

Receives Card From Prisoner Of Japan

Bessie Lakey received a card from her son, Pfc. Webster C. (Sport) Lakey, interned in Philippine Military Prison Camp No. 10-C of the Japanese. This is the first card Mrs. Lakey has received from her son.

The card, which was signed by Lakey, and in his handwriting, contained the following, which was written:

"I am interned at Philippine Military Prison Camp No. 10-C. My health is good.

"My nearest Mother, I hope everyone is well. Tell grandmother my birthday for me. Love to sweetest and best girl I have. Love, Webster C. Lakey."

Texan Service To Broadcast

For the first time since the invasion of Texas on the home-front next week, Texans will hear the voices of their sons and friends fighting the battle-fronts of France, the United War Chest of Texas presents its state-wide network program, "The Texan's Share of the War."

For the unique program announced today by Wayland Towner, UWCT general manager, whose staff arranged the broadcast with cooperation of the British Broadcasting Company and the three radio networks.

The thirty-minute program will be broadcast almost entirely of short-interviews with Texas service men abroad, Towner said. From the fighting men will talk by wave with the folks back home in a series of informal "chats" war chest official explained. In addition, Larry Allen, famed Associated Press war correspondent, will briefly of his 13 months in a prison-of-war camp.

The broadcast, one of the most advanced stages during the war, will be introduced by Judge Ben H. Hall, state war chest president. The production, which will be made in the studios of the University of Texas Radio House, will be the Eighth Service Command's very band.

The program will be carried by three Texas radio networks and independent stations from 9:30 p. m. Monday, August 28.

Spring Lake Man Takes Part In Day Activities

Richard S. Brock of Spring Lake was one of the members of a parachute infantry regiment, 82nd Airborne Division, who dropped over the area on D-Day and who were able to assemble as a tactical unit until the fourth day of the invasion.

The regiment, nevertheless, played a brilliant role in carrying out the mission of the airborne troops, which was to prevent the Germans from interfering with the ground force until the beach landings had been accomplished.

To achieve this, the 82nd captured the town of Ste. Mere Eglise and fought for and held bridges over two rivers, the Merderet at La Chapelle and at Chef du Pont, and the bridge at Pont l'Abbe and at Beuzelieu la Bastille.

A large pocket of Allied resistance within enemy lines was set up during the campaign it stretched from Ste. Mere on the east to St. Vast on the west, from Le Ham on the north to La Haye de Puits on the south.

This was accomplished in 33 days of action, without relief and with (Continued on Back Page)

Two Local Boys Awarded Silver Wings; Commission

Two Littlefield young men are included in the record class of Silver Wings and Second Lieutenant commissions Monday at the Army Air Force Training Command navigation airbase of the Air Force Training Command at Randolph Field, Texas, as they receive their vital program of replacing America's bomber fleets.

The local young men who were awarded Silver Wings and the commission of Second Lieutenant were: Herbert C. Martin, 19, son of H. C. Martin, and Richard F. Stripe, 21, son of Mr. and Mrs. R. T. Stripe, of Littlefield.

Members of the new class have received hundreds of hours of instruction, both in the air and in ground classrooms, from veteran

Jim Thomas Trial To Open Monday

Interest is intense in the trial of Jim Thomas, charged with the murder of Dr. Roy E. Hunt, Littlefield physician, which will open at 10 a. m. Monday in District court at Plainview.

Thomas, a convict who has been held in Lubbock county jail since almost immediately after the tragedy, is under indictment of 64th District court of Lamb county for the October 26 slaying of Dr. Hunt. The State did not indict Thomas in connection with Mrs. Hunt's death, but can investigate that homicide at any time.

Dr. and Mrs. Hunt were murdered in their bed at their home in Littlefield. Dr. Hunt was shot and Mrs. Hunt was bludgeoned to death.

Jurors Are Summoned
A special venire of 136 has been summoned for the trial of Thomas. Judge C. D. Russell will preside.

Counsel for the prosecution will be District Attorney Harold LaFont, George W. Dupree, Lubbock, and E. A. Bills, Littlefield, special prosecutors.

George McCarthy of Amarillo and Curtis Douglas of Pampa have been employed by Thomas as his defense counsel.

The State has subpoenaed 30 witnesses for the trial and the defense seven.

All court action developing out of the attempt on the life of Dr. Hunt and later the murder of Dr. and Mrs. Hunt, has been transferred from Olton to Plainview on change of venue motions.

Venue was transferred on motion of Judge Russell in District court at Olton recently in the cases of Thomas, charged with murder, and Dr. W. R. Newton, Cameron physician, charged with assault with attempt to murder.

The case of Mrs. Newton, also charged with assault with intent to murder in connection with the first attack on Dr. Hunt, was transferred to Plainview several months ago.

Dr. Newton was sentenced to seven years in the penitentiary for assault to murder Dr. Hunt near Littlefield 18 months before the physician-hospital owner was murdered. The court of criminal appeals March 15 reversed and remanded the conviction. A state motion for a rehearing was denied two months ago.

The retrial of Newton is expected to follow within a week the opening of the trial of Thomas.

Counsel for Newton are Camp & Cameron, Dusty Miller of Amarillo, Frank Day of Plainview and T. Wade Potter of Littlefield.

Second Primary Election Saturday

The second primary election will be held Saturday over Lamb county. There are to be no run-offs in the county offices.

Run-offs in the State offices will be held as follows:

For Attorney General—between Grover Sellers of Hopkins county and Jesse E. Martin of Tarrant county.

For Associate Justice of the Supreme Court—Richard Critz of Williamson county and Gordon Simpson of Smith county.

The same group of judges who served in the first primary will act during the second primary. Voting boxes are also at the same places as in the first primary.

"Babe" Hammons Buried With All Military Honors

The First Baptist Church was not nearly sufficient to accommodate the large number who gathered Monday afternoon for the funeral services held at 3 o'clock for Cpl. Robert W. (Babe) Hammons, 19, of the U. S. Marine Corps, and son of Mr. and Mrs. Pryor Hammons of this city.

