NEW HIGH SCHOOL BOND ELECTIONS SET FOR SATURDAY, AUGUST 6

Littlefield F. F. A. Boy Will Be Presented With Lone Star Farmer Award

Ernest Mills, pictured above on a tractor plowing cotton, which is the son of Mrs. B. A. Mills, has been an active member of the Littlefield F. F. A. for the past four years. He is now farming with two older brothers, and is planning to make application to the National association next year for the American Farmer degree. At this time he has projects which include cotton, grain sorghums, and three swine projects. He has held various offices in the local chapter and last year was district president.

A minimum of \$250.00 must have been earned, 2-3 of this must be invested in farming at the time the boy makes application. Less than 10 Lone Star farmer awards have been received by boys of the Littlefield chapter in past years. Ernest has had outstanding projects in crops, swine and other livestock. He is now farming with two older brothers, and is planning to make application to the National association next year for the American Farmer degree. At this time he has projects which include cotton, grain sorghums, and three swine projects. He has held various offices in the local chapter and last year was district president.

Voters Are Asked To Ballot On \$500,000 Project
 Present Facilities Declared Inadequate Survey Reveals

August 6 has been set as the date for the election in the Littlefield School district to pass on the issuing of \$500,000 in bonds for the erection of a new high school building. The general purpose in the erection of a new High school building is to provide for present needs, the needs of the future, within a reasonable time, and to provide school facilities that will give students, notably in the High school, the kind of an education that will fit them for life and enable them to enter schools of higher learning on an equality with students from any adequate and properly equipped High school.

Lions Club Enjoys Special Program
 Old time songs, interspersed with Southern numbers, provided the chief program at this week's luncheon meeting of the Littlefield Lions club. Solo numbers in great array and variety were given by Charles Heathman, with Mrs. Ed Packwood as accompanist. The program was immensely enjoyed. Guests at Wednesday's luncheon included I. B. (Doc) Holt of Olton; Bob Watson, Hector MacKay, both of Littlefield, and County Agent David Eaton.

HARVEY BUCHANAN

Funeral services were conducted at 3 p. m. Tuesday at the Littlefield Missionary Baptist church for Harvey Buchanan, 24, farmer of five miles southeast of Spade, declared to have been bludgeoned to death at his home between 4 and 5 p. m. Sunday. A 24-inch wrench was found and is figuring prominently in the investigation underway by authorities. Zearald Been, 33, a farmer of five miles southwest of Spade, is in county jail in Littlefield, and has been charged with murder. He was arrested about 6 p. m. Sunday. Been was arrested in a cotton field 200 or 300 yards north and across a county road from the Buchanan farm. He offered no resistance. The arresting officers were Deputy Sheriff Dick Dyer, James Craddock and Mack Kniffen, state patrolmen, and Ed (continued on back page)

Building Costs Lower
 Building costs are down 10 to 15 percent, and in some cases 20 percent, and according to Mancel Hall, president of the board, this is a very satisfactory time in which to economically undertake a major project. The various features of the financing and the construction of the proposed new High school have been worked out by the school board after exhaustive study and numerous exploration trips, all at no expense to the school district. Mr. Hall said that it is the desire of the board that taxpayers study carefully the proposed bond issue, and vote their conviction, but by all means, vote. **Ready In 1950** If the new building is erected it (continued on back page)

Farmers Told To Use 3-5-40 To Control Cotton Insects

Field demonstrations in charge of G. W. Carpenter of Lubbock, Entomologist for the Extension Service, were held over Lamb County Thursday, Friday, and Tuesday. Mr. Carpenter was accompanied by David Eaton, County Agent, and Gilbert Simmons, Assistant County Agent. Attending the demonstrations at Circle Gin Thursday were 22 farmers; at Earth the same day 30; at Sudan 120 attended Friday, while at Hampton Gin 95 were present, and at Spade 105 farmers attended the same day. At the demonstrations held at Fieldton Tuesday 10 farmers attended, and at Speers Gin 30 were present. **Last Demonstrations Friday** The last two demonstrations will be held Friday as follows at 10 A.M. at Yellowhouse Gin; and at 1 P.M. at Lum's Chapel. These identifications are being

held to identify the various cotton insects; determine the proper time to dust; and the best insecticides to use to best control the insects. Mr. Eaton, in an interview with a Leader reporter Wednesday, stated: **Advised to use 3-5-40** "Over the County as a whole in the fields checked we are finding the Cotton Athis. However, we are also finding large numbers of beneficial insects, and in all cases where they have heavy infestation we are finding beneficial insects in large enough numbers to control the damaging insects. Therefore, we are advising farmers who are dusting for Flea Hopper control to use 3-5-40 dust, instead of 5% D.D.T. dust, because the 5% D.D.T. will not control the Cotton Athis. . . . also the D.D.T. dust kills all the beneficial insects, therefore making an increase of the Cotton Athis.

Fighting Polio

(Pictures by Nail's Studio)
 Early Saturday morning several sections of the City were dusted from the aid by DDT, including City Park, Peyton Packing Company, Sewer Disposal Plant and the Western Cottonoil Company premises. Top picture shows the airplane in action over City Park. This plane is owned by Joe Walters and was donated and piloted for the dusting work by the owner. In the bottom picture are Mr. Walters, and members of the Littlefield Jaycees who participated in the several loadings of the ship, which were necessary to carry out the dusting program. Dusting and fogging of the City are being carried out by the Jaycees as a civic project and a program for the prevention of polio. In the group are, left to right: Mr. Walters, pilot, F. L. Newton, Jack Alexander, "Skipper" Smith, Nelson Naylor, George Kirk and Jack Wingo.

Legion Installs New Officers

Installation of new American Legion Officers, and dedication of the addition to the legion building, will be used by the Auxiliary, place Monday night. **Commander Makes Dedictory Address** Commander Bob Kirk made dedictory address; and District Commander Bill Bridges acted as installing officer when the following officers were installed: **Commander** H. H. Hockett; **First Vice Commander** W. L. Tidd; **Second Vice Commander** J. E. Butler; **Adjutant** Fred Wright; **Secretary** Bob Kirk; **Chaplain** J. W. Crowley; **Historian** Tom Matlock; **Service Officer** Donald Benning; **Sergeant at Arms** and Fred Ray, Sergeant. Following installation of officers, refreshments were served by members of the Auxiliary. Mr. A. C. Chesher addressed the group after which several games of pool were enjoyed.

Work on Waterworks System Progresses

Work is progressing good on the expansion of the City waterworks system. This week a 12 inch main, which is a loop in the industrial section to feed present mains already in, was laid on Eastside Avenue. When the program of work is completed, which is expected to be this month, there will be available four times as much water as the City has been able to furnish before.

Jaycees Dust City With DDT From Air Saturday Morning

Littlefield Jaycees are to be greatly commended on the splendid work being done by them in their cleanup program. Saturday morning a total of 3000 lbs. of DDT was loaded on an airplane donated and piloted by Joe Walters, and several sections of the City dusted from the plane, including the City Park, Peyton Packing Company premises, City Sewer disposal plant, and Western Cotton oil Mill premises. **Start Work at 4 A. M.** Members of the Jaycees who rose at 4 o'clock in the morning Saturday, while Littlefield residents slept, and went to the airport to assist in the loading of the DDT, were Jack Alexander, F. L. Newton, Skipper Smith, Nelson Naylor, George Kirk and Jack Wingo.

Supplies Cost \$200 The DDT for the plane dusting was purchased at an outlay of \$200. It required that the plane be loaded seven times to dust the above sections of the city, taking about 400 lbs. to a load. The balance of the City was fogged Monday and Tuesday by the Fogging Company. **First Time Dusting by Plane** This is the third time that the Jaycees have sponsored the fogging of the City, but the first time that dusting has been done from the airplane. According to the Jaycees it requires an outlay of at least \$200 for each fogging of the city. The dusting and fogging of the city is being done in connection with the

Vows Exchanged by Miss Zelma Lee Doshier and Wm. C. Gray Sunday

MRS. WILLIAM C. GRAY

In a beautiful candlelight ceremony Sunday evening at the First Baptist Church parsonage of this city Miss Zelma Lee Doshier, daughter of Mr. and Mrs. A. L. Doshier of Littlefield, became the bride of William C. Gray, son of Mr. and Mrs. Walter Gray of four miles east of this city.

