## City to Have Downtown Western Union Office

Full Open Location Downtown When Quarters Obtained

Representative of Western Union Spends a Day Here Looking Over Situation for the past year the local Chamber of Commerce have been endeavoring to secure a downtown office of the Western Union Telegraph Company. The efforts of this booster group beginning to materialize. Last week Mr. Letts, representative of Western Union from Denver, spent all one day in Littlefield investigating conditions, and seeking location for the office. A suitable location was not, however, found. It was thought that possibly the downtown branch office would be located in one of the drug stores. Yesterday the Littlefield Chamber of Commerce received the following letter from C. J. Ince, general manager of the Western Union at Littlefield: "I am pleased to inform you that the Telegraph Company will open an independent office in Littlefield as early a date as arrangements can be made."

Sincerely,  
C. J. INCE,  
General Manager."

Temporary Directors Named at Meeting Held Monday Night

Investors in the Home Savings and Loan Association, met Monday night for the purpose of completing the organization and electing directors to serve temporarily until a permanent charter was granted, when a permanent group would be named. Directors named Monday night were: Lowell Short, J. T. Elms, J. W. Keithley, J. O. Hagan, Pat Boone, and Art Gillingham. This group met later at the office of Mr. Hagan in the Yellowhouse building, and made temporary arrangements for J. W. Keithley to be manager. According to Mr. Gillingham, one of the directors, a total of \$63,000 has been pledged to the organization, and it is hoped to raise this amount to \$75,000 or more. Mr. Gillingham also stated that necessary papers have been completed, and sent to the district headquarters of the Home Owners Loan Corporation at Little Rock, Ark.

### Junior Red Cross Drive Gets Underway

November 1-15 has been designated nationally again this year as the drive for the American Junior Red Cross enrollment for service camps. Lamb County Chapter will begin its drive during the next few days. Last year our ten chapters in Lamb County were 100 percent in enrolling, having contributed \$581.05, in gifts. There were 4,131 pupils enrolled over the year last year which made the average a little over 14c each. Gifts this year be as much as possible, for the need is even more than ever as we try to cope with a broken and suffering nation. The American Junior Red Cross is a channel through which boys and girls can be assisted in the development of attitudes and skills which are as much importance as the physical in a period of peace as in a period of war. The world is a better place for the living and dead, repossessed

It all started back in 1942, just after the invasion of North Africa. We took a little place called Port Lytautey and that's where it happened. We lived in tents which would house five men in comfort. One night we were all sitting in our tent and one of the boys broke out a guitar and we started to sing. Then one of the other boys found another guitar, then a fiddle, and a bass fiddle, and also an accordion. Then last of all, here was I and an old washboard. That also completed the combo.

The soldiers and sailors seemed to go for it in a big way so the Welfare officer wanted us to put on a series of shows for the men of our own base. Everything went over so

good that our commanding officer sent us to Casablanca to play over the American Expeditionary Station. We got request upon request, even the French and Arabs seemed to like it, because we even got requests from them.

When President Roosevelt and Winston Churchill had their conference at Casablanca, we played for them. Churchill said that was his first time to hear American HILLY BILLY music and he liked it very much.

Early in 1945 Humphrey Bogart and Company came to Oran where we were at the time. We played the music for his show and he liked us so much that he got permission from our commanding officer for to accompany him on his tour. We left North Africa and went to Sicily, from there to Italy, Perugia, India

and back to southern France. We left Bogart in Marsailles and went on our own again. We went to the A. E. S. in Italy and stayed there about three weeks. We put on shows for various troops then we went back to Port Lytautey for our orders back to the states. We all hoped that we would be sent to the same place but four of the boys were sent to Quonset Point R. I., while I was sent to Florida.

I have kept in contact with all the boys and all are agreed to start again early in 1946. The members of the outfit are, R. U. Morgan, 1225 Firestone Parkway, Akron, Ohio, J. R. Tinsley, Brevard, N. Carolina, Gene Wigal, Indianapolis, Indiana, Andy Marsnick, Jessup, Pa., and Jimmie Zed Robinson, Littlefield, Texas.

### HOME!

**PVT. THOS. J. McFARLAND**  
Pvt. Thomas J. McFarland, who was a prisoner of the Japs for 3 1/2 years, and recently arrived at Oakland, Cal., went by plane Wednesday to Amarillo, where he was met by his parents, Mr. and Mrs. A. H. McFarland, and sister, Maydell, following which he was accompanied by his parents and sister to Norman, Okla., where he was obliged to first report. He is on a 60 day furlough, and the McFarland family are all now visiting relatives at Oklahoma City and Enid.

### Victory Drive Gets Underway

Lamb County's Victory Loan drive got underway Friday morning. The quota for the county is \$470,000 of which \$185,000 are to be purchased in E-Bonds.

Littlefield's overall quota is \$170,000 of which \$75,475 is the E-Bond quota. The drive is scheduled to close Dec. 8, but all E, F, G and H bonds sold will count in the county's quota up to Dec. 31.

C. O. Stone, county chairman in the Victory Drive, made a trip over the county Tuesday, assisting the chairmen in their organization work.

**SUFFERS BROKEN FOOT IN MOTOR CYCLE MISHAP SUNDAY**

Jimmie Parks, 17, son of Mr. and Mrs. Claude Parks, suffered a broken foot when the motorcycle he was riding was in collision with an automobile Sunday night about 7 o'clock on Highway 84 in front of McCormick's service station.

Parks was treated at the Payne-Shotwell Hospital, where he had the bone set, and was taken home.

Mr. and Mrs. Raymond Renfro moved Tuesday of last week into their new home on West Tenth Street.

Wildcats Promised Stiff Competition; Bearcats Have Good Record

Coach J. Fikes will take the point a minute Littlefield Wildcats down country this week for a crack at one of the best Class A teams to be found anywhere in the Lone Star State, the Ballinger Bearcats. Speculation on the outcome has the experts and the fans goggle-eyed.

Ballinger's record is fabulous. Only one Class A team has beaten them since 1940. They won the Regional Championship in 1941, 1942 and 1943, and lost in the Regional play-off in 1944. They are doped to have their best team this year. This year's record follows:

Ballinger	39	McCamey	13
Ballinger	100	Loraine	0
Ballinger	60	Lakeview	0
Ballinger	0	Abilene	13
		(AA)	
Ballinger	20	Sweetwater	7
		(AA)	
Ballinger	90	Brady	0

This is a total of 309 points in 6 games for an average of 51 points (Continued on Back Page)

**PFC. DALTON PHILLIPS**  
Pfc. Dalton Phillips, 26, son of Mrs. O. M. Edwards of Spade, with the Air Corps and a gunner on a plane, who has been a prisoner of the Japs since the fall of Corregidor May 7, 1942, arrived in the States October 20. He phoned his mother from San Francisco to the effect that he would either be sent to El Paso or Amarillo, and that he should be home in three or four days following his arrival at one of these points.

