# KING COTTON'S THRONE IS THREATENED AS MONEY POURS IN FOR TURKEYS

## LOCAL DRUGGIST IS INJURED IN CAR COLLISION

### SUFFERS FRACTURED HIP, SEVERE CUTS AND BRUISES

What might have been a much more serious accident occurred Thursday evening about five o'clock at Avenue M and Tenth street, Lubbock, when a Ford sedan driven by L. M. Blair of the Eagle Drug Store, collided with a Dodge coupe owned and driven by Dr. Sam Dunn. Mr. Blair suffered a fractured hip, a small chip of bone being broken from his hip bone, lacerations to the right side of his head, and bruises about his body. M. W. Etter, Lamb County District Attorney, Payne Wood, Dr. Ira E. Woods, and Travis Jones, all of Littlefield, were riding with Blair at the time, but escaped uninjured. Blair's car was badly damaged, it turning on its side at the time of the accident.

Dr. Dunn carried the injured man to the West Texas hospital, where he treated him, and where he remained until Sunday, when Mr. and Mrs. Payne Wood accompanied by Mrs. Blair, brought him home. According to the doctor in attendance, it will be about three weeks before Blair will be in condition to return to his duties at the drug store.

Reports are to the effect that the accident was unavoidable. Blair was driving east on Tenth street and passed a car, halted at the intersection. His automobile crashed into that of Doctor Dunn's after the doctor's car, going south on Avenue M, had crossed the middle of the street. The Littlefield party were returning after attending the Lubbock-Amarillo football game.

## MISSIONARY TELLS OF BAPTIST WORK IN SOUTH AMERICA

### WEST PLAINS WORKERS CONFERENCE IS HELD HERE

Considering the inclement weather, a good attendance is reported at the West Plains Workers Conference held with the First Baptist Church here Monday and Tuesday. Seven churches were represented at the meeting, and a number of visitors attended, including Rev. Evans of Portales, Dr. B. H. Warren of Wayland College, Rev. and Mrs. Verner Pipes and Rev. Roy Clayton of Plainview.

Dr. R. S. Jones, a Baptist missionary who is home on furlough from Pernambuco, Brazil, was the principal speaker at the Monday night and Tuesday morning sessions. Dr. Jones is president of American Baptist college, Seminary and Training School for girls at Pernambuco. He is making his home at Fort Worth while on furlough, and will return to Brazil in June.

His talks were greatly enjoyed, and very considerable was learned about the Baptist missionary work in Brazil. Dr. Jones has been engaged in missionary work for the Baptist

## LITTLEFIELD—THE PULSE OF THE PLAINS

# LAMB COUNTY LEADER

Official Newspaper of Lamb County, Texas

VOL. 9 LITTLEFIELD, LAMB COUNTY, TEXAS, DECEMBER 10, 1931 NO. 35

## VOCATIONAL AGRICULTURAL STUDENTS PROVE THAT INCH STAPLE COTTON CAN BE PRODUCED IN COUNTY SUCCESSFULLY

### City and County Offer Reward

#### Authorities to Curb Stealing of Automobile Equipment

The City of Littlefield and the County of Lamb will each pay a reward of \$25 for information leading to the arrest and conviction of party or parties found guilty of theft of automobile tires, parts tools or accessories, gas and oils; tractor equipment and tools, gas and oil.

There has been considerable stealing of the above mentioned articles in the past few days, and the county and city authorities are determined to stop the practice.

## Masons Observe Tenth Anniversary of Local Lodge

The tenth anniversary of the granting of a charter to Littlefield Lodge No. 1161, A. F. & A. M., was observed by the local lodge last night. The occasion also was in honor of the past masters of the lodge.

Officers at the time the lodge was organized conferred the third degree with Judge R. C. Hopping of Lubbock, the first master of the lodge, as the worshipful master.

The Abernathy lodge, the mother lodge of the Littlefield body, were special guests. The following program, in addition to the conferring of the third degree, was carried out.

Welcome address—F. O. Boles, Worshipful Master.

Response—R. C. Hopping, first Master of the lodge.

Symbolism of the Master's degree—Rev. Joe Grizzle.

Refreshments were served at the close of the meeting.

## LARGE NUMBER WILL SEE SATURDAY'S GAME

Littlefield promises to be well represented Saturday afternoon at the scrap between the high school football teams of Lubbock and Abilene, to determine which one will go down state to the semi-finals. It

Ten boys in the vocational agriculture class at Littlefield have proved that inch staple cotton can be produced in Lamb county. These boys, Norman Emfinger, George Lightsey, James Walden, J. P. Smith, LaVerne Stevens, Ernest Mitchell, Dumas Haynes, Morris Pierce, Welty Thiedford, and Clyde Montgomery, planted a seed block of state certified Acala cotton as one of their three projects. The satisfaction with which this idea has met is shown in the fact that their dads will plant this variety only on their farms next spring.

Some of the boys are reporting a higher yield per acre than was produced by other varieties on their farms, while others are showing more dollars per acre where the yield was the same or slightly under that of other varieties. Higher prices per pound due to longer staple is responsible for this.

Buyers state that the best cotton they have bought this season was Acala cotton. The Cotton Association has been the agency through which several of these boys have been able to get the increase in value for longer staple. Lamb county cotton is of much better quality this year and buyers are recognizing this fact. The work these vocational agricultural boys have done in proving that quality cotton can be grown, points the way for Lamb county farmers to get more out of their cotton in future years.

Latest government report, as of November 14, gave the county a total of between 43,000 and 44,000 bales. Rainy weather for the second half of November, and extending into December, has cut down the number of bales ginned. The county's total, which is expected to be made known shortly, probably will reach 50,000 bales to date.

The Union Compress here, which is the only one north and west of Lubbock, has handled more cotton than it has ever handled before. Cotton is brought to Littlefield from as far west as Portales, N. M., to be compressed. Cotton grown in Southern Bailey county, also from Cochran and Parmer counties, is brought here.

It is said by men in close touch with the cotton business that in excess of 50,000 bales has been compressed in Littlefield this season.

Different estimates are given by cotton men and others as to the percentage of the cotton crop picked.

Arthur P. Duggan put the estimate at "at least 66 2-3 per cent."

W. H. Clark of the Texas Cotton Cooperative association said he thought "80 per cent has been picked but not all of that ginned."

J. W. Hale, secretary of the chamber of commerce, said he thought the percentage picked was around 75. Others say as low as 70 per cent.

Picking is expected to continue well up into early spring. Some are of the opinion cotton will be gathered as late as March.

From now on, the sledding of cotton will increase. Nearly all of the foreign pickers, especially the Mexicans from South Texas, have left. School are now running and farm-

(Continued on Last Page)

## LAMB COUNTY TO BREAK RECORD FOR COTTON GINNINGS

### 1931-32 TOTAL ESTIMATED AT 65,000 BALES

Some of the most enthusiastic are inclined to predict that by January 1 Lamb County will have broken its past record of cotton production of 52,000 bales, and reach the 65,000 bale mark, providing the cotton now in the fields is gathered.

Latest government report, as of November 14, gave the county a total of between 43,000 and 44,000 bales. Rainy weather for the second half of November, and extending into December, has cut down the number of bales ginned. The county's total, which is expected to be made known shortly, probably will reach 50,000 bales to date.

The Union Compress here, which is the only one north and west of Lubbock, has handled more cotton than it has ever handled before. Cotton is brought to Littlefield from as far west as Portales, N. M., to be compressed. Cotton grown in Southern Bailey county, also from Cochran and Parmer counties, is brought here.

It is said by men in close touch with the cotton business that in excess of 50,000 bales has been compressed in Littlefield this season.

Different estimates are given by cotton men and others as to the percentage of the cotton crop picked.

Arthur P. Duggan put the estimate at "at least 66 2-3 per cent."

W. H. Clark of the Texas Cotton Cooperative association said he thought "80 per cent has been picked but not all of that ginned."

J. W. Hale, secretary of the chamber of commerce, said he thought the percentage picked was around 75. Others say as low as 70 per cent.

Picking is expected to continue well up into early spring. Some are of the opinion cotton will be gathered as late as March.

