Funeral Services To Be Conducted At 7 P. M. Today

Was Flight Instructor
For Breedlove Aerial
Service At Lubbock

Lynn W. (Cotton) Dobbs, 35, of Littlefield, Flight Instructor for Breedlove Aerial Service, and a pre-flight cadet of the 309th College Training Detachment at Texas Tech College, were killed between 2:30 and 3 o'clock Tuesday afternoon when, on a routine flight, their plane crashed five miles southwest of Lubbock.

The name of the cadet will not be announced until confirmation has been received of notification of parents of the victim. The body of the cadet is at a funeral home in Lubbock.

Details of the crash were not known and a War Training Service inspection board will investigate the accident.

The crash occurred on a routine five-hour check flight given pre-flight students by the Breedlove service under contract with the government. Each pre-flight student is given preliminary dual flight instruction at Lubbock preparatory to regular Army aviation cadet flight training.

Being a Mason of long standing, Flight Instructor Dobbs will be buried with all Masonic honors Thursday evening.

Funeral services will be conducted at the First Methodist Church, Littlefield, at 7 o'clock, with Rev. C. Frank York, pastor, officiating, assisted by Rev. J. H. Sharp, former Littlefield pastor, but now pastor of San Jacinto Methodist Church, Amarillo.

Acting pallbearers will be the fol-

J. G. Singer Suffers Serious Injuries In Fall Monday

Sustains Four Broken
Ribs, Numerous Bruises
And Internal Injury

J. G. (Jimmie) Singer, lineman and plant man for the Southwestern Telephone Company, was admitted to the Payne-Shotwell Hospital about 4:30 o'clock Monday afternoon suffering from serious injuries received when he fell a distance of about 20 feet off a telephone pole, in front of Circle Store, near the Hobbs Gin.

One of his spurs is reported to have given way, letting him down. Sheriff Sam Hutson, Les Barker and Herbert Dunn, returning to Littlefield from Court at Olton, had passed Circle Store, but hearing an unusual noise, and seeing people rushing out of the store, they stopped to investigate to find the accident. Sheriff Hutson and Mr. Barker brought Mr. Singer to the hospital, while Mr. Dunn drove the Singer car here.

Dr. I. T. Shotwell of Payne-Shotwell Hospital reported that Mr. Singer is suffering from four fractured ribs, numerous bruises, sprained right ankle, and internal injuries. Although not regarded critical, his injuries are serious, and Dr. Shotwell said in his opinion it would be necessary for him to be confined to the hospital several weeks.

He was reported as resting nicely Wednesday.

P. F. WILLIAMS IS ELEVATED TO HEAD OF LITTLEFIELD SCHOOLS

Will Assume Duties Sometime During Month Of August

Four New Teachers
Elected To Teach
Intermediate Grades

At the regular meeting of the Littlefield School Board Monday night, P. F. Williams, Principal of Littlefield High School, was elected to the Superintendency for the coming year, taking the place of Supt. F. A. Hemphill, resigned.

Mr. Williams will assume the duties of the Superintendent sometime during the month of August.

Mr. Williams holds a B. A. degree from Howard Payne College, Brownwood, Texas. He came to Littlefield in January of this year from Poth, Texas, where he had served as Superintendent of Schools for about a year and a half.

Mr. and Mrs. Williams have three children, two sons and a daughter, aged 9, 10 and 11, all in school here.

In addition to electing a Superintendent, at Monday night's meeting, four teachers were elected to teach

Temperature Here Reaches 108 Tues.

The highest temperature in two years for this area was recorded in Littlefield Tuesday when the thermometer at the West Texas Gas Company rose to the high point of 108 degrees around 6 o'clock; 74 was reported low for the day.

Last week the highest reached was 107.

The readings for the week were: Thursday, low 66 and high 95; Friday, low 68 and high 92; Saturday, low 66 and high 94; Sunday, low 66 and high 98; Monday, low 72 and high 107; Tuesday, low 74 and high 108; and Wednesday, low 70 and high 96.

Lucy Shore Is Parachute Checker At Corpus Airbase

Yeoman 3rd Class Lucy Shore, 20, daughter of Mr. and Mrs. B. B. Shore of Littlefield, enlisted in the WAVES January 4 at Lubbock, when she was working as a typist for the Army.

When her fiancé, an Army flyer, was killed in action in the South Pacific, she decided to join the WAVES. She enlisted in a big recruiting drive with the Texas Blue Bonnet Squadron; and after spending six weeks training at Hunter College, Bronx, New York, she took advanced training at Stillwater, Oklahoma, for three months, following which she was sent May 10 to the Naval Air Station at Corpus Christi, Texas, where she is now assigned to the Parachute Loft, as a Parachute Checker.

The loft has to know the condition of every parachute, where it is, and where it is going. Keeping that information is part of her job.

Miss Helen White, of the editorial staff of the San Antonio Express, on one of her trips to Corpus Christi, interviewed Miss Shore; and along

with a picture of Miss Shore at her work checking parachutes, this writer published her interview with this local girl in the San Antonio paper, which in part is as follows:

"The reasons the WAVES have for joining this organization are as many and varied as the girls themselves. Heading the list, perhaps, comes the almost universal feeling in the country now that 'maybe I could help out there and do my part to end this war sooner.' To others, this organization offers a way of escape from home cares.

"Lucy Shore, Yeoman 3rd Class, worked for the Army as a typist before joining up. She enlisted in a big recruiting drive with the Texas Blue Bonnet Squadron but had to wait until she was 20 to be sworn in.

"It was hard to convince her family that this was the right step, but now, 'Oh, they're so proud.'

"You know, you don't have time to get homesick even if you wanted to," Lucy explained.

City Reports Good Progress Made In Clean-Up Campaign

Urges On Everybody
To Cut Weeds And
Clean Vacant Lots

Mayor Homer Hall announced Wednesday that good progress was being made in the City-wide clean-up campaign; that most people were doing the best they could, but that they were experiencing delay in some cases, where out-of-town residents own lots, which are still untouched, though neighbors probably in the next lot had cut weeds and grass and cleaned up their place nicely.

