

Extensive Improvements Sought In Development Of Airport Here

City Building Permits Almost Reach \$500,000

Building Figure By \$100,000 Issued April 4

permits issued by the Littlefield show a total of \$500,000 spent, or being spent, since May 1 of this year.

total, \$371,910.00 were issued for June, \$26,200.00 for July, \$325,000 for May. The \$325,000 was used for construction of Littlefield High School and one total skyrocket.

51 Per Cent The month of May the permits issued hit the mark in 13 Texas cities according to a report from the Texas Bureau of Research. Building permits in Texas cities amounted to \$50,000,000 in May, showing a 51 percent increase over seasonal average.

Deposits Of Littlefield's Banks Over Three Million Dollars

deposits of Littlefield's banks were up well over three million dollars at the end of June. The period in 1949, despite prolonged drought and crop prospects, deposits stood at \$3,350,000, compared with \$3,035,000 against \$3,791,028.42 at the end of June, the Security Bank showed deposits on \$2,601,599.98, compared with \$44.48 of a year ago.

Is Hottest Past Week

by the West Texas company, the thermometer Sunday as the hottest.

Littlefield Trade Area Gets More Moisture

which fell over Littlefield trade area Tuesday Wednesday brought additional and cooler weather. In an interview with Assistant County Agent J. G. Simmons Wednesday, he stated that the first rains which fell over the area were worth a lot of money to the farmers, but that in most parts of the county they had now received plenty of moisture for planting, and for the growing crops, and did not need additional rain at this time.

Fairly General The past two days general in the area, with precipitation West, South of here. reported an inch moisture one-half inch; Oil Springs one inch; Springlake one inch.

LAMB COUNTY LEADER

OFFICIAL NEWSPAPER OF LAMB COUNTY

VOLUME XXVII, LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, JULY 13, 1950 NUMBER 40

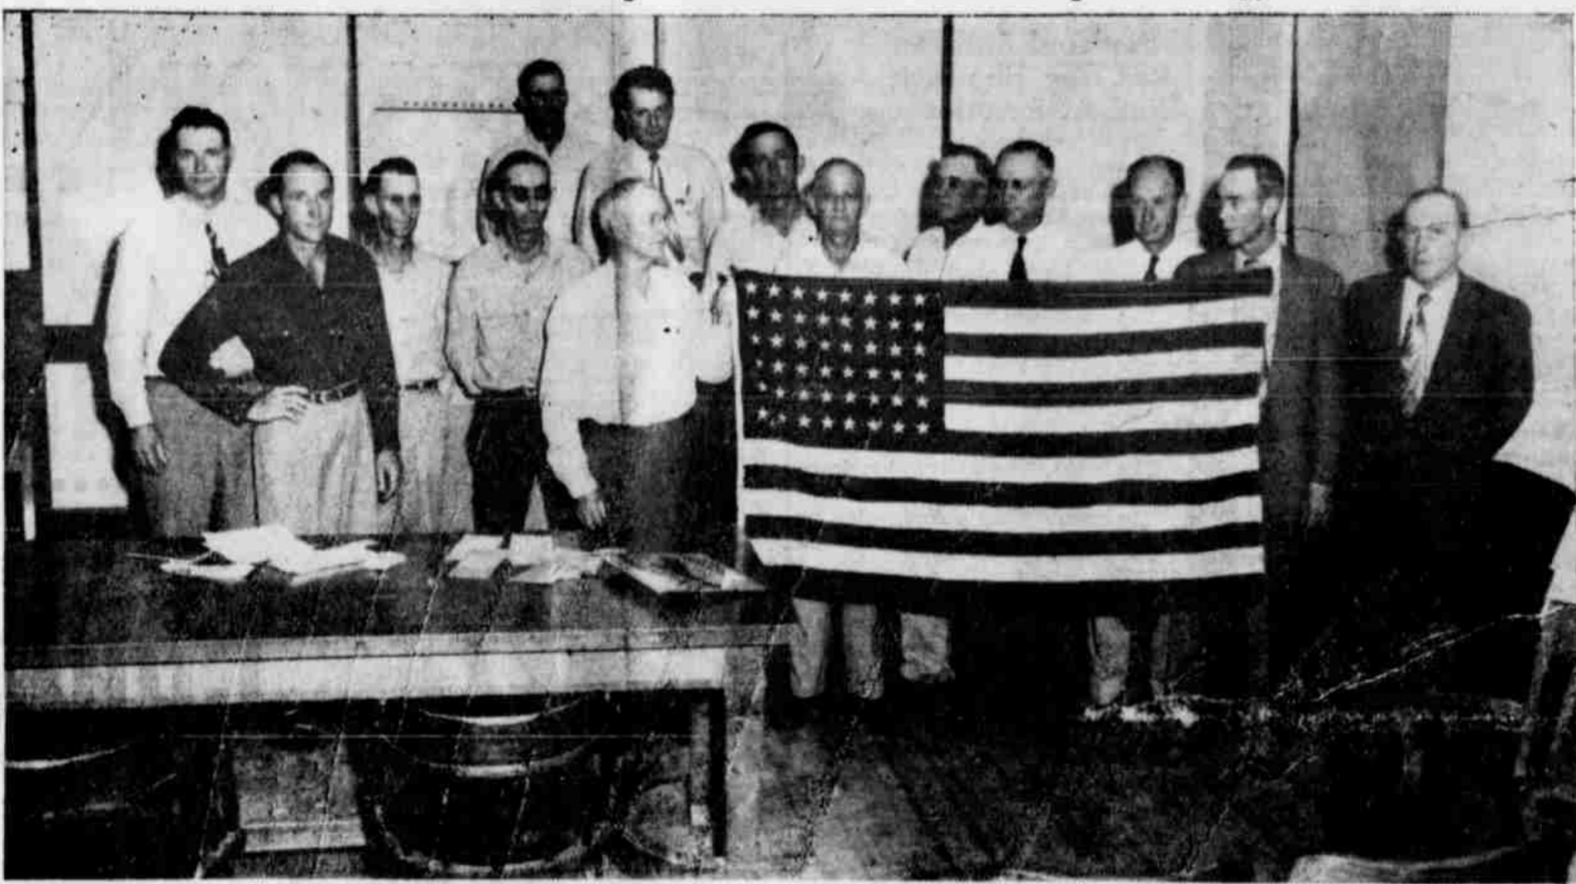

Last Rites For Mrs. Jackson, Today

Mrs. Lizzie Lee Jackson, wife of G. W. Jackson of Spade, passed away at the South Plains Cooperative Hospital, Amherst, Wednesday morning at 8:15 o'clock, following a lengthy illness.

