## C. OF C. TAKES FURTHER STEPS TO FIGHT "FLOATING STORES"

### PLAN MAMMOTH DOLLAR DAY CELEBRATION

**Committee Named To Seek Support of Every Merchant**

Two important matters were fully discussed at the weekly luncheon meeting of the Littlefield Chamber of Commerce Tuesday noon, which was presided over by J. S. Hilliard, Vice-President.

Gus Shaw, Chairman of "Floating Stores" Committee, reported on progress made toward seeking legislation directed toward the control and special taxation on merchants who establish a business for a short time, particularly in the fall of the year, and then discontinue just prior to January 1, to avoid taxation.

Mr. Shaw was appointed chairman and T. S. Sales and L. Fink, other members of this committee at last week's meeting of the Chamber.

Mr. Shaw reported that his committee had met with the Littlefield City Commission and that they were communicating with Senator Arthur P. Duggan, urging him to go ahead with preparation of the bill to prevent "floating stores" from escaping taxation. As soon as the bill is drawn Mr. Shaw said a copy will be sent the Littlefield City Commission, the local school board, and the Chamber of Commerce, so that they may contact like organizations in other towns and cities, as well as correspond with their representatives in the legislature, with a view to sending them

## NEW OFFICERS ELECTED AT FARM MEET FRIDAY

### CROP REVIEW OF LAST YEAR READ DURING MEETING

**Cunningham Heads Group; Cotton Committeemen Named**

Four members of the 1935 Cotton Committee and three officers to serve during the year were elected at a meeting of Littlefield's Community Farm Association held in the high school Auditorium Friday evening.

Ray Hudson, L. C. Gregg, J. H. Allred and L. L. Massengill are new cotton committee members of the association while new officers include W. H. Cunningham, president; Roy Byers, vice-chairman, and Zed Robinson, secretary.

A. A. A. payments during the year were reported by County Agent D. A. Adam as follows:

Sale of farm products and cotton tags, \$835,482. Total of all farm benefits for 1934, \$3,953,555. Average amount distributed to each farm, \$316. For rehabilitation of relief roll clients, use of 40 acres, at \$6 to \$8 per year under a three year lease, was discussed.

**Census to Begin Soon**

R. M. Carpenter's census enumerator for the Littlefield area in 1935, Adam said. Adam stressed the value of a complete and accurate census and pointed out its possible use in getting additional benefits for the county this year. Adam deplored lack of use of record books, pointing to the

### Bright's Disease Fatal to Two Year Old Imogene Pierce

Imogene Pierce, two year old daughter of Mr. and Mrs. Ira Pierce of eight miles northeast of Littlefield passed away Saturday, January 12, at 1 p. m. at the family home following an attack of acute bright's disease.

Funeral services were conducted at the residence Sunday morning at ten o'clock by Rev. John Evans, Amherst Baptist Pastor and interment in charge of Burleson's Funeral Home, took place in the Littlefield Cemetery.

The child is survived by her parents.

### Mail Romance Sours

OMAHA . . . Minerva Walters, 25, (above), is through with "mail order romance." After corresponding with Arbie Harrison of Cleveland, Minerva went there to become his bride. But it was no go, love soured and now she's home again.

### F. O. Boles Attends State-Wide Meeting Of School Officials

F. O. Boles, Lamb County Superintendent, returned Wednesday from a state-wide meeting of county superintendents at Austin. He was accompanied to the capital city by Superintendent H. P. Caviness of Lynn County, Joseph R. Griggs of Lubbock County and Dean Robinson of Garza County.

A program of activities for the next four years was mapped out and a new rural aid law to control allotments of state money to school districts was discussed at the two-day session, Boles said.

### LOCAL SCHOOL REPRESENTED AT MEETING

**State Superintendent L. A. Woods Addresses The Gathering**

At the call of Deputy State Superintendent D. G. Holbrook to a curriculum conference in Lubbock, F. O. Boles, County Superintendent, Carl Arnold, Prof. A. B. Sanders, W. T. Hanes, Miss Margaret Teel, Miss Evelyn Garlington, Morgan Layfield, L. D. Lindley, Miss Mary Perkins, Miss Thelma Killough, Miss Lois Kirkpatrick and Floyd Hemphill journeyed to Lubbock on Friday evening.

The majority of the above mentioned people attended the banquet at the Hilton Hotel at 6:00 to 8:30 P. M. Some two hundred fifty persons assisted at the curriculum meeting around the banquet tables.

Three Tech professors made talks on the curriculum as follows: Dr. Griffin spoke on "Who Should Build the Curriculum"; Dr. Barnett spoke on "Why we need a change in the curriculum" and Dr. Evans spoke on the "Need of continuous change in curriculum". This was climaxed by an address by State Superintendent L. A. Woods on "The Class Room Teachers, Parts in Curriculum Making." Dr. Woods stressed that if the curriculum is to be used by the teach-

## CITY MARKS TIME AS WATER PLANS AWAITED

With city officials marking time until plans for Littlefield's proposed water works are completed by Engineer H. N. Roberts, Lubbock, only a meeting of the City Commissioners stood between a planned test of the well to be hooked up for use in the program, declared City Secretary W. G. Street Tuesday.

Robert's phoned Mr. Street Monday that the plans would be completed early next week. They will be sent to Deputy PWA Administrator Mayo at Fort Worth for final approval before actual work is begun on the project, Street pointed out.

Upon approval, city officials will advertise for bids and the contract will be let about the last of January. Mayo will be on hand in Littlefield to aid in superintending the opening of bids.

While PWA can take up the bonds, furnishing money as needed on the job, indications are that the lump sum, (\$39,000) will be deposited to the city's account here and that the \$9,000 will follow after completion of the work.

city, is not a debt. The \$39,000 is repayable in annual payments at four per cent interest as each bond becomes due. The bonds are to be entirely paid out within 30 years.

Two diesel engines, one 55 horse power and the other 110 horse power, will be installed at the city's pumping station near town. Plans are to use only the smaller engine unless necessary. Cast iron pipe will connect the three present city wells and the new pool to the pumping plant.

Deceased is survived by his parents Mr. and Mrs. G. R. Davis of Littlefield, his widow, Mrs. Estella Davis, and four young sons, W. V., Jr., Lloyd, Richard and Eldridge; five brothers, Holly, Louis and Clyde of Littlefield, Eugene of Gainesville, and Pleddy Davis of Spur, Texas; and three sisters, Mrs. John Allison of Littlefield; Mrs. Dola Full of Lamesa; and Lavada Groom of Pinecastle, Fla.

The \$9,000, a PWA gift to the

## Equipment Arrives to Pave 17-Mile Strip Through Lamb County

Actual construction of the strip of Highway No. 7 from the Hockley County line through Littlefield to Amherst will be underway Monday next, according to information received from the Highway Engineer's office in the Bel-lymo Building.

This work is being done by J. Lee and Ed Vilbig, Inc., of Dallas, under contract with the State Highway Department, and will be superintended by Jack Hawkins of Dallas, who arrived in Littlefield last week.

The type of construction will be similar to that on Highway No. 7 in Lubbock County extending from near Shallowater into Lubbock, with courses of caliche, with base of triple asphalt and surface treatment.

S. A. Shoemaker is the engineer in charge of the work.

This week is being taken up in getting the road equipment on the job, assembling it ready to start work, and the employment of labor. Officials in charge state that local labor will be used as much as possible, and that they will work with the Littlefield Relief office in employing help.

R. B. Coit, who arrived in Littlefield Friday last, will have charge of the Field Office, and act as Paymaster on the job.

Paving work began late in November on the strip of Highway No. 7 extending from Amherst through Sudan to a point 3.1 miles northwest, where it joins other paving. This is being done under the direction of State Highway Department, with K. W. Kuntz as superintendent, using men, teams and trucks as a part of the Federal road building program.

It is expected that the two projects will be completed during the coming summer.

### Dr. W. C. Holden Addresses Littlefield Clubs Last Night

At the invitation of the Women's Study Club of this City, Dr. W. C. Holden, of the History department of Texas Tech, gave an interesting talk on the Yaqui Indians at the City Hall Wednesday night.

Members of the Junior Study Club Business Women's Club and all civic organizations of the city were invited.

Dr. Holden described the Indians' houses, dress, weapons, their political and religious ceremonies, and also told how a trial was conducted by the tribe.

All patients in state institutions are not charity wards. Those who have relatives able to pay are charged for care. Collections from pay-patients for last year totaled \$83,994.

### License Plates for 1935 Have Arrived

The 1935 automobile license plates for Lamb County have been received by the tax collector's office.

These plates are painted maroon with white numbers.

Max Brewer will write applications for licenses here.

### He Takes Chair

Here is James V. Allred who Tuesday took the oath of state preparatory to assuming the duties which go with the highest political office in Texas. Following a colorful inaugural ceremony, Gov. Allred pledged his administration to a hand-in-glove policy with the nation's recovery program and to rigid enforcement of the state's laws.

## LAST RITES FOR WILEY V. DAVIS HELD MONDAY

**Passes Away Following Week's Illness With Pneumonia**

Wiley Valentine Davis, aged 34, of Littlefield, passed away Sunday afternoon, January 13, at 4 o'clock, at his residence in the west part of town, following a week's illness with pneumonia.

Funeral services were conducted at 3 o'clock Monday at the home of deceased's sister and brother-in-law, Mr. and Mrs. John Allison of Broad-acre Addition, by Rev. J. W. Hendrix, Pastor of local Methodist church.

Interment, in charge of Burleson tir Co., Inc., took place in the Littlefield Cemetery.

