

"Dedicated to a greater Lamb County"

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, JULY 19, 1962

NUMBER 10

VOLUME 28

YOUNG FIREMAN ENJOYS HOME MADE ICE CREAM . . . Robert Hill, 2 1/2 year son of Mr. and Mrs. Pete Hill was really putting away the home made ice cream when picture was taken by a Littlefield Press photographer Monday night at the local fire department. The volunteer firemen entertained their families with ice cream and cake . . . and a lot of sitting.

Little League Baseball

Area I Tourney Begins Today

Tournament action begins Thursday afternoon in Littlefield as the Area I Little League tourney gets underway with teams from six area towns represented.

Three games are on tap for Thursday's beginning round with one of the games being played in Plainview and the other here. The Plainview American League will test the Plainview National League with the winner advancing to the local tournament.

Little League All - Stars battle the All - Stars from the Amherst - Sudan League, Anton and Muleshoe will take the field for the 8 p.m. Thursday game here.

The tournament will continue through Saturday night when the champion of the area will be crowned.

The tournament will continue through Saturday night when the champion of the area will be crowned.

Finals of the tournament are scheduled for 8 p.m. Saturday. The winner of the Area I tournament will play the winner of the Area II tournament at Levelland on Thursday, July 26. Littlefield won the Area tournament the past two years, but no favorite has been named for this year's event.

Perez Gets Ten Years In State Pen

Kimbrough Reports On County Farm Outlook

Lamb County agent Bill Kimbrough summarized some good and bad elements of the county's crop picture when interviewed by a Littlefield Press reporter this week.

Approximately 4,000 acres of corn north of the sandhills is looking very good, Kimbrough reported, and he said that dryland cotton must have some more rain in the next ten days.

On the good side of the ledger he pointed out that irrigated crops were 95% up with last year's crops at this time and that many dryland cotton acreages looked very good.

Tonight At Anton

Pony All Stars To Begin Tournament

All Star teams from Anton, Littlefield and the Sudan - Springlake - Olton area open a double elimination Pony League baseball tournament in Anton tonight.

The tournament finals are slated for Tuesday, but could be held Monday should one team go undefeated.

The Littlefield All Stars will take the field against the irrigation belt (Sudan, Springlake - Olton) at 8 p.m. tonight.

Coaching the Littlefield Colt All Star will be Waymon Lewis, Arthur Hedges and Joe Johnson.

WEATHER

FORECAST - Gusty Winds, Predicted high 97.
TEMPERATURES - Sunday high 98, low 64; Monday high 94, low 62; Tuesday high 93, low 60.
MOISTURE - 1.05 for the month; 4.87 for the year; and 13.97 for this time last year.

Positively Identified By Robbery Victim

Jurors of the 154th District Court declared Willie Perez guilty last Tuesday night and District Judge E. A. Bills sentenced Perez to ten years in the state penitentiary for the March 15, 1962 robbery of Walter Stout of Earth.

The jury heard testimony for the state, which was handled by district attorney Jack Young and county attorney Curtis Wilkinson all day Tuesday and final arguments began late Tuesday afternoon.

Defense attorney Clifford Brown of Lubbock based his case on whether or not Stout had definitely identified Perez in regard to whether or not Perez had a beard or was clean shaven the day of the robbery, and maintained that he only had \$13 in his possession when arrested at Tahoka, so could not have stolen the alleged \$2800.

Crash Kills Farm Hand Near Pep

Last rites for Manuel Cantu, 69 year old farm laborer killed Monday afternoon in a traffic accident near Morton, were held Wednesday at 5 p.m. in St. Phillips Catholic Church, Pep.

BULLETIN

Fred Sullins entered a plea of guilty to District Judge E. A. Bills in district court Wednesday to a charge of DWI second offense and was sentenced to two years in the state penitentiary.

Sullins was charged by DWI second offense, resulting from an accident on the Littlefield city limits January 9, 1961. Driver of the other auto involved, Ed Hart of Anton, was seriously injured in the wreck.

Stout, farmer near Earth, told how the charged defendants had run him off the road with their car, had robbed him at knife point of his billfold and \$2800, had beat him, took his pickup keys and left him on the afternoon of March 15 and positively identified the defendant Perez as one of the two who had robbed him.

With good behavior Perez (Continued on Page 7)

Former Littlefield Graduate To Preach At Local Church

The Rev. Warren H. Rutledge, Maryville, Tennessee, will fill the pulpit at the First Presbyterian Church this Sunday in the absence of the pastor, Rev. John Hill.

REV. WARREN RUTLEDGE

Mr. Rutledge, son of Mrs. W. H. Rutledge, 412 West Second Street arrived in Littlefield this week with his family for a two week visit.

He has just completed a two week Science Seminar in Cape Canaveral, Florida, where he was director of program for twenty six high school young persons who had come to Cape Canaveral for discussions on "Youth, The Church, and the Space Age."

He is a graduate of Littlefield High School, class of 1948. He attended one year at Texas Tech College and received his degree (Continued on Page 7)

Assembly Of God Observes Anniversary

The First Assembly of God Church of Littlefield will observe its 34 year this Sunday and will mark the first years service of the present pastor, Rev. and Mrs. D. L. Kreeger.

Telephone Open House Today

General Telephone will hold an open house showing Thursday at the dial exchange building located at the corner of 5th and Twitchell, according to Bob Saunders, district manager.

WANT TO SEE YOURSELF ON TV? . . . if you do, be sure to attend General Telephone's Open House today from 2 to 6 p.m. The closed circuit TV demonstration is pictured above as General employee Barbara Eddings faces the camera manned by General's Wayne Goodrum. Barbara watches herself on TV in center as she talks to Wayne. (Staff Photo)

The public is invited to come in and see the many latest developments and facilities of the system from 2 to 6 p.m.

The new building was opened almost two years ago when the city went to the dial system. Saunders said features of the open house will be a demonstration of the practical application of closed circuit television, special dialing demonstrations, dial switchboard in operation and long distance switchboard in operation.

There will be free gifts to all persons who attend, as well as refreshments.

The Littlefield exchange was established in 1918. Sometime between 1918 and 1926 the exchange was purchased by the Panhandle Telephone Company which was owned and operated by the Hendrix family.

It was sold to the State Telephone Company July 1, 1926 and remained under operation by State until 1931 when State and Standard Telephone Companies merged to become Southwestern Associated.

This company (Southwestern Associated) was part of the General System but the name was not changed to General Telephone Company of the Southwest until the system president, (Continued on Page 7)

Governor Candidate Cox To Visit Littlefield

Jack Cox, Republican candidate for governor, will arrive at the Littlefield airport at 11 a.m. Friday and will then be guest at the Community Center and noon dinner.

JACK COX

Local Cox campaign manager Dan Staggs reports that the general public is invited to visit with the prospective governor and hear him speak at the dinner. Admission will be charged at the door.

The executive committee of the Lamb County Republican party will greet Cox at the airport. Cox comes to Littlefield from Muleshoe, where he will attend a breakfast reception.

Cox is a native of Stephens County and still resides in Breckenridge. He polled nearly 700,000 votes in the primary race for governor in 1960. He was elected to three consecutive terms in the legislature and during those six years served on 12 different legislative committees.

In 1961 Cox stated publicly that he felt that his conservative principles were no longer welcome in the Democratic Party and offered himself for service to the of Texas through the Rep Party.

Arnold Neumann Elected To Head United Fund

Arnold Neumann fertilizer plant has been selected to head Littlefield United Fund directors and will preside special called meeting Tuesday night.

ARNOLD NEUMANN

Other officials at the Monday night included James Lee, and Betty Teck, secretary of a vice - 3 has not been announced.

In discussing the meeting, it was to go into election procedure heads at the next two plans could begin to drive for this fall.

Barbecue Nets \$1,000

Approximately 1300 persons attended the baseball barbecue in Littlefield Saturday and it was reported that the baseball association netted \$1,000 on the event.

Following the barbecue three games were played with Ware-Keele defeating Dairy Queen 6 to 4, the Lions blanking Littlefield Butane 3 to 0 and Amherst beat Bula 20 to 9.

Baseball officials expressed their thanks to the many who helped with the barbecue and requested publication of the names of the following firms who also helped: Morton's Foods, Hall Grocery, Foust Food, Fenn's Food, Buster's Grocery, Mutt Houk, Furr's, Piggly Wiggly, Harlin Grocery, Young Grocery, Renfro Bros., Fisher's Restaurant, Tasty Cream, Dairy Queen, Dairy Mart, Littlefield Steam Laundry and Paymaster Cotton Oil Mill.

Police Report Acast

One accident was reported over the weekend to the City Police. The accident occurred Sunday at 6:39 p.m. when a 1946 Chevrolet driven by Dora Cooper Williams and a 1959 Ford driven by Beecher John Peek collided at the intersection of West 6th Street and Westside Ave.

The Peek vehicle was going west on W. 6th and had stopped at the intersection and attempted to left turn at Westside. The Williams' making a left turn off side on to 6th Street.

Retail Merchants Meet

The Retail Merchants council will hear a final report on the back-to-school event which has been set for August 16-17-18 at a special called meeting in the chamber of commerce council room, Friday.

The meeting for 10 a.m. Fridayman of the committee urges every merchant to attend.

City Council Meets Tonight

Littlefield's city council will meet tonight in the city hall at 7 o'clock.

The agenda includes the reading of the minutes, approval of bills, introduction of amendments to ordinance 161, and study of the audit covering the period of Oct. 1, 1961 through March 31, 1962.

The council will also discuss the zoning ordinance with the city planning commission, (Continued on Page 7)

(Continued on Page 7)

LAMB COUNTY LEADER

Published every Thursday morning by the Littlefield Press, Inc., 501 Phelps Avenue, Littlefield, Texas. Entered as second class matter at the post office, Littlefield, Texas, under the rate of March 3, 1959.

Wendell Towler, Publisher; David Penn, Editor; J. R. McNeal, Adm. Manager; John East, Business Manager.