The single ring ceremony was read by Rev. Lee Hemphill, pastor of the First Baptist Church, in front of the fireplace, and before a background of candelabra flanked by tall baskets of pink, white and yellow gladioli.

The bride was dressed in a white romaine crepe dress of street length, with white accessories. She carried a white bible topped by an orchid, and tied with streamers of white satin ribbon.

For the traditional something old, the bride carried the bible belonging to Mrs. Maude Street; for something new her wedding costume; for something borrowed a strand of pearls belonging to the groom's sister; and for something blue, a pair of garters.

Mrs. Joe Pat Hart, sister of the bride, was matron of honor. She wore a white eyelet embroidery dress with navy and white accessories, and a corsage of red carnations.

Mrs. Lee Hemphill played the traditional wedding music.

Joe Pat Hart, brother-in-law of the bride, attended the groom as best man.

Following the ceremony a reception was held at the parsonage.

The bride's table was laid with lace cloth; a two-tiered white wedding cake, topped by a miniature bride and groom, centered the table; at one end Miss Patsy Heinen presided over the crystal punch set; and at the other were white tapers in crystal holders. A bowl of daisies completed the table appointments.

Misses Betty and Elouise Gray, sisters of the groom, served the cake after the bride and groom had cut the first piece.

About 60 guests registered.

Following the reception the couple left on a two-weeks trip, which they will spend in El Paso, Juarez and in Mexico City.

On their return they will be at home at their farm residence four miles east of Littlefield, where he is engaged in farming with his father.

The bride is a graduate of Littlefield High School with the class of 1949, and has been employed by Reese Drug and Perry's.

The groom is a graduate of Littlefield High School with the class of 1948.

Miss Bobbie Friday And Willard E. Waggoner Married

Miss Bobbie Friday, daughter of Mr. and Mrs. Gus Friday of Littlefield, and Willard E. Waggoner, son of Mr. and Mrs. W. P. Waggoner of a mile west of Littlefield, were married Tuesday at the home of the Justice of the Peace, S. J. Farquhar.

The single ring ceremony was performed by Mr. Farquhar about 11 P. M.

The bride wore a gray rayon crepe dress with lace yoke and red accessories.

She is a graduate of the 1949 class of Littlefield High School.

The groom served with the Engineers in the U. S. Army for 18 months, 13 months of which were spent in Korea. He was discharged January 13, 1947, and is now employed at Wright & Carter Cleaners.

Miss Joanna Curry And Kenton L. King Are Married Recently

MR. AND MRS. KENTON KING

The wedding of Miss Joanna Curry, daughter of Mr. and Mrs. C. C. Curry of Olton, and Kenton L. King, son of T. M. King of Tulsa, Okla., took place Wednesday, July 6, at 6:30 P. M., at the home of the bride's parents.

Mr. King was formerly of Littlefield and employed as technician at the Payne-Shotwell Hospital, and later connected with the South Plains Hospital, Amherst, since which he has been employed by the Dumas Hospital in a like capacity.

Rev. Chester Watt performed the double ring ceremony before a setting of garden flowers.

Mrs. Basil Sherman played the following records: "Forever and Ever", "Because". She also played the traditional Wedding Marches.

The bride, given in marriage by her father, wore a white rayon marquisette-

te street length dress with white accessories. She carried a white bible topped with an orchid.

Mrs. W. J. Waggoner, of Canyon, sister of the bride, was matron of honor. She wore a blue bimberg sheer dress with white accessories. Her corsage was of white carnations.

Bridesmaids were Miss Claudine Curry, sister of the bride; Miss Lavern Lane and Miss Maxine Phipps, both of Amherst, and Mrs. Hobbie Thomas, Jr., of Hale Center.

The bridesmaids wore pastel dresses with white carnation corsages.

A three-tiered wedding cake topped with a miniature bride and bridegroom was served at a reception given at the Curry home following the ceremony. Mrs. Fred Cooper served the cake and Mrs. Homer Curry served the punch from a lace covered table.

After a wedding trip to Roswell and Ruidosa, N. M., El Paso, Texas, and Juarez, Old Mexico, the couple will be at home at 414 Zouk Street, Dumas, where both are employed at Moore County Memorial Hospital as Laboratory technicians.

W. J. Waggoner of Canyon served as best man.

Mrs. King is a graduate of Olton High and Arlene's Beauty School at Lubbock and attended Amherst Co-op Hospital School of Technology.

The groom attended Tulane University, completed the Gradwall School of Technology at St. Louis, Missouri and St. John's Hospital X-Ray Department at Tulsa, Okla.

Attending the wedding and reception were: Mr. and Mrs. Basil Sherman, Kay and Gary; Mrs. F. M. Holland; Mr. and Mrs. Preston Sampler; Aubrey Oursbourn and daughters; Mrs. Fred Cooper; Mrs. Glen Gibson and son, Pete; Mr. and Mrs. Bill Alger; Mrs. Ann Blythe; Mrs. Faye Granberry; Mr. and Mrs. A. P. Curry and Patsy; Clifford Lee Curry; Mrs. A. Curry; Mrs. Homer Curry and Jimmy; Mr.

and Mrs. C. L. Jackson and John Rev. and Mrs. Chester G. Watt.

Out-of-town guests were: Mrs. M. Wheeler and Miss Lillie Wheeler, Prosper, Texas; Mrs. B. F. Wynn, Plainview; Mr. and Mrs. John L. Ardson of Morton, Texas; Mrs. M. of Morton; Miss Maxine Phipps; Miss LaVerne Lane of Amherst; Mr. and Mrs. W. J. Waggoner and Billy of Canyon.

Mrs. Winningham Hostess Methodist Church Women

Mrs. W. M. Winningham was hostess at a covered dish luncheon Tuesday July 12, to members of the Friendship Class of the Methodist Sunday School. Following the luncheon a social was spent. Roll call was answered by a favored verse from the bible. Mrs. H. Lippard read a chapter from the bible; and several hymns were closing with "Rock of Ages".

Mrs. Kenneth Hanna Honored At Bridal Shower Thursday

Mrs. Kenneth Hanna was the honoree at a beautiful miscellaneous bridal shower and tea at the home of Mr. and Mrs. Bill Bradley, 5 1-2 miles southeast of Amherst from 3 to 5 on Thursday afternoon.

Hostesses of the occasion were: Mesdames Bill Bradley, Delvin Batson, S. W. Cowan, Lloyd Edwards, Joe Atkinson, Bill Rowland, Marvin Wagner, Billy Gee, Bill Roberson, Rufus Jeffrey, Doris Nixon, A. C. Mann, Dock Fisher, Joe Poltyn, Elsie Seymour, Agnes Seymour, Bill Lenderson, Bill Humphreys, Jack Yarbrough, Irene Bramley, Ryan Young, Earl Baccus and Sam Harmon.

Garden flowers in profusion, including Gladioli and Zennias, decorated the Bradley home for the occasion.

Guests were registered by the hostesses.

A crystal bowl of sweetpeas centered the tea table, which was laid with a white lace cloth. Punch and cookies were served. Mrs. Marvin Wagner presiding at the crystal punch set.

The honoree was the recipient of a large array of beautiful and much appreciated gifts, including linens, blankets, china and crystal ware, silverware, etc.

The hostesses also presented Mrs. Hanna with a lovely stainless steel set of cooking utensils. About 50 guests called during the afternoon.

Mr. and Mrs. Hanna were married Saturday, July 2.

Mrs. Hanna was formerly Miss Paul-etta Dickson.

Party Is Courtesy To Mrs. Armistead

Mrs. Davis Armistead, who moved to Lubbock this month from Littlefield, was introduced at a coke party given Saturday afternoon in her honor by Mrs. Homer Pharr and Mrs. Vernon Brown. Mrs. Robert Dawson assisted with hospitalities.

