CAPTAIN AND QUARTERBACK Bobby Carlisle of Bula's Bulldogs takes the snap from center to start a play during a Bulldog drill. The Bulldogs, like other area and South Plains teams, started workouts Monday. (STAFF PHOTO)

Bula Bulldogs To Undergo Strong Rebuilding Plan

By ALEX DUGGAN

Coach Melvin Howard, beginning his second year of coaching the always tough Bula Bulldogs commented, "We will be rebuilding since we lost five starters from last year's starting line-up. We have only three lettermen and only one start returning."

This year Bula will be competing with teams from Spade, Cotton Center, Three Way, and Nazareth in District 5-A six-man football. Bula has always been a top contender for the top spot in whatever district the Bulldogs were in. Last year they suffered defeats only at the hands of Spade, Southland, and Union while winning seven games.

Thirteen players reported to Coach Howard Monday for workouts which will continue up to Bula's opener with Pettit at Bula, Sept. 12.

Bobby Carlisle, 130-pound captain of the Bulldogs, will quarterback Bula's unbalanced-line-with flanker formation this year. Carlisle is a letterman from last year's team.

Norvel Roberts, the starter from the 1957 team will handle the tailback duties while Keith Fred, a transfer not eligible last year, will probably be Howard's starting halfback.

One hundred fifty-five pound Dornel Williams, a senior letterman, and his brother, David Wil-

likely starters on the line; Dornel at center and David at end. Flanking end might be 130-pound Larry Pollard.

For the most part the rest of Bula's squad is young and inexperienced. Coach Howard will be building them for action in '59.

The Bulldogs by position, probable starters in capital letters.

Ends: LARRY POLLARD, 130; DAVID WILLIAMS, 150; Donny McCall, 100;

Centers: DORNEL WILLIAMS, 155; Durwood Aaron, 110; James Clevenger 150.

Backs: Bobby Carlisle, 140; NORVEL ROBERTS, 150; KEITH FRED, 140; Jerry Cox, 105.

Bulldogs schedule for the 1958 season:

Sept. 12 Pettit at Bula.

Sept. 19 Three Way at Bula.

Sept. 28 Spade at Bula.

*Oct. 4 Nazareth at Nazareth.

Oct. 10 Cotton Center at Cotton Center.

Oct. 24 Three Way at Three Way.

Oct. 31 Spade at Spade.

*Nov. 8 Nazareth at Bula.

Nov. 14 Cotton Center at Bula.

*Saturday afternoon games.

Bushland, Tex., Man Reports—

"Made \$15 an acre grazing wheat—cut a 40-bu. crop"

Bill D. Wood, who farms 640 acres, says: "My records show the dollar profit in applying Phillips 66 Agricultural Ammonia pre-plant to wheat land. On my irrigated wheat, I paid for my seed and fertilizer and made \$15 net an acre grazing it, when I used Phillips 66 Ammonia. The next year, I cut a 40-bushel wheat crop."

Other successful Southwestern farmers use Phillips 66 ammonia to give them higher grain yields... and more profitable grazing. The 82% nitrogen in Phillips 66 Agricultural Ammonia gives young wheat a fast start, supplies plenty of lush, protein-rich forage that puts on more beef at less cost per pound.

Many of these farmers plow down Phillips 66 ammonia in the fall on maize land. They know that the 82% nitrogen helps decompose crop residue, to provide extra plant food and make the soil more productive. Remember, Phillips 66 ammonia gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

Mitchell Joins Hall Motor Co. Sales Staff

Horace T. (Mitch) Mitchell, a recent graduate of the Southern Methodist University law school, has been added to the sales staff of Hall Motor Co., Mancel Hall, owner, announced this week.

Mitchell, 24, is Hall's son-in-law. He married the former Diane Hall, of Littlefield, also a graduate of SMU, after they met while attending school together.

Mr. and Mrs. Mitchell reside at 401 E 13th St.

He will take his state bar examination in October, which will complete his law work.

While attending SMU, Mitchell was chosen among the graduates of his class showing the most improvement during their college work.

Mitchell, an Air Force veteran, is the son of Mr. and Mrs. I. M. Mitchell of Goldthwaite. His father is a retired Methodist minister.

Mrs. Mitchell was graduated from Littlefield High School as valedictorian of the Class of 1952.

Qualifying Ends Friday In Local Golf Tournament

Qualifying for the Eighth Annual Littlefield Club Tournament will continue today and Friday, Professional Bob Hickson announced.

