Water Proposal Is Defeated Here

Well Looks Like Producer

City Alone In 'No' Vote

Littlefield residents Tuesday voted 176-77 against this city's participation in the Canadian River Municipal Water Authority.

Arthur Jones, presiding judge at the Lamb county voting place in the court house, said, "It was a heavy vote for a special election like this." Two persons used absentee ballots.

Littlefield apparently was the only town of the 12 proposed for membership in the Authority to vote down the proposal.

A. A. Meredith, Authority secretary reached in Pampa Tuesday night by the Lamb County Leader, gave these returns from the other towns voting:

	For	Against
Borger	1,466	7
Lamesa	419	32
.....	194	1
Lubbock	1,853	71
O'Donnell	128	0
Pampa	675	423
Slaton	192	2
Tahoka	217	8

Amarillo, which had five polling places, had not completed its tally but Meredith said, "I feel sure the vote there was overwhelmingly for the proposal."

Meredith said he suggested organized opposition to the proposal was at Pampa, where opponents used newspaper ads and sound trucks to urge voters to turn down the proposal.

Directors Meet Nov. 30
He said Authority directors will meet at 10 a.m. Nov. 30 in Plainview to canvass the returns and certify results of the election.

Election results Tuesday "gave a go-ahead on plans to build the dam."

A headquarters to handle affairs of the group probably will be set up and next step is investigating methods of finance. Once a plan is decided on by directors, it will be put up for vote in an election similar to that held this week.

Leaves Door Ajar
Littlefields vote against the proposal did not completely close the door to membership in the Authority, Meredith said.

If the city decided later it wanted to participate, it could petition the board to call another election. If Littlefield residents voted for the Authority in that election, the board of directors would consider this city for membership. It would take a two-thirds vote of directors to admit Littlefield.

The ballots contained two propositions, "For confirmation of Canadian River Municipal Water Authority," and "Against confirmation of Canadian River Municipal Water Authority." In Littlefield, 77 voted for confirmation of the Authority, and 176 voted against.

The Authority proposes to build a dam on the Canadian River in the vicinity of Sanford, near Borger, Texas, to supply municipal and industrial water to cities in the Panhandle-Plains area. In addition, its backers say the proposed dam would provide flood control.

Write Santa Letters Now

NORTH POLE—Santa Claus today asked the children of Littlefield and nearby towns to write him early about what they want for Christmas.

"Just as soon as I finish my Thanksgiving dinner I'll start going through my mail," Santa said. "My helpers and I read every letter to make up our Christmas delivery lists. Some letters have already come in and I won't even have time this Thanksgiving for a little nap after dinner."

To send a letter to Santa, mail it to the Lamb County Leader, Box 1107, Littlefield, Texas. Letters will be forwarded to Santa, and will be printed in pre-Christmas editions of the paper.

SANTA CLAUS checks over Dancer's harness in case Santa in Littlefield's big Christmas parade preparation for his trip to Littlefield Monday, ginning at 2 p. m., November 30. The local Lions Children from throughout this area are invited to club will distribute candy in the parade.

Neighbors Pull Cotton For Sick Man

Friends and neighbors of Vernon Reid, Sudan farmer seriously ill in a Lubbock hospital, were to meet Wednesday and gather his cotton crop. He has been ill some time and none of the cotton has been gathered.

The Rowland Gin has offered to gin Mr. Reid's cotton free of charge after his neighbors and friends pull the crop.

Mr. Reid was admitted to Lubbock Memorial hospital Nov. 17. X-rays show a tumor in his chest and doctors have advised an operation as soon as he is strong enough to undergo surgery.

Blood donors are needed for Mr. Reid and his friends are asked to give blood for him at the Memorial hospital blood bank in Lubbock. Donors can give blood from 9 a.m. to 1 p.m. each week day except Wednesday, when hours are 4 p.m. to 8 p.m.

Norman Warren, a friend of Mr. Reid, is trying to get a party of men together to go en masse Friday to give blood to replace the quarts already used for Mr. Reid.

First Baptists Collect \$21,000

Collections at the First Baptist church, which has set a November goal of \$25,000, so far amount to \$21,207.32, Dr. Lee Hemphill, pastor, announced.

"With next Sunday's collections still to be counted, we are sure of reaching the goal," Dr. Hemphill said. The money will go into the new church building fund.

Phones for Whitharral

Unattended dial service for Whitharral has been started by the General Telephone Company. The new dial system serves about 80 business, residential and rural subscribers where previously there were 20.

Casing Set: Waiting Now On Cement

The Texas Company has set casing on its No. 1 Sallie Duggan in the Littlefield city park and expects to complete the well as an oil producer within a day or two.

While waiting for cement to set workmen were moving in tubing through which the oil will be pumped. About midnight Wednesday they expected to start drilling out most of the cement plug. A few feet will be left in the bottom of the casing to seal off the water which was found in the drill-stem test taken at 4035 feet.

A Lane-Wells electrical log will be run Wednesday morning and from that the operation will determine where to perforate the casing in order to get the oil which showed up in the top part of the Dolomite sand without the water which appeared in the lower part.

Texas Company officials would not hazard a guess as to how good a well they have until they start swabbing.

More Wells Brewing
Only one other permit to drill has actually been issued, but at least two others are reported to be pending the outcome of the Duggan No. 1.

Livermore Drilling Co.'s No. 1 Alvin Lingau on the west edge of town is due to spud in as soon as the Hall and Stewart rig now drilling on the Duggan lease can complete that well and move.

Paul Pennybacker is reported planning a well on the Arthur Jones lease southeast of the radio station. And Peyton Packing Co. is rumored ready to drill on its land south of the gins if the Duggan well turns out to be a good producer.

The Texas Company is not yet ready to discuss its plans for further development of its leases in the area.

Beva Jean Ray Football Queen

Miss Beva Jean Ray, daughter of Mr. and Mrs. Nolan Ray, is Littlefield high school's 1953 football queen. She was selected by team members in a meeting Friday.

Miss Ray and Pep King Fred Martinez will be honored at a coronation during the football banquet in the school cafeteria next Monday evening.

Funeral Held In Littlefield Methodist Church

John Enoch Chisholm, 71, a Littlefield pioneer, died at 2 a.m. Nov. 23 in a local hospital after a 4-month illness. Rev. Harry Vanderpool officiated at the funeral at 3 p.m. Tuesday in the First Methodist church and burial was in Littlefield Memorial Park under direction of Hammons Funeral Home.

Mr. Chisholm had lived in Littlefield 28 years. He formerly taught school here and at one time served as principal of Central school.

He had been in the photography business since about 1931 and at the time of his death owned Chisholm's Kodak Finishing Shop. His wife, Mrs. Birdie Hester Chisholm, operates Louise Dress Shop, and their son, J. E. Jr., owns Chisholm Floral company.

Mr. Chisholm was a member of the board of trustees and the official board of the First Methodist church, and a member of the Masonic lodge. Members of the Methodist Men's Bible Class served as honorary pallbearers.

