Dimmit And New Deal Will Play For Title Here Friday Afternoon

Littlefield will be host to the New Deal and Dimmitt high school football teams in their bi-district play-off game. The two Class B champions of their respective districts will meet in the Wildcat Stadium here at 2 o'clock Friday afternoon. Decision to play the bi-district title game in Littlefield was made at a meeting of representatives of the two schools in Plainview Monday night. Invitations were presented by Littlefield, Plainview and Dimmitt.

The vote to play in the Littlefield high school stadium was unanimous. New Deal wrapped up the District 4-B crown in its final game of the season, downing Hale Center, 19-13. Dimmitt hung up the District 3-B title after finishing in a three-way tie with Olton and Sujan. The co-champions drew lots to determine the loop representative. Each team finished the season with one defeat. New Deal racked up nine wins in 10 starts, the lone

defeat being a 12-7 setback to Olton, 25-12, and tied Tulla in its 10-game schedule. The game will be played under the joint sponsorship of the Littlefield Chamber of Commerce and the Littlefield schools. Tickets will be on sale at the usual places at \$1 for reserved seats for either students or adults and at general admission prices of \$1 for adults and 50 cents for students. The season record of the two teams against common foes point

to be a hard-fought, even struggle for the bi-district crown. Both teams played Olton and Hale Center and both lost to Olton by about the same margin and both defeated Hale Center in a like manner. The losses to Olton were the only ones suffered by either of the two teams the entire season. Large rooting sections are expected from both competing cities to be in Littlefield tomorrow afternoon to cheer their favorites on.

Downtown Littlefield assumed a festive, Christmas air this week as the city preened itself for the visit here tomorrow afternoon of Old Santa Claus in person. Strings of multi-colored lights and garlands of silvery streamers festooned Phelps avenue for the beginning of the Christmas season. The silvered decorations suspended across the city's main business thoroughfare imparted a spirit of Christmas cheer and a hearty welcome not only to the old saint of childhood himself but also to all others who come to Littlefield in the pre-Christmas season to inspect the fine stocks of Christmas gifts and other seasonable merchandise on display in the stores here.

Parade Starts At 5 P. M. Santa was due to arrive in Littlefield at 5 o'clock tomorrow afternoon, which will make it a Friday to remember in the hearts of hundreds of boys and girls of this city and surrounding area. Santa in making arrangements with Manager Bob Crowell of the Littlefield Chamber of Commerce and the two co-chairmen of the Littlefield Chamber of Commerce and Jaycees joint Christmas committee for his visit here told them he wanted to greet every boy and girl in this entire area as he rode through the downtown section in the parade that has been planned for his arrival. The jolly old saint will be escorted at 5 o'clock tomorrow afternoon in a parade down Phelps Avenue by the Littlefield high school band, directed by Don Hayes. The parade will start from the postoffice promptly at 5 p. m. Mr. Crowell said. Leaves Reindeer Behind The guest of honor will not bring his reindeer and sleigh to Littlefield on this trip, but will ride (Continued on Back Page)

Last Rites Held For Widely Known Olton Resident

Funeral services for Mrs. Miry Daugherty, widely known Lamb county pioneer, were conducted Sunday in the high school auditorium at Olton, her home since 1911. The funeral was the largest service ever to be conducted in Olton, with more than 200 relatives from all parts of the county among the large number of those who attended to pay their last respects. The services were conducted by the Rev. W. D. Wilt of the Claude, Texas, Reorganized Church of Latter Day Saints, of which Mrs. Daugherty was a member. He was assisted by the Rev. Aubrey White of the Olton Methodist Church. Burial was in the Olton cemetery under the direction of the Lemmons Funeral Home of Plainview. A great number of friends and relatives were present from Plainview. (Continued on Back Page)

Fifty-two PMA community committeemen for Lamb County were elected in the annual voting which closed November 27. County delegates also elected on the same ballots met in Amherst Wednesday to choose three county committeemen to serve through 1951. (Continued on Back Page)

Visitors From 37 Counties Expected At Littlefield Flower Judging School

CROWNED—Miss Jeanne Hill, Littlefield high school junior, who was crowned 1950 Wildcat football sweetheart at the annual football banquet Tuesday night at the Youth Center. The grid banquet was the first function in the new center.

