

Grand Jury Returns 7 Indictments Tuesday

The 64th Judicial district Grand Jury for Lamb county returned seven indictments in Littlefield Tuesday afternoon, County Attorney Curtis Wilkinson said. Eleven cases, two of which were capital cases, were presented before the Grand Jury.

Sudan FB Resolves 14% Grain Should Be Eligible Loan

Members of the Sudan Community Farm Bureau met Monday night to prepare resolutions which will be submitted to the Lamb county Farm Bureau convention Oct. 4.

Resolutions duly made and passed were:

1. Recommend that grain sorghums should be eligible for the Commodity Credit Loan with a maximum moisture content of 14 percent (the same as that for wheat). Maximum is now 13 percent.

2. Favor 90 percent support on all commodities classed as basic upon the request of the commodity producers who will favor acreage allotments and marketing quotas. (The new law will permit supports to slide as low as 82 1/2 percent when surpluses pile up.)

3. Whereas the \$7.50 maximum penalty for underweight and overweight bales is excessive, be it resolved that an effort be made to standardize bale weight penalties throughout the Cotton Belt; that it be ascertained and published who is the ultimate recipient of penalties paid by farmers for such bales.

4. In order not to disturb the economy of the farmer, recommend to the U. S. Department of Agriculture that retired acreage not exceed 15 percent of total cultivated acreage.

Concerning the maximum moisture content resolution the Sudan Farm Bureau added that elevator operators of this area have expressed agreement that in upright silo type elevators with power turning equipment and facilities, grain sorghums with moisture content up to 14 percent at time of delivery can easily be kept in condition for an indefinite time.

"In view of these facts and since it is virtually impossible," the resolution stated, "under some conditions to bring grain sorghums, we feel that it is unfair for farmers of this area to be denied CCC loans on such grains up to 14 percent moisture content. Such would be the case according to a letter addressed to all warehousemen in this area dated Aug. 11, 1954, and signed by C. H. Mosely, Director, CSS, Commodity Office, Dallas, Texas."

"It is the opinion of elevator operators of this area, and we agree that grain sorghums that went out of condition in the past year did not go out of condition because of moisture content as high as 14 percent, but probably because the moisture of such grain exceeded 14 percent at time of receipt, and proper care was not exercised in attempting to keep the grain in condition."

Fausts Attend Doctors' Meet

Dr. and Mrs. Frederick B. Faust, Dimmitt physician, were among 400 doctors from over the state who attended a recent assembly of the Texas Academy of General Practice in Galveston, Dr. and Mrs. Faust are former Littlefield residents.

Their daughter, Faith Helen, left Saturday to attend Stephens college in Columbia, Mo., where she is majoring in Art. Eleven nestlets done by Faith Helen were displayed at the Castro county fair recently, sponsored by the Glotman Drug Store of Dimmitt.

Miss Faust has been doing drawings and paintings for many years and some of illustrations for children's stories were published in the Littlefield newspaper.

The next day work displayed at the fair depicts various plants used in pharmacy and medicine.

Perry and Patsey Shedd, Carol Beth Hughes, Nayline and Lurline Pair, Harriett Bosa, Emma Epperson and Barbara Sires.

Calvert Well Feared Dry, Woods Well Is A Producer

Littlefield got another oil well and another dry hole this week, and another hole is being started.

Hall and Stewart apparently have a third producer in their R. W. Woods No. 1, just off North Westside Avenue. They were moving Wednesday to their fourth location, a north offset to the Ida Dalmont Hewitt No. 3. It will be known as the Pierce No. 1.

An initial potential report of 104 barrels per day has been filed on the Noah Humphries well, the first one drilled here by Hall and Stewart. The Goulsby well is reported to be about the same. No swabbing figures have yet been released on the R. W. Woods well, which was acidized Tuesday afternoon.

Hewitt Gets Dry Hole

Tom Hewitt was still drilling his wildcat well on the C. H. Calvert lease Wednesday morning, but was expecting to plug it before the day was over. A fifty foot core taken from the hole was dry. Hewitt was drilling a little deeper but without much hope of finding anything.

George Livermore has not completed the deal with Texas Company for a farmout of the two drilling blocks which include the Littlefield school grounds. Time will run out on the drilling permits September 19.

4-H Club Workers Presented On TV

Mrs. Bayne McCurry, Spade 4-H Adult leader, Misses Betty Byars and Pat Pointer, Spade Senior 4-H club members appeared on KDU-TV in Lubbock Tuesday at 6:30 p. m. over Johnny Williams' Community Crossroads program.

Pat is the Lamb County Gold Star Girl for 1954. Betty was the 1953 Gold Star Girl and is the 1954 Lamb County 4-H Dress Revue winner. Both girls were on a vegetable preparation team which placed first in the district and second in the state contest this year.

Mrs. McCurry was the 1949 4-H Gold Star of Lubbock County and represented Texas in its first out-of-state vegetable demonstration in Washington, D. C., the same year. She is chairman of Lamb County 4-H committee in Home Demonstration council and is council reporter.

Betty plans to model her suit which won in the county dress revue.

Rodeo Winners Get \$2315 In Prizes; Jaycees Net \$1000 For Civic Projects

The banners are down, the dust has settled at the Rodeo arena, and the Littlefield Jaycees' Christmas Basket fund has grown considerably, marking the end of the ninth annual Jaycee Rodeo.

From the three night performance, Thursday, Friday and Saturday, and the dances following, the Jaycees made approximately \$1000, which will be used during the year for Christmas baskets and civic projects. A crowd estimated at 2,000 watched the show Saturday night, 1200 Friday and 1500 Thursday.

Net receipts from the dance held nightly after the performances were estimated at \$865. Music for the dance was furnished by Bob Tucker and his Sky Riders of Clovis.

Receipts from the sale of City Slicker badges and city decorations were estimated at \$250. Jaycee president Marion Williams.

Approximately \$2315 was paid out in prizes. All entry fees were paid back, plus \$290 from the gate receipts.

Leading the cowboys in the tie-down calf roping was Jimmy Bird who won both go-rounds. Carolyn Roberts of Littlefield had the best average in the ladies' barrel race, with Daythene Vineyard, second, and Jackie Kirk, third, both of Plainview.

Best time in the bareback riding was made by David Allen and Dick Doyle held the best time record in bull riding.

O. C. Burton of Levelland and Leroy Radcliff of Elida, N. M., took the top money in the double mugging.

Highlight of the rodeo performance was the Roman Horse specialty act.

Complete results of the ninth annual Jaycee rodeo were:

Double mugging, first go round: O. C. Burton of Levelland, first, \$84; Joe Rollins, second, \$63; W. T. Smith of Tell, third, \$42; Clifton Smith of Tell, fourth, \$21.

Double mugging, second go round: Leroy Radcliff of Elida, N. M., first, \$84; W. T. Kirk of Post, second, \$63; Clifton Smith, third, \$42; Bill Templeman, fourth, \$21.

Tie-down calf roping, first go: Jimmy Bird of Post, first, \$112; Clifton Smith, second, \$84; Val King of Lubbock, third, \$56; Herb Williams, fourth, \$28.

