M. and Mrs. Robert Lee Burdett Jr. (Photo by Taylor)

Sandra Anderson Is Bride of Robert L. Burdett, Jr.

Mr. and Mrs. Robert Lee Burdett, Jr., left for a wedding trip to Corpus Christi, following their wedding tonight at the First Baptist Church. The Rev. H. D. Bennett officiated at a double ring ceremony read at 8 p.m.

The former Miss Sandra Earlene Anderson is the daughter of Mr. and Mrs. L. L. Anderson and Burdett's parents are Mr. and Mrs. R. L. Burdette of Goldthwaite.

Baskets of white gladioli and pink stock highlighted a background of greenery, and 42 pink cathedral tapers added to the setting. Pink satin bows and greenery marked the aisles.

Miss Kay Hoelscher, pianist, accompanied Bill Brewer who sang "Because" and "I Love You Truly." A 20 voice choir from the Anton High School Choir, under the direction of Brewer, sang "The Lord's Prayer."

Wears Traditional White

Anderson gave his daughter in marriage. Her wedding gown, an original model of white imported Chantilly-type lace over net and tulle, was fashioned with a bouffant floor-length skirt of tulle, with a fully-shirred yoke of lace, appliqued in an elaborate pattern at the lower hipline. The fitted lace bodice had a long torso waisting with a point at center front and long sleeves ending in points over her hands. The portrait neckline was framed with scalloped lace, accented with iridescent sequins and seed pearls.

A tulle of iridescent sequins and seed pearls secured a silk illusion veil. Her white Bib's was topped with a cascade bouquet of white roses and stephanotis.

Mrs. Don Brazil was matron of honor in a waist-length gown of pink mist tissue tulle designed with a fitted bodice and bouffant skirt with a side pouff and folds cascading to the hemline. The bodice had brief sleeves and a portrait neckline of folds.

Similarly gowned in a lighter tone of pink were the bridesmaids Miss Brownie Mitchell, Abilene; Miss La Jean Fort, Lovington, N. M.; and Miss Claudette McLarty.

Carry American Beauty Roses

Each bride attendant wore a hat of shirred pink tulle attached with seed pearls. Their flowers were American Beauty roses with ivy.

Miss Joyce Braker and John Burdette, brother of the bridegroom from Goldthwaite, were candlelighters, while Marcia and Melody Inglis of Tulsa served their aunt as flower girls.

James H. Burdette, Lubbock, was his brother's best man, and Ronald Lambeth, Don Brazil and Johnny Bass of Portales, N. M., seated guests.

Bridesmaids bouquets and a three tiered wedding cake decorated the serving table at the reception held in the church parlor. A table cloth of shirred net over pink satin was used.

In the house party were Miss Kathy Flordan, Miss Sharon Couch, Miss Phyllis Cakley, Miss Bertha Wegie, Mrs. James H. Burdette, and Mrs. Bob Jensen.

For traveling the bride wore a charcoal suit of silk and cotton with white accessories and a white corsage of roses.

Burdette was graduated from

KAT'S KORNER

Hi folks — Just four more days until the Senior play! The long-awaited production is nearly here. Last Monday the whole cast, stenographers, policeman and everyone began to put the finishing touches on "The Night of January 16th," and ticket sales started that night. The tickets for either the Monday or Tuesday performance, can be purchased from any member of the Senior class.

A special matinee Sunday afternoon will be given for the Senior class members only. They have to put their stamp of approval on the play before the public can see it you know.

You can certainly tell contest is just around the corner if you go to the Band Hall these days.

Mrs. Doc Bowman Is Party Honoree

FIELDTON — Mrs. Doc Bowman was honored with a surprise birthday party at the home of her parents, Mr. and Mrs. Wayne Cowen.

Games of dominoes and ping pong were enjoyed.

Refreshments of cake and ice cream were served to the honoree and her husband, and Donna, Mr. and Mrs. Carlton Bowman and Judy, Mr. and Mrs. Vic Reynolds, Mr. and Mrs. S. W. Cowen and Bob, Mr. and Mrs. Clarence Black, Larry and Elaine, Mr. and Mrs. Donald Cowen, Mr. and Mrs. Bobshort, Danny and Glenn, Mr. and Mrs. Wayne Cowen.

see ensembles of every type and description just practicing away like mad. Contest is in the air.

Speaking of contest! The Speech class had tryouts for their one-act contest play Tuesday and Wednesday mornings. The play is "The Prettiest Girl in Town," a very clever human interest play about a mistreated cousin who blossoms into the star of the show at the end.

Attention Girls! Get your parents primed for the shock and get your dating licenses bought. Next week is Twirl Week!

