District 1-A Road Bond Election to Be Held Saturday

Proposed Issue Asks For \$350,000 To Finance Project Bonds to Bear 3 1/2% Interest and Be Paid Within 25 Years

Taxpayers in Road District 1-A will vote Saturday next on the proposed issue of \$350,000 to finance construction of approximately 41 miles of farm-to-market roads.

According to the plan as outlined in the petitions recently presented, the bonds for this road improvement, the bonds would bear an interest rate of 3 1/2 per cent, the payment of which would not exceed 25 years.

The nine roads proposed to be improved are as follows:

1. The Pep road, extending from Highway 54 south to the Hockley county line, near Pep.

2. Beck Gin road, from farm highway 54 north toward Beck Gin, to north line of District 1-A.

3. Amherst south road, running from farm highway 54 north to north line of the road district, to connect with a paved road north of Amherst.

4. Old Mueller place, connecting with the road described in No. 3, and extending east to Federal highway 84.

5. Fieldton road, extending north from highway 54 to north line of District 1-A, toward Fieldton.

6. Spade to Anton road, going from Spade South to Lamb county line.

7. Yellowhouse Switch road. Extending from the Switch to the county line.

8. From Weeks - Bagwell Gin district south to Lamb-Hockley county line.

9. A road beginning on Highway 54 at north part of Morris place, and extending west to join with the Weeks-Bagwell Gin road going south.

The voting places will be as follows:

Pep, at residence of L. E. White and Roberts Dairy; presiding judge, V. W. Boring.

West Littlefield, Weeks & Bagwell Gin office; W. A. Locke, presiding judge.

South Littlefield, county courthouse; J. T. Elms, presiding judge.

Spade, at Spade school building; L. L. Woody, presiding judge.

North Littlefield, at Gramar School building in Littlefield; Pat Boone, presiding judge.

Mr. and Mrs. Ben Porcher left Monday on a week's vacation trip to Texas, where they will visit relatives.

Local Man Seriously Injured In Car-Truck Crash Sunday

Bobby Holder, 22, son of John Holder of this city, was seriously injured Sunday night, and is a patient at the Hereford Hospital, suffering from a brain concussion, and cuts and bruises, as the result of an automobile accident, which occurred near Hereford, when the car driven by Bobby King, in which Holder was an occupant, when meeting another car, crashed into a parked truck.

Holder and King were en route to Hereford when the accident occurred while they were driving into Hereford.

Holder was pinned beneath the automobile, and King was obliged to get the car so that the injured man might get out. In doing this, King is said to have injured his back.

King sustained a broken nose and other injuries but chartered a taxi and rushed to Littlefield to notify Holder's relatives of his injuries. He was treated at Payne-Shotwell hospital and released.

The automobile, a 1939 Ford sedan, which was badly wrecked, was the property of Mr. King's brother, James King.

Mr. and Mrs. Billy Holder, Mr. and Mrs. Billy Holder and Mrs. Zeb Robinson left Monday morning for Hereford, where they have spent considerable time since the accident.

According to relatives, it will be several days before the extent of the injured man's injuries are ascertained.

Wildcats Looking Toward Regional Title

Cats May Meet Strong Defense At Seminole

Carter Ill Monday; Expected to Be Ready Tomorrow

Littlefield journeys to Seminole Friday to meet the strong Seminole Indians in the bi-district title match which decides the contender for regional honors to be played next week.

Coach J. S. Fikes had his fingers crossed Monday when Eugene Carter missed roll-call at school, but was happier Tuesday when the shifty back reported for drills. He had suffered from a stomach ailment caused by some disagreeable food he had eaten during the weekend.

With Carter in the lineup, Coach Fikes reported all his team as in fair condition as they started working out for the Seminole fracas. Barring injuries in practice, the Cats should go to Seminole in pretty good shape.

According to all reports, the Cats will be facing a fine defensive team, but will have the edge in offense, if the season's record is any indication of such strength. Seminole has amassed 328 points against their foes this season, while their goal has been crossed for only 67 points. The Cats have piled up 442 points to 104 for opponents.

As a rule the touchdowns scored against a team is no indication of defensive weakness because most coaches throw in second- and third-stringers as soon as their first team (Continued on Last Page, First Sect.)

Beauties Boost the Battlers

HERE ARE THE WILDCATS, most of the first, second and third string, which are working their way diligently toward regional honors. They're district champions. Friday, they'll play Seminole for the bi-district crown and, if they're on the long end of the score, they will be tuning up to take regional honors.

Kick-Off Breakfast At Starr Drive-Inn To Open Campaign

Budget Calls For \$11,000 Drive To Close December 15

The Community Chest drive will get underway in Littlefield Monday, December 9.

This campaign is to raise a total of \$11,000 needed to meet the budget, which will include estimated operating expenses for four agencies—Salvation Army, Boy Scouts, Girl Scouts and a youth program. Budget figures include an outlay of \$4,000 for the Salvation Army; \$2,000, Boy Scouts; \$2,000, Girl Scouts; and \$2,000 for the youth program. In addition, \$325 was allotted for Littlefield's contribution to the USO drive, which is now in progress. The balance of \$675 in the budget will be used as an emergency fund.

L. C. Hewitt is general chairman for the drive.

The campaign will open Monday morning next, following a kick-off breakfast for the workers participating in the campaign at the Starr Drive-Inn. Approximately 50 workers will take part, which will be divided into teams, with each team assigned to a certain industry.

With Supt. Joe Hutchinson in charge, the Littlefield schools will participate in the drive, with the students and all the members of the faculty cooperating.

The drive is scheduled to end December 15. Team captains, together with the organizations they represent, are as follows:

Lions Club, Nelson Naylor; Rotary, Allen Hedges; Junior Chamber of Commerce, Wayne Brown; Senior Chamber of Commerce, Dr. Ira Woods; Woman's Club, Mrs. J. H. Barnett; Primary Parent-Teacher Association, Mrs. E. E. Joiner; Central P-TA, Mrs. Cecil Bartlett; American Legion, T. Wade Potter; City of Littlefield, A. C. Chesher; Veterans of Foreign Wars, T. J. McFarland; Council of Church Women, Mrs. Arbie Joplin; Junior Study Club, Miss Ruth Griffin.

Brother of J. T. Elms Passes Away

Charles Monroe Elms, 73, passed away at the home of his daughter, Mrs. Harlan Sutton, south of Killeen, on Tuesday, November 26. Funeral services were conducted from the Killeen Methodist Church Wednesday afternoon, Nov. 27, and interment was made in the Sugar Loaf addition to the Killeen cemetery, with Rev. Pat Brown of Copperas Cove officiating, with Cole-Law Funeral Home in charge.

Mr. Elms was the father of Lloyd Elms and a brother of J. T. Elms of this city.

Mr. Elms was a member of one of the truly pioneer families of this section. His family settled in the Sugar Loaf community when Indians still inhabited this section. He was born there and lived his entire life in the vicinity of Killeen. Most of his life was spent in farming and ranching.

About eight years ago, Mr. Elms gave up farming and moved to Killeen to make his home and resided there for several years before moving to Copperas Cove to make his home. Just before he was taken ill he moved his family to Rumley, which is about twelve miles west of Copperas Cove.

Mr. Elms had been in poor health for a little over two years, but was able to be up all the time but unable to do any work. Two weeks ago he went to Killeen to visit his daughter and, while returning from a trip to Belton, became ill in the car. A slight paralytic stroke followed, and then complications set in and he passed away.

Mr. Elms is survived by his wife and eight children, all of whom were at his bedside when he passed away. The children are: Lloyd, of Littlefield; Mrs. Elder McFarland of Rumley; Mrs. Jim Gilmer, of Merced, Calif.; Mrs. Harlan Sutton and Mrs. Chester Cockrell of Killeen; Mrs. Alton Sharp of Bakersfield, Calif.; Mrs. Hub Doss of Belton; and Thomas Elms of Uvalde.

He is also survived by the following brothers and sisters: Ed Elms, of Gatesville; J. T. Elms, of Littlefield; Mrs. Adolphus Young, of Gatesville; (Continued on Back Page)

Miss Margaret Bandy and Eugene Coward Married Thanksgiving Day

Miss Margaret Bandy, daughter of Mr. and Mrs. J. W. Bandy of Seagraves, Texas, and Eugene Coward, son of Mr. and Mrs. B. Coward of Crosbyton, exchanged wedding vows before an improvised altar of flowers Thanksgiving afternoon at the home of the bride's parents at Seagraves.

The beautiful single ring ceremony was read by Rev. Preston Florence, pastor of the First Methodist Church of Seagraves, at 3 o'clock Thursday afternoon.

The bride wore a winter blue gabardine suit with black accessories, and a corsage of pink rosebuds.

Mrs. E. E. Masters of Hale Center, sister of the bride, was matron of honor. She wore a gray suit with black accessories.

Attending the groom was J. Lewis McCrummen of Crosbyton, Texas. Mrs. Buster Booth of Floydada, sister of the groom, presided at the piano and played the wedding music.