Pallbearers were Edwin Cain of Clovis, N. M., Dr. James Renegar of Levelland, Dennis Jones, O. K. Yantis, Odell Matthews and John Nail.

Survivors besides his wife and son are two daughters, Miss Louise Chisholm of the home (Continued on Page 2)

Cool Driver Shakes Hot Load Off Truck

A fast thinking truck driver lost a \$3,000 load of cotton Sunday afternoon but saved his truck by loosening the chains and whipping his truck back and forth across the road until the burning bales toppled off.

In the process one bale fell across a large gasoline tank on the back of the truck, but instead of fleeing in fright, Lloyd Haire of Spade, owner of the truck, climbed up and pushed the burning bale off.

But the cotton had set fire to the trailer before he got it off, so he disconnected it and drove the tractor to safety, then came back to help firemen extinguish the blaze on the trailer before it did any great damage.

The Littlefield Fire Department also managed to extinguish four bales of cotton before they were ruined. The other 23 bales were too far gone to stop.

Haire was hauling the cotton from the Hampton Gin at Spade to the Littlefield Compress about 5:30 Sunday afternoon. He was only about a mile from his destination when he discovered load was on fire and immediately took action to get off his truck.

No one knows how the fire started but gin officials expressed a guess that it was caused by a lit cigarette from a passing automobile.

Scarlet Fever Scare Is Over

Littlefield's scarlet fever scare is apparently already over, according to the county health doctor, Dr. I. T. Shotwell. Local hospitals had half a dozen cases last week but all have been dismissed and no new cases reported.

Dr. Shotwell said that antibiotics have made scarlet fever fairly easy to deal with if caught in the early stages. Symptoms are sore throat, fever and a fine red rash.

"Many times, however, people with an allergy of some sort will have similar symptoms," Dr. Shotwell added.

VFW Picks Cotton For Yule Money

A 550-pound bale of cotton, picked by Littlefield members of the Veterans of Foreign Wars, will be sold to raise money for the VFW "Needy Children's Christmas Fund."

More than 30 VFW members spent a Sunday picking cotton on the farm of Post Commander Volle Stokes near Spade.

NO SCHOOL

All schools in Lamb county will be closed Thursday and Friday for the Thanksgiving holidays. Many of the teachers will go to Dallas to attend the three-day meeting of the Texas Teachers Association, which starts Thursday.

867 Bales Cotton Ginned

About 6,000 migrant workers remain in this 4-county area compared to 15,000 at peak of the cotton harvest, according to J. D. Jordan of the Texas Employment Commission office reported.

Contracts Extended
An estimated 89,867 bales have been ginned in Lamb county through Tuesday, 1953 in Castro county.

Jaycees Start Holiday Work

Chamber of Commerce members will give baskets to families and hold their party for children at school as part of their Christmas program.

Harp, chairman of the Christmas program committee, the Littlefield American Cross office will act as a neighborhood for names of those who need baskets.

Red Cross will keep a list of families to be visited by Jaycees, Salvation Army church groups, Lions and other organizations to duplication.

Christmas party at Dunham annual event, held in conjunction with the school's own program. The Jaycees each child a gift of fruit, and nuts.

ees also will prepare "a Christmas" for the boy sponsor at Boys Ranch Amarillo.

Holiday For School Officers

Thanksgiving will be no holiday for state and local officers. "We'll probably have an overtime," a spokesman for county sheriff's office said.

ever, he said, "We're expecting a fairly quiet holiday." A weekend was unusually busy. There were only arrests, six for drunkenness and one for traffic law violation.

Building Planned

New building is being erected on S. Phelps and will be owned by A and B Office Supply firm owned by Mr. Allen Hodges. Peyton, owner of the lot, has contracted with Dutch Higgins to build the brick and tile structure. Cameron and Co. is supplying materials. Higgins is to complete the building by Christmas.

recreation and aid in fish and wildlife propagation.

Littlefield Mayor Les Hewitt and the City Commission had gone on record against this city's joining the Authority. They said they had four main objections:

Littlefield already has ample water; no one knows when the city could depend on a water supply from the proposed dam; estimated cost of water would be 14 cents per thousand gallons, double the city's present cost; Littlefield would probably have only a small vote in the proposed 12-member Authority.

Bonales Meets Cummings, Curtis Wrestles Krauser Saturday Night

George Curtis, member of the famous brother wrestling team from Vicksburg, Miss., who turned in a creditable job against Russia's Ivan Kalmikoff last week, returns to the Littlefield Sports Arena Saturday night to battle Kalmikoff's partner in wrestling crime, Karol Krauser of Poland.

They meet in the top section of a double main event which is almost certain to produce enough wrestling to satisfy the whims and fancies of the crowd.

The satisfaction starts when Chico Bonales, young, ambitious and extremely strong Mexican from south of the border, meets veteran Bob Cummings, also strong and agile, from Seaside, Ore. Cummings has been out of

this territory for more than six months, but has returned after a successful campaign among junior and real heavyweights on the Pacific Coast this summer. Cummings now makes his home in Hereford, Texas. He is planning an invasion of Mexico this winter, but hopes to be able to stand his ground against the best that the Southwest states territory has to offer for a few weeks. Bonales is one of the up-an-coming young Mexicans, a protege of Polo Cordova, also of Mexico City.

Littlefield fans are familiar, more or less, with the redoubtable Karol Krauser, a bruising man who won every amateur title offered in his native land in wrestling and weight lifting. He has found the going pretty

rough in this section of the U. S., but has managed to hold his own. Solid and stocky, fast for his weight, and very durable, Krauser has few friends in the arena because of his rough stuff, particularly his choke holds and his illegal use of the ropes. George Curtis will have all he can handle when he tackles the thick-legged Pole in the top part of the main event.

Spur's Wyatt Player Of Week

Scip Wyatt of Spur won player of the week honors this week on the basis of his playing against Tahoka.

The announcement of his

selection by the Lubbock Journal said, "Wyatt has been a line stand-out for Sam Hawkes' eleven all season long, but his defensive play was one of the reasons Spur defeated Tahoka 45-7 to cop the district 5-AA title.

Cauliflower Cuties And New Orleans Beauties Will Meet In Powder Bowl

By a Bystander

A special event is on the calendar at Littlefield High School for Wednesday evening at 3:45. The Cauliflower Cuties (Junior girls) are challenging the New Orleans Beauties (Senior girls) to a football game.

The Cuties actually have one big advantage over the Beauties which means that the Beauties are going to have to fight for a victory. It is that the Beauties have only 13 or 14 members on their team while the Cuties have 18 or 19 recruits. The Beauties will have only two or three reserves, which will make for a rough game.

Monday after school the Cuties had their one-and-only practice in Seely Stadium and after a tedious workout by both coaches and players they looked pretty good.

Tuesday afternoon the Beauties worked out and looked very promising. The backfield showed good broken field running and the hefty blockers were really putting themselves into their excellent blocks.

The proceeds of the game will go to the Senior class for the purpose of their trip to New Orleans this year.

