

# CATS, MULESHOE YELLOW JACKETS TO CLASH IN CONFERENCE TILT HERE

## Annual School Carnival to Be Held Here Hallowe'en Night

**Sponsored By  
Primary-Central  
P-TA Groups**

**Opening Event To Be  
Parade Starting At  
Courthouse, 6 P. M.**

Preparations are taking shape for the annual Hallowe'en carnival at the high school, which will be held Hallowe'en night.

The carnival is sponsored by the Primary and Central P-TA groups, and is participated in by the boys and girls of the Littlefield school district and their families.

The opening event will be a parade, starting at 6 p. m. at the courthouse and participated in by the high school band, the pep squad, the students in all grades, dressed in Hallowe'en costumes.

There will be eight prizes, four for boys and four for girls, and will be awarded as follows:

Most appropriate Hallowe'en costume, the funniest costume, the prettiest costumes worn by a girl, the ugliest costume worn by a boy.

Commencing next week there will be voting for the queen and princess of the carnival, with pennies used as ballot. In this way funds will be raised for the work of the P-TA groups and to entertain the children. The queen will be crowned as the final feature of the carnival.

Another special feature will be the athletic show, which will be participated in by boys of the schools.

Weather permitting, some of the events will be held out of doors.

### Last Rites Held For Mrs. Carlisle

Funeral services for Mrs. B. J. Carlisle, 84, mother of Wayne Carlisle of four miles northwest of Littlefield, were conducted at the First Baptist Church of this city Sunday afternoon at 2 o'clock, with Rev. Lee Hemphill, pastor, officiating.

In accordance with a special request by the deceased, the hymns "The Old Rugged Cross," "In the Sweet Bye and Bye" and "Shall We Gather at the River" were sung.

Burial, in charge of Hammons Funeral Home, took place in the Littlefield Cemetery.

Pallbearers were six grandsons of the deceased—Tom Waddell, James Waddell, Dick Waddell, R. T. Waddell, Bill Ed Allen and G. I. Carlisle, Jr.

Mrs. Carlisle passed away Friday evening, October 11, at 7 o'clock, at the home of her son and daughter-in-law, Mr. and Mrs. Wayne Carlisle, near Littlefield. She had been in failing health for the last six years, and bedfast for about a month.

She was born at Athens, Tenn., July 19, 1862, and came to Texas in 1874. She was married to T. C. Carlisle at Itasca, Hill County, Texas, December 2, 1883, and moved to Midland, Texas, in 1906.

Later they moved to Yoakum County, where they lived for two years, and where Mr. Carlisle passed away in 1909. In 1937 she came to Littlefield to make her home.

To the above union were born six children, three sons and three daughters.

A daughter, Mrs. Edith Waddell, died in 1930.

Mrs. Carlisle was a member of the Baptist Church for 57 years, and had made her home with her son and daughter-in-law, Mr. and Mrs. Wayne Carlisle, since 1920.

Besides her son, Wayne Carlisle, she is survived by two other sons, G. I. Carlisle of Austin, Texas, and Corwin Carlisle of Fresno, Calif., and two daughters, Mrs. W. E. Allen of Junction, Texas, and Mrs. W. B. Birdwell of Oklahoma City, Okla.; eight grandchildren and three great-grandchildren.

Mr. and Mrs. Billy Eugene Boulton of Roundup are the parents of a fine daughter, born at the Littlefield Hospital Wednesday, October 9, weighing seven pounds and two ounces. She has been named Jean Susette.

Mr. Boulton and daughter were released from the hospital and went home Saturday.

Serving the Fastest Developing Agricultural Section of the Entire Southwest

VOL. XXIV LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, OCTOBER 17, 1946 No 30

### To Preach at First Baptist Church

REV. RALPH PERKINS

Rev. Ralph Perkins of Abilene, Texas, will be the guest speaker at both services Sunday at the First Baptist Church. He will be in Littlefield for one week, directing Training Union work in 22 surrounding Baptist churches of this association. Each night during the week (Sunday through Thursday) he will teach an adult class at the First Baptist Church.

Rev. Perkins is assistant to Dr. T. C. Gardner, who heads the young people's work for Texas Baptists. Dr. Gardner is expected to be in some of the general meetings during the week's campaign. The classes to be taught at the First Baptist Church next week are:

Adult class, taught by Rev. Perkins, will study the book "Our Doctrines."

Young people's class, taught by Mr. Joe Hutchinson, will study the book, "What We Believe."

Intermediate class, taught by Rev. Hemphill, will study the book, "Growing in Bible Knowledge."

Junior class, taught by Mrs. Hemphill, will study the book, "The Junior and His Church."

The primary class, taught by Mrs. Herbert Dunn will study the book, "Indian Blankets."

The beginner classes will be taught by Mrs. James Garrett and Mrs. V. E. Roberts.

### Jury Selection Is Underway In Trial Of Jim Thomas

Selection of jurors was resumed Wednesday as the third trial of Jim Thomas, charged with murder in connection with the death of Dr. Roy E. Hunt of Littlefield, entered its second day. The trial is taking place at Sweetwater.

Fifty-two members of the special venire of 144 were examined on the opening day of the trial Tuesday, and three were accepted.

They were Turner May, Roscoe filling station operator; Clarence Matthews, Sweetwater refinery employe and dairyman, and W. H. Cooper, a farmer.

Twenty-four veniremen were excused by the court, most of them after they stated they could not vote for the death penalty if the state's case is based on circumstantial evidence.

Dr. and Mrs. Hunt were found dead in the bedroom of their Littlefield home Oct. 26, 1945. Their bodies were bound and slashed.

Wayne Brown spent the weekend on a fishing trip.

### AGRICULTURAL PROGRAM WILL BE DISCUSSED AT MEETING OCTOBER 22

A county-wide mass meeting of farmers, and all those interested in the agricultural progress of the county, has been called for 8 p. m., Tuesday, October 22, at the courthouse.

The purpose of the mass meeting is to co-operate with the congressional committee now touring the South in an effort to determine what the farmers want in the future farm program.

Congress recently appointed seven of its members as a special committee and this group is now touring the South.

Texas was granted two of these hearings and one of the hearings will be held in Lubbock October 24.

In view of the fact that the congressional committee cannot contact all farmers, they determined on a plan through which every farmer could have a voice.

The congressional committee has sent out a questionnaire and asked that the farmers discuss these questions and select a spokesman to appear before their group at the October 24 meeting.

The outstanding questions which will come before the Tuesday night mass meeting are the following:

In the event of over production of cotton and other major crops, do you favor the continuing of a control program?

How should our cotton production be controlled? Should the allotment be made to the farmer or the farm?

Do you favor commodity loans along the same lines as we have at the present time?

The questionnaire occupies two legal size sheets and goes into a great many details and possible proposals.

All persons interested are urged to attend the mass meeting in order that the spokesman for the Lamb County agriculturists may be properly selected and instructed.

The mass meeting has been called by a group of leading farmers who met at the courthouse Tuesday night of this week.

How should our cotton production be controlled? Should the allotment be made to the farmer or the farm? Do you favor commodity loans along the same lines as we have at the present time?

The questionaire occupies two legal size sheets and goes into a great many details and possible proposals. All persons interested are urged to attend the mass meeting in order that the spokesman for the Lamb County agriculturists may be properly selected and instructed.

The mass meeting has been called by a group of leading farmers who met at the courthouse Tuesday night of this week.

### Rev. Turner Goes To Roswell, N. M.

Rev. Orbin Turner, who has been pastoring the First Methodist Church, Littlefield, for the past year, was appointed pastor of the First Methodist Church, Roswell, N.M., at the New Mexico conference of the Methodist Church Sunday last, by Bishop W. Angie Smith.

Rev. Turner will preach his last sermon at the local church Sunday, and he and his family will leave next week for Roswell.

Rev. Turner came here from the First Methodist Church of Gainesville. There will be no appointment to the Littlefield church until the Northwest Texas conference of the Methodist Church at Pampa, Nov. 6.

But before they departed, they told Byrne to go to the northeast corner of the station, and to stand with his back to the pair. The order was complied with.

While the two men robbed the station the juveniles are reported to have remained in the car and kept the engine operating.

Their mission completed, the bandits joined their companions and sped away, but not until Byrne had obtained the license number of the car, which helped in making the arrest in Clovis, N.M., about two hours later.

Immediately following the robbery Byrne telephoned Mr. McCormick and the station owner notified the officers. Sheriff Hutson and Night Watchman Dirickson were soon on the job, and started the investigation, notifying Lubbock, Clovis, Amarillo, and Plainview police.

This was the second holdup at this station, which has been robbed several times.

### Gets 15 Years In Felix Bass Killing

FELIX BASS

Sadoth Chavez, 21, Fort Sumner, N. M., broomcorn puller, pleaded guilty to second degree murder in the slaying of Felix Bass of Littlefield, and was sentenced Wednesday at Clovis to 15 to 20 years in the New Mexico state prison at Santa Fe.

Officers had quoted Chavez and his two companions, Jose David Sena Margarito Mostas, as saying that Chavez, after beating Bass into unconsciousness, returned to the spot where he lay, dragged him from the highway and slit his throat with a broken whiskey bottle.

Sena who, according to authorities, admitted taking a package of cigarettes from Bass' pocket, was sentenced to 18 to 24 months on a charge of theft from the person.

No charge was placed against Mostas, who was designated by the authorities as a bystander.

Bass was murdered a little more than a week ago near Melrose, N. M.

### Given Three-Year Suspended Sentence

Leon Bell of Dallas was given a three-year suspended sentence in district court before Judge C. D. Russell Friday afternoon on a charge of forging.

A check for \$63 was forged on L. E. Ball of Hart Camp about six weeks ago.

Bell was arrested in Dallas, brought to Littlefield by Sheriff Sam Hutson about a month ago, and had since been in the Littlefield jail.

### Nelson Naylor Attends IOOF Grand Lodge

Mr. and Mrs. Nelson Naylor left Sunday for Roswell, N.M., where Mr. Naylor attended the IOOF Grand Lodge.

Encampment Grand Lodge opened Monday, and IOOF Grand Lodge convened Tuesday and Wednesday.

Mr. Naylor, who came to Littlefield from Portales several years ago, is past grand master of Grand Lodge of New Mexico.

Mr. and Mrs. Naylor expected to return to Littlefield this morning.

Mr. Naylor is owner and operator of Nelson's Hardware, Littlefield.

### COACH FIKES SENDS IN SECOND STRING WHEN CATS TOO STRONG FOR LOVINGTON

By CLYDE AKERS  
Leader Staff Writer

It was another one of those games for the Littlefield Wildcats last Friday night. This time they downed Lovington, N. M., High School by the score of 46 to 18.

In the first half of the game the Wildcats scored 27 points, with Carter and Price each going over once and Hendrickson twice. The longest run of the game was made by Hendrickson in the second quarter when he took the ball on the Cats' 20-yard line and ran 86 yards to Lovington's goal.

