

**Two Weeks' Revival
First Baptist**

REV. DEWEY C. SQUYRES

Rev. Dewey C. Squyres of Lawton, Okla., will preach twice daily during two-weeks revival at the First Baptist Church beginning Monday, March 18. Rev. Squyres is a native of Oklahoma, educated in Texas colleges and the Fort Worth Seminary. For the past three years, he has been pastor of the Calvary Baptist church in Lawton, Okla. He has forged a place of leadership in his work in Oklahoma.

Rev. Squyres surrendered to the Lord at the early age of 14 and was pastor of a full time church only 15 years of age. Since the age of 15, he has held an average of six revivals each year besides his pastoral work.

Services will be held at 10 a. m. and 8 p. m. each day. The public is invited to good gospel singing and preaching of the Word. A general invitation is extended to all.

PLATEAU SINGING CONVENTION TO BE HELD HERE SUNDAY

All-Day Meeting With Picnic Dinner To Be Enjoyed

General Invitation Is Extended To Everyone To Attend

The Plateau Singing Convention will be held in Littlefield High school auditorium Sunday, March 18, opening at 10:30 a. m.

An all-day meeting will be enjoyed with picnic dinner on the grounds for all. Believing that the folks need more time to get acquainted and form a better understanding, which creates a better spirit of friendship and fellowship, the all-day meeting was arranged.

L. W. Reed, chairman on arrangements, extends a general invitation to everyone to attend. Many quartettes and special singers are expected to attend.

Week Of March 26 To 31 Set As Time For Project

All Residents Urged To Clean Up Premises, Put Trash In Containers

Littlefield Rotary Club are sponsoring a clean-up campaign for the City.

A committee, with J. O. Garlington as chairman, has been named in charge of the project. Assisting Mr. Garlington are: Dr. Ira Woods, I. T. Shotwell, Sr., and Ernest Cundiff.

At a meeting of the Rotary members Thursday plans were outlined for the campaign, and the week of March 26 to 31 was set aside as cleanup week in Littlefield.

The City of Littlefield is cooperating with the Rotary club in the project, and are hoping to make arrangements to pick up all trash. Residents are urged to take advantage of this cleanup campaign, and clean up their lots and pile all trash in boxes or other containers, so that it may be picked up and hauled away.

More details will be published in next week's Leader.

Home After Thirty Months Overseas

Sgt. Paul R. Pinkerton, former of Littlefield, but later of Lubbock, was reunited with his wife and two-year old daughter at Lubbock last week, he completed one of the most unusual journeys of his life. The picture here is showing his wife and daughter, whom he had not seen until his recent arrival in Lubbock.

Sgt. Pinkerton, now stationed at Lubbock Army Air Field, returned in the AAF back in January, 1942, little did he dream that he would completely circle the globe, in almost every theatre of war, in the desert wastes of Africa, on a tiny island in the Mediterranean, "sweat it out" on the beaches of Salerno, hop from Sicily to India and China for duty on B-29 bases, and finally after thirty months overseas return to the point at which he started his journey.

This is the story of Sgt. Pinkerton and the squadron with which he served on duty—one of the most famous units known as the "Flying Crows" who flew P-40's in North Africa, and P-47's in Sicily and Italy, and P-47's in the Japs in India, China and Burma.

Pinkerton was a plane mechanic on the P-40s and P-47s and kept 'em flying through dust storms, enemy flak, the hump" and through jungles from the minute his unit landed in Lyauytey, North Africa, on November 1942, with the initial invasion until he left his buddies in November 1944.

Pinkerton is a 1936 graduate of Littlefield High school and was a member of the Littlefield High school football team for several years before he entered the AAF. He was a trucker over the South during the many months he spent in the States. The former Mrs. C. Padgett of Sudan, Lubbock with his two-year-old daughter, Dickie Ann, whom he had never seen until he returned. He now lives at 906

PFC. DAVID C. STOREY KILLED IN ACTION FEB. 26th

Postmaster and Mrs. W. D. T. Storey received the sad news Friday through a telegram from the War Department that their son, Pfc. David C. Storey, 21, had been killed in action February 26 in France.

The entire citizenship of Littlefield were grieved to learn of the passing of such a brilliant and promising young man, and extend heartfelt sympathy to the bereaved parents.

Pfc. Storey volunteered for Army service while at Tech college in November, 1942, was placed in reserve, then called to active duty in April, 1943, reporting first to Fort Sill, Okla., where he received basic training in the Field Artillery. Upon completion of this training he was assigned to Army specialized training program, graduating from a U. S. engineering course at Lehigh University, Bethlehem, Pa.

Attached to the Quartermaster Corps, he was assigned to overseas duty, arriving in England in July, 1944. He was then assigned to Transportation Corps, and later, in the following December, was placed in an Infantry Division and trained as a rifleman.

Letters to parents and friends since that date, within the limits of Army censorship, received here, told of his arrival at the front lines in France, where a terse message from the War Department received here Friday, told briefly that his life had been given in the cause of country, with the added words: "Letter follows."

Pfc. Storey's life, snuffed out so young, was one of achievement for self, of kindness for others, of right-living and unselfishness. May God grant, that the gift of his life, and the lives of countless others may not have been in vain.

David C. Storey

Littlefield, and he was a graduate of Littlefield High school with the class of 1939, at the age of 16.

David was always of a studious, and of a retiring nature, and in 1933, at the age of 10 years, he received baptism, and was taken into membership of Littlefield Drive Church of Christ.

In the 22nd year in which he graduated from high school, he enrolled in Texas Technological College, where he studied for four years, and received his diploma, a Bachelor of Science degree from that college, having majored in Agricultural Economics. This was in May of 1943. The conferment of the degree was in absentia, as David had already chosen to serve his country, and was in Army uniform.

He was an outstanding student, but also devoted to athletics, particularly tennis. Tech college Yearbook of 1943, his year of graduation, paid tribute to, and summarized his college year in these words: "Active in many campus organizations was David Storey, an arggie eco student. He was president of Alpha Phi Omega, vice-president of Sneed Hall, and outstanding member of the Varsity tennis team, and a member of Double T, Saddle Tramps and the Aggie Club."