The Junior boys and Senior boys will have separate Pep Squads and both seem to have some classy cheerleaders.

The male members of the band will provide a half-time show featuring John Crosby, Paul Renfro, Dale Ward and James Renfro as twirlers. Reports are that the half-time show will be pretty cute.

The admission will be 25 cents at the Powder Bowl, (popularly known as Seely Stadium) Wednesday afternoon at 3:45.

Art Club Gives Prize Money To Chloe Reese Fund

Art Club members voted unanimously in their meeting Friday to give state convention award money to the Chloe Reese Cancer Memorial Fund.

The Art Club is the second to give its prize money to the Memorial Fund created by the Woman's Club in honor of Mrs. Reese, a member. The Woman's Club earlier voted to put its award money into the fund.

The Art Club won \$12 on its club report, which ranked first

in the state, and yearbook, which placed second. The short business meeting was part of a regular meeting at the Presbyterian church Friday, when Art Club members studied china painting. The club will not meet during

December. Members present Friday were Mrs. Ira E. Wood, Mrs. William N. Orr, Mrs. C. O. Stone, Mrs. E. J. Busamas, Mrs. Paul Pharris, Mrs. C. R. Cox, Mrs. Carl Arnold and Mrs. J. A. McCormick.

"Where Are The Nine?"

By TOMMY WILLIAMS, Minister

Ten men, outcasts from society, were filled with anguish and needed help which Jesus could give. "Jesus, Master, have mercy on us," these lepers cried from the depth of their misery.

"Go shew yourselves unto the priests," was the merciful response of Jesus. As they were going, their leprosy was cleansed. One Samaritan alone came back to give God Glory and to give thanks to the Lord. "Were not ten cleansed?" Jesus asked, "But where are the Nine?"

Yes, nine others were relieved of misery that had made death welcome to many but in their ingratitude they did not return and praise their Benefactor. See Luke

17:11-19. Let us hope this does not represent a percentage in the human race—surely not! Neither the Lord nor good people appreciate ingratitude. May THANKSGIVING always characterize our nation and our people

Let us remember, too, that besides the day we call Thanksgiving Day, there are 364 other days in the year, and we have every reason to praise God and thank him on every one of them.

"Enter into his gates with thanksgiving, and into his courts with praise; be thankful unto him, and bless his name. For the Lord is good; his mercy is everlasting; and his truth endureth to all generations." (Psalms 100:4-5).

NEWS OF PEP

4-H Boys Treat Girls To Soda Pop After Meetings

By Mary Ann Diersing

The Girls' 4-H meeting was held Monday night in the Pep high school, with 16 girls present, two adult leaders, and Mrs. Bill Whitfield, assistant home demonstration agent.

The meeting was called to order by the president, Mary Ann Diersing, and the 4-H pledge and motto were said. Joyce Schlottman, the recreational chairman, led the group in a relay game called over-sized gloves. The minutes were read by the secretary, Bridget Sokora.

Mary Greener was elected as drill leader and Mrs. Ed Diersing was elected as the second adult leader.

The program then was given by Mrs. Bill Whitfield. She spoke to the girls on selecting a bedspread, mattresses and covers, and gave helpful pointers on fabrics. She showed them a bedspread that was being made by Mrs. Jewel Robinson, County Home Demonstration Agent, to give the girls an idea on making a bedspread. It was decided that for the next meeting the girls would learn Swedish embroidery.

The boys' 4-H meeting was called to order by the president, Larry Demel. The minutes were read, and the roll was called by Buddy Greener, the club secretary. Then everyone said the 4-H pledge. Jerry Meyer received a check for \$15.84 for his turkeys, which were a 4-H project. John Russell of Levelland then showed the boys a film on a trip through a pig factory and afterward the film was discussed. There were 15 boys present. Ed Meyer, Mr. Coufal, assistant agricultural agent, and Jack Carothers, county agricultural agent.

After both meetings were held, separately the boys and girls saw a film on how to hunt ducks and geese. Everyone then had a Coke to drink, which was donated by the boys' 4-H club.

Pep Teams Lose To Bledsoe

Pep high school boys and girls played the Bledsoe high school boys and girls at Bledsoe last Friday night. Both of the Pep teams were defeated: the boys by a score of 17 to 37 and the girls with a score of 35-61.

Larry Demel was high point man with six points and Mary Greener was the high point girl with 19 points.

Other players who scored on the boys' team are Paul Meyer,

one point; Albert Sinnacher, four points; Billy Vick, four points; and Edward Woolsey, two points. The remainder of the team are Buddy Greener, Billy Guetersloh, and Marvin Kuhler.

On the girls' team Carolyn Sokora made 14 points and Genevieve Demel made two points. Others on the team are Jane Weaver, Mary Ann Diersing, Homer Bridget Sokora,

Monica Albus, Doris Glumpler, and Betty Trull.

Pep Buffaloes Beat Littlefield

The Pep Buffaloes trampled the Littlefield Wildcats with a score of 32-29 on Tuesday night, Nov. 17, in the Pep gymnasium. The high point girl for the Pep team was Mary Greener, who basketed 17 points. Littlefield's high point girl was Patsy Pickrell, who scored ten points.

The forwards were Carolyn Sokora, who basketed 12 points; Genevieve Demel, who scored two points; and Jane Weaver, who made one point. The guards were Bridget Sokora, Margaret Homer, Monica Albus,

Doris Glumpler, Mary Ann Diersing, and Betty Trull.

Pep Men Lose 50-13; Women Edged By 3-Way

The Pep men's team was defeated 50-13 by the Three-way men's team last Wednesday night at Pep. The high point man for Three-way was Dan Lamar, who scored 14 points. Pep's high point man was L. V. Hogue, who scored seven points.

Other players were Mr. Winn, who scored two points, Mr. Erhlic, Robert Greener, Billy Joe Gerik, Mr. Parsons, who scored two points, Walter Gerik, Franklin Green, and Adolphus Jungman.

Pep women were edged by Pettit women 28-27. Mrs. Walter Gerik was high point girl with 12 points. Mrs. L. V. Hogue scored eight points, Mrs. Nema Weaver, one point; Miss Mary Ann Sokora, two points; Mrs. Betty Parsons, one point; and Mrs. Eugene Gerik, one point.

The other players were Mrs. Syl Greener, Mrs. Billy Joe Gerik, Mrs. Syl Diersing, Mrs. J. W. Walker, Mrs. Leo Ruzicka Jr., and Mrs. Max Demel. The referees were Bill Wood and N. A. Fagean.

Holiday Set

The Pep school board met Thursday night and decided that Christmas vacation would be from December 23, 1953, until January 4, 1954.

Mr. and Mrs. A. H. Diersing attended a wedding in Muenster.

DO I CARE?

Whether Lamb County Has Boy Scouts or Not?

HERE IS WHAT SCOUTING

ACCOMPLISHES ...

FOR MY COMMUNITY ...

Scouting Stops Delinquency ...