Garden clubs visitors from 37 counties are expected in Littlefield next Tuesday and Wednesday for the Flower Judging School, No. 2 at the Youth Center sponsored by the Littlefield Garden Club. Two national flower show judges from Dallas will act as instructors at the two-day school, which will open with a registration at the center at 9 o'clock Tuesday morning. Mrs. Harry Williams, club chairman, said Wednesday. The instructors will be Mrs. Charles Steinager and Mrs. John Solois. Tuesday morning lectures will be devoted to "Horticulture" and those Tuesday afternoon to "Flower Show Practice." All of Wednesday will be devoted by the two nationally known flower judging experts to flower arrangement for the school demonstrations. Mrs. W. B. Little is general chairman for the school for the sponsoring Littlefield club. In attendance both days of the school will be Mrs. Albert Morrow of Morton, garden counselor for this district, which embraces the 37 counties to be represented at the school.

Yuletide Lighting Contest Planned

The Littlefield Garden Club again will sponsor a home Christmas lighting contest in the city this year. Mrs. Harry Williams, chairman, announced Wednesday. Rules for the contest and the various classifications will be drafted next week, she said. Prizes this year probably will be inscribed ribbons in the various classifications, the committee decided at a preliminary meeting this week.

Irrigation Threatened By Proposed Water Code, Users Group Attorney Asserts

Rights now vested in property owners to the underground water beneath their lands may be jeopardized if one proposal in the preliminary report of the Texas Water Code Committee is allowed to stand unchanged, Arthur P. Duggan, Jr., attorney for the High Plains Water Conservation and

users Association, said Wednesday in outlining objections of the association to some of the code proposals. The recommendation cited by Mr. Duggan would revise a proposed constitutional amendment introduced in the State legislature last year, which if adopted

with the code committee's new recommended change, would place ownership and control of underground water resources with the state, without compensation to the property owners in whom the water rights are now vested. The constitutional amendment as originally introduced dealt only

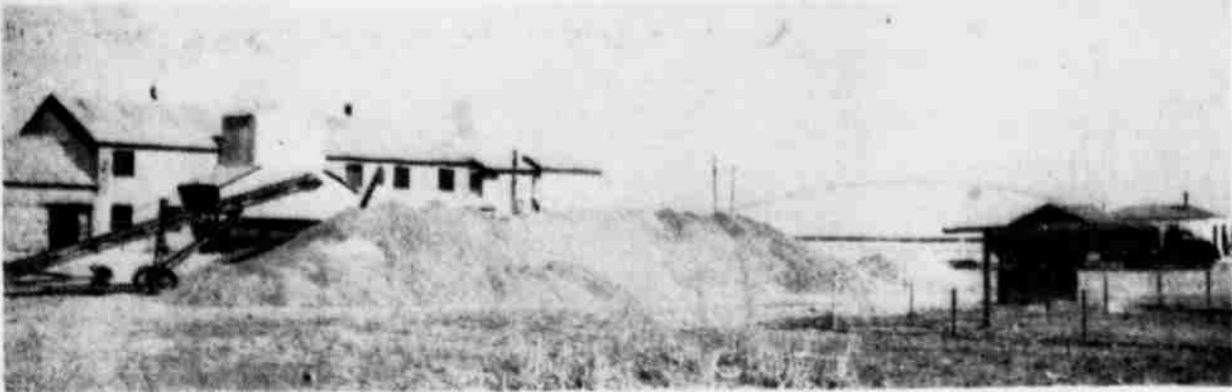

with surface water and did not attempt to place underground water under state control, Mr. Duggan said. Farmers' Water Threatened If the underground water rights should be taken away from the property owners and transferred to the state it could mean that

priorities already established by the state might result in the denial to farmers of water for irrigation, he said. This would mean a tremendous loss in farm property values all over the plains where irrigation now is practiced, he said. (Continued on Back Page)

HUGE GRAIN CROP FLOODS LAMB COUNTY ELEVATORS

INLAND GINYARD PILED HIGH—More than 1,000,000 pounds of grain sorghum are piled on the ground at the Oklahoma Flat community near the Lamb-Hockley county line.

BIN RUNS OVER AT LITTLEFIELD—Here is a typical picture of the grain storage. Elevator is full, steel tank bin is full and grain spills over the side. The picture was made at the Porcher Grain Co. at Littlefield. The white grain at the left is milo.