He was listed in "Who's Who in College and University Students" in 1942-43, in recognition of his potential possibilities of leadership and ability to making a success in life."

The last letter Postmaster and Mrs. Storey received from their son was dated February 20, in which he wrote very cheerfully and his morale was high. In a previous letter David had said that he "was just one of tens of thousands of boys who were doing the job" over there.

Pfc. Schlottman Has Leg Amputated

Mr. and Mrs. O. L. Schlottman of six miles southwest of Littlefield received a card Monday from the casualty branch, the Adjutant General's office, War Department, Washington, D. C., to the effect that on February 27 their son, Pfc. Andrew W. Schlottman, who was wounded in action in France February 5, was "making normal improvement," and stating that this serviceman had his "left leg amputated at knee."

Mr. and Mrs. Schlottman received a telegram February 16 to the effect that Pfc. Schlottman was wounded in action in France; and this was the first word they had received about him since that time.

Pfc. Schlottman left New York January 8, and had not heard from their son when they received the telegram from the War Department.

He had previously spent 27 months in the Aleutian Islands, following which he was returned to the States and spent about ten months here when he was sent to France. He was with the Field Artillery.

McCormick's Station Recovers Stolen Property

The McCormick Service Station was entered early Monday morning, and a quantity of tires, etc., taken. Entry was gained by breaking the lock on the front door, according to Leonard McCormick, who stated that the robbery must have taken place between 12 o'clock midnight and morning as he was past their place of business about midnight, and it was alright then.

Missing from the service station Monday were the following: nine tires, one Underwood typewriter, one Burroughs adding machine and one cabinet model Stewart-Warner battery radio.

All cash had been taken from the cash register by the owners of the business, hence no cash was taken. The entire building had been ransacked, including the desk in the office.

On learning Tuesday that three Paris, Texas, jailbreakers were being held in the city jail, Amarillo, and that certain stolen goods had been recovered, Leonard McCormick, one of the owners of the service station, phoned Amarillo police, and was informed that the missing

Red Cross Drive Well Underway

Some districts have reached their goal, others nearing the end.

Fred Gerlach, county chairman for the Lamb County Red Cross War Fund Drive, is smiling from ear to ear. "Never have I had such fine cooperation as I have had on this drive," so states Mr. Gerlach. The residents of Lamb county are certainly Red Cross minded, and have graciously given of their time and money on this drive. We hope by the middle of next week to report Lamb county well over the top. In going to press this week, we were unable to get exact figures from each district, but hope to give final results in our next issue. However, satisfactory reports have come in from all the districts.

Erwin Onstead, chairman of the Littlefield School District, reports very satisfactory results from the drive last week. Mr. Onstead stated there are a number of people in the city and rural section who have not come in with their contributions, but will make them in the next few days. Mr. Onstead, with the cooperation of Mr. Miller, superintendent of the Littlefield schools, organized the student body of three schools to assist in bringing in the funds from the rural sections. This plan was put in use on the U.S.O. Drive last year with very fine results.

Mr. Onstead asked that all persons please work with this school plan system, as it is impossible to make a house to house canvass in the rural section due to the tire and gas situation.

If all the rural districts will send in their contributions by their children, they will turn it over to their teacher, who will issue a membership card and Red Cross button for each contribution.

To you Lamb county citizens who have not made your contribution, won't you mail your check or money order to the chairman of your school district. Do it now, after all, it's your Red Cross, and you can't let it down. Mail your check today.

Mrs. Viola Dysart is visiting her sister in Healdton, Okla., and relatives in Sanger, Texas. She plans to go on to Fort Worth for an extended visit with her brother and sister-in-law, Mr. and Mrs. J. T. Dysart. She plans on being gone several weeks.

Eugene Turman, S 1-C, stationed at Port Huame, Calif., arrived home Saturday on a ten-day leave. He is with the Seabees.

McCormick's Station Recovers Stolen Property

Equipment and tires from their business had been recovered by police at Amarillo. Mr. McCormick went to Amarillo Wednesday and identified the tires and equipment and returned them to Littlefield.

As police were taking the three jailbreakers to the jail in a patrol car Tuesday morning, City Detective L. D. (Lem) Savage was shot and critically wounded.

Being held were E. M. (Buddy) Thompson, 27, Dallas, brother of the notorious bank robber Blacky Thompson who was killed by police in Amarillo about ten years ago, and two companions, Elbert Day, 21, of Paris, and Billie Joe Kungie, 18, of Long Beach, Calif.

The trio escaped from the Paris, Texas, jail last week, police said, and went to Oklahoma City, then to the detective. The trio are then said Omaha, Nebr., where they are said to have stolen a car and drove back to Lamema and robbed a service station operator.

Savage arrested the trio for a routine check. Enroute to the police headquarters, Thompson is reported to have drawn a gun and wounded

W.O.W. Initiation Held Thursday Night

The largest Woodmen of the World class initiation in the history of the local lodge was held at Littlefield last Thursday night when 150 Woodmen from Littlefield and surrounding Texas cities and Clovis and Texico, N. M., attended the Texas-New Mexico Log Roller association meeting and initiated into woodcraft 41 new members.

This was the largest class initiation held in Texas since the start of the war and credit is given to W. D. Chapman, field representative, and Nathan Theford, fieldman, for securing this large class of candidates.

Many interesting talks were made by J. R. Sims, State Manager of Texas; E. A. Bowers, State Manager of New Mexico; C. R. Hamilton, State Log Roller director, and members of the National Service Committee of the Woodmen of the World, S. C. Findley, past head consul; Andrew Chitwood, consul commander of Clovis, N. M.; J. C. Robinson of Texico, N. M.; Allan McDonald, consul commander of the Littlefield camp, and others.

More new members were initiated in Texas-New Mexico Log Roller association meetings in 1944 than in any other Log Roller association.

Littlefield camp meets the first and third Thursday nights each month in the Legion Hall.