For "something old" the bride wore the ring her father gave her mother when they were married; for "something new," a white linen handkerchief, a gift from Mrs. Viola Stark of Seminole; for "something borrowed," she carried a white Bible belonging to Mrs. M. B. Clayton of Seagraves; for "something blue," her suit.

Only members of the immediate families were present for the ceremony, including the bride's parents, Mr. and Mrs. J. W. Bandy; Mr. and Mrs. Buster Booth of Floydada; Mr. and Mrs. E. Coward, of Crosbyton; J. W. Bandy, Jr.; Mr. and Mrs. E. E. Masters of Hale Center; Mr. and Mrs. H. Bural and children of Amarillo; and Mr. and Mrs. A. H. Knowles and

MRS. EUGENE COWARD

daughters of Borger, Texas.

A reception was held at the home of the bride's parents following the ceremony.

The happy couple left immediately on a week's trip to Alpine and El Paso, and other points. On their return they will be at home at Crosbyton.

Mrs. Coward is a graduate of Seagraves High School. She was employed by the Lamb County Leader in the editorial and advertising department of this newspaper for six years, and left here when home ties necessitated her returning to Seagraves when her brother, the last of

the family at home, entered the Navy. She was connected with the OPA office at Seagraves during the war, and later was employed at Borger and Seagraves in newspaper work. At the time of her marriage she was employed as reporter for the Gaines County News at Seagraves.

Mr. Coward is a graduate of Cotton Center High School, and attended Tech College. He was recently discharged after spending two years in the Navy. He is connected at the present time with Lodal-McCrummen, Plymouth and DeSoto automobile dealers, Crosbyton.

Mrs. Coward has a large circle of friends in Littlefield and area who extend best wishes for her happiness.

**Mrs. Bill Jones
Hostess to Yellow
House HD Club**

The Yellow House Home Demonstration Club met Tuesday, November 26, at the home of Mrs. Bill Jones. In the absence of the regular chairman, Mrs. Tom Ham was in charge.

Thanksgiving games were enjoyed by the Groups, with Mrs. Jeff Brazil and Mrs. V. E. Pritchard winning prizes.

Mrs. Henry Ham gave the report from the council on the officers' election for the coming year.

Mrs. Jones, who is clothing demonstrator, displayed her storage space for clothing.

A buffet style Thanksgiving dinner was served to the following members: Mmes. L. L. Couch, C. D. Elder, Tom Ham, Henry Ham, Joe Rietman, and Willie Couch; and two visitors, Mmes. W. O. Jones, V. E. Pritchard, Jeff Brazil, Raymond Forrest, Lois Ryals, Ben Mouser, and Miss Mary Rietman.

The next meeting will be a Christmas party at the home of Mrs. Henry Ham, on Tuesday, December 17, at 1:30 p.m. Every member is urged to

be present and bring a gift costing around a dollar, and fruit, nuts and candy. Those having children, bring gifts for them to exchange.

Girl Scouts To Meet Today

The Girl Scouts of Troop Three met Wednesday afternoon at 4 o'clock, in Central school. The meeting date was changed to Wednesday because of Thanksgiving.

The girls worked on weaving. The next meet will be held today (Thursday).

Those who attended were: Gwendolyn Finley, Kathleen Squires, Madelyn Wade, Rae Russell, Julia Martinez, Ophelia Cottham, Barbara Ferguson, Billie Ruth Redwine, Wanda Cappell and Wanda Harrell.

**Pink and Blue
Shower Honors
Mrs. Roy Byers, Jr.**

A pink and blue shower was given at the home of Mr. and Mrs. H. A. Collins, 700 West First Street, honoring Mrs. Roy Byers, Jr.

Hostesses of the occasion were: Mmes. H. A. Collins, E. Wallace and B. C. Rountree.

Following the program, cake and hot chocolate were served to the following: Miss Lavern Baker; Mmes. John Derrickson, Olley Robbins, Jeff Perkins, Roy Byers, Sr., Henry Banks, Granville Perkins, J. W. Brown, Joe Wells, J. C. Houk, Jewel Baker, Andy Houk, Floyd Brown, R. F. Armstrong, Acrey Barton, Viggo Peterson, Luther Brawley, Wayne Maner.

Sending gifts but unable to attend were: Mmes. Roy Eubanks, L. C. Hewitt, L. S. McCarty, Sherman McCarty, Pryor Hammons, Lenton Smith, Paul Pharris, Tubby Williams, Alfred Dunagin, A. Y. Doherty, Doe Little, Bill Yeary, E. S. Rowe, M. M. Brit-

**Deputy Grand Motron Will
Visit Local Chapter Dec. 13**

Miss Ollie Ruth Chenoweth of Station, deputy grand motron, will make her official visit to the local Eastern Star chapter Friday evening, December

13, which is regular meeting date. The Littlefield group will entertain in her honor with a covered-dish supper.

**Santa Claus To
Appear At P-TA
Program Dec. 11**

Central School P-TA will meet Wednesday, December 11, at 3 o'clock in the high school auditorium, with Mrs. Roy Wade as program leader.

There will be a musical program of fifth grade children's voices under the direction of Mrs. McClain, with Miss Nina Jo Dunn at the piano. Mrs. McClain will be assisted by fifth grade teachers in the primary department, who are Mrs. C. D. Dodson, Miss Jaynelle Gilmore and Miss Joyce Holden.

During a piano duet by Mrs. Dewey Hulse and Mrs. Homer Sewell, it is rumored that Santa Claus might appear, so all mothers are invited to bring their children to get a glimpse of Santa Claus.

Mr. and Mrs. Barto Ramsey have purchased and moved a house from Amherst to their lot on Highway 51, which they plan to remodel, and possibly occupy after it is reconitioned.

Mr. and Mrs. Chester Colbert left Thursday morning on a business trip to Fort Worth, where they were buying furniture for their store here.

**S/Sgt. Raymond Kelm
Visits Littlefield**

S/Sgt. Raymond Kelm, of U. S. Navy, complement with the U. S. Army, stationed at Fort Lawton, Seattle, Wash., was a caller at the Leader office Tuesday.

S/Sgt. Kelm is a son of Mr. and Mrs. R. A. Kelm, now of Clovis, formerly of Littlefield. Previous to entering the service, he was a machanic for Parker & Company, printing plant at Los Angeles, Calif. Soon after the publisher of this newspaper purchased the Leader, Kelm became connected with the paper as apprentice in the mechanical department and learned the printing trade here. Since that time he has served as operator-printer for various newspapers in California. Mrs. Kelm is the former Miss Louise Baird.

S/Sgt. Kelm is visiting his parents in Littlefield this week. He expects to receive his discharge in about two months and to return to California. He has been in the service one and a half years, and has served in Honolulu, Australia, China and Japan.

S/Sgt. Kelm was accompanied to Littlefield by his parents.

Election Schedule Released This Week

The schedule for Agricultural Conservation Program committee elections in Lamb County was released this week by B. A. Ball, chairman of the county committee. Farmers in each community will elect a committee of three farmers plus two alternates. At the same time a farmer delegate to the county convention will be chosen who, with delegates from other communities, will elect a three-man county committee.

Polls will be open from 8 a.m. to 5 p.m. on Thursday, December 7, 1946, in each of the fourteen AAA communities.

Producers living in Community A will meet at Kelley's Hardware Store, Earth, Texas.

Producers living in Community B will meet at the Farmers' Co-op. Gin, Springlake, Texas.

Producers living in Communities C and D will meet at the Olton School, Olton, Texas.

Producers living in Community E will meet at the Farmers' Co-op. Gin, Fieldton, Texas. (Producers living in Community E will meet also at the Hart Camp School.

Producers living in Communities F and N will meet at the Dean Gin, Amherst, Texas.

Producers living in Community H will meet at Watkin's Gin, Sudan, Texas.

Producers living in Community I will meet at the store at Beck.

Producers living in Communities J, K and L will meet in the basement of the Methodist Church, Littlefield.

Producers living in Communities M and N will meet at the Dean Gin, Spade, Texas.

Eligible farmers are being urged to show their interest in the local administration of national farm programs by full attendance at the elections.

Eligible to vote is any farmer participating in the 1946 Agricultural Conservation Program, including owners, operators, tenants and sharecroppers on farms where these programs are being carried out, and anyone who has a contract with the Federal Crop Insurance Corporation.

The wives of eligible farmers are also eligible to vote.

The duties of local committeemen include recommending programs, action, determining acreage allotments, and otherwise administering Federal farm programs; choosing conservation practices for which Federal assistance is offered in Lamb County; allocating among farmers the funds available for meeting agricultural conservation needs; and handling price-support operations, including loans and purchases.

Salvation Army Gives Away 400 Garments

The Salvation Army has given over 400 garments and 60 pairs of shoes to the needy during the past 60 days, it was announced by Envoy and Mrs. Seago.

Besides clothing and shoes, the Army has given 111 beds, 22 meals and 15 grocery store orders, besides giving refuge to 50 transients.

In thanking everyone who helped, Envoy and Mrs. Seago added their appeal to everyone who has old clothes that are not being used to turn them in to the Salvation Army headquarters here to be distributed to the needy.

EXPECT THREE SONS HOME FOR CHRISTMAS

Dr. Clyde W. Bennett, chiropractor, formerly of Lubbock, is opening an office for the general practice of chiropractic at 106 East Tenth Street, Duggan Annex, Monday next.

