### Services At Regular Hour Christmas Day

#### Special Events Are Planned For Week Before Christmas

With Christmas Day falling on Sunday, in this year, as it does but once in seven, it will in some cases make a change or interrupt some, otherwise, regularly scheduled Sunday services, but the majority of Littlefield churches have made decisions, and decided that the regular Sunday morning church services will be held Christmas Day morning at the regular hour, with special Christmas programs, tree parties and other special Christmas events to be held during the week preceding Christmas.

This procedure is not unanimous and it was not possible to contact all pastors in time for publication in this issue.

Pastor Beauchamp of the First Methodist church, stated that his congregation would have a special Christmas program on Sunday, December 18, one week ahead of Christmas.

Pastor McKemy, of First Presbyterian church, announced that his congregation would come together for their regular church service Christmas Sunday, at 11:00 a. m. instead of at 10:00 a. m., with school service omitted for the day, to give families more time to be together on Christmas Day.

Harold Collard, minister of the Littlefield Drive Church of Christ, announced that services will be held as usual at his church, and (Continued on Back Page)

## City To Pour Out Thanks To Fighting Wildcats

### Mrs. J. H. Angley Of Earth Dies

Mrs. J. H. Angley, 72, pioneer resident of Earth, passed away at Muleshoe hospital last Wednesday night at 8 o'clock, where she had been a patient for the past week. Funeral services were held Friday afternoon, at the home of a daughter, Mrs. Herman Haberer, at Earth, followed by graveside services at Earth cemetery. Rev. Blaine, pastor of the First Baptist church at Muleshoe, officiated and was assisted by the minister of the Church of Christ, also of Muleshoe. Survivors include the husband, and four sons: Elvie, of Morton; O. K., and Elbert, of Muleshoe; and Jarvia, of Earth. Three daughters, Mrs. Haberer of Earth and Mrs. Adolph Dieter and Mrs. Hap Bearden, both of Washington. The Angley family have been residents of Earth for more than 20 years, moving there from Olney where they made their home for a number of years.

Littlefield will pour out its thanks to the sturdy Wildcats, the coaching staff, the Littlefield High band, and all others immediately associated with football in this city. Business men are creating a fund to give financial recognition to the coaching staff; the band mothers are planning recognition for the High school band and Director Don Hays, and the Littlefield Jaycees are going to kick a big hole in their treasury to give the entire gang a big feed. The Jaycees may even have motion pictures made of the final game if the Wildcats go to the finals. Littlefield fully recognizes the great achievements of the Cats and wants the Cats to know that they enjoy a warm spot in the hearts of the entire citizenship.

### Janet Brooks Is D. E. Sweetheart

Miss Janet Brooks was elected sweetheart of the Demonstrative Education club of Littlefield High school last week by popular vote, and will be presented in a special coronation ceremony at the annual employer-employee dinner to be held in the spring.

Her photo will be entered in a contest at the State Distributive Education convention to be held at San Angelo, February 24-25.

The sweetheart is a daughter of Mr. and Mrs. G. E. Scifers, Hall avenue, and is a senior student in Littlefield High school. She is 16 years of age, and this is her first year to attend the local schools. She came here from Olney, Texas. Miss Brooks is receiving her demonstrative educational work at Perry Brothers Variety store.

## Beets, Vegetables May Compensate For Cut In Cotton

Plans are underway by the Littlefield Chamber of Commerce to promote the growing of vegetables and sugar beets in Lamb county. Inasmuch as the cotton acreage in the county will be cut down under the new government program, this new industry, it is believed by the local booster group, would be especially beneficial to the farmers of this area.

Go To Vegetable Areas  
Pat Mann, local C. of C. manager, stated Wednesday that he had been to Hereford, Muleshoe, Dimmitt, and points in New Mexico in an effort to interest experienced farmers in coming here, who would be in a position to educate local farmers in the growing of sugar beets and vegetables, and shippers, who would provide a market for same when grown.

Meeting To Be Held  
A meeting will be called by the Chamber of Commerce in the near future for the purpose of finding out if the farmers of this area would be interested in the sugar beet industry, and according to Mr. Mann, if they are interested, an effort will be made to bring the right people to Lamb county to assist the farmers in the project. As soon as a date has been set for this meeting, notice will be published in The Leader, and all farmers will be urged to attend the meeting and express their wishes in the matter.

### Christmas Holidays Begin December 21

Schools will turn out Wednesday, Dec. 21, for the annual Christmas holidays, for a period of ten days, resuming work on Monday, Jan. 2. Mid-term officially ends Jan. 13, and mid-term examinations are scheduled for two days during that week.

## Littlefield Dogs Have Their Day

### Irrigation Water Without Taxation Is Being Urged

We are making out last appeal to the people of this country to support our fight to keep our underground water rights. We, the people, have won the fight so far, but must not let down for one minute. This is a serious matter; think it over. If you have not paid your 1949 dues, please pay them. Gus Parish, president. Leslie Watson, secretary.

### School Organizations Go To Vernon In School Buses

School buses will be used in transporting football boys, band members and pep squad to Vernon for the football game, Friday, as usual. The bus for football boys is scheduled to leave the school campus at 7:30 o'clock, while the buses carrying the other two organizations will leave promptly at 7:00 o'clock.

## Locations Rumored For Three Wildcats In Area

Rumors of high prices being paid for royalties and plans for the early drilling of wildcats in this area, have been received by the Leader this past week. It is understood that the Texas, Humble, and Stanolan companies hold the majority of leases in this area, and that Texas and Humble are mentioned as possible early developers of this area.

Rumors are to the effect that three locations will be made in the near future, probably the early part of January. Reports are, a location will be made in the vicinity of Mrs. N. T. Dalton's farm north of town; another in the area of the former location of Cundiff's Dairy, and the third one-half mile south of the airport.

### Death Claims Father Of Mrs. Beckner

Mrs. Sue Mae Beckner attended funeral services at Estacado, Tuesday, for her father, A. J. Bryant, 69, who passed away at noon Sunday at his home near Lorenzo, following an extended illness. Last rites were conducted from the First Baptist church with Rev. P. D. Fullingim of Southland officiating. Burial was in Estacado cemetery.

Deceased had been a resident of the South Plains since 1886, when he moved to Crosby county from Fannin county. He later moved to Lubbock county. He was a retired farmer.

Survivors include the wife; five sons, Olin of Floydada, J. N. of Hobbs, N. M., U. L. of Petersburg, Robert D. of Camp Gordon, Ga., and Matador; and two daughters, Mrs. Beckner of Littlefield, and Mrs. Neally Becton of Petersburg.

### Last Rites Held For Kirk Chester

Kirk Chester, jr., 20, son of K. P. Chester of Plainview, and a former resident of Fieldton and Hart Camp, passed away at a local hospital at 8:30 o'clock Thursday night, following an extended illness.

Chester was in and out of hospitals for the past two years. He was admitted to the Payne-Shotwell hospital Monday of last week.

Last Rites Saturday  
Funeral services were conducted Saturday afternoon at 2 o'clock at the First Baptist church, Plainview, with burial in the Plainview cemetery.

Former Fieldton Resident  
Chester was born and reared in Fieldton and Hart Camp, but had been making his home in Plainview for the past two years. He is survived by his father, a sister, Mrs. Clara Mae Tucker of North Carolina; and four brothers, D. N. and D. G. Chester of Plainview, and J. A. and A. D. Chester of Fieldton.

## HEARING ON CANADIAN RIVER DAM PROJECT TO BE HELD SOON

The seven-man federal legislative committee of the Panhandle Waters Users association, who is waging a strenuous battle for federal approval and financing of the Canadian river dam, has been advised to hold themselves in readiness to go to Washington in January, when a Senate hearing is expected to be held. Along with Congressman Glass, our own Congressman George Mahon, has been active in support of the bill.

Mayor Chesher of Littlefield is a member of this committee, of which Rex Baxter of the Amarillo Chamber of Commerce is president and will possibly make the trip to the capitol city, along with other members of the committee.

Information has been received by Mayor Chesher from E. V. Spence, Canadian river compact commissioner for Texas, that Governor Allan Shivers has received a letter from Gov. Thomas Mabry of New Mexico stating that he will immediately confer with the New Mexico Interstate Stream commission and will name a compact commissioner for New Mexico in the near future, according to an announcement made by A. A. Meredith of Borger, Tex. Congressman Eugene Worley of Texas succeeded in passing a bill during the first session of the 81st Congress authorizing and directing the governor of Texas to appoint an interstate compact commissioner on the South Canadian. Red and Sabine rivers.

At a recent meeting of the executive committee of Panhandle Water Users, a state legislative and water compact committee was appointed. The purpose of the committee is to work with the compact commissioners and representatives in the legislature in formulation and approval of the tri-state water compact on the South Canadian river.

### Jim Hodges Escapes Carbon Monoxide Death Trap In Hotel

Jim Hodges of Littlefield was among 14 men who narrowly escaped death by carbon monoxide poisoning in a rooming house at Albuquerque, N. M., Monday, near Sandia base, where atomic bombs are put together.

A little two-year-old cocker spaniel dog, Chris, is the hero in the incident, by awaking the owner of the rooming house about 3:30 a. m., by scratching at the mattress of the bed where the inn-keeper slept.

After that alarm, roomers sleeping on the top floor of the two-story house roused those in the basement, where police said the fumes were strongest.

Five persons were hospitalized, among them was Hodges.

#### MOVING TO MISSOURI

Mr. and Mrs. Jim Bell, who have resided on a farm near Sudan for the past three years, are moving to Greenfield, Missouri, today. They have bought a 179-acre farm and plan to make their home there. Before moving to Sudan the couple made their home at Earth.

### Rotary Club To Stage Christmas Party Dec. 22

Littlefield Rotary Club will have their annual Christmas party next Thursday, December 22, with W. D. T. Storey in charge of arrangements. Members are asked to bring a toy for a child, that will later be presented to the Salvation Army for needy children.

### To Speak At Rotary Meeting Here

State Senator Kilmer B. Corbin of Lamesa, Texas, will be guest speaker at the regular weekly luncheon meeting of the Littlefield Rotary Club to day, Thursday.

Senator Corbin will talk on the "Legislative need of West Texas." A good attendance is expected at the meeting.

### Recipe of the Week BY MARY LEE TAYLOR

**Easy Fruit Coffee Cake**  
Broadcast: December 17, 1949

1/4 cup Pet Milk  
1/4 cup boiling water  
1/2 cake yeast, crumbled  
2 teaspoons sugar  
1 1/2 cups biscuit mix

2 teaspoons soft butter  
1/2 cup seedless raisins cut fine  
3 tablespoons finely cut nuts  
3 tablespoons sugar  
1/4 teaspoon cinnamon

Mix milk and boiling water, then cool to lukewarm. Stir in yeast and 2 teasp. sugar. When yeast is dissolved, stir in biscuit mix. Turn out on lightly floured board. Knead 40 times. Roll into 10-in. square. Spread with butter. Sprinkle with mixture of rest of ingredients. Roll up; put into greased baking pan. Cut inch-deep gashes along both sides an inch apart. Cover with cloth wrung out of hot water. Let rise until doubled in bulk. Bake on center shelf of moderate oven (375° F.) about 25 min., or until brown. Makes 4 servings.

