Plans Start For Red Cross Drive

Attending a Pre-Planning Fund Campaign luncheon at Caprock Hotel, Lubbock, Monday from Lamb County Chapter of American Red Cross, were Truett Sides, chapter chairman from Olton; J. E. Chisholm, vice-chairman; Rev. Arthur K. Hunt, county fund chairman; Mrs. Herman Hazerer, Pleasant Valley, co-chairman of fund campaign; Mrs. C. W. Terry of Earth, fund campaign chairman of Earth; Mrs. L. B. Stone, Littlefield, and Mrs. Lyle Brandon, executive secretary.

Roy Blankenship of Lubbock, Don Wooten of Abilene, and J. E. Chisholm of Littlefield, all regional officers, were in charge of arrangements for the meeting, with Blankenship presiding.

From the Midwestern area office were Elmer Wood, director of services for Texas, Allen Hale and John Harper, general field representative for the 26 South Plains counties.

Chisholm and Mrs. Brandon discussed public information for the group, particularly "How Public Information is Handled in Type 5 Chapters."

It was brought out at this meeting that due to severe floods in southern states the county will cause Lamb County's quota to be increased \$506. The fund campaign is conducted on a nationwide basis in March.

Mr. and Mrs. Pryor Hammons

Hammons Recognized For 18 Years Church Secretary

Pryor Hammons, who served for 18 years as treasurer of the First Baptist Church in Littlefield, was recognized at the morning service Sunday.

Dr. Lee Hemphill, pastor, told of Hammons' outstanding record of service in behalf of the church, then asked him to stand.

The former church treasurer handled an estimated 1 1/2 million dollars in the 18 years of service, and wrote approximately 12,000 checks.

Hammons resigned as church treasurer last year, and was succeeded by W. H. McCown, C. G. Stone, who was assistant to Hammons, is serving in the same capacity with McCown.

The Littlefield resident has a long record of service in the Baptist church for 35 years.

A resident of Littlefield since 1925, Hammons has a continuous record of service in civic and fraternal organizations. He has served on the finance and building and plans committees, in con-

Farmers Gather at ASC To Put Cotton In Soil Bank

One of the busiest places in the City Monday morning was the ASC office, when farmers gathered to enter their cotton allotments in Acreage Reserve of the Soil Bank program.

For this section of the Soil Bank there is \$2,218,000 available for Lamb County.

According to L. D. Aten, Jr., ASC manager, up to noon Wednesday there were 36 applicants to take part in the Acreage Reserve involving a total of \$40,000, covering 30 percent of their cotton allotments.

Twenty-three of these farmers are willing to put their entire cotton allotment in Acreage Reserve which would involve an additional \$56,000. In this connection Aten explained that if, after March 1, there is still money available from this fund, those farmers wishing to enter more than their 30 percent of their allotments will be taken care of.

Aten added that should there be a surplus of money over after March 1, the farmers requesting to enter their full cotton allotments in the acreage reserve will be notified, and will have 10 days to make further application on the

The State Highway Department's proposal for the Highway 84 bypass around Littlefield was presented to both the city commission and county commission last week by Rhea Bradley, resident highway engineer.

At the Highway department's suggestion four months ago the city requested that the Highway department survey the area and recommend the most workable route for the new highway to take around Littlefield.

Bypass One-Mile East
According to the Highway department's recommendation, the four-lane divided highway will leave its present route one mile east of the city limits. A grade separation, which will include an overpass and underpass, will be constructed just east of the La Fonda restaurant at the point of entry.

From there the proposed route swings south to cross the southern portion of the Lugan Airport. Another grade separation will be built at the intersection of the new 84 route and Highway 51 (Loveland highway).

The new highway will continue south of town, cutting through the southern part of the G. A. White property at the southwest city limits. The new road will join the present route of 84 approximately one mile west of Cundiff street.

Two additional grade separations will be built where the new highway 84 crosses Highway 51 (Bula highway) and at the point of entry on the west.

OLTON MAN DIES AFTER SHOOTING

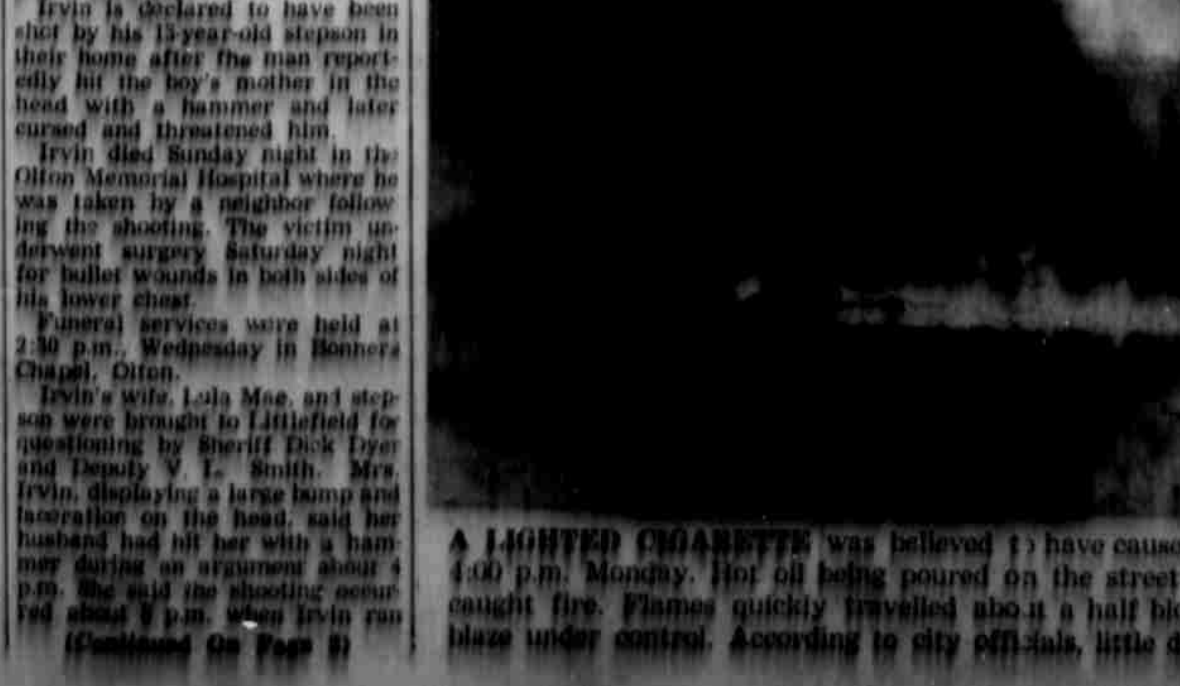

A family argument resulted in the fatal shooting of Horace Irvin, 34-year-old Olton Negro about 8 p.m., Saturday.