Coach Fikes let the second string play the last part of the second quarter, at which time the Lovington team managed to score twice with

### Visitors Expected To Give Wildcats Real Competition

#### Bailey School Eleven 'Experienced Players' Cats Record Good

The Littlefield Wildcats will play their fifth game of the season and their third conference game when they meet the Muleshoe Yellow Jackets at Seely Field Friday night.

The Littlefield Cats have a perfect record for this season, having won all their games, conference and non-conference.

The Yellow Jackets who, like the Cats will play their fifth game Friday night, lost a non-conference game to Spring Lake and a conference game to the strong Sudan Hornets.

Muleshoe has eight of their first string lineup from last year back in the game this season, which gives them a team with considerable experience. The Yellow Jackets have Littlefield outweighed about 10 pounds to the man, which gives them another advantage.

The starting lineup for the Cats will be as follows:

Gene McCanliss, left end; Jiggs Walker or Warren Rutledge, left tackle; Bobbie Coen, left guard; Royce Jennings, center; Billy Wayne Sison, right guard; R. L. Brewster, right tackle; Jack Davis, right end; Travis Price, quarterback; Jackie Shelby, blocking back; Gene Carter, tailback; S. G. Hendrickson, fullback.

Officials: Barrett, referee; Winberley, head linesman; Judd, umpire.

### Junior High Cats Play Olton Juniors

The Littlefield Junior High team played their third game of the season Wednesday afternoon, when they met the Olton Junior High team at Seely Stadium.

In their second game of the season, played last Thursday, the Cats were defeated by the Lubbock Junior High Reds, 46-0.

The Lubbock team, the members of which have been playing for several years, outplayed and outweighed the locals.

### Report 399 Bales Of Cotton Ginned

According to Mrs. W. H. Rutledge, cotton statistician for Lamb and Castro counties, there have been 399 bales of cotton, counting round as half bales, ginned in Lamb County from the crop of 1946, prior to October 1, 1946, as compared with 34 bales ginned to October 1, 1945.

### Remodelling Of Hospital Building Gets Underway

Remodelling of the former dormitory building in College Heights Addition, preparatory to occupying the building as a hospital, is underway.

The first project is the re-roofing of the structure.

The property is owned by the Lamb County Memorial Hospital.

Producing Herds Should Be Culled

Now is the time for farmers to begin plans for next season's stepped-up production, by selecting high-efficiency breeding stock that will assure a heavy volume of spring pigs, livestock authorities reported in a report issued in Austin recently.

"With the need for much higher production, farmers cannot afford this year to trifle with inferior or scrub breeding stock," states the report by the American Foundation for Animal Health. "Producing herds should be culled now, to eliminate shy-breeding brood sows, and both sows and boars which produce slow-gaining, hard-feeding pigs.

"Farmers who want to assure themselves of a good pig crop would do well to have their breeding stock tested for brucellosis. This disease has been spreading in recent years, causing sows to lose their pigs, or to produce weak, sickly litters that may survive only few days after farrowing. If animals are blood-tested, however, owners should bear in mind that brucellosis testing is valuable on a herd basis, but of little use on an individual hog basis. Now breeding stock is not introduced without the precaution of a blood test."

Foundation authorities also urge swine raisers to clean up hog houses before cold weather. Steps suggested include burning of contaminated bedding, thorough disinfection, checking of all hogs for mange, and treatment of the animals if mange exists. Many winter diseases can be avoided by proper cleanup measures now, the report states.

ding, thorough disinfection, checking of all hogs for mange, and treatment of the animals if mange exists. Many winter diseases can be avoided by proper cleanup measures now, the report states.

GEMS OF THOUGHT

Prosperity is the touchstone of virtue; for it is less difficult to bear misfortunes, than to remain uncorrupted by pleasure.—Tactus.

The virtue of prosperity is temperance, but the virtue of adversity is fortitude; and the last is the more sublime attainment.—Bacon.

A smooth sea never made a skillful mariner; neither do uninterrupted prosperity and success qualify men for usefulness and happiness.—Burton.

Trials teach mortals not to lean on a material staff,—a broken reed, which pierces the heart. We do not half remember this in the sunshine of joy and prosperity.—Mary Baker Eddy.

One is never more on trial than in the moment of excessive good fortune.—Lew Wallace.

Charge them that are rich in this world, that they be not highminded, nor trust in uncertain riches, but in the living God, who giveth us richly all things to enjoy.—(I Timothy 6:17).

At The Littlefield Hospital—

W. C. Fry of Littlefield, who was admitted for medical treatment on Saturday, Oct. 5, was dismissed Monday and went home. He was suffering from pleurisy. Gene Reichle of Anton, who is a patient at the hospital for skin graft-

ing, is getting along nicely. He was badly burned about the legs about a year ago. Mrs. L. E. Moore of Littlefield was admitted for medical treatment Sunday, October 6, and was released, much improved, on October 10. Mrs. L. Smith was admitted for medical treatment Oct. 7 and released the next day much improved. Richard Alexander, son of Mr. and Mrs. Orville Alexander of Littlefield, had his tonsils removed at the hospital October 8, and remained until

the next day. Jackie Weaver, son of Mr. and Mrs. Jack Weaver of Littlefield, was a patient in the hospital Tuesday and Wednesday of last week, threatened with appendicitis. Mrs. Lonnie Wyatt underwent a major operation on Tuesday of last week, and though still at the hospital, is getting along fine. She is expected to remain for a few more days. Mrs. Floyce Thomas of Littlefield was admitted October 8 for medical treatment and dismissed two days later. Donna Kay, daughter of Mr. and Mrs. Ray Denny of Valleyview community, had her tonsils removed Wednesday of last week, and was released Thursday. Durand and Doyle Bishop of Anton, children of Mr. and Mrs. E. A. Bishop, underwent a tonsil operation Friday last. Mrs. J. J. Williams of Spring Lake was admitted for medical treatment Friday, and released Sunday. L. R. Goynes of Olton is a patient in the hospital, having been admitted for surgery Friday last.

LOCAL STUDENTS ENROLL IN ABILENE CHRISTIAN COLLEGE Abilene Christian College, opening her forty-first session on October 3, had a record enrollment of 1420 students, a 115 per cent increase over last year. Of this number, 585 were veterans. By classes there were 771 freshmen, 320 sophomores, 195 juniors and 144 seniors. Included in those enrolling for the 1946-47 fall semester were John and Leta Mae McCormick of Littlefield, and Dayton Keese of Anton.

WEATHER ON TOP

The battle between West Texas weather and local fresh air addicts is on again, and this time indications are that the weather may come out on top. Early last summer Texas Technological College at Lubbock provided tables and chairs on the shady south terrace of the library building for students who prefer to study in the open air. But recent torrential rains followed by chilly winds have just about put an end to this season's popularity and the unique study arrangement.

In 1781 a Parisian surgeon described the action of opium.

Six Oregon and Washington tree farms in the 1944-45 season planted 2,612,000 seedlings.

To Build Swimming Pool and Redecorate Olton Legion Hut

Plans are underway by the American Legion and Auxiliary at Olton for the raising of funds to redecorate the Legion Hut and the building of a swimming pool.

Auxiliary members are carrying out a special campaign, and Mrs. Gene Mitchell and Mrs. Clovis Poteet of Olton were in Littlefield Saturday in the interest of the program. These women are really good sales ladies, and are expected to put over the project in a big way.

Legion members started on their program about ten days ago, and are meeting fine success in the obtaining of funds for the above projects.

AWARDED CERTIFICATE

Secretary of War Robt. P. Patterson has awarded Texas Technological College at Lubbock a certificate of distinction for training soldiers in the Army specialized training program, it has been announced by President W. M. Whyburn of Tech.

Girl, Subject Of Intensive Search, Visiting Parents

Miss Joan Boston, 19, a senior at North Texas State Teachers College, Denton, and a daughter of Mr. and Mrs. W. M. Boston of Littlefield, is spending a vacation with her parents.

Miss Boston, who has been studying intensely at college, and who left North Texas State Teachers College Tuesday of last week and was the subject of a wide search by police for two days, returned to the home of her sister in Dallas Thursday in a very nervous condition.

She reported to her family that she felt she must get away from study and started on a vacation trip, but abandoned the idea and went to Dallas and to the home of her sister. Mrs. Boston and son, Jimmy, went to Dallas Thursday to accompany Miss Boston to Littlefield.

Last year the United States produced 21.5 billion feet of soft woods.

### Miss Betty Jean Kelly and Wm. Flowers Marry at Earth

Miss Betty Jean Kelly, daughter of Mr. and Mrs. Guy Kelley of Earth, became the bride of Mr. William Flowers, son of Mr. and Mrs. R. A. Flowers, of Perryton, Wednesday, October 9, at 6 o'clock in the evening, at the home of her parents.

An arch of fern and palms flanked by candelabra and baskets of pink and white chrysanthemums formed the setting for the double ring ceremony performed by Rev. Blaine pastor of the First Baptist Church of Muleshoe.

Mrs. Clarence Kelley sang "Always" and "I Love You Truly," accompanied on the piano by Mrs. Jenal Haberer. Mrs. Haberer also played "Second Mazurka" during the ceremony.

The bride wore a gray gabardine suit with black accessories, and was given in marriage by her father. Her bouquet was of pink carnations and delphinium, and she carried a white Bible.

Miss Jean Matthews of Littlefield was maid of honor, while the groom's attendant was R. A. Flowers, brother of the groom.

Mrs. Kelley wore a black crepe dress with a shoulder bouquet of Pinochi roses.

Following the ceremony, a reception was held in the home of the bride's parents. Mrs. Pat McCord served a three-tiered wedding cake, and Mrs. Fred Nix poured punch. Miss LaJuana Kelley presided at the

MRS. WILLIAM FLOWERS

guest book. Only relatives and close friends attended.

Mrs. Flowers is a graduate of Spring Lake High School, and received a degree in business administration from West Texas State College at Canyon in August. She was a member of Kappa Tau Phi sorority.

Mr. Flowers is a graduate of Perryton High School, and received a B.S. degree from West Texas State College after serving three years with the Navy in the South Pacific.

### Eastern Star Initiates Five Into Order Friday

A large number of Eastern Star members and visitors were present at the regular meeting of the local chapter Friday evening, when five candidates were initiated into the order.

Those who were initiated were: Mrs. Row Wade of Littlefield, Mr. and Mrs. J. A. (Doc) Streety of near Spade, Miss Ruth Thomas of Amherst and J. J. Hobgood of Anton.

A memorial service for Walter B. Baldwin, past worthy grand patron, who passed away July 29, was held.

The Hallowe'en motif was carried out throughout the evening. The Masonic hall was beautifully decorated with flowers, including red roses, nasturtiums and white roses. In the East was a beautiful centerpiece of red princess feathers, while in the dining-room a big pumpkin filled with golden nasturtiums formed the centerpiece on the table.

