## EST H. WILLIAMS, PROMINENT BUSINESS MAN OF LITTLEFIELD, DIED SUNDAY NIGHT; BURIED UNDER BEAUTIFUL FLOWER BANK

Est H. Williams, prominent Littlefield business man, died Sunday night at the Lubbock hospital, following an illness of about three weeks. Funeral services were held here Monday afternoon, conducted by his pastor, R. B. Freeman, of the Methodist church, assisted by Rev. Joe F. Kelley, of the First Baptist church. Burial services were in charge of the Masonic body.

Mr. Williams came to Littlefield about three years ago, taking the management of the Shaw-Arnett Co., a goods store, and during his residence here won to himself a large circle of friends both in a business and social way. Naturally of a retiring disposition, yet he possessed that faculty of inspiring confidence in those whom he met and winning their lasting friendship. He was a man of the very highest ideals, and a sterling character, always identifying himself with every movement that was for the betterment of his town and its people. His business grew rapidly largely because of this sound business methods and his faculty of acquiring and holding the confidence and appreciation of his numerous patrons. As a member of the Methodist church, this city, he was one of those leading dependable members who took an active interest in the advancement of the organization of the Chapter here and its rapid growth marked him as its leader. He was also a member of the local Rotary club.

Mr. Williams was a man among men, and his departure of this life is a decided loss to the community.

with his wife, were at his bedside when death came. Other immediate members of the family attending the funeral were his sister, Mrs. T. J. Wadsworth, Frank Williams, Mr. and Mrs. Lester Simpson, of Stanton, Mrs. Simpson being a sister to Mrs. Williams, and her brother, R. T. Kelley, and wife, of Higgins.

The spacious auditorium of the First Baptist church was well filled with mourning friends who came to pay their last respects to this beloved citizen. There was a concourse of automobiles more than a mile long that followed his body to its last resting place, and after its interment, the mound was completely hidden by the numerous beautiful floral offerings from friends and loved ones.

## LITTLEFIELD V.S. OLTON IN A GAME HERE THANKSGIVING

Littlefield and Olton High school football teams will meet on the Littlefield gridiron Thursday afternoon, beginning at 2:30 o'clock, for the Thanksgiving game which bids fair to be the most hotly contested game played by these two teams this year.

Littlefield and Olton in their first game played a tie, 6-6, and the dopesters declare the game this afternoon between these two teams, neither of which have been defeated in the county, will probably be the hardest fought contest either squad has had this year.

It is anticipated there will be a large delegation here from Olton to witness the conflict, and it is urged that Littlefield fans turn out en masse.

### Hale Center Game

Littlefield smashed lines with the Hale Center team last Friday afternoon in a game that ended 46-0 in favor of the local Wild Cats, the home team playing better, it is said, than in any previous game.

### LIONS CLUB MEETING

A delegation of Lions from Lubbock had charge of the meeting of the Littlefield club held last Friday at the First Baptist church.

C. F. Drexel, president of the Lubbock Lions club, was in charge of the program. Other members from the Hub city taking part were E. L. Pitts, Rufus Scarborough, Allen Barwise, and J. C. Levins.

C. A. Baird, of Plainview, and E. Segel, of Haskell, were visiting members.

### LIONS TO PLAINVIEW

Several Littlefield Lion club members attended a banquet given Monday night at the Hilton hotel, Plainview, a very enjoyable time being reported.

Those attending the function were Jimmie Brittain, Homer Brittain, Mr. and Mrs. Ike Griffin, R. D., and Puddy Johnson, Alex De Long, Leonard Wright, C. J. Duggan and Mallory Etter.

Members of the Plainview Lions club will be here Friday to put on a program.

### THE ROTARY CLUB

At the regular meeting of the Rotary club held last Thursday, R. E. Riley and J. W. Hale were accepted as members.

Theophilus Sales had charge of the program, introducing Miss Maude J. Fields, of Littlefield college, who gave two very delightful vocal numbers.

Messrs. Kitchen and Vaughn, of the college, gave negro dialogues that aroused considerable interesting amusement.

### FRALEY BROS. BUY CLUB

Last Saturday R. E. Riley sold the Club cafe to Bud and Lee Fraley who took charge immediately.

Both these men are well known locally as competent restaurant men and food caterers to the public. They are making some changes in the program of cats, and assure the patrons of prompt, satisfactory service at all times.

We hope that the Noise Commission will make itself heard—New York Evening Post.