Irvin is declared to have been shot by his 13-year-old stepson in their home after the man reportedly hit the boy's mother in the head with a hammer and later cursed and threatened him.

Irvin died Sunday night in the Olton Memorial Hospital where he was taken by a neighbor following the shooting. The victim underwent surgery Saturday night for bullet wounds in both sides of his lower chest.

Funeral services were held at 2:30 p.m., Wednesday in Bonners Chapel, Olton.

Irvin's wife, Lela Mae, and stepson were brought to Littlefield for questioning by Sheriff Dick Dyer and Deputy V. L. Smith. Mrs. Irvin, displaying a large lump and laceration on the head, said her husband had hit her with a hammer during an argument about 4 p.m. She said the shooting occurred about 8 p.m. when Irvin ran

James Johnson, sixteen-year-old son of Mrs. Don Holt, suffered a fall Friday at Vernon where he has been residing with his grandparents. It was necessary that he undergo surgery and Mrs. Holt is in Vernon with her son.

Mr. and Mrs. N. B. Embry, Joe, Nollene and Nancy, spent last weekend in Brady where they visited relatives and friends.

Mr. and Mrs. Don Britt, of Slaton, were recent visitors in the home of Mr. and Mrs. John D. Harmon, Mrs. Britt and Mrs. Harmon are sisters.

Mrs. Joe Walden arrived Saturday from Fort Knox, Kentucky and was met at the Lubbock airport by her parents, Mr. and Mrs. Frank Anzeline.

Walden will be graduated March 7 from Armored Officers Basic School at Ft. Knox and then will spend a thirty day leave in Littlefield with his wife and with his parents, Mr. and Mrs. G. V. Walden, before leaving for Ft. Hood April 10. He will remain in the States an indefinite period before joining the Third Armored Division in Frankfurt, Germany for an eighteen months tour of duty.

Army wives are not allowed to follow their husbands to Germany until definite arrangements are made for living quarters but this is not thought to be a problem for the Waldens because his platoon will be replacing another one and they feel living quarters will thus be available.

Both Mrs. Walden and her husband are graduates of Littlefield. Mrs. Walden is the former Gay Anzeline and Walden made a name for himself in football history in High School and well known here, this area.

A number of Lutheran League members, accompanied by their pastor, Rev. Donald Luckemeyer, attended a training clinic for officers and promoters in Lubbock Sunday afternoon.

While there they heard the address of Dr. Frank Laubach,

world renowned language teacher.

Mrs. William Brune, fifth grade teacher, was a patient at Medical Arts Hospital this week.

Mr. and Mrs. Ned Fairbairn were at Temple Monday through Thursday of last week while Mrs. Fairbairn was a patient at Scott and White Clinic for observation.

The Littlefield Volunteer Firemen entertained a large group of Anton visitors at their regular Monday meeting.

Visiting were Joe Garner, Neal Conkin, Wayne McLarty, C. E. McLarty, Purdy Braker, George Arthur, Bob Robinson, Jack Oakley, George Brock, and Sid Landers.

Mrs. Troy Stone, of Lubbock and formerly Society Editor for Littlefield Press, was a visitor in Littlefield Tuesday. Mrs. Stone is now employed as office manager at Lubbock Laundry Co.

CHILDREN GATHER AT MANLEY BIRTHDAY PARTY

Nina Beth Manley Celebrates Her Fourth Birthday

A fourth birthday is wonderful at any time. Add to that an ice cream cone treat with red carnations filling the cones on a background of red net decorated with

red hearts of felt and sequins and it's a fairyland. Nina Beth Manley thought it all of that when her mother, Mrs. R. W. Manley, entertained for her birthday afternoon at their home at 621 East 17th Street.

Refreshments of ice cream cones, cake and candy hearts, with novelty favors were served. Games of pin-the-tail-on-the-donkey, Ring Round Rosie and Lubbie

Lou were played. Shiring in the enjoyment were Carol and Daryl White, Alton and Sharon Brewster, Darla Harlin, Marsha and Linda French, Marietta Carter, Gail Lichte, Billy Ruth Richey, Ann Cox, Kelly and Margaret Fain, Joan Grissom, Peggy Richey, Jimmy Brooke, Lynn and Ronnie Staggs, Charlie Gomez, Pamela Manley and the honoree.

Miss Dorrance Weds John H. Miller In Boulder, Colo.

SUDAN — Miss Helen Judy Dorrance and John Harris Miller of Sudan exchanged wedding vows in a double ring ceremony, Sunday, Feb. 2, at St. John's Episcopal church in Boulder, Colorado.

The bride is the daughter of Mr. and Mrs. William Muehlebrock Dorrance and Miller is the son of Mrs. Frances Miller of Sudan.

Performing the 5 o'clock ceremony was Rev. Balfour Patterson, following a wedding prelude at the organ by Williams Clendenin. White carnations and Gladioli decorated the altar.

For her wedding the bride chose a floor length gown of white satin fashioned with a fitted bodice featuring an inset yoke and cap sleeves on Venetian lace. The circular skirt stemmed from a oint. At center front and swept into a chapel length train.

Her fingertip veil of illusion fell from a coronet of orange blossoms. She carried a bouquet of white carnations and stapanotis. Giving her in marriage was her father.

Maid of Honor was Miss Diane Fraker of Denver while serving as bridesmaids were Misses Lynn Holme of Carmel Valley, Calif., Virginia Kinney of Denver; Jeanine Ardourel, Junior bridesmaids were Judy and Janice Dulaney, nieces of the bridegroom from Bellaire, Tex.

The attendants wore ballerina-length gowns of flame colored antique taffeta styled with three-quarter length sleeves, softly draped necklines ending in deep V's. They carried arrangements of flame rosebuds accented by

multi-colored geranium leaves. Ronald Carlson of Hinsdale, Ill., served as best man. Thomas Aurelius and Milton Ground of Casper, Wyo., ushered. Groomsmen were William Dorrance, William Mytton of St. Joseph, Mo., and Jack Shellbarger of Lake Bluff,

Ill. A reception was held in the Pi Beta Phi house. White carnations, gladioli and stock was used for decorations for the reception. The bride attended the University of Colorado where she majored in art.

The bridegroom is a graduate of the University of Colorado with a major in geology. He is a newly-commissioned officer in the U. S. Navy and affiliated with Phi Delta Theta fraternity.

KAT'S KORNER

It's all over now except the memories. The Football Banquet and coronation are over for another year. Carol Caldwell makes a lovely queen, doesn't she?