Cpl. Hammons, radio gunner on a B-25, stationed at Cherry Point, North Carolina, was one of six Marines, including two officers, who were killed when their Navy plane, which was attached to the Cherry Point Marine Corps Air Station, crashed six miles northeast of New Bern, N. C., Sunday afternoon, August 18.

The crash occurred about 2:30 o'clock in the afternoon, in a level sandy coastline area, and was witnessed by a farmer's wife, who notified the military authorities. All six are said to have died instantly. The bodies of Cpl. Hammons and Cpl. August Smith, also a radio gunner, of Long Island, N. Y., were thrown clear of the plane, and were not marred, according to Cpl. R. E. Stevens, mech. gunner, who escorted

Cpl. Hammons' remains to Littlefield. A portion of the plane is said to have burned. The remaining crew members of the B-25 who lost their lives were: Lieut. Hanes, first pilot, of Eddington, N. C.; Lieut. Washburn, co-pilot, of Florida; T-Sgt. Peate, navigator, of Joliet, Ill.; and Cpl. Savory of San Antonio.

Cpl. Stevens was a buddy of Cpl. Hammons, having "bunked" with him in the same wing for the past eight months, and taking part in the same football games, etc. He spoke of the very high regard and love felt for the Marine by all the members of his group.

Cpl. Hammons' remains arrived in Lubbock Sunday morning, and were brought overland to Littlefield.

N. S. Gregg & Son of Amarillo and Payne Funeral Home of Amherst were the funeral directors in charge.

Rev. Lee Hemphill, pastor of the First Baptist Church, Littlefield, was in charge of funeral services, assisted by Rev. A. B. Haynes, pastor of the First Presbyterian Church, Rev. C. Frank York, pastor of the

First Methodist Church, Littlefield, and Chaplain Long of the South Plains Army Air Field. Rev. Hemphill made a beautiful talk, speaking in very complimentary terms of the Christian upright life led by "Babe" and the good moral habits characteristic of this Marine.

The elaborate floral offering was also suggestive of the high regard felt by this city and area for this young service man, and his family.

The remains were buried with all military honors. The service at the grave was in charge of Chaplain Long of the South Plains Army Air Field, Lubbock, assisted by the following: Sgt. Edwin R. Breslin, Pvt. Wallace J. Muehling, Pvt. Ben H. Cook, Pvt. C. J. Tucker, Pvt. C. A. Clem, Pvt. R. H. Miller, Pvt. D. C. Gardner, and Bugler T. C. Balding, all of the South Plains Army Air Field. After the escort firing squad gave the salute, three volleys were fired over the grave, and taps were sounded.

Palbearers were also members of the South Plains Army Air Field. They were: Pvt. J. Griffin, Pvt. (Continued on Page 7)

Three Teachers Elected At Monday Night's Meeting

Bus Drivers Critically Short; Several Needed Before All Buses Can Run

At a meeting of the Littlefield Independent School Board Monday evening, three teachers were elected to the school's faculty, as follows:

Mrs. B. R. Meyers for third grade; Mrs. Lenton Smith in high school; and Mrs. Nellie Kirkpatrick in the Central school.

This still leaves six vacancies in the system, one in the primary, two in central building, and three in high school.

Miss Winnie B. Hendrix, first grade teacher, resigned recently to accept a position in the Lubbock schools.

J. D. Brien has been employed as custodian of the central building.

Bus drivers for the schools' 14 operating busses are critically short. Four or five drivers are needed before all busses can operate on Monday. Anyone who can operate one either temporarily or permanently is asked to call Supt. Fred Miller or Lyle Brandon.

The first general faculty meeting will be held on Friday evening at 8:30 in the high school auditorium.

Registration for high school students will take place Friday and Saturday, August 25 and 26, as follows:

Seniors—Friday, 9 to 12 a. m.
Juniors—Friday, 1 to 4 p. m.
Sophomores—Saturday, 9 to 12 a. m.

Freshmen—Saturday, 1 to 4 p. m.

There will be no pre-registration for elementary pupils. They will report for classes Monday, August 28. No formal opening program is planned for any of the schools.

Buses will make their regular routes on Monday, August 28.

James Foust Is Commissioned

James Foust, son of Mr. and Mrs. Eldridge Foust of Olton, and son-in-law of Mr. and Mrs. John Cary of this city, received his wings and the commission of Lieutenant at San Antonio, Thursday, August 3.

Mrs. Foust was the former Miss Eula Faye Cary.

Lieut. Foust has been stationed at San Antonio; was recently sent to Dallas, and later transferred to Great Falls, Montana. Enroute to Great Falls, Lieut. and Mrs. Foust and son, Jimmie, visited her parents, Mr. and Mrs. Cary, here, and his parents at Morton, Texas.

Former Sudan Man Killed In Action

First Lieut. A. V. Hendricks, Jr., son of Rev. and Mrs. A. V. Hendricks of Turkey, a former pastor of the Sudan Methodist Church, was reported killed in action in France June 7, according to word received by his parents.

Lieutenant Hendricks, graduate of McMurry College of Abilene, had been overseas nine months with the 29th Division. He entered service in 1942 and trained at Camp Roberts, Calif., and was commissioned at Fort Benning, Ga.

Lieutenant Hendricks is survived by his parents, and two sisters, Sarah and Mary Lane, and a brother, Harold, who lives in Abilene.

Sept. 21 Deadline On Gas A-Books

Applications for renewal of "A" books will be accepted now by the Ration Board, as announced Wednesday by E. C. Cundiff, Clerk.

Blanks can be secured at the office of the Ration Board, or at service stations over the county.

Car owners are urged to mail or take applications to the Board office, and "A" books will be mailed to them, as soon as possible.

Patrons are urged not to wait until the last day, Sept. 21, as their books will be delayed. Instructions for filling out applications are on the face of applications.