## THANKSGIVING

### AN EDITORIAL

Many blessings have come to the people of Littlefield and surrounding territory since last they were called upon to observe our national day of Thanksgiving. Chief among those has been the blessing of good health, the first thing for which all of us should be truly thankful. No epidemic of a serious nature has swept our midst, and we have been spared such calamities as disease, fire and water have visited upon many less fortunate communities.

This Thanksgiving day finds us, generally speaking, happy, contented and prosperous to a point where it is not befitting to complain. We strike a balance with our neighbor and find no cause for discontent. We have lived through a year of good crops, of satisfactory employment conditions and, whether we have added materially to our store of this world's goods or not, we have enjoyed the same neighborly relations that have made of us a community of happy homes and contented people.

Our nation has maintained peace with its neighbors across the sea and has held its high place as the friend of all who advocate justice and fairness among men. For all of this we have cause to approach this Thanksgiving day with gladness in our hearts. We have but to reflect upon the trials through which some have passed to appreciate our own cause for thanksgiving.

No dark pages mark the history of our community since last we met at the close of the harvest season to mingle our thankfulness with that of the entire nation. No dark clouds threaten us now. It has been a year of which we need have no regrets; we start upon another with every cause for hope in our hearts. As we have contributed to the happiness and welfare of the community, so have we taken out.

On the eve of the day of Thanksgiving we want to raise our voice in thankfulness along with our neighbors and our friends. And we want to mingle with a prayer of thanksgiving the hope that there is on ahead of us for many seasons to come the same blessings of good health, contentment and the comforts of life that have marked the one through which we have so happily passed.

## LOCAL POST OFFICE ALREADY CROWDED URGES PATRONS TO EARLY PARCEL MAILING

It is a well known fact that the Littlefield post office has been enjoying (?) a Christmas rush during the past two months. With two more clerks added the force is still unable to handle the crowds with dispatch during certain rush periods of the day. "What will it be when Christmas time comes?" that is the question Postmaster J. E. Brannen throws up his hands and exclaims. As a matter of fact, patrons of the post office can be of material help to the postal force, and incidentally, to themselves, if they will start their Christmas mailing early and do it correctly.

In the first place, all parcels should be securely wrapped and packed, using strong paper and heavy twine. Long, slender articles should be supported by strips of wood, and instruments with sharp points or sharp edges should be well protected so as to avoid injury to those handling them.

Crockery, dishes and frail toys should be exceptionally well wrapped and marked "Fragile."

Articles of a perishable nature should be marked "Perishable," and ought to have special delivery stamps affixed.

All addresses should be complete, with house number and name of street, post office box or rural route number—typed or plainly written in ink. A return card should be placed in upper left corner of every piece of mail. If a tag is used, the address and return card should also be written on the wrapper for use if tag is lost, and a copy of address should be enclosed inside the parcel.

See that all postage is fully prepaid. The clerks will be glad to give you full information regarding rates, zones, and weights.

No parcel may be more than 85 inches in length and girth combined. For delivery locally and in the first, second and third zones, 70 pounds is the maximum weight; in all other zones, 50 pounds.

But whatever you do, says Mr. Brannen, be sure to mail your packages early, or they may not get there on time. The government permits

## GAMBLING RATHER COSTLY PASTIME IN LITTLEFIELD

Gambling may be a popular pastime in Littlefield, but it is also rather expensive for the participants who happen to fall under the eagle eye of the law, according to the records kept at the City Hall.

Last week a group of negroes, reveling in their favorite game of "shootin' craps" contributed \$114.50 to the municipal treasury, while a bunch of whites, poaching upon the prerogative of the dusky tribe, paid the sum of \$70.00 for a similar charge.

Altogether, \$243.45 was paid into the city treasury during the past week in assessed fines.

## THERMOMETER TAKES A SLIDE

Winter weather with a vengeance visited the South Plains section the latter part of last week. Wednesday the thermometer began to drop its mercury, Thursday it was still colder with enough flurry of snow to show white on the ground.

Thursday night thermometers registered from 13 to 16 degrees above zero, but Friday afternoon the weather changed again to warmer. Saturday was bright and sunny.

## STATE RANGEEER IN LFD.

There was considerable anxiety among the crooks and thugs of Littlefield Monday afternoon when it became known that State Ranger Frank Hamer was in town.

But it was learned later that Mr. Hamer was out here with Lee O. Allen, ex-heriff of Williamson county, for the purpose of purchasing a chunk of Yellow House land.

While here Mr. Hamer paid a high compliment to the fine progress of this section and the high class of people being attracted here.

## GIN AT PETTIT

G. M. Mason, former Littlefield citizen, and who built the first cotton gin here, is erecting a gin at Pettit. It is reported that the machinery was moved from some eastern point in the state, and the plant is now in operation.