Deceased was a resident of this section for the past ten years, coming here from Gainesville, Texas. He was born in Canton, Van Zandt county, July 30, 1900 and married Miss Estella White at Gainesville in 1924, moving to Littlefield the same year.

Davis, who was only ill since Monday of last week, had been employed at Hardberger Gin during the ginning season, and at the time of his illness was working on the highway project near Sudan.

Deceased is survived by his parents Mr. and Mrs. G. R. Davis of Littlefield, his widow, Mrs. Estella Davis, and four young sons, W. V., Jr., Lloyd, Richard and Eldridge; five brothers, Holly, Louis and Clyde of Littlefield, Eugene of Gainesville, and Pleddy Davis of Spur, Texas; and three sisters, Mrs. John Allison of Littlefield; Mrs. Dola Full of Lamesa; and Lavada Groom of Pinecastle, Fla.

## WE THINK

What do you think

BY M. B. D.

### NO, WE HAVE NO DOG STORY TODAY!

Perhaps we will have a dog story for next week.

WE TAKE ALL THAT BACK; WE HAVE A DOG STORY—

Sunday morning we were sort of looking over the field with a weather eye for a dog that our dog could sort of fool around with and not get his lips all messed up.

L. C. Cawthon, prominent advocate of more and better bath tubs, said he had a dog that would be entirely satisfactory for the encounter and he sent his young son over to the shop to bring the battler—that's the dog, not a new kind of plumber's wrench.

In eased the battler, less than a pound of fluffiness.

"Thirty"—that's our dog looked at the ball of fur, then whispered in his ear:

"Young fellow you, look sort of puny; why didn't you bring your pa and your ma along to make up the difference"

AND THAT GIRL ON BROADWAY Sorry, folks, we haven't got a Broadway in our town; our main parade is Phelps Avenue.

AND SPEAKING OF THE CHARMING LADIES, LUBBOCK'S BROADWAY AND OUR PHELPS AVENUE

We Do Our Part

## A NOBLE CAUSE

It seems to us a splendid idea that President Roosevelt has again consented to lend his birthday as the occasion for another great national drive for funds for the aid of sufferers from infantile paralysis. Last year more than a million dollars was raised from the balls and parties that were given in several thousand communities on January 30th.

This year, the local American Legion have again come to the aid of this noble cause, and are sponsoring a birthday ball to be held in the Legion Hut Wednesday evening, January 30. This is an act for which the Unit is deserving of great credit.

This year 70 percent of the proceeds raised from the local ball will be retained in this district for treatment of local infantile paralysis victims and the balance or thirty percent of the funds raised are to go to pay for further research work into the causes and prevention of this frightful disease. There are some 200,000 or more children who are victims of infantile paralysis in this country, and every dollar that is contributed will enable the hospitals to extend their care to those whose parents cannot afford to pay for treatment.

It is still obscure to the medical world, the precise method by which children are infected; and no effective means of prevention has been discovered. Hundreds of able research workers are studying the problem, and the better they are supported and equipped, the better the chance of finding out how to curb the ravages of the disease which makes cripples of tens of thousands of children annually.

T. Wade Potter of this city was appointed Littlefield General Chairman of the 1935 Birthday Ball for the President by the National Chairman of New York City, and Claud Clark and Warren Rutledge also legionnaires, have been elected to assist him in making arrangements for the local event.

We can think of no nobler service which the people of this community can render their country on Wednesday, January 30th, than to attend this President's Ball, thereby co-operating with the American Legion and joining in the fight on this dread disease with the thousands of other communities which are holding President's Balls throughout the Nation.

## A YOUNG FOLKS' WORLD

More than half of the people in the world at any given time are under 30 years old. In the United States only 55 percent of the population enumerated in the Census of 1930 were more than 21 years old.

Seventeen years ago the World War began, resulting in social and economic upheavals so widespread that it is fair to say that since 1914 no part of the world has returned to its former normal conditions. More than half

of the people of this country have never had any conscious experience of the world that older folks knew and lived in.

It is hard to teach the young to see through the spectacles of the old. Men and women of mature age look back to a background totally outside the experience of youth. Young people who are now arriving at voting age have had no contact, since childhood, with anything but economic depression. Since they were fifteen or so they have heard little from their elders but moans of anguish over vanished prosperity, a prosperity which, so far as the young are concerned, is entirely mythical; they never experienced it.

It is not to be wondered at that young folks are easily led into belief in economic and social experiments which older ones deprecate as impractical and unworkable. We don't know what anybody can do about it; we are not sure that anything ought to be done about it. It's their world, and they have to learn from their own experience. And maybe, somehow, they'll find ways to make it a better world than the one upon which the old folk look back with longing and regret as the "good old days."

## LAST RITES ARE HELD FOR WIDOW OF MAJOR GEO. W. LITTLEFIELD

The body of Mrs. George W. Littlefield, widow of the famous pioneer Texas landowner, rancher, cattleman and benefactor of the University of Texas, was laid to rest Thursday last in Oakwood Cemetery, Austin, following her death the day before at the Littlefield mansion adjacent to the University.

Mrs. Littlefield, born Alice P. Tiller of a pioneer Texas family, was married to Major Littlefield when he was in Houston in 1862 on a furlough from his duties as captain in the Confederate Army. Mrs. Littlefield was 88 years old when death overtook her. She had lived in Austin and Central Texas for more than 70 years.

Major Littlefield, banker and philanthropist, saw action in several Civil War battles. He died in Austin in November, 1921. The Littlefields had donated almost one million dollars to the University of Texas in both money and property bequests. The family mansion passed into University ownership to be used as the president's home upon Mrs. Littlefield's death.

Pat Boone, Littlefield resident and great nephew of Major Littlefield, was one of the hundreds of mourners who attended the funeral of Mrs. Littlefield Thursday.

naming sub-committees to handle the various bills.

One would hold hearings on the bonus another on the social insurance legislation and a third on the \$416,000,000 in "nuisance taxes" which expire in mid-summer and which the president wants extended.

A possibility remained, Bryns asserted that a special house committee might be selected to handle the job insurance — old age pension measure.

## Production Figures Show 50,002 1935 Fords Manufactured

Improved business conditions throughout the United States are indicated by figures given out by the Ford Motor Company showing the reception the American public gave the new Ford V-8 car for 1935.

When, late in 1917, Ford, after standardizing for years on the Model T, brought out a new Model A, more than 5,000,000 persons visited the show-rooms of Ford dealers, the country over, on the days on which the new model was on exhibition. Final reports, covering the whole

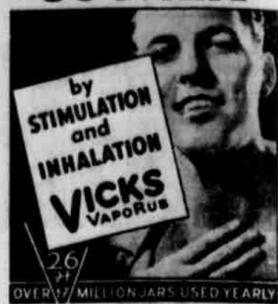

country, show that visitors at dealers show-rooms to see the new Ford V-8 for 1935 totaled 8,683,900—an increase of approximately 73 percent over the reception given the Model A.

Reports show sales volume greatly improved, especially in the agricultural states and in the small towns generally. A considerable number of dealers reported that, in the two days on which the new car was on exhibit, they sold on the floor, from 40 to 50 percent of their total sales for the year 1934. A characteristic of the showing all over the United States was that persons not previously considered as prospects are buying. The rural areas of the South and West showed a renewed buying power beyond all expectations.

Production figures show a total of 50,002 of the new units manufactured to date, with schedules of 110,000 a month for January and February and 70,767 men employed in the Detroit area.

You can't afford to miss this opportunity to subscribe or renew for the Lamb County Leader—Only 75 Cents a Year.

## Bonus Fight Still On At Washington

New ways of expediting action on the bonus, social insurance, "nuisance tax" extension and the president's relief appropriations were planned Saturday by congressional leaders.

House and senate leaders have said that a \$2,100,000,000 cash payment bonus bill probably will pass Congress on the initial vote. A survey, however, has shown that 35 senators — three more than enough — at present would ballot to sustain a presidential veto.

House leaders in the words of speaker Bryns, want to "vote on the bonus soon for the sake of Harmony." So, to enable his committee to work fast on all the legislation it must handle, Doughton figured Saturday on

BRONCHIAL TROUBLES

by MARGARET E. SANGSTER

THIRD INSTALLMENT

SYNOPSIS . . . 'Prelude' . . . "Love Lightly." Mrs. Church warned gently, and Ellen wondered why? Posing for her talented mother, first as a new baby, then a bubbling child, then a charming young girl, Ellen had lived always in a make-believe land of beauty. Of the outside world her knowledge was meagre. . . . While posing in the garden one day, Ellen now 17 learns from her mother the story of the broken life. The chance meeting, the stolen kiss, marriage . . . then years of loneliness. As the mother waited for her husband, to share with him the secret of Ellen's coming, a message came, saying he would never return. So through the years Ellen and her mother lived alone. . . . A few weeks after learning the story of the mother's broken life, another message arrives . . . tragedy, telling of the father's death. The shock killed Mrs. Church. Bewildered, alone, warned to "Love lightly," Ellen arrives in New York. . . . NOW GO ON WITH THE STORY:

it's such a whale of a story at that. There hasn't been a starvation, or a temptation, or a ruination, yet."

"And," the tremor had quite gone from Ellen's voice, "there won't be either. Not while the old brain sits firmly just above the well known shoulders. Well, to make a short story long, I got in touch with the only soul I knew, believe it or not, in New York. A person who had sold my mother's work. Sort of an art agent, you understand. Mother — she did all of her selling second hand she wouldn't see art editors herself. You have to be pretty swell." There was a note of pride, a defensive sort of pride, in Ellen's voice, "to sell your stuff that way! But anyhow," the pride was gone from her voice, now, "anyhow, I went to this agent and asked her advice. And she tried to help. 'Perhaps you'd better try to be an artist,' she said. 'It's in your blood.' 'But it's left out of my fingers,' I told her. 'Well, what can you do?' she asked me. And I said, 'I'm a regular wow at posing.'"

