counting for three Littlefield tallies and his perfect 30-yard sprint tallying one more. But he was not alone as a standout with "Walloping" Walter Sewell slammung his 193 pounds over Mustang opposition consistently for ground-eating gains that helped crush a touted visiting defense.

These two backs would have been lost without perfect blocking and defensive play from a hulking forward wall headed defensively by Tackles Dal Brandon and Sabin Hendrickson and Center Sidney Buell. But these three were not alone either in grabbing a share of credit for the victory. The other linemen threw in perfect work all afternoon to completely bottle the previously unbeaten 5-A pennant bearers.

On the loser's side it was Grayson Tate, 156-pound quarterback, who headed the way with driving runs, accurate passing that fell through the fingers of his receivers on several occasions and came out with better than 43 yards average on his six punts.

Billy Lyman 170-pound all-district field general for the hosts, was the key man in the offensive with his tireless and accurate passing arm accounting for three Littlefield tallies and his perfect 30-yard sprint tallying one more. But he was not alone as a standout with "Walloping" Walter Sewell slammung his 193 pounds over Mustang opposition consistently for ground-eating gains that helped crush a touted visiting defense.

The Denver City Mustangs, champions of District 5-A, went down to defeat before the Littlefield Wildcats of District 6-A, 33 to 6, at Seely Field Friday, giving the local team bi-district honors for the second consecutive year.

The "perfect defense" of the Mustangs, that allowed only 12 points to be scored all season, fell apart Friday.

The Lamb county champions assumed control after they received the opening kickoff and scored once in the first quarter, twice in the second and twice in the third period before giving up a fourth-quarter score to be always scrapping Musangs.

It was just outright superiority in weight and all-around manpower, plus near perfect leadership and cooperation that won the ball game for the Wildcats.

The Denver City Mustangs, champions of District 5-A, went down to defeat before the Littlefield Wildcats of District 6-A, 33 to 6, at Seely Field Friday, giving the local team bi-district honors for the second consecutive year.

Veterans Install Officers Tuesday

Officers were installed by the Veterans of Foreign Wars Tuesday night.

George White was installed as commander, and the Post was named John Henry Chapman, in memory of this local man, a son of Mr. and Mrs. W. D. Chapman of this city, who was killed overseas, and whose family of sons are all in the service.

Other officers installed were: Durwood Howell, Sr. Vice-Commander, W. D. Gilder Jr. Vice-Commander, Stanley Doss, Post Advocate; Tom Matthews, Quartermaster; O. K. Yantis, Jr., three year Trustee; Willis O. Walker, two year Trustee, Walter J. Welborn, one year Trustee.

Local I.O.O.F. Put on Degree

The Littlefield Independent Order of Oddfellows Lodge No. 146 put on the first degree last Tuesday night. There was a good group present, and lots of interest put in the work. This was one of the liveliest meetings we have had in a long time. After the degree was put on and the business completed, refreshments was enjoyed by all present.

Tuesday night Dec. 18th. we will put on the second degree. There will be two candidates that will receive this degree, so let every Odd Fellow be there. Our attendance is growing; if you miss this meeting you will miss a good one.

We welcome any visiting Brother to attend our Lodge at any time they happen to be in Littlefield.

ATTEND JUDGES AND COMMISSIONERS' MEET

Members of the County Commission, including Judge I. B. Holt, Alvin Hysinger of Otton, Jack Yarbrough and E. C. (Buck) Ross attended the State Judges and Commissioners' meeting at Fort Worth, which convened Dec. 4, 5 and 6.

Accompanying Mr. Ross to Fort Worth were Mr. and Mrs. Bob Smith, Mr. and Mrs. Swede Kling, Mr. and Mrs. Lon Campbell and Mr. and Mrs. Walter Martin.

County Is Offered Grounds for Fair

The trustee of the college property, in college heights addition, has tendered to the County of Lamb a deed for the college campus, consisting of 26 acres.

The property has been offered to the county for a permanent fair grounds, and the deed was delivered to the county commissioners Monday.

The commissioners discussed the matter at length, and the discussion will be resumed at the next meeting of the court Monday, December 31.

Last Rites Held For Mrs. Denson

Mrs. D. C. Denson, 51, mother of Mrs. E. S. Rowe, Jr., passed away Tuesday, Dec. 4, about noon at her home in Memphis, Texas, following a long illness.

Funeral services were conducted at the First Baptist Church at Estillene Wednesday, Dec. 5, at 3 p. m. with Rev. Coleman, officiating and burial took place in the Hulver Community Cemetery near Estillene.

Besides her daughter, Mrs. Rowe, Mrs. Denson is survived by her husband, and daughter, Mrs. Doris Ford of Burk Burnett, Texas, and a son, Cloyce Denson, who is in the service and on 90-day furlough to be re-assigned in January, and three granddaughters, Judy and Kathleen Ford, and Sharon Rowe.

Mrs. E. S. Rowe, Jr., had been at her mother's bedside almost continually for the past month. Her husband, who had been in England for the past 11 months employed by the Callahan Construction Company as an instructor in heavy machinery, arrived in Memphis Monday and accompanied his wife to Littlefield Thursday.

