a total of 44 persons in attendance.

The president, Mrs. Lon Howard, presided at the meeting.

Special music was presented by the 20 voice high school choir under the direction of Bill Brewer.

Mrs. Howard stated to the group that the PTA workshop would be held in Crosbyton on October 22, and that the State PTA convention will be held in Fort Worth in November. The speakers, James W. Cathey, and E. Williams, gave some very interesting thought on "Family Living" and "Believ-

ing the Home Lays the Basis for a Democratic Nation."

Refreshments of coffee and donuts were served by the sophomore and freshman classes. Mr. Brewer received the door prize, a set of steak knives, donated by the bank.

ANTON HOMECOMING TO BE OCTOBER 21 AND 22

The Anton Homecoming will be October 21-22.

Schedule for Friday will be registration from 2:30 pm in high school, Parade down town, 2:30 pm. Homecoming tea, 3:30 in the Home Ec Cottage. Pancake supper 5-8 pm in the cafeteria, sponsored by the Anton Lions club. Football game 8 pm, Anton vs. Gress.

General assembly and open house immediately following the football game, at the Lariat. The 1956 Study club and Orville Denson as hosts.

Saturday morning, breakfast 8:20 am at school cafeteria, by the Anton Study club.

Mr. and Mrs. G. C. Chandler are visiting in California.

METHODISTS HAVE TEACHER TRAINING

The Methodist church is having a teachers training program each Wednesday night, directed by

Charles Lutrick, educational director of the Methodist conference. The program will run through the next two Wednesday nig hts.

The WSCS of the Anton Methodist church met at the church Monday afternoon at 2:30 with Mrs. Jim Bridges in charge.

Mr. and Mrs. Charles Duncan of Lubbock visited in the M. M. McReynolds home Wednesday. Mrs. Duncan is a niece of Mrs. McReynolds.

Mr. and Mrs. Asney Cox spent the last weekend visiting Mr. Cox's sister and family at Tucumcari, N. M.

Mr. and Mrs. Theibert McReynolds visited relatives at Muleshoe Monday.

Mrs. R. B. Davis and children and Mrs. Thurman Davis and children spent the weekend visiting relatives at San Saba.

Mrs. C. A. Thomas visited her son, Claude and family, at Lubbock Thursday.

Mrs. Sam Aldridge and Mrs. Pete Lovelace of Farwell visited in the home of Mr. and Mrs. Tom Davis, Wednesday. Mrs. Aldridge is a daughter of the Davis'.

Mrs. Ashley Cox attended a reunion of her family at Big Spring Sunday.

Mr. and Mrs. Finis Collins and children of Lovington, N. M., visited Mrs. Collins parents, Mr. and Mrs. D. R. Williams, Tuesday afternoon.

Mrs. George Goen visited her

son and his brother, Clarence Jackson, Wednesday.
 Mrs. J. P. Jackson has returned from Fort Worth. She has been visiting her son, Jewel Jackson and family, who have a new baby boy.
 Mrs. W. L. Howard visited her mother at Post last week.
FFA MEETS MONDAY
 Anton Chapter of FFA held their regular monthly meeting Monday night. About 40 were present. Plans were made to purchase officer's station markers.
 Linda Rushing was elected chapter sweetheart.
 Refreshments were served at the close of the meeting.
 Mrs. Joe Ashburn of Bonner Ferry, Idaho, returned home after visiting Mr. and Mrs. Paul Easter.
 Easy tomato salad: cut the tomatoes in half and top each half with a mound of egg salad. Mash the eggs in making the salad so the mixture will make an easily managed topping. Serve the stuffed tomato halves on greens; pass French dressing or mayonnaise. A little minced or grated onion added to the egg salad will give it zip.
 Three American scientists and two Japanese have been awarded fellowships at the Weizmann Institute of Science in Israel during 1955-56.
 Mr. James Jackson of Smyer visited his mother, Mrs. J. A. Jackson, Texas; visited in the W. L. Howard home recently.
 Those attending the football game at El Paso last weekend from Anton were Mr. and Mrs. Harlan Black, Mr. and Mrs. W. L. Howard, Mr. and Mrs. Preston Lyda, and Mr. and Mrs. Glen Jones.
 Mr. James Jackson of Smyer visited his mother, Mrs. J. A. Jackson, Texas; visited in the W. L. Howard home recently.
 Those attending the football game at El Paso last weekend from Anton were Mr. and Mrs. Harlan Black, Mr. and Mrs. W. L. Howard, Mr. and Mrs. Preston Lyda, and Mr. and Mrs. Glen Jones.
 Mr. James Jackson of Smyer visited his mother, Mrs. J. A. Jackson, Texas; visited in the W. L. Howard home recently.

The Inner Gorge of the Colorado River in the Grand Canyon is cut through dark Pre-Cambrian rocks former one and a half billion years ago, says the Geographic Society.

"TRY THE SPIRITS"

By TOMMY WILLIAMS, Minister

It is said that a man who had three sons wanted to test their discretion. To do so, he gave to each an apple which had some rotten parts on it. One boy simply ate all his apple — the rotten and the good without discrimination. The second son, seeing the rotten spots, threw the whole apple away. The third son cut out the rotten part and ate what was good. He was considered wisest. He did not accept what was unfit, but neither did he throw away the good.

forth in the Bible. So however, quickly and without any investigation, "low down" nearly any that comes along. One seeing that some wrong are presented as real religion, have unwisely cast religion aside. They learn to test and discriminate. They learn to "test the evil and choose good."

The perfect standard testing is the Bible. What teaches is true. What is of harmony with it is true.

