sent 210,000 estimate. Hockley County had its estimate boosted by 10,000 bales and is now tied with Lamb County, Crosby County remained in fifth place with 145,000 bales, the same as forecasted on Aug. 1. Total estimated production

for the 23-county area is now set at 1,961,000 bales, a total that could pump approximately \$319-million into the area's economy. The South Plains haris expected to produce more bales than any state in the nation except, of course, Texas, At that, the South Plains will produce nearly 46 percent of Texas' predicted 4,250,000 bal-A crop of the size now pre-

dicted for the South Plains would rank as the fifth largest ever harvested in the area. The alltime high of 2,344,803 bales was reached in 1961, while the second highest was 2,328,293 bales in 1962.

The Lamb County record came in 1962 when 226,000 bales were ginned -- second only to Lubbock County for all of Texas. The county turned out 172,000 bales from the 1963 crop. A total of 185,000 ares of cot-

ton is planted in Lamb County this year, making the forecasted total of 180,000 bales produce an average of slightly under one bale per acre.

The peak of the harvest season comes about two weeks following the first killing frost when farmers launch mechanical stripping operations on a massive scale.

Irrigation is seen as the major factor in the continued "bumper look" for the 1964 harvest. Dryland cotton across the entire South Plains is viewed by the Lubbock Cotton Exchange as an almost total failure this (See COTTON, Page 6)

Grid Entries Due Friday

It's not too late to enter The Leader-News' first cash prize football guessing contest of the season,

The opening week list of games, together with entry rules, appeared in The Co-unty Wide News last Sunday. The entries must be in this newspaper's office no later

than 5 p.m. Friday. The weekly prize money in the contest sponsored by local participating merch-ants and the newspaper will consist of \$7.50 for first place, \$5 for second place. and \$2.50 for third place. Games in the contest will be published in The News each Sunday and the winners announced in The Leader each Thursday.

The total includes 2,284 pupils enrolled in the Littlefield schools, an increase of 32 as compared to a year ago. The local three-grade high school listed 442 students. County-wide, there are 1,224 pupils en-rolled in high school classes.

Enrollment in the five school systems of the county outside of Littlefield totaled 3,425, an increase of 20. High school enrollment at the five schools was listed at 782, an increase of 68 over last year.

Enrollments are expected to increase on a daily basis in nearly all of the schools during the next two weeks, afterwhich a more accurate enrollment picture will be available.

Out in the county, Olton reported an enrollment of 1.287 students, slightly under last (See STUDENT, Page 6)

well-earned "streaks" on the line. One is that they have won their seasonal openers for the past six years, not losing since the 1957 debut against Plainview. The other is the note Littlefield has not been blanked in 18 straight games, dating back to the 27-0 shut-out dealt by Brownfield in the second game of the 1962 campaign.

Nevertheless, the Wildcats will be distinct underdogs against the Borger team coached Reeves said, by former Littlefield mentor. Gene Mayfield. It was under make the Borger trip, departing Mayfield that the Wildcats last from Littlefield at about 2:30 advanced into the state play- p.m. offs, in 1956,

They're 165-senior halfback David Dillingham and 185-pound senior tackle Joe Barron, Dillingham was the top rusher in Borger's district last season and is billed as one of the loop's greatest breakaway runners. He is going after his third varsity letter.

Other Bulldogs figuring to show high in Borger's attack are center Mike Auld, halfback Robin Harrington, end James Shaw and guard Preston Wilson,

Littlefield's football fortunes and necessity for speed and desire to overcome the Wildcars' lack of weight and overall experience.

Coach John Howle, beginning his third campaign at the Wild-car helm, has 12 lettermen, including seven starters, back from last year's 4-6 record club. Four, and possibly five. of the starters are non-seniors. Lettermen are available for all positions except one end and one

The shortage of weight is borne out by the fact that the starting line will average 171 per man and the backfield will average around 156.

With two backs who can leg the 100 in less than 10 seconds and two others who speed the route right at the 10 second mark, the Wildcats apparently have speed to burn--providing the blockers can give them room to turn on the jets.

Coach Howle touched off the battle cry for the Wildcars when he told the Quarterback Club Tuesday night, "We're not going to Borger not just for a nice bus ride, get our money, eat some chicken-fried steaks and come home. The boys are going to Borger to win a game and we definitely feel we have a good chance.