Arthur Duggan to Open Law Office in Littlefield

Arthur Duggan and David Gracy arrived in Littlefield Sunday to spend this week here on business.

Mr. Duggan was a welcome visitor at the Leader office, and reported that he and his family are returning to Littlefield as soon as housing is available, and that he will open a law office here, where he and his family plan to make their home.

Mr. Duggan was enthusiastic in his praise of Littlefield and area, and in an interview with a Leader reporter said: "I am coming back home to stay; this is the only place that seems like home to me; We have seen all we want of the big cities. Littlefield always looks good to me, and I will be so glad to get back here, where I was reared, and where I like to be. I am going to open up my law office here, and we are going to have our home here, and really live."

Mr. Duggan has been connected with the FBI for four and a half years, and was on a special assignment for one and a half years. He

Volunteer Workers Meeting With Splendid Success

Rally Called Off Due To Considerable Flu; And Better Bond Sales

C. O. Stone, Co-chairman with Pat Boone, in the Lamb County Victory drive, announced Tuesday that as of December 5, "E" bonds in the amount of \$108,412.50 had been sold, falling short \$76,587 of Lamb County's quota of \$185,000.

Mr. Stone stated that Lamb County had secured its quota on sales of the other securities, including F & G, and Series C Bonds, 2 1/2, 2 3/4 and 5th, but considerably short on the sale of individual bonds.

J. O. Garlington, local chairman, announced Wednesday that the bond rally scheduled for Thursday had been cancelled, due to the fact that there were so much sickness with Flu right now, and also for the reason that the committees soliciting bond sales in the local school district were meeting with such good response that it was believed the quota might be reached without going to the trouble of putting on a bond rally.

Salvation Army To Sponsor Tree

The local unit of the Salvation Army will sponsor a Christmas tree and party as usual this year on Christmas Eve, when a Christmas program and tree are being planned.

The program will include a Christmas pageant presented by Seventh Grade school rooms, taught by Mr. Dewey Hulse and Mrs. W. B. Williams, under whose direction the program will be presented, with the aid of Miss Bernice Sanderson.

Gifts will be distributed from a decorated tree to the needy.

Opposing Team Is Big and Rugged, Play Slashing Game

Wildcat Band and Pep Squad to Boost Cats On to Victory

For the second straight year the Littlefield Wildcats roar into the Regional finals, the highest honor that a class A team can win. The Cats will travel to Monahans Friday to challenge the potent Monahans Green Wave in an afternoon game. By rolling up a 32 to 6 score against an over-rated Denver City team here last week the Wildcats established themselves as favorites to cop the regional Crown. The rugged, slashing Monahans club plugged its way into the Regional play off by drubbing a good Roscoe team which got caught without its star back "Wild Water Maloney." The Monahans team is big and rugged and play a charging, slashing, wide open type of football with a strong passing game.

The game will start at 2:00 p. m. Tickets are on sale at Ramsey's News Stand and Brittain Pharmacy. These tickets are for reserved seats and all who purchase them will be assured of a good seat at the game regardless of their arrival at the stadium. They must be bought Thursday or earlier because unsold tickets will be picked up Thursday night.

A 37 passenger Texas, Oklahoma, & New Mexico bus has been chartered to make the trip, leaving at 7:30 Friday and arriving back in Littlefield before 10:00 p. m. Tickets may be purchased at the Bus Station for \$4.85.

The Wildcat Band and Pep Squad will open the day off and will make it up later in the year. There will be no classes at any of the schools Friday.

In eleven games last year, the Wildcats rolled up 362 points, and in the same number of games this year have scored 461 points, with a scoring machine that has racked up nine wins, one loss and one tie. Last year's team won ten and lost one. Under Coach Fikes, the Littlefield eleven has rolled up 823 points during the past two years.

Lamb Chapter of N.A.A. Organized

At a meeting held in the Chamber of Commerce office Monday night, December 10, the Lamb Co. Chapter of N. A. A. was organized with E. L. Yarbrough elected as president, Alvin Bagwell as 1st Vice President, Joe Salem as 2nd Vice President and Paul Pharris as 3rd Vice President and Quinn Henry as Seety-Treasurer.

N. A. A. or National Aeronautic Association is an organization composed of flyers and others interested in flying or aviation and has several thousand members over the Nation, and its purpose is to look after the interests of the smallest flying groups and airports such as we have here.

There were 39 names presented as charter members but the list will not close until the last day of this month so as to allow other interested parties to get in as charter members.

OPA Meeting Held Tuesday

Tuesday evening at Four o'clock Mr. E. B. Holloway and M. J. Kavanaugh from the District office of OPA in Ft. Worth held a meeting in the Local War Price and Ration Board office to discuss the work for the coming year.

Representatives from Levelland, Marton, and Muleshoe were present.

Mr. Holloway as district director made it very clear that the hardest work of the coming year would be price control.

