

CAR TAG SALES SET SLOW PACE

Lamb County car tag buyers are going to face some long lines if they wait until the last minute to purchase license plates.

That's the word from county Tax Assessor - Collector Herbert Dunn, who said Tuesday that the pace of car-tag buying in 1960 is running behind that of last year.

A total of 1,536 tags had been issued through last week, compared to 1,838 at the same time a year ago.

Of the tags issued this year, 1,046 were for passenger cars, 190 were for commercial and 236 were for farm trucks.

April 1 is the deadline for getting 1960 tags on cars. The new plates are black with white numbers.

IT'S SERIOUS BUSINESS—Two Pack 41 Cub Scouts are intent on the business at hand Monday night during a skit they presented at the Pack's annual Blue and Gold Banquet. Taking aim before tossing checkers into paper cups are Brent Robison, center, and Bobby Stewart. Looking on at left is Mike Brandt. Partially hidden is Rodney Harris. Story and more pictures on the banquet appear inside this section.

County UF Drive Out In 1960

United Fund board chairman Charles Duval said Tuesday the UF definitely will not operate as a county-wide fund campaign in 1960, as it has in the past.

The annual campaign will be broken down into separate drives in each community next fall, if it is held at all, the chairman said.

Board members agreed, Duval said, that a county-wide drive should not be conducted after contributions the past two years ran far short of the goal.

Less than 75 per cent of the county goal was collected in 1959. About 82 per cent was collected in 1958.

Littlefield itself raised about 85 per cent of its goal of \$15,716 last year.

Duval said some board members and residents are of the opinion that the United Fund should be dropped completely. If this is done, the four participating agencies — Salvation Army, Red Cross, Boy Scouts and Girl Scouts — would be free to conduct their own separate drives.

However, separate United Fund drives for each community also are being considered. UF board members will seek opinions of businessmen and other residents as to whether the campaign should be handled in this manner.

500 Expected For District VFW Meeting

Almost 500 persons are expected here March 5-6 when the John Henry Chapman Post 484 of the Veterans of Foreign Wars will be held to a District 13 encampment.

Leon Stansell, post commander, said the visitors will include State Commander Oscar P. Jones of Tyler, Vice - Commander Victor Afferbach of Victoria and District Commander Johnny Mc-Broom of Canyon. About 150 out-of-town guests are expected.

Registration will get under way at 2 p.m. Saturday, March 5, and a supper and dance will be staged that night.

Business sessions are planned for 9-11 a.m. Sunday morning and during the afternoon.

Grain Support Set

84 Farms Set For 'B' Cotton

Eighty-four Lamb County farms have been placed in the Plan B part of the two-choice cotton allotment program since the sign-up started Feb. 1, Lamar Allen, ASC office manager, announced this week.

Stock Show Opens Friday At Olton

OLTON — The annual Olton FFA and 4-H Livestock Show will get under way here Friday with a grand opening at 10 a.m.

Scheduled for judging that day are rabbits and poultry at 11 a.m., swine at 1 p.m. and sheep at 4 p.m.

A livestock judging contest will open the program Saturday. An FFA awards event and cake sale is scheduled at 11 a.m. Judging of fat steers is set for 1 p.m., an auction sale of fat steers, barrows and lambs to follow at 2 p.m.

General superintendent of the show is Brent Burrow. More than 150 livestock entries are expected.

Civ Planning Group Will Meet Tonight

Members of the City Planning Commission will meet in regular session Thursday at 7:30 p.m. at the city hall.

The group will consider a plan for the new Sunset Addition and will discuss future water and sewer extensions to that area.

'Surprise' Weather Dumps Six-Inch Snowfall On Area

Two Hurt On Slick Highway

More light snow was expected Wednesday night and today after a surprise turn of the weather laid a six-inch mantle of the white stuff on the Littlefield area Tuesday night.

Snow continued to fall lightly here Wednesday afternoon, making travel hazardous throughout the area.

Two persons were hospitalized as the result of a two-car accident on snow-slick U.S. 385 about six miles north of Littlefield at 12:15 p.m. Wednesday.

Mrs. Don Johnson, 25, of Sundown and Richard E. Witt, 48, of Amarillo were admitted to Medical Arts Hospital here after the mishap. Both received head injuries, but while examination was incomplete early that afternoon, neither was believed hurt seriously.

Mrs. Johnson was a passenger in a car driven north on U.S. 385 by her husband. The husband, 28, a son David, 2, and Carl Roland, 19, Hobbs, N.M., escaped injury.

Witt, who was driving east on FM 37, was alone in his auto, a 1959 model.

The autos collided at the intersection as Witt's car slid past a stop sign onto Highway 35, investigating officers said. Both cars were described as metal buses.

Highway patrolmen Wednesday urged only "safe" that is "absolutely necessary" because of the road conditions.

The snowfall came after a surface low in eastern New Mexico developed quickly Tuesday night and began moving in with moist air. Snow began falling shortly before midnight Tuesday.

Streets and highways in and near Littlefield were slick as glass Wednesday. However, only one traffic accident was reported in the city during the morning.