WAREHOUSE SPILLS OVER—A large warehouse soon filled up and the surplus grain had to be piled on the ground in this picture, taken at the Doggett Grain Co.'s warehouse site north of Littlefield. (Photos Courtesy Lubbock Avalanche-Journal)

COMPLETE GATHERING CROP

Jay Phillips and "Shorty" Leonard of Spade report that they have about completed the gathering of their cotton crop; that they should finish about Monday. They report that their crop is only turning out about two thirds of what they expected, but that the good price of cotton is bringing brings up for some of the loss.

VISIT AT GOREE

Mrs. Gladys Houk and Charlotte and Dwayne Jones visited her mother, Mrs. E. J. Jones; and her brother, Phillip Jones at Goree over the Holiday. Mr. Jones is convalescing in a wheel chair from the effects of polio, and is reported to be improving.

250 Pay Tribute To 1950 Wildcats

About 250 persons gathered at the Youth Center Tuesday night for the annual banquet honoring the 1950 Littlefield high school Wildcats football team, co-champions of District 4-A.

The banquet marked the unofficial opening of the new Center. Formal opening of the new facility is planned at a later date.

A feature of the evening's entertainment was the coronation of Miss Jeanne Hill as 1950 Football Queen. The blue-eyed brunette, queen, a senior in the school, is the daughter of Mr. and Mrs. L. L. Hill of Littlefield.

Escorted by Dickie Hopping, star tackle on the 1950 squad, she was crowned by Gene Renfro and Bobby Cox, team co-captains.

Betty Lee Clement, vice-president of the Pep Squad, was mistress of ceremonies, while Robert Rutledge was toastmaster. Songs by Bob Irby and a sextette were well received.

In charge of planning the event were the following chairmen: Garland Anzeline, room decorations; Jeanne Hill, equipment; Mary Jane Coen, seating and placecards; and Artie Sue Wesley, crown bearer.

Area Lutherans To Meet Monday

E. C. Jacobs, national president of the Lutheran Layman's League, will address representatives of all Lutheran congregations of the South Plains, including members and friends of Emmanuel Lutheran's Men's Club who will gather at Redeemer Lutheran Church in Lubbock at Avenue W, at 22nd Street this coming Monday night, December 4, beginning at 8 p. m. Object of the visit is to give the national Lutheran Layman's League president an insight into conditions in the Panhandle. He will also seek greater support for the program of the L.L.L. among the congregations of this area.

The national Lutheran Layman's League sponsors the broadcasting of the International Lutheran Hour, heard weekly over KVOW, Sunday at 8:30 p. m.

Church of God Youth Rally Here Highly Successful

The West Texas Youth Rally was held at the Littlefield First Church of God beginning Wednesday night, Nov. 22, with a challenging message delivered by the Rev. J. R. Hale of Cordell, Okla.

The services began Thursday morning at 8:15 o'clock with a devotional by the Rev. Tommie Tucker of Hobbs, N. M., followed by a series of talks on the theme "Go Make Disciples," by Mrs. G. R. Harrington, of Bob Spring, Charles Bair of San Angelo and Miss Lois Seals of Abilene. These short talks were a great inspiration to all.

Then at the 10 o'clock services the Rev. John Meyer of Sweetwater was the main speaker of the day. His message was also on making disciples.

At the noon hour a Thanksgiving dinner was served in the basement of the Methodist Church to about 117 delegates. The menu consisted of roast chicken, giblet gravy, cream potatoes, green beans, cranberry sauce, candied potatoes, vegetable salad, celery and pickles, cake and jello, and coffee to drink.

In the afternoon a very interesting Talent Hour was enjoyed by every one, with Rev. G. R. Harrington of Big Spring as chairman of the service. As an example of going and making disciples Rev. J. R. Hale gave a brief report on the new work at Amarillo, Texas.

A short business was held and San Angelo was the winner of the banner by having the largest number of delegates and mileage.

The next rally will be held in Abilene, Texas May 30, 1951.

Amherst Man Sells Bulls for Mexico

Two truckloads of yearling bulls were delivered recently by T. V. Murrell of Amherst to Roger Sanford of Cleote, Mexico. The yearlings were taken to Del Rio where Sanford distributed them to several Mexican ranchers.