Mayor Hall stated the City would appreciate it if those who have not been able so far to cooperate by cutting weeds, etc., would do so as soon as possible, also that out-of-town residents would arrange for the weeds to be cut on their lots and raked to the rear, when the man employed regularly by the City will pick same up and haul it away.

A special feature in this cleanup

Good Prospects For Cotton Crop

Good prospects for a bumper cotton crop are being forecast in this area. With the splendid moisture received earlier in the season, and the hot weather that has prevailed recently, reports are being made by those making trips over the area that prospects for a good cotton crop are much better than at this time last year.

The early feed is reported to be O.K., but some of the late feed is said to be needing moisture.

Jess Elms stated Tuesday that he believed "on the whole the cotton is much better than usual. Prospects are better than last year, and will be a little earlier also. We have some late cotton, but on an average it will be a little earlier than last year."

Dr. Cox To Return Here To Test Cows For Bangs

Due to much interest, Dr. N. A. Cox, Lubbock Veterinarian, will again be in the community sometime next week to test cows for Bangs Disease. So far, 310 head have been tested and several cases of Bangs disease have been found; since this disease is contagious and may cause undulant fever in persons who drink the milk of diseased cows, it is urged that anyone wishing to have their cows tested should contact R. L. King, Vocational Agricultural teacher, as soon as possible.

Deposit Bottle Campaign Now Underway In Texas

A campaign to collect deposit bottles—milk, carbonated beverage and beer—in Texas—is now underway.

It is part of a nation-wide movement to save all materials essential to the war.

There'll be an ample supply of beverages in this vicinity this summer, bottler and dairy groups say, but empties on which a deposit has been made must be returned, and if the bottle has a metal crown it should be returned with the bottle.

The campaign has the backing of merchants, bottlers, brewers and dairymen and its purpose is to turn up milk, carbonated beverage and beer bottles so as to replenish stock.

In launching the campaign, the sponsors made it plain there are enough bottles in this state to take care of their residents' summertime needs if the bottles can be rounded up. The way to put the bottles back to work, sponsors of the campaign say, is for the residents to gather them up and take them back to the point of purchase. Only bottles which can be sterilized and re-used commercially, such as milk, carbonated beverage and beer, are needed. In each case the merchant receiving them will repay the deposit charge on each bottle.

It was pointed out that because the glass industry is now engaged to a large extent in making glass containers for the Army and Navy at home and abroad, the cooperation of the general public in conserving the present stock of bottles is a direct contribution.

The slogan for the campaign is "Return Your Deposit Bottles."

More Caesars To Fold Up

The comparison is odious but Mussolini, the big Italian Fascist, and Jo McWilliams, the little Chicago Fascist, both abdicated on the same day!

In spite of the absurdity of their relative importance there is an affinity between Mussolini and McWilliams, as there is between all Fascists great and small. Both had squeezed all there was out of a political racket. Both were abject failures in the end. Neither had contributed anything to the human scene but misery.

As time goes on more and more Caesars will fold up. The big ones will go because of an inherent inadequacy in their makeup. The little ones will go because their sources of revenues, which stem indirectly from the big ones, will dry up.

When the war ends it will serve a

Quote Of The Month Club:

As early as 1917, Thorstein Veblen, probably the greatest American social thinker, said of Japan and Germany: "These two national establishments are very much alike. So much so that for the present purpose a single line of analysis will passably cover both cases. . . . Both are bent on dominion, and as the dominion aimed at is not to be had except by fighting for it both in effect are incorrigibly bent on warlike enterprise. And in neither case will consideration of equity, humanity, decency, veracity, or the common good be allowed to trouble the quest of dominion. Imperial dominion, in the ambitions of both, is beyond price; so that no cost is too high so long as ultimate success attends the imperial enterprise."

Story Of The Week:

After having requisitioned all food-stuffs in a small French village, a Nazi officer addressed the assembled villagers explaining the importance of the increased working hours imposed. From out of the crowd an old peasant stepped forth and said with a deep bow: "Monsieur, I'd consider it a great honor to work for you day and night."

Pleased, the officer dismissed the crowd, summoned the Mayor of the town, said to him, "Who was that sensible man?"

"Monsieur," the Mayor replied, "that was our town grave digger!"

Production War Going Well

The Production War is going well. The 100,000th plane has come off the assembly line! (The Nazis said Roosevelt was crazy when he set a goal of 75,000 airplanes!) Before the year is over the American fleet will be doubled in size. (Italy boasted that the war would be won before American factories even got in full swing!) Merchant ships are being launched four times as fast as they are being sunk! (The average German is sure that United Nations shipping has been swept from the seven seas!)

useful purpose if a United Nations commission is set to the task of learning how much money was put to work by Hitler and Mussolini in subversive activities. It is estimated that Hitler's anti-noparyan campaign cost the neat sum of \$300,000,000.00 — most of which went abroad to subsidize and organize Copperhead movements. Notable proof is the lessened activities of subversive groups since the war embargo of enemy funds.

Yellow House News

The Yellowhouse Home Demonstration Club met at the home of Mrs. G. G. Wilson Tuesday afternoon, July 27, and enjoyed a picnic.

After playing several games, Dorsetta Wilson rendered a few numbers on the piano, then a picnic lunch was served to the following guests: Mesdames J. B. Haire, Vick, Fred Duffy, Henry Ham, J. D. Lee, Joe Rietman, Mary Ristic, W. O. Jones, Prater, Ralph W. Turner, Tom Ham, C. L. Hanby and the hostess, Mrs. G. G. Wilson; and Misses Lola Jones, Loretta Ham, Dorsetta Wilson, Doris Prater, and Mary Rietman.

The club will meet in the home of Mrs. Vick August 10.

Leon Ham, who has been on the sick list for the past two weeks, left

Wednesday for the mountains for his health, as recommended by his physician.