From now on, the sledding of cotton will increase. Nearly all of the foreign pickers, especially the Mexicans from South Texas, have left. School are now running and farm-

## Christmas Market Bringing Huge Sum Into This Section

### Littlefield Buyer Pays Out \$4,500 in One Day for Turkeys

The throne of King Cotton is threatened.

Thousands of dollars are pouring into the pockets of Lamb county farmers through the selling of their turkeys on the Christmas market, which opened Friday morning.

The market opened at 15 cents and had climbed to 19 cents yesterday.

While Littlefield is declared to be the largest market in Lamb county, turkeys also are being purchased at Sudan, Olton, Earth and Amherst.

Figures are not available as to how much has been paid to farmers of Lamb county for their turkeys since the opening of the Christmas market last Friday, but the figure would be nothing short of astounding. This statement is born out by the fact that one Littlefield concern paid farmers \$4,500 yesterday for turkeys to be shipped to eastern markets, and expects to spend a total of \$10,000 in the buying of turkeys on the present market.

The turkey dressing plant of the Littlefield Poultry & Egg, a new industry in Littlefield, is in full swing. This plant is paying \$100 a day for labor, in addition to the money being spent with farmers in the purchase of their turkeys. Barney Wilson, manager, said that four carloads of dressed turkeys would be shipped out to eastern markets between last night and Saturday night of this week.

Swift & Co., through their local representative, the Farmers' Produce, are making extensive purchases of turkeys. This is also true of the Porcher Produce, who also represent large turkey purchasers.

## Littlefield C. of C. Will Purchase Highway Signs

The Littlefield Chamber of Commerce voted Tuesday to solicit funds in Littlefield for the purchase of 100 signs, which will be placed on the highways in this territory, designating the direction and distance of Littlefield.

A special committee was appointed to carry out the project. This group consists of F. G. Sadler, R. E. Riley, Art Chesher, and Joe W. Hale.

## MONEY ORDERS INCREASE

According to Miss Ruth Courtney, money order clerk in the local post office, more than \$20,000 in money orders was sent from this city during November, which is a substantial increase over 1930. Over 2100 money orders were written in November of this year, and 800 in November of 1930.

## Boys and Girls! Write to Santa Claus; He Reads the Lamb County Leader

Boys and girls, tell Santa Claus what you would like him to bring you this Christmas.

One of the best ways to tell Santa all about what you would like to receive, is to write him a letter in care of the Lamb County Leader.

Many boys and girls wrote to Santa Claus last Christmas, and the kindly old gentleman did his very best to satisfy their every wish. You should write to Santa this year.

Santa Claus reads the Lamb County Leader, and in order to make sure that he receives your message, all letters written to him in care of the Leader, will be published in this newspaper.

The earlier you write to Santa Claus, the easier it will be for him to bring you what you want most. You should write today and mail or bring your letter to the Lamb County Leader.

## Examples Are Continually Developing of Successes In Farming In This District

Examples are continually coming to light of the successes which are being attained in farming in the Littlefield district. J. H. Lyda, who owns 167 acres between Littlefield and Anton, had 147 acres in cultivation this year. He harvested 32 bales of cotton from 28 acres, and will make a total of 75 bales on his place. And, in addition, he has made an abundance of feed to make a crop another year, and will have 25 tons of grain to sell.

The cotton crop in the Littlefield district is an outstanding success this year, as is always a fact. Some cotton is making a bale to the acre. Considerable of the cotton will run three-fourths of a bale to the acre, and thousands of acres will yield one-half a bale to the acre.

### INTERESTING RADIO PROGRAMS ENTITLED "EXPLORING AMERICA WITH CONOCO AND CARRUTH WILLS," ARE UNDERWAY

Sustaining its reputation established during the past two seasons for being to the air radio entertainment that is unique and instructive, as well as highly entertaining, the Continental Oil Company returned to the National Broadcasting Company network Sunday, December 6, at 10:00 a. m., central standard time, with what will be its outstanding series of radio entertainment.

The weekly programs, numbering twenty-six, and titled "Exploring America with Conoco and Carveth Wells," feature that distinguished British explorer and engineer, member of the Explorers' Club and Fellow of the Royal Geographic Society. Wells has already built an international reputation as a radio character by relating his experiences in Africa, the Polar regions, and other strange out-of-the-beaten-path corners of the world.

But in the Conoco programs Wells will tell, for the benefit of American audiences, the thrilling stories of the wonderland that is our own country. "I have explored from the air, under the sea, the surface of the earth, and many great caverns in the earth," said Wells, "but I have come to the conclusion that if I were to start my travels all over again, I would see America first. Right here in the United States are to be found some of the most wonderful things in the world and it has always amazed me to find so few Americans who have taken the trouble to explore their own country."

Taking the various American wonder places state by state, Wells will conduct personal tours by radio, describing in his typical vivid, colorful style the marvels that await the American seeing his own country. His talks are replete with facts and fancies that are little known, never published, and which make his sparkling comments second only in interest to an actual visit to the regions described.

The Wells programs will be broadcast every Sunday at 10:30 a. m., Central Standard Time, over the following N. B. C. Stations: WENR, Chicago; WOC, Davenport; WHO, Des Moines; WDAF, Kansas City; KVOO, Tulsa; WKY, Oklahoma City; WBAP, Fort Worth; WAOL, Can Antonio; KOA, Denver; KSL, Salt Lake.

The entire series of programs also will be given an identical broadcast by transcription on these local stations: 10 a. m. (local time) Sundays—KGA, Spokane; KGIR, Butte; KIDO, Boise; KTAR, Phoenix; KOB, Las Cruces; KFAB, Lincoln; WDAG, Amarillo; KGGM, Albuquerque and WCCO, Minneapolis; 1 p. m. (local time) Sundays; KFBB, Great Falls; WBBZ, Ponca City; WRVA, Richmond; 2 p. m. (local time) Sundays; KTHS, Hot Springs; 7:30 to 8 p. m. (local time) Thursdays, WAAM, Newark.

### INTERESTING RADIO PROGRAMS ENTITLED "EXPLORING AMERICA WITH CONOCO AND CARRUTH WILLS," ARE UNDERWAY

A thrilling, eye-witness picture of the picturesque scenery of New Mexico, as seen by Mr. Wells, will be painted for American radio listeners Sunday, December 13, when the second of the Continental Oil Company's new radio series takes the air over the N. B. C. network, at 10 a. m., Central Standard Time.

### Last Rites are Held for Amherst Child Saturday

Funeral services were conducted Saturday afternoon at 3 o'clock at the Hammons Funeral Home here for Roger Farrel Beason, aged 4 years, son of Mr. and Mrs. E. E. Beason of two miles northeast of Amherst, who died Friday evening about 6:35 p. m., following an attack of scarlet fever and other complications.

Rev. W. A. Reed, pastor of the First Baptist Church of Amherst, officiated, and burial took place immediately thereafter in the Littlefield cemetery. Hammons Funeral Home were the undertakers in charge there.

Besides his parents, he is survived by five brothers and sisters.

The government helium plant at Amarillo, will be enlarged if recent recommendations of the United States Bureau of Mines are followed.

Following the installation of a waterworks system, Vaga, in the Texas Panhandle, is planning a beautification program of planting trees, shrubbery and flowers.

Lubbock is seeking a Federal rating for its municipal airport.

### AUXILIARY OF AMERICAN LEGION SEEKS ARTICLES FOR PACKAGES TO BE SENT VETERANS IN GOVERNMENT HOSPITALS

Each year the American auxiliaries of the State of Texas send packages to the men in government hospitals and the quota of the local unit for this year's four packages. Previous years the receiving of Christmas boxes has been an outstanding event of the year for ex-service men in hospitals and the committee from the local unit expects to put forth every effort to make the boxes prepared here as attractive and

valuable as it is possible.

Below is given a list of articles to be included in the packages and anyone outside of the auxiliary may contribute to the collection, which the committee is preparing previous to mailing on December 15:

Toilet articles of all kinds, stationery, stamps, pencils, pens, knives, bedside bags, slippers, socks, ties, hand mirrors, playing cards, games of all kinds, puzzles, shelled nuts (the unshelled ones make your packages too heavy, and there is no way to shell them), cigarettes, tobacco, and any other little thing that you or your friends have found comforting or convenient when confined to bed.