A man without a beard and for that reason some years older than the Vandyke one, spoke.

"And so you are!" he told Ellen. "I never knew anyone who could catch the idea the way you do. I wish to heaven I could keep you busy all the time. Not that I wouldn't be afraid to have you in the studio all the time—"

Ellen shrugged. "I don't eat artists," she said, "not even raw ones like Sandy, here, not even good ones like you."

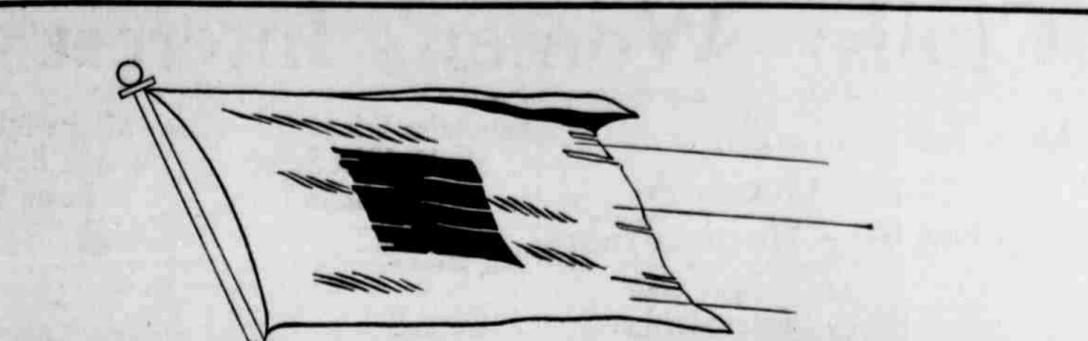

One of the girls laughed. It was a sharp laugh, rather. "I'm not so sure of that," she told Ellen. "I'd say, for all of your wide eyes, your raised eyebrows that you were a regular man-eater. You have a come-on game—"

"That," interrupted the man called Sandy, "that doesn't come anywhere! Ellen's come-on game somehow always fails to arrive!"

Ellen laughed ever so slightly, and surveyed her guests through the low hanging haze of their tobacco smoke. The two girls? They—she admitted just models like herself. With stait, in her mind—weren't important. Key names behind which they hid their own commonplace labels. Gay Vardon—the shorter one, with the angelic face framed in red hair. She was in demand for magazine covers, Gay. Her innocent eyes were a guarantee on any periodical of its faith with the public. Claire Tremaine—the tall, willowy one, who posed for fashion work. Who with her boneless, curveless figure was just a little passe in this new age of fashion elegance.

They weren't of much importance, these two. Just white of egg, beaten to a stiff froth. Not a great deal of substance, or nourishment, there!

Sandy Mackintosh? Somehow, although his work sold readily, although he had a real flair for expression, he belonged with the two

COLD WAVE COMING!

You can laugh at cold waves if you have a tank of

"Cold wave? I'm not worrying. I've got Special Winter-Blend Conoco Bronze Gasoline in the tank!"

BE PREPARED! Don't let cold weather inconvenience you. Fill up now with the high-test gasoline made especially for instant starting and smooth pick-up at the lowest temperature! SAVE MONEY! Conoco Bronze saves your battery. You choke less—waste no gasoline. TRY IT TODAY! See for yourself that it gives better performance.

USE WINTER-GRADE OIL —to get easier starting, greater motor protection and better gasoline mileage. Ask your Conoco dealer for the 10W or 20W grade of Conoco Germ Processed Motor Oil. You will see at once how much easier your car starts and how much smoother it runs.

Even at twenty Ellen couldn't quite control the sudden tremor in her voice.

tweed coat—but with all of my bills paid, and the homestead still un-mortgaged. You didn't know, did you, that I am a landowner? That I, whose knees shall be known to posterity, am the possessor of an estate!"

The man with the Vandyke beard reached, through the cloud of his pipe smoke, for her hand—which Ellen carefully removed from his vicinity. He shrugged and reached instead for the glass that stood at his elbow.

"For such a red hot, red capped little person," he said "you're startlingly chill! know that, Ellen? A", he laughed, quite alone, at his pun, "a Church — and why should a church need fortifications? — with battlements and moats and a draw-bridge!"

One of the two other girls was speaking. "Shut up, Sandy," she said. "You're just about as funny as a wake! Say, Ellen," her voice was shrill, why don't you throw a party up at your place some weekend? The crowd of us could make perfectly swell whoopee."

If a shadow crept across the perfectly rouged face of little Ellen Church, she veiled that shadow with a slim, raised hand. Her answer came with almost too much nonchalance.

"I haven't been near the place," she said, "since I turned the key in the lock and went out into the storm, with neither a wedding ring nor a baby. I'd have to have considerable of a weekend—and I mean my head—to take you all up there. Why," even at twenty Ellen couldn't quite control the sudden tremor in her voice, "Why, the place is full of ghosts. . . ."

The man with the Vandyke beard puffed away in silence for a moment. "You were telling your life story," he reminded Ellen, at last. "Not that

"Make yourself at home," he told Ellen.

girls, Ellen told herself. His essays at love-making always bordered on the comic, for her. He was always ready to put her into one of his careless, charming illustrations, however, always ready to buy her a dinner at some place where the food was good, and the lights were low,

and there was wine for the asking.

The older man, Dick Alven? He wasn't a lightweight! He didn't depend upon charm to put his drawings over. He didn't even care, always, that his paintings would interest dealers—rather than sell them! Ellen's gaze creeping about the room, felt a thrill of affection as her eyes rested upon his face. For it was to Dick that she had first gone, quite by chance in her quest for work. A slim, frightened child, in a scarlet cap, and an unfashionable topcoat, she had come knocking at his studio door. And he, with curiosity written in every line of his face, had let her into the square, somber room in which he painted.

"So you want to pose?" he had questioned. "I fancy, from your looks that you've just run away from school, with an old copy of The Common Law tucked into your pocket. Well, I do need a model. But you'll find it hard, unromantic work."

Ellen had answered haughtily, to cover the shiver in her heart, the quake n her soul. "I've posed all my life," she told him. "I know it's not easy. But I'm used to it!"

Dick Alven's practiced, oddly personal yet oddly impersonal gaze had run the length of her slender body. He sighed.

"You're such a kid," he told her "Do you pose for the figure?" Ellen felt the blood mounting into her cheeks, pounding into her temples. But she answered with a certain doggedness.

"I have of course posed that way," she said. "I can lift there's no other work to be had. But I'd rather —not!"

Dick Alven hal laughed. "I thought that would scare you out," he said. "I'd know you for an amateur any

day. Who've you posed for — you little bluffer?"

Ellen's head was high. The blood had receded from her cheeks.

"I posed for Mrs. Church," she said. You must have seen her work. She specialized in drawings of children. Of young girls. She," Ellen's lips all at once were quivering, all at once the tears stood, roundly in her eyes, "she was — mother!"

Dick Alven, with a certain mute astonishment, had watched the tears spill over on to the pale cheeks. He had given himself a little shake, and had closed the studio door.

"Make yourself at home," he told Ellen. "I've an order for a sort of Kate Greenway mural, to dress up a halfbaked, junior league inspired children's theatre. I can use you plenty."

And so Ellen entered the studio, and buttoned herself into a high waisted blue-sashed muslin dress, and started out upon her career as a professional model. It was as easy as that! Under Dick's tutelage, which almost amounted to chaperonage, she met other artists, secured other work.

It was getting late. The cigarette smoke was rising toward the ceiling of the room. As soon as the bunch left, Ellen thought, she would fling up the windows — and make the room sweet again.

"I think," she called now to the corner in which Gay and Sandy were sitting, very close, "that you'd better clear out. I'm working tomorrow, and I'm starting early."

Sandy eyed her reproachfully. "Women," he said, "they're all alike. Just puppies in manglers. Ellen won't let me touch her hand. But the moment I seek any consolation in Gay, she throws me out. Jealous cat, I call her!"

Claire rose blithly from her place on the cushioned day bed. She stretch-

ed as a slim, lazy panther stretches. Nobody had been making love to Claire.

"I'm ready to blow," she said. This party hasn't been what you'd call a wow for excitement. The story of Ellen's past is too blameless to make what might be known as a hectic evening. See me home, Dick" there was a slightly eager note in her drawing voice. "You go my way!"

But Dick, slowly was shaking his head. "I'm staying on here, for a bit, after the rest of you leave," he told her. "I want to talk with Ellen. I'm the guy she's working for tomorrow. We're starting on that Indian thing—and I want to talk to her about costumes."

Sandy rising had dragged the diminutive Gay to her feet.

"We'll drop you at your shanty, Claire," he said. "That is, if you're really afraid to venture out alone on the sidewalks of New York!"

Claire shrugged. "I'd suspect you, Ellen," she said, as she pulled the season's smartest hat over her beautifully arranged hair, "only it's hard to suspect anyone with milk—frozen milk — in her veins! I don't doubt," there was a queer note of almost envy in her voice, "that you and Dick will really talk about costumes."

Ellen tried very hard, to copy the spirit of Claire's shrug.

"Be that," she said, "as it may!" Then they were gone, the three of them. Clattering down the uncarpeted stairs. Sandy laughing — Gay's shrill giggle echoing his mirth.

"They're laughing about me," Ellen told Dick, and her toe was tranquil. "They think I'm something from another planet. That I have six toes on each foot and they're webbed.

You tell 'em different, Dick. You've seen my feet—"

But Dick was staring at her strangely, through the drifting smoke, most of which he was now creating himself.

