new teachers; the setting of the date of the trustee elections, and the considering of administrative contracts.

The board accepted resignations submitted by coach John Howle, Mrs. Barbara Fraser, third grade teacher and Mrs. Erma Fields, sixth grade teacher. Howle's resignation is effective at the end of the school year and the others are effective at the end of the first semester.

Five of the six new teachers hired will be replacements for present teachers who will be involved in the Title I program funds which has been approved for the Littlefield School system.

The new teachers are Mrs. Hazel Kimbrough, who will teach in the Title I program and Mrs. Glenda Shamburger, Mrs. Erma Dean Waters, Mrs. Marinell Watts, Mrs. Helen Joan Johnson and Mrs. Richard Bean who will replace present teachers, who will teach remedial reading under Title I. An additional six teachers will also be hired.

The date of the Trustee election was set for April 2 with the voting place to be the Junior High School Library. Three school board members will be elected this year with the terms of Dr. William Nowlin, Dr. Albert Perkins and Charles Duvall expiring this year.

Deadline for filing for the election was set for March 3 with filings now open at the School Tax Assessors office. The board also nominated Mrs. Ira Smith to be election judge.

The next item covered by the board was the approval of three year contracts for Superintendent Paul Manning, Administrative Assistant Paul I. Jones and Tax Assessor Sid Hopping.

Commissioners Court Places Justices Of Peace On Salary

The Lamb County Commissioners passed a total of fifteen orders in a special meeting held Friday and their regular meeting Monday.

The first order passed Friday was the acceptance of the resignation and retirement of County Agent W.R. (Bill) Kimbrough (See story) effective January 1, 1966.

The next order passed by the Commissioners was the setting of salaries for the four Justices of the Peace in Lamb County in accordance with Article 5307 of the new criminal code which stated that effective January 1 all JPs would be put on a salary basis.

The salaries set by the Commissioners were: David Maxey, Precinct One, \$225 per month; L.A. Glasscock, Precinct Two, \$100 per month; J.N. Bowen, Precinct Four, \$400 per month, and A.B. Jinks, Precinct Five, \$135 per month. In addition the law requires that all JPs submit a monthly report.

Reports were the next item on the agenda as the Commissioners approved the reports submitted by the County Agent, Assistant County Agent and Home Demonstration Agent.

The next two orders passed Friday were approval of the 1966 budgets for the Extension Service and for the Sheriff's Department. The Commissioners then passed an order setting four County Court terms for the year.

The final order passed was the approval of the Treasurer's quarterly report which showed surpluses in all funds including \$98,915 in the general fund. On Monday the first order was the approval of payment of bills, followed by an order concern-

ing a down-town parking lot on a dark side street.

Are we going to let our beginner beer drinkers learn to drink like Slobbs, letting the empties fall where they may, without regard for other drinkers and non-drinkers, or shall we teach them the proper manner in which to guzzle and to properly dispose of the empty bottles and jugs, as a decent and responsible citizen should?

This type of irresponsible beer drinking costs the States, Counties and Cities millions of dollars each year, just to pick up the dead jugs out of the streets and highways. This doesn't include the damage to tires and personal injuries received as a result of broken glass. We have anti-littering laws with fines up to \$500.00 for each violation. This doesn't seem to deter the irresponsible beer drinker. In years past, there was a deposit on the bottles and it was enough to make it worthwhile for someone to pick up and return the bottles. Perhaps, the Brewers should go back to this idea and let the irresponsible pay someone for picking up their empties, that the irresponsible are too lazy and indifferent to do for themselves.

OUTSTANDING Lamb County ASCS Receives State-Region Awards

Citizens of Littlefield and farmers of the area, turned out Tuesday night to honor the local ASCS office, and to witness the presentation of the first USDA regional award to a Texas office, as well as the state award for efficiency and office operation.

To win the region award, the local office headed by Lamar Aten, had to beat out 549 other offices in five states.

Both the state and region award carries a \$100.00 prize for each employee and ASCS committee member, as well as the honor of being termed the best in the state and region.

Cagers Drop Decision To Snyder

The Wildcat cagers dropped their third district game Tuesday night as the Snyder Tigers go off to an early 18 to 4 lead and went on to down the Cats by a 74-65 score on the losers

School Census Now Underway

The Littlefield School District 1966 school census is now underway to determine the number of eligible students in the area.

David Tullis, who has been appointed Census Trustee stated that the census will include all children born on or after September 1, 1948 through children born before September 1, 1960.

"We do not expect any difficulty on taking the census of the children that are now attending school but our problem will be to make sure that we include all the children that will reach the age of six prior to September 1, 1960," Tullis said.

The census blanks are available at the Junior High School or Mr. Tullis can be contacted at 385-4314 by parents who will have children reaching school age by September.

home court. Don Laster led the winners with 22 points while Kevin Hutson was the high point man for the Wildcats with 14 in the foul filled contest as the officials detected 44 rule infractions.

Phillip Pace opened the scoring to give the Wildcats their only lead of the evening as Laster, Bill Blum and Bobby Clardy then shot the Tigers into a 8 to 2 lead and the same three made it 18 to 4 before the Cats got their second basket of the night.

Baskets by K. Hutson, Wilmar Williams and Pace brought the Wildcats up to a 23 to 16 deficit as the first quarter ended.

The Cats stayed in the game during the second quarter on the strength of free throws as they made only one basket during the entire second quarter. Gary Bradley led the way as he hit on seven of nine from the charity lane with Randy Hutson and Pace each adding two and Williams garnering the only basket.