Last Rites Today Funeral services will be conducted at the First Baptist Church, Spade, this afternoon (Thursday) at 4 o'clock. Interment, in charge of Hammons Funeral Home, will take place in the Littlefield Cemetery.

Leaves Husband Mrs. Jackson is survived by her husband, two sons and two daughters, six brothers, one sister, and six grandchildren. The sons are: Elbert W. Jackson of Spade and Vernon Jackson of Lubbock. The daughters are: Mrs. W. D. Nutler of Globe, Ariz., and Mrs. C. A. Page of Goldthwaite, Texas. The brothers are: Charlie, Jim, Lee, Lewis, Floyd and Jess Tibbitts, and the sister is Mrs. J. A. Jackson.

Woodmen Present Flag To Lamb County Sheriff's Posse

Presented herewith is the group of members of the Lamb County Sheriff's Posse and Woodmen of the World, who gathered at the courthouse Monday night in connection with the presentation of the flag by the local camp of the W.O.W., to the recently organized posse. Top, back row—E. O. Miller, member Sheriff's Posse; Sheriff Sid Hopping, sheriff of Lamb County; Others in the group, left to right, are: Dutch Higgins, Neil Webb, Bob Nichols, R. V. Armstrong, Lon Campbell, president of Sheriff's Posse, holding flag; Alvin Bagwell, "Doc" Wright, Lidridge Foust, E. C. (Buck) Ross, Allen McDonough, Merle S. Beard, and W. D. Chapman. All those in the group are members of the Sheriff's Posse with the exception of Mr. Beard and Mr. Chapman. Mr. Beard is consul commander of Littlefield Camp No. 3871, W.O.W., which is one of the outstanding camps in the nation. Mr. Chapman is district manager for the Woodmen of the World. Mr. McDonough is the major of the uniform ranks Woodmen of the World in Northwest Texas. The local camp has presented flags to many organizations in Lamb county and adjacent territory. This is part of the camp's good citizenship program. Photo by Nail

1950 Football Schedule For Littlefield Wildcats

September 1	CROSBYTON	Here
September 8	LOCKNEY	There
September 15	OPEN	
September 22	POST	Here (Conf.)
September 29	ROSCOE	Here
October 6	Brownfield	There (Conf.)
October 13	Mulshoe	Here (Conf.)
October 20	Slaton	There (Conf.)
October 27	Morton	There (Conf.)
November 3	Tahoka	Here (Conf.)
November 10	Levelland	There (Conf.)

The Littlefield Wildcats, State District 'A' Football Champions last year, are lined up with eight other teams in the district and face what may be one of their toughest seasons. Conference games included on the 1950 schedule, released this week by Coach Jay Fikes, will be played with Tahoka, Slaton, Levelland, Mulshoe, Post, Brownfield and Morton. Since 16 of last year's State Title-winning team will not be in school this season, the Wildcats have been hacked down from a 175 pound line average to a much lower figure. Littlefield, in order to win district championship this year, must face eight teams instead of the four they met and defeated last fall, when the district was divided into a northern and southern half. Among the Wildcats who will be pushing ahead for Littlefield in the fall are Gene Renfro, a first string linebacker last year, Dickie Hopping, first string offensive center last year, Bobby Cox, first string defensive end and several other prominent lettermen. The Wildcats have won honors during at least five of the six seasons played since 1944. Until 1948 Regional Championship was as high as 'A' District teams could go, and the Wildcats took that honor in 1945. In 1944, 1946 and 1948 they won Bi-District. The climax came last year when the Wildcats defeated Mexia at Abilene to win the State Championship. Coach Fikes declined to say definitely which team in the district would prove hardest to down. Last year Levelland made the Wildcats play a close game to final triumph 20-13.

Attends C. of C. Managers School

Pat Mann, Secretary-Manager of the Littlefield Chamber of Commerce, left Saturday to attend the Southwestern Institute Managers School, which is in session from July 9 through July 15. Mr. Mann was accompanied by Mrs. Mann, who will visit her parents at Arlington, while her husband is busy attending the Chamber of Commerce Managers school.

Draft Board Ready For Orders No Change, Yet, In Organization

Since the Army made its recent call for 20,000 recruits, the Lamb Cochran-Bailey Tri-County Draft Board has received no new instructions that would alter present draft and registration procedure, it was announced Tuesday by Floyd Coffman, Lamb County representative on the board. Records of all new old registrations have been kept up to date, and Coffman said draft operations will begin when an order comes calling for it. Organization Unchanged The Selective Service Board, which has its headquarters at Mulshoe, has been operating with a very limited program since the last call for draftees in the fall of 1948. One stenographer has been employed two days each week and board meetings are held once a month. A total of 2,500 men in the three counties were registered during the 1948 registration. Lamb County furnished 1,300 within the age limit. Bailey County registrants totaled 500 and Cochran County, 700. Three men in the 18-25 limit were drafted from each county during the 1948 call.

No Clues Developed In Girl's Disappearance

The search for Betty Lou Litvlefield, College Heights school girl, who disappeared two weeks ago, has developed no information as to her whereabouts. Police, friends and relatives continue actively to search for the missing girl, but they have uncovered no clues as to her whereabouts. Searchers Baffled The father of the missing girl said that all searchers are baffled over the girl's disappearance. Where she is continues as great a mystery as it did on the Thursday night about two weeks ago when she was last seen in Lubbock.

Youth Is Injured In Motorcycle Mishap

Jerry Mac Jones, 17, a Sudan resident and a son of V. M. Jones, also of Sudan, sustained head injuries when he was thrown from his motorcycle about 1:10 p. m. Tuesday. The accident occurred on the North road, about four miles north of Sudan. The youth was found near the water tank at the farm home of Sterling Reese. Mrs. Reese found the boy and summoned help. He was brought to Sudan and afterwards to the Amherst hospital. The accident was investigated by Deputy Sheriff T. C. Gilbert.

Longer Runways, Lights Sought For Local Field

Extension South of Phelps Avenue Part of Program

Extensive improvements are under consideration for Duggan Field, Littlefield's airport. The proposals are to be presented to the Civil Aeronautics Commission at Big Spring immediately. Proposals include the extension of the runways to a minimum of 4,000 feet; lights for the runways, and an administration building. It is planned to change the direction of the runways so that they will extend more in a northerly and southerly direction, which is the prevailing wind course. The tentative plan is to close a road extending west from Highway 51 and between the airport and property owned by the Duggan family. This road would be closed to the west side of the airport and to the west side of the Duggan land. The new outlet from the west, in connection with this road, would be a road extending north and south between Duggan Field and property owned by Jess Elms; in other words, it would be an extension of Phelps Avenue southward. An exchange of land between the County of Lamb, which owns the airport, and the Duggan family would make the extension of the runways possible. This exchange would be 100 acres.