Plate favors were chrysanthemum corsages.

Wafers, pumpkin pie and coffee were served by Mrs. Maude Street and Mrs. Viggo Peterson, who acted as ghosts.

Forty-three were in attendance at Fifty-three were in attendance at the meeting, including four visitors, who were: Mr. and Mrs. Don Hobgood and Mrs. Thedford of Meadow, and Mrs. Thomas of Amherst.

It was voted at the meeting to pay the expenses of one automobile to Grand Chapter on October 21 at Houston, when Pat Boone will be a candidate for associate grand patron. Mrs. Boone is grand chaplain.

### Amherst H. D. Club Elect Officers

The Amherst Perry Home Demonstration Club met Thursday afternoon in the home of Mr. and Mrs. Buster Molder.

The entertaining rooms were decorated with autumn flowers. The meeting was opened with a

### Mrs. George Harmon Entertains Members Needlecraft Club

Mrs. George Harmon entertained members of the Needlecraft Club in her home Wednesday afternoon.

The entertaining room was decorated with yellow autumn flowers in blue vases and reed baskets. Sewing was the highlight of the party.

Dainty refreshments were served to Mmes. Alvin Mixon, Joe Porter, E. E. Gee, Sam Harmon, Marvin Wagner, L. C. Rhodes, and the hostess, Mrs. Harmon.

poem, "Others," by Mrs. George Harmon.

The selected program was sewing and handiwork, which every one enjoyed, and which followed election of officers for 1947, as follows:

For president, Mrs. Maurice Brantley; vice-president, Mrs. H. L. Phelps; secretary-treasurer, Mrs. B. Molder; parliamentarian, Mrs. E. L. Yarbrough; council delegate, Mrs. Joe Porter.

Lovely refreshments were served in a most unique manner, carrying out the Hallowe'en motif.

Doughnuts were served from the "old witches broom" after passing a test, then followed by "autumn punch."

Those enjoying this lovely meeting were: Mesdames Maurice Brantley, Joe Porter, V. R. Stagner, H. L. Phelps, E. L. Yarbrough, Harris Brantley, R. H. Briley, Walter Brantley, George Harmon, Bennie Shipley, and the mostess, Mrs. Molder.

Mrs. W. Matthews and daughter, Mrs. Opal Thompson, and her daughter, Bobby, of Long Beach, Calif., arrived Wednesday of last week for a visit with Mr. and Mrs. "Buck" Teague, and other relatives. Mrs. Matthews is Mrs. Teague's mother.

### Miss Jo Nell Cowan And Elgin Black Marry Saturday

Miss Jo Nell Cowan, daughter of Mrs. Dove Reese of Littlefield, became the bride of Elgin Black, son of Mr. and Mrs. Black of Sudan, Saturday at Clovis, N.M.

The beautiful ring ceremony took place at 10 o'clock Saturday evening at the home of the First Baptist pastor, Rev. Maddox.

The bride wore a black and white checked suit, with red accessories.

Mrs. Starne Jones, who attended the couple, wore a brown and white checked suit with brown accessories.

Following the ceremony the couple left on a short honeymoon to points in New Mexico.

Mrs. Black was graduated from Sudan High School, with the class of 1942. She had been employed by the Reese Drug for the past three months.

Mr. Black is a graduate of Littlefield High School, with the class of 1941. He is employed by Piggy Wiggly at Levelland, where the couple will make their home.

Mr. Black was discharged last January, after spending three years in the service. He served as a radio operator in the Army, and spent some time in the South Pacific.

### Mrs. Rex Clayton Honored at Shower At Ralph Gage Home

A pink and blue shower was given in honor of Mrs. Rex Clayton at the home of Mrs. Ralph Gage Wednesday, Oct. 9th.

Refreshments were served to the following: Mmes. J. H. Attaway, Buster Feagley, C. B. McWilliams, R. E. Blessing, George Kirk, Udelb Lewis, Jack Rowan, C. W. Clark, J. M. Clayton, John Standifer, Wolfe Shaw, Joe Wells.

Those sending gifts but unable to attend were Mmes. J. B. Roberts, Lubbock; Jay Lewis, Edith Inman, Earline Smalley, John Crawley, Mattie Dee Bryan, E. L. Price, Earl Douglas, Granny Brewer, L. C. Hicks, Margaret Attaway, Bob Clayton, Ollie Onstead, Maxine Onstead, Earl Taylor, Wendell Clayton and L. Smith.

### Miss Vera Smith and Lloyd Haire Wed

Miss Vera Smith of Spade became the bride of Lloyd Haire of Yellowhouse Switch in a beautiful double-ring ceremony Sunday afternoon, October 6.

The marriage vows were exchanged in the parsonage of the First Baptist Church, at 3 o'clock, with the pastor, Rev. Lee Hemphill, officiating.

The couple will make their home on a farm near Spade, which the groom is operating.

### ALIGNMENT Saves You Car Wear! Gas! Rubber!

Misaligned wheels cause unnecessary friction and wear on tires. They can interfere with proper car control.

Stop in Today!

**Local Church Represented At Synod of Texas**

Dr. and Mrs. A. B. Haynes left Monday for Fort Worth to attend the Synod of Texas of the Presbyterian Church, which opened at the Hemphill Presbyterian Church at 7:30 p.m. Tuesday, and will continue in session until Thursday afternoon.

Mrs. E. A. Bills, as delegate from the Amarillo Presbyterial, is also attending the Synod. She left Littlefield Tuesday for Fort Worth.

Rev. E. B. Surface, pastor of the Central Presbyterian Church at Abilene, and moderator, is presiding at the meeting.

Ministerial and lay delegates are from the constituent Presbyteries of Abilene, Amarillo, Austin, Brownwood, Dallas, El Paso, Fort Worth, Houston, New Orleans, Paris, Southwest Bohemian, Waco, and Wichita Falls. The church at large is being represented by the secretaries of the boards of national missions, foreign missions, pensions and Christian education, and the general committee of united promotion.

**CARD OF THANKS**

To our many friends we are deeply grateful for your many kind expressions of sympathy and understanding shown us by your beautiful floral offerings, kind words of condolence and the good food during our hour of deep sorrow in the tragic death of our beloved father, son and brother, Felix. May God bestow His richest blessings upon each of you, is our prayer.

The Bass Family,  
The Bertram Family.

**CARD OF THANKS**

We thank our many friends and neighbors for their many acts of kindness and expressions of sympathy extended during the illness and at the death of our loved one, Mrs. B. J. Carlisle.

We thank those who prepared and sent food to the Rowe home, and many other courtesies extended.

We especially thank the ladies who served the food at the Rowe home the evening before and on the day of the funeral.

May God bless each and every one of you for your kindness and many courtesies.

Mr. and Mrs. Wayne Carlisle and Tad,  
Mr. and Mrs. W. E. Allen and Family,  
Mr. and Mrs. J. M. Waddell and Family,  
G. I. Carlisle and Family,  
Mr. and Mrs. W. B. Birdwell.

**PARTY IS HELD FOR AMHERST SENIORS**

The senior class parents, Mr. and Mrs. Allen White, Mr. and Mrs. George Harmon, and Mr. and Mrs. Raymond Edwards, were hostesses Thursday night at an outdoor supper given for the senior class and their sponsor, at the home of Mr. and Mrs. Allen White, on their lovely back lawn.

The Fall theme was carried out with the use of "Piesta" and "Autumn" flowers on the tables, laid with red and white check linens.

BRING YOUR HEMSTITCHING to the house. Same old price, 10 cents yard. Mrs. M. M. Dubose, Route 1, 2 1/2 miles northeast. 30-4tp

After consuming the most delicious barbecue, wieners, baked beans, green salad, doughnuts, etc., the class enjoyed many game sponsored by Mrs. Elms.

Among those enjoying the hospitality of the class parents were:

Norma Seamore, Norma Blair, Bobbie Wagner, Joyce Edwards, Virgie Sager, Mary May, Reta Bloom, Ray Lynn Blessing, Betty Britt and Ruth Griffin; Melvin Seamore, Lavern Nicholson, Jameryl Harmon, Charles Hinds, J. W. Tomes, Babe Enloe, Bill Rotan, O. J. Goodin, Bouncer White, Bobbie Ray Vaughn, and Mr. and Mrs. "Rip" Elms.

**AIRPORT NEWS**  
 By MRS. "TEX" CROW  
 The weather has certainly looked to the local fliers this week, as you may have noticed they've been making advantage of it. How- ever, they may have postponed their usual runways at Plainview and caused them to postpone their flight until next Sunday. If all goes well, and we surely hope it does, they will gather at Plainview and Miller's bunch do the cook- ing.

planes keep arriving, and we have a display on hand now. We have two new 1946 Funks, and a Bellanca Cousoir, to say nothing of another Champion.

Mrs. Herbert Martin have flown down to Mexico City for a vacation. They flew their own plane.

McGuire Flying Service is a CAA-approved flying school. All necessary paper work has been turned in to the Veterans Ad- ministration, in return for which we are flying veterans under the War of Rights in a few days—we are billing ourselves.

Crow went to Lubbock Sunday night back his 1940 Model B.

Local air enthusiasts are about to form a club. They hope to purchase an Aeronca Champion. We have luck in their venture.

Jim McGuire expects lots of orders for hats. Don't disappoint him; come out and see what a superb Littlefield has. And if you would like to fly there's always a place for more students.

**Open Revival**  
 Main St. Church  
 Christ, Amherst

Minister L. W. Hayhurst of Ma- son, will begin a revival meet- ing at the Main Street Church of Christ in Amherst Sunday, Nov. 3, and continuing through Sunday, Nov. 10.

Sam Hutson and Deputy Sheriff Ed Hopping left for Sweet- water Monday to attend court when the Thomas case is called Tues-

**Social Security**  
Special to Visit  
October 23

Robert Adams, manager of the Littlefield office of the Social Security Administration, will be in Littlefield at the post office at 10:30 a.m., Wednesday, Oct. 23, for the purpose of seeing persons who have questions concerning social security. Divorcees and other workers who have been employed in stores, offices and similar industrial or commercial work, should advise the Social Security Administration of any change in their names if they are to continue to work in such occupation. The reporting of such changes and corrections is necessary in order that the Social Security Administration keep their records under one account number. It is also important that it means fill benefit rights of the worker retires, or in case of the wage earner, accurate data to his or her eligible survivors.

Mr. and Mrs. H. O. Bigham spent the day with Mr. A. A. Pinkerton at the frozen food locker plant here, is Mrs. Bigham's brother-in-law.

**Soap Shortage To Get Worse**

The soap shortage will get worse before it gets better, but a public health service official said Thursday that the suds famine doesn't necessarily mean a field day for germs.