Pfc. Phillips has been in the service six years, and overseas since March 9, 1940. Following his capture by the Japs he was interned in Camp Davao, in Northern Luzon, where he remained until the invasion of the Philippines, when he

### Morton Bank Case Set at Lubbock

An ex-convict said to have robbed an Oklahoma bank about 20 years ago and escaped on horseback and a former Dickens county deputy sheriff are being held under federal charges in connection with the Sept. 5 \$17,692.46 robbery of Morton First State Bank, it was announced Saturday afternoon by the Federal Bureau of Investigation field office in Dallas.

Information against the defendants will be presented, if possible, by the United States district attorney's office to the federal grand jury at Fort Worth Nov. 7, the Associated Press has reported from Fort Worth.

With the return of indictments, the defendants would face trial at Lubbock Nov. 18.

Under federal charges in the holdup are Ollie Oliver Melton, 33, ex-convict, who is held at Oklahoma City in lieu of \$100,000 bond, and Fred Pair, 58, Cochran county banker and farmer, in jail at Lubbock.

Cochran County Sheriff Hancock reported Tuesday the two additional suspects were still at large.

### SINGING CONVENTION AT LUBBOCK SUNDAY

As announced by Dr. A. L. Stringer, president, the Community Sacred Harp Singing Convention will meet in the Court House at Lubbock at 1 p. m. Sunday, Nov. 4.

### TO ATTEND RADIO SHOWING.

Mr. and Mrs. E. E. Wesley and Mr. and Mrs. D. L. Whitson are planning to attend a showing of Parnsworth radios and a dinner at the Herring Hotel, Amarillo tonight, Thursday, at 6 o'clock. The banquet will be served, and will be followed by the showing of radios.

Pair is charged with assisting the cobbler before and after the hold-up. In custody of Sheriff Hancock, rangers, FBI agents and District Attorney Burton S. Burks, Pair dug up at his place a jar containing \$997 in \$1 bills. He had been paid \$1,000 for his help, he related.

Pair, a resident of near Bledsoe, pleaded guilty when arraigned before Mrs. Olive Fluke, U. S. Commissioner here. His bond was set at \$25,000. Over a decade ago, he worked for a time as a special officer in northwest Dickens county. He was married, reportedly for the second time, about two weeks ago in Brownfield, it was said.

### Council of Church Women Observe Community Day

The Littlefield Council of Church Women will observe world community day Friday, November 2. Three years ago world community day came into being because the church women of America felt they must unite their forces if they were to build a better world. They realized that peace was not something one nation could achieve alone. It could come only as the actions of the world worked together, and that better human relationships and international relationships must depend on Christian principles. It was to help establish these Christian principles that the first Friday, in November, was set aside for World Community Day. Littlefield Council has observed this day the past two years and will again observe it along with all other councils on the Friday, at the First Presbyterian Church. The United Council of Church Women has prepared a program. "The Price of Enduring Peace," and it includes a discussion of "The World Charter—How Can We Make It Live?" "The World Community, Our Share in Its Principles;" and "The World Church-

West Texans who are interested in dirt-moving equipment and machinery for the use of local soil conservation districts will approve action recently taken by Congress. For months many of us here have sought legislation which would require the transfer of certain surplus dirt-moving machinery to these soil conservation districts. A few days ago the Senate passed unanimously such a bill, and the House Committee on Agriculture has approved plans to present to the House for passage a similar bill.

My mail indicates widespread interest among farmers in the use of this machinery by soil conservation districts. It would be difficult to exaggerate the importance of soil and water conservation, and much of this surplus machinery could not be put to better public use.

In Texas there are one hundred and fifteen soil conservation districts embracing 336,000 farms. In the United States there are fourteen hundred soil conservation districts embracing a vast territory in excess of seven hundred million acres. Those of us who are advocating the proposed legislation feel that it would be in the public interest to make much of this surplus dirt-moving equipment available to these districts, rather than let it lie idle or sell it for a few cents on the dollar.

The proposed airport construction program, which has been approved by the House and sent to the Senate for consideration, provides for federal participation in the cost of local airports up to fifty per cent. But the federal government would not participate in the cost of the land, and the project would have to be approved by the Civil Aeronautics Administration. The CAA office for Texas is in Fort Worth. L. C. Elliott is director.

able for private ownership and use are trying to gauge the public demand for such planes. One private plane manufacturer estimates that the airplane industry will make and sell to the private users fifty thousand planes in 1946. Most of the surplus Army and Navy planes now being disposed of are war-weary combat types, or are otherwise so constructed that they are not economical or safe for individual use.

Our West Texas high schools that desire war-weary airplanes for educational purposes can get them. Even though such schools do not have courses in mechanics and aviation, and do not have shelter for the planes, they can secure a plane by making application and paying the packing, handling and transportation costs, ranging from \$50 to \$350. The educational disposal section, surplus property division of the RFC in Washington, has circularized the schools as to procedure. The disposal regulations have recently been modified. I would be glad to provide further information to the schools upon request.

The surplus aircraft disposal program is a big one. Planes of the original total value of ten billion dollars are in process of being declared surplus and offered for sale to the public. Up to October 15, forty-four thousand planes had been declared surplus and fourteen thousand of them had been disposed of.

There are 634 surplus aircraft on the airfield at Lamesa, Texas. At the South Plains Army Airfield at Lubbock there are 1500 Flying Fortresses, many of which have served with distinction overseas. The Air Forces will declare 1200 of these planes surplus within a few weeks.

**J. C. Hilbun Opens Loan Business**

J. C. Hilbun, who a few weeks ago disposed of the major portion of his interest in the First National Bank of this city after serving as president of the institution for many years, has opened offices in the former Yellow House Land Co. building.

Mr. Hilbun is conducting a general loan business. He is making loans for new residence and business building construction, loans for repair and rebuilding of houses and business structures, farm loans of various kinds, and also is making personal loans.

"Many people would carry out projects if they could obtain the necessary funds, and on the terms they desire," said Mr. Hilbun. "I intend to meet this need as far as I possibly can."

Mr. Hilbun announced that other departments will be added to his new business in the very near future.