"Skeet" Dillard Asks Election As Constable

F. V. (SKET) DILLARD

F. V. (Skeet) Dillard, a resident of Lamb county for the past 25 years and an experienced law officer, has authorized the Lamb County Leader to make his official announcement in connection with his candidacy for election to constable of Precinct 4. This precinct consists of Littlefield, northeast Pep, Sunnydale, Yellow House, Switch, Spade, Hart Camp and Fieldton. Mr. Dillard's announcement to the voters is as follows: "In asking you to elect me constable, I come before the voters as a platform of service, meaning I will be ready and willing to serve you efficiently no matter what hour of the day or night. "If I am elected I will devote all of my time to the work of my office. "Lamb county is my home and I would like to work here and do my part in making Lamb county a better place in which to live. YOR McGUP

By John Jarvis

The Big Idea of Faith and Peace

JP IN PAWLING, N. Y., there is published a very small magazine with a very big idea. A lot of people believe in this big idea, but few do anything about it. Dr. Norman Vincent Peale, editor-in-chief of this little magazine, called Guideposts, is doing something about it every day of his life. The idea? Peace.

What Dr. Peale urges all of us to do cannot be furthered by the idea, for all he asks us to do is within our power: to have faith. "Faith," we read from The Book, "is the substance of things hoped for, the evidence of things not seen."

Carnegie

If you haven't looked up the definition of "substance," here it is: substance means "the substantial part, the main part," of anything. So substance is the main part when we hope.

We live by faith. If we didn't have faith, we would accomplish nothing, have nothing, be less than nothing. So let's cooperate with this man who is spending his life in helping all of us. Let's follow some suggestions he sets forth, and in which he has great faith. Here are those suggestions. It will help you every day of your life to follow them to repeat to yourself every morning as you start the day:

- 1—I will seek a change within myself that I may have inner peace.
- 2—I will seek to effect, with God's help, a similar change in my family, my social group, my community.
- 3—I will seek to make my faith infectious that I may attract other people to God by what I am.
- 4—At every opportunity, I will pray for peace, speak for peace, act for peace, and think for peace.
- 5—I will try to win at least two others to a similar dedication and charge them each to do likewise.

Dr. Peale says that if this process is repeated only 31 times, the entire population of the world can be reached. And it can start with you.

If you would like to have a copy, or several copies, of an article on peace that appeared in Guideposts, write for it to Guideposts, Pawling, N. Y. You don't have to send any money to get it, but every penny counts in printing more and more copies.

Nearly Two Thousand School Districts Consolidate In First Year Of New Plan

Consolidation of 1,920 school districts the first year Texas' new education laws were in effect has resulted in larger school units and a better school program, J. W. Edgar, state commissioner of education declared today.

Consolidations have made possible better building equipment and facilities, teachers giving instruction in fewer subjects and a vastly broadened program of vocational agriculture, trades and industries, and home economic instruction which means better schools for Texas children, Edgar pointed out.

The total number of school districts dropped from 4,412 in 1948 to 2,492 operating districts during the last school year. A total of 1,300 of these consolidations were mandatory under new school laws.

"Six hundred and twenty school districts, however, voluntarily merged with other districts," Edgar said.

In addition, the total number of county unit systems (one school system for an entire county) doubled, making the total twenty-four. Edgar also predicted that consolidations for the 1950-51 school year would total an additional 300, bringing the total number in the state down to approximately 2,000.

Most of the smaller schools in the state could not afford adequate library and laboratory facilities, or equipment and teachers for vocational agriculture, trades and industries, and home economic courses, Edgar pointed out.

"While there has been commendable increases in library, visual aid and laboratory facilities, there has been a tremendous expansion in the vocational departments," Dr. Edgar said.

SPARKLERS ... Jean Williams of Nashville, Tenn., displays the million dollars in diamonds she wore when she was crowned "Queen of Diamonds" at the opening of a New York Diamond center.

ON WISCONSIN ... Guy M. Sundt has been appointed director of intercollegiate athletics at the University of Wisconsin. He succeeds Harry Stuhldreher who resigned the post to become a 120,000-a-year public relations director for U.S. Steel corporation.

New Department Of Business Education At Tech College

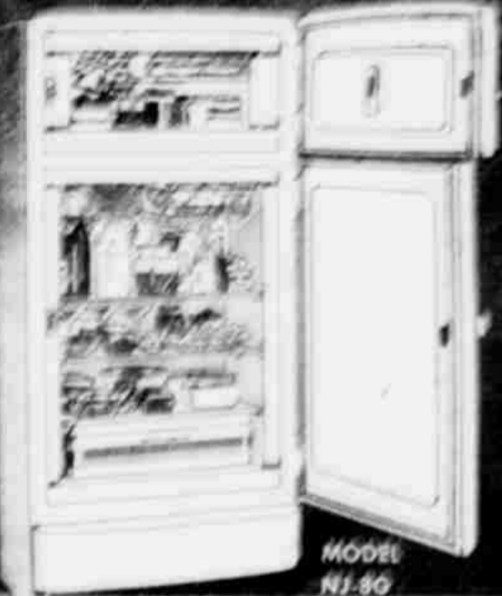

Establishment of a new Department of Business Education and Secretarial Administration in the Division of Business Administration and appointment of Dr. Clifford H. Shipley of Bowling Green, O., as head has been announced by Pres. D. M. Wiggins of Texas Technological College.

Dr. Wiggins said Shipley will be responsible for development and direction of a new master's degree program of study for secondary school business teachers to become operative on a full scale next summer and for direction of undergraduate business teacher training, the secretarial administration program and Tech courses in office management.

Dr. Shipley, 46, native of Turner, Kan., holds a bachelor of science degree in mathematics and science from Baker University, a master's degree in education and business administration from the University of Michigan, and a doctor of education degree in business education from Columbia.

He has 15 years of teaching experience and for the past three years has been associate professor and director of graduate business-teacher training in Bowling Green State University. He is state director of business education research in Ohio.

FIELDTON FACTS

Mr. and Mrs. Clive Royal of California visited here a short time Saturday with Mr. and Mrs. Ted Royal and children and Mr. and Mrs. Jim Easter. They were returning home from a visit in Oklahoma.