The official, who wished to be unnamed, attempted to put at rest the fears raised by President R. R. Deupree of Proctor & Gamble Co., who had said that the soap shortage is jeopardizing health.

Bathing every day is a nice thing when there's plenty of soap, the official said, but a person can pass it up once in a while and still be healthy.

As for relief, an Agriculture Department spokesman said the shortage will not ease until spring at the earliest, and meanwhile it will get worse. It all gets back to the meat shortage. Until more animals are slaughtered, he said, there won't be enough grease for soap. And even when normal slaughtering is resumed, he added, it will take an additional three months for soap supplies to reach normal.

According to Dr. Still of the Payne-Shotwell hospital, Littlefield, the condition of Mrs. Raymond Hanna of Sudan has greatly improved, and she now is on the road to recovery.

**MEXICO WOULD SHIP CATTLE TO U. S.**

Mexico this week urged the United States to reopen the border for cattle shipments, saying there is no danger of hoof and mouth disease from Mexican imports.

An Agriculture Department official told reporters, however, that no action will be taken until two United States veterinarians now in Mexico complete their survey.

Mexico's appeal was delivered to the State Department by Ambassador Antonio Espinosa de Los Monteros. He submitted a report from Mexican veterinarians.

The U. S. barred Mexican cattle after Mexico had imported some bulls from South America which officials here feared might be diseased.

**SUDAN SCHOOL CARNIVAL**

Plans for a Halloween carnival were discussed at a Sudan school faculty meeting recently.

The carnival, to be held Oct. 31 in the high school buildings, will be the best yet, according to Perry Morins, superintendent of Sudan schools. "This carnival will be similar to those held in the past," he said, "but we're going to try to make it the best ever held in Sudan."

Exact details of the carnival have not as yet been disclosed.

**Shortage Reported On Necessities**

A sharply etched picture of shortages of meat, soap, sugar, toilet tissue and other key living items—worse in many instances than during the bleakest war days—has been disclosed by a survey of 45 cities.

Up and down and across the country, major communities reported that many normal essentials had either gone from the shelves entirely, disappeared under the counter to become so-called "top items" for favored customers, or were available only to the lucky or constant shopper.

The cross-nation check by the Associated Press brought in these among other returns:

In 40 of the 45 cities meat was either not available at all or more often was in supply ranging from a small fraction of normal to an "occasional" appearance.

In all 45 cities soap in one or all of its forms was becoming almost a collector's item.

In 24 cities sugar was scarce or even in acute shortage, while in 18 others it was either plentiful or in fair to middling supply.

Sixteen communities listed toilet tissue among top scarcities.

Cooking oils and fats, shortening, mayonnaise, salad oils, oleomargarine, lard, syrup and other items contain-

ing sugar were short in varying degrees in most cities—a list to which the Jacksonville, Fla., reporter tacked on "bourbon whisky," and Milwaukee added a diaper shortage.

Boise, Idaho, stood out as a bright spot in the nation. It reported tersely, "no shortage of beef, lamb, sugar or butter," but complained mildly that there was a scarcity of "certain cuts of pork."

Reports of minor disturbances in the dash to capture scarce items were scattered across the country.

In Columbus, Ohio, where some housewives were reported to be bribing the butcher with gifts of whisky, one wishful buyer lost a tooth and two were scratched when 35 women rushed a clerk who was bringing out a carton of soap flakes.

In Miami, Fla., a new market advertised a stock of all scarce items. It was mobbed. The supply lasted one hour. An Albuquerque, New Mexico, store which also had advertised soap and shortening had to close its doors against a throng. A Brooklyn, N. Y., meat market, which passed the word around that it had plenty, was the scene of a continuing mob performance until the police came.

In Logan County, W. Va., four coal mines shut down when miners went on a protest strike against shortages of meat, lard and soap.

No actual butter shortages were reported.

El Paso, Texas, reported a "fair" supply of meat.

Reports disclosed many oddities. In Chicago, "grab bag" or pre-wrapped meat sometimes is sold to known customers. In Salt Lake City, Utah, a special effort will be made to get needed fats off the bodies of 50,000 deer to be slain shortly. In Minneapolis, 30 head of bison have been taken from a private herd for meat purposes.

**Lt. Bruce Wren Makes Cross-Country Flight**

Lt. Bruce Wren, Jr., made a cross-country flight from Scott Field, Ill., to Clovis, N.M., this weekend to visit his family and attend to business. Lieutenant Wren is stationed at Scott Field, where he is instructing. He is the only son of Mr. and Mrs. J. B. Wren.

Lieutenant Wren was accompanied on this flight by Edsel Hauk, son of Mr. and Mrs. Charles Hauk of this city; Doyle Rutherford, son of Mr. and Mrs. Frank Rutherford of Lubbock; and Lt. Hank Pulrezy of New York.

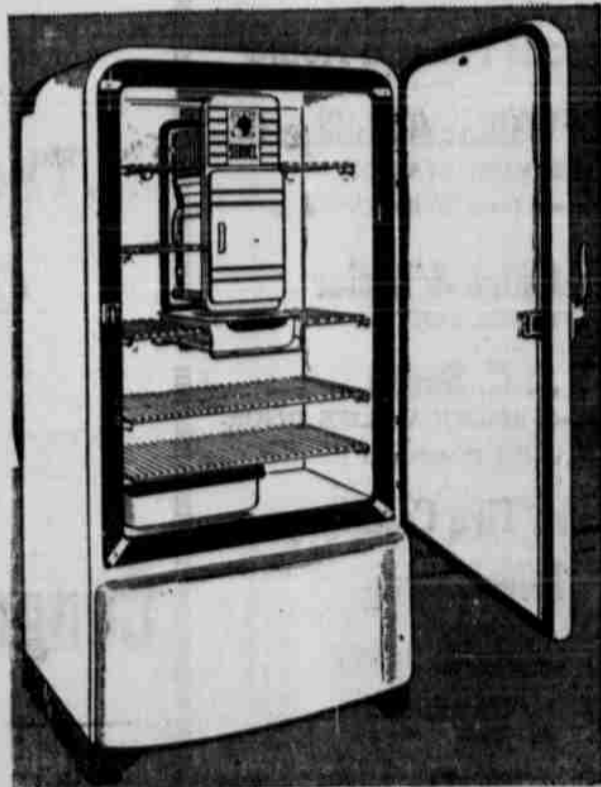

Lieutenant Pulrezy was a guest in the Wren home.

## Movie Star Is Proud of Home Town Product

Miss Leslie, of the movies, is doubly proud of her Chrysler Town and Country convertible coupe because it was designed and built in her home town, Detroit. No matter how much success she may achieve in Hollywood, she is still loyal to the city of her birth. Among the pictures in which Miss Leslie has won orchids are: "High Sierras," "Two Guys from Milwaukee," and "The Sky is the Limit." She recently topped a list of "The Stars of Tomorrow" compiled by the "Motion Picture Herald" after polling motion picture exhibitors.

## COMPLETE INSTALLATION OF LIGHTS AT SPRING LAKE FOOTBALL FIELD

Installation of electric lighting at the Spring Lake football field was completed Wednesday of last week by F. W. Electric, when 32 lights of 1500 watt lamps were put up on 55-foot poles. This will provide ample light for night games.

Night games by the Spring Lake players will be staged from now on. Mr. Bearden is superintendent of Spring Lake schools.

## Progress Being Made in Hockley Co. Road Program

Hockley County's county-wide farm-to-market road program is getting well under way. The 48 miles now under contract is expected to be finished this year.

Work is progressing on the road leading north from Highway 290 by Dean and on north to Roundup. Three and a half miles have been graded and are ready for the caliche base. This stretch of road covers 13 1/2 miles of the worst road in the county, and its progress is watched and its completion eagerly awaited.

Work on various projects in the county is being pushed as rapidly as possible. Projects in the Sundown precinct include 2.64 miles south of Sundown, extending the state farm-to-market road to the south line of the county; paving 11 blocks in Sundown around the schoolhouse; and seven miles west from Fairview Church to Coble Switch. Then in Precinct Three, 14 miles north from Highway 290 to Oklahoma Flats.

In Precinct One, a five-mile job south from Smyer is under construction, with the caliche already laid. A seven-mile project in the Ropes community project is under contract.

These various projects over the county total about 48 miles, which is about a third of the farm-to-market road program of the county. However, it is not contemplated that the entire program will be completed for at least two years.

## LT. (JG) A. E. FIFE IS AWARDED DISTINGUISHED FLYING CROSS

For his performance as pilot of a dive bomber in Bombing Squadron 10, attached to the carrier USS Enterprise in the Marianas campaign, Lt. (jg) Aubrey Earle Fife, USNR, son of Mrs. Laura Fife of Sudan, has been awarded the Distinguished Flying Cross.

During the first battle of Philippine Sea he helped his air group severely damage and probably sink an enemy aircraft carrier, and brought his plane back safely in the hazardous night flight which followed the attack.

Text of the citation is as follows: "For heroism and extraordinary achievement in aerial flight as pilot of a dive bomber in Bombing Squadron 10, attached to the USS Enterprise, in action against enemy Japanese forces in the vicinity of the Marianas islands, from June 18 to 25, 1944. Participating in the first battle of the Philippine Sea on June 20, Lieutenant Fife fought his plane with skill and daring and, despite an intense barrage of anti-aircraft from enemy warships and to additional hazards attending a long night flight, assisted his air group in severely damaging and probably sinking one enemy aircraft carrier. By his superb airmanship, aggressive fighting spirit and unwavering devotion to duty, Lieutenant Fife contributed materially to the success of our operations in this highly strategic area, and his great personal valor in the face of grave peril was in keeping with the highest traditions of the United States Naval service."

## Near Record Milk Supply Available

Lamb County residents will consume more than 4,400,000 quarts of milk and milk products this year in maintaining the county's high nutritional standards, it was predicted this week by the nation's leading distributor of dairy products.

With a near record supply of milk coming from the nation's dairy farms, consumption of dairy products this year will nearly equal that of 1945, when more than 60,000,000 quarts were consumed," said G. W. Diehl, head of A&P Food Stores' national dairy department. "A 22 per cent increase in per capita consumption of milk during the war years helped overcome the loss of nutrition caused by curtailed supplies of fats and oils and helped bring about the nation's high nutritional wartime levels."

An increased supply of most cheese products is now available in many sections of the country and other milk products are expected to be adequate during the fall and winter months, Diehl said. These products contain nearly 14 per cent of the calories, 24 per cent of the proteins, 18 per cent of the fats, 74 per cent of the calcium and 45 per cent of the riboflavin consumed by the average individual.

The pioneering efforts of food chains in developing a streamlined distribution system, Diehl said, have made possible the quick movement of milk and milk products from dairy centers to densely populated consumer areas. Modern refrigeration equipment and improved handling methods were also cited as instrumental in maintaining the high nutritional qualities of dairy products.