Subscription Rates: For Lamb County Leader (published Thursdays and one County Wide News published Sundays) for one year \$5.00 (with postage and handling charges, \$6.00 for year).

Lamb County Red Cross Meets Friday

The Lamb County Chapter of the American Red Cross met in a regular monthly meeting Friday at 4 p.m. in the Red Cross office. Re-organization of the board was done at the meeting. James P. Arnold of Sudan was nominated as chairman, Mrs. Gladys Joplin as vice chairman, Pat H. Boone, Jr. re-elected as treasurer and Mrs. Lester LaGrange re-elected as secretary.

The August meeting is to be omitted, next regular meeting being September 7. Mrs. Joplin and Mrs. Stone are to entertain the board members, their wives and husbands with a picnic at Mrs. Joplin's the night of July 26, at 7:30 p.m.

Intermediate GA's Meet In Amherst

"Just Like A Tree" was the topic of the program for the Amherst Intermediate GA's Wednesday evening.

Joanie Brantley was leader and Judy Brantley, Micki Blair and Elaine Black each had a part on the program. The prayer calendar was brought by Sue Brantley.

Business was conducted by Martha Slate, president, as plans were made to attend camp at Plains Baptist Assembly, near Floydada next week.

Sue Brantley served refreshments to nine members present.

4-H DRESS REVUE -- Judy Tapley, left and Lina Pitts, right, will represent Lamb County in the district dress revue to be held on the Tech Campus July 31.

Annual 4-H Dress Revue Held In Community Center

The annual 4-H dress revue was held in the Community Center, Monday with sixteen girls modeling garments they had made.

Judy Tapley and Lina Pitts will represent Lamb County at the district revue to be held on the Tech Campus July 31. Junior girls to be eligible

for district competition must make a garment suitable for school. Lina made a bright fall print shirt waist dress.

Judy Tapley, senior girl, made a blue silk linen two-piece ensemble, a sheath dress complimented by a coat which was completely lined. Judging was based on posture,

general appearance, construction and records.

The judges were Jorja Blackmon, County Home Demonstration Agent, Morton, and Sherry Mullin, Assistant County Home Demonstration Agent, Leveland.

Refreshments were served by Yellowhouse and Oklahoma Avenue Home Demonstration Clubs, and the decorations were by the Sunnydale Home Demonstration Club.

Girls entering the revue and their ratings were:

Blue ribbons: Lina Pitts, Cheri Dorris, Nancy Williams, Sheryl Stevens, and Judy Tapley. Red Ribbons: Iva Tanner, Jackie Jo Markham, Karen Birkelbach, Rheta Hulsey, Gay Nicholas, and Jane Branscum. White Ribbons: Vickie Bartley, Debbie Nix, Vickie Ivins, Rita Munger, Carol Kendrick.

The club will be known as the Littlefield Duplicate Bridge Club.

Directors for the club were elected as follows: Marshall Howard, chairman; Mrs. Herman Barnett, vice chairman; Mrs. Al Chambers, secretary; Mrs. O. W. Still and Mrs. Alvin Webb.

Information as to the time and place of meetings may be obtained by calling Mr. Howard.

Mrs. Lenton Smith Speaks

To Home Demonstration Club

Mrs. Lenton Smith of Littlefield was the guest speaker Thursday afternoon at the Northside Home Demonstration Club which met in the home of Mrs. Doss Maner in the Lums Chapel community north of Whitharral.

Her chosen subject was Communism, on which she has done extensive study. She stressed the fact that the average American is so intellectually lazy, intoxicated with entertainment, limited in his horizon and inherently selfish that he won't have a conviction or dedication to do that which will stop the Communist.

Mrs. C. G. Landers presided

Ellen Rose Wins

Ellen Rose of Olton won second in saddle bronc riding at the Swisher Rodeo Monday.

Harold Williams of Matador won first with Glenn Green of Amarillo third.

with roll call being answered with "my favorite author." Plans were made for a white elephant sale for the next meeting.

A refreshment plate of banana slush and spice cake was served to Mrs. Smith and four other guests, Mrs. Ed Blackwell, Mrs. Wayne Maner, Jackie and Dianne Maner, and the following members, Mesdames Ralph Wade, Fred Newsom, J. B. Wren, W. J. Crews, George Wade, Jr., Landers and the hostess.

Duplicate Bridge Club Organized

Local bridge players met Saturday night to organize a duplicate bridge club for the com-

SIXTEEN GIRLS modeled garments they had made at the annual 4-H dress revue held in the Community Center Monday.

R. J. Clevenger Home Scene Of Whitharral Club Meeting

Mrs. D. C. Theford opened the meeting of the Whitharral Home Demonstration Club Tuesday afternoon with the reading of a poem "Old Age". Mrs. Raymond J. Clevenger was hostess at her home on the Oklahoma Flatt west of Whitharral.

Roll call was answered with "my favorite author." Minutes of the previous meeting were approved as read by Mrs. Hub Spraberry, secretary. Mrs. Elva T. Crank discussed "planned family reading," us-

ing favorite authors, type of reading, the value of planning the reading of the family, and the influence of reading for pleasure, knowledge, and leisure.

Cookies punch and lemonade were served to Mesdames Theford, Spraberry, Crank, E. E. Pair, S. J. Clevenger, Robert Strickland, Ella Hewitt, Joe Pelfrey and the hostess.

Mrs. Hewitt will host the next meeting at her home east of Whitharral on Tuesday, July 17.

Mrs. Clinton Limbocker Feted With Bridal Shower

Mrs. Clinton Odell Limbocker, of Plainview, nee Ann Ruth Hamilton of Hale Center, was honored Tuesday afternoon with a bridal shower, given in the home of Mrs. Lloyd Blackwell.

Mrs. Benny Moore greeted the guests at the door and presented them to the new Mrs. Limbocker and her mother-in-law, Mrs. Ira Limbocker.

The serving table was laid with an ecru lace cloth over orchid and was centered with an arrangement of orchid flowers and a miniature bride and groom. Orchid tapers extended

The driver of a passenger automobile rarely crowds a big truck off the road.

Most anybody will attend a conference if somebody offers to pay all expenses.

from the center with the names of "Clinton and Ann", inscribed in silver letters. A crystal punch service and silver appointments completed the table arrangement.

Hostess gift to the honoree was a Sunbeam electric skillet. Hostesses were: Mesdames, Weldon Daniels, Calvin Graham, Lloyd Blackwell, Benny Moore, F. E. Graham, W. B. Smith, Jr., V. O. Harrod, Roy Long, and J. I. Brothers.

The couple are making their home at 70 West 17th Street in Plainview.

The test of a good farmer is how much work he does during the next few months.

The world is approaching its end, no doubt, but while it whirls go on with your work.

We haven't any idea about a number of things which we need not mention.

Thank You Miss and Mrs. Littlefield

Thank you for your loyalty during my recent illness and bereavement. Please let me reassure you that I definitely plan to continue in business here to serve the many customers of this area, that I have enjoyed so very much.

I hope to be back in the shop permanently as time permits and shall be looking forward to serving each of you.

Most Sincerely Yours Norma Russell NORMA'S SHOP

Services Set Today For G.S. Bellamy

Services for Gus Schultz Bellamy, 60, a resident of Sudan for 30 years, will be held at 10 a.m. today in the First Baptist Church of Sudan, with the Rev. Wayne Perry, a former pastor of the church, officiating. Assisting will be the Rev. C. Hazel, presently pastor at the church and the Rev. Turner, another former pastor. Burial will be in Sudan Cemetery under direction of Hammons Funeral Home. Bellamy, a farmer, died early Tuesday apparently after a heart attack. Survivors include his wife, Edna; five sons, James Henry and Gus E., both of Snyder; Merlyn Dean, Winslow, Ariz., Ralph, California, and Ronald, Sudan; four brothers, Horace G. and Thurman, both of El Paso; Guy, Oklahoma City, and E. M., Medicine Mound; two sisters, Mrs. Wade Goolsby, Dallas, and Mrs. Claude Robinson, Lake Charles, La., and two grandchildren.

Amherst FFA Boys Attend Convention

Three members of the Amherst Future Farmers of America chapter are attending the State FFA Convention being held in Fort Worth, July 18-20. Representatives of over 900 chapters throughout the state are attending. Advanced degrees, scholarships and awards to outstanding members will be made. Douglas Berry was elected as delegate by chapter members and Guy Hufstetler, Jr. alternate delegate. Sherwood Abbott is attending. The three members accompanied Vocational Agriculture teacher Raymond Davall. Any business monopoly, whether national, state or local, is the proper subject of governmental regulation.

Senate Kills JFK Medicare Plan

The Senate killed 52 to 48 Tuesday President Kennedy's compromise plan to help the elderly pay their hospital and nursing care bills—bringing a prompt denunciation from the Chief Executive. Within an hour after the new Senate legislative setback for the administration a grandfaced Kennedy appeared before supporters to call the action "a most serious defeat for every American family." He said he will urge the plan again next year and appealed to the voters to show their support if they think the chance of members of Congress to the November elections.

and that all an amendment by Senator Clinton U. Anderson, New Mexico Democrat, that would have cut the Kennedy plan to a non-season public welfare bill. The roll call was tallied off in a tense atmosphere—some of the roll call of the Senate chamber closed with employees of Senators. Some House members were also present.

Littlefield Firemen To Attend School

Three local firemen will leave Sunday for a week's training at the annual fireman's school sponsored by the Texas Fireman's Association in Bryan, at A & M College. Attending this year will be Bill Weige, M. O. Dunagin and Robert Trotter. Weige will attend the fire marshal course and Dunagin and Trotter will attend the fireman's school. Registration must be made before 9 p.m. Sunday. The school begins Monday morning and continues through Friday. New techniques and methods of fire fighting and the most modern equipment will be studied at this time. Approximately 1700 firemen attended the school last year. Fire insurance in Littlefield will be lowered 3 per cent with three members of the Littlefield Volunteer Fire Department attending the school.