APPLICATION FORMS FOR RENEWAL OF GAS BOOKS AVAILABLE

District OPA Director Howard R. Gholson announced today that application forms for the renewal of "A" and "D" gasoline books are now available at most filling stations and at the Local War Price and Rationing Boards. Motorists are urged to get them as soon as possible.

"OPA points with pride to the simplicity of handling of renewals this time," Director Gholson said. "There necessarily will be a heavy workload on boards, but cooperation on the part of the motoring public will help eliminate unnecessary hardship on members and clerks." He pointed to these rules which should be followed to speed the renewal job:

1. Applicants must attach the back cover of their present "A" book, properly endorsed on spaces provided for this purpose, to their application forms. (If applicants have lost their "A" book back covers, they must attach their state automobile license receipts to the application in lieu of the cover, which receipts will be returned to applicants by mail with their new books).

2. Applicants should read carefully (Continued on Back Page)

Jeffries Grocery Burglarized Monday

Burglars, who entered the Jeffries Grocery & Market establishment Monday night not only took the cash, about \$20, from the cash register, but also carried off several checks, war savings stamps, papers and memorandums, kept in the cash register.

Entrance was gained through a small window near the roof of the building on the west side, and which was reached from the roof of a poultry building next door.

After looting the cash register, indications were that the thieves, as it is believed there were more than one, gathered in the meat vault, drank milk, ate candies, and as a parting salute slashed the large cuts of beef hanging in the vault, and cut open a large carton of canned meat.

This act of meanness was done by using the butcher's tools, all of which, with the exception of two butcher knives, were found in the meat vault. The two butcher knives are missing. The thieves left by the south side door.

The manager of the meat department reported no meat missing.

City and county law officers are investigating the burglary.

Safe Return Hoped For T-Sgt. Compton

Author B. Compton of Littlefield, whose son, T-Sgt. Jesse F. (Farrel) Compton, was recently reported as missing in action in the Mediterranean area, received the following letter this week from Lieut. Rua L. Petty, crew member of a plane on same mission as T-Sgt. Compton was on when he was reported missing:

"Aug. 11th
"Dear Mr. Compton,

"I'm a co-pilot on Compton's crew, or was before being transferred to my own crew. A bit about the boys on 23rd. I was on the mission with them, only in another ship.

"We were almost back, only had one more range of mountains to cross, then home. They had one engine out and another part of the time. But that was not so bad because we've all come back with engines out. Was cloudy over the mountains, and they were pretty low, so we decided that they were too low to make it over and jumped out. We could not see because we were pretty low on gas and could not wait. They had no guns to worry about and we've never had any fighters in that area. So we feel they were safe enough to make (Continued on Back Page)

Surgical Dressing Room Open Thursday Nights

Mrs. L. M. Brandon, Executive Secretary of the Lamb County Red Cross Chapter, announced Saturday that the local surgical dressing room would be open to workers every Thursday night to make surgical dressings.

Mrs. Brandon also stated that very few workers were offering their services, and that help was needed badly to get the surgical dressings made.

Scouts Return From Camp Philmont

Lamb County Scouts, Norris Onstead of Littlefield and son of Mr. and Mrs. L. D. Onstead, and Dick Knight of Olton, returned Tuesday of last week from a month's encampment at Camp Philmont, near Cimarron, N. M.

These boys were selected to attend this outstanding camp because of potential leadership qualities.

Those attending from over this area, and their Scout ranking, were: Norris Onstead, Eagle; Dick Knight, Star; Duane Hill, Levelland, Life Scout; Jimmie Lockhart of Lubbock, Life Scout; Charles Bandy of Brownfield, Eagle; Milton Tucker, Plainview, Life Scout; Bill Stafford, Plainview, Eagle; and Dan Krause, Petersburg, First Class Scout.

Camp Philmont has been sponsored by Waite Phillips, and consists of 130,000 acres in the deepest part of the mountains. It is comprised of 10 camps, and the only way of transportation to and from the various camps is by horse or hiking. Philmont is the largest camp of its kind in the world, and is the only national Boy Scout camp in the United States. This ranch has its own dairy, grows its own vegetables, raises its own feed, and kills its own meat. They have many prize winning Herefords, all registered. They have a large herd of buffalo in pasture, many deer, antelope, and elk. Almost every kind of game bird is on the ranch. Approximately 100 head of saddle horses are on the ranch. About 400 Scouts are accommodated weekly at the ranch and are usually from every state in the Union, but since the War is restricting transportation, only certain states are eligible at the present time to send Scouts to Camp Philmont.

Fourteen Future Farmers Attend Lubbock Camp

Fourteen Future Farmers of America members from upperclassmen of Littlefield High school broke camp Saturday morning at Panhandle-South Plains fairground, after having spent two days there, cooking, boxing, swimming and, in general, having what they called a "swell time."

They will return to school, which will be convened August 28, and a vocational agriculture department that probably will number 40 freshmen students, 20 upperclassmen—an "unprecedented agriculture class" for the Littlefield schools.

In charge of the group was Elwin Matthews, newly-employed vocational agriculture teacher and the class' FFA adviser. Matthews, graduated in 1942 from the agricultural division of Texas Technological college, taught vocational agriculture the last two years at Lakeview, Hall county.

Boys in the encampment were: Kenneth Bales, FFA chapter reporter, Lewis Fields, Robert Kloiber, Curtis Kloiber, Dal Brandon, Vernon Wright, Jack Pritchard, R. L. Brewster, Bob Solesby, Leslie Lichte, J. L. Harris, Billy Ross, Levi Coble, and Gerald Rountree. Lichte and Bales this year were awarded the Lone Star Farmer degree, an honorary award in recognition of FFA contribution and associated club projects.

Dewey Connell Home On Leave

Dewey Connell, M.M. 2-C, who is stationed at San Diego, Calif., accompanied by Mrs. Connell and daughter, Betty Carrol, arrived Saturday afternoon for a visit with his parents, Mr. and Mrs. J. O. Connell, and other relatives. Mrs. Connell and daughter have been living at San Diego also.