## TO BUILD NEW PARSONAGE

Work of construction on a new five-room and bath parsonage for the pastor of the First Baptist church was begun Tuesday afternoon. It is being located on the lot in the rear of the church building.

The old parsonage was sold last week to Rev. W. B. Phipps, former pastor of this church, who is now doing church missionary work in this section.

## GLEN L. COLLARD KILLED IN AN AUTO ACCIDENT SAT'DAY

Grim Tragedy stalked forth on State Highway No. 7 about noon Saturday, when the automobile in which G. L. Collard, C. E. Thornton and Chas. Glenn were riding met in head on collision with another car driven by W. E. Love, a farmer living south of Sudan.

Collard was killed, living only about 20 minutes following the accident and never regaining consciousness, while Thornton, Glenn and Love all received numerous cuts and bruises, the not of a serious nature.

It is thought the accident was caused by a casing blowing out on one of the rear wheels of the Texas Utilities Co., car in which the three young men were riding, the car swinging sharply to the left and in front of the other car then approaching. Collard sustained a badly fractured skull fractured chest and other body injuries.

Funeral services were held Tuesday morning, at 11:00 o'clock from the First Baptist church, conducted by the pastor, Rev. Joe F. Grizzle, assisted by Rev. Roy A. Kemp, of the Tabernacle Baptist church. The local order of Odd Fellows marched in procession from the late home of the deceased to the church and had charge of the burial service at the local cemetery. Hammons Bros. morticians, had charge of the funeral arrangements.

### Obituary

Glenn Leslie Collard was born at Ben Hur, Texas, April 26, 1903, and was about 26 years of age at death. Early in life he became an orphan. July 10, 1927 he was married to Miss Marguerite Pate of this city who, with their 16 months old babe, Helen survive him. He is also survived by three brothers and four sisters, some of whom were present at the funeral service.

For the past five years he has been in the employ of the Texas Utilities Co., this city. He was a skilled electrician and thoroughly dependable all his work. Naturally of a quiet disposition, yet among his intimate friends he was always congenial, and he enjoyed the high respect and confidence of all who knew him. About a year and a half ago he professed the Christian faith, and his entire life has been in keeping with that profession.

He was a member of the ancient and honorable Order of Odd Fellows; had served as officer in the different stations of that fraternity and gave a loyal adherence to the tenets of that order.

### LACY INJURED IN CRASH

Jim Lacey while riding with four other young men in a Ford touring car last Saturday night shortly after dark, collided with a Studebaker roadster at the south end of Main street.

Neither car was seriously damaged but Lacey was thrown through the windshield, sustaining a gashed head which required 24 stitches from the surgeon to close.

### Over a Billion Deadly Germs in a Single Drop of Water

Germs are so small that there may be as many as one billion, seven hundred million of them in a drop of water. And just a few of these tiny germs, if they get into your blood through a cut in your skin, may make you so sick you will be in bed for weeks—may cause the loss of a limb through blood poisoning—may even infect you with that most dreadful and fatal of diseases, lockjaw.

Just because you can see no dirt in a cut does not mean that it is clean. You cannot see germs. The only safe and sane thing to do, is to thoroughly wash every cut, no matter how small, with Liquid Boraxone, to kill the germs, and then dust it with Boraxone Powder, to hasten the healing. Liquid Boraxone costs 20 cents, 40 cents, \$1.20 and \$1.50; Boraxone Powder, 50 cents and 60 cents, and can be had at Stokes-Alexander Drug Company

## Lfd. College Students Entertain Faculty on Nearing Thanksgiving

One of the most enjoyable Littlefield college social events of the season was that held in the College cafeteria Tuesday night, when the student body gave a banquet to the faculty members on the occasion of the approaching Thanksgiving period.

An exceptionally appetizing three course meal was served by Mr. and Mrs. L. A. Gastinel, caterers to the occasion, the menu being as follows:

Pickles — Relishes — Beets  
Stuffed Celery — Salad  
Pershing Saltines  
Roast Turkey — Oyster Dressing  
Cranberry Sauce  
French Peas in Butter  
Potato Ruses  
Mince Pie

Coffee — Milk

Following the feast, a very interesting and entertaining program was rendered, as follows:

Reading, Miss Thelma Smith.  
Reading Miss Margaret Porch, assisted by five other students representing colonial characters.

Vocal solo, John Pollock, with Mrs. Pollock, formerly Miss Juanita Conner, at the piano.

Thanksgiving address, Jess Mitchell.