Lamb County's 1,840 farms are expected to produce more than 12,600,000 quarts of milk this year.

## Spring Lake Boy Awarded 'American Farmer' Degree

KANSAS CITY, Mo., Oct. 21.—Nineteen young farmers from Texas were selected from among more than 200,000 students of vocational agriculture in the United States to receive outstanding awards at the Future Farmers of America National Victory Convention here today.

The award, known as the "American Farmer Degree" for the year 1946, was made to 178 farm boys who represent the best in the young farmer group throughout the entire nation. With the degree goes a cash award of \$25 to each boy from the Future Farmers of America Founda-

tion. Among the Texas boys receiving this honor was Dwane Jones, Spring Lake, Texas.

To be eligible for consideration for the award, a candidate must have completed at least three years of high school vocational agriculture with high scholarship; must be actually launched on a successful farming enterprise embodying modern, scientific practices and efficient record-keeping; and must be outstanding in his school, community and state's rural life in leadership, community service and agricultural activities.

**WEEKLY ARMY NEWS DIGEST**

**Uniform Pay for ROTC Students**  
Commutation pay in lieu of uniforms will be payable to students of the ROTC, according to a War Department radiogram reaching Headquarters Fourth Army, Fort Sam Houston, Texas.  
For the fiscal year 1947 ROTC advanced course students will receive \$82.07 for two years. Students in elementary courses will be paid not to exceed \$9 per year for two years and \$7 per year will be allowed for three years to students in civilian school institutions and four years at MS, MI and JCM institutions. Commutation of subsistence at rate of 66 cents per day per student will be payable during the fiscal year of 1947 to advance course students authorized to receive it.

**Permanent Address of 103rd Inf. Div. Assn.**  
On behalf of thousands of its veterans, many of whom have written for information, Headquarters Fourth Army, Fort Sam Houston announces that the permanent address of the 103rd Inf. Div. Assn. is P. O. Box No. 867, Baltimore 3, Maryland.

**To Wear Off Duty "Civvies"**  
Officers and enlisted men of the Army may wear civilian clothing during off duty hours, according to announcement from the War Department, reaching Headquarters Fourth Army, Fort Sam Houston, Texas. A similar action has been taken by the U. S. Navy.  
However, individual local commanders are authorized to suspend the privilege of wearing civilian clothes if conditions at such stations make such action advisable.

**Wanted For Army Duty**  
The War Department has announced from Washington the urgent need by the Judge Advocate General's Department of reserve officers who are lawyers and members of the JAGD. Officers will be used for overseas service, and arrangements have been made to have their families join them if duty for an extended period is accepted, this transportation of dependents to be in accord with priorities existing in each theater.  
In the War Department announcement reserve officers qualified and wishing this duty are asked to communicate direct with the Judge Advocate General of the Army, Pentagon Bldg., Washington, D. C.

**Citizen Army of 5,000,000**  
Secretary of War Robert P. Patterson in an address which drew cheers and applause outlined before the 28th Annual Convention of the American Legion in San Francisco a program which would provide this nation with a force of approximately five million—composed for the most part of citizens.  
The secretary's program envisaged a Regular Army and National Guard of 1,682,000 men, an organized reserve of 3,000,000 and a compulsory six-month military training program.  
Details of the proposed organization were explained by Secretary Patterson in a five-point outline:  
1. A total defense force of nearly 5,000,000 "in a state of combat readiness at all times" would include 1,000,000 Regulars, 682,000 National Guard and 3,000,000 organized Reserves.  
2. Universal military training for six months, trainees to maintain their civilian status but to be given the training at Army camps.  
3. A civilian agency, such as the proposed National Security Resources Board to mobilize and co-ordinate industry in case of need.  
4. Merger of the armed forces under a single secretary.  
5. Parity of the Air Forces with those of land and sea.  
Secretary Patterson explained that young men inducted into the Army installations at the conclusion of the training period would be given the choice of several options. Those would include enlistment in the National

**POSSUM FLATS ... "HEAVEN ON EARTH"**

Guard, organized reserve or regular army or entrance into a service academy, enlistment in the enlisted reserve and enrollment in an approved college for advanced technical and scientific training. Another option would be enrollment for another six months of training at a military camp which would complete the trainee's obligation and let him revert to the pool of trained civilian manpower.  
Under the program every male citizen would register on his 17th birthday to enter training at 18, or on completion of high school.  
In explaining the importance of the proposed program, which Congress will be asked to approve, Secretary Patterson said:  
"The peaceful purposes of our people are known to the world and there can not be the slightest doubt in the minds of anyone that those same purposes will guide our behavior in the future.  
"But the old lesson that military weakness is nothing but an invitation to be pushed around and assailed by ambitious dictators has been taught us once more by recent and bitter experience."

which have been given in many communities during the past summer will be discontinued for reasons of economy, it was announced by the War Department.  
Air ROTC courses will be available this fall to 7,200 elementary and 9,000 advanced students, according to announcement by Major General Earle E. Partridge, assistant Chief of Air Staff for Operations and Training.  
**Cotton Session To Be Held Oct. 24**  
Congressman George Mahon announces from his Lubbock office that on October 24 a congressional committee will hold a hearing in Lubbock in regard to future policies and legislation affecting cotton and cotton producers.  
The purpose of the hearing is to get the views of cotton producers with respect to legislation to be considered by the next Congress. A portion of the AAA law, including that part which enables producers to establish national and local cotton acreage quotas will expire next year.  
The committee is coming to West Texas upon the invitation of Representative

sentative Mahon. The committee will be headed by Congressman Steve Pace of Georgia, author of the well-known Pace Parity Bill. Mr. Pace is an influential member of the House Committee on Agriculture. Six other members of this important committee are scheduled to accompany Mr. Pace to Lubbock for the hearing. In the group will be Congressman Bob Poage of Waco, well known in farm circles.  
Mahon said that the committee would hold two hearings in Texas, one at Cameron, in Central Texas, and the one in Lubbock on Oct. 24.  
The exact place in Lubbock where the meeting will be held is yet to be announced.  
Mahon emphasized the importance of cotton to the future prosperity of West Texas, and expressed the hope that each county in this district would have at least one representative at the Lubbock meeting.  
The committee is seeking the viewpoint of the cotton farmer as to support prices, loans, parity, acreage restrictions, and numerous other questions of concern to cotton producers.

**Petition to Remove Meat Price Controls**  
The beef industry petitioned Secretary of Agriculture Anderson last Thursday to remove price control from cattle and calves and their meat products.  
The petition, filed by the industry's OPA advisory committee, contended there is no scarcity of these commodities within the definition of the new price control law, and that Anderson has no alternative to granting the petition.  
Anderson, however, has placed cattle and calves on an official list of agricultural products in short supply.  
Aides said Anderson has promised to give the petition "top" consideration. He has 15 days in which to act. If the petition is denied, the committee may then appeal to the three-man price decontrol board.  
At the White House, scene of a round of top level conferences late yesterday on the meat shortage and its political effects, it was said that no formal recommendations have been made to President Truman.  
Press Secretary Charles G. Ross declined to forecast to reporters what action, if any, may be forthcoming.

**OSCAR MOORE AND FRANK GOODFELLOW BUY BODY SHOP**  
Oscar Moore and Frank Goodfellow have purchased the paint and body shop across from Foxworth-Galbraith Lumber Co. on Wayne Street, and took possession last week.  
They are carrying on a general motor repairing and doing painting and body work on cars, including motor tuneups.  
Electrons inside an X-ray tube race at 100,000-mile-a-second speed to produce the wave lengths necessary for deepest X-ray penetration.

**TAX COLLECTOR TO BE AT ANTON**  
J. B. Reese, tax assessor and collector of Hockley County, will be in Anton in the city hall on Tuesday, October 22, to collect taxes. He stated that many people are anxious to pay their taxes in this month, in order to get the 3 per cent discount, and he is going to Anton to give the people there a chance to pay them without having to make the drive to Levelland.

The gorilla was described as bloodthirsty killer in the very first publicity it ever had, a report by Portuguese writer in 1698. The animal has never lived down this unrivaled reputation.

### Shortage of 1,000,000 U. S. Men Cuts Girls' Marriage Chances

With a shortage of 1,000,000 marriageable males in the United States, between six and eight million American girls will have to go through life without a husband, according to the latest marital statistics.

Reduced to the figure that really means a lot to the average American girl, one girl in every seven will have to live alone whether she likes it or not, according to an article in the October issue of Good Housekeeping magazine.

But there is a happy solution for girls with the marital urge who don't mind a spot of travel. All they have to do is take the advice which Horace Greeley gave young men some years ago and go west.

Tops in the happy hunting grounds for husbands is Alaska where it would be awfully difficult for a girl to miss catching a husband as there are 45 men to every girl.

Next most lush spots are Nevada, Wyoming, Idaho, California, Arizona, Montana, Washington and Oregon.

Rhode Island is the toughest state in the country for husband-hunting, with Massachusetts, North Carolina, South Carolina and, in fact, most of Dixie close behind.

Cities which afford the best prospects for getting a husband are

Gary, Ind., Detroit, Mich., or San Francisco.

Undermanned and stocked with pulchritudinous feminine competition are Richmond, Va., Atlanta, Ga., and Nashville, Tenn.

Statistics show that marrying between 30 and 34 offers the best chance for happiness. Second best is between 24 and 29. Chances are slimmest when the girl is under 24.

After marriage the chances are one in six that you'll be divorced, and the most perilous years are the third, fourth and fifth.

Incidentally the chances of eventual divorce are higher if you make your home in Chicago, Los Angeles, or San Francisco. In Chicago, for instance, it's only three to one you'll stay married, and in Los Angeles and San Francisco only slightly better.

### Record of Disabled Workers Superior To Able-Bodied

In compliance with President Truman's National "Employ the Physically Handicapped Week," the Lamb County Chapter of the American Red Cross issues the following information:

This is in line with the traditional interest of the American Red Cross in furthering the welfare of the disabled veteran, and we therefore call your attention to the service we may be rendering in consulting with the veteran in co-operating with other agencies to make the facts known to employers.

Studies made of the performances of handicapped persons on the job revealed some significant facts on which the Veterans Administration has prepared reports for nationwide distribution. The United States Employment Service in each locality has the responsibility for continuing publicity for this program which is also sponsored by other federal agencies and groups. However, the Red Cross worker is constantly in contact with disabled veterans and able to furnish valuable information to interested persons.

According to the survey made by the Bureau of Labor Statistics, disabled workers lose no more time on the job than do the able-bodied employees.

A study of 47 firms showed that the production efficiency record of disabled workers was slightly superior to that of able-bodied workers, which may be attributed to more careful placement and earnest attitudes.