The Scouting program gives boys constructive things to do at the age when they must do something — good or bad. It reduces my cost of law enforcement and improves the quality of the future citizens of my town.

Scouts Help With Civic Work ...

Boy Scouts, in addition to their individual daily good turns, join in the work of many civic projects. They conduct clean up campaigns, act as ushers, guides, etc.

FOR MY SON ...

Scouting Molds Character ...

My son's character is of top importance to me. Scouting helps him develop traits of co-operation, service, industry, honesty and self reliance.

Scouting Develops Leadership ...

My son has an opportunity to become a patrol leader, to learn how to get boys to work together without compulsion.

Scouting Teaches Skills ...

Every time my son earns another merit badge he explores another valuable skill, which may prove valuable to him one day.

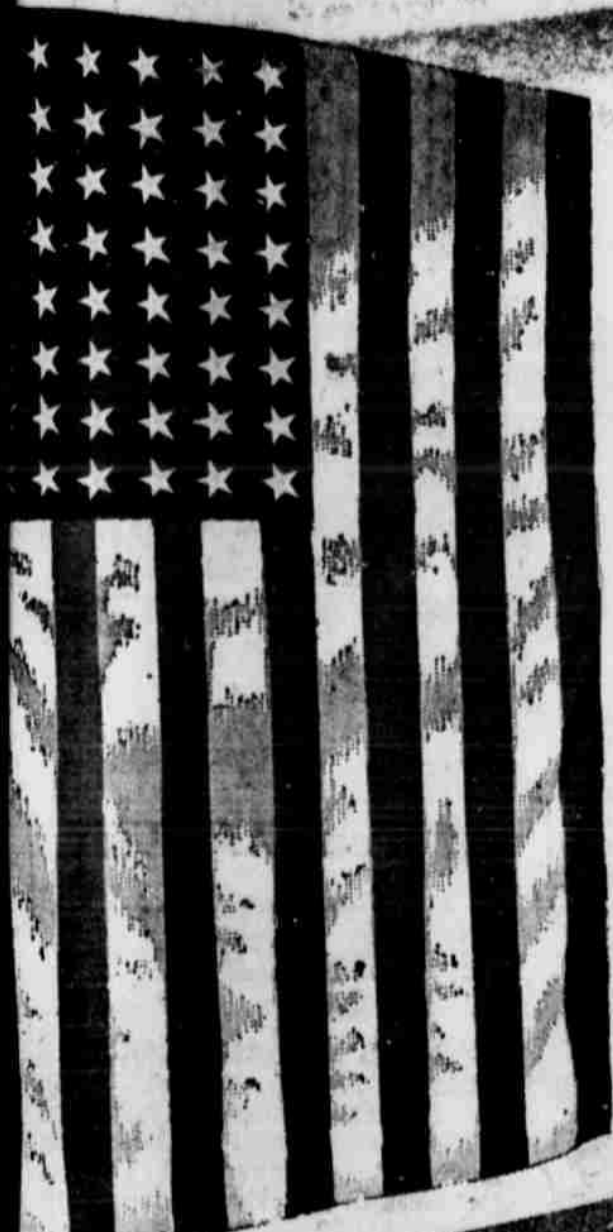

Are These Accomplishments Worth Some Of My Time and Money?

Yes! Whether I Have a Son or Not ... Scouting Is Worth to Me the Few Dollars a Year It Costs Each Citizen To Maintain It!

OFFICERS found plenty of fingerprints but none of them have yet identified the burglars who broke into Littlefield's schools last weekend. While they got less than 50c for their considerable trouble, they caused approximately \$200 damage to files and the vault door. They were unable to open the vault after knocking the knob off, but they made it very expensive for the school to open. A similar break-in occurred at Hale Center a few days ago and Littlefield Superintendent Halds Pearce thinks they were looking for football receipts which were stored in the vaults at both places. Shown investigating the break-in a few minutes after it was discovered are Deputy Sheriff Lester Hollabaugh, Sheriff Dick Dyer, Chief of Police J. L. Walraven, and Superintendent Pearce. Sundown-Hale Center Game Here Thursday

Hale Center and Sundown meet at Seely Stadium Thanksgiving day in one of three bi-district football games in which area teams will be competing. Kickoff in the Hale Center-Sundown game at Littlefield will be at 2:30 p.m. Winner will meet the victor of a Springlake-Memphis contest in Memphis Thursday. Springlake is favored to win that game. Whitharral plays Meadow at Brownfield at 2 p.m. Thursday. Whitharral is District 3-B title holder and Meadow won in District 4-B. Olton meets Phillips in Amarillo Friday for bi-district honors. Olton won the District 2-AA title and Phillips is champ in District 1-AA. Both teams won nine and lost one during the season. Winner of the game at 2:30 p.m. Friday in Amarillo stadium will battle for the regional championship the next week with the winner of the Childress-Stamford game.

EDITORIAL

I fear three newspapers more than a hundred thousand bayonets.

Napoleon was not power of the newspapers themselves that he actually feared. Newspapers and the people who print them do little directly—no more than any other hand of men. Napoleon really feared was the masses of citizens and those newspapers. All newspapers can do is inform readers of what is going on around them. But an intelligent person is something that ambitious politicians fear. Most of them would like to throttle the free press so they can make the people believe anything the politicians in many countries that has happened, and some day happen here. We are not supermen, and with each other we become less wary and more inclined to be deceived by the bribes of those who would re-enslave us.

Something To Brag About

It has not been a Texan long but already I want to brag about the state. Am going to skip the obvious things which the world around, knows Texas excels in and mention other good things about the state—or at least this part which I had not known until doing a lot of driving in the state. Texas has not spoiled the beauty of its vast countryside and road signs. One can drive for miles without seeing a sign to scar the beauty of the plains. And even near the signs are at a minimum and mostly small. It seems to me that this exemplifies the good taste and sense and civic pride of the Texans who buy advertisements. It is possible to advertise in ways that are not offensive to anyone, and they do so.

Highlights and Sidelights from Your State Capitol

VERN SANFORD
Texas Press Association

AUSTIN, Tex.—Attorney General John Ben Shepperd asked federal officials to take action against leaders of striking Distributive, Processing, and Office Workers at Port Arthur.
People in the DPOWA "have repeatedly refused to swear an oath that they are Communists," Shepperd said in making an investigation of the strike.
His inquiries showed "that the leadership of DPOWA has a record for supporting subversive causes."
Shepperd's report on the situation was sent to the U. S. Attorney General, and to the National Labor Relations Board, as well as to union leaders, whom he asked to withdraw their support of the strike.

—tpa—
House Speaker Reuben Senterfitt has taken his campaign to elect him governor of Texas next year.
Some town backers of Senterfitt at San Saba sponsored a broadcast and purchased newspaper space to enlist support over the state.
Senterfitt has said that he will cross that bridge when he gets to it.

Senterfitt is a political veteran at 36 and has served two terms as Speaker of the House.