"Sandy may laugh at you," he said, "but he's in love with you Ellen."

Ellen, again attempted the shrug. It was more of a success this time. "Oh—love!" she said. Just that. Dick went on.

"So, he said evenly, "am I, for that matter! I love you Ellen, you know. Foolish isn't it?"

Ellen agreed. "Yes, it is rather," she said. "Because I have reason to suppose. Dick that love would stand for marriage, with you. You're that sort. Sandy? Possibly he isn't. But—well, what would marriage with you mean, Dick? Figure it out, from my point of view. Only a new name, and a wedding ring. I'd work just as hard as I'm working now. I'd have the deuce of a lot more to worry about—babies, for instance. And I wouldn't have lots of things that I have now, either."

Dick's voice rasped a little. It was a very nice voice when it didn't have that grating note.

"What, for instance?" he questioned.

"Privacy, for instance!" Ellen answered trying to make her tone flip-pant.

Dick was rising from his chair. His tall figure, despite his breadth of shoulder, gave the effect of gauntness. He came swiftly across the room and laid his hands, not too lightly, on Ellen's shoulders.

## HELPS BABIES REST ENDS COLIC PAINS AIDS DIGESTION

When your baby tosses about, cries in pain and cannot sleep, why not get at the cause with McGee's Baby Elixir. It neutralizes indigestion acid, ends gas cramps and colic pains and then helps them become cheerful again. They sleep better. McGee's Baby Elixir is made of the purest medicinal extracts and syrup. It cannot harm. Years of use has proven that. Simple directions tell exactly how to use it. Tastes good. Gives relief promptly. Two sizes: 35c, 60c.

## Las Amigas Club Entertained at Knowles Residence

Members of the Las Amigas Club met Wednesday evening, January 9, at the home of Mr. and Mrs. J. R. Knowles, with Miss Mary Knowles as hostess.

Following a short business session, an enjoyable program in charge of Miss Ina Belle Wharton, was given, including "Life of Kathleen Norris" by Miss Wharton; The Story "The Apple Tree" by Miss Mary Helen Smith and another story by Miss Naomi Whitaker.

The Club's project for the coming year and ways and means of raising money were discussed.

Refreshments were then served to Misses Ina Belle Wharton, Naomi Whitaker, Mary Helen Smith, Marjorie Keithley, Mary Ellen Gattis, Hazel Hobson, Regna Crow, Olga Henson, hostess, Miss Knowles, and sponsor, Mrs. Young.

## Rainbow Girls Honor Outgoing Mother Advisor

The Rainbow Girls entertained Monday evening at the home of Mr. and Mrs. Bob McCaskill in the Valley View Community, complimenting the outgoing Mother Advisor, Mrs. J. G. Singer.

Games were enjoyed, following which Mrs. Singer was presented with a gift, a luncheon set, Mrs. McCaskill the newly elected Mother Advisor making the presentation.

Following the program, a buffet supper was enjoyed by the following Rainbow Girls: Misses Dorothy Newgent, Linnie Bee and Louise Thornton, Thelma Odell, Ila Greene, Ernestine Cundiff, Genave Mason, Olene Robbins, Alice Lynn Street, Blanche Wales and Ellarene Vaue, and the following guests, Wayne Cowley, Joyce Griffin and Evonia Hawthorne.

## Return From Enjoyable Trip To California

Mr. and Mrs. J. O. Garlington and Mrs. B. L. Cogdill and son, Jackie, returned Saturday from a two week's trip to points in California.

Mr. and Mrs. Garlington visited her mother, Mrs. W. D. Knowlton and brother, Frances Eldson at Oakland, Calif., her sister and husband, Mr. and Mrs. H. H. Hamilton at Long Beach, Cal., her brother and sister-in-law, Mr. and Mrs. Eddie Eldson at Modesto, Calif.

While in California they witnessed the Tournament of Roses at Alhambra, at which the largest audience ever to attend this annual affair was recorded.

They also attended the Albrama University vs Stamford University game at Pasadena.

Mrs. Cogdill and son visited her sister and brother-in-law, Mr. and Mrs. J. G. Cash at Blythe, Calif., her brother, Ray W. Morris at Los Angeles, and niece Maxine Cash at Riverside. They also viewed the battle-hips in the harbor at San Pedro.

Mrs. Cogdill reports a very enjoyable trip.

## Entertains Friend She Had Not Seen For Eighteen Years

Mrs. Louis Steiert of Nazareth, Texas, arrived Sunday to spend the week with Mr. and Mrs. W. H. Heinen. Mrs. Heinen will return home with Mrs. Steiert Monday to spend the day.

Mrs. Heinen and son Billie and daughter, Mary Agnes and Mrs. Steiert spent Wednesday at Pep, visiting Mrs. Louis Owen and Miss Jean Lupton. They will also visit Mrs. Heinen's sister, Mrs. W. P. Lupton at Shallowater Sunday.

Mrs. Heinen and Mrs. Steiert were friends and nurses in training at the St. Anthony Hospital, Amarillo, and had not seen each other for about eighteen years until this past summer, when Mrs. Steiert located Mrs. Heinen—hence this week's visit was a very enjoyable one.

Hendricks, Mr. and Mrs. Everett Whicker, Mr. and Mrs. Clyde Hilbun, Miss Dess Key and Mr. and Mrs. Ross McWhorter Mr. and Mrs. Windy Watkins and Mrs. Lawrence Bacon all of Lubbock, and Charlie Lyne, Ed Fowler, T. Wade Potter, Otha Key and W. J. Chesher.

## CARD OF THANKS

We wish to thank our kind friends and neighbors who so ably assisted us during the recent death and burial of our darling little son and brother.

Especially do we thank Brother Hendrix for the sympathy and comfort he brought us during the hour of our bereavement. May God bless all of them.

We are sincerely grateful for the beautiful floral offerings, Mr. and Mrs. Will Koke and Family.

Once you Subscribe you will never be without your home paper—The Lamb County Leader.

One of the most delightful social affairs of the season was enjoyed at the home of Mr. and Mrs. W. G. Street when the losers in the Thursday Bridge Club contest entertained the winners at a breakfast Saturday morning.

Following the breakfast, four tables beautifully decorated with Bronze Snapdragons, were laid for bridge, which was enjoyed until one o'clock.

During the games Mrs. Claud Hilbun scored high, while her sister-in-law and house guest, Mrs. Allen Hilbun, won second high.

During the day also prizes were given for those holding honor or four of a kind.

Those attending the party were, Mesdames R. T. Badger, J. C. Hilbun, Allan Hilbun, John Arnett, S. J. Farquhar, H. W. Wiseman, Lena Howard, J. M. Stokes, Pat Boone, Jimmie Brittain, Ray Jones, W. O. Stockton, W. G. Street, C. E. Cooper, W. H. Gardner and E. S. Rowe.

## Miss Merle Jones and Raymond Cape Wed Tuesday A. M.

Miss Merle Jones of Friendship Community became the bride of Raymond Cape of Sunnydale Community Tuesday morning at 10 o'clock at Sudan.

The bride is the daughter of Mrs. Nanny Thornton, while the groom is the son of Mrs. Sophie Sape.

The ceremony, which was witnessed by the bride's mother, Mrs. Thornton, and Mrs. Cape, mother of Mr. Cape was performed by Rev. W. M. Speck, Pastor of the Church of Christ of Sudan, at the parsonage.

The bride had been a resident of Sunnydale for the past two years and until recently when she moved to Friendship Community. With her family she came to this section from San Antonio, where they had lived for fifteen years.

Mr. Cape had been a resident of Sunnydale for the past year, coming here from Los Angeles. Previous to that he had been reared and lived in Sulphur, Okla.

The couple left immediately on a trip to Santa Fe, N. M., where they may make their home.

Any seed to thresh see Cunningham.

Babes in Toyland To Be Featured at Palace Thursday

Victor Herbert's immortal "March of the Toys" and "Castle in Spain" as well as the delightful fantasy and story book figures of childhood, have been brought to the screen in a film that should prove a joy and revelation to children and grown-ups.

The combination of Laurel and Hardy's rollicking comedy with Victor Herbert's pulsating music, added to gorgeously fantastic sets and superb singing, makes a picture that can be enjoyed by anybody, young or old, rich or poor, Indian chief or candlestick maker.

SUNNY DALE

The revival at Sunnydale is progressing fine, the crowds are good and the sermons are hard to beat, if you fail to hear Brother Smith, you have missed something great.

Mr. and Mrs. Gus Clark are the proud parents of a fine baby boy born Jan. 7 at 11 o'clock.

Leonard Guld who has been making his home with Mr. and Mrs. Lyle Brandon for the past two or three months left this morning for his home in Georgia.

The Rev. Hersman Smith is staying in the home of Mr. and Mrs. Pad Hanks this week.

Mrs. J. S. Hanks is much improved and was able to be out to church services Sunday. A group of young people of this community took dinner

Built Up Strength By Taking Cardui

Here's her own account of how Mrs. T. W. Hardin, of Greer, S. C., was benefited by taking Cardui: "I suffered a great deal from weakness in my back and pains in my side and felt so miserable," she writes. "I read of Cardui and decided to try it. I felt better after I took my first bottle, so kept on taking it as I felt such a need of strength, and it helped me so much."

Thousands of women testify Cardui benefited them. If it does not benefit you, consult a physician.

Community singing will be held at Lum's Chapel next Sunday afternoon, January 20. All are invited to attend.

Mr. and Mrs. N.H. Humphries and family and Mr. and Mrs. John D. Jackson spent Sunday afternoon in the Carter home.

Little Thelma Baker is ill with Scarlet Fever. She is much improved now, however.