John Moore received a message Tuesday, July 27, that his wife's uncle had passed away in Colorado City. The family had planned to go to the funeral.

Mr. and Mrs. T. M. Watley and children, J. W., Edith Pearl and Kenneth, are visiting relatives in this community. Mrs. Watley is the daughter of Mr. and Mrs. Tom Ham.

Cpl. A. D. Jones came home for a 15 day furlough Saturday.

Cpl. Jones is the son of Mr. and Mrs. W. O. Jones of nine miles southeast of Littlefield. He has been in service three years and is now enjoying his visit with folks and friends.

Jarold Jones, who is in the Service, and in school at Lafayette, La., writes home that he is really liking his work fine . . . much pleased with everything . . . except the heat, and it is pretty bad.

Lieut. Bill Street, who has been stationed at Camp Cook, Calif., surprised his parents, Mr. and Mrs. W. G. Street, Saturday by wiring them that he was coming home on a 15 day furlough.

Lieut. Street arrived by plane at Amarillo Saturday night, where his parents met him, and accompanied him to Littlefield. They arrived here early Sunday morning.

Mr. and Mrs. John Cary received a letter about two weeks ago from their son, Burl Cary, who is somewhere in New Guinea, saying he was still in the same place, and getting along fine. The letter was written July 10.

Pvt. Joseph Edwin Weaver of Littlefield has arrived at Bradley Polytechnic Institute in Peoria, Ill., to begin a course in basic engineering under the Army Specialized Training Program.

With classes starting August 9, the 400 men assigned to Bradley will study mathematics, physics, chemistry, history, English and geography for three 12-week terms. In classrooms, laboratories and study halls from 8 a. m. to 5:30 p. m. each day they are expected to complete about a year and a half of college work during the 36-week period.

Postmaster and Mrs. W. D. T. Storey returned Monday of last week after spending from the previous Thursday at Fort Sill, Okla., where they visited their son, David, who has been in the Service since May 9, and is connected with the Light Field Artillery. David will complete his basic training in two weeks.

Postmaster and Mrs. Storey also tried to see Cpl. Paul Timmons, who is connected with the editorial staff of the Fort Sill Army News-

paper, but the Littlefield visitors were not able to contact Cpl. Timmons.

S-Sgt. David C. Sevier, son of Mr. and Mrs. E. F. Sevier of Littlefield, arrived Monday on a ten day furlough to visit his parents here.

He is with the Field Artillery, and has been in the service nearly three years. He is stationed at Fort Sill, Okla.

Pvt. Eddie Houk, 20, son of Mr. and Mrs. E. D. Houk of Littlefield, who has been in the service since January, and stationed at Camp Ord, Calif., is expected to arrive home any day on a furlough.

Pvt. Houk was unfortunate enough as to get injured at the Camp, and was confined in the Army Hospital four weeks. He, however, has been released, and is better.

Staff Sgt. E. E. Carter, son of Mr. and Mrs. W. J. Carter of six miles southwest of town, who is somewhere in North Africa, writes his parents that the transportation in that country is some of the cruelest in the world. He says the country is good for growing grapes.

Sgt. Carter says if you want to save money that is a good place to do so, for there is nothing to spend it on. He likes Africa fine, but likes the States better.

He has been overseas since the first of April. He receives the Lamb County Leader, and says he sure does enjoy it.

Sgt. W. H. (Bill) Carter, another son of Mr. and Mrs. W. J. Carter, is stationed at Fort Bliss, Texas. He has been in the Service since March, 1941.

He writes that he likes his work fine.

Pvt. Marvin Dean, son-in-law of Mr. and Mrs. W. J. Carter, entered the service July 24. He is stationed at Fort Knox, Ky., and is with the Tanks Division. He reports he likes his work fine. His wife is making her home with her parents, Mr. and Mrs. W. J. Carter.

Library Gets 32 Additional Books

Miss Lula Hubbard, Librarian, announced Saturday the receipt of 32 new books for the Littlefield Public Library, which included 10 children's books.

These books were all fiction, as Miss Hubbard explained that most people prefer books of this nature in the summer for relaxation.

Littlefield might well be proud of the large library it now boasts, and the great variety of books for use by patrons of this library.

Fall Gardens Should Be Planted In Near Future

Victory gardeners should be getting ready to plant a fall garden, according to S. L. Garrison, Assistant County Agent of the A & M College Extension Service. Before starting to plow the fall garden the weeds should be cut and removed. If they are turned under moulding and heating takes place which dries up the soil and prevents thorough cultivation. Spreading some well rotted summer manure over the surface and plowing under 4 or 5 inches deep will increase the water holding capacity and prevent packing.

Pinto beans and potatoes may be planted up to August 15, while English peas, radishes, stringless beans, mustard, carrots, cabbage, turnips and beets may be planted as late as September 1. A good fall garden will furnish many tasty fresh vegetables and will save the canned vegetables for the armed services and our Allies.

Rubin Wright, about 8, of Anton, had his tonsils removed at the Littlefield Hospital Saturday. He was released Sunday.

Mrs. G. L. Blackshear of Muleshoe arrived Monday for a visit with her brother and sister-in-law, Mr. and Mrs. Jack E. Brannen, enroute to Galveston to spend a month with relatives.

Easley's Cafe Leased By Mr. And Mrs. M. V. Phipps

Newton Case Set For August 23

The Grand Jury met Monday and adjourned that evening.

When Court opened Monday there was on one case on the docket, that of State vs. Dr. and Mrs. J. D. Newton, which was set for Monday, August 23.

Sheriff Hutson reports he has the record of having the biggest term of Court, with the largest number of indictments, and also the smallest Court, that of Monday last, with no indictments, and only one case on the docket. The biggest term Sheriff Hutson mentioned was in February, 1941, term of Court, in which eight were sent to the Penitentiary, and 28 indictments made.

Livestock Losses May Be Avoided

Livestock losses from screw worms can be avoided if farmers will keep a close watch over their animals during the remaining summer months, according to V. F. Jones, County Agent of the Extension Service of Texas A. & M. College.