Seaman and Mrs. Connell also visited his brother and daughter-in-law, Mr. and Mrs. John Connell, at Carlsbad, N. M.

Mr. and Mrs. John Connell also came to Littlefield Saturday to spend the week end in the home of his parents, Mr. and Mrs. J. O. Connell, and visit with Seaman and Mrs. Dewey Connell.

Seaman Connell has been in the service over a year, and has been stationed at San Diego during this time.

Marion T. Burrus Awarded Silver Star

Marion T. Burrus, son of M. D. Burrus of near Littlefield, Texas, has been awarded the Silver Star for gallantry in action during the attack on the Japanese fleet at Saipan. He recently received notification of the award from his commanding officer, Innis P. Swift, Major General, U. S. Army Commanding. Sgt. Burrus has been in the service 3 1/2 years, and overseas a year. The following paper was also sent to Mrs. Burrus, explaining the bravery carried out by Sgt. Burrus:

"By direction of the President, under the Provisions of the Act of Congress approved July 9, 1918 (bulletin No. 43, WD, 1918), the following named enlisted man is cited for gallantry in action and is entitled to wear the Silver Star:

"Sergeant Marion T. Burrus 18036517, Cavalry, U. S. Army, for gallantry in action at Los Negros Island, Admiralty Group, on 4 March, 1944. During a fanatical counter-attack by a numerically superior enemy, Sergeant Burrus observed a nearby machine gun crew exposed to accurate and intense enemy artillery and mortar fire, and so placed as to bear the brunt of the assault of the enemy troops, unable to continue their gun in action. With superb disregard of the extreme danger to his person, he crawled through the concentration of fire to the machine gun position, repaired the gun simultaneously with the launching of the enemy of its most determined assault. Although one member of the crew was killed and another besides himself wounded, Sergeant Burrus elected to remain with the gun, pouring upon the concentrated enemy assault a withering stream of fire that halted their advance within yards of the emplacement. His utter disdain for the enemy fire and his cool courage and devotion to duty in manning the gun while wounded and in the face of the enemy's determined attack greatly inspired his comrades and contributed to the successful defense of the perimeter."

"Jap. Fleet" in the Southwest Pacific on June 20.

Fife helped establish bases on Kwajalein and Saipan and supported landings at Hollandia, New Guinea. He had a hole shot in his wing at Toroa and a hole shot in his tail at Saipan. At Truk he dived through flak, making a solid sheet of flame from Jap bases on four islands situated so as to form a square inside of which were Jap ships, delivered his bomb load, came out without a scratch, and discovered that his buddy, Ensign Donald Dean of Shickley, Nebr., who had preceded him, was missing.

He is the son of Mr. and Mrs. T. Fife of Sudan and on August 19 was married to Miss Grace Jean Dromgoole at Mart. They planned to go to Jacksonville, Fla., where he is stationed now.

Is Promoted To Rank Of Corporal

James L. Courtney, son of Mr. and Mrs. E. G. Courtney, formerly of Littlefield, but now of Dallas, and brother of Mrs. Roy Wade of this city, who is with a combat engineering unit, stationed in France, has been promoted to the rank of Corporal, according to a letter received here by Mrs. Wade.

Cpl. Courtney has been in the service about a year, and arrived in England about the time the invasion of France took place. He has been seeing action in France since soon after the invasion, and has been in the Caen area.

He received his basic training at Camp Abbott, Ore. His wife is making her home in Dallas in her husband's absence in the service, and is employed in the office of an automobile company.

Tires Wear Out twice as fast at 90°

WHEN YOU SUFFER with the heat, remember that your tires really *sizzle* on the road... because road-surfaces are usually 25° hotter than air temperatures.

This frying-pan heat saps the strength of rubber... produces doubled wear as the thermometer rises from 60° to 90°... and multiplies tire-failure by twenty per cent.

Obviously, you and every other patriotic driver, want to get every bit of precious mileage remaining in your present set of tires. That is why we bring you these authoritative suggestions:

Avoid hot-road driving as much as you can... Drive at slower speeds... Don't over-inflate tires, but avoid under-inflation as you would a plague... And don't neglect to have your tires cross-

switched every 3,000 miles.

Your Phillips 66 Service Man is anxious and waiting to help you. Give him the opportunity, at least once a week, to check air pressures... to inspect for nail holes, cuts, and bruises... to examine tires so he can warn you when re-capping is advisable.

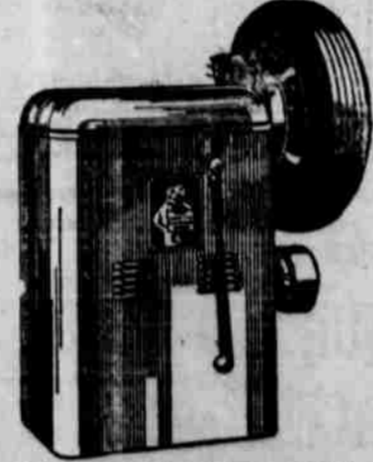

This is only part of the *Tire-Saving and Car-Saving Service* pledged to you at every Phillips 66 Service Station, to help you "Care For Your Car For Your Country."

In the Nation's interest and in your own, be watchful and intelligent about making your car and your tires last longer and go farther. Drive in for help at the Orange and Black 66 Shield, the sign of famous Phillips 66 Gasoline and Phillips 66 Motor Oil.

Yes sir! Long before Pearl Harbor I was busy helping to turn out defense materials. Since then I've been even busier. War plants all over this area couldn't turn a wheel without ample and dependable electric power. In fact, the production of electricity has been declared an essential industry.

But it's not only in the factories that I am helping to win the war. Every farm is a war plant these days, producing food to sustain both our fighting men and civilian war workers. The uses of electricity on the farm are almost limitless. Farmers everywhere are making me

work overtime to help them get the job done.

And in your homes—did you ever think how much time electrical appliances save the housewife? That's time which she can vote to Red Cross, or victory gardens, getting into an essential industry.