Dr. and Mrs. Bennett and two children, Martha Ann and Marilyn, arrived last week. The children have already entered the Littlefield schools. They purchased their home from H. C. Pumphrey.

Mr. and Mrs. Dub Battles and son, Wayne, of Fort Worth, returned home Sunday, after spending since Wednesday of last week in the home of Mr. and Mrs. E. C. Rodgers.

Pvt/Sgt. and Mrs. Johnny Lippard are in Yuma, Ariz., visiting Mrs. Lippard's parents, Mr. and Mrs. Dave Vannoy. They are due to return here today (Thursday), and are scheduled to be back in Corpus Christi Dec. 12.

Personals

Mrs. H. A. D. Douglas of Muleshoe, and Mrs. Parks of Lawton, Okla., were guests in the home of Mrs. Alice Douglass and Miss Erna Douglass Saturday.

Miss Mary Foster of Lamesa, Texas, visited friends and relatives in Littlefield over the weekend.

Troy Davis of Lamesa visited his mother, Mrs. E. M. Davis, and sister, Mrs. T. L. Matthews, over the weekend.

Mrs. John Porter of Farwell, Texas, visited her mother, Mrs. E. M. Davis, last Friday.

Mr. and Mrs. R. J. Rhoten and daughter, Mary Nell, spent Thanksgiving with Mrs. Rhoten's parents, Mr. and Mrs. J. C. Jones, at Artesia, N. M.

Billy Rhoten left Sunday for Springtown, Texas, where he will remain and go to school until after the ginning season closes, when he will return and graduate from Amherst high school. Billy is bothered with bronchial trouble, and the dust from the gins aggravate his condition.

Mr. and Mrs. Dock King and Mr. and Mrs. Jack King visited Muleshoe Sunday to view the scene of the postal building explosion. They also visited those injured at the Muleshoe hospital, and report Mrs. W. B. Adams still in a serious condition, and Mr. and Mrs. A. J. Gardner as getting along better. Cecil Adams, son of the injured man, is home on a furlough from camp to be with his mother.

Mr. and Mrs. R. G. Foster of Pampa, and Mrs. H. E. White and three children of Amarillo visited in the home of Mr. and Mrs. R. L. Johnson Thanksgiving Day.

Mrs. Hugo Beyer and daughter, Donna DeNiece, and Mrs. E. S. Billings returned to Littlefield Monday of last week, after visiting several days with Mrs. Billings' parents, Mr. and Mrs. S. A. VanPelt. Mrs. VanPelt took ill with a heart ailment, and they went to be with her until she improved. On their return Mrs. VanPelt was better.

Farmers in 1947 are expected to receive higher prices for eggs than they are getting this year.

Mrs. Harris Brantley Hostess to Perry HD Club Thursday

The Amherst Perry Home Demonstration Club had an enjoyable meeting in the home of Mrs. Harris Brantley Thursday afternoon.

The meeting was opened with the singing of Christmas carols.

Roll call was enjoyed as each member named a different county in South America.

The interesting program was a study of South American countries. Each country, its size, resources, people and customs was very ably reviewed by Mrs. Maurice Brantley.

Plans were completed for the club's Christmas program to be held in the home of Mrs. Maurice Brantley, on December 12, at 2 p.m. The club is planning a Christmas for shut-ins.

After the business meeting, lovely refreshments were served to the following: Mmes. Walter Brantley, H. B. Stagner, E. L. Yarbrough, R. H. Briley, Maurice Brantley, Joe Porter, George Harmon, Buster Molder, Benny Shipley, and a visitor, Mrs. J. G. Shannon, and the hostess, Mrs. Brantley. Welcome, visitors!

Anton Lions Club Accomplishes Much Since Organization

Organized in March, 1945, the Anton Lions Club has a long record of accomplishments in the eighteen months of its existence.

Here are just a few of the achievements of the young organization:

Purchased and donated a \$700 electric refrigerator to the school lunch room;

Contributed \$500 toward the purchase of city fire fighting equipment; Donated \$200 to the schools for playground equipment for the small children; and

Recently conducted a campaign and held an auction sale that netted more than \$1500 for the modernizing and redecorating of the stage of the Anton high school auditorium.

These achievements are in addition to the regular program of civic service and humanitarian activities of Lions Clubs.

The present officers of the club are: H. G. Richards, president; K. W. Wells, H. M. Coffman, R. L. Burdette, vice-presidents; T. F. Woods, taitwister; J. C. Fowler, Lion tamer; and J. S. Bridges, secretary-treasurer.

On October first, 11,486,000 persons were working on farms in the United States.

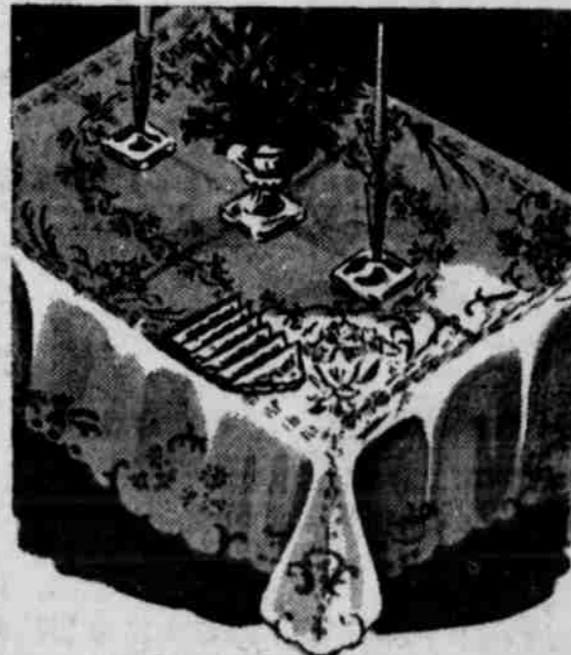

Turkey meat consumption is becoming less seasonal, as a larger proportion of birds are being consumed in the "off-season" — February, to August.

Woodman Circle Enjoy Annual Thanksgiving Party

Members of Loyalty Grove No. 1, Supreme Forest, Woodman Circle, held their annual Thanksgiving party in the American Legion on Friday night, November 26. A delicious supper was served, followed by a large crowd of members and guests. Following the feast, a program was given under the direction of Mrs. Jimmie Thedford. Mrs. Thedford gave a reading of a poem. Frances Brown sang, first in English, then in Spanish. Mrs. Joan Morgan and Mrs. Taylor sang "Let the Rest of the World Go By," accompanied by Mrs. Humphries and Mrs. King. "Rumors Are Flying," by Mrs. Hamilton gave a very in-

teresting talk and showed the home and life of Abraham Lincoln in a talking film. The Pilgrims' first Thanksgiving in America was enacted by Mrs. Dewey Hulise and the ladies of the Sunday School class from the First Baptist Church. Miss Humphries gave several selections on the piano and group singing ended the evening's entertainment. Loyalty Grove meets for a regular business session Tuesday, December 10, at 7:30. All members are urged to attend. A class of candidates is to be initiated and election of officers for the following year will be held. This will be the last business meeting for 1946. Plans will be made for the Christmas party to be held at a later date.

Johnson Family Reunion

E. E. Hamilton and Mrs. Jack Hamilton held a family reunion in McKinney Park at the Thanksgiving Day. The Hamilton sisters and their families were present. Mr. and Mrs. Richard O. Thompson and daughter, Bessie and Mrs. Cortez, Colo.; Mr. and Mrs. W. W. Thompson, of Slaton, N. M.; and Mrs. Roy Thompson, of Slaton, N. M.; Mrs. Leslie and Larry, of Slaton, N. M.; and S. A. Thompson, of Amarillo. Other guests were Mrs. Ray Turner, of Slaton; Mrs. Jack Fore and children, Billie Betty and Lillian, of Littlefield; Mr. and Mrs. Hamilton, daughters, Lillie

Juanita and Mrs. Dub Weeks, also Mr. Weeks and children, Wayne and Bobbie. Also present was Mrs. S. A. Thompson, Sr., of Amarillo, father of the above. Friends who visited during the afternoon were: Mrs. J. S. Barnett, Mr. Zed Barnett, Miss Eutha Barnett of Tulla, Texas; Mrs. Bertha Birge of Fort Worth, Texas; Mrs. Charles Mossett, Mr. and Mrs. Vester Browning of Slaton; Mr. and Mrs. Lance and three daughters, Verna Mae, Bennie Lou and Caroline, of Hobbs, N. M.; Emzy Hobbs and Tracy Wayne Edwards of Littlefield. There was one brother, Earl Thompson, of Long Beach, Calif., who was unable to attend the reunion. This was the first time the family had been together in 11 years. USDA predicts that during the next five years, 160,000 farms per year will become available for sale or rent.