**T-5 STACY HART HOME, DISCHARGED**

T-5 Stacy Hart arrived home Tuesday of last week. He was in the Quartermaster Division of the First Army, and was overseas a year. He was recently stationed in Germany, and received his discharge at Fort Bliss, El Paso.

Hart has been in the service over three years. He and his wife left last week for Miles, Texas, to visit his mother, Mrs. F. M. Hart, and also planned to visit relatives at Waco and Marlin.

**HEN LAYS SHELL CONTAINING 2 EGGS**

A very peculiar egg was brought to the Leader office Thursday, which shell contained a large egg and a small egg, both with the shell on them.

The egg was laid by one of the hens in the flock of Mrs. B. F. Edison in Southmoor Addition, who has between forty and fifty Rhode Island reds and white rocks.

In various times hens have been known to lay double yoked eggs, but to lay a large shell containing two eggs, both with hard shells, is an oddity indeed.

### New Ford Now On Display At Hall Motor Showrooms

The Hall Motor Company have on display at their show rooms since Monday a new Super Deluxe Ford Motor Sedan, of a beautiful moonbeam gray color. This automobile has 114 inch wheelbase, with 100 motor, same as the 1942 Mercury.

According to Mancel Hall, Ford dealer, they are expecting some new cars this week. In order, however, the service men who haven't been released yet, can get an even break with those here now and who place their order, Mr. Hall states that one out of every four was reserved for service men.

Price schedules on the Ford cars have been submitted to the OPA, but the OPA haven't given a final approval on what the price will be. Cars will be available in black, blue and moonbeam gray.

### Ike Bartlett Dies In Car Accident Recently

Mr. and Mrs. Shelby of Earth received a message Tuesday of last week to the effect that Ike Bartlett, their son-in-law, and a former resident of Lamb County, had been killed in an automobile accident in California. Mr. Shelby left immediately for that state.

Mr. Bartlett leaves a wife and two little daughters.

Further particulars were not available.

### Pfc. Granville Clark Arrives Home

Pfc. Granville Clark of the 43rd Signal Service Company, overseas two years, arrived home Monday. He has seen action in New Guinea and the Philippines, and had been in Japan previous to returning home.

Pfc. Clark has been in the service 3 1/2 years. He landed at Pittsburg, Cal., Thursday, and received his discharge.

His brother, Sgt. Leo Clark, is enroute home from Italy. He has been overseas since January, 1945, and in service three years. The family have had Sgt. Clark's mail returned here, so they are sure he is enroute home.

### ARRIVE AT NEW YORK

Among the troops scheduled to arrive at New York on the Pontotoc Victory due October 23, was S-Sgt. Vernon M. Harrell, Littlefield; and the Hagerstown Victory, due at New York October 25, was Pfc. Herman G. Martens, Olton.

Auburn Stowers, student at Tech, left the past week end with his father, Mrs. L. M. Brandon, and Mrs. Brandon.

Mr. Winans was born January 18, 1877. He leaves surviving two brothers and two sisters. The sisters are: Mrs. Julia Kelly and Mrs. Dovie Harper, both of Littlefield; and the brothers are, Frank Winans of near Big Spring, and Chester Winans, of Eldorado, Texas.

Mrs. W. W. Brown Observes 80th Birthday Monday

Mrs. W. W. Brown of this city observed her eightieth birthday Monday, and spent the day in receiving birthday greetings and gifts of flowers, etc., from her many friends.

Mrs. Brown is a lovely character, and moved and admired by everyone who has the pleasure of coming in contact with her.

Mr. Brown will observe his 75th birthday on November 28.

Mrs. Brown was born at Henry, Ill., and has lived in Illinois, Kansas, Oklahoma and Texas. She was married to Mr. Brown on Oct. 10, 1898, at Oklahoma City. Twin boys were born to the couple, Wilburn and Wilbert. Wilbert passed away in infancy, and Wilburn died in the service, in England, when he was thrown from a government truck over two years ago.

Mr. Brown was superintendent of the West Texas Cottonoil Mill for many years, and until recently when he retired.

Mr. and Mrs. H. W. Bradley and two children left Wednesday for Oakland, Calif., where he is employed by an auto parts company, and where they will make their home. Mr. Bradley has recently been discharged from the service.

Mr. and Mrs. George Sandidge returned to Littlefield Tuesday after having spent two weeks at Dallas on business and visiting his parents, Mr. and Mrs. J. H. Sandidge, at McKinney.

The crop values of 1944 exceeded the cost of all irrigation facilities in operation by the Bureau of Reclamation last year.

TO OWNERS OF GOOD FLOCKS

If you have a pure-bred flock of hens that are well housed and cared for, and suitable to furnish hatching eggs, we want to have a talk with you about using your eggs next season.

Our new hatchery is located 2 miles North on Highway 51, and you are invited to call and get acquainted. This will be our tenth year in the hatching business. Our equipment is modern, we know the business and will be ready with plenty of good baby chicks after the first of the year. Come and see us!

**Shipment of Arrives for and T. Bldg.**

and convenience for the will be the keynote of the building. The new building, now being erected at the corner of Second Street and Avenue, according to F. Wells, who stated today that the steel for the new building will arrive this

direction of John Yohner, will be 60x70 feet, daylighting on three sides, with the most modern equipment for servicing trucks, tractors, farm implements and machines. Two 15-ft. doors, with 14-ft. clearance, opposite each other, will enable the tallest and longest trucks to drive directly in from Mroe Avenue and directly out the other side of the building. Metal room, wash room, and paint room will occupy separate, sound-resistant and flame-proof quarters just outside the main building. Display and sales rooms include a separate section for International's new line of home and farm refrigeration, now in preproduction.

**ON 60 DAYS LEAVE.**

Lt. Darwin McCasland, son of Mr. and Mrs. R. H. McCasland of Bledsoe, is now home on a 60 day furlough, following which he expects a discharge.

Lt. McCasland was a prisoner of Germany for 13 months, and overseas 1 1/2 years. He was a pilot with the Eighth Air Force, and was shot down while strafing an airport west of Berlin. He was a prisoner in Stalag Luft No. 3.

Lt. McCasland was liberated April 29 and arrived home June 19.

**SERVES ON USS CABOT.**

Lennis D. Newton, seaman first class son of Mr. and Mrs. H. B. Newton, served on the USS Cabot an aircraft carrier, which took a leading part in the battles that led to the defeat of the Japs. The Cabot saw action in the Marshalls, at Truk, the Palaus, New Guinea, in the battle of the Philippines, at Guam, Luzon, Leyete, Linguyen Gulf, and Indo China, Iwo Jima, Okinawa and raids on Tokyo and other Japanese Homeland cities.