Spade Class Reunion Held In Lfd. Park

The 1951 graduating class of Spade High School held its first reunion in the Littlefield Park, Friday night, July 13. A picnic supper and fellowship was enjoyed by the group and their families. Those present were: Mr. and Mrs. Raymond Wiley (she is the former Betty June Inklebarger), Jeff and Jana Beth of Hereford; Mr. and Mrs. David Hutchins, David and Dana of Summerfield (near Hereford); Mr. and Mrs. Charles Park, (she is formerly Dolores Tin-

The climatic action after months of pressure and dickered by both sides gave a psychological lift to members of Congress seeking to block other Kennedy proposals. It came on top of defeat of Kennedy's farm and urban affairs department proposals alteration of some key tax recommendations, and lack of action on such prime administration bills as aid to education.

Twenty-one Democrats—11 of them Southerners—joined 31 Republicans in decriing the death blow to Kennedy's Social Security approach to health care for the aged. Only five Republicans—who co-sponsored the plan—joined 41 Democrats in trying to save it.

It was the first time all 54 members were present for a vote since the Senate killed Kennedy's urban affairs proposal in February.

Technically, what the Senate did was to approve a motion by Senator Robert S. Kerr, Oklahoma Democrat, to table

MARILYN JONES

Jones-Carson Set Date For Wedding

Mr. and Mrs. Owen E. Jones announce the engagement and forthcoming marriage of their daughter, Marilyn, to Eddy Carson, son of Mr. and Mrs. H. E. Carson.

The wedding will take place August 31 at 7 p.m. at the First Baptist Church, Olton. The public is invited to attend.

Farm Safety Week Set July 22-28

Farm organizations and cooperating agencies and groups across the nation will join together in observance of National Farm Safety Week, July 22-28.

As proclaimed by President Kennedy, all persons and organizations allied with agriculture are urged to join in the effort to reduce the number of farm, home and highway accidents. The week is sponsored by the Department of Agriculture and the National Safety Council, in cooperation with various other farm agencies and organizations.

The Plainview Production Credit Association, agricultural financing organization, serving an eight-county area of the High Plains, is among the area agricultural groups participating in the week's observance.

"We urge all our stockholders and all other farming and ranching people to participate in the observance, and to help decrease the number of accidents occurring to our agricultural population," declared L. R. Durham, president of the association, the nation's largest in annual loan volume, owned and operated by farmers and ranchers in Farmer, Castro, Swisher, Western Briscoe, Bailey, Lamb, Hale and Floyd counties.

Durham pointed out that although the farm population is only 8.7 per cent of the nation's total, farm and ranch people suffered 13 per cent of

the motor vehicle deaths in 1960, and 13 per cent of the nonfatal motor vehicle accidents.

According to National Safety Council figures, Durham said, fatal accidents to farm and ranch residents in 1960 tallied 11,300 with disabling injuries reaching a total of 950,000. Accidents included motor vehicle, home, work, and public nonmotor vehicle.

Although motor vehicle accidents counted for nearly half of farm resident deaths, home and work accidents caused 680,000 disabling injuries, in comparison to only 180,000 disabling injuries due to motor vehicle accidents, he explained, emphasizing the necessity of good safety practices at home and work on the farm and ranch.

About 1,000 persons are killed each year in farm tractor accidents, the PCA executive said, and 45,000 nonfatal accidents involving tractors occur each year. He warned against carelessness, darning or sporting liberties while driving a tractor in the field, on the farm or on the highway.

The 37 Production Credit Associations in Texas, home-owned and operated, provide \$400,000,000 in agricultural credit to 30,000 Texas farmers and ranchers each year. Since their organization in 1933, the associations have furnished more than \$3 billion in agricultural credit in Texas.

Water Commission Issues Water Bulletin

The Texas Water Commission has just issued a Bulletin which adds to the available knowledge of the Southern High Plains water resources.

Bulletin 6207, "Water - Level Measurements Through 1962 in Selected Observation Wells, Southern High Plains, Texas," reports ground - water-level measurements in observation wells in 25 Southern High Plains counties which include the most extensive irrigated farming development in the State. The bulletin may be obtained without cost from the Texas Water Commission, P. O. Box 2311, Capitol Station, Austin.

Yearly water - level measurements on 1,150 observation wells for the entire period of record and maps showing their location in the 25 counties are contained in the publication. Some of the annual measurements date back as far as the 1930's. These well measurements thoroughly document the major declines of water levels in the areas of heavy irrigation

pumpage, such as in parts of Lubbock, Hale, and Floyd Counties.

Declines extended into the 1961 - 62 period for most of the wells, though in most cases these were small. The average drop in level this year for all wells measured was 0.62 feet.

Personnel from the Texas Water Commission were assisted by the High Plains Underground Water Conservation District No. 1, the U. S. Geological Survey, and the Ground Water Conservation District No. 3 South of the Canadian River in making the 1962 field measurements of observation wells.

Systematic measurement of water levels in observation wells is useful as an index in maintaining a current inventory of available water supplies and in making quantitative predictions of the future availability of those supplies.

Counties covered by the publication are Armstrong, Bailey, Briscoe, Carson, Castro, Cochran, Crosby, Dawson, DeWitt, Donley, Floyd, Gaines, Gray, Hale, Hockley, Lamb, Lubbock, Lynn, Oldham, Farmer, Randall, Roberts, Swisher, Terry, and Yoakum.

Experience in life will soon teach you that when someone is very nice, there is something you can do in return for the favor.

SOME DRAWBACKS SEEN

Women Want Equality With Chimps In Space

WASHINGTON — The world's best-known woman pilot noted Tuesday that girls tend to get married, and married girls tend to have babies, and said if women get into space work this sort of thing could play hob with the countdown.

For this and other reasons Jacqueline Cochran, who holds more speed, distance and altitude records than any other living person, said she favors putting women into orbit but only after a lot of study and thought.

Miss Cochran's testimony before a House space subcommittee came as a dash of cool water on fervent pleas by two other noted women flyers to let qualified women share space work with men without further delay.

Mrs. Janey B. Hart, wife of Sen. Philip A. Hart (D-Mich) and Jerrie Cobb, a consultant to the National Aeronautics and Space Administration, presented the posi-

tion of 13 women pilots who have already passed space tests at Lovelace Foundation, Albuquerque. They want the government to start immediately on a program to train their group of astronauts.

Miss Cobb, who has passed the same physical and psychological tests as the male astronauts, said she would settle for equality with female chimpanzees as a starter.

"They won't let me take the actual training course, but I see they have a female chimpanzee named Gienda who is being trained to take it," she said.

The "they" blocking women's rights to orbit are officials of the National Aeronautics and Space Administration who have decreed that all astronauts must be military test pilots, a field closed to women, Miss Cobb said.

Miss Cobb, who slipped off her spiked-heel shoes while in the witness chair, said 11 other women fliers who volunteered have

passed physical tests for astronauts. But plans to have them take the other tests were cancelled, she said.

Mrs. Hart said it was inconceivable to her "that the world of outer space should be restricted to men only, like some sort of stag club."

Broader Program Urged

She added that she wasn't arguing that women be admitted to space merely so that they won't feel discriminated against "I am arguing that they be admitted because they have a very real contribution to make."

Miss Cochran urged broadening any training program for women to take in non-fliers as well, for training as crew members, if not space craft pilots. She suggested a group of 50 to 100 be put through the course to see just how women would fare.

After listening to the three witnesses, Rep. Joe D. Waggoner (D-La) observed: "These women are dead serious."

Rep. Victor L. Anfuso (D-NY) chairman of the subcommittee, commented, "The whole purpose of space exploration is to some day colonize other planets," he said "and I don't see how we can do that without women."

ELEGANT BUT PRACTICAL—Growing interest in the luxury look of fabric-on-the-wall has resulted in the development of a new fireproof and washable wall covering. Made with an all-cotton cloth base, it's applied like regular wallpaper.

Recipe of the Week

You have a favorite recipe, one that is quick, just plain delicious, a fancy dish, a new dessert. We'd like to know about it.

Each Sunday we will have a favorite recipe and the picture of the person who offers it. Please send your recipe and address to Box 72, Littlefield. We'll pick one each week, it may be yours.

MRS. FRED LICHTÉ

MIXED FRUIT ICE CREAM

- 6 eggs separated
- 2 1/2 c. sugar
- 3 rounded T. flour added to sugar
- 1 tall can evaporated milk
- 1 No. 2 1/2 can fruit cocktail
- 1 T. mix fruit flavoring
- pinch salt
- 1 c. cream

Place eggs in large mixer bowl. While beating eggs add sugar, flour, salt, cream and evaporated milk. Beat well then add other ingredients. Add milk to make one gallon. Freeze pack and let ripen.

Smoking-Cancer Course Is Advocated in Texas Schools

DENTON, July 17 —Smoking and its relation to cancer may be taught in Texas schools in the near future, a public health official said Monday.

Dr. W. S. Brumage of the State Department of Public Health said interest is gaining about the proposed program of a statewide course for students because "if they can see what smoking causes... what it does, then they might not start smoking."

at a workshop for red nurses on care of patients, sponsored by Texas Woman's University and the Texas Heart Assoc. Dr. Brumage is part of the health department's division of cancer and disease.

He added, "and it has got to be made a part of the school child—like accident prevention." Dr. Brumage was speaking

Newspaper Advertising DOESN'T INTRUDE

... It Goes Where It Is Invited!

People Buy Newspapers Because They Want All The News

They are as much interested in the advertising columns as the news columns because advertising is the news of what is available in goods and services at the stores they know.

There are no gadgets to turn off the advertising in newspapers. Nobody wants it turned off. Every survey ever made shows that people prefer to have the newspaper they buy contain advertising because the...

Advertising is News!

The newspaper is there all day and far into the night, and several days later. It is there for the whole family to read.

It is there to be read at the time and under the circumstances when the reader asks to be informed. It is there for the housewife to tear out the ads and take them with her when she shops.

And She Does!

There are no dials to turn on. There is no problem of turning the dial at just the right time. There is never a question about whether the advertiser's message gets to the reader.

And They Do!

