By DOUGLAS POE

W. D. Chapman's picture head of the class in this WOW publication. He led the class last month in the competition and quantity of his fraternal life insurance. Fourth in the nation in sales. But they consider him the top salesman because of the top ten, he has set record for "persistent" that is his customers stay they keep up their pay-better than the other top.

Just almost as good as a drill team does. Hine tells us that they unusual response from his parents when the boy some an appeal for funds Salvation Army. They sent back giving the school fits them for money for Salvation Army "when you get money from the class."

Toastmasters Monday did not only got a mighty team but also a shock. A these guys couldn't tell an their names without three months ago, and of everyone of them make a creditable talk this night. They're just ordinary Joes and I.

They can do it, decided maybe too. So think I'll try if I can. They say they have given vacancies (their limit members) and that anyone would like to meet with should see their secretary, Jerry Newton.

I don't have the same effect I seem to have on the reading class. Bill Street and I both had the biggest average they've had. It bounced clear up to words per minute, and comparison went up too. That's more than double the rate when we started.

The Seventh Day Adventist building an addition onto church. This week's blessed man—Calvin Price.

That H. L. Fisher and Love got only one duck they went hunting Sunday. Bud says Fisher is just to crawl up into shooting (P. S. They got back in the Sunday School.) Pituitary says its always idea to keep your words sweet because you never when you may have to eat.

Littlefield Student Council elected Saturday when elected president of the Plains Association of Students in Odessa at an all meeting. Thirty council members with more than 400 in attendance.

Aunt Jemima is coming to town—what child hasn't played with an Aunt Jemima doll, stuffed with cotton from a sack of Aunt Jemima. She is sort of like Santa Claus with the children, and all the small fry will see her Thursday night, November 17 at the Community center where she will help the boys of the Lion's Club serve pancakes.

## Ministerial Association Makes Plans For Union Thanksgiving Service

## Judge Bills Is Reported Resting Well

## Carmickle Is Appointed To C of C Board

Members of the Board of Directors for the Littlefield Chamber of Commerce met at 7:30 a. m., Tuesday at Fishers' cafe for their regular meeting.

## Miss Thompson Wins State Queen Contest

A farmer's daughter who can milk a cow is the Farm Bureau Queen. She is tall, stately, Myrna Thompson, sixteen year old daughter of Mr. and Mrs. Joe Thompson who live on a 1,000 acre farm five miles south of Dimmitt.

## Postal Receipts Are Still Rising

Postal receipts are still rising in Littlefield. They took another \$400 increase last month to put them more than \$2,000 ahead for the year. Postmaster Arbie Joplin hopes they may top \$70,000 this year for the first time in history.

## Speech Class Entertains Honor Society

The National Honor Society met Wednesday afternoon. The Speech class under the direction of Mary Ruff gave a play.

## James Lee To Be First Lieutenant

James Lee arrived in Littlefield to spend a week or ten days with his parents, Mr. and Mrs. J. H. Lee.

## State and County Collected 55% of '55 Taxes In October

County Tax Collector Herbert Dunn reports that during the first month of collecting 1955 taxes his office received \$215,031.45. This is roughly 55% of the entire state and county tax levies for the year.

## Boys Will Be Boys Maysville, Ky.

MAYSVILLE, Ky. — Boys will be boys, and Will Cooper couldn't resist sliding down the stack of hay after pulling into the hay barn.

Although many textile mills have moved to the South, New England still has 170,000 workers in its mills.

Miss Thompson Wins State Queen Contest

A farmer's daughter who can milk a cow is the Farm Bureau Queen. She is tall, stately, Myrna Thompson, sixteen year old daughter of Mr. and Mrs. Joe Thompson who live on a 1,000 acre farm five miles south of Dimmitt.

The five-foot-six-and-a-half inch brunette with sparkling eyes was acclaimed the queen in a contest with thirteen farm girls from various Farm Bureau districts in Texas.

## Library Fund Is Increased

The 1955-56 School budget allowed an additional \$925.00 for books for the libraries of the four schools. The new budget will be spent on a per capita basis of the primary, elementary, junior high and high school.

## Kent Brooks To Be Naval Air Cadet

Kent Brooks, son of Mr. and Mrs. Ernest Brooks of Littlefield reported this week to the Naval Air Station in Pensacola, Fla., where he will be an Air Cadet.

## L. L. Massengill Is Very Ill

L. L. Massengill, prominent Lamb county farmer since the late 20's, is resting satisfactorily at his home west of Littlefield. He suffered a stroke Saturday night.

## Services Are Held For Mrs. Green

Mrs. Bob Green who lived eight and one half miles north east of Spade passed away Sunday morning at 11 o'clock in a local hospital.

## Write Santa Today

It's fine to know that you've been a good child, but does Santa know?? He might need a reminder — and besides he needs to know what you want for Christmas.

Why not get your letter to Santa Claus in the mail now? Just address it to Santa Claus, % News-Leader, Littlefield. The deadline for sending these letters on to the North Pole is midnight, Dec. 10, so to be sure yours today.

## "Abundant Water" Is Found In Sand Hills Test Holes

The city commission considered several major changes in policy at its regular meeting Thursday evening, and gave City Manager Guy McCraw the go ahead on at least two of them.

## Community Center Board Meets Tues.

The Community Center Board held their regular meeting at the center Monday evening.

## County Jail Busy Last Week-end

The Sheriff's department reports eighteen arrests over the weekend. Nine of these were Latin-Americans who were drinking in public places and were released after paying fines of \$20.50 each.

## Abundant Water In Test Holes

Mayor Ray Keeling reported that he had inspected the four test holes drilled on the 1 1/2 sections of water rights in the sand hills, and that they showed "abundant water." The principal water bearing sand varies from 97 to 120 feet in thickness, and there are some fairly good sands above the main one.

## Services Are Held For Mrs. Green

Mrs. Bob Green who lived eight and one half miles north east of Spade passed away Sunday morning at 11 o'clock in a local hospital.

## Read Your Own Meter

McCraw was directed to set up regular routes for the reading of water meters and to let people know when they can expect the meter reader around.

## Switch Motors

McCraw reported that he plans to switch motors on well No. 5. Its capacity has dropped so much that the 100 h. p. motor now on it is no longer needed. To reduce operating costs, he plans to install a 40 h. p. motor from a well which has failed.

## Popular Boxes

The Police department reports that the yellow boxes attached to a parking meter post in each block are proving to be a much more popular way of paying parking tickets than was the old system of going to the police station.

Next regular meeting of the commission will take place at 7:30 November 17 in the court room at the city hall. Citizens are always welcome at the meetings.

REPELING APPROVED  
The Commissioners' Court has approved bond for Joe Ebeline, the newly appointed deputy sheriff at Earth.

# Mustangs To Battle Wildcats Friday

OLTON MUSTANGS: First row, left to right: Carlton Ashley, James Carson, Wally Stewart, Jack Straw, Jack Gray, Jerry Edmondson, David Miller and Billy King. Second row: Harold Eby, James Hyatt, Danny Cure, Kirk McAdams, Max Wozencraft, Billy McAlister and Edward Featheringill. Third row: Assistant Coach Jeff Smart, Bobby Johnson, David Price, Clinton, Teddy Estes, Clyde Rhodes, Jerry Hysinger, Don Powell, John Jefferies and Coach Joe Turner (Staff Photo).

LITTLEFIELD WILDCATS: First row: Warner DeSautell, Jimmy McShan, Jimmy Jamison, Larry Weaver, James Blessing, Buddy Jones and John Burkeson who has dropped football since the above picture was taken. Second row: Coach Gene Mayfield, James Lee, James Pressley, Andy Parker, Ernest Hoppe, Mike Greer, Roger Lowe, Joe Hoover and Coach Don Williams. Top row: Don Richards, who is out with a broken rib, Paul Yarbrough, John Clayton, Bob Orr, Wayne Wicker, Davis Lee Williams and Morris. (Staff Photo)

## Winner Will Clinch Tie For District

More than 5,000 fans are expected to jam into Memorial Stadium in Olton Friday afternoon where at 2 p. m., the Littlefield Wildcats will do battle with the Olton Mustangs with the District 2AA title resting on the outcome.

The winner will in all probability win the title although they can only clinch a tie with a win. Lockney is the only team that could tie with the winner providing they beat Tulsa this Friday night. If Olton wins, they will be in the playoffs, because they have already beaten the only team that could tie them, Lockney.

Coach Joe Turner was contacted by telephone Wednesday and said that the Mustangs are ready, both mentally and physically to give the Wildcats their toughest game so far this season. The only player on his squad that will not see action will be Bobby Johnson, who broke his leg two weeks ago against Muleshoe. Turner also said that the Olton schools were going to send tickets to Littlefield today in order to avoid a jam at the gates there Friday. Olton's Memorial Stadium has only two small ticket booths and with the game so close after dinner, the gates will probably be swarmed about kickoff time. Turner said in order for the Littlefield fans to get in early, they should get their tickets before they come to Olton. The stadium has been doubled in capacity since last year, so there will not be the jam packed crowd standing up that happened in 1953 when the Cats journeyed to Olton.

Coach Mayfield said Wednesday morning that all of the Cats are ready to go with the exception of

# -SPORTS-

Glenn Richards, who has a broken rib. He was however worried Wednesday about the mental condition of the Cats. He got only a thirty minute workout out of the Cats Monday due to the snowstorm and Tuesday was forced to workout in the City park when the field at Seely Stadium was covered with snow and mud. He was hoping that they could get in one good hard workout Wednesday afternoon.

Coach Mayfield said that what was really their worry was the fact that the Cats defense hasn't faced a single-wing offense in two years with an unbalanced line that Olton runs off of and the defense needed more time to work out. The Mustangs run off of the unbalanced line of the single-wing, but sometimes they go into a T formation.

Jackie Gray and Don Powell, halfback and end respectively, are the sparks of the offense for the Mustangs. Gray can pass or run with the ball and from the single wing, this has a tremendous advantage over the opposition. Gray and Powell are the only two regulars that Olton has back from last year's eleven.

Mayfield said that Olton has faced eight teams this season that runs from the T formation but the Cats haven't faced a team running from the unbalanced single wing formation.

All the Cats are raring to go, anxious to get revenge for the bad defeat that the Cats suffered the last time they played the Mustangs, in 1953. The defeat was also the first time that Olton had beaten Littlefield since 1940. The Cats are anxious to get on the winning side against Olton again, but the Mustangs are just as determined to keep the Wildcats out of the District race.

Both teams have a good reason

the mighty Phillips Blackhawks in Bi-District, the team that beat Olton out of Bi-District in 1953, and beat the Cats in the State Quarter-finals last season. They both want another chance at the Blackhawks.

The Memorial Day crowd that will jam into Memorial Stadium will probably be the largest crowd ever to watch a game in Olton, and they have had some great crowds in the past. Both Coach winner of District 2AA will play for wanting to win district. The Turner and Coach Mayfield wouldn't predict victory for their teams, but each said that their boys are ready and will do their best.

## Outlook For Friday Games . . .

### Sudan Plays Happy In Important Game; Anton Plays Whitharral In Homecoming

By JIMMIE CHAPMAN

The "Game of the Week" in Class A ball will be played at Happy this Friday when the Sudan Hornets roll into town to do battle with the Happy Cowboys in a game that will decide a lot in District 2A.

Happy is undefeated in conference play and if they should beat the Hornets of Coach Francis Smith, they will have a great chance of beating the Wolverines on their home field next week. On the other hand, Sudan could throw the race into a three way tie if they beat the Cowboys and the Cowboys beat Springlake.

Happy has lost only one game this season, a narrow 25-20 loss to the still undefeated Kress Kangaroos of District 3-B. Sudan has losses to Sundown, Dimmitt and Springlake to mar their record. This is the last game of the season for the Hornets so they should let every thing go and they have plenty to roll with in Dickie Hanna, Jim Baccus, and James Gore.

The Cowboys have a returning letterman at every position and, passing seems to be their best offensive weapon. Sudan has showed

a week pass defense at times during the season and will have to be up to par to beat the ram-paging Cowboys who still have a chance at that District title.

Amherst should get their second victory of the season when they journey to Hart to tangle with the Longhorns in a District 3-B battle. Amherst's only victory this season was over Bovina, and Hart has still to win a game in this their first year in football.

Although the victory will do Amherst little good and the other teams in the district can kiss the hope of a district title away, because the Kress Kangaroos have at least a tie clinched already and they look headed for an undefeated season. Before this year, Kress had lost 39 ball games in a row, almost four years without seeing a victory, before they came up this season with a powerhouse.

Springlake will stay at home and take on the Friona Chiefs in another district contest. Springlake lost their first game of the season last Friday to the Amarillo Yannigans in a surprise at Springlake. They should have little trouble with the Chiefs however after Sudan beat them

badly last week for their second district loss in as many starts.

Bula has already won their District in Six-man football and will play Mobeetie for the Bi-District Championship. The Bulldogs have won the district title four years in a row but never have been able to capture a Regional Title. They will have their best chance this season as the Bulldogs are loaded at every position. Their worry is that they have yet to be extended. They have rolled over every opponent they have played this year at ease.

Other games in the area with the picked winner appearing in capital letters appear below:

- LITTLEFIELD at Olton
- SUDAN at Happy
- FRIONA at SPRINGLAKE
- LOCKNEY at Tulia
- MULESHOE at DIMMITT
- AMHERST at Hart
- ANTON at Whitharral
- FARWELL at BOVINA
- PETERSBURG at RALLS
- TAHOKA at Floydada
- ABERNATHY at Slaton

### Dunbar Plays Plainview Here Tonight

The Dunbar Tigers will play their last game of the season here Thursday night (tonight, at Seely Stadium when they take on the

## STARTING LINEUP

LITTLEFIELD	Pos.	Opp.
Andy Parker, 158	LE	Gerald Edwards
Joe Hoover, 175	LT	Jack Hysinger
Roger Lowe, 168	LG	Roy LaDuke
Paul Yarbrough, 168	C	Jerry Edmondson
James Lee, 185	RG	Max Wozencraft
Davis Williams, 210	RT	Edward Featheringill
Wayne Wicker, 160	RE	Don Powell
James Pressley, 125	QB	James Hyatt
John Clayton, 175	FB	Eddie Estes
Mike Greer, 145	HB	Jackie Gray
Max Morris, 175	HB	Wally Stewart

Plainview Dragons in a District contest. Kickoff time is set for 8:00 p. m.

Coach W. M. Chaney's Tigers will be going into the game definite underdog against the much heavier team from Hale county. They have been out of school for three weeks due to the holidays and have had little practice. They were working hard the early part of this week getting back into shape for the contest.

Starting lineup for Littlefield will be:  
 Right End, Tommy Wormley, 170  
 Right Tackle, Nelson McKenzie, 195  
 Right Guard, Charles Holmes, 172  
 Center, Dwayne Lee, 150.  
 Left Guard, Hershel McCarty 165  
 Left Tackle, Jim Chappel, 149  
 Left End, George Gaston, 145  
 Quarterback, George Brockington, 145  
 Fullback, Bobby Shaw, 158  
 Halfback, Raiford Light, 140  
 Halfback, Richard Davis, 154

The game will be somewhat of a grudge game for the two coaches. Coach Chaney used to play in the backfield for Tyler Texas College when Coach I. T. Stephens of Plainview played at end for the Prairie View eleven. Both of the schools are usually in the thick of the fight for the colored college championship. Littlefield has won three games this season while dropping the

same amount. Plainview on the other hand has a much better record, winning five while dropping three of their games.