Prior to the outbreak of hoof and mouth disease in Mexico a few years ago, Sanford shipped approximately 400 head each year. Now that the disease has apparently been checked and the ban on shipment of Mexican cattle to the United States is likely to be lifted, Mexican ranchers are said to be again seeking Texas bulls.

Miss Connie Hopping Wins Band Sweetheart Title at Texas Tech

MISS CONNIE HOPPING

Miss Connie Hopping of Littlefield was introduced to the Texas Technological college student body as the 1950 Band Sweetheart in a colorful ceremony during halftime activities of the Tech-New Mexico "I" game Saturday.

Miss Hopping is the daughter of Mrs. J. W. McGuire, of Littlefield.

Dr. D. N. Wiggins, presented Miss Hopping with a large bouquet of roses as he introduced her to the "I" game. She was accompanied by her two attendants, Miss Diane Wimberly, Galveston, and Miss Katie Atkinson, Midland.

During the occasion, the 120-piece Red Badge band formed a large heart and played "Let Me Call You Sweetheart" while Kenneth Cox, fielder drum major from Lubbock, escorted their queen and her attendants to the center of the formation.

The American Institute of Elec-

trical Engineers and the Institute of Radio Engineers sponsored the sophomore home economics education major for band sweetheart.

Identity of the sweetheart, chosen from a field of 27, was kept a secret until the announcement resumes. Judges for the contest were Culver Hill, advertising director for Hemphill Wells company; Rollin Herald, of Herald states; and Winston Reeves of Reeves Photo.

Miss Wimberly was sponsored by the College Club fraternity and the geology club sponsored Miss Atkinson.

Kappa Kappa Psi, honorary band fraternity, and Phi Beta Sigma, honorary band sorority, conducted the contest. Committee members were: Bill Reiss, Dorman Glenn Burleson, Lubbock; Gerald Hise, Lubbock; Gerald Atkinson, Pasadena; and James Wallace, Photovision.

Nurse Tells How Hadacol Was So Helpful To Her

Supplied Vitamins B₁, B₂, Iron and Niacin Which Her System Lacked

—elements so vital to help maintain good health and physical fitness.

Why These Vitamins and Minerals Come In Liquid Form

There's a very good reason why HADACOL comes in special liquid form. These precious Vitamins and Minerals are more easily and quickly absorbed into the blood stream this way—ready to go right to work. A big improvement is often noticed within a few days.

Don't Be A "Doubting Thomas"

After reading Mrs. Adele's wonderful experience with HADACOL—how can you doubt that this great new nutritional formula will help you if your system lacks Vitamins B₁, B₂, Iron, and Niacin?

What HADACOL did for Mrs. Adele, it can do for you if you're troubled with aches and pains in the shoulders, legs, and arms, certain nervous disturbances, insomnia when due to an upset stomach, stomach distress and a general run-down weakened condition due to such deficiencies.

So what are you waiting for? Don't you see that HADACOL is the kind of product you need—the kind you should buy and the kind you should start taking immediately!

Sold On A Strict Money-Back Guarantee

HADACOL even helps build up the hemoglobin content of your blood (when iron is needed) to course through your body, carrying these great health-building elements to every body organ. No wonder HADACOL helps you feel wonderful!

Be fair to yourself! Give yourself a break if you have such deficiencies! Why continue to drag yourself around—a burden to yourself and your family—when relief may be as close at hand as your nearest drugstore if you suffer a deficiency of Vitamins B₁, B₂, Niacin and Iron. This great HADACOL is inexpensive, too—costs only a small amount a day. Trial size, only \$1.25. Large family or hospital size, \$3.50. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana.

© 1950, The LeBlanc Corporation.

Mrs. Jennie Lee Adele, 412 N. 27 St., East St. Louis, Ill., a nurse, says she wishes she had found out about HADACOL sooner because since taking HADACOL she feels so good. Mrs. Adele was suffering a deficiency of Vitamins B₁, B₂, Niacin and Iron which HADACOL contains.

Here is Mrs. Adele's own statement: "I have been a nurse for over 14 years. My food never seemed to agree with me. I heard one day how so many folks were being helped because of HADACOL. I tried it and after 3 bottles I could tell a big improvement. Now I eat anything I want—sleep well and I am full of energy."

Why HADACOL Gives Such Fine Results

HADACOL does not bring just symptomatic relief. HADACOL now makes it possible to actually relieve the cause of aches and pains in the shoulders, legs and arms, certain nervous disturbances, and a general run-down weakened condition due to deficiencies of Vitamins B₁, B₂, Niacin and Iron in your system.