Newspaper Advertising Goes Where It Is Invited

It sells because it is read at your customer's convenience

New Wrestler Featured At Sports Arena Saturday

Last week wrestling fans saw new comer Ali Ali defeat Sir Nelson Royal, who as every one knows is one of the top wrestlers in the sport today. Pee Wee Lopez was defeated by the little Frenchman Semard. The highlight of last week's matches was when The Viking and Ricky Romero wrestled their full hour time without a fall and the match was declared a draw.

So wrestling fans, it appears you are in for another big nite of all star wrestling at The Littlefield Sports Arena on the Lovelland Hiway. Wrestling starts at 8:45. Come early and meet and visit with your friends, they will be there.

Sputnik Monroe

Saturday night, this week in the opening event fans will have the chance to see Sputnik Monroe take on big 'Wild Man' Nick Roberts in a one fall 30 minute match.

In the first main event, The Viking will meet popular Johnny Kostas. Kostas makes his first appearance this week as a wrestler, after refereeing several times in the Sports Arena. Kostas, a bit 240 pound Greek should have his hands full with the Viking, but Kostas will have all of the fans on his side, hoping to see The Viking go down in defeat. This will be a two out of three fall match with a one hour time limit.

The second main event fans will see the popular Ricky Romero meeting the big Turk Ali Ali. Last week fans were all for Ali Ali when he met Nelson Royal, this week we are afraid it will be a different situation. Romero is one of the most popular wrestlers ever to appear in Texas. This match is a one hour time limit match.

Lions Blank Butaners 3-0
Lion Pitcher Monte Ward led his team mates to a 3-0 win over the Littlefield Butaners in a make-up game Saturday night after the town's baseball barbecue was over.

Ken Tweedy and Joe Ross scored for the Lions in the fourth inning and Mike Grissom tallied another in the fifth, for the roaring Lions.

Dairy Queen Takes KZZN 1-0 And League Championship

Lindy Stansell led the Dairy Queen Pony League team to victory and league championship Monday night when he pitched a 1-0 win over KZZN. It was a pitcher's duel all the

way with KZZN's Willmer Williams taking the loss. Both pitchers went all the way, each allowed only three hits.

The difference may have been due to the fact that Stansell gave

up no walks. The lone Dairy Queen tally came on a hit by Jack Shipp that should have been no more than a single or possibly an out. But errors by KZZN infield-

ers allowed Shipp to make the round tripper and score. In the entire game, KZZN left three on bases, while Dairy Queen left eight on base. In other Pony League action

a practice game was played Sunday at Amherst with the Hereford all stars defeating the Littlefield all stars 7-1. Littlefield all stars play another practice game with Here-

ford in Hereford Tuesday night. The Pony League area tournament will be held in Anton, July 20, 21, 23 and 24.

ENTRIES ACCEPTED
ROSWELL (Special)—Entries are now being accepted for the Roswell Recreation Commission's second annual open tennis tournament set for July 23 through July 27 at the New Mexico Military Institute tennis courts. The deadline is Friday, July 20.

AUSSIE STAMINA
WIMBLEDON, England—Australians filled all four berths in the men's singles semifinals of the 1962 Wimbledon Tennis Championships, marking the first time in the tournament's 76-year history that the final four men's singles survivors came from the same country.

Ware-Keeling Noses Out Dairy Queen 6-4 On Barbecue Night

Following the baseball barbecue last Saturday night, Ware-Keeling defeated Dairy Queen in a closely played game, 6 to 4.

James Black and Jimmie Henderson pitched for the victors and three pitchers, Jack

Shipp, Steve Lewis and Lindy Stansell pitched for Dairy Queen.

At the end of the first inning it was 1-1 as Henderson scored for Ware-Keeling and Shipp scored for Dairy Queen. In the third inning, Dairy

Queen went ahead when Mike Pope scored, making the score 2-1 in favor of the Dairy-

men. Ware-Keeling broke loose with four more scores in the fourth inning by Henderson, James Black, Joe Lewis, and

Jimmy Langford. Going into the fifth inning it was Ware-Keeling ahead 5 to 2.

Dairy Queen came back in the fifth with two scored by Randy Hutson and Steve Lewis and Billy Henderson scored again

Denver City Seeks Integration Election

DENVER CITY, July 17 (Sp) A petition seeking a school desegregation election has been put in circulation by the Denver City school board.

The board said desegregation elections called in the Seagraves and Brownfield school districts have made such action necessary. Denver City has been sending its Negro students to elementary and junior high schools at Seagraves and to high school at Brownfield.

A message from the Treasury of a free people

How to stand guard for freedom in 1962

Some men of Concord in old Massachusetts once got themselves called Minute Men because it took them just 60 seconds to come to the defense of freedom, day or night.

In the years since, the Minute Man has become a symbol of our determination to stay strong and to stay free. Other symbols of the determination are Savings Bonds.

When you buy a Bond today you do more than invest money for your own future. You also show your own personal determination to keep America strong and free right now—because the same dollars you save for tomorrow help the government defend freedom today.

That's why buying U.S. Savings Bonds is a way to be a "Minute Man" in 1962. And Bonds work for you and your country around the clock.

Why not join the ranks of America's modern Minute Men? All it takes is \$18.75 and a visit to the Bond window at the bank.

Keep freedom in your future with U.S. SAVINGS BONDS

Musial Hits Cards To Win

ST. LOUIS —Ageless Stan Musial hit a three-run homer in the sixth inning Tuesday night, giving the St. Louis Cardinals a come-from-behind 8-6 victory over the Chicago Cubs.

Bill White, who had four singles, drove in three runs and Charley James batted in two for the Redbirds.

The Cardinals, who spotted the Cubs a 3-0 lead, trailed by 5-4 when Musial connected against reliever Dave Gerard. The home run was Musial's 13th of the season and the 457th of his career. He is hitting .346.

Starter Larry Jackson, hurt by a porous defense, evened his record at 8-8. He was lifted for a pinch hitter and Lindy McDaniel worked the last three innings, giving up a solo homer to Ernie Banks, his 23rd.

Gerard, charged with his first major league defeat after two victories, gave up a pinch walk to Red Schoendienst and a single to White before Musial connected.

The Cardinals kayoed starter Don Cardwell, and Bob Anderson. Ron Santo got the Cubs off to a good start with a two-run single in the first inning.

MICKEY'S YEAR
NEW YORK —Mickey Mantle of the New York Yankees was the last major league player to lead his league in batting, runs batted in and homers in the same year, accomplishing this feat in 1956.

SHUTOUTS
PHILADELPHIA —Prior to the 1962 season, Cal McLish of the Philadelphia Phillies pitched only two shutouts. His major league career began in 1944.

HEREDITY
LOS ANGELES —Outfielder Earl Averil and pitcher Don Lee of the Los Angeles Angels both came by their baseball talents naturally — their fathers also played in the major leagues.

TEXAN MADE CO-FAVORITE
ORCHARD LAKE, Mich. —The 60th Western Amateur Golf Championship gets underway Wednesday at Orchard Lake Country Club without a defending champion. Jack Nicklaus, the winner last year, has vacated the amateur ranks to play for pay. Dudley Wyzong of McKinney, Tex., and James "Billy" Key of Columbus, Ga., rank as co-favorites. But both face stiff competition.

Four Are Named To Boxing Hall Of Fame

LOS ANGELES —Bantamweights Johnny Coulon, Pete Herman and Joe Lynch and light heavyweight Jack Delaney have been named to the Helms Hall boxing hall of fame. It was announced Tuesday. The new members' fighting dates ranged from 1905 to 1932. Delaney won the world light heavyweight title in 1926. Coulon

the bantam title from 1910-14, Herman from 1917-20, and Lynch from 1922-24.

PEREZ
(Continued from Page 1)
could be released from the penitentiary in three or four years. He had no serious previous troubles with the law.

It took the court most of Monday to select a jury as defense attorney Brown questioned each concerning his personal feelings about Latin-Americans.

The jury was selected from a total interviewed of 35. Jury was finally selected late Monday evening and was confined to the jury room in the courthouse for the night.

Nolan Parrish of Sudan served as foreman of the jury and the following served with him: Bill Blackman, Lloyd Jaquess, Bennie Zahn, Dean House, John Clayton, Billy D. Harmon, Harold Phillips, all of Littlefield; Frank Rone, B. J. Cartwright, and Benny Arnold, all of Sudan and Leo Ross Bryant of Olton.

The maximum penalty for Perez could have been life imprisonment, the minimum five years.

joined together to sponsor a page of welcome to area community all stars who will be playing here Thursday, Friday and Saturday.

I want to express my personal thanks to Randy and Kevin Hutson for serving as our Littlefield Press sports reporters this baseball season. They've done a real fine job of keeping scores and reporting in order that we might maintain a full sports page each issue.

COVER-UP — Triangular side set-ins give shape to this cotton denim tunic which goes over a swimsuit. Sit at the hem and stitched in white, it can be worn belted or not. By Mike Geist.

TELEPHONE

(Continued from Page 1)
Donald C. Power decided that it was advisable to bring all General operations under the corporate name July 28, 1952.

The growth of the Littlefield district is evident as records show that in 1930 the exchange operated 268 telephones and had a plant investment of \$55,281.

Forecasts by the company indicate that there will be 43,062 telephones in Littlefield in 1980.

VIRREL ROBERTS COLLECTS DEER HEADS AND BALL POINT PENS . . . and from the looks of these two pictures he's been fairly successful in both collections. Roberts is a local lumberman, who is in a position to receive many ball point pens from salesmen and he always manages to take off long enough in the fall to shoot a deer or two. A huge 26-point deer was his first kill and the best one in his collection. (This is the first in a series by Littlefield newspapers telling of our readers collection hobbies . . . if you have one, please call 385-4481. (Photo by Jerry Potts).

Mr. and Mrs. W. P. Davis, Pete and Bill and Mr. and Mrs. Paul Evans, Littlefield spent the weekend at Lake Umbarger.

Guests of her parents, Mr. and Mrs. Bill Finkner, Petersburg Sunday afternoon were Mr. and Mrs. R. C. Davis and family.