Master John Robert Nance has been visiting his aunt and uncle, Mr. and Mrs. John Nance.

PEP PARAGRAPHS

A very large crowd attended the meeting held by the Agricultural Committee Friday evening. The Agricultural Committee consisting of A. G. Jungman, chairman, H. Greener, vice-chairman, and G. C. Keith, secretary, were re-elected by acclamation. The cotton committee that was elected were G. C. Keith and J. E. Stengel. Boys Club work, Mr. Lewis Owen. Teracing committee, H. Greener and W. T. Jungman. J. E. Stengel leader for keeping the farm record books. Meat Demonstration Committee, Mrs. G. C. Keith and Mrs. M. A. Burt.

Miss Lucille Stengel returned to Amarillo Tuesday to go back to work.

Several of the Pep folks attending the Singing Convention at Whitharral Sunday afternoon.

Mr. Raymond Wotipk was a Sunday dinner guest of Adolphus Jungman.

Mr. Ed Blakney and son, Harry and A. G. Jungman hauled a load of Cottonseed to Plainview and brought back a load of Coal and Cottonseed hulls. They also went through Lubbock to attend to business Saturday. Sunday afternoon Mr. Ed Blakney returned to Plainview to get a John Deere Tractor.

A card party was given in the home of Richard Zahn Sunday evening.

The International Dealer of Littlefield Delivered a new Farmall Tractor to J. F. Albus Friday.

For seed cleaning see Cunningham.

CHURCHES

CHURCH OF CHRIST Ninth Street

Sunday - 10:30 a. m. - Meet to break bread.

Sunday - 7:00 p. m. - Preaching.

Friday - 7:00 p. m. - Teaching by young men.

Everybody is cordially invited to attend all services.

METHODIST CHURCH J. W. HENDRIX, Pastor

The church last Sunday greatly enjoyed the ministry of Rev. Chas. Joiner, Baptist pastor, in Sudan at the morning hour. This was by way of exchange of pulpits as arranged through a committee in the Minister's Alliance. The Ministers meet in fine spirit of fellowship all over the area.

The morning hour of worship next Sunday will be interested in College Day. This has been placed on the church calendar by request of the Annual conference. The local Board of Education met in the parsonage Tuesday evening and arranged for this service. It will come as a special service. It will have in mind the cultivation of our people in regard to our colleges.

The evening hour will have as its theme, "IS SIN HAZARDOUS?" To our Fathers this theme would seem strange and most commonplace. But as we regard society in our day we are inclined to raise this question. It may be to our age, to some of our church people even, this question needs to be raised—should be answered.

For each of these services the large choir will take part in the worship by rendering appropriate music. It rehearses each Wednesday evening at 7:30 p. m., making ready their program.

The church school will meet in regular session at 9:45 p. m. Arranging to be present at that time, instead of ten minutes later, will increase the attendance—those present for the opening, by 75 percent. Couldn't you do that for the encouragement of the superintendent, the pastor, and those who are always on time?

Leagues: 6:30 p. m. All is arranged for a great session of these Leagues. Previous preparation is now assured.

THE FIRST PRESBYTERIAN CHURCH HUBERT TRAVIS, Pastor

SUNDAY PROGRAM— Church School - 10:00 a. m. Dr. Ira Wood - Superintendent. Morning Worship Service - 11 a. m.

New Oil Well Located 5 1-2 Miles From Boone Ranch

Wide interest is centered on the Claudell Development Company's No. 1 Wilmes Oil Test, in Roosevelt County, which Tuesday showed oil at 3,367 feet, which well is only 5 1-2 miles north of a ranch owned by Pat Boone of this city, and about the same distance from Major Littlefield's Ranch property.

The plan is to drill about 200 feet further down, and it is expected to bring in a big gusher in the near future.

This test is located about 20 miles northwest of Elida, N. M. and 45 miles southwest of Clovis, and about 30 miles from Portales.

In an interview with the Leader, Mr. Boone stated that he had a portion of his property leased to the Shell Oil Company, and that this company, the Humble Oil and Continental Oil Company all had large holdings in that immediate vicinity.

# TO THE TAX PAYERS AND WATER CONSUMERS OF THE CITY OF LITTLEFIELD

## Statement as to the Attitude of The Texas Utilities Company in Regard to the PWA Loan and Grant

In order that there may be no misunderstanding of the attitude of the Texas Utilities Company in regard to the installation by the City of its own generating plant to furnish power for its water pumping, the Company presents the following statement:

On May 25, 1925, the City of Littlefield and the Texas Utilities Company entered into a contract by which the City agreed to take and the Company agreed to furnish for a period of twenty years from that date, all the electric current which the City required for water pumping and power. The rate originally agreed upon in the contract has been voluntarily reduced by the Company to where since August, 1931, it is only two cents (2c) per Kilowatt Hour, and on December 17, 1934, the Company offered to the City Council a still further reduction, as explained below.

The Texas Utilities Company is as much interested in the growth of this town, and the assurance of an ample supply of water to its inhabitants, as any other citizen. We have never made any objection whatever to any action of the City, or its City Council, with respect to the increasing of its water supply. We did protest against so much of the PWA Loan and Grant as was sought by the City Council for the purpose of building an electric generating plant to furnish power for water pumping purposes, but we specifically stated in our protest to the PWA that we had no objection, and did not protest the Loan and Grant so far as it was sought for the purpose of drilling new wells, extending water mains, etc.

### WHY COMPANY PROTESTED

Our reasons for protesting the use of any part of the Loan and Grant for the building of a generating plant, WAS BECAUSE UNDER OUR CONTRACT WITH THE CITY, IT COULD PUMP ITS WATER WITH OUR CURRENT CHEAPER THAN WITH ITS OWN GENERATING PLANT. Therefore, as a water user and a tax payer, we felt that we had an interest in the matter such as would entitle us to be heard. Prior to making any protest, we wrote the City Council of the City of Littlefield, calling their attention to the contract with us, and that under that contract they could pump the water more cheaply than they could by building their own generating plant, and offered without cost to the City, to extend our wires to any point or points where the City might find it necessary to drill wells. In that letter it was shown to the City Council that the cost per thousand gallons using our current at the rate of two cents per Kilowatt hour, would be 3.2 cents per thousand gallons, and that under their proposed plan of building their own generating plant, the cost of pumping the water would be approximately 4.9 cents per thousand gallons, or 1.7 cents per thousand gallons higher.

Not having had any response to that letter, we deemed it necessary in the interest of our contract rights, as well as in the interest of the tax payers and water users of the City of Littlefield, to file our protest, and call to the attention of the PWA the fact that the City could effect a considerable saving in its pumping costs by using our current instead of building their own generating plant. In that protest we submitted figures based on the estimates made by the City's engineer, showing the cost to the City by pumping with its own generating plant, as compared with the cost of pumping by the use of our current at the two cent rate above mentioned.

### CITY'S ENGINEER ESTIMATES COST

The City's engineer estimated that the cost of fuel and lubricating oil for the operation of the City's own plant would be 1.33 cents per thousand gallons, or a total cost of \$931.00 per year based on seventy million gallons of water produced and sold by the City. He also estimated the sum of \$850.00 per year as cost of maintenance, and in as much as the generating plant would represent one-half of the proposed investment, we think it is reasonable to charge it with one-half of the cost of maintenance. He also estimated that, after deducting the grant, the City would have at least \$20,000.00 of its own money invested in the generating plant, wires, transformers and other necessary electrical equipment. THIS \$20,000.00 WILL HAVE TO BE PAID BACK, EITHER OUT OF THE EARNINGS OF THE WATER PLANT, OR BY TAXATION, AND INTEREST WILL HAVE TO BE PAID ON IT DURING THE TIME IT REMAINS UNPAID.

The plant itself will depreciate and wear out, and under the State laws, the City will have to set up a reasonable amount as a reserve to cover depreciation. The United States Government has ruled that five per cent of the total investment is a reasonable amount to set up to cover depreciation. The average of the interest at four per cent on a loan of \$20,000.00 over a period of thirty years would be \$413.33 per year, and the average of the principal payments over the thirty year period would be \$666.66 per year.

### PURCHASED POWER CHEAPER

Taking into account ONLY THE COST OF FUEL AND LUBRICATING OIL, MAINTENANCE, INTEREST, PRINCIPAL PAYMENTS AND DEPRECIATION, and without taking into account any salaries or other costs necessitated by the increased business, on the basis of a seventy million gallon production, the cost to the City of Littlefield of pumping the water, using its own generating plant, would be as follows:

Cost of fuel & Lub. oil as estimated by City's Engineer	-----	\$931.00 per year or \$0.0133 per 1000 gals.
Cost of Maintenance (1-2 of that estimated by City)	-----	\$425.00 per year or \$0.0061 per 1000 gals.
Int. on \$20,000 at 4% averaged over the 30 year period allowing for principal retirements	-----	\$413.33 per year or \$0.0059 per 1000 gals.
Principal retirement on \$20,000 over a 30 year period, an average of	-----	\$666.66 per year or \$0.0095 per 1000 gals.
Depreciation on engines and electrical installations at 5% per year on \$20,000 capital investment	-----	\$1000 per year or \$0.0142 per 1000 gals.
<b>TOTAL</b>	-----	<b>\$3435.99 per year or \$0.0490 per 1000 gals.</b>

If the City used the Company's current at two cents per Kilowatt Hour, the cost would be as follows:  
 Cost of pumping 70 million gals. of water, using the Company's current ----- \$224.00 per year or \$0.032 per 1000 gals.  
 Thus making a saving to the City in the total cost of ----- \$1195.99 per year or \$0.017 per 1000 gals.