Ladies barrel race, first night: Jackie Kirk of Plainview, first, \$15; Georgia Ann Mathews of Littlefield, second, \$9; Carolyn Roberts of Littlefield, third, \$6.

Ladies barrel race, second night: Jackie Kirk, first, \$12.50; Daythene Vineyard of Kress, second, \$7.50; Carolyn Roberts, third, \$5.

Ladies barrel race, third night: Carolyn Roberts, first, \$15;

Order Traffic Stopped Thru School Grounds

Everyone was present except Troy Moss at Monday evening's meeting of the Littlefield school trustees. Earl Rodgers had to leave the first meeting of the Dale Carnegie class in order to make it, so the board changed its meeting night to the first Tuesday in each month, so he wouldn't have to miss half the class once each month.

First piece of business was to instruct Supt. Ralph Schilling to refuse to loan the folding chairs in the lunch room and band hall for use outside those rooms. Seems they've lost some that way.

Next item was to vote \$100 for the down payment on a \$586 piano for Dunbar school. The one they have been using for many years has fallen apart and can't be repaired, the man said. The Dunbar PTA says it can and will take care of the \$16 per month payments.

At the same time they approved the purchase of \$95 worth of insurance on the Dunbar football players. They will be covered by the same policies already in effect on the players at Littlefield High. It came too late to cover the Dunbar player injured at Lamesa last week.

They authorized the Homemaking Dept. to trade in two old treadle sewing machines on a new, fancy electric one, and pay the difference.

Since Highland Park felt it should not pay expenses for Asst. Coach Don Williams at coaching school because it did not return to them, the Littlefield board approved payment of same.

The board accepted the resignation of 4th grade teacher, Mrs. John Taylor, who is moving to Tuscaloosa, Alabama the end of this month, where her husband will be pastor of Calvary Baptist church. To take her place the board approved the hiring of Miss Earlene Parker who taught at Abilene last year and at Brownfield before that.

They also approved the hiring of James Barker to teach social studies and mathematics in the 7th grade, where they are swamped with 170 pupils.

The board discussed the outcome of the new traffic regulations around the school grounds, heard that they were working well, but were concerned to learn that traffic was still coming through the school grounds between the buildings and the bus sheds, endangering the youngsters attempting to board the buses. They ordered this passageway closed immediately.

To provide some place for parents to wait while their children hunt them up, the board then considered the possibility of moving the curb to create another traffic lane on Westside Ave. in front of the elementary and primary buildings. There will apparently be sufficient money in the building fund to cover the cost of this, but no action was taken pending the report of a committee appointed to investigate all the angles involved.

Secretary Sid Hopping gave a report on the gate receipts from the Clovis and Tahoka Games. Total receipts from the Clovis game was \$1247.30 less \$51 for help and \$105.92 for officials leaving a net total of \$1090.38. This was split half and half with Clovis, making the total net gate receipts amount to \$545.10. Littlefield's half of the gate receipts for the Tahoka game was \$483.45.

The meeting was over early and ended with cokes and brownies cooked by one of the homemaking classes.

Pfc. Click

Hold Services At Crockett For Wiley R. Click

Funeral services were held September 4 in the Missionary Baptist church of Crockett for Pfc. Wiley R. Click who was drowned in Japan July 30. Burial was in the Littlefield cemetery.

Click was the son of Mr. and Mrs. M. A. Click of Delano Ave. He attended Littlefield high school where he was a member of the Wildcat Band. He enlisted in the U. S. Marines Sept. 9, 1953 and was serving with the Third Marine Division at the time of his death. He underwent basic training at San Diego and went overseas February 18, 1954.

The Clicks were informed of the details of his death through a letter from Pfc. Click's commanding officer, and later through a letter from a Marine who was with him at the time of his death. He had accompanied two Marines on a sailboat, in attempting to raise the sails. Click stumbled and the boat capsized. The other two men were able to swim to shore, but Click who was reportedly a poor swimmer, was drowned before rescue efforts could be made.

Hockley County Pioneer Dies

WHITHARRAL—Funeral services were held Friday, Sept. 10 at 10 a. m. in the Whitharral Baptist church for George F. Edgar, 80, who died in the Edgar Renegar-Campbell hospital in Levelland early Thursday morning after several years of bad health.

Officiating at the services were Rev. Bill Watson, pastor of the Cone First Methodist church and former Whitharral Methodist pastor, Rev. S. M. Bean, pastor of the Whitharral Methodist church and Rev. Tom Moore, pastor of the Whitharral Baptist church.

A long time member of the Methodist church, Edgar, a retired farmer, has lived in and around Whitharral since 1928. His survivors include his wife, and two sons, C. B. of Levelland, and Earl of Plains; two daughters, Mrs. C. A. Wilkinson of Hollis, Okla., and Mrs. H. G. Walden of Whitharral; four sisters, Mrs. L. O. Adams of Kilgore, Mesdames S. H. Tinsley, T. R. Smith and Ed McNaughton, all of Hemphill, two grandchildren, and seven great grandchildren.

Interment followed in the Levelland cemetery, directed by the George C. Price Funeral Home there.

Palbearers were Coy Grant, Charlie Landers, Roscoe Brown, C. L. Sharp, Aubrey Hudson and Jack Ballow.

Flower girls were Misses Vanellie Commons, Carlene Reed, Patsy Heard, Frankie Billings,

Emergency MOD Nets \$2441.80, Keeling Says

The Lamb County Emergency MOD of Dimes, drive netted \$2441.80, according to an announcement by county chairman Ray Keeling after the close of the drive last week.

Keeling said the drive in Littlefield, headed by Homer Garrison netted \$1029.50. In a breakdown of the drive projects, he said \$235.78 came in through the coin collectors placed over town, the Mothers' Patch netted \$37.45, and \$455.22 came in through the mail campaign.

Springlake contributions exceeded 50 percent, Keeling said. The drive in Springlake, headed by V. E. Tanner, brought in \$225 through cans and collections. Also noteworthy, Keeling said, was \$34 contributed by the Spade Lions club, which has just been recently organized.

Other communities, drive chairman said, and the amount of contributions were:

AMHERST, Harvie Messamore, Methodist church, 100.00; Baptist church, \$16.25; Church of Christ, \$5; coin collectors, \$73.19; total, \$195.14.

EARTH Mrs. E. C. Hudson; Podes, \$262.95; American Legion, \$35; Woodman Circle \$10; Individual donations, \$102.14, total, \$400.09.

SUDAN, Mrs. Travis Smith; cans and coffee \$179.19; total \$179.19.

OLTON, Pink Lawson; Cans, \$150; Collectors, \$269.33; total, \$419.33.

Total collections were \$2441.80. Expenses were \$40 for the Littlefield mail campaign, bringing the net total for the county to \$2441.80.

Billye Jean Featheringill Is Bride Of Cecil Johnson

Bride and Mrs. Johnson

The bride wore a white, orlon street length dress designed with full pleated skirt and scooped neckline. She carried white carnations atop a white Bible.