The coronation party consisted of: Leslie Bevel and Linda Lattimer, Larry Weaver and Mary Bedford, Hilton Hemphill and Carol Naylor, Joe Hoover and Pat Street, Floyce Pierce and Jo Ann Hall, Davis Lee Williams, and Jane Weaver, Wallace Lee and Charlotte Robison, Ernie Hoppe and Gay Minyard, Lawrence Hutson and Dot Haynes, Doyle Montgomery and Barbara Gage, Bruce Trotter and Frances Rogers, Landon Roberts and Deiores Hess, Roger Lowe and Paula Carmickle, Michael Greer and Roxene Bingham, Rayford Lights and Rennie Coleman, James Pressley and Teddie Jo Bitner, Mickey Ratliff and Carol Squires, Max Morris and Sandra Kirschbrough, Bobby Cunningham and Mary Beth Bridwell, Buddy Jones and Sandra Ross, James Goldston and Bettye Watt, and the Queen and her escort, Andy Parker.

The pianist for the coronation was Gracie Russell, Master of Ceremonies was R. L. Graham, the pages for the queen were Janice Kento and Gay Douglas, the heralds were Palmer McCown, Sam McCormick, and Ralph Maurer, Karlyn Hulse and Eddi Ray entertained the queen, and the crown bearer and flower girl was Neal Pressley and Devra Lewis.

The Student Council has another big job on its hands in the Honor Festival that will be held tonight. The announcements of Who's Who in the different departments will be made as will the winners of the scholarships offered by local organizations, the All-Wildcat boy and girl, the Outstanding boy and girl, and the students who have made some contribution to LHS will be recognized.

The Speech class went to Levelland yesterday to return the assembly that was brought to Littlefield by some Levelland students last semester. The speech class presented a one-act play called "Shock of his Life" that was warmly received.

The Senior play cast has started work on the play in earnest as of last Monday night, when they had their first rehearsal. The play, entitled "Night of January 16th" will be ready for production on March 5, so be watching for that day.

Sir English Theme is calling so this will be all for this week.

Valentine Party Honors OES Worthy Matron

A Valentine party honoring Mrs. Mattie Ellen Johnson, Worthy Matron of the Order of Eastern Star, was held Tuesday evening at 7:30 in the home of Mr. and Mrs. W. O. Hampton.

Invitations to the affair were printed in red to carry out a Valentine motif, as did decorations in the Hampton home.

The program was an imitation of "Name That Tune", with Mrs. Loraine Hopping acting as Mistress of Ceremonies for station OES.

Mrs. Bernice Parrack welcomed the members and their guests. As a tribute to the honoree, Mrs. Thelma Connell sang "Let Me Call You Sweetheart". A reading, "Thank You, Friend" was given by Mrs. Doris Fezy.

Pianist for the "program" was Mrs. Lorena Hulse.

Gifts were presented the winning couples as the program progressed. After naming several tunes, the honoree was presented with a coffee table, gift of the Eastern Star members as a token of appreciation for service to the Order.

The serving table was centered with an arrangement of red carnations. Spiced tea and leaf cake squares and coffee were served to about forty Eastern Star members and their husbands.

Hereford Cagers Win Over Littlefield Wildcats, 70-40

By J. D. TRULY

Donovan is dubbed "Iron Jaw" because of a supposedly jaw said to be hard as iron. Donovan boasts of never being knocked off of his feet by a punch on the jaw and has upheld his claim in the three weeks he has appeared in the Panhandle territory.

Donovan is a young, handsome, well-built fella. Although he wrestles rough and usually with a little dirt thrown in, he will probably be the favorite with the fans against the rugged Duran. The crafty Mexican will have some 10 years of experience over Donovan, (who is only 25 years old). But Donovan's speed, youth and strength against Duran's relentless go-go style should give him the edge over his older opponent. Their match is billed for the best two of three falls with a one hour time limit.

The main event promises plenty of thrills with two of last week's participants returning, Ray "Big Train" Clements, who accepted Duke Keomuka's invitation to throw away his referee pants and again put on his trunks last week will try on Keomuka again this week, but in an individual match. Clements and Roger Mackey were defeated by Keomuka and Tokyo Joe in a tag-match last week.

Keomuka has been dealing Clements plenty of misery lately, not only in the ring but verbally as well saying that Clements is a "has-been" who is hiding behind his white pants of a licensed referee. Clements gave the Japanese all he wanted last week even winning his team's only fall from the oriental with a self-board hold.

This match should prove every bit as exciting as last week's tag-team battle. It's also booked for the best two out of three falls with a 60 minute limit.

The matches begin at 8:15 p.m. at the new Sports Arena on the Levelland Highway.

The Hereford Whitefaces defeated the Littlefield Wildcats, 70-40 Tuesday night at Hereford in a District 1-AAA clash. The game was the third time this year that the Whitefaces have beaten the Wildcats. The Wildcats have yet to win a conference game this year. They have lost six straight games in conference play.

Hereford grabbed an early lead and was never headed from then on. They outscored the Wildcats in every quarter with the greatest margin being 11 points for one quarter.

The first period of play was fairly even in the scoring column. Hereford dropped in five field goals and eight free throws for 18 points. The Wildcats connected for two field goals and seven free throws for a total of 11 points.

In the second period the Wildcats could not hit the basket at all. They got one field goal and one free throw for three points. The Whitefaces, on the other hand, dropped in three field goals and eight free throws for 14 points. The Littlefield defense was better in this quarter than in any other but they just couldn't score any points to go with their good defense play. The score when the teams left the floor at the half was 32-11.

In the third quarter, the Wildcats' defense weakened a little and their offense did not improve much. Littlefield put together two field goals and four free throws for eight points. Hereford had a good quarter as they hit for four from the field and nine from the charity toss line for 17 points. Hereford led at the end of three periods, 49-22.

The fourth quarter was the best one that the Wildcats had. They hit five buckets from the field and eight from the free throw line for a total of 18 points. The five field goals that the Wildcats got in this quarter was one half of the number they received during the entire game. Hereford still managed to stay ahead in the scoring as they bucketed six field goals and nine free throws for 21 points.

Personal fouls hurt the Wildcat team a great deal. At the end of the game, three boys had fouled out and two others had four fouls on them. This put the Wildcats in trouble as they had to use second string players when they really needed the starters in the game. The Whitefaces had only one man with four fouls and none with five.

Hereford Put On Show
Hereford used the Littlefield fouls and put on an amazing show at the free throw line. They stepped to the line 44 times and 34 of those times they cut the cords for one point. They had a blistering 77.3 percent at the free throw line. The Wildcats did better than they have in the past as they hit 20 for 30 attempts for a 66.7 percent.