HADACOL not only supplies deficient systems with extra quantities of Vitamins B₁, B₂, Iron, and Niacin but also helpful amounts of important Calcium and Phosphorus

Irrigation—

(Continued From Page 1)

The amendment also would authorize the legislature to tax irrigated lands to create a fund for the building of dams and other conservation plans for surface water which would bring no return whatsoever to the plains underground water users, he said.

The effect would be to undo all we have accomplished in underground water use and conservation in the plains area in the last three years," he said.

Earlier Bill Defeated

He referred to the successful mobilization of High Plains farmers three years ago when they defeated a bill in the legislature to give title and control of underground water to the state and to subsequent passage in 1949 of House Bill 62, "The Underground Water Conservation Law," which incorporated all the farmers' ideas about title and control to the ground water.

The present law hinges on two points. First, it declares that the water under his land belongs to the individual owner and its use cannot be allocated or taken away. Second, the law lays the framework for organization of underground water conservation districts run by locally elected boards, and assigns districts the powers of conserving, preserving, protecting and recharging the underground water reservoirs over which they have no jurisdiction.

Some progress has been made toward organization of districts on the High Plains, but since August when the important first step of designating reservoir boundaries was taken under administration by the State Board of Water Engineers, no further action has been possible.

Elections Are Delayed

"We'd be holding elections to create districts right now if we knew what the boundaries of our districts are," Dugan said.

In fairness to the board, he pointed out that they lack funds to obtain maps needed to complete their survey on ground water resources. In its report, the code committee recommended that the jurisdiction for creation of ground water districts be conferred solely on the State Board of Water Engineers, deleting the powers of the county commissioners court.

Under the present law the commissioners courts may call elections to create county districts, since the state board has jurisdiction over elections creating multi-county districts.

Tells Area Need

"What we really need," Dugan said, "is an amendment to allow us to create districts along county lines instead of following the lines of the underground water reservoirs. If it was a function of the commissioners court, we'd be holding an election right now."

Dugan also pointed out that the code committee's definition of artesian wells is "ambiguous enough to include not only the Plains," that could bring irrigation wells under the meaning of stringent regulations now on the state law books but not being enforced at the present time.

Value of the High Plains water resources has been figured at \$500 million from the real estate angle alone. Water suitable for irrigation is found under three million acres of farm land on the Plains and the water rights are valued at an average of \$100 an acre. More than 15,000 wells are scattered over the area.

Sudan Children Will See Old Santa In Person in Parade There Dec. 12

Santa Claus and his reindeer will visit Sudan Tuesday, December 12, it was announced by the Sudan Chamber of Commerce.

The jolly old saint in his bright colored sleigh will parade the streets of that city at 10:30 o'clock on that date. It was announced.

Arrangements for the reindeer and the sleigh were made by the chamber through Grady Carothers of Goldthwaite, who with Jack Allen of Borger now is in the Arctic collecting the animals.

Decorations of the downtown streets in Sudan for the Christmas season was to start this week and all was to be in readiness by the time of Santa's arrival.

down the street atop the city fire truck. All along the route he will toss candy from a huge bag to the children who turn out to see him.

A score or so of Santa's helpers will walk alongside the truck and on the sidewalk to distribute candy to the smaller children who are too small to mingle with the others.

Final plans for the visit by Santa were reported at a meeting of the Chamber of Commerce directors Tuesday morning at the Hays Coffee Shop by the co-chairman, Frank Anzeline and Ernest Connel.

Guest at the meeting were Mr. Anzeline of the Jaycees, Supt. of Schools Joe Hutchinson and Arthur Dugan, attorney for the Plains Water Users Assn.

After the parade Friday afternoon Santa will remain in Littlefield as long as possible to greet his little friends and hear their Christmas requests, Mr. Crowell said. However, any child who does not get to see him can tell his or her parents what is desired for Christmas and Santa will hear about it, he said.

Littlefield WOW To Elect Officers

The Littlefield WOW Lodge will meet in regular session at the Legion Hut Thursday night, December 7, when officers for the ensuing year will be elected.

George Hine, State Manager, of Abilene, will be present; and it is urged that all members attend this important meeting.

Merle Beard is Counsel Commander of the Littlefield Lodge.