**Fire Damages Sewell Home**

Fire did considerable damage to the Loyd Sewell home, before it was discovered by Mr. Sewell, early Saturday morning. The fire department was called to the scene in time to save the structure from being completely burned to the ground, however, but damage running well over \$1000, was done.

The fire is believed to have started from wiring on an electric refrigerator. The contents of the kitchen was a complete loss, as well as the diningroom furniture, drapes, and rugs. The entire house was badly damaged by smoke.

The house is covered by insurance. However, there was no insurance on household furnishings.

**SUDAN HORNETS DEFEAT MORTON**

Coach Francis Smith's Sudan Hornets opened defense of their District 4-A basketball crown Tuesday night with a convincing 48-28 victory over Morton's Indians.

With Donald Lance hitting 14 points and Cal Foster getting 13, the Hornets went into a commanding lead early in the game and were never seriously threatened.

## A CHRISTMAS CAROUSEL OF SONGS TO BE GIVEN TONIGHT ON STEPS OF THE POSTOFFICE BUILDING AT 7 O'CLOCK

ANOTHER FIRST IN LITTLEFIELD will be the Christmas Carol of songs, which will be staged on the steps of the postoffice this evening, (Thursday), at 7:00 o'clock, under the leadership of Mrs. W. D. T. Storey, sponsored by the Woman's Club. Mrs. L. B. McClain is director of the music.

The program proves to be entertaining and unique, in that there will be more than 100 voices in the chorus, composed of students from the High school, Central school, and Primary school, and children from the Dunbar School system and the Mexican schools.

The background for the program will be a Christmas scene consisting of a large silver star, "Joseph" and "Mary", sitting beside the cradle where the little "Lord Jesus" is lying will complete the scene. Mrs. C. O. Stone will play the part of "Joseph", while Mrs. C. S. Duncan will be "Mary".

The generally public is cordially invited to attend this event.

### Christian Education Night Set By Lutheran Church

In a special meeting after the hour of worship last Sunday, Emmanuel Lutheran congregation voiced their wholehearted approval to the idea of a Christian Education night, dated January 6, 1950. Under the provision of the board of education the evening is planned primarily for the purpose of re-veiling the educational work of the congregation for the past 12 months and at the same time outlining the necessary steps to make the educational program more effective. Each organization within the congregation will be given some time to acquaint those present with their educational activities of the past year and with the plans for this phase of work for the new year. Combining business with pleasure the group will begin the evening's work with a supper provided by the women under the supervision of the Ladies' Aid. The board of education of Emmanuel Lutheran consists of W. T. Mauk, Martin Teinert, and Rufus Ogerly.

### Concert

(Continued from Page One)  
Hollywood, made numerous movies and if he didn't have his present career, would be an actor.

His hobbies are collecting books, unusual music and records, and looking up the authentic historical background of the music in his repertoire, and reading the biographies of the great men who were the inspirations of his career.

Mr. Lewenthal is a native Texan, and hails from San Antonio. He is not the outdoor type, though he likes to swim and hike. He hates going to concerts, much prefers listening to records—"People seem to get in the way of music at concerts, though I suppose it's cutting my own throat to say so."

He loves the opera, can't get enough of it, and is himself a devastating mimic. He likes to talk about his work, says: "I have no philosophy about life; I love my art, and have endless curiosity about it. All peoples and cultures interest me. I often enjoy playing new works, contemporary works, and forgotten compositions because I feel free and uninhibited by preconceived ideas about how they should be played."

Lewenthal is the first of three artists to be presented here during the 1949-50 concert season.

Admission is by membership card only. No single admission tickets will be sold at the door. Several members of concert associations in neighboring cities are expected to attend.

### HIGH SCHOOL PEP RALLY THURSDAY

A pep rally will be held at the high school auditorium this afternoon, Thursday, to which the public is invited. The pep squad girls, and the band will perform. Talks will be made by football boys, coaches and fans will be called on for brief talks. This rally precedes the Littlefield-Garland football game to be played at Vernon, Friday.

### FARWELL FIVE JOWNS DIMMITT

Dimmitt's Bobcats and Farwell's Steers Tuesday night divided a basketball doubleheader, with the Dimmitt girls taking a 50-33 decision and the Farwell boys scoring a 38-32 victory.

A crowd of 200 fans saw the twin bill.

Coach J. W. Blain's Dimmitt girls took an early lead and were never headed. The halftime score was Dimmitt 30, Farwell 19. Odum and Tate led the Bobcats scoring with 30 and 18 points, respectively, while Betty Foster paced Coach Jack Williams' Farwell sextet with 17 tallies.

In the boys game, Dimmitt overcame an early Farwell lead to deadlock the count at 30-30 after three quarters, but Farwell bounced back to win going away. Bobby Poteet's 20 points topped the Steer scoring, with Don Ford turning in an outstanding defensive game. Jim Jowell hit 16 points and Lloyd Leasure played a top defensive game for the losers.

Sixteen teams will participate in boys and girls cage tournaments which began at Farwell Thursday afternoon, Dec. 8. Entered in the girls division are teams from Bovina, Texico, N. M., Friona, Muleshoe, Vega, Ranchvale, Farwell and Springlake. Boys entrants are the Sudan B and Farwell A and B squads, Springlake, Friona, Vega, Olton and Adrian.

### "BROWN 'N SERVE" ROLLS MAKE LOCAL PREMIER

"Brown 'n Serve" rolls, golden crusted and piping hot, will pop from home ovens all over town this week with introduction of a revolutionary new "Brown 'n Serve" roll baking process.

The development promises more oven-fresh rolls for many families than ever before. But at the same time, according to Mr. Phillips of

the City Bakery the new rolls will lighten the homemaker's mealtime tasks.

It's all because the new "Brown 'n Serve" rolls, as introduced here by The City Bakery, are white but fully formed rolls all ready for browning. The housewife merely places them in her home oven for seven minutes. They emerge delicately crusted and ready for the table.

The rolls mean a new high standard of eating for local families. Packed in convenient packages, "Brown 'n Serve" rolls will keep ready for quick baking for several

days on a pantry shelf, two weeks in a refrigerator, and for four months in a home freezer.

Mr. Phillips described the rolls as one of the greatest contributions to better living ever made by the baking industry.

For years laboratories at flour mills, bakeries, and other allied industries have been searching for such products. The problem was to develop a baking method for bakers that produced rolls to the point of full volume and rigidity without any semblance of crust color. Furthermore, the rolls had to have the same texture, flavor and aroma as

rolls baked by other methods. A method was discovered that met the necessary requirements and the rolls were named "Brown 'n Serve". Mr. Phillips reports that bakers who have tried "Brown 'n Serve" rolls are highly enthusiastic about them. So that he plans to add "Brown 'n Serve" to the regular products of the City Bakery as soon as possible. Other food items are ready for similar treatment.

## Linda Matthews Is Named One of 13 W. T. Campus Beauties

Miss Linda Matthews, student at West Texas State Teachers college, Canyon, was one of 13 students nominated for the school's beauty title. The contest is sponsored by the Le Mirage, school paper, and college yearbook staff. The run-off was held last Thursday to name the top six girls and six boys and the cutest couple. Results of the election have been kept secret and the nominees themselves do not know what the rankings are.

All contestants were presented at a college beauty ball, Tuesday night. However, only the top six boys and top six girls plus one couple will receive pages in the college annual, slated to come out in the spring.

Miss Matthews is the daughter of Mr. and Mrs. Tom L. Matthews, prominent pioneer family of this city. She is classified as a junior at the college, and is majoring in business administration. She is a member of the college band, and is popular on the campus. She is a graduate of Littlefield High school with the class of '47.

Don Patterson of Olton was among the 13 named to the run-off for the most handsome man.

## Vows Exchanged By Miss Laverne Qualls and Floyd Ray West Friday

MRS. AND MRS. FLOYD RAY WEST  
PHOTO BY JOHN NAIL STUDIO.

Miss Laverne Qualls, daughter of Mr. and Mrs. Marvin Qualls of Fieldton, became the bride of Floyd Ray West, son of Mr. and Mrs. E. P. West of Sudan, Friday evening at Fieldton.

The double ring candlelight ceremony was performed at the home of Mr. and Mrs. Vernon Qualls at Fieldton at 8 o'clock before an archway of yellow carnations, with tall candelabra at either side, with Rev. Wayne Perry, Baptist pastor of Sudan, officiating.

**Bride Wears Blue**  
The bride was attractive in a light blue wool tailored suit with wine accessories. She carried a white Bible topped with white roses, and tied with streamers of white satin ribbon.

**Cousin Attends Bride**  
Miss Henrietta Qualls, cousin of the bride, attended as bridesmaid. She wore a silver broached dress of satin, with black accessories, and a corsage of pink carnations.

**Audrey West Is Best Man**  
Audrey West, brother of the groom, attended his brother as best man.

Miss Patsy Adams of Fieldton played the wedding music, and was accompanied when Mrs. Eldon Hill sang, "I Love You Truly" and "Always".

Mr. Marvin Qualls, the bride's mother, wore a gray suit with black accessories, and a corsage of yellow roses, while the groom's mother, Mrs. E. P. West, wore a navy blue wool suit with black and white accessories, and a corsage of white carnations.

**Reception Is Held**  
A reception was held at the Vernon Qualls home following the ceremony.

**Faithful Workers**  
Faithful Workers' class of the First Baptist church, will hold their annual Christmas party at the home of the teacher, Mrs. Pat Boone, Westside Avenue, Monday night at 7:30 o'clock.

There will be an exchange of gifts from a Christmas tree. Mrs. Boone will tell a Christmas story, followed by group singing of Christmas carols.

Refreshments will be served from the dining room table, following the program.

**Methodist Church Christmas Party Monday Night**  
The annual family Christmas tree and entertainment of the Methodist church will be held on Monday night, Dec. 19, at the church auditorium, at 7 o'clock.

An interesting program has been arranged, under the direction of Mrs. Roy Wade, and will feature children in costumes, representing peoples of other countries at the Christmas time. Miss Georgia Lou Smith will be narrator. The story of the "Littlest Angel" will be told in child fashion by a child. The children will sing special Christmas songs.

The most important feature of the entertainment will of course be the arrival of Santa Claus, who will bring treats for all children present.

All families are urged to come, and are asked to bring a gift of something to make white Christmas baskets for the needy.

## Miss Jeri Robason Honored At Lovely Bridal Shower

Miss Jeri Robason of Olton, affianced bride of Richard Henderson, was honored Friday afternoon, December 2, with a lovely bridal shower at the home of Mr. and Mrs. Witt Lacewell.