Hickson urges all members of the Country Club to post their scores in the club house for the big annual event by Friday.

Low qualifying score was shot by Alex Duggan, who recorded a 35-32-68 to cop medalist honors Sunday. Vernon Eagan with a 71 and Dr. Jack Still, 72, followed. Rhenard McCary, Lamb County champion, is also the defending champion of this tournament.

A covered dish dinner and Calcutta Pool are planned for Friday night after all scores are turned in. Matches will be played Saturday and Sunday with the finals in all flights Monday, Labor Day. Prizes will be awarded Monday.

Entry fee is \$5. Golfers unable to play Thursday or Friday may turn in scores based on handicaps.

Majorettes Are Chosen At Sudan

SUDAN—A drum majorette and four majorettes were named Monday at try-outs held on the football field.

Named to the position of drum majorette was Faye Scott. The daughter of Mr. and Mrs. Randall Scott, Faye is a member of the Sophomore class and served as a majorette of the school band last year. Named as assistant drum majorette was Earlene Parrott. The daughter of Mrs. Chris Parmer, Earlene will be a Freshman this year.

Winning the title as head twirler of the four majorettes selected was Betsy Walden, daughter of Mr. and Mrs. Guy Walden. Betsy is a member of the Freshman class. Others selected as majorettes were Earlene Parrott, Kay Gentry, and Carol Ann Watkins. Kay, a junior, is the daughter of Mr. and Mrs. Albert Gentry. A member of the eighth grade class, Carol Ann is the daughter of Mr. and Mrs. Doyle Watkins.

Arlene Humphreys was named alternate majorette. Also participating in the contest was Judy Campbell.

THE AMHERST BULLDOGS have bright prospects for the 1958 football season. Here are ten of the main reasons that these prospects are so bright, the lettermen from the 1957 team. Front row, left to right, are Keith Blair, Jerry Gee, Steven Butler, Phil McMillan, and Gaylen Long. Back row: Paul Puddy, Mike Adams, Jerry Wright, Joe Willard and Jerry McCarty. (STAFF PHOTO)

Amherst With New Coach Set For 1958 Campaign

Head coach Neal Chastain, who has just recently taken over the reins of the Amherst Bulldogs is skeptical about the Bulldog chances this year.

In Chastain's words, "We have prospects for a good team but you never can tell."

Chastain was greeted in this, his first year, by 10 returning lettermen. Two more, away working, are expected to join the Bulldog camp before the season starts. Every position except right halfback is filled with an experienced upperclassman.

The Bulldogs will run from a straight T formation with a balanced line.

Chastain also pointed out the schedule of the Bulldogs which includes Post and Friona from Class AA and Anton, Sudan, and Springlake from Class A. Amherst is in District 3B.

The backfield for the Bulldogs, who won three games last year while losing six and tying one,

will be bolstered by 190-pound fullback Jerry Wright, and operated by little 145-pound quarterback Keith Blair. Senior letterman Jerry Gee will fill one halfback position and the backfield will probably be rounded out with Ronnie Schroeder, a freshman, who showed great promise on the junior high team last year.

Gaylen Long and Mike Adams were named by Chastain as possible starting ends with Myron Mullins and Earl Ewing, another freshman, backing them up.

One-hundred-eighty pound Joe Willard, a junior letterman, is a likely starter at left tackle, with Steven Butler running a similar position on the right side of the line.

Paul Puddy and Willard Simmons are working out in the guard positions, but Chastain mentioned that Leonard Tollett and Raymond Kilton, both guards, are working and will be expected to return before Am-

herst's opener with Anton Sept. 5.

A battle for the center position will be staged between Jerry McCarty, 160-pound sophomore, and Phil McMillan. Both boys have earned one varsity letter.

The entire Bulldog roster is listed below. Weight, class and experience are shown at the side.

Ends: Mike Adams, 155, senior, one letter; Gaylen Long, 160, sen-

ior, one letter; Earl freshman, Junior Mullins, 140, senior. Tackles: Joe Willard, one letter; Steven senior, one letter; Jim Nix, 175, junior; Jim Friddy, 130, junior; High.

Guards: Paul Puddy, one letter; Willard, 140, junior B team; Phil McMillan, 130, freshman; Leonard Tollett, one letter; Raymond Kilton, 140, junior, one letter.

Centers: Jerry McCarty, sophomore, one letter; Phil McMillan, 175, senior.