Mr. and Mrs. Jim Johnson and son, visited last week in Oklahoma with a brother of Mrs. Cowan. The brother has been seriously ill for some time.

Visit Near Plainview
Mr. and Mrs. W. J. Aldridge visited Sunday with her sister and husband, Mr. and Mrs. J. Wright, near Plainview.

Visitors From Oklahoma
Mrs. Bob Shaw and Loyd Joiner of Lawton, Oklahoma, are visiting with their parents, Mr. and Mrs. John Muller. Miss Myrtle Muller and her brother, Ray Muller, their parents, Mr. and Mrs. John Muller, who accompanied them home.

Attend Camp
Several girls accompanied Mrs. Glenn Wilson to the Baptist Camp near Floydada Monday. Rev. Wilson had taken the boys last week to the boys camp. Some of the parents attended assembly services July 4.

Paducah Folks Here
Mr. and Mrs. T. M. Faulkenberry of Paducah visited here last week with their children and grandchildren, Mr. and Mrs. Sherman Rushing and daughters, and Mr. and Mrs. Paul Green.

In Hospital
T. E. Elliott was a patient last week in the Littlefield hospital.

Visit in Muller Home
Mr. and Mrs. Fred Muller and Mr. and Mrs. Louis Cox of Hereford spent Sunday here with the John Muller family, parents of Fred Muller.

Spend Week Here
Mrs. W. P. Willis of Littlefield is spending the week here with her son and family, Mr. and Mrs. Bill Willis and Barbara.

To Dallas for Medical Treatment
Royce Goynes accompanied his father to Dallas last week for medical treatment. The elder Mr. Goynes lives near Portales, N. M. Mr. and Mrs. Ebe Elliott and two sons visited last week with Mr. and Mrs. Goynes and son near Portales, N. M.

Visit in Royal Home
Mr. and Mrs. Lawrence Royal of Plainview visited here last week with his uncle, Mr. and Mrs. Ted Royal and family.

Navy Needs Officers For Overseas Duty

Visit Relatives
Mr. and Mrs. Otis Testerman and Jim Testerman visited with relatives at Sudan and Muleshoe July 4th.

NEW ORLEANS, La., July 9 — Since Naval Reservists, both Organized and Volunteers, are desired for active duty, Rear Admiral W. K. Phillips, USN, Commandant of the Eighth Naval District, today announced that the machinery has been set up throughout Texas, Oklahoma, Louisiana, Arkansas and New Mexico for processing applications of those who volunteer.

Go to Portales
Mr. and Mrs. Royce Goynes and sons visited Sunday evening with Mr. Goynes' parents near Portales, N. M.

"The Navy needs additional male officers and enlisted men," the Admiral said. "Primarily it needs them for afloat and overseas duty."

Attend Reunion
Mr. and Mrs. C. V. Hill, Mr. and Mrs. Eldon Hill and child, Mr. and Mrs. Clark Hill, Jr., and children and Mr. and Mrs. H. Collins attended a family reunion in Wellington, Texas, Sunday.

The Navy requires a minimum of six months active duty from those who volunteer. Twelve months of active duty will be guaranteed to those who desire it.

Visit Sick Bed
Mr. and Mrs. Paul Huskell and sons and Mr. and Mrs. C. G. Barnett visited Sunday with Wayne Barnett, who was a patient in the Payne-Shotwell Hospital.

Male officers should submit their requests for active duty directly to the Bureau of Personnel (Section Pers. B1), Navy Department, Washington 25, D. C. The Bureau of Personnel will issue all orders to officers. Aviation officers should include flight time and types of plane flown during the past year in their applications.

Visit in Nelson Home
Mr. and Mrs. Buster Morgan and daughter, who live near Dimmitt, spent Sunday here with Mr. and Mrs. Bernard Nelson. Mrs. Nelson is Mr. Morgan's sister.

Visit in Oklahoma
Mr. and Mrs. S. G. Cowan and

Enlisted men are to volunteer at their nearest naval recruiting station. There are 51 naval recruiting stations in these five states, 45 of these are sub-stations. Those who volunteer at recruiting sub-stations will be transported to Main Recruiting Stations for final determination of eligibility for active duty. All those finally accepted will be given active duty orders immediately and sent on to receiving stations for further assignment.

All enlisted applicants must be physically qualified for unlimited active duty and have at least one year remaining in their current naval reserve enlistment.

Applications are not desired at this time from Chief Petty Officers, except in the ratings of sonar-men, radarmen, fire-controlmen, fire-control technicians, air controlmen, mineman, communications technicians, yeomen and photographer's mates.

No volunteers are desired at this time from enlisted personnel in the recruit and apprentice grades.

Enlisted organized naval reservists, who intend to volunteer for active duty should contact their local naval reserve Inspector-Instructors prior to reporting to recruiting station.

The Navy's need for officers applies to those ranks of Lieutenant Commander and below in the cases of unrestricted line, both aviation and non-aviation, and also Supply, Dental and Civil Engineer Corps. Officers of the rank of commander and below are needed in Medical, Electronics, Intelligence and Communications branches.

Nelson Seeks Place On Criminal Court

Former State Senator G. H. (Hobert) Nelson of Lubbock County is spending the last days before the July 22 primary campaigning in his native North East Texas for Judge of the Court of Criminal Appeals.

Nelson, who has been honored by the people of West Texas as county attorney, district attorney and state senator, was reared in Cass County. He is the son of Mr. and Mrs. Henry D. Nelson of Linden, Texas. He was educated in the public school of Cass County, East Texas State College at Commerce, and the University of Texas law school. He married the former Miss Aileen Hackney, daughter of Mr. and Mrs. J. P. Hackney of Pickett, Hopkins County.

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, JULY 13, 1950

NUMBER 40

Cotton Insect Meetings Are Scheduled For Lamb County

Cotton insect identification and
control meetings will be conducted
in Lamb County during the weeks
of July 10-13 and July 17-22.

These meetings will be held at
the following places and times:

Thursday, July 13 at 1:30 p.m.;
Yellow House (Bainer Switch)—
meet at the gin.

Friday, July 14 at 9:00 a.m.;
Hampton Gin, approximately 4
miles west of Littlefield.

Friday, July 14 at 1:30 p.m.; Su-
dan—Meet at Farmers Coop Gin.

Monday, July 17 at 9:00 a.m.;
Spade at Farmers Coop Gin.

Monday, July 17 at 1:30 p.m.;
Fieldton—Meet at Coop Gin. This
meeting is for farmers of the Field-
ton and Hart Camp communities.