The Wildcats will take a 29player squad to Borger. The players are all listed in good condition and in the words of Howle, "are looking forward to playing this Borger team,"

Howle said the probable starting line will have Charles Powell and Wilmer Williams at ends, John Dick Carl and George Willard at tackles. Lowe and David Dusek at guards, with Randy Hutson at center. At 190, Carl is the biggest 'Cat, in weight, on the entire squad, Willard is second at 185, Powell, Carl, Dusek and Lowe are returning starters. Six boys, all lettermen, are dueling for the four starting roles in the backfield. The quarterback slot is being challenged by Roy Pierce, Steve Lew-is and Ronald Sitton, Lewis and Sitton are expected to alternate between quarterback and wing-back, while Pierce may have the

Three Women Nabbed For Shoplifting

Three women, charged with shoplifting, have been placed under \$1,500 bond each in Lamb County and turned over to authorities in Muleshoe where they are wanted on similiar charges.

The women. Carlotta Garza, 37, of Bay City, Tex., and Ruby eriz, 29, both of Hobbs, N.M., were apprehended in Plainview Sunday shortly after local authorities had alerted officers there, Approximately \$300 worth of stolen clothing articles were found in their automobile when stopped by Plainview police on a traffic violation.

Articles identified as stolen included dresses and shirts from Anthony's in Littlefield; clothing from Walter Struve's Store and Zarka's in Olton; dresses and shirts from Anthony's in Muleshoe and other clothing items from Cobb's Department Store in Muleshoe.

In other arrests reported by the county sheriff's office. Roy S. Graves of Littlefield was fined \$57.75 on a check law violation; Gilberto Aguirre Littlefield was fined \$25,50 on a traffic violation and James Wooden, also of Littlefield was fined \$16.50 on a traffic violation.

Band Beginners, **Parents To Meet** At Junior High

Two identical meetings, to explain the beginner's band program to students and parents, will be held Monday in the junior high school band hall.

The meetings will be held at 4 and 7 p.m. Parents may attend the session of their choice. Band director Don Hayes said it is important for the child and both parents to attend as instruments will be displayed. Hayes also said it is possible to rent some instruments through the school.

The band beginner's program is available to all interested students in the sixth, seventh and eighth grades.

Indian raids increased to such an extent that Colonel Ronald McKenzie, commander of the 4th Calvalry, was ordered to carry out a campaign against the Comanches. This he did, working out of Fort Richardson. Jacksboro, Fort Griffin, Albany and Fort Concho at San Angelo.

In 1872 McKenzie made the search that carried him across Lamb County, He started from his supply camp southeast of Crosbyton, went through what is now Petersburg and Abernathy and camped on the Double Mountain Fork of the Brazos, east of Abernathy July 31. He contin-ued to follow this fork of the Brazos across Lamb County and camped at Springlake August 2 and at Soda Lake, which is west of Springlake, on August 3. He then crossed into New Mexico and circled around to the north and east, returning across the north plains, McKenzie later found the Indians in Palo Duro

Mrs. Hughes advanced the theory that perhaps these ruins may have been the traditional headquarters or trading place for the Commancheros who brought cart loads of commodities from New Mexico to trade for Texas cattle. They would trade the Indians two loaves of bread for a cow. A keg of whiskey would buy a whole herd.

Emmanuel Lutheran Install Pastor Sunday

Rev. William Remmert, for-merly pastor of Bethlehem Lu-theran Church, Lakewood. Colo., will be installed as pastor of Emmanuel Lutheran Church, Littlefield in a special

service Sunday at 3:30 p.m. The service worship will be conducted by Rev. Harold Ka-estner, pastor of Christ Luth-eran Church, Lubbock, who has served the congregation as interim pastor. The Rite of In-stallation will be performed by Rev. Elmer Neunaber, pastor of Redeemer Lutheran Church. Lubbock, and Area Vice President of the Lutheran Church -Missouri Synod-Texas District.

Rev. Remmert is a native Texan, born in Sealy, on what he terms as "cotton-cattle farm" He grew up in that section and attended a Christian Day School there. He graduated from St. John's Junior College, Winfield. Kans, in 1925 and Concordia Seminary in 1929. A year of "Vicarage" was spent at Kimswork, Mo. where he taught a one-room 8 grade school of 60 children and also conducted Sunday services,

After graduation in 1929, Pastor Remmert married Hattie E. Wuensche of Bishop, Tex. The couple had four children. The first lived but four days. THE WILD WEST

3-AAA Teams Face Toughies

By BERT C. WEST

3-AAA will be in action on the same night for the first time this year Friday and it may take some doing for the league to have an overall winning night,

Five of the seven foes are either favorites or major contenders to win their own district championships.