Those who wish to have a part by including gifts may do so by telephoning Mesdames R. E. Riley, Arbie Joplin or T. Wade Potter.

Orders now being taken for Christmas greeting cards. Telephone and we will be glad to take our sample books anywhere in the city and show you our beautiful line. Leader office.

We carry a big stock of

### Announce Ginning Totals for Plains

Seventeen South Plains counties had, on November 14 this year, ginned 88 per cent more cotton than they had on the same date last year, the report of the bureau of the census of the department of commerce for the mid-November cotton ginnings, reported.

Total ginnings this year were 348,815 on that date, compared to 184,991 bales a year ago, a net gain of 163,824 bales.

Lubbock county continued to lead the South Plains with 52,350 bales. This county ranks 22nd in the state in production of cotton this year up to November 14.

Lamb county placed second with 42,674 bales. Lynn's place as third is being hotly contested by Hockley, exceeding that county by less than 300 bales while Dawson is pressing close to Hockley, holding fifth place with a thousand bales under Hockley.

In only one county has there been fewer bales ginned this year than at the same time last year. This is Gaines where the ginnings are 500 bales fewer.

Cochran and Swisher counties do not have comparative figures with 1930 owing to the fact that these two were included in "all others" to avoid disclosure of individual operations."

Following are the ginnings:

County	1931	1930
Bailey	9,447	2,816
Cochran	2,056	---
Crosby	23,732	5,361
Dawson	35,562	23,798
Dickens	19,867	7,841
Floyd	9,205	4,248
Gaines	1,722	2,287
Garza	12,316	4,383
Hale	20,459	10,403
Hockley	36,559	19,894
Lamb	42,674	23,166
Lubbock	52,350	25,556
Lynn	36,842	21,334
Motley	7,297	3,889
Scurry	18,454	13,873
Swisher	1,678	---
Terry	18,595	16,142
Total	348,815	184,986

### School Trustees Seek Recovery of School Funds by Law Suit

Suit has been filed in the Hale county district court by trustees of the Olton Independent school district against J. D. Steakley, official of the closed Plainview National bank and other directors, asking approximately \$8,800 which the board had on deposit in the bank at that time.

The school funds were covered by a bond signed by Mr. Steakley, A. G. Hinn, local merchant, and the late L. S. Kinder, former resident of the bank, all bank officials.

James A. Goudy filed the action for the board. The suit is expected to be heard at the January term of court.

Bluebonnet seed are being marketed at cost in San Angelo for the furtherance of the wheat stabilization program of the West Texas Chamber of Commerce.

A Winters farmer made a profit of nearly \$900 from a flock of four hundred turkeys.

# Parched or toasted? No, sir! CAMELS are FRESH!

THE bedrock of Camel popularity is the inherently fine quality of the tobaccos that go into our cigarette.

These tobaccos are notably mild, full-mellow, delicately flavored by nature—the finest Turkish and mild, sun-ripened Domestic tobaccos that money can buy.

To safeguard the essential goodness of these fine tobaccos we exercise every care to conserve their natural moisture and natural flavors.

They are never parched or toasted—the Reynolds method of scientifically applying heat guarantees against that.

That's why we say Camels are *made* fresh to start with—and why the Camel Humidor Pack can bring them *fresh* to you, in prime smoking condition.

If you want to know what a blessing that means in unalloyed smoke-enjoyment, switch to Camels for just one day—then leave them—if you can.

You needn't tell me—I know Camel is the fresh cigarette!

# CAMELS

Made FRESH—Kept FRESH

Don't remove the moisture-proof wrapping from your package of Camels after you open it. The Camel Humidor Pack is protection against sweat, dust and germs. In offices and homes, even in the dry atmosphere of artificial heat, the Camel Humidor Pack can be depended upon to deliver fresh Camels every time.

### Littlefield Farmer Dies Enroute to a Lubbock Hospital

Funeral services were held at 3:30 p. m. Sunday at the First Baptist Church here for William F. Brown, aged 51, farmer of four miles west of Littlefield, who died Thursday morning en route to the Lubbock Sanitarium, following a heart attack while loading a bale of cotton. Rev. Roy Kemp, pastor of the Tabernacle Baptist church, officiated at the funeral, and burial was made in the Littlefield cemetery immediately thereafter. Hammons Funeral Home had charge of arrangements.

Deceased was born in Cedar Creek, Missouri, and has lived here since February, 1929, coming to the South Plains from Slaton, Texas, where he resided for two years.

Surviving him are his wife, one son, Olen, by former marriage, and by his last union, three daughters and two sons, Ruby, Ruth, Jessie Lee, Reed and Carl, all at home; his mother, Mrs. Lila Brown of Salina, Okla.; and four brothers and four sisters.

Deceased was a member of the Baptist Church; was a loving husband and father, who provided for his family in a remarkable way, and leaves a host of friends to mourn his passing.

You have no idea of the many pretty Christmas gifts, which you may purchase in our gift shoppe.—Chisholm's Studio & Gift Shoppe, 45-1tc

### CITY MARKET

Littlefield

### NEW CHEVROLET—

(Continued from Page Three)

of the top just over the doors and windshield.

With the elimination of the outside sun visor, its previous function is performed by an internal visor adjustable to any position and affording greater protection than the old fixed external visor. Its elimination, together with the lowering of the top rail of the instrument panel, affords the driver greater vision, particularly in observing overhead signal lights.

External body contours follow the same general design as last year, the most obvious changes being in the new hardware and greater door depth. Doors extend through the body sills instead of only to the top, and the effect of the smaller wheels and larger tires is to give a lower and racier appearance to the car when viewed from the side. Tire sizes are now 5.25-18 compared with 4.75-19 last year.

In the rear are the combination tail and stop light, the safety gas tank away from the engine, with a baffle plate added to prevent flickering of the dash gauge and insure accurate readings under all conditions; and rear fenders are redesigned, with deeper crowns and lower rear ends, the contour and general treatment conforming with the new design of the front fenders.

#### Luxurious Body Interior

Body interiors bring a new conception of luxury to the low priced field. Mohair or broadcloth upholstery is now optional with all models; hardware is newly designed and improved; such fine car features as silk assist cords, robe rails, arm rests on both sides of the rear seat; dome light; side ash receptacles and many other improvements are standard with various models in the line.

The instrument panel is beautified by the symmetrical grouping of the several new instruments added this year because of added mechanical features. The free wheeling control button is located just to the left of the steering column.

Other instruments are grouped on the center panel, which has a deeper flange this year and a decorative head harmonizing with the instrument design. A heat control button is added to this center panel, and all instrument dials have convex faces for easier reading. The top rail of the panel has been lowered, and contains a removable inset ash tray, with a hinged cover for the convenience of front seat occupants.

#### More Powerful Engine

The sixty horsepower, over-head valve, six-cylinder engine is smoother, quieter and more powerful, due to the cumulative effect of many reinforcements. The engine block is stiffened and strengthened by additional ribs and more metal at points of stress. Main crankshaft bearings are thinner, making possible an increase in diameter of the crankshaft journals. The crankshaft, with four counterweights, froged integrally, weighs 53 pounds, an increase of five pounds over last year. Lubrication to the crankshaft

and camshaft bearings, and the valve stem is positive pressure this year, instead of splash feed as formerly. Improvements in timing valve opening and compression ratio contribute materially to the twenty per cent increase in power and to quicker acceleration.

In addition to the new down-draft carburetor, a heat control valve has been added to the exhaust manifold for easy starting and quick warming up of the engine at low temperatures. A button regulating the heat control is located on the instrument panel.

An air dome has been added to the fuel pump, which assures constant feeding of fuel to the carburetor under all operating conditions and is especially effective for high speed driving or at low engine temperatures. Air drawn to the carburetor passes through the combined air cleaner, intake silencer and flame arrester mounted on the top of the carburetor. Within the air cleaner an air resonance chamber has been built this year to reduce the "hiss" of incoming air, which at high speeds might otherwise be noticeable to occupants of the car.