The late Ernie Pyle was aboard during a Tokyo raid and the Iwo Jima invasion and described the life of the crew in his columns.

**SGT. TODD DISCHARGED.**

Sgt. Charles (Leon) Todd has received his discharge from the Army after serving three years and nine months. Twenty-eight months of this time was spent overseas. Sergeant Todd and his wife spent last week in the home of his parents, Mr. and Mrs. Oliver Todd on 7th Street. He is now making his home in Kansas.

Pfc. Arthur (Wayne) Todd visited his mother last week and is now in a port of embarkation awaiting shipping orders for overseas duty.

**Hi-Y Club Is Re-organized**

A number of teachers of Littlefield High School have recently chosen 11 girls to carry on the Hi-Y Club that in some way has been dropped in the past year or two. To this number the girls have chosen four more which makes a total of 15 girls, all seniors.

The members are as follows: Frances Toews, president; Glendolyn Bales, vice-president; Joyce Pierce, secretary-treasurer; Earline Weschke, parliamentarian; Geneva Williamson, reporter; Aveline Spencer, Betty Smith, Betty Ann Edwards, Bessie Walker, Hazel Wolfe, Georgia Bickner, Aline Freeman, Letta Mae McCormick, Anna Lee Hall-comp and Jo Nell Folley.

The co-sponsors are Mrs. Evelyn McKinley and Mrs. Hazel King.

The girls have selected this creed: "To create, maintain, and extend throughout the school and community high standards of Christian character." During the year the girls expect to carry out to the fullest extent the creed.

Week end guests in the Charles Calvert home were: Mr. and Mrs. Paul Herman and family of Denver, Colo., Mrs. Pearl Herman of Lubbock and W/O Clarence Ware of Denver, Colo. Mr. and Mrs. Calvert went to Lubbock Friday, where they met their daughter, Miss Virginia, and W/O Ware, who flew there from Denver, Colo. Miss Calvert has been employed there for several months, and made her home with her aunt, Mrs. Seth Stephens, the former Fay Herman, who formerly lived in Littlefield.

If present plans of the Bureau of Reclamation are approved, more than 200,000 newly irrigated farms would be created in the 17 western states.

Reclamation farmers in 1944 produced more than 10 million tons of food, worth more than \$400,000,000.

Brotherhood & W.M.U. Wed. 8:00 p. m.

The time of the evening services has been changed to 7:30 o'clock.

Sunday will be Building Fund Day again. Since last May, the church has set aside each first Sunday as Thousand Dollar Day and all gifts have gone into the Building Fund.

Over \$20,000.00 has been raised thus far. Sunday's offering is expected to go beyond the \$1,000 mark again.

Actual construction on the new Auditorium will not begin until the church has on hand in cash the necessary funds and the necessary labor and materials are available.

These conditions should be met by next September.

As an emergency measure to relieve the over-crowded condition, the present auditorium is being enlarged this week by opening the room now being used as a Nursery into the main auditorium.

This additional space will be ready by Sunday. The nursery is being moved to the room under the steps. This work has been re-finished.

Rev. K. W. Keller of Lubbock will preach at a service at 8:00 p. m.

A cordial invitation is extended to all to be present at this service.

Mr. and Mrs. Carl Simons, formerly of Littlefield, have returned to this city to make their home.

They have been living at Farmington, N. M.

Mr. and Mrs. L. W. Jaquess left Sunday for Ada, Okla., where they will visit their sons, Royce and Habel, and their families; Curtis Jaquess at Allen, Okla., Corry Jaquess at Miami, Okla., and Mrs. Jaquess' brothers and sisters-in-law, Mr. and Mrs. Leonard Cowen and Mr. and Mrs. Loyd Cowen at Ada.

## Takes Part In Initial Landing On Hokkaido

Mr. and Mrs. J. M. Stokes received a letter from their son, Ensign James Stokes, recently to the effect that he made a trip to the northern Japanese island, Hokkaido, and made initial landing there. He reports that the Japanese on this island, until about a month ago, when the American Intelligence troops landed, still thought the Japs were winning the war.

Ensign Stokes is on the USS LaPorte, an attack transport, and was returning from the above island, going towards Samar, when the recent typhoon struck, and they were obliged to pull into Tokyo awaiting the passing of the typhoon. He said they were not able to go ashore as the storm was so bad. His ship has gone across to the China coast. Ensign Stokes doesn't know when he will get home.

## Family Reunion At Home Of Mr. and Mrs. Walker

A family reunion was held at the home of Mr. and Mrs. W. H. Walker in the Walker Apartments for three days, Sunday, Monday and Tuesday of this week.

Those present, besides Mr. and Mrs. W. H. Walker, the parents, were: Mr. and Mrs. Otis O. Walker of Denver, Col.; Mr. and Mrs. A. T. Walker and son, and Cecil Walker all of Fort Sumner, N. M.; Sgt. Othell Walker, who has been overseas three years, and arrived home recently from Italy, discharged; Mrs. George E. Tiner of Big Springs; Mrs. W. H. Cooper of Littlefield; and Cleveland Walker of Littlefield.

This was the first time all the family have been present in many years.

## 3-Sgt. Claude Thomas Prisoner 3 1-2 Years Arrives Home

3-Sgt. Claude Thomas, Jr. son of Mr. and Mrs. C. A. Thomas of Antea, a prisoner of the Japs since the fall of Java in March, 1942, and in the service five years, arrived home Wednesday of last week.

3-Sgt. Thomas paid the Leader a very pleasant visit. He looks well and states he feels fine.

For the first year he was a prisoner he worked in an iron mine, and for the last two years in a steel mill.

For a time he was a prisoner in the Bicycle Camp, Batavia, Java, in which camp were also all the sailors from the Houston ship which went down, including Thomas McFarland, and Junior Bumpass, a son of J. F. Bumpass, formerly of Littlefield. Bumpass suffered considerably, according to Thomas; from dysentery, and nearly died. Since arriving home at Lubbock Bumpass is now having difficulty with his eyesight through malnutrition.

Thomas was a prisoner also at Fukuka Camp on the Kuyushu Island and in the Hakodate Camp on Honshu Island.

## WILL BE STATIONED AT SAN PEDRO, CAL.

M. A. Elms, Y 1-C, who arrived home two weeks ago, and Mrs. Elms, are visiting his parents, Mr. and Mrs. M. A. Elms at Bula.

Elms was overseas two years, and is wearing five battle stars. Following his leave Petty Officer Elms and Mrs. Elms will leave next week for San Pedro, Cal., where he expects to be stationed.