Supt. Maurice Powell and Coach Chaney said they hoped a good crowd at tonight's contest and invite all football fans to the area to attend.

Tom Carlisle was injured on Thursday night in a car accident. He is in the Olton Memorial. Tom was recovering from an accident with his binder, where he got his leg hurt.

On October 31 the Scott Troon 29 entertained in the home of Mrs. Junior Maxey. The girls invited boys this year. The party

was from 7 to 9 p.m.

Lynn Blades, son of Mr. and Mrs. Amos Blades, was burned when he accidentally got his clothes on fire Thursday. His condition is not serious.

### MRS. STAMPS IS HONORED

A pink and blue hower in honor of Mrs. Dee Stamps was held Thursday afternoon in the home of Mrs. Mac Henderson. The gifts were presented to Mrs. Stamps in a bassinette by Paulette McFadden and Jaquetta Stamps. Punch and cake was served to the guests by the hostesses: Mesdames Lannie Nelst, Wesley Nelst, Paul McFadden, A. J. Young, A. B. Young, and Mac Henderson.

Mr. and Mrs. R. B. Cleveland of Lamesa were weekend visitors in Olton, with friends.

The WMU prepared a Sunshine box and took to Rhonda Gullette, who is still confined to bed.

### MYF COLLECTS FOR CROP

The MYF group who collected for the Overseas Relief Fund for mophans and TB patients, collected over \$200.00 on Sunday night. The government will match each dollar with 20 and do the sending.

Rev. and Mrs. Campbell were away on Sunday due to the death of a relative.

Rev. Ellis Dodd filled the pulpit Sunday morning and the Laymen had charge of the evening service.

### BAPTISTS HAVE NEW MINISTER

The new minister at the First Baptist church here is Rev. John Lewis of Seymour. The Lewises will move here about the 15th. They have three children. They fill the vacancy left by Rev. Henry Cox.

Mr. and Mrs. John Beeson were in Matador to visit with her parents on Sunday.

### HOMECOMING UNDERWAY

Plans are being made for the Homecoming game. A downtown parade is in the making, and an old fashioned chuck wagon supper will be served, also entertainment for the exes is on deck.

PLANT CITY, Fla. — D. T. Moye of Lakeland made the \$1550 down payment on a new automobile with 50-cent piece—in a basket so heavy it required two men to carry it.

Move said he started saving the half dollars in 1949 and intended to save the full price but the hoard got too heavy.

The Belgian Congo is larger than the part of the United States lying east of the Mississippi River.

## LET'S TALK LIVESTOCK

### SEVEN SPECIAL STOCKER & FEEDER SALES PLANNED

FORT WORTH — The "new look" in stocker and feeder sales developed at Fort Worth this year was so successful that seven events are planned by the Fort Worth Livestock Market Institute in cooperation with the Texas Aberdeen-Angus Association and the Texas Hereford Association during 1956.

New departure will be distributional sale of cows and pairs slated for April 13 at the stockyards. There will be three classifications in this event: 1. Herefords, or predominantly Hereford, 2. Aberdeen-Angus or predominantly Angus, 3. Mixed breeds or other breeds such as Brahman, Short-horn, etc.

At the meeting Friday there was some fun as Secretary Henry Elder of the Texas Hereford Association and Fieldman Milt Miller and Secretary Glen Toie of the Texas Aberdeen-Angus Association

tried to decide which classification the "black whitefaces," or the Angus-Hereford crossbreeds would fit into. Both claimed if they were "good ones" they belonged to their breed, and if they were "sorry" they belonged to the other fellow.

Actually, they will go into the classification designated by their owner.

Other dates selected for stocker and feeder sale date on July 13, and September 7. Dates chosen were as near as possible to dates both groups had this year, except the May Hereford sale which was set in at the request of cattle buyers needing cattle for shipment to Northern groups.

### FED STEERS SHARPLY LOWER; COWS GENERALLY STEADY

Movement of cattle and calves was again of moderate proportions at Fort Worth Monday, but Northern markets and the Corn-

belt reported heavy runs of cattle and hogs and fat cattle weakened. At Fort Worth slaughter steers and yearlings were weak to \$1 lower. Cows and bulls ruled steady with last week's close. Calves were about steady, with high grades and culls firm, and the between grades weak.

Comparative prices: Good and choice slaughter steers and yearlings \$17.00-\$20.00; odd head higher; common and medium \$10.00-\$16.50; fat cows \$9.00-\$11.00 and canners and cutters \$6.00-\$9.50; and medium \$8.00-\$14.00. Stocker steer calves \$19.50 down; stocker steer yearlings \$18.00 down; stocker cows \$8.00-\$12.75, latter price for springer cows and a few with baby calves, the cows averaged 830 pounds, at \$12.75, the calves about 100 pounds, brought \$20.

### HOG TOP \$14.00-\$14.25 AT FORT WORTH MONDAY

Another day of more than 100,000 hogs was chalked up by the 12 major markets Monday. At Fort Worth prices were steady to 25 cents lower on butchers and packing sows. Top hogs sold for \$14.00-\$14.25; and sows at \$11.00-\$13.50.

### SLAUGHTER LAMBS 5¢ LOWER; OTHER CLASSES STEADY

Good and choice fat lambs drew \$17 to \$17.40 at Fort Worth Monday, and cull to medium kinds drew \$10 to \$16. Stocker and feeder lambs sold from \$14 to \$16. Fat yearlings drew \$16 down. Old wethers drew \$7 to \$12. Slaughter ewes sold for \$5 to \$6.

### FORT WORTH MARKET OPEN ON FRIDAY, NOVEMBER 11

It was announced Monday that the market at Fort Worth would be open as usual Friday for buying and selling livestock.

### BIG MEAT PRODUCTION NEXT YEAR PREDICTED

Copies of the report of the feed survey committee of the American Feed Manufacturers Assn. received in Ft. Worth last week called for continued high level feeding and meat production.

The committee of experts from agricultural colleges all over the country included such authorities as Dean Darlow, Oklahoma A&M, and Dr. I. W. Rupel of Texas A&M.

They predicted cattle population and feeding about the same

TEST NEW ANTI-VIRUS VACCINE—Dr. Joseph A. Bell and Dr. Robert J. Huebner, both of the National Institute of Health at Bethesda, Md., discuss the results of trials in human volunteers of an experimental vaccine which has been found to be effective against one type of the common cold. The Public Health Service announced that fairly large quantities of this type new triple threat serum is in final stages of production now, and they hope to be able to use it in mass tests this winter on up to 10,000 army recruits.

## Pvt. Kelly to Leave Germany

Pvt. Frankie R. Kelly, 18 whose wife, Rita Maye, lives at 606 Tenth St., Alamogordo, N. M., is scheduled to leave Germany for the U. S. in mid-November as part of Operation Gyroscope, the Army's new unit rotation plan.

His unit, the 1st Infantry Division, is being replaced in Europe by the 10th Infantry Division. The 1st will be stationed at Fort Riley, Kan.

Private Kelly, who has been overseas since June 1954, entered the Army in April of last year and received basic training at Fort Leonard Wood Mo.

His father, Carter Kelly, lives at 714 Hall St., Littlefield, Texas.

# "WE WIRED FOR HELP!"

says Mr. Roland Champion, 808 S. Plains Park Drive, Roswell, N. M.

Wiring — good wiring — is an investment that never depreciates. And good wiring never costs less than it does when you build.

As H. D. Danenberg, who wired the Champion's home, points out: "With their present system, they won't have any expensive additions in the future."

Whether you build or remodel, be sure that wiring is part of your plan — if you plan to live the modern way.

The lifeline of modern living is your home electrical wiring system. When it's up-to-date, you're up-to-date.

Mr. and Mrs. Roland Champion of Roswell know the pleasures of modern electric living, for their home is wired for today — and the future.

Mr. Champion says: "With our home wired for our needs, we live very comfortably, and certainly conveniently."

Mrs. Champion gets right down to cases. "Our wiring lets us have an electric range. I wouldn't have any other kind. The outlets in the kitchen are so handy, and in the living room they're just right for the arrangement of furniture. Our wiring serves us from daylight to dark, right around the clock."

For pleasant living — electric living — wire ahead in your home now.

MISS JOYCE THARP

**Joyce Tharp Out For Maid Of Cotton Title**

Miss Joyce Tharp, 19 year old daughter of Mr. and Mrs. H. B. Tharp of Littlefield, Texas has entered the sixth annual South Plains Maid of Cotton Contest which will be held in Lubbock, Monday, November 14.

She is a senior at Texas Technological College.

The South Plains Maid of Cotton offers the winner an opportunity to compete as one of 20 finalists for the National Maid of Cotton title in Memphis, Tenn. The South Plains Maid will have the right to represent the area and will receive a new cotton wardrobe for the Memphis contest, to keep or her own.

The winner will be the area's official cotton ambassador for the coming year. As such, she will carry the greetings of the cotton industry throughout the South Plains area.

She is majoring in Business Education, and in addition to her regular curricular activities, she is a member of Delta Delta Sorority, Phi Gamma Nu, Radio Association and the Students Council.

**Berrys Attend Golden Wedding Dinner In Abilene**

Mr. and Mrs. E. L. Berry of Merkel celebrated their fiftieth wedding anniversary Saturday, November 5, when they were honored with a dinner in the home of their daughter, Mrs. L. S. Lilly of Abilene. Attending were relatives and close friends. Forty-five guests including the couple's three children attended.

Mr. and Mrs. A. L. Berry of Amherst, attended. Berry is one of the three children. The other two are Edgar Berry of Colorado City, and Mrs. Lilly of Abilene. Five grandchildren also attended. They were Robert Berry, Big Spring; Monte Berry, Amherst; Vicky and Tony Lilly of Abilene; and two great-grandchildren, Bruce and Gary of Big Spring. One granddaughter and her children, Mrs. Lon Nuttall, Debra and Ronnie of Onida, S. D., were the only family members not present.

**COFFEE CAPER**  
BROADUS, Mont. — When Mrs. Marvin Adams discovered that her new auto was on fire she grabbed a thermos bottle of coffee to extinguish the flames. Her efforts salvaged a camera and a spare tire.

**GOOD REASON**  
PHOENIX, Ariz. — An escapee from the Arizona State Hospital was picked up and returned to custody at the mental institution. Police asked him why he escaped. He replied, with admirable sanity, "I wanted to."

**WELCOME AUNT JEMIMA**  
to the annual Lions Club PANCAKE SUPPER  
November 17th

**Sudan Couple Observe Golden Anniversary**

Mr. and Mrs. R. H. Shaffer of Sudan received friends and relatives at their home Sunday afternoon for the occasion of their 50th wedding anniversary. Rufe Shaffer and Myrtle Britton were married November 8, '05 at Carlton, Texas.

It was a cold, rainy day when eight couples traveled by buggy to Carlton to the parsonage home of a Baptist preacher Rev. Gibson, to attend the ceremony performed for the couple. The vows were solemnized while the couple sat in the buggy. Following their marriage they resided on a farm near Hamilton. Both are native Texans. The son of Mr. and Mrs. S. P. Shaffer, Rufe was born in 1882 in Hamilton county. Myrtle Britton was the daughter of Mr. and Mrs. H. G. Britton and was also born in Hamilton county in 1886.

Although they grew up within eight miles of each other the couple never met until he was 20 years old. Mrs. Shaffer states the reason for their delayed acquaintance was that they attended different schools.

They are Sudan pioneers, having moved to the community in 1924. Mrs. Shaffer remembers there were only seven houses in Sudan at that time. Upon moving here they lived on their farm south of town until Mr. Shaffer retired a few years ago and they moved to town.

The couple encouraged all their children to acquire higher education and out of the five, four have served as school teachers. All of the five attended Texas Technological college in Lubbock. The trend for higher education still runs in the family and they have a grandson who will be graduated this year at the age of 21 from a university in Arizona. All five of the Shaffer children and their families were here for the occasion. They were Mr. and Mrs. Weidon Shaffer and Laurie Ann of Sudan; Mr. and Mrs. R. C. Ware and son of Roswell; Mr. and Mrs. E. A. Jenkins and Carol and Max Jennings of Leveland; Mr. and Mrs. Dick White and children, and Mr. and Mrs. Mac McFadredge and Gailand, all of Los Alamos.

Other relatives and out of town guests to attend were Mrs. Clara Parks, Mrs. Thaler Jenkins of Haskell; Mrs. Clara Barton of Brownfield; Mr. and Mrs. Travis Larry of Midland; Mr. and Mrs. Audrey Britton and daughter of Amarillo; Mr. and Mrs. Jenkins, Lubbock; Mr. and Mrs. Cuba of Leveland; E. D. Dickson, Wanda Lou Dickson, Bette Jean Dickson, N. L. Smith, Rev. Fred Cox, all of Littlefield; and Mr. and Mrs. Larkin White of Amherst.

Gifts of appreciation were presented Mrs. A. B. Roberts, president, and Mrs. Hayes Denney, secretary-treasurer.

Refreshments were served the honorees and Mesdames Hal Ferguson of Littlefield, Johnny Miller, Wade Strother, Jimmy Starnes, Coy Grant, Norman Hodges, Robert Strickland, and Pervadius Wade.

The next meeting will be a covered dish luncheon on Nov. 17, with Mrs. Norman Hodges.

**NURSE ON THE JOB**  
BRADLEY, W. Va. — Mrs. Ruby Willities, a nurse, spotted a doe in labor, and in the same field a Brahma bull coming on the run. Grabbing a board, the nurse fended off the bull until help arrived. The doe delivered two fawns.

The uses for glass fiber already extends from insulation to auto bodies and are expanding rapidly, says the National Geographic Society.

**Chisholms Have Fish Fry Sunday**

Mr. and Mrs. Herschel Chisholm entertained with a fish fry Sunday afternoon at their home at 712 E. 13th St. Co-host and hostess were Mr. and Mrs. Norman Chisholm.

Those attending were: Mr. and Mrs. M. Merle Chisholm and sons of Sudan; Mr. and Mrs. Gerald Chisholm and family; Mr. and Mrs. N. C. Chisholm; Mrs. Lula Powell, Olin Powell, Velma Gregory, Lela Moore, Edward Gregory, Mr. and Mrs. H. D. Crawford and Janice of Lubbock; Corne'la Cuba of Washington, D. C.; Mr. and Mrs. A. F. Sladek and Sanda of Spade; and Mr. and Mrs. Wilson Lewis and sons of Earth.

**Smiths Have Fish Fry For BW Circle Of WMU**

The Business Women's circle of the First Baptist church met Monday night in the home of Mrs. Clyde E. Smith for a fish supper. The fish were some of the 300 pounds that Mr. Smith caught on a recent fishing trip to Sugar Lake in Old Mexico.