A particular study of plants manufacturing machinery, aircraft parts, steel, etc., showed that disabled veterans who were exposed to an identical working hazards as able-bodied workers experienced one-third fewer accidents. It has also been found that only one of every five disabled veterans applying for work at public employment agencies find a job. To improve this situation it is necessary that more people become familiar with the facts. The American Red Cross workers in their daily contacts with disabled veterans are in position to make these facts known to the general public.

### Travel Bulletin Issued Dependents Going Overseas

With the precision of a travel tour bulletin a printed bulletin for the benefit of Army dependents going overseas has been published by Headquarters Fourth Army, commanded by General Jonathan M. Wainwright.

Providing for rail travel to the port of embarkation at government

expense, passports, visas, required immunization, movement of furniture and baggage, automobiles, pets, mascots, where permitted; eye glasses, legal advice, mail and other essentials the booklet is all-embracing and covers all phases of the trip to join men in service overseas.

As for rail travel lower berths are provided for adult dependents, a lower for wife and child under six, but a wife and two children, or two children, or two children of opposite sex get a complete section.

Another feature of the booklet is a table of required immunization arranged in accordance with the various theaters in which husbands or heads of families are stationed.

While east dependent is allowed two pieces of luggage (one suitcase or one handbag), a generous allowance is made for trunks or foot lockers to be transported in the hold of the vessel, this being fixed at 350 pounds for each adult and 175 pounds for each child.

Except to Japan and Korea, where the allowance is held to 3,000 pounds, non-commissioned officers of the first three grades are allowed 4,500 pounds of personal effects in the way of household goods.

The booklets are being distributed from Fourth Army Headquarters to dependents intending to go overseas to join their men in the service.

### Men's Suits To Be Plentiful Soon

The men's suit industry will turn out 25 million suits by the end of this year, breaking all production records by at least three million, Herbert Rose, head of CPA's textile division, has predicted.

Rose said the industry would be "over the hump"—adequate supplies

**DIPLOMATIC MANNING . . .** Capt. Harry Manning, who argued a Nazi U-boat commander not to sink the SS Washington, carrying 1,000 passengers in 1940, has just been appointed commander of the largest United States owned passenger liner, SS America. He flew with Amelia Earhart.

of men's suits will be available—early in 1947. Despite record production today, he said, suits are still scarce because of the war-time four-year lag in production.

As of today, Rose estimated 19 million suits have been produced and marketed. The previous record was 22 million in 1939. The initial goal of 23 million suits in 1946 will be passed in the next six weeks to two months, he said.

Rose said the production speed-up is due largely to a CPA order channeling cotton pockets and rayon linings to men's suits during July-September, 1946. That order will remain in effect for the rest of the year. As a result, thousands of suits which had been held back several months were placed on sale and are now "on the street," he said.

Manufacturers of men's clothing

already are beginning to worry about the letdown which will come when supply meets demand, he said.

Harold Gubin, of the re-employment and retraining administration, said his agency had succeeded in getting suits to veterans. Gubin said one large department store recently sold 2,500 suits in Philadelphia and New York to veterans at \$29.95 apiece. Another New York department store

sold 10,000 suits to ex-servicemen. A Chicago firm now has 4400 suits which it will offer to veterans only.

Several smaller suit manufacturers have adopted the McKibben plan, Gubin announced. Under this plan, the McKibben Company of New York agreed to replace to the retailer any suit sold to an ex-serviceman, but refused to replace garments sold to non-veterans.

### COTTON PRICES GO DOWN; GRAINS CLIMB AND LIVESTOCK, POULTRY REMAIN STEADY

Cotton turned downward from its peak, but grains climbed higher and livestock, poultry, eggs and other farm products remained steady to stronger at most southwest markets last week USDA's Production and Marketing Administration reported the first of the week.

Strong cotton prices last week almost reached 39 cents, but later receded, and the close was irregular. Most southwest farmers continued to sell their cotton as soon as it was ginned, but the lower basis caused a slight holding tendency after mid-week. Demand appeared a little less aggressive, but absorbed all offerings. About 27 per cent of the esti-

mated production of 8,724,000 bales was ginned through September, with quality above a year ago. However, rains in Texas, Oklahoma and New Mexico damaged open cotton and retarded harvest operations.

Cloudy and wet weather interfered with peanut digging last week. Prices held steady at the loan-support level. Demand for shelled stock was light.

Rice harvest made good progress in Texas, Louisiana and Arkansas last week. Milled rice markets became more active as shipments of new rice increased. Prices held steady at OPA maximum levels with supplies far below demand. Other grains were in good demand, too, and higher. Sorghums gained 30 cents a cwt., corn 5

**BROTHERS BY BIRTH AND BLACKSTONE . . .** Associate Justice Frank Murphy of the Supreme court of the United States is shown, right, with Judge George Murphy in recorders court at Detroit. They are sitting in the same court room where Justice Frank presided a few years ago, before he went on to the nation's highest tribunal. The brothers were photographed as they discussed a case now before Judge George, while Justice Frank was on vacation.

Corporal White, stationed at the Naval ammunition dump at McAlester, Okla., suffered internal injuries when the accident happened.

### Progress Is Made On Sudan Road Paving Project

Paving of the road south of Sudan to Beck's Gin was advanced another step nearer reality last week with the completion of the right-of-way deeds. The deeds were taken to Sudan by Commissioner Jack Yarbrough and left with W. N. Lyle at the First National Bank, where property owners on this road may call and execute them.

Lyle, who is a member of the Sudan good roads committee, urges all

property owners to call at the bank at their earliest convenience and execute the deeds in order that paving of this road might begin just as soon as possible.

Contract for paving of the road will not be let until all the right-of-way deeds have been executed, it was pointed out in a letter from S. C. Carty, Lubbock, district engineer, the State Highway Department, County Judge I. B. Holt.

There are approximately 35 property owners on the highway, it was pointed out by Commissioner Yarbrough.

**POINTS WAY AFTER DEATH**  
That even in death he may "point men to my Lord," the Rev. Joseph Baker of York, Pa., directed in will that \$200 be set aside for a calist to sing two hymns the first Sunday each June at the graves of parents.

LITTLEFIELD

cents a bu., oats 4 cents, wheat 3 cents and barley 2 cents. Scant offerings of feed coupled with urgent demand kept prices firm. Farmers in many instances traded their cottonseed for meal. Hay held steady with demand active for good quality alfalfa.

Southwest fruits and vegetables brought steady to higher prices last week at most shipping points and consumer markets. Colorado reported light haulings of onions and potatoes due to wet fields helped strengthen prices. Sweet Spanish onions brought 65 to 85 cents a 50-lb. sack. Louisiana sweet potatoes were up 10 to 20 cents a bushel over the previous week's close at \$2.50 for U. S. No. 1 Puerto Ricans. Even at this price most haulings were going into storage. New Mexico and Arkansas apples held steady.

Demand remained good for light egg and poultry supplies and prices firm. Dealers reported higher prices were discouraging some buyers. Current receipt eggs ranged from 40 to 46 cents a dozen. Heavy hens generally brought 27 to 33 cents a lab, except at New Orleans, where they ranged from 37 to 41 cents.

Southwest hog markets received 5075 head this past week compared to 4810 of the previous week. All offerings held steady at ceiling.

Small sheep and lamb supplies sold quickly at steady to stronger prices last week at most southwest markets. Medium and good fat lambs brought \$15 to \$16, Fort Worth; common and medium woolled lambs \$12.50 to \$15.25, San Antonio; medium and good trucking \$17 to \$18.50, Denver; and good and choice lambs \$18 to \$19, Oklahoma City.

Mostly stockers and feeders showed up at southwest cattle markets last week. Scant supplies of slaughter cattle held steady, but other classes tended weak. Common and medium steers and yearlings brought \$11.50 to \$14.50, Houston; \$13.50 to \$16, San Antonio; and \$12 to \$17, Fort Worth. Stocker and feeder steers realized \$14.50 to \$16.75, Oklahoma City; \$14 to \$16 Wichita; and \$13 to \$17.50, Denver.

Texas producers sold some fall wools, but demand at Boston slowed down considerably because buyers had bought ahead in anticipation of a rise in resale prices, now postponed until October 14. Buyers resisted Texas mohair at 61 cents a pound for adult hair, 71 cents for yearling and 81 cents for kid hair.

### Cowboy Whites Trim Levelland 18 to 0

A hard-driving Cowboy White eleven romped to an 18-0 win over the Levelland Juniors at Chapman Field in Levelland last Thursday night for their third win in as many starts.

Taking the opening kickoff, the Whites ambled 60 yards on a sustained drive which netted the first touchdown. Melvin Lindsey scooted over from the 15-yard line.

Bill Wright added another marker in the second period from five yards out, Lindsey completing the scoring in the final quarter on an end run.

Levelland's only threat came in the third quarter, but bogged on the Cowboy 10-yard line, where the Whites took the ball on downs.

### Condition of Cpl. Wayne White Is Reported Not Good

Cpl. Wayne White, son of Mr. and Mrs. Jess White of Littlefield, who was seriously injured in a car accident September 29, and is a patient in a hospital at Ardmore, Okla., is not progressing very well, according to the Marine's father, who recently returned here after spending some time with Corporal White.

### The HIGH COST of NEGLECT

An ounce of prevention IS better than a pound of cure—and it costs a great deal less! Many a sickness that could have been cured quickly in the early stages can develop into a long and costly illness if symptoms are neglected. So, in the interests of your health, time, money, and comfort—see your doctor at the very first indication that all is not well within you. He, and he alone, is qualified to diagnose your symptoms and determine their cause and effect on your health. Carry out his instructions faithfully. And should he prescribe for you, bring the prescription to MADDEN & WRIGHT DRUG for safe, letter-perfect compounding.

**MADDEN & WRIGHT DRUG**

## We Pay Taxes, too!

Everyone knows that a dollar buys a lot of electricity in Littlefield.

But do you also know that a part of that dollar goes back to you in the form of taxes?

Yes, even while providing dependable and abundant electricity at a lower cost than ever before, your Public Service Company pays full taxes to Littlefield, your Schools, County, State and Federal treasuries.

In fact, your Public Service Company is one of Littlefield's largest tax payers.

And so it's no wonder that we say rather proudly: electricity, man's greatest servant, is also your biggest bargain.

22 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

Rural Mail Service 50 Years Old

A half-century of service to rural America is observed by the post office department in October, for in 1896 three routes were established in West Virginia to inaugurate the federal system of rural free delivery. By way of marking the anniversary, Mary E. Garner, Rochester, Mich., greets Rex Dolph, of the R.F.D. service, with home-made doughnuts guaranteed to cause a minor interruption in this courier's "swift completion of his appointed rounds." Approximately 26,000,000 Americans are served by R.F.D., and with U. S. mail traveling by skis, dog-sleds, ice-boats and snowshoes, Carrier Dolph gets there faster in his new Chevrolet.