The reception rooms were tastefully decorated with autumn flowers and berries, the dining table being centered with an arrangement of yellow mums, flanked by tall white candle tapers, held in crystal holders. The table was laid with a beautiful cream colored lace cloth; the background for the table, a large window, with venetian blinds with lace draperies, and mahogany cabinets on each side.

Mrs. Curtis Coleman, sister of Mr. Henderson, presided at the punch bowl and Mrs. Earl Hysinger placed the cake. Mrs. Roy Granbery, in her very charming manner, gave reading, "The One I Love," and "The 23rd Psalm for Husbands."

A whispered game of "Guess How It Got Started," was played by the hilarious group of guests. The bride's book was given by Miss Dorothy Green and was presided over by Mrs. Jack Coleman.

The gifts to the bride-to-be, were presented by Miss Mary Nell LaDuke, a classmate of Jeri's. She was assisted by Miss Lera Beth Holt and the hostess. About 75 guests were present and a list of 132 gifts were received.

The hostesses for the occasion were, Mesdames: Witt Lacewell, Lindsay Dennis, Earl Hysinger, C. E. Bley, Jack Coleman, L. D. Smith, sr., R. A. Green, and C. M. Owen.

## WMU Of Baptist Church Holds Interesting Meeting On Monday

"Christ's Answer For the World" was theme of study at the regular meeting of the circle of the Woman's Missionary Union of the First Baptist church, when the group met in the dining room of the church, Monday afternoon.

Members of Ella Ruth Solesbee circle were in charge of the program, an dthose taking part were Mesdames Fred Lichte, Renfro, Joe

A wedding of unusual interest here, which was performed in Dallas Saturday afternoon, was that of Miss Wilda Courtney, and Louis Cole Wood, which took place at the home of the bride's sister, Mrs. H. W. Snowden, 5002 Swiss.

The bride is a former Littlefield girl, and is the daughter of Mr. and Mrs. E. G. Courtney, 7010 Coronado, Dallas, and is also a sister of Mrs. Roy Wade of this city. She is now employed by the Ohio Oil company, with headquarters in Shreveport, La.

The ceremony was performed by Rev. Robert Goodrich, and music was presented by Miss Genevieve Mason and Mrs. Dave Hicks of Dallas, also formerly of Littlefield.

**Wears Gown of Ivory Lace**  
Given in marriage by her father the bride wore a gown of Ivory Chantilly lace, fashioned with an illusion yoke, which had a lace bertha accented with a floral motif of iridescent sequins. The bodice was fitted, as were the long sleeves. The skirt was ballerina length.

The bride's waist-length veil of ivory silk illusion fell from a tiara of pearlized orange blossoms. Her jewelry was a strand of pearls, and she carried a white Bible topped with stephanotis and a white orchid.

**Miss Snowden Maid of Honor**  
The bride's niece, Miss Jackie Snowden, was maid of honor, and Richard Earl Powers of Longview was best man.

A reception was held after the ceremony.

**On Trip To Coast**  
The newlyweds left for a wedding trip to the coast, planning later to be at home in Shreveport. For traveling the bride chose a navy-blue gabardine suit with matching accessories. Her corsage was a white orchid.

Mrs. Wood is a graduate of the Littlefield High school with the class of 1935. She spent her entire life in Lamb county, until after the completion of school. After graduation she went to Corpus Christi, where she took a secretarial course, and has been employed in that capacity since that time.

Bitner, and Solesbee, with Mrs. Homer Sewell rendering a vocal solo. "I Heard the Bells on Christmas Day".

Approximately 25 ladies attended the meeting.

that he will use as his topic for the morning service, "What Shall I Do With Jesus". There will be special Christmas music by the choir. "Righteousness" will be the topic for the evening service, at 7:00 o'clock. Incidentally, he announced that services are being broadcast over KVOW each Sunday evening. Several special Christmas Sunday school and church parties are being scheduled for next week, which includes a party for the young people of the church to be held at the home of Mrs. Chas. McCullough on Tuesday evening. A program has been arranged, and gift exchange from the Christmas tree. Bill Smith is leader of the group and he will attend the party, as will his wife, and the minister and his wife. Mrs. W. D. T. Storey entertained members of her class with a party, last Saturday. Mr. Collard announced that all collections made the last two Sundays in December will go in the building fund, as adequate money has come in the first two Sundays to care for other church expenses.

**PRESBYTERIAN CHURCH.**  
As stated in the above paragraphs, there will be only church services at the Presbyterian church at 10 o'clock, Christmas morning. There will be an all-church Christmas party to be held Wednesday night, December 21, at 7:30 o'clock with Christmas treats for all the children. A program will be presented by the young people with Mrs. Bruce Porcher and Mrs. O. P. Wilmon in charge. Each child is asked to bring a gift of a toy, or clothing, to be sent to the Presbyterian Children's Home in Chihuahua, New Mexico.

**ASSEMBLY OF GOD CHURCH.**  
Rev. H. M. Reeves, pastor of the Assembly of God church, said that he planned a special Christmas sermon, and will use as his subject, "Birth of Christ", at the regular morning services, at 11:00 o'clock. Sunday school will be held at 10:00 o'clock. Mrs. Turlis Walker is in charge of the program to be presented at the Christmas party to be held Wednesday night, December 21, at 7:30 o'clock, when two plays will be given. Gifts will be given to all who attend. On Christmas morning, members are asked to bring gifts, that will be given to needy families in Littlefield.

**SACRED HEART CHURCH.**  
A highlight of worship for members of the Catholic faith, will be the special Christmas Mass at midnight, Saturday night, December 24, conducted by the pastor, Rev. Ft. Higgins, which will be preceded by a half-hour of Christmas hymns by the choir and congregation. Services will be held on Christmas day at the regular 11 o'clock hour of worship. A Christmas party for the children is being planned during the Christmas week to be held at the home of Mrs. G. R. McKinney or Route One.

**MISSIONARY BAPTIST CHURCH.**  
Rev. Weldon B. Meers has announced that services will be as usual at his church Christmas day, and he will use as his subject, "The Meaning of Christmas", for his message at 11 o'clock, preceded by Sunday school at 10:00 o'clock. The evening services will be held at 7:00 o'clock, and the text will be taken from the 20th chapter of Revelations. The annual Christmas church party will be held at 7:30 o'clock, Wednesday evening, with the entire congregation to join in the fun. Probably one of the most unusual and unique features of the program—to be staged in any of the churches at this time, is the fact—that two local couples have set the date of December 21st for their wedding date—with the time at 7:30 o'clock, and they have chosen the Missionary Baptist church as the setting. The couples have requested that their names be related to the public—but members attending the Christmas party—will have the opportunity to witness a pretty wedding. They will also have the opportunity to hear Weldon W. Meers, son of the pastor, sing, "I Love You Truly" and he will be accompanied at the piano by his mother, Mrs. Weldon B. Meers. The Sunday school department will present the program, and there will be treats from the Christmas tree for all. The young people of the church have adopted two local children, a boy and a girl, who would not otherwise have a Christmas, and will provide a real Christmas for them. The latter group will also have a special party Thursday night and will have a gift exchange, and will then go Christmas caroling. They will be accompanied by the pastor and his wife.

**FIRST METHODIST CHURCH.**  
As previously stated, Rev. Frank Beauchamp has planned his special Christmas services for this Sunday, and will use as his subject, "Let Us Go Even Now to Bethlehem". Sunday evening, the young people will be in charge of the service, and will present a play, "The Empty Room", under the direction of Mr. and Mrs. Elvin Matthews. The cast is composed of Gene Blackwell, Patsy McClain, Betty Brotherton, Wayne Eritt, Betty Clement, Beanie Zahn, and Coy Orr with Miss Johnnie Merle Evans at the piano and Jackie Beckner reading the Scriptures.

The sorosis class will have their annual Christmas party tonight, Thursday, and the Friendship class party is scheduled for Friday night, December 16. Both parties will be held in the ladies' parlor of the church. Rev. Beauchamp announced that the entire week, preceding Christmas, has been designated as Christmas offering week, for the Methodist Children's Home at Waco. There is one offering taken each year for this home. Anyone who wishes to contribute may do so by handing or mailing an offering to the pastor.

**FIRST BAPTIST CHAPEL.**  
Rev. E. R. Ingram, pastor of the First Baptist chapel announced that there will be Christmas services on Sunday and that he planned to bring a special message, dealing with the birth of our Saviour. Sunday school will meet as usual at the 10 o'clock hour, with Training service at 6:30, followed by evening worship service at 7:30 o'clock. Next Wednesday night is date for the chapel Christmas party to be held at the church, for entire families. Santa Claus will be present, and will have treats for the children. There will be Christmas tree, and the primary and junior classes of the Sunday school will present a program. The pastor's wife is planning a party at her home Friday night at 7:30 for members of her Sunday school class, which includes the juniors of the department. Gifts will be exchanged, and refreshments will be served. Approximately 25 are expected to be present. Rev. Ingram announced Wednesday that it is expected that the six Sunday school rooms now under construction will be completed in time for the Christmas Day services.

**ST. MARTIN LUTHERAN.**  
Rev. Schulte announced that there will be services as usual on Christmas Day, with Sunday school at the ten o'clock hour, followed by worship services at 11 o'clock. Services will center around the Christmas theme. Christmas eve, at 7, the annual Christmas program will be held in the church auditorium. A program will be presented by the children, and there will be treats for all.

The Luther League made plans to hold a Christmas party on December 18 at the parsonage.

The Luther League will gather at the church the night of December 23, and will decorate the tree for Christmas and will prepare the treats. Following this gathering, the young people will go caroling.

**FIRST BAPTIST CHURCH.**  
Rev. Lee Hemphill, pastor of the First Baptist church, has announced that services will be as usual, Christmas Day, with lots of special Christmas music. He will use for his sermon topic at the morning services at 11:00 o'clock, "Incarnation of Christ". The sermon will be broadcast over station KVOW, as usual. The Baptist Training Union meeting will be held at 6:30, followed by evening worship services at 7:30. The sermon topic will center around the Christmas theme. The "all-church" Christmas entertainment, given annually, will be held in the church auditorium on Wednesday night, Dec. 21. Santa Claus will be there with a treat for all the children present. Several special Christmas programs and social events of the Sunday school departments have been held or are scheduled for the coming week. The Gleaners class met with their teacher, Mrs. C. S. Duncan, Monday night. Mr. and Mrs. Ralph Nelson entertained with a turkey dinner at their home Tuesday night, for members of the Mary Frances Nichols Circle, and included the husbands of the members. Mrs. Pat Boone will be hostess to Faithful Workers' class Monday night. The Friendship class met with their teacher, Mrs. Lee Hemphill, last Thursday evening. Several other class parties will be held.