You know the one week in the year that a girl can be assured of a date. It's my favorite week of the year.

During Twirl Week the Student Council is also sponsoring West-Turn Day for all you dudes and Kiddie Day for all the grown-up high school students, especially those Seniors.

The Choir is getting "in the groove" in a real way. Last week they made their record with RCA Victor and now they have really settled down to work on their contest material. Contest for them is on March 23 and that isn't very long off.

Teen Town was something I would have hated to have missed. It was really swell. The Moon-gloves played and they had a hot contest. It's getting better all the time.

"Old Man Deadline" is choking me to death—So I'll see you at the Senior play.

No Deadline For Veterans

AUSTIN — There is no deadline for participation in the Veterans' Land Program, Land Commissioner Earl Rudder said Friday.

"As long as a man is a Texas veteran and money is available to operate the program," Commissioner Rudder added, "he may participate. Of course, a veteran may use the program only one time."

Commissioner Rudder said that his statement was prompted by numerous enquiries that the Veterans' Land Board had received about a time limit.

Thornton Arrested For Liquor Charge

James Thornton, Littlefield Negro, was charged with transporting beer Monday, according to County Attorney Curtis Wilkerson. Thornton was arrested south of Amherst following a chase with Deputy Sheriff Elson McNeese. One case of beer was in the car at the time of the arrest.

Thornton was released under \$1000 bond.

Car Tag Sales Unusually High

With less than three weeks to go until the deadline on new car tags, a total of 3943 1957 tags have been sold, 436 of them last week. At this time last year 2269 tags had been sold out of a total of 7607 for 1956.

Officials were unable to say whether this indicates more tags will be sold for the year 1957 or not since new cars tagged do not always stay in the County.

Total receipts for 1956 were \$53,234.52. Receipts thus far for 1957 are \$33,707.29.

Texas Now Produces Over 100,000,000 Broilers Annually

COLLEGE STATION — Texas broiler producers for the first time last year produced more than 100,000,000 broilers. Production has grown by leaps and bounds during recent years and leaders of the industry feel that the time is "ripe" for recognizing the accomplishments which have made this phase of the poultry industry an important source of income.

While detailed plans cannot be announced at this time, F. Z. Beanblossom, extension poultry marketing specialist and general chairman for the observance, reports that also working to make the Nacogdoches meeting on May 31 Nacogdoches meeting to be remembered June 1 one long to be remembered. Attendance for the occasion is expected to reach 15,000. Highlights of the Texas Broiler Festival will be the selection of a "Tex" level will be the selection of a "Tex" as Broiler Queen, a "Tex" broiler barbecue, the awarding of many prizes, the presentation of an outstanding entertainment program and speakers of national reputation. Saturday, June 1, says Beanblossom, will be the big day. A giant parade through downtown Nacogdoches will start the day's activities and the Queen's Ball will conclude the festivities.

The Texas Broiler Council is backing the effort with assistance from every segment of the industry and those related to broiler production. "It is a special effort to spotlight the importance of the broiler industry to Texas both from the standpoint of production and consumption," says Beanblossom. "Consumers," he adds, "today are getting the finest broilers that have ever been available and at very reasonable prices, and at very reasonable prices. Consumption has increased with production, but there is much work yet to be done in making consumers aware of the value of this wonderful food product, and we hope the Festival will help accomplish this objective," says Beanblossom.

He suggests that Texans circle the dates on their calendars and start preparing now to be on hand for the 1957 Texas Broiler Festival.

"Take my word for it, Mister, you need a shine."

More Fish Before Fishing
Amos Ward, energetic manager of the local C. R. Anthony store, is planning a fishing trip to Old Mexico with another couple next Saturday for about a week. He's so durned "worked up" about the trip, and how many fish will be caught, that it's the only thing he talks about. Five will get you ten he catches more between now and Saturday than he does during the week's fishing.

Thanks Les For Catching It
In last Sunday's County Wide News a terrible mistake was made concerning the amount of surplus "dough" the city had. We stated the figure of \$8,000,000 — it should have been \$8,000. We sure regret making a mistake of this magnitude and are grateful to Les Hewitt for calling it to our attention.

Maybe Skill — Not Luck
A few days ago Ken Wilemon who was visiting at the Mackey Greer's came running up to the house to enter the door. He did. The only thing wrong was that upon approaching the entrance, his foot slipped, throwing him forward, resulting in his arm and upper torso, not too gently breaking the glass. He's just been living right, I guess — there wasn't a drop of blood shed, just a bunch of frayed and shattered nerves from the adults.