Comments, Prof. E. K. Kitchen.  
Two instrumental numbers, Miss Maudie Joe Fields.  
Community singing, Miss Fields at the piano.

Joe D. Shelton was toastmaster for the occasion, presiding in a very capable manner.

The long banquet table was lavishly heaped high with the good things to eat, West Texas turkey gobblers furnishing the favorites, and the room was artistically decorated with

turkeys, pumpkins, and other appropriate designs for the occasion.

Following the banquet, a committee consisting of the following students: Misses Nova Austin and Margaret Porch, Clifton Winans and Joe D. Shelton presented President and Mrs. R. F. Duckworth with a large basket well filled with choice fruit. It was much regretted by those present that they could not attend the occasion, owing to the illness of Mr. Duckworth.

## LFD. DEFEATS MORTON PLAYS LUBBOCK FRIDAY

The Littlefield Athletic club added another game to their winning list this year by defeating the fast Morton club, 43-21 on the local court last Tuesday evening.

The Athletics boast of an undefeated team, and hope to keep their slate clean as far as losing is concerned.

The next encounter will also be on the local court Friday night of this week, when the Athletics meet the Lubbock quintet.

The Lubbock club is composed of ex-college men, and especially baseball men who have received severe treatment at the hands of Littlefield in the past, and are coming prepared to even up things.

The crowd at the game Tuesday night was mostly Morton and surrounding visitors. A good number of homelings are expected to be at the game Friday night.

In the first game played with Lubbock the score was 25-24 in favor of Littlefield. The Friday night game promises nother close score. The Littlefield band will furnish music for the occasion.

### Dangerous Business

Our stomach and digestive systems are lined with membrane which is delicate, sensitive and easily injured. It is dangerous business, then, to use medicines containing harsh drugs, salts or minerals, when we are constipated. In addition to the possibility of injuring the linings of our digestive system, these medicines give only temporary relief and may prove habit-forming. The safe way to relieve constipation is with Herbine, the cathartic that is made from herbs, and acts in the way nature intended. You can get Herbine at Stokes-Alexander Drug Company

**Grammar School**

Grammar school is getting along fine. We had our six week's examinations last week. We are finding many more have failed than passed, but I think all will turn out well. There are some people who just have to be different and if everyone else passed they would fail, just to be contrary. Oh! but we are a contrary lot! However, we are still able to put in our reports.

**Grammar School Basketball**

Victory again!!! Grammar school girls played High School Freshman team, and brought home the cheese. The game was very lively and it was a hot game. The girls made 10 points in the first half while High School had four. The scores at the end of the game stood 12 to 10 in favor of the Grammar school. My, the girls surely did think it smart, and some even got the big head over it, but we feel we can do it again.

The Grammar School boys have been practicing after school in order to make a better team. The teachers or either Mrs. Riley and Miss Killough have been staying after school helping the team with their practicing. The boys are very anxious to play a match game and they will get a game with Whitharral. Mr. Chisholm is helping them to get a game and we hope the boys can follow the girls in being victorious.

**The Wide Awake Club**  
By Fern Fralin

The pupils of the fourth grade organized a wide-awake club. The following officers were elected: President, Pauline Wallace; Vice-president, Irma Willis; Secretary-Treasurer, Buford Eagan. They will meet on Fridays at ten o'clock in Miss Wales' room.

The teacher appointed a girl and a boy to see that the children brush their teeth daily and take a bath at least twice a week. They tell stories and sing songs concerning their health. They make health posters and play games along with their songs.

In the contest between the boys and girls to see who could have a perfect record in health, the boys won! That's certainly strange so I'll leave it for you to figure out.

Both boys and girls are trying very hard and we expect a good report next week.

**Sixth Grade Geography Debate**  
Mrs. Riley's sixth grade geography classes have been studying the distant possessions of the United States. They have made very interesting booklets on this subject.

Last Friday representatives from each section debated on "Resolved that Alaska should or should not become a state of the United States." The arguments on each side were very convincing; however, the judges favored the negative side with the decision.

The preliminary debaters were: affirmative, Tom Paul Davis, Edna Bell Gillette, Gilmer Eagan, and Emery Glas. Negative, Kathleen Harrison, Fay Foust, Rickey Cundiff and Marshall Burleson. In the finish Kathleen and Fay won over Emery and Gilmer.