Showing of Oil In Humble No. 1

Humble No. 1 Arnold, in north-west quarter of section 120, block A. R. M. Thompson survey, in southeast Lamb County, and about one mile west of the discovery well in the Anton field, had plugged back, by stages, to 5,855 feet, in dolomite, and was to swab, to test for water shut-off, and to try to develop oil. It has shown some oil and considerable water to the total depth of 5,924 feet.

MULESHOE TO HOLD ELECTION DEC. 15

MULESHOE—An election has been called for December 15 in Muleshoe to determine whether the city shall issue bonds in the sum of \$150,000 for an improvement program.

It is proposed to issue \$100,000 revenue bonds to pay for extensions and improvements to the city water and sewer systems, \$15,000 of this would be used to retire an earlier bond issue which bears a higher rate of interest, than was granted for the new bonds.

The city would have \$25,000 to pay for its part in a proposed street improvement program, and \$25,000 to finance a new city auditorium.

Crummer & Co., bond buyers have agreed to take the bonds at 2 1/4 per cent interest the first five years, 2 1/2 per cent the next five years and 3 per cent for 15 years.

Only \$50,000 of the bonds will be repaid from city taxes, and the city commission announced it will never be necessary to raise the tax rate or to increase valuations in order to retire these bonds.

IS DISCHARGED

PARTICIPATES IN CELEBRATION ON NAVY DAY

Chester J. Toney GM 2/C, son of Mr. and Mrs. C. E. Toney, seven and one-half miles northwest of Littlefield, took great part in the Navy Day celebration at Port Arthur, Tex.

Seaman Toney has been in service since March, 1942. He received his basic training at San Diego, Calif., and received advance training there and was later transferred to Miami, Fla., where he went to a training school. After a few months of training there he was transferred to Norfolk, Va., where he instructed a squadron of men on the USS New York. He was then sent to Philadelphia and went on board the USS Spangenberg, destroyer escort, after it was commissioned April 15, 1944. The Spangenberg, came back to the States and docked at the New York harbor and at this time Seaman

Toney spent 15 days home visiting his parents and friends. After his short leave he went back aboard the Spangenberg and they took great part in the Navy Day celebration at Port Arthur, Texas. They have just recently made a trip to Cuba and at the present time he is at Norfolk, Va.

Sure, we've won the War BUT THE COST GOES ON!

IT WILL COST MILLIONS TO BRING OUR ARMIES BACK and it's just as expensive as it was taking them over. Meanwhile, thousands of our men who stay behind in occupied territory must receive their pay, be clothed, housed and fed at Uncle Sam's expense.

WE OWE THEM A RETURN TRIP TICKET TO HEALTH. Today the rehabilitation and care of over 300,000 wounded are among America's gravest peace time problems. This obligation is one which every American can now share in—by investing in the Great Victory Loan.

America Must Take Care of Her Own in the Great Victory Loan!

It's too much to expect that the cost of a war which lasted many years can just stop overnight. Although the fighting is over the paying has to go on for some time to come.

So once more it's ALL TOGETHER in America's Great Victory Loan. Start off your own peace and prosperity—and your country's right by investing in the biggest quota of bonds you've ever bought.

UNCLE SAM MUST STILL PAY FOR THESE. Although America had already started to cut down on production of various kinds of war materials, the swift ending of the war left many planes, tanks, battleships, guns, made at the last minute, still to be paid for.

Miss Billie Jean Baker And Tommy Fitzgibbon Wed

A double ring ceremony for Miss Billie Jean Baker, daughter of Rev. and Mrs. J. B. Baker of Amherst, and Tommy Fitzgibbon, son of Mr. and Mrs. D. W. Fitzgibbon of Little Rock, Ark., was read in the Asbury Methodist Church, Lubbock, by Rev. C. A. Bickley Thursday night.

MRS. TOMMY FITZGIBBON

The church altar was decked with baskets of gladioli, and fern. Candles in candelabra were lighted by Mrs. Jo Evelyn Anderson and Miss Tess Jeffcoat.

Proceeding the ceremony, Mrs. C. E. Reynolds played "Ah, Sweet Mystery of Life," and accompanied Miss Natalie Reynolds who sang "Because," and Miss Lou Ann Williamson who sang "I Love You Truly." A musical reading, "Why Do I Love You," was given by Miss Dorothy Dooze as the pianist played "Melody of Love." "Flower Song" was offered during the ceremony and traditional wedding marches were played.

The bride, given in marriage by her father, wore a navy alpaca crepe suit with navy accessories and white gloves. She wore a corsage of gladioli and carried a white Bible. For something blue, the bride wore blue ear screws, for something new, she carried a white lace handkerchief and for something borrowed, she wore a bragelet, belonging to Miss Elsie James, maid of honor.

Her attendant wore an aqua crepe

dress with black accessories and a gladioli corsage.

Pete Marshall of Lubbock, brother-in-law of the bride, was best man.

A reception was held in the Marshall home immediately following the ceremony. The refreshment table was laid with a white lace cloth, centered with a three tiered wedding cake and crystal candelabra. Assisting with hospitalities were Mrs. Marshall, Mrs. E. W. Harris, Mrs. Edwin Johnson,

Mrs. Sam Barron and Mrs. Doyle Gurley.