Quarterbacks: Keith Blair, 120, freshman, Junior McCarty, 130, freshman; Ronnie Coleman, 120, B team; James B. freshman, Junior B.

Fullbacks: Jerry Wright, senior, two letters; Ronnie Schroeder, B.

Coaches: Neal Chastain, Raymond Duvall.

The Amherst schedule in parenthesis: Sept. 5 Anton at Bula, Sept. 12 Friona at Bula, Sept. 19 Sudan at Bula, Sept. 26 Bovina at Bula, Oct. 3 Post at Bula, Oct. 10 Springlake at Bula, (6-26)

Oct. 17 Meadow Lake at Bula, (no game)

Oct. 21 Ropesville at Bula, (no game)

Nov. 7 Whitham at Bula, (14-13)

Nov. 14 Whiteface at Bula, (7-47)

*Denotes Conference game.

Garrison Makes Personal Appeal For Safe Labor Day

Mr. Garrison, Jr., director of the Texas Department of Transportation, made a personal appeal to motorists today to join an all-out attack on Labor Day a traffic-free day.

He said that one fatality will occur in Texas every two-and-a-half hours; a traffic accident will occur every two-and-a-half minutes. This will be the rate of our accidents and fatalities if records of past holidays hold true.

Earlier the Texas Department of Public Safety had predicted that 29 persons would become motorcyclists during the three-day Labor Day holiday extending from 12:01 a.m. August 30 through 11:59 p.m. Sept. 1. The state police organization has planned an extensive traffic law enforcement program for the holiday weekend, altering all available patrolmen for an around-the-clock vigil.

The Texas DPS has labeled its program "Operation Motorcade" and will run its usual count of traffic fatalities.

Operation Motorcade will be

belstered by a "Deathless Days" campaign conducted by the Texas Association of Broadcasters, "Crusade Child Safety" during September conducted by the Dairy Institute of Texas and special safety programs conducted by Kiwanis clubs throughout the state.

Garrison said that safe driving is a primary responsibility of every driver. In emphasizing the point, he said that if you are a driver, he is talking to you.

"Traffic accidents are generally regarded as happening to the other motorists; a person never considers that he may become the victim. But that time does come the instant before the impact of the tragedy."

His advice was to drive at speeds which you know are safe and to avoid situations that place you in conflict with pedestrians and other vehicles.

Reid Talks Feature Second Annual Meeting

A man who played a major role in securing new farm programs for cotton in 1959, and one of America's best-known agricultural concerns will head the program for the Plains Growers, Inc. second annual meeting, scheduled Friday.

Mr. Reid, who has a considerable credit, as do all members of the committee, in seeing that the provision for recognition of split grades in the government loan was a part of the recently passed farm bill. Congressman Poage saw to it that this provision was placed in the House Farm Bill and that it remained there throughout the long negotiations leading to its passage.

President Reid, a native of Milledgeville, Georgia, is presently a resident of Scarsdale, New York. Prior to joining Riegel in 1939, he had 12 years experience as manager of the Dyeing and Finishing Plant at Trion, Georgia, and was later promoted to Assistant General Manager - Trion Division, Assistant General Sales Manager, Vice President and General Sales Manager, Executive Vice President and President.

He also is a Director of the Association of Cotton Textile Merchants of New York, a member of the Foreign Competition Committee of Southern Garment Manufacturers Association, Inc., and Chairman of the Committee on Market Development and Expansion, American Cotton Manufacturers Institute, Inc.

The PCG's meeting is scheduled Friday, and on Saturday the Plains Ginners Association will hold its annual meeting here. Ginners are being urged to attend both meetings.

Fortenberry reminded farmers and businessmen "that the auditorium is air conditioned, there is plenty of free parking space, and a good lunch awaits you at our annual meeting."

Funeral Services Held In Spur For Mrs. Hyatt, 84

Funeral services for Mrs. Betty Hyatt, mother of Mrs. Newt Harkey of Littlefield, were held at 10 a.m. Monday in the First Christian Church in Spur, Tex.