Temperatures dropped to lows of 16 degrees both Tuesday and Wednesday mornings. At noon Wednesday, the mercury was at (Continued On Page Eight)

Saturday Night Baths Missed

Traffic Mishap Cuts Off Water

Folks living in the area of West 7th and Wicker missed the bath if they waited until late Saturday night to take a bath.

In fact, they didn't even have enough water for coffee Sunday morning. Bathers had to wait until after church services.

The water shortage, which affected several blocks of West 7th, 9th and 10th, occurred after a car - pickup accident at 7th and Wicker about 9 p.m. Saturday.

The pickup, driven by Leonard Houston, 54, Rt. 2, Littlefield, mowed down a fire hydrant.

The incident resulted in numerous calls to the city Saturday night and Sunday morning. Dispatcher Lola Lentz said she received at least 50 phone calls from the inconvenienced area Sunday morning.

Houston, who received minor injuries in the accident, was driving south on Wicker when his pickup was in collision with an auto driven by Mary Sue Brown, 1227 W. 7th. The Brown auto was headed east on 7th.

The pickup veered over a fire hydrant at the intersection. Houston was admitted to Littlefield Hospital - Clinic for chest and shoulder

injuries. He was dismissed from the hospital Monday.

City employees worked in chilly weather most of Saturday night and Sunday morning to fix the water problem. Everything was in order by 2 p.m. Sunday, some 17 hours after the accident.

Damages were estimated at \$350 to the Brown car, \$250 to the Houston pickup and \$105 to the city fire plug.

Losses by Pep and Whitharral this week in Class B bidistrict play left Sudan the only Littlefield area basketball team to advance to regional play.

The Hornets meet Plains, victor over Stanton, in the first round of the regional play. The game is set for 8 a.m. Saturday at the Lubbock Coliseum. If Sudan gets past Plains, it will meet the winner of Sunray - Junction at 7:30 p.m. Saturday.

Pep lost its bidistrict game to Roosevelt 71 - 50, at Abernathy Tuesday night, despite good scoring by Dickie Homer, who got 19, and Joe Prado, who hit 15. Roosevelt took a 17-8 first period lead and Pep failed to get started until the last quarter, when the Buffs scored 27 to Roosevelt's 20.

Whitharral fell to Lazbuddie on Monday night at Olton, 54-37. The Panthers, who were led by Terry Sires' 15 points, fell behind 14-8 at the end of the first quarter, but managed to stay close until the final period, when Lazbuddie opened up a 20-point scoring spree to Whitharral's 10.

Sudan, which had beaten Farwell in a playoff for the District 5-A title, came from behind to beat Idalou.

Idalou took a 22-21 half-time lead, but the Hornets went ahead to stay on a field goal by Max Lynch, 23-22. Bobby Smith hit 16 for the Hornets and Jackie Wilson got 11.

Three candidates with the highest number of votes will get the school board posts here, because Littlefield does not have separate races for each position, as some larger cities do.

Trustees who do not face re-election this year are Dr. Albert Perkins and Dr. B. W. Armstrong, whose terms expire in 1961, and Weldon Findley and Byron England, whose terms expire in 1962.

Another commissioner, E. C. Minyard, has indicated he will not seek re-election.

Heart Fund Drive Slated Here Friday

A county-wide campaign to raise money for the 1960 Heart Fund will get under way this weekend, with a local "Heart Sunday" drive set for Friday between 6-8 p.m.

Workers here will make a door-to-door canvass that night. Contributors here are asked to leave porch lights on to welcome the workers.

The county's goal in the drive is \$2,886. Nationally, "Heart Sunday" will be observed this Sunday.

Sponsoring the Littlefield campaign is the Littlefield Woman's Club. Mrs. T. L. Dunlap of Littlefield is chairman of the county campaign.

Other communities in the county will hold Heart Fund drives at various times, with some scheduled Friday night and others Saturday for Sunday.

Election April 2

Four Candidates File In Local Trustee Vote

Three farmers and a physician filed Tuesday in Littlefield's school trustee election, scheduled Saturday, April 2.

One of the farmers was H. C. (Jack) Armstrong of Fieldton, an incumbent board member.

Also filing were farmers John D. Smith and Roy Allen Hutson, and Dr. D. J. Stafford, all of Littlefield.

The four office-seekers were the first to file here.

They and any others who may join them later will compete for three posts.

Two other incumbents, Carl Kelling and Earl Rodgers, have not announced whether they will seek re-election.

Filing deadline for candidates is March 5.

The three candidates with the highest number of votes will get the school board posts here, because Littlefield does not have separate races for each position, as some larger cities do.

Trustees who do not face re-election this year are Dr. Albert Perkins and Dr. B. W. Armstrong, whose terms expire in 1961, and Weldon Findley and Byron England, whose terms expire in 1962.

THE WEATHER

Today's forecast — Partly cloudy with light snow.

Temperatures — Sunday high 52; low 20; Monday high 60; low 20; Tuesday high 32; low 10; Wednesday high at noon 14; low 10.