Miss Sanderson Appointed Junior Red Cross Chairman

Miss Bernice Sanderson has been appointed county chairman of the Junior Red Cross by Dr. Ira E. Woods, who is county chairman of the Lamb County American Red Cross chapter, to replace Mrs. A. B. Haynes. Miss Sanderson is teaching the seventh and eighth grades history and civics in the Littlefield schools. She has been employed here the last four years. She came here from Goodland, Texas, and has been active in Junior Red Cross work in the elementary school since that time. The Lamb County Red Cross chapter made and shipped 100 tray covers for Thanksgiving holiday use to the Brooke Army Medical Center at Fort Sam Houston, Texas, and 100 carnival caps, 100 nut-and-candy cups, and 100 tray and table favors were sent to the veterans' hospital at McKinney, Texas, for the Thanksgiving holidays. These were made by the students at the primary school in Littlefield, in Mrs. Myers, Mrs. Street, Mrs. Strothers and Mrs. Hutchinson's rooms. A letter has been received by

Mrs. Lyle Brandon, executive secretary of the Red Cross chapter, from the Red Cross field director at the McKinney hospital, expressing appreciation for these gifts. She stated they were used in the day rooms and hospital wards, and were very colorful and gay, and that the boys appreciated them very much. Forty-nine gift boxes also were shipped to St. Louis to be sent to the children overseas in war devastated countries. These were filled by the school children in Lamb County, and contained all kinds of useful articles, such as soap, writing material, sewing material, tooth brushes and paste, combs, crayons and toys. Schools having a part in this were: Olton, Amherst, Sudan and Littlefield. The wonderful cooperation of the teachers and students of all the schools is very much appreciated both in the filling of gift boxes and the making of these holiday articles, and also the enrollment campaign. The figures on the enrollment will be printed later, as all the schools have not yet reported.

Thanksgiving Festival Is Outstanding Success

The Thanksgiving Festival sponsored by St. Philip's Church, Pep, was an outstanding success. According to Father Norbert F. Wagner, about 800 were served dinner Thanksgiving Day at the church, following which bingo and other games of skill were enjoyed. The Pep band played several selections.

Over 500 are reported to have attended the dance held in the evening, at which Hop Halsey's Cowboy band rendered the music. Father Wagner and all members of the Pep church extend thanks to the merchants of Littlefield, institutions and other individuals for their fine cooperation and assistance in the holding of this festival, which was a success.

CARD OF THANKS

Despite the sadness that passed our dear wife, mother, and our sister, Mrs. Mitchell, there is something mitigated, which has softened us, and made it easier for us to bear our sorrow, an debt that something is the wonderfulness, proffers of sympathy, expressions of love, not to us alone, her memory and in her honor. We want to say a full and felt thanks to everyone of you to her special friends and to the Mitchell and Hall families, so wonderfully helped us.

Cats Give Sudan 35-14 Lashing For District 5-A Title

Hornets Score Only Two In Second Period Rally

Over 5,000 football fans ebowed their way into Seely Field last Thursday to see the Littlefield Wildcats cop their third straight District 5-A championship and the right to play Seminole for bi-district honors, defeating Sudan's Hornets 35-14.

The first half saw the two teams fighting on just about even terms so far as scoring was concerned. But the Wildcats held the offensive edge all the way. The score was 21-14 at intermission time. Sudan collected both their tallies in the second quarter and were never able to penetrate the stubborn Cat line for a touchdown during the last two periods.

Gene Carter started the battle by sending the kickoff down to the Hornet five. Jim Edding, a bit over-anxious, juggled the ball as he advanced to the ten, finally losing it altogether. It was recovered by a host of Sudan players and the play from scrimmage got underway at the 15. Three plays at the line failed to net more than five yards. Edding punted out to Littlefield's 46, where it was downed by the Hornets.

An exchange of kicks found Littlefield in possession of the ball on their own 36. Sabin Hendrickson fumbled as he plunged at the line from that point. Sudan pounced on the ball to set up the first scoring threat of the game. After a try at the line by Waymon Bellar and a pass from Edding intended for Connie Hill fell incomplete, Hendrickson jumped in to intercept a shovel pass and stop the threat on the 32.

On the next play the Cats gambled and won when Travis Price faded back from his quarterback spot to toss a long pass to Gene McCanlies, who gathered it in on Sudan's 40 and raced to the 25 before being cornered by the entire Hornet secondary.

Hendrickson drove his way to the 19 through a very stubborn Sudan defense. Then he tried again, getting up to the 13 via the right tackle route for a first down. Price tried another toss to McCanlies, but he was well covered and the ball fell incomplete. On the next play Carter found a hole open to the 10. Hendrickson gathered in another five yards and Carter pushed on to the two for another first down. From this point big Sabin Hendrickson plowed his way across for the touchdown. Carter converted to put the Cats in the lead by 7-0.

The lead was short-lived, as the Hornets came back strong for their first tally. Edding brought Carter's kickoff back from his 20 to the 36. He made three yards at tackle as the quarter ended.

On the first play of the second period, Edding flipped a long pass into the waiting arms of Right End Bill Baker, who lateraled to Waymon Bellar. Bellar was knocked down on the 16. Edding hit the line for five and again for nine to put the ball on the two. Ralph May was credited with the score as he plunged his way over the zero stripe with half the Cats hanging on. Baker tied the count

with a perfect kick through the up-rights.

McCanlies picked up a bad kick-off on his 20 and returned to the 40 to set the stage for the second Cat tally. Hendrickson went over from Sudan's 11 after a series of runs and a pass put the ball down at that spot. Carter, Hendrickson and Shelby took turns in carrying the ball. With the oval resting on the 23, Price tossed to Jack Davis, who found the Sudan secondary in his goalward path and was brought down on the 11. It was from this point that Hendrickson started his touchdown jaunt. Carter again put his kicking toe to work and put the Cats in the lead by 14-7.

The next touchdown saw Gene Carter hit his usual stride by racing 68 yards, sidestepping his way through the entire Sudan secondary, for the third touchdown. The play came after the Cats took the ball from their 15 to the 32. A couple of passes fell incomplete. Then Shelby started on a reverse and lateraled to Carter for the scoring run. Carter passed to Hendrickson to push the score to 21-7.

Carter kicked off, and on an exchange of punts Sudan went to work to get their last touchdown for the day. Edding grabbed a short punt on his 30 and reached the 47 before being pulled down. He dropped way back and got off a long pass, despite being almost rushed off his feet by the Cat line, which was taken by Connie Hill on the Littlefield 30. He carried to the 24 before a faster Carter overtook him. On the next play Hill repeated the same performance and went across unmolested. Baker added the point from placement.

Carter returned the kickoff from the 10 to his 40 as the halftime whistle sounded.

Carter scored the fourth touchdown on another lateral. Price passed to Davis for the point.

A few plays later the Cats made a great goal line stand against the Hornets. Edding took the kickoff on his 20 and returned to the Sudan 41. A short pass from Edding to Bellar netted only four yards. Edding hit the line for one yard. A penalty against the Cats advanced the ball to their 49. Edding tossed to Bellar, who was stopped on the 14.

At this point the Wildcats put up a stubborn defense as May lost two on a try at tackle. But Edding

plunged through for five. His pass to Baker was slapped down by Carter. He then connected with Baker on a lateral, but he failed to get past the line of scrimmage as the ball went over to Littlefield on downs.

Price returned eight yards on a quarterback sneak. Carter lost two on an attempted end sweep as the third period ended.

Another play failed to net the necessary two yards for a first down. Carter got off a bad kick that was downed on the Littlefield 38. Edding tried to pass, but it fell incomplete. Baker made five on an end around. Edding fumbled and the Cats recovered on their own 38.

Royce Jennings, Cat center, intercepted Edding's pass on Littlefield's 35 to set up the last scoring drive. Hendrickson went over from the five after a series of runs by Carter, Price and Shelby put the ball at that spot. Carter's kick was good, making the final score 35-14.

No honors should go to any individual on either team. Line play by the Wildcats was superb. They were outweighed by the Hornets, but they proved that speed can offset this disadvantage.

This goes as well for the Wildcat backs, who were fast enough to overtake Sudan's speediest ball carriers.

The Hornets came down to win, and never gave up the idea until the final whistle. They gave almost 6,000 football fans a great exhibition of fighting spirit.

SON BORN

A son was born to Mr. and Mrs. W. B. Smith, Jr., of Olton at the Payne-Shotwell Hospital, Littlefield, Saturday morning, November 23. Mother and son returned home Wednesday of last week and are doing nicely. The young man has been named Billy Roy. His father is publisher of the Olton Enterprise.

Proofing' Preventative Disease

Preventive program directed by Dr. C. W. Cox, state health officer, has been distributed through the local health departments, explaining the importance of rat-proofing in construction of new buildings.

"I am anxious to have this pamphlet in the hands of every builder and prospective builder in Texas," Dr. Cox said. "Detailed drawings show how simple and cheaply fundamental rat-proofing can be incorporated in designing a building."

The booklet further explains how much less expensive it is to include rat-proofing in the construction than it is to make a building rat-proof after it is already built.

"When we build new homes in Texas, they should be for our families only. Rats should be excluded," Dr.

Cox declared. "When a new home is not rat-proofed, the rats usually move in about the same time your family does. As long as this continues, typhus fever menaces your family and community."

The booklet may be procured from your local health department, or by writing the State Health Department, Austin, Texas, and every prospective home builder in Texas is urged to procure a copy before completing the plans for a home.

