NUMBER 23

Chamber Names New Directors

Four new directors of the Littlefield Chamber of Commerce were announced Tuesday at a regular board of directors meeting.

Working office Feb. 1 will be Clayton, Arthur Duggan, Jones and Joe Montgomery. Duggan is the only returnee from the foursome. The others are Charles Russell, Mitchell and Jim Joyner.

Other activity at the board meeting, directors discussed Christmas plans, the 1968 C-C banquet, peddler's ordinance, weed control.

scheduled for the latter part of January, but a speaker and the program are still to be worked out by Warren Dayton and Bill Turner.

Discussing the influx of peddlers in and around Littlefield during the past few weeks, the Chamber board pointed out that the city has an ordinance requiring transient salesmen to get a permit before peddling their wares.

Board members said that residents or businessmen called on by unknown salesmen should call the Retail Merchants Association to determine the background of the operation, or to learn whether a permit has been granted.

In taking up weed control in the city, the Chamber board passed a resolution asking the city council to approve "an appropriate and reasonable weed control ordinance here."

This was in support of the city's announced intentions to clean-up vacant lots here, particularly those of absentee ownership, and assess charges for the work.

Out-Of-Towners Take Spotlight In Contest

The out-of-towners pretty much had their way in last week's Leader-News football contest, taking first, third and fourth. Of the four who tied with two votes each, John M. Fields of Floydada won first prize of \$10, Lamar Pollard of Sudan was third, taking home \$5 and Jim Arney of Heford took out of the money because of tie breaker picks.

Second place was won by H. Mitchell, 122 East 21st in Littlefield. That earned him \$6 and money.

Joe Bellar of Sudan held his lead in the over-all standings. This is the first time an entrant has held first place for the grand prize of \$25 in the Cotton Bowl classification on New Year's Day since the contest began five weeks ago.

Bellar still has a game lead over Charles Didway, another out-towner from Post. The leader has 67 correct guesses for the season, Didway 66.

Following with 65 are James Arney (three-times weekly leader but never a leader), Jerry Trees and Don Henry of Post. With 64 are Paul Overstreet, Jerry Williams and Lamar Pollard.

Johnie Blair stands alone with 62 but at 62 are Mary Jane Hallett and A. A. Smith. Mozambique Hutson, Steve Owens and Jerry Rodgers each have 61, followed by Lee Roy Nuttall, Roy Kloiber and Arthur Duggan at 60, and H.A. Mitchell, James Adair and Floyce Pierce at 59.

Besides Bellar leading the overall standings the fourth and fifth weeks, Trees was the third

CG Annual Meeting Set

Donald Johnson, executive president of Plains Cotton Growers, Inc., has announced the PGG's 11th annual meeting will be held Oct. 20 in Lubbock at the Palace, 5201 Avenue Q, beginning at 10 a. m. Congressman Robert Price of the area's only member of the house Committee on Agriculture, will be principal speaker. His address will be given at about 11 a. m. In addition the meeting will feature the President's report, by D. Smith of Littlefield, Johnson's annual report to membership.

The meeting will be open to cotton producers, ginners and others interested in the welfare of cotton on the Plains. A buffet lunch will be served at noon.

The all-cotton style show featuring about 30 cotton ensembles introduced by a modern go-go dance is scheduled for 7:30 p. m. Congressman Price's speech, the style show, with Leland White of NewHome general chairman, is being staged by six women's cotton groups from Lynn, Crosby, Hale, Turn and Lubbock counties.

The dance introducing the show will be done by Miss Lubbock of 1967, Jan Glenn.

"If the people of Littlefield could have seen it, they would always be glad about everything they have done" -- such was the comment of Mrs. Thomas Harris when she returned home from a trip made by the Harris family and friends to take supplies from Littlefield people to hurricane victims of Camargo, Mexico.

The Harris truck, which left here Sunday night Oct. 1, was loaded with food, clothing, household goods and other supplies perhaps valued at more than \$10,000, given by Littlefield and area people to aid Camargo residents at Rio Grande City who fled their homes in the path of Hurricane Beulah and the flooding which followed.

When the Camargo people saw the Harris arriving, they began running to meet them, calling out, "Americanos, amigos," and Mrs. Harris said

THIS SANTA FE RAILWAY FLATBED, originally loaded with potash, jumped the track here late Sunday due to a faulty journal and plowed into terrain like a bulldozer, skidding through soil and roadside growth almost onto

nearby U. S. Highway 84. The mishap, which derailed 11 boxcars, occurred about one and one-half miles west of Littlefield near Littlefield Cemetery.

BOXCARS SCATTERED

Derailed Train Rips Out Track

Sunday at 6:25 p. m. a Santa Fe freight train traveling west from Clovis, N. M., to Floydada suddenly found itself almost bisected as it approached the Littlefield terminal. The train's wake lay 30 yards of twisted, uprooted track.

Blamed for the mishap was a faulty journal on a car loaded with potash which caused the car to jump the track starting a chain reaction piling up 11 of the train's units, according to Joe Haynes, local AT&SF agent.

The train's conductor, Floyd Fisher of Slaton, said most of the cars were empty, but two were loaded with sugar. Local officials later said the cars carrying the sugar were placed back on the track and pulled to Muleshoe before daylight Monday morning.

Work still is underway toward permanent repair of damage to the track which involved about 300 yards rather than the

quarter-mile of track reported earlier by some news media.

Crews worked throughout Sunday night clearing away cars and building a "shoo-fly" or auxiliary track to the north of the original track. R. Y. Witherpoon, section foreman, was called here from Lubbock to supervise.

Rail traffic resumed at 5 a. m. Monday on the "shoo-fly" around nine remaining derailed or overturned cars. Traffic has been proceeding at 10 m.p.h. on the auxiliary track until permanent replacement is completed. Agent Haynes said late Tuesday some of the derailed train's cars "are still out there."

Conductor Fisher said the freight was about 15 minutes behind the evening passenger train and was traveling slowly at the time of the derailment.

"We looked back and saw a lot of dirt," he explained, "and immediately threw the train into emergency. When a train goes into emergency, the main thing in your mind is to get anchored down to avoid injury from loss of balance at the sudden stop. Luckily, we were going slow and it wasn't too bad."

Fisher said when the dirt cleared away, "We could see the cars falling right and left."

Haynes said the derailment resulted in no disruption of passenger service as the evening train had passed and temporary tracks were laid by time for the next passenger train.

Engineer of the train was L. H. Beard of Slaton. No injuries occurred from the accident.

'Hospital' Ruling Appeal Perfected

Board Discusses Truancy, Drop-Outs

Statement Of Facts Requested

Members of Littlefield School Board turned their attention to school enrollment, race distribution, drop-outs, truancy and teacher-pupil ratio during a detailed discussion at the Board's regular meeting Monday night.

Enrollment as of Oct. 2 stood at 2,023, a gain of 18 over the Sept. 11 figure of 2,010. Board members noted enrollment listed for Sept. 12, 1966 was 2,131, or 103 more than this year's current tally.

An analysis had been prepared by Supt. Paul I. Jones beginning with the school year 1955-56 and ending with 1966-67, showing total enrollments and race distribution. The analysis stated 17 per cent of total enrollment, approximately, are Spanish-Americans and about 13 per cent Negroes.

Further analysis showed that of 80 Spanish-Americans entering first grade in 1955-56, only six were listed as seniors in 1966-67. Even more notable was that 47 Negroes began first grade in 1955-56 and only one was enrolled in the 12th grade in 1966-67.

Of 150 Anglo children registered in first grade in 1955-56, 91 were seniors in 1966-67.

Board members reported having seen a report about school-age youngsters seen on the streets and in stores during school hours. Supt. Jones said a "truancy man" was working during mornings, but afternoon checks might be necessary.

Regarding habitual truants and delinquents, discussion attempted to determine how far the school's responsibility goes and where the state's begins.

Jack Barton, Board president, pointed out, "We are in the education business. We shouldn't become so busy policing unlawful 15 and 16-year-

olds that we can't take care of our education responsibilities. If a student has been involved in truancy or delinquency since the first or second grade, it seems to me he should be the state's problem. The state has places for such boys where they have to attend classes."

Barton continued, "Of course, society has a responsibility. I See BOARD, Page 14

Contestants of the Earth-Springlake Hospital District, which was created by election May 27, will appeal the decision of 154th District Court made here Sept. 7 which upheld the election as legal and ruled "the election will stand."

Robert Akin Et Al, contestants, in a suit filed against O. J. Mangum Et Al, contestees, alleged "grave irregularities" in election procedure and asked that the court declare the election void.

District Judge Pat Boone Jr., after presiding over a lengthy hearing Saturday Sept. 3 which was resumed Sept. 7, concluded evidence was inadequate to prove illegal procedure and overruled allegations that the election violated a provision of the Texas Constitution.

A Notice of Appeal -- which states desire to appeal -- was filed Monday Sept. 18 in the district clerk's office here by Reed Quilliam Jr., attorney for contestants.

Such a notice is required by law within 10 days after trial, and appeal bond or deposit must be made within 30 days to perfect the appeal, as explained by District Clerk Ray Lynn Britt.

A cash deposit for appeal and List For Transcript was filed here Oct. 5 by Quilliam, thereby concretizing the original Notice of Appeal.

Court Reporter Bob Rogers then was notified to prepare a Statement of Facts, which Rogers said will fill possibly 600 pages.

Friday, Oct. 6, Judge Boone filed in the district clerk's office a 11-page Findings of Fact and Conclusions of Law, a summary of facts as found in the trial which lists individual findings and explains "why."

Quilliam's List for Transcript includes all data and information he desires included in the trial transcript.

Such an appeal is made to the 7th Court of Appeals at Amarillo, a three-man court which can uphold, overrule or modify the decision of district court.

Losser in the appeal case can re-appeal to the same court. From the Amarillo court, final appeal can be made to the Supreme Court of Texas.

Lucky Littlefield For Friday 13th

They're throwing out the old superstitions out the window this weekend in Littlefield . . . and big things are in the making. Friday the 13th will be Lucky Littlefield day, and the shoppers who participate will find amazing bargains labeled with heretofore unlucky prices containing 13s.

Some of the merchants are carrying over the promotion into Saturday.

A money-saving reader will find in the advertisements of this edition such bargains as: 13¢ house shoes, 13¢ ear screws, 13¢ ice cream sodas, \$1.13 ladies shirts, \$3.13 children's shoes, \$2.13 sport shirts.

And there are hundreds of others, including 13 reasons to shop individual stores or \$13.13 off regular prices of items, and such.

The black cat purrs on such events . . . and so will Lucky Littlefield shoppers' pocketbooks this Friday the 13th.

'Crank And Push' Slates Meeting

The "Crank and Push" Antique Car Club, with headquarters in Lubbock, will meet at the REA grounds Sunday at 2:30 p. m. for an antique car show and tour of Littlefield, if weather permits. Mr. and Mrs. Bob Wilson of Littlefield will be hosts to the event.

Seventy families from Leveland, Littlefield, Crosbyton, Plainview and Muleshoe are members of the "Crank and Push" Club, which is also a member of the Antique Automobile Club of America of the South Plains Region.

Members and guests will meet in the Willie Room for monthly meeting slated every third Sunday.

Scout Council Plans Campaign

South Plains Council, Boy Scouts of America, will kickoff its annual 37-town finance campaign Oct. 17.

Jack F. Strong, president of Strong Transfer and Storage Co., is general chairman of the drive known as Sustaining Membership Enrollment. Hundreds of volunteer workers will contact friends of Scouting in all communities not served by United Funds of Community Chests.

George White District and area campaign chairman who will organize the drive with majors, captains and enrollers are Chairman Huston Hoover of Littlefield; Roger Lowe and L.M. Ratliff Jr., Littlefield; Mac Dickerson, Whiteface; Pete O'Hair, Earth; Harold May, Sudan; Joe Miller, Amherst; and chairmen yet to be named for Morton and Spade.

For Haynes District are: Chairman James Rogers, Plainview; Herman Mosely, Quitaque; Kenneth Tate, Silverton; Bob Reed, Hart; Tommy Montandon, Lockney; Paul Hawkins, Turkey; Glenn Jolly, Kress; Joe King, Tulla; and chairmen yet to be named in Dammitt, Nazareth and Olton.

1968 budget of the 20-county Scout Council is \$150,911. Of this amount 15 United Funds will provide \$107,623, while the balance "Fair Share" of \$43,288 is expected in the current campaign.

Simultaneous kickoff breakfast meetings for workers are scheduled in each community at 7 p. m. Oct. 17. A special television program 7:30 to 7:45 a. m. on Channel 11 (KCBT-TV) will be beamed.

NEW OFFICERS elected Tuesday night by Lamb County Farm Bureau Board of Directors are, left to right, Elroy Wisian, vice-president; Donald Clayton, president, and George Stewart, secretary-treasurer. Wisian replaces Stewart as vice-president, Stewart replaces Ted

Hutchins and Clayton was re-elected. The officers were named during a board meeting held after the organization's annual dinner meeting hosted at Littlefield High School cafeteria.

'Thank You' From Camargo

(EDITOR'S NOTE: The following is an open letter to the people of Littlefield from the people of Camargo, Mexico, expressing gratitude for aid sent to them after they were victimized by Hurricane Beulah and the floods which followed. The letter was brought home by Mr. and Mrs. Thomas Harris who took supplies to Camargo residents from Littlefield by truck.)

Cd Camargo, Tamps To Whom It May Concern My Dearest Friends: We are very grateful for the donations that you kindly gave us when we were in need and we don't find words to tell you how grateful we are.

We hope to God to give you more than what you all gave us and to know that there is people with wonderful hearts that know how to help in the difficult moments. So we are very grateful to all of you -

they are worrying about how they can show their gratitude and "pay them back."

She said the trip was hard and exhausting, filled with heart-breaking and depressing sights, but "We'd do it all over again if we needed to."

And the Harris do plan to return with another load of supplies in the near future.