Garden flowers decorated the refreshment table and the party rooms. Approximately 35 guests called between the hours of 4 and 6 o'clock.

Mr. and Mrs. Armistead and their baby daughter, Ann, are at home at 2323 Ave. Q, Lubbock. Dr. Armistead was stationed at Lubbock Air Force Base during the war.

Information For Veterans On Life Insurance
By Mrs. L. M. Brandon Executive Secretary

We have had several inquiries from veterans concerning payment of National Service Life Insurance dividends and we have received some information on this the past week.

Payment of \$2,800,000,000 has been authorized by the Veterans Administration on twenty million policies. It will include most policies issued on or before January 1, 1948, which have been kept in force for three months or more.

The Veterans Administration hopes to start distributing these checks in January 1950 and complete the distribution within six months. A special application form is being prepared which the Veterans Administration expects to have available for distribution in August or soon thereafter, through post offices, V. A. offices and Veterans service organizations. This office expects to have a supply and be prepared to assist veterans in applying for these dividends.

Payment will be made to the person insured, or, if deceased, to the beneficiary of the policy. If the insurance has lapsed, dividend payment will, in general, vary with the amount of the policy and the number of premiums paid. Payment will be made in cash only. The Veterans Administration urges that letter inquiries not be made, as such inquiries only delay preparation for distribution of the fund.

This local office will have the information as soon as it is available and will keep the public informed.

Brother of Mrs. Lulu Hoover Dies

John Haney Anderson, 74, of Snyder, Oklahoma, well known veteran Oklahoma publisher, and brother of Mrs. Lulu Hoover of this city, passed away Friday morning, July 7, in a hospital after a lingering illness of several years.

Editor Snyder Paper 40 Years

As editor for more than forty years of the Kiowa County Democrat at Snyder, Okla., Mr. Anderson was widely known among newspaper people, and for many years was a leader in the Oklahoma Press Association. He held various offices in that association, including the presidency, to which he was elected at a state meeting at Medicine Park in 1918. Mr. Anderson was also active in state political circles, and was recognized as a leading Democratic party member.

Born in Iowa

Mr. Anderson was born in Bonaparte, Iowa, and went to El Reno, Okla., at the opening and located at Hobart at the Kiowa-Comanche opening. He went to Snyder in 1905, and that year, with Crooks & Stallard, established the Kiowa County Democrat, of which he was editor until his illness compelled him to retire in 1939.

In the cyclone of 1905 the superintendent of schools was killed and Mr. Anderson served as superintendent of Snyder schools for several years. He was postmaster of Snyder for eight years, and served one year as president of the Oklahoma Press Association. His father, Silas Anderson, served as United States marshal in the early days.

Surviving are his widow, Mrs. Elizabeth Anderson; two daughters, Mrs. Walter Hinton, Altus, and Mrs. Rubia Kreeger of Houston, Texas; one son, Bryan, of Hollywood, Calif.; and two sisters, Mrs. Hoover and Mrs. Daisy Williams of San Angelo, Texas.

Services were conducted at 4 p. m. Saturday, July 9, in the First Christian Church of Snyder. Burial took place in Fairlawn cemetery under the direction of Preston-Leckie Funeral Home.

Farm Community Dinner Friday

A farm Community dinner gathering will be held at Lum's Chapel Friday evening, when farmers will be guests of Littlefield business men at a dinner and social gathering.

According to Hardy Shelby, Chamber of Commerce President, as many as 60 business men from Littlefield and area are urged to be in attendance.

Those planning to attend are asked

J. L. Alsup of Muleshoe won the contest sponsored by the Kaiser-Frazer Corporation, for writing the best statement of 25 words on "The Kaiser is the Lower Priced Car of the Medium Field . . . Because"

•Mr. Alsup is the proud owner of a new Kaiser De Luxe Executive green sedan, which he purchased from the Batson Motor company, Littlefield Kaiser-Frazer dealers, in April last, when he entered the contest.

There are 145 Districts in the State of Texas, and only one entrant out of each District is eligible to receive \$1000 prize. Mr. Alsup was the winner in this District.

Entries were judged on the basis of originality, interest and aptness of thought.

In the above picture T. I. Batson, owner and operator of Batson Motor Company, is shown handing the \$1000 check to Mr. Alsup . . . his prize in the contest.

Some of the statements made in prize winning letters included: The Kaiser is the lower priced car of the medium price field . . .

Because — The Kaiser gives you more miles per gallon, more performance per mile.

Because—The Kaiser gives you the most efficient transportation, with unparalleled comfort.

Because—All of the features that make the Kaiser a lower priced car have been proved by 3 billion miles of owner driving. Here is the new car which gives you the assurance you can get only through proven features which have demonstrated their value.

Because—With every Kaiser or Frazer you buy, you get the service afforded by more than 4,600 dealers in the United States. Wherever you go and whenever you go, Kaiser-Frazer service is there for you. This means, again, lower cost of upkeep and better conditioning of your automobile.

Because—When you buy a Kaiser, you are buying the automobile—not an imposing and lengthy list of unwanted accessories. You are not forced to accept many dollars worth of extra equipment.

Because—You will get a good price for your old car. Your Kaiser-Frazer dealer knows that his future is assured only when you have had full opportunity to prove Kaiser-Frazer superiority to yourself. He wants you to be driving a Kaiser or a Frazer.

Mr. Batson has been in the motor business for 15 years, and at the present time, besides the local automobile establishment, he operates the Batson Motor Company at Muleshoe.

to contact the Littlefield Chamber of Commerce before Friday, and then meet at the Secretary's office at 7:30 o'clock that night, and go to Lum's Chapel in a group.

TWO ERAS MEET IN LONDON . . . Young America and old England might have been an apt caption for this photo, with something symbolic easily read into the scene. Dowager Queen Mary of England, now in her 83rd year, beams her royal smile at blonde, beautiful and youthful Sharman Douglas, typical American girl. Miss Douglas is the daughter of the United States ambassador to Great Britain. The queen and the girl met at the Odeon theatre.

OPPORTUNIST WITH REGRETS? . . . Four-year old Richard Babin grabs himself an enviable seat. Emmanue' Lutheran Church News

Before an altar that will be banked in flowers five young people and two adults will present themselves to the Lord next Sunday morning during the 11 a. m. hour of worship at Emmanuel Lutheran, 417 West Third Street. The music, the message, the prayers will emphasize the importance of the day. These seven people, Mrs. Fred Friday, Mrs. Albert Lorenz of Littlefield and Anton respectively, and Miss Betty Brandt, Nadine Lorenz, Adneida Synatschk, Clarence Hobrschk, and Ernest Gohlke, have just finished a rather thorough study of the Word of God. Since they agree with the teachings of the Lutheran Church they desire to be received into active active communication membership with Emmanuel Lutheran. Visitors, friends, relatives, all who are interested and able will be in attendance.

Sunday night Littlefield's Church of the Lutheran Hour at 417 West Third street will hold a reunion service for the benefit in particular of those who have been confirmed during the past ten years. A promise of rededication will be made by these people in candlelight. This service which begins at 7:30 p. m. will be followed by a social gathering for all in attendance for the purpose of welcoming all those who were received into the congregation during the morning service.

This Friday night, July 22nd, beginning at 8:00 p. m., additional ground work will be laid in Emmanuel Lutheran's school for the forthcoming Vacation Bible School which will be held at 417 West Third, Emmanuel Lutheran's location. The school will run from August 1st thru August 19. Various problems will be discussed in connection with this school, which is being held in the interest and for the benefit of all interested children in this area. In charge of the school is the Rev. H. A. Heckman, 421 West Third Street.

Last Sunday night the Lutheran Hour which comes over KVOW was a bit out of the ordinary. The speaker was the Rev. H. A. Heckman. This change became necessary because the regular transcription disc had failed to arrive by broadcast time. Word has been received that in the future the discs will arrive in plenty of time.

Westside Baptist Chapel Dedicated

An overflow house participated in the dedication services of the Westside Baptist Chapel, which were conducted Sunday afternoon.