The Lamb County Singing Convention will meet at 2 o'clock Sunday afternoon, Dec. 8, at the Baptist Church at Amherst. Everyone is invited.

Lamb County Gins Handle 13,237 Bales

As reported by Mrs. W. H. Rutledge, cotton statistician for this area, there were 13,237 bales of cotton ginned in Lamb County from the crop of 1946 prior to November 14, as compared with 4,308 bales for the same period in 1945.

BROTHER OF . . .

Ernest Elms, of Killeen; and Mrs. W. E. McClung, of Killeen.
Mr. Elms was very highly regarded in the community in which he lived all his life, as evidenced by the following, published in the Killeen Reporter, on reporting his death:
"This section has lost a truly good citizen in the passing of Mr. Elms. This writer has heard the statement made that if all men were like Charles Elms, we would need no jails and mighty few laws. He was as good as he knew how to be, and his friends were legion, who mourn the passing of one of our well beloved pioneer citizens."
Mr. and Mrs. J. T. Elms were at his bedside when he passed away.

Mrs. Hamp McCary has returned home from the Amherst hospital, where she was a patient for several days with a bad cold and threatened with pneumonia. She is now able to spend a portion of her time at the McCary real estate office.

Sister Kenny Will Make Texas Visit

AUSTIN, Texas.—Sister Elizabeth Kenny, famous Australian nurse, and an exponent of a new and quite successful method of treating infantile paralysis, will pay Texas an official visit during the first week in December, according to advices received here by George C. Francisco, Jr., of Houston, chairman of the Texas Executive Committee of the Sister Elizabeth Kenny Infantile Paralysis Foundation. A state campaign is now under way to raise the Texas quota of \$150,000 in the annual campaign for funds to keep the Kenny method of treating polio on the upward path.

State headquarters here at the Driskill Hotel announced that the tentative schedule for Sister Kenny in Texas would be Dallas, December 4; Houston, December 5; San Antonio, December 6; and Fort Worth, December 7.

She will confer with county chairmen, members of the Texas executive committee, and workers in the campaign while she is in the state, according to state headquarters at the Driskill Hotel.

It was reported here at state headquarters that more than thirty Texas counties have already passed their quotas. Mr. Francisco made a statewide appeal for funds and said that contributions could be mailed to state headquarters.

Plans of the Texas committee are to use funds in sending graduate nurses to Minneapolis for training as Kenny technicians and to make the Kenny treatment of polio available to every victim in Texas.

LAMB COUNTY LEADER

VOLUME XXIV Littlefield, Lamb County, Texas, Thursday, December 5, 1946 NUMBER 37

Fire Destroys Day and Night Courts Block Thursday Morning

Rites Held for Jesse A. Reed

Funeral services were conducted at 10 a. m. Saturday at the Church of the Holy Spirit, officiated, assisted by Rev. J. A. Bristow, minister of the church, pastor of the Baptist church of Circleback.

Remains were taken overland by morning to Gilliland, Texas, where a funeral home, where a service was held at the Gilliland home, near Crowell, Texas, at 1 p. m. where interment took place.

Mr. Reed had been in bad health

for some time. He was found dead by his son, Alex Reed, fully dressed and lying across the bed in his home, where he lived alone, in the College Heights Addition about 4 o'clock Thursday afternoon. A medical examination revealed the man had been dead a number of hours. He had not been seen by neighbors since late afternoon of the day before.

Surviving deceased are nine children, six sons and three daughters. The sons are: Oscar Reed, Muleshoe; Alex Reed, Pep, N. M.; Arnold, Woodrow and Ray Reed, all of Sudan. The daughters are: Mrs. T. M. Lewis of Lovington, N. M.; Mrs. Ardis Jordan and Miss Selma Reed, of Clovis, N. M. He is also survived by six grandchildren, and also a sister, Mrs. Pete Moody of Crowell, Texas.

Studies conducted by the U. S. Department of Agriculture show that pure 2, 4-D does not harm milk cows.

Demand Increases Prices of Livestock, Eggs and Cotton

Big Lumber Sale At McLean POW Camp

McLEAN, Texas. — The former prisoner of war camp here will be the scene of tremendous activity in alleviation of the current shortage of housing for World War II veterans, starting December 16, when War Assets Administration opens a sale of \$300,000 worth of lumber, plus untold quantities of plumbing, heating, electrical wiring and 20,000 feet of critically short supply pipe.

John M. McGee, field director of WAA, in charge of the McLean sale, announced that only holders of HH priority certificates, issued by the NHA or the CPA would be eligible to purchase for the first five days of the sale, December 16 through 20.

McGee stated that purchases would be limited to veterans seeking to obtain materials to erect or to complete one five-room individual dwelling, or to contractors seeking to obtain such materials to build a five-room home for sale to a veteran.

HH priority certificates may be applied for by veterans at the nearest Federal Housing Agency office to their homes, and farmers seeking certification for erection of farm buildings should make application to the Agricultural Extension Service.

Immediate application should be made by those interested in securing the required HH priority certificate to insure having it by the opening date of the sale, Dec. 16.

More than 300 buildings at McLean POW Camp have now been taken down and the materials stockpiled in preparation of the opening of this huge WAA sale.

Barto Ramsey Buys Fruit Stand

Barto Ramsey, who formerly owned and operated the Ramsey News Stand here, has purchased the fruit and vegetable stand formerly owned by Grady Bevell, and located at the intersection of highways 51 and 84, across from the Magnolia Service Station, and is now in possession of same.

Mr. and Mrs. Ramsey are pioneers of this city, having lived here many years before leaving here for San Angelo, where they made their home for about a year.

Their many friends welcome them back in business in this city.

The Ramsey Fruit stand has a nice selection of fruits and vegetables, cold drinks, popcorn, grapefruit, candy, peanuts, grapes, etc. They invite their old customers to visit them in their new quarters.

Southwest markets saw improved holiday demand up the prices of livestock, eggs, cotton and sweet potatoes to offset the lower tendency taken by most grains, turkeys and some vegetables last week, USDA's Production and Marketing Administration reports.

Thanksgiving found plenty of turkeys at southwest markets but demand slow and prices weak. Young toms brought mostly 23 to 25 cents per pound, and young hens 34 to 37 cents. Demand for chickens was brisk. Heavy hens held steady at 22 to 25 cents per pound and fryers at 37 to 40 cents.

Egg prices strengthened as fresh supplies were too small to meet the increased holiday demand last week. Current receipts ranged from 45 to 50 cents per dozen, depending on market locale.

Light cattle receipts accounted for the active trading at most southwest markets last week. Prices were steady to stronger under the pressure of improved demand. Small offerings of medium and good slaughter steers brought \$17.50 to \$21 per hundred at Wichita and \$18.75 at Denver. Medium and good steers and yearlings ranged from \$15 to \$18.50 at Oklahoma City. Good slaughter steers and yearlings realized \$20 to \$25 at Fort Worth, while cutter and common lightweight yearlings and steers brought \$9.50 to \$11 at San Antonio. Houston sold common and medium steers and yearlings \$11 to \$15.

Keen competition for small hog receipts carried prices higher at most markets last week. Top price for good and choice butchers was \$25 to \$26.25 per hundred pounds at Fort Worth, Oklahoma City and Denver, \$25.75 at Wichita, and \$25 at San Antonio.

Sheep and lamb prices were steady to strong at most southwest markets last week. Medium and good lambs with No. 1 and 2 pelts brought \$17.75 per hundred pounds at San Antonio. Medium and good fat lambs realized \$17.50 to \$21 at Fort Worth and \$20.25 to \$22.25 at Wichita. Good and choice slaughter lambs sold at \$23.50 to \$24 at Denver and \$22.50 at Oklahoma City. Domestic wools remained quiet. Buyers showed little interest in offerings.

Farmers' stock peanuts sold mostly at the CCC support level last week and rice moved quickly under urgent demand at maximum OPA ceilings.

Grain markets were unsettled at the week's close due to the uncertainty of the effect the coal strike will have on transportation and industry. Wheat held about steady, sorghums lost sharply and oats, barley and corn slipped some after the holiday.

Spot cotton prices advanced about \$5 per bale last week as demand from all sources improved. Southwest offerings, though small, were larger than the week before, and insufficient to meet the demand.

Bad weather hindered movement of Texas vegetables and citrus last week. Good demand for peppers held prices firm, but dull demand for tomatoes caused prices to weaken. Moderate onion and potato offerings from Colorado shipping points moved slowly at steady to lower prices. Sweet potatoes remained strong at both shipping points and consumer markets.

Farmers in the U. S. spent about 4.3 billion dollars for the operation and maintenance of power and machinery in 1945.

Fifteen Families, 5 Business Concerns Move As Result

Entire Block Total Loss With Exception Of Corner Building

As a result of the fire which swept through the Day and Night Courts block at the corner of Littlefield Drive and Highway 84 about 10 a. m. Thursday, five business concerns were obliged to move, and fifteen families had also to find other living quarters.

Fire broke out suddenly in the W. E. Bass cotton office, where considerable sample cotton was about the room. Mr. and Mrs. Bass were in the office at the time, and reported that a blaze suddenly sprang up. Mrs. Bass, who was sitting at her desk at the time, in getting up in an effort to get out, fell and in so doing suffered burns about her arms.