Tuesday, July 18 at 9:00 a.m.;
Earth—Meet at the Community
Building.

Tuesday, July 18 at 1:30 p.m.; Ot-
ton—Meet at Straw Gin.

Wednesday, July 19 at 9:00 a.m.;
Spears & Massey Gin—6 miles east
of Amherst. This meeting is for
farmers of the Amherst and Little
field area.

The purpose of these meetings is
to acquaint the cotton farmer with
the cotton insects that will be en-
countered in Lamb County this
year. How to make fields count to
determine whether control should
be started or not will be demon-

strated. Bulletins giving the con-
trol of each of the cotton insects
will also be given to each one at-
tending. Identification of all the
major cotton insects of this area
will also be demonstrated.

Everyone interested in cotton in-
sects is cordially invited to attend
one or all of these meetings.

These meetings will be conduct-
ed by David F. Eaton, County Ag-
ent and James G. Finney, Assis-
tant County Agent and it is expected
that Guy E. Carpenter, District 2
Extension Entomologist, will be
present at two or three of the meet-
ings.

In the event any of these meet-
ings have to be postponed because
of rain, they will be scheduled at
a later date.

Local Sprouse-Reitz Manager Relieves Portales Man

F. T. Halton, manager of the
local Sprouse-Reitz store, is re-
lieving Howard Clements, the man-
ager at the Portales, N. M.,
Sprouse-Reitz store for two weeks.

Mr. Halton went to Portales Sun-
day to relieve the manager who is
on a vacation.

Littlefield Dusted For Second Time This Season

Voluntary Enlistments Still Slow Some Say They'll "Wait and See"

The recent draft call for 20,000
men asked for by the army has
caused no noticeable upsurge in
recruiting at the local U. S. Army
and U. S. Airforce Recruiting Sta-
tion, according to T/Sgt. Gerald
F. Cutshall.

"We've had lots of boys in dur-
ing the last few days asking for
details and information," the ser-
geant said. "But most of them
want to wait and see how this
draft is going to effect them."

Cutshall said recruiting had
jumped as much as 300 per cent
in some areas of the nation, par-
ticularly in large cities where daily
newspapers made draft-age men
more conscious of tension caused
by the Korean War. Littlefield,
however, has sent in only one en-
listee since the new draft infor-
mation was released.

Tuesday morning Jett C. West
of Amherst, a graduate of Little-
field High School left for Ama-

rico to enter the U. S. Airforce. If
he is accepted for duty West will
be sent to Lackland Air Base at
San Antonio to begin training.

Cutshall said he expects enlist-
ments to increase as soon as draft
machinery is put in full motion
and actual inductions begin. He
encouraged immediate enlistments,
stating that "Now is the time for
those men who will have to go any-
way to get in on some of the ex-
cellent openings still available." He
said high school graduates who
can pass physical and mental tests
are eligible "right now" for offi-
cers candidate schools.

"Enlistees today have a chance
to select the branch of service and
the type of work they prefer," Cut-
shall said. "That may not be true
in a few months." The U. S. Army
and Airforce Recruiting Station in
Littlefield is at 110 West Fifth
Street.

According to Mayor A. C. Ches-
her, work was completed Tuesday
night in the dusting the City with
DDT mixture for the second time
this season.

This is being done with a new
dusting machine recently purchas-
ed by the City Commission.

In an interview with Mayor
Chesher Tuesday he stated that
if the damp weather continued and
the flies gave any trouble they
would give the city another dust-
ing soon.

Sgt. Charles Chapman Transferred To Denver, Colo.

Sgt. Charles Chapman, who has
been a patient of a hospital at Bar-
stow, Cal. for the past two months,
much improved, has been released.

Sgt. Chapman, according to his
parents, Mr. and Mrs. W. D. Chap-
man, has been transferred to Den-
ver, Colo.

Sgt. Chapman will leave about
next Wednesday for his new post.

Enrollment Of Children Increases Under New School Laws, Says Commissioner

Texas' new school laws, in force one year, have had the desired effect of providing better education and of bringing more children into the classroom.

Average enrollment skyrocketed more than 100,000, L. P. Sturgeon, state associate commissioner of education, said here today.

"A renewed interest among educators in getting children into the schools plus more attractive programs offered the pupils have had the desired effect," Sturgeon said.

"The spotlight of publicity thrown upon the schools while new education laws were being studied by the public and enacted by the last legislature has caused Texans to take more interest in their schools than ever before.

"An illustration of this is the fact that in some districts members of civic clubs have designated themselves as attendance officers. They have been extremely helpful to the school administrators in urging attendance so that Texas children can have a better education.

Every District in the state has waged intensive campaigns to get children in school and keep them there, Sturgeon said.

Schools have expanded or instituted classes in shop work to interest older children.

Classes for handicapped children have increased 50 per cent. They like many other special school services, were made possible by allocation of state funds under Gilmer-Aikin school laws.

Visual aid facilities have been augmented, Sturgeon said, increasing the interest of children in school work.

School terms of six weeks or two months during the summer are popular in many sections of the state, according to Sturgeon. These make it possible for students to complete their annual educational work and yet allow schools to be dismissed during winter vacation time.

Sturgeon also reported that roads are better made on the problem of regular attendance of Latin-American and Negro pupils. Immigrant workers are going to leave their children in school only two or

three months of the year, at most, Sturgeon pointed out.

Some districts which have heavy Latin-American and Negro populations reported gains in attendance of 15 per cent and more during the last school year as compared with less than 5 per cent state-wide gain.

But even with the increase in attendance, there are still approximately 150,000 children of school

age in Texas who are not enrolled, Sturgeon said. These are children whose parents are starting them in school a year later or older children who do not enter high school.

One of the most serious problems confronting school districts is lack of classroom facilities, according to Charles H. Tennyson, executive secretary of the Texas State Teachers Association.

Surveys by that organization and state school officials show that 50 per cent of the school districts this year increased their classroom facilities. Many others will add classrooms during 1950 and 1951, Tennyson said.

"These necessary additional fa-

cilities will be made available due to increased revenue obtained by the schools through the new and equitable laws which produce more funds, from both state and local taxes," Tennyson said.

Seeks Re-Election To Office Of Associate Justice

JUDGE W. N. STOKES

Sermonette

By Rev. L. Pruitt, Pastor of the S. T. Baptist Church, Littlefield

THE CHURCH

The Church is Christ's bride, and for a bride to fail to love is falling in all things. It is idle for the wife to say that she is obedient. If love to husband has evaporated, her wifely duty can not be performed.