"Beloved, believe not every spirit, but try the whether they are of God." (1 John 4:1)

Church of Christ West Ninth Street Littlefield, Texas

Announcing the Fabulous '56 Pontiac

Introducing A BIG AND VITAL GENERAL MOTORS "AUTOMOTIVE FIRST!"

A new Strato-Flight Hydra-Matic—coupled with Pontiac's 227-H.P. Strato-Streak V-8—results in performance so new and dramatic it must be experienced to be believed!

With all that's newest in glamour—and all that's greatest in "go"—the fabulous '56 Pontiac, now on display, awaits your hands on the wheel.

And when you drive it, you will get the biggest thrill in all your motoring experience—because this car is really loaded!

The big and vital General Motors "First", which heads its long list of look-ahead features, couples the two most advanced high-performance developments in the industry:

1. An all-new, big-bore Strato-Streak V-8 engine that puts 227 blazing horse power at your toe-tip.

2. A completely new Strato-Flight Hydra-Matic* that delivers this terrific "go" with a smooth surge of power at any speed.

You now sweep from take-off to top performance with the ease of a sailplane. You slow down for traffic, speed up for passing, or gun for a high hill with the changing pressure of your toe on the accelerator the only sign of effort.

You may have had it smooth before—but never like this! It literally must be experienced to be believed.

That's plenty—but there's much more to make this a date to be long remembered.

There's smart, new beauty and luxury for America's most distinctive car. There's the safety of big brakes and road-hugging length... the security of a smooth new ride and sure-footed cornering.

There are many, many other things which mark this beauty as the glamorous pattern for tomorrow's cars. But come in and see for yourself. Take a long look at the six luxurious new Four-door and Two-door Catalina hardtops. Sample the results of its fabulous General Motors "First".

Sure as you enjoy thrilling action, here's your next car!

SEE AND DRIVE IT! ON DISPLAY TOMORROW

PLOW DOWN PHILLIPS 66 AGRICULTURAL AMMONIA NOW!

Get your crops off to a good start... plow down ammonia this fall.

Fall applied Phillips 66 Agricultural Ammonia helps your soil break down stalks, roots and other crop residues. It speeds up decomposition. It enriches the soil... improves structure and fertility. Your soils work easier in the spring. No trash to interfere with planting.

With several years experience to back them up, many successful farmers report higher yields from fall applied ammonia than from equivalent nitrogen applied in the spring.

Get the facts on fall plow down of Phillips 66 Agricultural Ammonia!

State Farm Bureau Convention Will Be Held In Ft. Worth November 7-29

Some 1,500 Farm Bureau members, including nearly 500 official voting delegates, will convene in Ft. Worth, Nov. 7-9 for the 22nd annual meeting of the Texas Farm Bureau.

Vital state and national issues affecting agriculture, such as water legislation, price supports, acreage controls, rural roads and taxes, are expected to come before the voting delegates. State policies to guide the state farm organization through 1956 and recommendations to the American Farm Bureau on national issues will be adopted by the delegates.

Three distinguished nationally-known speakers will address the convention. Senator Clinton P. Anderson of New Mexico, former Secretary of Agriculture and now chairman of the Joint Committee on Atomic Energy; and American Farm Bureau President Charles E. Shuman will speak at the afternoon session, Tuesday, Nov. 8. Senator Albert Gore of Tennessee, chairman of the Public Roads Subcommittee of the Senate Public Works Committee, will be banquet speaker that evening.

Other speakers include TFB President J. Walter Hammond, who will make his annual address on the morning of Nov. 8, and Melvin Mann of Dallas, Blue Cross-Blue Shield public relations director, who will conduct vesper services Sunday evening, Nov. 6.

Registration will begin at 3 pm Sunday, Nov. 6, in the lobby of the Hotel Texas. Vesper services will be at 7:30 that evening.

An open session on resolutions will be held the next morning, Nov. 7, and special conferences will be that afternoon. Conferences will be held on poultry, livestock, field crops, dairy, soil and water, rural health and Blue Cross, farm safety and rural education, labor, wheat, cotton, peanuts and rice.

Countries with outstanding accomplishments in organization work will be presented awards

and certificates during recognition ceremonies starting at 7:30 Monday evening. One of the main attractions of the meeting, the state finals of the Texas Farm Bureau queen contest, will be reeled off beginning at 8:30 pm. Queen candidates from all 13 Farm Bureau districts will compete for the coveted title of queen. "Farm Bureau Roundup" announcer, Goodson McKee of Waco, will act as master of ceremonies for the contest.

The convention proper will begin Tuesday morning at 9:30 with a welcoming address by Dr. F. E. Garrison, mayor of Fort Worth. J. H. West of Bishop, TFB secretary-treasurer, will give his annual report; and TFB President J. Walter Hammond of Tye will make his annual address.

Senator Anderson's speech is scheduled for 1:30 that afternoon and the address by AFBF President Shuman will follow. District caucuses for the purpose of nominating directors for the ensuing two years will be held at 4 pm. Voting on these nominations will be at the final session Wednesday.

The annual banquet Tuesday evening will feature an address by Senator Gore of Tennessee. President Hammond will act as master of ceremonies.

The final and most important day of the entire convention will be Wednesday. After a report of the credentials committee at 9:15

am., delegates will be seated. Voting on tentative resolutions will begin immediately following a reading of resolutions.

Balloting will be restricted to official voting delegates sent in by counties. Number of delegates from each county is determined by numerical strength of membership in county. Resolutions adopted which pertain to state matters will become official policy for the TFB during 1956, or until rescinded. Adopted resolutions dealing with national issues become recommendations to the American Farm Bureau convention which will be held in December in Chicago.

The convention will be adjourned when all voting is finished.

"She was raised on condensed milk."