Gaston Shaw was the high point

man for the Wildcats with 10 points. He was backed up by Duval, Stephens, and Jones each with six points. Hereford had three men in the double figure column. Jim Curtsinger was the high man for the game with 18 points. He was followed by Fred Lookingbill with 13 and Bill Dufur with 10.

Height was an important advantage in this game for Hereford. They have seven of their 10 players that are six feet or over. Their tallest player is 6'5". Littlefield does not have a player on their starting team that is over six feet. Jerry Banks, a reserve, is the tallest player at 6'1 1/2".

The Hereford B-team took the decision of their contest by a 53-41 score. James Goldstone was high for Littlefield with 12 points. He was backed up by Billy Jeffries with 10. Renfro was high for Hereford and he was followed by Duval with 10 points.

The District 1-AAA race is in a muddle now as the Dumas Demons dropped the Phillips Blackhaws, 74-72, in their clash. Phillips has a 5-2 record. Hereford and Dumas are now tied with each other but they just couldn't score any points to go with their good defense play. The score when the teams left the floor at the half was 32-11.

Littlefield return home Friday night for another conference game with the Phillips Blackhaws. The B-team game will be at 6:00 and the varsity game at 7:45.

Lamb County Has 159 Students At Texas Tech

BLANKETING TEXAS WITH EDUCATION — West Texas now has a major educational institute in Texas Tech. According to a fall enrollment analysis, and as indicated by the black areas on the map, Tech now blankets every corner of Texas and beyond. Students are brought to West Texas from 222 of Texas' 254 counties, from 41 of the 48 states and from 19 foreign countries and Alaska. In case you're wondering about that white square in West Texas surrounded by a sea of black, it's Irion County which has a school enrollment of only 300 or so in the entire county. This is the first year in over five years, however, that Tech has not had a student registered from Irion County. Lamb County has 159 Tech students enrolled this year.

Lamb County Men Are Top Scorers For Red Raiders

Southern Methodist University, whose Mustangs are pacing the Southwest Conference, meets Texas Tech's Red Raiders in the Lubbock Coliseum, at 8 p.m. Saturday night.

Reserve seats are still available to the game, which will be preceded by a contest between the Tech freshmen and the West Texas State Calves.

Both the Raiders and the Pioneers will be looking for revenge. SMU downed Tech 101-72 in Dallas, and the Calves bested the Tech freshmen 86-78 in Canyon. Earlier, in Amarillo, Tech's frosh beat West Texas 104-77.

Top scorers among the Red Raiders are Leon (Podd) Hill of Sudan, averaging 13.8 per contest; Ned Underwood of Snyder, 13.4; Logan Cummings of Hereford and Littlefield, 10.3; Gerald Myers of Borger, 7.3; and Bobby Wilson of Lipan, 6.9.

Hill's 25 points and 20 rebounds paced the Raiders to their 68-65 win over Baylor University.

Next week, the Raiders have only one game—with Texas Western College, Feb. 16, in Lubbock.

Last Rites Held For William Henry Brady

Last rites for William Henry Brady, 54, were held Tuesday at Missionary Baptist Church in Littlefield, with Rev. James Cox, pastor, officiating.

Brady died Monday at West Plains Hospital, Muleshoe, where he had been a patient nine days.

Born January 17, 1903 in Coryell County, Texas, Mr. Brady farmed about three miles north and west of Littlefield. Recently he had been living in the home of a daughter, Mrs. James Kyzer of Threeway. Mrs. Brady preceded him in death two years ago.

Hammons Funeral Home was in charge of arrangements, with burial in Littlefield Memorial Park.

Survivors include Mrs. Kyzer; Miss Laura Brady of the home; two sons, Gary of the home and Doyle, in South America; four brothers, J. L. of Littlefield, the others unknown; eight sisters and a number of grandchildren.

ATOMIC PLANE

The Air Force will unveil the first atomic-powered aircraft "within six months," according to a prediction by Representative Paterson (R. - Conn) Donald Quarles, Secretary of the Air Force, has indicated that such a plane is in the development stage, but that it is still several years from being flown.

It is with words as with sunbeams—the more they are condensed, the deeper they burn.

Queen Coronation Is Brilliant Event

1957 WILDCAT FOOTBALL QUEEN IS CROWNED IN SPECTACULAR SETTING

(Picture by Nail Studio)

... Caldwell, daughter of Mrs. E. C. Caldwell, crowned Football Queen 8:15 p.m. at the annual coronation banquet at the Littlefield school auditorium.

... members of the team, was escorted on the stage by Andy Parker, and on last year's team. Beautiful Setting Arranged The queen and her escort, with her attendants, walked a red carpet to the seat of honor, which was set against a curtain of red with an immense white heart, outlined in white ruffles and greenery interlaced with silver tinsel backing the queen's chair. Silver stars hung suspended in the romantic setting and soft lights added to the beauty of the entire scene.

... R. L. Graham, senior class president, was master of ceremonies. Pages for the queen were Janice Renfro and Gay Douglas, and heralds were Palmer McCown, Sam McCormick and Ralph Maurer. Kerlan Hulce and Edd Ray entertained the queen while Neal Pressley and Devra Lewis served as crown bearer and flower girl.

... Banquet Follows Coronation The banquet which followed the coronation was held in the school cafeteria where a western motif was used throughout. Animals, representing the name of each team played this season, decorated the walls, with a large Wildcat, complete with holster, and western hat, held streamers to all parts of the room. Attached to these was a large AAA. Tables were decorated with plastic cowboys in styrofoam and place cards were woodburned on pine.

... Principal speaker at the banquet was Joe Kerbel, head coach at Amarillo High school. Other members of the coaching staff at Amarillo were also guests. This year's coronation and banquet were sponsored by the Student Council, under the supervision of Mrs. E. N. Kisner, faculty sponsor. The necessary money was raised through the sale of football tags and programs. In previous years the Pep Squad, now disbanded, had sponsored the occasion.

... Around 200 attended the banquet, which featured western barbecues and all the trimmings.

Last Rites Held Monday Evening For Olton Man

Funeral services for William A. Miller, 87-year-old retired farmer, were held at 3 p.m. Monday at Olton First Baptist Church. The Rev. J. H. Skiles, Snyder, and the Rev. John E. Lewis, pastor of the Olton church, officiated.

Burial took place in Olton Cemetery under the direction of a Plainview Funeral Home.

Miller, who died at about 7 a.m. Sunday at his home, 10 miles southeast of Olton, was a former resident of Hale Center, and moved to his present home in 1930. A member of the Masonic lodge, he had been a deacon of the Olton Baptist Church for 26 years.