Mother of the bride wore a coffee brown suit with darker brown accessories and a corsage of white carnations.

The bride has been employed at Wells and Stanton company, Lubbock and the bridegroom has been discharged from the armed forces.

After a wedding trip to Little Rock, the couple will be at home in Dallas. For travel, the bride wore a blue wool gabardine suit with a white lace blouse and navy accessories.

EXPECTED HOME SOON

T/Sgt. Delbert Ross is expected to arrive home soon.

He wrote his wife to the effect that he was sailing from Yokohama, Japan, November 27, and would call her on arrival in the States.

T/Sgt. Ross is a son of Mr. and Mrs. E. L. Ross of near Amherst. He has been overseas about two years, and after arriving in the States expects to get a discharge. He is with the Army Engineers.

T/Sgt. Ross, prior to entering the service, was manager of the Mileur & Ross Hatchery.

George Mahon Writes Leader

The Leader was pleased to receive the following letter from Congressman George Mahon:
 "Dear Morley and Mrs. Drake:
 The time of the year for me to subscribe to the Leader again has now arrived, and my check is attached. I find the Leader indispensable to me.
 "Thanks for your many kindnesses. Best wishes for Christmas and the New Year."
 Your friend,
 GEORGE MAHON."
 Mr. and Mrs. Davis Armistead of Lubbock visited in the home of Dr. and Mrs. B. W. Armistead Sunday.

CARD OF THANKS

Words cannot express our thanks and appreciation to our neighbors and friends for their many acts of kindness and expressions of sympathy extended during the illness and at the death of our loved one, Mrs. Kathryn Brooks.
 We especially want to thank those who prepared and brought food to our home, the nurses and doctors at the Payne-Shotwell Hospital for their untiring efforts, Hammons Funeral Home for their many courtesies and consideration, Bro. Jack McCormick and Luther Gregg for their kindness and all those who contributed to the beautiful floral offering.
 May God bless each and every one of you. We shall never forget your kindness.

Local Chapter O.E.S. to Honor Deputy Grand Matron

The local Chapter of the Order of Eastern Star will honor Deputy Grand Matron, Mrs. Pauline Smith, Lubbock, Friday evening, December 14, at a covered dish supper, and Christmas party.
 Following the address by Mrs. Smith, a Christmas program will be enjoyed, including the singing of Christmas carols by the group, and a Christmas story by Mrs. Allan White of Amherst.
 Gifts for the children and an exchange of gifts will be distributed from the beautifully decorated Christmas tree following the program.
 All members are urged to bring a white gift, and as customary these will be distributed to the needy.

Work on Hanger To Be Completed

The new hanger at the Duggan Field here will be completed this week, as announced by E. C. (Buck) Ross, commissioner. This represents an improvement of \$17,000, and will be sufficient to accommodate 25 planes.
 This project was taken over by the County in July last.
 Erwin Newman of Houston was the contractor on the job.
 The County Commission is extending an invitation to interested citizens to inspect this new hanger.

What's Back of My Gas Burners?

This is the second in a series of four advertisements being published in the belief that you would like to know more about the natural gas business, which so vitally affects your daily lives.

CHAPTER II
The Gas Is "Squeezed"

In Chapter I we told you something about drilling a gas well. Now we will see what happens to the gas when it is released from the reservoir in which it was trapped sometime back in geologic history.

A small meter house is built near the well and connected to it with a short pipe line. Then a gathering line is installed and connected, and the well is ready to yield up the wonderful fuel which means so much to us all.

The natural gas comes up through the well casing to the surface of the ground and thence to the meter house where it is measured, so that proper accounting may be made to the owner of the land. Measurement of the gas consists of installing an orifice in the gas line and making calculations from the resulting pressures on each side of the orifice. These pressures are recorded in ink on circular, clock-revolved charts. From the meter house the gas passes into the

gathering line which leads it to a field compressor station.

From the well to the field compressor station, the gas travels on its own power—that is, it is forced along by the natural pressure in its underground reservoir. The gas could travel a considerable distance in this manner, but due to the loss in pressure through pipe line friction, the delivery of large quantities of gas would require a pipe line of such large size that the cost would be prohibitive. Therefore the pressure of the gas must be increased, this being the function of the compressor station.

Compressing gas is very much like baling cotton—it merely squeezes it into a smaller space so that more of it may be transported with the same facilities, and in shorter time. Gas compressors are large, precision-built machines of great strength to withstand tremendous pressures. Our compressors are driven by gas engines. The gas enters the compressor cylinder, is compressed by the action of the piston, and is discharged at a much higher pressure.

Some folks have the impression that compressing natural gas consists of pumping air into a gas line. This of course is not correct. If air were introduced into a gas line under pressure, there would be great danger of an explosion of the whole line, due to the air mixing with the gas and forming an explosive mixture.