Sixteen Confederate Vets Draw Pensions

AUSTIN, Oct. 15.—Of the legions of gray-clad soldiers who battled under the Stars and Bars there are now only 16 surviving in Texas. So rapidly have their ranks been thinning in the past few years, the state-maintained Texas Confederate Home has been converted to other uses, even though its doors still remain open to any Confederate veteran who chooses to live there expense free. None have so chosen for several years. Instead, the 16 veterans, all of whose ages now surround the century mark, make their homes in 16 widely separated Texas towns. Pension checks are mailed monthly to each of them from the state comptroller. Thirteen unmarried veterans receive \$100. The three married veterans receive \$150. The pension fund, set up by statute, is filled to overflowing each year by a state-aid veterans tax of two cents on each \$100 valuation. Texas reunions of Confederate Vet-

erans held annually at Camp Ben McCullough were suspended this year after none of the aging veterans attended their golden jubilee meeting. The following are Texas' now living soldiers of the Civil War. John A. Davis, Box 372, Columbus, 98 years old this year, served with the South Carolina command, in Company E, 4th Infantry Regiment. He enlisted in November, 1864, and was discharged in April, 1865. At the age of 30 he moved to Bastrop County, Texas, and began farming. James A. Abney, 1903 7th Street, Brownwood, 100 years old, served in Company E, Border's Regiment, Anderson's Brigade. During his 14 months of service from April, 1864, until June, 1865, he was a cavalryman and federal prisoner guard. He was discharged at Navosata after the close of the war. W. W. Foster, Cross Plains, 101 years old, served from January, 1862, until March, 1865, most of the time in Company D, 18th Texas Cavalry. He was captured at Atlanta, Ga., in July, 1864, and was paroled when the war ended. R. S. Hilburn, Box 606, Graham, 99 years of age, served four years in Company H, McIntosh's Regiment,

He says he was discharged by being told "the war is over—go home." He served in the cavalry.

J. H. Whitsett, Bonham, 97, served in Company E, 2nd Missouri Cavalry, from October, 1864, to the close of the war. He has lived in Fannin County since 1853.

Samuel E. Raney, Route 3, Mt. Vernon, 99 years old, served from June, 1862, to May 1865, in Company C, 34th Tennessee Infantry Regiment. He surrendered in May, 1865, in Maryland.

T. B. Iden, 1420 Wrightwood, Houston, 96, served two months before the war ended in the infantry company of D. A. Nunn, Walker's Division.

Jeremiah P. O'Brien, Kirbyville, 102 years of age, surrendered on April 9, 1865, after serving from July 1, 1861, in Company K, 1st Virginia Cavalry.

J. C. Matthews, San Augustine, 100 years of age, served from April, 1863, to May, 1865, in Company F, 13th Texas Cavalry.

W. N. Whitton, Box 353, Timpson, 99 years old, enlisted after the battle of Galveston in 1863, and served to the war's end in the home guard infantry of Captain Euban's company, organized in Nacogdoches and San Augustine counties.

William Henry James, Grand Saline, 96, served two years before the surrender in 1865. He was in Infantry Company B, under a Captain McDonald and Lieutenant Bays, but he doesn't recall the remainder of his unit's designation.

Thomas Evans Riddle, Wichita Falls, 98, served 18 months to the end of the war in the 12th Tennessee Infantry.

Walter W. Williams, Route 5, Franklin, 100 years old, served 11 months before the surrender in Cavalry Company C, 5th Regiment, Hood's brigade.

Samuel L. Tumbleson, Montague, 100, served from October, 1863, to the end of the war in an artillery unit under General Price and Captain James H. Frazier. He joined in Arkansas.

W. W. McLeod, Wills Point, 100, enlisted in February, 1864, and served to the war's end in Company B, Montgomery's Battalion, and in Adams' Cavalry Brigade.

The last three Confederate veterans are married.

ATTEND FAIR

Olton vocational school veteran students attended the fair at Lubbock Saturday.

NEON SIGN OPERATING

A new Westinghouse neon sign, installed in front of Jones Hardware some time ago, was lit for the first time Thursday night, and is a nice addition to the main street lighting. Jones Hardware is, of course Westinghouse dealer.

Lobos Win 40-14 Victory Over Morton

Levelland's high-flying Lobos racked up an easy win on their home field Friday night over their District 5A opponents, Morton, by a 40 to 14 margin.

Standouts for the Lobos, running from the "T" formation, were Bobby Hart, Stanley Williams and Bobby Blundell in the backfield, and the entire Lobo line from end to end. Kenneth Willis, Morton quarterback, was the sparkplug for the losers.

**JUNIOR RED CROSS TO HOLD MEMBERSHIP  
DRIVE BEGINNING NOVEMBER 1 TO 15**

November 1-15 is the time when the campaign will be held throughout the nation to enroll Junior Red Cross members for 1947. Lamb County Chapter has always been 100 per cent in its enrollment, which means that every child in the schools of Lamb County has participated through its individual school room enrollment.

You may ask, "What is the American Junior Red Cross?" It is the junior membership of the American Red Cross in the schools—public, private and parochial; elementary and high schools. As part of the organized, humanitarian program of the Red Cross, it offers its members an opportunity to serve others, both at home and abroad, in war and peace, through adaptable channels that are correlated with school activities. Thus it forms a link between schools and the broadening circle of local,

national and international society.

The activities of Junior Red Cross members in these postwar years are devoted to aiding educational rehabilitation in war-devastated countries overseas. In the past two years they have packed a million gift boxes with educational and health items. Lamb County Juniors sent 50 boxes last year and 50 have been pledged for this year and will soon be distributed to the various schools for packing, to be sent by November 15 to headquarters, for shipment.

Through the National Children's Fund, they have sent almost two million dollars worth of school supplies, medical supplies and cod liver oil overseas in less than two years' time. In addition, they have sent children's shoes to Austria, laprobes to tubercular children in Greece, and toys to children in Holland, garden tools and seeds to Yugoslavia, and various other

things. Lamb County sent \$140 last year to this fund.

What will be the answer this year to the call by Lamb County Junior Red Cross members? It can be answered only in the interest shown during the days November 1-15 by the gifts brought by the school children. May our response be even greater than last year, for the need is great. In our abundant life let us not forget the need of starving and orphaned children in the lands laid waste by the cruel war.—Mrs. A. B. Haynes, Chairman, Junior Red Cross, Lamb County Chapter.

**Homecoming at West  
Texas State College**

Homecoming exes at West Texas State College, Canyon, will have as their day Saturday, October 26. This will be the first full scale reunion of graduates and former students of the college since 1941, and college students of the college since 1941 and college authorities are expecting thousands of graduates and ex-students to throng the campus.

Already the Class of 1945 have avouched its intention to hold a reunion and many other classes, clubs and groups are expected to follow suit.

Besides the colorful football game, free for ex-students, between the Buffaloes and the Aggies of New Mexico A&M, plans include a barbecue at noon, free for ex-students, and for evening entertainment, three dances.

President J. A. Hill plans to honor ex-students who are in the service during the war in at least part of the day's program.

Excitement in Canyon will begin Monday, October 21, when students and citizens will begin wearing costumes of the old West. First of the homecoming events will be the annual bonfire and pep rally, followed by an all-school dance at Cousins Hall lasting until midnight.

Registration of ex-students will begin at 9 o'clock Saturday morning at numerous points on the campus and continue until time for a special assembly at 10:30 o'clock. Immediately following the program, the barbecue will be served in time for groups to hold their reunions at 1:30 o'clock.

Highlights of the football game will include crowning of the football queen and perhaps a mass band demonstration with some 1,000 Panhandle high school band students who will be on the campus that day for

**SECRETARY OF COMMERCE**  
... W. Averell Harriman, former ambassador to the Soviet and until his appointment, ambassador to England, has been named by President Truman to replace Henry Wallace as secretary of commerce.

**Local Women To  
Assist In Needy  
Children Project**

At the meeting of Littlefield Council of Churchwomen held recently, plans were made to send a "kiddie kit" from the Council to the Church World Service in St. Louis for the world's needy children. Five thousand of these kits are being packed by the United Council and will be brought to the meetings and dedicated on World Community Day, November 1. Mrs. Forrest Reeves is chairman of the project and all garments are to be given to her for packing, or brought to the meeting that day. Clothing for a child one to

four years of age will be included in the box.

The Council voted to co-operate with the Salvation Army in the clothing drive that will be held soon.

Miss Lula Hubbard, historian, gave an interesting resume of the Council from its beginning several years ago including the years when it was just a federation, and on through years since its affiliation with Texas and United Council of Churchwomen.

Mrs. H. C. Davis led an interesting program on "A Christian World." She was assisted by Mrs. Dinney, who also gave a lovely solo.

lessness, Crankiness, Excitability,  
Restlessness or Nervous Headache  
interfere with your work or spoil  
your good times, take

**Dr. Miles Nervine**  
(Liquid or Effervescent Tablets)

Nervous Tension can make you  
Wakeful, Jittery, Irritable. Nervous  
Tension can cause Nervous  
Headache and Nervous Indigestion.  
In times like these, we are  
more likely than usual to become  
overwrought and nervous and to  
wish for a good sedative. Dr.  
Miles Nervine is a good sedative  
—mild but effective.

If you do not use Dr. Miles  
Nervine you can't know what it  
will do for you. It comes in  
Liquid and Effervescent Tablet  
form, both equally soothing to  
tense and over-wrought nerves.  
**WHY DON'T YOU TRY IT?**

Get it at your drug store,  
Effervescent tablets 35¢ and 75¢,  
Liquid 25¢ and \$1.00. Read direc-  
tions and use only as directed.