In the portion of Camargo where the storm gave vent to its wrath, adobe homes dissolved and slipped back into the mud from which they were built, taking with them all the possessions of many families. Mrs. Harris said the people would need many more supplies before they recovered from the loss.

Mrs. Harris said her telephone began ringing almost by the time they returned home last weekend, people calling to say they have more items to give for the people of Camargo and wanting to know if the Harris plan another trip.

The Harris, who are farmers, will return as soon as they harvest their crops.

In order to deliver the supplies to the flood victims, they stopped their tractors and combines and let harvest wait. But one thing wouldn't wait -- weather -- and hail damaged a portion of their crops Friday night near Pep. They feel it is necessary, Mrs. Harris said, to complete their harvest before returning to the border.

Regarding the plight of the

REPRESENTATIVES OF 98 CLUBS INVITED

Caprock Session Set Saturday

Training Center District's 'Project'

(EDITOR'S NOTE: In accord with the 8th Annual Board Meeting and Workshop set here Saturday for 98 clubs of Caprock District, Texas Federation of Women's Clubs, a description of the district's current project is given below.)

With the election of Mrs. Louis Cummings of Plainview as president of Caprock District, Texas Federation of Women's Clubs, the district's project selected for the 1966-68 term and approved by the district board, was support of The High Plains Children's Training Center located at Plainview.

Also, as explained in a bulletin from Mrs. Cummings, "It is of secondary importance that the High Plains Children's Training Center is also the Caprock District clubs' joint entry in the Community Improvement Program contest."

A description of the Center's origin and function is as follows: **FACT SHEET ON HIGH PLAINS CHILDREN'S TRAINING CENTER:**

CHARTER: The High Plains Children's Training Center and Sheltered Workshop, Inc., is a chartered institution, organized for the following purposes:

- (1) To create, maintain, and operate a training center for retarded children;
- (2) To create, maintain, and operate a sheltered workshop for retarded adults, older retarded children (no longer attending public school) and for those older adult citizens who have suffered a catastrophic illness (such as a stroke) and could benefit from the rehabilitative effects of working in a sheltered workshop;
- (3) To create, maintain, and operate a center for the study of children's problems, and to help, aid, and assist in the reduction of delinquency, and to help, aid, and assist in the proper development of the youth of the vicinity; and
- (4) To create, maintain, and operate a center to assist in the maximum development of juvenile talents, capacities, and social development and responsibility.

SPONSORS: High Plains Assn. for Retarded Children and the Junior Service League of Plainview are the original sponsors. They have been joined by many groups and individuals.

Control and direction of the Children's Training Center and Sheltered Workshop are in the hands of a Board of Directors: one-third elected from the members of the Association for Retarded Children; one-third elected from the members of the Junior Service League; and one-third from interested citizens nominated by both organizations. (The president of the Caprock District is a member of the Board.)

An executive committee conducts the business of the Center, meeting monthly and subject to call when necessary.

DIRECTORS: The administrative and educational work of the Center is under the direction of an administrative-educational director, and a medical director, named by the Board, and more closely, under the Executive Committee of the Board of Directors.

MEDICAL SERVICES: Neurological examinations and consultations are conducted by the medical director, Mary D. Buhlis, M. D., F. A. P. A., on a regular basis. EEG's are administered under her direction, and other mental and physical tests are given as necessary. Eight doctors, all specialists in their fields, are on the medical staff of the Center, and give their professional help as needed.

TESTING: Psychological tests and speech and hearing tests are given by trained members of the Graduate school of Psychology at Texas Tech, and by students in the Psychology Department, Wayland College, and at the Speech and Hearing Clinic, Texas Tech.

TEACHERS AND VOLUNTEERS: The head teacher, assisting teachers, and the volunteer workers work under the direction of the educational director. The work of the Center is dependent on the volunteer workers. Since September 6, 1966, fifty volunteers have given 2936 hours of service.

SALARIES: Since the Center is operating on month-to-month donations, most of the work is done on a volunteer basis. The educational director receives a token salary. The head teacher has a minimal baby sitting bill paid each month, and the assistant teachers receive some compensation for their gasoline. The housekeeper and caretaker also receive token salaries.

DEFINITE PURPOSE: The High Plains Children's Training Center desires to help handicapped children, and particularly, mentally retarded or brain damaged children, to function at their highest potential.

The Center itself is to operate as a school primarily, and not as a medical clinic.

From time to time, various tests, both mental and physical, will be required for proper understanding and evaluation of the child, and these may be given at the Center in facilities provided by cooperating professionals.

Considering the great need for improving and training handicapped children, the Center will cooperate in research programs which are compatible with the interests of the children, and to which the parents concerned agree.

COOPERATING ORGANIZATIONS: Close cooperation is maintained with the Plainview Public Schools, the State Welfare Agencies, the Texas Education Agency, the City-County Welfare Unit, County Welfare organizations, and such other organizations and individuals as are interested in the welfare of children and adolescents through the area the Center serves.

CENTER SERVICES: The Center is now handling over 100 individuals.

- (1) Morning Day School with 34 enrolled for nursery and kindergarten classes.
- (2) English Readiness Kindergarten for 30 non-English speaking children who use the facilities of the building only, and are not included in the case load.
- (3) Group therapy sessions for parents on Friday afternoons (12 participating).
- (4) Group and individual counseling sessions for parents and teenagers on Saturday mornings (19 participating).
- (5) Speech group, and individual activities on Saturday mornings.
- (6) Individual counseling for parents and individual children (31 participating).
- (7) Out-patient services for 32 persons.

***Sources of all material used on this fact sheet
Mrs. Eleanor Griffin M. A., administrative and educational director, High Plains Children's Training Center
Mrs. Helen Hogge, public relations chairman, Board of Directors, High Plains Children's Training Center.

AMONG OFFICERS of Littlefield Woman's Club who will participate in -- and help direct -- events of the Caprock District 8th Annual Fall Session Saturday will be Mrs. Fred Dodd, secretary, left; Mrs. H. C. Randall, reporter and pressbook chairman, center, and Mrs. Roy McQuatters, president.

FLAG CEREMONIES at Saturday's Caprock District session here, scheduled at First Baptist Church, will be conducted by members of Littlefield Girl Scout Troop 279, whose leader is Mrs. Buster Owens. Scouts shown, left to right, are Annette Henry, Leslie Le Boeuf, Vicki Grimes, Pam McNeese, Sandy Smith and Patricia Wedel. The girls are pictured wearing new uniforms of which they are "more than a little" proud.

Members of 98 clubs from 19 counties, comprising Caprock District, Texas Federation of Women's Clubs, are invited here Saturday to the District's 8th Annual Fall Board Meeting and Workshop to be hosted at First Baptist Church by The Woman's Club and The Forum of Littlefield.

Theme of the event is "Service Through Harmony: Youth, Education and Americanism."

Mrs. Louis Cummings, of Plainview, Caprock president, and other district officials will present the plan of work for the club year.

Eight workshops will be conducted by chairmen of the organization's eight departments.

A special session is slated for junior clubs at 1:30 to 2:30 p.m., with Mrs. Clyde Brownlow of Morton, junior director, presiding. The group will meet in the small auditorium of the church.

Events will begin at 9 a. m. with registration. Members of The Forum will serve as hostesses for hospitality hour. Executive meeting is set at 9:15 a. m. Formal opening begins at 10 a. m., with Mrs. Cummings presiding.

Order of program is call to order, invocation, pledge to U. S. flag, national anthem, greetings from Littlefield's Mayor J. E. Chisholm, welcome by Littlefield clubwomen, reporter; introduction of past district president, life members and other guests, Mrs. Lane Decker of Floydada, first vice-president; presentation of hostess clubs and special committees, Mrs. Cummings; reading of minutes, Mrs. Eugene W. Jones of Plainview, recording secretary and treasurer; recommendations from executive committee.

Luncheon will be served at noon, with Mrs. Decker presiding. Speaker will be Bob Wear of Crescent Park Church of Christ. Special music will be provided by Dwayne Hood, Littlefield High School choir director, and Mrs. J. H. Parkman of Littlefield.

Workshops will be from 1:30 to 2:30 p. m. Reassembly is scheduled at 2:30 p. m. for reports of department chairmen.

Registration fee for the day is \$1.50 and luncheon, \$2.75. Door prizes will be given, courtesy of Littlefield merchants.

MRS. LOUIS CUMMINGS

Leader Has Served Many Causes, Fields

Beginning the second year of her two-year term as president of Caprock District, Texas Federation of Women's Clubs, is Mrs. Louis Cummings, well-known Plainview clubwoman and civic leader.

Mrs. Cummings, who has been active in federated club work 20 years and held offices on local, district and state levels, was completing a two-year term as president of The Woman's Club of Plainview at the time of her election in 1966. The district she heads is comprised of 19 counties with approximately 100 federated clubs.

Mrs. Cummings has always been interested in organizational activities and while a student in high school at Paducah she was active in the organization of girls' clubs.

Her first introduction to Federation was through membership in the Plainview MM Study Club. She later saw a need for a club for younger working women and organized the Les Progress Study Club in 1958, serving as president for two years.

A member of the district board 17 years, Mrs. Cummings held her first district

office as junior director, served as district parliamentarian four consecutive years and for two years as first vice president.

Mrs. Cummings has been a member of the Texas Federation of Women's Clubs for 13 years.

She is a member of the board of directors of the High Plains Training Center and a member of the Texas Social Welfare Association. For a number of years Mrs. Cummings has been on the Rainbow for Girls and was a Hi-Y sponsor.

The promotion of programs for the betterment of social, community and education is always a challenge for the district president. She has served as third president of the Lubbock County Tuberculosis Association, is a member of Altruism Club, a women's vice club, served as Community Concerts Association board, is a member of Women for Wayland, Lubbock and Plainview Panhellenic and the Order Eastern Star. She has been listed in Texas Women's Distinction.

MEMBERS OF CAPROCK DISTRICT OFFICERS SLATED

MRS. LANE DECKER, 1st VICE-PRESIDENT, Floydada; MRS. JOE TAYLOR, 3rd VICE-PRESIDENT, Lockney; MRS. LEROY JOHNSON, 2nd VICE-PRESIDENT, Morton; MRS. T. L. DUNLAP, TRUSTEE, Littlefield; MRS. CLYDE BROWN, JUNIOR DIRECTOR, Morton.

LITTLEFIELD HOSPITALITY will be bestowed upon guests Saturday from 9 to 10 a. m., preceding formal opening of Caprock District's 8th Annual Board Meeting and Workshop scheduled here at First Baptist Church, by Members of The Forum, shown above. Pictured left to right are Mrs. Robert Richey, chairman of the hospitality group; Mrs. Olene Gibson, Mrs. Jim Watts, Mrs. Edward Betts and Mrs. Lenton Smith. Primary purpose of the event is the presentation of the year plan of work by Caprock District President Mrs. Louis Cummings of Plainview and other members of the district's leadership.

Engagement Announced

and Mrs. R. T. Langston will announce the engagement and approaching marriage of their daughter, Linda Joyce, to the son of Mr. and Mrs. A. D. Farwell of Littlefield, Texas. The wedding will be held at the First Baptist Church on December 15. Linda Joyce Langston is a 1965 graduate of Farwell High School.

LINDA JOYCE LANGSTON

Bitner is a 1961 graduate of Littlefield High School and is employed by Radio Station KZOL in Farwell.

Yellowhouse HD Club Has Meet

The Yellowhouse HD Club met Tuesday, Oct. 3 in the home of Mrs. Roy Hutson. The meeting was called to order by the acting president, Mrs. W. B. Jones. Recreation was led by Mrs. David Jones and roll call was answered with "a good deed for a shuntin".

Mrs. Fred Duffey gave the council report and Mrs. Phillips gave a demonstration on ideas in tailoring.

The hostesses served sandwiches, potato chips, jello salad, cake and Coke to Mes. David Jones, Don Tindal, Dale Stanley, Fred Duffey, W. A. Tindale, W. B. Jones, J. B. Haire, H. A. Vick, Roy Hutson and Phillips.

The next meeting has been scheduled for Tuesday, Oct. 17 in the home of Mrs. W. B. Jones. Officers will be elected.

MR. AND MRS. L. F. DOWDY

Dowdys Celebrate Wedding Anniversary

Mr. and Mrs. L. F. Dowdy, 1138 E. 14, will be honored on their Golden Wedding Anniversary, Sunday, Oct. 15.

Ludie Castelberry and Lawson Dowdy were married Oct. 13, 1917 in Mangum, Okla.

In 1929 they moved to Littlefield where they were engaged in farming southwest of town until 1940 when they moved to their present address.

Two daughters and a son, Mrs. Leveta Hall, Mrs. Bonnie Ward and Lewis Dowdy, live in Littlefield, and another son, Lloyd Dowdy, lives in Athens, Greece. Four of their grandsons reside in Littlefield, another in Athens and a grand-

daughter in Montgomery, Ala. All friends of the couple are invited to open house from 3 to 5 p.m. Sunday afternoon in the home of a daughter, Mrs. C.S. Hall, 135 N. Westside Ave.

GA Council Has Meeting

A GA council planning meeting and luncheon for GA counselors of First Baptist Church was held recently in the home of GA Director, Mrs. Freddie Harrell, 720 W. First.

Counselor for Junior I is Mrs. Otto Pugliese, counselors for Junior II are Mrs. Gene Spies and Mrs. Doyle Winfield and counselor for Intermediates is Mrs. Kenneth Hastey.

Mrs. T. W. Mackey, chairman of the GA committee of the WMU and Mrs. A. C. Bridwell, WMU president, were both guests at this first salad luncheon where they conducted business and planned work for the new church year.

WSCS Circles Meet For Study

Tuesday morning the Loyalty and Hope Circles of WSCS of First Methodist Church met for first of a series of study sessions on "The Response of the Church in Changing Japan".