This saving over the thirty year period of the life of this loan, would amount to a little more than \$35,000.00  
 The engineers for the PWA checked these figures submitted by us in our protest, and evidently found them correct, and thereupon wrote to the City Council in substance that there was no saving to be effected by the City building its own generating plant when they could get our current at the rate of two cents per Kilowatt Hour.

### FURTHER REDUCTION OFFERED

On December 17, 1934, officers of this Company met with the City Council, and the figures above set out were discussed with the City Engineer in the presence of the City Council. Neither the City Engineer nor the City Council disputed the correctness of any of the figures, or claimed that the City could effect any saving by putting in its own plant.

At that discussion, it developed that the City officers were confident that with an adequate supply of water they could readily increase the consumption to seventy million gallons per year. In the light of that expectation, and a study of the City's requirements, the Company believed that the City was entitled to and could earn a lower rate than the present rate of two cents per Kilowatt hour. The Company, therefore, at that time, offered, in the event the City decided to use the Company's current for water pumping purposes, instead of putting in its own electric installation, the Company would put in effect the following rates:

First 5000 Kwh used per month at 2c per Kwh  
 Next 5000 Kwh used per month at 1 1-2c per Kwh  
 Excess Kwh used per month at 1c per Kwh

This offer was confirmed by letter to the City Council under date of December 18, 1934. If the City Council were to

accept this offer, the total cost of pumping seventy million gallons of water per year, using the Company's current, would be about \$1963.71 per year, or \$0.028 per thousand gallons sold. The cost to the City if they put in their own power plant, would be \$3435.99, per year, or \$0.0490 per thousand gallons sold. This would effect a saving to the City in the total cost of about \$1472.28 per year, or \$0.021 per thousand gallons sold.

Over the thirty year period of the loan, not taking into consideration the possibility of still further reductions in rates, as the volume of the City's usage of current increased, this saving would amount to more than \$40,000.00.

These figures and savings were discussed with the City Council and the City Engineer, and neither the City Council nor the City Engineer disputed the correctness of the figures, or claimed that the City could possibly pump its water by the use of its own power plant as cheaply as it could by the use of the Company's power at the rate offered to them.

### WILL INCREASE WATER RATES

Unquestionably, the increased cost for pumping water incurred by the City from the use of its own electric generating plant, will have to be taken care of in some way. The City

will either have to increase its rates, or refuse to reduce the rates during the time that this loan is being paid back. As a matter of fact, the City in its negotiations with the PWA found it necessary, in order to get the loan approved, to represent to the PWA that it would increase the water rates \$3.00 per year to each consumer. The saving that the City would make by using the Company's current would more than take care of the interest and sinking fund on so much of the loan as would be required by the City to drill additional wells and lay additional pipes, and with reasonable economy in operation, would enable the City to make reductions in its water rates, instead of raising them, as it will have to do if it puts in its own electric generating plant for water pumping purposes. These facts, we believe, should be known to the tax payers and water consumers in the City of Littlefield, in order that they may have an opportunity to express their views. Is it good business for the City to build its own electric generating plant for the purpose of pumping its water, and mortgage the water system and its revenues for more than twenty thousand dollars for such purpose, when they can get their pumping done for a \$1000.00 or \$1500.00 less cost per year without incumbering the water system with this heavy debt?

Respectfully Submitted,

# TEXAS UTILITIES COMPANY

## LITTLEFIELD BASKETBALL LEAGUE IS ORGANIZED

### SIX TEAMS ARE WELDED INTO UNIT TO PLAY THREE NIGHTS EACH WEEK AT HIGH SCHOOL

A second sweeping move to put local basketball on a sound footing came Monday when representatives of six school district teams, including the Wildcats, gathered at the behest of Messrs. W. T. Hanes, Earl Hobbs, et al., and organized the City Basketball League into a ten week, split season unit, similar to the softball league of last summer.

Headed by Pat Boone, the League offers two games each Monday, Tuesday and Wednesday nights on the high school floor. No admission will be charged. Monday night's scraps, Faculty vs. Flyers and Firemen vs. Ex-Students, officially opened the season's first half. Other two teams are Sunnydale and the Wildcats.

College playing rules prevail. Games start promptly at 7:30 p. m. on the three evenings. The six quintets will supply their own balls and join hands in defraying expenses. Squads are limited to 10 men with exception of the Cats and Dunn's Flyers. The High school five may use any eligible high school student and the Flyers were allowed 12 men, the basis on which they organized two months ago.

Team managers are: Wildcats, Brack Barksdale; Firemen, Bob Cox; Flyers, G. A. Dunn, Jr.; Faculty, E. C. Cundiff; Ex-Students, Leo Duffey; and Sunnydale, Dale Pepper. Bill Norris was appointed League secretary by Pat Boone at the Monday night session.

Best Athlete at 40

TOBONTO . . . Harold Webster (above), 40 year old Canadian marathon runner and winner at the 1934 British Empire games, has been voted Canada's outstanding athlete of 1934 by a nation-wide poll of sport writers.

### Firemen Close Twin Bill in 41-16 Rout Of Ex-Student Five

The Firemen closed Monday night's double-header on the school court by handing the Ex-Students a decisive 41-16 drubbing in a colorless contest brightened in spots by Firemen Woody's goaling eye and the rock-bound defensive style of Aldridge, Smoky guard.

Woody erred only thrice at the basket during the evening, dropping in nine tosses from the floor and two free tallies. Aldridge hit the loop five times while T. Howton pushed him closely with nine points. Scott garnered two premium throws. Other Firemen were Brazeal, center, and Swanner, guard.

Kendricks, big Ex tipoff, dropped in five free tosses. B. Howton, guard scored 4 points and his mate, Duffey made 3 points. Cook, forward, picked up 3 points and Hemphill, sub guard, threw a free goal. Other Ex-Studes were Dow, forward and guard, and Dorman, guard.

### Kitties Win From Spade, 56 to 46, Saturday Evening

(By Babe Bird)

Littlefield's Kitties went to Spade Saturday night and took the measure of the Spade lassies on their own floor in a 56-46 contest which was closer than the score indicates.

Loss of their four best players through personals in late stages kept the Spade girls from making it a more even match. The Spade five drew up to within two points of a tie early in the third, but the loss of four first-stringers coupled with a Kitty spurt brought Littlefield a comfortable edge before the final whistle.

### SPADE BOYS WIN

The other half of the Saturday twin card on the Spade court brought the Spade boys a last-period victory over the Spring Lake quintet. Final score was 34 to 13.

With only a bare margin at the half-way mark, the Spade lads romped onto the court in the third period and scored with smooth regularity throughout the remainder of the game.

Any seed to thresh? See Cunningham.

### Anton's Girl Cage Tournery to Begin Friday Afternoon

Anton will hold her first 1935 invitation basketball tournament for girls teams on the spacious Anton high school floor Friday and Saturday. Teams from all over the South Plains will participate.

The Littlefield Kitties and Anton's two powerful quintets, the A team and the Owlets, should prove strong contenders during the affair.

### ALEXANDRA NEWS

The holidays were very quiet around here.

D. J. Carden and family have returned from a trip back in Hopkins and Woods County. Mrs. Carden's father, S. Y. Smith returned back with them. He had been visiting his son for the last four months.

We had a nice shower Sunday night, was fine but could have used more had the Lord seen fit to give it to us.

Mr. and Mrs. Ed Rice also Mrs. Carter and daughter Eva visited in the Carden home Monday.

Mr. and Mrs. Jake Halloman's infant baby was buried at Morton New Year's day.

Miss Maggie Adkisson of Lubock is visiting in the Carden home.

Floyd Hibdon spent Monday night with Leonard Carden.

Our club will meet at Mrs. Fred Nickles next Tuesday.

By BILL NORRIS

### An Ode, or Somethin'

The city dads of basketball, This week went out to give their all, To save home caging from a fall,

Three cheers! But now we sing another tune They've organized, and saved from ruin, Our cage teams. Now, there's plenty doin'.

Three cheers!

Which might mean, if you can make it out, that the Littlefield Basketball League, six teams strong and headed by Pat Boone, is here to give you free of charge a lot of first class basketball entertainment each Monday, Tuesday and Wednesday nights at the high school. Are you happy, fans?

This little gesture, coupled with the cash allowance made to Coach Barksdale boys last week yields a two-fold benefit for the Wildcats. And here's how:

The cash allotment will enable Messrs Barksdale and Hobbs to go ahead with out-of-town tournament plans, and give them enough competition here at home to get in shape for the approaching county tourney at Sudan, which looms a little closer each week.

And if you don't think the Cats have competition, look at this: Faculty lineup: Barksdale, Hobbs, Hanes, Layfield and Pass.

And that isn't the half of it. The Firemen, Dunn's Flyers, Ex-Students and Sunnydale have enough power to give any high school team an acute case of delirium tremens and the blind staggers.

Basketball, next to ice hockey and tennis, is beyond a doubt the fastest, hardest and most exciting team-played game in America. Six good teams will be on the floor six times a week for the next ten weeks to give Littlefield folk a thrill.

Will basketball have the pulling power that softball had last summer? Although it remains to be seen, we are inclined to believe that one or two big crowds at the start would mean big crowds throughout the season. Sport lovers, it's in your hands. What are you gonna do?

A gentle hint to team managers, by request: When two teams, allowed an hour to play the first half of the double-header, are on the floor, the other two teams slated to play the last half would greatly oblige the League if they would refrain from workouts at the half.

Thanks, Managers.

This week, we bring you for the first time, results of the Kitties free throw contest sponsored for this department by Coach Naomi Robnette. These results will appear each week along with those of the Wildcats. The two trophies have been ordered and will soon be on display in the Leader office windows.