Coaches Pick All District Teams

Coaches of District 5-A have named selections for places on the All District team. Muleshoe, Morton, Littlefield, Olton, Sudan and Levelland make up the district. Littlefield, Levelland and Sudan dominated the first team selections with Sudan and Littlefield getting the lion's share of the second team selections. The champion Littlefield Wildcats placed five players on the mythical eleven, the Levelland Lobos placed four, with the powerful runner-up Sudan Hornets garnering two. Sudan placed 5 on the second string; with Littlefield catching 4 with Olton and Morton one each.

FIRST ALL DISTRICT TEAM 1945
 Ends, Owens, Littlefield, Pierce, Levelland; tackles, Clardy, Levelland, Brandon, Littlefield; guards, Doty, Sudan, Mann, Levelland; center, Buell, Littlefield (unanimous); backs, Peary, Levelland (unanimous); Lyman, Littlefield (unanimous); Bouldin, Sudan (unanimous); Sewell, Littlefield.

ARRIVES HOME FRIDAY

Pfc. Bill Davis, son of Mr. and Mrs. L. B. Davis of one mile east of town, arrived home Friday, after 47 months overseas. The first two years in the service he was aboard ship, the USS Portland, a heavy cruiser, and later he served with the Third Amphibious Corps. He participated in the conflicts on Tinian and Okinawa.

Junior Red Cross Contribute \$292.25

Junior Red Cross members of Lamb County Chapter of the American Red Cross contributed \$292.25 to the work that will be done during the ensuing school year. Gifts from the 10 schools in the county are as follows:

Amherst	\$ 10.83
Dunbar (Negro)	1.00
Emmanuel Lutheran	3.00
Fieldton	3.43
Hart Camp	2.53
Littlefield	72.95
Olton	41.15
Spade	15.21
Springlake	120.65
Sudan	24.50

Contributions total \$292.25 this year, just a little more than half of the amount given last year when receipts showed \$581.05. Perhaps some felt that because the war had ended that there would not be the need for funds, but this is not true. One war has just ended, but many other wars continue, disease, accidents, forest fires, prejudice, to name but a few. SUGAR STAMP NO. 39 TO BE VALID JAN. 1

Sugar stamp No. 39 will be good Jan. 1. Sugar Stamp 38 will be worthless after Dec. 31.

That's the OPA's latest word on sugar, which the government says will continue to be rationed during a large part of 1946. The new stamp will be good through April 30.

Industrial users will get about the same allotment in the first three months they are getting now, OPA said. There will be adjustments for makers of jams, jellies, fruit butters and marmalades, but they will average out and there will be no general increase or decrease.

The world has an opening for every man. It's the getting out of that hole that is the job.

Leathernecks, Back In China, Observe 170th Anniversary of Corps

U. S. Marines, who observe the 170th anniversary of the founding of their Corps November 10, have returned to China after an absence of nearly four years. Withdrawn from China in November, 1941, to join other U. S. forces in the defense of the Philippines, America's Soldiers of the Sea observed wartime anniversaries in actions against a stubborn and fanatical foe at Guadalcanal, Bougainville and Peleliu. Members of the First Marine Division, veterans of Guadalcanal, Cape Gloucester, Peleliu and Okinawa campaigns (lower right) are greeted by thousands of overjoyed Chinese at Tientsin.

SIDELIGHTS FROM WASHINGTON

By CONG. GEO. MAHON

I think you will be interested in an appropriation bill on which the subcommittee of which I am a member is now holding extensive hearings. We want to complete the testimony, write the bill, and pass it through the House in January. It is to be the first appropriation bill for the year 1946. This will be a good time to set a postwar standard for economy and reduced government spending, and insofar as I am concerned, whenever possible I shall insist upon definite reductions in expenditures.

The first sentence in the bill will provide the money for the salary of President Truman and money for the running expenses of the White House. Witnesses from the White House have already been heard.

The bill is quite an important one, as it will provide the money for the operation of 23 independent agencies of the government. It will provide for a total expenditure of several billion dollars. By far the largest sum will be for the Veterans Administration.

It is costing 3 1/2 billion dollars to run the Veterans Administration this year. Next year the amount required will be much greater, as we propose to provide the Veterans Administration with every necessary dollar to care for the war veterans of the nation. General Omar Bradley, head of the Veterans Administration, and his staff will appear before us next week for a detailed discussion of pending needs.

As this is being written, we have just finished a long session with Thomas H. MacDonaid, who is head of the Public Roads Administration. We will probably provide \$300,000,000 for expenditure in cooperation with the states in the road program of the nation. During the war much necessary road repair and new construction was suspended, and we are going to make possible a greatly expanded road construction program. This program will be of direct interest to the people of West Texas and, in fact, the nation.

One disturbing statement made to the committee during the hearing could well be pondered by every American: "The fatalities from traffic accidents in August, 1945, were 27 per cent above those in August, 1944; in September, 1945, fatalities were 43 per cent above those in September, 1944; and fatalities in October, 1945, were 52 per cent above October, 1944. In the prewar period we had as many as 32,000 people killed in traffic accidents in a single year."