Mr. and Mrs. Earl Sands and son Chris spent the weekend with her parents, Mr. and Mrs. Virgil Hinds, Sue, and other relatives.

Joe Bozeman underwent major surgery in the local hospital Friday. His sisters, Mrs. Sue Brockman, Mrs. Roxie Seymour, Earth, brother, Frank Bozeman, Lazbuddie have been here several days.

Rev. and Mrs. E. R. McGregor and daughters are vacationing this week. They planned to attend a family reunion at Cowles, N. M.

Rev. R. H. Campbell, Olton, occupied the pulpit at the First Methodist Church for the morning service Sunday, in the pastor's absence, Alvin Holmes, a ministerial student at McMurry College, Abilene, was speaker at the evening service.

AT OLTON

Mr. and Mrs. Jess Parker and children visited in the home of his mother, Mrs. Effie Parker, at Plainview Sunday afternoon.

Junior girls attending camp at the Baptist Camp near Floydada last week were Sandy Wells, Janie Jones, Cheryl Lambright, LaFonda Hodges and Gay Fisher. Sponsors accompanying them were Mrs. Lee Simmons and Mrs. A. D. Adams.

Bud Lovell visited his parents Rev. and Mrs. Edd Lovell in

AT ANTON

Mrs. J. H. Denson, Mrs. Everett Butler, and Mrs. Loneda Hall returned home Friday after several weeks stay at Truth or Consequences, N. M.

Mr. and Mrs. J. C. Fowler visited their son and family, Douglas Fowler at Santa Fe N. M. last week.

They took their grand daughters, Wendy and Charlee home after a two weeks visit here with their grandparents.

Mrs. Ludie Bryant, Martha Ann, and Leonard visited several days with friends in Littlefield last week.

OLTON NEWS by Mrs. Smith

Garden Club Has Chicken Dinner

The Olton Garden Club held its annual Fried Chicken Dinner Thursday, July 12 at the Legion Hut. This dinner was in honor of the ladies' husbands. Following the dinner visiting and games of 42 were enjoyed by all present.

Those attending were Mr. and Mrs. Jack Allcorn, Mrs. Ann Blythe, Mr. and Mrs. H. L. Dennis, Mrs. C. M. Owen, Mr. and Mrs. George Brown, Mr. and Mrs. A. D. Melton, Mr. and Mrs. Doyle Pinson, Mr. and Mrs. Preston Sampler, Mrs. Pearl Schreier, Mr. and Mrs. Jack Silcott, and Mr. and Mrs. Horace Walker.

Mr. and Mrs. George E. Bohner entertained with a chicken barbecue at their home Saturday night, in honor of her sister, Mrs. H. P. Webb of Brownwood, and her son and family. Mr. and Mrs. Jack Webb and son, Roy of Pasadena Tex. Others attending were Mr. and Mrs. Bill Bohner, Phil and Kathy; Grandad Swarberg and two grand daughters, Sheila and Pam Weiber, all of Edmondson; and Mrs. L. C. Schreier and her father, T. T. Payne.

Mr. and Mrs. V. E. Tillery of Electra and Mrs. Pearl

Schreier and her father, T. T. Payne, were all dinner guests in the Loyd Cowart home Saturday noon. The Tillery's were on their way to Bakersfield, Calif. to visit relatives. From there they plan to attend the World's Fair in Seattle.

Mr. and Mrs. Dubbs Granbery and daughter, Charla Beth, visited in Abilene last weekend.

Mr. and Mrs. Jim Kemp, and Bill Kemp attended the funeral in Portales Sunday afternoon for their cousin, Robert L. Bruce, 18. Bruce was the son of Mr. and Mrs. B. K. Bruce of Portales. Bruce drowned Thursday afternoon while swimming in Portales Municipal Swimming Pool.

Other survivors include a sister, Mrs. Betty Johnson, Oklahoma; four brothers, the Rev. Leon Bruce, House, N. M., Marion in the Air Force and John and Thomas, both of the home. Mrs. O. T. Crosby of Olton also attended the funeral.

Those from Olton attending the funeral for W. A. Reeves, 70, at Bellview Saturday afternoon were: Rev. and Mrs. John E. Lewis, Mr. and Mrs. Carlton Whittle and Mr. and Mrs. Willis Hedges.

STATE CAPITAL Highlights AND Sidelights by Wren Sanford

AUSTIN, Tex. — U. S. Supreme Court's decision that federal courts have power to review acts of state legislatures in reapportionment representation was met with an uproar from many states.

"Reapportionment" is the business of redistricting a state to determine the number of legislators according to an area's population. National and state constitutions both provide for re-examination of representation in legislative assemblies every 10 years.

An area frequently gains or loses representatives to the state house. This happened in Texas recently, when a 1961 redistricting act by the legislature took effect.

Working under a constitutional amendment, adopted in 1936, limiting cities to one representative for every 700,000 inhabitants, Texas' representative districts got a pretty thorough going over.

The 31-member senate body was not greatly affected by the reapportionment, however, since the law states that the senate "shall never be increased and no single county shall be entitled to more than one senator."

What the U. S. Supreme Court would hold about such a condition, in view of a congressional provision for two U. S. senators from each state regardless of population, won't be known unless the question is put to its nine justices.

There is some reason to believe, however, that the higher court would look with disfavor on this state's constitutional provision limiting House representation to one member for every 100,000 inhabitants after a county attains a population of more than 700,000.

In the event citizens dissatisfied with the situation in Texas ever go to court for a reshuffling, they'll be armed with the information that 11 urban counties have a little more than half of Texas' 9,579,677 inhabitants and more than a third of the 150 members of the House of Representatives.

HOPE FOR TRAPPED FISH — An "escape route" for thousands of fish which risk death daily in a shallow pool off Padre Island is planned by the State Game and Fish Commission, which estimates that tons of game fish have died in a nine-mile hole north of Port Mansfield over the last 10 years.

Howard Lee, the commission's director of field operations, said red fish and trout swim into the shallow pool in the course of their north-to-south migration, "and don't recognize the fact that there's only one way out."

As the temperature increases in late spring and summer, the water level drops. Fish then are caught in a dry-water pool created by drifting sands and are trapped there until death releases them as food for birds and other scavengers in the area.

Dredging of a six-foot-deep, 50-wide channel running 4,000 feet through Laguna Madre into the Intracoastal Canal is expected to put a stop to the waste of fish and make them available for "harvest" — a Game and Fish Commission euphemism for fishing.

Up to now, fishermen have been unable to get to them in the pool trap without trudging through long distances of mud and sand.

PERMIAN BASIN COLLEGE URGED — A "Citizens Relations Committee" of 20 West Texans flew into Austin to ask the Texas Commission on Higher Education to approve plans for converting Odessa Junior College to a state-supported, four-year "Permian State College."

According to their spokesman, W. D. Fieck of Odessa, 30 percent of the Ector County's college enrollment of about 1,600 is composed of out-of-county students. Administrators estimated a 3,686 enrollment by 1970, if it's changed to a state-supported senior college.

C. A. Roberson, business manager of Odessa's \$3,000,000 junior college, said the population in the Permian Basin increased from 159,000 to 288,000 between 1950 and 1960 and is expected to reach 500,000 by 1970.

Commission will study the matter further before making a recommendation to the next legislature.

Attempts to get the 57th Legislature to approve full state support and senior college status of San Angelo Junior College, Laredo Junior College and Pan American College at Edinburg failed in the third special session.

T. E. C. TEAMS TO AID SMALL TOWNS — Two teams which form the working force of the Texas Employment Commission's newly organized Expansion Employment Service for Small Communities recently moved into Brady where they'll survey job seekers and job opportunities for the next six weeks.

Service was set up with funds from the Federal Bureau of Employment Security to assist communities like Brady which have "substantial and persistent unemployment problems," yet are too far from one of the Employment Commission's 91 local offices to get help from a regular staff.

According to Ted Clifford of the commission, the teams will go into economically distressed areas to try to determine what has caused a long-time employment slump, offer remedies and either find job opportunities elsewhere or assist local civic groups in launching industry recruitment programs.

Limestone and Falls county officials already have asked for the team's services. Clifford reported that some 25 or 30 counties now are in the "substantial and persistent unemployment" category.

CROOKED - HOLE DRILLERS CUT OFF — Texas Railroad Commission has severed pipeline connections and set zero allowances for all wells on leases in the East Texas Field on which deviation or inclination surveys have shown a crooked - hole oil well.

Chairman William J. Murray of the Commission says that the order covers 62 leases. Attorney General Will Wilson advises that when a deviated well is found on a lease, the whole lease is to be questioned until proven otherwise.

Before the wells involved can be restored to production, operators must have inclination surveys made on each one, and must have production tests to determine each well's actual ability to produce. Wilson said production tests were required because of the possibility that a single deviated well might be drawing the allowances for eight or 10 wells on a lease that are actually dead.

Officials also revealed that the deviation survey is being extended to a single well in the Webster Field in Harris County. Operators have been asked to give permission for the survey under a new policy which allows the operator to volunteer permission before a court order is sought.

SHORT SNORTS
Deficit in the State General Revenue Fund, which dipped to \$59,000,000 in March, was \$28,351,556 on July 9, according to State Treasurer Jesse James.

Land Commissioner Jerry Sadler says the waiting list in the Texas Veterans' Land Program has been reduced to less than 16,000. He figured his office would pass No. 94,000 this week, so any veteran applicant can estimate when his number will come up, since 1,000 contract forms are sent out each week.

Gov. Price Daniel reappointed Joseph B. Hutchison of Arlington and Lloyd Gregory of Houston to the Battleship Texas Commission and named Mrs. Murray Ezzell of Port Neches and C. H. Coffield of Houston new members. Also he appointed Weldon Cabanis of Rockport to the Gulf States Marine Fisheries Commission.

Eleven Texas firms were among the 42 recently granted permission to issue \$22,050,375 in stocks by the State Securities Board.