After the supper the Royal Service program was held with Mrs. Tom Matthews as leader.

Those attending were Mrs. D. C. Lindley, Mrs. G. V. Walden, Mrs. Maude Street, Mrs. Curtis Chisholm, Mrs. Winnie Hogan, Mrs. Rose Bass, Miss Clara Jarman, Mrs. T. A. Henson Sr., M. S. Viggo Peterson, Mrs. C. E. Daniels, Mrs. Matthews and the hostess, Mrs. Clyde Smith.

**Whitharral HD Club Holds Regular Meet**

Mesdames L. C. Jordan and Rafe Rodgers were hostesses Wednesday for the regular meeting of the Whitharral Home Demonstration club in the Home Economics Cottage here.

Roll call was answered with "What I Am Most Thankful For." The demonstration was the making of the eight pound fruit cake to be aged for the Christmas party.

Mrs. W. C. Hawks will attend a school for tailoring each Tuesday for six weeks in Leveland and will teach the club group on each Wednesday.

An alternate as council delegate will be elected at the next meeting on Nov. 16.

Refreshments of watermelon rind preserve cake and coffee were served to two visitors, Mesdames Willie Williams and Cline Emernt of Madisonville, and the following members: Mesdames Guy Hughes, W. C. Hawks, C. E. Throckmorton, P. A. Wynn, Russell Cotton, Alvis Jones, and new member, Mrs. Hub Sprberry.

**Sod House Club Meets Friday**

Mrs. Eugene ... was hostess to the Sod House Home Demonstration club Friday at her home on Earth Highway.

Mrs. Claud Stine presided in the meeting.

The lesson was on nutrition. Plans were made for the Christmas party to be held in the home of Mrs. Delmer Hill, December 15.

The hostess served apple pie, and coffee to Misses V. O. and Willie White, Mesdames A. B. Morgan, Blanche Gwyn, Delmer Hill, Velma Melton, Lizz'e Kelton, H. K. Irwin, and Claud Stine.

**Mrs. Reagan Has Party**

A products party was held Monday afternoon in the home of Mrs. B. E. Reagan. Mrs. Nova Melton demonstrated the products. Several games were enjoyed by the guests.

Refreshments of cake squares decorated with pink rose buds and "Nova" and coffee or punch were served to the following guests: Mrs. Ione Harris, Mrs. D. B. Mathews, Mrs. T. E. Savage and Ferncia, Mrs. Leman Elms, and Mrs. Forrest Powell of Sudan, Mrs. L. H. Williams, Mrs. C. C. Golen, and Mrs. S. D. Elytt.

Those attending were: Mrs. Lloyd Haire, Mrs. Duffey, Mrs. H. A. Vick, Mrs. J. B. Haire, Mrs. Elder, Mrs. Bessie Elder, Mrs. J. D. Lee, Mrs. T. M. Murdock, and Mrs. Viola Brown.

**Surprise Party Honors Tolberts**

A surprise house warming was held for the Johnnie Tolberts in their new home five miles north of Spade, Saturday night.

A group of friends presented them with an electric skillet and a pair of table lamps. They also received several miscellaneous gifts.

The group brought sandwiches, coffee, and salted nuts for refreshments.

Those attending were Mr. and Mrs. Odel Matthews, Mr. and Mrs. Ves Brock, Mr. and Mrs. Bill Brock, Mr. and Mrs. Wayne Duffey, Mr. and Mrs. Loy Dalton, Mr. and Mrs. J. S. Brown and children M- and Mrs. Frank Brown and girls, Mr. and Mrs. Volle Stokes, and Mr. and Mrs. J. R. Chamberlain and Carolyn Wedel and baby.

About 150,000 U. S. children are born out of wedlock each year.

**Yellowhouse HD Club Meets With Mrs. W. A. Tindal**

The Yellowhouse Home Demonstration club met November 1 in the home of Mrs. W. A. Tindal.

The group played a game for opening exercise. Roll call was answered by "My Favorite Salad."

Mrs. Fred Duffey gave the council report, and the members planned the annual Thanksgiving dinner on November 17 in the home of Mrs. C. D. Elder.

Mrs. Fred Duffey and Mrs. Elsalads and served the salads with crackers and punch to the members.

Those attending were: Mrs. Lloyd Haire, Mrs. Duffey, Mrs. H. A. Vick, Mrs. J. B. Haire, Mrs. Elder, Mrs. Bessie Elder, Mrs. J. D. Lee, Mrs. T. M. Murdock, and Mrs. Viola Brown.

**Salads Are Made For Jr HD Club At Spade**

The Spade, Jr. HD club met Thursday, Nov. 3, at 2:30 in the home of Mrs. Sam Sewell. The president, Mrs. W. W. Thompson, was in charge. A "Thanksgiving game" was led by Mrs. Bayne McCurry. Roll call was answered with "My Favorite Salad."

Mrs. Thompson gave yearbook committee report and Mrs. McCurry gave a report on the committee that planned the Council Christmas party.

The club made plans for their part on the program at the Council Christmas party. On Friday, Nov. 11, the club members and their husbands plan to go to Lubbock for a "fun

night" including skating. Mrs. Thompson and Curry gave a demonstration "Salads for Supper" and recipe sheets. Mrs. McCurry made a meat tomato slices, cookies, tea to Mesdames John Thompson, McCurry and

The next club meeting the club Christmas party, Dec. 15, at 2:30 in the home of Mrs. Thompson. The exchange will be among children. Christmas recipes exchanged and each bringing something to eat. There will be games and a program and guests are invited.

# News of Women

Hugh Ellison, choir director of the Littlefield Schools is shown with some of the Junior High choir members before they sang for Parent-Teacher meeting at the school Tuesday.

## Seventh And Eighth Grade Choirs Entertain At Junior High P-T-A Meeting

The seventh and eighth grade choirs under the direction of Hugh Ellison sang for the meeting of the Junior High Parent-Teacher Association at 2:30 in the junior high auditorium, Tuesday afternoon.

## Mission Festival To Be Celebrated Here Sunday

On Sunday, November 13, St. Martin American Lutheran church, located on the corner of West 10th and Cundiff Avenue, will celebrate its annual Mission Festival with worship services and an educational motion picture.

Mrs. Ewell Sullins, president, presided and turned the meeting over to Mrs. Ralph Maurer who introduced Mr. Ellison and his choirs.

Rev. Harry Vanderpool, pastor of the First Methodist church then spoke on the origin of Christmas customs and superstitions.

at 10:30 o'clock, the local pastor, the Rev. Donald W. Luckemeyer, will preach on the theme "Why Support Missions?" based on the scripture text Psalm 67.

Beginning at 12:15 p.m., a fellowship meal will be eaten at the church annex. At 2:00 o'clock a sound motion picture in color will be shown in the church. This film is entitled "Song of Sumatra". It shows the conditions faced by the first missionaries to this country, the changes which have been effected by the preaching of the Gospel of Christ and the continuing work being done through the facilities of the Lutheran World Federation.

A high point of the day will be the worship service at 3:00 p.m., at which the guest speaker will be the Rev. Henry L. Anderson, pastor of Trinity Lutheran church at Lockney, Texas.

Visitors are cordially invited to attend the services of the day.

## Amherst HD Club Meets Friday PM

Mrs. E. L. Schovajsa was hostess to the Amherst Home Demonstration club Friday afternoon. Salads were discussed and Mrs. Schovajsa demonstrated the preparation of chicken salad and her mother, Mrs. Harris Brantley, prepared tuna fish salad.

Mrs. W. P. Davis brought a report from Council.

Plans were made for the Christmas party to be held December 8. Mrs. A. V. Wood will be hostess to the club at the next meeting, Nov. 18.

The salads with dainty crackers, cake and coffee were served as refreshments.

## Mrs. Zapotny Is Honored At Bridal Shower

Mrs. William Zapotny of Lubbock, the former Janie Hudson, was named honoree with a bridal shower last Wednesday at the home of Mrs. C. B. Keeney in Whitarral. Co-hostesses included Mesdames J. B. Wren Sr., B. B. Hisaw, Edd Langford, Jack Bryant, Fred Newsom, Henry Dobson, Norman Hodges, Elva Crank, Jack Milburn, and Miss Juanita Raines.

The honoree's chosen colors of shades of pink and brown prevailed in the refreshment table, laid in ecru over pink and centered with bronze "mums", flanked on either side with the punch bowl and individual cake squares. Other appointments were in crystal and silver. The hostess gift was an heirloom bedspread.

Present for this occasion were Mesdames Zapotny and Howard Murphy of Lubbock, Aubrey Hudson, Roland Hudson, Nick Gray, Weldon Newsom, E. E. Watson, Ralph Wade, Ross Sires, Vernon Cox, J. B. Wren Sr., B. B. Hisaw, Norman Hodges, Fred Newsom, Elva Crank and C. B. Keeney, and Misses Elaine Watson of Fort Worth, Velma Doshier of Lubbock, Juanita and Wanda Raines.

When Bubba's folks found he didn't have enough room in their home to practice, they decided they'd get a little more space. Now Bubba has 15 acres to blow to his heart's content.

Drained cranberry sauce and chopped walnuts make a fine filling for a coffee ring. Use a hot roll mix as the base for your coffee cake.

## Mrs. Curb Will Head New Mexico Teachers Assn.

A first grade teacher from Raton, N. M., will be the next president of the 6,000 member Classroom Teacher's Association of New Mexico.

She is Mrs. Evelyn Curb, the former Miss Evelyn Lindley, daughter of Mr. and Mrs. D. C. Lindley of Littlefield.

Mrs. Curb is a first grade teacher at Colombia school in Raton, won the post over E. R. Arndt of Belen in an election held last Thursday's annual CTA banquet. Arthur Newfield of Santa Fe is vice president and Mary Manual of Albuquerque is treasurer. The new president will appoint the secretary.

Mrs. Curb attended the Littlefield schools and was graduated from Littlefield high school.

MANGUM, Okla. (AP)—The neighbors and trombone playing Bubba Tate are happy now.

When Bubba's folks found he didn't have enough room in their home to practice, they decided they'd get a little more space. Now Bubba has 15 acres to blow to his heart's content.

# LHS Student Council News

By CAM HULSE

The Student Council of Littlefield High school has been kept very busy so far this year. Each Tuesday a meeting is held with all members of the Student Council attending. It includes President, Bill Kenemer, vice president, John Clayton, secretary, James 'Red' Durham, treasurer, Charles Duval, publicity director, Mary Cameron Hulse, social director, Paul Yarbrough, and the presidents and representatives of each class. In an effort to make money, the Student Council sold Littlefield Wildcat Ball-point pens. The money taken in was used to buy each member a beautiful little gold pin, signifying membership in the Student Council. Among projects of the Student Council we find the space in front of high school reserved for Visitor's Parking, the No Parking signs set up in driving areas, the morning devotion over the inter-

com system each morning of the school week, and the Sunday radio program. Sponsors this year for our Student Council are Miss Sue Shawver, commercial teacher, and Mr. Glenn Reeves, high school principal.

Eight delegates from the L. H. S. Student Council attended the District Student Council meet at Odessa, Saturday, November 5. Miss Shawver and Mrs. Nazworth high school math teacher, went along as sponsors. The group left at 7:30 Saturday morning and returned about 8:00 that night. Registration was held from 11:00 to 12:00 in the lobby of the Lincoln Hotel in Odessa. Following this a luncheon was held in the ballroom of the hotel. After a delicious meal, welcomes were given by the president of the district, the president of Odessa Student Council, Principal of Odessa High School, Mayor of Odessa, and the Public Relations man at Odessa College. The Odessa high school boys quartette entertained with four vocal numbers. Following that was the speaker who was a young attorney in Odessa.

Announcements were made concerning the State meet which is to be held at Midland in March. The group then went to the high school and divided into various discussion groups, which lasted an hour. Much was learned from this. A coke party was then given in the school cafeteria followed by the final session in the auditorium. Two minute summaries were given by each discussion group leader telling what was discussed in the various groups. Next was the business meeting. Minutes were read and approved of last year's meeting by the secretary. Since there was no business, elections were held for officers for the coming year. Littlefield was elected President for next year, making us all very

proud. Other officers were, vice president, Lamesa; secretary, Muleshoe; parliamentarian, Tullia. The meeting was then adjourned. We feel the trip was very successful. It was learned that our Student Council is among the very best in our part of the state. Student Council members say that their success is due to the excellent cooperation of the faculty and student body of Littlefield high school. Members making the trip to Odessa were Bill Kenemer, James 'Red' Durham, Mary Cameron Hulse, Patsy McCain, Lavillas Rushing, Carol Nailer, Hilton Hemphill, James Pressley, and the two sponsors, Miss Shawver and Mrs. Nazworth. A very good time was reported by all.

# Hints On Winterizing The Farm

Farmers are advised not to put off the job of winterizing farm machinery. The first hard freeze can play havoc with auxiliary motors, tractor engines and sprayers unless they are winterized says W. L. Ulich, extension agricultural engineer.

He says auxiliary motors should first be cleaned; the crankcase drained and refilled with new oil and the motor run for several minutes to coat all surfaces with oil. Drain the radiator and flush with a reliable cleaner and then flush the cleaner out with clear water.

Remove the spark plugs. Give them a good cleaning and adjust and oil before replacing them.

While the plugs are out, lubricate the upper cylinder walls. Drain the fuel tank and allow to air dry. Cover the end of the exhaust and breather pipes to prevent moisture from entering the motor. Clean and charge the battery and store where it will not freeze. To winterize the spray equipment, Ulich says flush the entire system. Remove all drain plugs and run the pump for a few minutes. Open all valves while the pump is running to release any trapped water and move and place all valve balls in oil. Drain the oil from the pump and flush with kerosene; then refill the pump with new oil. Grease and turn the shafts to distribute grease on shafts and bearings and hang hose so all water drains out.

# Resigns To Go With U Of Texas

E. Donald Walker, auditor at Texas Tech since 1951, has resigned to accept a position as business manager of Texas Medical Branch at Galveston.

Walker holds his bachelor's degree in business administration from Sam Houston State College, his master's from the University of Texas. He is also a certified public accountant.

He will succeed E. N. Capplemann who resigned the Galveston position to become comptroller of the city-county hospital system in Dallas.

The steel industry used more than 13 billion tons of water last year in its plants.

# Mrs. Langford Given Honor

The honorary title of "sor Emeritus" has been conferred upon Mrs. Johnnye C. Langford, a member of the Tech faculty.

Mrs. Langford, who in 1950, was the only instructor women's physical education that College opened its doors in 1925. During the following years, she served as head of department of women's education and dean of the physical education classes at the field in a large room on the floor of the Administration Building. Those classes were frequently interrupted, there was no hall past the Students either had to go to the "gym" or down to a floor hall to get from one of the third floor to another.

Mrs. Langford's honor was approved this year end by the Tech Board of trustees.

Mrs. Langford, the Miss Johnnye Gilkerson Lamb County resident.

She is a sister of George Kerson of Sudan.

ADVANCE POLICE W. EAST MOLINE, Ill. on a pick-up order was broad a driver accused of taking Inglish's car and \$20, found the man in jail on of careless driving.