Mr. Bass, in helping his wife, also received burns on the back of his neck. They were both treated at the Payne-Shotwell Hospital.

Littlefield Fire Department was called and succeeded in saving a portion of the property, and in preventing the blaze from spreading to adjoining buildings.

The property consisted of cotton offices along the front of the property on Highway 84, with apartments to the rear, and a two-story building at the corner of Littlefield Drive. The property is declared a total loss with the exception of the corner structure, which was damaged.

The property was partially covered by insurance.

Ellis Foust, owner, stated Saturday that he did not expect to rebuild now, as materials were too hard to get, but that he expected to tear down the badly burned portion, and remodel the balance that was not so badly damaged.

Concerns occupying the offices in the block were: Safeway Cab Co., Midget Cafe, King's Music Store, Bass & Station Cotton Office, and Asaw Real Estate Office.

Judged on the basis of September 1 condition, the supply of feed grains for 1946-47 will total about 138 million tons.

AIRPORT NEWS
By MRS. "TEX" CROW

AIRPORT, Littlefield, Nov. 27.—(Special to Leader)—The wind has really been blowing this week, but did not keep these GI's out of the air. We have new students most every day, more enrolling, more soloing. Most all the boys are ready for cross-country, especially the first GI's that enrolled.

We have had quite a few cross-country ships this weeks from different flying schools in Texas and New Mexico.

There was a twin-motored Cessna landed Sunday afternoon for a short while; attempted to locate friends but was unable to do so. The plane was owned and operated by Mr. Sparks, from Victoria, Texas.

Jim McGuire carried a local business man to Amarillo Friday on business. They made a very quick and successful trip. They hope to have a new Cub Cruiser by the first of next month to carry people any place they might want to go. Roy Neal from Lubbock was up in a new Cruiser a few days ago. Jim McGuire has taken several business men and women for a ride. We have five sold soon as we are able to get them. It is the nicest family plane.

You see the red and yellow Aeronca in the air all the time. Well, you will see a different colored Aeronca from now on, as Alvin Bagwell and Wade Potter came in Sunday afternoon with a blue and yellow Aeronca Chief.

Joe Waters seems to be in the Cessna business. He has brought in two new ones lately. His T/Craft is also ready for flying again.

This snow has slowed the flying up a little, but we hope the sky will be

Legion District Meeting Was Held December 1

The annual fall convention of the 19th District of the American Legion, Department of Texas, was held Sunday, December 1, at Colorado City, with the formulation of plans for increased membership high on the business agenda.

A. C. Jackson, Lubbock, 19th District commander, presided, with Oran C. Hooker Post No. 127 of Colorado City as host.

Registration of delegates began early Sunday morning at Legion Hall and the first session got underway at 9:30 a.m. Sid Lowry, department service officer, with headquarters in Lubbock, represented the department at the convention.

The convention opened with a joint session of the District Legionnaires and the Ladies' Auxiliary. On the morning program, in addition to Lowry, were Robert Sison, Lubbock, regional manager of the Veterans Administration; A. O. Willman, Austin, state service officer; and George Berry, Lubbock, Fifth Division commander.

The delegates, besides making plans to increase the district membership, also emphasized boys' state

clear in a few days.

Floyd Farrington carried his blue T/Craft out to his farm for a few leisure hours of flying, but returned it to the hangar before this bad weather started. All farmers will soon own their own ships, keep them at their farms.

The ground school is really a success lately. We have a new teacher for the job. Jim McGuire appointed a local boy for instructor, Charles Heathman. He really knows how the job is done.

All you boys who are interested in flying, come out; let's get started—keep these Aeroncas in the air.

Information For Veterans

Q. What is the difference between compensation and pension?

A. Compensation is a term used to describe monetary benefits payable for service-connected death or disability under laws administered by Veterans Administration. The term "pension" is used to describe non-service-connected monetary benefits.

Q. Is a widower of a World War II veteran eligible to receive compensation or pension?

A. No; the term "widow" does not include a widower with reference to payment of compensation or pension based on the death of a World War II veteran. However, a widower is eligible to receive unpaid disability compensation or pension which accrued prior to the death of a woman who had served in the armed forces in World War II.

Q. How do I go about filing a claim for pension on the death of a veteran who was my sole support?

A. You should file your claim for pension with the Veterans Administration on its Form 535.

Q. Will various monetary benefits received by veterans under the GI Bill be deducted from future bonus?

A. No; that portion of the Servicemen's Readjustment Act (GI Bill) which formerly provided that any benefits received under the Act would be deducted from any future bonus authorized, has been repealed.

Q. Is it possible for a veteran to

County Hospital Under Construction At Morton, Texas

Satisfactory progress is reported on the new Cochran County Hospital under construction at Morton.

The structure, which is of light brick construction, when completed will contain 34 rooms and is expected to be ready for occupancy in about two months.

Some discussion is reported as to making this a cooperative hospital.

RETURN FROM DEER HUNT IN SOUTH TEXAS

A. C. Cheshe and Wayne Carlisle returned Friday from a week's fishing and deer hunting in South and West Texas.

After spending a few days fishing at Possum Kingdom Lake, they went on to Mason, where they enjoyed deer hunting, and later made a trip to Del Rio on business.

According to Mr. Cheshe, they bagged a deer.

Members Give Demonstration

Billy Love, member of the Spade Club, and Celton Farley, member of the Amherst 4-H Club, gave demonstrations and two five-minute talks to 80 members at the water conservation meeting at Amherst, Thursday night, December 21.

Love discussed control of grubs, and showed from 1945 figures that Lamb County dairymen and stockmen are losing a third of a million dollars a year. He stressed the importance of controlling the heel fly by spraying the backs of cows in November and De-

ember so that the grubs cannot mature and drop out to become heel flies and lay more grub eggs. Billy showed how to rub rotenone into the cow's or calf's back in a circular motion, and told how much to use per animal when used as a dust on a few animals, or when used as a spray on large herds.

Celton Farley discussed the use of sodium fluoride in worming hogs. He put one teaspoonful of sodium fluoride in two pounds of grain, shook it up well in a glass jar, and told the farmers this was enough to feed one hog. He said he had worms in his pigs, and knew from experience that it was the cheapest, easiest and most effective method of worming hogs. Celton stated that when this was fed, the hogs should be moved to clean

EARTH AND SPRINGLAKE NEWS

WOLVERINES WIN GAME; 'SWEETHEART' CROWNED

Springlake Wolverines defeated Hale Center Friday night, Nov. 22, by a score of 14-7. Lynn Glasscock made the two touchdowns.

During the half, Cecilia Wray Wood, senior candidate, was crowned "Football Sweetheart of 1946" by Andrew Behrends.

The pep squad marched out onto the field forming a heart and the car carrying the four candidates drove onto the field at the top of the heart and stopped while Miss Wood was being crowned. The car was decorated with flowing green and gold streamers.

The pep squad girls kneeled and "Let Me Call You Sweetheart" was played. Then the car, followed by the girls drove slowly off the field. The Wolverines' last game of the season was played before a large crowd of loyal fans.

The Junior Class of Springlake enjoyed a skating party Monday night, Nov. 25.

Mr. Carl Bradford is visiting in the home of Mr. and Mrs. Tom Davis of Earth for a few days.

Miss Jonisue Hudson of Texas Tech is visiting in the home of her parents, Mr. and Mrs. E. C. Hudson, of Earth. Miss Hudson attended the Springlake and Hale center game and

visited Springlake school Friday.

Springlake's annual football banquet was held Tuesday night, opening at 7:15. The banquet was held in the high school building.

Spring Lake school turned out Wednesday for Thanksgiving and will resume again Monday, and quite a number of people attended the Littlefield-Sudan Turkey Day football game.

Gerry Angeley, son of Mr. and Mrs. E. K. Angeley, is home from the Navy.

Mr. and Mrs. DeWitt Gilmore and son, Scotty, are visiting in the home of Mrs. Gilmore's parents, Mr. and Mrs. W. C. Lee, for a few days.

Jack McNeil is one of the old familiar faces seen around Earth the last few days.

Shower Honors Mrs. Paul Lewis

A pink and white shower was given in the home of Mrs. Ernest Green, one mile west and a mile south of Springlake, honoring Mrs. Paul Lewis of Earth.

The shower was given Thursday afternoon, Nov. 21, at 2:30 o'clock. Many lovely gifts were received and refreshments were served to a number of guests. Mrs. Ernest Green was assisted by Mrs. Henry Lewis of Earth.

ground three days later or whenever they had ceased eliminating worms, and that they should be wormed again in three or four weeks.

Billy Love is 15 years old, and helps his mother farm their place, 3 1/2 miles from Spade school. This year he produced over eight bales of cotton on five acres of land.

Celton Farley is 17 years old, and had the second place Duroc boar in the district show this year. This boar has serviced the Lamb County Sears Foundation gilts, and has made Celton a nice little sum in service fees on other Duroc gilts.

Both boys were given a nice round of applause, and apparently stimulated a lot of thinking among the farmers present.