A report by State Auditor C. H. Cavness showed that the Texas Surplus Property Agency, which disburses federal surplus property to schools, colleges and other public agencies, had an income of \$605,606 during fiscal 1961, while cost of operations was \$692,795.

AT OLTON

Mr. and Mrs. Fred Gordon and her sister, Mrs. Allie Taylor of Amarillo, all vacationed in Colorado and Northern New Mexico last week.

Mrs. Ivin Wozencraft of Bloomfield, N. M. visited her daughter Patsy, at Howard Payne College, Brownwood, last weekend. She was accompanied to Brownwood by her parents, Mr. and Mrs. J. F. Coleman.

Mr. and Mrs. Loyd Graham are vacationing in Northern Arkansas this week.

Mark and Preston Brown of Houston are here spending the summer in the home of their grandparents, Mr. and Mrs. Jim Williams.

Rev. and Mrs. Wilbur Gaede and daughter, Nieta, are vacationing in Denver and Limon, Colo. They plan to be gone about ten days.

Mr. and Mrs. A. C. Light, Jr. and son have taken their combines to Nebraska where they are harvesting wheat.

NEW YOUNG FARMER OFFICERS . . . W. W. Hall, left, is pictured with the new officers of the Young Farmers Association which were elected Monday night. Next to Hall left to right are: Eldon Gohlke, president; Roy Ogerly, reporter; Johnny Fields, vice president; John Terry, treasurer; and Melvin Mears, secretary. Not pictured is asst. reporter, Don Wheeler. The next meeting of the club is scheduled for August 20th and will be a business meeting.

Philosopher Finds Out About Telstar, Can't Figure Out How It'll Bring World Peace

Editor's Note: The Sandhills Philosopher on his Johnson grass farm has found out about the latest achievement in science, his letter this week reveals.

Dear editor:

I was busy sleeping at the time and missed it, but according to a newspaper article I read yesterday afternoon, television shows were transmitted from the United States to Europe

and from Europe to the United States last week by bouncing the beams off a new satellite now circling the earth. This, the report said, has opened up a vast new field, and one expert announced it would mean bringing the world still closer together.

"The more the people of the world can communicate with each other, the more we can understand each other, and the

nearer we are to permanent peace," he said.

I have been reflecting on this statement and so far have not quite figured out a few things.

For example, I don't know anything about European television, but I've seen quite a bit of American television, and if world understanding is to be achieved by TV, this sure puts a burden on Europe. They

must have a different brand over there. The brand we've got over here, while apparently entertaining, hasn't been designed to improve world understanding, not to mention attain permanent peace.

On the other hand, if Europe had to look at our TV every night and we had to look at theirs, and both turn out to be about equal, it might improve world understanding. What we could all come to understand is that the world still has a long way to go yet.

On still another hand, I'm not sure that understanding people is any guarantee for world

peace. When I have been the furthestest from peace with some people was when I understood them thoroughly and realized what they were up to. The more I understand what Mr. Khrushchev has in mind, the less peaceful I feel toward him.

Worldwide, instantaneous television is an achievement, but, while I may be short-sighted, it's hard for me to see much change resulting from bouncing Gun Smoke off a satellite one night and a Khrushchev speech the next. This would be far too much Khrushchev.

Yours faithfully,
J. A.

Airman Lence Transferred To Missouri

AMARILLO AFB, Tex.--Airman Third Class Charles C. Lence of Littlefield, Tex., is being reassigned to Richards-Gebaur AFB, Mo., following his graduation from the United States Air Force technical training course for jet aircraft mechanics here.

Airman Lence was trained to maintain and service jet aircraft and aircraft systems.

A former student of Littlefield High School, the airman entered the service in January 1962. He is the son of Mr. and Mrs. John R. Lence, Route #1, Littlefield.

YOUNG FARMERS ASSOCIATION SPEAKER . . . local swine and egg producer Jack Barton, left is pictured chatting with Donald Carr after Monday night's meeting. Barton told the young farmers about the 800 swine operation near bull lake and gave them some tips on proper swine management. He told the group that he preferred sows of a 4-way cross breed, York, Hamp, Poland China and Duroc, he stressed that hogs should not be allowed to get too hot, 2 foot of trough space per sow is sufficient and that sloping good drainage land is best for hog operation location. Barton said that he weaned pigs at 4 weeks and that at six weeks changed from a pig starter ration to a grower ration. Eight to ten sq. feet of shade per sow and fogging nozzles for cooling were other tips that Barton gave the group.

Beet Company Takes Option On 2,000 Acres At Hereford

Holly Sugar Corporation, Colorado Springs, Colorado, and the Texas Sugar Beet Growers Association, Hereford, Texas, both have filed applications with the United States Department of Agriculture, requesting that sugar beet acreage reserves established pursuant to provisions of the new Sugar Act be distributed to new farms and growers in Hereford, Texas, area, and a portion of eastern New Mexico, which would make possible erection of a new sugar beet processing facility near Hereford on a site the rights to which already have been acquired, and which facility is planned to be in operation by the Holly Sugar Corporation not later than the fall of 1965 and possibly by the fall of 1964. This action was prompted by the new national Sugar Act signed into law by President Kennedy Friday night (July 13). Capacity of the projected facility would be such as to require the use annually of acreage at least equivalent to the acre reserve, which is understood to be, under terms of the new law, sufficient acreage to produce at least 65,000 tons of sugar annually.

Holly also requested additional marketing allotment, in accordance with the new law,

to permit it to distribute sugar produced at the proposed new factory.

Merrill E. Shoup, President of Holly, and James W. Witherspoon, representing the Texas Sugar Beet Growers Association, both stated that they hoped prompt and favorable action would be taken by the Agriculture Department on the application.

"We have made an exhaustive study of the West Texas - Eastern New Mexico area which would be served by the proposed new facility near Hereford," Mr. Shoup stated, "and we are convinced that the potential for a successful operation is here. We must depend, however upon favorable action by the Government on the applications submitted to assure sufficient annual acreage to support an economic unit in the area under consideration."

"Our specialists in factory construction and operation, agriculture and other fields have made detailed studies of all aspects of the proposed project, and their findings are the basis upon which we have taken the initial steps announced today."

Witherspoon said that his organization, supported by farm and business people throughout the area which would be served by a new beet sugar processing

facility, has spent many months working for establishment of such a plant in the Hereford area.

"We have worked toward the end that new legislation would provide for new areas without processing facilities to be assured sufficient acreage to attract a new plant; and we have sought to interest a processing company with the necessary know-how to construct and operate such a proposed factory. We are extremely encouraged and pleased by the preliminary steps now taken."

Holly Sugar Corporation is one of the nation's two largest beet sugar companies, currently operating 10 factories - five in California, two in Montana, two in Wyoming, and one in Colorado.

Shoup said that a beet sugar processing facility in the Hereford area would provide a needed cash crop for farmers in the area, provide livestock feed (sugar beet by-products remaining after the sugar has been extracted include beet pulp and molasses which are high nutrient value feeds) and would stimulate the general economy of the entire area served and adjoining areas in Texas and New Mexico.

AT WHITHARRAL

Mrs. Henry Jones and Mrs. Jack Milburn, Jenny Sue and Billy Jack were in Plains Thursday to meet Rickey and Mike Roberts of Eunice, N. M., who spent the weekend with the Milburns while their parents Mr. and Mrs. Philip Roberts, had a brief vacation. The Roberts returned Monday for a few days visit. Mrs. Roberts is the niece of Henry Jones.

Mark, the seven months old son of Mr. and Mrs. Driscoll Bryant underwent surgery at the Methodist Hospital at Lubbock Friday. He is doing nicely and

has been brought home from the hospital.

Mr. and Mrs. T. E. Howard had as their guests early last week the latter's brother, Mr. and Mrs. Fred Armstrong, and Freddie of Kermit. Freddie was convalescing from recent surgery.

Rev. and Mrs. Roland Burnett, Keith and Paul of Plainview visited Mr. and Mrs. John L. Burnett and family Friday. Burnett performed the marriage of his brother-in-law, Wayne Sellers and Miss Harlene Fuiks at the Austin Street

Church of Christ at 8 p.m. Friday, Burnett, who has been pastor of the Finney Baptist Church of Plainview for several years has resigned and with his family will move to Fort Worth by the first of August where he will enter the Baptist Seminary for the fall term.

Mr. and Mrs. Clinton Cox are home from Athens, Tex., and Fort Smith, Ark., where they visited relatives. They were accompanied home by a niece, Mrs. Lathan Garnett, Phil and Max of Fort Smith, who will visit her parents, Mr. and Mrs. Bill Gage at Littlefield, and other relatives.

Mr. and Mrs. V. D. Hodges accompanied by Mr. and Mrs. John T. Griffin of Littlefield, spent Saturday and Sunday at Big Springs with Mr. and Mrs. Ben Hartley and other relatives.

Mr. and Mrs. J. M. Mixon spent Saturday night at Seymour and attended the West family reunion at Lake Kemp Sunday.

If you take your truck for granted

...it's a good one!

A truck that doesn't call for a lot of attention, that just does its job every day, is a great asset. This is the thing most users tell us they like about Chevrolet trucks - their reliability. And this, of course, comes from quality. Sound engines, strong frames, double-wall construction, insulated cabs, separated bodies

and cabs, tight tailgates . . . are some of the features that help Chevrolet trucks work longer and bring back more of your investment at trade-in. If you wish you had a truck that cost you less thought and attention, put your money on quality. Make your next buy a dependable Chevrolet truck.

Bids Opened For Amphitheatre In Palo Duro State Park

CANYON -- Some 200 members of the Texas Panhandle Heritage Foundation gave unanimous endorsement to opening bids for the construction of an amphitheater in Palo Duro State Park where a Paul Green symphonic drama will be produced.

In consenting to open bids, those persons who attended the first anniversary meeting of the foundation in Canyon on Sunday, July 8, voted down a motion to hold the \$155,000 already raised until the total goal of \$350,000 had been reached.

Construction on the amphitheater could begin in August, according to Earl Parge of Hucker and Parge, architectural firm that has drawn the theater plans.