The only thing about me that doesn't like a war worker is my pay check. It's small as it ever was. So I'm proud of my record. Who wouldn't be?

"Babe" Hammons—
(Continued From Page 1)

Jim Brown, Pvt. Charles Akers, Pvt. Geo. Kyle, Pvt. Bob Hopkins, and Pvt. Joe Fisher.

Cpl. Hammons was on a routine flight previous to receiving a ten day furlough which was to take effect the Tuesday morning following. He had telephoned his parents Saturday afternoon to the effect that he was receiving a ten-day furlough, and expected to be home either Wednesday or Thursday of last week.

Cpl. Hammons was engaged to a local girl, Miss Betye Walters, daughter of Mr. and Mrs. Lester Walters, prominent Littlefield family, and a young lady of charming personality. Their marriage was to have taken place the same day as funeral services were held. Mr. and Mrs. Walters are owners of the Walters Drug Store.

The romance of this popular couple dates back to their childhood days. They attended the local schools together and both graduated from the Littlefield High school at the same time, with the class of 1942.

Cpl. Hammons was born January 25, 1925, at Post, Texas, and was the son of a prominent pioneer family of this city, who have made their home here for the past 19 years, and have owned and operated the Hammons Funeral Home here for the past 15 years.

After graduating from the Littlefield High school, he attended Tech college during 1942, and enlisted in the Marine Reserve Corps in September of that year. In February, 1943, he applied for active duty, and was called into the service February 13, 1943. He had been in training one and one-half years exactly to a day, when he met his death on August 13.

He obtained his basic training at San Diego, Calif., radio schooling at Jacksonville, Fla., and flight training at Cherry Point, N. C., where he had since been stationed.

Cpl. Hammons was active in sports while attending Littlefield High school. He lettered in football for three years, and was captain of his team two years. He also served as captain of the basketball team, and lettered in basketball.

Besides his parents, Cpl. Hammons is survived by his brother, Pfc. Pryor Hammons, Jr., who has been in the service two years, and served 11 months overseas with a Paratroop Division of the Marines.

Pfc. Hammons took part in two major battles, and three or four minor conflicts. He saw action on Bougainville, Vella Lavella, Choiseul, Treasure Island, etc. Returning to the States in February last he has since been a patient in a Naval hospital at Camp Pendleton, Oceanside, Calif., where he has been receiving treatment for a bone injury to his right leg, sustained early in his paratroop training at Camp Gillespie, Santee, Calif.

He received a medical discharge from the Marine Corps, and arrived home Wednesday of last week.

Among the out-of-town relatives and friends attending the last rites for Cpl. Hammons were: Mrs. Boyd Feazell of Lubbock; W. I. Gilliland and son, Billie, of Richmond, Calif.; Herman Gilliland of Olney, Texas; Lloyd Gilliland of Houston; Mrs. J. Hammons and Miss Leila Hammons of Post; Mr. and Mrs. Bud Hammons of New Home, Texas; Mr. and Mrs. Foy Smith of Levelland; Mrs. Della Smith of Floydada; Mrs. J. W. Hillard of Seagraves; Cecil Hammons and son, J. E. Hammons, of near Amarillo; Roy Smith, Floyd Smith, Mr. and Mrs. Milton Harrison, Mr. and Mrs. Bill Smith, and Mr. and Mrs. G. W. Smith, all of Floydada; and Mrs. Willie Bradley of Memphis, Tenn.; and Mrs. Leon Huff of Lubbock.

With South Plains Men In The Armed Forces

Mr. and Mrs. J. W. Garner, Sr., of Abernathy and former Lubbock residents, have two sons in the service, both overseas. George W. Garner, ship's cook, 3-C, has been stationed somewhere in the South Pacific 19 months, serving with the Seabees. A former Lubbock High school student, Garner received his training at Norfolk, Va., Providence, R. I., and San Diego, Calif. The

other son, Cpl. J. W. Garner, Jr., has served with the Army 21 months, has been stationed in England three months. His wife is the former Helen Alexander of Wolf-forth.

Billie Holder, Electrician Mate, 2-C, who has been home on a 40 days' leave, visiting his parents, Mr. and Mrs. John Holder, and other relatives, left Wednesday to report back at San Francisco, Calif.

Seaman Holder served 21 months in Panama, Cuba, Pearl Harbor,

Aleutians and Marshalls. He took part in two major battles on Attu and Kiska.

Pvt. Roger W. Blakney, 20, son of Mr. and Mrs. E. R. Blakney of Wilson, left Thursday for Fort Meade, Md., after spending a ten-day furlough with his parents. Pvt. Blakney, who was engaged in farming before going into the Army last March, recently completed infantry training at Camp Hood near Temple. He formerly attended school at Wilson and graduated

from the New Home High school.

Foster Field—Promotion from second to first lieutenant has been announced for Samuel H. Davis, formerly of Sudan. Lieut. Davis is an instructor in the ground school at this advanced pilot school of the AAF Central Flying Training Command. He was graduated from Hardin-Simmons university in 1932 with a B. A. degree. He was teaching school at Sudan when he entered the service.

Lieut. Dore Stephenson evidently still carries the rabbit's foot he carried when he was shooting goals for Anton High, for he now has three leaves to that Oak Leaf Cluster, and has completed his 30 missions, according to a news release from England.

Claud Pool, son of Mrs. Bill Boley of 5 1/2 miles east of town, passed his physical examination at Lubbock for the Navy, and is leaving Sunday for El Paso, where he will take his final examinations. While her husband is in the service, Mrs. Pool, the former Miss Lavern Ratliff, will live with her parents here.

Jack Dyer, son of Mr. and Mrs. Floyd Dyer, of Spade will accompany Mr. Pool to El Paso. He will also enter the Navy providing he passes his final examination.

Mrs. Bill Eudy received word Thursday that Cpl. William W. Eudy was somewhere in the Pacific.