For something old the bride wore a pin and watch which her grandmother received when she was married 51 years ago. Something new was her dress and something borrowed was a hat belonging to Ruth Stansell. Something blue was a carry, made for her by Ruth Stansell.

Her maid of honor, Miss Naomi Stankey of Spangone wore a yellow nylon dress with full skirt. She wore a white carnation corsage.

Robert Richards of Muleshoe, cousin of the bridegroom, served as best man.

The parents of the bride were hosts at a wedding reception at the ceremony to the 54 guests. Centering the bride's table was a tall 3-tier wedding cake, which was served by Miss Peggy Kittrell of Hart. Punch was served by Miss Georgia Reich of Olton. Guests were registered by Miss Ruby Spivey of Olton.

Out of town guests for the ceremony were Mr. and Mrs. C. Kivett and Peggy of Hart, Mrs. Iroch Griffin of Muleshoe, Mrs. Mattie Griffin, Mrs. Johnnie Westbrook and Leander Sims of Progress, Ken Swearingen and Marshall Walker of Pottsboro, and Mr. and Mrs. A. H. A. of San Antonio, grandparents of the bride.

Mr. and Mrs. Cecil Wayne Johnson are at home at Progress where he is engaged in farming after their wedding Aug. 26 in the First Baptist church at Olton. The bride is the former Miss Billye Jean Featheringill, daughter of Mr. and Mrs. Paul Featheringill of Olton.

Johnson is the son of Mr. and Mrs. E. S. Richards of Progress. The double ring ceremony was performed by the Rev. J. Henry Cox, pastor of the church.

Miss Ruth Stansell played the traditional wedding music and accompanied John Carson as he sang "At Dawning" and "The Lord's Prayer."

Annual Reception At Olton Will Fete School Teachers

OLTON - The teachers of Olton schools will be introduced Thursday night at the annual reception at the school cafeteria.

Guest speakers will be Rev. W. H. Vanderpool Jr. from the First Methodist church of Littlefield. Special music will be under direction of L. A. Owen Jones. Welcome address will be given by P. T. A. president, Mrs. W. B. Aldridge, and the response by Mrs. Raiford Danes.

Mrs. Carl Mason will introduce the principals, who will in turn introduce the teachers working under them.

Rev. Chas. Littleton, pastor of the Presbyterian church, will give the invocation.

Money for each teacher and workers at the school was presented with thanks.

Registration of P. T. A. members will be taken and year books may be purchased. Chairman of Hospitality is Mrs. H. E. Mossey Jr. who is in charge of the arrangements for the reception.

Birthday Party Is Surprise For Olton 4-Year Olds

OLTON - Mrs. Tommie Ballard and her Leonard Carlisle entertained their children, Guy Ballard and Madeline Carlisle with a surprise birthday party Saturday on their fourth birthdays.

Refrigerators of ice cream and cake were served to a large number of children and mothers after Melba and Guy opened their packages which were wrapped alike.

Surprise Birthday Party Is Courtesy For Mrs. Thaxton

It took all of her husband's best efforts to keep Mrs. W. C. Thaxton at home Monday afternoon and to get her to freshen up as she usually does each afternoon, without disclosing the reason for his sudden interest in her appearance.

He knew that soon a group of friends would come to surprise her on her birthday bearing many lovely gifts, a birthday cake and other refreshments.

It was Mrs. Thaxton said her first birthday party, and a most enjoyable event in her life.

Attending were Mrs. W. J. Albrecht, Mrs. G. Stewart, Mrs. L. C. Hewitt, Mrs. J. T. Elms, Mrs. G. L. Straub, Mrs. Jed Clarida, Mrs. Paul Pharris, Mrs. E. J. Busson, Mrs. Carl Arnold, Mrs. B. D. Anton Garden Club Has Coffee In Campbell Home

The Anton Garden Club met Thursday morning, Sept. 15, for a coffee in the home of Mrs. Claude Campbell. Mrs. Star Gardener magister presided. The club books were outlined by Mrs. Roy Carden and Mrs. Alexander explained the exhibit schedule. She appointed committee chair-

work simplification has helped me." Home Demonstration Agent Mrs. Hazel Hickman gave a demonstration on room accessories and their arrangements. She told the club members that accessories should be convenient and add to the coziness of a room and that they could be both functional and artistic.

One such accessory Mrs. Hickman said, is a nice arrangement of books. She pointed out that bright colored jackets of the books can add much color to a room. Plain mirrors make a room look larger and can be used to reflect light where needed.

Accessories should be grouped according to whether they are functional, or ornamental, or otherwise, and anything that is neither ornamental nor functional should be disposed of, Mrs. Hickman stated.

Refreshments of sandwiches, relishes, ice cream, sandwiches and cold drinks were served to Mrs. Leonard McNeese, Mrs. L. B. Davis, Mrs. U. E. Kelley, Mrs. M. M. Dubose, Mrs. P. L. Helms, Mrs. J. F. Tomlinson, Mrs. C. C. Solesbee, Mrs. Fred Lichte, Mrs. C. E. Jones and Mrs. Hickman, and a new member, Mrs. Hill Rogers.

Only One County Team, Littlefield, To Play At Home This Week

Area Gridiron Games This Week

Six Lamb County schools go away for games on the gridiron this week with only the Littlefield Wildcats at home. These contests will be the second for all but Littlefield, who goes into the third conflict of the new season.

Littlefield entertains Hereford in Seeley stadium Friday night with a 1 and 1 record thus far. The Wildcats go into their first contest for this season, rated by the experts as favorites after their big upset at Tahoka last Friday night. The Wildcats took Hereford 26-7 with sheer power and weight in an early season game last year. Hereford is making a slow start again this fall but is generally considered a strong second half team.

Littlefield lost its first game of the season on their home field to 194 Clovis Wildcats 18-7. They came back the next game, rated underdogs again, and beat the Tahoka Bulldogs 28-13.

The Williamson system of rating Texas football listed Littlefield and Seminole tied for last place in their District 6-AA with Kermit first, Brownfield second, and Andrews the darkhorse.

The Wildcats pulled a real upset in surprising the experts with their strong victory over Tahoka. The Bulldogs were rated favorites to win their District AA Conference this season.

The Otter Mustangs play their second game over at Morton being favored again to win after coming through as expected against Abernathy last week.

Springlake Wolverines go to Isador Friday night. Blalou proved a disappointment last Friday when Willsboro beat them and appointment in the last few minutes of play when Bovina came through with late last quarter touchdown pass to win on extra points scored after touchdowns 27-25.