Jay Boston, Hereford offers his 610 acre farm retary of Agriculture. He can make the farm program.

had 24 in Sunday School. The Assembly of God Church Sunday School had 40 in Sunday School. The Lawrence Street Church of Christ had 116 in Bible Study and out of town visitors. The Bethel Baptist Church had 50 in Sunday School.

# Deep Plowing Paid Off For Farmers

Refugio farmers are finding from experience that deep plowing and chiseling, done early in the fall, doesn't cost but pays.

County Agent D. F. Bredthauer reports that during the past five years the practice has been responsible for increased yields and more income. When done early ahead of the fall rains, the additional water stored in the soil has made the difference in crop yields.

Ben Abney of the Woodsboro community deep plowed 15 to 16 inches, 10 acres last fall on which cotton was planted. Yield from this acreage was 77 pounds of lint more an acre than from similar land not deep plowed. The net increase amounted to better than \$17 an acre, Abney reports. Bredthauer is deep plowing an additional 100 acres this fall. A special reversible four bottom moldboard plow which leaves no water furrow is used.

Bredthauer says O. T. Smith who farms in the Austwell area is well pleased with results from 14 inch deep chiseling. Smith reports that he harvested an average of 4,396 pounds of Red Bine 66 an acre from 400 acres which had been chiseled. Yields on similar land in the neighborhood which was not treated ap-

proximated 3,500 pounds an acre. Good news spreads and the county agent says that at least 10 other farmers already have made plans to either deep plow or chisel all or part of their crop-land.

Bredthauer sums it up this way. "Seed bed preparation is known to have a considerable influence on crop yields under dry land farming. The amount of moisture stored in the soil before seeding and the rainfall absorbed by the soil during the growing season greatly influences crop yields. Any practice which aids in retaining run-off water and storing it deep in the subsoil and improves soil tilth will greatly improve the chances for good yields under dry land farming as done in Refugio county."

# Archeologists To Meet At Tech 11-13

Approximately 100 scientists who seek to solve mysteries of the earth's early history will gather Friday through Sunday (Nov. 11-13) at Texas Tech.

They'll be on hand for the Texas Archeological Society's annual meeting, which will include three field trips and numerous research reports, according to Dr. W. C. Holden, Tech Museum director, who is in charge of arrangements.

The meeting will open at 3 p. m. Friday with registration in the Museum. Attendants will leave at 4 p. m. for a Lubbock-area field trip and barbecue, returning to the Museum at 7:30 p. m. for the Society's annual business meeting.

The Saturday program will include research reports by R. B.

Worthington, Houston; C. N. Ray, Abilene; Jack T. Hughes, Canyon; Alex Krieger, E. H. Sellards and Miss Dee Ann Suhm, all of Austin; Fred Wendorf, and Charles R. Steen, both of Santa Fe; William Rouse, Albuquerque; E. B. Sayles, Tucson; and Joe Ben Wheat, Boulder, Colo.

Field trips are scheduled tentatively Sunday to the Midland area and to Kent County.

Floyd V. Studer, Amarillo, is Texas Archeological Society President.

# hottest features for '56 are in the new Chevrolet

All New! The Bel Air Sport Sedan with 4 doors and no sideposts

Chevrolet never had it so good for you before... and no other car in its field even comes close. See if Chevrolet doesn't feature everything you want for '56.

**Bold, new Motoramic Styling**  
Just look it over—the lower, longer hood... the wider grille that spans the full front end... the big bold parking lights. From the side, you see the sweeping new speedline chrome styling and high-set taillights. Colorful new contemporary interiors add the final touch! Body by Fisher, of course.

**V8 Horsepower Zooms to 205**  
That's what the new "Supe-Turbo-Fire V8" pours out (an extra-cost option). You can see why we say the hot one's even hotter!

**Hideaway Gas Cap**  
Chevrolet's left-side taillight holds a stylish secret. Hinged at the bottom, it swings down to uncover the gas cap. Closed up, the cap's concealed—and there's nothing in sight but the taillight!

**Everything in Automatic Power Features**  
Power Steering, Power Brakes, power-positioned front seat, power window controls. All are available as extra-cost options.

**Anti-Dive braking**  
Anti-Dive braking, an exclusive Chevrolet development, means more level stopping—even when you hit the brakes hard!

**12-volt Electrical System**  
Packs twice the punch of ordinary 6-volt systems... spins the engine up to one-third faster. You get surer starting in all weather. And you have a greater electrical reserve supply.

**THE HOT ONE'S EVEN HOTTER**  
It's the Pikes Peak Record Breaker!  
The '56 Chevrolet proved its surer, safer driving control by breaking the Pikes Peak record!

**Floats over the bumps**  
Roads seem newly paved with Chevrolet's Glide-Ride front suspension and long outrigger rear springs soaking up the jolts. And Chevy's cat-footed on curves! Chevrolet performance puts your safety first!

## PLAYER OF THE WEEK

"Player of the Week" is Wayne Wicker, chosen by his teammates for his performance in Friday's game against Muleshoe.

Wayne caught a pass for a touchdown and another good for eight yards. A good all around ball player in both offensive and defensive positions, he played quarterback against Tulla and may see action in the same position this week against Olton.

Wayne is the son of Mr. and Mrs. W. M. Wicker. A senior student, this his third year to letter.

## News Of Hart Camp

By MRS. JUNIOR MULLER

Shirley Leonard has the mumps

Sharon Hendrick spent Wednes-  
day afternoon with her grand-  
parents, Mr. and Mrs. W. O.  
Hendrick.

Mrs. William Neinaast of Sprin-  
lake visited Mrs. Roy Osthus,  
Wednesday.

The Intermediate GA's and their  
counselor took a basket of fruit  
to Mrs. H. R. Monroe Wednesday  
Those making the visit were  
Barbara Huff, Judy Pendleton,  
Frances Pressley, Barbara Wor-  
ley and Mrs. C. E. Timmins.

### WMS MEETS WEDNESDAY

The Ida Davis circle of the WM  
S met Wednesday at the home of  
Mrs. James Ball, Circle chairman.

Mrs. Junior Muller presided. Mrs.  
Roy Osthus, Mrs. James Ball and  
Mrs. Dewey Parkey were appoint-  
ed as a social committee. Mrs. Ivy  
Thompson opened the meeting  
with prayer. Mrs. Roy Osthus  
had charge of the program, "The  
Lord is My Shepherd." Each one  
took part in the discussion on  
the Bible passages. Mrs. Dewey  
Parkey closed the meeting with  
a prayer. Mrs. Ball served spiced  
tea and cake to: Mrs. Roy Os-  
thus, Mrs. Roy Hendrick, Mrs.  
Ivy Thompson, Mrs. James Ball,  
Mrs. Dewey Parkey, and Mrs. Ju-  
nior Muller.

Olen Iatham of Friona visited  
in the home of his brother, H. R.  
Monroe, Wednesday night.

Mr. and Mrs. M. W. Wheeler  
and Sammy, accompanied Betty

Grenville, N. M.

Mr. and Mrs. Neil Duffy, Mr.  
and Mrs. Lester La Grange, Mr.  
and Mrs. Harvie Messamore, Don-  
na Atkinson and Mr. and Mrs.  
Ray Blessing were among those  
from Amherst attending the Tex-  
as Tech-Arizona football game in  
Lubbock Saturday afternoon.

Mr. and Mrs. L. Y. Nix were  
Lubbock visitors Friday.

Wheeler and Jim Taylor to Lock-  
ney Friday night and saw the  
Olton Mustangs will another dis-  
trict football tilt.

Clarence Monroe attended the  
Muleshoe vs Littlefield football  
game at Muleshoe Friday night.

### MRS. MONROE BACK IN HOSPITAL

Mrs. H. R. Monroe is back in  
the hospital at West Plains Clinic  
at Muleshoe. Mrs. Monroe had  
only been home a week after 30  
days of hospitalization. Major sur-  
gery and pneumonia were the  
cause for the months illness. Up-  
on admittance Friday, Mrs. Mon-  
roe's lung was tapped and five  
pounds of fluid removed.

Mr. and Mrs. Ed Thompson  
were visitors in the home of their  
son, Mr. and Mrs. Ivy Thompson  
Saturday.

Raymond Clayton of Dumas,  
visited his mother, Mrs. H. R.  
Monroe at Muleshoe over the  
weekend.

### JANET VANLANDINGHAM HONORED

Little Miss Janet Vanlandin-  
ham was honored with a birthday  
party by her mother in her home  
Saturday afternoon. The occasion  
was Janet's 6th birthday.

The children played games,  
then Janet was presented with an  
array of gifts from her guests.  
The guests were served chocolate  
cake, cocoa and candy.

The cake was a beautiful doll.  
The dress was blue and white  
and the doll held three candles in  
each hand. The cake was very  
original and baked by Mrs. C. H.  
Vanlandingham. As the guests  
went home, they were presented  
with balloons and whistles.

Present were Danny, Jamie and

Dr. Woods & Armistead

OPTOMETRISTS

R. W. Armistead, O.D.

Glenn S. Burk, O.D.

Dr. E. Woods, O.D.

Robert Sagerser, Jerolyn Tim-  
mins, Gary Parkey, Sonny Hoff,  
Roy Dean Franklin, Larry and  
Lupe Lopez, Wayne Monroe, Mark  
Muller, Clayton, Gerald, Gene,  
and Charlie Vanlandingham. Also  
Alice Jean and Lana Gibson, who  
are Janet's cousins, and her grand-  
parents, Mr. and Mrs. J. B. Van-  
landingham of Enochs.

Wayne Monroe missed his first

day of school Thursday when he  
was ill.

Marlin Wheeler, Blanton Mas-  
tin, and Rev. Charles Vanlandin-  
ham attended the West Plains  
Brotherhood Association meet at  
Sudan last Tuesday. Dr. Hope Ow-  
en of Wayland College was the  
featured speaker. The men en-  
joyed a barbecue supper at the

First Baptist church in Sudan.

Pat Osthus, son of Mr. and Mrs.  
Roy Osthus, was hospitalized  
Thursday through Sunday in the  
Plainview hospital with a virus  
infection. Pat spent some of the  
time under an oxygen tent. Mike  
Osthus spent the four days with  
his cousin, Greg Boggs, at Kress.

Mr. and Mrs. Ivy Thompson  
entertained relatives Sunday.

News From Whitharral

Jerry Ligon Has Party For Sixth Grade Monday

By MRS. ELVA T. CRANK

CYNTHIA DUKATNIK HONORED WITH PARTY

Mrs. Adolph Dukatnik honored her daughter, Cynthia, at their home east of town recently, on her third birthday.

Cake and ice cream were served to Mrs. J. E. Gravitt and Johnny Mrs. L. C. Jordan and Dana Mrs. P. A. Wynn, Marvin and Phyllis, Mrs. Rafe Rodgers, Terry and Monty, and Cynthia's grandmother, Mrs. C. E. Timmins and Jerolyn of Hart.

SIXTH GRADERS HAVE PARTY AT LIGON HOME

Mr. and Mrs. George Ligon and Jerry were hosts at a Halloween party at their home northeast of Whitharral Monday evening for the 6th grade.

Fortune telling by Madame Valare Guaranto, stunts, and games were enjoyed by the group before the unmasking.

Jimmy Martin as Little Bo-Peep won first, Jerry Ligon as Robin Hood was second, Barbara Crews as Alice in Wonderland, and Mary Edwards as the Witch of Halloween were judged third.

Other characters included Huck Finn, Roy Rogers, the Lone Ranger, Ann Hutchinson, Man and Woman from Mars, Black Moe, Liza Jane, Willie the Wild One, Tom Sawyer, Bugs Bunny, Ma Kettle, the King of Hobos, spooks and ghosts.

Refreshments of roasted witches horns, witches brew, ghosts ambrosia and Adam's downfall were served the above, Mrs. Alma Tate, teacher, Miss Patricia Ligon, Don Stephenson, the following mothers, Mesdames Russell Cotton, Robert Bolton, Gordon Martin, D. W. Stephenson, O. T. Gilley, and hosts.

BETTER ENGLISH CLUB, PRESS CLUB ORGANIZED

The Better English club of the 6th grade of Whitharral recently organized a Press club with the following officers: editor, Julius Mayes; assistant editor, Gary Northern; reporters, Mary Edwards, Jimmy Martin, Jr. Pendergrass, and Elmer Gray; make-up editor, Barbara Crews; sports editor, Cloyce Gilley, and Jimmy Tipton; art editor, Bobby Daniel, and Mary Palando; copy readers, Reba Willett, and Lendyl Chisholm; proof readers, Jerry Ligon, Marice Stephenson.

Recently elected honor students are Reba Willett, and Gary Northern. Class favorites are Mary Edwards and Lendyl Chisholm.

MRS. W. A. GRANT HAS PARTY

Mrs. W. A. Grant was hostess at her home east of town Thursday afternoon with a products party demonstrated by Mrs. Louise Ryan of Levelland.

Mrs. Hub Spraberry was "lucky lady" and "sales guesser" too. Coffee and cookies were served to Mesdames Johnny Waters of Anton, Ryan of Levelland, C. H. Landers, Hub Spraberry, A. B. Roberts, Coy Grant, Clifford Williams and V. D. Hodges.

Recent guests in the Ralph Wade home northeast of town were Mrs. Allen Hudson and Miss Patsy Hudson of Littlefield, Melvin Copous and Misses Jerry Kenmore, Bobbie Hudson, and Lois Jolley of Lubbock.

Mrs. B. W. Bowman of Payette, Idaho, is here for an extended visit with her mother, Mrs. Carrie Eller, and other relatives before joining Mr. Bowman in England.

Mr. and Mrs. A. M. Woody and children of Sudan, have moved

into the Weldon Newsom cottage just south of the R. M. Davis home.

Mr. and Mrs. Norman Hodges made a flying trip to Big Springs Tuesday to take Bob Crank, who entered the Veterans hospital there for a check up. He hopes to be returning home soon.

Marvin Smith of Santa Barbara Calif., is spending his vacation with his daughter, Mrs. Roland Hudson and family here, and other relatives in Lubbock and Petersburg.

Mr. and Mrs. W. M. Byrd of Spade visited the Ralph McClures Friday evening.

Messrs Fred Newsom and Doss Mauer have returned from an REA meeting in Phoenix, Ariz.

Mr. and Mrs. J. E. Wade and Linda, were recent visitors in Dimmitt.

Mr. and Mrs. Willie Williams and children and Mr. and Mrs. Clint Emert have returned to their homes at Madisonville after a visit with Mr. and Mrs. W. C. Hawks and family.

C. T. Mason of Oton recently visited his daughter, Mrs. W. R. McDaniel and family.

A-aa Leslie Hulise came in Friday for a visit with his parents, Mr. and Mrs. Bryan Hulise, and other relatives. He has been at San Diego, but will return to Miramar, Calif., at the end of his furlough here.

Miss Elaine Watson has returned to Fort Worth following a visit here with her parents, Mr. and Mrs. R. E. Watson.