All animals that have been castrated, de-horned, or branded should be watched carefully as well as new born calves. An economical remedy called Smear 62 has been developed that is very effective in controlling screw worms. This smear not only destroys the worms in the wound, but also destroys eggs and any eggs that may be laid within 48 hours, and also aids the flesh in healing the wound.

Most drug stores carry Smear 62 in stock that is already prepared, but if you prefer to make your own smear the formula may be obtained from the county agent.

Elmer Lewis was ill and confined to his home Friday. His illness was believed to have been caused by the hot weather.

Mr. and Mrs. C. O. Stone and daughter, Carra Lou, spent Sunday in Lubbock visiting Mr. and Mrs. A. Edwards.

Mr. and Mrs. Charlie Harvey left Friday for Pocatella, Idaho, where Mr. Harvey is employed by a construction company. They have spent most of the summer in Littlefield, and have been visiting in the home of Mrs. Harvey's sister and brother-in-law, Mr. and Mrs. Sam Hutson.

Miss Shirley Thurmond returned to her home at Seymour Tuesday of last week after spending six weeks with her aunt and uncle, Mr. and Mrs. Otto Jones.

Mr. and Mrs. Nick Toews returned Tuesday of last week after spending about eight days with relatives at Seymour and Fort Worth. Mr. Toews returned to his duties as manager of Piggly-Wiggly Friday.

Mrs. Jewel Turner was admitted to the Payne-Shotwell Hospital Saturday, suffering from food poisoning.

Bob Cox, son of Mr. and Mrs. W. B. Cox, was unfortunate enough as to break his left arm playing previous to their moving to Littlefield. His arm, however, is progressing nicely towards recovery.

History Of Spade Methodist Church

It was in the fall of 1932 that two M. E. men of the Spade Community saw a vision of a Methodist Church at Spade. They at once went to work to make this a reality.

The old Spade Community building located two miles north and two miles west of Spade was going to ruin for lack of use after the school and Baptist church were built at Spade. These men, H. H. Allen and H. Ramage, saw the possibility of moving this building to Spade and using it for a Methodist Church. They saw the trustees of the Community building and got their consent to move the building and have it deeded to the M. E. people for a church. They began to make a house to house canvass for funds for moving and repairing the building that was henceforth to be known as the Spade M. E. Episcopal Church South.

On Oct. 30, 1932, the Spade M. E. Church South was organized by Brother Joe E. Byrd—at that time pastor of the Littlefield Church—with 36 charter members—one-half of this number came from the Littlefield Church. At the General

Conference in November, 1932, L. F. Fannery was appointed pastor with fourth time at Spade. Gen Gann, J. W. Duke, and H. Ramage were elected trustees at the first Second Quarterly Conference. And E. L. Lansford, J. R. Kuykendale, H. L. Woody and Mrs. H. C. Miller as stewards. At the close of this conference year we had a membership of 47.

Horace Brooks was sent as pastor in the fall of 1933 and the membership grew to 75 and we began to dream and plan for a new church and the Ladies Aid began to raise funds for the same. At the Fourth Quarterly Conference trustees elected were: Ben Gann, J. W. Duke, and E. S. Billings, and stewards were: Roy McQuatters, E. S. Billings, E. L. Lansford, Charley Nixon, Mrs. H. C. Miller, D. P. Childress and James Duke.

C. E. Lynn was sent as pastor for the next conference year 1934-1935 and the membership increased to 95. At the 4th Quarterly Conference J. W. Duke, Mrs. G. M. Vann and Lee Bruce were elected trustees, and C. C. Byers, Roy McQuatters, H. L. Woody, Sam Wright, Mrs. H. C. Miller, and E. L. Lansford were elected Stewards.

In the fall of 1935 Tony R. Q. Dye was sent as pastor and he served us for three years. We had a net increase in membership every year except the last and that year 14 new members were received but the same number moved away and one was claimed by death so we had a net decrease that year, but our membership numbered 122 at the close of this period 1938. It was in 1937 that we really began in earnest to raise funds for our new church. We used nearly every conceivable means—we served sales, had a foot of pennies drive, poverty social and dollar days and other ways too numerous to mention.

The building committee elected at the first Quarterly Conference in 1937 were: H. L. Woody, Roy McQuatters, C. C. Byers, E. C. Hardman, O. D. Brown, J. W. Duke, J. R. Kuykendall, and G. M. Vann. We feel we owe a vote of thanks for the splendid work of this committee and also to the entire community for the financial aid. And to W. O. "Dutch" Higgins who was the carpenter in charge.

When we really started the building in the spring of 1938 we had enough in our building fund plus the sale of the old building and the \$500.00 borrowed from the Church Board of Extension to complete the building. But when we met to have our first worship service in June 1938 we had no place to sit. The building committee thought that chairs or home made benches would mar the looks of the building so they purchased the news and the members who had surplus chairs brought them for anydud eSO-brought them for the Sunday School rooms. It seemed like a staggering amount when we heard what the pews were costing and one-half of this amount had to be paid at their installation. But we met this hurdle as we had the others. In the spring of 1938 our Missionary Society was organized with Mrs. W. E. Bentley as president and we really went to work spiritually as well as materially.

... Waiting to Greet You!

During recent months many new faces have appeared at the teller's windows, and in other departments of this Bank. . . That, of course, is due to the War and the War Effort.

We are proud of what our employees are doing in the service, and gratified at the way our women employees are carrying on. Despite the nerve strain of the War, they are maintaining that personal friendliness and courtesy of the FIRST NATIONAL BANK.

Yes, there's still a smile at the window—waiting to greet our old customers, and the many new ones.

came to us as pastor; again our membership increased during the two years he was pastor. At the close of his pastorate we had 141 on roll. It was during this time that we finished paying for the pews and Brother Howell helped with his means when we were making our monthly payments.

In 1939 the Church became known as the Spade M. E. Church after Writing conference.