Moisture — 6 inches of snow recorded for Wednesday; .21 of an inch of moisture; .66 of an inch for the month; 1.97 inches for the year; and .16 of an inch this time last year.

Top Speeds Revamped For Highways In City

Safe Driving Aim Of New Speed Limits

By BILL TURNER
It's always been accepted that the fellow who drives the legal speed limit is a safe driver.

And it figures that the driver who passes the limit, besides leaving himself open for a traffic ticket, is flirting with an accident.

But that's not necessarily so. It could be, instead, that the speed-limit driver is the one who's flirting with injury or death on the highway.

Mills has a sort of "if-you-can't-lick-'em-join-'em" attitude about traffic on highways inside a city.

When the normal flow of traffic is going 40 miles-per-hour in a 30-mile zone, I don't think you

should pin it down to the idea that everybody's speeding," said Mills.

"It'd be closer to right," he added, "if we'd admit that the 30-mile speed limit is just too low."

It was this sort of reasoning that led city councilmen to accept the idea of new speed zoning on highways here. As a result, they passed a speed zoning ordinance which will raise speed limits on parts of highways 84, 385 and 54 in Littlefield.

The highway department ran a survey on highway speeds in Littlefield. It showed drivers were traveling average speeds of more

than 30 on some in-town portions of the highways, despite 30-mile speed limit signs.

This sort of situation is not peculiar to Littlefield, said Mills, who added, "It happens in towns all over Texas."

It is for this reason that the highway department makes surveys and comes up with speed zone recommendations, he explained.

"The idea is to get traffic moving as rapidly as possible with safety," he says.

When the highway department does its research, it checks speeds of 300 cars or the speeds of cars going by a survey point in two

hours' time, whichever comes first.

Speeds are surveyed at various points along a highway to determine average speeds along the highway's course through a city.

In the end, the department comes up with recommendations for speed limits that will fit the normal flow of traffic.

After studying 200 cars (or for two hours) at each check point, the highway department's engineers determine the maximum speed of 85 per cent of the autos.

When a speed recommendation is finally set, it means that 85 per cent of the cars are traveling at this speed or less.

It also means that 15 of every 100 drivers will be speeders, and it will be up to law enforcement officers to spot those 15.

"That's a whole lot better than having many more people break the limit like you do when a speed limit is set too low," said Mills.

Councilmen had numerous questions about the theories discussed by Mills. One of the queries was: "Isn't there a tendency for the driver to go even faster when you raise the speed limit?"

Mills said he checked highways at Tahoka six months after new speed limit signs were put up, and found that speeds actually

U.S. Number 1 Target Of Reds, Speaker Says At Citizenship Meet

The United States is the number one target in Communism's drive to control the world, Dr. Jack Bates told more than 400 persons attending the third in a series of six citizenship training programs Monday night at the high school auditorium.

Dr. Bates, academic dean of Lubbock Christian College, reminded those in attendance that the Communists have gained much territory since the end of World War II.

"One third of the people in the world today are Communists," he said.

The host of the citizenship course is a "church front" he declared.

Communism and Communist literature have been many an American in Dr. Bates' view. He pointed out that Communism has an appeal to the intellectual, as well as the masses. Communism, he added, promises literally a heaven on earth.

"The system promises a great deal but never keeps its word," he said.

Socialism is the first phase of Communism, he explained. Communist technique is to create discontent and then take over a nation.

"It (the system) shows you one face one time and another the next time," Dr. Bates said.

Communism has established a

LITTLE LEAGUE OFFICERS—Roy Allen Hutson, lower left, was elected Monday night to head the Littlefield Little League baseball program for 1960. Howard Horne, lower right, last year's president, was named vice-president. Paul Hyatt, upper left, is league treasurer and Luther Cunningham, right, is secretary. The officers plan to call a meeting within the next two weeks to set sign-up times and other details for the 1960 season. Jack Christian again will be player-agent this year.

Amherst HD Holds Meeting In Carter Home

AMHERST — The Amherst HD Club met in a regular meeting Thursday Feb. 17 in the home of the president, Mrs. A. B. Carter.

Following roll call, Mrs. Bayne McCurry of Spade spoke and explained the Texas Home Demonstration Association and the council.

A report was made on the council meeting held recently.

The county demonstration agent Mrs. Lady Clare Phillips attended the district meeting to be held April 2, and the Junior Livestock show to be held March 11-12 in Littlefield.

Refreshments were served by Misses W. P. Davis, Gerald Carter, R. C. Davis, W. P. Holland Jr., A. B. Carter, Phillips and McCurry.

At the next meeting, March 3, census information will be given.

Halfway Station Weed Control Research Slated

Weed control research is a new program of the Bush Plains Research Foundation for 1960, with flame cultivation being the first phase of the program.

Date Price, agricultural engineer, is the new manager of the Foundation staff to conduct the weed control research program. Price is a 1954 vocational agricultural graduate of Texas Tech and has taught in the field in Texas. The Gotscher Engineering Company of Clarksville, Miss., is furnishing the flame cultivator and basic education in weed control. Gene Bumpus and W. R. (Bill) Taylor are underwriting the project and the Warren Petroleum Company is furnishing the propane.