Caged Layer Clinic Set For March 27, Texas A&M

COLLEGE STATION — The usual method of managing egg producing poultry flocks is continuing its rapid expansion in Texas. Dean Wormell, extension poultry husbandman says, that the number of cages in use has increased from 275,000 in 1933 to 1,647,000 in 1956.

Because of the great amount of interest in the method and the numerous problems encountered by producers, Wormell says the cage clinic offered as a means of bringing to all concerned the latest available information on the subject. The clinic will be held in the Memorial Student Center on the Texas A & M College campus on March 27. It is being sponsored by the School of Agriculture in cooperation with the Texas Agricultural Experiment Station and Extension Service.

The morning session will commence at 9 with the final number on the program is scheduled for 4 p.m. Speakers generally will come from the sponsoring groups but other, scheduled include Harry Koenig, feed consultant of Houston; W. J. Moore, Eazmeier-Sheriff Hatchery, Bryan; D. F. King, Head of the Department of Poultry Husbandry, Alabama Polytechnic Institute and Jim Marr, Ralston-Purina Company, St. Louis. According to Wormell, Professor King is a pioneer in the production of eggs in cages in the South and is co-author of a book, "Keeping Chickens in Cages."

Major subjects up for discussion include "Future Opportunities for Texas Egg Production; Maintaining Egg Quality; Pullet Replacement Management and Cage Layer Management." Topics listed under Cage Layer Management include fly control, cage layer feeding, culling cooling cage houses and financing cage egg production. Such topics as pullet growing and feeding systems, cost, performance and frequency of pullet replacements and maintenance of the health of caged birds will be discussed under Pullet Replacement Management.

Wormell says that persons interested in knowing more about cage layer operations have a special invitation to attend the clinic.

Dimmitt Girls Captures Class AA Basketball Crown

By J. D. TRULY

The Dimmitt Bobbies captured the girls' Class AA crown with a 73-62 triumph over Wellington in the Regional I basketball championships Saturday night in the Texas Tech Gymnasium. In Class A, Ropesville won over Hale Center, another South Plains representative, 71-45.

In semi-final games, Ropesville whipped McLean, 60-45 and Dimmitt dropped Winters, 68-53. Both Ropesville and Dimmitt will compete in the state tournament which starts Thursday at Austin.

Dimmitt jumped off to a great start early in the game and at one time led by 17 points. At the end of the first period, the score was 25-12 in favor of Dimmitt. The Bobbies maintained their lead in the second quarter and even increased their lead by one point as the score was 39-25 when the teams left the floor at the end of the first half.

Wellington caught fire in the third quarter and at one time they closed the gap to only eight points. Dimmitt, however, widened the margin and at the end of the third period they again led by 11 points and a 55-43 lead.

Twenty Teams Play In Volleyball Tournament

By J. D. TRULY

The Student Council Adult Volleyball Tournament got off to a great start in the opening round of play. Twelve men's teams entered and eight women's teams. Play is divided into two 12 minute halves and the team that is ahead at the end of the 24 minutes of play wins.

The players on the teams entered in this tourney are from all walks of life: teachers, church groups, grocery clerks, local clubs, and many other various jobs. Each player and spectator is charged 25 cents admission. The money is to be spent to send the student council delegates to the state convention at Galveston. The convention begins March 28 and runs through March 30. The members of the student council making the trip are Gerald Zybara, Charles Duval, Carrol Caldwell, Larry Cox, and their sponsor, Mrs. Kestner and her husband.

In the opening night of play, the Pep men dropped Levelland Piggly Wiggly, 30-10; the Lions defeated the Rotary club, 38-8; the Whitharral Boys eased past the Gold Bricks of Whitharral, 24-22.

In girls' play, the Pep women routed the Levelland Piggly Wiggly, 35-10; and B-Cetts blasted the Furious Fighters, 62-7. The highlight of the last women's game was a performance turned in by Joan Horn, as she served 14 straight points.

The second night of play saw the remaining first round games. In the men's division, the B-C Pump Company scored 22 points in the last half to beat the Littlefield teachers, 32-14; the Methodist Mutters slipped past the Morton Men, 25-22 and the Davis '66' Oilers smashed the Jaycees, 27-14.

The women's division saw the Whitharral Exes romp past the Whitharral Gold Diggers in a one sided contest, and the PZA women conquered the Amherst

backed up by Chester with 12 and Kay McAteer with 11 points. Roberts was the high scorer for Hale Center with 19 points and she was backed up by Karrah with 13 points.

Roy Shires and Manager Frenchy Quimett

Wrestling Fued Continues At Sport Arena Saturday

One of the most famous of all wrestling feuds (in the Panhandle territory at least) will be renewed at the Littlefield Sports Arena next Saturday night and promoter John Ussery had to do some high-powered wrangling to get the match booked ahead of Lubbock.