Mrs. Huston Hoover is presenting the study with two more sessions in the series. Hostesses were Mrs. Doyle Topley and Mrs. Ted Sansom.

Robisons Feted On Anniversary

The children of Mr. and Mrs. Harold Robison of 601 Beech, Littlefield, honored them with a 40th Wedding Anniversary reception Sunday afternoon, Oct. 8.

There were more than 75 people who called and many others sent gifts who were unable to attend.

Mr. and Mrs. Robison were married at Olton 40 years ago and have lived in Lamb County most of their married years. Their children are Mrs. Harvey Jones of Hereford, Mrs. Eli Charbonneau of Portland, Ore. and Jimmie Robison of Hereford.

Assisting in the reception were Mr. and Mrs. Harvey Jones, Mr. and Mrs. Jimmie Robison, Mr. and Mrs. Ted Royal of Hereford, Mr. and Mrs. R.T. Bedwell of Lamesa, and Mr. and Mrs. Clifton Robison of Hereford. The daughter, Mrs. Charbonneau was not able to attend but assisted with the hostess gift, drapes for the dining room and den.

GS Leaders Meet Oct. 16

A neighborhood meeting of Girl Scout leaders was postponed from Monday Oct. 9 until next Monday, Oct. 16.

Mrs. Peggy Sugarek of Lubbock will be here for the meeting to be held at the Girl Scout Hut.

Miss McCormick LCC Student

Lanell McCormick, daughter of Mr. and Mrs. Paul McCormick, 201 East 15th, has enrolled for the fall semester at Lubbock Christian College.

A 1966 graduate of Littlefield High School, Miss McCormick was active in band and chorus.

Piano Students Present Recital

OLTON -- Piano students of Mrs. Tom Stansell were presented in recital in the Olton Church of the Nazarene Saturday evening, Oct. 7.

Participating were Sharon Davis, daughter of Rev. and Mrs. Gerald Davis, Wanelle Walker, daughter of Mr. and Mrs. Dwair Walker, Martha Reynolds, daughter of Mr. and Mrs. Gene Reynolds, all of Olton, Quency and Neshia Lewis, daughters of Mr. and Mrs. Wilson Lewis Jr., Kenny and Kirk O'Hair sons of Mr. and Mrs. Pete O'Hair, and Regina and Fred Meeks, daughter and son of Mr. and Mrs. W. J. Meeks, all of Earth.

Pep PTA Has Meeting

A community "Pot Luck" supper sponsored by the Pep PTA, and the FHA Chapter, was held in the Parish Hall on Monday evening Oct. 9.

Following the meal, the PTA held its regular meeting, at which, under the program chairman, Mrs. Eugene Gerik, the FHA chapter held its meeting and installed their freshmen members into the chapter.

President William Albus, presided during the meeting. FFA sponsor Jack Sharp, presented the candidates bronze emblems representing FFA. Installed were Eugene Walker, Kenneth Albus, Billy Demel, Michael Burt, and Charles Shannon.

The PTA president, Mrs. Frank Sinnacher, called the meeting to order. Supt. Keahey introduced Rev. Stanley, followed by the teachers self introduction, and all others present. Mrs. Entha Campbell led the PTA prayer, followed by the pledge of allegiance to the flag given in unison.

Committee chairmen reported on their projects. Mr. Dyke reported on last year's sales for ball suits, and stated that new suits had been ordered. He also stated that the Junior High basket ball tournament here had been changed to Nov. 16-17-18, and at present six teams have entered, with two more to make the bracket complete, the proceeds from the tournament will go for new ball suits.

Mrs. Frank Sinnacher announced that District Fall Workshop would be held at Hale Center on Oct. 19, and encouraged all who could to attend. The members agreed by vote, to defray the expense of those attending the workshop.

Mrs. Frank Sinnacher thanked the FHA girls and their sponsor Mrs. Jeanette Young, for all their help, also, in decorating the hall for the occasion.

Keahey stated that vaccination shots would be given in Levelland, Oct. 26, this would also include pre-school children.

In the count for the room banner, the 8th, 9th, and 11th grades tied.

JOYCE HOWARD

Marriage Plans Made

Mr. and Mrs. L. W. Howard of Sunray, formerly of Olton, have announced the engagement and approaching marriage of their daughter, Joyce, to Joe E. Hoover of Uvalde.

Miss Howard is a graduate of Olton High School and Draughon's Business College and is currently employed by Monroe International Division in Lubbock.

Wedding vows are to be exchanged Oct. 21 at 6:30 p. m. in the First Methodist Church of Olton.

The prospective groom's parents are Mr. and Mrs. Lester Hoover of San Angelo.

Hoover is a graduate of San Angelo Central High School, Angelo Junior College and Texas A & M University with a degree in entomology. He is currently employed by Wintergarden Chemical Co. in Uvalde.

Friends and relatives of the couple are invited to attend.

Couples Plan To Attend State Meet

Mr. and Mrs. Marvin A. Bowling, Mr. and Mrs. W. E. Mitchell and Mr. and Mrs. Merrill P. Brigrance will represent the Lamb County Soil and Water Conservation District at the 27th Annual State-Wide Meeting of Texas Soil and Water Conservation District Supervisors in Ft. Worth, October 17-19, at the Hotel Texas.

Theme for this year's meeting is "Leadership--Key to Districts' Future." The entire meeting will stress the importance of local leadership in conserving, developing and utilizing soil and water resources of Texas.

Scheduled to be on the program are U. S. Senator John Tower, Congressman Jim Wright, State Representative Bill Clayton, Gilbert Kretschmar, President of the Assn. of Texas Soil and Water Conservation Districts, Warren Fairchild, executive director of the Nebraska State Soil and Water Conservation Commission, Johnny Watkins of KWTX-TV Waco-Bryan, and H. B. Martin, Field Representative, Soil Conservation Service, Fort Worth.

TFWC Forum Has Meeting

Forum met in the home of Mrs. James Watts on Thurs., Oct. 5, at 8 p.m.

In absence of the president, Mrs. Edward Betts presided.

Major business was completion of plans to serve as co-hostesses with the Woman's Club for a district board meeting and workshop for Caprock District of Texas Federation of Women's Clubs (TFWC) on Saturday, Oct. 14 in Littlefield.

Mrs. R. M. Richey, hospitality chairman, named a committee to work with registration, from 9 to 10 a.m. in Baptist church Educational Building, and another committee to arrange for and serve coffee as guests arrive.

Twelve members answered roll call with the mention of "recent personal reading of interest." Mrs. Mike Cotter gave an interesting review of "At Ease" by Dwight D. Eisenhower.

Next regular meeting is to be on Oct. 26 in the home of Mrs. J. H. Carl.

RETURNED FROM TRIP

Mrs. George Parker has returned from an extended trip in the western states. She was joined in Pleasant Hill, Calif. by her husband and they attended the wedding and reception of her daughter, Georgia, who was married in Salt Lake City to Le Roy Thompson. From there Parker returned to Littlefield and Mrs. Parker visited relatives in Redwood City, Calif., and her son, Andy Parker in Lake View, Ore.

Cecilia Price Shower Honoree

A bridal shower for Cecilia Price was held in the Willie Room of the RIA building Monday night Oct. 9.

Miss Price is to be married to Michael Luther Cunningham Oct. 28 at 7:30 p.m. in St. Martin Lutheran Church.

Presiding at the guest book were Marilyn Price and Christine Benner.

Serving white cake with yellow decorations, sherbet and ginger ale punch and coffee from a silver service were Velma Black, Eleanor Wuthrich and Cindy Crone. Nuts and mints were served from crystal.

Adorning the serving table were candles in crystal candelabra and a centerpiece of yellow, white and bronze chrysanthemums.

Special guests were Mrs. John Ganzer, grandmother of the bride-to-be; Mrs. Selma

Price, mother of the bride; Mrs. Calvin Price, Mrs. Luther Cunningham, her of the prospective groom; Mrs. Herbert Furk, prospective groom; and T.J. Cunningham, great of the prospective groom.

Hostesses who presented a couple with a service for of Melmac Dinerware Mmes. Alice Wilson, Lois Brida, Toby Webster, Nancy, Bob Taylor, Mae Blal Opal Ammons, Connie Lena Rhodes, Louise Opal Pierce, Elsie Swartz Gainer, Thelma Reagan, Murdock and Minnie D.

WARD'S

AMY'S ADLIBS

Menu Twaddle

By Amy Turner

FOR MANY YEARS, The Publisher and I ate regularly in restaurants for a very obvious reason. I was too busy typing to do much cooking.

Now, anyone who has eaten out consistently for any length of time will understand immediately that this can get rather old. I remember how longingly I used to think of home-cooked fresh vegetables, home-baked bread and those special types of delicious foods that you spend all day preparing.

So it comes as something of a surprise to me that I now consider eating-out a real treat.

I suppose that variety really is the spice of life, after all, and this is just like anything else. You enjoy most those things you don't have to do every day.

THIS WEEKEND, on a trip to East Texas, I enjoyed eating several meals out while en-route.

However, a number of my old pet peeves about restaurants were once again brought to mind.

For instance, why is it that some waitresses want to call everyone "honey"?

After I had been honeyed about 11 times, I began to feel slightly ill from an overdose of sweets.

I must admit that The Publisher doesn't seem to mind when he is addressed in this manner, but it definitely doesn't do a thing for me.

Then there is the matter of neatness. I personally prefer to remain blissfully ignorant if a restaurant is not spotlessly clean.

My appetite declines rapidly when faced with dead flies on the floor, dirt in the corners and spots on the waitresses' uniforms. I also am not impressed with beautiful, long tresses when the waitress bends over to put down my plate.

MENUS are another problem I have with some restaurants.

Suppose you find something like this: "Pineapple spare rib, triangles of barbecued spare rib, teamed with cubes of sun-drenched pineapple, diced red pepper, tiny brussels sprouts, simmered in sweet and sour sauce."

Or: "Thin slices of lean pounded Scout veal, spit-roasted on skewers over charcoal, diced and coated in rich peppercorn sauce, served with courgettes laced in butter . . ."

I realize that food-talk and menu-jargon are genteel these days, but I prefer the sensible approach of the eighteenth and nineteenth centuries, when those who had food to eat at all were unlikely to croon over it.

It was the eating which interested those people, not the reading.

Consider the following recipe for the year 1708:

"Take a legg of Beefe and nuckle of veale and crack all the bones, then hang it over the fire in a large pott of water about 3 of the clock. When it boyles, put in your spices cloves macy Synamon and Nuttmet soe lett it boyle softly till 7 or 8 a Clock. Then put in a half pound of reasons of the Sun and as many Currants and a pound of prauants and let it simmer . . ."

Such food was prepared for people who meant to eat, not dream.

WHEN A RESTAURANT goes into such details as "served with lemon slice", I wonder if they are trying to imply that a scrap of lemon with the fish is something extra that you are not being charged for.

I wonder that they don't remark on the freshly ground pepper, white rock salt, crisp table napkins and chairs with four whole legs on the floor.

Perhaps for dessert I should have chosen "a refreshing water ice", feeling that having fought my way through the pan-broiled double-thick pineapple mists I deserved refreshment.

If for no other reason, to give me strength to pick the tiny brussels sprouts out of the sweet and sour prose.

LAMB COUNTY LEADER

FEATURE PAGE

OWNER'S REPORT

By Bill Turner

I AM GLAD LBJ has only two daughters. A little over a year ago we cynical males had to suffer through several weeks of daily newspaper descriptions of every stitch (almost) of clothing every female even remotely connected with Luci's wedding was going to wear. And now the whole thing has started over again, this time with Lynda Bird in the fashion spotlight.

It will probably be even worse this time because Big Sister will be trying to outdo Little Sister, who was brash enough to be the first at the altar.

THE WEDDING isn't until Dec. 9th, but already some of the daily papers are running pictures of what the lovely bride will wear. One such photo was of a long-stemmed model, obviously underfed, in what is described as a "dramatic black acetate and rayon velvet by Harvey Berin."

The designer's doing alright if he can con her daddy into buying one of his creations. If my wife came home in an outfit like that, I'd send the kids to Grandma's and put her to bed for a few days.

I've seen a couple of other samples of what the well-dressed bride is wearing if her daddy hangs his hat in the White House. One is a floor-length gown that is "heavy sheer wool with high waisted satin belt and rhinestone buckle."

I noticed right off the bat that it has a "plunging neckline for honeymoon dinners." Captain Robb had better be careful not to let his bride sit in a draft while she is wearing this thing, or the honeymoon could be cut short so she can recover from a chest cold.

Another idea is a "coat-dress," whatever that is, and a hat like Spencer Tracy wore in "Dr. Livingstone." It is "buttoned in brass in keeping with this year's hardware look," according to the caption.

EXCITING, ISN'T IT, men? But I'll say one thing for this outfit. The groom will fit right in with the "hardware look". A Marine officer in full dress makes a hotel doorman look like a monk. And I presume the groom will get hitched in full military regalia, which automatically eliminates any speculation about what he will wear -- as if anybody gave a darn.

Women's Wear Daily, the nation's leading fashion organ, is quoted thusly: "Lynda Bird Johnson already has ordered 25 coats, suits and dresses from New York shops as part of the trousseau for her . . ." etc. About \$4,000 worth, WWD speculates. Of course a White House spokesman, who probably had the Poverty Program in mind, calls the figure "absurd" and denies that the poor girl has even ordered any clothes for her trousseau.

And that's the way it's going to go from now until Dec. 9, all carefully calculated to build a lot of suspense about the wedding gown. WWD will publish a "sneak" preview of it a week before the wedding, and the White House will deny that she's even going to wear one.

The Upper Room

We were all brought into one body by baptism, . . . and that one Holy Spirit was poured out for all of us to drink. (1 Corinthians 12:13, NEB)

One of the most meaningful events that I shall remember and cherish was the International Night dinner and program I attended at the famous International House in Chicago. Once a year, a group of civic-minded citizens arrange the dinner and program for foreign students living in Chicago and its suburbs.