Next meeting of the Texas-New Mexico Log Roller association will be held at Clovis, N. M., on Monday, May 7.

H. T. Bartley And Pete Yohner Buy XIT Service Station

H. T. Bartley and Pete Yohner have purchased from Bill Weschke the XIT Service Station & Tire Shop on XIT Drive, near the Big-ham Produce, and took possession Thursday last.

In an interview with Mr. Bartley Monday he stated that Mr. Yohner would have charge of the business.

Texaco products are carried at this service station, and tire vulcanizing and repairing.

Mr. Weschke has operated this business for the past seven years. The new owners have been residents of this city many years. Mr. Bartley is operator of the Western Auto Store here. Mr. Yohner has lived in Littlefield 30 years.

Mrs. Dutton Jones, who was called to Roswell, N. M., a few days ago by the serious illness of her brother, has returned home. She reports her brother's condition much improved.

Fraternal Week To Be Observed By W.O.W. May 24

Farrar Newberry, national president of the Woodmen of the World, and also national president of the National Fraternal Congress which embraces all fraternal benefit associations, has set the week of May 20 as National Fraternal Week.

The woodmen of the World and the Woodmen Circle of Littlefield are joining together for a big fraternal celebration to be held at the Legion Hall on Thursday, May 24, and in addition to the fraternal features that night will also hold a War Bond Rally and will invite the general public to this meeting.

The Red Cross Needs No Selling

The Red Cross needs little "selling" to the people of Texas and the United States, for all of us should know by now of the great work which it does both at home and abroad. A reminder that the Red Cross drive should have the support of every patriot should be enough to assure its quick success.

There are three great humanitarian and patriotic efforts which should receive the all-out support of everyone each year—the nation-wide campaign of the National War Fund each fall, the Red Cross drive in March, and the bond campaigns throughout the year. Together, these three programs assure our fighting men the service and support which they so richly deserve.

The funds being sought by the Red Cross will pay for its far-flung operations during the coming year—operations which reach every American soldier, sailor and marine wherever he may be. Dollars given now will quickly be converted into services to our boys on every front, and even in enemy prisoner-of-war camps. For it is the International Red Cross which delivers to our men in the hands of the enemy the food packages which mean so much to the men behind the barbed wire. Often these food packages mean the difference between life and death for Americans captured in battle.

The Red Cross and War Prisoners Aid, the great National War Fund agency, cooperate closely

in serving our men in enemy hands, and often work together in delivering supplies. This cooperation has permitted a great expansion of services, at the same time avoiding any possible duplication of effort.

War Prisoners Aid, which Texans supported through their gifts to their County War Funds, provides our men in enemy camps with recreational supplies, sports and athletic equipment, study courses, books, games, medical supplies and scores of other items designed to help them while away the long prison hours and avoid the dread "barbed wire fever." In addition, its neutral agents undertake to look after the spiritual welfare of the men.

The Red Cross does an equally vital job in providing the prisoners with food, medicines and other supplies necessary to life. Its services are so vast that every American should feel a personal interest in the Red Cross, and in its annual drive for funds.

All Texans should "Give a Texan's Share" to the Red Cross, just as they gave so generously to the recently-completed campaign on behalf of the National War Fund. In surpassing all big-quota states in that campaign, Texas proved the generosity of her great humanitarian heart.

The Lone Star State should do no less in the present campaign for the American Red Cross!

News Of Amherst

Amherst Chairman Urges Residents To Give Now

announced by Hugh Clements, Fund chairman in the Red Cross Drive, of Amherst, residents in that area were cooperating in a spirit towards the Red Cross Fund Drive, but that they had not made the distance to go yet before the quota of \$2,192.74 would be reached. As much as these Red Cross workers are all busy men, and the Fund Drive is the most patriotic and humanly endeavor ever put on, Mr. Clements urges all residents of the Amherst area to shoulder his or her responsibility and to make their donations as soon

as possible. He also urges that donors take their offerings to him or one of his helpers. This will save so much effort on the committee's part, and will assist greatly in getting Amherst's quota together. Amherst has never failed in any patriotic endeavor, and will not fail now, but Mr. Clements states he wants Amherst to be among the first to reach their goal. How about it folks! Come in now and make your donation. Give and give generously. The need is greater than ever before. Remember the Red Cross is at his side and the Red Cross is you.

Donald Britt Awarded Good Conduct Medal

Donald Britt, son of Mr. and Mrs. D. L. Britt, of Amherst, has been given the Good Conduct medal for one year of exemplary service, as an enlisted man.

Britt was graduated from Amherst High school with the class of 1932, and before entering the Air Force in September, 1942, was in retail lumber business, employed by the Kemp Lumber Company at Roswell, N. M. He has been in the Central Pacific since June.

rooms, as well as pretty foliage, had, if you carefully select shrubs for foundation and planting, so said Miss Crippen, County Home Demonstration Agent, at the Amherst Club. Varieties of garden seed was displayed by Mrs. V. R. Stagner. M. E. Casey was hostess. "Lower Gardens" is the subject of the March 22 meeting with Mrs. Phelps. One new member, Claude Coffey, and one guest, Joe Fisher, were present, and following members: Mesdames Yarbrough, Harris Brantley, Ross, H. L. Phelps, V. R. Stagner, J. H. Bradley, J. L. Cross, E. Bennett, Maurice Brantley, Erwin Parks, Bill Weaver, J. P. Wiley, R. H. Briley, Walter Wiley, Lester Kendricks, and Mrs. Harmon.

Miss Dorothy Britt Bride Of Seaman A. C. Mann Recently

Miss Dorothy Britt, daughter of Mrs. O. C. Cummings of Seminole, Okla., and granddaughter of Mr. and Mrs. J. L. Crosby of Amherst, became the bride of A. C. Mann, Jr., aviation mechanic's mate of the U. S. Navy, of Sudan, Texas, in a quiet ceremony Saturday, February 15th.