Cpl. and Mrs. Eudy and son lived at Ford Ord, Calif., prior to his going overseas. He was given a furlough to bring his family home.

Cpl. Eudy is the son of Ott Eudy Route 2, Littlefield. Mrs. Eudy and son will make their home in Littlefield for the duration.

James A. McCarty, S 1-C, who was home on a 30 day leave, and a

ten day extension, to be with his wife who underwent a major operation at St. Mary's Hospital, Lubbock, left Tuesday for San Francisco, Calif.

Mrs. McCarty has been released by the hospital, and is now at home, and getting along nicely.

Seaman McCarty has been in service over a year, and at sea 10 months. He returned to the States July 2. He has seen active service on Guadalcanal and Bougainville.

With South Plains Men In The Armed Forces

Lieut. James A. (Pete) Vaughn of the 45th Quartermaster Regiment, is stationed somewhere in India. He was wounded a few months ago in a bomb raid near Burma. He spent several weeks in an Army hospital, but in a letter received by his

sister, Miss Minnie Jo Vaughn, he stated he was getting along fine. He has been in the service almost 5 1/2 years. He received his training at San Antonio, Texas, and Baltimore, Md. He was stationed for sometime in Virginia, and later he was sent to California. He has been overseas almost two years.

W. L. (Jabo) Vaughn, Boat-swain's Mate, Second Class, is stationed somewhere in the South Pacific. It is believed that he is in the Solomon Islands. He received his boot training at Great Lakes, Ill. He was stationed for a while at New Orleans, La., New York, N. Y., and San Francisco, Calif. He was attached at first to the Armed Guard, and went with convoys to Norway, Scotland, North Africa, and England. His ship barely escaped a couple of torpedoes on its way to North Africa. He is now with the Amphibeous force. He has been in the Navy 2 1/2 years and overseas most of the time. In a letter received by his sister, Mrs. Iloff Leonard, he tells that he had a few good laughs since he left the USA.

Bob Hope and Frances Langford and gang were there to entertain them a few weeks ago.

He is a brother of Lieut. Pete Vaughn.

AMARILLO ARMY AIR FIELD, Amarillo, Texas—Chester J. Kesey, son of Mr. and Mrs. M. V. Kesey of Spade, has completed his course of studies as an aviation mechanic in this Army Air Forces Technical Training School.

His graduation from this technical school now fits him for airplane maintenance and he will be sent to an air base where he will assist in keeping America's Flying Fortresses in the air for Allied Victory.

In addition to completion of the schedule of academic and practical studies as an aviation mechanic, he has been thoroughly drilled in military tactics and defense and a course of physical training that has conditioned him to meet all requirements of an American soldier.

AMARILLO ARMY AIR FIELD, Amarillo, Texas—William T. Hopper, son of W. L. Hopper of Star Route 2, Littlefield, Texas, has completed his course of studies as an aviation mechanic in this Army Air Forces Technical Training School.

His graduation from this technical school now fits him for airplane maintenance and he will be sent to an air base where he will assist in keeping America's Flying Fortresses in the air for Allied Victory.

In addition to completion of the schedule of academic and practical studies as an aviation mechanic, he has been thoroughly drilled in military tactics and defense and a course of physical training that has conditioned him to meet all requirements of an American soldier.

AAC HEADQUARTERS, Puerto Rico, August 17.—Promotion of Louie H. Morgan, of Olton, Texas, to the grade of private first class in the Army Air Forces was announced here today at Antilles Air Command headquarters.

Entering the Army August 6, 1943, at Tylor, Texas, Pvt. 1-C Morgan was assigned to overseas duty January 28, 1944, and at present is stationed at an Army Air Base in Trinidad British West Indies.

Pvt. 1-C Morgan was born November 24, 1920, and is the son of Mr. and Mrs. Alvin Morgan of Olton, Texas. He attended Marietta school, Marietta, Texas.

Bases of the Antilles Air Command of which Pvt. 1-C Morgan is a member, are located strategically from the western tip of Cuba to equatorial South America, covering an area seven times that of Texas. The bases form protective barriers for the gateways to the three Americas and serve as stepping stones on the air supply route to the fighting fronts of the world.

Camp Pendleton, Oceanside, Cal.,

August 17.—Hospital Apprentice Lester E. Alley, Jr., son of Mr. and Mrs. Lester E. Alley, Sr., of Route 1, Olton, Texas, has been graduated from the Training Command Field Medical school for hospital corpsmen.

He has been thoroughly trained in medical field tactics and will be assigned to duty with a Marine Corps combat unit going into the field.

Hospital Apprentice Second Class Alley, 19, graduated from Olton high school in 1943 where he won two letters in football and played basketball. In civilian life he was engaged in farming. He enlisted in the Navy November 11, 1943.

Cpl. Aubrey S. Landrum, son of Mrs. S. A. Landrum, has been transferred from Great Bend, Kans., to Tinker Field, Okla. He is with an Engineering Squadron and service group.

Iloff A. Leonard, Electrician's Mate, First Class, is now aboard a destroyer somewhere in the Atlantic ocean. He received his boot training in San Diego, Calif., and from there was sent to an electrician's school at the University of Kansas at Lawrence, Kans. He was there for a period of 16 weeks, and then was sent to Norfolk, Va., where he awaited his assignment to ship. He has been in the Navy seven months. His wife and children are now back home at Spade, Texas.

Conditions At Jap Prison Camps Said To Be Reasonable

Lieut. Gen. Jonathan Wainwright, commander in Bataan when it fell, and a prisoner of the Japanese since, has told a Red Cross interviewer that conditions in his camp in Formosa are "as good as can be reasonably expected."

Red Cross headquarters said Thursday that General Wainwright

and two other officers, Brig. Gen. Lewis C. Beebe, and Capt. George T. Schooley, have been visited in the last 90 days by a delegate of the international committee of the Red Cross. They were interviewed as spokesmen for the men held in their respective camps, all in Formosa.

The delegate was permitted to give the numbers of the camps, but not their locations.