The Amherst Bulldogs, who were idle last week after their season opener lost to Slaton, travel to Hale Center Friday night. The Bulldogs will not face the weight and power they found in Slaton, but will find one of their

LITTLEFIELD HIGH SCHOOL FOOTBALL 1934 SQUAD: Left to right Front row: Gene McCullies (assistant coach), Gregory Wjemon 17, Bobby Cape 41, Kenneth Griffin 51, Buddy Rogers 42, Kippy Cutshall 59, Joe Giddens 58, Ben Northam 22, Milton Vaughn 24, Bobby Murdock 55, Paul Davis 39, Delwin Williams 47, and Andy Parker 50. Second row, left to right: Gene Mayfield (head coach), Dale Ward 28, R. L. Graham 43, Mike Greer 25, Roger Lowe 34, Warner DeSautell 31, James Lee 45, Joe Hoover 48, Max Morris 60, Ernie Hoppe 38, and Don Williams, line coach. Top row, left to right: Bill Kenemer 14, Wayne Wicker 33, Jimmy McShan 54, Paul Yarbrough 29, John Clayton 36, Glen Richards 32, Keith Davis 21, Bill Fore 20, Kenneth Jackson 30, Bobby Orr 44, and Dan Howard 40. (Photo by Nail)

toughest games of the year against Hale Center, who won their District and have much of the same team back this season.

The "darkhorse" Sudan Hornets tackle neighboring Muleshoe at the Bailey County seat Friday. Sudan came through with an upset victory against the New Deal Lions last week. The Williamson system which expertly rates the Texas interscholastic teams, listed Sudan rated the darkhorse in its district with Springlake first and Dimmitt runner-up.

Sudan faces a tough assignment against a larger school at Muleshoe and playing away from the home town fans. A couple hundred fans are expected to drive to Muleshoe for the game.

Wayne Cunningham...

This head-line is quite a poster. Lots of room for humor. Did you notice the bold lines on the story of Arden's defeat at the hands of Cooper?

It read, "Creek beats Arden." It was really a crooked run by a Creek. The boy named, Donald Creek of Cooper made a run that

however, Spade plays the first game of the week, meeting New Home in a six-man football contest Thursday out at Spade.

wasn't straight by any means in the last few minutes of play and won the game for Cooper against Arden.

Sudan

The Hornets started their role as "Dark Horse" in their first game in fine style. Coach Francis Smith and the athletes from Sudan can never be counted out.

Littlefield Wildcats

I could never have picked the "Player of the Week" in the Tahoka game. Of course, Keith Davis was chosen by the only letter of the first week's game. That eliminated Keith for the next week. Though he played a bang up game again, others did too.

Little Bobby Crawley wrote in the only letter the first week for the "Player of the Week" and won

the five dollars. That was easy. Just a couple of letters came in the second week. As the players become fewer and fewer to choose from (once a player is selected he cannot be repeated) the writers of the letters became more and more.

Send those letters in fast. You might win the \$5.00.

My pick of the Player of the Week doesn't mean much. However, since I have been asked by fans, I'll tell my opinion after the deadline for fan's letters.

I would have picked Keith Davis for the first week. For the Tahoka game there was a host of players. There is no doubt that "Rabbit" played real ball as he always does. He scored the most points, and made beautiful runs. He blocked well and played good defensive ball.

However, I would have personally picked Dan Howard for a slight edge. Dan called a beautiful game. Everytime his team came into possession of the ball he lead the potent offense into a real threat. He could get his team to move that ball. That's a real accomplishment.

Dan carried well on several plays for more than 10 yards. He pulled two quarterback sneaks for first downs, successfully. He passed to the point and his faking was out of this world. Dan came in and made the key tackle in repeated cases when Tahoka's Gordon Smith had broken loose into the secondary.

Dan and "Rabbit" looked like Kirkpatrick and Cavaza of Texas Tech. Oh, pardon me, I mean they looked like Mayfield, and (who was his side kick at Canyon?) of West Texas.

Improvement
I heard John Clayton say under his breath after the Clovis game, "Boy, I've got to learn to take that ball without grabbing for it." The lad was taking all the blame himself for the several fumbles in the Clovis game. Well, Johnny wasn't to blame. Neither was Howard or even Coach Mayfield.

Any coach, players, and team that only makes 5 fumbles (even though they are mostly and are mistakes that can lose) in their first game of the season with a new formation, new coach, new line-up, new opponent, that outweighs them more than 15 pounds per man and has only been in practice 10 days, is my choice of

to learn to follow.

Just give Mayfield and his boys 5 more days to practice and they went into the Tahoka game and played without a fumble.

When the kids blame no one but themselves and get in and work on what they feel is the weak place, they come up like they did at Tahoka. That Johnny's a ball player and is fitting in well in that back-field.

McShan and Northam have the stuff but lack the size and weight. Never-the-less, they are reliable now and carry out their blocking assignments mighty well for little money. They can tote that apple, 100.

Wicker and Kenemer
Since Senior Keith Davis is speaking for himself with his

"Cotton Stacey" end play this year, I must mention the beautiful game Kenemer played defense and sometimes on the defense (sometimes, means when he was in there). Many times when the referee pulled the players Kenemer had to unhook his arms from the Tahoka ball carrier's knees and ankles.

Wicker hauled in a beautiful pass with those big basketball hands of his. The litterly flew around right end and nailed Quarterback Gordon Smith for a 12 yard loss once. Other times he rushed him passing. There was absolutely no Bulldog running and sweeping the Wildcat ends.

Dogs and Wildcats

A local minister told the Wildcat Pop Rally Friday afternoon that his trick dog, Boo, wanted to attend the Rally with him, but he was afraid the Wildcats would get after the dog like they were after the (Tahoka Bulldogs). He said his dog liked to chase rabbits, but he was afraid he'd never catch the Wildcat "Rabbit" (Vaughn).

I wonder if the Littlefield Wildcats didn't get a sneak preview of this week's edition of the new Life and Times magazines' new Sports. It pictured in color a Wildcat being killed by some dogs.

At any rate the Wildcats were certainly vicious in offense and defense against Tahoka last Friday night.

Thanks Lloyd Spencer

The best radio announcer on the Plains, Lloyd Spencer, of KVOW interviewed Wayne Cunningham at the half-time last Friday night. Father, Lloyd called upon his spot-

ter and half-time announcer Henry Haug (pronounced what the rabbit does).

How did "Rabbit" come this type writer again? I keep "Rabbit" out of the I only hope no one can get out of Kermit-Brownfield and Andrews (Brownfield, Esford, Lockney and too).

New line coach Dan is building a real team out of his material. Richards played real two-way football against Tahoka.

James Lee couldn't be wanted and we are Yarbrough handles the snap and blocking, offense and James Lee the defense like a running Where'd the boy get all his since last year? He saw the line and literally the whole Tahoka back were dragging them down from Young Joe Hoover, Ken Griffin and Ken came in for beautiful ball at the Bulldogs' expense.

Well Sir I'm a genuine fan this year. With the dark horse of the AA, I'll stick with them way through unless they get Cotton Bowl. I'd have to blame since I'm moving to loose the first of next month what agony, knowing the boys play the rest of season.