He is survived by his wife, five daughters, Mrs. G. C. Johnson, Hale Center; Mrs. N. C. McDoew, Meridian; Mrs. Ozella Bryant, Plainview; Mrs. C. B. Franches, Olton and Mrs. Roy Caviness, Carisbad, N.M., and three sons, W. E. and J. F. Miller, both of Olton, and J. E. Miller, Canyon.

Van Zandt, pastor of the First Methodist Church, Dimmitt. Burial was in Castro Memorial Gardens under the direction of Dimmitt Funeral Home.

At the time of his death, Hamm had been residing in Dallas, after residing for some time in Florida. Prior to that time he lived in Castro County.

In addition to his wife, he is survived by a daughter, Carolyn; one son, Steven; his parents, Mr. and Mrs. Fred Hamm, Hart; one brother, Cecil Hamm, Amarillo; and two sisters, Mrs. Marie Coffey and Mrs. Lillian Holland, both of Amherst.

All animals on earth, except man, know what the principle business of life is to enjoy it, one day at a time.

THE MIGHTY CHRYSLER
Most glamorous car in a generation

It makes 'em Stare-anywhere!
You see it any place...and you want to look at it. There's a pride and a prance to it that gives you a lift, makes you feel alive and vital. But the real tingle is driving it!

There it is... as long and low and purposeful as a gleaming jet, with its long rakish fenders streaming back and up like battle flags. This is the dynamic new look of 1957 motoring, and we can't help it if others aren't there yet. Give 'em time—we always have.

The important thing to know is that every flowing "go" line in this 1957 Chrysler has a purpose. That low-slung body and upswep tail were engineered for a new kind of road stability. They are the architectural results of Chrysler's Torsion-Air

ride, the all-new suspension that gives you sports car cornering with the comfort of an ocean liner.

Front coil springs have been completely eliminated. There's up to 56% more glass area to enhance its rooey feel. The wide, low grille features hooded dual headlights. And if you want to find out what "go" really is, wait till you boss its up-to-325 horsepower engine and pushbutton TorqueFlite transmission. The real tingle is waiting for you. Come in and see us... or just telephone. We'll gladly arrange a demonstration.

Virtually All Self-Employed are Under Social Security

Virtually all self-employed people are now covered by social security except doctors of medicine, according to John G. Hutton, Manager of the Lubbock social security office. With the passage of the 1956 Amendment to the Social Security Act, the Nation's social security system will now protect practically every family. About 200,000 professional self-employed are affected by this change.

Self-employed lawyers, dentists, osteopaths, chiropractors, veterinarians, naturopaths, and optometrists are now building old age and survivors insurance protection for themselves and their families. Net earnings for 1956, if they are as much as \$400, will count toward social security insurance. The law requires self-employed persons in these groups to report their earnings up to a total of \$4200 a year for taxable years ending after 1955. In most cases, first reports will be filed with 1956 income tax returns early in 1957. This applies whether the work is in individual practice or in a partnership.

Hutton said that lawyers make up the largest number of newly covered self-employed professionals. He pointed out that social security is not new to lawyers. Many are already familiar with the insurance provisions of social security, and have had occasion to observe and study it in connection with the affairs of clients. Also, some lawyers and other professional people already have social security credits earned in military service in World War II, or while working for wages.

The 1956 Amendments also cover additional farm operators.

Rev. Kirk Will Attend Meeting in Chicago, Feb. 10

Among the ten Methodist district superintendents from the Northwest Texas Methodist Conference who will attend a district superintendent conference in Chicago, February 10-13, will be Rev. Luther Kirk, a former Littlefield resident, and from the Plainview District.

Several Jailed On Drinking Counts

The Sheriff's department placed four men in jail during Saturday night, and all were charged with drinking in public, while the City police put three in jail charged with drunkenness.

Several traffic tickets were also issued... one for speeding, and another for failing to stop at a stop light.

The bonds of matrimony aren't worth much unless the interest is kept up.

Planned especially as a briefing session for the church's 572 district superintendents, the conference will also bring together 37 active bishops in the United States, scores of denominational board executives and about 200 chairmen of annual conference commissions on promotion and cultivation and world service and finance.

A special feature of the conference, which will be held in the Conrad Hilton Hotel, will be a banquet Monday, Feb. 11, at 6:45 p.m. in the grand ballroom.

U.S. FARM LOANS

The Agriculture Department has developed the largest single source of funds to private citizens and is also one of the biggest distributors of cash grants, subsidies and payments. It is estimated that the department, in carrying out its many farm assistance programs will have made total lending \$3,500,000,000 in 1957 and their organization by the end of the current fiscal year, June 30, is also providing for the same amount in 1958.

The best marriage guide is a man who is a clean, neat, good housekeeper. Sometimes it is called bigamy.

Big Amount Is Loaned By Production Credit

The 22nd annual meeting of the stockholders of the Plainview Production Credit Association, of which Harmon Elliott is local manager, was held in the Plainview High School auditorium Saturday.

According to Elliott 1,400 stockholders attended from the eight counties the association serves, including Lamb, Bailey, Briscoe, Castro, Floyd, Hale, Parker and Swisher.

Lunch was served at 11:30 a.m., which was followed by the business meeting at 1 o'clock.

The meeting was presided over by Thurlo Branscum, retiring president, of Pleasant Valley, and the minutes were read by Olan Alexander, assistant secretary, of Plainview.

Branscum and S. J. Payne of Tulla were the two retiring directors, and to fill their places, and elected by the voting stockholders were D. J. Anderson of Muleshoe and Grady Sheppard of Plainview.

The highlight of the meeting was a talk by W. N. Stokes, Jr., presi-

dent of the Federal Intermediate Credit Bank of Houston.

The association loaned \$11 1/2 million to farmers and ranchers in 1956, over a million dollars of

which was loaned by the Littlefield office.

The board met at Plainview Wednesday of this week and organized for the coming year.

brought in from Mexico annually was discussed.

The meeting was called by the agricultural committee of the West Texas Chamber of Commerce. All parts of West Texas were represented.

Alvin Webb and Jesse Everett represented the Littlefield Chamber of Commerce; Skipper Smith, the West Littlefield Cotton Growers Association, and Harry Engleking, the Lamb County Farm Bureau. The trip was made in Webb's plane.

Growers Association operates the clearing center for labor from Mexico. Engleking is chairman of the farm labor committee of the Lamb County Farm Bureau.

A number of new regulations governing the employment of farm workers from Mexico have been issued by the Federal government. These new regulations were agreed upon at joint conferences held by the two countries.

The purpose of the Abilene meeting was to acquaint all West Texas with the new regulations. Lamb County had a special in-

terest in attending the gathering. This interest was prompted by the fact that Lamb County will raise an increasing number of workers from Mexico, especially with the enlarging vegetable growing program in the county.