Professor Roy Shire and his obnoxious little manager French Quimett, formerly Bobby Wallace, will return to town to tackle rough Dory Funk in the main event. A little over two years ago the two (Shire and Funk) got into a collection of hassles that rang throughout the Panhandle and rough plains and had every arena in the Panhandle area stacked to the rafters.

Fans have been begging promoters all over the Panhandle to persuade Shire to return to renew his wars with the blond rancher from Hereford. Shire finally has consented to return to this territory after wandering all over the North American continent in a tour that kept him in Canada by popular demand for over six months.

Quimett, a sneaky, baby-faced looking manager of Shire will resort to any means of trickery he can think up to keep the Professor from meeting with defeat. Wrestlers must always be off-balance when wrestling Shire as they keep an eye peeled for Quimett who may sneak into the ring at any time to help Shire when he's in trouble. Fans who have seen a Funk-Shire battle won't want to miss it. And those who haven't have surely heard of these tremendous battles and won't want to miss the renewal of the feud. It's booked for the best two out of three falls with a one hour time limit.

VFW To Pay Entry Fee For Pony League

At the regular meeting of the John Henry Chapman Post of the Veterans of Foreign Wars Monday night, the local members voted to pay the entry fee for the newly organized Pony League.

Upon joining the National Pony League, four teams will be required to pay an entry fee of \$7.50 each. As the deadline for entry is March 15th and the Pony League sponsors are not certain yet, the VFW will send the \$30.00 to National Headquarters for the Littlefield League.

In making the donation, the VFW urges all clubs, businesses and citizens to get back of the Pony League and get the new park started.

THE BIBLE SPEAKS

BY DR. KENNETH J. FOREMAN

Background Scripture: Matthew 21:12
Devotional Reading: Isaiah 55:1-2

Highest Command

Lesson for March 17, 1957

WE ALL live by authority of some kind. When some one says, "Do this!" we do it—willingly or unwillingly, but we do it if we can. If a man says, "I wear no man's collar, I do as I please, I am my own authority," a close observer can often perceive that the man is fooling himself. He may have certain habits, certain appetites. He may be one whom Dorothy Parker describes: "Some men cannot pass a bookstore." It may be books, or liquor, or fishing tackle, or women—something says with compelling voice to this boastful man, "Come!" and he loses no time coming. Sometimes the man who brags most of his own freedom is the man who is the most willing slave.

Dr. Foreman

Who is in Charge Here?
Consider some of the many bosses of the human race. One authority whose voice is loud in the land is the "Voice of the People." Some politicians live by it. A politician will split the weak in telling the world what a low-grade rat his opponent is; but then the opponent beats him in the primary, and the politician sings another tune. "The people have spoken," he says; and turns around to support the very man who he had just been saying was hardly fit to be dog-catcher. Others again regard the law as the highest command. In their eyes, law can turn right into wrong or wrong into right. But the law is a human thing; any good lawyer will admit that there is a gap between what the law commands or permits, and what is morally right. Law tries to catch up with morals; it never creates right or wrong.

Money Talks

Others again find their highest authority in money. Some will admit it, some will not. But whenever you find a person making all his decisions in the light of the one question: "What will make the most money?" Or, "What will cost the least?" then you know that for that person the last word is with the cash account. One form of this authority is business. If it's good for business it's good for the country. In the name of this authority many practices are advocated which are definitely not good for the people who make up the country. For many other persons, the highest command is the voice of the one who is most loved. In times gone by, it might be the King's Favorite. In our more democratic era, individual citizens may take their wife's or husband's word as the last word. Or—to take one more type, for a vast number of persons the highest authority is their Church. Some people even think the church cannot make a mistake!

Jesus, Lord of All

For the Christian, however, his highest command is that of Jesus Christ. The voice taken when a person is confirmed, or joins the church, professes, "I believe in Jesus Christ for my Lord and Savior." "For my Lord." If the word means what it was intended to mean, it means that above all other authorities is His. All these other commands have their place; but his is supreme. In a great corporation, there are many persons with authority; but only one President. No decision at lower levels is valid if it conflicts with the policy the President has laid down. So there are situations where the money question is decisive. There are other situations in which a political party's decision, state or platform may be decisive for the party worker, — and so on. But if decisions on these lower levels come into conflict with what we may call the policy of Jesus, then those lower decisions must give way. In Jesus' lifetime He challenged every authority that confronted him. He was responsive to authority within proper bounds (as when He paid taxes or when placed on oath in a trial) but even over the church, even over the inspired Law. He claimed that right. The sensible Christian does not claim for Jesus what He did not claim for himself. He did not set up to be an authority on forms of government, financial affairs or farming. But He did lay down certain great principles founded in the will and nature of the heavenly Father.