In addition to Littlefield's journey to Borger, other activities will have Brownfield hosting Denver City. Lamesa entertaining Big Spring, San Angelo Lake View going to Brady. Sweetwater traveling to Breckenridge, Snyder hosting Andrews and Levelland going to Seminole.

One of the major games will be the Snyder-Andrews slugfest. matching two of the top rated Triple-A teams across the state. Both are defending district kings and both are favored by many to repeat, Coach Horrace Bostick's Snyder Tigers will have leading scorer of last year's 3-AAA action, Leslie Brown. back in action, Andrews, considered slightly stronger than boards. year, 8-7,

Another big battle will be the opener between Sweetwater and Breckenridge, Sweetwater has six returning starters. Breckenridge, on the move to resume its winning tradition in 4-AAA, is rated No. 2 in that district -right behind Brownwood. The Buckaroos, with 10 defensive regulars back along with 10 other lettermen, just could be the team that the 3-AAA champwill meet in bi-district. The Bucks beat Sweetwater last year 12-8.

Many eyes will be on the Lake View team when it plays Brady. be weak this year but they looked | Bonham. real strong last week when they opened the season with an upset win over Winters. Brady. choice to win the 8-AA marbles. lost to Ballinger last Friday by a 20-14 count.

Last, but not least, is Levelland. The Lobos get a crack

at Seminole this week, Seminole beat the Lobos, 14-12, last season and has nine starters coming back for another try. Level-land, expected to have a lot of speed, may use the running game

as its major weapon. It should be an interesting Friday night for the district.

GUNNERS . . Springlake unwrapped a trio of passers against Idalou last week, with good results. Jerry Don Sanders, regular quarter-back, completed seven of 10 for 28 yards. Reserve quarterback Doug Messer bagged one of two for 18 yards and halfback Logan Armstrong one of one for 15

All three are non-seniors. Sanders is a junior, Armstrong and Messer sophomores. The latter two are also left-handers.

STREAKS . . . Despite re-ports to the contrary, Petersburg does not own the best allwinning streak currently on the Petersburg has gone Snyder, is counting around 24 through 16 straight without delettermen. Andrews won last feat, but that includes a 13-13 tie with Crosbyton in the next to last game of the regular '63 season, As a result. Petersburg has actually won seven straight and will face Abernathy this week.

Corsicana and Rockwall have the best all-win streaks, 14 in Rockwall, defending Class AA champ, hit the 14 mark last week. It was last beatenin the second game of the '63 season by Lake Highlands. Corsicana won all of its games last year enroute to the AAA state crown and will have its 14game streak on the line this The Chiefs were considered to week when it opens against

> Garland, defending king in the our-A ranks, has gone through 14 games without defeat and has won its last 12 straight. The blemish was a tie with Dallas Bryan Adams in the second game of the 1963 season. Garland opens a new year this week and the opponent is Bryan Ad-

3-AAA NOTES . . . San Angelo Lake View got a jump on the Wildcats and other district foes by opening last week and the Chiefs pulled a major surprise by edging Winters' highly-touted Blizzards, 7-6. Winters is supposed to be one of the top Double-A clubs in the state.

Winters scored first, but Lake View applied the winning touch in the third period when Robert Morse returned a punt 43 yards then Wayne Cook kicked the all-important extra point. Winters' star quarterback.

3-AA FLASHES . . . All members of the six-team circuit except Dimmitt got off to winning starts last week. Friona's Doug Ford took the early lead in individual scoring with 16 points. Olton's Richard Hall and Floydada's Sammy Watts tallied 12 each.

3-A ITEMS . . . Springlake was the lone member of this six-team league to win on opening night and was quite impressive in bopping Slaton. The Wolverines' Jerry Don Sanders and Richard Mitchell are the first week scoring leaders in eight points apiece.

This week, Springlake meets another toughie, Seagraves, Quarterback Dan Rosson and halfback Ron Huffman were the big guns for the Eagles last week. Huffman scored on runs of 30 and 20 yards. Rosson scored one TD and tossed a 32-yard scoring aerial.

SHORT SHOTS . . . Dublin had the biggest scoring production last week, getting 66 points against Moody. Los Fresnos hit 62 in whacking Santa Rosa . . . College foot-ball hits the TV lanes this Sawith opener pitting UCLA at Pittsburgh, starting at the early hour of 10:30 a.m.. Lfd time . . . Quarterbacks Reserve **Bus For Borger Game**

Arrangements are being made by the Wildcar Quarterback Club to charter a bus for fans desiring to attend the Friday

"If we can get enough fans who want to take a bus we'll have it available." Club President Efton Graham said. The bus fare, he said, will be \$7 per seat, and the bus will leave at 3 p.m. Friday from the courthouse on the 170-mile trip to

Persons desiring bus tickets may purchase them at either Brittain Pharmacy, Kelly insurance Agency or the Dairy Mart prior to 5 p.m. today (Thursday). Game tickets are available at Brittain Pharmacy.

