

### Conoco Chemist Wins Renown For Oil Researches

ONE of the most far-reaching of recent scientific discoveries—the "alloying" of oil to extend the life of automobile engines—is credited in large part by engineers to L. L. Davis, unassuming young chemist in the laboratories of the Continental Oil Company at Ponca City, Oklahoma.

With Bert H. Lincoln, the company's chief chemist, Davis patiently tested a thousand obscure chemical compounds to find one that, mixed with oil at the refinery, would establish an independent and permanent protective film on motor metal and thus permit the oil to do its work satisfactorily, even under the higher stress of modern lubricating conditions.

No such chemical substance existed, so Lincoln and Davis synthesized a quasi-magnetic chlorinated ester which they called methyl-dichlorostearate. X-ray diffraction tests conducted by Professor G. L. Clark of the University of Illinois showed its behavior.

Lincoln and Davis put together this compound with a bow to Sir William Bragg, an English physicist who ten years earlier, while blowing soap bubbles, made observations indicating that the presence of an ester might bring about a desirable regimentation of oil particles.

First revealed to the scientific world at the last meeting of the American Petroleum Institute, the Davis-Lincoln process was a featured topic of discussion before the American Chemical Society membership in its annual meeting at Kansas City last week.

L. L. Davis, Continental Oil Company chemist, whose recent discoveries in the field of friction and lubrication have attracted nationwide attention.

### Four Boy Scout Camps To Be Held

Mr. Joe Kennedy, Scoutmaster of Troop No. 10 of Lubbock, was appointed camp director for all South Plains Council camps this summer. Mr. Kennedy has conducted a number of camps and has a fine background of a number of years experience in Scouting and Camping. He is an Eagle Scout and instructor of

matematics in the Lubbock High School.

Four Boy Scout Camps will be held this summer. Three camps will be conducted at Camp Post near Post, Texas, in June and the fourth will be a foreign camp to Carlsbad and Sacramento Mountains in New Mexico in July.

Following are dates when various towns will go to camp:

June 7-13—Post, Tahoka, Lorenzo, Slaton, Idalou, Ralls, Crosbyton, Spur, Wake School.

June 14-20—All Lubbock troops.

June 21-27—Key, Muleshoe, Lamesa, Levelland, Littlefield, Bula, Circle Back, Sudan, Olton, Brownfield, and O'Donnell.

The trip to New Mexico is limited to 30 scouts and these will come from all parts of the Council.

### Local Hospital Report Following Cases Admitted

Patients admitted during the past few days by the Littlefield hospital are:

Miss Madis Terrell of Bula had her tonsils removed Monday of last week, and returned home the next day.

Mrs. Ellis Harlan of 5 miles southwest of Littlefield underwent a major operation the first of last week; is doing nicely, and will be released about the end of this week.

Mrs. Earl Hopping underwent an operation for removal of her tonsils Wednesday of last week, and is at the home of her parents, Mayor and Mrs. L. R. Crockett, recuperating.

Mrs. L. E. Key was received for medical treatment Wednesday of last week, and returned to her home Sunday improved.

Claud Damron of Sudan, while working on a windmill tower, on the Paul Bros. Ranch, 20 miles west of Littlefield, was unfortunate enough to fall to the ground, suffering broken hip, broken arm, finger, and severe bruises and lacerations on the face, besides bad nervous shock. He was received the first part of last week, his broken limbs

### Hectic Days Sleepless Nights

**IF YOU are nervous today, you probably will not sleep well tonight. If you don't sleep well tonight, you will probably be nervous tomorrow.**

Don't allow yourself to become nervous. Take Dr. Miles Nervine. It will relax your tense nerves and let you get a good night's sleep.

Irritability, Restlessness, Sleeplessness, often lead to Nervous Headache, Nervous Indigestion, Hysteria—sometimes to a nervous breakdown and organic trouble.

Some of the people, whose letters are printed below, were as nervous as you are—possibly more so—yet they have found relief.

Three years ago I was so nervous I could not bear to go out in company and could not sleep nights. A friend recommended Dr. Miles Nervine. I now enjoy myself thoroughly and sleep every night. *Miss Juliette Carrier, New Market, N. H.*

I have used Dr. Miles Nervine in liquid form and find it the best medicine for the nerves I have ever used. *Christene Lanier, Middleton, Tennessee*

Whenever I have over-indulged and feel restless I take one or two Nervine Tablets just before I retire. In the morning when I awake I feel like a new person and can go about my work as usual. *Dr. Miles Nervine Tablets quiet your nerves, brace you up and are the simplest, most convenient tablets to take I have ever found. Miss Grace Redmann, St. James, Minn.*

Before using your Nervine I was very nervous and irritable. Since I have started to take it I feel so much better that my family notice the difference. I still take it from time to time and the good result is wonderful. *J. H. Redding, 1027 15th Ave., Rock Island, Ill.*

### Eat up distance, but not your bearings Get alloyed oil . . . and you'll get the difference

Ask your wife. The least little heat makes smoke out of some of the oily substances she puts in her frying pan. They vanish double quick, while others stay put.