The beautiful ring ceremony took place at the Guadalupe Church, Naval Air Base, Hutchinson, Okla., Saturday, Feb. 15, with Lieut. Thomas Jude, Chaplain, officiating. The bride was charming in a navy blue suit, with navy accessories. For "something old" she wore a diamond lavandiere given to her grandmother by her grandfather. She carried a white Bible topped with orchids.

The couple will make their home in Hutchinson, Kans.

Amherst Man Gets Wings Of Paratroop Division Recently

Mrs. Jennie Grimey of Amherst returned last week from visiting her husband at Weimert, Texas, who had enjoyed an 18 day furlough.

After completing basic training at Fort Benning, Ga., Grimey was awarded the diploma and granted the right to wear the wings of the Paratroop Division.

After a training period at Fort Lawson, Ala., he will be ready for overseas duty.

Seaman S. B. Collins Loses Both Feet

S. B. Collins, S 1-C, and son of Mr. and Mrs. G. B. Collins of 5 1/2 miles north of Amherst, who was wounded in the invasion of the Philippines on November 12, arrived in the States February 10, and has since been a patient in the Naval Hospital at Mare Island. His parents are informed that it has been necessary to amputate their son's both feet seven inches below the knee.

They were pleased to receive a letter from R. J. Sunderhauf, San Francisco, Calif., recently, whose son is in the same ward with Seaman S. B. (Whitey) Collins, and who had recently visited the hospital. The letter follows:

"I thought you might be interested in knowing how your son, S. B. (Craig) Collins is getting along out here in the Naval Hospital at Mare Island, where he has been for the past several weeks.

"As you no doubt know, I, too, have a son at Mare Island in the same ward as Whitey. We visit the hospital as often as possible, managing to visit at least twice a week, and so of course can judge pretty well the progress that your boy and my boy are making.

"Whitey has, no doubt, fully informed you of the nature of his injuries. His hands were badly burned and both of his legs severely damaged. An excellent job was done on his hands and I am very happy to report that they are practically healed and fully as good as they were before he was injured. Naturally, there are still a few tender spots, but he uses them freely, does not have to be too careful with them, and taken all in all I would say they were in very good condition. They are gradually toughening up and I doubt if there will be any scars to remind him of what happened. Nor will it be too awfully long before Craig is again walking almost as well as he ever did. Of this much you can be certain—the doctors in New Caledonia did an excellent job. The hospital at Mare Island is one of the two best, if not the best hospital in the world for the kind of medical work your son and my son need. Dr. Kessler, the surgeon in charge, is noted throughout the world for the scientific advances he has made in orthopedic surgery. The limbs are made right at the hospital, to order, and it is astounding to see the results obtained. In addition, of course, is the fact that Whitey has the right stuff in him. He is determined to be as good as ever, his mental outlook is excellent, and he is having excellent attention.

"Yesterday I took him for a short ride into the country. We both enjoyed it very much, and we will do it as often as the doctors will allow us to, and time and gasoline permit. We are hopeful that we can have him and a couple other boys at our home next Sunday to spend the day. "I told Whitey yesterday that I was going to write you. I felt that you might feel a little easier hearing from someone as to your boy's condition. I again assure you he is getting along just fine, and before we realize it he will be home with you, doing everything he ever did, and possibly doing it much better.

"If there is anything at all that you would like us to do, please write us.

"Sincerely,
"R. J. SUNDERHAUF."

Amherst Legion Auxiliary Meet Saturday Last

The American Legion Auxiliary, William B. Rudd Unit 469 of Amherst, Texas, met in regular business meeting with the president and five members present on Saturday, March 10.

Old and new business was brought before the house by the chairman. This unit will send \$15 to buy phonograph records for men in the Armed Forces. Also will give \$5 for the Red Cross.

Menu and program for the next social meeting, March 24, was planned. All members are urged to be present at this meeting.

With Amherst Men In The Armed Forces

Mr. and Mrs. W. C. Zachary of Amherst received a letter from their son, Cpl. Billie Zachary, Tuesday, which was dated March 5, and written from Iwo Jima, in which he said he was O.K. and getting along alright.

Pvt. and Mrs. Roy D. McCrory are the parents of a baby born at the Amherst Hospital Thursday, March 8, weighing five pounds. Pvt. McCrory is stationed at Camp Roberts, Calif. He boarded a plane Friday at Los Angeles, Calif., to come home.

Amherst P.T.A. To Meet Today

The Amherst Parent-Teachers association will meet Thursday, March 15, at 8 o'clock in the afternoon.

Mrs. David Harrison will be leader of the program. The subject, "The Community Watches Its Step." Hostesses will be Mesdames Lem Weaver, Arlie Humphrey, Ed House, Ernest Black, Scott Smithee, Orville Blair, and Pete Vaughn.

Richard H. Pond Killed In Action

Mr. and Mrs. James Willie Pond of 7 miles east of Littlefield received a telegram from the Navy Department Tuesday night announcing that their son, Richard Harrison Pond, 19, of the Amphibian Landing Force of the Navy, had been killed in action in the South Pacific, and informing them that they would be advised of the disposition of the remains.

The Pond family have been residents of Lamb county for about a year, moving from Olton to near Spade recently.

Seaman Pond had attended school at Bulcher and St. Jo, Texas. He saw action at Saipan and Guam, and was in his third major conflict when he was killed. His brother, Pvt. Cloyce Pond, with the Infantry, training at Camp Wolters, is en route home.

Seaman Pond, Elvis Shipley of Littlefield and Seaman Thomas of Olton went overseas together and have been together since then.

Trueman F. Hamilton Wounded In Action

S-Sgt. Trueman F. Hamilton, son of Will A. Hamilton of Littlefield, has been wounded in action in the European area, according to a message received by the father from the War Department Thursday.

The telegram stated that relatives would be notified of any change in status.

Darrell Odell Wounded Jan. 3

Pfc. Darrell Odell, son of Mr. and Mrs. L. O. Odell, was wounded in Belgium on January 3, according to a message received by his parents from their son last week.

Pfc. Odell was with the Paratroopers of the 7th Army. At the time that Cpl. Odell wrote his parents he had been dismissed from the hospital, and was expecting to return to his company. He has been in the service about two years and overseas since May, 1943.