**FIRST CHURCH OF GOD.**  
Rev. T. N. Minix, Jr., is pastor of the First Church of God church and he is extending a special invitation to those who have no regular church home, to worship with his congregation on Christmas day. There will be a Christmas program sponsored by the Ladies Missionary society of the church to be held on Wednesday, December 21, at 7:15 p. m., at the church. A program consisting of special singing, a Christmas play and a Christmas tree. Instead of exchanging gifts members are urged to bring an offering for "Christ" in honor of his birthday. The pastor announced that "The Christian Brotherhood" hour is being presented each Wednesday afternoon over station KVOW. Services are scheduled as usual for Christmas day.

**EMMANUEL LUTHERAN.**  
"Christmas Blessings" is the theme which summarizes the message which the children will present on the evening of December 24, in the sanctuary of the church at 417 West Third street. Thirty-seven slides or pictures explained and described by the recitations of the children plus three Christmas carols against full color background, plus another carol on film strips, plus a brief opening and closing service, is an outline of the inspiring evening awaiting all who will be present at the church the night of December 24. Church services are scheduled as usual on Christmas Day.

## LAMB COUNTY LEADER

OFFICIAL NEWSPAPER OF LAMB COUNTY

SECTION TWO

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, DECEMBER 15, 1949.

NUMBER 39.

### Ident Victims Released From Payne-Shotwell Hospital Saturday

### CHAMBER OF COMMERCE TO HOLD HARVEST CARNIVAL DEC. 16

The Chamber of Commerce is sponsoring a harvest carnival which will be held Friday and Saturday, December 16 and 17, at the new school grounds. The carnival will feature a variety of booths, games, and entertainment. The Chamber of Commerce is also sponsoring a Christmas tree lighting ceremony on Friday night, December 16, at the school grounds. The tree will be decorated by the children of the community and will be lit by the Chamber of Commerce.

### LAST RITES HELD FOR INFANT SATURDAY

Eluterio E. Garcia, four-month-old infant son of Mr. and Mrs. Jose Garcia of Maple, passed away about 11 o'clock Friday night. Funeral services were conducted Saturday afternoon at 3 o'clock at the Payne-Shotwell hospital. The Payne Funeral Home of Amherst was in charge of burial.

### SATURDAY MORTON COTTON FIRE LOSS ESTIMATED AT \$43,000

A wind-whipped fire raced through a 3,000-bale cotton storage yard at the Morton Co-op gin Saturday afternoon, destroying about 260 bales of cotton and seven loaded trailers. More than 100 volunteer firefighters checked the spread of the flames shortly after 4 p. m., but crews from three gins late Saturday night were still working to extinguish piles of cotton in the 20-acre field three blocks north of the Morton business sections. Loss estimates on the fire, which was discovered at noon, ran as high as \$43,000. This figure included 250 bales of freshly ginned cotton, the trailers and about 10 bales of ungnined cotton in the trailers. Several more bales were damaged. Other estimates had less than 3,000 bales on the storage yard. The lowest estimate on the number of bales destroyed was 200 or more. The blaze apparently started from the burr pit, the top of which had been blown off by the strong wind. Twister Strikes The high wind which fanned the blaze was accompanied by a small twister which struck the chicken houses on the Lloyd Miller farm six miles south and one mile west of Morton. Out Buildings Damaged Miller, manager of the Slaughter Farmers project, said one henhouse was heavily damaged and other outbuildings hit. No other damage was reported in the area. When the fire was discovered at noon, it already had spread extensively through the storage yard located about a block northeast of the Co-op gin. Fanned by a south wind that shifted to the west at mid-afternoon, the fires spread rapidly and the loaded trailers were ignited. Merchants and others in Morton left their posts and hurried to help fight the blaze, which sent huge billows of smoke surging out over the area. Every available truck and tractor was sped to the scene to haul away cotton bales and trailers which had not become ignited. A fortunate circumstance was a heavy, brief downpour at 12:10 p. m., which was credited with helping to prevent cotton in other gins in the immediate vicinity from catching fire. J. T. Lilledahl, manager of the Co-op gin, was out of town when the fire began. He arrived in Morton (Continued on Back Page)

### Fourteen Polling Places Set Up Over The County

### 41.2 Of Every 160 Acres May Be Planted To Cotton

Lamb county farmers will go to the polls today, Thursday, Dec. 15, as part of a nation-wide cotton referendum to give their decision on the 1950 cotton acreage allotments and marketing quotas. The 1950 Lamb county allotment has been set at 188,709 acres by the Production and Marketing Administration. John W. McQuen, Lamb county administrative officer of the PMA, has announced 14 polling places set up in the cities and communities of the county. The elections will be arranged and supervised by a PMA referendum committee, McQuen said. McQuen explained in detail various phases of the 1950 allotments. He said a cotton acreage allotment will be established for each individual farm on which cotton was planted in 1946, 1947, and 1948. Under the set county-wide allotment figure 41.2 of every 160 acres of cultivated land in Lamb county can be planted to cotton in 1950, McQuen pointed out. No farm will receive an allotment less than the smaller of five acres or the highest acreage planted to cotton in 1946, 1947 or 1948.

### Attend Optometric Meeting Dec. 7

Dr. B. W. Armistead, Littlefield optometrist, attended a meeting of the board of directors of the South Plains Optometric Society which was held in Lubbock Wednesday evening, December 7. At the meeting, plans were made for the annual dinner dance which is to be held at the Hilton hotel in Lubbock the second or third week in January. Officers which have been newly elected will be installed at the dinner. Those attending the meeting were: Dr. Richard W. Ragsdale, Jr., of Slaton; Dr. Wayne Hardy of Levelland; Dr. Millard F. Swart, Dr. J. Davis Armistead and Dr. J. W. Kinard, all of Lubbock; and Dr. B. W. Armistead.

Farm allotments of more than five acres are established primarily on the basis of a uniform county (or administrative area) percentage of the adjusted cropland. "No farm, however, can receive an initial allotment based on the percentage factor which is in excess of the highest acreage planted to cotton on any of the three years," McQuen pointed out. McQuen, in amplifying the allotment plan, said the adjusted cropland for the purpose of determining a farm cotton allotment is the land on the farm that was tilled or in a regular rotation the preceding year, less certain specified acreages of wheat and other stipulated products. Farms on which cotton was not planted (or regarded as planted) in any of the three years are eligible to cotton in 1946, 1947 or 1948. (Continued on Back Page)

**1949 COTTON CROP ESTIMATED AT 16,034,000 BALES IN FINAL REPORT**

The agriculture department, in its final report of the year, Thursday, estimated the 1949 cotton crop at 16,034,000 bales of 500 pounds gross weight.

This estimate is 515,000 bales more than the 15,524,000 bales forecast a month ago. It compares also with 14,877,000 produced last year and with a ten-year (1938-47) average of 11,306,000.

This year's crop has produced a surplus supply above market needs and a reserve deemed by law to be ample. As a consequence, Secretary Brannan has set planting allotments calling for a 20 percent reduction in 1950 production.

Brannan also has proposed rigid marketing quotas on the 1950 crop. Quotas will be submitted to growers at a referendum Dec. 15. They must be approved by at least two-thirds of the growers voting before they can be put into effect.

Under the quota program, excess sales would be subject to a stiff penalty tax.

**RECIPE OF WEEK**

**Chicken and Oyster Ramekins**

One-third cup butter or margarine  
 One-third cup flour  
 Three-fourths teaspoon salt  
 One-half teaspoon paprika  
 1 pint oysters  
 2 cups cooked diced chicken  
 16 oz. can broiled mushrooms  
 Evaporated milk  
 Buttered cracker crumbs

Melt butter or margarine, blend in flour, salt, pepper and paprika. Measure combined oyster liquid and mushroom liquor, add enough evaporated milk to make 3 cups, add to flour mixture. Cook over low heat, stirring, until smooth and thickened. Cover and cook over hot water 10 minutes longer. Add chicken, oysters and mushrooms. Spoon into ramekins. Top with buttered cracker crumbs. Bake in moderate oven 350 degrees F. 30 minutes. Makes 6 ramekins.

 1. Oysters are good any season of the year.

2. The oyster is an excellent source of copper, iron and other minerals as well as most of the essential vitamins and protein of high nutritive value.

3. The ramekin or casserole dish is a choice method of preparing oysters because you use all of the oysters, including the liquor.

4. A good sauce for oyster cocktail: For each glass take 6 small oysters, 2 tablespoons lemon juice, 1 teaspoonful worcestershire sauce, 2 tablespoons catsup, a dash of tabasco sauce, a pinch of salt and a little sugar. Serve ice cold.

## AMERICAN KIDS ROMP IN HELVETIA

The Americanization of the Alps is well underway. Thanks to the program of the Educational Advisory Service the Swiss mountains that were ancient when America was still a gleam in the eye of Columbus are echoing to the sound of Yankee laughter. "Play ball" is heard now more frequently than the oo-lee-o-layee of the Swiss yodlers.

Under the E. A. S. program, scores of young Americans, children of civilian and military personnel on duty in the U. S. occupation zones of Germany, are having the time of their young lives in the picture postcard land of Helvetia, better known as Switzerland. Holiday camps were organized at the lakes and in the mountains and they proved a welcome change for children who have been understandably depressed by the bomb ruins all about them in the German cities where they live with their parents.

Not all the young vacationists come from Germany. Some are from Austria and some from Trieste. All have one thing in common—joy at getting away from the atmosphere of ruin and misery that prevails in all the parts of Europe that have been swept by the red tide of war.

But if these American small fry are in a new land, they still love the same old games. They play their "Indians and cowboys" in the shadow of the Alps and, of course, no gathering of American children is complete if there isn't baseball. Many Swiss had never seen baseball until these youngsters introduced it. Now it is catching on, and, who knows, the Swiss may one day send a team to challenge the best of the National and American leagues.

Of all the facilities available to visiting American children, this is what they like best—the cable ride. The fragile-looking cable railroad that runs up the side of the mountain provides a thrill for the kids that is reminiscent of the scenic railway at Coney Island. At the end of the cableway at Lenk, first arrivals await their friends.

The things that make the biggest hit with these Yanks in Helvetia are the cable cars, the fragile-looking cable railroads that run up the side of some Swiss mountains. The

kids would ride up and down these cableways until the proverbial cows come home. They are not as gaudy as the Coney Island roller coasters, but the thrill is bigger.

## Whitharral Box Supper Declared Big Success

The auction sale-box supper sponsored by the Whitharral Lion's club went over in a big way Tuesday night in the Whitharral gymnasium with Col. Hank Matthews of Anton, auctioneer, who donated his services to the Whitharral Community.

The proceeds of approximately \$1050, practically assures the deficit on the football lights erected early in the fall.

Donations of merchandise from merchants and patrons of Leveland, Anton, Littlefield, Whitharral, and Lubbock brought over \$700. The boxes accounted for the remainder of the amount.

Lion President Chester Borders was in charge of the occasion, assisted by other Lions of the Whitharral club.

CURRENTLY HONEYMOONING . . . When this picture was made, the Earl and Countess of Harewood were in the current of a canal in Venice, enjoying their wedding trip. The earl is a son of the British Princess Royal, and his bride, the former Marlon Stein, former Austrian concert pianist. Although his bride is a commoner, the wedding was approved by the king and royal family and the greater part of the British royalty attended the wedding ceremonies.