Adenauer Warns

By the Associated Press

London

Times of London, quotes West German Chancellor Adenauer as saying French Premier Pierre Mendès-France "wanted to destroy" the European Army project. Adenauer also warned in an exclusive interview with a correspondent that the defeat of the European Defense Community treaty at the hands of the French Assembly might be a rebirth of "exaggerated nationalism" in Germany and a return to the Soviet Union. The European idea is wrecked by the action of France, that mean a return in Germany to an exaggerated nationalism," the Chancellor asked. "I do not mean a return to the nationalism of Hitler, but a return certainly to some form of nationalism. Germany is rebuffed by the West and wooed by the East. You do not think that the nationalism will look to the East? This is a great danger." Adenauer also stated, "Only if we Europeans stand together can we stand against Communist Russia, and that unfortunately France does not understand either. There is no possibility of isolating France. She has isolated herself from the rest of the world and from the United States. It is still of the opinion that without an understanding between France and Germany there will be no Europe and that the fate of France and the fate of Germany are indivisible. Both of us will fall into the hands of Russia or we shall remain free."

Re-Organize Scout Post 41
Boy Scout Post 41 members met Monday night for re-organization purposes and elected Joe Giddens senior crew leader. Other new officers are Doyle Montgomery, deputy crew leader, and Roger Lowne, secretary-leader. Outgoing officers are Joe Hoover, senior crew leader; Andy Parker, deputy crew leader; and Mike Greer, secretary-treasurer. Plans were made to attend the Explorer Round-up Oct. 2 at Texas Tech. Highlights of the Round-up will be the Texas Tech-Oklahoma University football game at Tech. Committees were appointed to work out plans for a "party for skirts." Huston Hoover served as chairman for the election.

Peach Ice Cream In Meringue Shells

Ice cream's popularity never wanes—it just increases along with ice cream's variety of flavors and ways of serving. During the summer months when the temperatures soar and cold ice cream tastes even more refreshing than usual, 'tis fun to dress up your ice cream dessert now and then.

Peach ice cream, a particular summer favorite, lends itself well to adornment with smart accessories—fruits, cakes, pies, tarts, and such. Almond meringue shells provide a light, airy background for peach ice cream, made even more appealing to the eye and taste when encircled with fresh peaches. Almond and peach flavors are each delightful, but together they're ambrosial.

Little tots, teen-agers, and adults all love smooth ice cream. With a wonderland of flavors, ice cream comes in such intriguing colors that there's always a "right one" to provide the proper accent and enhance your color scheme.

Almond Meringue Shells

250° 45 minutes 12 medium-sized meringue shells

6 egg whites 1 teaspoon almond extract

2 cups sugar, sifted ½ cup chopped blanched almonds

Have egg whites warmed to room temperature. Beat egg whites until they hold very stiff peaks. Add sugar slowly, about 1 tablespoon at a time, beating well after each addition, until the mixture forms glossy, soft peaks. Lastly slowly fold in the chopped almonds and almond extract. Shape into shells on a cookie sheet lined with brown paper. Make a circle of the meringue on the paper, then build up the sides with spoonfuls of the mixture or shape with a pastry bag. Bake in a 250 degree oven for 45 minutes. At the end of the baking period, turn off the heat and allow the meringues to remain in the oven until they are cool. Served filled with scoops of peach ice cream and top with fresh sliced peaches.

Farmers' Gross Income Up Although Prices Are Down

AUSTIN — Texas farmers' cash income for the first seven months of 1954 was slightly higher than the same 1953 period, the University of Texas Bureau of Business Research reports. Total farm cash income through July was \$798,100,000, a rise of \$67,320, or 1 per cent, over 1953. Cash return on commodities remained fairly stable. Income from some crops increased significantly. Cotton income was up 35 per cent over 1953 figures. Peanut income jumped 84 per cent. Appreciable gains also were made in grain sorghums, which climbed 12 per cent and flaxseed, which edged upward 5 per cent. Prices received in July by Texas farmers changed little from June levels. Minor gains in some commodities offset losses in others. July prices were 5 per cent below July, 1953.

It's the big Success today

You can read it in the sales figures—Buick's the car that's climbing to a phenomenal public preference. For Buick today is outselling all other cars in America—regardless of price class—except two of the so-called "low-price three." And every month strengthens Buick's new leadership position. It's the "hot" car for style, for power, for performance—and, most emphatically, for value.

It's the Beautiful Buy right now

Any way you look at it, Buick's the buy of the year, hands down. For Buick prices start close to the lowest—just a few dollars above those of the "low-price three." But those few more dollars you pay for a Buick buy you a lot more power, room, comfort, style, ride steadiness. And get this: with our tremendous sales volume right now, we can offer you a really top allowance on your present car. That's the added bonus you get from our big volume.

It's the "High Resale" car for years from now

No Wonder—**Buick Sales are Soaring!**

With Buick's year-ahead beauty today, you'll be driving a car that's right up front in the style parade of tomorrow. And when you're ready to resell your Buick, it will still be fresh and new-looking, with the modern features the others will adopt in the coming years. And that means you're bound to get a higher resale price when you do trade it in. Drop in and see this beautiful buy right now.

Growing in Love

Lesson for September 19, 1954

A great deal is said about "love" but not enough has been done about it. Jesus taught that Christians must love even their enemies. He and his great apostles Paul and John had much to say about love and forgiveness. Paul would hardly give the warning he gave against quarreling and strife if he had not thought that Christians need these warnings. Few words are used oftener in Christian sermons than "love"; few are more misunderstood. Few ideals are held up often by the church; few are violated more often by church members. Love is a clouded theme. Some questions may help to clear it up.

Christian Love
The first question is: What is the difference between Christian love and what usually goes by that name? It should be plain to any one who can read the Bible that when Paul and John and Jesus speak of "love" and urge it as a duty of all of us, they are not thinking of romantic love as between men and women. That is a good, important, happy and sweet kind of love. No life is fully complete without it; but Christian love is a wider thing. All kinds of love exist. Christian love has limits. You love your family, your country, your friends, people you know and like. Jesus asks us to love even our enemies. A circle of love that will take in enemies must be something extraordinary, and so it is. Ordinary love, then, has limits, small or wide; Christian love knows no limits. Again, ordinary love is possessive. It wants the love for itself. Christian love is self-giving. Ordinary love is strong human and can be found in those who do not know God. Christian love is divine; it is not only like God's love but is found only in the lives of those who have been touched by God's Spirit. Ordinary love is given to the lovable; the Christian kind of love, the Christian love.

Love and Liking
A further question is: How can we love those we do not like? And can we like everybody? A clue to the answer is found in what we know of the love of God. Jesus very clearly suggests that we are to love those we do not like; indeed, our greatest Christian growth comes right here, because when we are most truly filled with this kind of love we are most like God. But it is plain that God does not like everyone he loves. We read that God loved us "while we were yet sinners." If we could say that God like murderers, adulterers, traitors, thieves, foul-mouthed and evil men, we should have to say that God should have very poor taste. But we are nowhere told that God like sinners, that is to say that he enjoys their company, enjoys what they do and say. Far from it. If he liked them he would never change them. It is written, "When the Lord seeth he chasteneth" but it is just as true to say, "When the Lord seeth he changeth." Love, in the Christian God-like meaning, is concern for the true welfare of the loved one. A father may love his son, and God does love his sinners, even when he thoroughly disapproves what the son is doing. Sinners are not expected to like everybody, regardless, that would be very silly. But as Christians we are expected to have concern for the true welfare of every one.