—tpa—
Senterfitt hasn't said what he plans to do about the Governor's steps out, Senterfitt faces a rather large field of powerful candidates.
Among those who are likely candidates are Lieutenant Governor Ben Ramsey, Attorney General John Ben Shepperd, Commissioner Bascom Giles, Representative Bentsen, Houston Mayor Roy Hofheinz, and Austin Attorney Ralph Yarbrough.

Others mentioned for the race are State Senator A. M. White, Jr., champion of higher teacher pay, and Agriculture Commissioner John C. White.

—tpa—
Meanwhile, the political status of the Texas Young Democrats remained uncertain. Both liberal and conservative groups were denied seats at the national convention held in St. Paul, Minnesota.

The conservative group, recognized by the Texas Democratic Executive Committee has been inactive since 1949. In this, the liberal group sought to gain recognition by the convention held that neither group prescribed standards, and so the fight continues.

—tpa—
A possible compromise on the teacher pay problem will be before a committee appointed by the governor, at a meeting to be held later this month.

In seeking to resolve the issue of state and local sharing of school costs, a committee member recommends a \$402 per pupil raise, an 80-20 formula for state-local financing, and state aid on buildings.

Senator A. M. Alkin of Paris, opponent of a percentage plan in the past, says that helping the districts on their own is in line with his thinking.

As one committee member commented: "If there's any money available to pay a raise, it's love's labor lost . . ."

—tpa—
A commission on higher education by a close vote of 9

to 7 has included junior colleges in a survey being undertaken for the legislature.

Junior colleges became a state problem a few years ago when the state began giving them per capita grants of aid.

Purpose of the commission is to bring about a reorganization for higher education just as the Gilmer-Aiken law did for the public school system.

Representative Reagan Huffman of Marshall, member of the House appropriations committee, said that "two thirds of our trouble comes from junior colleges, and I can't decide if they are stepchildren, orphans or legitimate children of the state."

—tpa—
Battle lines were being drawn over a rule by the state optometry board to limit advertising for the profession.

Although the legislature this year killed a bill to empower the board to set up any code, the board proceeded to adopt the code of ethics of the American Optometric Association. One of the rules limits advertising to a professional card not larger than two by four inches in size.

—tpa—
Other groups also were involved in the licensing board's ruling. It said that use of advertising, other than the professional card, would be considered "soliciting patients," under provisions of the Penal Code, which would make the newspaper or radio station accepting advertising an "accomplice."

According to the board, the manager of an optometry shop whose address was given in any advertising would be held personally liable to fine.

Members of the Texas Association of Independent Optometrists, the group which generally uses advertising media, was planning to challenge the board's authority in court.

—tpa—
Government charges that a million dollar herd of rare Charolais cattle were smuggled through Texas were expected to come before a federal court here in January.

A quarantine has been slapped on the white, French-origin cattle on ranches in Louisiana. Cattle associations have expressed fear that the big animals may have brought the dread hoof and mouth disease from southern Mexico.

Indictments on charges of fraudulently importing the cattle were recently returned against Alphe A. Broussard, Lafayette, La.; William L. Babb, El Paso, and Antonio Enrique Gilly, Atlixco, Mexico.

—tpa—
A vast program to preserve Texas historical material is making progress. A committee authorized by the legislature is incorporating a non-profit Texas Historical Foundation and will accept donations to carry on many phases of the work.
Governor Shivers, in addressing the group, said: "It is not merely another Texas brag to claim that we are far richer in historical material than most of our sister states."

"It is certainly not a Texas brag to report that we have been sorely remiss in cataloging, conserving and making use of this material."

Calls for help already have come for Fort Davis, the historic West Texas site which will be 100 years old in 1954, and also for Zapata County to restore the first dwellings of Europeans on the Rio Grande.

—tpa—
"For the good of the hospital system" three employees of Rusk State Hospital have resigned by request, the superintendent announced.

They were a psychiatrist and two attendants, said Dr. C. L. Jackson, the superintendent. He gave neither the employees' names nor the nature of the complaints against them.

—tpa—
SHORT SNORTS: Although three million acres were returned to Texas ownership by the tidelands legislation, only about 160,000 acres are under lease for oil and gas development. . . . But, just five producing wells have been drilled in the tidelands. . . . Tornado-detecting radar sets are scheduled for Texas cities, with Houston, Galveston, and Fort Worth already signed up. . . . The Air Force has offered radar sets to 18 towns, and Texas A. & M. experts are planning installations. . . . A cut in the December oil allowable marks a five-month decline, and the recent cuts have trimmed the expected annual state income by almost \$20 million. . . . A mass of legal papers in the ouster proceedings against District Judge C. Woodrow Laughlin has been sent to the Texas Supreme Court but a quick decision is not considered likely.

It's The Law In Texas

GOVERNMENT OF LAW IS AMERICAN IDEAL AND PRACTICE

Nowadays we hear the term "Government of Law" from time to time. Few of us stop to think that this phrase means just what it says and that it is especially important to us as American citizens.

Judges get the law by which they decide the legal questions arising in a lawsuit from three sources: federal and state constitutions; federal and state statutes; and from previous judicial decisions and legal writings. Previous decisions state the public standards of rights and duties in matters not covered by constitutions and statutes.

Lawyers say that if judges and juries were not bound by law and precedents—if each lawsuit the judge or juror could set up a private standard of rights and duties as a basis for deciding that case—no one would know in advance of the decision how he should have acted in a particular situation. Cases arising out of similar circumstances would not be decided on settled principles but on the personal ideas of the trial judge or juror.

Because cases must be tried and determined on established and recognized public standards of right and wrong, we call ours a government of law and not a government of men.

Judges have access to statements of the law and know which apply to the situation involved in any lawsuit. So that justice may be done according to the law, it is imperative that

the jurors in each case accept the law as the judge gives it to them. They are therefore required to base their verdict on his instructions as to the law, rather than on their own notions of what the law is, or ought to be.

For somewhat similar reasons there are rules governing the way a case is to be tried in court. These rules prescribe what must be stated in the pleadings, in what order evidence must be presented, what evidence is proper, what form questions must take, in what order lawyers are permitted to argue, what is permissible and what is not permissible argument.

If it were not for these rules no one could foresee what would happen during a lawsuit. It would be impossible to prepare properly for the trial. No one would know, until the judge had ruled, what he would be permitted to say or do, or in what order. Such a situation would inevitably result in confusion and injustice.

The whole purpose of laws and rules is to insure equal justice by providing a single standard of rights and duties, applicable to all persons similarly situated.

(This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law with out the aid of an attorney who knows the facts, because the facts may change the application of the law.)

Japan which catches three million metric tons of fish a year, leads the world in fisheries, says the National Geographic Society, the United States being second with 2 million; Russia two million, and the United Kingdom and Norway 1.1 million each.

Lipstick Logic

The Comanche Indians, who long ago roamed the Western Plains, had something on us later inhabitants when it comes to choosing nicknames.