In November, 1940, W. M. Culwell was sent as pastor and he, too, was here two years. At the close of his pastorate we had 177 on our church roll. We talked of having a Church Conference and discontinu-

ing names of those who had moved away, but never did; some 27 had moved away. On Dec. 22, 1941, we made our final payment to the Church Board of Extension on the money borrowed.

C. E. Fike came to us in November, 1942. Since his coming five names have been added to our church roll, but several have moved and asked for their church certificates. At present we show 167 on church roll.

Since the church has been organized we have paid our pastors salary in full each year and what we have accepted on benevolences and it has never been necessary for the

stewards to take a list to work.

As Brother Clark has said we are the "free-willers" at Spade. And as Nehemiah said in rebuilding the wall of Jerusalem in Nehemiah 4:6: "for the people had a mind to work" and we might add and sacrifice.

HELP HURRY JOHNNY HOME VICTORIOUS!

Lamb County Residents . . . true West Texans . . . are "carrying on" . . . and they will continue to "carry on" 'til Johnny comes marching home . . . Victorious!

Lamb County folks are buying Bonds and Stamps . . . increasing the production of their farms . . . planting Victory Gardens . . . sewing for the Red Cross . . . and participating in numerous other war-time activities.

And they are keeping their chins up . . . cheerful in the face of the fact that husbands, brothers and friends are far away . . . cheerful despite numerous sacrifices as a result of the war . . . and they are remembering that any sacrifices on the "home front" are as nothing compared to the sacrifices being made

by the men on the battle fronts . . . they have sacrificed everything . . . and many have made the supreme sacrifice.

In June the quota was \$58,400; and Lamb County only purchased \$30,075. In July the quota was \$59,400; and every indication is that we are below our quota for that month . . . so let's make up for it in August . . . and September!

IF YOU HAVEN'T BOUGHT ANY BONDS THIS MONTH YOU ARE URGED TO MAKE EVERY EFFORT POSSIBLE TO PURCHASE AS MANY AS YOUR FUNDS WILL PERMIT. THE HELP OF EVERYBODY IS URGENTLY NEEDED TO RAISE LAMB COUNTY'S QUOTA . . . !

W. B. COX AND C. E. ROSS ESTABLISH LAMB COUNTY TRACTOR COMPANY

W. B. Cox of Big Spring and C. E. Ross of Brownfield have leased the building formerly occupied by the Fields Cleaners here, and are establishing the Lamb County Tractor Company.

They will handle Ford Tractors and equipment and maintain a complete stock of parts, and also operate a service department.

Mr. Cox, who has been district manager and distributor for Ford tractors, and serviced 50 counties in West Texas since the Ford Tractor was first manufactured, will be the manager of this new concern. In an interview Wednesday Mr. Cox said he drove the first Ford Tractor at the first dealers show in Texas, which was staged at Dallas in August, 1939.

The new business will be devoted exclusively to Ford Tractors, equipment and parts, and not the Ford automobile in any way.

Mr. and Mrs. Cox and two sons moved here Wednesday from Big Spring, Texas.

Rail movement of oil to Atlantic Coast territory has reached and passed a daily average of one million barrels, according to a report issued by officials of the Western Railways.

MASS MAILING FINISHED

Approximately 122,000,000 copies of War Ration Book Three had been mailed by the first of last week, OPA announced that: (1) anyone who does not receive his War Ration Book Three should apply at his local board between August 1 and 10; (2) a plan is now being set up to distribute War Ration Book Three to members of the armed services who are eligible for ration books; (3) persons receiving War Ration Book Three should sign their names and addresses in the spaces reserved for that purpose on the cover.

FEWER NEW TIRES

Smaller quotas of new passenger car tires for August and larger quotas of used and recapped tires have been announced by OPA, based on rationing allotments assigned for the month by the Office of Rubber Director. The August quota of Grade I tires is the lowest since last April. OPA officials warned that drivers who are eligible for new tires may have to accept used or recapped types as long as the quota of new tires is low.

Second Sheets at the Leader Office.

A horse and mule census of the States of Texas and Oklahoma is desired by the War Department. In order to cooperate more fully in the war effort, and in order to establish purchasing centers in counties where animals are most numerous, readers of this paper, who are owners of horses or mules are requested to fill in spaces indicated, sign their name, name of the county they reside in, and postoffice address, cut out and mail to the headquarters South Central Remount Area, San Angelo, Texas.

Now Is Time To Vaccinate Says V. F. Jones, Agent

If you have been having trouble in past years with chicken pox in your pullet flock, now is a good time to vaccinate the pullets to prevent that trouble, according to V. F. Jones, County Agent.

It is not advisable to vaccinate for Pox unless you have had trouble in the past. If you had Pox in your flock last year, chances are you will have it again, unless you do vaccinate. While you are vaccinating, also worm the pullets and they will be in good condition to start production in late summer and early fall. Eggs are a good price and we will need all the eggs that can be produced.

TOWN AND FARM IN WARTIME

RATION REMINDER

GASOLINE—"A" Book coupons No. 7, good for four gallons outside the East Coast shortage area, must last through September 21. Within the shortage area "A" Book coupons No. 6 are good for three gallons each. "B" and "C" coupons cut to two and one-half gallons in 12 of the Northeastern states of the shortage area. "B" and "C" coupons good for three gallons in the remaining five states of the Eastern shortage area. All gasoline coupons in the possession of car owners must be endorsed with the owner's license number and state of registration.

SUGAR—Stamp No. 13 good for 5 lbs. through August 15. Stamp No. 14 good for 5 lbs., becomes valid August 16 and remains good through October. Stamps No. 15 and 16 are good through October 31 for 5 lbs. each for home canning purposes. Housewives may apply to their local ration boards for more if necessary.

COFFEE—Ration stamps no longer required.

SHOES—Stamp No. 18 (1 pair) is valid through October 31.

STOVES—Purchase certificates now issued and normally valid for 30 days from date of issuance, will be invalid after August 23, by which time it is expected the new nationwide stove rationing plan will be in effect.