Many students put on their national attire. The display of costumes worn by persons of various races and from different cultures was beautiful to look at. The prayer before the meal reminded us that we were all God's children, regardless of our color, country, or creed.

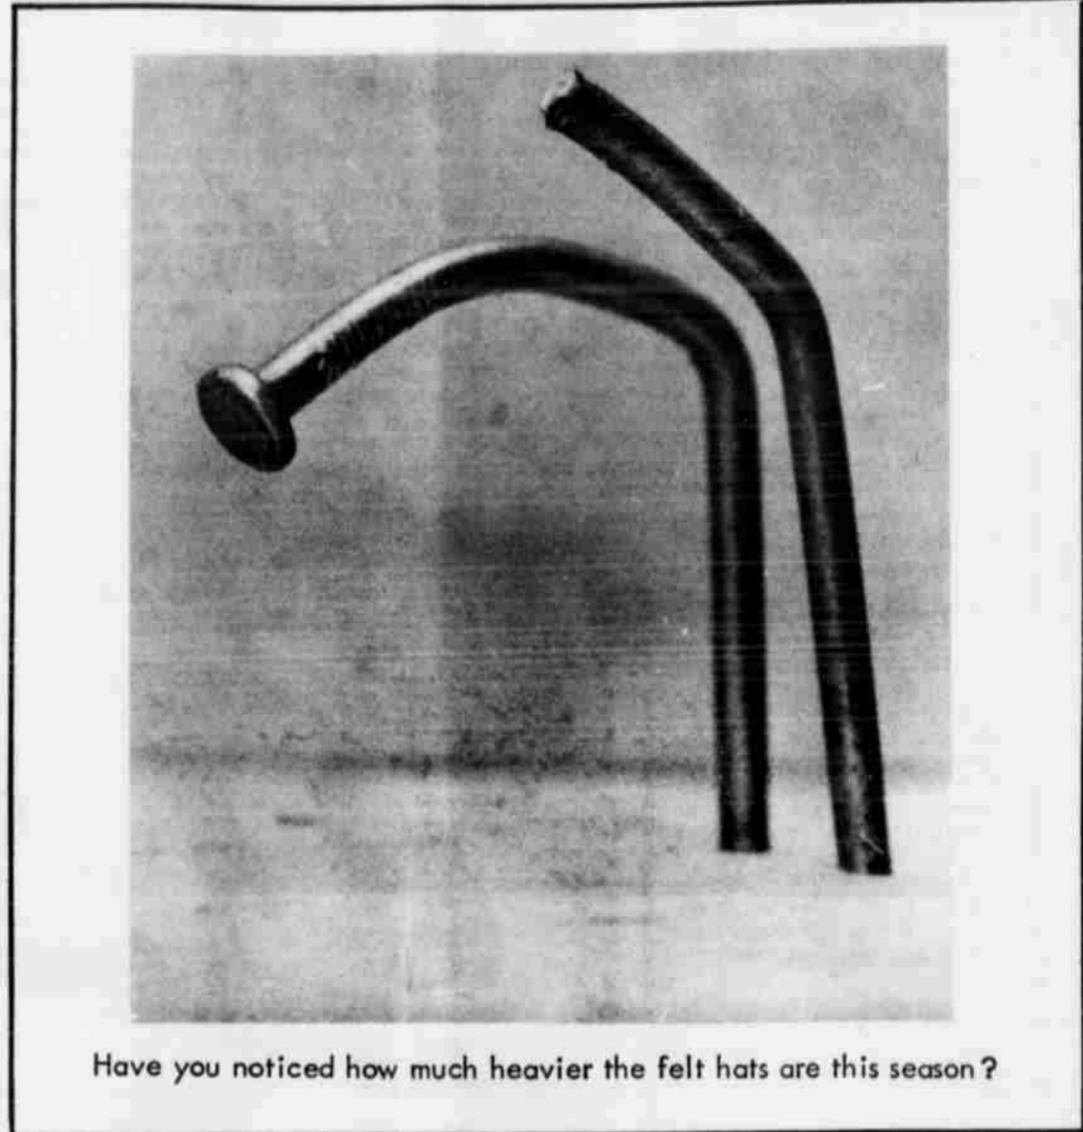

It is possible for all people to gathered together under God's holy will. Our part is to forget our petty differences and national fears and trust God, taking Him into consideration first and always in whatever we do. As the spirit of Jesus reaches the hearts of more and more persons everywhere, surely we shall enjoy a blessed life together on earth.

PRAYER: Most merciful Creator and Lord, forgive our trespasses and manifest unto us Thine eternal love. Help us realize that we can attain a blessed life if we put our trust in Thee. This we pray in Jesus' name. Amen.

THOUGHT FOR THE DAY Under God's sovereignty we can hope for unity among men in Christ. Jose B. Totaan (Philippines)

BITS AND PIECES

'Fire Hurts'

THOMAS HOOD

THIS is 1967 Fire Prevention Week. It also is National Newspaper Week, with much being said about the value and service of news media to the public -- a sort of rekindling of the old fighting spirit to maintain a free press.

I'm sure glad it's not the other way around.

You know, like "Newspaper Prevention Week" which would leave me without a paycheck -- and my creditors out on a limb.

Or "National Fire Week" boasting "free fire" which would leave my creditors without even a limb to be out on.

BUT FIRE is not a subject suitable for joking and, believe me, the very word is synonymous with tragedy and horror in my mind.

Much material has been sent out to newspapers recently by the National Fire Protection Assn., and one item particularly sticks in my mind.

It is called simply, "Fire Hurts."

It reads as follows:

"DESTRUCTIVE fire is like a branding iron, leaving an indelible imprint upon the life of each person it touches.

Long after flames have been extinguished,

THE ABUNDANT LIFE

Reach Out

IT IS QUITE OBVIOUS that we can become overly involved with living; trying to go too many places, do too many things, and otherwise over-extending ourselves and thus spreading ourselves too thinly.

Such conduct is foolish, and leads us into serious troubles.

On the other hand, we can actually miss much of the best of the living experience by withdrawing from life.

Sydney Smith said, "To do anything in this world worth doing, we must not stand back shivering and thinking of the cold and danger, but jump in, and scramble through as well as we can."

ALTHOUGH we must live with the greatest degree of wisdom and discretion, we must also live with courage and reasonable aggressiveness.

We must learn to reach out to life. We must reach out, but not with reckless abandonment.

Our action must be sensible and in keeping with the best we know about ourselves and the elements of a truly worthwhile life pattern.

MANY FORMS of withdrawal from life are much in evidence today in human affairs; much of it even to the point of illness. There are probably many reasons for this widespread action, but underlying these reasons we always find lack of faith or, at least, faulty faith.

In a general way, people can be divided into two classes; those who draw back from life, and those who reach out to life.

The following statement of inspiration gives support to this conclusion: "We are not of those who draw back and are destroyed, but of those who have faith and keep their souls." Living faith provides the strength and courage we need to reach out for the best of life.

The sooner we learn that life will not seek us in order to bestow its best gifts

embers have cooled, and smoke has drifted away, the deep hurts of fire remain. These hurts -- physical, emotional, financial -- can be agonizing and permanent.

Estimates by the National Fire Protection Assn. indicate that a total of 2.4 million fires in the United States last year killed 12,100 persons and destroyed property valued at \$1.8 billion.

Dwelling fires alone annually hurt well over half a million families who lose homes, personal treasures, and other possessions they may have spent a lifetime acquiring. Most tragic of all, nearly 7,000 Americans -- a third of them children -- lose their most precious possession, life itself, as the result of fires in one- and two-family houses.

FIRE HURTS outside the home, too. Annually, a quarter of a million fires damage or destroy U. S. and Canadian factories and warehouses, offices and stores.

These fires interrupt or abruptly and forever end activities upon which literally millions of persons rely for employment and income.

Only when everyone practices fire prevention at all times, in all places, are ugly and unwanted fires avoided and the hurts of fire significantly reduced."

upon us, the sooner we can begin to live satisfactorily.

IT SEEMS to be generally agreed that many folk live too much within themselves. Such a life practice is much too self-centered, and it will inevitably increase in its damaging influences.

We must not set up unnecessary and oftentimes unreal limitations which encourage a continuous withdrawal from life.

We must be alert to these obstacles, and be diligent in removing them.

THERE IS ANOTHER AREA of difficulty. Many of us are inclined to permit the experiences of the past to pull us back.

We know that the way of life is not found in going back, but we oftentimes refuse to cut ourselves loose from the past.

No one can be effective in living by living in the past.

The value of and necessity for reaching out are given in the following paraphrased expression of inspiration: Forget these things which are behind and reach forth unto those things which are before, and so press on toward the goal.

Life is before us, and we must reach out to it.

LIFE has many rewards and blessings to bestow upon us, and we can expect a fair share of these blessings if we are willing to reach out and embrace it with faith, courage and hope.

LIFE has many rewards and blessings to bestow upon us, and we can expect a fair share of these blessings if we are willing to reach out and embrace it with faith, courage and hope.

LIFE has many rewards and blessings to bestow upon us, and we can expect a fair share of these blessings if we are willing to reach out and embrace it with faith, courage and hope.

LIFE has many rewards and blessings to bestow upon us, and we can expect a fair share of these blessings if we are willing to reach out and embrace it with faith, courage and hope.

LIFE has many rewards and blessings to bestow upon us, and we can expect a fair share of these blessings if we are willing to reach out and embrace it with faith, courage and hope.

LIFE has many rewards and blessings to bestow upon us, and we can expect a fair share of these blessings if we are willing to reach out and embrace it with faith, courage and hope.

PAUL HARVEY

Social Security A Fraud?

IF ANY INSURANCE company were administered as Government administrators your "Social Security insurance" its resources would be impounded and its officers would be thrown into jail!

Every steno, barber and bootblack in America figures, "There's not much left in the pay check after all those deductions, but at least the Government is saving the Social Security part of my old age."

The Government is saving nothing for your old age.

The Social Security taxes you pay now go into the Treasury's general fund. They are used now to pay Social Security benefits that are due now -- plus administrative expenses.

ALL THAT'S LEFT in the Social Security kitty for your old age are a bunch of papers I.O.U.'s signed by your own grandchildren!

Indeed, Social Security is presently so insecure that Missouri's Congressman, Tom Curtis, says, "I'm afraid it's going to hit the rocks in another ten years."

On the other hand, when you buy legitimate insurance from a private insurance company -- that company must under law have on hand adequate assets to cover all obligations -- present and future.

Furthermore, private insurance is cheaper. Even Social Security Commissioner Robert Ball admits that, for a young worker, the "benefits are not equal to the contributions. Young employees do not get their money's worth."

IF YOU ARE NOW 25 -- and you and your employer pay your Social Security tax until retirement time -- you are entitled to \$168 a month if single and \$252 a month if married.

THE FARMER'S WIFE

NASA Vs Columbus

BY LIBBY MUDGITT

BEST FRIEND GRASSIE was interviewed by a national pollster last week and it all went something like this:

"Mrs. Roots, how do you feel about the slowing down of the U. S. space effort?"

"I never did see the need for so much hurry. Haste makes waste."

"Then you approve of the cut in the appropriations for NASA?"

"Who's NASA?"

"National Aeronautics and Space Administration. Their funds were cut by about half a billion dollars."

"Izzat so? Tch, Tch. How much did they ask for?"

"Five and one tenth billion."

"THEY MUST NOT be very sharp people. Any farmer that's ever been to the government for a loan could have told 'em to howl for at least twice more than they really needed."

"But do you approve of this half billion cut, Mrs. Roots? They claim that it is causing a delay in their schedules."

"Don't talk to me about delays in schedules. Do you realize what cotton in full bloom in October does to a farmer's schedule? Now there's a headache!"

"But NASA claims that this delay will cancel their plans to place a man on the moon in this decade."

"So who needs one? It's a slap in the face to young lovers, anyway."

"NASA SAYS that it is imperative for us to reach the moon before any other country

Had you bought private insurance -- for that same premium you could retire on \$312 a month if single and \$263 a month if married.

Your Government is understandably very sensitive about this subject. If you send a copy of this column to Washington, you will probably receive an official booklet titled "Your Social Security" which declares that all Social Security taxes "go into special funds," and that when you retire you collect "monthly cash benefits from these funds."

I AM TELLING you that this is not true, that the Government's "insurance men" are making a false claim which the Government's insurance examiners would never permit a private insurer to make.

For Reader's Digest, Mr. Charles Stevenson made an in-depth study to determine how well secure your Social Security is (October, '67, issue) and he concluded that "The Social Security Administration is bankrupt."

Treasury Secretary Henry Fowler testified before Congress last January that unless Congress at once raised the debt limit, the "Government can cover only about half of the Social Security checks due to go out in March."

YOUR GOVERNMENT is not saving your Social Security taxes for you! Your Government expects to tax your grandchildren to support your old age.

If the taxpayers of that later date decide they've had enough of the big tax squeeze -- you are going to wish you'd bought your own insurance from a responsible source.

does and Russia is surging ahead with their space plans."

"Let 'em. We can always send the CIA to spy out all they know about it and that won't cost any five and one tenth billion dollars."

"Then you approve of the funds cut, Mrs. Roots?"

"I didn't say that. I've been against the whole space race from the very beginning. If we don't know what's out there, how do we know if it warrants all the money, brains and lives required to get it? That's just like buying land you've never seen just because you've heard that somebody else wants it."

"BUT PEOPLE who should know say that the earth is fast becoming overpopulated and we will soon need new frontiers."

"Pass out The Pill. That couldn't cost any five billion dollars."

"NASA claims that they are losing some of their best men because of this cut in appropriations and delays in their programs."

"Well, you can sure tell none of those people were raised on the farm. No telling what they'd do after their first haircut. Must not have much stick-ability and I say good riddance."

"Is there anything else you wish to add to this, Mrs. Roots?"