The winners only got two buckets during the same eight minutes and added eight free throws as a total of 29 free throws were attempted during the period, which ended with the Tigers on top by a 35 to 30

score. Steve Lewis hit a bucket for the Cats to narrow the gap to three points and then after a basket by Tom Bullard and two free throws by Laster made it 39-32. Pace and Williams hit for the Cats to make it 39-36, but that was as close as the losers could make it as the teams traded points up to 2:01 left when the Tigers hit seven straight points to make it 57-45 at the end of the third period. District Court Sets Hearings

Fifteen criminal cases have been set for trial by jury in the 154th Judicial Court starting January 31.

Arraignment for all the defendants in the cases is set for Saturday, January 15 at 10 a.m. at which time a requisite pre-trial hearing will be conducted.

This is required under the new criminal code which went into effect January 1 and also under the new code, the defense counsel must present at the arraignment any and all preliminary motions which they wish to have considered at the time of the trial.

As income tax time nears, owners of irrigated land on the High Plains are pondering a new "deduct" -- an allowance for depleted underground water used for irrigation.

In a recent court case Marvin Shurbet of Petersburg was allowed a cost depletion on irrigation water pumped from the Ogallala underground formation. And since the Ogallala formation underlies virtually all the High Plains, the court ruling paves the way for other area farmers to claim cost depletion too.

The High Plains Underground Water District, which was instrumental in development of the Shurbet case, has supplied this example of how the depletion allowance will work:

Farmer Jones paid \$300 an acre for irrigated land. Similar land without irrigation water was selling for \$100 an acre, so \$200 per acre is the cost of the water. If Jones had 100 feet of water under his land at the time of purchase, then the cost of the water was \$2 per foot per acre. And if the water table declined three feet during the taxable year, his cost depletion allowance would be \$6 per acre (\$2 per foot cost time 3 feet of decline.)

To take advantage of the allowance, then, the landowner needs to determine three things: (1) The thickness of the water-bearing sands under his farm at the time of purchase, (2) The annual decline of the water table, and (3) What he paid for the underground water.

For its 13 counties the Water District is now working on saturation thickness maps, water decline tables etc. for use by taxpayers in computing their depletion allowance. Officials of the District state that this information will be available to all interested parties early in March.

Farmers outside the water district, apparently, will have to rely on information from the Texas Water Development Board and the U.S. Geological Survey.

Tax accounts in the area have informed Plains Cotton Growers that farmers may file an estimated tax return (Form 1040-ES) before January 15 and then file their final return after calculating depletion allowance. Or, if they prefer, they can file their return as usual and file an amended return later with a request for refund.

Tax men also say it is probable that an amended return may also be filed for the "open" years -- 1962, 1963 and 1964.

PCG is advising that landowners check this matter closely with their tax advisors at an early date.

Suspect Captured In Robbery Attempt

An attempted robbery Monday night at the Hall Farm Supplies store at 302 Phelps ended with the capture of Perry Bailey age 17 of Littlefield.

Owner Jake Hall was hit on the head twice with a foot long pick hoe by the suspect who is now in the Lamb County jail under \$3,000 bond, charged with assault with intent to rob.

Bailey had been hiding in the rear room of the building for approximately three hours when at 11 p.m. Monday night he saw Hall presumably asleep at his desk and the suspect hit him twice with the blunt metal end of the hoe but failed to knock him out.

Hall then fired three shots in the direction of the suspect before calling police who arrested him within the building with patrolmen Frank Mansley and Don Savage making the arrest.

Hall was treated for head injuries at Medical Arts Hospital and released.

MR. AND MRS. C.M. OWENS

Open House Honors Olton Couple Sunday

OLTON -- Around 100 guests attended the open house Sunday at the PCA Hospitality Room in Olton in honor of Mr. and Mrs. Charlie M. Owen's 60th wedding anniversary.

Friends and relatives called from 2 to 5 p.m. The refreshment table was covered with a white silk lace cloth over white. An arrangement of white gaidoli and white carnations centered the table. Mrs. Douglas Owen of Pantex, Mrs. Don Gregory of Dimmitt and Mrs. Charlie T. Burrus served white iced cake squares decorated with wedding bells, coffee, fruit punch, nuts and mints. The white napkins printed in silver read "Leila and Charlie, 1906-1966". Crystal and silver appointments completed the table decor.

Dr. Douglas Farrar Owen and Mrs. Margaret Burrus greeted the guests and directed them to the white registration book. A floral arrangement decorated the registration table.

All five children of the couple were present for the occasion. They are Dr. and Mrs. Douglas Farrar Owen and children of Pantex; Mr. and Mrs. Euel C. Jones and children and Mr. and Mrs. Paul Burrus, Olton; Mr. and Mrs. L.L. Holyfield, Lubbock; and Mr. and Mrs. D.M. Granbery of Kress.

Grandchildren present were Mrs. Don Gregory, Dimmitt; Mr. and Mrs. Charlie T. Burrus, Lubbock; Scottie Jones, Olton; Stephen, Timothy and Amy Owen of Pantex.

Mrs. Lichte Installs Officers At Club Meet

Mrs. E.T. Miller was hostess for the first meeting of the year for the Oklahoma Avenue Home Demonstration Club Thursday.

New officers were installed by Mrs. Fred Lichte. She used a ship printed with the letters "THDA", representing Texas Home Demonstration Association, and presented each officer a golden key for the ship, as she installed them and told them of their duties.