Mr. and Mrs. E. G. Wade, accompanied by the latter's brother, Ralph Turner of Grafford, spent the weekend in Logan, N. M., where they visited a sister, Mr. and Mrs. Luther Ramsey.

Mr. and Mrs. Frank Martin of Fort Worth, spent the weekend with their parents, Mr. and Mrs. L. H. Durrett, who accompanied them and the Lonnie Durrett of New York City to Morton for the day Sunday, with another sister, Mrs. Don Fincannon and family.

Weekend guests in the Martin Moore home were Moore's sisters, Mr. and Mrs. Andy Miller of

Spanish Fort or Nocona, and Mr. and Mrs. Bill Wade and granddaughter of Jacksboro. Joining them for Sunday were Mrs. Allen Hudson and Patsy of Littlefield, Mrs. H. C. Green and Jimmy of Brownfield, Mr. and Mrs. Noble Moore, Mr. and Mrs. Raymond Moore and children and Mr. and Mrs. Audrey Moore and children, all of Lubbock, and Mr. and Mrs. Ralph Wade and children.

Mrs. George Richey has been a patient in the Edgar-Renegar-Campbell Hospital in Levelland for several days.

Mr. and Mrs. George Nicholson and children of Littlefield came down Sunday and helped Mrs. Roy Taylor celebrate her birthday.

Sunday guests of Mr. and Mrs. Guy Brown were Mr. and Mrs. Jimmy Manire and Mr. and Mrs. O. L. Jones and son of Lubbock.

Mr. and Mrs. Ray Newsom and sons of Brownsville were weekend visitors here with the Fred Newsoms the Weldon Newsoms, and the Fred Owens, near Levelland. They met Mrs. Ray Newsom's parents, Mr. and Mrs. Neal Vanstover of Westboro, Mo., who accompanied them back to Brownsville Sunday.

Mrs. Rhoda Davis, and Mrs. A. L. Hall of Memphis met their daughter and sister, Mrs. Buck Grant and family at Kress Friday and accompanied them home for the weekend here.

Weekend guests of the Wayne Maners were the latter's nieces, Mrs. Lowell Klingery, and Miss Judy James of Plainview.

Mr. and Mrs. T. D. Northern and children spent the weekend at Quanah.

Mr. and Mrs. Carl Reed and Miss Linda Reed, spent the weekend in Abilene where they visited Miss Carlene Reed, a student at ACC there.

Mrs. A. L. Hood of Littlefield, who has just returned from a stay at Denver, Colo., visited her son, Mr. and Mrs. L. L. Hood and family.

Martin, six year old son of Mr. and Mrs. Grover Gibbs, of Hot Springs, Ark., is somewhat improved in a Lubbock hospital following injuries received near Levelland Friday evening when the Whit Shepherson car in which he was riding was in a three-car collision.

Jack Milburn is in Fort Worth where he is attending the State Farm Bureau meeting. Milburn is president of the Hockley County

Farm Bureau.

Mr. and Mrs. Warren Tipton are home from Florence, Ala., where they were called by the serious illness of Mrs. Tipton's brother there.

Mr. and Mrs. W. N. Towes of Alma Okla., visited Mr. and Mrs. Will Reding Monday.

Mr. and Mrs. Lonnie Durrett and son, left Tuesday for their home in New York City, after a visit here with relatives.

Mr. and Mrs. Henry Jones have returned from a recent brief visit at Tipton, Okla. Mrs. Dude Schults and daughter, who accompanied them to Tipton, remained for a longer stay.

Miles Are Conducting Services Here

Rev. and Mrs. Charles Miles of Lubbock are conducting a revival at the Four Square church located at 715 Phelps.

Rev. Miles has been in evangelistic work for several months and recently conducted a meeting for Rev. Glenn Ford of Pampa, who was a former pastor of the local church.

Rev. and Mrs. Miles are a talented young couple who will be bringing the gospel message each night in song as well as sermon. Services begin each night at 7:30 except Mondays and the public is cordially invited to attend.

THOUGHTFUL THIEVES JEFFERSONTOWN, Ky (AP) — To the thieves who lugged away the big safe at the Jeffersontown Pharmacy, the owners would like to say "thanks."

The safe hadn't been used for years. It was empty. And the owners had been wondering how to get rid of it. They needed the floor space.

## News From Earth District Deputy Governor Speaks To Lions Club

By MILDRED GLASSCOCK

**GILMORES HAVE SON**  
S-Sgt. and Mrs. Verlon Gilmore of Greenville, Miss., are the parents of a son, born Oct. 26.

He weighed 8 pounds and 15 ounces, and was named Henry Verlon Jr.

The Gilmores have a daughter, Sandra, 3 years old.

Maternal grandparents are Mr. and Mrs. Kilgore of Florida and paternal grandparents are Mr. and Mrs. H. J. Gilmore of Earth.

**GOVERNOR SPEAKS TO LIONS**

G. H. Bley, district deputy Governor of District 27-1, of Olton, was guest speaker at last week's meeting of the Lions club.

Mr. Bley brought the program and made the introductions.

Entertainment was by Juanice Hendrix, Betty Sides, and Kay Grandberry of Olton, who sang several selections.

Other guests were Gerald Prebitt and Lee Pool of Muleshoe.

Mr. and Mrs. Jay Williams and children of Odessa spent the weekend visiting his parents, Mr. and Mrs. Jim Williams, and other relatives.

Mrs. Clyde Knight, employee of Southwestern Public Service, was out of the office several days last week with the flu.

Mr. and Mrs. J. B. Inglis visited his brother, Bill Inglis, in a Temple hospital last week.

Mrs. Jack Spies was in Little-

field last Thursday on business.

Mrs. L. A. Glasscock, Mrs. Henry Randolph and Janie, Barney Glasscock and Larry, and Mrs. J. R. Spivey of Truscott, visited with the James Glasscock family of Morton last Thursday night.

Ralph Rudd, who had been a patient in Littlefield Hospital the past week, returned to his home in Springlake Friday.

Mr. and Mrs. R. C. Hyde spent last week in Dallas.

Don Randolph, John Blackwell, James Powell, Jerry James and Myers Ogletree spent the weekend fishing at Haskell Lake.

Visitors in the Paul Templeton home during the weekend were Mr. and Mrs. John Norwood of Amarillo, Mr. and Mrs. Eugene Pierce and family of Lubbock, Mr. and Mrs. Alton Morgan of Amherst, and Richard Pierce of El Paso.

Gene McKay and Don Sooter of Shallowater were Saturday night guests of Ernie Watkins.

Those around Earth who are driving new cars are W. W. Powell, a Chevrolet station wagon; Orbie Armstrong, a blue and white Buick; Doug Lewis and Guy Kelley, Pontiacs; and Doug Parish a new Mercury, replacing one that burned last month.

Mr. and Mrs. G. C. Green and Mr. and Mrs. Nichols were in Plainview Sunday.

Mr. and Mrs. Leroy Farris and Debbie of Clovis, spent Sunday with his sister and family, Mr. and Mrs. Travis Scott.

Mrs. Homer Starkey and Frances Strickland visited their mother, Mrs. Georgia Strickland in Matador Monday. Mrs. Strickland returned home with them for a few days visit.

Sixteen young people attended Fellowship at the First Baptist church Sunday night after ser-

vice. Frances Cole had charge of the program and Linda Kelly gave the devotional.

Mrs. J. H. Angeley, Mrs. Truman Lowe and Mrs. G. M. Sanderson served punch and cookies to those present.

Mr. and Mrs. Ralph Martin of Hereford spent Sunday with his brother, Mr. and Mrs. J. B. Martin and girls.

Mr. and Mrs. Homer Starkey and girls visited his brother, Mr. and Mrs. Jess Starkey of Floydada, Sunday afternoon.

Mr. and Mrs. Norman Sulser are parents of a baby girl born Nov. 1, in South Plains Hospital in Amherst. She weighed 7 lbs., and 5 oz., and has been named Rebecca Darlene.

They have a son a year old.

Mr. and Mrs. Bob Waide are parents of a boy born Nov. 6 in Littlefield Hospital. This is their first child. Mr. and Mrs. Dewey Green are maternal grandparents.

Harry Vogt was in Plainview on business Monday and Tuesday.

### HIGHER AUTHORITY

CHARLESTON, K. Va. — An unidentified minister told Police Judge James McWhorter that his car was ticketed for an overtime parking while he was visiting a patient critically ill in Charleston General Hospital.

"Your honor," he said, "the job of saving the man's soul took longer than I expected and I'm sure his salvation is worth the price of one parking ticket."

Judge McWhorter tore up the ticket.

### DOUBLE ISLAND

PAPEETE, Tahiti — This South Sea island for the past few months has presented the spectacle of an island that half garden, half desert.

Rain-laden winds have been blowing only from the south. The southern half of the island has been practically flooded. High central mountains have cut off the northern half, where vegetation is withered thus making a sandy waste.

The proposal to lower the age limit from 19 to 18 for football players in high school was rejected by the advisory committee.

FROM THE AGRICULTURAL DEVELOPMENT DEPARTMENT  
SOUTHWESTERN PUBLIC SERVICE COMPANY

Leon Schumpert (right) explains his use of three electric stock tank water warmers at his Portales, New Mexico, dairy farm. Mr. Schumpert is convinced that electric stock tank water warmers increase profits. Inset shows another type of water warmer which hangs on side of tank rather than floating in water.

Imagine yourself standing alone during a cold, chilly, wintry day. You want a drink. You can't use your hands. Your mouth and nose are submerged in a tank of 35 degree water. Not a very pleasant thought, is it? You'd take only as much water as you would need to survive.

And, that's exactly what your cows will do. Now, for efficient, profit making milk production, the average dairy cow requires upward to twenty gallons of water daily. Approximately one-fifth of this amount goes directly into the milk; the remainder goes into the digesting process and for body conditioning. Feed lot steers and calves require twelve gallons a day for top gains.

But, there's a way for your cows to get their water ration, even during the coldest winter day. Use an electric, thermostatically-controlled water warmer. The cost is negligible compared to the profits that are available during the winter when the prices are higher. Better milk production from the same number of cows is the result

of cows drinking their full rations of electrically warmed water. This means more money for you.

How about safety? Will an electric water warmer shock your cows? The answer is an unqualified "no" so long as the unit carries the Underwriter Laboratories seal and the installation instructions of the manufacturer are followed.

How much trouble is it to maintain? None at all. After installation, you merely set the thermostat to the desired temperature (not below 42 degrees) then forget it. On some units the manufacturer pre-sets the thermostat relieving you of even this simple chore.

Once you install your water warmer you're set for the winter. You don't even have to leave the warmth of your farm home. The electric stock tank water warmer acts as its own sentinel twenty-four hours a day — and night, and is on guard against sudden drops in temperature. You are assured that your cows will have the right temperature water at all times. You are assured the profits that otherwise would be lost.

**STARTING FROM SCRATCH**  
SAN DEGO, Calif. — Police Chief Elmer Jansen never made so many gestures during a speech before.

He was standing under a hot sun before a microphone at the

police range speaking prior to issuing certificates to 51 police recruits who had finished their training.

He began swatting at his legs with his speech script. Then he batted his arms. Then his neck.

His shoulder started to wobble. He finished his talk down.

Then he discovered he was standing on top of a giant hill.

### Pork Questions

This seems to be the time of year when homemakers can make good buys in pork. However, some homemakers "shy" away from this nutritious meat because they have heard of the dread disease, trichinosis caused by underdone pork.

... can I tell when fresh pork is roasted all the way through?"

If you do not have a thermometer, make small trial cuts next to the bone. Extension foods and nutrition specialists say fresh pork adequately cooked loses its pink color and is grayish white. If you have a meat thermometer, ...

Specialists say broiling is not advised for fresh pork. It is safe for cured, smoked cuts, such as bacon, ham and Canadian bacon. Homemakers ask, "Can I be sure that 'ready-to-eat' sausages are safe to eat without cooking?"

If they are marked with the round purple U. S. inspection stamp they are safe. "Ready-to-eat" sausages prepared under Federal meat inspection are put through processes adequate to kill any trichinae that may be present.

Arkansas rang up its largest number of points against Texas since 1938 when the Razorbacks beat the Longhorns, 27-20. Seventeen years ago Arkansas won 42-6.

**KINNE'S KIN**  
SOUTH GLASTONBURY, Conn.

James T. Kinne rang up his first sale as proprietor of a store with more than ordinary satisfaction.

During negotiations for its purchase, he had discovered that the store had been founded by his great-great-great-grand father Aaron Rine in 1789.

 one man's opinion"

## Don't Mix

William Graham Sumner, as clear-minded  
 as the country has known, once  
 said: "Whenever we try to get paternalized  
 by the state we succeed in getting policed."  
 The slave state pays lip service to the  
 rights of the masses. It is one of the great  
 failures of history that the communist states  
 themselves "peoples" democracies." Pat-  
 ernistic government, even when it stops  
 of the extreme, works on the principle  
 that knows best what is good for the citi-  
 zen—and it then organizes a big, tough  
 force to see that the citizenry swallows  
 medicine.  
 History proves that freedom and paternal-  
 ist don't mix.

## Freedom To Conform . . .

When the original farm program, with its  
 price controls and price support programs  
 offered to the American farmer, did he  
 believe that his land and his management of  
 it would be subject to rigid federal control?  
 He believed that, had farmers known what  
 were surrendering to federal control,  
 they would not have approved the farm pro-

gram. Further believe that our Crosby county  
 farmers at this very moment are unaware  
 that their farm property is subject to federal  
 control and sale at auction to satisfy penal-  
 ties imposed for violating acreage quotas.

Let us illustrate to what extent farmers have  
 been forced federal regulation take the case of  
 farmer John Harmon of Oil City, Pa.  
 Harmon doesn't take kindly to government reg-  
 ulation. He was told he could have  
 24 acres of wheat this year, in spite of the  
 fact that Harmon wanted wheat to feed his  
 dairy herd and to improve his own  
 land. He planted 24 acres. The government  
 levied a penalty bill for \$357.58, and the  
 attorney in Pittsburg added another  
 \$404.00 in costs, making Harmon liable for \$761.58.  
 Harmon was trying to run his own business along  
 business lines. Harmon refused to pay.  
 The U. S. attorney said that if he didn't pay,  
 the government could seize his farm and  
 sell it to satisfy the penalty.

Harmon never voted for controls or  
 taxes. However, farmers of the nation  
 are thus giving the government authority to  
 confiscate Harmon's farm.

Does Harmon own his farm or not? If he  
 doesn't, why can't he raise 24 acres of wheat  
 and improve his cattle and his land? The  
 answer can be simplified: Because his neigh-  
 bors said he couldn't.

Only a few farmers envisaged the trans-  
 fer of his farm's management to the federal  
 government in exchange for a little more  
 "security" in the market place. Either the  
 general public failed to read the fine print  
 of the farm program, or else "features" were  
 later that placed the farmer at the  
 mercy of the government in the conduct of  
 his private business.

Where on earth can "security" be bought  
 at high cost. Some farmers are find-  
 ing it out. Have gains in the market place  
 wiped the farmers' loss of his tradition-  
 ary freedom to manage his business as he  
 sees fit?