The flame cultivation experiment will include cotton, grain, sorghum, corn, sesame, soybeans, castor beans and possibly onions and potatoes.

Claunch Wins Go-Kart Trophy

Jim Pat Claunch of Billa was the only Go-Karter from the Littlefield area to win a first place trophy Sunday at the Lubbock Kart Track.

Eight Littlefield drivers were entered. Claunch also won a second place trophy in the B super class. The first place was won by the A Super class.

Other area drivers were Billy Jordan, De Lois Jordan and Leon Hillington, all of Littlefield; Johnny Lattimer, Fieldon; Benny Claunch and John Autry, Billa; and Wayne Davis, Morton Point.

News Of Anton

Lewis King, brother of Bill King of Anton, was killed in Mountain Home, Ark., Feb. 13. He was operating a bulldozer, clearing a forest area for an airplane landing strip when a tree fell on him.

Miss Francis Collins was visiting her aunt, Mrs. Grace Warren, in Lubbock two days last week.

All age groups are invited to come and be a part of the church-wide school of missions to be held at the Methodist Church in Anton tonight at 6 p.m.

A film, "Tumba From Africa" will be shown. The devotion will be a skit on Enlistment by the youth of the church.

Sheppard Rites Held Monday At Clovis, N.M.

Funeral services for Bertha Lee Sheppard, 55, Clovis, N.M., mother of Howard Fulbright, Earth were conducted at 2:30 p.m. Monday in the First Assembly of God Church at Clovis.

Mrs. Sheppard died Friday morning in a Clovis hospital. She had been in ill health for a long time.

The Rev. J. Milton Tucker and the Rev. L. W. Umber, both of Clovis, officiated. Burial was in the Mission Garden of Memories Cemetery under direction of Robert's Funeral Home of Clovis.

Survivors beside the son are her husband, Winter; her mother, Mrs. Richard Green, James and Judy, Kenneth Grace and son Marie, Mr. and Mrs. Jack Grace, Mr. and Mrs. Roy Grace and Mr. and Mrs. Reginal Stephens.

Final Rites Held Tuesday For C. B. Betts

Final rites for C. B. (Buster) Betts, 46, Morton, brother of Mrs. Hugo Kinkler, Littlefield, were held Tuesday at 2 p.m. in the Morton First Methodist Church. Betts died about 12:30 p.m. Sunday in Cochran County Hospital. He had suffered a heart attack at his home three miles east of Morton shortly before entering the hospital.

He had been a resident of Morton for the past 20 years, moving there from Southland. He farmed and served as president of the Cochran County Sheriff's Posse. He was born at Edna.

The Rev. Leroy Deans, pastor of the Slaton Grace Lutheran Church officiated, assisted by the Rev. J. E. Harrell, pastor of the First Methodist Church, Morton. Survivors include the wife, the former Miss Bertha Wilke; a sister; a brother, Virgil Betts, Shallowater; a half-sister, Mrs. Willa Mae Stringer, California, and a half-brother, Arthur Betts, Hereford.

Burial was in the Resthaven Memorial Park, Lubbock, under direction of Singleton Funeral Home, Morton.

The Family That Prays Together — Stays Together

Diligently Pray For The Work of Your Church

This Series is Sponsored By the Business Firms and Individuals Listed On This Page. These Firms Along With the Ministers of Littlefield Hope That Each Weekly Message Will Be An Inspiration To Everyone.

The Little Things

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Matthew	18	1-5
Monday	Psalms	141	1-3
Tuesday	I Peter	5	5-7
Wednesday	I Corinthians	3	9-11
Thursday	Psalms	119	54-56
Friday	Psalms	61	1-4
Saturday	Matthew	6	9-13

A child's faith is beautiful in its simplicity and in the little things it encompasses. Like, for instance, the nightly ritual that comes at the end of prayer. "God bless Mommy and Daddy and Cousin Peter and Kitty Kat and my blue teddy bear."

To a child, there is no reason why God should not bless also a crumpled and slightly soiled teddy bear, and a pet kitty. For God is goodness and love and kindness and tolerance . . . not perhaps in those words, but in the feeling this child has as she says her prayers.

Prayer, to the child who has been taught to pray, is a natural thing. It should be as much a part of everyday life as eating and sleeping and playing. To pray for what is good . . . to give thanks for what one has is an all-important step in that all-important right direction on the road of life.

The Readers Write

Letters To The Editor

Readers are extended an invitation to write the editor at any time. These letters must carry the signature of the author, but the writer's name will be withheld from publication upon request. Letters should be kept as short as possible, preferably not more than 300 words in length.

Bill Turner, regarding your editorial of Thursday, Feb. 11, CLOSED TO PRESS PANAMA CITY (UPD) — An eight-nation Hemisphere Conference of Newspapers, which opened here Tuesday was closed to the working press.