Rev. E. R. Ingram will have charge of the work at the chapel. Formerly of Enochs, he is the assistant pastor of the First Baptist church and the pastor of the chapel.

Clabert LeBoeuf, president of the brotherhood of the First Baptist Church, the organization which built and financed the chapel, gave a report on the establishing of the new church.

Located on four lots donated donated by Rev. D. C. Lindley, the new chapel has a property valuation of \$6,000 and is entirely clear of debt.

The idea of the chapel was born when members of the brotherhood observed that there were no Sunday school or other religious facilities in the locality in which the new church is located.

The dedicatory sermon was brought by Rev. F. E. Swanner of Plainview, district missionary. The dedicatory prayer was offered by Rev. Lee Hemphill, pastor of the First Baptist Church. Rev. Mr. Ingram outlined the program of work for the new chapel.

Local Eastern Star Chapter To Honor Founder In Special Program

Demonstration Given In Ceramics

Representatives of the Home Demonstration Clubs of the county were given a demonstration in Ceramics at the Presbyterian church, Littlefield, by Mrs. Jed Clarida and Mrs. Allen Hilburn on Monday, July 18.

Mrs. Clarida showed the group how to roll out clay, cut and shape it. Later she was assisted by Mrs. Hilburn in supervising the decoration of pin boxes, vases, ash trays, and bowls. It was explained that this would have to be baked for a period and then glazed. There are several kilns in the county.

Those attending were as follows: Mesdames W. E. Elms, Lee Holtkamp, J. B. Halre, H. A. Vick, C. T. Taylor, Sam Redwine, Paul Carlisle, Harvey Henson, J. B. Davis, Jack Brooke, Willie White, E. J. MULESHOE MAN WINNER IN KAISER-FRAZER CONTEST

Above is T. I. Batson (left) handing J. L. Alsop (right) a check for \$1000, which he won in a recent contest on "THE KAISER IS THE LOWER PRICED CAR OF THE MEDIUM PRICED FIELD... BECAUSE", sponsored by the Kaiser-Frazer Corporation.

Mr. Alsop purchased a Kaiser De Luxe Executive Green Sedan, on April 1, and entered the contest. Only one entrant out of each of the 145 districts were eligible to win. Mr. Alsop won from this district.

Entries were judged on the basis of * Originality * Interest and * Aptness of Thought. Here are a few reasons why the Kaiser is the Lower Priced Car of the Medium Price Field:

- BECAUSE... You get the finest ride in ANY price class. The KAISER is part of your thinking... it answers your every thought. The ride is a part of the basic design... that's why it cannot be copied. BECAUSE... The price for a KAISER is low because your cost of upkeep is low. Here is a luxury car you can operate on a housewife's budget. Day after day, mile after mile, your KAISER costs less to run. BECAUSE... It is the only 1949 car introduced at no increase in price. Only the 1949 KAISER and the 1949 FRAZER were introduced without price increases. BECAUSE... In 1946 the prices of all automobiles—including the KAISER and the FRAZER—were established by the OPA.

BECAUSE... Since that time, the average price increase on all comparable cars has been more than 46 per cent. The KAISER has increased only 30 per cent OR NEARLY 16 PERCENT LESS THAN THE AVERAGE! That is a saving to you.

BECAUSE... You get more for your money in a KAISER. Check the following against other cars: 10 feet 4 inches of seating space. 7.3 to 1 high compression engine. True-line steering which takes the work out of driving. Color styled exteriors and interiors with the finest available harmonizing fabrics.

BECAUSE... The KAISER gives you the highest horsepower to engine weight ratio of any comparable car.

BECAUSE... You get more front vision. Vision where it counts... where decisions must be made in a fraction of a second... where vision means safety.

Murder Charge

(continued from page 1) Huff, Littlefield officer. BOND SET AT \$20,000 A formal charge of murder with malice was filed Monday afternoon by Deputy Sheriff Dyer against Ben. Bond of \$20,000 was set by Justice of the Peace S. J. Farquar, in whose court the complaint was filed for investigation by the grand jury meeting August 1. Ben waived examining trial. No attempt had been reported to post the heavy bail. Farquar said he would render an inquest verdict conforming with medical testimony he had taken in the case; that Buchanan's death was a result of injuries which included a brain concussion and multiple lacerations of the face and head, caused by a pipe wrench. Officials quoted the victim's brother, Wesley Buchanan, as saying Ben admitted to him he had killed Harvey Buchanan. Mrs. Harvey Buchanan said she too heard that admission. Ben, however, declined to tell investigators anything except that he could not remember anything since Sunday noon. Maintaining he did not know what happened, the man continued to say he did not remember anything since he and the victim left Mackenzie State park in Lubbock about noon Sunday. He said they had taken some drinks there. Harvey Buchanan farmed land owned by his father, Charles L. Buchanan. His parents asked another son, Wesley, to drive over to Harvey Buchanan's place and "check up," according to the official version of what there. It was about 4:45 p.m., he said. "Where's Harvey?" Wesley Buchanan was said to have asked. "Over there—I killed the..." Ben was said to have answered.

BLOOD SCATTERED ABOUT Wesley said he looked around and saw Harvey Buchanan lying on the bloody earth approximately 12 feet southeast of the residence. There was more blood on the kitchen floor and in the sink. Officials said they believed stains on a wrench lying nearby were blood. Wesley Buchanan took his brother immediately to Payne-Shotwell clinic in Littlefield. He was pronounced dead upon arrival there. Wesley then advised Lamb county officials of the incident. The wife of the victim had been at the residence of her parents. She returned home and found Ben still there, she told officers. She related that she too asked, "Where is Harvey?" and was told by the defendant that "I killed him." Investigators were working on a theory that another witness had seen the assault. It was learned by newsmen. State Rangers and officers from nearby South Plains counties have assisted in the case which broke a few hours after Lamb County Sheriff Sid Hopping had left for Dallas and a state sheriff's convention. Funeral Held Tuesday Funeral services for Buchanan were conducted Tuesday afternoon at 3 o'clock at the Littlefield Missionary Baptist Church, with Rev. Weldon Mears, pastor, officiating. A military service was also held at the grave in the Littlefield Cemetery, in charge of the VFW and American Legion, following which interment, under the direction of Hammons Funeral Home, took place. Harvey Buchanan was a son of Mr. and Mrs. C. L. Buchanan, and had been a resident of Spade Community seven years, where he carried on farming operations. He was in the service one year and eight months. He is survived by his wife, Christine Buchanan, and three children, Linda Sue, aged 2, David Carroll, 18 months and Leslie Don, 2 weeks old; his parents, Mr. and Mrs. C. L. Buchanan of 6 miles southeast of Spade; four brothers and one sister. The brothers are: Troy Buchanan of Amarillo; Ernest Buchanan of Sherman; Wesley Buchanan of near Anton; and Claude of Garland, Texas. The sister is Mrs. J. E. Dillon of Littlefield. Ben lives five miles southeast of Spade; is married and has six children.

Bond Election

(continued from page one) should be ready by mid term of 1950.

The proposed bond issue has been set up to extend over a period of 30 years with 15 years option. If the bond issue carries, there will be approximately 1-3 increase in school taxes for all purposes.

But this appears to be a nominal increase for schools in which students can receive a well rounded education and equip themselves to enter life and institutions on an equality with students from the best High schools of the country.

While a one-third increase in school taxes may look like a considerable amount, it is, in reality, a nominal amount.

For example, if you pay \$30 in school taxes now, all you would pay if the bond issue is approved, would be \$40.

Another thought to take into consideration is the fact that school taxes in the Littlefield Independent School district are considerably lower than elsewhere. In other words, it is said that the Littlefield schools have been operated on an exceedingly economical basis.

New School Need Great Here are a few facts that are not generally prominent, but which must be taken into consideration:

The only permanent addition, which has been made to the Littlefield school system since 1925, when the present High school was built, are the addition of eight rooms to the primary building;

That in 1925 Littlefield had an estimated population of 1000 persons as compared with an estimated 7500 population in 1949;

Rural population also has grown immensely with the general development of the county;

The Littlefield school system buildings were erected to provide for an enrollment of 850 scholastics, whereas the present enrollment is approximately 2,000 scholastics.