"Yeah, I'm right smart grateful that Christopher Columbus didn't feel like I do about the unknown and that Queen Isabella didn't have any NASA men."

DIAL 385-4481 FOR CLASSIFIEDS

Springlake

MRS. ELIZABETH PACKARD
986-2602

In Springlake from Thursday to Sunday.

Mr. and Mrs. Fred Ballard visited in Lubbock Sunday with Mrs. Ballard's niece and family Mr. and Mrs. Ernest Neel. The W.M.U. of the First Baptist Church had Royal Service at the church Tuesday morning at 9:30. The program was on "Modern Buddhism in the United States of America."

The program was led by Mrs. Norma Baldwin, program chairman. Those present were: Mrs. Lucille Schaller, Mrs. Norma Baldwin, Mrs. Thelma McClanahan, Mrs. Edna McClure, Mrs. Lois Williams, Mrs. Herbert Miller, Mrs. Velma Baker and Mrs. Billy Walden. After the program the group went to Littlefield to the Crescent Park Restaurant where they had lunch and installation of officers for the coming year. Associational president, Mrs.

Irma Leta Barker from Lums Chapel was the installing officer. The W.M.U. has set a new meeting time, at 9:30 each Tuesday morning at the church. Springlake-Earth senior class had "play tryouts" Friday. The name of the play is "Maid to Order" and will be sometime around the 24th of Oct. The cast was chosen Monday by the directors Mr. Bill Anderson and Mrs. Marie Slover. The cast is as follows: Carl Martin, a young football coach, played by Randy Washington; Faith, his lovely wife, played by Lynda Packard; Valeria, their

maid, played by Beverly Miller; Miss Spears, a college professor, played by Melodie Brock; Julia Navamora, an actor; played by Randy Clayton; Aunt Abby Dingle, Faith's rich aunt, played by Debra Parish; Dagmar Wurst, a Co-ed, played by Billie Kelly; Velrey McCoy, a sorority "pledge", played by Gay Upchurch; Lotta Bowling, the new maid, played by Linda Gregory and Magoon, a policeman; played by Gary Kelly. This is a three-act comedy and "Comedy" is a mild word for this very funny play.

Miss Diana McNamara was home for the weekend from Texas Tech. This is Diana's freshman year at Tech however she attended six weeks this summer. Miss Linda Jordan, daughter of Mr. and Mrs. Lewie Jordan of Earth, was chosen as Freshman Cheerleader at West Texas State College for the present football season. Linda was cheerleader at Springlake-Earth schools for three years and was head cheerleader her senior year.

The Springlake-Earth B Team played Lubbock Christian College High School in a game at Springlake Thursday. The Springlake-Earth team won 36-0. This was the first football team for L.C.C. High School. Mrs. J. B. Eagle surprised her daughter, Pamela, with a birthday party Friday, Sept. 29. Those attending were: Toni English, Clint Dawson, Denise Wilson, Sherry Higgins, Susan Clayton, and Connie Dear. Birthday cake, ice cream and koolaid were served.

Mrs. Fred Helms and Mrs. Pat Eagle attended the football game at Portales, N.M. Saturday and stopped in Clovis. Willie Wilburn was injured in the football game at Portales, N.M. Saturday between the Springlake-Earth B Team and the Portales B Team. Willie was taken to West Texas Hospital at Lubbock where it was learned that his leg was broken just above the ankle. He was hospitalized until Tuesday of this week.

Marilyn Eagle spent Saturday with Debra Well. They were guests of Terri Inglis on a hayride with the youth of the Earth First Baptist Church.

J.B. Eagle attended the football game at Portales Saturday then went to Elida, N.M. and visited with Mr. and Mrs. Ben Crater, returning home Sunday.

Don Holms preached in First Baptist Church Sunday morning, Oct. 1. Rev. Holms chosen as new pastor for church and is moving into parsonage this week. He is from Waco.

Mr. and Mrs. Ray Tom Packard and Tim from Hereford were in Earth and Springlake Sunday.

Melvin McClure, Scotty Packard from Lubbock visited Sunday.

How Court to Initiation

Members of Woodmen of the World Court, No. 4254, went to Hale Center Thursday, Oct. 12 for a steak supper and initiation of Mrs. Joyce Parkey of Hale Center into the Hale Center Court.

The Littlefield women served as honor guard under Mrs. Gene Under of Hale Center, as cap-

those making the trip were Mrs. Gladys Robinson, Edna Robinson, Mary McCandless, Jo and Waudene McKinney. Next meeting of Court No. 4254 will be Thursday, Oct. 19 at Old Fellow Hall.

Legal Notice

ORDINANCE NO. 244
AN ORDINANCE FIXING, LEVYING AND APPORTIONING AD VALOREM TAXES FOR THE CITY OF LITTLEFIELD, TEXAS, FOR THE YEAR 1967; FIXING THE DATE AND TIME OF PAYMENT THEREOF; APPLYING A RATE OF SIX PER CENT (6%) INTEREST ON ALL PAST DUE TAXES AND TEN PER CENT (10%) PENALTY ON ALL PAST DUE TAXES; FIXING A LIEN AGAINST THE PROPERTY ASSESSED; PROVIDING FOR THE COLLECTION OF SUCH TAXES, PENALTIES AND INTEREST; AND DECLARING AN EMERGENCY.

WHEREAS, the City Assessor-Collector of Taxes has duly compiled and heretofore duly delivered to the Board of Equalization, the tax assessment rolls and lists for the City for the year 1967 and said Board thereupon examined, corrected and approved such rolls and lists in the manner and following procedures, required by the City Charter; and

WHEREAS, the City Council has duly approved said rolls and adopted same as the assessment rolls to be used for collection of taxes for the year 1967; and

WHEREAS, such tax assessment rolls list real estate of the value of \$13,920,820.00 and personal property of the value \$2,835,460.00; and

WHEREAS, the City Council finds that the tax for the year 1967 hereinafter levied for current expenses of the City and the general improvement of the City and its property must be levied to provide the revenue requirements of the budget for the ensuing year; and

WHEREAS, the City Council further finds that the taxes for the year 1967, hereinafter levied therefore, are necessary to pay interest and to provide the required sinking fund on outstanding bonds of the City issued for municipal purposes;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LITTLEFIELD, TEXAS:

The fact that the 1967-68 fiscal year and the budget therefor become effective October 1, 1967, before the next City Council meeting, and that this Ordinance establishes appropriations for said budget, requires that this Ordinance be immediately effective upon its passage and adoption and this Ordinance shall be full force and effect from and after its passage and adoption upon first reading and publication twice in a local newspaper of general circulation.

PASSED, APPROVED AND ADOPTED on this the 21st day of September, 1967.

Haynes Melton To Receive Degree

More than 425 members of the Texas Assn. of Future Farmers of America left by special train to Kansas City, Mo. Tuesday for the 40th Annual National FFA Convention. The National Convention opened Wednesday and closes Friday.

Forty-nine outstanding FFA members from Texas have been selected to receive the highest award given by the Future Farmers of America organization--The American Farmer Degree.

Receiving the degree from Area 1 are: Lowell Catlett, Dalhart; Phillip Johnson, Fri-

ona; Haynes L. Melton, Littlefield; David Stockstill, Miami; Fred S. Vanderburg, Jr., Pampa.

Members were to be awarded the degree at the Wednesday afternoon session.

One of the major items of business to be considered by the voting delegates will be a proposed amendment to the National FFA Constitution. This amendment, if passed, will provide for delegate representation to the National Convention based on membership within the states rather than the present system of each state having only two delegates.

County Nearing Savings Goal

C. O. Stone, chairman of the Lamb County Savings Bonds Committee has announced that sales in Lamb County totaled \$5,907 during the month of August.

Sales for the first 8 months of 1967 totaled \$100,197 and this is 63 per cent of the 1967 goal of \$160,000.

Series E & H Savings Bond and Freedom Share sales in Texas during August totaled \$13,863,163 which is an increase of 8.3 per cent over the same period last year.

MRS. VICTOR DIERSING 933-2236

Sharon Duesterhous spent the weekend with her sister, Rose Ellen Duesterhous, at Canyon. School dismissed at 2 p.m. Tuesday afternoon, so the faculty could attend a teachers' meeting.

Members of the Junior Class have started soliciting magazine subscriptions, proceeds to go into a fund toward the Junior-Senior Banquet in the spring. Juniors are the Sponsors of the banquet.

Mr. and Mrs. A.A. Duesterhous returned her mother, Mrs. Carrie Kuehler, to her home in Rhineland last week and spent a few days there visiting their daughters and their families, and other relatives, before returning home.

Mark Albus, son of Mr. and Mrs. Paul Albus observed his eleventh birthday Thursday, Sept. 28, with a party given by his mother in their home from four to six in the afternoon. Refreshments of the decorated birthday cake hamburgers and punch were served. Others attending were Mark's teacher, Mrs. Entha Campbell, Steven Albus, Gary Gerik, Gary Albus, Douglas McCain, and David Albus. Also, Mark's brothers and sisters.

Mr. and Mrs. Eugene Sokora and children of Slaton, spent Sunday with his parents, Mr. and Mrs. A. J. Sokora and family.

Mr. and Mrs. Jerome Decker and daughter, Kathy, spent the weekend in San Antonio, visiting his sister, Miss Emma Decker. The trip was made by plane.

Mr. and Mrs. V.H. Diersing attended the NRECA Region X meeting in Dallas, Thursday and Friday.

Now! Never Clean Your Toilet Again!

DuraSani Does It For You Automatically!

THE SKAT

LITTLEFIELD HIGH SCHOOL, LITTLEFIELD, TEXAS

Government Students Meet And Like New Instructor

Six feet six, eyes of blue. Likes to fish and travel too. Two hundred-seventy is his weight. District basketball is his fate. Hair dark brown, Ne'er a frown. In government classes, has great renown. This "giant" from Mt. Pleasant came, to boost our B team to great fame. Has a way of making jokes. Guess the name of this big coach.

Coch James Duncan was born in Marshall, Texas where he attended high school and graduated in 1950. He attended Kilgore Jr. College, Baylor University, and Southern State in Magnolia, Arkansas where he received his BSE degree.

Before coming to Littlefield he taught at Mt. Pleasant, Westwood High in Palestine where his basket ball team had two district wins, and Texarkana, Arkansas.

Coch Duncan is now our basketball and B team coach and teaches 5 classes of government.

His pet peeve is stuck-up people. His favorite color is blue and his favorite food is fried chicken. The first thing he notices in a person is their smile.

His plans are to have a great basketball team and to stay in Littlefield for a while.

GOVERNMENT TEACHER --Introducing Coach James Duncan, 6'6" blue-eyed "giant", who comes to Littlefield High School from Mt. Pleasant, Westwood High in Palestine to coach our basketball and B teams. Besides his coaching jobs, he also keeps busy teaching five classes of government.

Wildcat Receives Top Honor Rating

The 1967 Wildcat received a 1716 point rating in the annual Southwestern Council of Student Publications' judging of yearbooks. This judging consists of an overall criticism of the annual with constructive hints made concerning all parts of the yearbook including the opening section, theme, layouts, copy, the cover, endsheets, and other separate divisions. The Wildcat rating far surpasses the 1600 points required for the top honor in AAA and almost reaches the 1750 honor goal needed in AAAA.

Mr. Bill Dean, who judged the yearbook, made this comment: "... I would have to say that it is as outstanding a AAA book as I have seen this year." He continued with describing the problems of the book which were mostly concerned with typography.

The fee for the SPCP scoring is \$5.00 for membership and a judging charge of \$7.50. In return for this money, many valuable and worthwhile ideas are presented in order to help the annual staff correct mistakes which might be encountered in the coming year.

The 1968 Wildcat staff has already begun making preparations for the new year and is now in the process of selling ads which is one of the main sources for financing the annual. The staff consists of Cheryl Reast, editor; Debbie Watson, business manager; Sandy Penn, Bill Nelson, James Stewart, Darla Howard, Jo Anne Grisom, Donnarax Bowen, and Mrs. Edward Betts, sponsor.

ALL ARE sweethearts, but only one can wear the crown. The exciting moment for these three girls will arrive Friday night during the half time ceremonies of the Littlefield-Brownfield game as the band presents their annual Band Sweetheart. Girls hoping for the coveted title circulated petitions for nominations. The bandsmen, voting by secret

ballot, were allowed three votes to determine the top three candidates. Votes were taken once again by secret ballot with each person voting for one girl only to determine the winner. The three hopeful girls shown above are, from left to right, Janie McBride, Melinda Lasiter and Cheryl Reast. All three are seniors.

In Harms Manner

By LEONA HARMS

"Friends, Romans, countrymen, lend me your ears..." wrong one! "I beseech you, therefore, brethren, by the sword, that's better."

The faculty is wondering the seniors are becoming religious minded, but Mrs. Leona Harms REALLY KNOWS. Romans 12:17 to be said tomorrow. Today the last day to learn it, of course, there is 4 o'clock tomorrow morning or maybe 5 minutes before you get up in the morning; but don't kid yourself. It is not that easy to learn. There are some good points; some points which may of should take heed to. "Mind high things, but be content with men of low estate."

The sophomores, under the direction of Mrs. Lynn Reast, are memorizing 1 Corinthians 13. Both classes will say the passages orally.

The crowded halls of Littlefield not so crowded this week as band members have gone to State Fair at Dallas. They are posing nearly one third of a student body and when they go you know it.

I spent a most enjoyable Saturday helping Mrs. Reast, biology teacher, grade insect I bet many of the farmers were glad to lose some of the grasshoppers. There were several good collections this year with a varied assortment of the six legged creatures. Leaf collections will occupy many of the biology student time next. They will be six weeks from now. Sure it doesn't frost by then.

Fall seems to be approaching rather fast now and before we have time to wonder what happened the seniors of tomorrow. The Scholastic Aptitude Test, which is one of college entrance examinations will be given here November 5. Soon after this we will have we are to be the freshmen tomorrow.