That's the sort of difference your hilliest hot-weather drive will show you in Germ Processed, the alloyed oil. Patented.

It not only stays up around "Full," but stays right up in every working surface of your engine. Yes, the pistons, cylinders, valve gear, and any types of bearings ever used, can really take in this alloyed oil. You might say they become lastingly, smoothly "oil-glazed."

And you can see that this added sleek oil-surfacing, together with the high-durability Germ Processed oil-film, easily doubles your guard against summer grief. Now when you want to go farthest fastest, get Conoco Germ Processed oil—the alloyed oil Continental Oil Company.

Roy McQuatters, Jr., represented the local high school at the Regional F. F. A. Declamation contest held at Plainview last Saturday and won third place. This was mighty good considering the fact that the boys had to write their own speeches on some agricultural subject, and Roy is only a first year student in Vocational Agriculture. He chose as his subject, "Conservation of Soil in America."

A banquet was held Saturday evening for the F. F. A. boys and their sponsors and the winners were announced, and awards were made at this time. The state supervisor of Vocational Agriculture was present and delivered an inspiring address to the boys and announced that the State Meet would be held at Huntsville the latter part of June.

### New Texas Road Map Offered Free

"History and nature have joined in making Texas one of the most interesting sections of the country," is the tribute paid this state in a new 1936 road map now being offered to motorists at some 40,000 Gulf gasoline service stations throughout the land. "A visit to Texas enriches life."

Besides charting the state highways and byways, the new map shows the state's principal cities in detail; describes its scenic attractions, and principal points of interest to tourists, and promotes safe and sane driving in an illustrated list of "Do's and Don'ts for Drivers." With the issuing of the colorful new chart of Texas, it is interesting to note that Gulf offered a free road map to the traveler, more than 20 years ago—a somewhat sketchy chart of dirt and macadam pikes in western Pennsylvania. Today, in addition to detailed maps of 33 states, Gulf offers to map out tours for individual motorists to all parts of the United States and Canada, through its Tourguide Bureau, Gulf Building, Pittsburgh, Pa.

# Announcing The Opening of The— Cotton Seed Delinting Plant In Littlefield

This week we are opening a modern cotton seed delinting plant in Littlefield and will operate the plant both day and night during the planting season. Seed will be delinted on a custom basis.

## Delinted Seed Saves Money And Labor—

Actual experiments show that delinted seed save time and money. They may be planted with a corn planter and from 5 to 7 pounds is all that is required to plant an acre. Delinting seed hastens maturity from 10 to 15 days . . . less moisture is required . . . cotton chopping is eliminated . . . and the process kills all cotton diseases usually carried in the seed.

## Farmers Who Know Recommend Delinted Seed—

Farmers throughout Texas and Oklahoma who have used delinted seed, send many letters and praise concerning this new economical discovery in the raising of cotton. They say that delinted seed makes many times as much cotton as fuzzy seed . . . they say there is less production cost . . . and they gladly recommend it to you. You will not be out one cent for delinting your seed. We will take part of the seed you save for our service.

## Sunndale News

J. R. Montgomery made a trip to Plainview Friday. Mrs. Martin Leuck and Mrs. Bruno Birkleback motored to Lubbock Wednesday. Mrs. Dee and Neil Pepper were in Lubbock Friday. Mrs. J. W. Partin of

Anton First Baptist church were supper guests in the home of Mr. and Mrs. H. C. Brown Saturday. Mr. and Mrs. A. H. Schultz motored to Littlefield Saturday. Mrs. Poy Pepper is visiting relatives in Lubbock this week. Mr. and Mrs. Birkleback visited in the Martin Leuck home Sunday. Mrs. Holt Camp visited Mr. and Mrs. Hill Sunday and in the Schultz home also.

Next Friday, May 8, an all-day quilting will be in the home of Mr. and Mrs. Fred Leuck. Mr. Pounds will give a grapevine demonstration in the H. D. club meeting at 2:30. Everyone invited. Hazel Marie Brown, Lesto Hanks and Waldon Sizemore are taking part in the May Fete, sponsored by the Junior Study club in Littlefield.

### IN THE CHURCHES

A generous pounding, consisting of numerous jars, cans and packages of fruits, vegetables and meat, was presented to Rev. Toney Q. Dyess, Methodist pastor, Saturday evening. Rev. J. W. Partin, of Anton, preached Saturday evening and Sunday afternoon, at each service he brought very fine messages.