Installed were Mrs. C.P. Davis, president; Mrs. A.B. Roberts, vice president; Mrs. Fred Cook, secretary; Mrs. Dee Myers, council delegate; Mrs. Dorothy Crawford, alternate delegate; and Mrs. Jimmy Starnes, reporter.

The installation closed with a poem entitled "Friendship" being read by Mrs. Starnes. The new president conducted the business meeting. Roll call was answered with "How to keep out club out of a rut". Thank you letters were read from Girlstown for the gifts

that were sent by the club at Christmas and from Sharon Baumgarten who received the 4-H scholarship from this district.

Friendship Day will be observed by all the home demonstration clubs in the county January 31 at the Community Center. A heart film will be shown and a salad luncheon served at noon.

The traditional club's New Year dinner of red beans and ham hock, potatoe salad, cornbread, pickles, onions, relish, cake, coffee and punch was served.

Attending were Mmes. J.M. Griffin, Dewey Hulse, H.W. Oden, Cecil Brown, Phillips, W.L. Hopper, Fred Lichte, Lora Acord, Dorothy Crawford, Jimmy Starnes, C.P. Davis, J.W. Bitner, Bruce Wren, Melvin Williams, James Blessing, L.T. Miller, J.R. McKinney, A.B. Roberts, Walter Chiddix and a guest, Mrs. Harry Miller.

Littlefield Art Club Begins Club Year Monday

Thirteen members attended the first meeting of the Littlefield Art Club for the new year held Monday in the Reddy room. Mrs. C.O. Stone was hostess.

The following officers assumed duties: Irene Steffey, president; Naomi Hewitt, vice president; Ocie Stone, recording secretary; Louise Rogers, treasurer; Mutt Still, reporter and Louise Steward, parliamentarian.

A roundtable discussion was held on plans for the coming year. Members of the club

will display paintings in the county library along with members of the Daubers Club. The first three members to display paintings will be Mrs. Otis Bennett, Sr., Mrs. Cal Harvey and Mrs. J.D. Hagler.

The members decided to have several one-day demonstrations on art techniques, with the dates to be announced later.

A painting of the month will be exhibited at the Custom Frame Shop. The still life entitled "Gourds", painted by Mutt Still, was chosen to be exhibited in January.

Mrs. Hopper Hosts GA Houseparty

A houseparty for members of the Junior II Girls Auxiliary of the Parkview Baptist Church was held Friday night and Saturday in the home of the GA counselor, Mrs. Troy Hopper, east of Littlefield.

Mrs. Hopper taught the mission book entitled "A Boy Named Nelson". Games were played the girls spent the night and enjoyed a cookout Saturday at noon.

GA's attending were Linda Horn, Rhonda Gilley, Ann Penland, Brenda Stafford and Ann Hopper.

Heart Program Given At Beta Sigma

Tau Chi Chapter of Beta Sigma Phi Sorority initiated National Heart Month with a donation to the Texas Heart Association Monday night in memory of the late Bob Pullig. Bob was teacher and coach in the Littlefield School System and died of a heart attack last April. Mrs. Pullig is now president of the Littlefield Beta Sigma Phi.

Bill Renfro of Lubbock showed a film on heart to the group and also the President Lyndon Johnson film proclaiming February as National Heart Month, soon to be released for television.

Patsy Summers and Ann Pullig were in charge of the heart films and also a program on radio and television. Hostesses were Linda Pickrell and Kathryn Thrash.

A Jewels of Melody party will be Monday, Jan. 17 at Linda Pickrell's home. The members will dress in costume depicting their favorite popular song. Members will meet at 321 West 14th Street at 7 p.m. to leave together.

The Pledge Ritual was conducted for six members, Suzanne Swafford, Claire Sawyer, Linda Pickrell, Laverne Franklin, Judy Drieth and Kay Mon-

zingo. Other members present were Linda Barker, 1906 Myrlene Bridwell, 1906 Joan Johnson, 1906 Donna McCarty, 1906 Kay Nelson, Ann Pullig, Ratliff, Paula Schreiner, olyn West and Erin Inson.

The next regular meeting will be January 24 in the Room.

Mrs. Minyard Hosts HD Club

The Sunnydale Home Demonstration Club met Thursday in the home of Mrs. J.F. Minyard. The new president, Mrs. Virgil Bitner, conducted the meeting. Committee chairmen were appointed, as follows: education, Mrs. Louise Bryce; finance, Mrs. J.F. Minyard; 4-H, Mrs. E.J. Grisham; yearbook, Mrs. B.L. Wheeler, and recreation, Mrs. Lorene Perkins. Meeting places for the next few months were assigned. It was announced that Friendship Day for all home demonstration clubs in the county will be held January 31 at the Lamb County Community Center. Mrs. Lorene Perkins conducted a short period of recreation after which the hostess served spiced tea, coffee and cake to the following: Mrs. A.L. Aldridge, Mrs. Willis Stewart, Mrs. Ellen Yeary, Mrs. B.L. Wheeler, Mrs. W.O. Hampton, Mrs. Virgil Bitner and Mrs. Lorene Perkins. The next meeting will be January 20 in the home of Mrs. A.L. Aldridge.