It is evident that unless something is done to stop the rising tide of traffic accidents, Americans may have more of their loved ones killed in peacetime traffic each year than were lost during a similar period as a result of the war.

The money for the operation of the Federal Communications Commission can be included in the bill. Now that hostilities have ceased, activity and development in the field of radio will leap forward at a rapid rate. Now pending before the commission are 1323 applications for new stations, including television and so-called FM stations. Within a few months it can be expected that new radio stations will go into operation in Texas and elsewhere in the nation.

Among other important agencies included in the bill are the Interstate Commerce Commission, General Accounting Office, Civil Service Commission, Federal Trade Commission, and the Bureau of the Budget.

Hearings on a bill of this nature are very extensive, as is evidenced by the fact that our hearings on this bill last year filled a volume of 1324 pages.

The best legislative service which a member of Congress can render is in committee. That is where the bills are written and where most of the effective legislative work is actually done.

COMING HOME

Last Rites Saturday For Train-Truck Crash Victims

J. M. (Ded) Durham and his sister-in-law, Mrs. H. C. Durham of six miles northeast of Spring Lake, were instantly killed Wednesday afternoon of last week about five o'clock at a railway crossing four miles south of Canyon when a south-bound train hit the pickup truck in which they were riding. Also in the truck at the time, and a victim of the accident was Clinton Durham, aged 3, son of Mrs. H. C. Durham, who was critically injured, and died a few hours later in an Amarillo hospital.

Mr. Durham and his sister-in-law were on their way back from Amarillo to their homes on adjacent farms near Hart. They had just turned off U. S. Highway 87 to cross the railroad tracks when the southbound Santa Fe passenger train crashed broadside into their 1942 Ford pickup. Mrs. Durham and her son were thrown clear by the impact, but Mr. Durham was pinned under the wreckage.

The truck, totally demolished before the train could stop, was carried 150 feet, according to investigating state highway patrolmen.

Funeral services were conducted at the Spring Lake Church of Christ Saturday afternoon at 1:30 o'clock with Bro. Sturgis, pastor of Spring Lake Church of Christ, officiating. Burial took place in the Plainview Cemetery.

Mrs. Durham left surviving a husband and three daughters.

TREATED FOR WOUNDS

EL PASO—T/Sgt. Stephen Hammock, son of Mrs. Pearl Hammock of Sudan, is here at William Beaumont General Hospital, one of the Army's largest, for treatment of wounds received in a plane crash in England Feb. 24, 1945.

The veteran entered the Army June, 1942. He served as radio operator on a B-24 with the Eighth Air Force. Prior to entering the Army he was a farmer.

Sergeant Hammock wears the European theater of operations ribbon with two battle stars, the Purple Heart, and the Air Medal with three clusters.

His wife, Faye, and small daughter, Carol Faye, live in Sudan.

Two brothers are, 1st Lt. J. R. Hammock now in Europe, and Lt. Commander W. R. Hammock, who has served in both theaters of operation.

VETERANS POST IS ORGANIZED AT SUDAN FRIDAY

A meeting was held Friday, in the Sudan grade school auditorium for the purpose of organizing a Veterans of Foreign Wars post.

Any man who has served his country on foreign soil, or on the seas in time of war, is eligible for membership in the Veterans of Foreign Wars of the United States.

Littlefield, Muleshoe and other nearby communities have already been organized.

SGT. CURTIS ANDERSON HOME

Sgt. Curtis Anderson, Mrs. Anderson and twin sons, David and Johnny, arrived in Littlefield last week for a visit with his parents, Mr. and Mrs. A. A. Anderson.

Sgt. Anderson has been in the service 20 months. He has been stationed at Camp Robinson, Arkansas, while his wife and children have been living with her parents, Mr. and Mrs. J. R. Hooper, at Palestine, Texas. He will report back to Camp Robinson

December 20 and expects to receive his discharge.

Sgt. Anderson stated that his sister, Mrs. Patsy Simms, whose husband was killed while in the service in June, 1944, is employed by an electrical appliance concern in Denver. His other two sisters, Mrs. Jack Field, the former Miss Alta Anderson, and Mrs. Nina Materna, are both living in Denver. Mr. and Mrs. Field have a new daughter born recently.

RE-ENLISTS IN ARMY

The U. S. Army Recruiting Center at Camp Bowie, Texas, today announced the reenlistment of First Sergeant Jack J. Dial, son of Mr. and Mrs. P. W. Dial.

He received his basic training at Fort Sill, Oklahoma.

Prior to entering the service his civilian occupation was truck driver. His organization upon reenlistment was 806th Replacement Battalion at Camp Bowie.

Sergeant Dial's wife resides in Littlefield.

S/Sgt. J. R. White In Hospital

Mr. and Mrs. Jesse White received a postcard recently from their son, S/Sgt. J. R. White, Jr., who was admitted to the hospital November 24 for observation and treatment.

An effort is being made by the local Red Cross office to secure more definite information as to Sgt. White's condition.