The transmission unit, incorporating the synchro-mesh principle and the over-running clutch or "selective" free wheeling is entirely new, and is said to be the first instance of any manufacturer offering the combined features to the motoring public. It is designed to meet the needs of modern traffic, and in operation it automatically permits the novice to shift gears smoothly and noiselessly.

The synchro-mesh transmission follows the same general design as that used successfully during the past few years in other General Motors cars, although some parts have been heavy for greater safety in operation and other minor changes have been made either for better performance or better to adapt the units to volume manufacturing.

## CHURCHES

### FIRST BAPTIST CHURCH

Sunday, Dec. 13, 1931

Have you noticed the red and blue ribbons worn by so many men the last few days? They are members of the Men's Bible class of this church. Last Sunday the class had the largest number in attendance of any class in the school. I wonder how long they can hold the numbers over the Women's class. Well I am for them. Judge Rowe and his class officers are doing some wonderful work in this class, and proving the statement that work will win.

There will be no special change in the regular services for this Sunday. Sunday school.

9:45 Sunday school.  
10:45 Closing exercise of the school.

11:00 Choir directed by Bro. Jordan.

11:30 Sermon, pastor, subject, "Looking Up."

6:30 All B. Y. P. U.'s. We again call special attention to our B. A. U. and invite every adult of the town to take part.

7:30 Service in song.

8:00 Evening sermon. Subject, "Facing the Judgment."

And again we say come. Where ever you live, whoever you are, come. If you are a Christian, come help us; if you are not, come, let us help you.

JOE F. GRIZZLE, Pastor.

### DOWN TOWN S. S. CLASS

Attention men. We have moved the Down Town Bible Class into the office of the Texas Utilities. We there have a warm comfortable place to meet with plenty of light. The intention of this class is not to take any man away from any Sunday school of the town, but to make it possible for men who are not in Sunday school to have the privilege if they so choose. The class is one of the most interesting classes it has ever been my privilege to work with and I am safe to say to any man, that if he will drop in with us one Sunday morning, he will want to become a part of the class. Our goal is 100 men. We are confident of victory.

### CHURCH OF CHRIST LADIES MEET WITH MRS. A. L. HOOD

Church of Christ ladies met with Mrs. Hood Dec. 7, for their Bible study. The lesson was from the first three chapters of John. After the closing prayers a pleasant hour was spent with the following: Mesdames J. C. Hilbun, Enloe Smith, S. B. Jackson, S. L. Adams, W. P. McDaniel, Paul Beebe, C. C. Beebe, R. A. Bigham, R. L. Mayhew, Bill Collins, Hood, and a visitor, Mrs. Benton.

We are always glad to have visitors with us. The class is to meet with Mrs. S. B. Jackson next Monday. Please bring or sent in your cakes to the orphan home.

### METHODIST CHURCH

Sunday, Dec. 13

With the Christmas tide swiftly approaching, let us remember the words of Christ when He said, "It is more blessed to give than to receive." May the white Christmas be ours in making a loving offering to the Orphan's home. The Methodist Orphanage at Waco, is maintained by the Christmas offerings from the churches of Texas.

Last Sunday was a still better day and let us look for a better day next Sunday. It was gratifying to see so many at the communion service.

Let the people of Littlefield and surrounding community make next Sunday a real church going day. Attend church somewhere.

Sunday school at the usual hour and the regular services at 11:00 a. m. and 7:00 p. m. The young people will have charge of the first part of the evening service, giving a short pageant. At the close of this the pastor will speak a few minutes on "The Fulfillment of Life." The subject for the morning hour will be, "The Divine Romance in Christian Character."

You are welcome and we cordially invite you to worship with us.

JOE E. BOYD, Pastor.

### CHURCH OF CHRIST

303, 8th St.

Sunday, Dec. 13

Bible classes 10 a. m.  
Prenching and Lord's Supper 11 to 12:00.

Prenching 7:15 p. m., C. H. Gardner.

Ladies Bible Class, Monday, 3:00 p. m., at the home of Mrs. S. B. Jackson. The ladies of the church are asked to send or bring their cakes that day, to be sent to the orphan homes.

### SACRED HEART CHURCH

Dec. 13, the Third Sunday of Advent.

Mass: 10:30 a. m.  
Sermon on Christian Perfection in general, and on the ways and means leading to it in particular.

Christmas Services:  
High Mass and appropriate sermon on Christmas Eve night, beginning at 12 o'clock midnight sharply.

Make up your mind to attend these services on the holy night of Christ's birth.

Cordial invitation is extended to all by the pastor.

Rev. Charles J. Dvorak.

### FEDERATED WOMEN'S CLUBS TO GATHER AND DISTRIBUTE TOYS

At the meeting of the Federated Women's Clubs held recently at the Presbyterian Church, it was decided, and a committee appointed to collect toys that were not being used, and those that were damaged and broken, and to have the toys repaired, for distribution to the less fortunate children of the city.

Among those on this committee are: Mrs. J. S. Hilliard, Mrs. Keithley, Mrs. Acree Barton, Mrs. Baird, Mrs. R. C. Evans and Mrs. J. C. Hilbun. If anyone desiring to contribute toys, whether in good condition or damaged, will please call one of the committee, and she will be glad to send for them, or they may be brought to the First Baptist Church.

Select gifts for the entire family at Chisholm's Studio & Gift Shoppe.

35-1tc

### FIRST BAPTIST W. M. U. LADIES MEET IN CIRCLES MONDAY AFTERNOON

The ladies of the First Baptist Church met in their respective circles Monday at 3 p. m.

Although weather was disagreeable, eighteen ladies were present in the three circles. Circle No. 1 met with Mrs. Acree Barton. No. 2 met with Mrs. J. H. Hardberger, and No. 3 with Mrs. L. H. Smith. An interesting study of Isaiah was conducted by the Bible Study leaders.

### Attend Funeral In Plainview Friday Last

Mrs. A. G., Kenneth and Miss Dahlia Hemphill, and Miss Eva Gertrude Chisholm attended funeral services for Melvern Hunter at the Methodist Church, Plainview, Friday afternoon at 2:20, conducted by Dr. Granberry of Tech College. Deceased, who passed away Wednesday night at the Lubbock Sanitarium, was a college friend of Mr. Hemphill, and had visited him here several times.

### BORN

Mr. and Mrs. E. M. Lehman of three miles north of the city are the proud parents of a baby boy born Friday, December 4, at 8 a. m. Both mother and son are doing nicely.

Born to Mr. and Mrs. J. R. Eddings of four miles east of Littlefield on Saturday, December 5, at 3 a. m., a baby girl.

Arrived at the home of Mr. and Mrs. A. C. Goggins of two miles south of Littlefield on Saturday, December 5, at 9 a. m. a baby girl.

Born to Mr. and Mrs. E. O. Graham of ten miles north of Littlefield in the Spade community, on Sunday, December 6 at ten a. m., a baby boy.

### TOO LATE TO CLASSIFY

FOR RENT—Modern five room, well located residence for rent. A. P. Dugan, phone 31. 34-2tc

WILL TRADE good Eastland City property for farm near Littlefield. H. Rowell, 909 So. Seaman St., Eastland, Tex. 34-2tp

FOR RENT January 1st—My residence in Broad Acres. Would rent to responsible party for one year. \$20.00 per month.—J. H. Lucas, Phone 117 or 167-R. 35-1tc

### Tax Collections Better This Year

W. G. Street, city secretary, reports tax collections much better than last year.

In this connection Mr. Street says "our collections of the 1931 taxes are a good deal better today than the 1930 collections were last year. I think we will collect in the long run a great deal more than we did last year. When the books closed last January 31, there was about one third of the city taxes delinquent. We are collecting some of this along with the current year."

Nearly all of the large corporations with property interests here have paid their current taxes, while usually they wait until later, generally in January, before they pay.

### Watch & Jewelry Repairing

I have returned to Littlefield, and am better prepared than ever to render you prompt efficient service.

### Gift Jewelry

If Cupid played ta Claus, he'd unquestionably give the lady jewelry—what a thrill would be for her to receive an exquisite watch, ring, bracelet, choker, costume set, or other attractive piece of jewelry purchased at this store!