Annual Flower Show Set At Dallas

"Gardens of Texas" has been set as theme for the fifteenth annual Dallas Flower and Garden Show, scheduled for March 19 through 27 at State Fair Park. For the first time, areas outside of Dallas have been invited to participate in the floral extravaganza, Chambers of Commerce from Fort Worth, East Texas (Tyler) and West Texas have agreed to sponsor model gardens. These different areas will be honored on special days during the show. As an example of the wide Texas participation, the cactus and desert plants to be featured in West Texas' "The Gardens of the Big Bend" will be forced into early bloom by the botany department of Sul Ross College in Alpine.

Various Dallas area garden clubs and business firms will sponsor the popular model gardens, bringing the total number of gardens to some three dozen. Twelve members of the American Institute of Interior Designers will furnish model rooms. Also planned are numerous educational exhibits on gardening, conservation and beautification, which will include wild birds and flowers of Texas. The show will be sponsored by the Dallas Garden Center and the State Fair of Texas, with the cooperation of the Dallas Council of Garden Clubs. In Virginia a town called Northwest is in the extreme southeast corner of the state.

RECIPE OF THE WEEK

Favorite Recipes Submitted By Busy Farm Homemaker

A church secretary, mother of two boys, and busy farm homemaker took time out from her duties this week to grant an interview to this reporter and share some of her favorite recipes with our readers.

Mr. and Mrs. Johnny Tisdale and sons, Ricky, six; Terence, five; and Steven, 1, live on a small farm about a mile west of Littlefield. Mary is church secretary at Parkview Baptist Church, attending duties about six weeks a month. Much of the work required, she is able to do at home and share with the boys, but she works at the church office one week. The boys' parents, Mr. and Mrs. Tisdale, Littlefield, then baby-sit with them. Mary is a sun-down farmer the week, doing his farm work hours and on weekends, employed with the Federal Crop Insurance out of Lubbock. He is a salesman and associated with this company.

Hillock To Forum Hostess

Doug Hillock will be the guest tonight (Thursday) at the meeting of the HD Club at her home 1311 14th Street. The program will be presented by Mrs. Olene Gibson.

CITY BITS

Guests of Mr. and Mrs. Hardman were their son and daughter and Mrs. Ruby of Lubbock.

Murray of Portales, N.M., her grandmother, Mrs. Fox, over the weekend.

Union Department, Mary also sings in the choir and is a member of the Doris Bryant WMU Circle.

Activities enjoyed by them are of the type in which the whole family participates, such as picnics, cook-outs and vacations, which include camping-out and a little fishing. Although the boys have never caught a fish they still like to try. Mary and Johnny make it a point to find time to spend with the children either playing football and baseball or reading to them.

Mary collects recipes of all types and enjoys experimenting and making up her own. She is sharing an icing recipe which she uses very often, changing an ingredient or two to make either chocolate, butterscotch, or vanilla icing. We are also printing her favorite recipe for yellow cake and a recipe she has used a number of years for peanut patties.

HAPPY DAY CAKE

Measure into sifter:
2 1/2 cups sifted cake flour
3 teaspoons baking powder
1 teaspoon salt
1 1/2 cups sugar
Measure into mixing bowl:
1/2 cup shortening
Measure into cup:
1 cup milk
1 teaspoon vanilla
Have ready:
2 eggs unbeaten
Stir shortening just to soften. Sift in dry ingredients. Add about 3/4 cup of the milk and mix until all flour is dampened. Then beat two minutes or 300 strokes. Add eggs and remaining milk. Beat a minute longer. Bake in moderate oven, 375 degrees, about 25 minutes for layers or 35 minutes for oblong cake. Makes two nine inch layers.

BUTTERSCOTCH ICING

1/2 cup brown sugar
4 tablespoons butter
1/3 cup milk
1-1/2 cup confectioners sugar
1/2 teaspoon vanilla
1/4 teaspoon salt
Melt butter and sugar. Add milk. Boil two minutes. Chill thoroughly. Add sifted confectioners sugar, vanilla and salt. For vanilla icing, use white sugar instead of brown sugar.

in the above recipe. To make chocolate icing, substitute white sugar for brown sugar and add one square semi-sweet chocolate.

PEANUT PATTIES

2-1/2 cups sugar
1 cup canned milk
2/3 cup white Karo
3 cups parched peanuts (unsalted)
red cake coloring
1 teaspoon vanilla
Cook sugar, milk and Karo until it forms a soft ball. Add peanuts. Continue cooking until a hard ball is formed when dropped in cold water. Remove from fire. Add vanilla and cake coloring. Beat until it begins to cream. Pour into buttered pan. Break into pieces when it has set.

Fourth Grade Brownies Fly-Up To Junior Scouts

Junior Girl Scout Troop 60, composed of fourth grade girls, met Monday after school in the Juliet Lowe Building for an investiture and fly-up ceremony.

Scouts participating in a flag ceremony were Debra Pryor, carrying the American flag; Paula Cross, carrying the Girl Scout flag; and Cynthia Cawthorn, Marcie Roberts, Diane Bell and Cindy Huber as guards. Phyllis Owens was invested in the scouts and Shelly Malone, Donna Murray, Nancy and Barbara Pries flew up from Brownies to Junior Scouts. Mrs. George Britton, leader, conducted the fly-up ceremony. Each girl repeated two scout laws as they lighted candles representing each law. Mrs. Britton pinned each girl with

a girl scout pin and World Friendship pin. Each girl was given the Girl Scout handshake

and the ceremony closed with the repeating of the Girl Scout Promise in unison.

Mrs. Ellzey Leads WSCS Program

The parlor of the First Methodist Church was the setting for the first meeting of the WSCS for the new year Wednesday, Jan. 5 with approximately 15 members attending.