Dear Sir: Enclosed is a short article that appeared in the Lubbock paper some weeks ago. I ask you to read it and enjoy the humor of it as it so well illustrates the fact that there are many in the news paper profession who do not share

your fear and scorn of "private" meetings. In further allaying the situation, I feel you will agree that the press — the not elected by the people — is the school board, is or should be a servant of the people.

I wish to add that I, personally, do not feel the school board to "trust" the public trust by such meetings. They, as individuals and as a board, have rights too, which "ought not" suffer encroachment or intimidation.

I believe your paper strives for the betterment of our community; however, I cannot help feeling that there are far more important matters to consider than how meetings simply because they did not notify the press and were not sanctioned by the press. Let's help the board solve its problems rather than criticize the way they had meetings.

Sincerely, Mrs. James T. Lee

EDITOR'S NOTE — I'll have to admit it's funny to see the press at 7:30 p.m. in the courtroom of the city hall. Each league is urged to have team representatives present at organization, and the press does not object to closed meetings of

private concerns. In the case of public officials, the press feels that handling of business involving public funds should be nothing but public business. I also doubt that the press referred to in the clipping you sent is the U. S. Press. It more likely would be newspapermen from Cuba, Argentina and other Latin American countries. As you know, the press in some of these countries is controlled by the government, which means it prints only what the government wishes the people to know. If this is the case, what else could you expect from a controlled press?

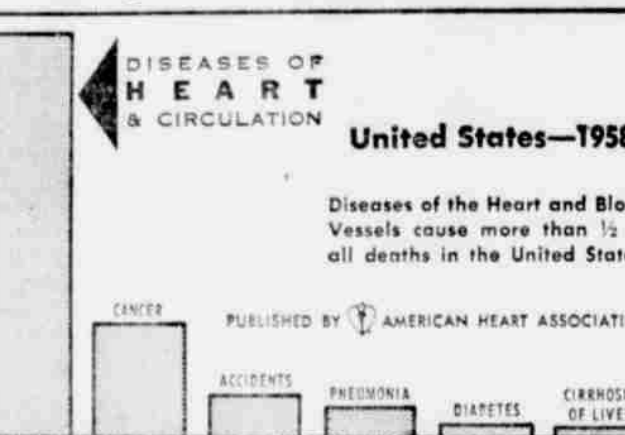

Women's Bowl Association To Meet Monday

The Littlefield Women's Bowling Association will meet Monday at 7:30 p.m. in the courtroom of the city hall. Each league is urged to have team representatives present at organization, and the press does not object to closed meetings of

Last Rites Read At Lubbock For Roboer's

Last rites for Albert A. Roboer, 61, Lubbock, father of Mrs. Kenneth L. Wilson, Butte, were read Tuesday at 2 p.m. in the First Christian Church, Lubbock, with Dr. Dudley Strain, pastor, officiating. Roboer, a widely-known Lubbock cotton merchant and resident of Lubbock since 1933, died at his home Sunday morning about 7:31. He was associated in business with his brother, Bill Roboer of Lubbock, for many years.

First Baptist Church Sets Revival To Start Sunday

Revival services for the First Baptist Church of Littlefield will begin Sunday morning, with the Rev. Robert Longshore, pastor, preaching, and Joe Arthur, minister of music and education, directing the musical portion of the services. The week-long revival will have services each evening at 7:30 with prayer groups meeting just prior to the evening services. Morning hours during the week will be devoted to a concentrated visitation program. Church members are invited to the church at 8:30 a.m. Monday through Friday for a brief devotion time and then are to be given definite visitation assignments. The Sunday School is sponsoring a "Pack The Pew Night" for each service. Each department of the Sunday School has been assigned certain pews to fill each night. The different classes will invite and urge class members and church friends to sit in the pews assigned to their department. The nursery will be open for the visitation period and the evening services. The public is invited to attend each service.

Mrs. Joplin Crew Chief For Census

Mrs. Gladys Joplin of Littlefield has been named crew leader for Lamb County in the 1960 Census of Population and Housing. Supervisor Earl Kerr announced Tuesday at the Lubbock district office. Mrs. Joplin will supervise about 10 enumerators in the big nationwide census which begins April 1. Her leader training will begin in March 7. Topics to be covered in the training sessions include procedures for recruiting of census takers, how to train their census takers, canvassing methods, preparation and submission of reports and the supervision of census takers to insure a complete and accurate count. The crew leader is one of the key people in the field operations of the 1960 Census of Population and Housing, Kerr said. It is Mrs. Joplin's responsibility to recruit and train the census takers; plan and allocate work assignments; view the work of the census takers and take remedial action where necessary and to handle problems of difficult enumeration.

Farmers List Farm Land For W. E. Bird

Several area farmers got together last week and listed the farm land of W. E. Bird. Among the farmers were W. O. Hampton, Jack Nix, Sherman Sipe, Osker Tomlinson, Elvin Harston, Howard Keener, James Steffey, Willie Steffey, Orville Steffey, Ross Rice, Perry Coffey, Doyle Butler, Bill McCurry, Jack Van, Travis Hopper, Norman Frey, John Ramage, Tyson Navers, Carl Richerson and Bill Cook. Mrs. Bird recently underwent surgery at the West Texas Hospital in Lubbock.