MEAT, Etc.—Red Stamps T and U, now valid, expire August 31; V is valid August 8, expires August 31; W is valid August 15, expires August 31.

PROCESSED FOODS—Blue Stamps N, P, Q remain valid through August 7. Blue stamps R, S, T become valid August 1 and will be good through September 20.

THIRD WAR LOAN DRIVE

Fifteen billion dollars is the goal for the Third War Loan which President Roosevelt has proclaimed, will be launched September 9. In his proclamation the President said, "Our need for money now is greater than ever, and will continue to grow until the very day that Victory is won; so we must ask far more sacrifice, far more cooperation than ever before."

ARMY PHOTO SERVICE GROWS

The Army's radio photo service, which made it possible for the public to see newspaper pictures of the assault on Sicily on the same day the invasion was launched, will be augmented in the immediate future by the same type of transmission from the South Pacific theater, the War Department has announced. Personnel of the U. S. Army Signal Corps, with their equipment, are now in Australia, finishing preparations for the new service.

SUPPLY OF FATS, OILS

Despite heavy wartime demands on the supply of edible fats and oils (principally lard, butter, shortening and margarine), 44 pounds per capita—about 5 pounds less than in 1942—will be made available to American civilians during the 12 months ending June 30, 1944, the War Food Administration has announced. Of the total civilian allocation, approximately 9 ounces per week per capita will be available for direct purchases, and an additional 4 1/2 ounces for indirect consumption in such times as restaurant meals, bakery products, mayonnaise, etc.

COST OF LIVING DROPS

With other living costs relatively stable, a drop in fresh vegetables and butter prices cut the cost of living for city workers by .2 per cent in the month ending June 15—the first month to show a reduction since a year before Pearl Harbor, the U. S. Department of Labor reported recently. Food prices as a whole, making up over 40 per cent of the cost of living index, declined .8 per cent. The cost of living index now stands at 124.8 per cent of the 1935-39 average. Food prices are 45 per cent above January, 1941, and more than 16 per cent above May, 1942.

GAS COUPONS CHANGED FOR TRIPS

Motorists can use their "A" ration books for trips into, or out of, the Eastern gasoline shortage area,

according to rules recently announced by OPA. Since July 21, Eastern motorists have been using "A-6" coupons, while those outside the East have been using "A-7's." To overcome these difficulties in travel "across the border" a new amendment to the Gasoline Rationing Regulations permit "A" ration holders to exchange any of their valid "A"

coupons for other coupons that may be used in the area in which they expect to travel. Exchanges may be made and further information secured at the War Price and Rationing Board.

BINDER TWINE SUPPLY
An adequate supply of binder twine is available for this year's har-

vest of grain crops, the WPR Boarder Twine Sub-Committee has reported. This ample supply has been made possible through the blending of cotton with henquen to produce a new twine which has proved satisfactory.

ren Rutledge, Chief Carpen-

ter's Mate, stationed at Sabine Pass, 14 miles from Port Arthur, in re- gard to the recent storm on the coast, writes home that there was an 18 inch rain in and around Port Arthur, and that the water stood three feet deep in one of Port Ar- thur's streets. It is somewhat higher at Sabine Pass, he reports.

Dennis Cary, James C. Price and Glynn D. Wallace, all of Littlefield, who recently entered military ser- vice, have arrived at the Engineer Replacement Training Center at Camp Abbot, Oregon, to undergo a course in basic training in prepa- ration for duty as combat Engineers.

The training program consists of basic subjects such as close and ex- tended order drill, the manual of arms, rifle marksmanship and com- bat principles, as well as specialized engineering subject—use of tools and equipment, building of fixed and floating bridges, execution of demolitions and construction of roads and obstacles. Soldiers go from here to tactical units or to special training or officer candidate schools.

Cpl. Wm. L. Aldridge left Friday to return to his station at Freder- ick, Okla., after spending ten days here with his wife, and parents, Mr. and Mrs. Wm. J. Aldridge. Cpl. Aldridge is in the Air Corps.

Pvt. Jack W. Yandell, son of Mrs. D. C. Roberts of Route 2, Wil- son, has just recently completed his basic training in the Headquarters Armoured Replacement Training center at Fort Knox, Ky., the special service and public relations of- fice of the center has announced. Pvt. Yandell's training was prepara- tory for combat duty with an Ar-

moured Force unit to which he will undoubtedly be ordered within a short time.

Technical Sgt. Lloyd Schroeder, stationed with the Fifth Ferrying Group ATC, Love Field, in Dallas, underwent an appendectomy July 13, at the station hospital and is recovering nicely.

Sgt. Schroeder is working in the capacity of Sgt. Major at the Base Adjutants Department and was re- cently promoted to Technical Ser- geant.

Sgt. and Mrs. Schroeder, who was the former Miss Ruth Wells, are spending his convalescent furlough at the home of her parents, Mr. and Mrs. Joe Wells.

Herbert Martin, Jr., 18, son of Mr. and Mrs. Herbert Martin, has completed his basic training at Amarillo Airbase, and has qualified for aviation cadet training. He expects to be assigned to a base between now and August 18, according to his father. Herbert, Jr., made high grades on all his tests, according to his Commanding Officer.

Hugo Beyer, A.V.-2, who has been going to school in Shawnee, Okla., has been transferred to San An- tonio, Texas, and is now in the Army Air Force Classification Center. He has been in the service six months. He is now taking tests for cadet training, and hopes to enter pre-flight when he leaves San An- tonio.

A recent graduate of the Kingman Army Air Field flexible gunnery school, situated a few miles outside of Kingman, Ariz., is Earl F. Mc- Cain, 21, son of Mr. and Mrs. Floyd McCain of Route 1, Littlefield.

Sgt. McCain entered the Army at Fort Sill, Okla., on November 17, 1942. He is a former student of Fieldton High School.