Guest speaker for the meeting, Paul R. Hadley of Frankfort, Ky., told the meeting that the symphonic drama project had six "built-in" success factors. Hadley who is presently serving as assistant to the commissioner of the Department of Commerce and as state consultant to the travel and tourism industry in the state of Kentucky has spent the past 25 years in the travel and tourism business.

"Just for a start you have chosen the best outdoor theater author in the United States when you asked Paul Green to write your drama," Hadley asserted.

"Your story material is excellent and the location for the amphitheater in Palo Duro State Park is probably the best I have

ever seen," Hadley continued. Noting that there was a good tourism industry already established in the Panhandle, Hadley stated that there were several outstanding professional persons in the dramatic field who would be great assets to the drama.

"And lastly, even though it may be truisim, the innate hospitality of you Texans will be a big factor in contributing to the success of the project," Hadley concluded.

In board action following the general session members agreed to make a partial payment to author Green for his script, and further authorized Green to contract a musician to assist him in the musical score and arrangement for the drama. A three-member committee

AT AMHERST

Mrs. Don Hevern and Martha were in Lubbock Thursday and attended a tea honoring Miss Kay Woody, bride-elect of Charlie Lynch, Mrs. Hevern's brother. The wedding will be August 16.

Mrs. Irma Jeffry has returned home from Miami, Fla., where she spent two weeks with her sister.

C. A. Duffy visited his daughter Mrs. Tom O'Brien and family in Midland. They recently moved from Lubbock to Midland.

Visiting during the weekend in the home of Mr. and Mrs. Doyle Chapin were Norman Stamps of Panhandle and Michael Cummings of Tulsa.

Mrs. Beulah Wiseman is in Houston this week visiting relatives.

Graham's "Jerusalem" Film To Be Shown At Baptist Church

Evangelist Billy Graham fulfills an ambition of many years as he tells the fascinating story of ancient "Jerusalem" in World Wide Pictures' Newest Film Release.

"Jerusalem" will be shown in Littlefield, Texas, July 22, 1962, at 8:00 p.m. The auditorium secured for the film presentation is First Baptist Church.

The City of Jerusalem, for four thousand years the focal point of human history and Divine intervention, has been totally destroyed on at least two occasions; has been captured by conquering armies more than thirty times; but has re-built from the rubble of its own ruins to outlive all conquerors, clinging tenaciously to its rocky foundations as if determined to await a future day of glory.

The feature length motion picture, "Jerusalem" was filmed in beautiful 35 mm Eastman color by the same Company whose film document of the Graham Team's 1960 African itinerary, "Africa on the Bridge," won the American Film Festival's Golden Reel Award in the "Church at Work" Category. Director Dick Ross, Cameramen, Richard Lederhaus and Russell Busby, apply their techniques with even greater skill in the story of "Jerusalem" written by James Collier.

Dramatic vignettes provide effective transition sequences beginning with the Conquest of the Promised Land, continuing

to the present dilemma of the divided City; Moses and Joshua atop Mount Nebo overlook the

BILLY GRAHAM

Jordan Valley; Mary and Joseph wend their weary way along the Jericho Road toward Bethlehem; we see Mary Magdalene, both as a young girl in Galilee and as the sorrowing woman at the Garden Tomb; and the Centurion who stood at the foot of the Cross witnesses to his new-found faith. All this symbolizes the dynamic of the Early Church, as Jew and Gentile alike are transformed by the power of the Resurrection.

AT FIELDTON

Mrs. Glenn Blackmon and Jane visited Friday with Mrs. Blackmon's sister, Mrs. Clyde Fowler, Shallwater. Mrs. Fowler had recently come home from a Lubbock hospital where she had undergone surgery.

Sherman Rushing underwent surgery at Methodist Hospital, Lubbock Tuesday.

AT SUDAN

Mr. and Mrs. Guy Walden were in Quanah last week where

Rare photographic courage includes sequences from Solomon's Quarries underneath the city; Hezekiah's Tunnel, where the water from the Virgin's Spring still flows clear and cold to the Pool of Siloam with the City walls; newly excavated areas on the site of Solomon's and Herod's Temples; and what is probably the first production footage of new British diggings below the South East corner of the City wall, site of the Jebusite village stronghold which David conquered to establish the City.

It is difficult to speak of the City of Jerusalem, without an awareness of its inevitable role in the Future. The Holy City's place in Prophecy and the promise of Christ's return are favorite themes of the Evangelist, Billy Graham. Little wonder that the picture climaxes with a challenge that blends sober warning with the joy and inspiration of personal commitment to Him Who said, "And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also."

he was attending to business.

Mrs. W. H. Lyle visited during the weekend with her sister, Mrs. C. E. Dean in Lubbock. Also a guest in the Dean home was Mrs. Edna Kerley who was to return to her home in Houston this week.

Mr. and Mrs. A. K. Boyd of Seymour visited in the W. V. Terry home the first of the week. Former Sudan residents, while here, the Boyds visited with other friends.

Pioneer Gives Its Side of the Story In Gas Rate Controversy

Ed. Note: The following letter to Mr. David Burgess who is president of the Plains Irrigation Gas Users Association was written by C. I. Wall, Pioneer Irrigation Gas representative in a letter to Mr. Burgess, who was proposing a reduction in gas rates that would allow the company a 7.2 per cent return on "fair value."

Mr. Burgess, Pioneer Irrigation Gas Users Association, P. O. Box 473, Littlefield, Texas. I am sorry to hear of the car collision which occurred near Mr. Burgess' home. My letter dated June 8, 1962, received by you on June 13, wherein you propose that rates charged for irrigation gas service by Pioneer be reduced to the high consumption levels and incorporated in a year contract. You state in your letter that proposed rates would provide a return of 7.2 per cent on "fair value." We do not agree. Rate consultants have made a study of the rates proposed in your letter. They found that rates proposed by you fall short of providing this rate of return on the fair value of utilities realistically, and properly allocated to irrigation service. Previously, Mr. S. C. McIntosh, who recently retired Director of the Railroad Commission of Texas, had advised that the allocation of facilities and expense to irrigation service should be considerably more than the amount used by you in arriving at the rate of return quoted in your letter.

It is evident that the real benefit of your proposed rates would be only to large users. The last two brackets of the proposed rates are below the rate to us of a large volume gas we purchase for irrigation service and the sale of gas would result in a net loss that would, of necessity, be borne by smaller irrigation users. You also state in your letter that the Railroad Commission has never allowed more than a 6.5 per cent return on "fair value." As you know, this rate of return has been applied to domestic and commercial service. The Railroad Commission has never determined a rate of return applicable to irrigation service but most certainly would be commensurate with the risks involved and one that would provide sufficient return to at-

tract adequate capital for expansion and improvement of service. To quote Mr. McIntosh, "A business supplying in each year an indeterminate and greatly fluctuating demand and supplying such demand for a number of years which cannot be determined due to the probable partial or complete exhaustion of a natural resource and possible future economic changes in competitive positions is subject to greater risks than normal utility service and in my opinion is entitled to a higher Rate of Return."

Through the years Pioneer has worked closely with the farmers in our service area in a sincere effort to furnish them a more economical fuel than was otherwise available. All requests for the extension of our facilities have been thoroughly investigated and honored, if at all reasonable. The job of supplying and delivering gas for irrigation service, which often has a very radical change in demand from one day to the next, requires extreme flexibility of facilities and operations — very much different from the handling of domestic and commercial service. The risks involved in the wide fluctuation in requirements from year to year are borne by Pioneer since there is not the compensatory annual minimum which is often charged by others.

AT SPADE
H. C. Hammett was hospitalized after a car collision one mile south of Spade last Friday evening. His condition is good.

Visiting in the home of Mr. and Mrs. R. M. White the past week was his brother and family from Carter, Okla.

Sunday dinner guests in the home of Mr. and Mrs. Loy Mouser were Mr. and Mrs. Charles Mathman and Mike of Oklahoma City, and Marcia Sullins of Littlefield, Mr. and Mrs. Mathman left Monday for their home and Vanetta Mouser returned for a two weeks visit with them, Miss Mouser and Mrs. Mathman are cousins.

Mr. and Mrs. Luther Wood visited her mother, Mrs. Niece Sunday night in Abernathy.

America's Largest Independent Telephone System

To supply your needs
When construction requiring wire, cable and other materials is under way, when you want a new telephone or an extension, this new equipment should be available without delay.

That is why General Telephone maintains many supply centers such as the one pictured. In these supply centers experienced people must anticipate months in advance what equipment and materials will be required for both expansion and repairs. It is another way the folks at General Telephone work hard at the job of providing you with the good telephone service you want, when you want it.

GENERAL TELEPHONE COMPANY OF THE SOUTHWEST

It could easily be in your driveway!

What motorist wouldn't happily trade circumstances with this delighted gentleman? For this is his first Cadillac—and its arrival in his driveway has occasioned almost as much excitement in the neighborhood as it has in his own home. But if you appreciate his good fortune—then envy him also his wisdom. For he has, without any question, made the move to the "car of cars" at the ideal moment. He discovered, for instance, that the Cadillac Coupe is now actually priced below eleven models of other less desirable motor cars. Furthermore, he found that most of the features he wanted—power steering, power braking and Hydra-Matic drive—were included in the initial price of a Cadillac. And he has already had a hint of other Cadillac economies. The gasoline gauge has barely budged off the "full" mark and the car moves so quietly that he knows he can drive it with pride for years to come. Yet, he'll be in for a happy surprise when the time does come to sell it. For a Cadillac can be expected to retain a greater portion of its value than any other motor car. So if you have a Cadillac in your heart—then let us show you how quickly and easily we could put one in your driveway. Come see us at any time.

J. P. Parker, Jimmy and Jerry attended a family reunion in Mackenzie Park at Lubbock Sunday.

Zollie Clark is in Paradise, Tex. this week where he went to be at the bedside of his mother, who is ill.

Mr. and Mrs. Max Aske and children, Dallas, visited the weekend with his grandparents, Mr. and Mrs. G. C. Reed.