## Amherst Lions Club Will Sponsor Christmas Lighting

The Amherst Lions Club is sponsoring a Christmas lighting contest and three prizes will be awarded for the best lighted homes and landscapes in Amherst, Lion President C. Roy Stevens announced last week.

First prize will be \$15; second prize will be \$10, and third prize will be \$5.00.

Out-of-town men will be judges in the contest and the winners will be picked between now and Christmas. Entrants are asked to leave their Christmas lights burning until 9:30 or 10:00 o'clock each night so they may be judged.

*IT MEANS A Better LAMP*

In looking for lamps which bear the all-important "Certified" tag, you'll be surprised at the wide range in prices. You will find that this tag is not granted only to the makers of expensive lamps, but also to the makers of lamps which sell at popular prices.

The Certified tag means that the manufacturer of that lamp, regardless of its selling price, has met 105 specifications in its construction.

See these modern lamps soon at your favorite store. They're built to exacting "Certified" standards in a wide selection of sizes, styles and colors.

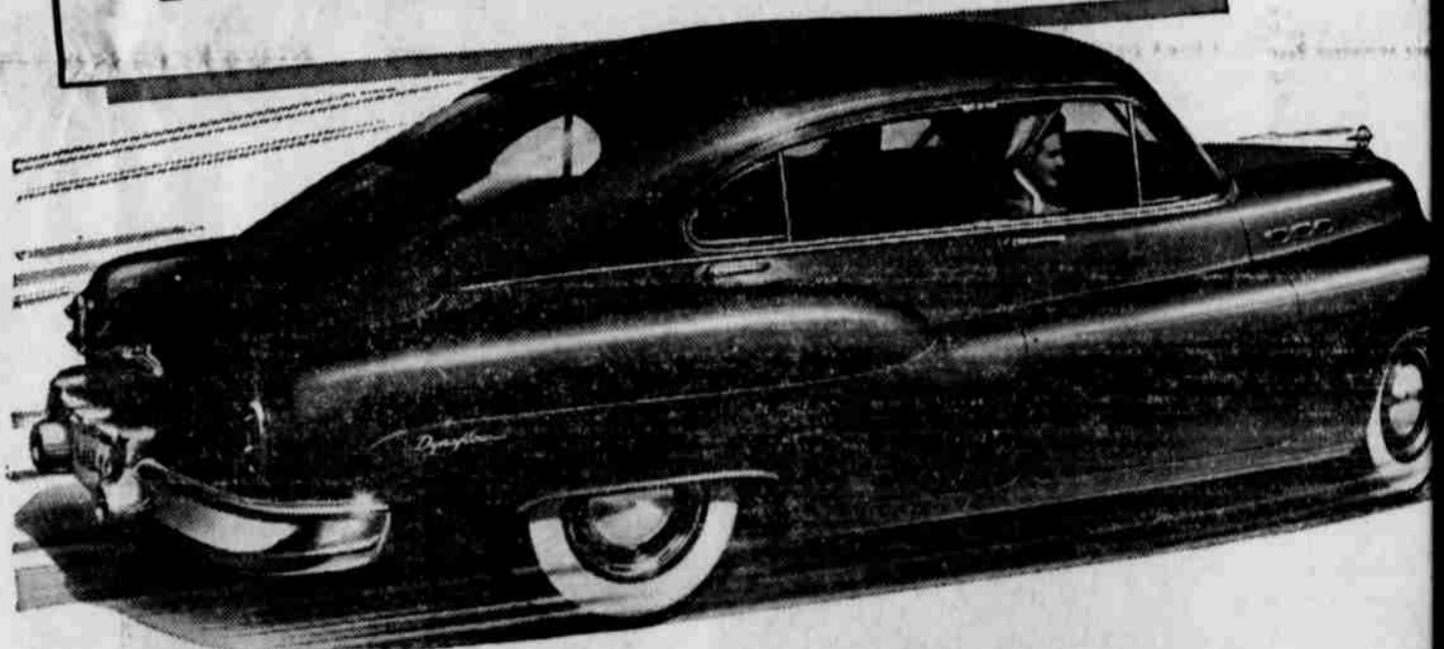

They're built, too, to bring more light into your home, because the new type reflectors are constructed to give you direct and indirect light at the same time!

When next you buy a lamp, make sure it is "Certified." Inquire at your favorite store for this new lamp.

**LOOKS like a Jet Plane TRAVELS the same way**

YOU see it quick-stepping along the highway—and you can't miss the parallel.

You glimpse a bold front end—sleek tapering fenders—flaring, streamlined roof lines—even to "double bubble" taillights, here is the look of "the fastest thing that flies."

Then you try one on the road, courtesy of your Buick dealer.

Adjectives flock into mind—"agile"—"nimble"—"eager."

You realize that here is action, swift and easy—action born of Fireball valve-in-head straight-eight power—action floated on soft coil springs that, for all their lightness, keep your grip on the road sure-footed and firm.

This you tell yourself, is traveling as traveling should be.

Comfortable—in the spacious manner of king-size interiors. Easy—in the lightness of controls, which can include even the magic of Dynaflo

Drive\* if you wish. Pleasurable—in the wide, wide outlook that's yours, and the inner satisfaction of having a Buick for your very own.

And we might add another thing, just by way of being practical.

It's frugal too. Frugal in a first cost that's actually less than for some sixes. Frugal in the surprising way such a sizable car gives the go-by to gas pumps.

And if you have Dynaflo, frugal even in many upkeep costs you can forget about—such as clutch troubles, transmission maintenance, even many engine servicing costs.

Why not put yourself into one of these jet-lined beauties right now? It's more easily managed than you might imagine—as you'll see by talking to your Buick dealer.

### Postage 30 Percent Higher This Year

Watch that postage! That was the advice of Littlefield postoffice officials who are setting machinery in motion to handle the huge volume of Christmas mail which can be expected at the postoffice.

Many persons still are under the impression, they said, that an unsealed card with no writing except the signature can be mailed for one and one-half cents.

Effective last Jan. 1, the postage for such greetings was increased to two cents. Such cards are classified as third class mail.

If cards are sent first class—sealed and bearing three-cent stamps—senders will have the forwarding privilege if the cards are sent to the wrong address and also will have directory service for location of proper address. Third class greetings are forwarded if the addressee has moved, but no directory service is given if incorrectly addressed otherwise.

Many well-intentioned persons address packages on both sides, but packages should be addressed on one side only. The reason is that the package may be stamped, perhaps with marking showing it is insured, and that stamping will not show on one side of the parcel.

The package should contain the name of the sender—not just the sender's address. Postal regulations instruct employees to open packages not bearing the sender's name. If they find no name inside they are instructed to stamp the package, "Sender Unknown."

Request was made that packages be packed and wrapped well, because volume has increased and packages may receive tough treatment. In some cases, packages will be under tremendous weight of other packages. One employee reminded that the postoffice clerk "is not being contrary" if he turns a package down. He is trying to assure that it will reach its destination.

Persons sending packages may save themselves time and trouble if they will be sure packages are wrapped securely before getting into one of the long lines sure to develop during the Christmas rush.

They also may save themselves time if they realize that, under postage increases which went into effect Jan. 1, postage will be about 30 percent higher than last Christmas, it was stated. Some persons have learned they did not have enough money for postage with them.

Packages may be sealed with gummed tape only if they bear a fourth class sticker on which printed information states that return postage is guaranteed and that the package may be opened for postal inspection if necessary. "Don't use Christmas wrapping for outside wrapping of a package," was another piece of advice. Such wrapping often is not so sturdy as plain wrapping.

If packages are mailed late, a special delivery stamp will assure their immediate delivery upon arrival in a town. Otherwise, they will be held until next regular delivery.

Packages may be sent by parcel post or air mail parcel post. Comparative prices for postage for a five-pound package being sent to Dallas are: Ordinary parcel post, 25 cents; air mail parcel post, 92 cents.

Special delivery rates for packages are: 25 cents, up to two pounds; 35 cents, from 2 to 10 pounds, and 45 cents, over 10 pounds.

### Several From Here Attend SMU Game

A number of local football fans had the pleasure of attending the Southern Methodist-Notre Dame football game played in Dallas Saturday afternoon.

Included in the group attending from here were Mr. and Mrs. Fred Underwood. They were joined by his parents, Mr. and Mrs. Archie Underwood of Lubbock, and his sister and brother, Mr. and Mrs. Harris Underwood, and Mr. and Mrs. Wayne Prather also of Lubbock, and another sister and brother-in-law, Mr. and Mrs. Dick Cham-

bers of Brownfield. The group returned home Sunday night.

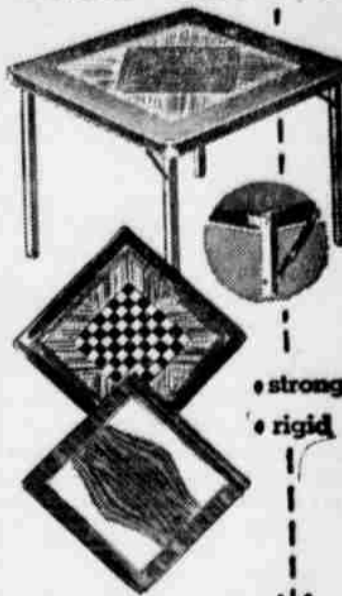

Other couples from here attending included Mr. and Mrs. Harry Kline, Dr. and Mrs. James Shotwell, and Mr. and Mrs. Rhenard McCary.

Dr. and Mrs. C. E. Payne also attended the game. They spent several days in Houston the past week, where Dr. Payne attended a medical association meeting, and returned home by the way of Dallas for the game.

Mrs. Elton Hawk and daughter, Mona, accompanied by her husband's mother, Mrs. Chas Hawk, spent Saturday night in Sweetwater and Hamlin visiting rela-

tives. **ATTEND GAME** Among those attending the football game at Odessa Friday were Mr. and Mrs. A. Fred Dunnagin, Mr. and Mrs. A. L. Dozier, and Mr. and Mrs. J. D. Richard.

### L. E. Slate Sells I. H. Business To Wayne Brown

Synonymous with the growth of Sudan and the South Plains for more than 30 years has been the name L. E. Slate. "L. E." as he is known to hundreds of friends throughout the area, last week wrote the final chapter to his years of successful business endeavor in Sudan when he sold his International-Harvester business.

Mr. Slate was Sudan's first merchant and opened his business at Sudan on September 16, 1919. He handled groceries, dry goods, feed, coal, and farm machinery. From a meager beginning his store has grown to be one of the finest farm machinery firms on the Plains.

According to Mr. Slate, he and Mrs. Slate, who has been active for years in social and civic work, will just "take it easy" for a while. No, said L. E., "we don't intend to get back into any kind of business. You can just count us on the retired list. And we will continue to make our home in Sudan, doing whatever we can to help Sudan keep growing."