Mrs. Billy Tom Grant, WSCS chairman, conducted the business meeting.

The program was presented by Mrs. Jack Ellzey. She explained the coming mission study and District-wide Mission Festival. The study, using the theme, "Claimed by God for Missions" will be presented on three Sunday nights, beginning January 30. Upon the completion of the study a District Wide Mission Festival will be held February 20 at the church.

Seven churches thus far have said they will participate in this

festival by presenting their mission project in an interesting, informative and attractive way. Mission work in Mexico, China and Japan will be portrayed among other mission projects with rooms in the church decorated to depict these projects.

Mrs. Jim Copeland and Mrs. Ross Lumsden were hostesses for the meeting.

Army Promotes Sudan Graduate

Richard Hayes, son of Mr. and Mrs. Arthur Hayes, Muleshoe, Tex., was promoted Dec. 20 to specialist four in Korea.

The 20-year-old soldier is a 1963 graduate of Collins High School, Sudan. Specialist four is an enlisted rank equivalent to the rank of corporal. Specialist Hayes, assigned as a radio repairman in Headquarters Company, 2d Battalion of the 7th Infantry Division's 31st Infantry, entered the Army in January 1964. He completed basic training at Fort Polk, La., was last stationed at Fort Dix, N.J., and arrived overseas in March 1965.

The two, former stars at Littlefield High School, played considerably for the Arlington State eleven which had a seasons record of six wins against three defeats.

In addition Tony received a special coaching staff award for improvement, attitude and dedication.

And for wheat - NIPAK 45.

Get better wheat crops and earn bigger profits. Topdress your wheat with Nipak 45

right now - for greater yield and higher protein. Nipak 45 - 45% nitrogen fertilizer from Urea - gives you one-third more nitrogen per pound than any other form of solid nitrogen fertilizer - which enables you to handle less fertilizer and cover

more ground in less time. Nipak 45 is a finely prilled, too. It flows easily, won't clog - or corrode your equipment. Nipak 45 dissolves in the soil moisture and moves

quickly to the root zone when stays put until your crops need it. So for more grow power, ask your local Nipak dealer about Nipak 45. He can help you plan a complete fertilizer program because he

CHEVY PICKUPS RIDE SMOOTHLY

... A BIG REASON WHY THEY'RE LIKED BEST!

Smooth ride is one big reason why Chevy is America's most popular pickup. You get true independent front suspension; front wheels that step lightly over bumps. And most models provide big coil springs at all four wheels to soak up the jolts. You get a ride that's ideal for camper duty as well as work... a tough suspension proved over the past 5 years on rugged jobs. Try a smooth-riding 1966 pickup at your Chevrolet dealer's.

Coast Guard Offers Commissions To Former Service Pilots

The U.S. Coast Guard is offering direct commissions to qualified former military aviators to meet the requirements

of its stepped up aviation programs, Coast Guard Headquarters announced.

Heavily increased lifesaving requirements as well as an expanding air fleet will require more pilots in the next two years than can be obtained through normal training programs.

Coast Guard air stations have recently been established at Los Angeles, Houston, Savannah and Astoria, Ore., and a new station is scheduled to open soon in Detroit. Existing stations at Kodiak and Annette Island, Alaska are adding helicopters to their aircraft fleets.

In addition, modern Coast Guard cutters are designed to carry helicopters and a recent agreement transferring five Navy icebreakers to the Coast Guard has added to the pinch. The icebreakers also carry helicopters.

The Coast Guard cited the Cuban patrols and increased flights to inspect for violations of international fisheries agreements as additional reasons for the shortage.

Veteran flying officers interested in becoming Coast Guard aviators should send resume of flight background to Commandant (PTP-2), U.S. Coast Guard, Washington, D.C., 20226. Applicants must be less than 32 years old and be a graduate of a U.S. heavier than air military flight training program.

--- WILDCATS (Continued From Page 1)

The Tigers kept their 12 point lead up to 4:37 left in the game as they led 63-51 when the automatic clock went out and the game had to be delayed while a stop watch was found so the game could continue.

The rest seemed to help the Wildcats as Lewis, Pace and K. Hutson combined for ten quick points to cut the Tigers lead to 65-61 with only 2:10 left but the Tigers broke away for three layups in the final minute to seal the win for the visitors.

Bullard added 13 and Blum 12 points for the winners while Williams got 13, Pace 12 and Lewis 11 for the Cats with Bradley getting nine, all on free throws.

The winners got 28 baskets and hit 18 of 31 from the free throw line while the Wildcats got 23 from the field and made good on 19 out of 28 free throws.

The Snyder "B" beam also won as they downed the Wildcat Junior Varsity by a 64 to 57 score in overtime.

After trailing by as much as 17 points in the second half the losers staged a wild finish to knot the score at 56 all with 40 seconds left before both teams missed chances to win in regulation time.

The visitors got six quick points to open overtime and won going away as the Cats were able to make only one free throw during the three minute overtime.

Ralph Dangerfield led the losers with 26 points with Nevill Manning adding 21. O.L. Cooper got 16 and Bill Craig 15 to lead the winners.

Health And Safety Tips

Upstairs, downstairs, all through the house are deadly poisons, ready for taking.

Catherine De Medici, says a new pamphlet from the American Medical Association, hid deadly poisons behind a secret panel in her boudoir.