General Wainwright, at Camp V, said that relief supplies received from the American Red Cross via the diplomatic exchange ship Gripsholm were useful. He added that

more canned food and warm clothing would be appreciated. Other prisoners in the same camp also voiced the need for more relief supplies and better mail service.

General Beebe, at Camp IV, said the diet was deficient in proteins and fats and that one Red Cross food parcel per month was needed for each prisoner. At Camp III, Captain Schooley said towels, socks, raincoats and toilet articles were needed.

Basil O'Connor, chairman of the American Red Cross, said that the needs of prisoners held by Japan are fully understood by the government and the Red Cross and that efforts still are being pressed to make possible the clearance of supplies through a Russian Pacific port. Thus far only shipments via diplomatic ship have been completed.

Spade School Opens Monday, August 14

Showing a greater initial enrollment than last year, the Spade school opened Monday morning, August 14, with a large number of patrons present.

The students and parents assembled in the auditorium at 11:30 with Supt. Dodson having charge of the first meeting. Mr. Dodson introduced the teachers. The school is organized on the 6-6 plan. The teachers for the first six grades are: Miss Neal, first and second; Mrs. Black, third and fourth; and Miss Butler, fifth and sixth. Mrs. Black, who is in school at Canyon, won't be here for two more weeks, but Mrs. Owen and Miss Robinson are very capably substituting for her.

In the upper grades and high school, each class has a Home Room and a Home Room teacher. They are as follows: Seventh grade, Mrs. Noel Dodson; Eighth Grade, Miss Pauline Uxer; Freshmen, Mrs. McQuatters; Sophomores, Mrs. F. W. Dodson; Juniors, Miss Evelyn Stanfield; Seniors, Mrs. Pauline Landers.

Mrs. Archie Brown, the former Miss Thelma Killough, recognized as one of the most capable school teachers in this area, has been elected High school principal.

Mr. Dodson made an impressive talk to the parents and patrons in which he pointed out how the parents could help to have a good school and explained some changes in the school program this year. Borrowing the idea from the Army, where he has seen it work so successfully, Mr. Dodson announced that there would be a ten-minute "break" out of every hour, provided the students earned it by their conduct and by keeper paper, etc., off the floor.

The student body seemed responsive and Mr. Dodson stated that he felt unusually fortunate during this teacher-shortage crisis in having secured such a promising faculty.

Lone Star Men To Talk To Home Folks From France

From France, where Texans are making new reputations as scrappers, several Lone Star soldiers will speak soon to their home-folks. Definite arrangements have now been made for a program of interviews with Texas service men to be broadcast direct from the fighting fronts. The feature, planned by the United War Chest of Texas, will be carried by all three Texas radio chains from 9:30 to 10 p. m., Monday, August 28. It will consist almost entirely of "reports to Texas" by Texas men.

If you have a husband, son or friend in France or England, be sure and listen, for he may be one of the lucky boys chosen to appear on the program.

Receives Portrait Painting Of Brother From North Africa

Mrs. O. K. Yantis, Jr., received a large hand painting of her brother, Jimmie Zed Robinson, Pfc., 3-C, who is stationed in North Africa. The artist was J. S. Foote.

Seaman Robinson has written his sister stating he was sending her a surprise, and when the package arrived she was both thrilled and surprised.

Mrs. Yantis also has a sister in the service, Geraldine Robinson, who is a Specialist Gunner Instructor in the Waves, stationed at San Diego, at the Naval Air Station. She has been in the service a year, and is hoping to get home on a leave before too long.

Eddie Eidson Home On Leave

Eddie Eidson, son of Mr. and Mrs. B. F. Eidson, barber in the U. S. Navy, stationed at San Diego, Calif., and in the service 2½ years, arrived home Friday on a 15 day leave.

All members of the Eidson family gathered at the home of their parents in Southmoor Addition Sunday for a family reunion and to welcome their brother home.

Besides Seaman Eidson, present were: Mr. and Mrs. B. F. Eidson; and Mrs. Lloyd Jackson and children of Jal, N. M.; Mrs. Alta Wit-

cher and daughter, Mary Evelyn, of Big Spring, Texas; Mrs. R. A. Grant of Seagraves; and Mrs. H. F. Gibbs and children, Douglas Paul and Louise; Mrs. Otto Farr and four daughters, and Misses George Evelyn and Virginia Eidson of Littlefield.

Miss Cara Lou Stone Honoree At Conservatory Party Honoring Birthday

Mr. and Mrs. C. O. Stone attended a picnic party on the campus, at Music & Art Conservatory, Amarillo, Saturday evening, August 12, in honor of the birthday of Miss Cara Lou Stone, who is taking special work this summer at the college.

Following the picnic supper, various games were enjoyed by about 20 students and instructors of the conservatory.

Mr. and Mrs. Stone were accom-

panied by Mr. and Mrs. W. G. Street, who visited their daughter, Miss Alice Lynn Street, employed by the U. S. Employment, at Amarillo; and Mrs. G. M. Shaw, who visited her daughter, Miss Myrtle Marion, at Hereford. Miss Shaw is employed in the office at the Prison Camp at Hereford.

Miss Cara Lou Stone is returning home next week end, and her parents will go to Amarillo Sunday to accompany their daughter home.

Connell Brothers Enjoy Surprise Birthday Party

The four sons of Mr. and Mrs. O. Connell were honored at a birthday party at the home of their father, Mr. and Mrs. J. O. Connell, Sunday last. All their birthdays coming close together, the event was planned.

The birthdays of the Connell boys fall on the following dates: O. Connell Sunday last, August 20; August 5; Dewey Connell, 2-C, August 2; and Ernest

two children, Saudra and Jerry, of Littlefield; Seaman and Mrs. Dewey C. Connell, and daughter, Betty Carroll, of San Diego, Calif.; and Dickie and Connie Hopping.

Mr. and Mrs. John Connell left for Carlsbad Tuesday, and Seaman and Mrs. Dewey Connell and daughter also left here for San Diego, Calif., Tuesday, and Mr. and Mrs. Otis Connell returned to Amarillo Sunday evening.