The Littlefield B team will take on the Olton B team in competition here tonight at the Fighting Wildcats will attempt to down the Brownfield Cubs tomorrow night at Wildcat Stadium for a district win. Sure wish we had a potent to cure some of the injuries. Don't give up on ship boys, we haven't sunk yet and I doubt if we will.

Until next week, I will leave you with this thought by an anonymous author. A pessimist is one who feels bad when he feels good for he'll feel worse when he's better.

SKAT STAFF

The SKAT is edited by the second period journalism students of LHS and published each Thursday by The Leader News without expense to the school or taxpayers. The SKAT invites other students to use stories or articles therein. Editor - Leona Harms, News Editor - Bettye Harris, Sports Editor - Kenneth Harris, Feature Editor - Sandy Penn. Reporters - Susan Driak, Edna Jones, Suzie Lee, Amy Minyard, Cheryl Reast, Shannon Traugott, Darla Walker, and Penny Weig. Advisor is Mr. John Hall.

Corinthians And Romans Create Memory Work

Many a senior and sophomore of LHS has been seen carrying a Bible with their usual stack of books. What has caused this trend?

Mrs. Lynn's sophomore and senior English classes are memorizing excerpts from the Bible. Seniors will learn Romans 12 while sophomores memorize 1 Corinthians 13. Both passages are due on Friday, October 13. These selections will be given orally.

Mrs. Lynn chose these selections because "either one contains principles of good living and it is good literature." Mrs. Lynn's senior students for the past six years have studied Romans 12. Several versions of the Bible will be used by the English classes. The King James, the Standard Revised, the New English, the Catholic, and Living

SKAT Calendar

OCTOBER 13-19 FRIDAY 7:30 Brownfield game here MONDAY 7:30 FTA Meeting THURSDAY 8:00 Morning Watch 7:00 Muleshoe B team game here DALLAS STOCK SHOW 14-21

Letters are a few. Students are requested to bring a private copy of the bible if their version is other than the King James. Later this year the classes will learn excerpts from Shakespeare's plays. Senior English students will learn quotations from MACBETH with the introduction of the Elizabethan Age during the second six weeks. Sophomores will quote passages from JULIUS CAESAR this spring, along with various others.

Rodens Narrate Living History On EXPO Trip

Mr. and Mrs. Bob Roden of Littlefield, showed and narrated slides of their trip to EXPO, to coach Raymond Birchfield's third period American History class. The slides provided the class with a view of the city of Quebec and down the St. Lawrence River, while Mr. Roden gave the background of its French history.

Quebec is an old city built on two levels, the upper and lower level being connected by steeply inclined, twisting streets and by an elevator.

The older, lower part of the city with its irregular, narrow streets, reminiscent of old French provincial towns, is still the financial center and main business section.

The students also viewed the east coast and the old colonial towns of Jamestown and Williamsport with Mr. Roden speaking on a few of the colonial customs.

Behind The Line

By KENNETH HORN

The Panthers of Lubbock proved too much for the Littlefield Wildcats as they fell to Dunbar by the score of 16-10 last week in Lowery Stadium. This was the second consecutive district win in as many weeks for Dunbar as they are in the driver's seat of District 3-AAA.

Dunbar broke the game open in the second quarter by scoring two quick touchdowns. Dunbar's scoring came by a 27-yard field goal, and two touchdown passes from quarterback, Davis, to halfback, Sims.

The Wildcats evened the score in the second period by a field goal kicked by Roy Burk. Littlefield's only other points came in the third quarter when Travis Danford caught a 50-yard pass from Burk, with Burk kicking the extra point.

Littlefield will host the Brownfield Cubs tomorrow night in Wildcat Stadium at 7:30. Everyone is urged to be there and cheer the Wildcats to their first district victory.

The Brownfield Cubs will battle the Wildcats in both teams second district game. The Cubs defeated Lakeview last Friday night by the score of 12-7. Brownfield will run from a slot formation most of the time. They have a good running game along with their passing attack. The Brownfield backfield has fair speed along with the power to be tough through the middle. The Littlefield B team will clash with the B team of Olton tonight at 7:00 in Wildcat Stadium. The B team is now 2-2 for the season. Show your loyalty and attend both games.

Bug Population On Decrease

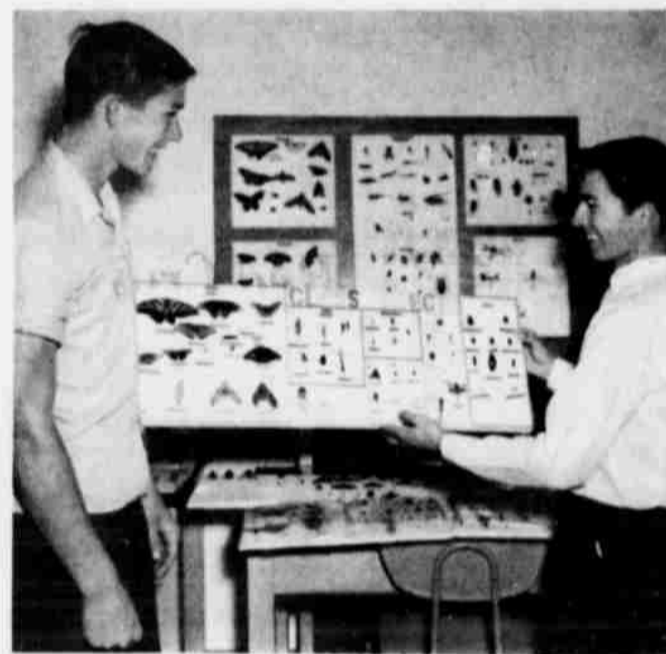

Bugs! Bugs! Bugs! For the past few weeks there have been mass murders around the area. Pins have been stabbed into harmless and some not so harmless creatures.

All biology students under the direction of Mrs. Charlene Reast have been helping the farmers to rid their farms of useless grasshoppers and crickets. The collections of these insects were due Friday, October 6.

Mrs. Reast stated, "The collections were graded on the basis of number of insects, accuracy in labeling, and originality in mounting. I was quite pleased with the collections this year. Many were above the average in every respect."

The collections were graded Saturday morning by Mrs. Reast and Leona Harms. Leona has been collecting and studying insects for eight years.

The leaf collections will be the next collection due by the biology students in approximately six weeks.

BUG ART WORK creations were on display this week in the LHS Biology department. Carl Davis and Bob Crittenden are looking over some of the creativities required by Mrs. Charlene Reast, Biology instructor. The walls and tables of the room were lined with the pinned insects.

From The Council

BY SHANNON TRAUGOTT The Student Council of LHS is not a part time job but a year round one. It is constantly on the ball with better and newer ideas for another tremendous year.

Proud of his school, Mr. Beryl Harris, high school principal said, "I want to congratulate this year's Student Council for their fine example

Silence was golden last Thursday for the Dunbar game. Up until the pep rally, silence prevailed in the halls. The only dominant sounds heard were the

"pitter-patter" of little feet and the clanging of locker doors. With the cooperation of the students, quite day as well as color day, was made a great success.

Help is needed at the games for program selling. Lack of student assistance means a loss of money which the Student Council needs desperately. Any students who would like to help with the selling should meet at the main gate at 6:45. So as

not to miss much of the game, the salesmen will be able to sell in the stands through the first quarter.

Because of loyalty and much time and effort, the cheerleaders and a big part of the student body helped to decorate the halls for the Dunbar game last week. If you were to look down any hall last Thursday at LHS all you might have seen were signs with everything on them from "Punish the Panthers" to "The Cats are best", and maroon and white streamers floating around, and, last but not least, students concentrating on winning the ball-game.

Debbie Dutton And Nancy Hall Will Help With FFA Activities

Reigning over the LHS Future Farmers of America this year will be Debbie Dutton, 1967 sweetheart. Debbie was selected sweetheart in a secret ballot of the Vocational Agriculture classes on October 3. Nancy Hall, the new plowgirl, will be assisting Debbie this spring at the stock shows.

Debbie, a vivacious senior, spends most of her time studying for Mrs. Lynn's literature tests and twirling with the Wildcat Band. Debbie has been in both the FTA and bandsince her sophomore year. This year

she is serving as president of the FTA and for the past two years has been a majorette in the LHS band. Her hobbies include sewing and skiing behind her daddy's brand new boat. Pink and steak top the list in favorites.

Nancy's time is spent throughout the school in such activities as choir, Madrigals, band, and FTA. During the winter of this year, her spare time will be spent in Ruidoso, snow skiing. She adores anything in green, especially tall with dark hair. She lists pizza and lasagna as her favorites.

Debbie will represent the Littlefield Chapter of the FFA in district competition December 7, at the district meeting which is to be held in Littlefield this year. If she is selected District Sweetheart she will represent the Littlefield Chapter and the District in area competition on May 11, in Amarillo. A victory at area will take her to the state contest.

The duties of the sweetheart and plowgirl are to present ribbons at the Lamb County Junior Stock Show to be held in January and the Littlefield Area Stock Show in March.

Choir Expansion Should Indicate A Singing Year

The Choral Department is off to a great start. The entire organization has been much expanded this year, and with a little work, the choirs should achieve much success.

The ACapella Choir, with its forty members, has much potential. The choristers are selected by the director after tryouts. Every day rehearsal is well spent on polishing up some details on music.

Girls Choir is composed of thirty girls, who work each and every day learning music.

The Freshman Choir contains fifty five boys and girls. The Eighth grade Choir has fifty five members, and the Seventh grade Choir has fifty members. Of course, not one of the choirs could accomplish anything without the help or direction of Mr. Dwayne Hood and his plans.

THE PATSY LIVELY Chapter of the Future Homemakers of America got off on the right foot when they elected officers for the new year. Shown here viewing the scrapbook are seated left to right; Rosanne Funk, 4th vice president; Jackie Sims, 2nd vice president; Janice Williams, secretary; Vicki Cook, president; Jan Christian, 1st vice president; Jean Davis, 3rd vice-president; and standing left to right; Elaine Graves, song leader; Diane Perkins, parliamentarian and historian; Gordon Sorley, dreamboy; Quinn McKinnon, buddy; Debbie Dyer, treasurer; and Debby Watson, 5th vice-president.

ALL SMILES -- and no wonder as Finis Branham, FFA sponsor, presents the '67-68' FFA sweetheart and plowgirl. To the left is Debbie Dutton, senior, selected Sweetheart, and on the right is Nancy Hall, junior, plowgirl. These two LHS coeds will assist the agriculture boys with their work this year.

Rocky Ford

MRS. LEONARD MCNEESE
262-4814

Mrs. Harley Bryant and daughters, Stephanie and Layante visited Saturday in the home of Mr. and Mrs. Dwane Bryant.

Mrs. A.B. Miller of Earth was Sunday afternoon visitor with Mrs. V.M. Peterman.

Mr. and Mrs. Doyle Tapley attended the Tech ballgame with Mr. and Mrs. Paul Butler and spent Saturday night with them.

A basket dinner was spread after services at the Rocky Ford Baptist Church Sunday at noon. Joe Coombs, music and educational director from First Baptist Church at Earth showed his slides from Trinidad to the youth at the evening meeting. Coombs worked this past summer as a missionary on the Caribbean Island.

HAROLD O. HARRIGER

First Methodist 'Laymen's Day' Slated Sunday

Laymen's Day will be observed at First Methodist Church Sunday, Oct. 15, with Harold O. Harriger of Lubbock, speaking at the 10:55 worship service.

Harriger is a lawyer with the firm "Nelson, McCleskey & Harriger" in Lubbock. He is past chairman of the Official Board of Lubbock's First Methodist Church, chairman of the Commission on Education and Church School superintendent. Currently he is teaching a class in the adult division.

Jack Barton, Church Lay Leader, will conduct the service.

Mr. and Mrs. N.B. Embry returned home from visiting over weekend in Dallas with their daughter and husband, Mr. and Mrs. Larry Leonard. While there they attended the Cowboy game. They came home by Possum Kingdom and fished a few days.

Mr. and Mrs. John Hayhurst are back at home from McKinney. Where Hayhurst underwent surgery.

Visiting Sunday with the Alvin Mills family was her sister and husband, Mr. and Mrs. Paul McCleskey of Lubbock.

Mrs. Duane Bryant and Mrs. Johnnie Lee Feagly visited Thursday evening with Mrs. Bryant's mother, Mrs. D. L. Culbert, in the Methodist Hospital.

Mrs. Ledford Enloe and children visited her mother, Mrs. Ralph Rudd in Springlake Wednesday.

John Hayhurst underwent surgery at McKinney Sept. 3.

Mrs. Raymond Keller III, Lee and Rok arrived Friday from Houston and were met at the train by Mrs. Leonard McNeese. They live near Olton.

Visitors during Rocky Ford Baptist Church's revival have included various persons from Earth and Fieldton on Wednesday evening. Thursday evening the youth choir from Earth sang for the services. Dinner will be served at the church today.

Mr. and Mrs. Lib Bolbes, Pam and Randy, Rolynn Mills and Stanley Miller attended the Tech football game Saturday night.

Mrs. Charles Carpenter, Charla and Todd, and Karen Urubel boarded the Santa Fe Train in Muleshoe and rode to Littlefield Sunday Evening.

Mr. and Mrs. Geo. B. Williams and Mr. and Mrs. Johnny Eddings, Tammy and Kyle, returned this past weekend from fishing trip to Brownwood.

Red Cross Discusses Appointment

Mrs. Bonnie Haberer, chairman, presided at the regular monthly meeting of Lamb County Chapter of American Red Cross Friday.

Appointment of a chairman for production work was discussed with a report to be heard at the next meeting.

Mrs. Ruth Wade, executive secretary, reported 52 persons were helped by Lamb County Chapter Red Cross during the past month. Of these, 15 were active service men, 15 were veterans and 22 were civilians.

Reports also were heard on work being done by the Red Cross for victims of Hurricane Beulah.