Heart Attack Takes Waxler

George Waxler, 54, died at his home at 1115 W. 4th about noon Wednesday after suffering a heart attack. Relatives said he suffered the attack shortly after coming in from shoveling snow in front of his home. Funeral services were pending Wednesday afternoon at Hammons Funeral Home. A car salesman, Waxler had lived here since 1944. Survivors include the wife, two daughters, Mrs. John Purdy of Nulshoe and Mrs. Pearl Hanna of Dumas, and four grandchildren.

Amherst Lions Set Community Basketball Meet

AMHERST — The Amherst Lion Club is sponsoring a community basketball tournament on Thursday and Friday nights. Seven men's teams and seven women's teams will participate in the school gym. Proceeds will go to the improvement of the property purchased on North Washington Street for the Little League ball park. Play will begin each night at 7 with members of the Lions Club dressed as women Friday night. Bob Clayton, Lions Club president, is general chairman. Admission will be 50 cents for adults and 25 cents for children.

\$150 Is Tcken In 2 Break-Ins

City police this week were investigating break-ins Sunday and Monday night in which burglars got away with a total of about \$150 in cash. Burglars hit G&C Auto sometime Monday night and took \$122 from two cash registers at the firm. Police said entry was gained at the rear door, where a window was broken. Officers discovered the break-in about midnight. A total of \$20.25 in quarters and a carton of cigarettes were taken in a break-in at the Cox Fruit Stand sometime Sunday. The break-in was discovered about 5:30 p.m. that day.

"An editorial is not a writ from on high; It's just one man's Opinion."

The Houston Police department has come out with a little pamphlet, free to any parent, titled, "How to Make a Child Into a Delinquent", 12 Easy Rules. You may want to clip this set of rules out now, some day you may see that they were well worth the consideration. 1. Begin at infancy to give a child everything he wants. In this way he will grow up to believe the world owes him a living. 2. When he picks up bad words, laugh at him. This will make him think he's cute. 3. Never give him any spiritual training. Wait until he's 21 and let him decide for himself. 4. Avoid the use of the word "wrong." It may develop a guilt complex. This will condition him to believe later, when he is arrested for stealing a car, that society is against him and he's being persecuted. 5. Pick up everything he leaves lying around. Do everything for him so that he will be experienced in throwing all responsibility on others. 6. Let him read any printed matter he can get his hands on. Be careful that the silverware and glassware are sterilized, but let his mind feast on garbage. 7. Quarrel frequently in his presence. In this way he won't be shocked when the home breaks up later. 8. Give him all the spending money he wants. Never let him earn his own. 9. Satisfy his every craving for food, drink and comfort. Denial may lead to harmful frustration. 10. Take his part against neighbors, teachers, and police-men. They are all prejudiced against your child. 11. When he gets into real trouble, apologize for yourself by saying, "I never could do anything with him." 12. Prepare for a life of grief. You'll be likely to have it.

Two items of interest to the farmers of this area; Benson did not cut the sorghum prices as expected... another good snow. I can't say what the cost is for pre-irrigation, but I know that our farmers will save a sizeable amount of money if this good moisture continues. Farmers around Hereford and Pampa are already beginning to worry about getting in the fields in time to plant. I'd like to have a good section of wheat up that way! This (I won't say sandy land) looser soil has made it possible for most of our farmers to catch up with their soil tilling during the past three weeks. Notice Benson raised the price on peanuts... anybody have some peanut acreage allotment? The school board election scene

LHS Golf Team In Andrews Meet Currie Enroute

Members of Littlefield High School golf team will take part Saturday in the first annual Andrews High School Invitational Golf Tournament at Andrews Country Club. Sixteen other teams are entered, with Midland and Andrews the favorites. Trophies and medals will be awarded to the top three teams and individuals. Littlefield team members will tee off between 8 and 8:30 a.m. Saturday. Team members are Mike Eaton, Hayden McCary, Bob Manley, Shelly Duval and Bobby Dow.

Safe Driving

The new speed zone plan speed limits will be scaled down with higher limits set for a highway as it enters the city. These limits are scaled downward to town. That would appear, councilmen said, to make it easier for police to nab a speeder if he is traveling toward the city. That's because an in-bound driver meets signs which tell him to go slower and slower. But councilmen figured it might be hard to stick a man who is traveling away from the center of town, because an outbound driver meets signs which say he can go faster and faster. A driver who is traveling 50 in a 40-mile zone probably would argue loud and long, for instance if he were stopped where the speed changed to a 50-mile zone. The patrolman would tell him, "You were traveling 50 in a 40-mile zone," and the driver would point and say, "Well, there's a sign which says I can do 50."

Notice Hall Motor Company is broadening with a big A-1 Used Car sale... if your old car won't make it to town in the snow... ride the ld nag or get out your skis and come on in for a good deal... they'll pick up your trade-in after the snow. Woods Kill Trip Set For WOW Drill Team

The Woodmen of the World degree team of Camp 8371, Littlefield, composed of five station officers and its drill company L, 112th Regiment, Uniform Rank, will compete at The Ward Hotel, Fort Smith, Ark., April 8 and 9, for the ritualistic championship of W.O.W. District No. 2.