**Thanksgiving**  
By Ray Barnes

Thanksgiving is time of the year when we have the best of cheer, when we have a feast so fine, Thanksgiving is a grand old time, A turkey's brought from uncle's farm, O'er humpy roads with little harm, Then he's dressed and put in a stove, And comes out as tender as a dove, But when you're having the best of fun, Do you ever stop to think where it began? What the turkeys are eaten and what lives come, I wonder if you know why it is done, The Pilgrims started it long ago, When the Indians began to know Each other, a turkey was brought So fine and the Indians and Pilgrims had a fine time.

REV. R. B. FREEMAN  
Recently appointed pastor of the Methodist church, Littlefield.

**Rev. Freeman, the New Methodist Minister is Now Ready for Service**

Rev. R. B. Freeman, the recently appointed minister of the Littlefield Methodist church, is taking hold of the work here with a vim and determination that indicates a year of results for that church. There was a large crowd to greet the minister at his first service last Sunday, and numerous commendable remarks were heard regarding the excellence of the sermon.

Rev. Freeman, in an interview with a Leader representative this week, stated he was here to assist in the forward movement of Littlefield in every manner possible, and it was his desire that he might be classed among those citizens who are using their every endeavor for the building of a greater town and a better people.

His statement given to the Leader, is as follows:

"In beginning my ministry in Littlefield with the Methodist church I would like to say to you that I have never confined my work to my own church and its members. The work of any church in a community is worth while in as much as it serves to make the community a better place in which to live and rear our children. Therefore the Methodist church has always stood for community interest, and as pastor and leader of the local congregation I shall endeavor to be always ready to back any program that seeks to make this community a better community and Littlefield the best town in this great territory. On the other hand I shall endeavor with all my soul, strength and influence to combat any and all things that my better judgment tells me are against the best interest of your town and your homes.

"You need not ask what side I will be on when a moral issue is at stake, just find the right side, and know I will be there. I shall not try to run the town or enforce the law. I do not consider that my business.

"I shall hope to be considered as one of the business men of the town. I do not consider any man's place of business in your town of more importance than the church—in fact, you can far better do without any business establishment in your town, than the church. Therefore, being at the head, as leader, of the Methodist church I shall hope to be considered as one of your worth while business men.

"My business is of vast importance to you and your community because it deals with time and eternity—two worlds are involved in my business. You and your children, with all that makes for the best interest of your homes and your lives. Now and hereafter are my interest and my concern. I would consider myself a traitor to you, my church and my

Lord, if I failed as a watchman on the tower to do my best to warn and protect you from any influence that would seek to destroy the peace and happiness of your homes and the eternal welfare of your lives: To this great task all loyal ministers, regardless of their denomination, are pledged.

"I consider that you have a splendid new town, a fine community with a great future. I shall covet your cooperation in helping me as pastor of the Methodist church to make my church and my ministry a real worth while business institution in your town.

I shall stand ready to cooperate and help any where at any time in any way to make this the best town with the best homes and best schools and best churches in all this part of the great west.

"I shall count on your prayers and your help. Not your criticism. Remember any fool can knock: It takes a wise man to boost." Let's all join the Booster Band.

"Please feel free to call on me day or night at any time I can be of service to you and yours, whether you are in the church or out, Methodist, or not, does not matter with me. Jesus came to seek and save the lost. As a follower of His, that's my job. Call on me any time. My phone number is 84. I shall be listening for your call."

—R. B. FREEMAN, Pastor.  
Methodist church, Littlefield, Texas.

**Whitharral News**

My! haven't we been having some cold weather? Winter has come earlier than usual this year, making us feel like we are going to have a long, bad one this time.

Mr. White is from Knox county, and Miss Yardley is the daughter of J. K. Larue, of Whitharral. They intend to make their home in Knox county. We wish them all the happiness possible.

We learned Ted Gray and Miss Dinselmae Wheeler were married last Sunday.

Mrs. Elton Hawk is working in the beauty parlor at Levelland.

A large crowd attended the singing here last Sunday evening.

Miss Sibyl McClellan spent the weekend with Mr. and Mrs. Weldon P. G. Harbin and family visited in Johnson, of Levelland.

Mrs. Roy Thurman and Mrs. Bill Crews were shopping in Littlefield, Thursday.

**Way Back When**

Perhaps this man who died at the reputed age of one hundred and five can remember when houses were so far apart that eating for dinner was strictly a family, not a community, matter.

**"What do You Mean . . . Penetrates Metal Surfaces?"**

**A Plain Answer to a Reasonable Question**

**THE** Germ Essence, imparted to highly refined paraffin base crude under a patented process exclusively owned by the Continental Oil Company for North America, actually penetrates and combines with metal surfaces, forming a permanent, protective film.

No matter how long a motor stands idle or how cold it gets, this film is present and immediately lubricates the moving parts when the engine turns over.