18 Class Rooms The proposed new High school would have 18 class rooms with proper accommodation for 500 students. The present need is for accommodation for 350 High school students, but according to scientific study the general school attendance will soon step up the High school enrollment to the 500.

The general architectural plan provides for the easy erection of additional class rooms when needed.

The plan for the new High school provides for an auditorium with a seating capacity of 1,000 persons and a gymnasium with a seating capacity of 850 persons.

With the need immense for a large meeting place for rural and urban gatherings, the High school auditorium could be a big asset to this school district, in fact, the entire county.

With the completion of the proposed High school, it is the plan of the board to retain the present Central school, but house only two grades, the fifth and the sixth, and to use the present High school as a Junior High, providing for the needs of the seventh, eighth and ninth grades.

One of the chief thoughts in the resigning of the proposed High school was to provide a school adequately equipped to teach subjects that are particularly important in a country of this character, notably vocational agriculture, woodworking and automobile and tractor mechanics, home economics, and science.

The Rural Women's Short Course is to be held August 2, 3 and 4, in Lubbock, on the Texas Tech campus.

There are eight Lamb County Home Demonstration women who have already signed to go to this short course. All phases of demonstration work will be given. Such as Selecting Accessories, Basic Color Principles, Pasture, Skin Care and General Grooming, Care of the Hair and Hair Styling, Making Copper Bracelets, Care of Orchards and Fruit Varieties, Landscaping, Shrubs,

Trees and Care, A Meal from the Freezer Locker, The Happy Family. Special tours have been planned over the campus which will prove interesting and useful.

Home Demonstration women and other women in the County who are interested may attend. The fee is fifteen dollars including class courses, room and board. If anyone is interested, please notify Miss Dudley Ham-bright, County Home Demonstration Agent as soon as possible.

Project Cost Is Estimated At \$80,000.00

Additional roads have been designated as farm-to-market arteries travel by the Texas Highway Department.

Such designations tune in with the desire of the Lamb County Commissioners' Court to provide more farm-to-market roads in this county.

Subject to Availability of Funds The new designations for farm-to-market roads have been made subject to the availability of funds under terms of Senate Bill 287 and subject to the condition that Lamb County furnish all required right-of-way and cost of the State. The new designations are:

Designate Olton Road From Spur 9 in Olton, west to south to the end of Farm-to-Market Road No. 304, 6 miles north of Hart Camp, a distance of approximately 10 miles; From Farm-to-Market Road No. 1 at Hart Camp, east to Hale County line, a distance of approximately 10 miles.

To Cost \$80,000 Upon acceptance of the provisions this Order by Lamb County, the State Engineer is directed to proceed with preparation of plans for construction at an estimated cost of \$80,000, when right-of-way and funds are available to proceed with construction and to assume the roads for maintenance upon completion of construction. Funds for the roads to be built under Senate Bill 287 will be commencing in September, but the Commission taken immediate action to prepare roads in order to insure quick construction funds accrue.

THE THRILL OF FISHING There's nothing as exciting as the fishing trip. The strange, wild beauty of unbelievable speed, power and beauty that are yours when you are on the water are things you would never see if you did not fish for them. For half an hour, an hour, or two hours you are fastened to a fish as much as he is fastened to you. How necessary to them, feeling their speed, power and beauty, their force, their savage power as they mate as if you were riding a bucking horse... that's the thrill! He pulls and because the fish is worth plenty on the market, you gaff him at the boat and bring him on board... he hasn't him on the boat isn't the excitement it was the fighting him that made the fun. Work on "a big one," you would work to break a horse. They isn't necessary to kill them. They merely fighting against being captured so just give them plenty of time when they get out of sight, flip what they are doing and work bringing them to the boat. It's a sport.

Marketing Quotas Will Not Apply To Wheat Acreege

Application For Allotment Must Be Made By September 1

As announced by John W. McQuen, Administrative officer of Lamb County A.C.A., all farmers interested in seeding wheat for a 1950 crop are advised of the following limitations concerning the 1950 crop of wheat.

Acreege allotments on wheat will be in effect for the 1950 crop. Marketing Quotas will not be in effect on the 1950 Wheat Crop.

Under this type of program any producer seeding within his allotted wheat acreege can place his grain in the Commodity Credit Loan.

Any producer seeding in excess of his allotment or any producer Seeding Wheat who does not have an allotment will not be eligible to place his wheat in the Commodity Credit Loan, but he will not be penalized otherwise.

Producers who do not have a wheat allotment and want to apply for a New-Grower Allotment should make application for the allotment before September 1, 1949.

The request should be in the form of a letter addressed to; Lamb County A.C.A. Committee, Box 16, Amherst, Texas, and specifying, in acres, the requested allotment. The Farm Number should also be shown if known to the producer.

County Court to be In Session July 25

To us it is reassuring that so many folks have invested their money to help us progress with the area we serve. It means also that ownership of Public Service is vested in thousands of folks right around here... teachers, ranchers, small businessmen, churches.

In other words, your Public Service Company belongs to the Panhandle-Plains-Pecos Valley-Eastern New Mexico. Somehow, that's the way things work best... free enterprise and sound business management... together... for a better way of life.

BULL LAKE PHILOSOPHER HAS PLAN FOR MAKING LIVING CHARGING AIRPLANES FOR USE OF HIS AIR

Editor's note: The Philosopher on his Johnson grass farm on Bull Lake won't get anywhere with his hair-brained scheme to avoid work, but we guess that's his business, not ours.

Dear editor:

I noticed in a copy of The Star-Telegram which was wrapped around a pair of shoes which I had half-soled in town as a birthday present for my wife, some men go for years takin their wife for granted without ever stoppin to do some little thing that will please her feminine heart, where a farmer in Tennessee is claimin he owns the air above his farm and has a right to keep airplanes from flyin over it if he wants to.

This farmer claims airplanes flyin low over his farm scares his horse so he won't work to a plow and he has had to abandon his crop.

Now while I ain't never been reduced to blamin airplanes for stoppin me from plowin, I don't need a excuse, I just don't plow when I don't

feel like it and lots of times don't even plow when I do feel like it, I think that Tennessee farmer is on the right track and I would like to get one of those Littlefield lawyers if you can recommend any of em to go into this for me.

I notice lots of towns have taken on the right to charge money for parkin on their streets and by the same token it looks like I might have a right to charge airplanes for using the air over my land. I don't have no serious objections to airplanes flyin, over my farm out here, but it's possible the drone of a motor could interrupt my trend of thought right when I might have the United Nations problem solved, or right when I was gettin a nibble and the interruption might cause me to jerk on the line too soon, playin havoc with the future of world peace and my catfish supper, and it's possible a good lawyer could make a case out for me.

I figure just a moderate charge, say \$10 a month on a annual basis, would take care of all damages or mental interruptions, and while I don't have a way of finding out what planes is usin the top part of my land, I figure the government:

could take this over and just mail me my check each month and I won't argue about the details. If one or two more planes than I agreed to let fly over use my air, I won't squabble. Live and let live is my policy

Yours faithfully, J. A.