Bill Chesher and Charlie Lyne made a business trip to Roswell, N. M. by plane Monday.

Lyman recently made a two excursion into Switzerland, enjoyed very much. He and the Swiss people more than any other people met in Europe, as they wish you could see it, it is beautiful. I will tell you about it when I

**Spade Carnival Friday Night Is Great Success**

A carnival was staged by Spade School Friday night, which was an outstanding success, following which Miss "Pete" Stubblefield, sophomore candidate, was crowned queen. A candidate from each grade in school took part. The Hallowe'en theme was carried out in the coronation ceremony; fourth grade boys gave an Indian dance; and Miss Willie Ann Wood gave a Russian dance. The committee in charge of the coronation was composed of Mrs. F. W. Dodson, Mrs. D. W. Jackson, and Miss Ernestine Short. The carnival concessions included a negro minstrel, house of horrors, bingo games, cake walk, coffee and pie sale, etc. A considerable sum of money was made.

**Veterans of Foreign Wars Organize**

The veterans of Foreign Wars held their first meeting Monday night and signed up 19 new members which is more than enough to charter a post. The returned vets are going for the VFW in a big way, and it looks as if Littlefield is going to have a high flying post with all the trimmings. The local men, headed by Stanley Doss, elected a man as a temporary finance officer and Jimmie Zed Robinson took the rap. The post will hold its first formal meeting, Tuesday, November 6 in the basement of the First Presbyterian Church where it will elect permanent officers, and get the post underway in general. All members and service men and ex-service men who wish to join the organization are urged to attend.

**MAY BE SENT TO AMARILLO**  
Mr. and Mrs. A. H. McFarland talked to their son, Tommy, who has been a prisoner of war for over three years, and arrived recently at Oakland, Cal., and he reported that if he got all his blood tests, etc. at Oakland, he might be sent to Amarillo or Clovis, instead of Norman, Okla. They are now awaiting to hear further from him.

Mrs. A. C. Chesher returned Tuesday of last week from Dallas, where she was a patient in the Gaston Hospital, for treatment for a back ailment. She is feeling much better.

**JACK NORMAN WILL RETURN TO C. OF C. WORK AT SLATON**

S/Sgt. Jack Norman arrived home Thursday after receiving a discharge from the service. Sgt. Norman has been serving with a troop training unit, training army divisions in amphibious warfare up and down the west coast. He has been stationed at San Diego, Cal. for the past year, and received his discharge at Camp Pendleton, Cal. He was previously overseas over a year, and spent considerable time on Guadalcanal. He is wearing the Presidential Unit Citation, Asiatic-Pacific ribbon with two stars, American Theatre ribbon and American Defense ribbon. Previous to entering the service Norman was manager of the Chamber of Commerce at Slaton, and plans to return to this work.

**Barbecue Staged At J. J. Coker Home**

A barbecue was given at the home of Mr. and Mrs. V. D. Coker, 6 miles northwest of Earth, Wednesday night, October 24, honoring J. J. Coker, who has recently returned home from 3 1-3 years in Jap prison camps. Coker was a government employee on Wake Island when he was captured. Mr. Coker, Sr., barbecued the beef, and friends gathering each brought a covered dish. The barbecue was served on the back yard at the Coker home. About 250 people attended. Second Lt. Douglas R. Coker, is also home on furlough. He had not seen his brother, J. J. Coker, since 1940. Bill Reid returned to his home in Borger Wednesday of last week after visiting his parents, Mr. and Mrs. M. P. Reid and family.

Last Rites Held For Mrs. Milburn

Mrs. Juaria Elizabeth (Bess) Milburn, 56, wife of Albert Lee Milburn, of Lum's Chapel, passed away Monday, October 29, at 9 a. m. at a local hospital, following an operation for ruptured appendix. Complications were believed to have caused her death.

Funeral services were conducted Tuesday afternoon at 3 o'clock at Lum's Chapel Baptist Church, with Rev. Swanner, pastor, officiating and interment, in charge of Hammons Funeral Home, took place in the Littlefield Cemetery.

Mrs. Milburn was born April 25, 1889 in Young County, Texas; and was married to Albert Lee Milburn November 27, 1930.

The Milburn family lived for six years in Hockley County, moving to Lum's Chapel Community in 1943.

Surviving deceased is her husband and a son, Jack, and a daughter, Patsy Ann; and two step-daughters, Mrs. W. W. Allred of Dalhart and Mrs. E. A. Roark of Vega, and a step-son, Braxton Milburn overseas.

VISITS LITTLEFIELD.

John F. Taylor, of Canyon, president of the Plateau Singing Convention, accompanied by Travis Bottoms, musical director and piano teacher, visited Littlefield Thursday, and conferred with officers here of the singing association.

He states that the Potter County semi-annual convention will be held on the third Sunday in November at 100 McMaster Street, Amarillo.

Mr. Taylor paid the Leader office a pleasant visit.

Salvation Army Sponsors Club

The local unit of the Salvation Army is sponsoring a club for boys who meet after school on Fridays at the Salvation Hall, and make toys for Christmas.

Capt. Trummell has announced that they would appreciate it very much if any persons who have toys that can be mended would bring them to the Salvation Army Hall, or call 286.

Chalma Lee Walker is in charge of the boys.

Capt. Trummell also asked the Leader to state that they are badly in need of tools with which to make toys, and will appreciate it if anyone having any old tools or pocket knives would donate them to this project.

EXPECTED HOME.

Dorwin T. Pierce, BM 2/c, who has been overseas on two different occasions, and spent about 2 years in foreign service, is expected home in about a week or ten days. He landed in San Francisco October 22. He is a son of Mrs. V. B. Pierce, and recently has been stationed on Guam.

Mrs. Paul Timmons and daughter, Sally Carolyn, left Thursday for Albuquerque, N. M., to join her husband, who is stationed there. They were accompanied by Amarillo first by her parents, Mr. and Mrs. E. A. Bills, where they went for their clothes and personal effects, and then all went on to Albuquerque. Mr. and Mrs. Bills returned home Friday.

WHITEFACE DOWNS LEVELLAND FRIDAY

A six-man Whiteface football squad converted themselves into an eleven-man squad on home grounds Friday and successfully defended their unbeaten, untied and unscored on record by taming the Levelled C team 19 to 0.

It was a repetition of a 32-0 victory in Levelled after a conference 9-B foe, Wilson, forfeited to the unbeaten Whiteface six.