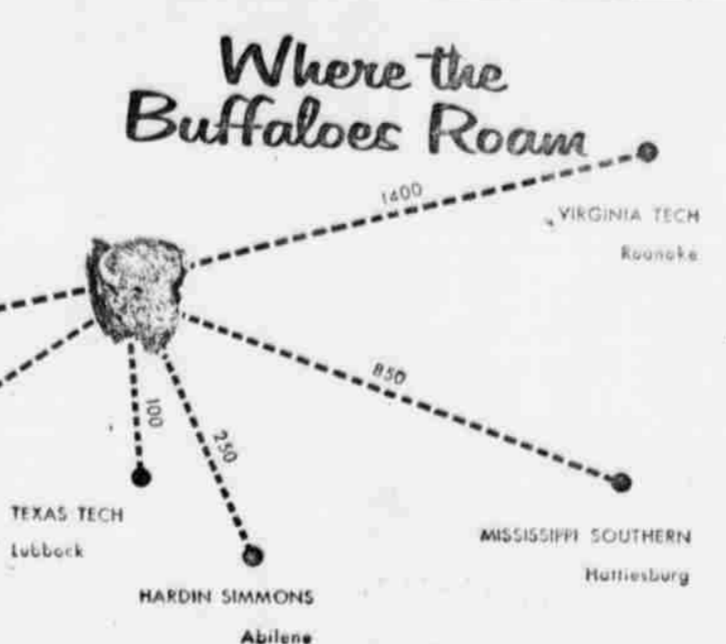

Rev. John L. Floyd, pastor, officiated. Burial was in the Spur Cemetery under the direction of Campbell Funeral Home.

Mrs. Hyatt, 84, died at her home in Spur Saturday at 6:40 a.m. She was a pioneer resident of Dickens county.

Other survivors include a son, Horace of Spur; a brother, W. W. Garner of Spur; four sisters, Mrs. Luther Jones, Morton; Mrs. J. B. Morrison, Spur; Mrs. Jay Collett, Dallas; Mrs. Ella Garner, Lubbock; 10 grandchildren; nine great-grandchildren and four great-great-grandchildren.

FLYING BUFFALOES—West Texas State's football team will be one of the most-travelled squads in the nation this fall, playing in the Far East, Deep South, and Far West. The Buffs' six road excursions will cover a total of 7800 miles (round trip). Longest journey will be to Roanoke, Va., 1400 miles away, where the Buffaloes open the season against Virginia Tech.

Tech Opens Grid Workouts Monday; 62 Men Expected

LUBBOCK—Texas Tech's fall football workouts begin Monday, Sept. 1, with 62 candidates expected.

In the turnout will be 17 seniors, 13 juniors, and 32 sophomores. Freshmen will report two weeks later.

With 20 of last year's 28 lettermen reporting bolstered by two lettermen from previous years, prospects appear brighter than in 1957, when there were only nine returning lettermen on the squad. A tougher schedule, with five Southwest Conference opponents instead of the three played last year, looms, however.

Since so few of Tech's returning lettermen are linemen, fullback Gene Bentley of Panhandle, 240-pound senior, has been moved to right guard. In the backfield, quarterback Floyd Dellinger of LaVega has switched to halfback, and quarterback Glen Anderson of Munday to fullback.

Tech Grid Tickets Are On Sale

LUBBOCK — Individual game tickets to Texas Tech's 1958 football games as well as season tickets are currently on sale, according to Jimmie Wilson, business manager of athletics.

Game tickets are \$3.50 each, season tickets to four home games, \$14. Mail orders should be accompanied by a 25-cent fee. Tech this season has home games with West Texas State, Baylor, Arizona, and Arkansas. On the road the Red Raiders play Texas A&M, Texas, Texas Christian, Tulane, Tulsa, and Houston.

2 Littlefield Youths Arrested In Lubbock

Two Littlefield teenagers were picked up in Lubbock Sunday night by the city's juvenile officer on charges of carrying a blackjack. The two boys were released later that night after a warning.

Prison Rodeo Appearance Set For 4 Western Stars

HUNTSVILLE—There's always something new at the Texas Prison Rodeo and out-of-this-world presentation for the 27th Annual event will be the personal appearance of four of the nation's best-known western television stars.

H. H. Coffield, of Rockdale, chairman of the Texas Board of Corrections, announced that Richard Boone, star of "Have Gun - Will Travel"; Dale Robertson of "Tales of Wells Fargo"; Ward Bond, of "Wagon Train"; and Robert Culp, star of "Trackdown" will make personal benefit appearances on successive Sundays in the prison's million-dollar stadium in Huntsville.

Primarily, these TV personalities were engaged to boost ticket sales for this unusual entertainment feature, which in turn will swell the prisoners' Welfare Fund to aid 10,500 inmates of the Texas Department of Corrections.

During the year 1957, Texas law enforcement officers investigated 261,083 traffic accidents.