Scholastic Census Is Being Taken

The scholastic census is in the process of being taken during this month. About 1300 have already been registered but there should be about 1800 in the Littlefield district. All teachers, principals and bus drivers are assisting in signing up all children.

Supt. Fred Miller would like to urge that parents of all children ages 6 to 13 see that each child is enumerated. Special attention is called to 6 year olds who will enter school next September.

The Littlefield schools will receive about \$30 from the State per capita funds on each child counted. Anyone knowing of children who may not have been enumerated call Superintendent Miller.

PERSONALS

Pfc. Joe Wong, who is stationed at Gulfport, Miss., visited in the W. O. Jones home recently, stopping over while enroute to visit his brother in California.

Mr. and Mrs. Bob Hagler and family of Stamford, Texas, spent the week end at the home of her parents, Mr. and Mrs. W. B. Sanderfer, five miles southeast of town. J. J. McNeil of Lubbock spent Friday here visiting his son and daughter-in-law, Mr. and Mrs. Dewey McNeil.

re-plan our lives, and to live it, so that boys like yours and our own, shall not have given their lives in vain, but to the making of a better world for those other sons and daughters of today and tomorrow. But He, in His wisdom, has also given friends, to be with us in our hours of sorrow, and during these past few days, when, it has seemed, a sorrow almost too great to be borne, the kindnesses, the beautiful words, the loving ministrations of those countless friends, has been a bulwark on which we could lean and depend, as we try to shape and plan a new life—without him—and with God's help, and that of those friends, we now know, that we shall be able to do so. For the love and friendship you have shown David, through the years he grew to manhood, a love and friendship, which he cherished and reciprocated, for that same love and friendship which you now give to us, in our sorrow, to help us to bear it all, mere words, nor enough of them, cannot express, worthily, all of the thanks we feel, and seek to convey to you, but, inadequate though these words can be, we do wish to say those thanks, humbly and heartily, a thanks in which David, not with us, but still at Home, we know, is joining. Mr. and Mrs. W. D. T. Storey.

**First Baptist WMU—
Enjoy Program**
The W.M.U. of the First Baptist Church enjoyed a Home Mission Program at the home of Mrs. Lee Hemphill Friday. The devotional was given by Mrs. Hemphill. Those on the program were: Mrs. E. J. Packwood, Sumner Bolton, Peterson, Lowe and R. C. Loyd. A covered dish luncheon was enjoyed by Mrs. J. A. Brawley, Sumner Bolton, Lilly McGeehee, Tom Mathews, Acree Barton, Kelley, Peterson, Lowe, R. C. Lloyd, E. J. Packwood, and the hostess, Mrs. Hemphill. Rev. Hemphill and Rev. Weaver Lovelace, pastor at Morton, enjoyed the noon meal. Mrs. Lotella Jorgenson and two sons arrived here Tuesday of last week and are visiting friends here and at Levelland until Sunday when she will return to Merced, Calif., where she is an aircraft inspector at the Merced Army Air Field.

CARD OF THANKS
During these passing weeks and months as war ravages continued and continue, in sorrow and with sadness, week after week, we have heard, read or been told, have known of other supreme sorrows, in, maybe, loss of a loved one, son, brother, husband, from your, some other, family circle, a circle of our friends, and at those times we sorrowed with and for them, but hoping that the sorrow we felt for them in their loss, when they were bereft, could, in measure, mitigate their sorrow and mental suffering, and make it easier to bear and carry. Now, it has been God's will that our own beloved son, David, should be called Home, not the joyful homecoming that a mother and father have planned, and hoped and prayed for, but The Homecoming, from which there is no worldly return, a call which thousands of others in uniform have already answered. His call, his taking, has left a void in our life and lives, that can never be erased. He was our only child, our only worldly love, and it could not be otherwise. Yet God, in His wisdom, does not erase sorrow from memory, he only and blessedly gives time, in which acute sorrows and pains can be eased and lessened. Already given to many others, now, that time, is also given to us, time in which to pray, and in which to reshape and

kill, Mrs. Ivey, and John Warren, and Mae Warren. Pvt. Clyde is stationed at Fort Sill with the Field Artillery. Mrs. Clyde Wood and G. H. Wood accompanied him back to camp Sunday night. Mrs. Wood plans to join her husband soon.

To Sponsor Program For Purchase Of Piano For Colored

The Council of Church Women will sponsor a program for the benefit of the purchase of a piano for the negro school. The program will consist of a play, "Little Grandmas" and several musical numbers, put on by the negroes. The council is anxious that the citizens will cooperate in making this program a financial success for we want a piano placed in the school for the use of

the negro school children and the community. The date is March 20, at 8 p. m. in the high school auditorium. We know you will enjoy an evening of fun and laughter, so please reserve this date. Admission prices will be 35 cents for all over 12 years of age, and 20 cents for those under 12.

OWNER

LOCAL LAUNDRY PURCHASED BY ELMER LEWIS AND BEN WIGGINS

The Littlefield Laundry, one of the oldest established business concerns of this city, has been sold by E. White to Elmer Lewis of Littlefield and Ben F. Wiggins, formerly of Sudan, but recently of Lubbock. The deal was closed last week, and the new owners took possession Monday.

Mr. Lewis is connected with the West Texas Burial Association and the West Texas Life Insurance Company. He will remain in this capacity while Mr. Wiggins will be in charge of the Laundry.

Mr. and Mrs. White have been residents of Littlefield since 1917. After operating a cafe and meat market for several years, in 1922, they established the Littlefield Laundry, which they have continued to operate.

Mr. White stated Monday that he and Mrs. White expected to make a trip to Salinas, Calif., to visit their son and daughter-in-law, Mr. and Mrs. Earl White.

Mrs. White has been on the sick list, and had some X-rays taken at the Amherst Hospital Monday.