**NOTICE  
TO TAX-PAYERS**

FOR THE CONVENIENCE OF THE TAXPAYERS, I  
WILL BE AT THE FOLLOWING PLACES WITH THE  
RECORDS OF MY OFFICE TO COLLECT TAXES  
ON THE DATES SET OUT:

Earth . . . Friday and Saturday, October 18 and 19  
Olton . . . Friday and Saturday, October 25 and 26

OF IMPORTANCE TO THE TAXPAYERS  
is the fact that they receive a

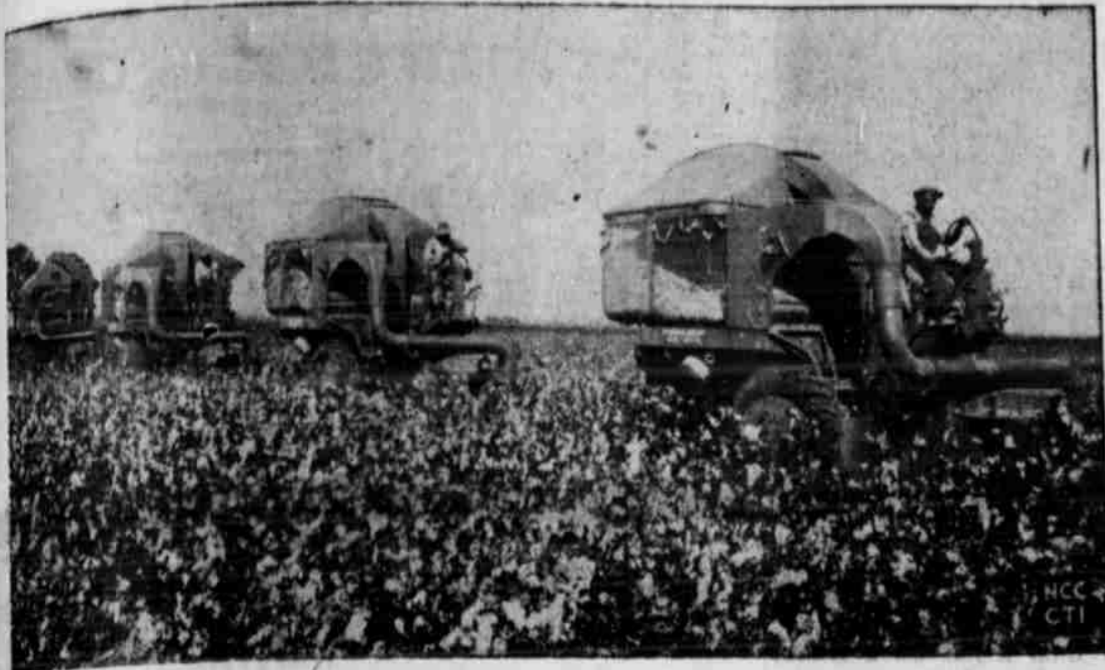

**3 PER CENT DISCOUNT ON BOTH STATE AND  
COUNTY TAXES**

if paid during the month of October.

**Frank Cummings**

TAX ASSESSOR-COLLECTOR, LAMB COUNTY  
LITTLEFIELD, TEXAS

HERE'S HOW THEY PICK IT

Vanguard of completely mechanized cotton farming, the four giant machines pictured above are typical of the more than 100 mechanical pickers which will aid in harvesting the crop in various sections of the Cotton Belt this fall. The National Cotton Council reports that one of the pickers can harvest more cotton in a few minutes than a hand picker would remove from the field in an entire day. Expanded use of machine pickers will be a big factor in lowering the cost of cotton production.

Information For Veterans

Q. I am a disabled veteran taking "on-the-job" training under Public Law No. 16. I am receiving pension and also subsistence allowance. My child recently had a child. May I get an increase for this child while I am training?  
A. Yes. Send a certified copy of the certificate of birth to the VA. The subsistence allowance will be increased \$10 for your first child and \$5 for each additional child.  
Q. I am a disabled veteran and am injured while taking VA rehabilitation training in a machine shop. The doctor says my left arm will be permanently crippled. Can I get a pension from the Veterans Administration?  
A. Yes. You must apply for it within two years of the date of your injury.  
Q. I have been advised that my pension is to be reduced in 60 days. What can I do to prevent this reduction?  
A. You may submit evidence to

show that the reduction is not warranted and your case will be reviewed. The best evidence would be an affidavit from your doctor describing in detail your disability.  
Q. Is it permissible for a veteran who is receiving a high rate of disability compensation to seek and obtain employment?  
A. Yes. There is no VA objection to such action on his part.  
Q. May a pension be paid because of a service-connected disability if the veteran did not serve during war time?  
A. Yes. Certain rates of pensions are provided for disability contracted in line of duty during military or naval service in peace time.  
Q. Is the parents of a World War II veteran eligible to receive a pension when the cause of death was not related to service.  
A. No.

Buick Produces 23,272 Automobiles During September

FLINT, Mich., Oct. 16.—Buick Motor Division produced 23,272 automobiles during September, averaging

nearly 1200 cars daily, for its biggest monthly output since the war, H. H. Curtice, Buick general manager and vice-president of General Motors, announced today. Although volume still is restricted by continuing shortages of parts and materials and other factors, Buick exceeded its August output by 3,174 units, or nearly 16 per cent. September production raised Buick's total 1946 output for domestic and export users to 88,037 cars. Before the war, Buick's record month was March, 1941, when production reached 38,913 units. Buick's biggest weekly volume last month was recorded during the week ended September 28, when 6,366 automobiles were produced in five working days. Curtice said Buick's working force, largest of peacetime record, continued to increase during September. New hirings last month brought total employment to 22,038, of whom 19,520 are hourly-rated personnel. Buick requires an additional 2,000 workers in skilled and unskilled classifications, Curtice said.

S. W. Aviation Conference To Be Held Oct. 18

As announced by Rex B. Baxter, executive vice-president and general manager, the Southwest Aviation Conference will be held in Amarillo on October 18, 19 and 20, with headquarters at the Herring Hotel. A constructive program is being arranged.

ANTON HOMEMAKERS WIN AT FAIR

The Anton Future Homemakers went over the top in winning honors at the South Plains and Hockley County fairs Saturday and Monday, October 5 and 7. The total cash won by individuals was \$15.25. Prizes won were as follows: Marble cake, second, Peggie Rea; \$1.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

SPRING LAKE BOY WINS SANTA FE RAILWAY EDUCATIONAL AWARD

Fifteen Texans, including seven candidates for American Farmer degrees, are winners of the Santa Fe Railway educational awards, R. Lano Barron, Texas state adviser, this week announced. The wards permit the winners to attend and participate in the Victory convention of the Future Farmers of America in Kansas City, October 21 to 24. Dwane Jones of Spring Lake was among seven aspiring for national honors. The other boys were: Doyle Curry, rural route 1, Ropesville; Clarence Oswalt, rural route 5, Lubbock; Charles W. Upton, Tokio; Charles Fehler, Clifton; Keesey Kibball, Alpine, and Joe T. Lane, Alpine. More than 15,000 youths are expected at the Victory gathering in recognition of services by members of FFA during war years. The Santa Fe has been aiding the educational movement of the young

farmers since 1928, and has aided many hundreds in furtherance of their educational activities. Fred G. Gurley, president of the Santa Fe Railway, declared that the primary purpose of the railway's participation is to encourage better agriculture practices. In addition to defraying all expenses, one of the highlights of the company's program is the annual breakfast for the winners and their advisors which will be attended by National officers and other leaders.

GO TO MEETING  
The Anton chapter Future Farmers of America, is sending two of its members to the national convention, which meets in Kansas City, October 21 to 24. The two boys going are Ronald Tullis and Weldon Wells. They will leave by bus from Lubbock at 9:30 a.m., Oct. 19.

**From where I sit... by Joe Marsh**

**Want a Vacation from Marriage?**

Alvin Blake went south on his vacation, for some fishing, and left his Missus to enjoy a vacation from the corn-cob pipe, clothes in a heap, and solos on the harmonica.

First few days, Martha enjoyed it—house neat and quiet, tep back on the toothpaste, no morning mess from Alvin's midnight snacks (Al's partial to a bit of cheese and beer at bedtime).

Come the end of the week, she began to fidget; couldn't even read the *Clarion*, it looked so unamused; didn't have any appetite with no-

body to cook for. She was about to wire Al, when he barges home a week ahead of time, and she almost cries for gratitude. ("Felt the same way myself," says Al.)

From where I sit, those differences of habit and opinion—whether they have to do with corn-cob pipes, a glass of beer, or playing the harmonica, seem mighty trivial when you're separated. And they are, too!

*Joe Marsh*

Constitution Hall, Washington, next May. Consequently the winning Pilgrims will go there and will be presented on the opening night, May 19.

There will be 49 Pilgrims, each representing a state and one the District of Columbia. During their stay in the nation's capital the girls will visit the White House the Capitol, the Library of Congress, the United States Supreme Court, the National Gallery of Art, and many of the larger government departments. They also will be entertained at many functions held in their honor.

Mrs. John T. Gardner of East Greenwich, Rhode Island, national chairman of the Good Citizenship Pilgrimage committee, declared that the interest already aroused in the contest this year indicates keen competition. She expects a larger number of contestants than at any previous time.

One Good Citizenship student is chosen from each four-year public senior high school enrolled in the contest. The winners are chosen for demonstrating the following qualities of citizenship to an outstanding degree, namely: Dependability, Leadership, Service and Patriotism.

Senior students choose by vote three "Good Citizens" in their class. From these three the high school faculty selects one to represent her school. From this group, one is finally selected to represent her state as the "Good Citizenship Pilgrim."

Each winner receives a certificate of award, and each Good Citizenship Pilgrim is presented with an honor pin when she is introduced to the delegates of the DAR Congress.

The plan of rewarding high school students with a trip to Washington was conceived a number of years ago by Mrs. Ruth Bryan Owen Rohde, then a member of Congress from Florida. She brought a group of students from Florida to the nation's capital each year. Later the plan was adopted by the DAR, and has proved very popular. Mrs. Rohde is an honorary vice chairman of the Good Citizenship Pilgrimage Committee. Mrs. Russell Magna, honorary president general of Holyoke, Mass., the originator of the DAR Pilgrimage is now the honorary consultant of the DAR committee.

**Whiteface Trounces Pettit 60 to 0**

A rampaging Whiteface football team, undefeated, untied and unscored on, added another name to its list of victims by trouncing Pettit 60 to 0 at Pettit Friday afternoon.

Ray McCoy, stellar Whiteface end, was high scorer for the day with 24 points. Other Antelope scorers included Harold Sides, fullback, 18 points; Dale Thoms, quarterback, 14 points; and Truman Swinney, halfback, 4 points.

**To Conduct Good Citizenship Contests in Schools**

Disrupted during the war, Good Citizenship Pilgrimage Contests for Senior High School Girls will be conducted by the Daughters of the American Revolution in every state in the nation this fall and winter, Mrs. Julius Y. Talmadge, president general, announced from Washington this week.

Interest in the contest among high

school girls will be the highest in several years, because the winners will be rewarded by a trip to Washington next May, as guests of the patriotic organization.

Because of travel restrictions and hotel congestion during the war, the DAR Good Citizenship Pilgrims received \$100 War bonds instead of the trips to Washington. During the first part of the war the Pilgrims made a trip to Chicago, where the DAR Congress was held. After that all trips were cancelled.

For the first time since the war, the Continental Congress will be held in

**W. O. W. Presents Spade School With U. S. Flag**

Littlefield W. O. W. Lodge No. 3871 presented Spade school with a U. S. flag Friday, October 4, at a program presented by the school pupils at 2 o'clock in the afternoon.

Supt. E. W. Jackson received the flag on behalf of the school.

Troy Howton, council commander of the local lodge, made a talk, and introduced State Manager George Hine, who addressed the gathering.

Besides Troy Howton, other W. O. W. members attending the program from Littlefield were: W. D. Chapman, district manager; W. O. Yeary, secretary, and Gy/Sgt. Loyd Chapman.

It is the plan of the W. O. W. to present the various schools in the area with flags.

**FARM and RANCH LOANS**