The last letter the family received from S/Sgt. White was dated October 26, from the 15th General Hospital at Leige, Belgium, in which he stated he was expecting to leave for home any day.

S/Sgt. White has been overseas 14 months, and in the service three years. He has been wounded twice, the first time he was wounded in one of his legs November 21, 1944, and on April 7, 1945, he received a severe injury to his head. He was shot over the left ear and the bullet came out the back of his head, and lost his ear drum. He had a narrow escape.

His father reports that his son said that apart from having had headaches he was O.K.

S/Sgt. White is believed to be enroute home.

He has seen service in England, took part in Normandy invasion, and from Aucken to Hanover, Germany. He had 85 combat days, and took part in five major battles, and has spent considerable time in hospitals.

His brother, Pvt. Wayne White of the Marines had been in the service since June 25, 1945, and is stationed at Dover, N. J.

PEARL HARBOR — Lonnie L. Hackler, boatswain's mate, first class, Rt. 1, Olton, served aboard a cargo ship of the U. S. Pacific Fleet which highlighted a stormy career with an outstanding achievement, Navy records now reveal. His ship the USS Alkeas, part of the service forces, set a record by unloading 1200 tons in small boats during a hectic 24-hour period shortly before the end of the war.

The ship was commissioned in October, 1943, and vivid in his memory was the craft's first Christmas present two months later. On her maiden voyage he Alkeas arrived a Makin Island, which had been secured a week before. On arrival day the Japs held

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
 - 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.
- Try Cardui. If it helps, you'll be glad you did.

HOW IS THE OLD CAR GOING?

Is it doing its best?
Is it getting proper mileage per gallon?
How about wear?

ARE YOU HELPING IT?

Are you giving it good gasoline?
Is it as good as PHILLIPS 66?
Do you use PHILLIPS oils for lubrication?
Do you have it greased regularly with PHILLIPS GREASE?

IF YOU ARE NOT DOING THIS.

You had better start doing it today, for that car may have to last you a long time. Don't cheat your car by giving it poor gas, oil and grease and then expect it to last.

USS West Virginia Ends Victorious War

The battleship USS West Virginia, veteran of months of tough Pacific fighting, suffered her first combat casualties on the day of Okinawa invasion, when she was struck by a Japanese suicide plane. After repairs, we remained at Okinawa, fighting off air attacks and supporting ground troops. With 100 rounds of her 16-inch shells, weighing more than a ton apiece, she leveled the strong Jap fortress of Shuri Castle, permitting ground troops to sweep past it. These two official Navy photographs include an overall view and an action picture.

Awarded Air Medal And 2 Battle Stars

NORTHWEST FIELD, GUAM—(Delayed.)—Off duty hours find many of the victorious veterans of the 20th Air Force working out on the athletic fields and open air gymnasiums of the Marianas, keeping fit under the tropical sun. Among these is First Lt. Delvin A. Simmons, radar-navigator of a B-29 Superfortress stationed with the 501st Bombardment Group of the 315th Bombardment Wing at Northwest Field, Guam. He is the son of Mr. and Mrs. A. B. Simmons of Bula, Texas, and he hopes to return to them soon.

Lt. Simmons has a total of 10 combat missions to his credit, 9 to the Japanese homeland and one to Truk, Caroline Islands. He has been awarded the Air Medal and is authorized two battle stars to the Asiatic-Pacific Theater ribbon, one for the air offensive against Japan and the other for the Japanese eastern mandated islands.

Lt. Simmons enlisted in the Air Corps in August, 1943 and arrived on Guam on June 3, 1945. Prior to entering the service he was outstanding in basketball, tennis and baseball at Bula, Texas. He attended the University of Texas for a period of two years and participated in various college athletics. At present he plays first base on the group's baseball team and forward on the basketball team.

DISCHARGED

Pfc. Bennie L. James, son of Mr. and Mrs. J. W. James, Route 2, served as military police, has been separated from the Army Air Forces at the San Antonio district, AAF Personnel Distribution Command.

The Airplane Of Tomorrow

One of the war's greatest paradoxes is that its urgent need for developing the world's most destructive force at the very same time advanced that same instrument as a peacetime agency faster and further than any period in history. That instrument is, of course, the airplane. The growth of air transport since Pearl Harbor is a modern miracle which holds so much in store that there seems to be no limit to the forecasts of the post-war future of this industry which has become full grown practically overnight.

The airlines of the United States, under contract for the Army and Navy, flew more than 308,000,000 miles during the first three years of the war, carrying vital personnel and cargo to the far corners of the earth. They racked up the almost incomprehensible figure of 2,600,000,000 passenger miles and 707,000,000 ton miles. New developments in design, power plant and instruments, rushed to fruition in ten times the speed of normal civilian development, were responsible to a large degree. Credit goes also to the pioneering skill and courage of the airlines for companies which had never before flown outside the U. S. pioneered routes over all the oceans where man had never ventured before.

During this same period the airlines demonstrated in another way that they have come of age, depending no longer on any benevolence from Uncle Sam. For the first time the revenues which they turned into the postoffice department from the carriage of air mail so far exceeded the fees paid to the carriers that all the deficit of the early years has been wiped out. Last year the airlines far from receiving a subsidy made a substantial profit for the government.