Wayne Brown, a former resident of Hale Center, will be the manager of the new store which will be known as the Brown-White Implement company. Wayne has been with the International Harvester people for more than 16 years and comes to Sudan highly recommended as a capable man in his field.

In Hale Center, Mr. Brown was active in both civic and social affairs of his town. He was president of the Lions club, a Mason, director of the Boy Scouts, and president of the Baptist Brotherhood.

## BULL LAKE PHILOSOPHER ADMIRES METHOD CONGRESSMAN HAS OF NOT ARGUING WHEN CAUGHT RED-HANDED

Editor's note: The Philosopher on his Johnson grass farm on Bull Lake has been reading the papers again, his letter this week indicates. We doubt if it does him any good.

Dear editor:

I noticed in a newspaper which was wrapped around a pair of shoes I had half-sole'd year before last and finally got around to pickin' em up in town Saturday where another Congressman has gotten into trouble and while I don't reckon the percentage of Congressmen runnin' arfoul of the law is half as great as the percentage of ordinary folks I was interested in what this Congressman had to say

When he was confronted with the evidence of gettin' the government's money mixed up with his, he pleaded "nolo contendere" and threw himself on the mercy of the court.

As I understand this, it means "I ain't sayin whether I'm guilty or not, but go ahead and sentence me." In other words, the Congressman is too busy a man to argue about it, which is gettin pretty busy. I understand also this Congressman didn't mind bein convicted but he hated like all get-

out to be sent to jail because a jail term would ruin his reputation as a lawyer. Will take this up with my lawyer friends the next time I'm in town.

I hadn't realized it, but I've had that Congressional trait myself for years. Many's the time my wife, confronted with what a lawyer probably would call misappropriation of egg money, would unwind her tongue and if I had been of less than Congressional stature this part of the country would have had a big argument, but I've found long ago the best way is not to argue.

"Nolo contendere" is a great phrase, inside of Congress or out. Just the other day one of my neighbors was in a belligerent mood, tryin to say I borrowed his copy of the Lamb County Leader out of his mail box, and I told him right off the thing ain't worth arguin about. Admit nothin and keep walkin, is my policy. When my cow gets over in a neighbor's pasture and he says I've got to fix my fence, I don't argue about it. I don't fix the fence neither, but it saves a lot of unpleasantness at the time.

I even tried this on a banker once, when he was contendin my note was due, but he was the most un-Congressional man I've ever seen and didn't take to my method at all. Yours faithfully,  
J. A.

## Report On 4-H Club Trip

By CATHERINE FOLTYN  
Route Two, Sudan, Texas.

Friday, November 24, a group of 4-Hers from the South Plains left Lubbock and journeyed to Amarillo where they met another group of 4-Hers, making a group of 13. These two groups journeyed on to Chicago to attend the National 4-H Club Congress. There were 32 delegates from Texas, another group left from Fort Worth, Texas. Each group had a special pullman coach on their trains. For many of the 4-Hers it was their first time to see the Mississippi river and some of the sights of Oklahoma, Kansas, Missouri, Iowa, and Illinois.

We arrived in Chicago, Nov. 25, and stayed at Stevens hotel. There were 1600 attending the Congress. These were from 48 states, and Sweden, Norway, Hawaii and Porto Rico.

To start off the program all of the delegates attended the National Barn dance program which was being broadcast over radio station WLS in Chicago. Sunday morning everyone attended church of their own choice. In the afternoon we went to the first assembly and that evening we attended the Sunday Evening Club where we heard many religious songs and one address. The Sunday Evening club program was held in the Orchestra Hall of Chicago.

Firestone Tire and Rubber company entertained us with our first banquet which was breakfast. Miss America of 1949 gave a talk to us on how much good 4-H club work had done her.

After the banquet the group went through the Museum of Science and

Industry. Here we saw many old airplanes, cars, clothes, and printing presses. We also went through a coal mine.

For luncheon the International Harvester company entertained us with a banquet. James Melton entertained us by singing songs from the picture, "South Pacific."

Thos. B. Wilson entertained us with a dinner and program Monday evening. For the program many sport celebrities were interviewed. Those attending were Ted Schroder, Allie Reynolds, Babe Didrikson, Gene Vance, Johnny Lujack, and Ted Williams.

Tuesday different groups went to different breakfasts. The winners of one group had as their hosts the company who furnished them with their trip. I was a Santa Fe winner and I had breakfast at the Blackstone hotel with other Santa Fe winners.

For luncheon Tuesday the girls went to the Edgewater Beach hotel and were entertained by Montgomery Ward and company. Fred Waring and his Pennsylvanians furnished the program. There was a special party given to the 4-Hers at the Triamion Ball Room by the Spool Cotton company Tuesday evening.

Breakfast was served to us by

Sears-Roebuck and company, Wednesday morning. Dearborn Motors corporation gave us a luncheon and Jimmy Dorsey and orchestra furnished music for the program.

Wednesday afternoon the 4-Hers attended the National Live Stock Exposition. We were given a barbecue box supper by Curtiss Candy company. That night we led the parade for the exposition and Gene Autry was there to hand out certain awards.

Thursday morning everyone made a tour to the Museum of Natural History. Items of interest were the rooms of gems. The Hope diamond caused the most interest. We also saw the seven stages it took before an orchid bloomed.

Luncheon was served by General Motors and they gave each 4-Her a GMC top pick-up as a souvenir. The last thing on the program

was a dinner and a dance by the Congress comm.

Other things of interest beautiful Christmas decorations, Carson, Scott and those in Marshall company. Lake Michigan Ter-Palmer mansion and Rockefeller mansion, now been turned into a historical side we saw the cut Court of Appeals of S. Supreme hospital.

"Mule Train" seemed most popular song since it played or sung by an orchestra.

We left Chicago at 11 p. m. Everyone was but had certainly enjoyed trip.

### Commissioner McDonald Urges Farmers to Vote Favorably On Cotton Quotas

Lamb County, Texas. Commissioner McDonald, Texas Commissioner of Agriculture, Monday advised cotton farmers to vote favorably on government cotton acreage allotments for the 1950 crop.

"The probability of six or seven million bales of cotton under contract by July 1, 1950, has provided the Agricultural Adjustment Act, for an election on Dec. 15, 1949, whereby all cotton farmers may vote for or against cotton quotas or acreage allotments for the 1950 crop", Commissioner McDonald said.

"If two-thirds of the cotton farmers vote for cotton quotas or acreage allotments the 1950 cotton crop will be subject to price supports equalling ninety percent of parity on cotton produced on the allotted acreage. If less than two-thirds of the cotton farmers vote favorably, then there will be no government price support for the cotton produced in 1950 and the government very likely will incur a heavy financial loss on the loans they have made cotton farmers on the six or

### State Honors to Texas 4-H'ers

In recognition of their top ranking records in the 1949 National 4-H Dairy Foods Demonstrations and Leadership programs, five Texas club members received awards of gold watches. The state winners and brief outlines of their records follow:

**Harry Schneider** Betty Blackerby  
To be chosen state winner in the National 4-H Leadership program is indeed an honor for it signifies that the boy and girl have performed an outstanding service in club and community events. This distinction went to Harry Schneider, 18, of Sequin, and Betty Blackerby, 17, of White-wright. Harry has served his club for four years as president and as junior leader of swine, beef, dairy and crop projects. Members exhibit at Houston and Dallas fairs and he helps younger members groom their animals. He also trains them in judging. He has given 99 talks on 4-H, 15 of them on the radio. In 1948 Harry was a national winner in the meat animal contest, being awarded a scholarship and trip to the National 4-H Club Congress. Betty as 1948 State canning champion, attended the National 4-H Club Congress, but she also won honors on her record books and has served her club as junior leader in clothing and food, and the county 4-H council as president for three years. She is an experienced speaker, having given 120

**Gerolean Giesler and Grace Giesler**  
talks, five of them broadcast. She is active in community affairs, in high school athletics, and in craft work at 4-H camp. In recognition of these accomplishments, Edward Foss Wilson, president of Wilson and Co., presented Harry and Betty each with a handsome 17-jewel wrist watch.

Tops in the 1949 National 4-H Dairy Foods Demonstrations program were individual — Alice Davis, 15, of Leming; team — Grace Giesler, 15, and Gerolean Giesler, 17, both of Victoria. Alice's prize-winning demonstration was "Cheese for a Change", while the team demonstrated "Around the Clock with Milk." Chosen state winners, each was presented with a 17-jewel watch by the Carnation Company. In carrying out the objectives of the program, these teen-agers learned the fine points of public speaking and teamwork. They also developed poise and the ability to give a persuasive demonstration on uses of dairy food products. Alice was selected to compete for National honors by her state 4-H Club office.

All of these activities are conducted under the direction of the Extension Service of the State Agricultural College and USDA cooperating.

### SGT. EDD RALPH BYRD TO BE HOME FOR CHRISTMAS

Sgt. Edd. Ralph Byrd, son of Mr. and Mrs. W. E. Byrd, of near Amherst, who has been in the Air Corps for the past 2 1/2 years, and stationed on Okinawa and in Tokyo is expected home for Christmas, according to a card received by his parents from their son from Oakland, Calif., Thursday.

It has been four years since Sgt. Byrd has been home.

He served 18 months in the Army during World War II, and was released on Dec. 23, 1945. He re-enlisted in the service about 1 1/2 years later, and has since been serving in the Air Corps.

Mr. and Mrs. Byrd are looking forward to their son's visit.

seven million bales and thus bring about demoralization in the cotton industry", McDonald pointed out.

"I am suggesting that cotton farmers on December 15 vote favorably for cotton quotas or acreage allotments for 1950 because, in the absence of a constructive and permanent national farm program we are confronted with an emergency. At the same time, I am urging that farmers demand of the next Congress a national farm program which will give farmers a two-price system for marketing their crops—a full parity price for that portion allotted for domestic consumption and each farmer to be left free to produce any amount he desires in excess of his domestic allotment to be sold in foreign markets at world market prices. These allotments should be made in units, such as bales, bushels or pounds, and NOT in acres", said McDonald. "Congress can provide such a plan, one which would not

take money out of our national treasury but would be self-financing and would give the American farmer purchasing power with which to support our general economy, would provide ever abundant supplies and the most practical crop insurance as well as the greatest domestic and foreign markets for his farm crops."

# TEXAS COTTON CROP IS ESTIMATED AT NEARLY SIX MILLION BALES

The agriculture department estimated the 1949 Texas cotton crop at 5,900,000 bales Thursday in a final report of the year. It was more than a third of a national estimated 16,034,000 bales of 500 pounds gross weight.

Nationally, production was a little over a million bales more than was produced in 1948. The Texas yield was set at 264 pounds an acre off 10,725,000 acres.

Unusually favorable growing weather gave Texas a record crop. The state's previous all-time record was 5,628,000 bales in 1926. In three other years it has exceeded 5 million bales. Texas produced 3,150,000 bales last year.