It takes five to ten minutes—often longer—for the oil in the crankcase to fully flood the bearings in the starting operation. During this period, automotive engineers agree, from 40% to 60% of motor wear occurs. This wear is reduced to a minimum by the ready-and-waiting lubrication which the Germ Essence imparts to CONOCO Germ-Processed Motor Oils, retaining it on and in the surface pores.

CONOCO Germ-Processed Motor Oil stands up under every condition of stress and strain. It will not break down or burn nor will it evaporate to any appreciable degree.

No other oil possesses these qualities.

So positive are we in our convictions, so positive have been our tests of this remarkable lubricant, that we are perfectly willing for you to select any operating condition—no matter how extreme—and we will meet it with CONOCO Germ-Processed Motor Oil so satisfactorily that you will never consider using any other oil.

Go now to stations and dealers displaying the CONOCO Red Triangle—have your crankcase drained and begin immediately to profit through the use of this remarkable oil.

"Er—excuse me, ma'am—it was about half-past seven or was it after eight?"—Answers.

**IN THE LONG AGO**  
It must have been a wondrous thing  
To shoulder up an ancient gun  
And leave the settlement behind,  
As from the ocean climbed the sun,  
Setting the snowy world aglow,  
Stretching your shadow on the hill;  
To glide along the forest trail  
With cautious step and lightning skill  
Matching the eye of bird or doe,  
Thanksgiving days of long ago.

It must have been a glorious thing  
To carry back to Plymouth town  
A big Thanksgiving turkey cock,  
From shouldered flintlock hanging down,  
With widespread wings and bobbing head;  
To wear a smile of proud content  
As home with widened step you trod  
The main street of the settlement,  
A treat for Pilgrim maids, you know,  
Thanksgiving days of long ago.  
—Michigan Farmer.

**Turkey America's Own**  
Since the nationalization of Thanksgiving as a holiday and religious festival in these United States, the turkey has occupied the center of the table as the traditional and most delicious dish of that dinner. This self-same turkey is one of our typical national birds. When the first white explorers visited the New world they found wild turkeys roaming a spacious range from rock-ribbed New England to sand swept Mexico. The turkey is indigenous to North America, and from this country as its home was introduced to the rest of the world.  
Nobody knows how the turkey was named. It might as appropriately have been called a canary or a guinea, except that the piping cry of the mother bird calling her young together sounds like "Tur-r-k, tur-r-k." As for coming from the land of his sultanic majesty—some report Turkey as the origin of the kingly appearing fowl—the turkey might just as well be reported to come from Kamchatka or Kalamazoo.

The pumpkin pies are cooling,  
And the fowl's all are done,  
And there's berry sauce—no fooling—  
Yes, and apples by the ton.  
On each face a broad grin's growing,  
As they hum a silly rhyme,  
For the whole town now is knowing  
Fall has brought the turkey-time.

**Special Favors**  
Thanksgiving can easily leave us worse off than it found us. We get to thinking how well off we are in a dozen ways when comparison is made with many others—health, or children or money—and the feeling grows that there are special benefits that are denied others. I see no warrant for any such view. There is no denial to others that puts us in a favored class. I know lovable souls that are wholly dependent upon charity—a part of what I squeeze out of myself for charity goes to such a person. The one who has some material prosperity is not in a class set apart for material favors. It is better to stay humble and not think any such thing. We can be thankful that we have what we have, and let it go at that.—Ohio Farmer.

**Great Statesman's Thought**  
I recommend that the duties of humiliation and prayer be accompanied by fervent thanksgiving to the Bestower of every good gift, not only for His having protected and preserved the people of these United States in the enjoyment of religion and civil freedom, but also for having prospered them in a wonderful progress of population, and for conferring on them many and great favors conducive to the happiness and prosperity of a nation.—John Adams.

**An Unpleasant Subject**  
All of the functions of life are not pleasant to consider. Perhaps this is why some mothers refuse to think that such symptoms as restless sleep, loss of flesh, lack of appetite or itching nose and fingers in their children, can be caused by round or pin worms. Many mothers have proved, however, that a few doses of White's Cream Vermifuge, that sure and harmless worm expellant, will make these symptoms disappear. You can get White's Cream Vermifuge for 35 cents per bottle from Stokes-Alexander Drug Company