Mr. and Mrs. W. G. Street Return From Vacation Trip

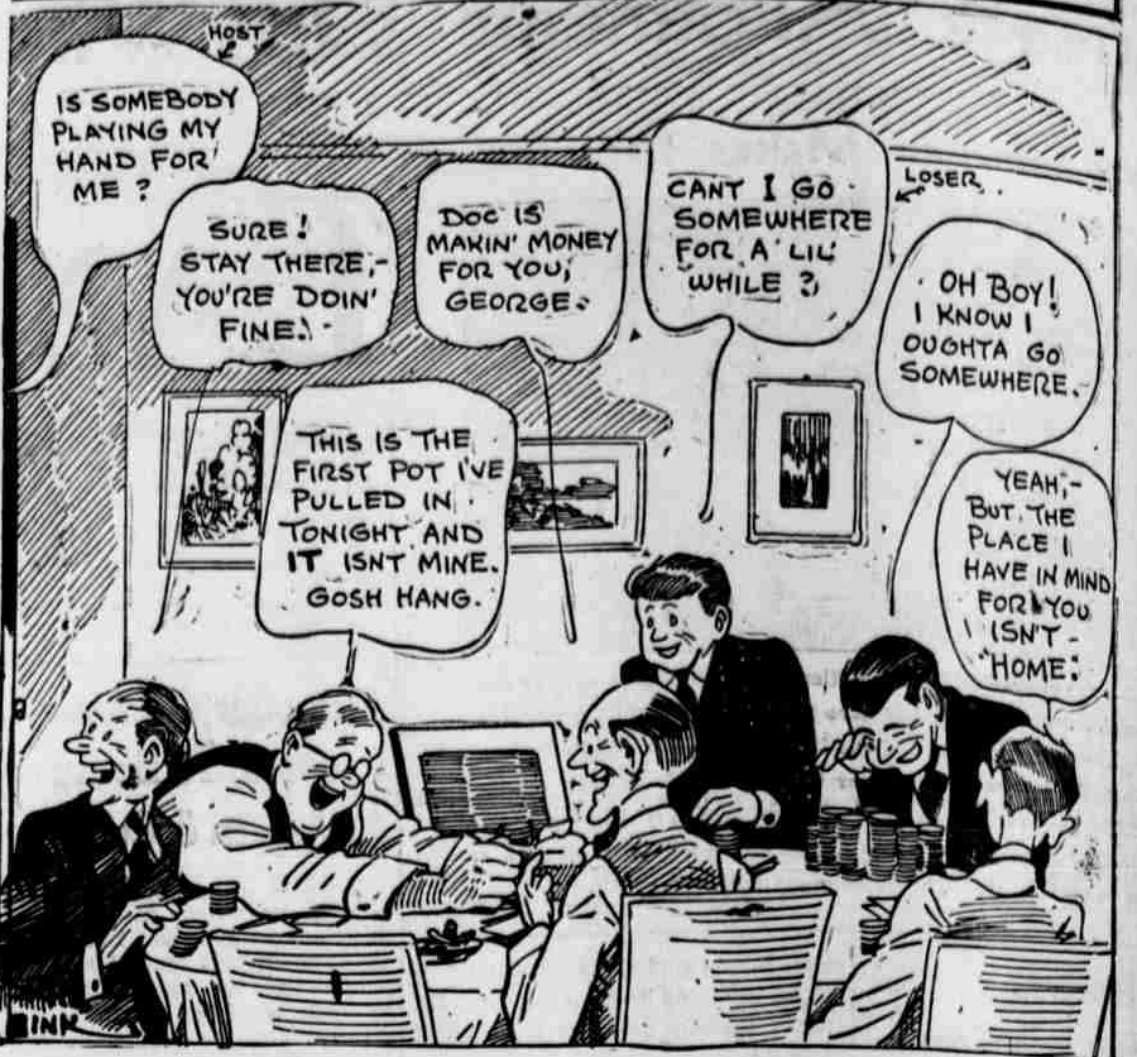

Mr. and Mrs. W. G. Street returned Tuesday of last week from a trip to Oklahoma and Michigan.

Mrs. Street, who had gone previously to visit her daughter and son-in-law, Mr. and Mrs. Don Berger at Bartlesville, Okla., was joined there by Mr. Street on July 4, and after ten days visit in the home of Mr. and Mrs. Berger, returned home.

Previous to Mr. Street's trip north Mrs. Street had accompanied her daughter and son-in-law to Lansing, Mich., where they visited in the home of Mr. Berger's parents, Mr. and Mrs. K. F. Berger, and also made a side trip to Sault Ste. Marie, and spent three or four days on Arbutus Lake. They were in Michigan two weeks.

Mrs. Street also reports that she and Mr. and Mrs. Berger spent a night at Brookston, Ind., where she visited Mrs. Rose Stockton, a former Littlefield resident.

At one time or another most of us become upset and jittery due to overwrought nerves. This makes us irritable, restless and wakeful. You can't do your work well the next day, if you toss and tumble through the night and don't get the rest you need.

Miles NERVINE is a mild but effective sedative that helps soothe overwrought nerves and permits refreshing sleep. It has brought restful nights and peaceful days to thousands. Ask your druggist for genuine Miles NERVINE. Have it on hand and be prepared next time tense nerves threaten to keep you awake or make you nervous. CAUTION: use only as directed. All drug stores have Miles NERVINE.

The NEW 54 COTTON PLANTING SEED NOW AVAILABLE

The NEW Paymaster "54" is now available for the 1949 planting season—ready for farmers who want more profit from Cotton. This quick-maturing, high-yielding, better-staple-producing planting seed answers the demand for a variety that is tested and proved for West Texas growers.

Here's why the NEW Paymaster "54" is a money-making Cotton...

- EARLY MATURITY: Of 25 varieties tested recently... "54" was first in percentage of crop harvested in a four-month period.
HIGH YIELD: In this same test, "54" was third among all varieties in yield per acre.
BETTER STAPLE: "54" ran 15/16" to 1 inch throughout West Texas, assuring a better price.
TESTED FOR DRY LAND: "54" has been proved successful for dry land farming as well as for irrigated Plains areas.

Be among those profit-minded farmers who demand a money-making Cotton planting seed—the NEW "54": order your supply of the improved, state-registered "54" NOW.

IT PAYS TO PLANT PAYMASTER "54"

Sold through your ginners, your seed dealer, all branches of the Western Cotton Oil Co., and at Lockview Farm, Plainview, Texas.

Eleven Lamb County 4-H Girls Attend District Camp

On July 12, 13, 14 Lamb County was represented at District 4-H Camp by eleven girls. These were chosen by their records. This was a leadership training school.

Each girl is assigned to some special committee. These committees are crafts, foods, concessions, clean up, nature and recreation. Those attending from Lamb County are: Joyce Robnett, Springlake; Verlie Gregson, Spade; LaWanda Terrell, Amherst; Melba Sue Cowan, Fieldton; Yvonne Fox, Sudan; Barbara Locke, Junior; Carrie Ivis, Senior; Jo Ann Nix, Amherst; Mrs. C. E. Jones, County 4-H Leader; Dian McClurkin, Assistant Home Demonstration Agent, in training; and Dudley Hambricht, County Home Demonstration agent.

The Lamb County Council, the va-

rious Home Demonstration Clubs, the Littlefield Art Club, and the Littlefield womens club helped to defray these expenses.

Family Reunion Held At Lake Brownwood

Mr. and Mrs. Lon Smith and the Walter Gray family attended a family reunion at the Brotherhood Camp at Lake Brownwood July 2, 3, 4.

More than a hundred relatives and friends were present during the three days.

Many of those who attended had not seen each other in many years and it was a delightful occasion.

The entire camp was leased, and the water front was open for boating, bathing and fishing as well as visiting.

It was voted to make the occasion annual and officers were elected to take care of the arrangements for the coming year.

ATTEND FAMILY REUNION AT SEMINOLE

Mrs. Lee Hemphill and son, Hilton, spent a few days recently in the home of her parents, Mr. and Mrs. E. C. Nix, at Seminole, Texas, and attended a reunion of the Weatherby family, which is Mrs. Hemphill's mother's family.

The reunion was held jointly at the home of Mr. and Mrs. E. C. Nix and Mr. and Mrs. E. C. Nix, Jr., at Seminole, Texas.

There are 12 children in the Weatherby family, all of whom are living, but only nine were present.

Fifty-three attended the reunion.

Member of the family present were four brothers and five sisters as follows: W. F. Weatherby of Floydada; O. G. Andrews; J. F. of Fort Worth, and B. D. Weatherby of Abilene; and five sisters, Mrs. Lola Fry of Greenville, Texas; Mrs. L. G. Clark of Mangum, Okla.; Mrs. H. H. Marks of Canadian; Mrs. J. N. Nelson of Fort Worth and Mrs. E. C. Nix.