In other activity at the Tuesday session of the Quarterback Club, Bassett announced 171 memberships have been obtained for this year to date. Effective next Tuesday, the weekly meetings of the Quarterbacks will be held in the cafeteria of the new high school, starting at 7:30 p.m.

Ranch Employe Killed In Plane Crash Near City

A 40-year-old employee of the Yellowhouse Ranch was killed instantly Monday when his airplane slammed into autility pole and crashed near the ranch headquarters, about 14 miles southwest of Littlefield in Hockley County.

Killed was Justin T. Sisco. who had been employed at the ranch for approximately one month.

Sisco was flying a four-place Cherokee plane owned by Warner Birkelbach of Littlefield. Birkelbach had loaned the aircraft to Sisco, who reportedly had some 500 hours of flying time, for a trip to Fort Worth

with two other persons. The crash occurred at about 4:45 p.m. Monday. Sisco had landed his two companions in Lubbock just prior to the crash and had contacted D.W. Maner via radio at the Littlefield airport. Maner said Sisco told him he was going to buzz the ranch to let those at the ranch know he was back and that he would land at the Littlefield airport "in about five minutes,"

Maner said Sisco had visited the local airport on several occasions and was well-known there.

The plane struck the utility pole and crashed into the ground. The main wreckage of the fuselage came to a halt about 100 yards from the ranch's headquarters building.

Sisco's body was to be ship-ped to Casper, Wyo., for funeral services. Survivors in-clude the widow and two daughters of Carmichael, Calif.; his mother, two brothers and two half-brothers, all of Casper.

Littlefield's schoolboy football season begins on two fronts today (Thursday) as the Freshhost Morton in Wildcat Stadium at 6 p.m. and the Jun-ior Varsity travels to Lubbock Monterey for a 4 p.m. clash.

The Junior Varsity game had been scheduled for Littlefield but has been changed to the Lubbock school. The Junior Var-sity 'Cats have 32 players on the

squad, The Freshmen face a somewhat major task against Morton. Since the ninth grade is not in the same building as the high school, the Freshmen could not begin football practice until the first day of school under Texas Interscholastic League rules. Thus, the Wildcat Freshmen will enter the game with only three days of practice, Some of the Morton players have been drilling since Aug. 17 and the entire squad since Aug. 31.

Approximately 45 players are out for the local Freshmen

Practice has started for the local Seventh and Eighth grade teams, with their opening games carded for next week. The Eighth graders have 56 candidates, while another 75 boys reported for the Seventh Grade drills.

All together, approximately 236 players are on hand for the varsity, junior varsity, freshmen, seventh grade and eighth grade football teams.

Amherst Boasts 10 Lettermen

With 10 lettermen available from last year's District 2-B championship squad, the Amherst Bulldogs take out in pur-suit of their 1964 football fortunes tomorrow night when they travel to New Home.

"We will be strong in the speed department, but lacking in overall size and experience." Coach Bert Grimes commented,

According to the pre-season roster, Amherst has only one boy tipping the scales at more then 170 pounds and that is sen-

ior letterman tackle Neil Duffy, who weighs in at 178. The Bulldogs have experienced lettermen for all positions except the vital center and quarterback slots. A 168-pound freshman. Mike Slate, and 153pound sophomore Len Mixon. moving up from the B-Team, are the two listed bidders for center. A pair of sophomores who saw duty on the B-Team last season are the quarterback candidates. They are 156-pound James McAdams and 140-pound Gary Johnson.

Lettermen in the backfield are fullback Guy Hufstedler, 150-pound senior and halfbacks Eddie Hedges and Leon Hardwick. Hedges is a 135-pound junior while Hardwick is a 145-pound sophomore who earned a varsity letter as a freshman.

At most, the Amherst backfield will average a mere 146 or 147 pounds per man.

Returning lettermen for the line are senior guards Sam Sawyer and Darrell Priddy; tackles Duffy, Bob Campell and Keith Kelton--the latter two are juniors; and ends Stanley Simmons and Billy Sherrill. Simmons is the most experienced hand on the team, with the 161pound senior shooting for his third letter.

Other candidates for the team are as follows:

Guards--freshmen Butch Mo-Rodney Harris and Mike Peel, and sophomore Rockie Carpenter.