### JOE WATSON

Jeweler

## Mrs. T. S. Sales Entertains With Yuletide Party Monday Complimenting Miss McDaniel

Wreaths, mistletoe, Christmas trees, and other decorations in the traditional colors, red and green, adorned the beautiful home of Mayor and Mrs. T. S. Sales Monday evening for the occasion of one of the most festive parties of the season, given by Mrs. Sales, complimenting her house guest and niece, Miss Irma McDaniel, of Waco. The hostess was ably assisted in the entertaining by Mrs. Roy Blessing.

The Yuletide motif was carried out in the tallies and score pads.

Wreaths with red tapers, centered the six tables arranged for bridge, at which spirited playing and merry conversation prevailed until a late hour. Ladies high score prize, a beautiful little silhouette in black and gold, was awarded Miss Gladys Porter; and the high score for the men was held by Mr. Roy Young, who was complimented with a Yardley shaving brush.

The Yuletide motif which created much enjoyment was a Santa Claus Sack, which contained gifts, and the guests making a grand slam or a little slam, were given the privilege of drawing gifts from the Santa Claus sack.

At a late hour delicious colorful refreshments, consisting of "snowball" cakes, decorated with miniature Christmas candles and trees, aspic salad, cheese niblets, bread and butter pickles and spiced tea were served in delicate green glassware to the following guests:

Mrs. Irma McDaniel, Edith Grant-ham, Gladys Wales, Nell Stagner, Dahlia Hemphill, Stella Loyd, Eunire Wright, Emma Ruth Jones, Gladys Porter, Miss McAnally, house guest of Mrs. Jim Etter, Lydia Crockett, Bessie Bellomy; Messrs. Don Knight, Paul Hyatt, Roy Young, Travis Jones, Dick Miller, Kenneth Houk, Bob Badger, Earl Hopping, Bill Thomas and Ben Porcher.

## Little Theatre to be Sponsored by Woman's Study Club

The Woman's Study Club met Wednesday afternoon, December 2nd.

The club will sponsor a Little Theater in Littlefield. Mrs. A. P. Duggan, Mrs. C. E. Cooper and Mrs. Pat Boone were appointed to serve on the Little Theatre committee.

Mrs. L. C. Grissom reviewed Orphan Angel, by Wylie. Mrs. R. A. Davis was made critic for the next three months.

Those present were Mesdames John H. Arnett, R. T. Badger, Pat Boone, J. R. Coen, C. E. Cooper, A. P. Duggan, R. A. Davis, T. B. Duke, R. E. McCaskill, W. H. Gardner, L. C. Grissom, C. L. Harless, B. M. Harrison, T. Wade Potter, L. L. Massengill, E. S. Rowe, F. G. Sadler, G. M. Shaw, J. M. Stokes, W. G. Street, J. C. Whicker and H. W. Wiseman.

## THE H. A. T. BRIDGE CLUB MEETS

The H. A. T. Bridge club met Tuesday evening, December 8, at the home of Nina Anderson. Three tables of bridge were played until a late hour, then refreshments of hot chocolate and date nut pudding, topped with whipped cream were served to the following charter members: Nina Anderson, Venita Seeley, Prudence Courtney, Olga Henson, Winifred Willis, Ellen Crockett, Onita Lowe, and Fern Thornton. The members initiated this week were Maurine Harvey, Fleeta Eagan, Myrtle Marian Shaw and Verna Belle Miller.

The club had had three meetings prior to this. The first was at the home of Onita Lowe, November 18. The following officers were elected: Prudence Courtney, president; Winifred Willis, vice-president; Nina Anderson, secretary; Fern Thornton, treasurer and Olga Henson, reporter. The second meeting was at the home of Olga Henson, November 25, and the third was at the home of Winifred Willis, December 1.

The next meeting will be at the home of Venita Seeley, Tuesday evening, December 15.

## THIRD YEAR HOME ECONOMICS ENTERTAIN SENIORS THURSDAY

The backward party given by the third year Home Economics class was a success from start to finish. Both the guests and hostesses were dressed backwards, talked and walked backwards. Party games were played and refreshments were served when the party was about half over by Jessie Robinson, Mary Nell Keithly, Mary Ruth Newgent, Jewel Glover, Fleeta Eagan, Mildred McKinnon, Irene McKinnon, Mary Helen Smith, Billie Fern Atkinson, and Inez Nance to Cloice Malone, Mildred King, Prudence Courtney, Virginia Staggers, Pierce Teeters, Sydney Lucas, Lester Feaster, Harvey Teeters, J. G. Berryman, Dick Barber, Joe Stanley, Lambert, Wilma Botsford, Eleanor Hodges, Eloise Collins, Margaret Cobb, Eva Lena Clark, Nadine Huling, Lucille Owen, J. E. Chisholm, B. M. Harrison, Edna Nell Baldwin, Earl Glover, C. L. Harless, Heavy Stevens, Russell Wimberley, Rosie Hemphill, Burch Cooke, Dwight Woody, Dean Thornton.

A Shackelford County river ranch of 8,000 acres was sold recently for \$140,000.

## How One Woman Lost 20 Pounds of Fat

LOST HER PROMINENT HIPS - DOUBLE CHIN - SLUGGISHNESS

Gained Physical Vigor - A Shapely Figure

If you're fat—first remove the cause!

Take one half teaspoonful of KRUSCHEN SALTS in a glass of hot water every morning—in 3 weeks get on the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—you feel younger in body—KRUSCHEN will give any fat person a joyous surprise.

Get an 85c bottle of KRUSCHEN SALTS from The Eagle Drug Store or any leading druggist anywhere in America (lasts 4 weeks). If this first bottle doesn't convince you this is the easiest, safest and surest way to lose fat—your money gladly returned.

## PERSONALS

## Beautiful Morning Ceremony At Methodist Church Unites Popular Littlefield Couple

A romance beginning five years ago was culminated last Sunday morning at nine o'clock at the Methodist church. Miss Lorene Eagan became the bride of Mr. Lynn Dobbs before an altar banked with fern and pastel chrysanthemums. Miss Myrtle Porter of Lubbock sang "At Dawning," with Miss Johnnye Face at the piano. The groom with his best man, Mr. J. R. Eagan, coming from the left, met his bride who was attended by her cousin, Miss Gladys Porter. Miss Lena Gertrude Chisholm sang "I Love You Truly," after which Rev. Joe E. Grizzle, pastor of the Baptist Church, spoke the words that united them for life, using the impressive ring ceremony.

The bride was lovely in a costume of electric blue crepe, black velvet jacket, and other black accessories. Her shower bouquet of pink Killarney rosebuds, sycophilla, and sweet peas was the touch that made an exquisite finish to her costume. The bridesmaid was attired in wine crepe, with harmonizing accessories.

The bride, who is the daughter of Mr. and Mrs. J. J. Eagan, has lived in Littlefield for a number of years, and was a graduate of the class of '28." At the time of her marriage she was in the employ of the Ellis & Ware Dry Goods Company. She is the type of American girl whom everyone loves.

es, winsome and of splendid Christian character.

"Cotton" as the groom is affectionately known, has been employed by the Texas Utilities Company for the last six years as manager of the ice department. He is well known and liked for his many sterling qualities and is one of Littlefield's most popular young men.

Besides a church full of relatives and friends, who witnessed the marriage, out of town guests included the bride's brother, Mr. Etheridge Eagan and Mrs. M. E. Mitchell of Lubbock.

After a short wedding trip to Old Mexico, this young couple will be at home in Littlefield.

## LIVELY CLUB INSTALL NEW MEMBERS RECENTLY

The Lively Club met Monday, November 30. The meeting was held in order to initiate into the club twenty-five new members. There was also a beautiful candle ceremony in which the new members took the club pledge.

The president also gave a hearty welcome to the new members.

A bridge costing \$175,000 is planned across the Brazos river near Newcastle.

Littlefield Texas

# LAMB COUNTY LEADER

Published every Thursday afternoon at Littlefield, Texas.  
Subscription: \$1.50 per year; 75 cents for six months.  
Advertising rates given upon application.