As a student gunner at the King- man school, Sgt. McCain went through a ground school course in which he was taught the principles of ballistics, sighting, turret main- tenance, range estimation and air- craft machine guns. Following a protracted course on the gunnery range, where he shot the .22 rifle, shot-gun and calibre .30 and .50 machine guns, he was given two weeks of air firing before being presented with his gunnery wings.

Lieut. M. O. Dunagin, 20, who is now stationed at Montbrook Air Field, Fla., where he is taking gun- nery and navigation, is visiting his

parents, Mr. and Mrs. A. M. Dunagin of Littlefield. Mrs. Dunagin, the former Jean Taylor, is accom- panying him and they are also visit- ing her parents, Mr. and Mrs. P. L. Taylor, 801 College Avenue. A gradu- ate of Littlefield High School, Lieut. Dunagin has been in the ser- vice about two years. He received flight training at Kelly and Elling- ton Fields and his wings as a bom- bardier at Midland on March 11 of this year. He and Miss Taylor were married last fall.

Harold C. Thurman, 18, son of Mr. and Mrs. R. B. Thurman, Route 2, Littlefield, Texas, has completed 16 weeks of training at the Navy's school for machinist's mates at the University of Kansas, Lawrence, Kans., and is now ready for active duty with the fleet or at a shore station. He was given the rating of fireman, second class, upon gradua- tion last Saturday.

The training course stressed me- chanical drawing, shop mathematics, general machine shop practice, and the study of main and auxiliary en- gines used aboard ship. He won as- signment to the school by showing an aptitude for this type of work in a series of tests taken during re- cruit training.

RECORDS MUST BE KEPT ON LIVESTOCK SALES SAYS MANN

Atty. Gen. Gerald C. Mann ruled Saturday that records must be kept by operators of livestock "sales rings" and that officers are entitled to inspect the records.

In the opinion of Director Homer Garrison, Jr., of the public safety department, Mann said inspection of the records describing animals sold is to check livestock thefts.

Another ruling said a person could have but one livestock brand regis- tered to himself.

Dore Stephenson Of Spade Commissioned 2nd. Lieut.

Dore D. Stephenson, of Spade Community, was one of the large number who were graduated from the Altus, Okla., advanced flying school, one of the Gulf Coast Training Centers, Thursday last, award- ing the commission of Second Lieu- tenant, and pinned on his newly-won silver wings, turning his thoughts to the aerial battlefronts of global conflict.

Rogers I Thomas of Muleshoe was graduated from the Lubbock Air- field Thursday last, and commis- sioned a Flight Officer.

Functioning with the clocklike precision, with each four and one- half weeks producing enough fight- ing pilots to devastate many a Nazi munitions center or to obliterate a score of Japanese jungle airdromes, the Gulf Coast Training Center al- ready is concentrating on adding the ultimate refinements to the fly- ing skills of another class which will be graduated in August.

We are Building OUR NEW HOME in a Safety Deposit Box

"Our regular purchase of U. S. War Savings Bonds is building a nest egg that will build our new home after the war.

"We are collecting lots of ideas that we may put into our plans, but one thing we are sure of . . . and that is that our home will be modern electrically, all the way from its unseen adequate wiring in the walls, down to the shiny electric range in the kitchen.

"We notice that our friends with modern electric homes seem to have placed home operation on an almost effortless plane. Cooking is easy . . . there is always enough hot water . . . lamps, radios and electric appliances anywhere because there are lots of electrical convenience outlets.

"In our new home, too, electricity's various services will push the routine of running a home into the background, giving us more time and opportunity to enjoy the real pleasures of home."

Miss Ouida Mae Simpson, graduate of Abilene Christian College; Miss Alma Faye Henry of Texas State College for Women;

Miss Jean Holloman, student of Texas Tech, who taught in Amherst last year in the grades; and Mrs. Parker Gayden of Winters, Texas, elected to teach in the Primary School.

L. M. Brandon was re-employed this year as Superintendent of the Transportation System, and the following bus drivers were elected: Robert Wilson, Tom Smith, C. E. Walker, C. R. Miller, L. T. Dowdy, A. McDonough, C. T. Boriack, F. C. Beyer, and Dock Lichte.

The Board ruled that women would not be used this year as bus drivers. Other communities have been using women drivers.

F. C. Beyer has assumed the duties of Building Custodian for the summer at the Littlefield Public Schools, in place of Carl Walker, resigned.

Allan McDonough Buys Herman West Interest In Shop

Mr. and Mrs. Allan McDonough have returned to Littlefield from Abilene, where they have been for the past several months, and where Mr. McDonough had been barbering at Camp Barkley.

Mr. McDonough, who has been barbering in Littlefield since 1935, with the exception of the short time at Abilene, has purchased the interest of Herman West in the Royal Barber Shop, and took possession on July 1. For sometime he was with the DeLuxe Barber Shop, later purchased by A. A. Webb, and where he continued until he went to Abilene.

Mr. McDonough invites all his old friends to visit him in his new location.

lowing flight instructors from the Breedlove Service, with whom deceased had worked: Quinn Henry, Hal Stansell, Charles Akey, Cliff Dean, Kirk Dean and Jack Henry, all of Lubbock.

The Masonic Lodge will have charge of the services at the grave; and the following will be honorary pallbearers: H. C. Arnold, Quinton Bellomy, Jack Farr, C. O. Griffin, L. C. Hewitt, T. G. Shaw, Jr., T. Wade Potter and Norman Renfro.

The Hammons Funeral Home are in charge of burial arrangements, where the remains lie in state awaiting funeral services.

Mr. Dobbs was born October 3, 1907, at Windom Springs, Alabama. He located in Littlefield in 1926, where he has continuously made his home, with the exception of the past several months that he has been serving as Flight Instructor.

He was employed for sometime by the Texas Utilities Company, following which he was manager of the Crystal Ice Company several years.

He married Miss Lorene Eagan in 1931, to which union were born two sons, Joe and Jeri, now aged 8 and 9 years respectively. She passed away in February, 1936; and in 1938 he married Miss Fleeta Eagan, a sister of Mrs. Lorene Dobbs.