Also vying for the championship are the degree staffs of Camp 16, Omaha, Nebr., including Company B, 1st Regiment, Uniform Rank and Camp 23, Beaumont, including Company D, 76th Regiment.

The winning degree team in one of three districts may be selected to conduct degree work at the Woodmen national convention in 1961. Site of the convention has not yet been selected.

Market Prospects Look Good

Texas Sesame Growers, Inc. will hold a special meeting in Olton Monday to help farmers of Lamb County plan their 1960 sesame crops, Robert L. Parker, executive vice president of the organization, announced this week.

The meeting will be at 7:30 p.m. at Olton Farm Supply Store, local sesame dealer. County Agent Bill Kimbrough will be in charge. Parker will be on hand to discuss crop and market prospects for 1960. He will be accompanied by Bill Wimberly, manager of Texas Sesame Growers, Inc. High Plains plant at Muleshoe, and Ray Hodges, sesame field man.

"Market prospects for the sesame which will be produced this year are the best in several years," Parker said. He pointed out that two factors combine to make the market bright this year. The first is that sesame seed consumption in this country is increasing, and the second is that the 1959 crops both in the U.S. and in South and than expected last year.

"These conditions combine to put us in a very good market position this fall," Parker said. "New products are using an ever-increasing amount of sesame seed, and more new uses are being found all the time. Anyway we figure it, it is going to take more sesame to supply the demand in 1960."

PETS AT WORK

DULUTH, Minn. (AP) — When William Kreidler, 37, couldn't remember where he'd parked his car Duluth police found it for him. The three puppies Kreidler had in the trunk were still there. But the two goats in the trunk had eaten through the rear seat and consumed the seat covers.

HOT OIL TRUCK—That's the name used for this type truck and it truly was that Monday about 4 p.m. after it caught on fire at the Ida Dalmont Hewitt Lease well no. 9 north of town. Truck owner E. L. McInturff of Sundown had hooked the hot oil truck to the well to melt paraffine and open a flow line. Cause of the fire was undetermined. As the blaze broke out, Pumper Raymond G. Schellin attempted to separate the hook-up between the well and truck, but could not. McInturff then moved the truck away from the well, breaking the pipe hook-up. The well was not damaged, but the truck, worth \$20,000 was damaged heavily. Littlefield volunteer firemen were able to extinguish the fire shortly after their arrival on the scene.

Area Trackmen To Compete At Fort Stockton

Area schoolboy trackmen will get into their first competition of the season Saturday at Fort Stockton, where the 15th Annual Comanche Relays are scheduled.

Some of the area stars scheduled to compete at Fort Stockton include Randege Buchenau of Olton, Ronnie Biffle of Anton and Norvel Roberts of Bula.

Buchenau was on the Olton 440-yard relay team that was fourth in the state meet last year. Biffle was sixth in the high hurdles and Roberts was second in the 100-yard dash and fourth in the 400 at state last year.

Littlefield trackmen will be off next weekend, but will open the track season March 12, when they will enter the Canyon Reef Relays at Snyder.

Corn Crisped Chicken

New easy way to fix crisp chicken without frying!
No shortening, no turning!

recipe

- 1 Broiler-fryer chicken, cut in serving pieces
 - 1 cup KELLOGG'S CORN FLAKE CRUMBS
 - 1 teaspoon ACCENT 1 teaspoon salt 1/2 teaspoon pepper
 - 1/2 cup PET Evaporated Milk Heavy Duty REYNOLDS WRAP
- Combine KELLOGG'S CORN FLAKE CRUMBS with ACCENT salt and pepper.
 - Dip chicken pieces in PET Evaporated Milk (this milk just won't do), then roll in seasoned CORN FLAKE CRUMBS.
 - Line shallow baking pan with Heavy Duty REYNOLDS WRAP (do not use foil-lined pan, do not crowd).
 - Place chicken pieces, skin side up, in foil-lined pan. If less crisp crust is desired, lay a piece of REYNOLDS WRAP lightly over chicken. No need to turn pieces while baking. Serves 4 or 5.

1960's BIGGEST SALES SUCCESS IS GOING STRONGER THAN EVER IN 1960. ONE LOOK AT THOSE BEAUTIFULLY PROPORTIONED LINES AND YOU'LL KNOW WHY!

Within one year from introduction, the Ford Galaxie, Thunderbird of the low-price field, has become the world's best-seller. For '60, it's even more sensational.

Outside, the Galaxie's crisp roofline is unmistakably Thunderbird... inside, plush appointments and deep-pleated carpets are Thunderbird-elegant. Beneath the hood, you can have the Thunderbird's own V-8 engine.

And for 1960, Galaxie has more room for six passengers than ever before. Ride? Here's a ride smoothness like you've never felt before in any car.