Chances are, says the AMA, your supply of potential poisons is not so well hidden. Seemingly harmless household items--items which cause half a million accidental poisonings in our country each year--are probably stored in every room of your house. Before someone finds them accidentally, look for these items:

- Kitchen killers may include household chemicals such as detergents, ammonia, silver and brass polishes, disinfectants, room deodorants and insect poisons. They may be under the kitchen sink in easy reach of children.

- Medicines cause most accidental poisonings in children, and aspirin leads the pack. Cosmetics, deodorants, shaving lotion and unlabeled medicine can poison adults who take them in the dark without reading the labels.

- The home workshop has its dangers, too. Children are curious enough to drink paints, lacquers, varnishes and turpentine, especially if you leave these chemicals in empty soft drink bottles.

- Garden aids, such as insect sprays, weed killers and fertilizers may benefit your plants, but they can kill children. Store garden chemicals out of reach of children. When applying, keep preparations away from eyes, nose, mouth and skin.

- In the bedroom, never leave cosmetics and pills on table-tops or in low drawers where children can find them. Mothballs are a hazard if you store winter clothes in a low chest or drawer that children can reach.

- Some final precautions--label everything. Keep medicine in a locked cabinet, never store chemicals in food or beverage containers or on food shelves, date medicines and discard old drugs, use only prescriptions ordered for you by a physician, do not contaminate food or utensils with insect sprays, aerosols, rat poisons, weed killers or cleaning agents, and keep potential poisons out of children's reach.

HUNTERS WARNED ABOUT DRINKING

The Texas Safety Association warns hunters that "gunpowder and alcohol don't mix." Hunting while under the influence of alcoholic beverages is extremely dangerous. Two drinks can reduce visual acuity as much as wearing dark glasses at night. Drinking also affects your judgement, balance and reflexes.

Bathroom Study Yields Interesting Results

An ordinary functional bathroom will no longer satisfy everyone according to a study made at Cornell University.

The current trend indicated in the study is toward more than one bathroom -- and toward more luxurious bathrooms.

Mr. and Mrs. Bobby Leonard and baby daughter visited Thursday with her parents, Mr. and Mrs. G.L. McLelland.

Mrs. Alva Person left Friday to be with her daughter, Mrs. Lloyd Clevenger in Tucson, Ariz. Mrs. Clevenger and her youngest daughter have both been ill.

Mr. and Mrs. Hubert Taylor, Steve and Alicia went to Ranger, Tex. over the weekend to visit their daughter, Mr. and Mrs. Jerry Don Basham and son, Mrs. Taylor's mother, Mrs. Julie Taylor returned home with them.

STATE ASCS PRESENTATION . . . Ralph Price, chairman of the State ASCS committee, presents Harvey Vann, local chairman with plaque and cash awards for outstanding performances by the local office period of July 31, 1964 to July 1965. Vann, local chairman, took place Tuesday night at a dinner honoring the local office and employees.

Cotton Harvest On South Plains Nearing Finish

The South Plains cotton harvest was eighty-five to ninety per cent complete on Saturday, January 8th, according to W.K. Palmer, in charge of the Lubbock Cotton Classing Office of the USDA.

The greatest harvest activity was concentrated in the central and southern counties of the South Plains, and the harvest had reached the scrapping stage in the extreme western, northern and eastern counties of the area.

Sample receipts during the week ending last Friday averaged approximately 22,000 a day at Lubbock, 7,000 at Brownfield and 3,000 at Lamesa.

The three South Plains U.S.D.A. Classing Offices classed 169,700 samples during the week ending January 7th, bringing the season's total to 1,763,000. At this date last year the three offices had classed 1,795,000 samples.

Grades of the cotton classed at Lubbock were down slightly from the previous week. Strict Low Middling was the predominant grade with 34 per cent of all cotton classed. Strict Low Middling Light Spotted was next with 33 per cent, Middling Light Spotted made up 13 per cent of the total, Low Middling Light Spotted 3 per cent, and all Spotted and Tinged grades 6 per cent.

Average staple length was lower than the previous week. Ninety per cent was 15/16 of an inch and shorter compared to 83 per cent the previous week.

Micronaire readings continued to decline during the week. Nineteen per cent of the cotton was in the 2.6 and below, or Wasty, category. Thirty-two per cent miked 2.7 through 2.9, 27 per cent miked 3.0 through 3.2, 9 per cent 3.3 through 3.4 and 13 per cent was 3.5 and better.

The Consumer and Marketing Service of the U.S.D.A., reported increased trading on the Lubbock market but prices continued to decline slightly. Demand continued weak for most of the qualities of cotton being harvested, and most interest was in Low Middling Light Spotted and all Spotted grades.

Average prices paid for the most predominant qualities were: Strict Low Middling 15/16 - 26.20, Strict Low Middling 15/16 - 26.70, Strict Low Middling 15/16 - 24.85, Strict Low Middling 15/16 - 25.35, Light Spotted 15/16 - 26.75, Strict Low Middling 15/16 - 26.75, Strict Low Middling 15/16 - 26.75, Strict Low Middling 15/16 - 26.00.

Prices paid farmers ranged from \$52 per ton.

Burt Lancaster stars as a cavalry colonel in 'The Wild Trail,' opening in Technicolor and Ultra Panavision Sunday at the Palace Theatre, through United Artists release at popular and continuous performances. Lancaster's first foray in comedy, the wild-and-wacky story is about the misadventures of a wagon train carrying 1,600 barrels of whiskey. Directed by John Sturges, the film co-stars Lee Remick.