No. Entered as second class matter May 24, 1923, at the post office 27 at Littlefield, Texas, under the Act of March 3, 1897.  
**MORLEY B. DRAKE** Editor and Publisher  
**E. M. DRAKE** Business Manager

Subscribers who change their addresses, or fail to get their paper, should immediately notify this office, giving both new and old addresses. Communications of local interest are solicited. They should be briefly written, on only one side of the paper, and must reach this office not later than Wednesday noon of each week. The right of revision or rejection is advertising that does not show in its text or typography that it is paid for must be marked as an advertisement. All local advertisements remain in this paper for the time specified or until ordered out. All notices of matters not by whom nor for what purpose, if the object is to raise money by admission fee or otherwise, is an advertisement and when sent in for publication must be paid for at the regular advertising rate per line for each issue printed. Obituaries, cards of thanks, and resolutions of respect will also be charged for at the same rate. Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of the Lamb County Leader will be gladly corrected upon its being brought to the attention of the publisher.

## GROWTH OF DIVERSIFICATION

Growth of diversification in Texas is reflected in a few figures just made public by the bureau of the census. It shows that the cattle and chicken population has increased several hundred thousand. Several paradoxes are also apparent. Number of hogs dropped from 2,225,558 on Jan. 1, 1920 to only 1,561,461 on April 1, 1930. One of two things must be true. Either hogs have proved unprofitable or someone is overlooking an opportunity to make some money. Hog raising in most sections on the Plains has proven highly worthwhile. Climate here seems particularly to favor diversified farming and abundance of feed that can be raised cheaply is just one more helpful factor. Diversification makes the farmer independent. It puts him usually in a position where he is more or less self-sufficient and does not have to bow to the slightest whim of the market. Since agriculture is basic in Dawson county prosperity for the farmer means prosperity for everyone. If diversification will give that condition to us then any forces, such as county agents, or anything else are more than worthwhile.—Lamesa Reporter. We rejoice that the Lamesa Reporter is numbered among those publications which are presenting the advantages of diversified farming. Diversified farming insures prosperity for any community, any county. We have witnessed the good results of diversified farming in Lamb county and in other counties, some of them many hundreds of miles north of the Lone Star state.

## THE FARM SITUATION

The agricultural South is in better economic position than at this time a year ago, owing largely to reduced costs of production, and to more home-grown foods for farm families and feeds for farm animals, according to the report on the Agricultural Outlook for the southern states which is being distributed this week by the Bureau of Agricultural Economics of the U. S. Department of Agriculture. This report is being carried to farmers, through hundreds of meetings beginning this week in all the Southern States by extension agents, vocational teachers of agriculture, and representatives of the Department of Agriculture and Federal Farm Board. The report was prepared at the outlook conference at Memphis, Tenn., November 10-13, in which 150 Federal and State economists and extension workers participated. Economists from any parts of the South stated that this year's cotton crop was produced at the lowest cost in many years; that there is a general disposition to devote more acreage to the production of farm food and feed supplies.

## A LEGIONNAIRE

The national commander of the American Legion says that "a Legionnaire is a bigger man in his community because of his Legion affiliation. His words in behalf of justice have a sincere ring to them because he is recognized as having participated in the greatest struggle for justice the world has ever known. His words of sympathy for a disabled buddy carry with them an authority of personal experience with the cause of that disability, and he is recognized as knowing whereof he speaks. "Be an active part of your Legion Post and lend your support in accomplishing a real community program," he urges.

## HOLLYWOOD HAS MORE THAN IT

One of the mysterious elements in American life comes to light in the fact that at least 25 screen stars and starresses are important enough to get plenty of headlines. When Lupe Velez, Mexican beauty, arrived in Dallas, she was given preferred Dallas News space, and fans—including this writer—read every word which she favored reporters. After all, though, it's probably better to adore 25 movie stars than bullet-headed gangsters or modern Jesse Jameses.—Scurry County Times.

## EMPTY THE OLD SACK

Here is evidence that conditions are changing for the better. Up to a few weeks ago there were daily announcements of bank failures. Now there are daily, double and triple, announcements of banks opening, and the next thing needed is for people to take the money out of the old sack and put it in the bank, so it will get back into circulation.

It is said that by the end of 1932 Texas will be running on a deficit. Maybe she will then be able to appreciate the viewpoint of Texans who have been obliged to run on the same thing for the past two years.

Right now somehow our hat is off to the chap who had parents wise enough to teach him how to live upon little.

## "FIVE STAR FINAL", GREAT NEWSPAPER STORY, WILL BE SHOWN AT PALACE SATURDAY MIDNIGHT, SUNDAY, MONDAY

Edward G. Robinson, coming to the Palace theater Saturday midnight, Sunday and Monday in "Five Star Final," his latest First National starring vehicle, is interested in the mechanical phases of picture making as well as the artistic.

The new "fast film" which was used in making "Five Star Final" is the most revolutionary change he has noted since he made "Little Caesar" and "Smart Money." The fast film is a celluloid with an emulsion needing only sixty percent of the light formerly used in motion photography. The last of the three Robinson films shows a clearer and a much more finely etched surface than any done by the old method.

Before adopting it for "Five Star Final" Mervyn Le Roy, the director, subjected the film to many tests. He photographed the sky every hour from dawn to dusk, took snaps of automobiles hurrying by at sixty miles an hour, as well as close-ups of such diminutive a thing as sugar dissolving in tea. The results were altogether satisfactory.

"Five Star Final" is an adaptation of Louis Weitzenkorn's sensational Broadway stage hit. Mr. Robinson's support includes Marian Marsh, H. B. Warner, Anthony Bushell, George E. Stone, Francis Starr, Ona Munson, Boris Karloff, Robert Elliott, Aline MacMahon, Purnell Pratt, David Torrence, Oscar Apfel, Gladys Lloyd

## BILIOUS

"I have used Black-Draught . . . and have not found anything that could take its place. I take Black-Draught for biliousness. When I get bilious, I have a nervous headache and a nervous, trembling feeling that unfits me for my work. After I take a few doses of Black-Draught, I get all right. When I begin to get bilious, I feel tired and run-down, and then the headache and trembling. But Black-Draught relieves all this."—H. O. Hendrix, Homerville, Ga.

For indigestion, constipation, biliousness, take

Women who need a tonic should take Black-Draught. Used over 50 years.

Twelve additional miles of paving on Highway 28 between Crowell and Paducah were opened to traffic recently. San Angelo maintains a m turnip patch where unemployed people are given jobs, and the are used for charity purposes.

Littlefield, Texas

Nothing is more symbolic of family cheer and contentment, as the passing of a home that is brilliantly lighted on a dark night. It has the appearance of all the family being at home, enjoying themselves around the fireside, reading, playing games and perhaps entertaining a friend or two.

They are the scenes that live in the memory of after years and which bind the members of the family so closely together.

## LUM'S CHAPEL

By Cloice Malone, Correspondent

Several of the people from this community attended worker's conference at Littlefield.

John Bryant spent Saturday night with Dennis Walker.

C. G. Malone of Rule spent the week end with his uncle, Mr. G. P.

Malone and family, Mr. and Mrs. Reda Evans and son, visited Mr. and Mrs. G. W. Miller Sunday.

Glen James spent Sunday with Porter Humphries.

Misses Iris New, Inez Nance, and Valarie Humphries spent Sunday with Miss Cloice Malone.

Jack Brawley of Floydada visited friends here last week.

The farmers have not been permitted to finish gathering their crops, due to bad weather, but they hope to get to gather some cotton soon.

The B. Y. P. U.'s of this community won two of the banners at the associational B. Y. P. U. at Circle Back, Sunday, Nov. 29. We hope to do better work in the future.

Misses Lois and Geraldine Kirkpatrick of Lubbock spent Thanksgiving with their parents, Mr. and Mrs. Carter and daughter, Miss Georgia.

Wetly Thedford of Littlefield, spent a week-end recently with J. D. Jackson.

Maurine Dow of Lubbock visited J. L. Dow and family Sunday. Avis returned for a week's visit with them.