The harvest of the extraordinary efforts of the war years was ready to be reaped as soon as final victory came and it will be shared by millions of Americans whose war service has made them more air-minded than ever. Already the 19 domestic lines have concrete plans, with many orders already signed, to increase the size of their fleet to 1005 planes. Those ships will be capable of carrying nearly 37,000 passengers. They are not just the dreams of designers even though many of them will be able to cruise at speeds of close to 350 miles an hour and carry loads of 29 tons over distances of 3000 miles and up. Some of these planes have actually seen strenuous war service. From the chaos and destruction of war has come at least one benefit which will be of incalculable value in bringing mankind closer together—the airplane of tomorrow.

Mr. and Mrs. Thomas Observe Golden Wedding Anniversary

Mr. and Mrs. F. B. Thomas celebrated their golden wedding anniversary with a family dinner, Nov. 27, attended by their family and friends. The dinner was prepared and served in the basement of the Olton Methodist church.

Among the gifts the couple received was a dining room suite given to them by their children.

Yellow asters and mums were used in decorating the room.

After a turkey dinner was served the family returned to their home where punch and cake were served.

The table was covered with a white table cloth given to them by the Sunday school class. The three tiered cake was beautifully decorated in gold, topped with a miniature bride and groom.

Mr. F. B. Thomas and Miss Laura E. Fish were married November 27, 1895 in Montague county. Later moved to Custer county Oklahoma. They moved to Donley county in 1914 and lived there in and near Clarendon until July 30, 1945 when they moved to Olton, Texas.

Mr. and Mrs. Thomas are the parents of thirteen children, ten of whom are living. Nine of the children were present, 31 grandchildren, three great-grandchildren, 2 sisters, and their husbands. One brother and wife, one niece and husband and one nephew, and a host of friends.

The children are R. H. Thomas, Olton; Mrs. K. P. Cooper, Fresno, Calif.; Gordon Thomas, Olton; Mrs. Jack Lawrence, Sharron Spring, Kansas; Mrs. Mattie Cooper, Fresno, Calif.; Frank Thomas, Muleshoe; B. Hey Thomas, San Antonio, Texas; Mrs. T. W. Carroll, Long Beach, Calif.; Bill Thomas, Muleshoe; Mrs. Melvin Eagle, Phillips, Texas.

Refreshments were served to the following members: Mesdames Ernest Brooks, C. F. Bryce, Carl Locke, I. D. Sinclair, A. C. Rodgers, J. C. Bryce, Albert Locke, Roy Syfrett, W. V. V. Swart, Glen D. Young, Leonard Black, W. K. Bagwell, Granville Perkins, Nathan Theford and the hostess.

The club adjourned to meet with Mrs. Roy Syfrett December 20.

SOCIAL EVENTS

Miss Mary Fetsch And Clarence Albus Wed at Rhineland

Clarence Albus, son of Mr. and Mrs. Joseph Albus of Pep, Texas, and Miss Mary Fetsch, daughter of Mr. and Mrs. Ferd Fetsch of Rhineland, Texas, were united in marriage on Tuesday, November 27, 1945, at 8:00 a. m. in St. Joseph's Church of Rhineland.

The nuptial high mass and double ring ceremony was performed by Rev. Thomas Burgher in front of the altar which was beautifully decorated with orchids, white and gold chrisanthemums.

The bride was beautifully attired in a beautiful white gown of satin and silk marquisette. Her finger tip veil was fastened to a wreath of white waxed covered orange blossoms, her only jewelry was a two strand pearl necklace, a gift of the groom.

The bridesmaid, Rose Fetsch, sister of the bride, wore a gown of light blue satin while the maid of honor, Wilhemine Albus, sister of the groom wore a gold jersey gown.

Attending the groom was Paul Albus, brother of the groom while Fetsch

Fetsch, brother of the bride acted as best man.

At noon a big dinner was served to a number of 64 persons in the home of the bride. The table was covered with a gold linen cloth and centered with the three tiered wedding cake with a bouquet of chrysanthemums on each side.

Mrs. Albus was employed in Pep in housekeeping for the pastor of the parish for the past 4 1/2 years. Mr. Albus was shortly discharged from the Army after serving almost 4 years, 2 of which were overseas. Late in the evening the couple left for a very short honeymoon after which they moved to Pep where they will make their home. Mr. Albus is engaged in farming there.

Mr. and Mrs. Joe Albus and family and Mr. and Mrs. Leonard Albus and family spent the week end at Rhineland, Texas, attending the wedding of their son and brother, Clarence Albus.

Rev. Matthew Shafel was there for this occasion also.

The maid swore she didn't tell the wife what time I came in last night. All she said was that she was too busy cooking breakfast to notice the time.

PERSONALS

Mrs. E. O. Feagley, the former Miss Mary Helen Hayhurst, left Sunday for San Francisco, Calif., to join her husband, who is stationed there.