Dale Thoms proved the big gun in the Whiteface offensive in the game this week, taking a pass for one score and heaving two aerials for the other two scores. He also scored the lone extra point made.

In the second quarter, after an opening stanza had ended with no scores, Wade Taylor, captain and end of the Whiteface team, latched on to a pass from Thoms to scamper 15 yards to score.

The third period saw Thoms flip another pass to Junior Linder who stepped 20 yards to score. Thoms ran across the conversion. In the final stanza Harold Sides threw to Thoms for the final tally, leaving the score 19-0 favoring the hosts.

Whiteface again enters conference competition next Friday afternoon journeying to Cooper to battle that Conference 9-B school.

Mr. and Mrs. L. W. Jaquess left Sunday for various points in Oklahoma on a two weeks' trip. They will visit their sons, Royce and Haskell, and their families, and Mrs. Jaquess' brothers and sisters-in-law, Mr. and Mrs. Leonard Cowen, and Mr. and Mrs. Loyd Cowen, all at Ada; Curtis Jaquess, another son, at Allen, Okla., Corry Jaquess at Madill, Okla., and Mrs. Jaquess' sister, Mrs. Oscar Fultz at Willis, Okla., and a number of old friends.

Members of Chaney Family Gather To Visit Brother

Doris Chaney, S 1-C, of the Waves, arrived home Saturday from San Diego, Cal. She has been in the service nearly two years, and has been stationed at San Diego all the time.

She received a leave to come home to be with her brother, Pfc. Tink Chaney, who just arrived home October 13 discharged, and is living with his mother, Mrs. K. J. Chaney at Fieldton.

Seaman Chaney reports at San Diego November 8.

Mrs. Leota McDuff of Anson, also sister of Pfc. Tink Chaney, is also

spending this week in the home at Fieldton. Mrs. Floyd Richardson of field, daughter of Mrs. K. J. and daughter Patsy, have returned from Temple, where Patsy, aged 4 for treatment enlarged liver and spleen. She the child better.

Mrs. F. R. Tussy and daughter Brenda, left Monday of last for Baldwin Park, near Los Angeles where her husband, who is in Navy and on leave, will be at the home of his parents, Mrs. H. J. Tussy. Mrs. Tussy daughter accompanied Mr. and Mrs. R. L. Patterson to California.

Seems like a little thing—your electric wall switch. It's one of the least expensive permanent fixtures in your home. And it works so easily, you don't give it a thought.

But what is behind that wall switch? First, there is the hard, sincere work of nearly a thousand employees in your Public Service Company who are on the job day and night to furnish you with cheap, dependable electric service. Also, stop to think of the millions of dollars invested in equipment—power plants, transmission lines, sub-stations, poles, insulators.

Yes, your electric wall switch is a small thing but it takes a lot to make it work for you.

THE CRADLE OF THE ATOM BOMB TOOK MILLIONS OF FEET OF LUMBER

The man that wondered during the war why he couldn't find a couple of boards to patch his porch, can blame at least part of his troubles on the atom bomb and be glad.

Utility buildings (baths, etc.) are provided at the trailer camps.

Roughly 50 per cent of the workers live in houses and apartments; 21 per cent on dormitories; 21 per cent in trailers, and 8 per cent in huts.

Community facilities Community facilities include five churches, a library of 9,000 books, a high school and nine elementary teachers serve 11,000 pupils.

Great Secrecy Employed

Virtually all types of construction lumber and some hard woods were represented in the total, but, normally, the bulk of that used in Oak Ridge was southern pine produced by a number of southern mills.

About 20 per cent of the lumber was procured on the open market and 80 per cent through the action system conducted by the Centri agencies.

The town of Oak Ridge, erected on a 59,000-acre, ninety-square-mile reservation in a sparsely populated town 18 miles west of Knoxville, had a population of 75,000—fifth largest city in Tennessee.

The plant comprises 425 buildings. The two-story, main office building, is 664 feet long with seven wings.

The model industrial town is equipped with all the essentials of life by American standards. Three hundred miles of roads and 55 miles of railroad serve the reservation.

The residential area includes 9,000 homes, 5,000 trailers, 114 apartments in three buildings, 90 dormitories housing 13,000. Also, about 1,000 demountable dwellings were moved to Oak Ridge from other projects.

The homes are attractively arranged and well spaced on good-sized lots. The majority are equipped with electric ranges, water heaters, and refrigerators.

viding 2,033 telephone poles and playground equipment such as grandstands for football and baseball.

Stupendous as the whole atom bomb project was, it paid off in terms of cold cash on the barrel-head. The total costs of the enterprise, as of the closing of the books for the 1944-45 fiscal year, June 30, 1945, were \$1,665,142,423.70.

HOME DISCHARGED.

S-Sgt. Ray Smitn, son of Mr. and Mrs. Bob Smith, arrived home Tuesday of last week, accompanied by his wife. He received his discharge at Amarillo.

Mr. and Mrs. Smith will move to the Smith ranch near Pep, where they will make their home.

Dr. Cartall Awaiting Transportation Home

Dr. L. M. Cartall, who has been overseas 18 months and ship doctor on the USS Charette, a destroyer, is now at Pearl Harbor awaiting transportation home.

Dr. Cartall was one of the initial boarding crew, and one of the first four officers who went on board the Jap ship Taki Bana Maru, which masqueraded as a hospital ship, but was carrying contraband.

Dr. Cartall was the medical officer who took off the bandages and exposed the Japs masquerading as wounded soldiers to be fakes. While on this ship a beam fall on Dr. Cartall and fractured two thoracic vertebrae, as a result of which he is wearing a body cast, which he will be obliged to wear four or five months.

Mrs. Cartall will join her husband in New Orleans, where he will be a patient in a naval hospital.

He has been in service five years and overseas 13 months. Dr. Cartall is wearing eight battle stars and other decorations. Mrs. Cartall has been employed as technician at the M. & S. Hospital, San Antonio, for sometime.

### Recent Bride and Groom

Seaman First Class and Mrs. Jack Dyer

Miss Christine Stevens, daughter of Mr. and Mrs. Lee Stevens of Witharral, became the bride of Jack Dyer, S 1-C, son of Mr. and Mrs. Floyd Dyer, at Plainview, Thursday, October 17.  
The beautiful ring ceremony was performed at the First Baptist Church, Plainview, in the evening by the pastor.  
The bride is a graduate of Witharral High School, and is on the nursing staff at the Payne-Shotwell Hospital, where she has been employed for the past 18 months.  
Seaman Dyer has been in the service 18 months, and overseas 14 months, serving in Australia and the islands in the South Pacific. He arrived home October 1 on a 30 days leave, and reports to Dallas November 1 for re-assignment.  
The young couple have been at home since their marriage at the home of his parents, Mr. and Mrs. Floyd Dyer in Spade Community.