Legion Sponsors Democracy Day

A committee to publicize "Operation Democracy Day," December 7, has been appointed by Commander Harry Crowley of Richardson New Post of The American Legion.

Members of the publicity committee Crowley announced are V. L. Hofack and Wayne Butler.

Previously Russell Todd was named general chairman of "Operation Democracy Day," the state-wide plan to show the people's faith in our institutions—religious, educational and governmental.

The Legion asked ministers and congregations of all churches in the city have been asked by the local Legion Post to take part in the "Go To Church" program on the eve of "Operation Democracy Day" in a community-wide demonstration of how faith in God and faith in Democracy go hand in hand.

School children of Littlefield will share in the "Operation Democracy Day," according to Commander Crowley.

At 2 p. m. "Operation Truth" is slated for the friends of education. A guest speaker will address this public meeting on education with a subject selected to emphasize that Democracy teaches the truth for truth's sake.

"We want every man, woman and child in Littlefield to be a part of this second observance of this great state campaign December 7 to state up the strength of Democracy. With this competent group named on the publicity committee, I feel sure that this will be accomplished," The American Legion Commander said.

Last Rites Held—

Amherst, and Dr. Randolph Brantley of Angleton, Texas, a dentist.

The surviving sisters are Mrs. Jack Yarbrough and Mrs. E. L. Sobovajsa, both of the Amherst district.

Mr. Brantley died in his sleep in his home early Saturday morning. Mrs. Brantley was away from the home at the time sitting with an ill friend at the Amherst Co-Op hospital.

It was the younger boy, Jimmie, who discovered his father in death.

He went to the hospital to tell his mother he couldn't awaken his father.

A physician called to the home attributed the death to a heart attack.

Burial was in the Amherst cemetery under the direction of the Lee Payne Funeral Home of Amherst.

School Holidays To Start Dec. 20

The Christmas holidays in the Littlefield schools will start Wednesday, December 20, at 12 o'clock noon, Principal Troy Arnes announced Wednesday.

Classes will be resumed at the regular time the morning of Tuesday, January 2, he said.

State Association of County Officials Elects Judge Dent

Judge Otha Dent of the Lamb County Court was elected president of the Texas County Judges at the annual meeting in Austin, Tuesday.

Judge Dent was not expected to be back in Littlefield until today and was not available for comment on the election or the meeting.

Other officers elected were Leonard Gardner of Hill county, vice-president, and George Prouse, Nueces, secretary and treasurer. Corpus Christi was selected for next year's convention.

The association adopted a resolution calling on the state legislature to hike natural gas taxes to pay for rural roads and another asking for a truck loading bill which would compel on-the-spot unloading of overloaded trucks.

Among resolutions adopted were: Requests to the legislature for an assistance program for the needy in each county.

Approval of a four-year term for all elective state and county officials instead of the present two-year term.

A plan by which each county would pay \$50 annually for maintaining a "legislative committee" office in Austin to keep a check on bills before the legislature.

A request to the state legislature that a larger portion of the state auto tax be allocated to county general funds.

Ministers Issue Call To Prayer

A call to prayer to the entire community was sounded Wednesday by the Littlefield Ministerial Association.

In view of the gravity of the world situation the ministers in a special called meeting Wednesday issued an appeal to all church members and all other peace-loving people to go the church of their choice Friday morning to offer prayer "in this crucial hour of our nation."

Canadian River Bridge Discussed

Lamb County Commissioners and the Littlefield Chamber of Commerce continue their efforts to secure construction of a Canadian river bridge at Clear Lake.

Judge Otha Dent and other members of the County Commission Sunday for Austin in the highway Department meeting with D. C. Greer, chief of the Texas Highway Department.

The session, which was Tuesday, was attended by representatives of the 16 counties in the Clear Lake region, the Dallas County in the Texas area.

Scout Campaign Shows Progress

The Boy Scout fund drive in Littlefield and the other communities in the Yellow River district is progressing very favorably, D. E. Walker, district commissioner, reported Wednesday.

"The solicitors are meeting gratifying response and they go," Mr. Walker said preliminary reports indicate campaign will fill our requirements."

Reports of the various campaign workers in the district are not expected to be turned in until the last of the week.

Members of the association arranged for to be open tomorrow morning from 9 until 10:30 o'clock for with everyone cordially to attend.