With a surplus supply produced

above market needs by this year's crop, Secretary of Agriculture Brannan has set planting allotments calling for a 20 percent reduction in 1950 production. The 1950 allotment for Texas is 7,637,029 acres.

As the department's estimate was announced the cotton subcommittee of the House Agriculture committee planned a Washington meeting to see whether something can be done for hardship cases under the new cotton quota.

The meeting will be held Monday. No hearing was planned, but department of agriculture officials have been asked to sit in.

The national cotton acreage

quota is 21 million acres. Committee officials said farmers in some areas had been hit hard by their allotments under it.

The officials said Rep. Pace (D-Ga.), chairman of the subcommittee wants to see what can be done about adjustments without changing the national quota.

Originally the meeting had been planned last week for Memphis. There state directors of the department's Production and Marketing Administration, PMA, are gathered. But the committee meeting was postponed and changed to Washington because PMA officials could not get necessary information together in time.

About 100 farmers' representatives from 20 cotton growing states at the PMA meeting hampered at the new acreage allotment system in a closed meeting at Memphis.

Ralph Twigg, PMA administrator,

**MISSING . . .** The state department has revealed that Noel Haviland Field, former state department official, is missing behind the "iron curtain." He was cited by Hungary's government as collaborator of Rajk.

tor, told newsmen he would lay the complaints before Rep. Harold D. Cooley (D-NC), chairman of the House agriculture committee.

The state committeemen said his system proposed last week is inequitable. They said it takes acreage from planters with large growing records and gives a better break to those with little previous land in cotton.

Brannan has proposed rigid marketing quotas on the 1950 crop. Growers will vote on quotas at a referendum Dec. 15. Before they can be put into effect they must be approved by at least two-thirds of the growers voting. Under a quota program excess sales would be subject to a stiff penalty tax.

The national crop estimate was 510,000 bales more than the 15,524,000 bales forecast a month ago. It compared with 14,877,000 produced last year, and with the 10-year (1938-47) average of 11,306,000.

Record crops in Texas, California, Arizona and New Mexico accounted for 50 percent of this year's crop compared with 31 percent for the 10-year average.

ton after the flames had been checked. He estimated that the number of bales stored on the lot was less than 3,000, and said a quick survey indicated 200 or more bales had been destroyed.

Most Morton stores were closed as the men of the town joined the fire fighters — and most of the women and children gathered as spectators.

Although no one reported serious burns in fighting the fire, it was believed that several received singed eyebrows and minor burns on the hands.

ble for consideration for an allotment provided an application is made in writing to the county committee by a prescribed closing date.

The acreage of cotton planted in 1948 cannot be used in determining a state, county or farm allotment.

Acreage planted to cotton in excess of the 1950 allotment cannot be considered in establishing future allotments.

When a farm allotment is underplanted by not more than the larger of 10 percent of one acre, the farm allotment will be considered the official cotton acreage for the farm for that year. If the allotment is underplanted by more than the above amount, the actual planted acreage will be the official cotton acreage for the farm for that year.

Each cotton acreage allotment is established for a specified farm and cannot be planted on or transferred to any other farm.

The farm marketing quota is in the actual production of the acreage planted to cotton on the farm less the marketing excess.

The farm marketing excess will in no case be larger than the normal yield per acre times the acreage planted in excess of the allotment. If the actual yield is less than the normal yield and the producer establishes this fact, the farm marketing excess will be reduced to the amount by which the total production on the farm exceeds the normal yield times the allotment.

The penalty rate on the farm marketing excess is 50 percent of parity as of June 15 plus interest at the rate of 6 percent per annum from the date the penalty becomes due until paid.

When the acreage planted to cotton on a farm is within the farm allotment, a marketing card will be issued so that the entire cotton crop on the farm may be penalty free.

A marketing card will not be issued for a farm with excess cotton until the penalty has been paid on the entire farm marketing excess.

# HAWAII HAS EARTH'S WETTEST SPOT

WEATHERPROOF aluminum is helping keep count of the billions of drops of rain that fall each year on Mount Waialeale (Waialeale) on Hawaii's Island of Kauai—the wettest spot on earth.

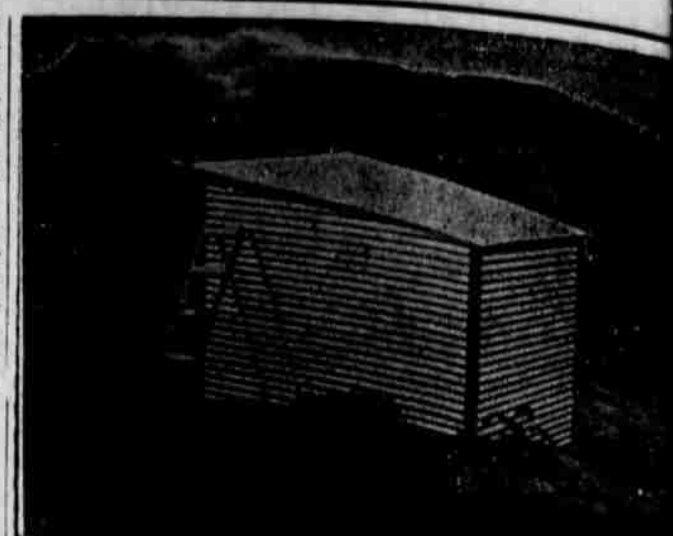

Although the sun shines bright elsewhere on this beautiful island, howling winds and driving rains beset this 5080-foot spire. Rainfall averages 474.11 inches a year and in 1948 reached the astounding total of 624 inches. This constant deluge is of extreme interest to the United States geological survey.

First attempts to measure Waialeale's rainfall were made in 1910 when a 50-inch capacity can was installed at its tip. In no time, the can was overflowing all over the place. After a 134-inch can and then a 300-inch were found wanting, a huge 9000-inch container was hauled up the mountain in 1920. This was big enough, but one trouble was that it was practical to take readings only once a year, because of the inaccessibility and the arduous climb up the trail.

Finally, a continuous rainfall recorder for use in isolated localities was developed by Leopold and Stevens of Portland, Oregon. After much experimentation, it was adapted to use in the almost continuous rain and fog that swirls about Waialeale.

One major problem was to find a weather-tight shelter for the instrument that could withstand the mountain's extreme conditions and still be light enough for easy transportation. The answer was an all-aluminum shelter-corrugated aluminum on aluminum frame — that could be pre-fabricated in sections. It would not rust, rot or require painting.

Installation was directed by Max Carson, district geological engineer. The navy loaned a

helicopter to carry the sections and a crew of men to the mountain top. There was a long exasperating wait for weather clear enough for flying and to land on Waialeale. A few breaks in the weather enabled all the equipment and supplies to be delivered to the summit, but some of the men had to travel on horseback and foot.

It took several days of work to construct the shelter. It took several days of work to install the gauge in the fog. But, it was accomplished. Now the recording instrument is snugly housed in aluminum taking continual readings of the wetness of the rainiest spot on earth.

G. C. Freeman, Kress quarterback (lost in the big pile up), managed to gain the necessary few inches required for the Kangeroos' game-  
clinching fourth-quarter touchdown against Olton Friday afternoon. In the lower photo Jimmie Millsap, Olton quarterback (30) drew a  
bead on B. J. Young (33) and stopped the Kress halfback after a gain of 13 yards in the second quarter. Freeman's six-pointer aided in  
giving the Kangeroos a 13-6 victory over the Mustangs. Along with this triumph went the Region 1-B football crown. Huck Nichols (22)

sent Burrus and Allcorn down to the 21, and on the next hit Burrus the extra point. Penalties ruined the end zone for the touchdown. Olton had the opportunities for two of them and Millsap's boot

was blocked on the third. Borum returned the resulting kickoff from the Kress 10 to his own 42 to start the Kangeroos on a touchdown surge. B. J. Young, subbing for the injured Buster Dorough, teamed with Bennie George in making six consecutive first-downs which carried to the Olton 22. From there, Freeman tossed to Borum in the end zone for six point. Mason calmly booted the point to give Kress an intermission lead 7-6.

Dorough, although injured in the first half, came back in the final period, combined talents with George to carry the ball down to the Olton four. The Kangeroos were repulsed momentarily by a penalty but roared back to score with Freeman negotiating the final foot on a keep-it play. Mason's try for point failed.

Coach Johnny Truelove had his boys well briefed for Olton's last-minute pass attack. They batted down two and George intercepted one as the final gun sounded. It was a choice victory for Kress, but a tough loss for Olton. Members of the Mustang squad had tears in their eyes, as they accepted the trophy for second place honors for the region.

## Winner To Play Either Mexia Or Uvalde For Class A Championship

The Littlefield Wildcats will journey to Vernon Friday for their semi-final game with the Garland Owls. Game time is set at 2:30 o'clock with a crowd of 9,000 expected to attend if good weather prevails. The two teams will be almost evenly weighted, although the Wildcats will still enjoy a five-pound weight advantage over the Owls. The Owls' defense is one of the strongest in Texas. They have allowed their opponents only 60 points in 12 games this year. They have also racked up 245 for themselves.

The Wildcats will enter the game as the favorite, due mainly to their impressive 34 to 6 victory over the Ballinger Bearcats in Odessa last Friday. Garland at the same time, had to come from behind to tie Mineola and win on penetrations, 4-1. There are no serious injuries on either team.

The winner of this game will play the winner of the Uvalde-Mexia game for the State Class A championship. Such high-geared offenses as Irving, Arlington, Bowie and Mineola have found the going decidedly hard against the stalwart and inspired Garland defenders.

Against that quartet of redhats, Garland matched them touchdown-to-touchdown and beat three of them on penetrations after ties. Bowie was conquered 7-0.

Pascual Valle, 170-pound back, seems to be the main "spark" in the Owl backfield. Valle has been the do-everything

guy who has come through consistently in the clutch, and Garland has been in the clutch often this year.

The Owls attracted little attention when the playoffs began and most of the coaches and sports writers who follow Class A football closely have expected each week for the team to drop by the way-side. The little school, located out in the sprawling suburban area of greater Dallas, has moved placidly on its way, scratching out three victories, two of them on penetrations.

The fighting qualities of the Littlefield foe were demonstrated last Friday when that stout defense shackled the Mineola offense for 42 minutes and held it to one touchdown, then Garland struck for a tally to deadlock it 7-7 and win on penetrations, 4-1.

The Mineola touchdown was achieved mere seconds before playing time in the first half had elapsed.

Valle later pulled the game out of the fire with a 44-yard carry on a screen pass to the Mineola 15-yard line. The Owls worked the ball to the five, then the rangy Valle battered his way to a touchdown and plunged over the extra point.

The Owl tackles, Garrison and Brawley, drew praise in the game story by Bob Nash of the Dallas News.

## Sudan Takes Third In Girls' Invitation Basketball Tourney

Coach Nathan Tubbs' Whiteface team Saturday night captured the championship of the Levelland Girls' Invitational basketball tournament by downing the Levelland Lobettes, 30-22.