### Wildcats Nose Out Sunnydale in 22-20 Game Tuesday Nite

The Wildcats, in their first game in the League series, nosed out the powerful Sunnydale quintet in a warmly disputed match which closed Tuesday evening's twin cage card. Final score, 22 to 20.

Behind until late in the third, the Wildcats, led by McGavock, drew abreast and passed Sunnydale in a wicked spurt which didn't settle the issue until the final 30 seconds of play. McGavock's nine points led the evening's scoring. For the Cats, Hall, scored four points Pierce three, Dunlap three, McKnight two, Yantis one.

Sunnydale scores, led by N. Pepper with seven points, were made by Claunch with five, Dixon four, Jordan three, and D. Pepper one.

The Newspaper that Better Serves the Farmer and Communities - The Lamb County Leader.

## WILDCAT AND KITTY WORKOUTS WILL COME TO A HEAD WHEN TOURNAMENT OPENS AT SUDAN

### New Harvard Coach

CAMBRIDGE . . . Harvard football is at last in capable hands. Edward C. (Dick) Harlow, (above), takes immediate command as coach. Harlow coached at Penn State, Colgate and Western Maryland.

Stiff Wildcat and Kitty League all this week will come to a sometime either Thursday day at the Sudan invitation tournament to be held on the Sudan high school floor over the weekend.

Coach Brack Barksdale, City Cage League competitor, whipped his Cats into fine shape for the first round of play, which had not been announced Tuesday. Barksdale will take to the tourney which is scheduled to close Saturday.

The start will probably be at center and McKnight will be at guards. Others likely to start are T. Walker, H. Walker, son, Taylor, Foust and Chiles.

Mentor Robnette's squad, strong, will include Orna and Carpenter and Genave. Making opening forward posts, will be Curry, Edwards and Kimms. Start at the guard slots, will be Dunn and Wharton (will go as sub-guards).

Teams entered at Sudan up to Sunday included Baileyboro, M. Watson, Cotton Center, Good Lockney, Anton, Circle Back, Lake and Amherst, as well as Wildcats and Kitties. Over 20 were expected before the list closed today.

### Teachers Whip Exes In 42-26 League

Tuesday night, second night of League series, saw the Faculty ers repeat their smooth performance of Monday by beating the Ex-students 42 to 26 on the high school floor.

Only two points ahead at the fourth Teachers opened the third quarter with a burst of goals which swept them into a lead. Barksdale, with 13 points, Pass and Hanes who gathered in the points apiece. Layfield picked up points, Hobbs three, and Thoms three.

Stephens, tipoff and Duffey, guided the Exes with three baskets each. B. Howton hit for five points, Thoms for four, McCarry for three, and Jones and Yeager each tossed a free throw.

### Faculty Nips Flyers In Hot 36-23 Opener Of New Cage Season

The Faculty cagers opened the first half of the City League season by trouncing Dunn's Flyers, 36 to 23, in the first game of Monday night's double-header on the high school floor.

A late Flyer rally by G. Porterfield and Gill fell short of a needed margin, the Teachers leading all the way. Barksdale, Teacher, led scoring with 15 points. Gill, Flyer forward, followed with 12 points. Pass, Faculty goalster, netted 5 points; Hanes, tip-off, 7 points; Hobbs and Layfield, guards, 4 and 5 points respectively. Bryant played part of the game as Teacher forward.

Porterfield, Flyer forward, scored thrice from the floor; Kimmel, center once; Dunn, guard, dropped in two free shots and Matthews, guard, one. Other Flyers were Morgan, O. Porterfield and Morris.

### GAMES NEXT WEEK

Following is a schedule of games for next week's cage entertainment sponsored by the City Basketball League and to be played on the Littlefield high school floor.

Monday, Wildcats vs. Sunnydale and Firemen vs. Flyers.

Tuesday, Faculty vs. Sunnydale and Ex-Students vs. Flyers.

Wednesday, Ex-Students vs. Wildcats and Firemen vs. Faculty.

Watch this page for each week's advance schedule of games.

### MOVES TO MORAN

L. L. Reese, former postmaster of Anton and for many years a business leader has moved to Moran. He has accepted a position as pharmacist in a drug store there. Mr. Reese was the first mayor of Anton.

### SECOND GRADE WEEKLY NEWS

Another week has gone by. In another week we get our report cards. Then the year will be half over.

Jane Whicker is about the happiest girl in our room. Can you guess why? She has a new little puppy! It was born on Christmas Day, and so, of course it is too young for Jane to play with, but she feeds him milk in a baby's bottle. He has no name yet. He is a German Police Pup.

We had a real treat last Monday when Mrs. Shaw came to tell us about her trip to Switzerland. We shall never forget the wonderful things she told us. She also showed us some wood carving that she bought while she was there. Miss Teel is reading us Heidi, the story of a little Swiss Girl.

John Dee Newberry has been ill for over a week.

L. W. Harris is back in school. He has had the chicken-pox.

We are glad to have Leon Groves in our room.

### PRIMARY NEWS

Be sure and look in the window at Brannen's Hardware Store. The first grades have an exhibit there.

The first grade children in Miss Walker's room had a candy sale Tuesday. They made over four dollars. This money has been spent for new books.

Gordon Taylor has re-entered school. We are glad to have him back with us.

Our new pupils are Wilma Jackson from Fairview, Owen Davis from Amherst and Evelyn Thompson from Arkansas.

Chester Harrison, Frankie Bolton and Mary Bettie McClanahan are back in school, after being absent with a case of flu.

### SPANISH TEACHER ATTENDS PLAINVIEW ASSOCIATION

Miss Lora Mae McFarland, teacher of Spanish, attended a meeting of the Lono Estacado chapter of the National Association of Language Teachers in Plainview last Saturday.

Miss McFarland said that the principal theme of the meeting was The Justification of Languages in the Curriculum.

### MUSICAL COMEDY WELL ATTENDED

"Ask the Professor" a two-act musical comedy presented by the Glee Club Thursday evening last was well attended.

Gerald Lakey as Toney, the freshman and Dot Newgent as Polly, a freshman girl who had an especial fondness for seniors, were ace high throughout the show.

Melba Dawn Pearson in the role of Maryida, the laundress' daughter, and Delbert Falls, the Professor, also proved to be a pair of trumps. Red Norman showed his usual ability to act in the role of Red the College football star. Jack Norman and Linnie Bea Thornton as philanthropic College students, Mamie Brewer as Emily, a senior girl and Joyce Gill, the mother of Red and Maryida were also very entertaining.

Much credit is due Miss Hopping Miss Bills, Mr. Layfield and members of the Glee Club for Thursday evening's production.

### LORA MAE McFARLAND

Miss Lora Mae McFarland was born in Burnet County, Bertram, Texas. She started to school and finished school at Killeen, Texas, Bell county.

Her college work was at Baylor College for women, at Belton, Texas, University of Texas, Austin and Texas Tech at Lubbock.

Miss McFarland has taught at Amherst, Leveland and now she is teaching at Littlefield High school.

### H. E. CLUB PLANS TO SERVE LUNCHEAS AT TOURNAMENT

It has been rumored that a girl's basketball tournament is to be held here the twenty-fifth and twenty-sixth. The Home Economics club has heard of it and is preparing for it. For the convenience of the visiting and home teams, they are to serve plate lunches, sandwiches, candy pop-

corn and fruit. The money will be used to send representatives to Austin. The treasurers are to be Dora Bell Smith and Ila Greene and the lunch committee is Pauline Wallace, Suzanna Houk, and Lucille Mauldin. All the club girls are eager to begin this work and assure you it will be successful.

After the business session of the last meeting the following program was given: "How We Can Form the Right Friendship" by Emogene Eudy, "How We Can Show Friendship at Home", by Katie Carter, "Home" (Edgar A. Guest) by Irma Botsford "Good Makeup" by Gaack; and a story "Mother" by Pauline Cook.

### TEACHERS WILL MEET AT AMHERST JAN. 26

The second meeting of the County Teachers Association will be held at Amherst, January 26, where plans for the County Isterscholastic meet will be completed.

The Amherst faculty will act as hosts at a luncheon served at the noon hour, according to J. I. Warren, Supt. of Amherst School, who is president of the Association.

### SCHOOL PERSONALS

Absentees recently included Joyce Gill, Nell Ross, Olga Allan Aravis Jones, Lawrence Vinther, Dorothy Toney, Marshall Burlison, Cecil Hall and Della Mae Arend.

Hazel Feaster, a senior recently moved to Colorado, Texas.

Hazel Lippard visited school Wednesday evening. Hazel enrolled in September as a member of the Sophomore class, but later withdrew due to bad health.

George Lightsey a graduate of the '34 class visited school Friday morning.

Captola Melton, who withdrew from school was a visitor Wednesday.

### THE STATE OF TEXAS COUNTY OF LUBBOCK

In The 72nd District Court of Lubbock County, Texas  
L. P. JEFFERYS  
Plaintiff, vs.  
Roy Irick, Marjorie V. Irick, J. E. Dryden and R. D. Bryant, Defendants  
WHEREAS by virtue of an order of sale issued out of the 72nd District Court of Lubbock, Texas, on the Judgment rendered in said court on the 17th day of December, A. D. 1934, in favor of the said L. P. Jefferys and against the said Roy Irick, Marjorie V. Irick, J. E. Dryden and R. D. Bryant No. 6056 on Docket of said Court, I did, on the 5 day of January, A. D. 1935, at 10 o'clock A. M., levy upon the following described tracts and parcels of land situated in the County of Lamb State of Texas, and belonging to the said defendants, to-wit:

All of that tract or parcel of land situated in Lamb County, Texas, and being the Southeast One-Fourth (1-4) of Section 11, Block A. L. & S. V. Ry. Co., 160 acres of land and on the 5th day of February, A. D. 1935, being the first Tuesday of said month, between the hours of 10 A. M. and 4 P. M. on said date, at the court house door of said County, I will offer for sale and sell at public auction for cash all the right, title and interest of the said Roy Irick, Marjorie V. Irick, J. E. Dryden and R. D. Bryant in and to said property.