Miss Pumphrey Honored At Bridal Tea And Shower

Miss Ruth Pumphrey, bride-elect of Petty Officer Nelson Reinsch, of the U. S. Navy, was the honoree at a delightful miscellaneous bridal shower and tea at the home of Mr. and Mrs. Floyd Coffman, in the Duggan Addition, Friday evening from 6 to 7 o'clock.

Hostesses of the occasion were: Mrs. Coffman and daughter, Mrs. W. J. Jenkins, Misses Betty Glo Norris, Dorothy Perry, and Dorothy Squires, and Mesdames Paul Hyatt, Grover Dennis, Wayne Martin, George Taylor and Bill Aldridge.

The patriotic scheme of red and white was featured throughout the party. The home was beautiful with various kinds of flowers attractively arranged.

Miss Elwyn Packwood Entertains At Slumber And Theatre Party

Miss Elwyn Packwood entertained at a slumber and theatre party Thursday evening.

The group of young people met at the Palace Theatre, and after enjoying the feature, "Her Primitive Man," went to the home of Mr. and Mrs. E. J. Packwood, 418 East 8th Street, where supper was served.

At 1 a. m. the group journeyed to the home of Mr. and Mrs. Charles Signor, and enjoyed a coke party.

Those enjoying this occasion were: Misses Patricia Ferguson, Ann York, Marjorie Joplin, Georgia Beckner, Bettye Hill, Betty Ann Smith, Virginia Evans, Lavern Williams and Jean Kelly.

Miss Blanche Wales Reports To New York

Miss Charlyn Blanche Wales of Littlefield has recently reported to the U. S. Naval Training Station, Hunter College, New York, for basic indoctrination in the Women's Reserve, U. S. Naval Reserve.

Miss Wales is a graduate of Texas Technological college and has taught school one year.

Gy-Sgt. Loyd Chapman Expected To Arrive Home This Week

Mr. and Mrs. Dee Chapman received a telegram Monday from their oldest son, Gy-Sgt. Loyd W. Chapman, stating that he had arrived in the U.S.A., at Seattle, Wash., on Saturday and expected to be home in a very short while.

Gy-Sgt. Chapman has been stationed in Alaska since December, 1942, as a gunnery instructor at the Marine barracks of the Naval Air Station at Sitka. He has not been home since August of 1941.

out replacements. Every mission was accomplished. No ground gained was ever relinquished. For nearly 34 hours, or until noon of the day after D-Day, the paratroops were without contact with friendly forces. And though heavy casualties were sustained throughout the campaign, nothing stopped the troops for long.

The paratroopers of this regiment were dropped in several groups and at first these groups fell in with other units of the division rather than their own. It was not until four days after D-Day that the regiment assembled as a tactical unit. Before this, however, they had struck terrific blows.

With other units of the division they forced the enemy west of the Merderet River at the start. Another element joined in the heavy fighting at Chef du Pont, finally contacting an isolated battalion and establishing a bridgehead on the west bank of the Merderet opposite Chef du Pont. Other elements went south to clear out Carquebut; crossed the river at La Fierre and assaulted Guetteville. The latter action was assisted by a naval barrage from the sea arranged by a naval liaison officer with the regiment.

After being pulled together as a unit, the regiment jumped off for the attack on Bezeville la Bastille. After crossing the Douve, it swept on through the Creteville-Baupite area. During this drive many enemy tanks were encountered and many were knocked out. Trucks moved the regiment to Pont l'Abbe for the general attack toward St. Sauveur. The regiment followed another of the division, driving the enemy west, north and south.

Participating in the drive on Pretot, a squad encountered a Mark IV tank 600 yards north of the town and succeeded in knocking it out with a hand-thrown British grenade. The regiment took up a defensive position at Vindfontaine before joining in the drive toward La Haye de Puits. Heavy fighting was experienced in the Bois de Limors, and one element which eventually took "Hill 95" sustained heavy casualties.

fully the instruction on the form and fill it out exactly as required.

3. Applicants should mail their applications to their local boards and not take them there in person because Board workers will be extremely busy.

The District Director said applicants would not be required this time to attach their tire inspection records to their applications.

New gas coupons in the book will become valid September 22.

All books will be in the hands of motorists before that time, the official reported.

a jump in a friendly area of which we have several there or nearby in Yugoslavia. They had a good chance because lots of boys have jumped out much farther out and are back.

"Recently we've had an official report that they are in the hands of the Partisans which would be good because many boys have got back through the Partisans. We'll hope so. I'll be gone before you can get a letter back to me. You can always write the C. O. here if you like. We expect them in any day, because so many are coming back.

"Sincerely,
"RUA L. PETTY."

Mr. Compton, previous to receiving the letter from Lieut. Rua L. Petty, received the following letter from N. F. Twining, Major General, USA, Commanding:

"July 19, 1944

"Mr. Arthur B. Compton,
"Littlefield, Texas

"Dear Mr. Compton:

"I am sorry I can give you no assurance that your son, Technical Sergeant Jesse F. Compton, is safe. Jesse's plane failed to return from a bombing mission to Giurgiu, Roumania, on June 23, 1944.

"Your son's aircraft developed mechanical trouble after leaving the target which caused it to lose speed and altitude. The plane followed its formation until it was within the vicinity of Pirot, Yugoslavia, where it went out of the other crew's view behind a bank of clouds. I sincerely hope we will eventually learn that Jesse is a prisoner or with friendly Partisans. Many months may pass before we have any definite information. I assure you that if any more details affecting your son's status are received you will be advised promptly.

"Jesse was a skillful aerial engineer and a courageous participant in hazardous operational flights. In recognition of meritorious achievement on combat missions he has been awarded the Air Medal and one Oak Leaf Cluster. His many friends extend their sympathy to you and hope for his safe return.

"Very sincerely yours,
"N. F. TWINING,
"Major General, USA
"Commanding."