Mr. George Ross was a Plainview visitor Tuesday.

Miss Ella Hollars, who has been visiting Miss Lois Hodges, returned to her home in Portales, Monday.

Mrs. Ross Mayhew and children visited Mr. and Mrs. George Ross Sunday afternoon.

## SPADE

Mr. and Mrs. Cecil Swinney of Wichita Falls and Mrs. Ronald C. Tom of Lubbock spent the week-end with their mother, Mrs. H. J. Swinney.

I guess you've noticed that our basket ball team hasn't been beat by any other school this term.

Our school can't be beat — fine teachers—fine workers and fine material—"I mean kids."

### FRIENDSHIP

By Allene Scoggin, Correspondent

We are very glad to report Mrs. L. R. Copps slowly improving.

Miss Allene Scoggin surprised Miss Lucille Bowling with a birthday dinner Sunday, December 6, at the home of Mr. and Mrs. A. R. Scoggin. Those attending were Misses Mildred and Blanche Fowler, little Mae and Nannie Fae Mancrief and Mr. Melvin Scoggin, the honoree and Mr. Melvin Scoggin, the honoree and time.

Miss Jimmie De Loach spent Sunday with Ida Rene Crain.

Miss Lurdene Harvey, Alta Mae Hicks, Hattie and Elizabeth Dameron and Mr. Otis Dameron attended singing at Fieldton Sunday.

Mr. Marvin Thomas, Otto Workman and Bill Lenderson are visiting Mr. Jack Lenderson at McCamey this week.

Mr. and Mrs. E. Crain of Muleshoe were week end guests of A. Crain and family.

Several from Friendship attended the box supper held at Circleback last Friday night.

The Friendship singing class was re-organized last Sunday night. The following officers were elected:

President—Jadie Camp.  
Vice-President—Mr. F. Harper.  
Secretary and Treasurer—Zephra Bussey.  
Pianist—Eleanor Ray.  
Ass. Pianist—Mrs. Harper.  
Choir leader—Mr. Ray.  
Miss Angelee Foust spent Saturday night with Edith and Ethel Alexander.

Wilbarger county's cotton acreage will be reduced 80,000 acres under the Texas cotton acreage reduction law.

### PEP PARAGRAPHS

The Community Club met in regular session Friday evening with President Mrs. G. C. Keith presiding. It was decided to invite the Home Demonstration agent and the County Agent to hold a meat canning demonstration at the A. G. Jungman residence, some time in January, the exact date to be worked out yet. Mr. James J. Lynch announced that the Pep orchestra would meet Monday night. They invite everyone interested to come and bring his instrument. After the business session the entertainment committee rendered a very interesting program, then the floor was turned over to the social committee who served cakes, pies and coffee. The young folks spent the balance of the evening in playing games, and all had a splendid time.

Mr. Martin and August Schumacher and Clements Albus of Rhineland, spent Saturday and Sunday in Pep. The Schumacher brothers visited in the home of Mr. John E. Stengel and looked over their land interests here while Clements visited with his uncles, J. F. and L. H. Albus. We understand that the latter will stay here until some time after the holidays and welcome him in our community.

Mr. Edd Wotipka, Herman Greener, Chas. Sanders, W. T. Jungman, T. J. Sparkes, and J. A. Bragden, all were in Littlefield on business the latter part of the week.

Mr. and Mrs. Francis Murphy and James Lynch were in Levelland on business Saturday.

Mr. and Mrs. Pete Boesen of Sudan attended Mass in Pep Sunday; so did Martin and August Schumacher and Clements Albus of Rhineland, Texas.

Mr. James J. Lynch and Miss Elizabeth Lupton attended the Shake-

# 12 Chevrolet Cars Are On Display at Hewitt-Williamson Chevrolet Company; Twelve Standard Body Styles This Year

Chevrolet's new car for 1932 is on display at the Hewitt-Williamson Chevrolet Co.

The numerous models are being presented with much interest and enthusiasm, in fact, the new line of cars is a considerable sensation. They represent a distinct departure from models of other years.

"We are sure proud to represent a fine line of automobiles," said C. Hewitt.

Embodying silent synchro-mesh transmission in combination with selective free-wheeling, a twenty percent increase in power, top speed of 65 to 70 miles an hour, streamlined bodies and a wealth of other new features, the new car remains in the price range of the current series, the lowest at which a Chevrolet has ever sold.

Heralded as "The Great American Value for 1932," the car boasts more extensive changes than any annual model since the change over in 1928. Yet changes are improvements over the basic design of the 1931 car which, from the standpoint of public acceptance, was very successful in the history of the organization, and brought Chevrolet to the forefront in the industry during the competitive market of the past few years.

For the first time in the history of the automobile industry, the new 1932 Chevrolet, as well as a new "stabilized" front end construction embodied for the first time on any car. Outstanding improvements in the '32 line over last year's models are down-draft carburetors, counter balanced crankshaft, larger wheels and larger tires, radically changed front end appearance, "finger touch" front seat adjustment, cowl ventilator on all models, hood doors instead of louvers, improved clutch and additional cross member in the frame.

The 24 domestic plants are now busy producing the new line. The stimulation in the Chevrolet industry, in affiliated Fisher plants and among independent suppliers made possible by the introduction of the car, is conservatively estimated, will add to the earnings of 100,000 people.

### Twelve Body Styles

Twelve standard body styles are in the line this year—three open and nine closed Fisher bodies—all in new Duco color combinations and all with smart new features. In addition, eight models also are available with deluxe equipment, making possible individuality of ownership and providing selection from 20 different types.

Of the mechanical changes, the outstanding one is the new transmission unit, which is entirely Chevrolet-built and is said to combine for the first time in any car the combination of synchro-mesh with simplified free wheeling as standard equipment at no extra cost. Free wheeling is provided by an overrunning clutch, engaged at the discretion of the driver by a control button on the instrument panel. This optional feature enables the driver to utilize the full breaking power of the engine if he desires, and to use the free wheeling feature only when traffic conditions make it desirable.

The most striking change in exterior appearance is the new front end, which has been completely redesigned this year.

The new "stabilized" front end mounting is an important feature of the new car. In conventional mounting the radiator, fenders and headlamps are supported from the sides of the frame, and in driving over rough roads the front end weaves and vibrates. This is annoying to occupants of the car and frequently results in the origin of squeaks and rattles at points of stress.

In the new Chevrolet, the fenders, radiator and headlamps are carried on a single fender support unit, which is anchored to the center of the front cross-member of the frame. This pi-

total anchorage enables the front end to sway with the body as a unit, thus reducing the annoying weave as well as the possibility of squeaks and rattles developing at points of stress.

A double tie-bar, chromium plated, arches gracefully between the fenders and braces them, thus acting as a structural unit as well as an ornament. A support also extends from the tie bar to the radiator, anchoring the units securely together, also carrying the horn.

### Radiator of New Design

The radiator is entirely new in design and construction. The exposed core area is larger than last year for better cooling, and a new grille is

built integral with the radiator in all models. This grille has square mesh stamped in relief, with the vertical lines accentuated to increase the appearance of height. The radiator shell is chromium plated, and the top band has a narrow bead and a top panel embellished only by the familiar Chevrolet emblem in blue and white.

Front fenders have a deeper crown and skirts, and a wider bead coming to a graceful point at the front tip of the fender. Headlamps, parabolic-shaped, with convex lens are fully chrome plated and are longer and narrower than last year to emphasize the

impression of speediness. Headlamps are mounted on the tie-bar, as is the new trumpet-shaped horn, mounted externally beneath the fender lamp.

Cowl lamps, similar in design to the headlamps though smaller, are standard with all sport models and are mounted behind the chrome-plated cowl moulding. The lenses of these lamps contain prisms which reflect the headlamp glare of approaching cars and afford a measure of protection for the car in the event the driver forgets to light the parking lamps.

The hood is redesigned to conform to the new radiator shape and offers several radical departures from last year. The conventional panel of louvers is replaced by four ventilating doors on each side, chromium plated on the deluxe and sport models. The "big car" refinement enables the driver to control engine ventilation in relation to temperature. Each door has chromium plated handle and a heavy spring to hold it in the desired position without rattling. Another improvement is the replacement of the usual two external hood catches with

only one catch operated internally. This type of catch is much neater in appearance and more conveniently operated.