So our love to Christ joins us together in communion with love for Christ and the Church. If we leave the first love, we have left all. He does not approve of a dead church.

A dead church is a breeding place of evil, a home of devils.

A live church is a little heaven, the resort of angels, a Temple of the Holy Ghost. In some of our churches it is cold. The members are holy fetters. It seems as if a general frost has come and some are colder than others, yet all are below zero. It was Christ who built the Church and said, "Upon this rock I will build my Church and the gates of hell shall not prevail against it. The angel of God comes to the Church as the days of old and saith, 'Let not your heart be troubled.'"

In another column of this issue appears the announcement of Judge W. N. Stokes for re-election as Associate Justice of the Court of Civil Appeals of the supreme judicial district. The court is located at Amarillo. Judge Stokes is well known in this section of the state. He enjoyed a successful law practice at Vernon for a number of years. He was appointed by the Governor as District Judge of the Forty-sixth Judicial District, composed of Wilbarger, Harteman and

Foard counties, and served in that capacity for eight years when he was appointed by the Governor to his present position on the Court of Civil Appeals. He has been a member of that court during the last thirteen years, having been twice elected since his appointment by the Governor. In addition to his services as judge on the courts, he was appointed by the Governor in 1940 as a member of the Texas Civil Judicial Council and has served in that capacity for ten years in addition to his duties as a member of the appeals court. The duties of the Council are to make constant study of the laws and court system of the state and submit recommendations annually to the Governor, the Legislature and the Supreme Court as to such changes in the laws of the state as, in its judgment, should be made.

The Court of Civil Appeals is composed of Chief Justice E. L. Pitts, Associate Justice, James G. Lumpkin and Judge Stokes. It has appellate jurisdiction in civil cases arising in forty-six Northwest Texas counties, an area about the size of the State of Ohio.

Triumph of Anatomic Design
is a tremendous success!

Way back in February, the first models of the brilliant new 1951 Kaiser were publicly reviewed in major cities across the nation. The reaction was immediate. Spontaneous enthusiasm from all who saw this great new car. Then, beginning on May 10th, the 1951 Kaiser was put to the acid test: it was offered generally for sale to the American public in dealer show-rooms from coast-to-coast.

The result? Everywhere, new owners are acclaiming its spectacular, low-slung beauty... its landscape-sweeping Control Tower Vision... its easy-to-enter High Bridge Doors... its road-hugging low center of gravity... the sensational performance of its new Supersonic Engine.

The unprecedented demand for these new cars clearly establishes the 1951 Kaiser as the value leader in the medium price field. Indeed, a majority of buyers of new 1951 Kaisers are trading-in late models of other makes... to own the only really new car you can buy!

Despite extended work-days and the huge facilities of the Willow Run plant, the list of unfilled orders for spectacular new 1951 Kaisers lengthens every day.

Therefore, we suggest that an order placed now assures you of earliest possible delivery of the most exciting new car in America.

One glance and you know it's the newest car in America. One mile behind the wheel and you'll want to

It's Super

for Mileage You'll Brag About!

There'll be a smile in every mile... when you OIL-PLATE your engine with new Conoco Super Motor Oil!

Proved by 50,000-Mile Road Test! In a 50,000-mile road test, engines lubricated with Conoco Super Motor Oil showed an amazing economy of operation. Average gasoline mileage for the last 5,000 miles of the test-run was actually 99.77% as good as for the first 5,000. This means that new Conoco Super Motor Oil — with proper crankcase drains and regular care — can keep new-car gasoline mileage... new-car power and performance... year after year!

Come in and let me tell you about "50,000 miles no wear!"

Visit Diarsing Conoco Station NOW... CHANGE to the New CONOCO SUPER MOTOR OIL

Rev. H. A. Heckmann And Family Return From Vacation Trip

A combined business and pleas-
ure trip provided Rev. and Mrs. H.
A. Heckmann and family, pastor
of Emmanuel Lutheran church of
Littlefield, with a pleasant and
profitable week which began for
them on the morning of July 4 and
ended on the evening of July 11.
The first part of the pleasant
week was spent in Denver where
the International Walther League
was in session. The remainder
of that week was used in seeing some
of the beautiful scenery around Col-
orado Springs and Canon City.
The early part of this week was
spent in the interest of the Walther
League Camp planned for the first
full week in August. The camp
itself was visited and a meeting

Farm Cash Income Totals Eighty- Million Dollars For Month Of May

Farm cash income in Texas to-
taled \$86,771,000 in May, a 24-per-
cent increase from April and a 1-
per-cent rise from May 1949, the
University of Texas Bureau of Busi-
ness Research reported.
Cattle, the greatest source of in-
come in May, brought Texas farm-
ers \$34,849,000. Income from milk
products totaled \$8,981,000; wool,
\$7,232,000; and fruits and vege-

G. V. Coker Reports Cotton Stalks 23 Inches Tall

G. V. Coker reports some fine
cotton at his farm two miles north
and two miles west of Muleshoe.
He brought to Littlefield Wednes-
day a stalk from his 40 acre patch,
that measured 23 inches tall, and
reports that there are plenty of
blossoms on his cotton.
He said that he planted the cot-
ton on irrigated land, but that it
had never been watered since
planted.
He has some mighty healthy cot-
ton.

Wanda Byers of Littlefield spent last Monday and Tuesday visiting Wanda Mae White.

Levelland Visitors
Mr. and Mrs. Gene Letsinger of

Levelland and new baby daughter spent Sunday visiting with Mr. and Mrs. T. A. Hopper.

To Present Oil Development Film

"The Last Ten Feet," a motion picture, which tells the story of the progress of oil discovery, exploration, producing, refining, distribution and marketing in the last ninety years, will be shown to the Boy Scouts Tuesday night, July 18 at 8:30 p. m. and to the members of the Lions Club Wednesday, July 19, at the Legion Hut, according to an announcement Friday by Jack Christian, Chairman of the local Oil Industry Committee.

To Be Shown Jaycees
The above picture will also be presented to members of the Junior Chamber of Commerce Thursday, July 20, at their meeting at the Hays Coffee Shop.

The motion picture, which was produced by the oil industry, is being shown to the Boy Scouts, the Lions Club and the Jaycees through the cooperation of the local oil industry information committee composed of the petroleum distributors in Littlefield.