Attending were Mrs. Haberer, Pleasant Valley; Mrs. Lester LaGrange, Amherst; Mrs. A. H. Schivally, Fieldton; J. P. Arnold, Sudan; Mrs. Ray Smith and Mrs. Doris Fry, Spade; and Mrs. Ruth Wade, Curtis Wilkinson and Lee Burnett, Littlefield.

Oklahoma Ave. HD Club Meets

The Oklahoma Avenue HD Club met Thursday in the home of Mrs. Bruce Wren.

Officers were elected. New president in Mrs. Ralph Gage; vice-president, Mrs. Dee Myers; secretary-treasurer, Mrs. Jimmy Starnes; council delegate, Mrs. J. W. Bitner; alternate, Mrs. Dorothy Crawford; and reporter, Mrs. Venna Maner.

Members discussed serving the luncheon to the Women's Club on Oct. 14.

Roll call was answered with comments on current events. Those attending were Misses C.P. Davis, J.M. Griffin, Fred Lichte, Dee Myers, J.W. Phillips, J.W. Bitner, L.L. Mas-singil, Dewey Hulse, Venna Maner, Ralph Gage and Dorothy Crawford.

Next club meeting will be held Oct. 19 at 2 p.m. in the Flame Room. It will be an open meeting and everyone is invited to attend. A discussion on accessories will be conducted.

FIRST USED ETHER
Dr. Crawford W. Long became the first surgeon ever to use ether when he removed a tumor from the neck of young James Venable in Jefferson, Ga., on March 30, 1842.

OBITUARIES

John A. Price

John A. Price, 77, former editor and owner of the Littlefield County Wide News and the Amherst Argus, died Sunday in Methodist Hospital at Lubbock.

Services were held here Monday afternoon in Hammons Funeral Home Chapel with Rev. Roy Shahan of San Angelo, former pastor of Littlefield's First Baptist Church, and Rev. R. B. Hall, present pastor, officiating.

Burial was in Littlefield Memorial Park. A native of Champion, Neb., he operated a chain of theaters in Detroit before coming to Littlefield in 1935, when he purchased the County Wide News from O. C. Blalock and Associates. He operated the paper until Aug. 17, 1944 when he sold the paper to twin brothers, Walter and Wallace Dufrain.

In the County Wide News, dated Thursday, Aug. 17, 1944 Price wrote, "With this issue, The County Wide News passes into new hands, new owners -- others will henceforth write of the progress and development of our town and county, because that development is sure, is certain and is rapid. Others will write of the gladness and sorrows, which for nearly ten years past I have been privileged to write -- that you have been generous enough to read, and to seldom criticize..."

Price's newspaper career included having worked as a reporter for the Kansas City Star, the Denver Post and The Oregonian of Portland, Ore. He was a former president of the Littlefield Chamber of Commerce, Littlefield Lions Club and the Texas Editorial Association, 1950-51.

Surviving are his wife; daughter, Mrs. J. Don Eagan of Lubbock; a son, Jack of Hobbs; four sisters, Mrs. Levi Kerschner of Merino, Colo., Mrs. Charles Weaver and Mrs. Evelyn McCarty of Mason City, Iowa, and Mrs. A. E. Kellogg of Sterling, Colo., and three grandchildren.

Palbearers were Dr. Ben Lyman Jr., Judge Pat Boone Jr., Al Chambers, D. V. Streetman, Claude Addington and Ben E. Porcher Jr.

JOHN A. PRICE

J.E. Livingston

James Earnest Livingston, 88, of Earth died at 11:40 p. m. Saturday in West Plains Hospital in Muleshoe.

Funeral services were held Monday afternoon in Singleton Funeral Home Chapel of the Chimes with Rev. Don Murray, pastor of First Baptist Church in Muleshoe, officiating.

Burial was in Bailey County Memorial Park.

Born Aug. 6, 1879, in Illinois, Livingston moved to Earth from Muleshoe 25 years ago. He was a retired real estate salesman and a Methodist.

Surviving are two daughters, Mrs. A. L. Stansberry and Mrs. Elton Malone, both of Wilcox, Ariz.; a sister, Mrs. Jack Walker of Enid, Okla.; five grandchildren and nine great-grandchildren.

AMHERST

MRS. LESTER LaGRANGE
246-3336

SALVATION ARMY Advisory Board met Tuesday noon to complete plans for the annual maintenance drive scheduled to begin Oct. 23 with a breakfast. Seated in center, at end of table, is General Chairman Bobby Taylor. Third from right is Herschel

Randall, advance gift chairman, to right of him is James Lee, treasurer of drive, and to extreme right is Salvation Army Capt. Harvey Harwell. Others are members of the Board.

Census Slated Here

Information to determine how many children and adults under 35 are enrolled either in school or college will be sought here the week of Oct. 16. Director Francis H. Wilmer of the Census Bureau Regional Office in Denver has announced.

Questions on this subject are asked each year at this time to update national figures on public, private and special school enrollment, full- and part-time college attendance, the number of high school graduates and dropouts, and the last year of regular schooling for non-high school graduates.

A similar survey taken a year ago showed that more than 55 million persons were enrolled in school or college, about 30 percent of the civilian population.

This inquiry is in addition to questions about employment that the Census Bureau asks each month to obtain data for use by the Department of Labor's Bureau of Labor Statistics in determining national employment and unemployment figures.

All answers are confidential, and the information obtained will be used for statistical purposes only.

Salvation Army Drive Scheduled

The annual Salvation Army maintenance drive will begin with a breakfast at 7 a. m. Oct. 23 at Crescent House Restaurant. Advance gift workers will gather to hear Herschel Randall, advance gift chairman, speak on the drive.

Workers will meet at the same place for a coffee at 10 a. m. Oct. 24 to begin contacts with businesses. Salvation Army Colonel Paul Thronburg will speak at the coffee.

The Salvation Army Board of Directors met Tuesday noon in the Crescent House to discuss and complete plans for the drive. Bobby Taylor, chairman of the Board, presided.

Goal for this year's drive is \$8,000.

James Lee is treasurer of drive and John McAnally and Tom Brittain are in charge of the door-to-door campaign.

CALL OUT 'RESERVES'
 The Philippines Herald received \$5 from a class of first graders at a Manila school for an anticrime fund the newspaper is collecting. Along with the money, came some advice for fighting crime: "Send Batman and please call James Bond, Superman and Green Hornet, too."

...Harrises
 Continued from Page 1
 Flood victims, Mrs. Harris said the stench left by the flood in the Camargo area is "terrible." Dead animals are in abundance, and the contaminated water itself has a repellent odor.
 And into this setting, to mud heaps which once were houses filled with the laughter and tears of families, walked the people of Camargo when they returned from their temporary refuge at Rio Grande City, Texas.

ENTERPRISING TOT in upper picture got a head start on her buddies and helped herself to clothing from supplies taken from Littlefield to residents of Camargo, Mexico by Mr. and Mrs. Thomas Harris and party. The child showed up happily attired in boy's trousers too short, a "pajama top" and white shoes -- and nothing could part her from the sacred items.

RAMPAGING RIVER, whipped into destructive mood by Hurricane Beulah, washed and ruined everything within its overflow reach at Camargo, Mexico. Shown receded slightly in picture at left, the river had swept outward and undermined Methodist

church, steeple of which is seen at left. "Tiny" dark block in center of picture are a pickup and other vehicles swamped then abandoned by flood waters. In photo at right, a close view of ruins of Methodist church is seen.

TREASURER'S QUARTERLY REPORT To The Commissioners Court of Lamb County, Texas

STATE OF TEXAS
 COUNTY OF LAMB

Before me, the undersigned authority, County Clerk of Lamb County, Texas, on this day personally A. J. Spain, Commissioner of Precinct No. 1; H. W. Lewis, Commissioner of Precinct No. 2; J. L. Yeager, Commissioner of Precinct No. 3; and Hubert Dykes, Commissioner of Precinct No. 4, constituting the Commissioners' Court of Lamb County, Texas, who, being first by me duly sworn, each upon oath severally stated:

That they and each of them have fully complied with the laws of the State of Texas relating to the matters set forth herein, that they and each of them have fully inspected the quarterly report of the County Treasurer of Lamb County, Texas, submitted to them at the regular term of the Commissioners' Court of Lamb County, Texas, held on the 9th day of October, A. D. 1967, which report covers the receipts, disbursements and ending balances of all County funds for the year's quarter ending on the 30th day of September, A. D. 1967, and that they and each of them have actually counted and fully checked the amount of money and other assets in the hands of said County Treasurer and have found the amounts shown in such report, attached hereto, true and correct.

/s/ A. J. Spain

Harlingen Resident Relates Devastation

(Editor's Note: Mrs. Virgie Haile, owner of Virgie's Beauty Bar here and recently elected president of Texas Hairdressers and Cosmetologists Assn., received the following letter from a Harlingen hairdresser, Frank Joseph, describing devastation to his home by Hurricane Beulah. The letter also was in answer to Mrs. Haile's inquiry if any members of the association received extensive damage to their shops, as the association provides aid in such cases. Frank Joseph earlier was chosen for the THCA Community Leadership Award and will represent Texas in the national convention. The award is presented on civic and community contributions.)

Harlingen, Texas-78550

Dear Virgie:
 I believe it was a week ago that I wrote to you, telling you that we had been evacuated from our home, due to high waters... Yesterday, we were able to get there to survey the damage... I believe that you remember what it use to look like...
 We are completely wiped out... The water in our home had reached a height of 7 feet (that's in the house) and there it remained for at least 5 days. All my clothes and Mary Louise clothing were in 2 foot of mud...
 I don't feel sorry for myself, but Mary Louise had taken it bad, for her home was her pride and joy...
 All the T. V. and furniture were a complete loss... We are not alone in this disaster, as 90% of all the homes in our neighborhood suffered similar damage...
 Thank God, the good Lord has given me a lot of faith... I still have two good hands to work with... I almost forgot to tell you, my new car was hauled away completely ruined, this is the only thing that is insurable... No one is insured against flood waters, only your car...
 I really don't know what we will do...
 I wanted oh so bad to come to the Regional Meeting but I don't know if I will be able to scrape up enough money to go...
 Our Magic Valley has really been dealt a disastrous blow. When all the damages have been recorded they will be over 200 Million dollars...
 Thank you very much for letting me work with the Texas Hairdresser Magazine as Assistant Editor...
 Now in regards to the Hurricane damages, I never heard from any one regarding any damages... A salon owner in Port Isabel by the name of Marjories lost the shop on the Island and the one in Port Isabel, but she was not a member of the Association... I haven't heard from Hattie Cateria who also operated a salon in Port Isabel, she might be a member of Affiliate #30...
 I can truly say that the Hurricane didn't do much damage to our members or no member salon, with the exception of the above...
 I believe that if you could get the addresses on all the salons in District #7, and write to them, telling them the benefit that they receive or would have received if they had been member of this, I truly believe that we could get at least 100 members...
 Well Virgie, I better close, and start writing to my creditors telling them that I need an extension on my bills...
 Love
 Frank Joseph R. C.

have always believed any society is sort of tied to its lowest segment. It's like dragging an anchor. . . . Maybe the Head Start program will help-- will show results in proper time.

The role of broken marriages or homes of "many marriages" was pointed out as a contribution to truancy and delinquency.

Supt. Jones commented, "If we can help parents to help their children want to stay in school, we will have made a big step."

Shown in the analysis was the current teacher-pupil ratio. Listed by schools, it shows 20 students per one teacher in Primary, Elementary I and Elementary II schools; 23 per each teacher in junior high school and 13 per teacher in high school.

In further business, the laying of curb and gutter along school property in the forthcoming improvements to U.S. 84 and Highway 54 was presented to the board.

Cost to the school for curb and gutter along both areas was estimated to a total of about \$3,400 or \$3,500.

A motion was approved to lay the curb and gutter provided the state would agree to allow the school, at the school's expense, to pave eight feet to sidewalks recessed that distance and place the curb and gutter against the sidewalk.

At the time of the meeting, Littlefield City Council was in session with engineers concerning the projects, and Barton telephoned Mayor J. E. Chisholm. A agreement was made that the engineers would attempt to secure approval from the state for the school's request.

The Board approved a tax roll of \$423,107, estimated on about collection of \$23,681,000 evaluation and based on a rate of \$1.80 per \$100.

Financial statement and payment of bills was approved.

Mr. and Mrs. John Gilbreath of Dimmitt are remodeling their home and adding a second story. Mrs. Gilbreath will be remembered here as the former Edith Barnett, daughter of Mr. and Mrs. D.A. Barnett.

Mrs. Raymond Cooper and Mrs. Edith Walling shopped Plainview Monday.

Doyle Pinson visited his sister, Mrs. Elsie Jackson, Norman Municipal Hospital, Norman, Okla., a few days last week.

Jesse's Super Save Grocery had their parking lot paved last week for the use of their customers.

Mr. and Mrs. John Reed left Saturday for Vernon where they will visit in the home of their daughter, Mrs. Reta Watson. They also plan to visit in the homes of two of his sisters in Tyler before returning home.

Ricky and Nicky Smith, son of Mr. and Mrs. Billy Smith, Jr. spent the weekend in Tulsa visiting in the home of Mr. and Mrs. R. C. Bosley.

Mrs. C. S. Silcott and Mrs. Margaret Burrus left Tuesday for Port Neches where they will be guests in the home of Mr. and Mrs. Joe Allen and Mrs. Scott. Mrs. Allen is the daughter of Mrs. Silcott.

HOW ON EARTH DO THEY DO IT?