THE FAMILY LAWYER

When Bankrupt Won't Help

Motorist A. held liable for accident, was ordered to pay more than his insurance coverage. He decided to file for bankruptcy. Although the court was reluctant to discharge him, the Motorist B. in a similar case, also tried bankruptcy. This case, that didn't help him going through bankruptcy for the accident still hangs as heavily as before.

The difference in these two cases illustrates an important point: the Bankruptcy Act does not cancel out debts. One debt it does not cancel is liability for "willful and malicious" injuries inflicted on others.

COURT ROOM

Motorist A had caused an accident by just driving a bit too fast. The court held this was not willful and malicious. But motorist B had been at high speed during a rain storm. The court held this was willful and malicious. The owner of a dog knew vicious let it run loose on a street, where it attacked a pedestrian.

In each case, after a judgment for damages, the offender went bankrupt in hopes of "getting under." But in each case after bankruptcy, he was liable for the willful and malicious harm he had done.

A keynote of the Bankruptcy is sympathy for the hapless. But, in the willful and malicious cases, the law's sympathy is ended by behavior that is foolish but wrongful.

Besides, the law often punishes not only the debtor but to the person who has been down, shot, slandered, or defamed.

Langley Rites Held At Olton

Funeral services for L.O. Langley, 77, of Olton, were held Monday in the Olton Baptist Church. The Rev. Lewis, pastor, officiated. Burial was in Olton Cemetery under direction of Parsons Funeral Home.

President of Olton for 10 years, Langley died about 7 a.m. Monday in Community Hospital after suffering an aortic aneurysm.

Survivors include his wife, Mrs. Earl, Lubbock; Ray, Lubbock, Calif.; two daughters, Mrs. O.B. Wiley and Mrs. Ruth Booker, both of Levelland; two step-sons, Charlie Anderson, Clovis, N.M., and Noble Anderson of Lubbock; one brother, C.W. Vernon; one sister, Mrs. F.E. Emmett, Vernon; 13 grandchildren and four great-grandchildren.

Funeral services for Mrs. Susie Steele, 29, an Olton resident for the past five years, will be at 2 p.m. Friday in the Main Street Church of Christ, Olton. J.D. Lancaster, minister, will officiate.

Rites Friday For Mrs. Jim Steele

Mrs. Steele died Tuesday at her residence northeast of Olton following a lengthy illness. She was born in Oklahoma City, Okla., and moved to Olton from Brown, Tex.

Survivors include her husband, Jim; two sons, Rusty and James N., and a daughter, Donetta Michelle, all of home; her parents, Mr. and Mrs. Don Harlan, Pittsburg, Ill.; and a brother, Max A. Wright, Concord, Calif. Pallbearers will be Gene Strell, Don C. Judd, Carroll Lee, Bob Moreman, Bob Huckabee and Jack O'Briant.

Hints On Buying Food Bargains

There are many good food bargains at your grocery store. Know what to look for. Buy Lady Clare Phillips, home demonstration. Fruits and vegetables are not as good looking as "choice" ones can be at bargain prices.

Smart shoppers will look for bargains with a greenish or russet skin and grapefruit with colored splotches. The inside tastes good, but the outside skin may not be perfect.

There are similar bargains at the apple counter. Usually, the redder the skin, the more positive an apple is. Yet, the color of the skin makes the difference in the taste of the apple.

Lettuces that are lopsided or mis-shaped and heads of lettuce that are loose sell for less. Their eating quality is just as good as better looking ones. Loose heads of lettuce actually are a money-saving. There are usually more green leaves, therefore, the head of lettuce will stretch farther.

QUESTIONS & ANSWERS

Q -- I'm married and filing a separate return this year. Which tax table should I use?
 A -- Use tax table C shown in the instructions if you are married and filing a separate return. If you haven't already done so, check whether you and your spouse would save money on your taxes by filing a joint return.

Q -- My buddy told me that you don't have to figure how much tax you owe when you file on the 1040A. Is that right?
 A -- IRS will figure your tax when Form 1040A is filed if you wish and your income is less than \$5,000. When it does you will receive a bill if you owe tax or a refund if you have overpaid your tax through income tax withholding. If your income

is \$5,000 or more you must compute your own tax.

Q -- Do I have to pay tax on my Social Security pension?
 A -- No, Social Security benefits are not taxable income.

Q -- Do I have to file a return to obtain a refund? I earned less than \$600 last year but did have some tax withheld from my pay.
 A -- To obtain a refund you must file a return. The card Form 1040A may be the best, as well as the easiest, for you to use. Don't forget to send us your W-2 form with your return. The W-2 shows how much tax was withheld.

Q -- Would you explain the minimum standard deduction?
 A -- This deduction is \$200

plus \$100 for each exemption taken on the return, but not in excess of \$1,000. A married couple with two dependent children will be entitled to a deduction of \$600 under this provision. A married taxpayer filing separately may deduct \$100 plus \$100 for each exemption, limited to \$500.

Q -- My wife and I are considering filing separate returns. Can I itemize deductions while she takes the standard deduction?
 A -- No, Married couples filing separately must handle their deductions the same way. If one itemizes the other must too. In other words both must itemize or both take the standard deduction. Further, the same type of standard deduction must be claimed by each, if one takes the minimum standard deduction so must the other.