The film starts with shots of service stations and the last ten feet of hose through which gasoline flows into the tanks of the 41 million motor vehicles on the nation's highways. It then traces the progress of the oil from the producing fields through 150,000 miles of pipelines and other transportation into the refineries of the nation. "The Last Ten Feet" also explains how oil is refined into

1,200 useful products. Other organizations desiring to view this feature are advised to communicate with any petroleum distributor in Littlefield.

Mrs. Hampton's Cousin Victim Of Bulbar Polio

Mr. and Mrs. W. O. Hampton attended funeral services in Fort Worth Sunday for W. T. Nevil, Jr., age 31, who died Friday of bulbar type polio. He was Mrs. Hampton's cousin.

He is survived by his wife and a two-year-old daughter. Burial was in the Millsap cemetery.

Photo by Neuse

Your favorite television programs are over, good coffee may be an tap for family and friends to serve with something as a fitting finale to a perfect evening. Any one of the favored desserts featured will be just right for late evening.

Easy to prepare and impressive for any occasion are these that combine modern cooking with old-fashioned

to serve one or many with fresh, flavorful coffee in a flash. Use one teaspoon of soluble coffee (more or less rounded to strength desired) in a cup, and add freshly boiling water to make six cups of good coffee, just pour one quart of boiling water over six teaspoons of soluble coffee and stir to assure a brew of length.

COFFEE AND CREAM CAKE
your favorite plain cake mix recipe and then use:

COFFEE CREAM FILLING
6 tablespoons sugar
1/2 cup scalded milk
1 egg yolk
2 teaspoons soluble coffee
1 cup scalded milk
1 egg yolk

Beat egg yolk slightly, add a little of the hot mixture and return to pan. Cook 2 minutes. Add butter, cool thoroughly.

COFFEE ICING
1/2 cup butter
1 egg yolk
1 1/2 cups sifted confectioners' sugar
2 teaspoons soluble coffee
1 tablespoon milk

Beat egg yolk slightly, add a little of the hot mixture and return to pan. Cook 2 minutes. Add butter, cool thoroughly.

MARSHMALLOW SUPREME
1/2 cup sugar
1 1/2 cups undiluted evaporated milk
2 teaspoons soluble coffee
1/2 cup hot water
1/2 cup cold water
1/2 cup almonds, toasted

Marshmallows in quarters stand overnight in top of a double-boiler. Dissolve soluble coffee in water. Add to the milk mixture. Fold in marshmallows. Pour into one quart mold rinsed with cold water and chill. Unmold garnish with whipped cream cherries and almonds.

Yield: 6-8 servings.

Bull Lake Philosopher Says It's Not Red Tape That Keeps City Man Off Farm, It's Work

Dear editor:
I got up the other mornin determined to do some work, there are some folks who claim loafin loses its edge if you loaf all the time but I ain't never found it that way, the only thing I know that'll take the edge off loafin is workin, however I stuck with my resolution and was gonna do some plowin when I noticed a spider had built a web from my plow to the barn door and I didn't have the heart to tear it down, it was an intricate outfit and made a pretty picture with the mornin sun glisin on it, and the way I figure is there'll be plenty of days to plow, morn'n I'll ever use up. Live and let live is my policy.

Consequently I went down to my neighbor's mail box and borrowed a newspaper and got out of sight and read where a city writer who is opposed to the farm program claims he "wouldn't dare buy a farm now and try to operate it, for fear he would be up to his neck in some sort of trouble with the Federal Government" over all the red tape the farmer has to put up with.

It's perfectly all right with me if a man wants to be against the farm program, that's his business, but if you ask me the reason that city writer ain't out operatin a farm is that very few tractors is air-conditioned.

It ain't red tape that drives a man off a farm or keeps a city man from tacklin on it's grass and weeds and the fact there ain't nothin in between you and the hot sun except your hat.

If I was a city man, I'd think up some other reason besides red tape for not farmin. It ain't Washington that makes farmin hard. From what I understand, farmin wasn't no snap even before Washington was established.

Yours faithfully,
J. A.

Soil Conservation News

C. H. MESSER, Chairman

Local soil conservation district officials are urging the farmers of Lamb County to start preparing their seedbeds now that are to be fall seeded to legume crops such as alfalfa, clover, vetch or winter peas. For best results the land should be summer fallowed and kept clean until planting time, late August. All legume seed should be inoculated before planting.

DON'T TAKE CHANCES!

A minute lost when time is important, may mean hours wasted. Be sure your watch is accurate and dependable. Keep it accurate with regular checking and cleaning.

ON EARS THAT HEAR NOT

FUZZY FINDS A HOME

By Faith Helen Falst

Once there was a cat named Fuzzy. Fuzzy didn't have any place to live. He stayed in a warm corner in an old barn. Sometimes the neighbors gave Fuzzy something to eat. No one lived on the farm.

where he stayed. Fuzzy wanted a nice home. One day a cat came down the road.

Fuzzy asked, "Where are you going?"
"I'm going to find another home," said the cat.
"Why?" asked Fuzzy.
"My master said I wasn't any good. I can't catch the mice in our house," the cat answered.

"Where did you live?" Fuzzy asked.
"I lived in a white house right next to a yellow one," answered the cat.
Fuzzy wanted a nice home, so he went from the road the way the cat had gone. Soon he came to a dog.

Fuzzy asked, "Do you know where a white house next to a yellow one is?"
"No," said the dog. Fuzzy went away. Soon he came to a house. It was green. That wasn't it.

Fuzzy went on and on. There weren't any white houses with yellow ones next to them. Fuzzy came to a town. He asked all over town where a white and a yellow one were standing together.

Suddenly he was right in front of a white house with a yellow one next to it. He went around to the back of it and meowed. A lady came out and looked at Fuzzy.

"Well, maybe you can catch our mice," she exclaimed.
The lady let Fuzzy in. She gave

him some milk and water. Then she went into the other room. Fuzzy heard her say to her husband, "I found a spotted cat with stripes on the spots. He is rather nice. I shall keep him awhile. If he catches any mice I shall keep him."

"All right," said her husband. That night Fuzzy found where the mice came out. The next night Fuzzy caught two of them. The lady decided to keep him and she was nice to him.

Fuzzy couldn't see why the other cat couldn't catch them. Why, they were so silly they walked right out in front of you.

RESIGNS AS DEAN

Mrs. Mary W. Doak, dean of women emerita, has resigned after 25 years in administrative and instructional positions at Texas Technological College. Ed Smith, assistant to Pres. D. M. Wiggins, announced.