Dated at Olton, Texas, this the 5 day of January, A. D. 1935.  
Len Irvin  
Sheriff, Lamb County, Texas ( 22-3t-c)

### Conoco Advertising Is Paying Dividends

In a letter from the Continental Oil Company of Ponca City, Okla., enclosing a publicity story for this newspaper, Emerson G. Smith Supervisor of Publications stated in part: "We agree that it isn't worth a first page banner, probably won't even increase your circulation. But, it may call attention to your local merchants that Conoco's advertising in your newspaper is PAYING DIVIDENDS."

Apparently the Continental Oil Company strongly believe in newspaper advertising, as they have continued their regular schedules of advertising in this newspaper all through the depression.

Subscription rates on the Lamb County Leader in Lamb and adjoining counties reduced to 75 cents per year for a short period only.

### KICK FROM HORSE PROVES FATAL TO CHILD

James Roy Koke, four year old son of Mr. and Mrs. Will Koke of ten miles southwest of Littlefield, while playing with other children at his home late Sunday afternoon, was kicked by a horse and passed away

### Relieves Headache Due To Constipation

"Theford's Black-Draught has been used in my family for years," writes Mrs. J. A. Hightower, of Carthage, Texas. "I take it for sick headache that comes from constipation. When I feel a headache coming on, I take a dose of Black-Draught. It acts and my head gets easy. Before I knew of Black-Draught, I would suffer two or three days—but not any more since I have used Black-Draught."

Monday morning about 10:30 o'clock upon arriving at the Lubbock Hospital, where his parents took him in an effort to save his life.

Injuries to the chest and shoulder were sustained by the child.

Besides his parents, he is survived by two brothers and sisters.

This is the second child which Mr. and Mrs. Koke have lost, a little son "Billie" ten months old, having died with Pneumonia five years ago.

Funeral services were conducted at the residence Tuesday morning at eleven o'clock by Rev. J. W. Hendrix Pastor of the First Methodist Church Littlefield, and burial, in charge of Burelson Funeral Home, took place immediately following in the Littlefield Cemetery.

Ladies of the Methodist Church of Spade will hold a pie supper in the Spade school house Wednesday evening, Jan. 23 for the benefit of the church it has been announced.

### J. C. Smith Operates Produce House Here

J. C. Smith is now conducting a produce business in the former location of Porcher Produce on XII Drive, and invites his friends to visit him and bring him their produce.

Mr. Smith is experienced in this line, having been connected with a produce business here for the past two years. He is a son of Mr. and Mrs. J. C. Smith, Sr. and has been a resident of Littlefield for the past ten years.

Mr. Smith is purchasing cream, poultry, eggs and hides, and conducting the business under the name of Farmers Produce.

### Attend Plainview C. of C. Banquet

Dr. Ira E. Woods, J. S. Hilliard, J. W. Hale and W. D. T. Storey attended the annual Banquet of the Plainview Chamber of Commerce at that City Tuesday evening.

### School Meet—

Continued From Page One  
ers it should be made by them and for them.

After the meeting at the hotel a very interesting and instructive program was had at the High School auditorium. Pat Bullock, Director of Rural Aid spoke on the program and stressed state wide co-operation in the new curriculum move. Supt. Woods again spoke to the body and urged that the new ideals, interests, attitudes and objectives for the pupils could best be put over by the use of training in music in the schools.

The state aid program will see that the state aid schools will be allowed to include music apparatus in the school budget for next year. The aim of the State Supt is that every child in every school in Texas shall have some music training during the next year, and further that we shall assemble 500,000 voices of Texas school children at the Texas Centennial in 1936 all trained to sing the

### Floating Stores—

Continued From Page One

publicity on the subject matter, urging them to co-operate in a state-wide campaign to secure the needed legislation.

Littlefield's Dollar Day was discussed, as well as ways and means of making it an outstanding success. The committee appointed at last week's meeting, composed of Gus Shaw, T. S. Sales and L. Fink, was enlarged to include W. H. Madden, Raymond Renfro, J. O. Garlington, W. J. Aldridge, Shorty Thornton, and Lon Campbell, the duty of whom it will be to call on all merchants in a city-wide campaign urging them to co-operate in making the Dollar Day an outstanding event.

It is expected that this preliminary work will be started without delay.

### We Think—

Continued from Page One

REMINDS US THAT NOT SO FAR BACK IN THE DIM PAST CHILDREN WERE SEEN AND NOT HEARD AND WIVES DID NOT FLY AIRPLANES AND GO TO CONGRESS—

And, too, it wasn't quite so much an age of famous wives and prominent husbands.

Borrowing from Will Rogers "we read in the papers," or "we see in the papers," or something like that about Amelia Earhart Putman, aviatrix and wife of George Palmer Putman, accomplishing the first solo flight ever made between Hawaii and California. She made the flight in 18 hours and 16 minutes, combed her tousled blond locks as she alighted from the ship, said that she was tired, and decided to call it a day.

And, by the way, making that Pacific hop put Amelia "one up" on the male flying fraternity.

CHEER UP MERCHANTS OF LITTLEFIELD AND LUBBOCK AND OTHER POINTS NORTH, SOUTH, EAST AND WEST, CHARLEY HEARLDSTON SAYS THAT HE IS GOING TO INVENT A MECHANICAL AFFAIR TO OPEN STORES IN THE MORNING AND SWEEP OFF THE SIDEWALKS— COMPLETE ANNOUNCEMENT LATER

At any rate Charley, or Charles, as his wife calls him, has perfected, and placed in operation a conglomer-

ation of mechanical genius that throws the electric switch on the typesetting machine at any hour it is desired to start heating the metal in preparation for the day's work.

You will have to ask Charley to go into details, but here are the general details:

An alarm clock is set to go off at a certain hour. To the winder is attached a sort of spool. As the alarm functions it winds up a stout cord on the spool; the strong pull on the strings sets off a rat trap causing a stick-string combination to throw in the switch. After that it is all up to the Texas Utilities Co.

### "RISING BUSINESS FLOOD BREAKS DEPRESSION DYKE"

Ain't that something! We don't give a whoop about crashing any dykes, but we wouldn't care if we awoke some morning to swim down Phelps Avenue in a sun tan bathing suit.

GETTING SAAR BUSINESS SETTLED SURE MAKES US FEEL 10 YEARS YOUNGER; WE CAN'T PRONOUNCE THAT PLACE "SAARBRUECKEN". IN FACT, WE HAD TO COPY THAT WORD WHEN WE SPELLED OUT ON PAPER TO THE PLODDING TAP OF OUR ROYAL PORTABLE TYPEWRITER.

And, by the way, if anybody wants to buy a good typewriter, we sell the Royal Portable down at the Leader Office. (Pardon us for giving a sales talk right in the middle of all this "HIGH CLASS LITERATURE" THAT WE HAVE BEEN PUTTING DOWN ON PAPER TONIGHT.)

### ISN'T IT ABOUT TIME THAT A SIDEWALK BUILDING CAMPAIGN WAS STAGED IN LITTLEFIELD?

We Think—  
That this city is big enough and old enough now to have a real, honest to goodness system of sidewalks. There is not anything that so much improves a city as sidewalks.

### AND IN CONCLUSION—SPECIAL ANNOUNCEMENT:

Bill Clark has just informed us that Lizzie has ten bull pups. My! My! My! Lizzie, that's some contribution to dogdom. These pups are full brothers and sisters to our dog, "Thirty," and we wouldn't take a million dollars for him, so you can figure out for yourself that Lizzie's boys and girls are worth their weight in gold.  
Go out and see those pups.

### Farm Meet—

(Continued from Page One)

incomplete 1930 census. He urged use of these free books in making out census reports.

Passing out sample copies of the Census, Carpenter emphasized need for a complete census in all phases, urging farmers to look to the important sudan seed item, as the census sheet did not have a specified space for sudan seed.

### Vets Testing Cows

Eight veterinaries have been in Lamb County testing cattle for traces of tuberculosis. Farmers will receive two or three days notice before the veterinaries visit them, and are urged to fall in line with the program.

Tuberculosis grade cattle will be sold at \$20 a head and registered ones at \$50 a head, it was reported at the meeting. Abortion of cattle, and the toll it is taking was discussed. Cogburn, Elms and Neuschwander were picked to investigate conditions.

Lamb County will receive a pure

bred stallion and jack as a gift, it was reported. The span will be stationed on the property of W. H. Cunningham

### Hog-Corn Contracts

Hog-Corn contracts were reviewed. Payments are expected by April 1. Reports on why expected payments were late were made, although farmers are not expected to wait for the checks until notified from the county agent's office. Parity payments, including amounts due both landlord and tenant, came in for a brief discussion.

### Cotton Contracts

Cotton contracts for 1935 will be similar, with one exception, to the ones used last year. Twenty-five per cent will be the demanded maximum on the new contracts. Non signers will have an opportunity to sign a one-year pledge. Cotton tags and their distribution were discussed at

length. The canning plant in Littlefield is open for operations on Tuesday, Wednesday and Thursday of next week. Miss Bernice Westbrook, County Home Demonstration agent reported. Meat, canned in almost any way desired, will be put up on a fifty-fifty basis, Mrs. Westbrook declared.