The business calls upon the federal govern-  
 ment for guarantees in the name of "se-  
 curity" that business is going to lose a  
 part of its rights and some of its free-  
 dom of action. This passion for "creeping  
 socialism" is, day by day, making every indi-  
 vidual in America look to Washington for aid  
 and comfort. The rash for everything guar-  
 anteed has taken its toll in a corresponding  
 loss of freedom for business and for the in-  
 dividual.

From this point on, total socialization of  
 our culture is not only possible, but probable.

## No New Bureau

We are proud of the weekly newspaper  
 publishers who, in a recent nationwide poll,  
 turned thumbs down on a bill to create a  
 special library in Washington for the preser-  
 vation of copies of all the country's weekly  
 newspapers. The library would have been  
 another burden on the federal government,  
 of course.

Most states already have such libraries.  
 Local libraries often preserve their local  
 newspapers. And almost every newspaper  
 keeps its own bound files of back issues.  
 Some have them microfilmed as well.

This is a job that can and should be  
 done locally. There is no good reason  
 to create another federal bureau for it and  
 add one more straw to the American's tax  
 burden.

## "All Federal Power Is Subsidized"

Admiral Ben Moreell, U. S. N. served as  
 chairman of the Hoover Commission Task  
 Force on Water Resources and Power, and  
 is top authority in this field. In an article  
 appearing in the October issue of The Freeman,  
 he states: "All federal power is subsidized,  
 more or less." Then he lists six forms of sub-  
 sidy, one or more of which applies to every  
 federal electric power project.

These are: "1. Interest rates which are  
 lower than the actual cost for long-term  
 money. 2. No federal income taxes or com-  
 parable contribution to the cost of federal  
 government. 3. No state and local taxes  
 (with two exceptions). 4. Charging large  
 parts of the initial capital costs to wholly  
 subsidized federal activities, such as flood  
 control, navigation, fish and wildlife, etc. .  
 Charging administration costs, insurance and  
 pensions to other government accounts. 6.  
 No charge for interest during construction."

Admiral Moreell adds that the Task Force  
 found that if federal power rates had been  
 computed in accordance with the methods  
 required of private producers, these rates  
 would be 30 to 50 per cent higher, and the  
 government would have received \$130,000,-  
 000 more in power income in 1953 alone. That  
 \$130,000,000 of course, was made up by all  
 the taxpayers, who footed part of the bills  
 of the costumers of the socialized systems.

Socialism drains our pocketbooks even as  
 it undermines our freedoms.

## The Sandhills Philosopher—

Editor's note: The Sandhills Philosopher on  
 his Johnson grass farm sounds like he's  
 fighting a windmill this week, but you never  
 can tell.

Dear editor:  
 Naturally I have been following all the  
 political speeches and comments in the  
 papers over what ought to be done about  
 the farm price situation, and while I'm not  
 sure anybody can come up with a complete  
 solution, it's awfully comforting to know  
 somebody is thinking about you.

Naturally also every time somebody makes  
 a suggestion, somebody else has an objec-  
 tion.

Along this line, one of the proposals to cut  
 down on the surplus and raise the price for  
 farmers is to have the government rent some  
 of your land and thus keep it out of produc-  
 tion, and I guess it'd work, because I don't  
 know many government workers who'd be  
 very much at farming anyway, that'd be an  
 excellent way to cut down on production, but  
 the objection to this is that it would be un-  
 fair to a farmer to rent part of his land and  
 throw him out of part of his year's work,  
 even if he got paid for it.

"It might spoil a farmer to let him get in  
 the habit of seeing part of his land idle," the  
 argument goes. "The government can't af-  
 ford to risk getting a farmer out of the habit  
 of working all his land. Idleness is the devil's  
 workshop."

Obviously, this calls for an expert, and if  
 there's anything I'm an expert at, it's watch-  
 ing land lie idle.

I will be glad to take on the job of letting  
 other farmers in on how they can survive  
 with their character intact the dangerous job  
 of letting some of their land go un-worked  
 for a year or so. For a reasonable fee, which  
 in lawyer's language means a pretty hefty  
 price, I will set up a school of instruction in  
 the art of safe, non-habit-forming loafing. I  
 have pioneered in this newer branch of agri-  
 culture and I'm just the man the govern-  
 ment's looking for. It has taken me years to  
 reach this point, but I am prepared to face  
 the government's land rental program un-  
 afraid and confident I can meet it and sur-  
 vive, if the rental payments are high enough.

In case the government doesn't hire me,  
 though, and still goes ahead with its plans  
 for paying a farmer for not producing on  
 part of his land, I think it would be only fair  
 that they make the payments retroactive. I've  
 got land out here that's been non-pro-  
 ductive for years.

Yours faithfully,  
 J. A.

**INGENIOUS DEHYDRATION**  
 TAIPEI, Formosa (AP)—U. S. aid  
 funds are being used to develop a  
 food dehydration industry in For-  
 mosa.  
 The dehydrated food already is  
 being shipped to Quemoy, Matsu  
 and other islands lying off the  
 shores of Red China.  
 Reaction of Nationalists troops  
 on these perilous outposts has  
 been enthusiastic.  
 Various plants in different parts  
 of Formosa are turning out dehy-  
 drated vegetables, fruit, fish and  
 rice. Much ingenuity is being dis-  
 played. In some cases, farmers use  
 a bicycle to spin a wheel that  
 powers a fan, blowing aid into  
 mounds of rice.

## LIPSTICK LOGIC

By LOUISE C. ALLEN

It happens every fall. We wake up some  
 crisp morning and look out the window to  
 see if there has been a frost. Maybe so and  
 maybe not; but one thing is sure: the robins  
 will be there.

At the first hint of chill, they move in.  
 Their chestnut red breasts and slate black  
 wings glisten in the morning sun as they  
 hop fearlessly near the bedroom window.  
 They cock their heads wisely at each sound,  
 and in loud, cheery bursts sing a few notes.

For a number of years they've visited us  
 —on their way from Somewhere to Some-  
 where. We've often wondered about those  
 two faraway places, but not being real bird  
 lovers have never found out.

Naturally we thought, the beauty of our  
 yard attracts them. But this year we know  
 better. It's the berries next door. They  
 pitch camp near a good food supply, and at  
 mealtime fly over and denude a few branches  
 of the bright orange pyracanthus bush. Then  
 fly over here to digest—or to snap up a few  
 choice insects for dessert. When the neigh-  
 bors' berries are stripped, they'll leave.

Curious, we tried to learn some of their  
 secrets. But a little knowledge has only  
 taken away from the pleasure of their visit.  
 Our robins, the encyclopedia tells us, aren't  
 really robins—they're thrushes. The true  
 "redbreast" is an English bird who migrates

across the Channel to the Continent. In  
 America, the name is applied to the migra-  
 tory thrush who "breeds north to Alaska,  
 wintering from the northern United States,  
 southward." The western robin is found  
 "from the eastern base of the Rocky Moun-  
 tains to the Pacific."

So now where are we? Our robins who  
 aren't robins, are they thrushes—or west-  
 ern robins (who are really thrushes, too)?  
 Evidently, the best bird secrets aren't found  
 in books.

# FB President Blames Artificially High Labor Costs And Protective Tariffs For Much Of Farmers' Price Troubles

FORT WORTH — Agriculture must be put on a par with the rest of the economy if we are to avoid another depression, the president of the Texas Farm Bureau warned in a speech here today. J. Walter Hammond urged the adoption of a soil fertility bank plan to alleviate the surplus problem and put agriculture back on a sound basis.

He spoke to the 22nd annual convention of the Texas Farm Bureau at the Hotel Texas.

The farm leader said that the U. S. is in a period of unparalleled prosperity, with industry and labor enjoying their richest blessings in history.

"But," he declared, "there is a notable exception to this story of riches. And that exception is agriculture. While labor and industry have been eating higher and higher on the hog, the farmer has seen his income sliding further and further downhill."

Hammond said that too many people are now saying that what happens to the farmer is of no consequence to the total economy. He said that history has proven that false.

"All major depressions have been farm- and farm-fed," he declared. "We must put agriculture on a par with the rest of the economy if we are to avoid another depression."

The Texas farm leader blamed high fixed operating costs and the protective tariff for agriculture's loss of markets.

"If there were no protective tariffs and artificially high labor costs, the American farmer could compete with anybody in the world in selling his produce," he stated. "But, until the day that there is some semblance of sanity in our economy, the American farmer must continue to demand protection in the market place through price supports and other safe-guards."

Hammond singled out the law which requires the Commodity Credit Corp. stocks shipped abroad be carried in American bottoms as one of the methods by which farmers are forced to indirectly subsidize other industries.

He asked: "Is there any sensible reason why a self-respecting, self-supporting farmer should be required by law to use his earnings to subsidize non self-supporting industries, then go, hat in hand, to the government pleading for a hand-out to replace that which he has been forced to give away?" Hammond said is philosophy is: "Let him who has no means of support do his own giving."

The state farm labor leader said that the source of the farmers' troubles lies in the fact that we can produce more than we can sell at a fair price. He said labor and industry believed in an economy of scarcity while the farmer tried to operate in an economy of full production.

Hammond said that agriculture would have to operate under a system that limited production to demand if it is to survive. He said the soil fertility bank idea was the best way to achieve this.

Under the soil fertility bank idea, the percentage of acres that caused surpluses would be taken out of commercial production. The idle acres would be devoted to soil-building crops or practices. Hammond said that under the plan each farmer might have to take about 10 per cent of his tillable acreage out of production.

"The success of the plan is dependent upon good administration," he said. "It would limit gov-

"It's her first date."

## Antibiotics Promises Increase In World's Food Supply

Use of antibiotics in production and marketing of meat animals may have a profound effect on Texas livestock industry.

Definite proof has been established that use of certain of the "wonder drugs" can do everything from bringing more pigs per litter to keeping beef, poultry, fish and even whales fresh.

In tests using aureomycin feed supplements, growth of pigs has been improved an average of 36%. Similar benefits are gotten from use of this antibiotic in beef cattle, sheep and dairy cattle.

This could mean a tremendous saving in feed and labor costs, since animals would get to market sooner. Use of the feed supplements also has results in a saving of about 20 pounds of feed per 100 pounds of gain due to increased efficiency of food utilization.

This speeded-up growth is probably brought about as antibiotics keep down germs of some diseases, create good conditions for organisms which produce vitamins, suppress intestinal germs which compete with the animal for vitamins in its food, and regulate important growth functions in the animal body.

**Delays Food Spoilage**  
More pigs per litter can be produced when the mother sow's diet is supplemented with aureomycin during pregnancy. Although the number of embryos and birth weight of pigs could not be increased by using the feed supplement, it is known that more pigs are born live and an "inborn" resistance enables more of them to survive until weaned.

Remarkable results have been found in preserving meat with aureomycin. Such action of antibiotics in keeping meat fresh longer is to prevent formation of spoilage bacteria for a longer period. It is not a substitute for refrigeration, but a supplement to it.

The ratio of antibiotics used in government regimentation to a minimum.

most of these processes is very small. If these test situations can be considered an accurate means using stick for the world livestock industry, then a dramatic increase in the world food supply is possible.

## Two Babies Buried At Olton

Two Latin-American babies were buried in the Olton cemetery Sunday afternoon at 5 p.m. Olivia Bravo who was born August 12, 1955 in San Juan, Texas and passed away Sunday morning at the Olton Memorial Hospital. She was the daughter of Mr. and Mrs. Nicholas Bravo of Olton.

Marguerita Silas was born July 22 at Donna, Texas, died at the family home five miles southeast of Springlake.

She was the daughter of Mr. and Mrs. Julio Silas. Father Bosen read graveside services for Marguerita. Hammons Funeral Home was in charge of arrangements.

## "AGE DOES NOT DEPEND ON YEARS BUT ON TEMPERAMENT AND HEALTH"

Medical science is rapidly conquering many of the killers that have plagued mankind. Small Pox, Typhoid, Diphtheria, Malaria, and now even Polio are being controlled.

Your age should be measured, not by your years, but by how well you have taken care of yourself. Your temperament should be better because you know that your health can be better if you consult your Physician frequently and follow his advice. We carry the medicines that will help you keep young.

**YOUR PHYSICIAN CAN PHONE 91 WHEN YOU NEED A MEDICINE**

Pick up your prescription if shopping near us. A great many people entrust us with the responsibility of filling their prescriptions. May we compound yours?

## African Grass Thrives In Texas Soil

Some Texas pastures are now being covered with an immigrant forage—African stargrass. Although it has been grown in Texas soil some 18 years, its potential use as range forage is just now being recognized.

African stargrass is very similar to many native Texas grasses. Grown under droughty conditions it looks like a healthy common Bermuda, except that it is not as dense and close growing. Under more favorable conditions or irrigation, it appears to be Coastal Bermuda except that the stolons are larger and many times longer.

These long stolons or runners spread and multiply readily when they come in contact with soil. It is this characteristic that makes African stargrass easy to start from cuttings, and also very popular with its supporters. The grass also thrives well on salty land.

It is also said to furnish grazing over a longer period than other grasses, and cattle ranged

on African stargrass have made good gains.

Although there are at least three varieties of African stargrass, none is presently available from commercial sources. However, it grows very well under nursery conditions, and cuttings should be relatively simple to obtain. It is being grown mostly around Harlingen and Brownsville in the Valley and in Jackson county in the Coastal bend area.

## Don't Burn 'Em Pile 'Em, Leaves That Is

COLLEGE STATION — Don't fret when the leaves begin to fall. If properly handled they can be a boost to next year's flower or vegetable garden, says M. K. Thornton, extension agricultural chemist.

It may be easier to burn them but the extra time required to put them in a compost pile will return dividends, explains the specialist. The compost can be used next year to increase the organic matter in the soil or for mulching flowers, shrubs or vegetables.

Mulches are valuable for controlling soil temperature and conserving moisture.

Making a compost pile is a simple operation. Scrap lumber or a few feet of net wire and four posts will take care of the enclosure, says Thornton. Start with a six inch layer of leaves and a four foot square enclosure, dissolve a cup of commercial fertilizer, either 5-10-5 or 8-8-8, in water and sprinkle the solution over the leaves. Keep adding these alternate layers until the pile reaches the desired height. Leave the top layer somewhat saucer shaped as an aid for holding water on the leaves. Cover the pile with a shallow layer of soil.

Turning the material occasionally will speed up the decomposition of the leaves and the addition of water, during dry weather will also help speed up the composting process. In areas where soils are acid, Thornton suggests adding a cup of lime to the fertilizer.

**COMMUNIST GOATS**  
TOKYO — Outer Mongolia, known as the Mongolian People's Republic, has sent 22,500 sheep and 7,600 goats to Communist North Korea, says Peiping radio. They will be distributed to state agricultural cooperatives.

## Good News For Dairymen

Americans are drinking more milk and eating larger quantities of other dairy products reports the Agricultural Marketing Service of the U. S. Department of Agriculture.

In 1953 each person used the equivalent of only 688 pounds of milk, the smallest quantity since 1924 when figures first became available. But the 1954 figures are good news for dairy producers. Consumption per person rose to average about 700 pounds. And still better, indications are the 1955 average consumption figure will be slightly higher.