Yet, all-new and elegant as the Galaxie is, it still sports a low Ford price tag. So take a tip from all America. Come test-drive the 1960 Galaxie—the best-selling car in the world.

Concert, Science Fair Slated For School Week

SUDAN — A band concert and a Science Fair will be added at Sudan this year for public School Week to be held at Sudan Schools, Feb. 28 through March 3.

The regular activity of school visitations, a kick-off breakfast, an open house and teacher exchange will be other highlights of the week.

Supt. C. O. Gregory stressed the importance of visitations to classrooms by parents and school patrons throughout the week.

A complete list of activities planned include the band concert to be presented Sunday afternoon Feb. 28, in the high school auditorium under the direction of Lee Boyd Montgomery, Jr.

The kick-off breakfast is scheduled Monday, Feb. 29 in the school cafeteria from 7:30 to 9 a.m. and town residents, farmers, businessmen and all school patrons are urged to attend. Monday will also be special visitation day for grades 1, 2 and 7. Local organizations will be honored each day as guests of the school luncheon.

Monday's guests will be the members of 1935 Study Club and the Jaycees. Climaxing Monday's activities will be a PTA program that evening in the high school auditorium. Following the program an open house will be held and special emphasis will be placed on the Science Fair.

Tuesday will be special visitation for grades 3, 4, and 8. Cafeteria guests will be members of the Epsilon Sigma Alpha and the Chamber of Commerce. Wednesday will be special visitation for grades 5, 6 and high school. Cafeteria guests will be the Rotary Club.

Thursday will be teacher exchange day, when local residents, including farmers, businessmen and housewives will teach for one hour.

Named to assist with the planning of the week's activities were C. O. H. A. Hysinger Seeking Commissioner Post

H. A. Hysinger of Olton has authorized the Littlefield Press to announce his candidacy for commissioner of Lamb County precinct 1.

Hysinger is a former county commissioner, having served two terms from 1943-46. He has lived in Lamb County since 1926 and has farmed at Olton during that time.

He also served two terms on the Olton school board and is a past president of the Olton Club, having served in that capacity three years.

Hysinger attended college three years and later was a teacher three years.

He is the father of four children, all of whom were graduated from Olton High School. Two sons, Jim, 33 and Jack, 29, are in the army. Joe, 31, farmed at Olton, and a daughter, Helen Lee, 26, lives in Longview.

Hysinger is an active member of the Olton Methodist Church. In regard to his candidacy, he says, "I will certainly appreciate your vote and influence in my behalf on May 7."

H. A. HYSINGER

"CORVAIR HANDLES BETTER, STEERS MORE EASILY, RESPONDS MUCH MORE QUICKLY AND HOLDS THE ROAD MORE SECURELY THAN ANY STOCK FOUR-DOOR SEDAN EVER MADE IN THE U.S."

—Jim Whipple, Car Life

If you think we're enthusiastic about Corvair, leaf through the leading automotive, sports and science magazines and see what the experts are saying. Then, by all means, drive one yourself.

"Corvair's steering is so light that at parking speeds it feels power assisted; it is so precise as to be absolutely without play, and it is fast enough to allow complete control over every situation."
—Karl Ludvigsen, Sports Cars Illustrated

"Steers like a feather and is extremely quick. . . This is a beautifully designed automobile, engineered by real pros."
—Tom McCahill, Mechanix Illustrated

"Most surprising thing to me outside of the excellent handling characteristics was the feeling of roominess inside. . . I didn't have the sensation of driving a small car and the headroom was greater in the Corvair than in some standard size cars. . ."
—L. H. Houck, Automotive News

"So far as shopping goes, the Corvair is a housewife's dream. It's small and easily maneuvered without any power steering, and so easily parked. . . it's a lot easier to unload a cart full of groceries into a front trunk at the supermarket than it is into a rear one."
—Rosemary Francis, Popular Science

"I want to state as firmly as I can that the Corvair handles as beautifully and is as safe as—if not safer than—any family car on the road today."
—Jim Whipple, Car Life

"There is none of the typical whine normally associated with rear-engine vehicles. Inside the car, the effect is quite unlike anything we have ever experienced. It almost seems that there is no engine, and the general effect is so quiet as to be almost uncanny."
—John R. Bond, Road & Track

"No written word can suffice for the genuine pleasure that you will receive behind the wheel of America's sweetest and most advanced contribution to transportation. . . It is a great car."
—Don Stewart, Motor Life

If we made Gladiola Flour for Porcupine, S. D. . .

we could lower the quality a little . . .

...but we make it for you

Gladiola Land (that's Texas and a little bit more) could give the rest of the country lessons in home baking. Nobody makes biscuits, pies and cakes the way the ladies make 'em here.

Nobody's so fussy about flour, either—and that's fine with us. We're fussy, too. That's why Gladiola Flour is like no other flour made. Naturally, it outsells every other brand.

As for the folks in Porcupine, S.D., what they don't know won't hurt 'em. Snow-white Gladiola Flour isn't for them—it's for you. And it costs only about 1/2¢ a day more than the cheapest brand at your store.