Each had a name and a nickname. Formal names were poetic: Big Looking Glass, Group of Men Standing on a Hill, He Runs Directly Against the Enemy, She Invites Her Relatives. And each had a meaning, often connected with the family history or with some exploit of the warrior.

Lipstick Logic, such as Face Wrinkles Like an Old Man, Medicine Woman, Breaks Something; but more likely, the nickname referred to the behavior of his kinsfolk. Whether he liked it or not, his associates could change his nickname to one more appropriate.

How much more exciting this would be than the present label

system used in our own society. And no more confusing, it seems to us, than 14 Bill Smiths, four John Joneses and a couple of Joe Jacksons, all in the same community if not the same family. And while Mary Smith's chances are good to marry out of hers by choosing a husband named Quickenstead, the American man is stuck with his name forever. Even our nicknames, most often, are simply shortened versions of the proper name.

We could have a merry time re-naming ourselves and our Cracks When She Smiles, She Makr, She Loves Her Neighbors. Might even adopt the Comanche custom of removing a "jinx" by taking a name that defies a weakness: such as Never Forgets a Birthday, She Has Courage, Her Check Book Balances.

Too bad when we wiped out the Indians we couldn't have salvaged such a charming custom.

Remember?

(From Lamb County Leader files for Nov. 22, 1934)

At a meeting of the Lamb County Commissioners and County Relief Commissioner F. A. Loyd, plans were made to pave Highway No. 7 from Amherst to the Bailey county line, using Public Works relief funds.

The first cold wave of the season, accompanied by two inches of snow, swept into Littlefield.

A special train was scheduled to run from Littlefield to Ralls for the district championship football game between the Littlefield Wildcats and Ralls Jackrabbits.

County Commissioners ordered a jail constructed at Earth after a delegation of citizens offered to furnish the labor if Commissioners would furnish materials. A story about the proposed jail says, "The bastille will be of concrete and of sufficient size to accommodate the patronage it expects to enjoy."

Funds were being raised to build a Missionary Baptist church at Anton.

The Womens' Missionary Council of the Assembly of God church was collecting a "mile of pennies"—which they figured would amount to \$844.80—to build a roof on the church.

J. P. Smith of Littlefield was a member of the livestock judging team chosen to represent Texas Tech at the international livestock exposition in Chicago.

Mrs. J. W. Keithley and daughter, Miss Maribel, entertained at a surprise party honoring their son and brother, David, on his 18th birthday.

Three Littlefield children were winners in a national baby popularity contest. They were Ernest Sellers Jr., 2½, J. T. Street Jr., 3½, and Mary Jane Coen, 1.

The Twentieth Century Fund estimates that the United States and Canada produced about half the world's industrial output in 1947.

Spade-ing Up News

By Betty Byars

A wonderful week has just passed for Spade. The football King and Queen were crowned, and we beat Three-Way in football. Thursday night was the final night of the season and the final score was 41-28 in our favor.

Tam Pointer was very surprised when Gary Elkins came up and told here to go get dressed. In case you wonder what that's all about, she was football queen. The pep squad formed a heart, held red tinted flashlights and sang "Let Me Call You Sweetheart." Jerry Wells was crowned Football King by Christine Bundick.

The boys gave Tam a white mum with a black S in the center with black and white streamers and a big red bow. She wore a gold suit with black accessories. The pep squad gave Jerry a box of candy. He of course was in a football suit. Tam and Jerry were driven off the field in a blue Chrysler convertible.

The pep squad surprised Maudean Tinsley, Christine Bundick, Wanda Bryant and

Ann Adams with white mums, also.

A party was given in honor of the boys after the game.

Good work, grade school, you played Springlake a good game. High school girls played good, also.

Several people reported to me that they saw Glenn Holly and Doyle White together Thursday night.

I think Wanda Bryant needs glasses. She evidently thought Virginia Gregson was a boy the other night. Anyway, she walked her off the field.

Pat Pointer did a very good job of playing the drum Thursday night for the pep squad to march by.

Notice!

I think everyone should give their appreciation to Mrs. Dykes on being such a good pep squad sponsor. Especially the girls!

Say, who's the boy Meredith Tinsley keeps looking at? Could it be Wayne Loman?

Friday morning Wanda Bryant and Meredith Tinsley look-

ed a little sleepy eyed. I imagine its' because Meredith spent the night with Wanda.

I surely do see a lot of DeWayne Dixon and Gwendolyn Reed here lately. What's between them?

The seniors received their graduation cards Tuesday and curiosity got the best of them. Christine Bundick just couldn't wait to see them.

Spade is going to have a record of sprained ankles. Ruth Cox sprained hers when we played Springlake.

The eighth grade girls seemed to enjoy the party the Home

Ec. I girls gave them. I am one of the Home Ec. I'll have to say it was a nice party.

Several of the girls and the boys, in Drivers Ed, got their restricted drivers licenses last week. So long, Betty.

THANKSGIVING

his is the time of year earth seems to pause,

er blessings counting: orchards, vineyards, fields

ll harvest-ripe; the hillsides burn bright—

o mortal artist's brush such color yields!—

ine snugly housed for winter in their byres,

moke curling heavenward from homely fires:

reat Lord of Harvesttime, we also pause

n thankfulness to count our gifts from You;

isions of peace grown clearer; all we love

n life—home, freedom, work and friendship true.

o nation under heaven so blessed as we—

Let Us Bow Our Heads in THANKS . . .

Today, in the spirit of the first Thanksgiving, let us give thanks to the Creator for all the blessings we have received . . . both as individuals and as Americans . . . a free people, living without fear in a free country. Like the Pilgrim Fathers, let us humbly acknowledge our debt to Divine Providence for all that we are and may hope to become. Like them, let us bow our heads in a prayer of gratitude to the Giver of "every good and perfect gift."

How better express the gratitude that is in your heart than to gather with family and friends at the Union Thanksgiving Service in Littlefield Wednesday Night.

4-H Members in Texas Win Trips

1953 HONORS in the Lone Star State were presented to four 4-H Club members who reported exceptional work in the National 4-H Clothing, Farm and Home Safety, Field Crops and Home Improvement programs. Their rewards will be all-expense trips to the 32nd National 4-H Club Congress in Chicago. Summaries of their accomplishments are as follows:

Ann Crow Marva Chambers Margie Sellers Wesley Masters

By making 129 garments suitable for work, school and parties, Ann Crow, 18, Ingleside, was awarded the National 4-H Club proclaimed Texas champion in the 4-H Clothing project, an honor that included an all-expense trip to the National 4-H Club Congress in Chicago, made possible by The Spool Cotton Co.

She is the daughter of Mr. and Mrs. E. B. Crow and a member of the Lucky Clover 4-H Club, where she has a perfect attendance record for six years. She has won blue ribbons in five county dress revues and taken first place at the County Fair the last three years. Ann began 4-H work six years ago and is now president.

Marva Chambers, 18, of Owens, turned her efforts toward making the interior of her home more comfortable and attractive in the 4-H Home Improvement program. State honors and an all-expense trip to the Congress were awarded to Marva—a fine bonus for good planning and painstaking effort. The trip was provided by the Sears-Roebuck Foundation.