The upturn in the consumption of milk, says the Agricultural Marketing Service, resulted from several factors. Retail prices went

**WANTED** careful drivers  
**REWARD** low net cost auto insurance  
See or Call F. L. NEWTON

down slightly when supports reduced in April 1954. Consumer incomes moved upward in last quarter of 1954, making possible for many families to buy more dairy foods. Government disposal program and by the industry's promotion campaign. Advertisers stress the fact that people of all need milk to keep healthy.

And the installation of vending machines in offices, public buildings, and other locations makes easier for workers, travelers, others to buy sweet milk, low milk and flavored milk drinks.

Tennessee has 3,464 milk railroads.

## \$200 Slashed From Price Of Color TV Sets

James Zachary, owner of Zachary Radio and TV Service, looks over the handsome new color Motorola TV which he has just received.

This isn't the first color TV set to be displayed at Zachary's. The important difference is that it sells for \$200 less than previous sets.

Finished in beautiful mahogany finish, the console has two matched speakers. The picture tube is engineered to receive both color and black and white shows. And the picture tube carries a full year warranty.

Some 15 hours a week of color shows are now being presented by Lubbock stations.

## Directions From Above

By TOMMY WILLIAMS, Minister

"O Lord, I know not the way of man is not in himself: It is not in man that walketh to direct his steps" (Jeremiah 10:23).

The continuously unsettled condition of the world shows that man cannot cure his ills and find the right paths by his own devices. Problems of infinite proportions can be met only by an infinite mind. Only God possesses that.

God provides the way for man and calls on him to see the wisdom of his following his directions:

"In all thy ways acknowledge him and he shall direct thy paths" (Proverbs 3:6).

"The steps of a good man are ordered by the Lord" (Psalms 37:23).

following the beautitudes. There can be no real and lasting peace unless men are led by the Prince of Peace. There can be no real security except through dependence on the power and the love of God. We cannot be secure unless we have something to depend on even "though the earth be removed and the mountains be cast into the sea" because that very thing just might happen.

All tested principles found to be sound were first given by the Lord—whether we give him credit or not. We may learn slowly, but there is encouraging evidence that we are learning that "Except the Lord build the house, they labor in vain who build it" (Psalms 127:1).

"Stowaway Cat Steals A Ride"

### Wandering Cat Steals Ride To Live At Seymour

It seems the Loyd Seymore family possess some strange attraction for cats. Having sixteen cats already at their farm south of town, the Seymores acquired a "stowaway" cat Sunday evening. Following an evening of visiting in the Randall Scott home in Sudan the Seymores returned home at 10 p.m., and upon leaving the car garage, heard the plaintive wailing of a cat in the vicinity of their car. Marking a search they found the white, female kitten, belonging to the Scott's daughter, Faye, perched on top of the car motor, just behind the fan. The "wandering" cat had ridden on the precarious "hot seat" while the Seymores made various stops in town and drove the 11 miles to their farm home. Regardless of the feeling that the "powers that be" are determined that they should start a cat farm the Seymores were only too happy to return the cat to its owner.

### Sudan News

By MRS. EVELYN M. SCOTT  
Mr. and Mrs. Waymon Gordon entertained members of the youth department of BTU of the Baptist church and their guests with a covered dish supper at their home Sunday night. Turkey with all the trimmings formed the menu. Present for the supper were Stanley Otwell, Gus Bellamy, Robert DeLoach, Gus Bellamy, Robert DeLoach, Smokey Savage, Jim Baccus, Glenn Parrott, Sev. and Mrs. Wayne Perry, Patty Gosdin, Deanne Austin, Jo Penney, Charlene Vinson, Linda Walbrick, Pat Gilbert, LaDeita Ingle, and Druelle Baccus. Among those on the sick list among school students are Paul Gordon and Paul Chisholm. The Olan Roark's were hosts Thursday evening to members of the evening bridge club. Present for playing were Messrs. and Mesdames Lee Jarmon, James Gsin, Ray Wood, Johnny Thomason, Doyle Watkins, and E. C. Minyard. Among those from Sudan attending Texas Tech Homecoming activities Saturday were Mr. and Mrs. Ray Wood and Dan, Mr. and Mrs. Doyle Watkins, Mr. and Mrs. S. D. Hay, Mr. and Mrs. C. E. Nichols, and Mr. and Mrs. J. T. Lybrand. Luncheon guests Monday at the El Monterrey in Clovis for the occasion of the birthday of Mrs. F. M. Smith were Mesdames Glen Gatewood, E. C. Minyard, Elean Baccus, Radnev Nichols, Olan Roark, Doyle Watkins, and Mrs. Smith. Mrs. Elsie Morrow was a recent guest in the home of Mr. and Mrs. Webb Watts of Muleshoe. The Jay Miller family was in Oklahoma City over the weekend to visit his mother, Mrs. W. R. Lord. They made the trip in the

Primitive Baptist Association meeting in Austin this week.

Maxine Beckett assumed duties as office assistant Monday morning for the Crow Chevrolet agency in Sudan.

Members of the Sudan School Band attended Homecoming activities of Texas Tech Saturday and participated in the street parade.

The C. E. Nichols were guests Saturday in the Lubbock home of Mr. and Mrs. L. A. Purcell.

Grandmother Whitely is reported on the sick list. Since her illness she is making her home with her daughter, Mrs. Barney Rogers.

Mrs. P. M. Moore, of Littlefield, was a Sudan visitor Saturday. While here she attended the funeral services of Frank Robinson.

Mr. and Mrs. Arlie Long are making a three weeks' stay at Hot Springs, N. M.

The State convention of the Congress of Parents and Teachers will be held in Fort Worth next week.

Planning to attend are Mrs. Glen Gatewood of Sudan, president of the Lamb County Council; Mrs. O. P. Wilmon, Mrs. L. E. Sullins, and Mrs. Linton Smith, all of Littlefield.

Weekend guests in the home of Mrs. F. E. Miller and Mrs. J. A. Harris, were Mr. and Mrs. Bowen Dulaney and children of Houston and Mr. and Mrs. Bill Miller and son of Amarillo.

Mr. and Mrs. J. W. Olds received word last week of the birth of a granddaughter, Denise Smallin, born Tuesday Nov. 1, at the Bay Hospital in Dallas.

Parents of the infant are Mr. and Mrs. Jerry Smallin of Grand Prairie. Mrs. Smallin is the former

Maurene Olds, Mrs. Olds left Friday to spend several days in the Smallin home.

Captain W. H. Lyle of Hawaii is visiting this week in the home of his parents, Mr. and Mrs. W. H. Lyle Sr.

Mr. and Mrs. Carl Miller of Amarillo, and Mr. and Mrs. Paul Armstrong of Lubbock were guests Sunday in the home of Mrs. Edith Miller and Mrs. J. A. Harris.

Mrs. Tommy Cate was a weekend guest in the Fort Worth home of her parents, Mr. and Mrs. J. O. Cherry.

Weekend guests in the Grand Prairie home of Mr. and Mrs. Jerry Smallin were J. W. Olds, and Mr. and Mrs. Byron Lynn.

### Father Of Mrs. West Buried Saturday

Funeral services were conducted Saturday afternoon at 3 at the Baptist church in Wolforth for Charles E. Gillit, father of Mrs. E. P. West of Sudan.

Gillit died Friday at the West Texas Hospital in Lubbock. He was ninety years of age and was born Dec. 16, 1864 in Minnesota. He had lived in Wolforth the past 26 years.

He is survived by 9 children, 29 grandchildren, 8 great-grandchildren, and 2 great-great-grandchildren.

Among those attending the services were Mr. and Mrs. E. P. West, Mrs. Son Whitmire, and Anita Kay, Mr. and Mrs. F. R. West, Mr. and Mrs. Audrey West, Mr. and Mrs. Carlos West all of Sudan, G. W. West of Friona, Mr. and Mrs. Kenneth Ware of Littlefield.

### HOUSEWIVES ARE WARNED:

### Falsely Labeled 'Wools' Make Thriving Business

SALT LAKE CITY—A smoothly operating band of door-to-door salesmen who sell cheap substitute fabrics as "all-wool" are cheating the nation's housewives out of hundreds of thousands of dollars each year, the American Wool Council has warned here.

The swiftly spreading racket, which foils local authorities in most communities, has reached as far West as Southern California and as far East as Hartford, Conn., according to the Better Business Bureau in New York. In most cases, victims are persons who can ill afford to be swindled.

Fast-talking and fast-moving, members of the organization hit with greatest frequency in rural America. Here their way is paved by reputable, well-established firms which have made door-to-door selling a respected form of distribution. And here, in smaller towns with few stores, these slyly polished gyps can reach the heart of the nation's budget-conscious, home-sewing market.

Particularly affected by the activities of the gang have been thousands of young women of high school and college age who each year enter the "Make It Yourself With Wool" contest in 15 western states. In many instances, girls have completed their entries in the contest only to find that the fabric which they thought was wool is, in reality, a cheap substitute.

Telling a story of personal hard luck, the itinerant salesman offers what are described as luxury wool fabrics at sacrifice prices, victims of the racket report. Authentic-looking labels identifying the fabrics as "all-wool" play a big part in clinching most sales, they add.

Only after the salesman has slipped away in his high-powered

car do both the salesman's story and fabric prove to be synthetic. "For every one of the hundreds of local incidents reported each year thousands of sales unquestionably go unreported," says W. H. Steiwer, the American Wool Council's president. Where salesmen are apprehended, they are usually ordered to leave the locality immediately.

"Not only do these operations have serious effects upon the general buying public, they also represent a growing threat to legitimate retail enterprises, and to public confidence in the 'all-wool' label," Mr. Steiwer warns. "To some degree, this large-scale swindle involves as well the livelihood and welfare of thousands of American wool growers."

"The job of putting an end to this vast operation is a challenge to both national and local law enforcement bodies," Mr. Steiwer continued. "The individual citizen, however, can play his part in the task in two ways:

"First, by asking to see the credentials of all door-to-door salesmen, and buying fabrics and apparel only from persons showing proper credentials or in retail stores, and

"Second, by reporting immediately to local police and Better Business Bureaus any person selling from door-to-door under suspicious circumstances."

Added Publicity Needed  
The main problem in coping with the fast-spreading operations is the lack of public awareness of their nature, most state and local police leaders say. Only recently has any significant attention been accorded to the problem, with the publication of a comprehensive report in the Sunday magazine supplement, Parade.

"Members of the gang have been caught in the act probably hundreds of times, yet the combined bungling of their victims and the law has let them escape justice," the magazine feature stated. "For at least 40 years, they have thumbed their noses at police, courts, Better Business Bureaus, the American Wool Council, the Federal Trade Commission, even the F. B. I."

Wool Labels Affixed  
Low-grade yard goods are shipped to various points across the country where phony labels are affixed identifying the goods as "Virgin Wool" or "Pure Imported Wool."

W. H. Steiwer

### Beyond the Realm of Argument!

This is the season when conversations turn easily and often to motor cars. And, in almost any gathering, you're likely to find a wide difference of opinion about the relative merits of the year's automotive offerings. Until the talk turns to Cadillac! Here is one car concerning which most motorists have a meeting of minds. And never before has Cadillac left so little room for argument as in 1956! Certainly no one could behold the new Cadillac without recognizing it as the "car of cars". Its beautiful, graceful lines and its regal bearing on the highway are simply too significant to misunderstand. Surely no one could ride in a new Cadillac and not agree that it is the Standard of the World. Its new fabrics and leathers are luxurious almost beyond belief... and its new interior appointments have been crafted with a jeweler's skill. And we doubt if anyone could drive a new Cadillac and not understand that it is the finest-performing motor car of all time. Its great new engine is a revolution in power and performance... its new Hydra-Matic Drive is incredibly smooth and responsive... and the car rides and handles and moves with unbelievable ease. Truly, the evidence on the side of Cadillac has never been more abundant—or more apparent—than it is today... Why not pay us a visit soon—and see for yourself? We'll be delighted to introduce you to Cadillac's great new styling... and to arrange a demonstration at the wheel... and to acquaint you with Cadillac's two new models, the Sedan de Ville and the Eldorado Seville. You'll agree, we're certain, that Cadillac for 1956 is beyond the realm of argument!

## Highlights and Sidelights From Your State Capitol

By VERN SANFORD  
Texas Press Association

AUSTIN—One thousand education-minded Texans, meeting in Austin, between 10 and 11 a. m., to discuss the state's educational system, will meet in the White House Conference on Education Nov. 25-26-27.

Texas is one of five states that discuss federal aid for state and local education conferences.

Gov. Allan Shivers told the delegates to the conference that Texas did not seek federal aid to education, further aid to the school system, he said, should come from the state, but without strings of control from the state level upon the local districts.

Rather than federal aid, one leader suggested relief from the suspension of the tax budget to allow states more latitude for school financing. A re-examination of the state's total tax structure in search of additional school revenue was proposed.

Other problems on which the Texas Conference on Education exchanged ideas were: 12-month-a-year or six-days-a-week use of buildings; attracting and holding good teachers; keeping curricula up-to-date.

A consensus of their findings will be compiled into a report to be taken to the White House Conference.

**COURT RE-CONSIDERS**  
Texas Court of Criminal Appeals is, for the second time, pondering the legality of the Duval county grand jury which returned 104 indictments against county officials.

This time it also is considering charges by Atty. Gen. John Ben Shepperd that it "misrepresented facts" on its Oct. 5 decision nullifying the grand jury's action.

In a vigorous argument for reversal, Shepperd contended the majority opinion reflected on the "propriety and motives" of himself and Judge A. S. Broadfoot. He referred specifically to statements concerning alleged collusion between himself and Broadfoot.

Judge Broadfoot dismissed one grand jury in Duval county and made arrangements for a new one, which the high court held illegal. Shepperd's office assisted with the South Texas investigation.

**MASTEE PLAN OUTLINED**  
Visitors to Austin will have new sights to see in the Capitol area before long.

Guiding factors for the creation of a "state government center," with the Capitol building at the core, have been outlined by a professional planning firm.

A new state courts building and a state office building are to be constructed in the area soon. In locating them the planning specialists suggested:

1. That none should tower over the capitol dome.
2. That off-street parking be provided.
3. That easy pedestrian access be provided for all buildings.
4. That further commercial development in the capitol area be controlled.

**LAND SALES REOPENED**  
Requests from over 3,000 veterans were included in a drawing which officially reopened the Texas land program last week.

The first 300 drawn were to receive application forms immediately. The remainder will receive notices of where they stand in

line and will receive their application forms at a later date.

Land Office Commissioner J. Earl Kuebler looked on as Charles L. Downey, department commander of the American Legion drew the name of Olin K. Tailey of Bulliao Gap as the first on the application list.

Rushed said careful measures are being taken to prevent favoritism. This was one of the factors revealed in the investigations which caused the program to be shut down last November.

**SKELTON ELECTED**  
In electing him chairman of the Texas Democratic Advisory Committee, Byron Skelton of Temple to the DAC they had in effect, made him chairman of the Democratic Party in Texas.