Visiting in the T. C. Talkington home the weekend was his brother, N. W. Talkington, Midland, and their son, Max, Odessa.

Mrs. Eva Dee Wright spent last week in the home of her daughter, and family, the Charles Hawks in Arlington.

Mr. and Mrs. R. P. Jones, and Mr. and Mrs. Raymond Jones and Beverly, and Gwen Weaver vacationed in Arizona and New Mexico last week.

They visited Mr. and Mrs. Jimmy Jones, Albuquerque, N. M. and Mr. and Mrs. Edd Swanson and Wayne Jones at Wilcox, Ariz. They also spent some time at Truth or Consequences, N. M.

Mr. and Mrs. Kenneth Whitten, Andrews, visited last week with her parents, Mr. and Mrs. S. J. Roper.

Rev. and Mrs. Darrell Whitten and children, Tenaha, have returned home after several days visit with her parents, Mr. and Mrs. J. P. Parker.

Mr. and Mrs. W. G. McGrew, Mr. and Mrs. Marion McGrew, Mrs. L. A. McGrew, Mr. and Mrs. M. B. Cundiff, Mr. and Mrs. L. F. Flanary, and Mrs. Cleo Burk and son attended funeral services for their grandmother, Mrs. H. R. Barnett at Blue Ridge, Tex. Friday.

J. C. and Mike Fowler are vacationing in Hillsboro, Waco, and Corpus Christi this week.

June Stephenson spent the weekend as the guest of Rosie Lee Brock, Lubbock.

Mr. and Mrs. C. C. Givens of Wichita Falls visited in the A. A. Givens and the Tom Webb home last week. Also visiting in the Webb home was Glenn Chambliss, Amarillo, and W. D. Webb, Littlefield. They all visited the A. J. Webbs at Smyer Sunday.

Mr. and Mrs. Joe McGowen had as their guest last week their son Fred McGowen, Dallas.

SPADE NEWS by Mrs. Hodges

WMU Completes Leadership Course

The local WMU of the Baptist Church met Monday at 2:30 at the church for the completion of the leadership course. Mrs. Donald Caldwell taught the last chapter of WMU manual entitled, "Enlistment for Missions." Mrs. Arthur Turner read the calendar of prayer and led prayer for missions. The group was led in short quiz following the teaching of the last chapter. Mrs. Mathews led the closing prayer.

Brestrup and family. They brought Steve and Randy home. The boys had visited with them for two weeks.

Mrs. May Chaney visited last week with a daughter and family, Mr. and Mrs. Earl Stamps and Laquita, Dickens City, with another daughter, Leota, husband and son, Anson, and with a son and family, Mr. and Mrs. Jack Chaney and daughter, Ft. Worth.

Mr. and Mrs. Elton Blackmon, County Line, visited Sunday afternoon with his brother, and family, Mr. and Mrs. Glenn

Present were Mrs. J. R. Inklebarger, Mrs. Arwin Turner, Mrs. Arthur Turner, Ronnie Sharpe, Mrs. Robert McCurry and Jimmy, Mrs. Roberson, Mrs. Mathews, Mrs. Ted Hutchins, Mrs. Jess Emmons, and Mrs. Donald Caldwell.

Mr. and Mrs. Joe Greer received word last week that their oldest son had been hospitalized with a heart attack.

Mr. and Mrs. Paschel Caldwell and Janey.

Mr. and Mrs. Loyd Joyner, and daughters, visited here last week with relatives, after a visit in Austin, with her brother, Johnny Muller and family. They spent Thursday night with Mr. and Mrs. J. C. Muller, Saturday night at Hereford, with Mr. and Mrs. Fred Muller, and son. They left from there to return to their home in California.

Mr. and Mrs. J. C. Muller visited Sunday afternoon with Mr. and Mrs. J. Muller, Mark and Patti, Spade.

Premature Blooms In Sorghum

LUBBOCK--There are scattered fields of grain sorghums throughout the area that are in full bloom; some have already set seed and are turning orange. The larger percentage of such premature heading has occurred south of a line from Petersburg to Hale Center to Littlefield. This southern High Plains area has received less moisture and more searing hot winds than the northern half of the High Plains.

A quick look at one of these fields and most old-timers would refer to them as "post toasties"; that is, grain sorghum plants which have suffered for lack of moisture, but some of these fields have not suffered for water.

Jack King, grain sorghum specialist at the Lubbock Experiment Station, said.

"We do not really know for sure what the trouble is, but we have made some good educated guesses. It appears to be environmental, a temperature factor, rather than any genetical factor. The trouble appears more prevalent in all early planted feed, be they hybrids or varieties."

"One factor is noticeable, however," King said. That is the short stem and pre-mature heading seems to be more prevalent in mid-season and early maturing varieties or hybrids that were planted in April. Long season or later maturing hybrids and varieties have shorter stalks than normal, but they do have enough leaf area to produce a heavier crop of grain, and in most cases have not flowered yet."

King continued, "With my tongue in my cheek, maybe we have stressed too much the daylength

requirement of grain sorghums. Maybe the temperature factor during the early growing season which is just as important, or maybe it is important."

He said that a warm April, a cold first of May and then searing 100 degree temperatures in May probably were the influencing factors. Hot, too quick and too sudden produced a sized plant too early.

Ellis Taylor at Paymaster Farm summed this way:

"That little grain sorghum plant had through a good warm beginning in April, received a shocking cold spell in May, and a hot time in June. It just decided that its life was complete and it needed to reproduce species, so it produced a seedstalk premature."

H. J. Kidd of the Pioneer Seed Company that they did not have enough seed out this year to really sample such a condition, but he is sure from observations, that the short-stalked feed was due to environmental conditions and to any hereditary trait of the grain.

King pointed out some mid-season sorghum hybrids (RS 610 category) that are no more than a foot tall, which were planted in April. He said that ordinarily it required 65 days for these plants to bloom, but this year they bloomed in 57 days.

He also noted that the corn, the sorghum and even cotton are shorter in this year than normal. He believes that the high temperature and searing winds caused the short growth of all these early crops.

Many of the farmers in the southern plains are shredding the small plants in hopes a sucker crop will come on and produce a higher yields per acre. King says this is their only choice at this time of year. At Station in Lubbock they are expecting to have this first crop early and then shred for a second crop of feed later in the fall -- a pattern followed in the Valley.

One other observation was made in sorghum fields at the Experiment Station, was burned or discolored margins of terminal leaves. On a closer look it was obvious aphids (lice) were really working on the plants. King pointed out that many of the adult aphids were winged and black in color. He said that many farmers had mistaken this adult aphid for the sorghum midge. However, in case of sorghum midge reported to the entomologists and county agents, so far, has been checked out as adult aphids. The sorghum midge has black wings and is small, but on closer look, its body is red. If you find an insect in your grain sorghum, please report to your County Agricultural Agent.

Farm Facts

U.S. hens average 206 eggs per year.

well went to Lubbock Sunday for dinner and visited their pastor, Rev. Aaron Mitchell who is confined to the West Texas Hospital.

Mr. and Mrs. Neal Mouser and children, Linda, Clifford and Wesley, Irving, are visiting in the home of his parents, Mr. and Mrs. B. D. Mouser.

Rev. Hugh Hunt, Lubbock, had charge of the morning service at the Methodist Church last Sunday.

Mrs. Reddell was hospitalized for a few days this past week, but returned to her daughter's home, Monday. Her daughter is Mrs. A. L. Reed.

Sylvia Bailey is home for the summer. She has been attending McMurry College.

N. L. BALL FINDS RETIREMENT PLEASURE

Don't Sit Down And Let Old Rocking Chair Get You, Lubbock Man Advises

By EMIL CARMICHAEL -
 Avalanche-Journal Staff Writer

"Look about for something ac-
 tive, something that will put you
 on your feet, then keep walking,"
 a Lubbock golfer-gardener advises
 those who cast an uneasy eye to-
 ward those seemingly endless
 hours of leisure time following
 retirement.

Above all, don't sit down and
 let that old rocking chair get you,
 cautions N. L. Ball, 3713 38th St.,
 who has continued to build up foot
 mileage daily since he stopped
 punching the time clock in the
 composing room of the Avalanche-
 Journal five years ago.

A formidable opponent on the
 links, Ball placed second in the
 A-J annual match play tourney
 in 1957, shortly before an opera-
 tion to repair an old arm injury
 brought about his retirement as a
 Linotype operator.

He concedes the operation may
 have upped his golf score, but ap-
 parently, it also heightened his
 determination. Besides, practice
 on the putting green is "made to
 order" to restore muscle tone to
 his arm, he points out.

Ball took up golf many years
 ago on advice of his physician who
 recommended horseback riding or
 long walks as suitable exercise for
 a sedentary worker.

The golf course provided a per-
 fect answer. "Walking on cement
 bored me and I didn't want to sup-
 port a horse," quipped Ball who
 has been hitting them down the
 fairways with more than consid-
 erable success for 32 of his 73
 years.

Retirement is a beginning—not
 an end—to an active life, em-
 phasized the spry man whose
 many interests belie his years.

The extra hours are an appreci-
 ated bonus.

"My wife and I now have time
 to visit with each other and with
 our friends, to devote to our
 church or to talk over the latest
 news, the type of companionship
 that we were too busy for when
 I was working full time and we

were rearing our family," he said.

The couple's son and 150 daugh-
 ters, their nine grandchildren and
 two great-grandchildren provide
 an ever-changing packet of daily
 news.

Active in First Baptist Church
 Mrs. Ball teaches a Sunday Schoo-
 class and Ball is a leader of the
 Service Bible Class. Holder of
 almost every class office at one
 time or another, he is a past pre-
 sident and is now serving as
 recording secretary.

He also likes to garden. Reared
 on a truck farm in Arkansas, he
 has a green thumb for raising
 squash, beans, peas and tomatoes.
 "We have had vegetables from
 our pocket-size garden already
 this year," he said.

An enthusiastic radio fan, Ball
 likes to be able to click on a set
 in any room in the house where
 he happens to be at the moment
 to "keep up with the news."