THERE'S ALWAYS FISHERY... These coal miners of the H. C. Frick company at Muse, Pa., don't seem to be too disturbed over facing a prolonged work stoppage as a result of UMW leader John L. Lewis ordering a "vacation" for "stabilization of the industry." Instead, they watch A. J. Bayle explaining his new gadget, "lazy fisherman's bait." It holds the rod, locks the reel when the fish nibbles at the bait.

Why is the Servel GAS Refrigerator the choice of people with experience?

Only Servel has no moving parts in its freezing system

Only Servel STAYS SILENT LASTS LONGER

Everywhere, families have discovered that there's one refrigerator different from all the rest... gives you more years of noise-free, worry-free service. It's the Servel Gas Refrigerator.

The secret? Servel has the simplest of all freezing systems. Not a single moving part. No machinery to wear. No motor to get noisy. A tiny gas flame does the work. So Servel stays silent, lasts longer. (In fact, thousands of America's almost 3,000,000 Servel owners report that their Servels are still on the job after 15, 18 and even 20 years.)

You'll be delighted with Servel's new features, too. Plenty of ice cubes, easy to get at. Lots of room for fresh and frozen foods. Come in today and see the beautiful models. Select your new Servel Gas Refrigerator—the choice of people who've had experience!

For The Ladies: A Diet That Really Works

We went out visiting the other night and the ladies were talking away about weight-reducing diets. One of them had a special "15-day Hollywood diet" guaranteed to slim her down fifteen pounds' worth. Another was living on bananas and skim milk!

I might have known the missus would get the bug, too, and sure enough the other day she asks me, "Joe, what kind of a diet do you think I ought to go on?"

"Mother," I says, "the only diet I would ever recommend to anyone is simply moderation. I wouldn't

trust any of those get-thin-quick diets. Simply cut down on desserts, bread, butter, sweets and fats—but when you do, even do your cutting down moderately."

From where I sit, moderation is the watchword. Moderation with food, with smoking or with the enjoyment of a friendly glass of temperate beer or ale. Actually, moderation adds to the enjoyment of just about anything.

To Hold Clinic For Cerebral Palsied Children August 15

The Cerebral Palsy Treatment Center will hold a clinic for the examination of cerebral palsied children on Monday, August 15. Dr. Charles B. Sadler, Amarillo and Dr. E. T. Driscoll of Plainview, will examine patients.

The Treatment Center, which was opened August 23, 1948, is sponsored by the Lubbock Crippled Children's Society and the Lubbock Rotary Club. To date 188 cases have registered at the Center for care. Children and parents report to the Center once or twice each week for care where the child and parents are taught an exercise program to carry out at home.

At present the Center is housed in a building at 1317 Tenth Street and plans are underway for the construction of a new Center. Over \$45,000 in money and \$5,000 in equipment have been donated. An additional \$5,000 is needed to assure the full cost of the building. The new building, construction of which will be started within a few weeks, will provide facilities for a speech therapist, an occupational

E. S. GEE FALLS 17 FEET; SUSTAINS SPRAINED ANKLE

E. E. Gee, 33, was admitted to the Payne-Shotwell Hospital Saturday afternoon suffering from injuries received when the scaffold on which he was working, broke, and let him fall to the ground, a distance of 17 feet.

Workmen were employed in the erection of a new burr pit at the Littlefield Cooperative Gin when the accident happened.

Gee sustained a badly sprained left ankle in the fall. He is getting along nicely.

INJURED IN AUTO-TRUCK ACCIDENT

W. H. Brown was admitted to the Littlefield Hospital Thursday night, suffering from minor injuries, including shock, sustained when the pickup he was driving was in collision with a Chevrolet sedan on Highway 51, in front of the rodeo grounds a short time before.

When he was taken to the hospital he was unconscious. Much improved Saturday he was released.

therapist, a physical therapist, two treatment rooms, a waiting room, a functional training room, storage space, etc.

Cerebral palsy is a condition which may be present from birth or may be caused by childhood diseases as whooping cough or measles, or by head injuries. Under treatment many of these children improve to the extent that they can care for themselves, attend school and become employable. There is no known cure for cerebral palsy at this time and the aim of treatment is to obtain the maximum improvement possible and to teach the child to live with his handicap. Treatment begun at an early age is most effective.

Parents interested in bringing children to the clinic on August 15, are requested to register the child at the center at some time before the clinic date. Further information may be obtained by contacting Dr. Esther Snell, Director of the Treatment Center, 1317 Tenth Street or by calling Lubbock 6541.

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry; irregular habits; improper eating and drinking—its lack of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache; headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

Sudan Editor Named Delegate American Legion Convention

Otto Shuttlesworth was named commander of the Sudan American Legion post at a recent election meeting.

John Wicker was named vice commander for the coming year. Other new officers include Preston Hawkins, post adjutant; Harold Close, finance officer; Doyle Watkins, historian; Noel Lumpkin, service officer; Noel Parish, chaplain; Adrian Martin, sergeant-at-arms.

Preston Hawks was named delegate from the Sudan post to the state convention of the Legion, to be held in Fort Worth, August 4-6. Alternates chosen were John Wicker, Marlet Harrison, Joe Smith, Billie Robinson, Nolan Parish and Charlie Stark.

The new officers were installed Monday night.

Mrs. Martha Slate Passes Away

Mrs. Martha Slate, mother of L. E. Slate of Sudan, passed away Thursday morning at the Mercy Hospital in Iowa City, Iowa. Mrs. Slate was 80 years of age and would have celebrated her 81st birthday on August 2nd. Her home was in New English, Iowa.

Mrs. Slate had visited her son in Sudan on many occasions and was well known to most Sudan residents. Her death was attributed to a heart condition contracted following an accident in which she fell and broke her hip some time ago.

Mr. and Mrs. L. E. Slate, who had returned only the day previous from a vacation trip in New Mexico to await word of her condition, left immediately for Clouis, where they will leave by rail for Iowa to attend services for Mrs. Slate.

Beauty by Chrysler

The Beautiful Chrysler | Silver Anniversary Model

NEW YORKER CONVERTIBLE SEDAN with Prestomatic Fluid Drive* Transmission... Drive without shifting.

Beauty In Appearance! Every clean, lovely line has purpose and meaning. Beauty that is useful is the Chrysler idea. A striking line of chrome along the fenders may please your eye; but it's there to act as a rub rail. Behind each detail of Chrysler design there's a story of common sense and imagination in engineering.

Beauty In Comfort! A chair at home is beautiful if fine design gives it grace and comfort. Chrysler chair-height seats have this kind of beauty, too. Perfectly proportioned for comfort, they seat you at the proper height to see the road and to enjoy your drive. Comfort that has beauty through fine design—that's the secret of Chrysler engineering and the relaxing pleasure of driving a Chrysler.

Beauty In Performance! You know what we mean the moment you feel the smooth response of the great Spitfire High Compression engine. With Prestomatic Fluid Drive Transmission, driving is wonderfully easy. Start in third, a slight lift of your toe takes you into cruising range. You rarely touch the gear shift lever. A few minutes in this car gives you pleasure it would take a book to describe. Phone for a demonstration today.

Something New Has Been Added

The sides of the Buick Roadmaster convertible have been further ornamented with a functional sweep spear molding which starts as a triangular section just ahead of the front wheels and extends through the door panels to the end of the rear fender, adding beauty and protection along the length of the car. The convertible, with sweep spear available at extra cost is now in production with Buick-pioneered Dynaflo transmission as standard equipment.

Attends Oklahoma Baptist University Jamboree

SHAWNEE (Special)—Miss Arlene Packwood, Box 1224, Littlefield, Texas was among the 130 high school seniors and graduates who attended the first annual June Jamboree at Oklahoma Baptist University, Shawnee, Okla., June 27-July 1.

Purpose of the Jamboree was to acquaint prospective students with colleg life in general and especially with life at OBU as well as to let them get over the newness or 'fright' which besets college freshmen during their few days on the campus.