Mr. Wiggins needs no introduction to residents of Lamb county. He was owner and operator of the Wiggins Hardware and Furniture Company at Sudan for many years, and until he sold this business to Pryor Hammons and Lenton Smith, who changed the name of the concern to Hammons-Smith Funeral Home. Since that time Mr. Wiggins has been in the real estate business at Lubbock. He is a very capable business man, who has a large circle of friends over this area.

In an interview with Mr. Wiggins Monday he asked the Leader to extend an invitation to all his friends in this area to visit him in his new quarters, and he will endeavor to render the best laundry service possible.

The new owners will appreciate the continued patronage of the former customers of the Littlefield Laundry, and also invite new business.

It is the plan of the new owners to improve and expand the laundry business. The building will be re-

Theatres Observe Red Cross Week

Local movie theatres will observe Red Cross War Fund Week during March 15 through 21, according to W. J. Chesher, local chairman for the motion picture industry of Texas.

Mr. Chesher pointed out that collections would be taken up at every performance during that period, immediately after the showing of a special Red Cross subject featuring the lovely Ingrid Bergman, star of "For Whom the Bell Tolls," and which highlights the needs of the American Red Cross as well as dramatizing the work of this great organization.

Local theatres participating, along with 16,000 other movie theatres in the nation, are the Palace and Ritz.

In keeping with the policy of the American Red Cross, Mr. Chesher said that all collections received at these theatres would be turned over to the local Red Cross chapter.

Last year's collection in the movie theatres of Texas resulted in a total of \$210,419. At a meeting recently held in Dallas by representatives of the exhibition and distribution ends of the industry, all-out aid was pledged to make collections greater, or "More than in '44."

Wanda Miller, left Wednesday morning to join her husband in Chicago.

Cpl. James A. (Hound) Roles, son of Mr. and Mrs. J. H. Roles of Littlefield, has returned overseas and is believed to be in Alaska.

Cpl. Roles is with the Marines. He was overseas 16 months, was on Guadalcanal, and returned to the States the latter part of April in 1943. He has been on guard work, in the Headquarters Guard Battalion at San Diego since arrival in the States.

Mrs. Roles is returning to the home of her parents at Abilene, from San Diego, and is expected to make a visit in Littlefield with her husband's parents.

On account of their father's illness, suffering from a stomach ailment, Jvt. Johnny Nixon, stationed at Waco with the Army Air Corps, and his brother, Pvt. Rufus E. Nixon, with the Infantry stationed at Camp Beale, Calif., have both been home to visit their parents.

Pvt. Johnny Nixon was granted a three day extension to his furlough, and it being up, left the first of this week for his station.

Pvt. Rufus E. Nixon has been

home since the latter part of February. He returned to his base at Camp Beale, Calif., last week.

Sgt. Mike Yohner, stationed at Bakersfield, Calif., is visiting his mother, Mrs. Mary Yohner. He arrived last week. He is connected with a service group in the Air Corps.

New Building To Be Erected On Phelps Avenue

Structure To Be Built By Capt. Hall To House Ford Agency

A new business building will be erected on Phelps Avenue in the very near future. Contract is reported to be let by Capt. Mancil Hall for the erection of a brick building on Phelps Avenue, just south of the REA office, and across from the City Hall, on the corner formerly occupied by the City Hall Service Station, and recently by Nig Anderson's Fruit Stand. It is stated that the building will be 75x125, and will be located on the three lots recently purchased by

Capt. Hall, two of which were bought from A. F. Bell, and one from Mrs. Arthur Duggan.

The building will be erected to house the Ford agency in Littlefield, which was owned and operated by Capt. Hall prior to entering the service. Capt. Hall is stationed at Midland Army Airfield.

Construction is expected to get underway within the next 15 or 20 days, it is stated.

She has studied for seven years under the direction of a number of teachers, Mrs. Sid Hopping, Mrs. Mary Boles Keithley, Mrs. Evelyn Fowler, and is now studying with Miss Stone.

Whitharral Girls Win Over Lazbuddy

Lazbuddy and Whitharral girls met in a basketball game at Sudan Tuesday night for conference championship. Whitharral won over Lazbuddy 31 to 19.

Gage for Whitharral was high point girl with 16 points. Cantrell was high point girl for Lazbuddy with 8 points. The game was refereed by Supt. Fred Miller and Jack Williams. It was declared a clean game throughout.

Three Local Youths Arrested Tuesday

The automobile belonging to J. H. Hayhurst, missing from in front of the High school building Monday night, left there by Miss Mary Hayhurst, was found turned over near Matador Tuesday, according to Sheriff Sam Hutson.

Sheriff Hutson said that a service station in Matador was broken into; that the sheriff of Motley county was notified, and that he went on a chase for the offenders, and discovered the Littlefield missing car turned over, later arresting three Littlefield youths, aged 16, 17 and 18 years, who are being held in the Lubbock jail.

Mr. Hayhurst went to Matador Wednesday with a truck to bring his badly wrecked car to Lubbock to be repaired. The automobile is so badly damaged that repairmen stated they did not know whether it could be put back in running order or not.

Officials state that two of the youths had been taken to New Mexico for investigation into another car theft.

A 1942 Oldsmobile belonging to J. W. McRee was stolen Tuesday night of last week on Phelps Ave-

nue, and has been discovered in a garage at Lovington, N. M.

Sheriff Hutson stated that authorities in Lamb county had been heretofore lenient with youths committing crime here, but that from now on they would be punished to the full extent of the law.

many other soldiers. At Bombay Sgt. Pinkerton caught a boat for Melbourne, Australia, then on to Wellington, New Zealand, and then California, that part of the journey taking some 33 days counting stops made on the way.

It was in Australia that he got a chance to drink milk for the first time in many months and soldiers stood in line for more than an hour just to get a small cup of the liquid. "I guess I missed milk about as much as any food during all those months," he explains, "although we always had plenty to eat."

Sgt. Pinkerton got an even bigger thrill out of completing his round trip than others in his case because of the fact that he had the unusual fortune of winding up where his wife and two-year-old daughter were waiting for him. He had never seen his daughter until he returned on a leave after arriving in the States on Jan. 16, 1945. Then after returning to a redi-

tribution center at Miami Beach, Fla., he came back to LAAF after short stops at other posts.