Ground Hog Sees His Shadow

Six More Weeks Of Winter In Sight

If you're a believer in Ground Hog Day . . . then you farmers get in another supply of butane, because the folks hereabouts will have six more weeks of winter.

It was as bright and sunny a day as you've ever seen Saturday morning . . . and if the ground hog didn't see his shadow, he is blind as a bat.

If the ground hog sees his shadow on February 2, according to legend, he will scamper back into his hole and stay six weeks. If it's cloudy he will remain outside the hole.

Early risers were also greeted with about the heaviest frost of the year Saturday morning, and the blanket of white was so heavy it resembled snow.

Big Snow Last Year
During the first two weeks of February of last year this area received the biggest snow ever recorded for the South Plains.

February 1 was something like the area experienced Sunday, warm and balmy, and the countryside was preparing for spring, and then it happened . . . it began to snow lightly after lunch . . . a few flakes . . . but they continued . . . on and on . . . temperatures plunged down to 11 degrees . . . the next day and for three succeeding days it snowed . . . to

bring the South Plains area the big snow of 1936.

Streets, Roads Blocked
Snow and heavy sleet continued through Sunday, February 5, when streets and highways were blocked . . . schools were turned out . . . and the following Friday and Saturday, February 10 and 11, very few stores in Littlefield were open.

Cars were stalled . . . folks were running out of butane . . . highway employees worked around the clock to fight the high snow drifts from the highways.

This big snow rendered a hardship to many at the time, but every cloud has its silver lining and the heavy fall of snow at that time put moisture in the ground which more than paid off in the good cotton crops a great many of the dry land farmers harvested.

The United States has 45 of world's cars, 23 of the telephones, has 155,116 separate government units, eats 1,516,000 doughnuts yearly, and kills 50,000 people in car accidents each year.

California is the only state that could exist comfortably alone, that is, without importing merchandise from any other area.

Ben Shepperd To Be Speaker At Levelland Feb. 21

Former Attorney-General John Ben Shepperd will be the principal speaker at the Levelland Chamber of Commerce annual banquet, which is scheduled for Thursday night, February 21, as announced by Gene McDonald, chairman of the banquet committee.

He is most noted in his term as Texas attorney-general for his work in conjunction with the Duval County scandals, where he staged a major cleanup effort.