A resolution at the DAC meeting in Waco, to leave the national committee post vacant until the next convention was rejected. In its place, the committee adopted a resolution setting forth "prime qualifications" for a national committee member and committee woman.

No direct reference was made to the choice of Lt. Gov. Ben Ramsey, recently named committee member. Ramsey's appointment had the approval of Speaker Sam Rayburn, who organized the DAC to fill the place of national committee member after Wright Morrow was ousted from the post.

**JOHNSON DINNER PLANNED**  
It plans to materialize, a testimonial dinner for U. S. Sen. Lyndon B. Johnson will be given in Austin in December.

Meantime, there have been suggestions to name Johnson Texas "favorite son" candidate for president. Johnson said he had no intention of being proposed as a candidate. He said he had every hope of forming a legislative program in Congress which can be carried to the people. "If we do our job in Congress right, the election will take care of itself."

**TEXAS SCHOOL PRAISED**  
A letter to Governor Shivers from Maj. Gen. John G. Van Houten at Fort Carson, Colo., praised Texas' public school system.

General Van Houten said outstanding trainees are selected from approximately 1,500 newly inducted soldiers each month in the basic training program.

"To date the greatest number of outstanding trainees selected have come from the state of Texas," the general said. He is commanding general of the Eighth Infantry Division.

**SHORT SNORTS:** Miss Marie McCutcheon of Dallas has been named assistant secretary of state by the new secretary, Tom Reavley. . . . Roger Tyler, former assistant secretary of state, is now chief counsel for the Brazos River Authority. . . . Davis Grant of Bryan has been named first assistant attorney general, replacing Robert S. Trotti who

resigned to join a Dallas law firm. . . . Texas should reach an all-time high in employment by mid-November, says the Texas Employment Commission. . . . Texas cash farm income dropped nine per cent in the first nine months of 1955.

## Spade News

By MRS. JOE PRATER

Mrs. Ada Reed is visiting her mother, Mrs. J. W. Redell, of Bridgeport.

Mr. and Mrs. J. R. Matthews went to Indiana last week to visit their daughter who has returned from Alaska recently.

Mr. and Mrs. Ernest Savage have a granddaughter, who was born November 5 in the Littlefield Hospital.

Mr. and Mrs. Arwin Turner were Sunday dinner guests of Mr. and Mrs. Charles Park and sons.

Mr. and Mrs. Preston Pointer went to Lamesa Sunday to visit relatives.

Kay and Carolyn Pointer of Lubbock visited their grandparents, Mr. and Mrs. H. P. Pointer

during the weekend.

Mr. and Mrs. Bayne McCurry and Roger Weldon, Mrs. Ada Bundick, Ethel Bundick, Dot Walters, Oscar Lee Tomlinson and Mr. and Mrs. N. M. Little of Littlefield visited in the home of Mr. and Mrs. Travis Bundick and daughter of near Olton, Sunday. Mr. and Mrs. Bundick have a 1956 Chevrolet which they purchased last Tuesday. It is yellow and avocado in color.

Mrs. Bennett Maples will be honored with a pink and blue shower at 1:30 p.m., Nov. 10, in the home of Mrs. R. L. Stubblefield.

Miss Maudean Tinsley who has been employed in Lubbock was

home last week.

Mr. and Mrs. Neal Trull of Littlefield were Sunday dinner guests of her parents, Mr. and Mrs. Jess Emmons.

All circles of the WMU met at the Baptist church Monday at 2 p.m., for Bible Study. All circles will meet next Monday in a joint meeting for Royal Service.

## NOTHING SACRED

PHOENIX, Ariz. (AP)—A traveling salesman recanted this theft of police with mixed feelings:

One Bible, three books on religion and some blanks to be used in ordering religious articles. The articles were taken while he left his car in a parking lot.

Here now and ready to roll!

THE '56 CHEVROLET BEL AIR SPORT SEDAN—above is a beautiful example of Chevrolet's bigger, bolder look. Four doors and no sideposts in this one—did you notice?

The hot one's even hotter!

# the '56 Chevrolet

New models—all with bold new Motoramic Styling. More models—including two new 4-door hardtops and two new 9-passenger station wagons. New excitement under the hood—up to 205 horsepower and 9.25 to 1 compression ratio. This—remember—is the car that broke the Pikes Peak record in a history-making, preproduction trial. Come on in, look it over and try it out!

They're sitting in our showroom right now champing at the bit. For these '56 Chevrolets were born with an urge to go places! But look 'em over first. Look at that bigger, wider, more massive grille. Follow that lower speedline of chrome back to those sassy, high-set tail-lights (the one on the left swings down to uncover the gas cap!).

V8 or 6—19 Models in 3 Series  
Any kind of model anyone could want! Your choice of the new "Blue-Flame" 6 with 140 h.p. and new higher compression or Chevrolet's record-breaking V8 power ranging up to a new high of 205 h.p. and 9.25 to 1 compression ratio! Automatic, and comfort and safety features? If Chevrolet doesn't offer them, it's only because they haven't been invented yet. Come in and drive the '56 Chevrolet!

At report card time... you can see the difference

It's up to you, Mother or Dad, to find out whether their eyes are doing a good job . . . and to give them the care they need.

For a competent visual examination see your Optometrist or Ophthalmologist today.

**LAFF-A-DAY**

Christmas mailing. Mr. Joplin noted. Detailed packaging instructions may be obtained easily from the packing and wrapping pamphlet. But, the Postmaster did have a few do's and don'ts to offer, as follows:

Don't go for flimsy light cardboard and paper boxes in packaging your Christmas presents for the mail.

DO pick strong containers in good condition. An empty corrugated fiberboard box of the type that may be found in your neighborhood grocery is good for mailing gifts, for example, if it is rigid and undamaged. Be sure the container is the right size: If it is too large, the contents are apt to shift in transit; if too small an overstuffed carton may burst in shipping. If necessary, cut your container down to fit its contents.

Cushioning material, such as excelsior, shredded newspaper or tissue paper, should be evenly and firmly placed on all sides of the gift item. Two or more inches of such covering is the minimum.

The carton should be wrapped in heavy brown paper and tied with strong twine.

Articles of a delicate nature, such as glass, china, electrical appliances, musical instruments and radios, must be marked "Fragile" by the mailer. Food stuffs should be marked "Perishable," if subject to spoilage. But DON'T mark the wrapping with unnecessary wording. For example "Do not Delay," is superfluous. "Rush" does not properly belong on a parcel. If it is desired to expedite delivery of a parcel, use special handling or special delivery service.

DO address plainly and properly, using postal zone numbers where available. Addresses should be printed in ink or typed, and a return address should appear on every parcel, no matter how near or how far it may be going.

The proper place for the return address, incidentally, is the upper left hand corner of the parcel—not on the back, side, or one of the other corners.

The overwhelming bulk of Christmas mail will be by parcel post, of course, and it should be remembered that size and weight limits vary, depending upon the post office of mailing and the post office of address.

Mailers may check with their

**Springlake News**

Mr. and Mrs. Harlen Watson spent Sunday in the home of Mr. and Mrs. Keller of Earth.

Mr. and Mrs. Keller are Mrs. Watson's parents.

Mrs. Robert Huckabee gave the highlights of the WMU convention at the Sunday morning service at the Springlake Baptist church. Rev. John Williams also gave some of the convention highlights.

Joe Weldon of Plainview, stu-

dent of Wayland college, led the singing in the Baptist church Sunday morning. A special feature in the music program was a song by little Stevie Sanderson, three-year-old son of Mr. and Mrs. James Sanderson.

Rev. Roque Puente has accepted the work as pastor of the Mexican Mission and will begin his work in Springlake this week.

Mr. and Mrs. Jock Loftis moved to their new home north of Springlake this week.

Mr. and Mrs. O. L. Barnes of Cotton Center, Mr. and Mrs. Jess Watson, and Mr. and Mrs. Leslie Watson of Springlake visited in the home of Mr. W. O. Watson, Thursday night. The occasion was a surprise birthday supper for Mr. W. O. Watson.

Mrs. Cecil Hudgeons, sister of W. T. Clayton is seriously ill in Taylor Clinic at Lubbock.

Mrs. G. R. Smith, sister of W. T. Clayton, is seriously ill in the

Littlefield Hospital at Littlefield.

**SPRINGLAKE GARDEN CLUB MEETS**

The second meeting of the Springlake Garden club was held Thursday, Nov. 3 to complete the organization of the club and to tour the yard of Mrs. G. R. Smith.

The other officers elected at this meeting were—nominating, Mrs. Ashley Davis; projects, Mrs. Cecil Brown; finance, Mrs. Wayne Davis; hospitality, Mrs. Leon Sanders; extension, Mrs. Billy Watson; 2nd vice president and scrapbook, Mrs. Hilbert Wisian, Honorary member, M.S. W. T. Clayton.

**Firestone De Luxe Champion Tubeless Tires**

THE ORIGINAL EQUIPMENT TIRE ON FINEST 1955 CARS

**AMAZING OFFER**

We'll Buy All the Unused Mileage in Your Present Tires When You Trade for New Firestone De Luxe Champions.

**BLOWOUT PROTECTION**

There's no tube to pinch or explode! Inside this tire there's a Safety-Liner, which holds air, and reinforces the tire in the event it should be injured . . . instead of a dangerous blowout you get a harmless slow leak. You drive relaxed, with greater peace of mind.

**PUNCTURE PROTECTION**

If a nail, or any sharp object should penetrate this tire, the Safety-Liner grips it and slows the air loss . . . No sudden flat tires, no need to change flats on the road, instead the Firestone De Luxe Champion Tubeless enables you to drive to the nearest service station.

**SILENT-RIDE SAFETY-GRIP TREAD**

**SKID PROTECTION** . . . Newly designed silent tread has 70% more angles and skid-protecting edges than ordinary tires.

**QUIETER RUNNING** . . . Won't squeal even on sharpest turns. No hum or whine because tread elements overlap to prevent rhythmic vibration.

**SAFETY-TENSIONED GUM-DIPPING**

Firestone's new cord treating factory combines the famous Firestone Gum-Dipping process with Safety-Tensioning, a new process which takes the stretch out of tire cords, prevents dangerous tread cracking. The result is greater blowout protection and longer tire life.

### News From Bula

Mr. and Mrs. R. A. Seiffers spent the weekend visiting with relatives in Dumas.

Farwell basketball girls came to Bula Tuesday night, Nov. 1 and played two scrimmage games. The A game scores were 54 to 37 favor of Bula and the B game score was 38 to 25 in favor of Bula.

The WSCS of the Bula Methodist church met Wednesday at 2:30 at the church for a program on "Prayer and Self Denial." Mrs. B. L. Blackman was the leader. Five members attended.

Miss Kathy Archers spent the weekend with Paula Neel of Friona.

Mrs. Edd Richardson and daughters of Lovington, N. M., were Bula visitors Wednesday.

#### MRS. SETLIFF IS HONORED ON HER BIRTHDAY

Mrs. B. S. Setliff was honored Wednesday night after church by members of the Church of Christ with a birthday party honoring her seventy-third birthday.

The evening was spent visiting and playing Bible quiz games.

Refreshments of coffee, hot chocolate and cake were served. Mrs. Setliff received many pretty and useful gifts.

Mr. and Mrs. Gene Bryan attended church Sunday at Friona Church of Christ and visited in the afternoon with Mr. and Mrs. Otis Neel.

Rev. A. D. Moore and niece, Miss Ramona Motes, spent the weekend at Morse visiting Miss Motes parents, Rev. and Mrs. A. N. Motes and girls.

#### HONOR ROLL IS ANNOUNCED

Names of the high school honor roll students were released last week.

Freshmen: A Sandra Angel, Lennell Claunch, Judy Young, and Sammy Reynolds.

B Shirley Cox and Kathy Archer.

Sophomores—B. Dusty Board, Kathy Phillips, Sandra Skinner, Betty Halford, Sandra Spence, and Janell Seagler.

Juniors—A. Myriene Nichols, Sharon Holt, and Junior Austin.

B. Glenda Tidwell, Brenda McCall, Carolyn McCall, Jim Pat Claunch.

Seniors—A. Barbara Board, Ramona Motes, Carolyn Young, B. Zelma Harris, Curtis Green, and Juanita Pearson.

#### THIRD AND FOURTH GRADES HONORED AT PARTY

Mothers of the third and fourth grades entertained with an outdoor Halloween party Monday night, October 31 at the home of Mrs. Bube Reid.

The terrace was filled with black and white ruminating skeletons, and lack of lanterns. The outdoor table was decorated with corn and maize.

The little guests all arrived in costumes as ghosts, black cats, and hobos.

Prizes were awarded to Gerald Reid, Linda Doonan, and Tolene Reid for the best costume in keeping with Halloween. Prizes for the oldest faces were to David McDaniel, Lamar Pollard, and Susan Coleman.

Mrs. Risinger directed group games which the children all enjoyed very much.

Refreshments were roasted wafers, and marshmallows were roasted over an open fire.

### News Of The Flats

The members of the Galilee Baptist church honored their pastor on his seventh anniversary, Tuesday night—Usher Board guest church, Anton. Sermon by Rev. R. A. Davis, Wednesday night, Deacons board guest Sykes Gospel Singers of Lamesa. Sermon, Rev. Sykes, Thursday night, Choir, guest church, Sudan Baptist, Sermon, Rev. T. J. Fields, Friday night, Mission, guest church, Pleasant Home Baptist, King's Gospel Singers of Lubbock. Sermon, Rev. E. M. McFrazier.

Supt. Frater of Crosbyton conducted Sunday school and brought 22 visitors. Rev. Moore preached the 11:00 sermon. Dinner was served from the cafeteria at 1:30.

The meeting closed Sunday at 3:00 p.m., with St. Luke Baptist church of Lubbock, and Rev. A. L. Davis delivered the sermon. Presentation of gifts was by Mrs. E. Sanders.

Pvt. Walter Struggs visited his mother and many friends for three days and also spent three days at Jarvis College before he left for Ft. Ord, Calif., where he is stationed.

**Creamy Peach Pie**

Broadcast: October 11, 1952

3/4 cup Fat Milk (6-oz. can) 1 1/2 teaspoons unflavored gelatin  
1 1/2 cups graham cracker crumbs 3-oz. package white cream cheese  
1/2 cup melted butter 1/2 cup sugar  
No. 2 1/2 can cling peach slices 2 Tablespoons lemon juice

Chill milk until ice cold. Mix crumbs with melted butter, then press in bottom and on sides of a 9-inch pie pan. Chill. Drain peaches. Save the juice. Save 12 peach slices; cut rest of slices into small pieces. Soften gelatin in 1/4 cup peach juice in a small bowl. Set bowl in pan of hot water. Stir until gelatin dissolves. Mix cheese and sugar until smooth. Stir in gelatin. Whip ice cold milk with cold rotary beater, or electric beater at high speed until fluffy. Add lemon juice. Whip until stiff. Beat in cheese mixture, about 1/4 at a time. When smooth, fold in cut-up peaches. Put into chilled crust. Garnish top with sliced peaches. Chill.