Can Love Be Perfect?
A related question is: Can our love ever be perfect? Here Christians differ in their understanding of what Jesus and Paul and John taught, and of what is possible for us. All Christians agree that only one is expressing perfect love, from beginning to end, has ever been seen—the life of our Lord. Some Christians believe that it is possible, sometimes, to get from a measure of unadulterated, unalloyed, unswayed, unqualified Christian love. Other Christians believe that this is never possible for a human being, even a Spirit-blessed Christian. Two things are certain of this point. One is that even if the motive is sometimes absolutely pure, human knowledge is never perfect. Our concern may be completely unselfish, but not completely wise. The other certainty is that even if the motive is never absolutely pure, nevertheless perfection is always the high goal.

LYMAN'S RECIPE OF THE WEEK
By Mary Lee Taylor
Baked Hamburger Sandwiches
 6 round sandwich buns
 1 slightly beaten egg
 1/2 cup Fat Free ground lean beef
 2 Tablespoons finely cut onion
 2 Tablespoons finely cut green pepper
 1 teaspoon salt
 few drops pepper
 1 1/2 cups Evaporated Milk
 1 1/2 Tablespoons minced onion
 Cut a thin slice from tops of bun. Put out centers of buns, being careful not to break crust. Break centers into crumbs. There should be 1 cup. Mix crumbs in a bowl with beaten egg and milk. Let stand 5 minutes. Add beef, onion, green pepper, salt and pepper. Mix well. Fill hollowed out buns with mixture. Replace tops. Brush with butter. Put on greased cooky pan. Bake on rack slightly above center 30 minutes until buns are brown and toasted. Serve hot with catsup or chili sauce, if desired. Makes 6 sandwiches.

Viewers watched as the Littlefield fire department put out a blaze Thursday night in a home in the College Heights section. John Ramirez, a vacuum cleaner salesman, fire chief Bob Cox said some fire, smoke and water damage was done, but Mrs. Ramirez was asleep in the house but awoke and escaped, then fainted at a neighbors home. Cox said the fire resulted from a short in a wire to a lamp sitting on the above bureau removed from the house by firemen. This piece of furniture sustained most of the fire loss, although the whole house suffered considerable smoke and water damage. (Photo by Taylor Studio)

Cotton Review

Prices fluctuated a week, according to the Department of Agriculture. The principal market for September cotton crop was somewhat better than expectations. Harvesting is well advanced in most sections. Net entries reported in the week ended September 13 totaled 21,400 bales against 9,200 a week earlier. Net entries for the season through September 3 were 34,600 bales compared with last season's gross total to the same date of 79,800 bales. Some shippers were reported to be stocking cotton but most were reluctant to pay the high country basis being asked for the qualities in best demand. Shippers needing cotton to meet nearby commitments were active buyers in country markets. Domestic mill demand strengthened somewhat. Some mills were bidding at higher price levels but shipper offerings were not large in volume. Mill buying continued active at gin points in the southwestern area. Demand from foreign sources increased. Some cotton was sold for deferred shipment for sale for export consisted mostly of numerous small lots for nearby shipment.

The September cotton crop forecast of 11,832,000 bales of 500 pound gross weight was 848,000 bales smaller than the August 1 forecast and 4,633,000 bales smaller than last season's crop. The indicated yield per acre of 295 pounds is 29 pounds below last year's record high yield. The 1954 acreage for harvest is indicated at 19,285,000 acres, or about 21 percent less than last year. Production of American-Egyptian cotton this season is forecast at 27,600 bales against 22,147,000 a year ago. On the basis of the indicated crop the 1954-55 supply of cotton in the United States would be about 21,400,000 bales. This compares with last season's supply of 22,147,000 bales and the five-year 1948-52 average of 18,365,000 bales.

Cotton ginned prior to September this season totaled 1,694,000 bales compared with 1,166,000 bales to the corresponding date years ago, according to the Bureau of the Census. Harvesting made rapid progress in most southern parts of the belt and ginnings to the end of August were equivalent to 14 percent of the indicated 1954-55 production. Early ginnings contained a slightly smaller proportion of Middling and higher grades and proportionately more Strict Low Middling than a year earlier. Lower White grades comprised about the same proportion of total ginnings as a year ago but there was some increase in the proportion of Spotted and Gray cotton. The staple distribution of ginnings indicates that the proportion of cotton stapling 29-32" and shorter in ginnings

Cotton Seed Prices Advance Ninety Cents In A Week

Harvest moved along at a rapid pace in the hot, open weather much needed moisture from last week's scattered showers. Some sections received additional light showers this week but none of any material benefit were reported. Harvest was practically complete in the Valley and Coastal Bend sections. Another two weeks of open weather will about complete harvest in the upper coastal counties. Some counties of south central Texas are as much as 85 percent harvested. In central, east and north Texas harvest was rapidly being done while in west Texas and Oklahoma harvest was beginning to pick up. Labor was ample according to reports.

The movement of cottonseed to crushing mills continued to moderate according to the number of grade certificates received by the United States Department of Agriculture. Cottonseed grades in Texas this week were unchanged from a week ago, with an average of 99.0. During the same period last year the average grade was 96.0. Numerous small discounts noted on the certificates were for excess foreign matter. An occasional small discount for free fatty acid and excess moisture were noted on the certificates from south Texas coastal counties. The oil content as a whole is relatively low this season due to droughty conditions. Premiums for residual linters were numerous however some discounts were noted.

Wagon lot prices of cottonseed

around \$70.00 per ton. Cottonseed meal was quoted at \$78.00 per ton other points were: Lubbock \$77.00, Altus \$79.00, Oklahoma City \$83.00.

Production of cottonseed in the current season is expected to approximate 4,857,000 tons compared with 6,748,000 tons produced in the 1953-54 and the five-year 1948-52 average of 5,814,000 tons. This estimate is based on the September cotton crop forecast and assumes that the ratio of lint to cottonseed will be the same as the average for the last five years.

Stocks of cottonseed at oil mills on July 31, 1954, totaled 229,000 ton against 155,000 tons a year earlier and 137,000 two years ago. Stocks of crude cottonseed oil at mills on July 31, 1954, were 42 percent smaller than a year earlier while stocks of cottonseed cake and meal at oil mills were slightly more than double those on the corresponding date a year ago.

Students Fete Sudan Teacher Beginning 20th Teaching Year

SUDAN — Student and ex-students of Mrs. C. E. Nichols gathered at the city Park Sept. 11, to honor Mrs. Nichols for her outstanding community work as a teacher for the past 18 years in the Primary department of the Sudan Schools.

In a talk to those present for the reunion, Mrs. Nichols stated, "I have done anything toward helping the community in any way it has been because of you — the people of Sudan. You could look the world over and never find people more cooperative and willing to work. Nor could you find a better bunch of boys and girls."

In speaking of her husband concerning her work, Mrs. Nichols added, "Knowing how I love to teach, Nick has always been most co-operative and understanding — even to fixing his meals when I came home late and weary."