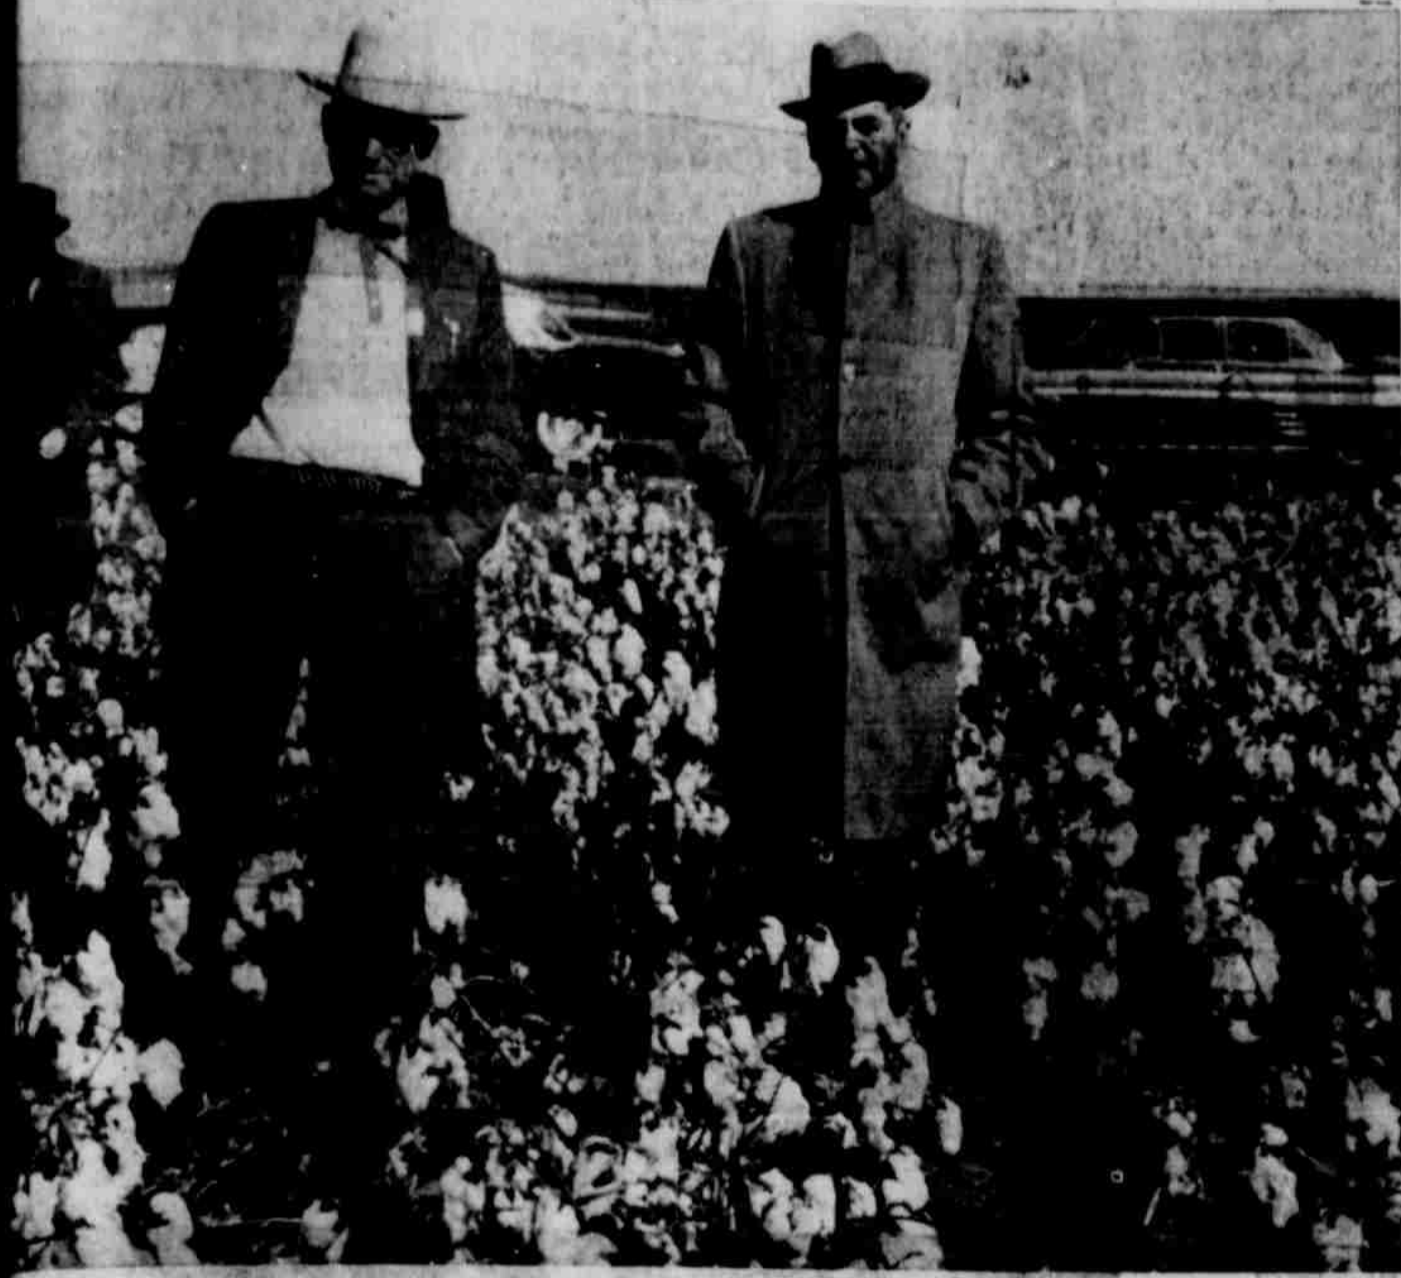

He retired as attorney-general without seeking re-election.

The banquet will be held in the Women's building at the fair grounds in Levelland to accommodate a larger crowd. The Sundown Lions Club is expected to serve the meal at the banquet, and an attendance of 500 is expected.

SCIENTIFIC TRAINING

The biggest student increase in American colleges and universities in 1955 went into engineering and teacher-training, according to an eminent educator. Enrollment in the fall of 1956 exceeded the previous peak years of 1947-48, when campuses were swollen with more than a million returning World War II veterans. Total enrollment figures for accredited universities and four-year colleges are: 1,724,897 full-time students, or 6.5 per cent higher than last year, and \$59,222 part-time students or 11.5 per cent more.

DAY was held recently at the Northern Star located at O'Brian. Attending from Littlefield were Davis, manager of the Littlefield Farmers, and Van Coltharp of the Littlefield Press. Picter is S. N. Reed, head of Northern Star Seed. He was host at the field day to many farmers and Davis is shown at the right in the picture. North-Seed is popular with many Lamb County farmers. CHILD Wanders From Home

For about an hour Sunday morning Mr. and Mrs. Jack Wattenbarger of 515 East 15th St. were searching high and low for little three-year-old Duff Wattenbarger.

The youngster had wandered down the street about 10 o'clock, and found the going rough until he was found and returned to his parents. A big collie dog had bitten the child, breaking the skin, it is reported.

Irrigation Booklet
Is Now Available

"Thinking of Irrigation" is the title of a publication just released by the Texas Agriculture Extension Service. It is available without cost from offices of local county agents or the Agriculture Information Office, College Station.

R. V. Thrumond, extension irrigation specialist, is the author and he has listed in concise form the most important considerations for those contemplating an irrigation program. Illustrations are used to emphasize and clarify the facts listed.

Such items as water supply, soils, crops, methods of applying

added together — water cost, water, equipment and planning and designing the system are covered in the publication. The final test comes, say Thrumond, when these cost factors are all extra equipment, taxes, maintenance, fertilizer, depreciation, interest on investment and labor — and increased income derived from irrigation.

To be profitable, the engineer emphasizes that income must be increased enough through the use of irrigation to offset the additional costs. Installing an irrigation system should not be looked upon as a short time proposition, but as a change in farm management and operation which will affect farm production and income for a long period of time, says Thrumond.

DRAKE'S COFFEE BREAKS

Just Slightly Stimulating
By MORLEY B. DRAKE

The Littlefield Jaycees are famous for their good deeds.

When tragedy hit a service station operated by L. V. Perce, who has been a member of the Jaycees for many years, the local Jaycees stepped in and took charge of the business until L. V. was able to resume management.

When a Littlefield boy got into difficulty with the law because he illegally entered a local place of business, the Jaycees went to his rescue.

Today (Thursday) this boy, in place of being sent to a reformatory, will be happily on his way to Boys Ranch, accompanied by members of the Littlefield Jaycees.

Everybody took an interest in this boy, and at Boys Ranch he will get an education, learn a trade, and live much of his time in the open air.

Cal Farley, who visited Littlefield recently in connection with this case, remarked:

"He's not a bad boy; he just wanted some candy and didn't have a nickel."

The Jaycees will contribute monthly to the support of this boy at the ranch, thereby helping him to get a fresh start . . . a new outlook on the future.

Bruges, Belgium, authorities have refused to allow a "World Congress of Bachelors" to hold their meeting in that city next May. The Dutch Association of Bachelors asked the permission. It was denied, because they wanted to preserve the quiet dignity of the town.

Bachelors, be of good cheer! As a one-man greater club, we invite you to Littlefield.

Lamb County has the most beautiful girls on earth!

Oil companies have come under increased Federal government pressure to step up production of crude oil for Europe.

That could mean good news for Lamb County . . . and every other oil-producing section of the state.

Defense Mobilizer Arthur S. Flemming has declared that the government will "see what additional, if any, steps can be taken." If refiners fail to cooperate fully with the emergency program for oil-short Europe.

Assistant Sec. of Interior Felix Wormser appealed recently to oil refiners to cut back gasoline yields and step up fuel oil output "in the interests of national defense."

ODM officials said the government may call a meeting of state regulatory commissions from oil producing states in an effort to boost crude oil output. They said the government has no authority to order a boost of output from wells and must depend on persuasion.

A boost in output from wells would be a big financial lift for Texas and undoubtedly some of the flakes from the dinero would fall on Lamb County folks like a

AN IMPORTANT CONTRIBUTION to the civi improvement of Littlefield has been made by the Littlefield Garden Club. Th's organization has transformed the setting of the Littlefield Community Center. Th's club donated funds with which shrubs were purchased and set out. Top — This picture shows the community center before landscaping was carried out. Bottom — The new shrubs already give a smarter appearance to the property. With sufficient growth they will add great beauty to the Community Center grounds; in fact, they will improve the appearance of the entire City Park.

Senate Candidate To Arrive Today

Jim Hart, a candidate for the U. S. Senate, will visit in Littlefield this afternoon.

A native of Austin, Hart is a former Justice of the State Supreme Court, and has served as Chancellor of the University of Texas. He is a graduate of the University of Texas and received a master of law degree from Harvard.