He was in the dry cleaning business in Littlefield for about a year, following which in 1940 he opened Cotton's Cafe, which also serves as a bus station, and which he and Mrs. Dobbs have continued to operate, she managing the same in his absence.

About a year ago he, with a number of other Littlefield business men became interested in flying, and after taking instruction at the local field for sometime, he and a number of other Littlefield men organized the Littlefield Flying Club, of which he was president.

Mr. Dobbs was sworn into the Army Air Corps Reserve Tuesday, October 27, 1942. At that time he had been flying four months, and had a total of 121 flying hours to his credit. He and Quinn Henry were two of five men selected on account of their high grades made on tests, to attend an instructor's school at Dagley Field, Lubbock. After taking this eight weeks' course he was assigned to Kelly Field for advanced training, and later sent to Ponca City, Okla., as a flight instructor, returning to Lubbock on March 1, last, where he has since been serving in a like capacity.

Dobbs is survived by his wife and two sons, Joe and Jeri; his parents, Mr. and Mrs. J.D. Dobbs of Crosbyton; one sister, Mrs. W. E. Weeks of Lubbock; four brothers, Jim and Hallman of Lubbock; Gaines Dobbs of Alhambra, Calif.; and Gene V. Dobbs of Wichita, Kans., all of whom are expected here for the last rites.

Mr. Dobbs had four brothers-in-law in the Service; as well as a nephew, Gilmer (Cotton) Eagan, Storekeeper, 1-C, in foreign service somewhere in the Pacific; Lieut. Buford Eagan of the Air Corps, stationed at Sebring, Fla.; Eldridge Eagan of the U. S. Army "somewhere in New Guinea"; and G. C. Eagan, pharmacist Mate, 3-C, of "somewhere in the South Pacific"; and the nephew is Don Eagan, Yeoman 2-C of "somewhere in the Pacific."

Mrs. Rector Hodds of Amarillo and daughter, Miss Mary Helen and son, Kenneth, spent the week-end with her sister, Mrs. Charles Houk. Mrs. Susie Blackshear of Portales, N. M., visited in the home of Mr. and Mrs. J. E. Brannen and family this week.

Last Rites Held Sunday For Mrs. Raymond Rhoten

Passes Away Suddenly As Result Of Stroke Friday Afternoon

Mrs. Ethel Mae Rhoten, about 38, passed away suddenly at a local hospital Friday at 3:30 p. m. after being confined since noon of the same day, following a stroke of paralysis.

Funeral services for Mrs. Rhoten were conducted Sunday afternoon, August 1, at 3 o'clock at Rocky Ford Missionary Baptist Church, with Rev. J. E. Moore, Baptist Pastor of Circleback, formerly pastor of Rocky Ford Church, officiating, assisted by Rev. Elmer Weathers, present pastor of Rocky Ford.

Interment, in charge of Hammons Funeral Home, took place in the Littlefield Cemetery. Deceased was survived by her husband, Raymond Rhoten; a son, William Edward, aged 13; and a daughter, Bobbie Frances, 11; three sisters, Mrs. Dovie Guthrie of Fort Worth, and Mrs. Phil Bowen and Mrs. Laura Neighbors, both of Springtown, Texas; and four brothers, J. W. Bedford of Boyd, Texas; J. T. Bedford of Springtown, Texas; R. L. Bedford of Weatherford, and Ed Fyke Bedford in Service somewhere in North Africa.

Mrs. Rhoten was born August 8, 1905, at Springtown, Texas. She and her husband moved here in 1934 from Wise County, Texas. He formerly operated a store and service station west of town, near the Weeks-Bagwell Gin, and later operated a store six miles north of town, which he sold and purchased a farm 9 miles northeast of Littlefield about the first of this year, where the family are now living.

Mr. and Mrs. Rhoten were married at Springtown, Texas, March 26, 1922.

Deceased was a member of the Missionary Baptist Church at Rocky Ford.

Pallbearers were: J. J. Cook, J. C. Harris, R. O. Edwards, Bernice Russell, J. W. Hunter and W. W. Strother.

Flower girls were the Junior girls of the Rocky Ford Missionary Baptist Sunday School.

carried out by the City is the pouring of kerosene over the lake in the park, to eliminate as far as possible the breeding of flies and mosquitoes. This, of course, should prove a very worthy deed in connection with the cleanup.

Since the City Commission are doing everything in their power to clean up the City, and prevent the spread of Infantile Paralysis to Littlefield, all residents are urged to cooperate to make this, our City—a bright and healthy place to live.

More Money Needed To Fill Kit Bags

Miss Lula Hubbard, Supervisor of the Red Cross Sewing Room, announced Saturday that he had received a number of other donations towards filling the soldier kits with necessary articles needed by the boys overseas, but that she still lacked \$21 of completing the 100 kit bags, which is the quota of this sewing room.

Those patriotic citizens and clubs contributing towards this worthy cause the past week were: Woman's Study Club, Mr. and Mrs. R. W. Rutherford, Dr. and Mrs. Thos. H. Duke, Mr. and Mrs. O. N. Robinson, Mrs. Arbie Joplin, Mrs. Alice Bell, Mrs. Tom Newton, Mrs. J. H. Ware, Mrs. Mary Yohner, Mrs. A. E. Tidrow, Kenneth Ware, Mrs. Mary Edith Yantis, Mrs. Elton Hawk, Mrs. K. J. Chaney, Methodist Ladies Missionary Society, and Mrs. Henry Qualls of Amherst.

Miss Hubbard stated that she would like very much to complete these kits within the next week, and she will appreciate very much donations to complete this work. It requires \$1.00 to fill one of these kit bags with the necessary articles, and Miss Hubbard explained that the name of the donor is sewed inside the kit bag.

Will 21 more patriotic citizens come along and help in this work? They may either bring or mail their dollar to Miss Lula Hubbard, Supervisor of the Red Cross Sewing Room, Littlefield.