Sudan won third place, defeating Smyer, 32-27.

Louise Baldrige scored 13 points for Whiteface in the title game, but individual scoring honors went to Phyllis Tipton, who tallied 15 for the losing Levelland sextet. Laquita Williams led Sudan to its third-place win over Smyer, posting 14 points. Velma Schulle had 18 for the losers.

In an exhibition boys game which completed Saturday night's card, Levelland outclassed Pettit, 53-27, with Frank Burnett scoring 17 points to pace the winners' attack.

In the girls semifinals Saturday morning, Betty Reynolds made 11 points to lead Whiteface to a 24-18 triumph over Sudan. Margie Messamore's nine points were high for the losers.

Phyllis Tipton chalked up 19 counters and Donna Stevens made 15 to lead Levelland to a semi-final 41-36 verdict over Smyer. Schulle's 14 markers led Smyer's scoring.

The all-tournament team announced Saturday included Phyllis Tipton, Levelland; Louise Baldrige, Whiteface; and Velma Schulle, Smyer, forwards; and Billie Reynolds, Whiteface; Patsy Sikes, Levelland; and Myrtle Legg, Sudan, guards.

# Wildcats Advance To Semi-Finals With 34-6 Win Over Ballinger

The Littlefield Wildcats won a 34-6 victory over the Ballinger Bearcats at Broncho stadium in Odessa Friday afternoon before some 8,500 fans.

Coach J. S. Fikes' "Big Red" team from Lamb county staged its most impressive performance of the 1949 campaign as it awed a crowd of 8,500 sun-splashed fans with one of the greatest ground attacks ever unrehearsed on a West Texas Class A gridiron.

The triumph, Littlefield' 12th in a row since an opening-game setback, moved the burly Wildcats into the state semi-finals.

Littlefield never gave Ballinger a chance. From the opening whistle the Wildcats were in complete command, thanks to a rugged line which bowled over Bearcats ball-carriers with monotonous regularity.

For one quarter, the outclassed 7-A champions held Littlefield scoreless. Then the dam burst and a flood of Wildcat touchdowns poured through.

The statistics give a true picture of the lopsided affair. Littlefield, without completing a pass, surged to 26 first downs. Ballinger did not make a first down, or get into Wildcat territory until the third quarter, and had only three first downs in the entire game. A "desperation" 42-yard touchdown pass in the fading moments of play saved Coach Wayman Wilson's Bearcats from a shutout.

Frang Gage, running from the tailback slot in Littlefield's winged T formation, was the big gun in the Wildcat offensive, but had ample assistance from Tom Bailes, Gene Renfro, and Charles Askew. Gage averaged exactly seven yards per try with 182 yards net in 26 carries. Bailes, the team's top power runner and leading scorer this season, netted 114 yards in 27 carries. Renfro picked up 67 yards,

and Askew produced 41. Gage and Bailes scored two touchdowns each, with Renfro supplying the final encounter. The extra points came on runs by Bailes, Gage, Renfro, and Askew.

But with all due credit to the backs' shining performances, primary credit for the convincing triumph must go to the burly Wildcat line. From end to end—Johnny Edwards, Jim and John Fowler, Jerry Cotter, Dick Hopping, Floyd Goff, Floyd Pinkerton—it smacked down the lighter Ballinger forwards with frightening ease, opening gaping holes on offense, and smearing Bearcat backs time after time.

Seven penalties totaling 71 yards stalled the Wildcats' attack on occasion, but the "Big Red" team always came roaring back, twice scoring after touchdown runs had been nullified by justified penalties.

The Fikesmen piled up seven first downs to dominate play through the first quarter, but were unable to score as Ballinger scraped gamely. But the start of the second period saw Littlefield begin a 45-yard march that ended with six points when Bailes cut over right tackle from six yards out on a fourth down try. Gage's running attempt for the extra point failed.

The Wildcats scored again in the

second stanza on a 12-yard march made possible by Stephen Brock's interception and runback of a Jimmy Davenport pass. Gage rammed through right tackle for the last six yards, just 45 seconds before the end of the half. He then swept right end for the extra point.

Midway through the third period, Littlefield boosted its lead to 20-0 when Gage capped a 39-yard drive with a six-yard scoring run, and Bailes, powered over right tackle for the extra point.

A hip-dipping 15-yard end sweep by Bailes in the fourth quarter produced Littlefield's next touchdown, with Renfro smashing over for the conversion.

Askew and Renfro teamed to spark a 47-yard march that gave the Wildcats their closing counter. Renfro went the final yard over left guard, with Askew sweeping left end for the extra point.

Ballinger's lone tally came two minutes later, when Davenport pegged a deep pass to end Richard Winchester who had slipped behind the Littlefield secondary. Winchester took the pass on the Wildcat 18 and raced over standing. Davenport's placement try for point was low and to the right.

Daniel Hallmark, the heralded Ballinger halfback, was held well in check by the hard-charging Wildcat forwards. His longest run from scrimmage netted only eight yards, and he was nailed repeatedly for no gain or a short loss. While Davenport's passing gave Ballinger its only score, it also backfired frequently against the Bearcats. He completed only four of 17 tosses, although Littlefield employed a pass-vulnerable "eight-three" defense most of the time, and had three aerials intercepted.

### Sudan Makes Application To Enter 1 or 3-A

Sudan school officials last week made their formal application to both District 1-A and 3-A for admittance into their conference for

1950. In the event 1-A accepts the application Sudan next year would play such teams as Hereford, Phillips, Canyon, Lockney, and Dalhart. Three-A is composed of Floydada, Paducah, Spur, and several other schools of similar size.

In the event both applications are rejected, Sudan will automatically revert back to District 3-B which is composed of Amberst, Dimmitt, Farwell, Friona, Olton, and Springlake.

According to school officials, schools are assigned to various districts by three determining factors. 1.—The enrollment in the school for the last four grades. 2.—The geographical location of the school, and 3.—Arrangement of schools in such manner as to have an even number of districts in the state, thus securing an orderly regional championship playoff for conference B members.

RENFRO PICKS UP YARDAGE—By the fourth quarter, ground gaining was a familiar pattern for Littlefield Wildcats in their game with Ballinger Friday at Odessa. coached the McCurry Indians, and three times they have brought back to Abilene the Texas Conference championship. That's fair batting average for anyone, especially when it is recalled that Moore never was a head-coach anywhere before, high school or college.

And that McCurry had never before taken the Texas Conference

title. The only grid championship the little (650 enrollment) Methodist college ever won before was the Texas Intercollegiate Athletic association flag in 1927.

This season the Indians finished a full game and a half ahead of their pursuers to give McCurry its biggest margin of supremacy. Last year was also a clear-out championship, whereas in 1947, when Moore

was a brash newcomer Indians tied with Har-

## Awards To Be Made Cub Scouts

A meeting of Cub Scouts; parents, den-chiefs, den-dads, and den-mothers will be held tonight at the First Presbyterian church at 7:30 o'clock, with Cub-master W. H. McCown and assistant Cub-master Charley Duval, in charge. Parents are urged to attend as awards will be presented; also Cub pins will be presented to all boys who have finished Bob-Cat requirements. The theme for the month is "Helping Others", and the Cub Scouts are bringing something to this pact to donate to baskets for the needy. Through error in this paper last week, it was stated there would be a free-will offering taken. However, the article should have read a free-will donation, on the part of the Cub Scouts, will be brought to this meeting. Parents must be in attendance if their child is to receive his award.

Here they are—ready-to-brown! You buy 'em in a package—fully-formed! No kneading, no mixing, no "rising time." Only work you do with these unbelievable rolls is working up an appetite. Delicious? You never had 'em so good! We've got 'em. Better get some . . . but fast!

**Brown 'em just 7 minutes!**  
Pop "Brown 'n Serve" Rolls in your oven on grill, cooky sheet, or any flat pan. Then walk away for 7 minutes—you've done your part. Brown only those you'll need for the next meal. The rest will stay fresh on your shelf for several days. Two weeks in your refrigerator. Indefinitely in your deep freezer!

**Fresh and hot —any old time!**  
"Brown 'n Serve" Rolls are so fresh, you'll hardly believe it! And so good they flatter a pat of the finest butter churned. The secret? It's ours—but we'll tell you this: we use the same fine ingredients you'd use at home. Butter 'em up! Gobble 'em up! And come back for more! "Brown 'n Serve" Rolls will be a regular feature of ours from now on. Better try 'em. Today!

## INFORMATION For VETERANS

### QUESTIONS AND ANSWERS

Q—What happens to the dividend of a National Service Life Insurance policy where the insured has been adjudged incompetent?

A—The NSLI dividend will be paid to the veteran's legal representative.

Q—My husband has been attending school under the GI Bill. What happens if his marks are low and his progress is unsatisfactory?

A—He may receive the assistance of VA's educational and guidance service in an endeavor to correct those factors which may be contributing to his deficiency. But he is obliged to meet the requirements of the school if he wishes to continue his course there.

Q—My husband, an honorably discharged World War II veteran, has been suffering from a slight ailment which may become serious. If he should need hospitalization, how long will he have to wait before he is admitted?

A—Ordinarily, if his disability is service-connected, he will not have to wait to receive hospitalization. If he has a nonservice-connected ailment and he is an emergency case, he is admitted immediately, provided he is eligible for hospitalization. But if he has a nonservice-connected ailment that is not urgent, he must wait until a bed is available.

Q—I am a World War II veteran with a service-connected disability. Is there any deadline in connection with my entitlement to National Service Life Insurance?

A—If your disability was incurred in service between October 8, 1940 and September 2, 1945 and is less than total in degree, it will be disregarded in determining eligibility under the health requirements for NSLI purposes provided you apply prior to January 1, 1950.

## CHRISTIAN SCIENCE SERVICES

"Is the Universe, Including Man Evolved By Atomic Force?" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, December 18.

The Golden Text is: "Oh Lord

God! Behold, thou hast heaven and the earth by power and stretched out there is nothing too hard for thee (Jeremiah 32:17).

Among the citations which praise the Lesson-Sermon following from the Bible, righteousness is near; righteousness is gone forth, and shall judge the people; arm shall wait upon me, and arm shall they trust" (Isaiah 54:1).

The Lesson-Sermon at the following passage Christian Science text: "Science and Health with Key Scriptures" by Mary Baker Eddy. "Inspired thought reflects material, sensual, and physical of the universe, and spiritual and immortal" (1908, p. 547).

Now Hospitals Are "Banks," Too!

Doc Simpson was saying, "Hospitals are building up 'bone banks' that work just like blood banks. When bone is needed, the surgeon takes one from a refrigerator, cuts it to the right shape and simply splices it in."

"You doctors are sure making progress," I says, "but tell me, are any of the patients fussy about whose bone they're getting?"

"No sir!" replies Doc. "No more than they worry about whose blood they get. No one yet asked for a bone from a man who went to the same school or church he did."