Hart is now associated with his father, one of the state's most prominent attorneys, in the law firm of Hart and Brown in Austin. Mr. and Mrs. Hart are expected to arrive in Littlefield about 3 p.m.

O. K. Hoyle Talks At Spade Farm Bureau Meeting

O. K. Hoyle of Seymour, chief of the Texas Farm Bureau field representatives, addressed the Spade Farm Bureau Monday night. His subject was "Existing Farm Bureau Policies". Ted Hutchins, president of the Spade Farm Bureau, presided.

COMMENT: What a wonderful place to be from . . . especially if your blood has been thinned by balmy temperatures.

AMMO-PHOS FERTILIZERS

16-20-0 13-39-0 11-48-0

- ECONOMY** — You save time and money in storing, handling and spreading high analysis pelletized AMMO-PHOS because it contains up to 2½ times more plant nutrients than most other fertilizers. Compare plant food values.
- STORABILITY** — AMMO-PHOS occupies only half as much of your valuable storage space. Pellets will not lump or cake if stored in a dry place. Buy ahead with confidence. AMMO-PHOS will be in excellent condition when you need it.
- SOLUBILITY** — All guaranteed plant food in AMMO-PHOS are completely soluble in water. The method of compounding keeps the phosphorus available longer.
- DRILLABILITY** — No sticking or bridging when you drill with AMMO-PHOS. The pellets are dry and free-flowing — provide easier, more even distribution in the field without bothersome dust. Airplane application is simplified.
- CHEMICAL UNIFORMITY** — There's no spotty feeding with AMMO-PHOS. Each pellet has a uniform content of the major plant foods . . . the same guaranteed analysis . . . because AMMO-PHOS is chemically compounded. Each plant receives the same proportions of plant foods, resulting in uniform high yields.
- AVAILABILITY** — AMMO-PHOS gives you a quick-acting, non-leaching nitrogen . . . the most available phosphorus you can buy . . . and potash to fit your soil requirements. The pellets retard the rate of reversion of phosphorus by clay in the soil . . . give plants a quick, healthy start and feed through to a successful, big-yield maturity.

PLUS ADEQUATE SULPHUR — All AMMO-PHOS contain adequate sulphur in the major plant foods. This important plant element is another bonus factor when you use high analysis Pelletized AMMO-PHOS.

Card of Thanks
We wish to express our deep appreciation for
the kindness shown us in the recent passing of our
wife, mother, daughter and sister.
Our Sincere Thanks to all for the beautiful
floral offerings, the Bonnie Crosby Memorial Fund,
that was started, the abundance of food and the
many deeds of love and sympathy extended us in
so many ways.

LITTLEFIELD, TEXAS

PICTURED ABOVE ARE Students of the Month for January in Junior and Senior high in Sudan Schools. The students were honored recently at an assembly program when they were presented awards. They were left to right, Faye Scott, student of the eight grade class, and Mary Lee Masten, member of the Senior class. Parents of the girls are Mr. and Mrs. Randall Scott and Mr. and Mrs. Robert Masten. (Scott Photo)

PAT LYNCH, daughter of Mr. and Mrs. Logan Lynch, was recently selected by popular vote as Miss Hornet of Sudan High. Shown with her is Larry Bates, who received the honor as Mr. Hornet. He is the son of Mr. and Mrs. Ellis Bates. Both are members of the Senior Class.

MOST BEAUTIFUL and Most Handsome, selected recently by students of Sudan high are pictured above. They are Miss Mary Lee Masten, daughter of Mr. and Mrs. Robert Masten, and Jimmy Williams, son of Mr. and Mrs. Edgar Williams. Both are members of the Senior class. (Scott Photo)

Sudan Sidelights

By MRS. EVELYN SCOTT
Mrs. M. M. Gann was feted to a surprise housewarming Thursday afternoon when friends gathered at her home for the occasion. Hostesses for the event were members of the Sudan Sewing club. A bed spread and curtains were presented Mrs. Gann as a hostess gift. Refreshments of cold drinks and cookies were served those attending. Sewing club members present to assist with the hospitalities were Mesdames Joe West, Delmer Gann, Bill Lenderson, Floyd Walker, A. E. Perkins, John Moore, Jinks Dent, Blanche Jones, H. W. Qualls, M. M. Gann.

Saturday evening in the Sudan Community Center. A set of stainless steel cooking ware was presented the couple as a hostess gift. Registering the guests was Mrs. C. E. Nichols. Refreshments were served from a white covered table bearing a red and white carnation arrangement flanked by red tapers. The arrangement was highlighted with small bags of rice. Hostesses for the event were Mesdames V. G. Wood of Dimmitt, Kenneth Wiseman, A. C. Wiseman, E. M. Wilson, Joe Wilkinson, A. H. West, Eldon Nichols, Raymond Maxwell, Martin Maxwell, W. B. Jones, Lonnie Horn, J. B. Harper, R. S. Gatewood, Joe Foster, Edgar Chance, I. R. Boren, Roy Bacus, Weaver Barnett. Mr. and Mrs. Lewis Fields were in Muleshoe Saturday evening to visit Mrs. Pete Templeton who was confined to the hospital there.

MR. AND MRS. O'DON BELLAR GIVEN SHOWER
Mr. and Mrs. O'Don Bellar were honored with a wedding shower

Howard Dotson and son, James, had the misfortune of both being confined at the same time in a

Littlefield hospital recently. By an odd coincidence both received treatment for leg ailments, with Mr. Dotson having surgery on one knee, and son, James receiving treatment when a cast was placed on one leg to correct an injury received recently.

Christ parsonage. Mr. Bostick is a former minister of the local Church of Christ and gave his first sermon upon his return Sunday morning. He replaced M. E. Blake who moved to Herman last week.

Brownie Scout Troop 43 met Wednesday afternoon at the kitchen of the community center when a cookie baking session was held.

Leaders assisting the girls with the preparing of the cookies were Mesdames Bob Drake, W. B. Jones, Jr., Bill Nix.

Presiding at the business meeting was Pat Raught, president of the troop.

Present were Brenda Drake, Nancy Nix, Sandra Lane, Lydia Martinez, Susan Jones, Jan Harper, Karen Miller, Pat Raught, Dianne Clark, Patsy Cartwright, Gail Thomasson, Alice Peace.

Mr. and Mrs. Weaver Barnett entertained a number with refreshments Sunday evening following church services.

Present were Messers and Mesdames Walter Bostick, Edgar Chance, C. E. Nichols, Mr. E. J. Stone, and Mr. and Mrs. Ford of Guyton, Okla., who are guests of Mr. Stone.

Mr. and Mrs. Walter Bostick have moved into the Church of

Mr. and Mrs. E. E. Crow visited last week in Pecos with their son, Elvin.