A square dress, fashioned by Callie West of Sudan, and copper costume jewelry were given to Mrs. Nichols by the students and were presented by Mrs. Cliff Williams, sponsor of the reunion.

Among out of town students to attend were Betty Salem of Sherman; Danny Kemp and James Withrow of Texas Tech; Clyde Gilbert of Spur; Sydney Province of Clovis; Floyd Wilkinson of Lubbock; Cal Foster of Amarillo; Louise Boyles of Olton; Phyllis and Janis Bass of Kress; and Sandra and Patricia Powell of Whiteface.

WHO DOES WHAT

Retired Sailor Turns His Hobby Into A Money Making Business

Fred Froust has succeeded in doing what most of us only dream of doing. He has converted a hobby which he loved into a prospering business.

During the last half of his 25 years in the United States Navy Warrant Officer Froust lived in New England. Most folks there, when they wanted to have some friends over for an evening's fun, had a clam bake in the back yard. But not Fred. He had a western

style barbecue. And he got more people into his back yard than the clam bakers did.

When he retired — still much too young to quit working for a living — he just naturally started barbecuing on a commercial scale, and the folks still flock to eat his barbecue.

He and Eleanor do a nice business in their buffet style restaurant, serving beef, pork and chicken barbecue, with all the fixins.

But they do just as much business in custom barbecuing for folks who want to eat it at home or on a picnic.

And they have become quite popular as caterers for parties. Their fame has spread past Littlefield and they are being asked to cater for parties in other nearby towns.

The Frousts have two daughters, Sandra 11 and Shiela 7. They live at 218 East 7th.

Festival and Rodeo Bring Out Beautiful Floats

The Sudan Fall Festival on Saturday afternoon was a spectacle surpassed only by the Pageant of Nations presented later in the day. Beautiful floats, each on a theme consistent with that of the entire Festival, "United Nations and Peace," were followed by marching bands and groups. (Photos by Taylor Studio)

The three top floats in the ninth annual Littlefield Jaycee Rodeo Parade held here last Thursday were entered by the V.F.W. Auxiliary, the Littlefield chapter F.F.A. and the Littlefield chapter F.F.A. Also riding in the parade were the Cochran and Lamb county Sheriff's Posse, and numerous equipment and automobile displays. Bands from Littlefield and Sudan were awarded plaques. (All Photos by Taylor Studio)

UNITED FOR THE 'AGES OF FREEDOM' was the theme of the top award float in the parade. It was entered by the Tuesday club and was awarded \$100 cash prize for the beautiful float.

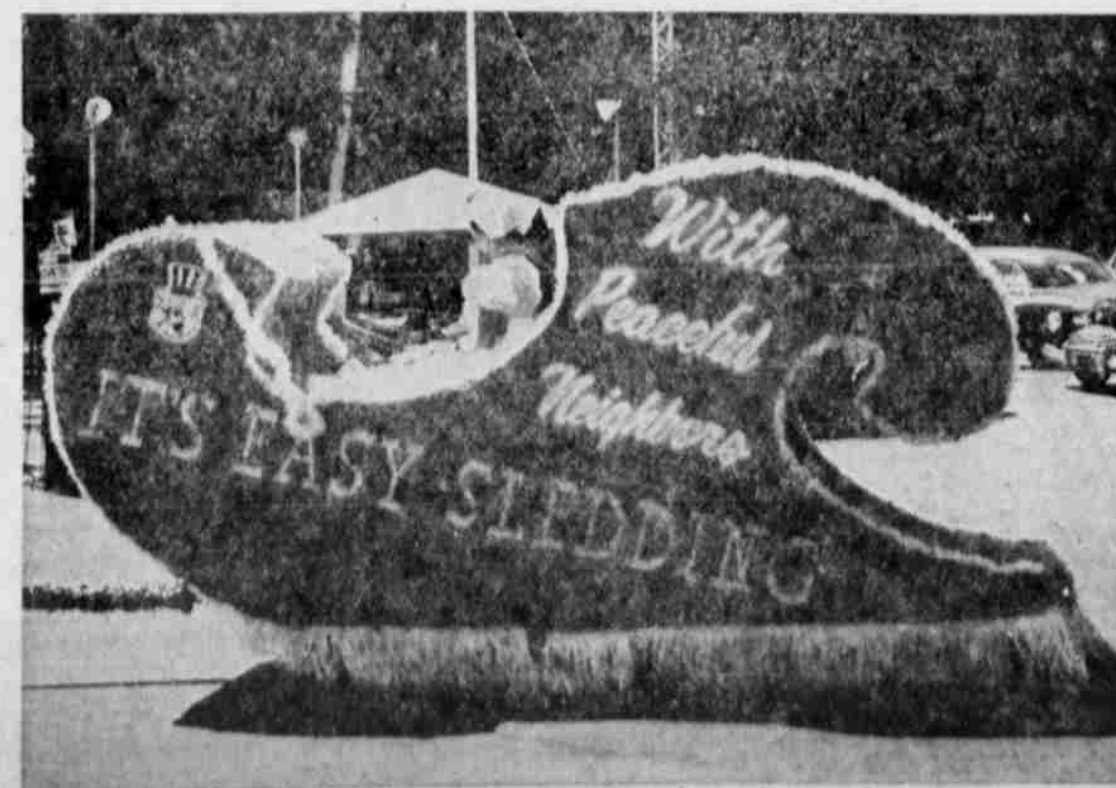

"HONOR THE DEAD BY HELPING THE LIVING" was the theme of the V.F.W. Auxiliary float, which was awarded the \$50 as the best float in the Jaycee Rodeo parade Thursday. The float was also entered in the Sudan Fall Festival Parade Saturday. On the float, left to right in nurses' uniforms, are Mrs. Ferrell Dean Brown, Mrs. James Cantrell and Mrs. A. L. Harris. In the hospital bed is Martha Louise Brown. In the wheelchair is Faydell Duffey. Also on the float in a walker is Donna Smith. The equipment displayed on the float is available to the public through the courtesy of VFW Post 4854.

"BY PEACE I GIVE TO YOU" was the theme of the second place float, entered by Gabriel-Hurst department store. This float was awarded a \$50 cash prize. Riding behind the float are members of the department staff, wearing the costumes of various nations of U. N.

PROGRESS IN FARMING was depicted by the Littlefield FFA through their float which showed 1954 equipment as compared to equipment used in 1930. On the tractor and implements left to right, are Mary Lou Barker, Leon Rogers, Dorothy West, Lawrence Macha, Thomas Jennings and Don Dolle.

"WITH PEACEFUL NEIGHBORS IT'S EASY SLIDDING" was the theme of the top float in the business division. The float was entered by Southwestern Publishing Service company, which was awarded a \$25 cash award.

MOUNTED AND READY FOR THE PARADE are Lon Campbell and Walter Martin. Martin is president of the Lamb county Sheriff's Posse, and Campbell is secretary-treasurer of the riding group. The Posse rode in both the Rodeo Parade and in the Sudan Fall Festival Parade. They also participated in the Grand Entrance at the Jaycee Rodeo, Thursday, Friday and Saturday nights.