"It is our opinion," declared Chairman Coffield, "that the addition of these top-flight stars to the Prison Rodeo will serve a dual purpose.

"First of all, thousands of rodeo fans will be given an opportunity to meet these stars in person. Secondly, inmates attending the rodeo will get an added thrill of another entertainment facility, all of which amounts to the development of a well-rounded prisoner. The need for additional welfare funds was pointed out by Coffield which he said was due to the unusual growth of the Texas penal system.

Coffield also reminds citizens of Texas that since the Legislature does not appropriate funds for inmate welfare work, use of proceeds from the Annual Prison Rodeo is the only way inmates can receive a host of services not provided by the State.

Prison rodeo officials urge those who plan to attend any one of the four shows each Sunday in October to order reserved seats now. Tickets are \$2.40 and \$4.40 each and may be obtained by writing Prison Rodeo Ticket Office, Huntsville, Texas, enclosing check or money order.

JUDICIAL DISCOVERY
BOSTON—Municipal Court Chief Justice Elijah Ahlow discovered what "cuff list" is.
The occasion was the case of Charles DiFranco, who police said had in his possession \$238, 13 betting slips and a cuff list.
The judge fined him \$50 after it was explained the list was a roster of customers who operate strictly on credit.

About Your HEALTH

A weekly radio service features from the Texas State Department of Health. HENRY A. HOLLE, D. V. M., Commissioner of Health.

Producers of 95 per cent of all milk produced in Texas will be affected by the new brucellosis control regulations which become effective Sept. 1.

By that date, dairymen operating under Grade A permits must have adopted one of two carefully described plans of herd management, each aimed at eradicating brucellosis from dairy cattle.

Under both plans all broader cattle over six months of age must be blood tested. Plan A requires the slaughter of reactor animals within 15 days, but does not insist on calfhood vaccination as a protection against infection. Plan B permits vaccination of branded reactors for three years, and makes calfhood vaccination mandatory.

Both plans are recommended in the milk code published by the U. S. Public Health Service, and have been approved by the U. S. Department of Agriculture.

Responsibility for enforcement of the new anti-brucellosis regulations falls to the State Health Department's division of food and drugs. Division officials say the decision of most dairymen as to which plan they will follow will be based on herd sizes and the extent of infection in individual herds.

Brucellosis, otherwise known as Bang's disease, and as undulant fever in its human form, is a contagious disease of animals and man. In addition to cattle, brucellosis is a common affliction of goats, pigs, and horses.

When the disease attacks humans it causes lingering fever, weakness, and loss of resistance, and is occasionally fatal.

Usually it is passed to humans through unpasteurized milk from infected animals, or by handling infected animals without first taking proper sanitary precautions.

The extent of brucellosis infection in Texas is apparent in a May, 1958, report of the Animal Disease Eradication Division of the USDA. The report said that of 1,252 Texas herds (62,457 cattle) tested, 60.3 per cent were found infected or suspected.

Recent interviews with Central Texas dairymen reveal that most

producers agree that compliance with the regulations will make possible the ultimate eradication of milk-transmitted brucellosis.

Producers are also aware that brucellosis-free herds will mean greater profits for them. Cattle free of the disease produce up to 20 per cent more milk, and produce healthier calves more frequently.

In order for producers to maintain their Grade A permits, they must be operating under either plan by September 1, and be able to prove it. No extension of time is being contemplated by the department.

Postage Stamp To Commemorate Lincoln-Douglas

The United States postage stamp to be issued August 27 in commemoration of the centennial of the Lincoln-Douglas Debates is believed to be the first stamp ever issued in commemoration of a debate," said Dr. R. Gerald McMurry, Director of the Lincoln National Life Foundation, in commenting recently on the project.

The new stamp, which will be the first in a series of four stamps commemorating the sesquicentennial of the birth of Abraham Lincoln, reproduces an old print showing Lincoln addressing an outdoor crowd with Douglas standing behind him," continued Dr. McMurry. "The first day issue of the stamp on August 27 will be at Freeport, Ill., the site of the second and most important debate in the series of the seven Lincoln-Douglas Debates."

Dr. McMurry pointed out that as a result of the Freeport debate, Abraham Lincoln lost his race for the Senate in 1858 to Stephen A. Douglas, but the debate strengthened Lincoln's position for the presidential race in 1860.

During the debate Lincoln asked Douglas if a Territory had the right to exclude slavery, before becoming a state. Douglas was faced with a difficult decision. An affirmative answer would please