Women have so many jobs and responsibilities that we are at a loss to understand how they can do them all and hold up under the pressure. Somehow they always do. We see them in our super markets dressed for painting, or as if they had come from a wedding. They do the cooking, sewing, house cleaning, and at the same time mind the kids. They chauffeur the family around from place to place, feed the pets, mend, repair, do the laundry, and they're almost always cheerful. They're up with the baby at night, but they're still up cooking breakfast the next morning. They belong to many worthwhile clubs and organizations and work in them constantly-- calling, decorating, serving, meeting, electing, cooking, entertaining, performing. They work in the yard, go with hubby to ball affairs, doctor the family, go to church, do the shopping, and on and on, and on. How on earth do they do it! We'll never know or understand it, but we can appreciate it . . . and we do!

EA SCHOOL WRAP-UP

Undefeated Olton Takes On Hale Center Friday

Mustangs, only undefeated ball club in the area . . . and on the Plains, for that matter . . . likely have much trouble living the envious record tonight when they travel to Hale Center for a conference with the Owls.

Only three games are scheduled Friday for the county. Bovina and Sudan play at the Hornets' nest, New Home travels to Amherst and Littlefield hosts Brownfield.

All area games are conference schedules.

The Bovina-Sudan clash could be a decider in the District 3-A race. Both teams were picked in preseason polls to be the one with the best chance of unseating defending champion Kress.

Bovina has lost three of its five games. But those were to Farwell, Friona and Claude, nothing to hang one's head about.

The Hornets have suffered defeat only twice, and they were to the top ranked A clubs in the South Plains and state, Seagraves and Plains. Both games were closer than scores indicated and many fans felt the Hornets could have won with a couple of breaks.

Amherst, chosen fourth-best Class B team on the South Plains this week by the Lubbock newspaper, hosts New Home in a 7:30 clash. The Bulldogs have lost only two games this year. One was to first-ranked Amherst.

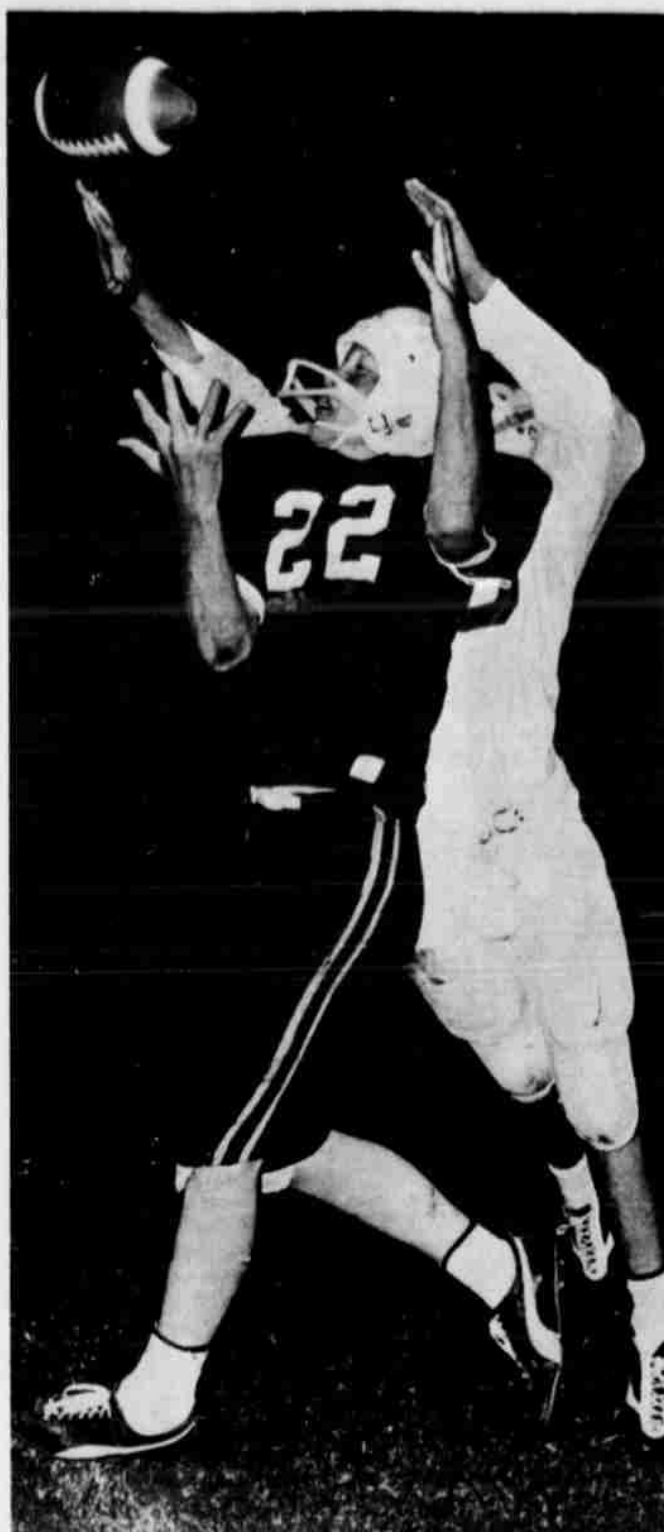

The Springlake-Earth Wolverines travel to Farwell to face an impressive herd of Steers. Farwell has a 1-3-1 record, but last week played well enough to knock Seagraves off its top perch as best Class A team on the South Plains. In that big game Farwell lost only 7-6. Their other losses have been to Friona and Plains.

The Wolverines have been having their hard times this year, while rebuilding. Their season record stands at 1-4, and they're hungry for a victory. S-E lost to powerhouse Tahoka last week 34-0.

Once-beaten Whitharral travels to Sands for a conference tilt to start at 7:30.

Bula observes an open date in preparation for the big eight-man clash with Whitharral next weekend.

Saturday Anton travels to Whiteface for an afternoon game. Kickoff is set for 1:30.

ABERNATHY PASS is blocked by Jerry McCary, white uniform, in the 38-8 routing by the Littlefield 8th grade team here Thursday night. It was Abernathy's first loss of the season. All Littlefield points were scored by Ralph Funk. The 8th grade's B team lost to Abernathy 28-0. The Littlefield 9th grade lost to Plainview, there, Saturday 16-0.

WITHOUT FOUR STARTERS

Brownfield Here Friday Limping Wildcats Play

When Brownfield and Littlefield ball clubs take the field here Friday night fans will have a chance to watch a pair of evenly-matched teams.

They have about the same size players and each has a 1-3 season record, though the Cubs have won their only District 3-AAA outing.

Brownfield is still smarting about the two-point margin loss handed them in 1966 by the championship Wildcat club. The 16-14 loss was one of three suffered in the entire season.

Back from last year are 11 lettermen, including regular quarterback Bob Craig and 173-pound halfback Randy Douglas.

The Cubs average 166 pounds per man, with 190-pound first year player Eddie Dishman, a tackle, the largest on the roster.

Though Brownfield has scored fewer points in the four games this season than Littlefield, 31-59, respectively, they have also had fewer scored against them, 54 and 75.

The Cubs won their district opener last week by defeating Lake View 12 to 7, and Lake View was a preseason choice as a possible championship club.

Littlefield head coach Raymond Birchfield says, "Brownfield has a very improved ball club, comparing them with the scrimmage they had with Mule-

shoe before season and then seeing them the other night. They come real tough.

"It will take all we can muster to win, and we'll have to do it without any fumbles and very few mistakes."

"We can beat them if we don't make the mistakes we've been making in the past," he said.

After two good workouts this week, Birchfield says he hopes . . . we can keep everybody together, with no more injuries."

The Wildcats have been severely hampered throughout the season, from the first week of preseason workouts, by injuries. They've not had a game yet this year in which at least two starters weren't out.

And it continues. Missing this week will be four starters, including both halfbacks Mike Grissom and Joe Ross, defensive safety Kenny Horn and tackle Stan Harrell.

Grissom and Ross were hurt in last week's tilt against Dunbar. The doctor says Grissom will possibly be out another week with a knee injury and Ross about as long with a sprained ankle.

Horn is still suffering from a deep and painful groin bruise and Harrell is still recuperating from a knee injury sustained several weeks ago.

Fullback and defensive line-

backer Danny Bryson bruised his ribs in workouts Monday, but is expected to be ready to go at least on defense tomorrow night.

Kevin Hutson, starting end-linebacker who injured his ankle against Tulla, will still not be full speed. But he will be less hampered than he was Thursday against Dunbar.

Good news, though, Mike Stafford will be back in the starting lineup at offensive tackle.

Birchfield has only two offensive halfbacks left without Ross and Grissom. He will start junior Steve Webb and sophomore Travis Danford in their places.

Both play on defense, too. Webb is a cornerback and Danford, who is having some trouble with a pulled thigh muscle, is a defensive safety. Neither has a replacement offensively or defensively.

Two Games Here Today

Two Littlefield football teams have games scheduled today.

The Wildcat Junior Varsity hosts Olton at 7 p.m. This will be preceded by a 9th grade game here against Stanton Junior High of Hereford, also at the local field.

SMILES during Olton's 40-0 shutout over district foe Friday night are head coach Don Beck and Mustang back Bobby Turner.

SPORTS

WILDCAT playing tonight at Brownfield for Abilene College is Wilmer Williams. Also playing on the ACC which faces the freshmen of West Texas State University is Koonz, another ex-Wildcat. The game starts at 7:30, sponsored by the Brownfield Chamber of Commerce. Activities will include a performance by the Texas and South Plains Junior College band of Levelland.

STARTING TACKLE Stan Harrell will miss Friday's game, but he is on the road to recovery following an injury against Muleshoe two weeks ago. The 189-pounder began walking without his crutches last week and sets his goal to be ready for play.

Pronghorn Sheep Are Unique

By Norrel F. Wallace
Texas Parks and Wildlife Department

Texas has three major areas supporting herds of the most unique animal in North America--the pronghorn antelope. The Trans-Pecos herd is by far the largest and is scattered over a wide crescent of rangeland surrounding the West Texas towns of Fort Stockton, Marathon, Alpine, Marfa, Van Horn, and Sierra Blanca.

Numbers fluctuate from year to year depending on rainfall and range conditions, but generally the Trans-Pecos supports around 6,000 head. Ranking second in size is the Panhandle herd with between 2,000-3,000 animals. Isolated groups are scattered north and east of Amarillo but the bulk of Panhandle antelope are west of Dalhart.

Halfway between the two major Texas herds is another sweep of antelope range that extends through Reagan, Irion, Midland, Sterling, and Borden Counties. This area is occupied by 1,000-1,500 head.

Each summer wildlife biologists make herd counts in the three major antelope areas and distribute to landowners hunting permits that may be used to remove surplus animals. Harvest quotas are carefully set each year to keep antelope herds in balanced proportions and in harmony with existing range conditions.

A few years ago, West Texas land owners had difficulty getting hunters to remove their surplus animals; but, not so today. Sportsmen literally overrun landowners in all three hunting areas. Consequently, the price of an antelope hunt-

ing permit has gone up from \$10 a few year ago to around \$100 now. And the demand still exceeds the supply.

Sportsmen interested in hunting in Reagan or Irion Counties may write to the Chamber of Commerce, Big Lake, Texas, for hunting information.

Sportsmen planning an antelope hunt should carefully zero their rifles at 250 yards. Distances are extreme and difficult to judge in antelope country so a flat-shooting high velocity rifle with telescopic sight is recommended.

TOP PLACERS in a recent one-day ladies golf tournament at the Littlefield Country Club were: top left, Wanda Hardy, Gail Kinyion, Ann Barnett, Lorine Stewart, Bonita Pyatt, Ann Clough, Jo Bell Robinson and Maxine Edwards in Class A; top right, Jennie Halkord, Wanda Gill, Nina Talbert, Francis Chamberlain, Jackie Lisby, Billie Carroll, Virgie Halle and Ginny Messer in Class C; and right, Maxine Steele, Norma Thomas, Jody Johnson, Lou Townsend, Fredda Towns and Glenya Dinagan in Class B.

CONGRATULATIONS TO THE CHAMPIONS

INTRODUCING THE 1967 PUNT, PASS AND KICK WINNERS

- Age 8 -- 1. Monty Pierce, 2. David Wayne Cutshall, 3. Richard Rogers.
- Age 9 -- 1. Rex Jones, 2. Richard Holley, 3. Kyle Mark Jones.
- Age 10 -- 1. Bill Turner, 2. Tommy Batson, 3. Michael Cotter.
- Age 11 -- 1. Butch Sutton, 2. Gary Wayne Brown, 3. Andy Rogers.
- Age 12 -- 1. Joe Wyatt, 2. Randy Carl Cook, 3. Jerry Gonzales.
- Age 13 -- 1. David DeBord, 2. Randy Dayton, 3. Jerry Cox.

Our heartiest congratulations go to these fine 18 boys, and the 116 others as well, who competed in the PP&K competition Saturday. We know the six first-place winners will represent Littlefield and Lamb County well in the contests to follow. Thank you, each who entered, for participating. And thanks, also, to the Littlefield Optimist Club for your work in officiating in the contest. Pictured with the champions are Curtis Wilkinson of the Optimist Club and H. A. Mitchell.

ZOOOMMMM LENS!

With a zoom lens on your camera, you can vary the image size and always stay in focus. It lets you reach out far and bring the news up close.

Zoom Zoommm ZOOOMMMM!!! That's us!

Whether the happening is far away or near, whether it's big news or little news, if it's important to the people in and around Lamb County, you'll find it by looking through the LEADER-NEWS. And the importance of the news to you is what decides how big or how small we play it.

ALWAYS in perspective. ALWAYS in focus!

OK. . . so why'd we play a little wedding march in a faraway Norwegian fishing village so big?

We thought it might be worth stretching a point to show you how far out we can stretch for an image.

Today's Scene, And Tomorrow's

OUR REGULAR WEDDING OF NEWS AND VIEWS

Our scene is near Hammerfest, Norway, the most northerly town in the world. It shows a wedding march, still often performed in the old-fashioned way there. Actually, of course, our photographers don't really use old-fashioned equipment quite like that, for weddings or anything else. They usually go out with the latest in camera gadgetry so that the LEADER-NEWS can come out with the best "wedding" of news and views in our next edition.