Featured speaker at the first annual meeting will be the Honorable James L. Whitten, Mississippi Democrat who is chairman of the powerful House Agriculture Appropriations Committee.

The Democratic congressman will discuss cotton legislation in the Federal government. Title of his talk is "The Farm Problem".

Congressman Whitten has played a major role in present cotton legislation and he was an active fighter for the present cotton export and a program at competitive prices. He has long been interested and active in cotton legislation.

In discussing his talk in Lubbock, Whitten said he believes there should be no acreage restrictions for cotton producers and that farmers should be supported only on their domestic sales and that they should be permitted to plant all the cotton acreage they wish for sale on the world market.

Whitten has been on opposite sides of the fence with Secretary of Agriculture Benson as he believes Benson's policy of lower prices has not increased the domestic consumption market in this country.

In addition to Whitten's ad-

dress of the Monday annual meeting, W. O. Fortenberry, President of the Plains Cotton Growers, Inc., will make his annual report, a financial report of the organization will be made, and George W. Pfeifferberger, Executive Vice-President, will tell the membership of 1957 plans of the organization.

Directors of the Plains Cotton Growers, Inc., met last Wednesday in Lubbock and completed final plans for the annual meeting. The meeting place was changed to the Fair Park Coliseum, East of Lubbock, in order to serve a free barbecue lunch at noon.

Directors said after their Wednesday meeting that the first year for the Plains Cotton Growers, Inc., could be considered nothing but a successful year and reports to be made to the general membership Monday will show the tremendous progress made by the organization during its first year.

All members who can possibly attend are urged to be at the first annual meeting, Monday.

Orphan Home Retires Friday

LUBBOCK — A 71 year old lady who has been mother to 3200 neglected and dependent children during her lifetime said goodbye Friday afternoon to the home for needy children which she established in 1926.

Mrs. Lillian T. Milam, founder of the Milam Children's Home of Lubbock was honored at ceremonies dedicating the home which was recently turned over to the Buckner Benevolences, an agency of the Baptist General Convention of Texas. An engraved bronze

plated baby's shoe, which was once worn by one of the hundred's of babies cared for by Mrs. Milam, was presented to the little gray-haired lady by Dr. E. L. Carnett, President of Buckner Benevolences and Dr. Vernon Shaw, field representative, as a token of appreciation for Mrs. Milam's devotion to homeless children.

Dr. J. Ralph Grant, pastor of the First Baptist Church of Lubbock and chairman of the Benevolence Committee of the Baptist General Convention of Texas, spoke at the dedication service. He assured the more than 200 persons present that Texas Baptists would carry on a program in the finest tradition of the past. "Milam Home for Girls will continue to be in our midst as an institution of service," he said. "We have an obligation to perpetuate the best of the past and an op-

portunity to expand for greater service in the future."

Dr. E. L. Carnett explained that the Milam Home for Girls, which has just recently been redecorated and renovated, would provide a specialized service for homeless teen-age girls. "Society is cruel to girls," he said. "Girls don't get another chance as often as boys. We hope to change this with the new Lubbock home." Carnett praised the people of Lubbock and the West Texas area for their cooperation in establishing the new program.

A letter from John Winters, Executive Director of the State Department of Public Welfare was read by Carnett which said, "There will be no objection on the part of the Welfare Department to opening the Milam Home in Lubbock under the general pro-

visions of your charter."

Plans for the future development of the home call for three more dormitories to be constructed to care for approximately 50 girls. "We don't want to stop building as long as there is a need," said Lewis M. Stickney, business manager for Buckner Benevolences.

Mr. G. P. Kuykendall, former chairman of the board of directors of Milam Home paid special tribute to the years of unselfish service given by Mrs. Milam. He likened the home to a tree. "A tree is a thing of beauty. Mrs. Milam plowed the ground, planted an acorn, nurtured the sapling and reaped it along until it became strong and began to bear fruit. Let's not let it die," he said. Kuykendall said that Milam Home was a Lubbock institution and would continue to be under

the leadership of Texas Baptists. Supervisors of the new facilities which will care for 15 teen-age girls are Mr. and Mrs. C. D. Hamilton, former religious education director of the Calvary Baptist Church of Lubbock.

Milam Home for Girls is one of six child caring institutions sponsored by the Baptist General Convention of Texas. These homes now care for 1,026 needy children, at a cost of more than one million dollars per year.