400 4-H Club Boys And Girls Gather Rural Youth Day At Fair

Over a hundred thousand 4-H Club boys and girls, Future Farmers and Future Homemakers, the largest group of rural youth in the state, gathered at the Mid-Century Exposition at the State Fair of Texas, July 12, 1950, for the annual Rural Youth Day. The day was sponsored by the 4-H Club, Future Farmers, Future Homemakers, and the Dallas Chamber of Commerce.

The State Fair regards its rural youth projects as one of its most important educational undertakings. From a healthy start in 1946 when 30,000 boys and girls attended the Fair, the event mushroomed to a record attendance of 75,000 in 1949, Wilson said.

On Friday night, Oct. 6, recognition will be given 50 outstanding Future Farmers, Future Homemakers, 4-H Club boys and girls. Their parents, teachers and extension agents are also being invited to be guests at the Honor Award Dinner in the Crystal Ballroom of the Baker Hotel. The dinner will be sponsored by Dallas business leaders and the Dallas Chamber of Commerce.

Hotel accommodations have been arranged for this group of outstanding Future Farmers, Future Homemakers, 4-H Club boys and girls. Their parents, teachers and extension agents are also being invited to be guests at the Honor Award Dinner.

Even though last year's attendance of 75,000 rural youth broke all records, the 1950 goal of 100,000 will attract more attention than ever before. These young homemakers, farmers and ranchers from every section of the state will receive the recognition they deserve for their part in the development of Texas' agriculture and livestock industries, Wilson said.

Conference in West Virginia.

Shivers, who succeeded to the Governorship a year ago, is a candidate in the July 22 Democratic primary for a term of his own as Governor. In his travels over the

State he has not made political speeches but instead has confined himself to discussions of various public problems and to giving the people reports on the State Government.

Wilson Memorial Library Goes to U.N.

The Woodrow Wilson Foundation formally transferred to the United Nations its Woodrow Wilson Memorial Library of some 16,500 volumes, including what is considered by experts the most complete collection of League of Nations documents in the world. Here, U.N. Secretary-General Trygve Lie (right) looks at some of the books with Dr. Harry Gidkone, President of the Foundation, and Miss Harriet Van Wiek, Librarian of the Woodrow Wilson Library.

REMEMBER THE OLD TIMERS

Miss Mohr to Mrs. Mary: "My hobby is recollecting old sayings and among them are 'Cold as a cucumber', 'So's your old man!'

Allan Shivers Gets Views Of Texas Citizens

Texas has a Governor who gets out and sees the people.

Gov. Allan Shivers has traveled approximately 14,465 miles in Texas during the last four months to be present at various community functions and to meet and talk with Texans.

"I know of no better way to find out what the people want and expect from their State Government than to talk with them—and especially to listen to them," Shivers says. "It is important for any man representing the people in government to know what they stand for."

During the four months Governor Shivers made some 60 public appearances in Texas towns other than Austin. Most of his traveling—none of which was at State expense—was done by plane. This made it possible for him so to arrange his schedule that of the 104 days during the four-month period that he was in Texas, he spent at least part of 99 days at his office in Austin.

The figure of 14,465 miles does not include personal trips the Governor made to his home in Mission or Woodville or travel inside Texas when he was on his way out of the State. The Governor made three out-of-state trips during the four months, one a vacation trip, one to attend a funeral and one to the National Governors'

LAFF OF THE WEEK

W. P. Baptist Monthly Workers' Meeting To Be Held July 21

The West Plains Baptist monthly Workers' Conference meeting will be held with the Lum's Chapel Baptist Church Friday, July 21.

The theme of the meeting will be—"Compassion". The following program has been planned:

- 10:00, Song Service, Freddie Packwood.
- 11:10, Devotional, Ed Packwood.
- 10:20, Preparation for Compassionate Service, Earl Mitchell.
- 10:45, Compassion in Personal Witnessing, J. E. Moore.
- 11:25, Compassion in Preaching, Ira Harrison.
- 12:00 Noon (Lunch Served by Host Church).
- 1:15, W. M. U. and Executive Board meetings.
- 2:30, Meeting of Church clerks of the Association. (Pastors, please urge your church clerk to be in this meeting.) 1950 Associational letter forms will be given out.

Monday, July 17. All class instruction will begin Tuesday morning, July 18 with the last possible enrollment date Friday, July 21.

College officials are anticipating the record enrollment of 1196 in the first six-week term to be passed with additional enrollees.

Highlight of the second term will be two week-end educational tours, the continuation of Summer Theatre, Writer's Conference and Workshop, and extensive work in the field of education.

The first week-end tour of the term will close July 21, 22, 23 and 24 with a trip to Central City, Colorado to the opera. On August 11,

12, 13 and 14, the tourers will visit the Inter-Tribal Indian Ceremonial at Gallup, New Mexico.

Second termers will see two more play productions by the Summer Theater. The first one will be "Ladies in Retirement." Two plays were presented the first six weeks.

The annual Writer's roundup and Workshop sponsored by the Panhandle Pen Women will be held at West Texas State July 23 through 29. Top writers, including Loula Grace Erdman, J. Evetts Haley, Sallie Fletcher Hill, Essie O'Brien and Elvon Howe will participate.

Completion of the second summer term will be August 23 with graduation exercises to be held in Buffalo Stadium on the same evening.

First of the Fine Cars in Value

This one Telescopes your Timetable

Of course you recognize it.

Who doesn't know that those four Ventiports, that graceful sweep of fender-chrome, mark ROADMASTER—best of all the Buicks, unquestioned "big buy" of the fine-car field?

But have you tried it?

Have you matched this sweet-stepping bonny against the tall hills, and the call of the straightaway?

Ever tooled it across town — and seen how Dynaflo's quick surge and smooth take-off slip you through traffic with minimum of foot-motion and maximum of timesaving?

Ever known the good feel of a light and easy wheel, swinging almost at a finger's touch — the soul-satisfying lift in a big 152-hp Fireball engine just waiting for the release your toe-pressure gives it?

Ever sampled that famous Buick ride—steady, level, unperturbed, soft with the special gentleness of coil springs on all four wheels, sweetly restful in both front and rear seats?

There's no reason, really, to wait longer for such satisfying experience.

There's a Buick dealer near you. He delights in showing off ROADMASTER. He'll arrange — unless all his demonstration cars have been snatched away from him by eager buyers—to put you behind a ROADMASTER wheel.

Why not see him now — to find out what's finest in today's fine cars, and how little it takes to buy one?

Only Buick has Dynaflo* and with it goes:

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD fender, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

* Standard on ROADMASTER, optional on other Buick models.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

YOUR KEY TO GREATER VALUE

FOUR-WAY FOREFRONT

This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.