RESEARCH RESENTED

GLoucester, Va. Scientists of the Virginia Polytechnic Institute are working to enhance its growth and to its enemies, are having trouble. As if they resented this kind of their privacy system, they are trying to pump up the research. They invade the vital water pumping system, clog it and block the flow.

How Purchase Bring Legal Problems

With "National Home Week" being observed September 19 - 25 many people will be thinking of buying a new home. Those who become seriously interested should proceed cautiously when making a deal as many important legal problems are involved in such a transaction.

For the average person, the buying of a home is the largest single transaction of his life. It is also, in most instances, the most permanent or longest term investment he will ever make. Whether or not he borrows money will be determined by his ability to reach the premises without annoyance or interruption.

Probably the first legal problem you will meet will be when you are asked by the seller or his agent to sign a contract of sale or earnest money receipt. In connection with the home, you will be asked to deposit a sum of money which would be forfeited to the seller and applied for damages in event you do not fulfill the contract. Although no further money may be required with the former, you may still be legally liable for damages if you fail to do so. Be sure, therefore, that you understand what your obligations are.

The next legal problem you will probably be to determine the status of the title to the property. Many persons become confused during this stage, thinking that securing possession of an Abstract or Title Insurance Policy will afford them complete protection against title defects. This is not necessarily true in every case.

Keep in mind that an abstract is merely an outline of public record on the tract. Any person may purchase an abstract covering any piece of land, whether or not it is a part of a Title Insurance Policy. Indemnities you only get to a certain maximum sum of money, and contains various exceptions to the specified coverage.

Following this would be the problem of transferring the title from the legal owner to you, as purchaser. In such cases that no legal question might later arise concerning your sole and exclusive ownership.

Incidental to your title problem is that of investigating and restrictions exist upon the lot you are buying and upon the neighborhood generally. Allocated zoning and restrictive covenants placed upon the tract by previous owners or developers of the subdivision may prevent a portion or phase you may have for future use or improvement of your property.

Other legal questions may arise in arranging the method of payment for the house. The fact that most people need years in which to complete such payments makes this a matter to be considered carefully.

There are some of the major legal problems you are likely to encounter in purchasing a home. Of course, a number of others may arise in some cases due to peculiar individual circumstances.

A free pamphlet containing useful information on legal problems involved in buying a home has been prepared by Texas lawyers. To obtain a copy, print your name and address on a postcard and mail to State Bar of Texas, Oklahoma at Fifth Street, Austin, Texas.

STAND FIRM...

God told Joshua to be strong and of good courage. True courage is having resolute mind in a righteous cause. The breakers have been pounding for ages but the rocks stand firm. *The metal of a man is tempered by the blows of adversity he withstands.* Greatness of character lies in force of soul. Men may misjudge you and falsely blame you; hold fast, stand firm... Christ is your judge, not they. *The greater the breakers the more worthy the glory.* Arm yourself with resolution. Be firm. Attend church. Stand for right. Don't compromise and stay on the beam. **STAND FIRM**, then God will see you through.

Here - Friday Night

This Week's "Player of the Week"

(Five dollars will be given to Fred Martinez for this week's winning letter.)

Dear Sirs:

I think Rabbit Voughan deserves to be "Player of the Week." All the boys did swell and look good both on defense and offense.

"Rab" picked up his blockers when going down field, which helped him to make the three touchdowns that he made. "Rab" also kicked all four extra points, and also looked good on defense. "Rab" also did some good faking which helps a lot.

"Rab" really is looking good along with the other boys.

Yours truly
Fred Martinez

Help Name the Player of the Week!
\$5.00 CASH PRIZE GIVEN EACH WEEK

—RULES—

\$5.00 CASH will be given each week for the best statement of 100 words or less telling why you think your choice is the WILDCAT Player of the Week.

Drouth Hit Cotton Farmer Tells how He Made 416 Lb.

Farmers hard-hit by dry weather this year, will be interested in learning how one Texas farmer managed to make 416 pounds of lint cotton per acre this year with only a drop of irrigation and with only 1.25 inches of rain after his seed were in the ground.

The farmer is Cotton Harber of West Point, Texas, in the Eastrop Fayette, Soil Conservation District, and now he has a tip in the September issue of Soil and Water magazine, now being mailed to landowners all over Texas.

Harber's method, as a series of articles in Soil and Water have pointed out, involves the high-planting seven years ago and using unique legume-plowing methods

and other ideas he has worked out for himself. He has built up the fertility of his land and consequently the water-holding capacity to the point where it takes much less rain for him to make a crop.

Last year with sub-normal rainfall, Harber made the record of 416 lbs. per acre a phenomenal figure in a drought.

"There is no substitute for rain," Harber says. "But you can get by with a lot less than you ever dream of."

Soil and Water is a non-profit magazine published at Temple by the landowners of Texas through Texas Association of Soil Conservation District Supervisors.

Research Seeks Method Of Making Gin Trash Wormless

Texas is seeking a solution to a knotty problem—how to keep an insect from robbing farmers of a valuable component of one annual cotton crop.

GIN "trash"—the burs and hulls of the cotton bolls—would ordinarily be very useful as a soil conditioner, fertilizer or livestock feed. Yet this trash also harbors one of the most dreaded insects in the cotton industry, the pink bollworm. The problem is how to kill the insect larvae within the trash and allow the material to be returned to the farm for beneficial use.

Modern uses with elaborate drying and cleaning equipment, and a high percentage of the trash is being the animal process. Texas is now being conducted in Texas to find ways to make the trash more responsible for the control of the pest. Modifications and improvements may be made which will assure 100 percent destruction.

Today, most trash is being used to control and prevent the spread beyond quarantine locations of the pink bollworm. However, some methods are being used and studied which may prevent the waste. Combining scientific fumigation, fumigant mixtures with oil and the use of special fans or fans, mechanical fans in the management system of trash are all possible methods that have a chance of effectiveness.

Investigation of different methods of trash and can combination with fumigant, fumigant and fumigant are being studied and reported in the lower Rio Grande Valley this year. It also seeks to find ways for this trash to be used for other purposes, such as for the production of fertilizer and other uses.

On trash disposal, research must be as steady and consistent as possible. But most important, there must be some way to handle quantities of trash without slowing

down our operations. Finally, they must kill all the pink bollworms in the material. Otherwise, what may be gained by use of this trash would be lost through the "leakage" of the insect.

Methods of trash investigation are to be made available to growers and farmers in Texas in a series of sound and practical conclusions on the subject.

FOOTBALL Broadcasts and Telecasts

There is no real substitute for a "seat in the stands" at a football game. Neither radio nor television can capture the full flavor of the game, with its dramatic moments, its color, its crowds. You will want to see as many football games as you can.

When you can't, you're invited to enjoy Humble's comprehensive program of football on the air:

RADIO:

Southwest Conference games will be brought to you every weekend. The schedule includes broadcasts of both non-conference and conference games. Kern Tips again heads Humble's staff of able announcers.