Marva has been an active 4-H Club girl for six years. She chose "Remodeling My Bedroom" as her demonstration. She mixed her paints until she had an orchid gray which she used on the walls, and painted the ceiling a deep rose. Flowered drape material was used at the window, bench and closet shelves. Then she upholstered a chair in light green with ruffles of the drapery material carrying out the scheme of green, rose and gray.

Noteworthy results in the 4-H Farm and Home Safety program have been accomplished by Margie Sellers, 17, of Whitesboro. All these programs are conducted under the direction of the Cooperative Extension Service.

For which she received as state winner the General Motors trip award to the National 4-H Club Congress in Chicago. She helped make her community more safety conscious by means of surveys, demonstrations and other aids. She drew 17 free hand posters advertising National Farm Safety Week, displaying them in business houses in Gainesville and Callisburg, and conducted a safety survey, placing 260 placards on hazards throughout the community.

Margie also planned a community safety program, securing speakers and movie, arranging for newspaper and radio publicity. She conducted a hazard survey on the home and farm, urging other 4-Hers to do likewise.

Through all-around efficiency in crop production on the 876-acre farm of his parents, Mr. and Mrs. F. E. Masters, Wesley, 16, of Hale Center, was named state winner in the 4-H Field Crops program. A coveted trip to the National 4-H Club Congress in Chicago was his reward from the International Harvester Co. Wesley was able to achieve that recognition through careful attention to every phase of crop production, such as keeping farm machinery in condition, selection and treatment of seed, and scientific soil management.

President of the Cotton Center Boys' 4-H Club in 1952, Wesley raised seven acres in cotton that year, boosting his cotton acreage to 28 acres this year. His field crops for 1950 consisted of 12 acres of Plainsman Maize and 15 acres of black-eyed peas. In 1953, in addition to cotton, he raised castor beans, alfalfa and cow peas.

Hunters Told How To Avoid Gun Accidents

COLLEGE STATION—Nimrods are on the march and unless a few simple rules of safety are observed, many hunters will experience a serious accident.

It's the "itchy finger hunter" says R. E. Callender, extension wildlife specialist, who endangers the lives of other hunters in the woods and causes needless damage to wildlife. He points out that about two-thirds of all hunting accidents result from three causes: humans in the line of fire, humans mistaken for animals and hunting with a gun's safety catch off.

Good hunting sportsmanship includes using the proper caliber gun for the game; hunting only in season; and, even though the limit may permit, bagging no more game than can be used.

Thoughtful hunters, Callender points out, are careful with fire. Never throw away lighted cigarettes or abandon a burning campfire. Either can start a destructive grass or forest fire.

The rights of others should be respected. Always secure permission before invading another's property. Bird hunters, he says, should use a trained dog to retrieve crippled birds.

Observe these basic rules and you'll have a good hunt, the specialist adds. Treat every gun as if it were loaded; never carry a loaded gun in an automobile; be sure the gun barrel and action is clear of any obstruction; carry the gun so the

G. I. Questions & VA Answers

Q I plan to start training under the Korean GI Bill. Can you tell me what evidence I'll have to furnish the VA to establish dependency of my wife and child, so that I can get a higher rate of allowance?

A 1/2 You must submit a certified copy of the public or church record of your marriage, and a certified copy of the public record of birth or the record of baptism of your wife and child.

Q 1/2 I am a World War II veteran with a \$5,000 National insurance.

A 1/2 No. The law now prohibits the issuance of new policies to World War II veterans who did not return to active service after the Korean hostilities.

A 1/2 Yes. You may resume your training under the World War II GI Bill, so long as you go back into training within a reasonable period after your separation.

hunter has control of the direction of the muzzle even if he should stumble; and never pull the trigger until sure of the target and never point a gun at anything you do not intend to shoot.

Finally, Callender concludes, gunpowder and alcohol don't mix. The result may be disastrous.

Official Thanksgiving Was 100 Years Ago

The first annual national Thanksgiving Day, observed 90 years ago, was established by President Lincoln, according to the historian A. Warren, Lincoln National Life Insurance Company.

According to Dr. Warren, Lincoln issued a special proclamation setting the last Thursday of the year as a day of Thanksgiving. This day was designated as the last feast of the observance of the churches of the United States.

Lincoln repeated his proclamation every year since 1863. President of the United States has issued a proclamation establishing Thanksgiving Day as a national holiday.

It is interesting to note that in 1815, the first Thanksgiving Day, the last day of November, was the month of copper, brass and other metals often used. To remove, apply lemon juice, or a solution of acetic acid as well as soon as the metal is dissolved. Do not use bleaches or sodium to remove these.

Mothers often worry if their baby is not born on the date expected by the family doctor. Is the baby getting too large? Will labor be severe? Is there something wrong with the baby? To answer all these questions, a survey conducted by Dr. Robert E. Lartz of the Sharon, Pa., General Hospital. Dr. Lartz studied 71 overdue babies, several of which were as late as 45 days late in arriving. Here is what he found:

Only nine of the babies were considered normal. All but two of these were spontaneously. The "normal" in every sense of the word.

Dr. Lartz concludes that post-term babies — "in utero complications," does not lead to an increase in length of labor, and a higher incidence of a Caesarean section.

He says that the best thing a mother can do when her baby is late in arriving is to have confidence and as much rest as she can muster.

Dr. McDaniel Treats Lions To Venison At Ladies Night Dinner; McKay Speaks

Ladies' night of the Amherst Lions club was held Thursday night in the basement of the Methodist church.

The feature of the meal was barbecued venison which was a gift of Dr. B. O. McDaniel. He bagged the deer on a recent hunt in Colorado.

Ladies of the W. S. C. S. prepared and served the enjoyable meal.

Lion President C. A. Duffy Jr. presided at the meeting and Lion A. T. Hedgpath, program chairman, introduced Dr. S. S. McKay of the History Department of Texas Tech, who delivered an address on "Texas Brags". He is the author of that book and several other publications.

Approximately 55 attended the affair and were complimentary of Dr. McDaniel's as a hunter and of his generosity with the venison.

Dutch Visitor Sends Gifts To Rochelle Family

Mr. and Mrs. Balford Rochelle and son Ray, received an interesting package last week from Pieter Dieleman in Holland.

He is the young man who spent the summer months in the Rochelle home and was one of three who were here to study American methods in agriculture, in Lamb county.

Mrs. Rochelle's gift was a desk light, the base of which was white china with a windmill scene in blue of Holland with the theme on the shade also.

Ray's gift was a pretty letter

opener of the same china with a Holland scene on the handle. Mr. Rochelle's gift was a pair of wooden shoes in a size to fit him.

It seems that during his stay much time was spent in irrigating on the farm with muddy shoes always posing a problem.

But one knows that Dutch wooden shoes could not be really useful in our country but can be very ornamental—perhaps for planters.