James L. Witcher And Leonard C. Duncan Go To Hot Springs

Two Littlefield returnees, veter-
ans of combat in the Southwest Pac-
ific, T-5 James L. Witcher, 817
W. 7th St., and T-5 Leonard C.
Duncan, have just completed fur-
loughs at home, and reported March
6 at the Army Ground and Service
Forces Redistribution Station in Hot
Springs, Arkansas.

The Redistribution Station is one
of the installations recently set up
by the Army Service Forces' 8th
Service Command to reassign ser-
vice men and women who come back
to the United States from the fight-
ing fronts under the rotation pro-
gram.

These returnees will stay at the
station for a period of less than
two weeks, during which time they
will be given a thorough physical
examination and their records and
back pay will be brought up to date.
The veterans will then be given in-
terviews so as to reassign them to
the jobs where the Army will reap
the fullest benefits from their ex-
periences and qualifications.

Quartered in four of Hot Springs'
major hotels, all recently acquired
by the Army, returnees enjoy a
broad program of athletics, recre-
ation and entertainment, as a respite
from the arduous tasks of war. In
such surroundings where the hotel's
services and furnishings have been
maintained, their short stay will
offer every opportunity for rest,
relaxation and diversion. Their mili-
tary duties are arranged to occupy
no more than a few hours of the
day and provisions have been made
so that their wives can share the

Certain Workers In Food Industry Are Deferred

Authority to recommend deferment
of certain workers in the food
industry has been granted to Dan
L. Boyd, District Representative,
War Food Administration, Office of
Supply, it was announced here to-
day.

Deferment recommendations will
be confined to workers under 30
years who are considered indispens-
able to the food industry listed as
essential by the War Manpower
Commission, Mr. Boyd explained.

District representatives may rec-
ommend deferment of workers in
fruit and vegetable processing
plants; meat industry; poultry dress-
ing and products; fats and oils, grain
and dairy products; sugar process-
ing; wholesale and retail distribu-
tion; fertilizer plants; ice manufac-
ture and harvesting; cotton and
fiber and tobacco industry.

Special forms for requesting defer-
ment can be obtained from local
selective service boards, he said, add-
ing, further information can be ob-
tained from his office at 208 South-
western Investment Building, Tenth
and Taylor Street, Amarillo, Texas.

Air Medal for "meritorious achieve-
ment" while participating in sus-
tained bomber combat operations
over enemy occupied continental
Europe, it recently was announced
by the Commanding General of the
Eighth Air Force.

The citation accompanying the
award read in part: "The courage,
coolness and skill displayed by this
enlisted man upon these occasions
reflect great credit upon himself
and the Armed Forces of the United
States."

Sgt. Bourlon, tail gunner on a
B-17 Flying Fortress, has flown on
some of the Eighth Air Force's
roughest missions over Germany, in-
cluding Dresden, Chemnitz, Man-
heim and Cologne. Other successful
bombing assaults credited to Sgt.
Bourlon are those in the Ruhr Val-

Chas. E. Heathman Awarded Air Medal

AN EIGHTH AIR FORCE FIGHTER STATION, England, 2nd Lt. Charles E. Heathman, P-51 Mustang fighter pilot of Littlefield, Texas, has been awarded an Oak Leaf Cluster to his Air Medal for exceptionally meritorious achievement in aerial flight over enemy occupied continental Europe. Lieut. Heathman flies regular bomber escort and strafing missions with Col. Kyle L. Riddle's 479th Fighter Group of the 2nd Air Division.

He is the son of Mr. and Mrs. Wayne E. Heathman, and the husband of Mrs. Marguerite E. Heathman, of Littlefield, Texas.

Lieut. Heathman is an alumnus of Baylor University.

Sgt. Alvie Walker Awarded Purple Heart Recently

Sgt. Arvie E. Walker, son of Mr. and Mrs. E. E. Walker, and grandson of Mrs. G. B. Salyer of Enochs, who was wounded in the right hand in the historic "bulge" campaign on the western front, has been awarded the Purple Heart. In addition he suffered a bad case of frozen feet during the fighting in the snow and slush.

Sgt. Walker in a letter home said: "We are as surprised by the sudden change of circumstances as you were."

"Probably because they figured if anyone could stop them the airborne units could, so we found ourselves in the front lines overnight. That isn't a figure of speech either. "From then until the climax was reached Christmas Day, the going was plenty rough. Christmas eve my platoon found itself 20 miles behind enemy lines and cut off. So we struck off across country in snow

Thos. E. Lowe Wounded In Action

T-5 Thomas E. Lowe, son of Mrs. M. E. Lowe of this city, with an engineering corps, with General Patton's Army, has been wounded in Germany, and awarded the Purple Heart, according to a letter received by his mother, dated February 15, received Saturday. This was the first letter Mrs. Lowe received since one dated January 26.

T-5 Lowe stated in his letter that he had been in a hospital in France 21 days; and that he expected to be out of the hospital in two or three weeks. He said when he first went to the hospital he thought he would get a furlough to come home, but that now he didn't think he would get a trip home. He said he had sent his Purple Heart to his wife to keep for him until he got home.

In a previous letter to his mother, Lowe said he spent Christmas Day in a fox hole in Luxembourg with snow and ice everywhere, and as cold as it gets in Amarillo sometimes.

He has been overseas about two years.

knee deep and after some narrow escapes reached our lines on Christmas morning.

"As if it wasn't enough, I was ordered to take my squad and set up a road block about a mile in front of the lines. We got out there all right, looted a couple of houses and found a dozen eggs which furnished our Christmas dinner.

"About 6 p. m. here came the Jerries and once again we were on the move! . . . The Jerries never got past our line. In our offensive that followed, we did plenty OK. It wasn't long until the bulge was a bad dream for the Jerries."

Sgt. Walker, a graduate of Big Spring High school and New Mexico Military Academy, is a former University of Texas student. He has been overseas with the 82nd paratrooper division since Feb. 1, 1944, and holds three campaign stars.