Q -- I've heard that one of the tax benefits for older people is to be able to sell your home at a profit and not be taxed. Is that right?
 A -- If certain conditions are met, you may elect to exclude the gain from the sale of your home. Generally speaking, these conditions are that your adjusted sales price was \$20,000 or less, you were 65 or older on the date of the sale, and you occupied the house as your principal residence for at least 5 of the 8 years before the sale. If you sold the house for over \$20,000 and the other conditions are met, then you may elect to have only a portion of your profits taxed. This tax break is available only once in a lifetime and only if you elect to use it. This is explained in the booklet, Tax Benefits for Older Americans, available at IRS offices.

Q -- Last year the amount I could deduct for child care expenses was raised to \$900. Is the amount the same this year?
 A -- Yes, up to \$900 may be deducted when there are two or more qualifying dependents for which this expense is necessary. Working wives whose husbands are capable of self-support must file jointly and must reduce their deduction by the amount their combined adjusted gross income exceeds \$6,000. A man may deduct these expenses only if he is divorced, widowed, or legally separated, or if his wife is incapacitated or institutionalized.

Q -- I inherited a small house and a little money from my uncle. Will I have to pay a federal income tax on this?
 A -- No, inheritances are not taxable for Federal income tax purposes. If your uncle's estate is over \$60,000, however, there could have been a Federal estate tax due on it. You might be liable for a part of that tax if it was not paid. Also, you should keep a record of the appraised value of the house when you received it. Then you will have a basis to figure your gain or loss when you sell or otherwise dispose of the property or for depreciation purposes if you should rent it.

Q -- When will the new tax forms be ready? I'm due a refund and want to get started on my return as soon as I can.
 A -- Tax forms will be available by the first of the year. For most taxpayers, a 1040 or 1040A tax package will be mailed to their homes. Copies of all necessary forms may be obtained at IRS offices as well as from many banks, post offices and other public places.

Q -- Every Christmas I do some volunteer work for children at the hospital. Is there any deduction for this?
 A -- The value of your time or services is not deductible. However, you may deduct any out of pocket expenses you pay in connection with your charitable work. The fair market value of merchandise contributions is of course deductible.

Q -- I'm going overseas to teach the first of the year. What do I do about my 1965 income tax return?
 A -- If you are a calendar year taxpayer, and are traveling or residing abroad on April 15, you are given an automatic extension until June 15 to file your returns and declarations of estimated tax. However, you must pay interest at the rate of 6% per annum on any tax which is unpaid during this two month period.

Before you leave to go overseas, be sure to pick up a copy of IRS Publication No. 54, "Tax Guide for U.S. Citizens Abroad". It is available at IRS offices at no charge.

Clumsy Texas Car Theft Ring Grows On Public's Gullibility

With simplicity and a lack of criminal sophistication, two Fort Worth men built the largest Texas-based car theft ring uncovered within a decade, G.C. Benson, Texas Division manager, National Automobile Theft Bureau, said recently.

His comments came as the 49th car in the ring operation was returned to its legal owner after intensive investigation by Dallas and Fort Worth police authorities and the NATEB.

Mr. Benson said the two men have now confessed, been charged and jailed while other ring members are still being sought. During its two year operation, he said, the ring handled stolen cars valued at more than \$100,000. He estimated, however, that only half that amount could be salvaged from the recovered cars.

"It's amazing how successfully this ring operated without the slightest hint of a car thief's usual professionalism," Mr. Benson said.

In an effort to avoid detection, most commercial thieves take great pains to alter serial numbers and to use forged or stolen papers before passing "hot" cars to unsuspecting buyers. "But this ring didn't bother with details and technicalities," Mr. Benson said. "They merely traded on the gullibility of the public."

The operation centered at a

Fort Worth used car lot. Cars were stolen from north Texas cities during the night and parked on the car lot for sale the next day.

For a few dollars down and a few dollars a week, an innocent buyer was told he could drive away in a nearly new car. The dealer, it was agreed, would retain the (non-existent) title until a full sale price was paid. Forty-nine times, buyers accepted this "bargain" without question.

Mr. Benson noted that when a car was paid for, the dealer once again avoided having to produce a certificate of title by trading a newer stolen car for his customer's old one. The fraud was continued and papers never changed hands.

In reviewing the ring's success, Mr. Benson warned that auto buyers are obligated to insist on changes of title to their name in order to comply with the law as well as for their own protection. The buyer should also carefully check vehicle identification numbers against numbers on the ownership papers.

"It is ironic that any buyer --- following simple precautions --- could have brought this giant ring's house of cards tumbling to the ground," Mr. Benson said.

The clue finally leading to the ring's collapse was furnished by the National Automobile Theft Bureau's nationwide stolen car identification and information system.

Completes Combat Training

Marine Private Billy D. Vorheis, son of Mr. and Mrs. Tom L. Vorheis of 608 E. 16th St., has completed individual combat training with the Second Infantry Training Regiment at the Marine Corps Base, Camp Pendleton, Calif.

The course included instruction under simulated combat conditions, small unit tactics in both conventional and guerrilla warfare, day and night combat, reconnaissance and combat patrolling, and the effective use of infantry weapons.

He is undergoing two weeks of basic specialist training in his military occupational field. These occupational fields include artillery, infantry, motor transport and supply. Marines assigned duties with infantry units will be taught infantry sub-specialties, such as the machine gun, grenade launcher, rifle or mortar.

Marines assigned to highly technical specialties have been sent to a military technical school for their specialist training.

The Leathernecks bound for the Pacific will receive additional training at the Staging Battalion at Camp Pendleton, Calif. This training will emphasize jungle warfare, patrolling and civic action, based on experience gained in Viet Nam.