COTTON GOAL FOR NEXT YEAR IS SET AT 8,460,000 ACRES

Foreseen continued demand for cotton products in 1947 has set Texas' cotton planting goal for next year at 8,460,000 acres.

This information comes from specialists of the Texas A. and M. College Extension Service who attended the annual Agricultural Outlook Conference in Washington, D. C., to see what's in store for farmers next year.

The consumption rate of cotton has continued high since the end of the war, and no immediate change can be foreseen, the specialists say. Certain factors that may tend to weaken the demand for cotton goods, as well as most all farm products, are expected to become more prominent during 1947, however. As home construction and production of automobiles and household appliances increase, consumer expenditures will be shifted to purchase these goods and less money will be spent for food and clothing. Cotton consumption in the nation for the first six months of the 1946-47 season is expected to be approximately the same high level as it has been during the past few years, but may run at a lower rate the last half of the season.

Concerning prices that farmers are due to receive for cotton next year, the specialists say that the 1947 loan rate is fixed at 92.5 per cent of parity as of August 1, 1947.

NEW BATHTUBS ARE LIGHTER, COST LESS

Now they're re-designing bathtubs—making them more convenient, lighter and less costly.

The "bathtub of tomorrow," which is already being produced today, is radically designed, reports Mrs. Bernice Clayton, home management specialist of the Texas A. and M. College Extension Service. The reservoir is set diagonally in the tub, an arrangement that leaves room on each end for an inside and outside bathtub seat.

Of standard length, the new tub is somewhat narrower than the regular type, which makes cleaning the wall back of the tub an easier job, Mrs. Clayton says.

But the pay-off is the cheaper price, made possible by the tub's light weight. When the newly-designed tub hits the market, consumers will find it less costly than conventional types, since it's lighter and weight incurs less shipping costs.

From where I sit ... by Joe Marsh.

How to Stop Worrying

I guess folks in our town do about as much worrying as in yours—over housing and prices, and crops, and jobs—and the little domestic problems that are always coming up.

Dad Hoskins, who's lived to the happy age of eighty, has a simple formula for stopping worry. About every problem, he asks himself: Is there anything I can do about it? If there is, he never postpones making a decision, or taking necessary action.

If there isn't anything he can do about it, he sets aside a "worrying hour" after dinner, and gets his worrying over in one concentrated period. When that's over, he relaxes over a friendly glass of beer with Ma Hoskins—and they talk about pleasant things together, until bedtime.

From where I sit, that's as workable a formula as you could find... right down to the mellow glass of beer that seems to wink away your worries.

To Hold Membership Meeting In December

A membership meeting of the Lamb County Memorial Hospital will be held some time in December, according to Jack Smiley, president and manager, and it is expected that Dr. Michael Shadid, of Elk City, Okla., founder of the first cooperative hospital in the United States and president of the Cooperative Health Federation of America, will be present and address the gathering here.

Dr. Shadid attended the meeting at Hale Center, which was held recently.

DAL BRANDON GETS SCHOLARSHIP

Dalbert Brandon, son of Mr. and Mrs. Lyle Brandon of Littlefield, is one of 15 freshmen at Texas Technological College who recently received a Dunlap Scholarship award, given by the Dunlap department stores.

Candidates for the award are chosen from high ranking high school graduates in the Lubbock trade territory, and presentation is made when the candidate's grades continue good at Tech.

"PARDON ME, MADAM"

Every time Reddy Kilowatt hears a Littlefield housewife talking about the rising cost of living he wants to step up and say:

"Pardon me, Madam, but the cost of electric service has gone down constantly in Littlefield, and I'm sure that you'll agree with me that I've become one of your most important servants. I'll cook and sew for you, help clean the house, and keep it well lighted... at a lower cost than ever before.

Horse Savvy

The comparative intelligence of horses and mules is a question that will instantly start an argument among stockmen. Undoubtedly the mule has some traits the horse could emulate. For instance, a mule will not founder himself on grain, nor will he drink too much when he is overheated—just why, no one has ever explained satisfactorily. Certainly the mule does not inherit his ability to control his appetite from his burro sire, because a burro will eat anything, from the paper label on a tin can to dynamite, and has never been known to quit for any reason ex-

cept that the food was all gone. Horses, however, have many virtues not evidenced in mules. They are less excitable and respond more quickly where instant obedience is desirable. In deep snow, for instance, many horses learn to wallow slowly, breaking the snow down with their weight and, when tired, rest quickly, then tackle the job with patience. Mules are seldom good snow buckers unless they are following a horse that they have learned to trust, as in the case of a pack string. A horse will trust the judgment of a man he knows, even where such judgment conflicts with his own. This a mule never does.—George Cory Franklin.

GEMS OF THOUGHT

METHOD

The first idea of method is a progressive transition from one step to another in any course.—Coleridge.

Method is not less requisite in ordinary conversation than in writing, provided a man would talk to make himself understood.—Addison.

The poet's line, "Order is heaven's first law," is so eternally true, so axiomatic, that it has become a truism; and

its wisdom is as obvious in religion and scholarship as in astronomy or mathematics.—Mary Baker Eddy.

The shortest way to do many things is to do only one thing at a time.—Cecil.

Method facilitates every kind of business, and by making it easy makes it agreeable, and also successful.—C. Simmons.

Be methodical if you would succeed in business, or in anything. Have a work for every moment, and mind the moment's work.—W. Mathews.

Churches

CHRISTIAN SCIENCE SERVICES

"God the Only Cause and Creator" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, December 8.

The Golden Text is: "Lord, thou art God, which hast made heaven, and earth, and the sea, and all that in them is" (Acts 4:24).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "By the word of the Lord were the heavens made; and all the host of them by the breath of his mouth" (Psalms 33:6).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Spiritual causation is the one question to

be considered, for more than all others spiritual causation relates to human progress" (page 170).

J. D. EVINS CAR

STOLEN; RECOVERED AT LUBBOCK

The automobile owned by J. D. Evins, which was taken from the rear of the Evins Cleaners Monday morning of last week, was recovered at Lubbock by the highway patrol, who reported it left on a Lubbock street. According to Mr. Evins, some damage was done to the car. Sheriff Sam Hutson stated Saturday that all the cars stolen here now have been recovered.

Dairy cows need three-fourths of an ounce of salt a day for each 1,000 pounds of live weight, and one-third of an ounce for each 10 pounds of milk produced.

SOCIAL EVENTS

Miss Lillie Mae Montgomery And Virgil McManaman Wed

Mrs. Lillie O. Montgomery of southwest of Littlefield announces the marriage of her daughter, Lillie Mae, to Virgil McManaman, which took place in the auditorium of the Methodist Church on November 19, at 7 o'clock in the evening.

Rev. S. M. Dunnam, pastor of the Methodist Church, read the impressive double-ring ceremony before an altar of roses and carnations in the presence of a few relatives and intimate friends. Mrs. Dunnam rendered appropriate music preceding and during the ceremony.

The bride was very lovely in an attractive gray and blue costume with brown accessories. She carried a beautiful bouquet of rose pink carnations with streamers of pink satin. Her attendant, Mrs. Mary Belle Holland, a sister of the bride wore a suit of green with black accessories.

The little flower girls, Nancy Montgomery and Mary Belle Holland, nieces of the bride, were very adorable in little yellow and blue dresses as they strew rose petals down the path of the bride.

The bride was given in marriage by her oldest brother, J. C. Montgomery.

For "something old" the bride wore a necklace, and "for something borrowed" she wore a pair of silk stockings.

The groom is from Long Beach, Calif., and is at present employed at Plainview, Texas. The groom's attendant was Clyde Montgomery, brother of the bride.

The couple will be at home in Plainview after the Christmas holidays.

The bride is a graduate of Littlefield High School and National Business College of Abilene. She has been in California the past three years in defense work. At present she is teaching in Pettit High School.

The groom is from Long Beach, Calif., and is at present employed at Plainview, Texas. The groom's attendant was Clyde Montgomery, brother of the bride.

'42' Party Enjoyed At Wines Home

There was a "42" party given at the home of Mr. and Mrs. John Wines Saturday night, Nov. 16.

Those enjoying the games were: Mr. and Mrs. Bill Nicholas, Mr. and Mrs. Lonnie Nienast, Mr. and Mrs. June Osthus, and Mr. and Mrs. John Wines.

Refreshments were served, including sandwiches, cakes, coffee and cocoa.

Clark Gable worked as a theater callboy for two years.

Thanksgiving Dinner Enjoyed by Baptist Sunday School Class

On Tuesday evening, November 26, the dining room of the First Baptist Church was the scene of a Thanksgiving dinner, given by the 50-50 Sunday School class. The candle-light room was decorated with streamers of orange crepe paper, suspended from the ceiling. The speakers' table was centered with an artistic arrangement of fruit and nuts and lighted by tall yellow tapers in three-tiered crystal candelabra. The tables were further decorated with wooden bowls of fruit and nuts. Tiny Pilgrim figures held the place cards, and each lady guest found a lovely corsage of yellow 'mums by her plate.

After the invocation was delivered by Mrs. Henry Banks, a delicious dinner of turkey, dressing, gravy, candied yams, green beans, fruit salad, cranberry sauce, hot rolls, butter, pumpkin pie and coffee was served.