Conferences during the Jamboree consisted of workshops in several fields; personal conferences regarding vocational choices, auditions and special instruction in voice, piano,

organ, band instrumental music; try-outs and coaching in sports; entertainment and recreation.

Fourteen scholarships amounting to \$2920 were awarded during the conference to outstanding students. The awards were based on performance, scholarship and achievement and ranged in value from \$50 to \$610.

Palo Duro Canyon Is Setting For New Western Picture

"Palo Duro Canyon State Park has been discovered". Only this time Hollywood discovered it rather than Spanish explorer Coronado.

Discovery of a new natural background suitable for outdoor movie drama is as important to film makers as the discovery of a new star. Hollywood still remembers the awed reaction of screen audiences at seeing weird Monument Valley where "Stagecoach" was photographed and Death Valley in the silent film "Greed".

Predictions are that Palo Duro Canyon will become a major scenic attraction after audiences see it in the technicolor film "Thunder in the Dust". Palo Duro Canyon, a geological wonderland of many colors, is a Texas State Park near Amarillo, Texas.

The "discovery" of Palo Duro Canyon came through color photos taken there by Juan LeMay, 70-year-old father of producer Alan LeMay. The elder LeMay showed the pictures to his son who later explored the Canyon with producer George Templeton. The producing team then wrote the script of their outdoor drama to place it in the actual locale of the Canyon. The story is laid in 1900 and deals with a cattleman's war.

Producers LeMay and Templeton took players Robert Preston, Robert Sterling, Chill Wills, Cathy Downs and John Barrymore, Jr., to Palo Duro for scenes. The entire picture was shot in the vicinity of the Park.

Technicolor experts had nothing but praise for the vivid colors and rugged surroundings in Palo Duro. "Thunder in the Dust" will be released in March, with the premiere in Amarillo.

About People You Know

Mrs. J. J. Bolton, who underwent surgery at the Payne-Shotwell Hospital, is doing fine, and was released and went home Friday.

Rhenard McCary, Alvin Webb, Al Chambers and Panny Farmer enjoyed golf at Lubbock Friday.

Rickey Hopping, who fell on a piece of tin and cut his right arm badly about two weeks ago, in which a leader was severed and it required 14 stitches to close the wound, was able to have the cast taken from his arm Friday, and he is now going about as usual.

Mrs. C. T. Taylor spent Friday at Lubbock visiting her son and daughter-in-law Mr. and Mrs. J. W. Taylor, and young son, James Richard, who was born at the West Texas Hospital in that city, Wednesday of last week.

Mr. and Mrs. E. A. Bills returned Friday night from a week's vacation trip to Santa Fe and Las Vegas, N. M.

Mrs. Alfred Diersing was admitted to the Payne-Shotwell Hospital Saturday for medical treatment.

Mr. and Mrs. Pryor Hammons returned Friday from a ten-day vacation at Tres Ritos, N. M.

F. W. Lichte left Friday for Leavensworth, Kans., where he was joined by his brother, John Lichte, and they left on a fishing trip to the Ozark Mountains in Arkansas. They will be gone three weeks.

A. L. Hood was admitted to the Littlefield Hospital Friday, suffering from a stroke of paralysis. He has been in poor health for some time, and has been suffering from high blood pressure. Previous to entering the hospital he was confined to his bed a week.

A. L. Legg was admitted to the Payne-Shotwell Hospital Thursday for medical treatment. He is reported to be somewhat better.

J. B. Wilson of Brittain, Okla., is spending a few days with his sister and brother-in-law, Mr. and Mrs. Dee Chapman and family.

Mr. and Mrs. John Connell of Carlsbad, N. M., spent the week end in the

home of Mr. Connell's parents, Mr. and Mrs. J. I. Connell. They were accompanied to Littlefield by Dickey Hopping, who had been visiting a week at Carlsbad.

R. L. Drake, who has been suffering from injury sustained when his horse threw him about two weeks ago, improved, was released from the Payne-Shotwell Hospital Saturday.

J. E. Chisholm, Jr., operator of Chisholm's Floral, and Elvis Hestand, also connected with Chisholm's, returned Friday from attending the Texas State Floral Convention at Fort Worth. The headquarters were at the Texas Hotel.

Miss Dot Williams, who underwent a hip operation at Mayo Bros. Clinic, at Rochester, Minn., and has been a patient there for the past three months, has returned to her home here. She believes the operation is a success. Miss Williams will be obliged to walk on crutches about six months, and then go back to Mayo's for a checkup.

Bruce Faust, aged 10, son of Dr. and Mrs. F. B. Faust, who sustained a broken left arm when he fell from his bicycle about 10 days ago, is doing nicely. He had his arm put in a cast at the Payne-Shotwell Hospital, and was a patient a couple of days, but is now at home and getting along fine.

Miss Patsy Heinan returned home Friday after visiting her sister and brother-in-law at Stillwater, Okla., for the past six weeks.

Misses Nina North and Gladys Wagner, LeRoy Holberg, W. C. Chapman and Johnny Adkins went to Carlsbad Caverns, Carlsbad, and White City, Sunday of last week. It was the first trip through the Caverns for all except W. C. and Johnny. An interesting trip was reported by all. They met James Lee West, formerly of Littlefield, now living at Winters. James Lee and some friends were also visiting the Caverns.

Mr. and Mrs. Lloyd Adkins and Mr. and Mrs. Allen Austin of Oklahoma City, visited in the home of Mr. and Mrs. Phil Adkins recently. Lloyd is a

brother of Phil Adkins, and will be remembered here as he made his home in Littlefield with Mr. and Mrs. Adkins in 1937 and 1938. They planned to visit the Carlsbad Caverns, El Paso, Juarez, The White Sands National Monument, Cloudcroft and Ruidosa before returning home. If time permits they will stop again in Littlefield on their way back to Oklahoma City.

Mr. and Mrs. Tommy Adkins visited in the homes of their parents, Mr. and Mrs. Phil Adkins and Mr. and Mrs. R. M. Yarbrough, Sunday of last week. They went back to Brownfield Sunday night with Mr. and Mrs. Lloyd Adkins and party. Tommy has been transferred to Roswell, N. M., and left Brownfield Tuesday. He is with the United Geophysical Co. His wife has been employed at the Southwestern Telephone Co. at Brownfield, but does not expect to work for a while after moving to Roswell.

Mrs. R. E. Rucker, Sr., and daughter, Louise, visited in the home of their son and brother, R. E. Rucker, Jr., and Mrs. Rucker last week end. Mr. and Mrs. R. E. Rucker Sr., were long time residents

of Littlefield. They are now living near Whitesboro, Texas. Mrs. Rucker reported that Littlefield looked fine to her and she would like to be back here.

Rose Lee Hemphill, daughter of Rev. and Mrs. Lee Hemphill, returned home after spending four weeks with her grandparents Mr. and Mrs. E. C. Nix, at Seminole, Texas.

A BETTER TRACTOR OIL BY THE CLOCK!

60, 70 HOURS... BY THE CLOCK. You can't expect longer, safe working life from ordinary tractor oils. With additional use, they may "break down," and fail to give your motor the protection it needs.

100 HOURS... BY THE CLOCK. You'll get thirty to forty hours longer safe working life with many of the higher priced tractor oils. But there's one oil - VEEDOL TRACTOR OIL - that gives you even more! Because it's made 100% from Bradford-Pennsylvania crude oil. This "naturally better" oil gives your motor a longer lasting "Film of Protection."

YES VEEDOL
 KEEPS RIGHT ON FOR A FULL 150 WORKING HOURS

- SAVING FUEL... by reducing power blow-by.
- SAVING TIME... by avoiding breakdown delays.
- SAVING REPAIRS... through greater resistance to heat and wear.
- SAVING OIL... good for a full 150 hours between changes in gasoline fueled tractors; cuts oil consumption in all tractors.
- SAVING THE TRACTOR... with the famous "Film of Protection" that assures long, economical service.
- 100% PENNSYLVANIA AT ITS FINEST