**"Mad Anthony" Wayne**  
**Urged Clean Shaves**  
**Says a Local Barber**

Harum scaram "Mad Anthony" Wayne—idolized by American school boys for his recklessness—was also a sticker for clean shaves, according to Van Clark, local tonsorial artist, and he insisted that his troops have their hair "oiled, plaited and powdered," says Van.  
 Of course, Van is interested in pushing his own business, but he can't be accused of that entirely, as preserved documents clearly prove the contention of the local physiognomy manipulator and capillary eliminator. This impetuous hero of Stony Point even threatened to punish his Revolutionary war soldiers as severely for neglecting to visit a barber as for neglecting their firearms. Van proves his contention by a copy of an old post order which reads as follows:  
 Dated "Sandy Beach," July 15, 1779," this reads—"A barber having been provided for each company for the purpose of shaving the soldiers and dressing their hair, who is allowed four pence per man per week, out of his wages, and this barber's services not having been taken proper advantage of, the commanding officer announces that he is determined to punish every man who comes on parade with a long beard, or solvently hair, as severely as for neglect of his arms.  
 The commander regrets the necessity of repeating his orders about attendance upon the barber, and having to add more stringent penalties for infringement; but men must at all times be clean and fit for service. Therefore, henceforth officers will, on their separate responsibilities consider it their duty to see that these soldiers in their respective commands appear always washed, shaved, and their hair oiled, plaited and powdered.  
 "Anthony Wayne,  
 Commanding."

 That I learn at school each day,  
 And I hope I'll grow more thankful,  
 More thankful—every day.

**Unnumbered Blessings**  
 Once in a while, it may do us good to be thankful, not so much for the particular fortune that has come to us as individuals, as for the general blessings that are showered down impartially on all of us. Sunshine, moonrise, the feel of rain on one's face; the sight and the scent of earth, green in the spring, dun-coated in the fall; the sound of birds in the morning, the sight of young stock gamboling in pasture—these come even to the poorest. Let us be thankful.—Wallace's Farmer.

**CITATION BY PUBLICATION**

**THE STATE OF TEXAS**  
To the Sheriff or any Constable of Lamb County—Greeting:  
**YOU ARE HEREBY COMMANDED** to summon C. W. Goodson and his wife Mrs. C. W. Goodson, and the unknown heirs of the said C. W. Goodson and wife Mrs. C. W. Goodson, or either of them, if they or either of them be deceased, and all persons owning, claiming or asserting any right, title or interest in and to the land and premises hereinafter described, by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Lamb County, to be holden at the Court House thereof, in Olton, Texas, on the second Monday in December A. D. 1929, the same being the 9th day of December, A. D. 1929, then and there to answer a petition filed in said Court on the 5th day of November A. D. 1929, in a suit, numbered on the docket of said Court No. 496, wherein L. S. Dewett and wife Kate Dewett are plaintiffs, and C. W. Goodson and wife Mrs. C. W. Goodson, and the unknown heirs of said parties, if they or either of them be deceased, and all persons owning, claiming or asserting any right, title or interest in and to the land and premises hereinafter described, are Defendants, and a brief statement of plaintiff's cause of action, being as follows:

Plaintiffs allege that they were on the 5th day of January, 1929, the owners in fee simple of all that certain lot, tract or parcel of land lying and being situated in Lamb County, Texas, and being Lot No. 7, in Block No. 34, in the town of Littlefield, Lamb County, Texas, as shown by the map or plat of said town recorded in Vol. 8, pages 500-502, Deed Records of Lamb County, Texas, and being a part of Labor No. 19, League No. 564, in said County; that on said day the defendants entered upon said premises and ejected the plaintiffs therefrom, and withold possession to plaintiff; damages \$600.00; that the reasonable rental value of said premises is \$600.00 annually; that C. W. Goodson is the common source of title; that this action is brought as well to try title as for damages. Plaintiffs additionally plead that the said C. W. Goodson executed three notes to William Trondson in part payment for said property secured by deed of trust to Arthur P. Duggan trustee, providing that failure to pay either of said notes would mature all said notes, said notes being for the sum of \$74.00; \$100.00 and \$100.00, respectively, dated January 12, 1914; that notes Nos. 1 and 2 were not paid and at the request of said Trondson the trustee sold said land and premises under said deed of trust on Apr. 6, 1925, after giving notice as required in said deed of trust, and same was sold to said Trondson to whom the trustee executed a deed and the said William Trondson became the holder and owner thereof in fee simple with title superior to that of defendants; that by mesne conveyances plaintiffs became the owners thereof with superior title to that of any of the defendants; that plaintiffs own, hold and claim said land and premises under the three, five and ten years statutes of limitation, alleging they have owned, held and claimed the same by actual, visible, notorious, exclusive, peaceable and adverse possession for a period of more than ten years; that they have held peaceable and adverse possession thereof and paid the taxes thereon for a period of more than five years under deeds duly registered and recorded; and that they have been in peaceable and adverse possession under title for a period of more than three years. That defendants claims cast a cloud on plaintiff's title.