With R. M. Yarbrough, Jr., acting as toastmaster, the program opened with the group singing the class song, "All On the Altar," after which Rev. Lee Hemphill brought an inspirational devotional. Mrs. Jean Williams then gave a Thanksgiving prayer in poetry form, during which Mrs. R. M. Yarbrough, Jr., read appropriate Scriptures, and fitting songs were rendered by Meses. Kenton King, Ralph Nelson and E. S. Turner, accompanied by Miss Helen Heathman. In conclusion, the entire group sang the "Doxology," after which Mr. Kenton King gave the benediction.

Those present were Messrs. and Meses. M. D. Dunagin, King, Nelson, Charles Heathman, Darwin Pierce, Norris Onstead, Oley Robbins, William Yarbrough, and Hemphill; Mrs. Banks and Mrs. Turer, and Miss Heathman.

Miss Nancy Black, J. T. Ashland Wed In Church Chapel

In a ceremony read Wednesday night, Nov. 27, in the First Baptist chapel, Lubbock, Miss Nancy Clara Black of 1624 Eighteenth Street, daughter of Mr. and Mrs. Earl William Black of Sudan, and John T. Ashford, Jr., son of Mr. and Mrs. J. T. Ashford of 2111 Thirty-Fourth Street, were married. Dr. J. Ralph Grant officiated with a single ring ceremony.

The candlelighted altar was arranged with baskets of white chrysanthemums standing before a background of palms. Tapers were in candelabra.

Wedding music was offered by Mrs. V. L. Jackson, who played "Indian Love Call" preceding the ceremony, "Clair de Lune" as the vows were repeated and the traditional marches. Mrs. Mary Ware sang "Because."

Given in marriage by her brother, Richard Black, the bride was dressed in a dove gray crepe dress with brown lizard accessories. She carried a point lace handkerchief, an heirloom made by the bridegroom's maternal grandmother, and a white Bible topped with a brown orchid.

Miss George Ann McFarland, maid of honor, was dressed in dusty blue wool crepe with a corsage of talisman roses and brown accessories. William Edward Austin served as best man.

Following the ceremony, wedding guests were entertained at a reception given in the home of Dr. and Mrs. I. W. Hicks of 2309 Fourteenth Street, Lubbock, an aunt and uncle of the bridegroom. The bride's table was covered with lace over pink and was centered with a floral decoration and white tapers in crystal holders. A two-tiered wedding cake, topped with a miniature bride and bridegroom was served by Mrs. Bass and the coffee service was presided over by Mrs. J. M. Gunn.

The couple will be at home in Lubbock following a wedding trip to various points in New Mexico.

For travel the bride wore a navy blue gabardine suit with brown accessories and an orchid corsage.

Mrs. Ashford is employed by the City of Lubbock as a bookkeeper, and Mr. Ashford, a graduate of Lubbock High School, is a student at Texas Technological College.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try Cardui. If it helps, you'll be glad you did.

Work Under Way
On Hospital Building

The "Old College" property, recently purchased by the Lamb County Cooperative Hospital, is now undergoing a complete remodeling and redecorating. The exterior has been redecorated, and a caliche driveway has been laid into the property and around in a "U" shape.

The city has also laid caliche on College Avenue to the north side of the college property, making it a hard surface road.

Workmen are now painting and decorating the interior of the building, and rearranging the plumbing, etc., in an effort to make the building entirely modern.

According to Jack Smiley, president of the Lamb County Cooperative Hospital, work is expected to be completed on the building by January 1. The structure will have 12 bedrooms, and accommodate about 18 beds.

Mr. Smiley also stated that contact had been made with several doctors and surgeons, in an effort to secure a medical staff.

DEL WELLS GETS
SCHOLARSHIP

Del Wells, whose parents, Mr. and Mrs. K. W. Wells, live in Anton, is one of 15 freshmen at Texas Technological College who recently received a Dunlap Scholarship award, presented by the Dunlap department stores.

Candidates for the award are chosen from high ranking high school graduates in the Lubbock trade territory, and presentation is made when the candidate's grades continue good at Tech.

Texas USO Drive
Reaches Half-Way
Mark; 53% Raised

Northwest Texas, with 12 "over-the-top" counties, is maintaining its lead for successfully completed drives in the Texas USO campaign, Col. Carl L. Phinney, state campaign chairman, announced in Dallas this week.

Add Five Counties
 This week five counties were added to the list which already includes Castro, Motley, Ochiltree, Throckmorton, Childress, Wichita and Roberts counties, Colonel Phinney said.

The new counties and their chairmen are: Farmer, H. Y. Overstreet, Farwell; Floyd, Cecil Hagood, Floyd; Baylor, O. C. Harrison, Seymour; Hemphill, Tom Abraham, Canadian; Swisher, J. Ross Noland, Tullia.

Reaches Half-Way Mark
 The Texas USO campaign has now reached the half-way mark, with 53 per cent of its quota raised, Colonel Phinney reported. Ten Community Chests which included USO in their quotas have successfully finished their campaigns, and 30 separate USO drives have turned in completed reports.

The campaign throughout the state is off to a slow start as the appeal in many communities will not be made until January or February of 1947, because of conflicting drives at the present time, the USO state chairman said.

Texas Will Not Fail
 "We are confident, however, that Texas will not fail in this important project. Texas' share in the \$19,000,000 national USO quota for 1947 is \$800,000. Texas men among the million and a half still in hospitals, overseas, or beginning training approximate 125,000. We can-

SOCIAL EVENTS

Mrs. Doss Maner Hostess to Club Women Monday

The Lum's Chapel Home Demonstration Club met in the home of Mrs. Doss Maner Monday, November 25. Mrs. Alpha McCarty and Mrs. Floyd Brown were co-hostesses.

A Thanksgiving pageant, composed by Mrs. Dewey Hulse, was the main feature for the afternoon. The pageant consisted of ten characters. Mrs. J. R. Koen and Mrs. Charles Hoak were Pilgrim ladies; Mrs. W. E.

Dwens played the part of Captain Miles Standish; Mrs. Charlene Williams was an Indian maiden; Mrs. E. P. Luce portrayed the part of Priscilla and her lover, John, who was played by Mrs. Furr. Mrs. Andrew McGehee played the part of Sarah Jesohefat; Mrs. Homer Sewell was soloist; Mrs. Hulse, pianist; and Mrs. T. S. Sales read the story as the characters acted their parts. It was a very beautiful scene with all characters dressed in costumes of Pilgrim days.

Miss Worley, county agent, gave a very interesting demonstration on "Cleaning with *Glue" and "Sizing With Gelatin."

A business meeting was held later in the afternoon. Plans were made for the Christmas party that is to be held at the home of Mrs. Alpha McCarty, December 12. All members are urged to be present and to bring their Peanut Pal gifts and gifts for exchange.

A refreshment plate consisting of a sandwich, mincemeat pie and coffee was served.

Other members present were Mmes. Hub Sprayberry, J. T. Brown, O. L. Barsden, Doss Maner, Jr., and two guests, Mrs. Bruce Wren and Mrs. Fred Newsome.

Each member present wants to thank all the ladies that drove out from Littlefield and presented the pageant.

Attend Family Reunion At Amarillo Thursday

Mr. and Mrs. E. A. Bills and Miss Lula Hubbard spent Thanksgiving Day in Amarillo, where they were joined by their daughter and son-in-law, Mr. and Mrs. James H. Penn, and daughters, Marilyn and Virginia, of Missouri, who arrived in Amarillo Wednesday night, Nov. 27.

They were also guests in the home of Mr. and Mrs. H. M. Timmons, 1607 Hayden Street, where a family reunion was held.

Present to enjoy Thanksgiving Day in the Timmons home were: Mr. and Mrs. H. M. Timmons, Mr. and Mrs. Paul Timmons and daughter, Sally Carolyn; Mr. and Mrs. E. A. Bills, Mr. and Mrs. James H. Penn and daughter, Marilyn and Virginia; Miss Lula Hubbard, Miss Alice Timmons, sister of Paul Timmons; Miss Luella Deason, sister of Mrs. H. M. Timmons, and Walter Deason, her brother.

Mr. and Mrs. Bills and Miss Hubbard returned to Littlefield late Thursday, accompanied by Mr. and Mrs. Penn and family for a visit here.

Miss Melba Wood And A. R. Dillard, Jr. Wed Sunday Morning

Miss Melba Wood, daughter of Mrs. J. O. Wood of Sudan, became the bride of A. R. Dillard, Jr., son of Mr. and Mrs. A. R. Dillard, Sr., of Melrose, N. M., Sunday, Nov. 24, at the home of the bride's parents at Sudan.

Bro. J. A. Bristow, minister of the Church of Christ, Sudan, officiated with the single-ring ceremony, at 9 o'clock a.m. Baskets of beautiful 'mums provided a fitting setting for the occasion.

The bride was charming in a sky blue suit with brown accessories. Only members of the immediate families and a few friends were present for the ceremony.

The bride has been employed at the First National Bank, Sudan, for the past two years. The groom has recently been discharged from the service.