Baptist Circle Has Family Dinner

Members of the Annie Armstrong circle of the Baptist W. M. U. entertained their families with a Thanksgiving dinner at the church Friday night. Foursome tables were decorated with cornucopias filled with fruits and nuts where those attending were served baked ham, candied yams, green beans, celery, rolls, coffee and pie.

Rev. John Rankin offered the invocation. Mrs. C. C. Craig gave the history of Thanksgiving and told a Thanksgiving story.

Dr. Andrew McCulley closed the program with prayer.

Reverend Egger Preaches At Clyde

Rev. and Mrs. Darris L. Egger and sons were in Wheeler Friday night. He delivered the sermon at the service that night which was a part of the Methodist church's 50th birthday celebration.

Next Sunday the Eggers will

be at Clyde for that church's golden Homecoming service. He will deliver the sermon at the morning service.

Before coming to Amherst Rev. Egger was pastor at Wheeler and prior to that was at Clyde.

Harvie Messamore, charge lay leader, will have charge of the morning service at the local church next Sunday and Mr. Manos from the United Texas Drys will speak at the evening service.

Miss Julia Peachey of Pratt, Kansas, is visiting her brother, Walter Peachey, Mrs. Peachey and her niece, Mrs. Roy Lee Harper and family in Lubbock.

Mrs. Edwin Hall and two daughters of Pampa visited Mr. and Mrs. Comer Hall, east of town, during the weekend.

Mr. and Mrs. William Artis and sons, Bill and Mack of Uniontown, Pa., left Wednesday after a visit with her mother Mrs. Ada Lanier, and sister, Mrs. R. P. Jeffery and Mr. Jeffery.

Mr. and Mrs. E. C. Holly of Amarillo visited Mrs. W. T. Ataway during the weekend. She returned home with them and will spend this week there.

Shower Held For Joyce Bass Paulsen

Mrs. Nolan Nutall, Mrs. A. L. Nuttall, Mrs. Robert Butler and Mrs. Loyd Edwards attended a bridal shower in Clovis, N. M. Friday for Joyce Bass Paulsen. It was given in the home of Mrs. Snell.

The honoree is the daughter of Mr. and Mrs. Dutch Bass, former residents of Amherst community.

Mr. and Mrs. Winston Cummings and infant son visited her parents in Balmorra last week.

Mrs. S. T. Walker of Clyde visited her daughter, Mrs. C. R. Stevens and Mr. Stevens last week. While here Mrs. Walker and Mrs. Stevens spent Wednesday in Tucumcari, N. M., with a relative, who is ill.

Miss Eleanor Dudgeon, a member of the local school faculty, spent the weekend with home folks in Tahoka.

Mr. and Mrs. Nolan Harlan of Bula spent the weekend with her mother, Mrs. D. L. Britt.

Mrs. John Rankin is visiting in Pecos with her sisters, Mrs. E. V. McDougal of Pecos and Mrs. B. M. Dinsmore of Wichita Falls.

Mrs. Roy Dickerson and daughters of Tatum, N. M., spent the weekend with her mother, Mrs. B. O. Shavor.

Holt's Cousin Dies

Mr. and Mrs. Horace Holt attended the funeral of his cousin, Miss Opal Carter, in Leveland Thursday. Interment was in a Lubbock cemetery.

Mr. and Mrs. Allen King are again residing in Amherst, in the Wilson apartments. They had spent several months in Dumas. He is employed at Plant X.

Mrs. LaMoin Howerton Feted At Shower In Holland Home

The James Holland home was the scene Thursday afternoon of a bridal shower honoring Mrs. Lamoin Howerton, the former Billie Fleiden.

Mrs. Lonnie Merle Bass, the honoree's sister, registered the guests.

Mrs. J. P. Brantley presided at the tea table, covered with a lace-cloth over pink. A miniature bridal party on a reflector centered the table, surrounded by small white mums and ferns.

Pink tapers in silver holders completed the table decorations. Fruit punch and cake squares iced in white with a pink confection rose were served.

A set of Revere ware was presented by the hostess group to Mrs. Howerton. She was the recipient of a large array of other useful gifts.

Hostesses were: Mesdames Holland, Maury, Brantley, J. P. Brantley, E. E. Gee, Glen Batson, T. J. Batson, Delvin Batson, W. Ferguson, Billy Brantley, B. Humphreys, Neel Bench, Pete Templeton, Horace Woodward, Claud Cook, Kermit Gregson, Doc Shawor, John Humphreys, Ed Schovajsa, Misses Virginia Lance and Marine Nicholson and Mesdames C. Pillion and Sedell Black of Littlefield.

Goes to Newfoundland

Warrant Officer Wilson A. Clayton left for his base in Newfoundland last week. He had spent a month with his wife, daughter Maudia Gail and infant son.

Mr. and Mrs. Winton Rochelle, Joyce and Gary of Odes-

sa spent the weekend with his mother and brother Balford and family.

Miss Doris Leathers of Fort Worth spent the weekend with her parents, Mr. and Mrs. E. L. Leathers. She is in nurse's training in City-County Hospital in Fort Worth.

Mrs. C. A. Duffy jr. and sons Neil and Pat left Friday for a visit with her parents in Hillsboro.

Mrs. Emma Coulson has returned from a visit with her son and family at Harlingen.

Recent guests in the home of Mrs. D. L. Britt were her brother and wife, Mr. and Mrs. V. L. Yarbrough and her niece, Mrs. Dewey Morton and children of Plainview, and her daughter and family, Mr. and Mrs. P. M. Nelson and children of Dimmitt.

Mrs. Chrysteene Dodd and daughter Debby of Lubbock visited her parents, Mr. and Mrs. Allan White, during the weekend.

Mr. and Mrs. C. A. Duffy jr. and C. A. Duffy sr. were in Amarillo Sunday. They accompanied James Duffey sr. that far, as he was enroute to Mangum and Oklahoma City.

Mr. and Mrs. O. G. Moore were Lubbock visitors Saturday.

Mrs. Glen O. Render attended a District Homemaking meeting in Amarillo Saturday. She

William Wilson Enlists In Navy

William Herbert Wilson, son of Mr. and Mrs. Milton Otis Wilson of Littlefield, has enlisted in the U. S. Navy. Engineer First Class Tony Dibsie of the recruiting station in Clovis, N. M., announced.

He enlisted Nov. 19 and was sent to the U. S. Naval Training Center in San Diego, Calif., for 11 weeks of boot camp. "The fact that Wilson wasn't 18 years of age entitled him to enlist on a minority cruise," Dibsie said. "This type of enlistment will see the boy discharged before his 21st birthday."

Attorney General Okays Area Bonds

Texas Attorney General John Ben Shepperd has announced the approval of his office of two bond issues for this area.

They are: Lazbuddie Independent school district school house bonds, series 1953, \$25,000 (Farmer and Castro counties).

Olton Consolidated Independent school district school building bonds, \$250,000 (Lamb and Hale counties).

The bonds have been submitted by the attorney general to the comptroller of public accounts for registration.