### Jaquelyn Davis Honored at Surprise Birthday Party

Miss Jacquelyn Davis was honored Saturday, October 27, with a surprise birthday party given by her mother, Mrs. E. R. Davis, and sister, Mrs. Tom Turner, Jr.  
Refreshments including a lovely birthday cake were served by delight on a table decorated in the traditional hallowe'en color scheme.  
The honoree was the recipient of a number of much appreciated gifts.  
Besides the honoree, those present were: Misses Arlene Packwood, Jesse Boykin, LaVey Walker, Betty Cowan, Juanelle Pennington, Lanelle Furr, Wilma Dean Trotter, and Mr. and Mrs. J. J. Randall of Fort Worth.

### Mrs. Fred Foust and Mrs. J. P. Turner Hostess to Club

The Oklahoma Avenue Home Demonstration Club met in the home of Mrs. Fred Foust, Friday, October 26. Mrs. J. P. Turman was co-hostess.  
Miss Vara Crippen, county home demonstration agent, gave an interesting discussion on different types of curtains and draperies.  
Mrs. Salesbee, recreation chairman discussed plans for a Halloween party.  
Mrs. Foust was the only visitor.  
Refreshments were served to the following members: Mesdames, C. C. Salesbee, E. E. Huggins, Clemmie Dubose, C. M. Huggins, J. M. Mittington, Jim Gibson, Odell Malder, F. E. Lichte, O. G. Lichte, L. L. Harlan, L. B. Davis, Miss Crippen, the visitors and the hostesses.  
Next club meeting will be with Mrs. Joe Roark Nov. 9.

### The Ladies of the Oklahoma Avenue Home Demonstration Club and their husbands had a grand time Friday night at the Legion Hall.

Mrs. C. C. Salesbee directed a large variety of amusing games. Mrs. Odell Molder had charge of the guest book. Thirty-three people signed the guest book.  
Delicious refreshments were served to the following mesdames and messers: C. A. Streety, E. E. Huggins, C. C. Salesbee, Fred Lichte, J. M. Griffin, J. W. Bitner, C. M. Huggins, C. E. Jones, V. D. Hodges, Swede, Kling, E. C. Ross, Willis Fox, U. E. Kelly, Jim Gibson.

### Oil Strike Explained By Sinclair Refining Company Official, H. F. Sinclair

The Oil Strike was explained to the public today by Oscar Wilern, a representative of the Sinclair Refining Company, when he released a letter on the subject from H. F. Sinclair to the stockholders of the Company. The letter says:

Stockholders of the Sinclair Oil Corporation. Subject: "The Oil Strike". This letter is sent to you because we believe that as a citizen and a stockholder you should have the facts with relation to the strike in the oil industry that began on September 19th last.

We have an agreement with the Oil Workers International Union, O. I. W. U., which called the strike against our operations, providing among other things that there shall be no strikes, slow downs or walkouts during the term of the agreement, which does not expire until May 31, 1946. The agreement also contains provisions for the arbitration of "all grievances and disputes". As to disputes which are general in character, including controversies as to wages which affect a large number of employees, there is a specific method of arbitration provided in the agreement.

In violation of these covenants and the War Labor Disputes Act, the Oil Workers International Union called a strike at our East Chicago, Indiana, Refinery on September 19th. In the period between that date and October 2, all of our refineries were struck and practically all of our pipeline systems, a large part of our producing operations, and many natural gasoline plants. The demand, refusal of which brought about the strike, was for 52 hours per week for 40 hours of work. The slogan of this movement was "52 for 40 or less". The assertion that the objective of the union was to preserve the "take-home pay" is appealing and misleading. No employee involved in this dispute has suffered any reduction in take-home pay. If we demanded increase had been granted, the wages of all employees whether they have been working for 48 hours a week—would be increased 30 per cent.

Under the 48 hour week, employees have been making the following earnings: Common Labor, at \$1.27 an hour, \$216.32 a month or \$2596 a year; Stillmen, at \$1.32½ an hour, \$434.63 a month, or \$4123.69 a year; at the average earnings of refinery labor, \$1.27 an hour, employees have been making \$268.17 a month, or \$3434 a year. It is hourly rates such as these that were under the union demand to be increased 30 per cent.

In addition to their wages, our employees are granted sick leave at full pay, three weeks a full pay

and 12 weeks a half pay; vacations with full pay, one or two weeks depending upon length of service; pensions and \$1000 Life Insurance, for which the company pays the full cost.

The government of the United States, acting through the Secretary of Labor, appealed to the oil companies and the union to settle the strike by arbitration because, if it should be prolonged and extended, the results would put into jeopardy the very lifeblood of American economy. The government's effort failed and on October 4th under an executive order of President Truman, all strike-bound refineries and other industry facilities were taken over and operated by the Secretary of the Navy. The union announced

that it would work for the Navy but was still on strike against the oil companies.

Although only the wage issue was discussed in the Chicago and Washington conciliation proceedings, we are on notice from the Union that it does not intend to forego additional demands, including the closed shop, shift differentials, extra pay for night work, additional pay holidays, we now pay for six; increased pensions, augmented sick leave payments and termination pay, and that as soon as the 40 hour week is established the Union will demand a 36 hour week "or less" with no reduction in pay.

The strike disrupted operations over a period of two weeks—it has delayed conversion to peace-time operations and postponed making available to the public improved gasoline in increasing quantities, it will interfere with carrying out

our program for the re-deployment of more than 3,000 of our people in military service.

We do not intend to discuss the moral, economic and inflationary aspects of this strike, although these considerations cannot be overlooked. We have endeavored here only to give you the facts. It is suggested that stockholders avail themselves of every opportunity to pass along to others the information contained in this letter.

Very truly yours,  
H. F. SINCLAIR, President

## Victory March Toward Security

America's largest army is its Army of War Bondholders—85 million strong. From our farms and factories, from our cities and towns, from our armed forces they come, again and again, to invest in

America. This great savings crusade, born of war, is one of our great hopes for peacetime prosperity.

And marching within the ranks of these 85 million bond-buyers are the Americans who also maintain more than 75 million bank accounts.

A great arsenal for peacetime prosperity—bank savings, War Bonds, Victory Bonds!

Together, wisely managed, they can help forge the weapons of peace:—jobs, industry, fair prices, stability, family security.