### PLAY TO BE PRESENTED

A play, "Mrs. Tubbs of Shanty town," will be presented here Friday night.

### The cast is as follows:

Mesdames A. B. Jordan, P. S. Hanks, Mary, Billy, and Kathryn Hanks, Mary Schultz, Pud Hanks, Auburn Stowers, Celesta Leuck.

### MR. AND MRS. H. CLAUD BROWN HONORED

On last Friday, a lovely shower of useful and beautiful gifts were presented to Mr. and Mrs. H. Claude Brown, honoring them on their wedding anniversary, which they planned to keep a secret, when they invited everyone in the community to an all day quilting and "42" party. However, instead of surprising their friends, they were both shocked and surprised and speechless almost.

However they do appreciate the kindness and thoughtfulness of their many good friends here and wish for them every blessing in life.

A bountiful dinner was enjoyed by Mr. and Mrs. A. B. Jordan, Pud Hanks, Geo. Lindville, F. W. Leuck, A. H. Schultz, Martin Luck, Mrs. C. L. Henderson, J. R. Melton, Gus Clark, Bill Cafe, C. E. Toney, Florence Grissom, Louise and Lenora Leuck, Gladys Audria and Tootie Edgar and Mary Schultz, Wayne Toney, Charles Clark, L. M. Brandon and the Browns'.

### MR. AND MRS. FLOYD ROWE HONORED

The senior class in S. S. surprised Mr. and Mrs. Floyd Rowe (newly weds) with a lovely shower of useful and pretty gifts, at a social in the home of Miss Dorothy Toney on last Friday evening.

Refreshments were served and games enjoyed by Mr. and Mrs. Gus Clark and Sherwood, Raymond and Bruce Melton, Althea Johnson, Johnnie and Anita and Annie Laura Hanks, Mr. and Mrs. Geo. Lindville, Buck and Nell Tack, Mary Helen and Jessie Marie Seigler, J. D. Jordan, Haines Melton and Mr. and Mrs. Floyd Rowe, Dorothy Toney and L. M. Brandon.

### PEP PARAGRAPHS

(Crowded out last week) Mr. and Mrs. Ed Wotipka and family and Mr. and Mrs. Phillip Simmacher and family visited in Portales, N. M. and other parts of New Mexico last week.

Mr. and Mrs. A. G. Jungman and daughter, Valeria were in Lubbock Saturday on business.

Mrs. W. H. Heinen and son, Billy and Misses Blanche and Marguerite Brannen and Cecilia Peznik, all of Littlefield visited in the home of the teachers Sunday. They also visited at the A. G. Jungman's Taxidermist and Fur shop.

Mr. C. V. Hill and son, Clark and A. G. Jungman attended the agricultural meeting at Levelland Friday morning to study the work sheet. Mr. Hill is community chairman and Mr. Jungman is alternate.

Ed Blakney and Wesley Coffey are on business in Dallas this week.

Mr. and Mrs. James J. Lynch spent the week end in Shallowater.

A group of school children from here attended a singing practice of Texas songs at Levelland Friday afternoon.

The baseball boys wish to thank the business men of Littlefield and Pep for their help in organizing the ball club. They will play their first matched game of the season a Bula Sunday against the Bula team.

**Oil That "Marries" Metal Explained By Continental Chemists**

Ponca City, Okla., May 2.—Oil that "marries" metal and combines with the wearing surfaces of automobile shafts and bearings to form what is virtually an oil-plated protective layer was explained today by chemists of the Continental Oil company who reported the scientific details of the development at recent meetings of the American Petroleum Institute and American Chemical Society.

The "plating" of the metal is said to be accomplished by adding to mid-continent mineral oil a new chemical with so strong an attraction for metal that minute layers of the lubricant are locked tightly to the surface of the moving parts, forming what is virtually an amalgam of "plating" on the metal. The resistance of this plating to being "wiped out" is so great that the film continues to lubricate under greater heat and stress conditions than were formerly possible, and cannot be entirely removed by any process short of actual grinding.

Pall bearers were: Willie McCulloch, Leonard Miller, Chas. Taylor, R. B. Gladden, C. F. Winder and Alton Burleson.

**Laxative Combination folks know is trustworthy**

The confidence thousands of parents have in good, old reliable, powdered, Theford's Black-Draught has prompted them to get the new Syrup of Black-Draught for their children. The grown folks stick to the powdered Black-Draught; the youngsters probably will prefer it when they outgrow their childish love of sweets—Mrs. C. W. Adams, of Murray, Ky., writes: "I have used Theford's Black-Draught (powder) about thirteen years, taking it for biliousness. Black-Draught acts well and I am always pleased with the results. I wanted a good, reliable laxative for my children. I have found Syrup of Black-Draught to be just that."