Plaintiffs pray for citation, that defendants be divested of all right, title and interest in said land, and that title be vested in plaintiffs; that plaintiffs have judgment for title and possession and that writ of restitution issue; that the cloud on title be removed and plaintiffs title be quieted, and for costs of suit and general relief.

Herein Fail Not but have before said Court, at its next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Olton, Texas, On this 5th day of November, A. D. 1929.

She—"Jack, dear, am I the first girl you ever kissed?"  
He—"Yes, indeed. I learned to do that from a radio lecture I heard the other night."—Texas Ranger.

**Thanksgiving**

O give thanks unto the Lord, for He is good; for His mercy endureth forever. Let the redeemed of the Lord say so, whom He hath redeemed from the hand of the enemy; and gathered them out of the lands, from the east, and from the west, from the north, and from the south.

They were in the wilderness in a solitary way; and found no city to dwell in. Hungry and thirsty, their soul fainted in them.

Then they cried unto the Lord in their trouble, and He delivered them out of their distresses.

And He led them forth by the right way, that they might go to a city of habitation.

Oh that men would praise the Lord for His goodness, and for His wonderful works to the children of men!

For He satisfieth the longing soul and filleth the hungry soul with goodness.

Such as sit in darkness and in the shadow of death, being bound in affliction and iron;

Because they rebelled against the words of God and condemned the counsel of the Most High;

Therefore He brought down their heart with labor; they fell down and there was none to help.

Then they cried unto the Lord in their trouble and He saved them out of their distresses.

He brought them out of darkness and the shadow of death, and brake their bands in sunder.

Oh that men would praise the Lord for His goodness, and for His wonderful works to the children of men!

For He hath broken the gates of brass, and cut the bars of iron in sunder.—107th Psalm.

**WON'T BE LONG NOW**

Getting ready for a little "necking" party with Mr. Turkey, for Thanksgiving. The as and the turkey seem to be on edge, and Mr. Turkey is interested in the proceedings.

**Day's Spiritual Side**

American citizens enjoy the greatest material benefits of any people on earth. A war which nearly destroyed European civilization left her comparatively unscathed. Her destiny lies in the future. Her greatest concern, however, should be the retention of that faith which is at once the recognition of human frailty and a firm confidence in the ability to conquer that which lies ahead. There is no better time to express it, to lay a more firm hold upon it, than on occasions such as Thanksgiving, which, without a definite spiritual anchor, would become little better than the orgies of boasting and indulgence of pagan days.—Chicago Journal.

**Turkey, Japanese Style**

Theodore Roosevelt, while President, received a request from the Japanese ambassador to permit his chef to prepare the prize turkey sent the President. When it appeared, its golden brown plumage, its red head ornaments and its claws had been spared. A slight movement removed all of these and the bird, browned to a turn and seething in rich gravies, was disclosed. It was boned and within the turkey had been placed a capon, within the capon a pheasant and within the pheasant a grouse. One serving consisted of four delicious meats.—Farm and Fireside.

**JOHNNY KNEW**

"Can any of you children tell me what other thing we all ought to think of on Thanksgiving day besides turkey?"  
"Yassum, teacher, I can, cranberry sauce."

**Causes for Thankfulness**

We have reason to be thankful for many things. Our country is in excellent condition financially and economically. Our relations with other nations are becoming stronger as we learn to know each other better. The American press has a tremendously important part to play in the future of this land and we have every reason to be thankful that the newspapers are becoming increasingly conscious of their responsibility.—Ogden Reid, Editor New York Herald Tribune.

### LUTHERAN YOUNG PEOPLE

The Lutheran young people of Thursday of last week at the home of Adolph Lueck.  
 The most interesting sketch of the program rendered was a sketch of the terrible storm which wrecked several million dollars worth of property in the West India by an eye witness. This sketch was presented by the Lutheran young people of the survivors.  
 A full-length poem read by Mrs. Lueck was also enjoyed, as were the efforts of some of the members to use a home muscle builder, which one member produced. The accordion music of Adolph Lueck added variety to the program.  
 The following compose the new entertainment committee: Fred Michlink, Adolph Lueck, and Miss Esther Michlink. The new house committee consists of Mr. and Mrs. Arthur Lichte and Miss Louise Stockenger.  
 In two weeks the society will meet in the home of Paul Manthay.

The wages of sin are locked steel doors.