The windshields of all models are slanted at a sharper angle, and the streamlined bodies, with the outside sun visor eliminated, greatly reduce air resistance, increase the drivers' vision and add to the symmetrical appearance of the car. The sloping front pillars—strengthened by a heavier steel reinforcing structure—blend

gracefully with the beautiful curving top. Mouldings are carried along the pillars and along the edge

### Deputy Sheriff Bob Miller Bags Deer Near Mason, Tex.

Deputy Sheriff Bob Miller, while at Mason and vicinity last week engaged in hunting the Capp's Pasture, which is near Mason. After hunting only two hours, he obtained a deer, which he brought to Littlefield, and which was exhibited in front of the B. & M. Grocery & Market.

### Rotary Club Will Entertain Teachers

The Littlefield Rotary club will entertain the school board and faculty of the Littlefield schools at a banquet at the Methodist church tonight. This is an annual event.

It is easy to select a gift of much individuality at our store. Chisholm's Studio & Gift Shoppe. 35-12c

### Box Supper Will Be Held at Bula School Friday, December 11

A box supper will be given at the Bula school tomorrow night, in aid of the Girls' Basketball team of that school. All money raised will be used in the purchase of gymnasium suits for the team.

Littlefield merchants Tuesday donated a large number of articles, which will be auctioneered at 8 p. m. at the school tomorrow night. Col. M. L. Lynn will cry the sale.

#### CARD OF THANKS

We wish to express our sincere thanks for the many expressions of kindness shown us during the death of our husband and father. May God's richest blessings rest with each of you.

Mrs. Ed. Griffay  
Miss Opal Griffay  
Mr. and Mrs. Oliver Griffay

### WORKERS' CONFERENCE—

(Continued from Page One)

Church in Brazil for eleven years. The American Baptist College, Pernambuco, a city of 400,000 population, is recognized as the best school in Northern Brazil by the people of that country. The college has a student body of 500, and it is necessary, owing to the size of the school, to turn away 200 students annually.

Some indication of the great service, which is being rendered by the Baptist Church in Northern Brazil, is the fact that there are 30 Baptist churches in Pernambuco.

One of the important functions of the American Baptist College is the developing of trained leaders and pastors for the Baptist churches in Brazil. 85 per cent of the Brazilian people are illiterate, and in order to obtain leaders and pastors for the Baptist churches in that country, it is necessary to have educational facilities, and in that respect, and in many others, the American Baptist College is doing outstanding work.

Dr. Jones said that there are no immigration restrictions in Brazil, and as a result there is a big influx of population from other countries, notably Germany and Italy.

Rev. W. P. Kirk also spoke to the gathering, and Dr. B. H. Warren gave the closing address.

This meeting was planned and would have been the largest workers' conference in the history of the association, had it not been for the bad weather, which prevented many from attending. It is expected that the Moderator of the association will in the near future call a meeting to attend to the important business that would have been attended to at this conference.

Ladies of the W. M. U. of the First Baptist church served a chicken dinner during the conference at Tuesday noon to approximately 100 attendants and their friends. The ladies are to be complimented on the splendid dinner and enjoyable noon hour made possible by their tact and skill.

### COTTON GINNINGS

(Continued from Page One)

ers will do their own picking, with the children working in the afternoons and on Saturdays.

W. H. Badger of the Yellowhouse Land Company said he had heard so many reports from farmers of from a half a bale to a bale per acre that he thought the average would be around three fourths of a bale. "There is just lots of cotton making a bale to the acres," he added.

Hugh Sullivan of the First State bank, said present indications were for a crop for the county of better than 60,000 bales, unless weather became so bad the farmers could not pick it.

J. H. Lucas of the I. C. Enochs Land company predicted all cotton crop records would be broken this year.

Last year the county ginned 36,866 bales and in 1929 the record crop of 51,151 bales was made.

### Dick Beisel Buys Aeroplane and Will Start Flying Soon

Dick Beisel purchased an American Eagle Aeroplane, a pilot and two passenger ship, and is now preparing the plane to take to the air.

Mr. Beisel did considerable flying during the world war, and is looking forward to again making many flights. He said Tuesday that one of the first things he wants to do is to make an aerial picture of Littlefield.

### TIRE AND WHEEL ARE REMOVED FROM CAR

While Mr. and Mrs. Pfluger Wampler were attending the evening service at the Methodist Church Sunday, a tire and wheel were removed from their Ford sedan, which was parked near the Church. Also a pair of gloves and pipe were missing from his overcoat, which was hung in the lobby.

A car jack and pump were also taken from the Pontiac coupe belonging to Morley B. Drake, while parked on LFD Drive Sunday evening.

### Texas Delegation Elects Officers

At the regular annual meeting of the Texas delegation in Congress, the following new officers were elected: Chairman of delegation, Marvin Jones.

Congressional Committee, Hutton W. Sumners.  
Secretary of delegation, Martin Dies.

Congressman Sumners succeeds Marvin Jones as the Texas member of the Congressional Committee, and Mr. Jones succeeds Mr. Garrett as chairman of the delegation.

### Texas Cooperative Handles About 5,000 Bales this Season

So far this season approximately 10,000 bales of cotton has been handled by the Littlefield branch office of the Texas Cotton Cooperative association, according to W. H. Clark, cotton classifier and branch officer here.

In discussing the number of bales handled, Mr. Clark said "we have handled around 5,500 bales of cotton this year. Including the other offices that sell through the branch here, I think we have just about 10,000 bales."

"About 80 per cent of the crop has been picked, but of course not all has been ginned," Mr. Clark said. "There is still a lot of cotton in the fields that is piled up, ready to be brought to town."

In addition to Mr. Clark, the Texas Cooperatives are maintaining two other classifiers in this territory, J. H. Carper and James M. Crow.

Reports are to the effect that many farmers are holding their cotton, only selling what they have to dispose of in order to meet current obligations.

### Beef Killing, Curing Demonstration to be Held Here Dec. 14-15

Killing, curing and canning demonstrations have been under way since November 16, and six complete demonstrations have been conducted by the county farm and home agents at Sod House, Hart's Camp, Olton, Sandhill, Pleasant Valley, and Friendship, with three more to be held between now and Christmas. Friday and Saturday, December 11 and 12, one will be conducted at Lum's Chapel at the V. B. Pierce home, and December 14 and 15 East Littlefield at J. G. Glover farms. Everyone interested is invited to attend.

So far seven beeves and 10 hogs have been killed on demonstration by the county agent, and over two hundred people have been in attendance at these meetings.

The animals are killed the first day and cut up, cured and canned the second day.

### Last Rites are Held For Edward Griffay at Cemetery Sunday

Edward Griffay, aged 54, while watering his cows at his home 1 1/2 miles northwest of Littlefield, dropped dead about 9 a. m. Saturday morning, and was found by a neighbor's child. He had been ailing for about three weeks, but was feeling much better, and had eaten a hearty breakfast.

A stroke of paralysis is believed by a local doctor to be the cause of his death.

Funeral services were conducted at the Littlefield Cemetery at 2 p. m. Sunday by Rev. Joe Boyd, pastor of the First Methodist church here, and interment immediately thereafter. Hammons Funeral Home had charge of burial arrangements.

Deceased was converted and joined the Methodist Church at the age of thirteen years, and has lived ever since an upright and Christian life. He was a kind and loving husband and father, and had the respect of all who knew him.

Besides his wife, he is survived by two children, a son, Oliver Griffay of Gallup, N. M., and a daughter, Miss Opal Griffay of Littlefield, his father, Frank Griffay and a brother, Charles Griffay, both of Rochelle.

Pretty, inexpensive gifts of an individual character at Chisholm's Studio & Gift Shoppe. 35-12c

### Henry Cuenod Pays Business Visit

Henry Cuenod of McGregor, son of Paul Cuenod, is in Littlefield this week in connection with a inventory sale which is opening week at Cuenod's store in this city. Mr. Cuenod has visited Littlefield frequently and has many friends in the city.