Keep on marching toward security! Today, while goods are still scarce and the threat of rising prices continues, plan to spend wisely. Plan to save regularly. Save, by buying more of your country's Bonds and holding them. Save, by building up your bank account. You and your family will reap the harvest of your sacrifice and thrift.

## LITTLEFIELD CATS DEFEAT MULESHOES, LEVELLAND AND SUDAN WIN THEIR GAMES

Littlefield's high scoring grid machine rolled to another great victory Friday, swamping Muleshoe 64-0, as the Wildcats roared toward another District 5-A football crown. The game was the sixth in a row for Littlefield.

The Littlefield machine started rolling early in the contest with the first and second teams taking the spot light, chalked up two touchdowns in the first stanza, two in the second, two in the third, and four in the final frame.

### SEWELL AND LYMAN STAR

The Wildcats counted in the first four minutes of play when Fullback Walter Sewell plunged for the tally. End Buster Owens missed his try for the point by kicking. A few minutes later, Quarterback Billy Lyman added the Wildcat's second counter when he plunged over the double stripes. Owens then added the extra point by kicking and the score at the end of the first period was 13-0.

Almost before the second frame got underway, Fullback Eugene Carter took a lateral and scooted around end for 15 yards and the third Littlefield tally. The try for point went awry.

### McCANLIES SCORES TWO.

Then on the kickoff, the Muleshoe team touched the ball and let it roll behind the goal. End Gene McCannies raced down the field and smothered the oval for another quick Wildcat tally. Owens then kicked the point and the half time count was 26-0.

The first team went back in the third and almost before the crowd had got settled down Sewell plunged over standing up for the fifth Wildcat counter, the try for point again being missed. Late in the period, Lyman helped chalk up the sixth Littlefield touchdown with a pass to Owens who scampered over for the tally. The kick again was missed. The third period ended, 38 to 0.

### EXPLODES IN THE FOURTH.

Then the roof fell in on the Muleshoe team in the final fourth as the Wildcats really opened up.

Shelby chalked up the seventh Wildcat tally on a short run and Owens kicked the point to make it 45-0. Then a few minutes later after a Littlefield punt which Muleshoe fumbled, McCannies picked up the ball and galloped 50 yards to paydirt with both teams looking on. The point was missed and the score was 51-0.

Then late in the game, Halfback Oscar Amond took a lateral and raced 25 yards to score. Owens kicked this one and the count was 58-0. Then in the fading seconds, Lyman chalked up Littlefield's final tally with a short plunge after Tackle Sabin Hendrickson intercepted a Muleshoe pass on the 50 and ran it back 30 yards. Two shot plays brought business near the goal and Lyman plunged over for the final tally and the count stood 64-0.

Next week end Littlefield meets

its toughest opposition in invading Ballinger, district H-A power which has lost only one game to a Class A team in five seasons.

### LEVELLAND BEATS OLTON.

LEVELLAND — Levelland High's Loboes scored almost at will here Friday night in chalking up a decisive 45 to 6 triumph over Olton in a District 5-A conference tussle.

Levelland opened up the scoring in the first period when Left Halfback Stanley Williams galloped over from the 10-yard line. Joe Garrison ran the point over and the Loboes were off to a decided edge.

In the second stanza after Olton momentarily stiffened its defense, Levelland came back with Right Halfback Billy Peary passing 15 yards to Left End Burl Pierce for the second tally. Peary ran the point over to make it 14 to 0. In the same period, Peary plunged over from the three but failed to get the extra point.

A few seconds before the half-time intermission, Olton came back strong with Fullback Perry Gullet passing 10 yards to Left End Corky Estes for the touchdown to climax a drive. The try for kick failed, however, and the halftime count was 20 to 6.

In the third, Williams again came back for the Loboes and raced 20 yards to score. A pass for the extra point was incomplete. A few minutes later, Williams again galloped over the double stripes to count again, this time from the 10 and Peary kicked the extra point to give the local lads a 33 to 6 advantage as the fourth quarter opened.

Early in the final frame, Left Half Bobby Hart climaxed a 70-yard Levelland drive with a four-yard plunge to paydirt. The attempt at extra point again failed. Late in the game, Hart again scored with a one-yard plunge after Levelland had intercepted a desperate Olton pass on the visitors' 15. The try for extra point again was missed.

Levelland chalked up 21 first downs to three for Olton.

SUDAN—A flurry of passes in the last three minutes of play netted

a touchdown and a bare 6-0 victory for a scrappy Sudan eleven over Lubbock's fast moving Cowhand Golds here Friday.

The series of pass plays late in the game broke the scoreless deadlock that had been swaying to and fro in favor of the two teams. Lubbock had dominated the second and third stanzas while the Sudan offensive controlled the situation during the opening and fourth quarters.

A 15-yard pass from Dwight Moore to Ernest Gilbert, both Gold backs, earned a second-period score after Gilbert whizzed another 15 yards to the goal line but an off-side penalty nullified the play and cost the Golds at least a tie in the game.

Gilbert and Moore were the head men in Coach Marlin "Shorty" Hayhurst's offensive and defensive work. Tackles Bill Powell and David Watkins along with Wilbur Leon, guard, headed the forward wall that kept the Sudan team at bay and forced them into the air.

Doty, Sudan captain, led the winner's in their victory, sparking both

the defense and offensive play. It was the second loss of the year for the Cowhand Gold team.

### TAHOKA LOSES TO SUNDOWN.

TAHOKA—Tahoka's Bulldogs returned to the football wars at home Friday night, fielding a team composed of three "first stringers with what-used-to-be-nubs" rounding out the eleven, and received a 25-0 pounding at the hands of an invading Sundown eleven.

### DENVER CITY WINS.

DENVER CITY — Using reserves the latter part of the game, Denver City easily bested O'Donnell, 31-0, in a district 6-A football game here Friday night.

### LANDS ON HONSHU COAST.

WAKAYAMA, HONSHU, JAPAN —Minston Odell Barton, member of an amphibious task force, says here following the surrender of Japan.

The troops were landed at this harbor on the southeastern coast of Honshu for the occupation of Japan's inland cities of Kobe and Osaka.

Pvt. Foystock will be sent back to California at the end of his tour.

# ... TODAY It's Different!

The principles of optometry are ancient, we know. Yet for centuries the specific application of optometric principles, common now to our everyday practice, was most elusive.

Only as scientists labored on the obvious and let the star gazer wonder at the intricate, did the good of optometry pass to everyday usefulness of mankind.

This progress has been most marked in the past few decades. Today vision is even more important and a progressive optometric profession is making it more useful.