Two Littlefield Servicemen Are Recognized In Luzon

Quiet, deliberate heroism marked the penetration of doughboys of the 185th Infantry Regiment, of the 40th Infantry Division, of which group included Pfc. Robert Greer and Pfc. Loyd A. Walker, both of Littlefield, into the Cabusilan mountains of Central Luzon, according to a release from Fort Stansburg, Luzon, P.O., to this newspaper.

Numbers became legends as these men assaulted and took hills 1000 and 1500 during February. Previously in a sustained drive against heavy resistance they captured Suicide Ridge.

From these decisive peaks Japs directed fire on advancing Yanks. Air strikes and artillery bombardments failed to rout Nips from deep, winding caves into which they scrambled like frightened gophers.

From these cavernous defenses the enemy laid heavy mortar, machinegun and light artillery fire on our men, supply lines and communications. To the 185th fell the task of cleaning a portion of this heavily fortified range.

Typical of the mountain action was the attack on old 1500. After a period of softening up by artillery and air support word came for foot soldiers to make the assault.

As protection from enemy fire and observation a screen of smoke was laid on each flank of the advance group. Headed by lead-spraying tanks, troops began the sheer ascent up the rocky face of 1500.

In the lead were panel-carrying scouts, perfect targets for enemy fire. Panels are large, bright-colored banners which denote the location of advance elements for mortar and artillery units directing overhead fire.

Leaping from ledge to ledge and clearing caves as they advanced these veterans secured the forward slope. Established on the crest of the ridge they began the tedious task of removing Jap suicide squads imbedded on the reverse side.

Subjected to almost constant mortar, machinegun and sniper fire, picked troops began the systematic mop-up. Typical of obstacles and heroism were the accomplishments of Pfc. Joseph B. Hicks, Davy, West Virginia, and Pfc. Clifford C. Loyer, Redondo Beach, Calif.

Hicks crawled down a steep ledge, exposed to enemy fire, and lowered a demolition charge to seal an enemy cave. Loyer using a flame thrower forced Japs to evacuate two caves.

Efforts of soldiers to flush caves were limited by their depth. Well constructed by Japanese, with forced Filipino labor, these caves permitted a sneering Jap to appear, toss a grenade, picric acid blocks, or dynamite, and withdraw.

For three weeks these men had been without baths, had not removed their sweat-stained clothes, and had spent many sleepless nights. The supply of water, laboriously carried up almost perpendicular mountains, averaged slightly more than a canteen per man per day. There was no extra with which to bathe.

Enduring hoards of flies, the stench of enemy bodies, unburied by evacuating Japanese, cold nights without cover, and the full force of a tropical sun during the day these GL's faced "Banzi" attacks, infiltration and death.

From their foxholes while under fire they said:

"It's true there are no atheists in foxholes. Every man prays, and

it's high-powered when you see a flash and hear the hum of a mortar shell."

"I drew my whole body into my helmet last night. You can't help it when those shells drop around you."

"When you are on the crest of a hill you have mortars firing at you from one side and machine guns from the other. We just take our choice."

"All the men in the outfit would go to bat for those litter bearers and aid boys. They are really saving lives."

"Medics are doing a helluva wonderful job of patching up the boys before they go down for better care. It's not over two minutes before they reach the fellows, regardless of conditions."

"I'm not worrying so much about getting home in a hurry, after two and a half years over here, just let me out of these damn hills."

"Tell the folks living conditions are damn poor here."

"Fox holes with a rock mattress make a wonderful bed."

"You can't open your mouth to talk 'count them flies. It's a race to see which gets most of the chow at mealtime."

Should Test Planting Seed For Germination

The following valuable information to farmers has been furnished the Leader by the County Agent's office.

Testing Seed For Germination

A good farm practice for every farmer is to test all planting seed for germination. The State Seed Testing Laboratory will test as much as it is possible for them to do. A practical way for farmers to do is to soak 100 seed in water until thoroughly wet, then put them in a fruit jar and add a few drops of water. The seed will germinate in a few days if the lid is put on tight, and placed in a warm room.

Treating Seed

A lot of farmers failed to treat their seed before planting last year. Treating seed not only prevents smutt, but it also controls mold growth and aids in germination if used in the proper manner.

Some fields had as high as 43 per cent smutt heads in Lamb county last year. Elevators docked for smutt grains.

A good way to convince yourself that treating seed pays is to get two fruit jars and put seed treated with Copper Carbonate in one and untreated seed in the other. Add a few drops of water to each jar, put the lid on tight, and place it in a warm room. In a few days notice the difference of the two.

Note how the treatment controls mold growth, and how many more of the treated seed germinated.

Poultry Notes

"Cannibalism," or feather picking of poultry is usually caused by having too little fiber in the mash. Ground alfalfa hay fed for a few days will add enough fiber to their diet to stop this trouble. Ground maize heads are also a good control of this feather picking.

When fiber is being fed, poultrymen are advised to have grit available for the chickens. Young chickens should have bone alfalfa hay or ground bundles as a litter, so they won't develop "cannibalism."

If the feather picking has already developed, it may be controlled by adding one tablespoon of salt to each gallon of their drinking water for two or three days.

Awarded Badge In Recognition Of Skill And Service

Pfc. Arthur E. Doshier, son of Mr. and Mrs. A. L. Doshier, 318 West 4th St., Littlefield, with the U. S. Forces in New Caledonia, has been awarded the Motor Vehicle Driver's Badge in recognition of his skill and accident-free record while operating a bus at this South Pacific base.

For ten years prior to entering the Army in February, 1943, he was engaged in driving a truck. In May, 1944, after completing his basic Infantry training at Camp Howie, Texas, he left the United States for overseas duty in the South Pacific. On arriving at this sub-tropical base he was assigned, in view of his civilian experience, to the detachment operating extensive bus lines among the many Army and Navy units.

By helping to provide a quick and efficient bus service he is assisting in tying the many units at this important base closer together.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion, and help build resistance for the "time" to come.
 - 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.
- Try Cardui. If it helps, you'll be glad you did.
